

Campus Master 1021

Chapter 1021

“Old Duan, what do you mean by that?” Ji Feng couldn’t help but ask, “Currently, although Qiao Gakai has appeared in New York, he doesn’t seem to have been present in China. In addition, Qiao Rong is also not in China, and the Qiao family is only left with an empty shelf, so what else do you have to worry about?”

“That said, but the problem is that the Qiao family is not a single family either, those who used to be close to the Qiao family will definitely find a way to deal with me.” Duan Peng shook his head slightly and said, “But the most crucial thing is that Qiao Gakai and the others might come to China one day, and when that happens, I can’t stay in China, and I can’t stay in New York, likewise!”

“Can’t you stay anywhere else in Rice?” Ji Feng asked with a frown.

“It can’t be helped, my business and company are all in New York, and really, I’m not young now, I’m about to turn thirty, and if I haven’t achieved anything by the time I’m old, I won’t have much of a head start in this life

Duan Peng shook his head slightly and sighed softly, “It’s not easy to create a doorway out there when you’re not familiar with the place, and I don’t want to go to those unfamiliar places to explore the market anymore. Because since Qiao Gakai has already found me, no matter where I go, he can also find me, there is no way to hide

Ji Feng could not help but secretly nod his head, Duan Peng’s mood was actually something he could understand. When people reach a certain age and are unfamiliar with the outside world, they want to go to another city to develop, then they have to start from scratch, it is not easy.

Therefore, if Duan Peng wanted to continue to develop in Rice, it could not be considered difficult, especially when Qiao Gakai knew that Duan Peng was in Rice, with the grudge between the Qiao family and Duan Peng, plus Qiao Gakai’s kind of domineering character, that would certainly not go looking for trouble with Duan Peng.

The trouble that Duan Peng encountered in Rice is a perfect example of this!

And when he returned to China, the Qiao family’s people would be looking for trouble with him again, which put him in a dilemma; coming back was not an option, nor was staying abroad.

Of course, if Duan Peng came back, with his relationship with Ji Shaolei, he might be able to take care of him somehow. But as he said, the Qiao family is not a single family, although the Qiao family has now fallen, but their network is still there, and some people may seem insignificant, but once they give you trouble, it will really make people headache.

The most fearful thing about doing business is that someone will mess up with you, and someone in the officialdom will mess up with you.

Not to mention the other, just people find a reason to go to your company three days a small investigation, five days and then a big inspection, enough to toss you out of the human ghost, worse than death, your company can be opened only strange!

But if Ji Shaolei protects him, how can he be protected?

Doing business, that is, the whole country has to run, Ji Shaolei is not omnipotent, you say, for example, in a period of time before the power of the Ji family has not entered Jiangsu and Zhejiang, if Duan Peng in Jiangsu and Zhejiang was looking for trouble, Ji Shaolei will not be able to do anything, can only dry eyes.

Now it's not a one-man situation, we all have different forces, there are people who don't buy Ji Shaolei's account, so what can you do?

This is a very helpless reality, is also the most worried about Duan Peng, the same, Ji Feng can also understand this worry Duan Peng, after all, Ji Shaolei itself still have a lot of things to do, can not always help Duan Peng to deal with the trouble!

The foreign forces are even more intricate and complex, the power of the Ji family is strong, want to protect a person's well-being over there, it is really a bit difficult, after all, this is different from at home

Therefore, the difficulties that Duan Peng is now facing are really a bit troublesome.

"Then what do you plan to do?" Ji Feng couldn't help but ask. Now that there was no way to stay at home or abroad, where else could Duan Peng go?

Duan Peng said, "I plan to come back again!"

Ji Feng was slightly stunned, "Come back again? You mean to come back to China?"

He was a bit surprised, just now Duan Peng had said that there was no way to stay either at home or abroad, how come he was coming back now? Wasn't he afraid that the Qiao family's people would find him in trouble again?

Duan Peng then looked at Ji Shaolei, obviously, he wanted Ji Shaolei to help explain.

"It's like this, San'er, what Old Duan means is that he wants to come back to look for someone who doesn't fear the Qiao family and for both sides to cooperate, so that he won't have any big problems at home." Ji Shaolei laughed, "I've given it some thought, to say that there are too many people who are not afraid of the Qiao family, but there are not many who are willing to offend them."

Ji Feng nodded, this was a very reasonable statement. If you are not afraid of things, it does not mean that you have to cause trouble. If you cause trouble all the time, how can you continue to do business?

As the saying goes, harmony breeds wealth!

In this unique environment in China, I'm afraid no businessman would take the initiative to offend the Qiao family, after all, although the Qiao family has fallen, there are still people in the official circles, and their network is still there, which is a potential threat!

"Have you found a partner now?" Ji Feng asked.

Duan Peng shook his head and smiled bitterly, "Where is it that easy, some of the previous businesses, when they left the country at that time, they were all thrown away, it's really too difficult to pick them up again now."

"Second brother, tell me clearly, what exactly is the reason for finding me here today!" Ji Feng looked at Ji Shaolei again, in fact, his heart had already guessed, the purpose of Ji Shaolei and Duan Peng calling themselves here today, just that, although some things were known in his heart, it was a question of whether to say it or not.

"San'er, you kid don't give me a sloppy eye, don't you really know what you were called here for?" Ji Shaolei laughed, "How about it, Old Duan is also very good at business, don't let consider working with him?"

Sure enough!

Ji Feng raised his eyebrows and secretly said in his heart, but his mouth smiled, "That what, cooperation is of course no problem, but I just don't know which industry Lao Duan is engaged in?"

"I am currently engaged in international trade, of course, occasionally I also do investment, but if I decide to come back, I will end all my foreign business and return to the country again with the funds, so what I want to do in the future will depend on how young Ji arranges it." Duan Peng laughed.

Ji Feng couldn't help but shake his head and laugh bitterly, this Duan Peng really knows how to follow the snake, second brother just mentioned that he should cooperate with him, and here he directly said that he should make his own arrangements, how could he make his own arrangements?

Ji Feng glanced at his second brother, Ji Shaolei, but saw that he was giving himself a wink, and Ji Feng couldn't tell what he really meant, so he could only pretend not to see it.

"Ji Shao, I heard Shao Lei say that your friend has formed a big group, I don't know what business is below that I can do, it doesn't matter if the business is good or bad" Duan Peng saw Ji Feng's silence and couldn't help but hesitate a little.

"I think not, let's do this" Ji Shaolei suddenly said, "three children, you consider whether there are any good projects, let Lao Duan fund, you jointly to do, so that there is also a mutual care, you think What do you think?"

"Do it together?" Ji Feng could not help but be slightly stunned, immediately, he understood the meaning of the second brother, the second brother is to let Duan Peng to work for him!

It seemed that Second Brother still seemed to be watching Duan Peng very much.

Ji Feng was a bit hesitant, both sides funded the project together, that is naturally nothing bad, so Ji Feng can also worry less. But the question is, does Duan Peng really have that kind of strength?

Since the second brother, Ji Shaolei, introduced Duan Peng, Ji Feng could not give Duan Peng a bad project even for the sake of the second brother, or even let him take charge of a company, that would be the best. However, handing over a company, this may not be a good thing.

More importantly, does Duan Peng really have the kind of talent to take control of a company that doesn't even know what projects it has so far?

This was about the future development of the Tengfei Group, and Ji Feng couldn't afford not to be cautious.

"Third child, in fact, cooperate with Lao Duan, you are also a kind of win-win situation, Lao Duan's ability is not bad, just now encountered difficulties, you can not not not give a hand, otherwise, I am not happy as a brother!" Ji Shaolei laughed.

"Or else" after a long time of contemplation, Ji Feng finally nodded, he said, "Old Duan, you used to do international trade, so now also do the old business, also do international trade, strictly speaking, is to do foreign trade, you think How about it?"

"Foreign trade?" Duan Peng was stunned, "I don't know which line of foreign trade is Ji Shao talking about?"

"Drugs, to be precise it should be health products, that is, slimming drugs" Ji Feng said, "Kang Yuan slimming powder, have you heard of it?"

"Oh?"

Duan Peng was instantly pleased, "It's the foreign trade business of Kang source slimming powder?"

"What's the problem?" Ji Feng asked with a smile, "You can't underestimate this little slimming powder, I believe the market in foreign countries shouldn't be bad either"

"No, no, no!" Duan Peng shook his head repeatedly and hurriedly said, "Young Ji, you misunderstood, I didn't underestimate Kang Yuan slimming powder. Frankly speaking, although I'm abroad, I'm still very closely connected to the country, and I've heard the great name of Kang Yuan Slimming Powder like thunder."

Ji Feng instantly smiled: "Then what do you think, what are the prospects of being an export of Kang Yuan slimming powder?"

"It will definitely be very hot!" Duan Peng blurted out.

"Oh?" Ji Feng instantly laughed, "You're just so sure? What's the basis for that?"

"If you've been abroad, then you can definitely understand why I'm so sure!"

Duan Peng laughed, "The vast majority of obese people in the world are abroad, especially those few developed countries where there are more obese people. For example, in Rice, every year, I don't know how many people have to go to the hospital because of obesity, and even, when they can't lose weight, they can only now then cut their stomachs, cutting out part of their stomachs, and use this method to shrink their appetite!"

"If a weight loss pill that is actually effective and does little harm to the human body emerges, it will definitely be hot to the core!" Duan Peng said excitedly, "Obese people want to regain their health, women love beauty, men love being fit, these would all be potential customers for Kang Yuan's slimming powder!"

Chapter 1022

“There are also celebrities, they are not a big consumer group, but they are rich, as long as they can make them lose weight, I’m afraid they are willing to spend as much money as they can!”

The actual fact is that you can find a lot of people who have been in the business for a long time. From this, we can see how crazy the trend of foreigners losing weight is!”

Ji Feng couldn’t help but nod and smile, in fact he had long known that Kang Yuan slimming powder would certainly have enough market in foreign countries, as Duan Peng said, the obese population in foreign countries is just too huge, especially in some developed countries such as Rice, there are even more obese people.

If Kang source slimming powder can penetrate the market of those countries, the sales can be imagined!

“I also know something about Kang Yuan Slimming Powder, after all, the reputation of this diet pill is too big in China!”

Duan Peng laughed: “Actually, I do think that the current Kang Yuan slimming powder, the variety is a little too single, the gap between the rich and poor in the country is also very big, so some products should have a hierarchy, for example, you can get some kind of fine packaging, the price is doubled several times, anyway, the more expensive the price is set, the more energetic those rich people will buy.”

Ji Feng smiled and nodded, he had certainly considered this issue. There was a big difference between the rich people in our country and the rich people in other countries.

In our country, as soon as people have money, it’s awesome, they never buy anything but the expensive ones, not the right ones, for those inexpensive things, people don’t even look at them, they just run to the most expensive goods section.

So, no matter if you are really good value for money or not, as long as your price is cheap, those rich people will not buy it, because they will not even look at it, so how will they buy it?

At the beginning, Ji Feng also thought of this point, only, at that time, the most important thing that needed to be done was to spread the market across the country and make a name for himself, as for the issue of the high-end route, Ji Feng was still under consideration and had not made a decision yet.

Now he also did not explain these circumstances, since Duan Peng was willing to show himself, then Ji Feng was naturally all ears and ears. He was also able to take this opportunity to see if Duan Peng was really capable, or if he would only talk about things on paper, and through his analysis, he could also see the person’s thinking and vision.

Therefore, Ji Feng just smiled and said, “Then, in your opinion, what should be done to make the most money?”

Duan Peng then came to his senses, he certainly knew that that Tengfei Group was actually owned by Ji Feng, and since Ji Feng was able to form such a large group, his vision and ability naturally went without saying, and he would certainly have capable people around him, it would be impossible for him not to consider the development of the market.

The reason why Ji Feng was asking this now was that he should be examining himself.

When he thought of this, Duan Peng got up his spirits. How well he performed this time might determine the form of cooperation Ji Feng would want to have with him in the future.

This is definitely a rare opportunity that Duan Peng does not want to miss.

Duan Peng pondered slightly for a moment and couldn't help but say, "I don't know much about the specific situation right now, so I'll start with my personal thoughts and briefly talk about it."

"No problem, go ahead." Ji Feng smiled and said.

Duan Peng nodded and said, "In my opinion, at present, Kang Yuan slimming powder should have spread the market all over the country, then, the following to do, is to take the high-end route, and then change the name, such as the refined version of Kang Yuan slimming powder, or other names, but the level must be divided out, and the sales of this high-end products, to control, can not be in short supply, to do have a price without a market"

"This is the first step, and after that, can also take advantage of some other reasons to launch different models of slimming powder, such as designed for the middle-aged and elderly, specifically for pregnant women to restore the body shape after childbirth research and development and so on and so forth, of course, this needs to go through a detailed investigation and market proof. "

Duan Peng said: "Finally, there is also the launch of cyclical products. For example, some customers, he ate a period of time on the slimming powder, the body shape slim down, later may not buy again, this does not work. Especially those rich people and big stars and so on, once they lose them as a customer group, that is a big loss."

"Therefore, for those rich people as well as big stars, we can launch an improved version of slimming powder, because their life is irregular well, sometimes they may eat many big meals in a row, but not even have a home cooked meal once, in this case, the rebound after losing weight, that's normal."

Duan Peng faint smile: "for their situation, it can be launched periodical slimming powder, you eat a period of time, the body shape slim down, then after a period of time, you have to eat, because your life is not regular, to rebound well!"

"In short, in a word, for different groups of people, to take a different sales approach, the purpose is only one, that is, to ensure the quality of the product and brand reputation under the premise of making as much money as possible!" Duan Peng said forcefully.

Ji Feng smiled and nodded, and had to say that although Duan Peng's ideas were a bit underhanded, they were indeed a good way to make money.

In fact, not only those rich people and big stars, but also some officials and their children, can be launched different products for them. The reason why Duan Peng didn't mention the officials was because he and Ji Shaolei were here, otherwise it would be a bit suspicious to point at the monk and scold the bald man.

Ji Shaolei also laughed as he listened next to him, "Old Duan, with this approach of yours, then I wonder how many people are going to scold you."

“Scold me for what? They should thank me!” Duan Peng laughed, “If we can launch a most expensive and best quality slimming powder, then a limited edition, let those people be proud of buying this limited edition slimming powder, that is a status symbol they will only rush to it, why should they scold me?”

Ji Feng couldn't help but ask: “Let's not talk about whether this method of yours can work and how effective it is If you are the one to carry out the export project of slimming powder, with your knowledge of those foreigners, do you think the method just now can work?”

“It's perfectly fine!” Duan Peng said at once: “There are many foreigners who consume irrationally, not all of them are that sensible!”

Ji Feng nodded thoughtfully, and after a moment of deliberation, he then smiled, “How about this, you go find the boss of the Tengfei Group, Han Zhong, I'll give you his address and phone number, and I'll call him back as well. After you meet him, sort out all those ideas you just mentioned, and talk to Han Zhong properly, including of course your plan to take charge of the export of Kang Yuan's slimming powder, talk to him about it all, and we'll be in touch then, what do you think?”

“No problem, young Ji, thanks a lot.” Duan Peng said immediately.

Ji Feng had already said this, so that meant that he sort of approved of himself for the time being, Duan Peng would naturally seize this opportunity.

“Alright, we're done talking about business, let's hurry up and eat.” Ji Shaolei laughed, “Drink and eat your food!”

The meal was soon over and Ji Shaolei had already arranged a hotel for Duan Peng, so the three of them walked out of the box laughing and joking, ready to settle Duan Peng down first.

Ji Feng had just left the box when he saw a woman walk out of a box in front of him and went straight to the washroom in front of him, and as soon as her figure turned, she passed the corner and could not be seen.

However, even as that figure flashed past, Ji Feng was slightly stunned and subconsciously stopped in his tracks.

“San'er, what's wrong?” Seeing that Ji Feng had suddenly stopped, Ji Shaolei couldn't help but ask.

“I seem to have seen an acquaintance just now, it seems to be” He shook his head and added, “Maybe I was mistaken, let's go.”

“Even with your eyesight you can be wrong?” Ji Shaolei couldn't help but look at him and laughed, “It was that figure that flashed by just now, wasn't it? I looked a bit familiar too, but I couldn't really remember who it was for a while, who did you say she looked like just now?”

“Qin Shujie!” Ji Feng said, “I looked at the figure and head very much like her, but I don't know if it's her specifically go on, it doesn't matter much if it's her or not.”

“It's her?” Ji Shaolei was slightly stunned, “By the way, how is your relationship with Qin Shujie? I remember you guys seem to be pretty good, huh?”

Ji Feng smiled, "Not bad, just an ordinary friend relationship."

"Is that so?" Ji Shaolei gave him a smirking look, "You kid have never been truthful in these matters, don't let me catch any evidence."

Ji Feng laughed bitterly, "What I said is true, you love to believe it or not!"

"Come on, I'm just kidding with you, in fact, Qin Shujie is still a very nice woman, when she was in college I don't know how many people chased her, but she just fell for that bastard Zheng Haoyu, alas, it's all about human encounters!" Ji Shaolei shook his head and laughed.

Speaking of Zheng Haoyu, Ji Feng couldn't help but ask one more question, "Where is that guy these days? Shouldn't be in contact with Qin Shujie anymore, right?"

"It is said that he has gone to South Guangdong, I am not too sure about the details, I just owed him a favor at first, let's find an opportunity to return it later!" Ji Shaolei didn't think much about it, but shook his head and smiled.

Several people then continued to walk forward. However, when they reached the door of the compartment where the figure had come out just now, Ji Feng once again stopped in his tracks and his eyebrows frowned slightly.

"What's wrong?" Ji Shaolei asked, "Want to say hello to Qin Shujie before leaving?"

In Ji Shaolei's opinion, there must not really be any relationship at all between Ji Feng and Qin Shujie, otherwise, why would he have helped Qin Shujie out in the first place?

"Second brother, look inside the box,," Ji Feng said in a low voice.

Ji Shaolei was slightly stunned, then followed Ji Feng's gaze and looked towards the compartment where the person who looked like Qin Shujie had just come out, but saw that the door of that compartment was not completely closed and a gap was still left.

Looking from the outside, he was just able to see a man sitting in the compartment facing the door.

"Wu Zhihe? How could it be him?!" Ji Shaolei frowned at once.

Chapter 1023

The first time I saw him, I saw a glance with Ji Feng, both saw a glint of seriousness in the other's eyes, Wu Zhihe suddenly appeared here, this is really strange!

According to reason, Wu Zhihe should be in Northern Shaanxi Province right now, plus he fell in Huahe County before, he should be more honest now, how come he is doing the opposite instead, not only did he not cultivate his body properly, he actually ran to Jiangzhou!

"There's definitely nothing good about this guy coming to Jiangzhou!" Ji Shaolei asserted with a single word and an unpleasant expression, "Should we move him?"

Ji Feng shook his head and said, "There's no need for this for now, first find out what he came to Jiangzhou for, and also, make sure that the person who just went out of this box is Qin Shujie or not!"

"Hmm!" Ji Shaolei nodded and agreed with Ji Feng's idea: "Then what are you going to do?"

Ji Feng thought about it and said, "How about this, you and Old Duan go back first, I'll stay here and see what happens, there won't be any problems anyway, you guys shouldn't ask about this matter, I'll look for you guys if I need any help."

"Good, this is Jiangzhou, even if he is capable, he is not capable of making any waves here." Ji Shaolei laughed, "Then Old Duan and I will go back first, you also pay attention to yourself, beware of him with his internal guards, don't lose out if you make a move then!"

Ji Feng laughed, "He still dares to bring internal guards now? Then I'll let him be stripped of his face once more!"

Last time it was because the Wu family's internal guards acted recklessly and captured Kang Yuan to force him to reveal the formula of Kang Yuan's slimming powder, as a result, the entire Wu family was implicated because of the actions of those few internal guards, and the one who was most severely affected was the Wu family boss, that is, Wu Zhihe's father.

Of course, Wu Zhihe didn't have a number of national roads to go anywhere, and was directly relegated to Northern Shaanxi Province, which was a kind of disguised dispatch, a punishment from the Wu family.

Now as long as he still brings his internal guards around to cause trouble, then Ji Feng really dares to move him once more to let him know that forgetting the pain after getting well is actually also very scary. Although those internal guards around him can bring him safety, they can likewise put him in danger.

"Instead, never show any mercy!" Ji Shaolei said immediately.

Ji Feng smiled heatedly, "Don't worry, as long as he really dares to do anything out of the ordinary, I will definitely not sit back and do nothing."

"Even if he doesn't do anything out of the ordinary, you still have to find a way to make him do it." Ji Shaolei laughed, "It's so hard to catch this opportunity, so how can we do something about it, don't you think so?"

"Say it again!" Ji Feng was dumbfounded and laughed, it seemed that the second brother was also addicted to shady people shady.

The two of them smiled faintly at once, Ji Shaolei then said hello to Duan Peng and they left the Spring River Flower Moon Night Club first, leaving Ji Feng alone to watch.

In fact, Ji Shaolei also knew that it was most appropriate for Ji Feng to stay behind. To spy on others, he really wasn't a good one, but Ji Feng was different. In the past two years, Ji Feng had participated in two consecutive combat operations, and had also fought a firefight with robbers at the Jardine Mansion, so his skills were definitely not comparable to his.

Therefore, Ji Shaolei did not intend to stay here and get in the way.

In case he couldn't control his temper and directly cracked Wu Zhihe's head open, that would also be a problem.

After all, he is the boss of a state-owned enterprise, so he should always behave in a dignified manner, and is not a hooligan.

He is not like Wu Zhihe, who is a cadre all day long, scurrying around, not knowing what he is up to.

When he saw that Ji Shaolei and the two of them had already left the Spring River Flower Moon Night Club, Ji Feng's face suddenly turned gloomy. His gaze looked through the doorway of the compartment next to him, and he could vaguely see who Wu Zhihe seemed to be talking to, and at that moment he was full of smiles, looking so unhappy.

And within his smile, there seemed to be a bit of lewdness to it, looking very strange, like the kind of feeling of wanting to do something bad and being about to do it even though he hadn't got it yet.

It is both smug, careful and lewd to name a few.

Ji Feng couldn't help but snicker secretly, this open-minded guy didn't know what bad things he wanted to do again!

"..... Hahahaha!" Faintly, from inside came Wu Zhihe's voice that laughed loudly and appeared to be very proud. But apart from Wu Zhihe's voice, it seemed that there was another person's laughter in the box, and although that voice wasn't really high, it couldn't escape Ji Feng's ears.

What's more, Ji Feng seemed to feel that the other voice was also somewhat familiar, as if he had heard it somewhere before, but he couldn't really recall it for a while.

"No matter who the person talking to Wu Zhihe is, but one thing is for sure, I've really heard that person's voice somewhere!" Ji Feng deliberated secretly, frowning and thinking hard, but he still couldn't remember who the owner of that voice really was.

"Look at this memory of mine!" Ji Feng slapped his forehead, he couldn't forget anything, how come he couldn't remember any of the voices he had heard?

In order to find out who the person talking to Wu Zhihe really was and what they really wanted, Ji Feng decided to eavesdrop once. He gently pushed the door of the compartment open again, slightly, so that he could see clearly the full figure of Wu Zhihe inside the compartment, as well as half of the other person's body, and still with his back to the door.

Ji Feng looked carefully for a long time, but still could not identify who this person sitting diagonally opposite Wu Zhihe was.

The only thing he could be sure of now was that this person must be a man.

Ji Feng frowned and once again opened the door of the compartment slightly wider, and after that, he stood at the door, pretending not to be interested in listening to the conversation between Wu Zhihe and the man inside.

At the same time, his mind was also wondering whether the figure that flashed by just now was Qin Shujie or not.

If that woman was really Qin Shujie, then how did she come out of the box where Wu Zhihe was? Did she know Wu Zhihe? Or is it

At this time, there was a faint sound of talking from the box. The reason is that the boxes in the club are relatively large, and Wu Zhihe is sitting far from the door, and they seem to be deliberately lowering their voices when they speak, so the sound comes in intermittently.

Fortunately, Ji Feng's ears were excellent, plus the club was very quiet, so he could hear the conversation clearly.

In fact, if Ji Feng had entered the box, he would have found out that the person who was talking to Wu Zhihe was actually known to him, and that there was even a small problem between them

.....

Wuzhihe sat in the box with a smile on his face, full of a faint smile, but his eyes, from time to time, flashed with a greedy and lust-filled light, thinking about what was about to happen, and his mood soothed.

Along with that, he even felt that this clubhouse looked very different.

"You don't say, this place is not very big, but the environment is not bad, it's very comfortable here!" Wu Zhihe looked at the layout of the box and said casually, but his heart was full of expectations.

"Wu is right, in this quiet box, there is a faint fragrance of flowers, which is completely different from the smell in the street restaurants, and even in those high-end restaurants, the smell of air freshener inside is also very uncomfortable after a long time."

The one sitting opposite Wu Zhihe was a young man who was handsome and looked talented, but unfortunately, at this moment, his face was wearing a flattering look, which immediately made his handsome image look a bit out of shape.

If Ji Feng was here, he would have recognized at once that this young man was no other than Zheng Haoyu, with whom he once had a slight clash, and likewise, he was also Qin Shujie's ex-husband!

"But this is not the case in this Spring River Flower Moon Night Club, this place is completely full of natural flower fragrance, which is a kind of characteristic of the club, just as the name of the club suggests."

Zheng Haoyu had an incomparable smile on his face, "Usually Qin Shujie's favourite place to come to is this clubhouse, and today we really came across it. Young Wu, you are truly blessed."

"Well, I can't say I'm lucky, but I do have peach blossom luck quite often, hahaha" Wu Zhihe laughed smugly. Thinking about Qin Shujie's plump and delicate body that looked like a ripe peach, he was a little dumb and excited, his heart was on fire, he could not wait to press Qin Shujie under him now and ravish her fiercely.

Zheng Haoyu was laughing carefully at the side, but in his heart, he was a little unexpectedly pleased.

In fact, Zheng Haoyu originally thought that he would never have a future in this life, and was forced to leave Jiangzhou and go to Southern Guangdong.

But he was very reluctant, when he was in Jiangzhou what kind of scenery was he in? Apart from some gentry and some really big tycoons, who dared not give him face?

You know, he was Ji Shaolei's college classmate!

When he was in Jiangzhou, this was his name, and he was absolutely prosperous and prosperous.

This was due to the fact that when he was at university, Ji Shaolei had owed him a favour, plus the fact that they were classmates, so hey, how could Ji Shaolei not cover him?

The first male son of Jiangzhou is covering him, so what is there to worry about?

Anyway, in this officialdom, that is already high worry, he does not need to be like other self-employed students like, all day long to send gifts to the leadership, to flatter this, flatter that, with Ji Shaolei's friend this name block, who still dare not open eyes deliberately to find him in trouble?

Next, just think about how to make money.

But the downside is that although Ji Shaolei is willing to help him, he does not allow Zheng Haoyu to use his banner to bully his way out of the market, not to mention that he is not allowed to do anything wrong.

As a result, Zheng Haoyu could only honestly find ways to make money, which made him more or less resentful.

However, he had not thought about the fact that if Ji Shaolei was not up there to look after him, he would not even have a chance to make money, let alone bully the market and commit crimes.

Chapter 1024

In fact, Zheng Haoyu is a person who is greedy and does not know how to get enough, there is no satisfaction at all.

This is also the so-called, the heart is not enough for the snake to swallow the elephant, right?

However, it was precisely because of his greed that he had to give his wife away for fun in order to make more money when the other party proposed to look at his wife, which ended up in a disastrous end where his wife divorced him and the business deal was not completed.

And then, it was the appearance of Ji Feng that made him finally lose the care of Ji Shaolei.

But, after all, Ji Shaolei owed him a favour, and in the end, he could only persuade Zheng Haoyu to leave Jiangzhou with good words.

Although Ji Shaolei could protect Zheng Haoyu, he did not dare to guarantee that Ji Feng would not do anything to Zheng Haoyu. At that time, he did not know Ji Feng's character at all, and he did not know what to do if the first grandson of the Ji family wanted to take action against Zheng Haoyu.

In the end, Zheng Haoyu left far away from Southern Guangdong, but at this time, he hated even Ji Shaolei together. As for Ji Feng, it goes without saying that if it were possible, Zheng Haoyu would want to break him into pieces!

However, in South Guangdong Zheng Haoyu was able to climb up to the high branch of the Wu family by chance.

Originally, Wu Zhihe did not care much about Zheng Haoyu, in his eyes, Zheng Haoyu was just a dog, simply dispensable, because there were too many people who were willing to work for him as a dog, and Zheng Haoyu was not the only one.

Zheng Haoyu also knew his own situation, so he tried every possible way to get Wu Zhihe's attention, but never had much chance.

However, just a few days ago, Zheng Haoyu suddenly received a call from Wu Zhihe, saying that he had something for Zheng Haoyu to do.

With Wu Zhihe around, he was not afraid of Ji Feng and Ji Shaolei. Wu Zhihe had once told him that one day he would make Ji Shaolei and Ji Feng kneel in front of Wu Zhihe and kowtow to their mistakes.

When the time comes, Zheng Haoyu can do whatever he wants to do with Ji Shaolei and Ji Feng.

Being able to climb up to the Wu family, and being able to put Ji Shaolei and Ji Feng under his feet, was extremely attractive to Zheng Haoyu, and could equally embolden him.

Although he did not know what status the Wu family had in Yanjing, but since Wu Zhihe dared to ignore Ji Shaolei and Ji Feng like that, it was obvious that the Wu family would not be any worse than the Ji family, and now that he had the opportunity to serve the young master of the Wu family, he naturally had to grasp it firmly.

"Hao Yu, to say that you are blessed, I actually think that you are more blessed, except that you are still a bit silly." Wu Zhihe laughed lightly, "Qin Shujie is such a beautiful woman, so charming, but you were foolish enough to let go of her, would you say you are not foolish?!"

Hearing these words, the flattering smile on Zheng Haoyu's face was unchanged in the slightest, and he said carefully, "Young Wu, I don't agree with what you said."

"Oh?" Wu Zhihe glanced at him at once and asked indifferently, "How so?"

"You see, I'm just a worthless bastard, Qin Shujie is really a flower in a cow dung when she follows me. Following Ji Feng, that can only be described as a pig gnawing on cabbage, it's really suffocating."

Zheng Haoyu didn't even blink when he was belittling himself, he just opened his mouth to speak, "But if she could follow you around and give you a back rub and wash your feet, that would be a real perfect match, if I had known Shao Wu earlier, I wouldn't have dared to have any idea where Qin Shujie was, only Shao Wu would be able to use her!"

"Is that so?" Wu Zhihe asked.

"That's natural!" Zheng Haoyu immediately nodded vigorously, "Wu Shao please think about it, in terms of status and position, in terms of personal charm, I am only worthy to carry your shoes, but what about that dog Ji Feng, he is not even worthy to carry your shoes, let Qin Shujie follow you, that is giving her happiness, what can Ji Feng give her?"

“Haha” Wu Zhihe burst out laughing in triumph, nodding his head repeatedly, “Not bad, Haoyu, you’re very good, I didn’t notice it before, so you’re not bad at anything else, but your eyesight is not bad, okay, you have some You have a future!”

“Thank you for the compliment, Mr. Wu is too generous to me.” Zheng Haoyu said hastily and modestly.

The meaning of Zheng Haoyu’s words just now was that he wanted Qin Shujie to be a servant girl for him, because she was no longer intact, so at most she could be a servant girl to serve Wu Zhihe when she had nothing to do, and she could also sleep with him at night to satisfy Wu Zhihe’s desire.

The reason why he married Qin Shujie was because he didn’t know Wu Zhihe, otherwise, he would not have played this idea, at that time, Qin Shujie was worthy of being a lover with Wu Zhihe.

Tsk look at that!

This Zheng Hao Yu, is really a guy who can talk and act, a good dog!

Wu Zhihe nodded in satisfaction, but in his heart he couldn’t help but be secretly pleased: “Ji Feng, you dog, you stole Laozi’s woman, Laozi is going to steal your woman! If you let Rong Suyan be your lover, I’ll let your woman be my servant girl, usually warming my feet and pounding my back, and when I’m not happy, I’ll give her away and let people play with her however they want, I’ll see where you can put your face!”

Ever since Rong Suyan completely broke up with the Wu family, Wu Zhihe had been sure that Rong Suyan must have followed Ji Feng, that woman who looked so noble in front of herself, might not be so cheap in her bones, otherwise, she wouldn’t have been a lover by her side, and now by Ji Feng’s side!

It is only hateful that when that woman was by her side, she said something about having to think about it before sleeping with herself mother, but now she has cheapened Ji Feng and actually let him get a virgin for nothing.

But yourself, inquired about the several women of Ji Feng, the easiest to get down is this Qin Shujie, but heck this woman still does not know how many hands of his mother’s goods!

The first is Zheng Haoyu, and then Ji Feng, who knows if that woman has been with other men besides these two men?

The first was Zheng Haoyu and then Ji Feng, who knows if that woman has been with other men besides these two?

What’s more, Qin Shujie is Ji Feng’s woman!

The feeling of accomplishment from stealing Ji Feng’s woman to play with was unparalleled!

So even though Qin Shujie already even had a child and had been with more than one man, Wu Zhihe could accept it and was already getting down to it.

This was Wu Zhihe’s revenge on Ji Feng. Ever since Rong Suyan was snatched away by Ji Feng, Wu Zhihe had gritted his teeth and made up his mind that he would return the favor to Ji Feng, he would make him taste what it was like to be cuckolded too!

Moreover, Wu Zhihe wouldn't just snatch one, he wanted to get his hands on all the women related to Ji Feng!

According to his investigation, there were quite a few women around Ji Feng, for example, those who were always around Ji Feng were Tong Lei and Xiao Yuxuan, there were also two female guards, and there were also some female employees in the Tengfei Group. Around him, there are also Qin Shujie, Li RuoNan, and Zhou FeiFei of JiangZhe, etc.

The best one to go after is undoubtedly Qin Shujie.

The best way to do this is to get the most out of it.

If he took advantage of the situation and revealed his identity, he thought that Qin Shujie would definitely give in obediently. If it doesn't work, he still has other means, this Zheng Haoyu, is a backhand that Wu Zhihe has left behind.

"First Qin Shujie, the next step is going to be Li Ruonan and Zhou Fei Fei, if we can get these two women into our hands as well, it will be a powerful arm, and if not, we can even get the Zhou family's big group" The more Wu Zhihe thought about it, the more excited he became, he could not wait for it.

"Hao Yu, this medicine you put in, the effect should be good, right?" Wu Zhihe suddenly asked. He wanted to make sure once again that absolutely nothing could go wrong, this was Jiangzhou, while he was taking revenge, he had to be a bit more careful and could not be detected by Ji Feng.

"Wu Shao please rest assured, this to I personally found a young lady yesterday to try it, the effect is extraordinary ah, that woman almost did not squeeze me dry now think about it is still afraid, and Qin Shujie if you take this medicine, I'm afraid that only Wu Shao such an indulgent flower veteran, can satisfy her ah!" Zheng Haoyu immediately said flatteringly.

"Mm!"

Wu Zhihe nodded his head in satisfaction and said, "You will know what to do later, right? If she gives shame, remember, let her drink this cup of wine"

"Don't worry, Young Wu, I know what to do!" Zheng Haoyu said immediately.

"Good then, go and see how she hasn't returned from her trip to the bathroom, remember, reveal my identity without a trace, it will be easier for me to get on top of it at this time." Wu Zhihe faintly instructed.

"Yes!" Zheng Haoyu immediately stood up and was about to head out.

At this moment, Ji Feng, who was standing outside the door, had an incomparably gloomy face, with a murderous intent rising in his heart that he simply could not control himself.

He hurriedly took a few deep breaths, turned his head, looked in the direction of the restroom, deliberated slightly for a moment, and turned his head around to look again before quickly walking in the direction of the stairway.

At the stairway, Ji Feng stopped, just in time to use the corner to block himself.

He looked at Zheng Haoyu, who came out of the box not far away, and an icy murderous look constantly flashed in his eyes as he secretly said, "There's no point in living when people have reached your level Wu Zhihe, you too!"

Chapter 1025

The conversation between Wu Zhihe and Zheng Haoyu in the compartment made the murderous urge in Ji Feng's heart practically impossible to suppress, and it could burst out at any moment.

But in the end, Ji Feng finally forced himself to hold back after taking a few deep breaths.

Ji Feng wanted to see how far these two bastards, Wu Zhihe and Zheng Haoyu, could behave!

He had just stood at the entrance of Wu Zhihe's compartment, and the conversation inside, which he had heard clearly, had fallen into his ears word for word, which made him out of his mind!

What did Zheng Haoyu mean by that? What did he mean by washing his feet and pounding his back?

What did they take Qin Shujie for?

Ji Feng was not a fool, how could he not understand these words? That bastard Zheng Haoyu was simply trying to give Qin Shujie to Wu Zhihe as a maid to warm her feet!

Damn it!

This was the first thought that sprang to Ji Feng's mind, these two people, both deserve to die!

More importantly, from the conversation between Wu Zhihe and Zheng Haoyu, Ji Feng heard his name, what does this mean?

It meant that whether it was Zheng Haoyu or Wu Zhihe, they were both simply coming for themselves! Maybe they said Qin Shujie was following him, which they misunderstood, but one thing is certain, that is, they actually made a move towards Qin Shujie when they thought she was their lover, this is directly targeting themselves!

"Wu Zhihe, is that all you have to offer?" Ji Feng smiled fiercely, the killing intent in his eyes getting thicker and thicker.

In his opinion, Wu Zhihe did deserve to die, no matter what reason or motive he intended to lay his hands on Qin Shujie, he deserved to die!

Because, Ji Feng would not allow Qin Shujie to be harmed, especially by the two brutes, Wu Zhihe and Zheng Haoyu, he would not allow it.

As for Zheng Haoyu, this beast deserved to die for more than a day or two!

Ji Feng really did not expect that back then Zheng Haoyu had almost given Qin Shujie to someone else for the sake of business, but fortunately he did not get his way in the end and Qin Shujie had the face to survive. However, this time he actually

Since he couldn't help but shake his head, he didn't even know what to say. The word beast was no longer enough to describe Zheng Haoyu.

To say that he was a beast was not scolding him, it was insulting the beast!

Has he ever thought that one day when he wakes up in the middle of the night, in the dead of night, when he thinks about what he has done, he will feel remorse in his heart? Or that his face would feel hot?

I don't think he ever thought about it!

Ji Feng took a deep breath and looked at Zheng Haoyu's figure with a fierce expression as he also entered the washroom, he couldn't help but whisper to himself, "Since I've come across you, then you two, don't walk out of here alive today!"

He took out his mobile phone and quickly sent a message to his second brother Ji Shaolei: "Second brother, I'm in a bit of trouble here, you immediately find a way to control the surveillance room of Spring River Moonlight Night, to get the surveillance footage under control"

And then, he quickly found Qin Shujie's name from the phone book and dialed it over. Soon, the phone rang, and Qin Shujie's gentle voice came over the phone.

"Young Ji?" There was some surprise in Qin Shujie's voice, as if receiving a call from Ji Feng had surprised her.

In fact, Qin Shujie was indeed a bit surprised, knowing that in the past, Ji Feng had never taken the initiative to call her, while she wanted to call Ji Feng, but she was also in the way, sometimes the number was dialed, but there was to delete it.

Because if the call was answered, she didn't know what to say, the woman's instinctive shyness still made her a bit reserved.

"Chief Qin, it's me." Ji Feng was not aware of Qin Shujie's thoughts, he didn't wait for Qin Shujie to speak, he immediately said, "Chief Qin, is it convenient for you to listen to the phone now? I have something important to say to you."

Qin Shujie seemed to hesitate and paused slightly for a few seconds, and Ji Feng listened to the snapping sound coming from the phone, which was the sound of high heels on the floor.

Only after a few seconds did Qin Shujie say, "Young Ji, say what you want, there's no one around me now."

"Alright then, listen, are you in the clubhouse of Spring River Flower Moon Night? And, are you still in the bathroom now?" Ji Feng asked directly.

"How do you know?" Qin Shujie was instantly surprised, "You, you saw me?"

Ji Feng didn't have the heart to pay attention to what Qin Shujie's state of mind was at this moment, he immediately said, "I saw you in the corridor just now, I was right outside the box you were in, I accidentally overheard the conversation between Wu Zhihe and Zheng Haoyu, remember, they are going against you, you can choose to leave immediately now, I will escort you... .."

“How are they going to turn against me?” Qin Shujie asked, “This is a public place, even if they are powerful, they can’t do anything to me so blatantly, right? Ji Shao, in fact, Zheng Haoyu just wants Yaoyao back, there’s nothing else”

“They asked you out to talk about Yoyo?” Ji Feng asked at once.

“Yes, Zheng Haoyu wanted Yao Yao back from me, and when I didn’t agree, he said he was going to court to get custody of the child back from me”

Ji Feng then understood that Qin Shujie did not even know Wu Zhihe’s true identity yet, she was tricked out by Zheng Haoyu as well as the two guys Wu Zhihe.

In the name of discussing the custody of their child, Wu Zhihe and Zheng Haoyu were in fact, Zheng Haoyu was pimping out for Wu Zhihe, while the one he was about to betray was still his ex-wife, the mother of his daughter!

“Mr. Qin, listen, things are not as simple as you think, they don’t want the custody of the child at all, they want you!” Ji Feng said directly.

“Sh, what? Young Ji, what did you just say?” Qin Shujie seemed to be stunned.

“That Wu Zhihe, is the second young master of the Yanjing Wu family, Zheng Haoyu is probably just one of his lapdogs, in short, it means that Wu Zhihe has his eye on you, Zheng Haoyu is going to pimp you out in the middle, moreover, they have drugged the wine, just waiting for you to take the bait!”

Ji Feng clearly stated the problem: “Now the exact reason and process, I can’t say clearly for a while, but if you believe me, then leave Spring River Flower Moon Night immediately, otherwise”

Only when he said this did he suddenly react to the fact that there seemed to be no sound from Qin Shujie’s side.

“Could it be that” Ji Feng suddenly changed his face and said into the phone in a panic: “Hello, hello, General Qin, Qin Shujie? You”

Before he could finish his words, Qin Shujie’s voice suddenly rang out again as she said, “Young Ji, I believe your words!”

In Qin Shujie’s voice, there seemed to be a wave of sadness and a strong sense of anger, even Ji Feng on the other end of the phone seemed to be able to feel that complex feeling of pain and shock and anger mixed in her heart.

However, the fact that Qin Shujie believed his words made him slightly relieved.

What Ji Feng was most worried about was that Qin Shujie still believed her ex-husband and thought that he was moving things around in the middle or something like that, but now it seemed that she was still sensible.

“Since you believe me, then leave Spring River Moonlight Night immediately, I will help you deal with the rest, that Wu Zhihe and Zheng Haoyu two brutes, I will also help you clean them up”

“Young Ji!”

Qin Shujie, however, did not wait for Ji Feng to finish before interrupting him.

“What?” Ji Feng couldn’t help but be slightly stunned.

“If I drink their drugged wine and then they then behave in any unruly manner towards me does this count as an ***** attempt?” Qin Shujie suddenly asked.

“Ah?!” Ji Feng froze, “Should, should it count?”

He suddenly reacted and hurriedly said, “Chief Qin, don’t be reckless and don’t be impulsive, you don’t know Wu Zhihe as a person, even if you can really send him to jail, but you yourself have been”

“You will protect me, won’t you?” Qin Shujie suddenly smiled, looking extra happy: “The fact that you can call here proves that you’re worried about me, right? If I just left Spring River Flower and Moonlight Night, you actually don’t have any good way to deal with those two brutes other than using violence, right?”

“.....那啥 · 我那.....” Ji Feng was really a bit dumbfounded by the question for a while, and that one didn’t say a thing even after half a day.

In fact, what Qin Shujie said was, indeed, right, he really didn’t have any other good way to deal with those two beasts besides using violence. However, there might be a difference between the violence he used and the violence Qin Shujie was talking about, he intended to use bio-currents to make those two brutes stay in hospital for the rest of their lives, or just send them to meet the King of Hell!

But this was something that he couldn’t explain to Qin Shujie, and it really made him anxious.

“Ji Shao, I’m really happy that you can call this number” Qin Shujie said without a brain and hung up the phone directly.

Listening to the beeping busy tone coming from the phone, Ji Feng couldn’t help but be stunned for a long time.

“How is this” Ji Feng opened his mouth, but could not say anything, and finally could only shake his head helplessly and continue to wait here.

There was no way, Qin Shujie did not listen to his advice, that was obviously to follow her own words that she would drink the drugged wine that Wu Zhihe and Zheng Haoyu had prepared for her, and then sue them

He could not help but helplessly shake his head, how this woman is so capricious, small girl capricious is just, but Qin Shujie such a competent and sensible woman, and is a company boss, she is also capricious she is sure that he can protect her ah?

The actual fact is that you can find a lot of people who are not able to protect you.

Otherwise

Chapter 1026

Qin Shujie had indeed been capricious, and, moreover, she had been capricious on purpose.

In fact, what Ji Feng said on the phone did not make Qin Shujie so angry. When Zheng Haoyu spoke to her on the phone, she realised that Zheng Haoyu definitely did not have good intentions.

No one knew Zheng Haoyu better than Qin Shujie!

This man, greedy to the core and downright hypocritical to the extreme, when Qin Shujie had lived with him, she was surprised that she didn't even know what kind of person he was.

But as time went on, people's true nature came out, and only then did Qin Shujie gradually discover that Zheng Haoyu was such a person!

The things that Zheng Haoyu did later on made Qin Shujie no longer have the desire to continue living with him, and it was only at Qin Shujie's insistence that they divorced. The sudden appearance of Ji Feng allowed Qin Shujie to get rid of Zheng Haoyu's entanglement, but Qin Shujie had already understood Zheng Haoyu's character very well.

In fact, it was precisely because of Ji Feng's appearance that Zheng Haoyu did not dare to continue to pester him and did not even dare to stay in Jiangzhou, nor did he know where he had gone.

Now that Zheng Haoyu suddenly called, once Qin Shujie heard his smiling voice and kind tone, her heart immediately became alert, as soon as Zheng Haoyu was so mild, he didn't know what bad things he wanted to do, this guy had a few fancy intestines in his heart, Qin Shujie knew very well!

This guy is obviously not having good intentions when he calls himself!

So from the very beginning, Qin Shujie was on guard against Zheng Haoyu, and even after she had just seen him with another man and then proposed to negotiate the custody of her daughter, Qin Shujie was instantly wary in her heart, and she casually found an excuse to go to the washroom.

Therefore, when Ji Feng called Qin Shujie now and said that Zheng Haoyu and another man named Wu Zhihe had ill intentions towards her, Qin Shujie really wasn't surprised at all, and didn't even feel much anger.

This is like knowing that the person you are sitting with is your enemy and that you both are discussing some issues, your heart itself is with wariness, then you are afraid that if you know that your enemy is counting on you, you will be very calm.

Because, you don't care that much about your enemy!

This is what Qin Shujie has in mind, she doesn't care what Zheng Haoyu and Wu Zhihe are thinking, if they want to talk about the custody of their daughter, then just talk about it, no matter what she says she won't give up the right to raise her daughter anyway, and if Wu Zhihe wants to do his duty as a father, then she won't object either.

As for the man called Takeshi and

Who cares if he goes to hell!

It was the sudden call from Ji Feng that really surprised Qin Shujie and made her heart, which was already incredibly tired, suddenly ripple again.

Ji Feng was at the Spring River Flower Moon Night?

He still cared about himself?

In her heart, Qin Shujie was suddenly filled with an inexplicable joy, especially after hearing those contents of Ji Feng's speech, she had an indescribable meaning in her heart.

This is like originally felt that I was a bad life, no matter how you guys bully, I just die hard to the end, absolutely will not compromise, even if you guys are big, I am still the same, the big deal is a death!

But now, Qin Shujie suddenly had a backbone!

Ji Feng's sudden appearance filled Qin Shujie's heart with inexplicable courage, as if she dared to face any difficulties as soon as she heard Ji Feng's voice, because she knew that Ji Feng would be behind her to protect her, and when necessary, he would come to her front to shield her from the wind and rain.

"What if he won't stand up for himself?" Qin Shujie couldn't help but ask herself as she walked out of the washroom.

In a flash, she gave herself an answer, "Humph! If he dares not to show up, then I'll let Zheng Haoyu and that Wu Zhihe bully me, I'm all alone and unloved anyway"

Qin Shujie was lightly angry, but her heart wanted to fight hard for her feelings

This kind of mood, did not experience the people, is simply unable to appreciate.

The first thing you need to do is to take a look at the website.

In his heart, he was secretly contemplating what to do next.

To really let Qin Shujie do the baiting, what to let Wu Zhihe and Zheng Haoyu fall for an ***** attempted crime, Ji Feng felt that this was very inappropriate.

Not to mention the other, they are a big man watching outside, but let Qin Shujie use this trick, think of some shame ah!

But for a while, Ji Feng couldn't think of any more suitable solution, so he could only take a step first and see what happens. But no matter what, the issue of letting Qin Shujie do the baiting needs further deliberation.

The first thing you need to do is to look back and see how the second brother hasn't come yet, did he not receive his text message?

Thinking of this, Ji Feng immediately took out his mobile phone and called his second brother Ji Shaolei

.....

.....

"Phew~~~~"

Qin Shujie looked at herself in the mirror, touched the corners of her eyes, couldn't help but secretly sigh softly: "Ah Qin Shujie, I hope you can spell out a love for yourself, if this time still doesn't work out, you're all so old, you should just die."

She clenched her silver teeth and secretly said, "You will definitely succeed, go for it, you need a shoulder to lean on, Ji Shao, should be the most suitable one for you to rely on, don't hesitate anymore"

In the heart of the secretly for their own strength, Qin Shu-jie briefly tidy up the clothes, and in the heart of the thought of how to respond, and only then out of the bathroom.

"Shu-jie, is it that you are not feeling well? Why did you go for so long?" As soon as Qin Shu-jie came out of the washroom, she saw a smiling Zheng Haoyu greet her. At this moment, he had a warm smile on his face, looking as if he was an old friend who had not seen Qin Shu-jie for many years, very warm and concerned.

Qin Shujie said indifferently, "I had diarrhea and squatted in the toilet for a little longer, couldn't I?"

"....." Zheng Haoyu was immediately choked, just like eating a fly, he couldn't throw up even if he wanted to, and he didn't know what to say even if he wanted to.

The first thing you need to do is to take a deep breath before Zheng Haoyu said: "So what, Shujie, when you get in front of Wu Shao, you can't talk like that to be more civilized. I remember you were not like this before, ah?"

Qin Shujie's eyes flashed a trace of contempt, sneering, "What, is it that you feel embarrassed for you?"

"Of course not, taking you out, then I am quite dignified" Zheng Haoyu immediately laughed, "Those friends in the past, who didn't envy me... .."

Before he could finish his words, he heard Qin Shujie say, "Then when we get to that friend of yours later, I'll ask him if he's giving you face, okay?"

"..... It's better not to!" Zheng Haoyu suddenly gave a sarcastic laugh, "After all, we're all divorced!"

"It's good that you know that!" Qin Shujie said indifferently, "Zheng Haoyu, I hope you can keep this in mind, you and I are already divorced, between us, there is no longer any relationship, Yao Yao's custody was also given up by you of your own accord, there is no longer anything to talk about between you and me!"

Zheng Haoyu's face turned blue and white as he was said, his heart was infuriated, but he could not say anything.

In the end, Zheng Haoyu could only smile and say, "So what, Shujie, I know you still hate me in your heart, but I am still Yao Yao's father after all, aren't I?"

"Zheng Haoyu, you are also worthy of me hating you?"

Qin Shujie swept a glance at him, instantly causing Zheng Haoyu's heart to stutter. This glance of Qin Shujie, without the slightest emotion, there is only a deep indifference, that look, completely is looking at a stranger seemingly, no joy, no hatred

The actual fact is that you can't be sure that you're going to be able to get a good deal on your own.

“Shu-jie, let’s not talk about what happened between us, but no matter what, you can’t refuse to give face to Young Wu, as I told you before, Young Wu is the son of a big family in Yanjing, as long as he says one word, you will definitely not get the custody of Yoyo!” Seeing that softness didn’t work, Zheng Haoyu immediately came to hardness, “So, you’d better cooperate somehow.”

“Oh?”

Qin Shujie gave him a mocking glance, “The son of a big family in Yanjing? How big can he be? As big as Ji Shaolei? Or is it as big as Ji Feng?”

“Cut!”

Zheng Haoyu cut disdainfully and said with a face full of pride, “Ji Feng and Ji Shaolei? They’re nothing in front of Young Wu! Let me tell you this, the Wu family is much stronger than the Ji family in Yanjing, do you know the Rongpeng Group in Southern Guangdong? That’s all

“Take me to see Young Wu!” Qin Shujie directly interrupted him.

“..... Good, good!” Zheng Haoyu immediately nodded his head repeatedly and said joyfully. In his heart, he couldn’t help but curse angrily, this bitchy woman, acting so disdainful in front of herself, but once she heard that the Wu family was stronger than the Ji family, this immediately agreed to go see Younger Wu.

“Bitchy woman, still trying to flatter others?” Zheng Haoyu walked ahead, his face was ugly, and in his heart he cursed, “Still so arrogant in front of me, when you meet Young Wu later, I’m afraid you’ll be desperate to cross your legs and ready for Young Wu to fuck you?”

I have to say, Zheng Haoyu is really a bitch! Even though he and Qin Shujie have divorced, they are still a couple after all, but he is so belittling his ex-wife

The fact that you are calling your ex-wife a pile of shit, where can your own face shine?

However, Zheng Haoyu does not have such an understanding, at this time, he is still bent on making good relations with Qin Shujie, of course, not because he wants to catch up with the former conjugal love, but to think that after Qin Shujie has become Wu Shao’s personal maid, he also has to befriend her

If such a person doesn’t deserve to die, then what kind of person does?

Chapter 1027

Inside the box, Zheng Haoyu brought Qin Shujie in and was flatteringly introducing her to Wu Zhihe, “Young Wu, Miss Qin is here!”

As soon as Wu Zhihe, who was originally sitting calmly in his chair, saw Qin Shujie, he immediately smiled full of gentlemanly manners and said, “Miss Qin, please have a seat.”

When he spoke, he spoke with poise and grace, nothing like the wild and lewd image he had before, it was like a judgment of two people. So often, the darker and dirtier the person is in their heart, the more decent and graceful they are on the surface, this is their disguise!

Qin Shujie smiled lightly and said, “Young Wu, I heard Zheng Haoyu say that you are here to be a notary today, right?”

“Hmm?” Wu Zhihe was slightly stunned and frowned at Zheng Haoyu, he didn’t know when he had said he was going to be a notary, “Haoyu, what Miss Qin is talking about is

“It’s about negotiating the custody of my child Yaoyao with Zheng Haoyu, and Zheng Haoyu said you’d be the notary!” Qin Shujie said.

Zheng Haoyu’s eyes suddenly jumped wildly, but he never said this ah, Qin Shujie this deliberately in front of Wu Shao constantly mentioned that he and Qin Shujie have a child, is this not to put eyes on him ah?

This is what Zheng Haoyu is most afraid of, he is most afraid that Wu Zhihe will be jealous of his past relationship with Qin Shujie as a husband and wife, to know that when he introduced Qin Shujie in front of Wu Zhihe, he always directly called her Miss Qin, not her name or any other name.

“So what, Young Wu, Miss Qin, that’s for later, right now we’re only chatting, other matters are not suitable to be discussed at the wine table either, aren’t they?” Seeing a stern look flash in Wu Zhihe’s eyes, Zheng Haoyu was instantly scared and his heart jumped as he hurriedly said.

If he didn’t explain, even if Wu Zhihe really got Qin Shujie into his hands, he wouldn’t have any good consequences for himself!

Zheng Haoyu could not help but cast a pleading look at Qin Shujie, praying for her to be merciful.

Fortunately, Qin Shujie did not continue this topic, but said indifferently, “Since it’s Young Wu who is here, then we won’t talk about the child today, Young Wu, it’s really an honor to meet you, I’ll drink to you!”

Saying that, Qin Shujie directly lifted up a glass of wine on the table and was ready to clink glasses with Wu Zhihe.

Zheng Haoyu was immediately overjoyed in his heart, it’s good to drink it, it’s good to drink it!

He did not expect that things would go so smoothly today, this cup of wine was originally prepared for the end. If Qin Shujie was really not on the right track and did not want to be with Wu Zhihe, she would finally find a reason to drink this cup of wine, so that even if she was a martyr, she would turn into a slut’s wife.

Now Qin Shujie is taking the initiative to end up on her own, that couldn’t be better, even some of the verbiage is saved.

The fact that he was finally able to do a good thing for Wu Shao, he would definitely value himself! The first thing he wanted to do was to see if Qin Shujie really drank the wine, but he was afraid that he would be too obvious and let Qin Shujie see that something was wrong, which would be a problem.

Therefore, at this moment, Zheng Haoyu was really like an ant on a hot pot, fidgeting, and he didn’t even know where to put his hands, one moment on his lap, the next on the table, his face seemed to be slightly red with excitement and nervousness, and his heart was even more anxious.

All these manifestations of his fell on Qin Shujie's eyes, which made Qin Shujie sneer in her heart, while despising.

"Young Wu, I'll drink to that first!" Qin Shujie said with a smile on her face as she brought her wine glass up.

Zheng Haoyu saw that Qin Shujie was about to tilt her head and drink it down, his heart suddenly became much more settled, and he could not help but let out a long breath, this time, things were done!

However, at this moment, Wu Zhihe suddenly said, "Hold on!"

Zheng Haoyu almost didn't bite his tongue as his face changed slightly and he looked at Wu Zhihe in amazement, wondering what in the world Young Master Wu was up to!

He was about to succeed, but why was he unwilling to do so again? He was disgusted that Qin Shujie was once married to him and had a child?

If this is really the case then it will be a problem, when the time comes Wu Shao will have to clean up after himself ah?

"Is Wu Shao not willing to drink with me?" Qin Shujie was also slightly surprised as she looked at Wu Zhihe and asked with a light smile.

"Of course not!" Wu Zhihe laughed and said, "That what, I am thinking ah, we come up and drink, our stomachs are still empty, a bit bad, how about this, we talk while we eat, as for drinking, there will be plenty of time later, there is still a long time tonight Shuji, don't you think so? Haha"

This last sentence, he said is very meaningful, what do you mean there is still a long time tonight? Wouldn't that meaning be very obvious?

How could Qin Shujie not hear it?

She was secretly annoyed in her heart and her face turned a little red with anger, she took a deep breath and nodded her head slightly, "Young Wu is right!"

Wu Zhihe then laughed out loud, his heart incomparably pleased with himself, he was indeed right, this woman with a charming face and a voluptuous figure had indeed moved on to him.

The slight blush on her face just now was the best proof of that.

Regarding his charm, Wu Zhihe has always been very confident, not only because he has a flamboyant demeanour and a bountiful and handsome appearance, but his greatest capital, or his identity!

It seemed that he was sure of this woman!

Wu Zhihe laughed loudly in his heart with glee and certainty, and this was the main reason why he had just said something to stop Qin Shujie from drinking.

This is the main reason why he just said to stop Qin Shujie from drinking. A woman, since she already has the intention of leaning on him, then why use that kind of cheap tactics?

This is the best option to conquer a woman with your own charm.

In Wu Zhihe's opinion, Qin Shujie was already a dish on his plate, he could eat it whenever he wanted, without any difficulty at all.

"Shu-jie, I heard that you are more familiar with this Spring River Flower Moon Night, what are the special dishes here, why don't you introduce them?" Wu Zhihe laughed, "When it comes to food, in our country that is very profound, the people take food as the day, look, when our people see each other, they will greet each other, have you eaten yet?"

"That's right, that's right, what Shao Wu said is very true!" Zheng Haoyu nodded his head repeatedly beside him.

Qin Shujie said lightly: "I do not know too much about food, but I have heard that there are many famous food in Yanjing, why don't you introduce them to Wu Shao"

"Good, then I will briefly talk about it, in fact I know not too detailed, because my mind is usually not in the food aspect" Wu Zhihe said with a faint smile on his face.

"Wu Shao that is to busy with a lot of big things, can not care about these small details." Zheng Haoyu said.

"It's not like that, in many cases, it's the details that determine success or failure, so for the details I also pay a lot of attention." Wu Zhihe laughed.

Looking at these two people, Wu Zhihe and Zheng Haoyu, singing in unison, Qin Shujie sneered in her heart, was this to show that not only was Wu Zhihe from a noble background, but he was also incomparably outstanding himself?

Her gaze occasionally swept over the wine glasses on the table, pondering in her mind how to find a reason to drink the wine she had to fight for her own happiness!

Ji Feng has always seemed to have some distance from her, Qin Shujie has to use this method to force the true thoughts out of Ji Feng's heart, otherwise, as she grows older, I'm afraid that in a few years, she will really be old

.....

At this time, Ji Feng, however, received a call from his second brother, Ji Shaolei, and arrived at the monitoring room of the Spring River Flower Moon Night Club.

Here, a few police officers had already taken control of the monitoring room as well as the people inside, of course, nominally to temporarily check if there were any illegal devices in the clubhouse and if they were violating the privacy of the guests

"San'er, what are you going to do?" Ji Shaolei asked in a deep voice after listening to the whole process that Ji Feng said, his face suddenly turned gloomy.

He took two steps forward, blocked the others' view with his body, and made a neck-wiping motion, a questioning look in his eyes.

The meaning of this was clear enough, he was going to do away with Wu Zhi and

I didn't expect the second brother to be so ruthless too!

Ji Feng couldn't help but shake his head and laughed, "Second brother, isn't this a bit inappropriate? We definitely can't hide our presence here, once we do away with him, this could be a deadly feud!"

"It's not a deadly feud now, huh?" Ji Shaolei laughed coldly, "Given the character of the Wu family, they would want everyone in our family to die out! Besides, even if Qin Shujie really lures them in, the most they can do is to sentence them to a few years, but then they can just make some kind of medical parole or some other reason and come out again with a big swing, what can you do to them?"

Ji Feng sulked, his mind contemplating the various pros and cons.

"I say why are you kid even more inquisitive than me?" Ji Shaolei got a little impatient, "You kid isn't really going to let Qin Shujie do the bait and then let Wu Zhihe, that dog, take advantage, right? Don't you understand what she means when she does that?"

"Hmm?!" Ji Feng raised his head slightly, "What?"

"You brat!"

Ji Shaolei was exasperated by him, "Qin Shujie did this, that's to see, what position she actually occupies in your heart! If you really like her, don't push her to this extent, I know that person Qin Shujie, she looks gentle but actually has a very strong character, once you break her heart, what's the difference between that and Zheng Haoyu?"

Ji Feng frowned, his heart was touched, remembering the little bit of time he used to spend with Qin Shujie, he couldn't help but be silent again.

Half a long time later, Ji Shaolei got a little impatient waiting and was just about to speak when he saw Ji Feng jerk his head up and said in a deep voice, "Second brother, I'm going up here, as for Wu Zhihe he won't leave Jiangzhou alive!"

After saying that, he turned around violently and strided out of the surveillance room.

Ji Shaolei could not help but laugh, "This kid, finally enlightened"

Speaking here, he suddenly remembered something and immediately said to a policeman beside him, "From now on, turn off all the surveillance of that box, immediately!"

After that, he also strided out of the surveillance room.

Chapter 1028

"Young Wu, it's getting late, so after this drink, I should go back too. Now that the child is alone at home, I'm a bit uneasy."

In the box, Qin Shujie saw that the more Wu Zhihe talked, the more disgusted she became, she did not want to delay any longer, one more minute with Wu Zhihe and Zheng Haoyu, she would be disgusted one more minute, that was also a painful torture for herself.

Don't look at Wu Zhihe's gentle and elegant speech, but for Qin Shujie, that is simply an unbearable torture. There are many young handsome people in this world, although many of them are not as good as Wu Zhihe, but their talents and manners are ten thousand times better than Wu Zhihe's.

What is Wu Zhihe?

Qin Shujie has been in the business world for years, what kind of people have she met, and she can't tell Wu Zhihe's reality?

If Wu Zhihe did have talent, coupled with his disguise, he might have been able to fool Qin Shujie. But now, there is no such possibility at all.

On the one hand, Ji Feng had already called Qin Shujie about the real purpose of Wu Zhihe and Zheng Haoyu, and on the other hand, Wu Zhihe himself was so bad that even if he disguised himself, he could not hide the real substance of his fop.

He doesn't even look like a prince in his dragon robe!

This was the most realistic portrayal of Wu Zhihe at this time, and it was also Qin Shujie's deepest impression.

The more she listened to Wu Zhihe's words, the more she seemed to be talking about many aspects of knowledge, and those who didn't understand would think he was knowledgeable and knowledgeable.

This kind of person is simply a trash, how can he still want to calculate Ji Feng?

It's really ridiculous to the extreme

Qin Shujie took a deep breath and suppressed the disgusting feeling in her heart, she directly lifted her glass and said, "Wu Shao, I'll drink first, and then I'll excuse myself, I hope Wu Shao can forgive me"

Qin Shujie was not going to spend another minute with Wu Zhihe, since she had already decided to do the bait, let's get into the procedure as soon as possible.

If Ji Feng really did not come to her rescue, she also resigned to her fate, and from now on will also give up this idea, single-mindedly bring up her daughter, will raise her to become a talent, and do not ask her to live a rich life, to be able to live an ordinary life is also enough.

I can no longer be like myself, a lifetime of misery and suffering

The actual fact is that you can find a lot of people who have been in the business for a long time, but you can't be sure that you're going to be able to get a good deal on your own.

The actual fact is, this is to play with yourself?

He was showing how much he admired him and wanted to lean on his side, but he was attracted by his status and talent.

The latter immediately winced and trembled, and said in a panic: "Then what, Shu-jie, don't be so hasty first, Yao Yao is very good, she's perfectly fine at home alone, besides, you've hired a nanny. If you're really unsure, I'll go and look after Yoyo"

“You’re going to take care of Yoyo? Are you planning to carry Yoyo away?” Qin Shujie asked in a cold tone.

“This how do you say this, Young Wu has said that today we will only chat and not talk about other matters.” Zheng Haoyu hurriedly said, “Then how about this, let’s chat for another forty minutes, at that time, whether you leave or stay, that’s all up to you, so it’s always okay, right?”

He hurriedly turned his head again, looked at Wu Zhihe and asked with a smile, “Young Wu, do you think I’m making sense!”

“Mm!” Wu Zhihe nodded with a smile, “Hao Yu has a point, Shu-jie, of course the child is important, but there are many things that are more important than the child!”

Qin Shujie was just about to speak when Zheng Haoyu took the cup away from her hands, he laughed, “Don’t be in a hurry to drink first, have a good chat with Wu Shao, I’m going out for something, I might not be back for half an hour or so, we’ll drink then, don’t you think so?”

This time Qin Shujie had no choice, she even wanted to stand up and leave, she did not intend to continue with them here, but she was not willing to do so, if she left like this, between her and Ji Feng, may not be able to break through the layer of window paper, and even if it can be successful, I am afraid that it will also have to go through a lot of twists and turns.

What’s more, these two bastards wanted to scheme against her and Ji Feng, especially against Ji Feng, so if she left like that, she would be safe and sound, but they might still be able to scheme against Ji Feng at any time.

Qin Shujie naturally did not allow Ji Feng to be in any danger, so she still gritted her teeth and stayed down.

Once Zheng Haoyu saw that Qin Shujie was not insisting, he hurriedly stood up and placed the wine cups on the cabinets that were leaning against them, and then pulled open the door of the compartment and said with a heated smile, “Young Wu, Shujie, you guys have a good chat, I won’t be back for a while”

“Well, go go go!” Wu Zhihe was very satisfied with Zheng Haoyu’s performance and waved his hand, thinking that he was really right to bring Zheng Haoyu here today, this guy is very good at being a man.

The other people didn’t know what Zheng Haoyu meant when he said it would be a while before he could come back, but he knew very well that this kid was very good at creating opportunities!

“You wouldn’t be trying to sneak off and steal Yoyo away, would you?” Qin Shujie suddenly turned around and asked.

Zheng Haoyu stumbled on his feet and almost didn’t fall head first to the ground, he forced a smile and said, “What are you talking about, I was going out for a little thing, with Younger Wu here, how would I dare to do that, Younger Wu would still pick my skin?”

In his heart, he cursed, “Bitch, do you think everyone thinks like you, that you value children so much?

What can I do with a child? It’s just a burden to have around all day!

Zheng Haoyu gave a wink to Wu Zhihe, then he laughed and opened the door and went out.

In the box, only Wu Zhihe and Qin Shujie were left, and Wu Zhihe's burning gaze swept over Qin Shujie's body, and his heart was suddenly filled with desire.

He thought, this Zheng Hao Yu chose a really good place, look at this box, entertainment, rest, dining all kinds of facilities, and now Zheng Hao Yu has left to create an opportunity for himself, in this box on the cooked ` girl to eat, but also have some charm ah!

The idea is that Wu Zhihe will directly pull out the chair, get up and sit next to Qin Shujie, and start to get close, while thinking about how to start

.....

At the same time, Ji Shaolei also caught up with Ji Feng and went upstairs side by side with him.

"San'er, don't hold back when you make your move later, just scrap those two brutes!" Ji Shaolei said grimly, "Later on, you deal with Wu Zhihe, as for that beast Zheng Haoyu, I'll deal with him myself!"

Ji Feng shook his head and smiled, saying, "Second brother, you're about to get married, don't be so impulsive, I'll have my own way of dealing with this matter!"

"What solution will you kid have, you don't want to make a deadly feud with the Wu family and you don't want to lay a heavy hand, what can you do?" Ji Shaolei hummed.

Ji Feng said, "I said it, Wu Zhihe will never leave Jiangzhou alive, just rest assured, now let's bring Qin Shujie out first!"

It was uncomfortable for Ji Feng to let Qin Shujie do the baiting, and the fact that Ji Shaolei had picked out Qin Shujie's mind in one sentence made Ji Feng suddenly dawn on him, and his heart was deeply touched. Therefore, he immediately made up his mind that this matter had nothing to do with Qin Shujie and that he could not involve her in it!

What's more, when Ji Feng understood Qin Shujie's mind, he also understood why Qin Shujie had to do this, and in his heart, he had an indescribable complex emotion.

It was hardest to bear the grace of beauty!

"Second brother, later on we will just bring Qin Shujie out directly, don't do anything first, as for the rest, I have my own solution!" Ji Feng once again admonished, it was not a wise choice to make a move here.

If you want to make a move, there are plenty of opportunities, and there is no need to rush.

What Ji Feng is most worried about now is Qin Shujie's safety, she can't really drink that cup of wine

The first time he came up the stairs, Ji Feng almost collided with a person, he jerked his feet wrongly, but his body also brushed against that person.

"Don't walk with eyesight, huh?!" The man immediately cursed.

"Fuck!"

Ji Shaolei was instantly furious, he instantly slammed his fist over, hitting the man's face hard, "Doggone thing, how dare you curse!"

Bang~~~!

Ji Shaolei's body was so robust that this punch, which used almost all of his strength, instantly sent the man plummeting headlong down the stairs and rolling down with a grunt, just like a rolling gourd, falling on his face.

"San'er, you go up first, I'll kill him!" Ji Shaolei gritted his teeth and said viciously, "This beast, I haven't seen him for a year but he's actually become such a thing!"

Ji Feng was slightly stunned, "You know him?"

"It's not just Zheng Haoyu!" Ji Shaolei replied back, then striding down the stairs, grabbed the man by the hair and yanked him up, but then it wasn't Zheng Haoyu!

Although his face was bloodied from the fall, Ji Feng could still instantly recognize that this guy was Zheng Haoyu.

"No wonder you're so angry!" Ji Feng couldn't help but shake his head and laugh, then he quickly stepped upstairs and went to the box where Wu Zhihe was, Zheng Haoyu came out, that box could be left with only two people, Wu Zhihe and Qin Shujie, if Wu Zhihe had any unruly behavior

Behind him, came a burst of screams from Zheng Haoyu, who was obviously being properly entertained by Ji Shaolei!

"Mr. Wu, please behave yourself!"

Ji Feng had just arrived at the door of the compartment when he heard Qin Shujie's angry voice coming from the compartment, he was instantly furious and viciously kicked open the door of the compartment.

Bang!
