

## **Boss, Your Wife's Asking For A Divorce, Again Chapter 950**

How is that possible?! Why would I fail? For a time, Asher couldn't accept such an outcome. In his opinion, men were supposed to behave as he thought they would. There was no man who wouldn't mind his better half's origins. In fact, the higher the man's standing was, the more he would mind it.

After all, if word got out that he fell in love with an orphan despite being of such a high social standing, people would laugh at him and gossip about him. Men were creatures who cared about their reputation. How could they possibly not care about these things?

Seeing Asher's twitching facial muscles, Sonia could no longer restrain herself. She mocked, "Seems like President Dafoe doesn't quite believe your words." She gently poked Toby's slim waist.

Toby's eyes darkened; he grabbed her naughty finger and held it in a tight grip. "Stop it." A man's waist is one of his erogenous zones, so it can't be touched as one pleases. She's playing with fire!

Seeing his darkened eyes, Sonia realized why he asked her to stop. Her face blushing, she withdrew her finger from his grasp and turned her head away as though nothing had happened.

lowered before turning his gaze back to Asher with a frosty look in his eyes. "President Dafoe, I can only say that you don't understand me. Not every man behaves as you think they will. Whatever kind of

but he couldn't admit it. Therefore, he could only continue to smile placatingly, saying, "You've got to be joking, President Fuller. That isn't what I mean. Sonia is my family friend, so how can I

his feelings, Sonia couldn't help but roll

huh?" Toby repeated softly in a tone that was worth pondering as

If I had such ideas, I'd have put them into practice, right? Why would I wait until now? I only feel sorry for her. She was abandoned by her biological parents as a child, and after she was finally adopted, Henry's wife suddenly fell ill and passed away when she was one year old. When she was five years old, she got a stepmother. As the saying goes, a stepmother comes

rip him to shreds, he continued, "Well, Henry didn't go so far as to become like a stepfather, but he definitely didn't care about Sonia as much as he had at first. So, I thought it was perhaps because she didn't have too much love from her father as a child that she always surrounded herself with men to get love from them. At first, there was the Lane brat, followed by the male model in show business that was surnamed Lee. Then, there was the Coleman guy. Of course, I don't mean anything else by saying this. President Fuller, I just want to tell you that Sonia is craving love, which is why she always has so many men around her. So, you have to take good

when she was little. Wouldn't that mean Sonia had brought bad luck to her mother? After all, her mother was fine before she joined the Reed Family. After that, he cooked up a story where Sonia had been craving love since childhood because her father didn't love her enough. He then accused her of being

sabotage my relationship with Toby, huh? thought Sonia. She knew that there was nothing between her and Charles and the others. At this very moment, however, she couldn't help but worry that the man next to her would overthink and

that caused her heart to skip a beat. Feeling even more anxious, she called out again in a voice filled with

succeed by saying so, I'd have said so at the beginning. Inwardly, he couldn't help being somewhat frustrated, but his frustrations vanished soon afterward. In any case, he had now succeeded. Even though he had taken a few bad turns, it was enough
