

Reincarnation Of The Businesswoman At School –

Chapter 14: Yu Mixi

Chu Peihan's arrogant attitude made Qin Zheng be in a rage. He was speechless though, because Chu Peihan indeed hadn't called his name.

Qin Zheng knew it wasn't a wise decision to stay here longer.

He snorted, glared at Chu Peihan, and gave Gu Ning a complicated glance, then was gone.

"Ha, I thought he was brave. He's merely a boring coward." Chu Peihan felt bored when Qin Zheng left.

Qin Zheng hadn't gone far actually. He heard every word Chu Peihan had just said.

He was irritated, but tried his best to curb his anger.

Though Chu Peihan wasn't famous for anything good, Gu Ning liked her. She thought she was a good and funny girl.

At least, Chu Peihan was being real.

"Hey, is this the boy who you have loved? What a choice!" Chu Peihan raised her eyebrow with disdain.

The reason why Chu Peihan knew everything is because she had happened to see the scene when Qin Zheng had broken up with Gu Ning.

Though she strongly disagreed what Qin Zheng had done, she wasn't interested in getting involved.

She stood up for Gu Ning today only because she agreed with every word Gu Ning had just said to Qin Zheng.

"Well, I guess every girl will meet a bad boy when she's young and dumb," Gu Ning joked.

"Yeah, sure," Chu Peihan laughed.

“Oh, it’s almost the time. Let’s go to the classroom.” Gu Ning ignored Chu Peihan, running away.

Chu Peihan followed up immediately, “I like what you’ve said, and I’ll use it in the future.”

Gu Ning didn’t know what to say. Was she really enjoying swearing?

“Be my guest,” Gu Ning replied.

“What else do you have?” Chu Peihan asked sincerely.

Gu Ning was speechless.

“Nothing,” Gu Ning answered casually. She didn’t want to be bothered any longer.

Chu Peihan pursed her lips, and closed her mouth.

Chu Peihan studied at the second classroom, while Gu Ning at the fourth classroom. Their classrooms were on the same floor.

After a while, both of them went up to the third floor.

Chu Peihan entered her classroom first, and said good-bye to Gu Ning.

In the fourth classroom of grade nine.

The minute Gu Ning walked in, she felt unfriendly sights right away.

She looked over. Shao Feifei was staring at her in an evil way. There were several other girls around her who glared at Gu Ning in the same way.

Yang Yulu shared a table with Shao Feifei, and the girl sat before them called Wu Qingya. Those three girls were always together. Yang Yulu and Wu Qingya were Shao Feifei’s acolytes in fact, because they followed Shao Feifei’s orders.

If Shao Feifei hated Gu Ning, they would do the same thing.

Yang Yulu and Wu Qingya was willing to be Shao Feifei’s acolytes for a reason.

Shao Feifei was from a rich family, while Yang Yulu and Wu Qingya were from a normal family. They could have a relatively luxurious lifestyle as long as they followed Shao Feifei.

Moreover, if any rich boy picked them, they could change their life.

Shao Feifei's family only had millions of wealth, and wasn't the super rich family.

The super rich families would own hundreds of millions wealth.

If a family didn't have that much assets, they wouldn't be called the super rich.

But in normal people's eyes, Shao Feifei's family was rich enough.

The No. 3 High School was a common high school without many real rich young generation, so people like Shao Feifei was able to show off.

Seeing Gu Ning coming, Shao Feifei's sight turned eviler.

Shao Feifei was still angry about what had happened yesterday. Though she knew Gu Ning was different now, she wasn't scared of her.

In her eyes, Gu Ning was still the poor pathetic girl.

As for Yang Yulu and Wu Qingya, they were simply doing whatever Shao Feifei did.

Gu Ning ignored them instead. She couldn't care less about those ridiculous people.

She found her seat. It was at the back row.

"Gu Ning, so nice to meet you again. You didn't come to class yesterday. I'm worried." After Gu Ning had sat down, the girl beside her talked to her immediately.

Gu Ning barely had friends in her school, except this girl, Yu Mixi, who shared a desk with her.

Yu Mixi was also from a poor family. Her mother had been lying sick on the bed for many years. Her father ran a breakfast shop to support the whole family.

Yu Mixi's family was living on a tight budget as well, because of her mother's illness and her tuition fee.

Additionally, Yu Mixi's relatives disliked her family either. Those two poor girls ended up being good friends.

Facing Yu Mixi's kindness, Gu Ning was moved. She explained, "I didn't feel comfortable yesterday, so I didn't come."

"Oh, are you alright now?" Yu Mixi asked.

"I'm fine," Gu Ning replied.

“Good to hear that,” Yu Mixi was relieved.

Gu Ning noticed her desk was clean today. She understood immediately that Yu Mixi had helped her. She felt grateful again.

It was 6:50, the first class began. The students were supposed to read out loud, which helped them to remember the content. Gu Ning was reading the book quietly.

Before long, the head teacher came.

The head teacher’s name was Zhang Qiuhua. She was around 40 years old, and was a strict teacher. Most importantly, she treated every student equally, no matter if the student was from a poor or a rich family.

Gu Ning liked this teacher.

Zhang Qiuhua stood in the front of the classroom.

When her sight fell on Gu Ning, she was surprised, “Gu Ning, come out with me.”

Then, Zhang Qiuhua stepped out of the classroom first.

Thank you for reading on
