[Boss, Your Wife's Asking for A Divorce, Again](#)
C70 Caring about Zhao Qiqing.

Leon Aguilar was resting with his eyes closed on the way to the charity gala. Before he came, he specifically told his wife not to tell Khloe about the banquet, but he did not expect her to know about it.

"Yes, is there something wrong with my precious daughter?"

Ever since Khloe was annulled, the psychiatrist advised them to follow Khloe's thoughts, or else she might suffer from autism.

It was precisely because of this that Leon Aguilar would indulge Khloe's actions in every way possible. His voice would also unknowingly become softer.

"Can you take me there?"

Khloe's expectant words were like a ticking time bomb in Leon Aguilar's ears.

"Didn't the doctor tell you to rest more and not go to places with more people?" Leon Aguilar wanted to give up Khloe's idea.

"I am fine now. As your daughter, I naturally need to make more friends. Only in the future will I be able to contribute to your company."

Khloe insisted on attending the banquet. Leon Aguilar was helpless and could only agree.

Only then did Khloe bid farewell to her friend contentedly. She specially went to the hairdresser to tidy up her makeup and informed the driver to send her new dress to the designated location.

As the new CEO of Brilliant Glory Group, Sonia Reed was naturally invited to the charity banquet, but she did not have time to prepare.

"Alright, the meeting is adjourned." They ended the three-hour meeting. Her employees packed up the documents and went home, but Sonia Reed had to go and socialize.

Ximena Ditka anxiously waited for Sonia Reed in the lounge. This was Sonia Reed's first time appearing in public, so she must not lose face.

"Ms Reed, didn't you say to end the meeting early?" Ximena Ditka complained but her hands kept tidying her dress.

"I have finished the meeting a minute earlier." Sonia Reed raised her hand to let Ximena Ditka look at the time.

"There are already people at the banquet. We cannot be late."

Sonia Reed knew the importance of time and after she took off her clothes, she put on the dress that she had prepared earlier.

The light blue long dress perfectly displayed Sonia Reed's graceful figure. Her long black hair casually fell down on her back and perfectly covered her smooth back.

Following Sonia Reed's movements, her back faintly revealed and added a hazy beauty.

Ximena Ditka could not help but sigh, "You really are a fairy descending to the mortal world."

In order to take care of the gown, Ximena Ditka specially used the rest time to study Sonia Reed's makeup. So when she put on makeup, it was also very easy for her to do it. She finished all her work in half an hour.

"We can leave now." Ximena Ditka looked at Sonia Reed with satisfaction. She was in an incomparably happy mood.

Sonia Reed helplessly sighed to Ximena Ditka who kept praising her, "Have you never seen me before?"

Sonia Reed slightly opened her eyes and saw that she was stunned for a moment in front of the mirror.

She blinked her eyes and after making sure that she saw herself, she only recovered her senses after a long time.

"Let's go."

Sonia Reed suppressed the shock in her heart and pretended to be calm as he looked at Ximena Ditka and said, "Why don't you change your clothes?"

Ximena Ditka patiently explained, "I am your assistant. Of course I am wearing professional attire. Furthermore, Mr Fuller will also attend the banquet, of course I will dress you up more beautifully."

Sonia Reed did not hear Ximena Ditka's last sentence clearly.

When the two of them rushed to the charity banquet, they vaguely heard the music and conversation inside.

It was Sonia Reed's first time attending the banquet as the CEO of Brilliant Glory Group, but she still felt a trace of nervousness in her heart.

"Ms Reed, let's go in."

From the moment they got off the car, there were already media outlets ready to get the first-hand information about the CEO of the Brilliant Glory Group.

Toby Fuller's identity as the ex-wife was enough for Sonia Reed to be in the headlines. In addition, she would be the chairman of Brilliant Glory Group within a month. They wanted to know what happened inside.

"Ms Reed, hello. May I ask how you got the shares of Brilliant Glory Group?"

"Ms Reed, what was the reason for your divorce with the Skyview Group's Mr Fuller? Why did you work together again?"

"What is your relationship with Toby Fuller now?"

Ximena Ditka faced the reporter's question and hurriedly walked in front of Sonia Reed to block everything for her.

"Sorry, Ms Reed cannot answer the questions for the time being."

Ximena Ditka escorted Sonia Reed into the banquet venue and the two of them heaved a sigh of relief.

"Ximena, I have wronged you." Sonia Reed suddenly understood why many people wanted to find a male assistant.

She suddenly felt guilty for letting a girl face such a crazy thing.

"Ms Reed, as long as you don't think I am bad." Ximena Ditka only felt that all her efforts were worth it.

The reporters' attention was quickly diverted. Because Toby Fuller followed Sonia Reed to the scene.

Toby Fuller, who was already used to it, walked straight to the scene, not giving the reporters a chance to ask questions.

At this moment, Sonia Reed was busy dealing with the directors of various companies. She did not notice the commotion outside the door at all.

Toby Fuller had not yet stepped into the banquet hall when he was blocked by Director Houde, who had previously cooperated with him. He said, "Mr Fuller, I'm very happy that you came to the charity banquet."

"Skyview Group has always paid attention to charity and contributes to society." Toby Fuller replied in a formal manner.

"Sorry, I have something else to do."

Director Houde could tell that Toby Fuller wanted to leave, so he made way for him. It seemed like there was no hope for cooperation.

"Mr Fuller, Ms Reed is here." Assistant Benson suddenly thought of the names of the people who were participating in the banquet.

"Where is Axel Fuller?"

The person who forced Axel Fuller to participate was Toby Fuller.

"He's in the lounge next to the pool." Assistant Benson pointed to the furthest place from the banquet hall.

Obviously, Axel Fuller wanted to stay *away* from the banquet. He did not want to have anything to do *with* the people at the banquet.

Toby Fuller walked towards the lounge and saw Sonia Reed, who was calm in the crowd.

She held a wine glass and chatted happily with a group of men. She didn't even notice that he was deliberately getting close to her.

"President?" Assistant Benson followed Toby Fuller's gaze and saw Sonia Reed's figure.

If he had not seen Sonia Reed often, he would not have believed that the person in the formal dress was her.

"Let's go." Toby Fuller didn't want Assistant Benson to look at her one more time, so he said coldly.

Assistant Benson instantly shivered. He quickly lowered his head and did not look at Sonia Reed.

Sonia Reed really felt that she had caught a cold. Not only did she sneeze, her back was covered in cold sweat.

"Ms Reed, are you not feeling well?" There was no hot water prepared at the banquet. Ximena Ditka could only look at Sonia Reed holding the wine glass.

"It's fine." Sonia Reed already had a slight cold. She touched her nose in discomfort.

"Go to the lounge next door and sit for a while."

Ximena Ditka did not want Sonia Reed to continue enduring the pain brought by the cold to socialize. She just forcefully pushed Sonia Reed to the lounge.

In order to protect the privacy of the guests, the lounge was not a public space. Sonia Reed casually opened a door and saw three familiar people.

“Sorry.” The door was half open and Sonia Reed subconsciously felt that there was no one inside.

When she saw Toby Fuller and Axel Fuller, she was stunned for three seconds before she closed the door

and walked to the room next to them.

“Sonia Reed is also here?” Axel Fuller was very curious.

“Take care of yourself.” Sensing Axel Fuller’s thoughts, Toby Fuller warned him coldly.

“Why do you care so much about Sonia Reed?”

Axel Fuller was not a fool. He could tell that Toby Fuller was protective of Sonia Reed.

C71 This Is the Price

When Toby Fuller heard Axel Fuller’s provocative words, he rhythmically knocked on the table with his finger and said with a tone that did not allow any rejection, “You better be obedient.”

Feeling the sharp aura coming at him, Axel Fuller withdrew what he wanted to say.

He did not have the authority to do so, so the best way was to not fight back.

“Why aren’t you going to the banquet hall?” Toby Fuller turned back to the main topic.

Knowing Toby Fuller’s purpose, Axel Fuller casually found an excuse. “I feel uncomfortable in my stomach.”

Sensing Toby Fuller's scrutinizing gaze, he continued, "I will go out soon."

After getting Axel Fuller's reply, Toby Fuller did not stay in the room anymore. He still had one more thing to deal with.

After sending Toby Fuller away, Axel Fuller heaved a sign of relief. If it wasn't for the sake of going out with his friends tomorrow, he wouldn't have listened to Toby Fuller's words obediently.

Toby Fuller didn't return to the banquet hall. Instead, he walked to the room beside him. He twisted the door handle, but there was no reaction. Obviously, the door was locked.

Sonia Reed heard the calm knocking on the door and roughly guessed who it was. She forced herself to open the door.

"Toby Fuller?" Sonia Reed looked at him with a puzzled look.

This was the best opportunity to develop business partners. He actually came to find her?

"Who prepared a dress for you?" Toby Fuller's dangerous gaze fixed on Sonia Reed's fair back.

Sonia Reed stood up and did not take care of her hair. She did not know that the dress exposed her large back.

Toby Fuller's words reminded Sonia Reed and she quickly took a step back.

Seeing Sonia Reed's reaction, Toby Fuller only felt angry.

She could smile when facing the men at the banquet, but she was so wary of him?

"Don't come over." Sonia Reed was so scared by Toby Fuller's gaze that she could not speak properly. She could not help but sneeze.

"You have a cold?" Toby Fuller instantly retracted his hostility and replaced it with worry. "This is the price."

Seeing that Sonia Reed was not feeling well, Toby Fuller did not know why, but he could not bear it, but he felt happy at the same time.

"Can you not mock me?" A wave of grievance surged into Sonia Reed's heart.

She came to the banquet to find future partners. Now she wanted to rest for a while and was ridiculed by Toby Fuller.

Seeing Sonia Reed's mood was not right, Toby Fuller took off his coat and put it on her. He said coldly, "Go back and lie down."

After saying that, he did not give Sonia Reed a chance to refute and directly closed the door from the outside.

Feeling a headache, Sonia Reed could not help but pull the coat on her. Toby Fuller's remaining warmth was still on the coat.

Feeling the temperature, Sonia Reed only felt that her head was no longer dizzy.

Sonia Reed was woken up by a knock on the door. She looked up and found that she had slept for half an hour and now she really wanted to leave.

Sonia Reed opened the door again. Toby Fuller was still standing outside the door. However, he had a cup of hot water in his hand. "Drink it. The banquet is going to officially begin soon."

Sonia Reed was no longer pretentious. The temperature of the water was just right. She drank a cup of water in one go.

"Thank you." Sonia Reed handed the coat to Toby Fuller and prepared to leave.

"Ask your assistant to prepare the coat next time." After saying that, Toby Fuller walked in front of Sonia Reed as if they had never met before.

Sonia Reed smiled bitterly silently. She was already used to the way she interacted with Toby Fuller.

Ximena Ditka rushed over to officially start to remind Sonia Reed and found that she was already standing outside the door.

"Ms Reed, I..."

"Sonia Reed? Why are you here?"

Before Ximena Ditka could finish, Khloe spoke first.

When she heard that Toby Fuller appeared in the lounge, she immediately came here and saw the person she least wanted to see.

"Let's go."

Sonia Reed ignored Khloe and lightly looked at Ximena Ditka, motioning for her to leave together.

Khloe was ignored and was extremely angry. She directly grabbed Sonia Reed's arm and did not let her leave. She even brought her to the side of the pool.

"Khloe, what do you want to do?" Sonia Reed did not think that Khloe's strength was much greater than hers and she did not give her a chance to struggle.

"Don't think that you can be with Toby again just because you appeared here. He is mine."

ca

cause

Khloe had always regarded Sonia Reed as her enemy, as if any of Sonia Reed's actions would affect Khloe.

Sonia Reed smiled silently. "Don't force me."

The invited guests were all waiting in the banquet hall for the charity banquet to officially begin, and there were no surveillance cameras in the swimming pool.

To Sonia Reed, this was a wonderful opportunity.

Of course, this would depend on Khloe's attitude. If she admitted her mistake at the last minute, Sonia Reed could pretend that nothing happened.

Khloe clearly did not understand the situation at the moment. She looked at Sonia Reed arrogantly and said disdainfully, "I know you like Toby, but he chose me in the end."

Sonia Reed's cold lips curled into a sweet smile and said softly, "Is that so? Then I will let you know what is victory."

Finishing, Sonia Reed took advantage of Khloe not paying attention and used all her strength to push her towards the pool.

Khloe, who was unprepared, directly fell into the pool and continuously struggled in the water.

"So you are a person who does not know how to swim." Sonia Reed smiled in understanding.

Ignoring Khloe's cry for help, Sonia Reed walked towards the entrance of the banquet hall and her expression suddenly changed. She anxiously said, "Ximena, someone fell into the pool. Quickly go and find someone to help."

"Okay, I will go right now."

Ximena Ditka could tell what happened at a glance. She cooperated with Sonia Reed the entire time and ran to the banquet hall to shout for help. She said that someone accidentally fell into the pool.

Anyone who attended the banquet should not be provoked. The organizer brought the security guards to the pool, so the guests naturally wanted to go and watch.

What came into view was that Sonia Reed wanted to save the people in the pool. Because she did not have enough strength, she missed the chance to save them.

The experienced employees rushed over later to save Khloe. After checking that there were no problems, the organizer heaved a sigh of relief.

Khloe threw herself into Leon Aguilar's arms and pointed at Sonia Reed. "Dad, she was the one who pushed me in."

Sonia Reed naturally would not admit it. She looked at Khloe with grievance. "I know you hate me, but you cannot wrongly accuse me. Furthermore, I want to save you."

As she spoke, Sonia Reed cooperated and sneezed, "Is there a need for me to harm you and make myself sick?"

Seeing Khloe's helpless look, Ruth Lee stood up, "Sonia Reed, don't think that I don't know who you are? Khloe is just a girl and you actually did such a thing?"

Luckily the staff handed Khloe a bath towel or else she would have been exposed.

Hearing Ruth Lee's words, the others felt that Sonia Reed did this on purpose. After all, both women liked the same man.

Toby Fuller had been observing. Sonia Reed's pale and weak explanation was useless in front of everyone. She still had to fight against everyone.

"Auntie, I don't need to do this kind of thing to Khloe." After that, Sonia Reed looked at everyone behind her. "You may think that I want to get Toby Fuller, but we are peacefully divorced. In addition, Khloe has already canceled the engagement, so I have no reason to harm her."

Sonia Reed perfectly freed herself from suspicion.

| "Toby, you have to believe me. Sonia Reed really pushed me in." Khloe looked at the man she had not seen

for many days with a sincere gaze.

"She pushed you into the water and saved you. What is her purpose?" Toby Fuller's words were obviously biased towards Sonia Reed. He believed Sonia Reed's words.

C72 Eat More Order More

Toby Fuller's words revealed the thoughts of everyone present.

Khloe's pleading gaze gradually became cold. The Toby Fuller from before was not like this.

After the organizers noticed that something was not right, they said apologetically, "Sorry, I have delayed everyone's time because of some things. Please return to the banquet hall. The banquet is about to begin."

The matter was already very clear. There was no value in continuing to watch. The guests returned to the banquet hall one after another.

Sonia Reed used her eyes to signal Ximena Ditka who was behind her. Ximena Ditka then followed her and left.

Khloe did not have the time to care about other people's feelings. Toby Fuller's attitude had already *made* her cry bitterly.

"Dad, why is Toby so heartless? I was his fiancée a month ago."

Leon Aguilar saw the disappointment in Khloe's eyes. However, he could not change what Toby Fuller did.

Sonia Reed did not directly return to the banquet hall. On the contrary, she walked towards the lounge.

When she pretended to save Khloe, the water accidentally splashed onto the gown, greatly reducing the overall beauty

Ximena Ditka found a hairdryer and started to dry her skirt. She did not notice a figure behind her.

Sonia Reed saw Axel Fuller standing outside the door. She could not help but frown.

She did not have a good impression of Axel Fuller. The life in Fuller's Mansion had left a deep impression on her.

However, Axel Fuller didn't have any intention of coming in. After meeting Sonia Reed's gaze, he said silently. "I know you did it."

After saying that, Axel Fuller turned around and left. Of course, nothing happened.

Sonia Reed's eyes stayed on the spot. She had guessed what Axel Fuller had said.

Since he knew what she had done, why didn't he expose her and tell her instead?

Sonia Reed did not understand the thoughts of a child. She shook her head and did not think about it anymore.

Ximena Ditka quickly tidied up her gown and nodded in satisfaction, "Fortunately, the fabric was not

affected too much. But Mr Fuller was too partial to you just now."

As she spoke, Ximena Ditka looked at Sonia Reed with an ambiguous gaze.

Ximena Ditka's words did not have any turning point. It was very hard for Sonia Reed to understand why Ximena Ditka thought of two things at the same time.

"What he saw was the truth." Sonia Reed smiled and blinked.

Toby Fuller was talking to someone in the banquet hall. He suddenly sneezed. The old man in front of him said with concern, "Mr Fuller is young and aggressive, so you should pay attention to your health. I just saw that you didn't wear a coat. This is not okay."

Toby Fuller smiled slightly, "Thank you for your concern."

The two of them clinked their glasses. The champagne in the glass went into Toby Fuller's mouth along the edge of the glass. His sexy throat moved up and down, perfectly ending the conversation with others.

"Hello everyone, I am the host of the charity banquet. Now I announce the official start of the banquet." The host looked at Toby Fuller below the stage and said passionately, "Mr Fuller of Skyview Group is the biggest sponsor of this charity event. He donated half of the funds for this project in the name of himself and the company."

As soon as he finished speaking, someone below the stage whispered, "I heard that Skyview's daily profits are ten million. It seems to be true."

"Yeah, Toby Fuller doesn't sleep every day. He only wants to work."

Sonia Reed was listening to their conversation from the side. She could not help but complain in her heart, Toby Fuller is not like what they said. He can cause trouble for her every da

After Toby Fuller went on stage to give his speech, he walked straight to Sonia Reed. The surrounding people all made way for Toby Fuller. Only Sonia Reed stood blankly on the spot.

This scene was self-evident. Besides, Toby Fuller protected her by the pool. Everyone present could guess the relationship between the two of them.

After the host finished his long speech, he announced the official start of the banquet.

Sonia Reed originally thought that this was a cocktail party. She did not expect that there would really be dinner and her favorite pastries.

"Ms Reed, let's go over there and find a seat."

In order to maintain order, the organizers reserved seats according to the invitation list and left a mark.

Sonia Reed started to search from the last table. She saw her name at first glance. Sure enough, Brilliant Glory Group's status was not as high as before.

However, the seat at the back made Sonia Reed very satisfied. No one would pay attention to them.

Ximena Ditka followed Sonia Reed and sat down. They saw that everyone at the table ran to the front to greet and only they sat there motionlessly.

"Ms Reed, should we go and greet them?" Ximena Ditka was worried that Sonia Reed would not be able to handle the connections.

"It's fine. They are all people with no value. Only the front line is my goal."

Sonia Reed had already found her target and had already greeted them when she entered the arena.

"Ms Reed is saying that the Skyview is worthless?"

Ximena Ditka broke out in cold sweat when she saw Toby Fuller's sudden appearance. She touched Sonia Reed's arm with her finger.

"Toby Fuller?"

Toby Fuller was the most important guest of tonight's banquet. At this moment, he actually appeared in front of her.

"You don't welcome me?" As he spoke, Toby Fuller sat beside Sonia Reed and waited with interest for Sonia Reed's reply.

Toby Fuller's appearance attracted everyone's attention, especially the people around Sonia Reed.

"Mr Fuller, aren't you at the front?" The person in the front seat looked at Toby Fuller as if he was trying to please him.

"This is your position?" Toby Fuller asked faintly.

The CEO of Skyview Group spoke to him, and the latter nodded like an idiot. This was a sign of his love for

"My position is yours." After saying that, Toby Fuller no longer looked at him. His sharp eyes looked around, and the atmosphere instantly became gloomy.

Seeing this scene, the surrounding people became silent. Everyone sat in their seats and stared at Sonia Reed covetously.

Sonia Reed only felt that she was the meat on the chopping board. A slight movement would attract everyone's attention.

Toby Fuller seemed to be unable to see the surrounding people. He looked at Sonia Reed. "Recently the project has progressed very smoothly. It seems that you have spent a lot of effort."

Hearing Toby Fuller's words, Sonia Reed heaved a sigh of relief. Fortunately, he did not talk about their private matters.

Regarding work matters, Sonia Reed was no longer timid. She roughly explained the progress and workload of the project.

The two people who devoted themselves to work did not have any personal feelings. The people around them were only envious. They also hoped to work with Toby Fuller.

Assistant Benson only left for a while and returned to the dining table. He found that Toby Fuller had changed seats. He had no choice but to let the waiter move his chair to the last table.

However, no one wanted to change seats with him. Toby Fuller's existence made them feel that their seats were the most precious.

Toby Fuller did not have any intention to help him. Assistant Benson could only put the chair beside Ximena Ditka and said softly, "Can I sit here?"

Sonia Reed and Ximena Ditka clearly occupied a lot of space.

Ximena Ditka originally wanted to refuse, but when she saw Assistant Benson's pleading eyes, she made an empty seat for him.

After Toby Fuller and Sonia Reed finished chatting, he saw that Assistant Benson was waiting for dinner. He said coldly, "Let's go."

Assistant Benson was very helpless.

Facing Toby Fuller's order, Assistant Benson resigned himself to his fate and stood up.

Before leaving, Toby Fuller stuck to Sonia Reed's ear and said softly, "Eat more."

Following Toby Fuller's gaze, Sonia Reed's face turned red.

C73 She's Mine

When Connor heard that Ryan Dwyer had won the championship of the modeling competition, he

specially prepared a surprise for Ryan Dwyer.

In order to prevent Sonia Reed from ruining his carefully prepared gift, he only told Sonia Reed that he had something to talk to her about.

Sonia Reed did not understand the purpose of Connor asking her to go to the amusement park, so she could only put her work aside for the time being.

"Ximena, I have something to do today and have to leave early. If someone wants to see me, just call me directly."

After instructing Ximena Ditka, Sonia Reed hurried to the destination. She found Connor and Ryan Dwyer standing at the entrance of the playground.

"What do you mean?" She did not understand what they were doing. She looked at Ryan Dwyer with questioning eyes.

"Connor said he has something to talk to me about." Ryan Dwyer shrugged helplessly. "He said he wanted to celebrate me winning the modeling competition."

After hearing Ryan Dwyer's words, Sonia Reed felt that Connor had left the era.

When Ryan Dwyer won the award, he had monopolized 13 trending topic by himself. How could Connor not know about it?

"Sonia Reed, do you also not know about this matter?"

Zhao Qi Qing smiled ruthlessly, "I have already celebrated with Ryan Dwyer a long time ago."

There was only one reason Connor could invite her to the amusement park; to celebrate Ryan Dwyer.

Looking at the indifferent looks of the two, Connor seemed to have been greatly hurt.

"You guys are very good." Connor's finger paused in front of Ryan Dwyer for a moment, then he retracted

They were all people he could not afford to offend.

Zhao Qi Qing gave him a big supercilious look, it was really a waste of her time. However, there was one thing worth celebrating. "I heard that Ryan Dwyer's reputation is getting bigger and bigger, and his fans want you to develop into the entertainment industry."

Last time, it was Ryan Dwyer who treated her to a meal. As his older sister, she should give Ryan Dwyer a

gift.

"Sister Qi Qing, what do you think I should do?"

"If you want to be an actor, I can invest in a play for you." Zhao Qiqing directly voiced out her thoughts.

Toby Fuller had once mentioned that if Brilliant Glory wanted to return to its former glory, they couldn't just sit and wait for death.

The business model back then was already unable to satisfy the current society's development and needed to start from other aspects.

Coincidentally, Zhao Qiqing had some ideas about grooming artistes, so it was better to start with her brother.

Ryan Dwyer did not know what Zhao Qiqing was thinking, as he did not have much plans for his own career.

"Really?" Ryan Dwyer's eyes lit up and he started to smile.

Zhao Qi Qing nodded. Connor could be considered to have paved the way for this matter, saving her time to communicate with Ryan Dwyer.

"I'll get my manager to contact you." Ryan Dwyer couldn't wait to work with Zhao Qi Qing.

After quickly finalizing it, Zhao Qi Qing didn't stay any longer. She still had to consult the person who taught her the method.

"What do you think happened to her? Recently, you've had an appointment with others?"

Connor looked at Zhao Qi Qing in confusion.

When Zhao Qi Qing rushed to Skyview Corporation, it was already time to get off work.

From time to time, there would be employees greeting her, and there were even staff from the secretariat department who would take the initiative to come over and tell her that Toby Fuller was still working overtime.

Zhao Qi Qing's face was already stiff from laughing. She was just the most recent one, why did they all know her?

Zhao Qi Qing went to the top floor unimpeded. The employees had already gotten off work, and there was only an empty corridor.

She familiarly went to Toby Fuller's office and lightly knocked on the door twice. She heard a cold voice coming from inside. Zhao Qi Qing suddenly thought of what happened two days ago.

The matter of the charity gala at the pool last time had caused a ruckus, and it was Toby Fuller who settled it in the end.

He only said one sentence: "Zhao Qi Qing is my person. If anything happens to her, everyone will have to bear the responsibility for her."

The onlookers did not dare to speak carelessly, and Khloe's face was even worse.

"Is it comfortable outside the door?" Seeing Zhao Qi Qing standing outside the door with a immersed expression, Fu Xi laughed deeply.

"I have something to ask of you." Zhao Qiqing came back to her senses.

"What do you use to exchange this time?" Toby Fuller did not easily agree to Zhao Qi Qing's request.

UUS

"I'm just asking a question."

Zhao Qiqing looked innocently at Toby Fuller.

Fu Xi smiled deeply. If she really believed Zhao Qi Qing's words, he wouldn't be qualified to sit in this position.

However, Fu Xi was very curious about Zhao Qi Qing's question.

"You told me before that you wanted to expand the company's business and I wanted to invest in a drama for Ryan Dwyer. How about it?"

Zhao Qiqing directly stated her goal.

Fu Xishen, who was in an extremely good mood, instantly became cold. He was even colder than before.

“Expanding our business is the Brilliant Glory’s business. Does it have anything to do with the Skyview?”

Fu Xishen continued to deal with his work. He ignored Zhao Qiqing’s aggrieved gaze on the sofa.

Zhao Qiqing only thought that Fu Toby had an urgent matter to deal with. She waited for a long time but did not see him stop. She gradually felt sleepy.

Toby Fuller, who was at work, constantly observed Zhao Qi Qing’s movements. Seeing her forcing herself to open her eyes, he smiled.

Zhao Qi Qing relied too much on him. This would only bring her harm.

And she actually asked him for help for a man.

Seeing that she had fallen asleep, Toby Fuller raised the temperature in the room, covered her with a blanket, and quietly watched her sleep.

Fu Xishen had never carefully observed Zhao Qiqing’s appearance. She had a high nose bridge and a slightly upturned mouth, which he could not forget for a long time.

“Fu Xishen, can you promise me?” The sleeping Zhao Qiqing suddenly grabbed Fu Xishen and frowned.

Fu Xishen gently let go of Zhao Qiqing’s hand and gently smoothed her brows.

“I want to give you a pen.”

Fu Xishen recalled the time when he wrote letters in the past. “What pen do you want to give me?”

He didn’t expect Zhao Qiqing to really answer. She said softly, “A pen with a white diamond embedded in it.”

In that instant, Fu Xishen felt that Zhao Qiqing was the person he was looking for.

He recalled that Zhao Qiqing had already seen his pen, but she didn’t do anything. His agitated emotions once again calmed down.

He really wanted to find another person to have a good chat.

Fu Xishen placed Zhao Qi Qing’s hand under the blanket, walked to the French window, and made a call.

"I want to meet you." Fu Xishen looked at the building in the distance.

"Really?" The person on the other side of the phone was very excited. He hurriedly asked, "When?"

Fu Xishen turned around and looked at Zhao Qiqing, "9 PM tonight."

After saying that, Fu Xishen hung up the phone.

Zhao Qiqing struggled to open her eyes. She was unable to adapt to such a bright sight.

She subconsciously used her hand to block the light above her head and then slowly put down her arm.

"You like sleeping in my office so much?"

Regarding Zhao Qiqing sleeping in an unfamiliar place, Fu Xishen only felt that Zhao Qiqing was too innocent.

C74 His Fantasy Shattered

Sonia Reed tilted her head and looked at the man in front of her. She slightly twisted her neck and explained, "I am waiting for you to finish your work."

"It is already over. You can leave now." Toby Fuller did not make things difficult for Sonia Reed. He easily let her leave.

Sonia Reed instantly woke up. She really came to ask Toby Fuller for advice. She could not return empty handed.

"I heard that you have also invested in many dramas. Is there anything you need to take note of?" Sonia Reed asked Toby Fuller probingly.

"Assistant Benson will send you the relevant information. I have something to do later."

Toby Fuller did not want Sonia Reed to know what he was going to do next. The meaning of him wanting her to leave was getting more and more obvious.

"Okay, I am leaving." Sonia Reed left with a suspicious look.

Ryan Dwyer's manager meeting Sonia Reed was probably because she was worried about Ryan Dwyer's future development.

Sonia Reed agreed to her invitation and looked at the time. An hour was enough to arrive.

The two of them left the company and went to the same place.

Ryan Dwyer was worried that Sonia Reed would be bullied. He delayed the matter at night and specially followed Aurora to the restaurant.

"Ryan Dwyer, why didn't you tell me about your sister?" Aurora tried her best to suppress the anger in her heart.

She repeatedly hinted to Ryan Dwyer to tell her about Sonia Reed's existence, but Ryan Dwyer acted as if he did not hear her.

If Sonia Reed did not want to invest in a drama for Ryan Dwyer, Aurora felt that she still did not know about Sonia Reed's existence.

"It is not too late now." Stopping his footsteps, Ryan Dwyer coldly said, "After entering, pay attention to your words and actions."

Ryan Dwyer seemed to have changed into a different person in an instant. He was no longer a model who allowed his manager to scold him.

"Got it." Aurora noticed that she had crossed the line. She shut her mouth and did not say anything.

Ryan Dwyer was able to keep her until now because he saw her tactful attitude.

Because of the traffic jam on the road, Sonia Reed was 20 minutes later than expected.

Just as she was looking for a parking spot, she saw a black Maybach. She looked down at the license plate number of the car. It was Toby Fuller's car.

It was really fate. Sonia Reed parked the car beside the Maybach and walked towards the restaurant.

"Toby, you're here?" Khloe came to the restaurant half an hour earlier just to see Toby Fuller earlier.

"Yes." Toby Fuller's cold voice did not show any emotion.

"I ordered your favorite pasta. What red wine do you want?" Khloe pushed the menu in front of Toby Fuller and closed it mercilessly.

His deep eyes looked at the expectant woman. "Do you still remember the letter you wrote *me*?"

When mentioning the letter, Khloe's smile instantly became stiff. Then she laughed twice. "Of course remember. That was our witness."

"Do you remember what you wanted to design?"

The reason Toby Fuller and Khloe met was very obvious. He wanted to confirm whether she was that person.

Khloe suddenly panicked. Did Toby Fuller notice that she was not that person?

Khloe only thought for a while and softly replied, "Of course I remember. I want to design a lot of things in college, such as clothing, jewelry, and small objects."

Toby Fuller had been observing Khloe's expression. She did not have a confused or confused expression and did not have any flaws.

At this time, Sonia Reed finished asking about the seat and saw a familiar figure in the middle.

She fixed her eyes and saw that it was Khloe. It seemed that Khloe recovered very quickly from the banquet matters.

Sonia Reed was glad that she was not in the same corridor as Khloe. Sonia Reed walked behind her and saw her face that she would never forget out of the corner of her eye.

Sonia Reed stood up and vaguely heard Toby Fuller's voice, "I remember your confession to me."

It turned out that they came out to eat together.

Suddenly, their conversation was interrupted by the music in the restaurant. Sonia Reed smiled bitterly.

Was she too self-righteous?

At this time, Ryan Dwyer called to urge her. She restrained her emotions and walked towards the reservation

When she appeared, she clearly noticed that Aurora's expression was not very good.

"Ms Reed is really a person who is punctual." Aurora's smile did not reach the bottom of her eyes, and she even used her finger to point at her own watch.

"Sorry, did you order your meal?" Sonia Reed said and looked at Ryan Dwyer.

After getting Sonia Reed's attention, Ryan Dwyer stood up from his seat and sat beside Sonia Reed. "Aurora, my manager."

"Sonia Reed, Ryan Dwyer's older sister." Sonia Reed was not angry at Aurora's impolite attitude.

Aurora looked at Ryan Dwyer, who had changed his position, and coughed. Her attitude became tactful. "Ms Reed, your relationship with Ryan Dwyer is really good."

Sonia Reed smiled slightly and did not intend to talk about family matters with her.

They only roughly said some of their thoughts. Ryan Dwyer was worried that Sonia Reed would be hungry, so he forcefully stopped talking about work.

Aurora was angry but did not dare to say anything. Ryan Dwyer was openly protecting Sonia Reed and he could even agree to act in the movie that Sonia Reed sponsored without paying.

After the end, Aurora took the lead to leave, leaving Ryan Dwyer behind. Ryan Dwyer shrugged, "Sonia, she usually has a good temper."

"I can see that she is doing it for your own good. It is very late. Hurry up and go back."

Sonia Reed did not have the mood to talk about irrelevant things. She just wanted to go home and sleep.

After sending Ryan Dwyer away, Sonia Reed found her own car. She looked at the Maybach that had yet to leave and muttered to herself, "Do you still have feelings for Khloe?"

If not for seeing Toby Fuller and Khloe eating together, Sonia Reed did not dare to imagine that they could actually sit together peacefully.

Especially when she saw Khloe's dazzling smile, Sonia Reed felt that she was living in a dream previously.

She foolishly thought that Toby Fuller changed his view of her and even began to indulge her.

After all, it was just a fantasy. There would always be a day when dreams would break.

Sonia Reed drove away. The moment she left the car park, she saw two people in the rearview mirror.

They were the two people she had met in the restaurant.

She drove away without looking back. She did not want to see this scene.

"Toby, do you want to go home?" Khloe looked at Toby Fuller with a smile.

"Yes." Toby Fuller answered faintly, but he was thinking about other questions.

Khloe cleverly answered his question. Although she was not very sure about a part of his memory, it was not strange that she forgot about it after a long time.

Perhaps Khloe's living environment changed her views.

"I did not expect you to still remember what happened in our university." Khloe keenly noticed that Toby Fuller was very nostalgic and would always mention the things that happened before.

Fortunately, she did not let Toby Fuller notice anything unusual today.

Seeing Toby Fuller looking forward and not willing to talk to her, Khloe minded her own business and said, "You should keep the letter that I gave you. If there is time, can I go and take a look?"

Since she could not guarantee that she could pass safely next time, Khloe could only take the initiative to attack first and at the same time create an opportunity to get along with Toby Fuller.

"No need. Since we are no longer in a relationship, I will naturally throw the letter away." Toby Fuller replied coldly and rejected Khloe.

C75 Misplaced Message

When Sonia Reed returned to the old residence, she immediately saw the person sitting by the door. It was Layla who had quarreled with her two days ago.

Remembering the matter of the mother and daughter quarreling, Sonia Reed looked straight ahead and walked over to Layla's side.

"Sonia Reed, can I talk to you?" Layla stopped Sonia Reed who was walking towards the living room.

Sonia Reed was stunned for a moment. She had never heard Layla speak to her in such a humble tone.

"If you have something to say, say it."

She did not want to waste time. She still had a lot of things to deal with.

Layla had been sitting at the same spot. In the dark night, her emotions could not be seen at all.

“If the person you love did something that you cannot understand, what would you do?”

Layla’s sadness did not affect Sonia Reed. Instead, it made her feel that there was something wrong with Layla’s brain.

The two of them had always been enemies. Now she came to ask her these strange questions. What was going on?

However, Sonia Reed still answered her question, “Sorry, the person I love will never do something that disappoints me.”

Sonia Reed sneered as if mocking Layla’s pity.

Without waiting for Layla to reply, she went straight back to her room.

Layla turned her head and stared blankly at Sonia Reed’s back. She felt a bitterness in her heart. Back then, she was also like this.

After returning to the room, Sonia Reed began to gather information about the investment. After all, this was the first time she came into contact with the film business, and she would always be fearful of it.

After thinking for a while, she picked up her phone and dialed a number.

“Ximena, what do you know about the investment that I told you this afternoon?”

As she spoke, she kept refreshing her email to see if Assistant Benson had sent her an email.

“Ms Reed, we don’t have any plans to develop into the entertainment industry yet. I don’t know much either.”

Before Ximena Ditka had time to search thoroughly, Sonia Reed had already started questioning her.

“We need to have a meeting tomorrow and establish a relevant department as soon as possible.”

Ximena Ditka vaguely felt that Sonia Reed was competing with some people and wanted to complete this matter before them.

However, it had not been half a day since Sonia Reed proposed this idea. Only the two of them knew about this matter in Brilliant Glory Group.

Since she could not figure it out, she did not bother about it and instead asked, "Ms Reed, are you not feeling well?"

She had been with Sonia Reed for a long time and she could easily detect some subtle changes in her.

"No." Sonia Reed directly denied Ximena Ditka's thoughts. But in Ximena Ditka's view, Sonia Reed admitted it.

"Ms Reed, you should rest early." Finishing, she hung up the phone.

Sonia Reed still did not give up on refreshing her email. She sat in front of the computer for half an hour and gradually began to feel disappointed.

After struggling in her heart, Sonia Reed instantly understood that Toby Fuller only provided convenience for her in order to work together to achieve a win-win situation.

But she seemed to be accustomed to Toby Fuller's existence. Even if the two of them did not speak, she could feel at ease.

If the cooperation between the two of them ended, would Toby Fuller disappear from her life forever?

On the other side, it was already eleven o'clock when Toby Fuller returned to Fuller's Mansion.

"Toby, did you work overtime again?" Ruth Lee, who was about to go to sleep, saw Toby Fuller and instantly pulled herself together.

"Yes." Toby Fuller responded faintly. He poured himself a cup of cold water and drank a big mouthful of it.

"I heard Khloe say you guys had dinner together tonight. Did you solve the misunderstanding?"

Ruth Lee had always thought that the reason Toby Fuller suddenly proposed to cancel the engagement was because Khloe did something wrong.

"Mom, you don't have to worry about our matter. I still have the documents that have not been settled. I will go back to my room first."

Toby Fuller frowned. The smell of inferior perfume around him made him feel uneasy.

Ruth Lee smiled awkwardly and quickly said, "Work is important, but life is more important. Only a wife can be a home."

Ruth Lee looked at Toby Fuller's back as he left and sighed. Her son and Khloe's relationship still needed some time to ease up.

"Mom, he naturally has his reasons."

Axel Fuller stood behind Ruth Lee with a helpless expression.

Ruth Lee looked at Axel Fuller angrily and said, "Who is he? He is your brother. Go back to school obediently tomorrow."

Axel Fuller shrugged indifferently. He just did not want Ruth Lee to waste her time.

Toby Fuller went upstairs to the study room. He did have a lot of work to do.

"Arrange the company's information about the entertainment industry for the past few years and send it to me as soon as possible."

Toby Fuller looked at the girl on the screen with his deep eyes.

"All of them?" Assistant Benson walked to the desk and turned on her computer.

The information was all scattered. It was very difficult for her to sort it out in one night.

"No need. You can sort out the basic information first. I will inform you of the follow-up information."

Toby Fuller looked at the girl's smile and rubbed his tightly furrowed brows.

"Okay." Assistant Benson resigned himself to his fate and started working. She wanted to apply for tomorrow's vacation.

Toby Fuller kept clicking the switch button, and Sonia Reed with different styles appeared in front of him.

His eyes flashed, and a strange emotion surged in his heart.

Not long after, Assistant Benson sent two documents over. One was the investor, and the other was an

actor.

Toby Fuller only opened the first document and directly forwarded it to Sonia Reed.

UTII

Sonia Reed accepted it in a second, then she sent a question mark.

However, in an instant, her message was deleted.

Sonia Reed scratched her head in annoyance. She prayed that Toby Fuller would not see her message.

She thought for a while and sent another message over. She said, "Sorry, I just sent the wrong message."

She thought Toby Fuller would not reply again. She did not expect him to reply.

"You went to the restaurant to eat?"

Sonia Reed faced Toby Fuller's message and was stunned. She did not know how to reply.

After thinking for a long time, she slowly sent a message. "How did you know?"

"I accidentally saw your chat with someone else."

Toby Fuller's words made Sonia Reed relieved. She felt a little lucky in her heart.

She originally wanted to ask why Toby Fuller would eat with Khloe, but she immediately gave up on that idea.

Forget it. Even if she asked, according to his character, he would not explain it to her.

"This information is only the most basic. There are some rules that need to be taken note of in it. I have already made a note."

Sonia Reed looked at the message sent by Toby Fuller. She pointed at the phone screen unhappily.

"He always has the tone of work."

Was it the same when he and Khloe were together?

Sonia Reed did not notice that she sent a voice message.
