

## Campus Master Chapter 11-12 -

### Chapter 11

Ji Feng had just returned to the classroom and sat down in his seat when a small boy in front of him turned around surreptitiously and whispered, "Ji Feng, are you in a relationship with Tong Lei?"

"Who said that, it's not true!" Ji Feng was stunned, then shook his head and laughed, "Wang Tong, who did you hear that from?"

Wang Tong whispered, "Just now I heard Xu Mo and Chen Yang, they were talking about you and Tong Lei. Go watch the net -7-K-o-m."

"They were talking about me?" Ji Feng was stunned, shook his head slightly and laughed, "Let them be, who doesn't talk about people behind their backs?"

"You bastard!" Wang Tong, who was still on good terms with Ji Feng, pulled Ji Feng into a corner of the classroom and said in a low voice, "You should be careful, Xu Mo is not that easy to mess with!"

"I know this!" Ji Feng asked suspiciously, "But what does it have to do with me if he's good or not?"

Wang Tong skimmed his mouth and said, "You guys just aren't interesting enough, are you, still hiding it from me even now?"

Seeing Ji Feng's puzzled look, Wang Tong said, "Don't you know that Xu Mo has always liked the class president, you are chasing the class president, Xu Mo might deal with you!"

Ji Feng suddenly understood that Xu Mo liked Tong Lei, which was not even a secret in this senior class, I'm afraid. Only, Tong Lei didn't have a good face for Xu Mo, so Xu Mo had been chasing her for two years and still didn't catch up.

However, Ji Feng had no idea about this matter, he had no intention to pursue Tong Lei, at least, he would not take any action until he had the strength to match Tong Lei.

Seeing Ji Feng's unimpressed look, Wang Tong couldn't help but say, "Ji Feng, don't be careless, it's not like you don't know how careful and domineering Xu Mo is. Besides, he is also the son of deputy governor Xu Fu, it would be very easy for him to deal with you!"

Ji Feng nodded slightly and smiled, "Don't worry, I have nothing to do with Tong Lei, who is he to find trouble with me?"

“You guy!” Wang Tong shook his head and laughed bitterly, “With Xu Mo’s bullying, does he need any reason to want to find trouble with you?”

“He dares!”

A voice suddenly emerged from the side, a yellow-haired Zhang Lei burst out from nowhere and said in a cold voice, “If Xu Mo dares to touch the madman, Lao Zi will be the first to spare him!”

“Shit!”

Wang Tong couldn’t help but roll his eyes, “Lei Zi, you don’t even have to brag like that, do you?”

Although everyone knew that Zhang Lei seemed to come from a wealthy background, but in this county, even the wealthiest people wouldn’t dare to go against the officials, right?

Zhang Lei smiled coldly and did not say anything, but the disdain in his eyes was unquestionable!

Ji Feng punched him and cursed with laughter, “You brat doesn’t even look like a student, you’re just a hooligan!”

The three of them burst out laughing, causing the other students in the class to look sideways. .com

During the next class period, Ji Feng had completely left this matter behind and concentrated on his textbook. The content he had learnt so far, he could already recite it by heart. However, there was a lot of knowledge that one could not just rely on memorisation, one had to learn to use it flexibly.

With his unforgettable memory, Ji Feng began to fill in the blanks. He read all the new textbooks once and memorised the contents hard in his head.

Because the lessons he had fallen behind in the previous two years were too many, Ji Feng had to finish all the lessons in his senior year as soon as possible and then master them flexibly. Only then could he use the rest of his time to make up for all of his freshman and sophomore courses.

Only then would Ji Feng have the possibility of getting into a good university.

When Zhang Lei next to him saw Ji Feng’s book-reading speed, he couldn’t help but look at him in amazement and said, “I say, crazy, you’re not giving up, are you? How come the last two days in class, you always don’t listen to the teacher’s lecture, but flip through the book by yourself?”

Ji Feng smiled faintly and said, "This is my unique method of self-learning, something you have no way of understanding!"

He could only muddle through like this, he didn't want to reveal the existence of his intellectual brain, once he was found out, he would definitely be taken as a mouse and dissected for research.

Zhang Lei couldn't help but roll his eyes and cursed with laughter, "Shit, you brat, I don't care about you!"

Ji Feng shook his head and smiled, continuing to read the book.

"Ding~~~!" The class bell suddenly rang.

The morning passed quickly and Ji Feng finished reading half of his textbook.

"Shit, class is finally over, when will this day ever end!" Zhang Lei said with a grumble.

Ji Feng couldn't help but glare at him and said, "You think everyone is like you!"

The most perverted thing about Zhang Lei was that he never read books other than studying in class, yet his grades were still surprisingly good.

Zhang Lei smiled heatedly, "Alright, I'm going to the toilet, I won't talk to you anymore!"

Looking at Zhang Lei's back, Ji Feng shook his head and smiled, ready to continue reading his book with his head down.

Just at this moment, Ji Feng's shoulder was tapped by someone. He looked up and saw that Xu Mo, the deputy class monitor, was standing next to him with a grim smile on his face.

"Ji Feng, come with me for a moment, I have something to say to you!" Xu Mo said indifferently, a hint of disdain flashing in his eyes.

Ji Feng was stunned and nodded slightly.

Xu Mo put his arm around Ji Feng's shoulder, as if the two were good friends.

Coming to the corridor outside the classroom, Xu Mo said gloomily, "Ji Feng, I hope you stay away from said Tong Lei in the future, it will be good for you!"

Ji Feng smiled faintly and said, "I'm already far enough away from Tong Lei!"

Xu Mo said gloomily, "You know what I mean, Ji Feng, you're just a poor kid with no power, wanting to chase after Tong Lei? It's like a toad trying to eat swan meat!"

“Tong Lei is a swan, but it’s not clear who is a toad!” Ji Feng said without being condescending.

Xu Mo’s face changed, then he said in a cold voice, “Ji Feng, don’t give shame, next time I see you and Tong Lei together, I won’t let you off the hook!”

With that, he violently pushed Ji Feng, but unexpectedly, Ji Feng did not move at all, but Xu Mo was knocked by the recoil and stumbled!

He gave Ji Feng a resentful glance with a warning in his eyes, snorted coldly and turned to leave.

Ji Feng shook his head with a smile and muttered, “A poor kid with no power ..... is really a big mouth!”

A few moments later, Ji Feng also walked into the classroom. He didn’t take Xu Mo’s warning to heart, it was just a dude who relied on his family background. Besides, he really didn’t have any relationship with Tong Lei.

Ji Feng had just walked into the classroom when he felt two gazes looking at him. He immediately looked and instantly realized that it was Tong Lei!

Ji Feng smiled faintly and nodded at Tong Lei in greeting.

Neither of them noticed that Xu Mo, who was not far away, had a look of resentment shooting out of his eyes.

“Ji Feng, how dare you ignore my warning, I will definitely make you regret it!” Xu Mo said coldly with a blue face!

## Chapter 12

All afternoon, Ji Feng was seriously reading, and when it came time for the evening study, his mind was a bit foggy. Go to see the net .

Ji Feng rubbed his temples and secretly said in his heart: it looks like, although he has the ability to never forget, he can’t use it for too long at once, otherwise, he will still overuse his brain.

After resting for a while, Ji Feng remembered those knowledge that needed to be applied flexibly again, after all, he had left too much homework behind and simply could not master it all at once.

He wanted to ask Zhang Lei for advice, but when he saw his lazy look, Ji Feng dismissed the idea again. He was used to seeing Zhang Lei’s hangdog look, so if Zhang Lei explained the topics in a serious manner, Ji Feng was really a bit uncomfortable.

After thinking about it, Ji Feng still didn't have any good solution, he could only decide to do more exercises and master the knowledge proficiently through this method.

At 9pm, the evening self-study class ended on time.

This day, Ji Feng had gained a lot, at least he had memorized almost all of the new textbooks, what he lacked was the experience to use them flexibly.

After packing up his book bag, Ji Feng was ready to go home, at this time, the students in the classroom had almost left, there were only a few scattered people.

"Ji Feng!"

Just after he walked out of the classroom, Ji Feng heard someone call him, and when he looked back, it was class president Tong Lei.

Why hadn't she left yet?

Ji Feng was a little surprised as he walked over and asked with a smile, "Class President, what is it that you are looking for me?"

These two days of encounters had made Ji Feng's personality a lot more spontaneous. If it was in the past, he would not have been able to talk to Tong Lei so jokingly anyhow.

Instead of laughing, Tong Lei asked, "Ji Feng, tell me honestly, was it because of me that Xu Mo looked for you in the morning?"

Ji Feng faintly shook his head and said with a smile, "No matter, he was just looking for me to chat, there was nothing wrong!"

"You, who seem so honest, turn out to be such a good liar too!"

Tong Lei glared at him somewhat angrily, the beauty that flowed out unconsciously made Ji Feng couldn't help but be dumbfounded. .com

"You, what are you looking at!" Seeing Ji Feng's somewhat dazed look, Tong Lei had no reason to be flustered, especially because of Ji Feng's clear and deep eyes, which made her heart shake and she couldn't help but pout.

This situation was like the pampering between lovers.

Ji Feng couldn't help but dryly cough, not daring to continue looking, if Tong Lei continued to show this kind of charming attitude, he would definitely not be able to stand it, and then he didn't know what kind of ugly face he would make again!

“That, there’s really nothing going on, you shouldn’t ask too much!” Ji Feng shook his head and said. He knew that if he told the truth, Tong Lei would definitely go to Xu Mo, and perhaps then Xu Mo wouldn’t dare to look for trouble with him again.

However, Ji Feng did not want that.

He didn’t want a girl to interfere in matters between men. More importantly, Xu Mo’s remark ‘You are just a poor boy with no power and no authority’ made Ji Feng’s heart secretly resolve that one day, he would return this remark to Xu Mo!

“Tong Lei, if you have nothing else to do, I’ll go back first!” Ji Feng smiled faintly and was about to turn around and leave.

“Ji Feng!” Tong Lei suddenly called out to him, hesitating for a moment before saying, “It’s getting late now, I’m a bit scared to go back alone, can you send me back?”

Ji Feng hesitated for a moment, because at this time, his mother must have already made dinner and was waiting for him, if he went back too late, he would make his mother wait for him.

“Forget it, I’d better go back alone!” Seeing Ji Feng’s hesitant look, Tong Lei couldn’t help but say.

Ji Feng instantly laughed: “What are you talking about, how can I feel comfortable letting such a big beauty like you walk at night, huh, I’ll take you back!”

“Slick talk, you’re not a good person either!” Tong Lei snapped and smiled, giving him a white look.

The two of them joked and laughed as they walked out of the school gate.

“Ji Feng, in the future, if Xu Mo finds you in trouble, you must tell me!” Walking on the road, Tong Lei said in a low voice, “If it’s because of me that I caused you unnecessary trouble, I apologize to you!”

Ji Feng shook his head and laughed, “That’s a bit out of character for you to say, we’re friends!”

“Giggle ……” Tong Lei giggled, her bright eyes staring at the side of Ji Feng’s face, “Do you really consider me a friend?”

“That’s for sure!” Ji Feng said with a serious nod, “I only had one friend in the past, Zhang Lei, and now, there’s another one of you, it’s great!”

“I’m also happy to be your friend!” Tong Lei laughed softly.

The two of them are living in the family home of the county party committee, in the north of Mang Shi County, which is not too far from the second middle school. As the two laughed and joked, it wasn't long before they had reached the gate of the family compound.

"Ji Feng, thank you for coming to see me off!" Tong Lei stood at the entrance and smiled sweetly, "See you tomorrow!"

"See you tomorrow!" Ji Feng nodded and smiled as he turned to leave.

Looking at Ji Feng's back as he left, Tong Lei's eyes couldn't help but show a hint of apology.

Just at this moment, a figure next to him suddenly walked over. If Ji Feng was here, he would have recognised at a glance that this was his only friend, Zhang Lei.

"I say, little sister, this brother of mine is not bad, right?" Zhang Lei smiled heatedly, but the words that came out were surprising. He and Tong Lei, were actually brother and sister?

Tong Lei glared at him and hummed, "Is there a brother like you? If Dad finds out that you introduced me to a boyfriend, he won't spare you!"

"Hey, hey, won't you just not say anything?"

Zhang Lei smiled slightly and said, "Little sister, seriously, with our family background, there is no shortage of power and money, but it's not easy to find someone who really loves you. Look at those guys who are circling around you, either for your beauty or for our family background. As a big brother, I don't want to see you become a victim of political alliances in the future!"

Tong Lei sighed lightly and said, "But growing up in such a family, do we still have a choice?"

"Of course I can!" Zhang Lei said forcefully, "It's because of a family like ours that you don't have to worry about money at all if you're with Ji Feng, and of course, if you two do make it work, I'll take care of Dad's place for you!"

Tong Lei shook her head and said, "Forget it, big brother, I don't want to talk about this right now, it's better to wait until I graduate from university."

Zhang Lei asked strangely, "If you don't want to talk about it, why did you let Ji Feng send you back?"

Tong Lei coldly snorted, "It's not because of that Xu Mo, this morning he approached Ji Feng, he must have threatened him, and looking at Xu Mo's face, Ji Feng didn't seem to

buy it. Therefore, Xu Mo will definitely teach him a lesson on the way. I asked him to send me back, and I just didn't want to see anything happen to him!"

"Xu Mo!"

Zhang Lei snorted coldly, "On account of being the son of a deputy governor, he's really arrogant beyond all bounds, and it's time to fix him up!"

"Big brother, don't mess around, dad is most against you causing trouble outside!" Tong Lei was startled and said in a panic.

Zhang Lei said, "Don't worry, as long as he doesn't move Ji Feng, I won't move him, otherwise ..... hum!"

.....

At this time walking back Ji Feng naturally did not know the conversation between Zhang Lei's brother and sister, at this time in front of him, three flowing young men blocked his way!
