

## Campus Master Chapter 21-22

### Chapter 21

Ji Feng's embarrassed look with his sweaty head and red face made the smile on the corner of Xiao Yuxuan's mouth grow thicker and thicker, her beautiful eyes twinkled as her red lips flicked open, "You know how to push and hold?"

"Yes, yes!" Ji Feng replied in a panic, while quietly wiping a handful of sweat from his forehead. Go to see the net -7-K-o-m.

"Giggle ....." Seeing his nervous look, Xiao Yuxuan could not help but laugh again as she nodded slightly and said, "In that case, then you can help me take a look!"

"That ....." I'll help you to sit on the sofa first, it's easier that way!" Ji Feng stammered a little and said.

Xiao Yuxuan nodded cooperatively and allowed Ji Feng to hold her arm and sit on the sofa.

Ji Feng turned back and scanned the surroundings, moved a stool and placed it in front of Xiao Yuxuan, saying, "Student Xiao, you can put your feet on the stool!"

Xiao Yuxuan smiled sweetly, elegantly lifted her legs, took off her sandals and put her feet on the stool.

Ji Feng was frozen, he didn't know where to start!

Xiao Yuxuan's feet can undoubtedly be called 'beautiful feet', the tender white feet are like a piece of beautiful jade, warm, slippery, so that people can't help but want to pick them up and play with them, and then treasure them, not daring to show them to outsiders, afraid that others will snatch them away.

The five toes, like five white onions, are so white that one cannot help but be fascinated and not want to look away.

The bright red toenails painted with nail polish added a touch of sultry feeling to this beautiful jade-like foot, which made Ji Feng's heart flutter!

He couldn't help but curse himself for being shameless, he obviously already liked Tong Lei in his heart, but he was still attracted to this new classmate whom he hadn't met for more than half an hour.

Shaking his head, Ji Feng put his shameless thoughts aside and then carefully examined Xiao Yuxuan's beautiful feet, but didn't know what to do. .com

Xiao Yuxuan's feet were just too beautiful, and holding them in his hands and pushing them was simply a kind of blasphemy, and it would make Ji Feng want to get into trouble.

"What's wrong? Is there something wrong?" Xiao Yuxuan couldn't help but ask when she saw Ji Feng's odd expression.

Ji Feng shook his head in a panic and said, "No! Nothing! I'm just recalling the essentials of pushing and holding, huh ....."

After giggling, Ji Feng took a deep breath, forcibly suppressed the stirring in his heart and lifted Xiao Yuxuan's beautiful foot up, and he could clearly feel that his indisputable hand was trembling slightly.

"Phew!"

Ji Feng took a few deep breaths before he managed to calm down, and when he looked down again, he immediately found that at the location of Xiao Yuxuan's ankle, it had bulged high and was already somewhat bruised.

This bruise instantly destroyed the entire naturalness and beauty of the beautiful foot!

"Intelligent Brain, help me mobilize the bio-current, I'm going to give Xiao students a push-up!" Ji Feng concentrated his spirit on communicating with the intelligent brain, while at the same time, his hand began to gently stroke on Xiao Yuxuan's beautiful foot.

The slippery and wonderful sensation that entered his hand caused one of Ji Feng's hearts to beat rapidly, as if it was about to jump out of his chest, and his eyes, subconsciously, glanced over certain parts of Xiao Yuxuan's body.

"Master, the bio-current has already started to conduct out through your hand, you only have to place your hand on the part that needs to be pushed!" The voice of the intelligent brain came before Ji Feng snapped back to his senses.

He tried hard to calm down and gently massaged Xiao Yuxuan's beautiful feet.

In fact, at this moment, Xiao Yuxuan's heart was also extremely unsettled, and could even be described as shy.

Putting her feet in a man's hands like this, unscrupulously, and allowing them to be stroked, this was simply impossible in the past, and Xiao Yuxuan would never do something so crazy!

However, perhaps because she saw Ji Feng's awkward and honest look, Xiao Yuxuan got a childish feeling for a while and wanted to tease this little brother-like big boy, but now the situation seemed to be a bit ambiguous.

“Don’t think too much, he’s just a high school student, and about to be your student. Besides, he was the one who bruised you, so it’s perfectly normal to let him massage your injured area, there’s nothing to be ashamed of!” Xiao Yuxuan cheered herself up in her heart, but the blush on her face was getting thicker and thicker, and the shyness in her beautiful eyes was extremely strong.

“Phew~~~!”

Xiao Yuxuan secretly took a deep breath, and had just calmed down somewhat when an extremely soothing and tingling sensation suddenly came from her feet, a sensation as if all the pores on her feet had opened up and were breathing to their heart’s content. Her body, instantly went limp, and if she hadn’t been sitting on the sofa, she definitely would have been unable to stand up, that soothing feeling, irresistible!

Subconsciously, Xiao Yuxuan’s small mouth softly exhaled a moan, “Oooh~~~!”

Swish!

Just after making this sound, Xiao Yuxuan’s pretty face swished red to her ears, she was almost ashamed to death, how could she make such a sound!

Damn it!

Xiao Yuxuan lowered her head in a panic, letting her long hair cover her face, otherwise, she would really have to find a crack in the ground.

However, the feeling of great comfort lingered in her heart and could not be lingered!

Ji Feng was equally embarrassed, a lone man and a widow were in the same room together, and his hands were constantly stroking Xiao Yuxuan’s beautiful feet, the wonderful feeling of skin contact made his heart flutter.

And Xiao Yuxuan’s seductive moan almost made him jump up and take Xiao Yuxuan in his arms, loving her with abandon!

It was like a woman who wreaked havoc on the country and the people!

Ji Feng secretly said in his heart, then he barely calmed down and pretended not to hear it, continuing the massage movements on his hands.

The bio-current was once again conducted, and Xiao Yuxuan once again felt the sensation of her body going soft to the extreme, and she felt like biting her lips for fear of making that humiliating moan again.

However, as Ji Feng’s hand increased in strength, the bio-current was also increasing, and it was getting harder and harder for Xiao Yuxuan to hold back, and she shyly found

that certain parts of her body were reacting, and even there, a warm current was stirring back and forth.

“No more!”

Xiao Yuxuan couldn't hold back any longer, fiercely curling her legs, her face flushed, her beautiful eyes filled with shyness, and vaguely, there was that hint of \*\*!

At this moment, however, Ji Feng's eyes instantly opened wide, his face equally flushed and his breathing sharply!

Xiao Yuxuan was wearing a dress and was sitting across from Ji Feng. Because she suddenly curled her legs, her snow-white thighs and the spring light under that dress were all exposed to Ji Feng's sight.

The long, slender, healthy, knife-like legs, snow-white and delicate, and those pink panties, moreover, made Ji Feng's body hot.

Ji Feng suddenly felt something dripping from his nose, and when he reached out to touch it, it was a nosebleed!

The incredibly fragrant and seductive scene in front of him caused the bloodthirsty Ji Feng to finally get a nosebleed.

“Ji Feng, what's wrong with you .....” Xiao Yuxuan took a few sharp breaths before she slowed down and saw that Ji Feng was having a nosebleed, she couldn't help but ask.

Immediately, Xiao Yuxuan noticed that Ji Feng's gaze was staring straight at her, and she followed Ji Feng's gaze and looked down.

Swish!

Xiao Yuxuan's incomparably beautiful pretty face was instantly bloodshot, and at the same time, she screamed out, “Ah-!”

## Chapter 22

After screaming, Xiao Yuxuan immediately reacted, pulling her skirt to cover her snow-white thighs, her pretty face almost dripping blood!

Ji Feng awkwardly lowered his head, a hand did not know where to put it, the whole person fidgeted. Go to see the net .

Being discovered by Xiao Yuxuan that he was peeking at her, Ji Feng was apprehensive, not knowing what she would do to herself.

Only after a long time had passed did Ji Feng stammered, "Classmate Xiao, yes, I'm sorry ..... I, I didn't mean to look ....."

"You still say that!" Xiao Yuxuan glared at him with a red face, subconsciously pulling her skirt, shy.

Ji Feng immediately did not dare to speak, having made such a mistake, he did not know what to say, and his heart was even more ashamed.

Xiao Yuxuan's chest rose and fell violently, this year at the age of twenty-two, although there were countless boys chasing her in the university, but none of them she could look at.

Although Xiao Yuxuan has now talked about a boyfriend, the two have never behaved in any intimate manner, at most holding hands.

The boyfriend has asked for intimacy several times, but has been turned down by the traditional Xiao Yuxuan.

But now, a strange man had seen the most secret and humiliating part of a girl's body, no, the man in front of her was not a man, but only an older boy.

But for some reason, Xiao Yuxuan could not afford to blame Ji Feng, her heart was beating violently, and she could not help but flash in her mind the scene of Ji Feng touching her feet, the feeling that made her body flaccid, and she could not erase it in her mind!

Seeing Ji Feng's nervous and apprehensive look, somehow Xiao Yuxuan had a feeling of being unable to help herself, and the original hint of shyness and embarrassment had surprisingly disappeared with it. .com

"That ..... Xiao classmate, I, I'll go first!" Ji Feng picked up the book bag that was placed on the table and was about to run outside.

"Stop!"

Xiao Yuxuan shouted delicately, and Ji Feng's body gave a lurch and stood stiffly in place.

"Classmate Xiao, do you, do you have anything else?" Ji Feng asked awkwardly, not even daring to look at Xiao Yuxuan's eyes.

Xiao Yuxuan pretended to be angry and chirped, "Ji Feng, first you bumped into me and injured me, then you ..... did you just want to walk away like that?!"

Ji Feng was embarrassed and extremely guilty in his heart, so he couldn't help but ask, "Then, then what do you think we should do?"

Xiao Yuxuan hummed and said, "What do you think should be done?"

"I don't know, what do you say to do, I'll just do it!" Ji Feng said honestly.

"Pfft!" Seeing Ji Feng's honest and bewildered look, Xiao Yuxuan could no longer hold back and snorted out a laugh, then she tensed her face and hummed, "Ji Feng, what technique did you use to give me a massage just now, it seems to work very well!"

Saying that, she moved her beautiful feet a few times, appearing much more flexible than just now.

Xiao Yuxuan was amazed in her heart, she had encountered this kind of injury before, but even in the midst of a regular hospital, being given a massage by those so-called experts, there was definitely no such effect!

Ji Feng awkwardly laughed and scratched his head, but he couldn't tell the truth, so he could only play dumb and laughed, "I don't know, anyway, I just followed the method described in the book, and I've learned from others a few times in the past to do massage, but I didn't expect the effect to be so good!"

Xiao Yuxuan's beautiful eyes flowed as she glanced at him and asked with some disbelief, "Is that really the case?"

She wouldn't believe that just by following the book and learning from others for a few days, she could have such a technique and effect.

Ji Feng nodded his head in a panic and said, "Yes, it's really like that, I'm not lying to you!"

"Have you lied to me, just try it again and you'll know!" The corner of Xiao Yuxuan's mouth pulled up a smile, her slender beautiful legs stretched out and placed her feet on the stool, "The effect of your massage just now was good, if you massage a little longer it should be fine, by then, maybe when I'm happy, I'll forgive you!"

"Of course it's no problem!"

Ji Feng was stunned, and then asked, "Just, you, you still dare to let me massage?"

Xiao Yuxuan's pretty face flushed and said, "If your eyes dare to look around again, see how I'll clean you up!"

"No way! No way!" Ji Feng said in a panic, "I promise to keep my eyes under control, I definitely won't look around!"

Xiao Yuxuan's pretty face was slightly red, and she seemed to have thought of that humiliating scene just now.

Ji Feng apprehensively sat down again, and with both hands slightly trembling, he cupped Xiao Yuxuan's beautiful foot, and once again carefully mobilized the bio-current to massage Xiao Yuxuan's injured area.

"Wow~~~!"

That tingling sensation came from all over her body, and Xiao Yuxuan felt biting her tempting red lips, afraid that she would scream out again. Only, Ji Feng's hands were like electrically charged, and wherever he touched, there was a feeling that made Xiao Yuxuan tremble and just want to shout out loud in comfort!

And yet, Ji Feng didn't dare to look at Xiao Yuxuan anymore, he just watched aimlessly.

It was only at this time that Ji Feng could really look at Xiao Yuxuan's room arrangement clearly.

What Xiao Yuxuan lived in was a one-room suite, and now Ji Feng and Xiao Yuxuan were both within the living room, where a soft sofa was being sat on by Xiao Yuxuan, and the pink sofa cover made the whole living room look warm. A coffee table, as well as a few chairs, looked very simple and straightforward, but very cozy.

The door to the bedroom was closed, so it was impossible to see inside, but from the arrangement of the living room, the bedroom was obviously more homely.

Through this it could be seen that Xiao Yuxuan was a girl who was very simple and liked to be cozy.

Ji Feng secretly sighed in his heart, a girl is different, she has just transferred to the second secondary school, she hasn't even had the time to report to school yet, and she has decorated her room in such a cozy way, if she marries someone in the future, she will definitely be a virtuous wife and mother with a good family!

"You are a student of Class 6, what do you think of your class?" Xiao Yuxuan suddenly opened her mouth and asked.

Ji Feng was stunned and then said, "Our class is actually no different from the others, when it comes to senior year, everyone is under a lot of pressure and studying very hard. It's just that this makes it seem a bit dead. But don't worry, you won't be bullied when you come to Class 6. You're so pretty, you'll be very popular!"

"Am I pretty?" Xiao Yuxuan asked, but the smile in her eyes was something that she couldn't conceal.

Even the prettiest girls like to hear compliments from others!

“Definitely pretty!” Ji Feng nodded vigorously, “You’re one of the prettiest girls I’ve ever seen!”

“Oh?” Xiao Yuxuan couldn’t help but feel a little strange and asked, “Why one of them? In your eyes, who else is prettier?”
