[/ Boss, Your Wife's Asking for A Divorce, Again](#)
Chapter 30

"Yeah... It's Rina's death anniversary today.

Julia's hands—which were holding the

bouquet of baby's breath—trembled as she was reminded of her eldest daughter who had passed away at a young age. In

the end, she couldn't help but start to cry.

As she was too heartbroken upon losing

her eldest daughter, Julia placed all of her

attention on the youngest daughter,

However, she would still feel her heart

wrench every year during Rina's death

anniversary

"There, there. Let's not cry." Titus

embraced Julia and cooed, "Today's not

only Rina's death anniversary, but it's also

Tina's engagement day. I'm sure Rina would be happy for her sister if she knew Tina is getting engaged."

Julia was crying so hard that she could even feel her chest hurting. "If it wasn't for Henry the b*stard, Rina w-wouldn't have..."

Julia sobbed in a choking voice.

Titus' eyes darkened. "The Reed Family

has already been destroyed, and Sonia is

the only one left.”

Six years ago, Titus had driven Henry to death and ruined the Reeds in order to avenge his elder daughter’s death.

However, he couldn’t lay a finger on Sonia

because she had already married Toby at that time. Little did Titus expect that six years later, Sonia would acquire Paradigm

Los shares and become the biggest

shareholder of the company.

“All Sonia has is Paradigm Co. and nothing else. Dealing with her is going to be a piece of cake.” Titus was heartbroken at the thought of his deceased daughter, and his hatred toward the Reeds deepened

even more.

On the other hand, Julia was hesitant. “Forget about it. She’s Toby’s ex-wife after all. If Toby becomes aware of this, I’m worried it would cause Tina trouble in the future.”

Titus shorted. “Don’t you know why Toby married Sonia? He doesn’t love her at all. If he did, he wouldn’t just sit back and watch the downfall of the Reeds, and he surely wouldn’t just watch Paradigm Co, slip away from him like that.”

“Stop worrying about this matter and leave it to me. Rina had fallen in love with the crown at first sight back then. Ask Tina for it later and keep it well lest Tina should give it away again.”

Julia nodded and stared at the bouquet sorrowfully

On the other hand, Sonia planned to head back to the office to settle a few urgent documents before going home to rest. The moment she arrived at the office, her secretary informed her, "President Reed, Mr. King from Dwells is here and is now chatting with Mr. Lane in his office."

Sonia smirked coldly. "I see. I'll go and take a look."

Last Friday when they were playing cards at Sakura Heights, Paul had said that he would send someone to bring the contract to Paradigm Co the next day to sign it, but no one came in the end. Sonia wasn't a

fool; she knew Paul wanted to string her along and wait for her to call Dwells on her own. Fortunately, thanks to Zane, she had

found a better business partner for Paradigm Co.

Sonia knocked on Charles' door and entered his office. Seeing that Charles was making small talk with Paul, she walked up to them and smiled as she greeted Paul,

"Hi Mr. King, it's been a while."

"Hi, President Reed." Paul stood up and politely shook Sonia's hand.

After sitting down, Sonia sipped her tea

and did not bring up the matter about their collaboration. Seeing so, Paul had no choice but to bring it up. "I'm so sorry, President Reed. For the past few days, I was so busy I couldn't make it over to sign

the contract. I'm here today to make an apology."

With that, he presented the contract to Sonia and said, "Please take a look at the contract and we can sign it if there's no other issue."

Charles frowned and wanted to say something, but Sonia gave him a look and gestured to him to refrain from speaking.

Then, she said to Paul, "Mr. King, my secretary told me that she tried contacting you via your office number before this but couldn't reach you. Because it's an urgent order and we couldn't afford to delay. I've already contacted another company to handle it."

"President Reed, my company is the top manufacturer in the country for overseas orders. You claimed that you value the quality of the product, but how could you end up engaging a below-par manufacturer just because you're rushing to ship the order?" Paul thought Sonia was merely saying so to bargain with him, so he became a little arrogant.

Sonia smiled, "Besides your company, Rentoor Inc. is also well-known in manufacturing goods for overseas orders."

"But I heard Rentoor is fully booked until next year. President Reed, did you really sign a contract with Rentoon?" Paul was still in disbelief and pressed on.

What he said when they were playing cards the other day was merely out of respect toward Toby. In fact, he didn't take Sonia seriously at all, but little did he think

that she managed to engage Rentoor.

Sonia *has just entered* the business circle

and *has no* connections. How *would she know the boss of Rentoor? Could it be that Toby is helping her?*

Paul was reminded of how Toby cared for

Sonia that day when they were playing

cards, so he thought it wasn't surprising

that Toby would help her to build

connections.

Within a few seconds, Paul understood the

situation. Gritting his teeth, he said to

Sonia, "President Reed, to be honest, I was

merely bluffing when I said that an old

client requested additional orders. Earlier on, President Gray called me and asked me to not take up orders from Paradigm Co."

Hearing that, Charles snorted. "No wonder! All this while I was wondering why you wouldn't take up such a profitable business. I figured that there's a possibility that someone is picking on our company.

Ha! Turns out I was right!"

– "Our company has quite a number of

collaborations with Gray Group, so I was in a quandary." Paul smiled awkwardly and continued immediately, "But I still wish to collaborate with Paradigm Co. Otherwise, I

wouldn't take the risk of offending President Gray and come here today."

What Sonia needed currently was exactly

this—connections. Moreover, there were no enemies in businesses and profit was the utmost priority.

Sonia smiled. "I perceive your sincerity, Mr. King, but I've already signed the contract with Rentoor. If I have other overseas orders in the future, I'll definitely go to you first."

Hearing that, Paul heaved a sigh and continued chatting with Sonia and Charles for a while more before leaving.

After Paul had left, Charles asked Sonia, "I've tried contacting Rentoor before this too but to no avail. How did you manage to contact their boss?"

"Zane referred me to him."

Then, Sonia told Charles about the event where they played cards at Sakura Heights, and that Zane referred her to

Rentoor after that

After hearing that, Charles sighed. "If we had known that Zane has such a connection, you could have taught Mr. King and the others a lesson when you guys were playing cards at Sakura

Heights. Teach them a lesson so that they
won't dare to play cards with you
anymore."

Sonia smiled. "Mr. King and the others are
pretty good at playing cards."

She had not played cards ever since she
got married to Toby. After some time, besides Charles and a few others, many
people thought Sonia didn't know how to play cards. The last time she played
with Paul and the others was the first time she
played cards after six years.

You're too humble!" Charles rolled his
eyes at Sonia and teased her, "We grew up
together. Of course I know how good you
are at playing cards. Even your father
couldn't beat you, let alone others."

Because of Charles' remark, Sonia was
reminded of her father who committed
suicide, and she felt terrible. "Let's go. I'll
buy you dinner."

Just as she stood up and wore her coat,
her phone started ringing.

her phone started ringing.

"Hello?"

"Is this Miss Sonia Reed? Your brother is at our police station now. Please come
over immediately." A lady's solemn voice emerged from the other end of the
line.

Chapter 31

Brother? Frowning, Sonia glanced at the caller ID and said, "Sonia Reed speaking, but I don't have a brother. You must be mistaken."

"There's no mistake. He says he's your brother. His name is Tyler Fuller."

The moment she heard the name, Sonia was reminded of the terrible things Tyler had done before this, and she freaked out.

"I'm sorry but I don't know him." With that, she hung up immediately.

Charles asked in curiosity, "Brother? Is it Carl?"

"No. She called the wrong number.

Then, Sonia walked out of the office with Charles. They planned to discuss Paradigm Co.'s future plans over some Japanese food. However, as soon as she entered the lift, her phone started ringing

again.

Sonia kept her shirt on as she answered the call. However, instead of the female police, the person at the other end of the line was Tyler

"Hey Sonia, come pick me up from the police station."

During the six years of marriage between her and Toby, his brother—Tyler, had either addressed her by her full name or

did not address her at all. This was actually the first time he had called her
Nonetheless, this fellow sounded very reluctant. It was as if he was forcing
himself to address Sonia as such.

Your brother and I have already divorced.” Sonia reminded Tyler, and herself at
the same time. You should call your brother and ask him to bail you out.”

Tyler scowled. “Is it so hard for you to
come to the police station?.”

“Go ask your brother.”

Seeing how Tyler changed his attitude within a second, Sonia frowned and
remained silent. Just as she was about to
hang up. Tyler hung up before her.

Toby’s brother is looking for you?” Charles asked as he caught quite a number of
keywords from the conversation.

“I heard Toby has made reservations at the
Sheraton Hotel. He even invited Tina’s

family to have dinner with his parents to plan the day of their engagement again.
Shouldn’t his brother be together with them at the hotel? Why is he at the police
station?”

“He probably committed some crime and
got detained.” With a calm look, Sonia
pursed her lips. “He wants me to bail him
out.”

Charles sneered, “Does he think you and
Toby are still married? How could he still
order you around like this? His character is

exactly the same as his mother's!"

When they arrived at the car park and were about to get into the car, Sonia suddenly asked, "How long will one be detained in

the police station normally?"

"Depends on what crime they committed. If it's causing an affray, they will be detained for around 15 days if no one bails them out," Charles answered and looked at

Sonia in resignation. "Are you thinking of going to get him?"

"He doesn't dare to call Toby, which shows that he must have committed something serious." Sonia got into the car. Til go take a look."

Charles bent down and knocked on the car's window with a sulky look. "Are you abandoning me for the sake of your ex husband's brother?"

However, Sonia ignored him and drove out of the basement car park.

While on the way to the police station, Sonia recalled the conversation with Charles at the car park just now, and she hated herself for being soft-hearted at that moment. She had decided to let things go, yet here she was on the way to help when his brother was in trouble.

After arriving at the police station, Sonia mentioned Tyler's name, and the policewoman led her in. Soon, she saw a row of youngsters in school uniforms standing by the wall. Everyone looked disheveled with serious injuries on their faces.

"Tyler Fuller." The policewoman called upon Tyler, who was standing among the youngsters. Your sister-in-law is here to pick you up."

Tyler immediately lifted his head. His eyes

lit up for a second when he saw Sonia, but he soon pouted and snorted. "You b*tch, I knew you would come."

Sonia looked at him calmly and said,

"What did you just call me?"

With her hair tied up into a ponytail, she looked gentle and elegant in her black coat, but her tranquil gaze actually sent a chill down Tyler's spine.

The two of them looked into each other's eyes for a moment before Tyler spat through gritted teeth, "So-nia."

Sonia was jutused seeing Tyler's aggrieved look. She didn't sign the bail bond immediately but asked him, "Why did you get into a fight with the others?"

Tyler kept quiet

Just then, one of them from the row of youngsters who were standing at the corner of the wall yelled at Tyler, "Hey Tyler, I heard your sister-in-law has already divorced your brother. How can you be so shameless to ask her to come bail you out? Ha! You're just like your mother, ordering people about impudently."

"I think his mother must have mistaken his gender when she gave birth to him!"

Tyler's eyes became bloodshot upon being provoked by the few youngsters' mock. He

provoked by the few youngsters' mock. He had an impulse to dash toward them and give them a punch in their faces.

Nonetheless, Sonia quickly grabbed his uniform. "Are you actually thinking of causing a ruckus in the police station? Do you want me to call your brother?"

Worried that Sonia would really call Toby,

Tyler pulled his arm away from Sonia with a dark face without allowing the latter to touch his uniform.

After signing the bail bond for Tyler, Sonia glanced at the other youngsters at the corner of the wall and said to the police officer, "It's normal for kids to have fights. I'll bail the others out too, it's just a small matter and it's not necessary to trouble their parents."

The police officer understood that the youngsters were from the same school and they would have one less case to

worry about if the fellows were released

earlier, so the officer agreed. As such, Sonia signed the bail bonds for the other youngsters too.

On the other hand, Tyler had never thought Sonia would do this. His blood boiling, he scowled at Sonia, "Are you crazy? Why are you bailing them out too?!"

Tyler glanced at the youngsters in front of

him and mumbled sulkily, "I could have

won if there were only three of them, but

then another two came."

*That means you didn't." Sonia darted a

glance at him. "I thought you were all high

and mighty!"

Hearing that, Tyler was rendered

speechless

After coming out of the police station,

Sonia followed behind the few youngsters

at an unhurried pace, which made Tyler

confused. Just as he caught up with Sonia

after hesitating for a while, Sonia suddenly

hit the back of one of the youngsters with

her handbag, causing the fellow to wall in

pain.

Seeing Sonia daringly hit their friend, the

other fellows quickly surrounded her.

Sonia yelled at Tyler, who was
dumbfounded, "What are you waiting for?

Come and beat them up! Didn't you say
you're able to defeat three of them?"

Upon regaining his composure, Tyler quickly rolled up his sleeves and darted
Over

Sonia dragged two of the youngsters away. so it was a piece of cake for Tyler to
deal with the other three. In no time, all
the youngsters were beaten to a pulp. At the same time, there were more
injuries on Tyler too, and he grimaced in pain as he had received a punch in his
right cheek.

Sonia straightened her disheveled hair and

said to the few youngsters who were

knocked to the ground. "I'm giving you

guys mercy by asking him to beat you all

1. up. If I were the one to deal with you guys,
I can make you guys stay in the juvenile

detention center for three months-mark

my words"

She said the scariest words in a calm tone, which caused the few youngsters who
were still students to wimp out and didn't dare to utter a word anymore

"Get up." Sonia said and pointed at Tyler who was standing next to her.
"Apologize to him."

The few youngsters quickly stood up and apologized to Tyler. After that, they ran
away immediately upon Sonia's dismissal,

Tyler looked at Sonia's side profile with

mixed emotions. Back then, when Sonia

asked Toby to marry her, Tyler had thought

that she had indirectly broken up Toby and

Tina. Hence, he had treated her with

hostility all this while and picked on her

when she was still in the Fuller Family

However, he had seen a different Sonia at

the bar last time, and today. It seems like she *isn't that bad after all*

"I heard Toby and your sister-in-law-to-be are at Sheraton Hotel. It's up to you whether you want to go home or go to the hotel." Sonia took out some cash and

shoved it to Tyler.

Then, she walked toward the driver's seat.

Just as she was about to get into the car,

she heard one of the car's doors being opened and closed shortly after that.

Looking at Tyler, who was sitting in the

passenger seat, Sonia tried to keep her

shirt on. "Tyler Fuller, go hail a cab. I have

no time to send you back."

"I'm not going back. I'm going to sleep in

passenger seat, Sonia tried to keep her shirt on. "Tyler Fuller, go hail a cab. I have no time to send you back."

"I'm not going back. I'm going to sleep in your car!" Tyler was yelling so loud that the wound at the corner of his mouth was torn

and he scrunched his face in pain.

"Get out. Toby and I have already divorced."

However, Tyler remained still in the

passenger seat and snorted, "An ex-sister

in-law is a sister-in-law too. I've already addressed you anyway."

Boss, Your Wife's Asking for A Divorce, Again! Chapter 32

[/ Boss, Your Wife's Asking for A Divorce, Again](#)
Chapter 32

Looking at Tyler's badly beaten face, Sonia sighed deeply and got into the car without further arguing with him

Meanwhile, Tyler had not deemed himself an outsider at all as he started touching things in Sonia's car.

Sonia's car was a standard sedan, but because Tyler was very tall, he could only shrink his long legs below the seat.

However, he still thought it was the car's problem. "What kind of lousy car is this? | can't even move my legs! Hey, why didn't you ask for a car when you and my brother were going through the divorce?"

"Just get out if you're not happy with it."

Sonia didn't speak kindly to him as she didn't want to spoil him. "Go and sit in Toby's fancy car instead."

With that, Tyler stayed silent.

Soon, the car arrived at the parking lot in the basement of Bayside Residence. Seeing Sonia get out of the car, Tyler quickly jumped out and followed behind

her. "I heard that the houses here are very

expensive. Did you sell the Ocean's Heart to buy this property? Did Toby really not give you a single cent when you guys divorced? Hey, have you lost your mind? Even if you asked Toby for some money, no one would say anything about it."

Sonia ignored him and even deemed him absent. After arriving on her floor, she entered the house after scanning her fingerprint. If not for Tyler's quick response, he would have been left outside the house. He was so annoyed that he felt like cursing Sonia but he knew he needed a place to sleep tonight, so he snorted and bit his tongue.

Seeing Sonia walk toward the kitchen, Tyler yelled at her, "I want beef noodles two bowls!"

Although he detested Sonia, it was undeniable that Sonia had great cooking skills and he enjoyed her dishes. Back when Sonia was still at Fullers' Residence, she would prepare lunch for Tyler to bring to school. After Sonia had left the family, Jean had hired a chef who claimed to have TAFLAN in a fiva marhatal bafara

worked in a five-star hotel before. However, it turned out that his cooking was nasty and even Sonia's cooking was better than his

"I'm going to make plain noodle soup, take it or leave it," Sonia said coldly without even turning around. "The first-aid

kit is in the second drawer of the

storeroom. Go get it yourself."

What the heck! This woman has simply

divorced Toby, but why does it feel like she

has become a totally different person?

After complaining about Sonia inwardly,

Tyler reluctantly went to get the first-aid kit

from the storeroom and sprayed the

disinfectant at the wound on his face.

Sonia was still preparing dinner, so Tyler

wandered around the apartment. He noticed that the quest room was empty while there were only Sonia's apparel and cosmetics in the master room-there was

no trace of another man at all.

Could *it be that the toyboy named Carl Lee*

does not stay here?

Tyler walked to the table beside the floor to-ceiling window and found a laptop, some stationery, and a half-opened old

metal box on the table. He glanced at the

door before secretly opening the metal

box. Inside the metal box was a pile of

yellowed letters.

Out of curiosity, Tyler took one of the

envelopes and opened it. After reading the content, he realized that Sonia was writing to a pen pal named "John". She shared interesting stories in life with him and asked him if his grandmother was well.

When Tyler saw the date at the bottom right corner of the letter, he mocked her with disdain, "Hmph! This bitch did not focus on her studies and was dating on the web! How has she not been fooled

yet?

All this while, I wondered why Sonia had a

big change in her personality after the

divorce from my brother. It turns out that

this is her true color--she has always been

wild!

"Tyler Fuller." Sonia's impatient voice came

forth from outside the bedroom. Till give you ten seconds. If you don't come over and have your hoodles, I'll throw it away."

Därmal How dare this woman threaten me!

Cheesed off, Tyler simply stuffed the letter

into his pocket and thought to himself, have to *let Toby see this and tell him that Sonia has engaged in web dating since she*

was in school.

When Tyler went to the kitchen, the beef noodle was still on the table, so he sat

down and tucked away, thinking that Sonia

was still sensible.

Meanwhile, Sonia sat down across from

Tyler and asked, "Why did you fight with the others?"

"Mind your own business."

"Sure, I shall mind my own business and ask Toby to come over then." Sonia knocked the table with her finger and smiled faintly

Hearing that, Tyler remained silent for a moment before he spoke up reluctantly. "There's this girl in our class who always gets bullied by them. They even had the guts to cut her hair! I couldn't just sit and

watch anymore so I started throwing

punches at them..."

However, it so happened that a police officer, who had just got off from work, passed by when they were fighting, so all of them ended up being detained in the police station

"I didn't know that you actually have a sense of justice." Sonia said.

Because Tyler was bad-tempered and had always picked on Sonia when she was back in Fullers' Residence, Sonia had never meddled with his affairs and would only leave it to Toby to handle.

Tyler pursed his lips. "I'm just frustrated to see a few guys bullying a girl."

While eating, he asked Sonia, "By the way. I've wanted to ask this since just now where's the toyboy? Isn't he staying with you?"

"Who?"

"The one named Carl Lee." Tyler rolled his eyes and gabbled, "I went in your room just

now but didn't see any men's clothes."

Sonia was annoyed at Tyler, who pried her

room even though he was just a guest. Lifting her head, she stared at Tyler and smirked. "There's no one here named Carl Lee, but there is a toyboy within a stone's throw."

Within a stone's throw? Startled, Tyler soon realized what Sonia meant upon seeing her staring fixedly at him, and he choked

on the noodles.

"Shameless woman!" Tyler rebuked as his face turned red out of anger. "I'm only

sixteen, and I'm your ex-husband's brother!

H-How dare you have such thoughts?!"

Sonia asked unaffectedly, "Isn't that what

you already think of me-a flirtatious

woman?"

With that, Tyler was at a loss for words.

After dinner, Tyler refused to leave and inhabited the couch as he wanted to stay the night. Perceiving that she couldn't

chase him away, Sonia went to get her

phone

Tyler caught a glimpse of her dialing Toby's number, so he pounced over to snatch her phone. "Hang up! Don't call

him."

"If you refuse to leave, I'm going to ask

Toby to come over." Sonia dodged so that

Tyler wouldn't be able to snatch her phone.

"Sonia

"Calling me Sonia a hundred times isn't going to help you. Leave now or I'll ask Toby to come."

Seeing the call had already been

forwarded on the phone, Tyler pounced toward Sonia, snatched the phone from her, and hung up the call.

As Sonia did not expect that reaction from

Tyler, she fell to the ground upon the pounce. Although the back of the couch

was soft, she was in pain as she had

knocked her head hard.

Tyler heaved a sigh of relief after hanging up the call. Then, he noticed Sonia, who was frowning after falling onto the couch.

The hem of her sweater folded outward,

exposing her fair, thin waist and...

"T.F.?" Tyler had sharp eyes and noticed

the alphabets tattooed at the right side of

Sonia's waist.

the apnaders tattooed at the right side of

Sonia's waist

He soon understood the meaning of this short form. Staring at Sonia in shock, he mumbled, "You... have Toby's name tattooed on your waist?"

Just then, the doorbell rang.

Boss, Your Wife's Asking for A Divorce, Again! Chapter 33

/ [Boss, Your Wife's Asking for A Divorce, Again](#)
Chapter 33

Sonia quickly pulled down the sleeves of her sweater to cover the wordings of her tattoo before she opened the door. She was surprised when she saw Toby and Tina standing right outside the door because she never expected them to come.

Toby wore a black suit while next to him was Tina, who wore a champagne-colored evening gown that made her look fair and beautiful. Both of them looked compatible with each other when they stood together.

When he saw Sonia's messy hair and pink cheeks, he immediately became colder and asked her in a low voice, "Where's

Tyler?"

responded in a gentle manner, "We are here to pick Tyler up. Can you ask him to come out quickly?"

Sonia turned around to yell into the house, "Tyler, your brother and your sister-in-law are here. I'm not the one who told them about your location. Your brother is the

one who installed location services on your phone and found you from there."

When Tyler saw his brother, his shoulders

slumped in a slightly lazy manner as he slowly walked out of the house with his bag.

When the three of them were about to

leave, she called after them, "President Fuller, your brother used my medicine and ate two bowls of beef noodles at my place. Aren't you planning to pay for it?"

Tyler replied angrily. "How much does two bowls of beef noodles cost? Since when have you been so stingy?"

"Well, beef is quite expensive now. Apart from that, we are not related to each other anymore. So why would I allow you to eat for free here?"

He was speechless upon hearing that.

Meanwhile, Toby took out five pieces of cash and passed them to Sonia with an indifferent expression on his face. "Is this enough?"

"Yes. Thank you, President Fuller. Have a nice journey back home." After receiving the money, she closed the door immediately without a second glance at them.

The three of them then took the elevator down. After they entered the car. Toby finally asked Tyler, "Why didn't you head to the hotel and instead come to Sonia's place? What's going on with the injuries on your face?"

Tyler was feeling rather defeated in front of his brother. Upon hearing Toby's questions, he immediately and truthfully

replied, "I had a fight with my classmates. I

know that you were having dinner with Tina's family and I thought that it's not a good idea to go to dinner while looking like this. So, I asked sis-I mean, Sonia-to bail

me out and had dinner at her place

instead."

When Tina heard that Tyler still referred to

Sonia as his sister-in-law, her fingers

clenched.

Tina took the medical kit in her car to gently deal with the injuries on his arms while speaking in a soothing tone, "Tyler, if you get into trouble in the future, just call me or Toby. We are a family now, so don't worry about troubling us. Apart from that, Miss Reed already has a boyfriend. It's not appropriate for you to continue troubling her like this. I'm sure her boyfriend would

mind."

At this moment, he remembered how

Sonia had teased him during dinner earlier

while feeling slightly uncomfortable, "She

seems to be staying alone. She's not living

together with that guy."

Toby shot a glance at him through the

rearview mirror. He did not know why he

felt relaxed upon hearing Tyler's words.

"Maybe they have a different abode." Tina

gave a gentle smile. "Your wounds have been disinfected. Does it still hurt?"

"Not anymore. Thank you, Tina." Tyler

smiled. Tina is so gentle *and* she speaks

softly. She's much better than Sonia!

After closing the medical kit, she casually spoke to Toby. "Toby, I heard that you already asked Tom to deal with the news in our circle, right? It's just a small matter, so we didn't expect the employees from Paradigm Co. to record a video and upload

it online. The video became viral among

the circle and ruined your mother's

reputation, which affected yours as well."

"What do you mean, Tina? Are you

suspecting that Sonia asked her

employees to record the video?" Tyler

asked in confusion

"That's not what I meant." Tina replied

hastily. "I just thought that Sonia might have known about this long ago and restricted her employees so that the video would not spread like wildfire among their

department."

"Paradigm Co. has many employees. Even if she had warned them, those who didn't

mind getting into trouble would still

secretly upload the video." Tyler pouted. "On top of that, Mom is in the wrong here.

Toby and Sonia have already divorced, yet

Mom still made a scene at Paradigm Co.

because of such small matters."

Even though he did not like Sonia a lot, he

had spent six years living under the same

roof as her. He knew that she was not the

person who would resort to some dirty

tricks as such. Apart from that, it was Jean who went to make a scene at Paradigm Co. It wasn't something that Sonia had

asked for

Tina was shocked to see this. Tyler

obviously *hates* her. *Why is he speaking up for her now?*

*Tina, why are you looking at me like this?"

When Tyler saw her looking at him, he

raised his hand to touch his face, but he

accidentally touched his wounds and

hissed in pain. "Do I look that bad?"

She immediately returned to her senses and smiled gently. "A little. I was just

thinking that your classmates would be

looking at you when you head to school

tomorrow

When Tyler heard that, his expression sank and he thought about skipping school. However, his older brother was the driver, so Tyler did not dare to say it out loud, for fear that he might not even be able to enter his house the next day. He had always been quite a coward who did not

dare to speak up.

They soon arrived at Fuller Residence.

Upon seeing that Tina was still here, Jean affectionately pulled Tina's hand. "Oh, Tina,

it's been difficult for you to search for Tyler

with Toby. Thanks for the hard work. Since

it's already so late, why don't you stay the

night here? Well, you should move in

earlier anyway.”

Tina also wanted to stay, so she shot a glance at Toby. After seeing that he did not utter a word, she pursed her lips before saying, “Alright. Thanks, Madam White.”

“We are a family now, so don’t be too

courteous!” Jean was overjoyed when she

saw that Tina agreed to stay the night.

After Toby came out from the shower, he

did not immediately go to bed and looked through a few documents instead.

When he opened the drawer to take a pen, he opened the wrong tier and saw a stack

of yellowish letters that were placed inside

the drawer. His gaze became much gentler

when he saw the letters.

It was a coincidence that he was able to

know Maple, his pen pal. After they

when he saw the letters.

It was a coincidence that he was able to

know Maple, his pen pal. After they exchanged many conversations with each other, they had a great time, which was out of his expectations. This was the first time he felt touched when he interacted with

someone through letters. Yet, he never

expected the pen pal to be Tina.

Chapter 34

While Toby was deep in his thoughts as he looked at the letter, someone knocked on

the door of the room and opened it.

"I saw that the lights in your room are still

switched on, so I guessed that you are still busy." Tina entered the room as she wore a dark blue bathrobe. The belt was loosely

tightened around her waist, revealing her

collarbone and some fair skin. She also

sprayed some perfume on herself and

looked quite attractive.

After she placed the glass of fruit tea on

the table, she leaned toward him with

intention. "I made some fruit tea so that

you will feel more energized when you

work."

"I'm done with work," he answered. Then, he opened the drawers and showed her the letters within, "When I was about to

take a pen, I saw our previous letters. I

didn't expect that we would have exchanged many letters with each other."

Tina panicked for a moment when she saw the letters, but she quickly calmed

herself down. "It has been six to seven

years ago. Why are you still keeping

them?"

"They are extremely memorable for me." Toby caressed the letters and smiled. It's

because you are the first woman / fell for.

Tina turned around to wrap her arms
around Toby and leaned against him.

"Toby, since I'm with you now, we don't

need these letters anymore. Why don't you ask the maids to destroy them
tomorrow?"

Upon seeing that he had remained silent, she pretended to feel hurt. "You
keeping these letters show that you are still in the

past. Am I as a living person any lesser

than the letters? Do you want to continue

to talk to me through letters and not live together with me?"

When Toby saw the hurt on her face, he felt quite sorry for her. She's right. She's
here with me now, so it's not important to

He caressed her hair. "Alright. I will ask

people to destroy them tomorrow.

"Sure!" Tina slightly smiled. Her heart

skipped a beat when she smelled the nice

fragrance from him.

She quickly summoned her courage to kiss Toby's Adam's apple.

Toby's body stiffened for a few seconds. When she kissed his jaw, he did not pull
her into his embrace. Instead, he pushed

her away inconspicuously.

At this point, she had already untied the sash on her robe to reveal huge patches
of her fair skin.

Upon being faced with such temptation,

his expression did not change whatsoever.

Without even looking at her for another

second, he adjusted the bathrobe back on

her.

Toby, we are already living together." No

"Toby, we are *already* living together." No matter how emboldened she was, Tina still felt awkward when she faced such rejection. "We can do anything together. Or are you thinking that I'm not good enough?"

We've *already been living together, so we can do some intimate things. However, he does n't seem to even have any desires even*

after such temptation.

On the other hand, Toby had also felt

slightly anxious.

When he saw tears swimming in her eyes,

he gently consoled, "You have just

recovered, so your body still needs to

regain its strength. Let's talk about this in

the future."

"Alright." Tina nodded and leaned in his embrace, but worry still rose within her.

As soon as she signed the contract with

Rentoor, things had been going well for

Sonia.

While she was busy with work in the office,

her secretary knocked on the door before

entering with a document in her hand,

"President Reed, Mr. Coleman has sent

this over."

"What could he have sent?" Sonia

mumbled and took the document out of its file.

After perusing it, she realized that it contained details of Continental Co, and gulve off the aura that he created this document to stage a takeover of the company

Sonia immediately called Charles to tell him about this.

He immediately remarked, "It's a good plan to buy them as a subsidiary of our group.

Since my company has been using quite a lot of money recently, I don't have much money for you to spend."

"90 million should be enough, right?" she asked.

She looked at the document that predicted the acquisition price to be around 90 to 140 million

What the hell? Where did you get so much money from?"

"Carl gave it to me."

Charles sighed in envy. "I didn't expect that a male model would camn this much. If I'm ever bankrupt in the future, I'll become a male model too."

Sonia replied in annoyance, "You? If you really become a male model, I bet you can't even earn a hundred thousand."

"Alright, alright. I know that you think everyone else is better looking than me."

He clucked his tongue. "I'm actually quite curious about something-Zane has actually asked other people to acquire Continental Co. Why doesn't he do it himself and instead pass the information to you?"

Charles added, "Seeing how well he treats you, has he fallen head over heels for you?"

Upon hearing that, Sonia was speechless.

She had enough of his nonsense and decisively hung up the phone.

Not long after, he texted her again. "Baby. today is my birthday. In the past, you said

that you'd be busy once you're married, so you don't have time to celebrate it with me.

Now that you are divorced, you're still not free?

As Sonia had been quite busy with work recently, apart from work-related matters, she did not have the time to care about other things

If Charles had not reminded her, she would have forgotten about his birthday.

She smiled and replied, 'Of course i remember about it. I have already booked a place to celebrate it with you at the Luna Club. I'll select the most expensive present

later!

Since he had helped her out quite a lot, she also wanted to thank him.

Charles replied, 'Tsk! It seems like I have to thank Toby for the divorce. Otherwise, you won't have time to celebrate my birthday too.'

Sonia was speechless upon seeing that.

After she settled the remainder of her work, she left the office and prepared to

buy a watch for him as a present It was a coincidence that the saleswoman who had previously served was working today and she enthusiastically greeted Sonia. "Mrs. Fuller, it's been so long."

Sonia merely smiled and openly responded, "President Fuller and I are already divorced. You can address me as

Miss Reed' next time."

"I'm sorry about that, Miss Reed. I was

previously abroad for studies and only

returned a few days ago, so I haven't been

keeping up with the news," the saleswoman quickly explained.

"No worries about it. It's my friend's

birthday today and I want to give him a

watch as a present. Do you have any

recommendations 7”

When the saleswoman saw that Sonia was not angry about her faux pas, she quietly heaved a sigh of relief and picked a few watches to recommend them to Sonia,

The watches were from the same series and they looked quite decent.

Even though Sonia was picking a present for Charles, she couldn't help but think that

Toby would also look great in those

watches when she looked at them.

However, in the course of the many years of their marriage, she had bought so many watches for him that she became the VVIP customer of this store. However, Tyler had never worn anything that she bought for him.

While she was lost in her thoughts as she looked at the leather-bound wrist watch, she heard a familiar voice just as she was

about to take it.

“This looks quite good. Please explain more about it to me.”

Sonia turned around and saw Tina standing next to her with her friend. They were holding a few shopping bags in their

hands and it looked like they had just done some shopping

Tina had a slight smile on her face, but when she learned that Sonia was looking at the watches as well, her smile froze.

She politely greeted Tina, "Hello, Miss

Gray. What a coincidence."

"Indeed." Tina tightly clenched the

shopping bags with a smile. "Are you here to buy a watch for your boyfriend?"

Sonia hummed in agreement and ignored

her.

Just as Sonia wanted to ask the

saleswoman to wrap the watch as a gift,

Tina was one step ahead and pointed at

the watch as she spoke, "I want to buy this watch. Please wrap it up for me."

With that, she turned around and smiled at

Sonia. "I just think that Toby would look

great with this watch. Don't tell me that you are also planning to buy it?"
