

Campus Master 2013

People like him, who valued face more than anything else, and thought highly of themselves, especially couldn't stand the provocation of others.

But just now, Ji Feng and Zhang Lei didn't give him half a bit of face at all, humiliating him in front of everyone, leaving no mercy!

Even when there were no outsiders, Huang Shao would never have put up with such humiliation, let alone now in front of so many people, so how could he not be angry?

You know, these people present today, no one was higher than him in terms of status or position, so usually these people also followed his lead and all looked at his face to speak.

But Ji Feng and Zhang Lei's unforgiving words almost made Huang Shao lose face and made him lose almost all his prestige in front of these people, how could Huang Shao act this anger?

"Huang Shao, do you want me to clean them up?" Li Zihao saw that Young Huang's face was extremely gloomy and his eyes were ice-cold, so he couldn't help but ask.

"No need to be impulsive!"

Huang Shao but waved his hand and said, "You need to use your brain more in everything, just relying on brute force will not solve the problem, moreover, to clean up a person, the best way is not to beat him hard, even if you break his arms and legs, it is not as painful as making him lose what he loves the most!"

Li Zihao was stunned: "Then what does young Huang mean"?

Huang Shao said in a deep voice: "Just let them go, since they're in Jiangzhou, we're not afraid of them flying away! For the rest, play slowly, we have plenty of time and patience!"

"This" Li Zihao said with some indignation, "Wouldn't that be too cheap for them? I really want to beat them up hard right now!"

"No need!"

Huang Shao shook his head, "They are barefoot and not afraid of those who wear shoes, these few are mud-legged people, wouldn't you be degrading yourself by fighting with them?"

With Huang Shao's status, he naturally wouldn't go and fight someone directly, especially when facing two men who were taller and obviously more burly than himself, he naturally wouldn't be foolish enough to do so.

People with real status would never fight someone to their face, and even if they were annoyed by the other party, they would just order the people around them to do it.

But now they didn't have any fighters around them, and with just a few of them, they obviously couldn't beat Ji Feng and Zhang Lei and the others.

Seeing Huang Shao say this, Li Zihao was more or less reluctant, but the child could accept it helplessly.

In fact, he himself knew very well that he and Huang Shao combined were definitely not a match for those two guys, and he knew this just by thinking about how he couldn't break free from the reckless guy's grip on his collar earlier.

But just watching Ji Feng and the others leave like this, Li Zihao was really resigned to it and hated it with a passion!

"Bring me my bag!"

Unlike Li Zihao, who was gnashing his teeth in hatred, Huang Shao directly took out his phone, called up a phone number and dialed it.

A moment later, the phone was connected, and Huang Shao said with a vague expression, "This is Huang Hao"

.....

Meanwhile, Ji Feng and the others had arrived on the street and were discussing what to do next.

When they came, it was Huang Shao who called for a car to pick them up. Although it was not too far from the pedestrian street, the problem was that even when they reached the pedestrian street, they only had one of Ji Feng's cars, but now, including Wang Tong and Kan Miao, there were a total of six people, so naturally one car would not fit.

"Crazy, how about this, you guys go back first, me and Jingyi will take a taxi back!" Zhang Lei said.

"That's not good!"

Wang Tong immediately said, "How about this, or we take a taxi"

However, before Wang Tong could finish his words, he was interrupted by Kan Miao.

I heard Kan Miao say coldly, "You guys still want to go back? It's ridiculous, each and every one of you is delusional!"

Ji Feng and Zhang Lei couldn't help but be slightly stunned, they looked at each other, both wondering what exactly Kan Miao meant by this, could it be that they couldn't even go back?

Wang Tong was embarrassed and shouted lowly, "What are you talking about, how come we can't go back?!"

"Humph! Am I talking nonsense, or are you all idiots who simply don't understand anything?" Kan Miao couldn't help but coldly snort, "What kind of person is young Huang, don't I know better than you guys? A few of you have offended Huang Shao so severely just now, and you have even gone toe-to-toe, do you think Huang Shao will be so generous as to let you all go back in peace?"

When Zhang Lei smiled, he couldn't help but laugh, "What, does he still want to leave us behind?"

Kan Miao hummed, "You think he doesn't have the ability to do that? You can ask around in Southern Guangdong, how many people in Southern Guangdong dare to mess with him, and how many of those who have messed with him have ended up well!"

“What can he do in Southern Guangdong no matter how much he is in charge?” Zhang Lei hummed, “This is Jiangzhou, not Southern Guangdong!”

“Then you think the man surnamed Huang doesn’t have this power in Jiangzhou?” Kan Miao asked back with a cold smile.

“Huh!”

Zhang Lei, however, shook his head and laughed, glancing at Ji Feng, who didn’t say much, and was immediately amused, “Anyway, I haven’t seen any gentry in Jiangzhou who can cover the sky with one hand!”

What a laugh!

Not to mention the presence of Ji Feng here, just with Ji Feng’s cousin Ji Shaolei around, there was no gentry in the whole of Jiangzhou who dared to say that he could cover the sky with one hand, unless he was in over his head or had delusions of grandeur!

At least, Zhang Lei had never seen that before.

Ji Feng also shook his head and smiled, not taking Kan Miao’s words seriously.

It is true that the man surnamed Huang did have some energy in Jiangzhou, a phone call could have a car delivered directly to him, and it was delivered in such a short time, the energy of the man surnamed Huang certainly cannot be underestimated.

The company’s main business is to provide a wide range of services and services to the public, including the provision of services and services to the public.

However, Kan Miao only laughed coldly at his words, “You dare to say that because you don’t know what the surname Huang is really from!”

“Oh?”

Zhang Lei chuckled and asked, “What’s the origin of this Huang surname?”

Ji Feng also looked over, although he already knew approximately the identity of this young Huang, but he still wanted to get confirmation from Kan Miao’s mouth.

Wang Tong said, “You guys don’t believe me, Kan Miao is right, this Huang is indeed extremely powerful, his name is Huang Hao, he is the son of the mayor of Yuezhou, Huang Bing member, ever since the son of Qian Hongda, the secretary of the municipal party committee of Yuezhou, was arrested in, this Huang young man can be said to be the number one son in Yuezhou, it can be said that he can completely cover the sky with one hand, no one dares to mess with him at all.”

Speaking here, Wang Tong’s face can’t help but look a little ugly: “Ji Feng, Zhang Lei, how much energy a mayor has perhaps you all can’t quite understand, it’s no exaggeration to say that if Huang Hao wants to retaliate, he even if he gets a few of us killed, just a little operation, we will die a miserable death, there’s no one to even redress our grievances! ”

“So, it’s better for you guys to go first, we’ll take a taxi behind us, you just need to give me the address.” Wang Tong said anxiously, “Don’t say so much, hurry up and leave, today we are considered to be completely torn with Huang, he will definitely retaliate, if we wait for him to call people over, we won’t be able to leave if we want to!”

People who hadn’t lived in Southern Guangdong, or rather, people who hadn’t heard of Huang Shao’s mighty name, would find it hard to understand his kind of ruthlessness.

Wang Tong, however, had heard of it more than once, so he knew very well that this Huang was definitely not a generous person, and he would definitely take revenge on himself and the others.

Today’s matter was caused because of himself, even if the subsequent conflict was unintentional, but if it wasn’t for himself, Huang Shao and the others wouldn’t have come to Jiangzhou at this time and shopped on what walking street, and Ji Feng wouldn’t have rushed over in a hurry

So no matter what, Wang Tong did not want to drag Ji Feng and Zhang Lei into this.

“Ji Feng, Zhang Lei, you guys hurry up and go, while the surname Huang hasn’t sent anyone over yet!” Wang Tong said anxiously, “Stop arguing, or none of us will be able to get away later”

“On what grounds?”

Kan Miao, however, snorted coldly, her pretty face filled with anger, “Wang Tong, what kind of good guy are you acting here?! Why do I have to walk behind them? Originally, I could have had a good relationship with Young Huang and the others, if it wasn’t for you guys, I might have ended up in this situation today again?”

“Kan Miao!”

Wang Tong glared at her, “Can’t you be generous for once? What time is it that you are still being unreasonable here? Do you have to get us all killed before you’re happy?”

“Wang Tong!”

Kan Miao was furious and screamed, “You bastard!”

Wang Tong said angrily, “How am I an asshole? Am I not right?”

“Right, my ass! Why should I be generous? You say I’m being unreasonable, but I think you’re the one who’s being selfish! Have you ever considered my feelings when you let them go first? Have you considered my situation?”

She stared angrily at Wang Tong and said, “If it weren’t for the few of you being poor and rude here, both Huang Shao and I would already be very good friends! You’re good, you have no money or power and you’re still playing rough here! Since you have the guts to be rude, don’t be afraid! Now you all want to leave, but I’m the last one to go, You guys can pat yourselves on the back and leave, but what about me? My home is still in Yuezhou, my parents and relatives are over there, in the future the surname Huang can’t find you guys, won’t he still want to take revenge on me?”

“How will my family get a foothold in Southern Guangdong in the future? How can we live?” The more Kan Miao spoke, the more agitated she became, and finally she couldn’t help but scream.

“.....”

Wang Tong instantly fell silent.

Because he instantly realized that Kan Miao was right, they could all walk away because they didn't have any ties in Southern Guangdong, and although that Huang was domineering and extremely powerful, he couldn't just do whatever he wanted in the whole country.

But Kan Miao is different, her home is in Nan Yue, that is Huang Hao's territory!

“Well Kan Miao, right?” Ji Feng, who hadn't spoken, suddenly spoke as he said in a deep voice, “We won't go first, and, I can assure you that the surname Huang won't dare”

However, before Ji Feng finished his words, his eyebrows Shun wrinkled up!

Campus Master Chapter 2014

“Well Kan Miao, right?” Ji Feng, who had not spoken, suddenly spoke, he said in a deep voice: “We will not go first, moreover, I can assure you that the surname Huang will not dare to”

However, before Ji Feng finished his words, his eyebrows Shun wrinkled up!

“You guarantee? How do you guarantee with me?” For Ji Feng's sworn guarantee, it sounded so ridiculous to Kan Miao that she disdained it.

Kan Miao didn't trust Ji Feng from the bottom of her heart!

In fact, from the bottom of her heart, Kan Miao was somewhat repulsed by Ji Feng and Zhang Lei. In her opinion, although both Ji Feng and Zhang Lei looked okay, they were just ordinary people, not to mention Huang Shao and Li Zihao, and even if she wanted to deal with Ji Feng and Zhang Lei, there were countless ways to torture them to death.

What's more, the person they had offended now was still Huang Hao?

So when she heard these words from Ji Feng, Kan Miao couldn't help but sneer, she felt that Ji Feng's words were really ridiculous.

..... In fact, Ji Feng and Zhang Lei were certainly not just the kind of 'okay looking' people that Kan Miao thought they were, even a very slow reactor would be able to tell that both of them had an aura about them, especially Ji Feng, although he was dressed in what looked like ordinary clothes and didn't There was nothing outstanding about him, but his face was hard and rigid, his aura was extraordinary, and he was not an ordinary person at first glance.

The only reason why Kan Miao thought so was because she had rejected the two of them from the bottom of her heart and was unwilling to get close to them, let alone have dealings with them.

The reason was that, in Kan Miao's opinion, Ji Feng and Zhang Lei were just two ordinary people, just two poor students, and it was hard to say whether they would be able to find a job after graduation, so how could they talk about any personal charisma?

“Listen carefully, Wang Tong treats you as friends, but he doesn't represent me!” Kan Miao sank her pretty face and said in a cold voice, “Now I ask you all to find a way to solve this matter immediately!”

“Kan Miao!”

Wang Tong shouted lowly, “Don’t go too far! How can you blame Ji Feng and Zhang Lei for this matter, it was clearly that Li Zihao who was too overbearing, it was him who had an unclean mouth and cursed when he bumped into someone, the responsibility for this matter was originally on him, why should we let Ji Feng and the others settle it?”

“On what grounds?”

Kan Miao suddenly glared at him coldly and said angrily, “Wang Tong, you still have the face to ask me on what grounds now?”

Wang Tong’s face was a little embarrassed by the remark, and he turned red as he said in a deep voice, “Why do I have no face to ask you? Are you still being reasonable? You are simply being unreasonable!”

“I’m being unreasonable? Heh~!”

Kan Miao coldly scoffed, and then fiercely pointed at Wang Tong and angrily said, “Wang Tong, since you said such words, then fine, I will be unreasonable with you once today, I will show you how unreasonable I am!”

Before the words left her mouth, she took a step forward, grabbed Wang Tong’s collar and tore it with all her might.

Wang Tong was suddenly in a great hurry, he hurriedly grabbed Kan Miao’s hand and said angrily, “Are you crazy? What are you doing?”

But Kan Miao’s eyes were red and her chest was heaving violently, “I’m not doing anything, I’m just taking back what belongs to me! Wang Tong, you don’t have any conscience at all, you keep accusing me, have you ever thought about yourself? Since the two of us fell in love, whether it’s what you eat or wear or what you use, is there anything that my family didn’t give you?”

“People say that you are high on the ladder, that you are a soft eater, but I know that you are motivated, it is only because you found a rich girlfriend and your family happened to be in trouble that you spent my money, so I never looked down on you, instead I always thought that I could help you get ahead, I was trying to help you in every way possible!”

“My family is against the two of us, but I’ve been trying to help you by putting in a good word for you in front of them, isn’t inviting Huang Shao this time also to help you?”

Kan Miao said angrily, “But what did you do? Not only did you not listen to my advice, you had to get involved with these people, and even offended Huang Shao before they did, you think you are very righteous and heroic? But you mustn’t forget that my family is still in Southern Guangdong, and if Huang wants to take revenge, my family will be the first one he takes revenge on!”

“Is it that you have to watch my family being completely down and out in retaliation, and even have my family broken before you are willing to do so?” As Kan Miao spoke, her eyes were already completely red and tears were swirling in her eyes, “You still say I’m unreasonable is how you treat me?”

Wang Tong’s face was incomparably ugly, but he couldn’t say a word.

Because what Kan Miao said was the truth!

“I don’t let you stir up with them for what is it that you still don’t understand?”

Kan Miao’s voice was choked up, “The kind of people you are with will determine the kind of life you will lead. It’s not because you don’t have the ability, it’s because you don’t have the opportunity!”

“I’ve told you a million times, if you want to live a good life and don’t want to repeat the painful days before where you almost wanted to go and bang your head against the wall, you have to put up with something, you have to cut something off, if you keep getting involved with them, what kind of success can you have?” Kan Miao stared at Wang Tong and pointed her finger at Ji Feng and Zhang Lei, questioning them without mercy.

“You

Seeing Kan Miao repeatedly belittle Ji Feng like this, Bai Zhu immediately knitted her eyebrows, she stepped forward and was about to speak, but was stopped by Ji Feng.

Ji Feng faintly shook his head, signaling Bai Zhu not to be impulsive.

The reason is that Ji Feng was able to hear from Kan Miao’s words that they were sincere, and, in some ways, Kan Miao’s words were not wrong.

If he and Zhang Lei were really just ordinary students, or even worse, just two mudbloods, then I’m afraid that if Wang Tong hung out with them all day long, he wouldn’t really have much success.

Unless, of course, Wang Tong is a particularly capable and intelligent person, then Wang Tong might be able to bring him and Zhang Lei up and make a fortune together.

But the problem was that Wang Tong himself seemed to be in a difficult position to protect himself, so how could he possibly bring others up?

So there would be some truth to Kan Miao’s words.

In fact, I don’t know how many people in society are like this nowadays. Some of them have just managed to make it, but it turns out that many of their friends around them are short of money and need help, and it’s okay to help one or two, but how can they all need help

The actual fact is that you can find a lot of people who are not able to afford to pay for their own personalized services.

As the saying goes, if people don’t do it for themselves, they will be killed, this is the normal thinking.

And from what Kan Miao said, although this girl is snobbish and extremely realistic, it has to be said that there is a reason for her realism, and in fact, if you put all this aside, Kan Miao is not a bad woman!

So in the face of Kan Miao’s disparaging remarks, instead of getting angry, Ji Feng’s perception of her was much better.

At least, as Wang Tong’s girlfriend, Kan Miao was indeed thinking of Wang Tong in every way, and was doing her best to think and work for him.

I am afraid that there are not many girls who can do that nowadays, and if someone can do that, they might be able to be called a virtuous helper.

Of course, there are times when it is not enough to think about one's man, but also to have a bright vision.

The man's eyes are gloomy and his face is greedy, so he is obviously the kind of person who has an insatiable appetite.

When dealing with such a person, eleven out of ten people will suffer losses.

The first thing you need to do is to get a good idea of what you want to do.

The reason is that in front of the man named Huang, Kan Miao and Wang Tong are two sheep without any resistance, while the man named Huang is a wolf.

Imagine, how could he give them both the benefit of the doubt?

Not only would Kan Miao and Wang Tong get nothing, but they would have to pay a huge price!

If not, why would the man named Huang have nothing better to do than to come to the pedestrian street in Jiangzhou to follow them? Was the pedestrian street in Jiangzhou really that good that the son of the mayor of Yuezhou would come all the way here?

Only, for some reason, these words were not spoken by Ji Feng.

"Don't say it", Wang Tong said through clenched teeth, he didn't hate Kan Miao, but his face was on fire from Kan Miao's words, his heart was guilty and helpless, he really didn't know what to do anymore.

"Why didn't I say anything, didn't you say I was being unreasonable? Then of course I have to make a scene to the end!"

Kan Miao said with red eyes, "Wang Tong, speak for yourself in your conscience, how have I treated you! But how have you treated me? Even if you don't like Huang, and even if you're more affectionate, when there was a conflict between them and Huang, couldn't you have made a middle ground? Why do you have to fight to the bitter end? You're not being righteous, you're bringing disaster to our family!"

Wang Tong said helplessly, "Miao Miao, stop it, it's my fault"

Kan Miao sneered, "You were wrong? How can you be wrong? It's just me being unreasonable"
