“Damn old man, are you crazy?!”

As soon as Ji Feng and Tong Lei went out, Xiao’s mother instantly became angry, she glared at Xiao Changhe in anger and said, “Have you taken the wrong medicine or are you sick again? Everyone else is afraid that their daughter will suffer, but you are so good that you actually push your daughter out with both hands, how come you are confused when you are old?”

Xiao Yuxuan couldn’t help but say, “Mom~”

Xiao mother glared at her and hummed, “I’ll settle the score with you later!”

“Hehe

Xiao Changhe, however, shook his head and laughed.

Xiao mother was furious, “You still have the nerve to laugh? Do you know what you are doing? Huh?”

“Old companion, I think it’s not that I don’t know what I’m doing, but that you haven’t thought about it yet!” Xiao Changhe shook his head with a smile and said, “My daughter is almost thirty years old, she is no longer a child, she is also in charge of a large group with billions of assets, what do you think there is that she cannot understand?”

Xiao’s mother said without good humor, “Humph! If she understands what she understands, why does she still want to be someone’s lover? That Ji Feng is not a good thing either, I used to think that he was different from other fops, I didn’t think that the crows under the sky are generally black, these rich family sons are all the same goods, they are all not good things!”

Xiao Yuxuan pursed her lips and didn’t say anything, but Xiao Changhe smiled, he first said to Xiao Yuxuan, “Xuan Xuan, you go upstairs first to pack up your things, don’t let them wait anxiously, I’ll talk to your mother.”

“Mm.”

Xiao Yuxuan nodded and added, “Dad, mum, you must not get angry or argue

“Don’t worry, it’s fine.” Xiao Changhe comforted his daughter with a smile, “Go pack your things, they are still waiting for you.”

“..... hmm.” Xiao Yuxuan pursed her lips.

As soon as Xiao Yuxuan went upstairs, Xiao’s mother couldn’t help but frown: “Damn old man, what’s wrong with you? Have you gone crazy? You

“I’m neither sick nor crazy, I’m wide awake!” Xiao Changhe said smilingly.

“Then what did you just huff and puff for you!” Xiao’s mother said in exasperation.

“Old companion, think about this matter, why do you think, Ji Feng wants to tell us?” Xiao Changhe asked.

“Hmm?”

Xiao's mother faintly stared, seemingly not coming back to her senses.

Xiao Changhe said, "According to reason, things like this are usually not told to outsiders, especially to family members, and they would even try to hide it for fear that their family members would know about it, isn't that what Xuan Xuan did in the past? She's been hiding it from us and hasn't told us, has she?"

"This girl, her wings have hardened since she grew up!" Mother Xiao said in an exasperated voice.

"Hehe!"

Xiao Changhe shook his head with a smile, he naturally didn't see things as one-sided as Madam did, "Then why are Ji Feng and his daughter suddenly telling us again now?"

Mother Xiao was stunned again, this was something she hadn't thought about, why did Ji Feng and the others suddenly confess?

"Why?" Xiao mother asked, "You know ah?!"

"I don't know."

Xiao Changhe shook his head and said, "But at least I understand one thing, the reason they want to confess this matter to us is that at the very least they want our approval and are not willing to hide it from us anymore! Think about it, if say they had never said anything to us, and every time you urged Yatou to get married, she would just use a random excuse to put it off, wouldn't you have no choice?"

"I"

Mother Xiao opened her mouth and grunted again without good grace, but the truth was that she really had no good solution, if Ji Feng and the others had been trying to hide it, she really didn't know.

"So ah, for the time being, regardless of whether the two of them are good or not, but at least, this frank attitude of theirs, as far as this matter is concerned, still deserves recognition, don't you think?" Xiao Changhe asked.

"So what if they have a good attitude? Does it mean that just because Ji Feng has a good attitude, he can make my daughter give him a lover?!" Xiao's mother said in an unpleasant manner, "So what if he's a big shot? So what if we can't afford it?"

Xiao Changhe shook his head with a smile, lit a cigarette and slowly took two puffs before asking, "Then I ask you, is your daughter stupid?"

"What are you talking about!"

Xiao mother smiled and glared, "Your daughter wouldn't be stupid if you were stupid!"

Xiao Changhe instantly laughed and asked, "Then why does the daughter still follow Ji Feng?"

"That's because she's stupid!" Xiao's mother blurted out.

"Look at that!" Xiao Changhe stretched his hands and looked at Xiao mother with a smile, "Isn't that inconsistent?"

Xiao mother also choked, she had just said that her daughter was not stupid, but in the blink of an eye, she said that her daughter was stupid Xiao Changhe's words really put her on the spot.

"Who knows which of that girl's tendencies is wrong!" Xiao mother said in anger.

"But in my opinion, it's not that my daughter is stupid, but that she really likes Ji Feng, and Ji Feng can give her happiness, and it's because she sees this clearly that she will follow Ji Feng without any hesitation." Xiao Changhe said.

"Nonsense!"

Xiao's mother grunted, "That boy has more than one woman, so how can he give Xuan Xuan happiness?"

"To talk about money, although our family doesn't have much, but it's not hard to let Xuan Xuan live her life without worries, right?" Xiao Changhe said, "To talk about friends, you also know how many young handsome people are pursuing our daughter, she can just choose one, can't she live a lifetime? And she doesn't even have to live in poverty!"

"That's right, it's such a good thing, who knows why she has to follow Ji Feng!" Xiao's mother gasped.

"That's right!"

Xiao Changhe said, "Daughter is not stupid, why does she have to choose Ji Feng, the playboy, instead of a good one?"

"She"

Xiao's mother opened her mouth, but she didn't know how to answer. This was a clear-cut question, but her daughter did not choose, so how could she know what this girl was thinking!

Xiao Changhe said, "This goes back to the question I just said, my daughter knows who can really give her happiness, that's why she chose Ji Feng!"

"But"

"Alright."

Xiao Changhe smiled and comforted his old companion, "Children and grandchildren have their own blessings, this is the daughter's own choice, why do you need to be so grouchy about it? Even if we take a step back, if our daughter is just hot-headed and impulsive now, isn't she still young? There are plenty of opportunities for regret in the future. At least, our family fortune will allow her to live a carefree life, so why are you so worried now?"

Xiao's mother was speechless for a moment and could only say in an exasperated voice, "You're the only one who can talk, you're full of sophistry!"

She knew that it was wrong for her daughter to do this now, a woman should find a man to marry, have children and raise them, this is what a woman should do, but when Xiao Changhe said this, she really didn't know what to say, she could only turn her spear on Xiao Changhe.

“Whether this is my crooked reasoning or not, you will know later.” Xiao Changhe said with a smile, “In fact, ah, I have long known that Ji Feng has other women, but

“What?!”

Xiao mother’s eyes widened when she heard that, “Xiao Changhe, what are you saying? You already knew?”

Xiao Changhe nodded and said, “That’s right, I did know long ago. Without committing the disease together, I was doing business outside, and I was still well-informed, so I was more or less able to know some

“Then you did not say earlier!”

Xiao mother sniffed and was instantly furious, “Xiao Changhe I think you are really sick, and also very sick

“Don’t be in a hurry, listen to me slowly finish!” Xiao Changhe shook his head helplessly and said, “The reason why I didn’t say anything at that time was because I wanted to observe and observe how Ji Feng was really like, how he was really like to Xuan Xuan! If he’s not good to our daughter, we’ll do our daughter’s job at this time, and it’ll be easier to keep them apart at that time.”

Xiao’s mother asked, “Then why didn’t you say anything afterwards?”

“That’s because, I found out that Ji Feng was very good to my daughter!” Xiao Changhe said, “There are a lot of things in between that you don’t know, I have secretly inquired about it and also side-tracked my daughter, in the past when my daughter and Ji Feng first met, Ji Feng didn’t know his identity yet, and at that time the two of them had feelings! Would you say that this is the daughter’s love for vanity?”

“Say it quickly!” Mother Xiao glared at him.

“Since Ji Feng is good to his daughter and her daughter is not aggrieved, I didn’t say anything, as the saying goes, children and grandchildren have their own blessings, let them settle their own affairs!” Xiao Changhe said.

Xiao’s mother was furious, “You are so open-minded! Aren’t you afraid that your daughter is being hoodwinked?!”

“Several of their young people are living together, do you think the daughter will be deluded?” Xiao Changhe asked.

“.....”

Xiao mother then had a bit of a headache, “What do you think these young people are thinking, they live together

This is really a little hard for Xiao mother to accept, several of them actually live together?

“So ah, since you can’t see through it and can’t think, it’s even harder to get confused.” Xiao Changhe said, “Old companion, our daughter is so old, what can she not understand? As long as she likes it, why should we, as parents, follow suit and tear her down?”

“I’m afraid that my daughter will be so hot-headed that she will regret it and no one will want her, and her life will be ruined!” Xiao’s mother’s eyes turned red as she spoke, “From the time Xuan Xuan was born, I thought that when she married in the future, I would be satisfied if I could see her start a family, but now she may not even have the chance to get married!”

There is no mother who does not love her daughter, and Xiao’s mother is no exception. This was the reason why she became so angry once she heard that Xiao Yuxuan was actually Ji Feng’s lover.

Compared to Xiao Changhe, Xiao’s mother was more meticulous in her considerations, she was worried that her daughter was hot-headed now, and even if she came to her senses later, she might already be in her thirties or forties, and by then if she wanted to get married again, what kind of person could she find? By then, her whole life could be ruined!

Instead of regretting it at that time, it would be better to break it off now!

Xiao Changhe laughed, “That’s easy, call Ji Feng in, tell him that if he wants to be with Xuan Xuan, he has to marry her, otherwise, he will not agree, won’t that do it?”

Campus Master Chapter 2682

“That’s easy for you to say!”

Xiao’s mother gave him a blank look and hummed, “If the two of them could get married, why would they need to be like this now?!”

Wasn’t the reason why her daughter had become Ji Feng’s lover precisely because Ji Feng wouldn’t marry her?

If the two got married, then the daughter would be Ji Feng’s real wife and the other women would be the lovers And regardless of what lovers or not, at least the premise was that the two of them would not get married, otherwise, where would there be so many entanglements?

The actual fact is that you can find a lot of people who are not able to get a good deal on this. That’s the only way to get things done!”

“What do you mean?” Mother Xiao was stunned.

“Although my daughter is not young now, she is not yet an old girl, so I intend to give Ji Feng a year to allow them to think about each other calmly, to think about whether this relationship can still be maintained, or rather, how to maintain it!”

Xiao Changhe said, “In addition, within this year, if Ji Feng can marry Xuan Xuan, then agree to let them continue to live together, if not, it’s not too late to talk about it at that time. Moreover, with this one-year period, my daughter will also have a psychological preparation, and if you oppose it then, my daughter won’t react too strongly”

Once Xiao’s mother heard this, she immediately understood what Xiao Changhe meant.

Giving them a year to press this matter in their hearts is actually to cool down this feverish mind of theirs, by then if Ji Feng can do it, then let them be together, but if Ji Feng can’t do it, then sorry, our daughter is not for lovers, and the two of them will have to be separated!

And by that time, Xiao Yuxuan is not too old, even if it's not too late to look again.

"Is this feasible?" Xiao's mother could not help but be a little moved by the words.

Her own daughter herself knew best, what kind of temper Xiao Yuxuan had, she, as a mother, naturally knew best, if she were to strictly oppose her and Ji Feng's affair now, then she would definitely react violently.

Perhaps, this was also a solution.

Xiao Changhe said: "Now that things have come to this point, what else can you do? A year is a long time, too many things can happen, and perhaps, by then, my daughter will have figured it out herself."

Xiao's mother hesitated for a moment before she said, "That's the only way to go."

"Then you are agreeing with me on this solution?" Xiao Changhe asked with a smile.

"What else can I do if I don't agree!" Xiao mother said helplessly, this daughter of hers ah, really makes her a bit headache, this girl has always saved their hearts since she was young, how come now she has grown up instead of saving their hearts, really

"Then good, since you agree, then I will go and talk to them now."

Xiao Changhe immediately said, "Well this way, you should not go over there, your body is also not good, don't get angry anymore, you go up and call Xuan Xuan down, I will go out and talk to them directly."

"Then you can say it clearly, don't come out with your set of whatever hard to get sophomoric reasoning again, got it?" Mother Xiao admonished.

"Don't worry, I know what to say in my heart." Xiao Changhe said.

As she watched Xiao Changhe walk out of the living room, Xiao's mother couldn't help but shake her head and sigh, "This girl, she's so unbelievable, why is she so spooked!"

At this moment, Xiao Changhe, however, slowly stepped outside to the courtyard, Ji Feng, who was waiting by the car, took a look at Xiao Changhe coming out and immediately greeted him, "Uncle"

"Humph!"

Xiao Changhe's face however sank and he coldly snorted, "Ji Feng, do you think that this old man of mine is old and confused that you dare to bully my daughter like this?!"

Ji Feng smiled bitterly at his words, "Uncle father, everything I said in the living room just now was the truth, I am sincere to Yu Xuan, although I can't prove it, but I want to express it with practical actions! Please don't worry!"

"But how can I be at ease?!" Xiao Changhe said without good grace, "You say you young people ah, really Ji Feng, I don't care what your origin is, or anything else, but there is one thing, if you dare to fail Xuanxuan, I will definitely not let you go even if I have to fight for this old bones, remember? "

“Uncle father, don’t worry, I remember!” Ji Feng immediately nodded, as a father, the love for his daughter could not be too much, moreover, Ji Feng could also understand the feeling that parents would do anything for their children, so he did not blame Xiao Changhe at all for speaking so rudely.

However, just as Ji Feng finished his words, he suddenly just froze, and then he looked at Xiao Changhe and said in astonishment, “Uncle, you

“Be nice to my daughter in the future!” Xiao Changhe said.

“..... hey!”

Ji Feng immediately nodded his head, a smile on his face.

Xiao Changhe, surprisingly, had agreed!

What he meant in those words just now was that he agreed to what he was doing with Xiao Yuxuan, that’s why he warned him so sternly, if Xiao Changhe himself was against it, he wouldn’t have made the mistake of going through all that trouble again!

This made Ji Feng couldn’t help but be overjoyed, he also didn’t expect Xiao Changhe to pass this hurdle so well!

“Uncle, don’t worry, I won’t say any extra words, I promise, I will definitely treat Yu Xuan wholeheartedly, no matter before or now, or in the future, it will be the same, there will never be the slightest change!” Ji Feng immediately made a serious promise. He was not a person who liked to make promises easily, but now, he made a promise seriously.

Xiao Changhe patted his shoulder and said, “I believe that you are an upright person and I have always looked up to you, I hope you will do what you say.”

Ji Feng did not say anything, just nodded seriously, at this time no matter how much talk is useless, it is only verbal, he does not play false, the actual action can do, is the most important.

“Dad, you

At this time, Xiao Yuxuan also came out from inside, “My mother said that you have something to say to us?”

Xiao Changhe said, “I have discussed with your mother and I intend to give you a year’s time limit to get married you don’t rush to speak first, listen to me finish my words.”

Xiao Yuxuan, who just wanted to speak, had to stop again resentfully.

Ji Feng was also a bit surprised, just now Xiao Changhe did not say so, could it be that just now he agreed with a precondition?

At this time, I only heard Xiao Changhe say, “These words are only used to stabilize your mother, you know clearly what kind of nature she has, besides, your mother’s health is not good, so we can’t let her be too anxious.”

Ji Feng and Xiao Yuxuan then couldn’t help but glance at each other, both a little surprised, Xiao Changhe this words

“Xuanxuan, you have grown up, you can make up your own mind about your affairs, mum and dad can only give you reference advice, but the one who really makes the decision is still yourself.”

Xiao Changhe said, “No matter what decision you make, dad will support you, but you have to remember, the path you choose, you have to walk it with your heart, remember?”

Xiao Yuxuan opened her mouth, but she did not know what to say.

Xiao Changhe said, “Dad is already old, can’t accompany you for a long time, maybe one day this said to leave, so ah, your own happiness, you have to rely on yourself to fight for, Dad can only give you, can only not drag you down, give you moral support.”

“Dad~~”

Xiao Yuxuan’s heart trembled, her nose turned sour, and her eyes turned red.

Xiao Changhe smiled, stroked his daughter’s hair and said, “Silly child, why are you crying, Ji Feng is a good young man, although he is a bit of a philanderer, but as long as you feel happy, Dad will support you.”

Xiao Yuxuan’s tears could no longer stop falling, while Ji Feng couldn’t help but dryly cough while being moved, but Xiao Changhe was right, he was indeed a philandering guy, and, not just any philandering.

“Son, that one-year period just now is a heartening pill for your mother, don’t let it slip in the future, remember?” Xiao Changhe said smilingly.

“Dad~”

Xiao Yuxuan had just shouted, but she couldn’t help but purse her lips, she was afraid that if she spoke again, she would cry out. Since she was a child, her father had always loved her extremely, and would always give her the utmost tolerance no matter what mistakes she made, even now, she had done such a capricious thing that was considered disgraceful by many people, but her father still treated her with tolerance.

Looking at her father’s already white hair and the wrinkles on his face, Xiao Yuxuan suddenly felt that her father had aged so quickly, after the cerebral haemorrhage, it was as if he had aged by more than ten years at once.

Xiao Yuxuan’s heart felt as if it was stuffed with something, blocked uncomfortably, her nose was even more sour and she couldn’t help but weep.

Ji Feng was listening next to him, and he couldn’t help but feel a lot of emotions in his heart.

If he stood on the sidelines, he didn’t know whether what Xiao Changhe had done was right or wrong, but there was one thing: there was no doubt that Xiao Changhe loved his daughter with such love.

“Kid!”

Just at this moment, Xiao Changhe suddenly looked at Ji Feng.

Ji Feng immediately said, “Uncle, you say.”

Xiao Changhe said, "I hope that this is the last time I see Xuan Xuan cry, and if you dare to make her cry in the future, I won't spare you, understand!"

Ji Feng immediately nodded and said, "Uncle father, don't worry!"

Only then did Xiao Changhe nod in satisfaction and said, "Good then, you guys go, and usually come and see me and your mum often when you have nothing to do."

"Dad~"

Xiao Yuxuan could no longer hold back her stirring emotions and instantly jumped into her father's arms, whimpering and crying.

"Alright, silly child, this is a good thing, don't cry." Xiao Changhe patted his daughter with a smile.

"Dad, I'm sorry." Xiao Yuxuan whimpered.

Xiao Changhe smiled and comforted, and took Xiao Yuxuan's hand again and put it into Ji Feng's hand, looked at the two young people and said, "Be good in the future!"

Ji Feng and Xiao Yuxuan nodded at the same time, and somehow, Ji Feng also felt his eyes were a little moist

Campus Master Chapter 2683

"Go on, child."

Xiao Changhe reached out and gathered his daughter's hair for her, with a kind smile on his face. The wrinkles on his face were already obvious under his white hair, but each wrinkle seemed to contain the love for his daughter. Each of these wrinkles even seems to record his journey of watching his daughter grow up little by little.

It was as if all his fatherly love had been concentrated into the deep wrinkles on his face, and although the years were gone, Xiao Changhe's love for his daughter had not changed at all.

Looking at the pair of young people in front of him, Xiao Changhe had the most comforting smile on his face: "Be well in the future, and make the days better and better Call over when you arrive, and also reassure your mother and me."

"Well!"

Xiao Yuxuan bit her lips, tears couldn't stop flowing down, she could see from her father's brilliant smile how much he loved and didn't want to leave her, which filled her heart with complicated emotions, even she had the urge to spend her life with her parents on this and never leave again.

"Uncle father, don't worry, I will take practical action to prove that I am true to Yuxuan!" Ji Feng looked on from the side and was also overwhelmed with emotion, and couldn't help but say.

"I believe you."

Xiao Changhe nodded and said, "I know, you won't let me down!"

In the end, Ji Feng left with the two daughters, Xiao Yuxuan and Tong Lei.

Especially seeing that intimacy between his daughter and Ji Feng made Xiao Changhe couldn't help but smile, from these two young people, it was as if he saw himself when he was young.

It was only when Ji Feng drove away and the car disappeared at the end of the road that Xiao Changhe turned around and walked back, while in his heart, he was very relieved.

Although Xiao Changhe did not know Ji Feng particularly well, he knew that he was not a bad boy after he had contact with him. It may be true that this kid is not good when it comes to relationships, he is simply a philanderer, but from his daughter's attitude towards Ji Feng, he can see that at least Ji Feng treats his daughter very well.

Xiao Changhe knew very well that his daughter was not a fool, if Ji Feng was philandering and treated her badly, she would not be willing to follow him unless she was crazy.

Now since his daughter had this kind of attitude, it meant that Ji Feng didn't treat her badly, maybe even better than everyone else.

Xiao Changhe was relieved by this.

As for Ji Feng's philandering experience after a brush with death, Xiao Changhe suddenly looked at life a lot more openly, and after a lifetime in the mall and society he saw it more clearly than anyone else, nowadays in this society, there is no man who is not philandering.

Even he, when he was successful in his career some years ago, faced with those beautiful and youthful girls who were either active or suggestive, it would be false to say that there was no movement in his heart at all.

Not to mention other people?

The fact is that Xiao Changhe understands one thing in particular, like those rich boys with some money, which one of them does not like to play with women outside, and even worse than that, there are many things.

Ji Feng is much better in this respect!

The character is not bad, good to daughter, daughter also willing, feel happy this is not enough?

As for the rest, Xiao Changhe couldn't help but shake his head and smile, the so-called hard to get confused, life is just like this.

"They're gone?"

Xiao mother's voice, pulled Xiao Changhe's thoughts back.

"Yes, gone." He nodded his head.

"Have you spoken to Ji Feng yet?" Xiao's mother asked immediately upon hearing this.

Xiao Changhe nodded and smiled, "Yes, I've said everything."

Xiao's mother immediately pursued the question, "Then what did he reply? Did he agree?"

Xiao Changhe said, "He still has to think about it."

“Humph! What is there to consider about considering? It’s as if no one wants our Xuan Xuan!” Xiao’s mother was a bit displeased when she heard this, “Xuan Xuan is so beautiful, I don’t know how many boys are chasing after her and want to marry her, but he is good, now we are forcing him to get married, really

Xiao Changhe laughed: “Young people’s emotional problems, we as old people should not interfere so much. The daughter is not a child, she has her own thoughts and decisions. The fact is, if we let him make a rash decision, even if he agrees to it, it will only be perfunctory. Instead of that, it would be better to give him some time to think about it.”

Xiao’s mother thought about it and felt that her partner had a point. There was nothing else she could do now, she couldn’t put a knife to her daughter’s neck and force her to break it off with him, could she?

Xiao’s mother was also a gentle and elegant woman, she could not do such a spill.

This was evident from the fact that she knew that her daughter had become Ji Feng’s lover, yet she didn’t lose her temper too much, she was still extremely cultured.

So she was also much more rational in her thinking than those women who only spilled their guts: “Then what should we do if he still hasn’t made a decision by the end of the year?”

Xiao Changhe laughed: “Then, as we said before, by then our daughter will also be mentally prepared, so won’t it be much easier to break it off again?”

Xiao’s mother thought about it, but that was all she could do.

She couldn’t help but shake her head and sigh, “Alas, this girl is really fond of Ji Feng too!”

Xiao Changhe said with a smile, “Still the same saying, children and grandchildren have their own blessings, children grow up without their mothers, we can’t control her for the rest of her life even if we do.”

Xiao mother then stopped talking, just thinking that her daughter had actually become Ji Feng’s lover, she was really a bit uncomfortable in her heart.

.....

“Xuan Xuan, don’t cry.”

Meanwhile, on the way back, Ji Feng was taking a tissue from Tong Lei’s hand and wiped Xiao Yuxuan’s tears, “Your father loves you very much, let’s visit him often in the future and do more filial piety.”

Xiao Yuxuan bit her lips and said, “I just feel a little hard. I suddenly realized that he is getting old

“Then spend more time with him.” Ji Feng said. Every family’s parents will get old and there will be a day when they are old, and it is really better to do more filial piety while the old man is still alive than the kind of grief and pain that comes when a son wants to raise his parents but his parents are not there.

Ji Feng suddenly wanted to give his parents and the old man a call.

Xiao Yuxuan was also just too emotional for a moment, and after chatting with Ji Feng and Tong Lei in the car for a few minutes, her emotions soothed a bit, and she didn't know what came to her mind and suddenly pinched Ji Feng hard.

Ji Feng instantly grinned: "Yu Xuan, why did you pinch me?"

"How dare you ask? Who let you discuss it without even discussing it with me, and then ran off to talk to my parents?!" Xiao Yuxuan's beautiful eyes glared at him and snapped, "Fortunately, they all reacted okay, if they had been stimulated by anything, especially my dad, he can't be stimulated himself, you"

Ji Feng hurriedly raised his hands in surrender and made amends with Xiao Yuxuan.

But Xiao Yuxuan but still a little angry knot, Ji Feng then laughed: "Yuxuan, in this point but you do not see, you really think, your father does not know anything?"

Xiao Yuxuan was stunned: "What do you mean?"

Tong Lei also looked at Ji Feng with some surprise, not understanding what he meant by this.

Ji Feng said, "Actually, I, I guess your father probably knew about our relationship long ago, even if he didn't know so clearly, but he had something in his heart for sure."

"Nonsense!"

Xiao Yuxuan hummed and said, "If he had known, wouldn't my mother have dragged me back for a lecture long ago?!"

"That's how smart your dad is, and of course, a reflection of his tolerance."

Ji Feng said, "Maybe your dad has basically stopped asking questions after he became ill, but before he became ill, he might have actually noticed something, I didn't care about it before, but now when I think about some of the things he said before, and some of his demeanor, I'm more and more sure."

Xiao Yuxuan frowned and asked, "What did my dad say?"

Ji Feng said, "You may not know, once when we went to your house, you were helping your mother cook in the kitchen and your father and I were talking in the living room, at that time he urged me to be good to you and said quite a lot, at that time I thought that was because he was not at ease with us, but now that I think about it, he may have sensed or already knew about our relationship at that time. "

Xiao Yuxuan then became a little suspicious.

Ji Feng laughed: "Think about it, our relationship is actually not a secret to many people, and your father has been in the business world for years, he is much better informed than the average person, do you think it is possible that he has not heard a single whisper for so long?"

"But"

Xiao Yuxuan smiled and also realized, "But why didn't he say anything?"

Ji Feng shook his head and said, "I don't know, maybe, this is also a kind of tolerance as a father."

Other than that, Ji Feng didn't know how to explain it, after all, he wasn't Xiao Changhe, so naturally he didn't know what he was thinking. However, one thing was certain, Xiao Changhe was definitely not because of his status, he did not dare to ask or wanted his daughter to climb up the ladder, this was not Xiao Changhe's character.

In fact, Xiao Changhe is one of the few businessmen that Ji Feng has ever met who is refined and elegant, and this kind of elegance is integrated into his bones.

What's more, since Xiao Changhe has been in a state of complete retirement since his brain bruise, where would he care about his future anymore?

So when Ji Feng thought about it, this might be Xiao Changhe's way of educating his daughter, or perhaps he wanted to wait for Xiao Yuxuan to make her own decision.

On the way, several people did not say anything more, Xiao Yuxuan heart is still a bit melancholy, in the mind from time to time floating father that has aged a lot of face, and mother's head that strand of white hair.

After returning home, Ji Feng immediately dialed his mother Xiao Su Mei's phone number.

"Mom, it's Little Feng It's okay, I just want to hear your voice." Ji Feng's face carried a bright smile, "I'm going to visit you in Yanjing in two days, you'll have to make me water branded buns then, I'm hungry"

Campus Master Chapter 2684

Because of that strong licking of Xiao Changhe's heart, Xiao Yuxuan's mood was more or less low, so after they returned home, they didn't talk much about anything, and Xiao Yuxuan went upstairs to tidy up her room.

Although Ji Feng also tidied up his house every day, this was far from being up to standard in the eyes of Xiao Yuxuan and Tong Lei, so under their blank stares, Ji Feng could only touch his nose and smile bitterly.

He had to admit that women were indeed naturally more talented than men in this area, especially when it came to tidying up their rooms and doing housework, Xiao Yuxuan and Tong Lei moved far faster than him.

Han Zhen and Xiao Ying both followed them back, in fact, they had been around Xiao Changhe's house during this period of time, but did not alert them.

After all, Xiao Changhe and his wife were afraid that they could not adapt to this kind of life with guards following them around all the time, so when Xiao Ying asked Ji Feng for permission, he told them not to disturb Xiao Changhe and his wife as much as possible.

So after Tong Lei and Han Zhen went over, Xiao Ying went back to the company on purpose and drove a luxury caravan, there was no problem at all with resting in it at night, it was even much more comfortable than many wooden beds, and they did not suffer.

The good thing is that this kind of business can in turn enhance the relationship between them. Ji Feng wanted to go forward to help, but was pushed away by Xiao Yuxuan with a smile: "All right, you young master just go about your business."

Ji Feng was then a bit speechless, wasn't this saying that he was adding to the mess?

He simply leaned against the door and watched them go about their business. At this time, he suddenly asked, "Yu Xuan, you haven't left your gymnastics behind during this time at home, right?"

When practising gymnastics, one is not afraid of not being able to bear the hardships, nor is one afraid of not being able to perform the movements properly.

If you leave it for a day or two, it might not matter, but if you leave it for a day or two this month and three or four days next month, it will be hard to get any results in the long run.

Xiao Yuxuan gave him a blank look and hummed, "I don't even want you, so why practice aerobics?"

Ji Feng: "....."

Tong Lei then couldn't help but purse her lips and laugh lightly, saying, "Don't worry, Sister Yu Xuan is much more numerate than you, we insist on practicing every day and are still sparring with each other in fighting techniques."

"What?!"

Ji Feng couldn't help but stare at his words, "You two cut sparring?"

Xiao Yuxuan and Tong Lei were still sparring with each other in fighting arts? This really sounded like a shock to Ji Feng, what kind of fighting skills were the two of them cutting up?

"Yeah!"

Tong Lei looked at Ji Feng with her beautiful eyes and asked, "Is it strange? We've learned a lot of fighting techniques from Xiao Ying and the girls before, we just rarely practiced them usually."

Ji Feng thought about it and couldn't help but shake his head with a smile. Indeed. They had said that they wanted to learn combat fighting before, but they just didn't take it seriously. But I didn't expect that the two of them would practice on their own!

"So how is your practice going?" Ji Feng asked with a smile.

"Not bad."

Xiao Yuxuan said, "It's no problem to clean you up anyway!"

Ji Feng couldn't help but smile and nod his head, saying, "That's, that's."

Being cleaned up by his own wife, even the world's number one expert could only hold his head and take a beating, and he was equally no exception.

Xiao Yuxuan then gave him a blank look, but with a hint of a smile on the corner of her lips.

After the two of them had cleaned up the room, it was only a matter of ten minutes or so, the three of them went downstairs to the living room, and Xiao Yuxuan suddenly said, "Hey, isn't it time to meet?"

Ji Feng was stunned, "What? Meet what?"

"Of course it's to meet someone, otherwise what else can we meet?" Xiao Yuxuan casually picked up the cup on the coffee table and blew on the floating tea leaves, but her beautiful eyes glanced at him, "What, it's already at this point, you still plan to hide a golden house? Not going to bring it to see?"

"Uh"

Ji Feng just couldn't help but be stunned, and only then did he understand what Xiao Yuxuan meant.

It turned out that Xiao Yuxuan was referring to Qin Shujie.

Bringing Qin Shujie Ji Feng couldn't help but hesitate a little when he heard the words, not knowing for a moment how to answer.

The first thing you need to do is to get a good idea of what you're getting into, and you can't help but ask, "What, you really don't want to bring it to us? Do you want to hide outside for the rest of your life?"

"That's not true."

Ji Feng couldn't help but waved his hand at his words and said, "It doesn't mean what you think."

Xiao Yuxuan asked, "Then what does it mean?"

"How can I put it"

Ji Feng mused and when he saw that Tong Lei's eyes were also looking at him, he couldn't help but shake his head and smile bitterly, it looked like it was absolutely impossible not to explain clearly today, "It's like this, Qin Shujie doesn't actually want to get involved in my life because she's still carrying her daughter and also has her own career."

Xiao Yuxuan and Tong Lei didn't say anything, they just looked at Ji Feng and waited for his next words.

"She told me that she didn't want to ask for any fame by following me, nor did she think about being able to spend all day with me"

Ji Feng once mentioned to Qin Shujie that she might live together in the future, but at that time Qin Shujie told Ji Feng very sincerely that she followed Ji Feng and didn't ask for anything, just her feelings to the point and that Ji Feng gave her the most peace of mind.

She likewise did not ask to be with Ji Feng all the time, as long as Ji Feng was free to visit her and see Yaoyao, she would be happy and content.

Other than that, she and Yao Yao usually lived a good life.

Xiao Yuxuan asked, "Is that really what she said?"

Ji Feng spread his hands, "It's not bad at all."

Xiao Yuxuan couldn't help but glance at each other and Tong Lei when she heard this, they had all met Qin Shujie before, but this blandness of hers was a bit out of their expectation.

"She doesn't want to live with you, or doesn't want to come with us?" Xiao Yuxuan asked.

This was the crux of the matter, Xiao Yuxuan thought.

If Qin Shujie was sincere to Ji Feng as well, then she shouldn't think this way.

There wasn't any woman in this world who was intensely in love with a man and still preferred to keep a certain distance, if there was, either she had unspeakable secrets or, it was difficult to see the light.

What's more, with the way Qin Shujie said it, then she is almost like Ji Feng's side room or alibi as well.

To put it more unpleasantly in the current buzzword – it's almost like being a mistress who has been adopted by someone who visits her periodically to take care of her physical needs and then gives her a sum of money or buys her a bag, a few clothes, or, big deal, a car.

But none of these situations existed in Qin Shujie's case.

Qin Shujie herself is the boss of a jewellery company, so she certainly won't be worried when it comes to money, and if she lives alone with her daughter she can be completely carefree, so she doesn't need to be adopted at all.

But why was she unwilling to live with Ji Feng?

Thinking about it, I'm afraid it's still because she and Tong Lei, what Qin Shujie really thinks, are not willing to live with them, right?

Xiao Yuxuan immediately understood.

Tong Lei looked at Ji Feng, picked up her own cup and brewed a cup of cereal, but did not react too much.

Ji Feng shook his head and said, "Yu Xuan, you guys are thinking too much. Shu-jie, this person, is also a bashful nature herself, she didn't come because she was actually afraid that I would be in the middle of it. Besides, you guys are still strangers to each other after all, so being together hastily and in this kind of relationship will always be a bit uncomfortable."

Qin Shujie herself was not someone who liked to argue with others, and when her brother and sister-in-law had gone so far, she had put up with it again and again.

If she was a very ambitious woman, as long as she asked, Ji Feng would definitely do his best to help, and then I'm afraid that her jewellery company's assets would not be a problem to double several times now.

But Qin Shujie had hardly ever opened up to Ji Feng, unless she was in urgent need of supplies, she would only tell Ji Feng.

This shows what kind of nature Qin Shujie is.

However, even if she was more aloof, if she was in front of Xiao Yuxuan and Tong Lei, I'm afraid Qin Shujie would not be able to let go, after all, the relationship between them was a bit awkward.

When Xiao Yuxuan and Tong Lei first moved in, weren't they also a bit awkward with each other?

"So, you're just going to keep people hidden outside all the time?" Xiao Yuxuan asked.

Sweat!

Ji Feng laughed bitterly, "How can this be called hiding I also thought of letting you guys sit down together and chat and get acquainted, but I never found the right opportunity."

Xiao Yuxuan smiled and immediately asked, "Get familiar with it? You really plan to get a harem, huh? Ah?"

Ji Feng immediately shook his head and said, "How is that possible! Then what"

Thinking about his actions, although not to the extent of making a harem, but the nature of this is actually similar, he could not help but give a dry laugh and said, "There is always a need to get familiar with it!"

"Humph!"

Xiao Yuxuan gave him a blank look and snapped, "Isn't that what I mean! You, on the other hand, have been pushing things back and forth! I can tell you, today I've been influenced by my father and my heart has become a bit broader, if it takes a while, I'm afraid I won't want to see you then!"

Ji Feng then could not help but smile slightly, he could hear that Xiao Yuxuan this is also changed some, should really be influenced by Xiao Changhe.

"Lei Lei, what do you think?" Ji Feng looked at Tong Lei again.

"That's what Great Grandma means!" Xiao Yuxuan said.

"Sister Yu Xuan!"

Tong Lei just couldn't help but shake her head, although Xiao Yuxuan was a bit older than her, but this character, how come she looked like the sister!

"Ji Feng, it's better to meet, ask her to bring Yao Yao too, Sister Yu Xuan likes that little one a lot." Tong Lei looked at Ji Feng and said, "Of course, it depends on her schedule, it doesn't matter to us!"

Ji Feng nodded, but in his heart, he couldn't help but be a little touched.

Tong Lei's tolerance for him was truly beyond words.

If it was an ordinary girl, if she knew that her boyfriend had other women outside, even if she accepted it, I'm afraid she wouldn't be willing to meet, and even have some not-so-good thoughts in her psyche – fall in love with where to go, as long as she didn't hang around in front of her eyes anyway, she wouldn't see it.

And now Tong Lei has taken the initiative to meet Qin Shujie, which is clearly intended to be a good benefit with her

Campus Master Chapter 2685

“Then

Ji Feng hesitated for a moment and said, “Then meet?”

Xiao Yuxuan suddenly gave him a white glance, but in her red lips she was teasing him, “But don’t force it oh, see or not see you to decide.”

Sweat!

Ji Feng couldn’t help but secretly laugh twice bitterly, thinking that although he was making the decision himself, not always do you all have the mood you have now.

Obviously, the reason why Tong Lei and Xiao Yuxuan are so generous now is partly because the two of them are actually like that by nature, but on the other hand, it is also because the kind of fatherly love Xiao Changhe showed today made them both feel a lot, and their mindset has been calmed down a lot.

Ji Feng could see very clearly that when Xiao Yuxuan left in anger and Tong Lei did not return, both of them had anger in their hearts.

Now they are so generous to see Qin Shujie, I am afraid that this opportunity is not much.

“Then I’ll talk to her now.” Ji Feng said immediately.

“As you wish.”

Xiao Yuxuan said, “But there’s no need to rush, Great Grandma and I both still have something to ask you.”

Ji Feng nodded and said, “Ask what?”

Xiao Yuxuan, however, pointed to the single sofa next to her and said, “Sit down first, there are many things to talk about slowly.”

Ji Feng couldn’t help but feel a sudden jolt in his heart, looking at this situation, why did he have a not-so-good feeling? As if it was a three-chamber trial?

Although he couldn’t help but feel low in his heart, Ji Feng still sat down with a bitter smile, seeing that they really seemed to have something to say to themselves.

“Yu Xuan, Lei Lei, do you want to ask something?” Ji Feng asked hesitantly.

“What do you say?”

Xiao Yuxuan looked at him with a smirk and asked, “Is there nothing you want to tell us?”

Ji Feng was stunned, and a bad feeling even more immediately surged up in his heart.

It looked as if his premonition was going to come true!

“Say

Tong Lei, on the other hand, had a calm face, her eyes were as clear as ever, and she couldn't see anything at all.

"Ji Feng, are you still not going to give an honest explanation?" Xiao Yuxuan's pair of beautiful eyes kept glancing over from Ji Feng's face, "It looks like you are planning to be stubborn to the end, right?"

"Stubbornly resist?"

Ji Feng was stunned, but in his heart he couldn't help but smile bitterly, as expected, this was really a three-chamber trial, just what was the matter they were going to ask about?

At this time Tong Lei spoke up, she asked, "Ji Feng, we've known each other for a few years, right?"

Ji Feng nodded his head and blurted out, "Over five years."

"Yeah. More than five years."

Tong Lei said, "We've known each other for so long, how can I not know you?"

"Huh?" Ji Feng froze, not responding for a moment.

"Because I know you too well, I think that apart from Qin Shujie, you must have other women outside, right?" Tong Lei asked.

"....."

Ji Feng immediately opened his mouth wide and looked at Tong Lei in astonishment, but in his heart he couldn't help but thump, secretly saying bad, what they were going to ask was actually this thing!

"Lei Lei, you don't have to be so polite to him!"

Xiao Yuxuan hummed twice and said, "This guy is a bad egg, completely dead pigs are not afraid of boiling water, you ask him so gently does not work at all Ji Feng, let me ask you, besides Qin Shujie, how many other women do you have outside?!"

"I"

"Don't be in a hurry to answer first, think about it!"

Xiao Yuxuan looked at him with a smirk and said, "But before you answer I can remind you of one thing, now that you have given an account, this means that you have been completely honest with them and are not hiding anything anymore. But if you're going to hide one or two now, then no matter who it is, we won't accept it, and we'll never set foot in this house again, either that or we'll leave!"

Ji Feng's heart suddenly stuttered.

Xiao Yuxuan was serious about this!

Even though at this moment Xiao Yuxuan's face had a faint smile on it and her tone was gentle, Ji Feng knew her too well, she was definitely serious at this moment.

Ji Feng looked at Tong Lei again, but saw that she was likewise staring at herself like this, waiting for her answer. Obviously, Tong Lei must have meant the same thing perhaps they had discussed it a long time ago.

The actual fact is that you can't be able to get a good deal on your own, but you'll be able to get a good deal on your own.

To be able to do what they did was really not easy.

Although Ji Feng was apprehensive in his heart, he was also very grateful.

Because he knew very well how much Tong Lei and Xiao Yuxuan had given and sacrificed for themselves, which made it impossible for him not to answer honestly.

"There's more."

Finally, Ji Feng opened his mouth to admit it, he coughed dryly twice and smiled sarcastically, "It's so that what, there's also this relationship between me and Xu Yuan, she's also my woman!"

Tong Lei frowned slightly at her words, "Xu Yuan?"

Xiao Yuxuan immediately asked, "What?! Brat, you said you have this kind of relationship with Xu Yuan as well? She is also your woman?"

"Yes."

Ji Feng nodded and said, "She's also my woman."

"It's Xu Yuan, the general manager of Xiao's pharmaceutical factory?" Only then did Tong Lei remember which one this Xu Yuan actually was, and could not help but frown and ask.

"That's her."

Xiao Yuxuan nodded and said, "Ji Feng, you and her aren't you too messy?"

Ji Feng just couldn't help but smile sarcastically, to say that when it comes to being messy, he really wasn't wronged. Being interrogated by Tong Lei and Xiao Yuxuan like this, he was more or less embarrassed.

"Ji Feng, did she seduce you?" Xiao Yuxuan suddenly asked.

"Seduced? How is that possible!" Ji Feng immediately shook his head and said, "How could she have done such a thing, it was me who pursued her!"

"Humph!"

Xiao Yuxuan and Tong Lei simultaneously gave a delicate hum and glared at him twice, Xiao Yuxuan even spat, "You still have the nerve to say that having the two of us at home isn't enough, adding another Qin Shujie isn't enough, you have to go after other women?!"

Ji Feng then laughed sarcastically.

Xiao Yuxuan glared at him fiercely twice before saying, “Ji Feng, let’s not talk about whether this is right or wrong, the point is, this Xu Yuan seems to be an immodest woman, right?”

Ji Feng was stunned: “Why do you say that?”

Xiao Yuxuan said, “Xu Yuan’s body is too heavy with wind and dust, there is no denying that her ability is outstanding, and the step you took in recognizing her as the general manager of Xiao’s pharmaceutical factory is also right, she has created very good results. However, there seems to be some problems with her personal style, which is bad.”

Ji Feng couldn’t help but frown at his words and asked, “Yu Xuan, you’re mistaken, right? Where is her style bad?”

Xiao Yuxuan said, “In order to manage the company better, I once spent two months to find out all the family backgrounds and other circumstances of all the top management of the group, and even sent someone to the companies they used to work for before to find out. Let’s say Xu Yuan, I heard that when she was running business in the past, she seemed to have an ambiguous relationship with many bosses and some leaders in charge of hospitals, it seems.”

As soon as Tong Lei, who had rarely spoken, heard this, her eyebrows immediately knitted up: “Sister Yuxuan, is this true?”

Xiao Yuxuan nodded and said, “At least I understand the situation is like this, at that time I considered, her style problem is one thing, her work ability is another, as long as she does not mess around in the company, I will still use her. But then it didn’t occur to me

Speaking of this, she couldn’t help but glare at Ji Feng – but didn’t expect that Ji Feng would actually get involved with this woman!

“Ji Feng, do you know about all these situations?” Tong Lei looked at Ji Feng.

“Know.”

Ji Feng nodded and said, “However, the situation is slightly different from what Yu Xuan said, this might be a malicious speculation by many people in the process of blackmailing In fact, the thing is like this, Xu Yuan used to live a very hard life, in order to be able to achieve results, she did make good use of the business negotiation process to her own advantages as a woman, but was definitely not promiscuous.”

Whether Xu Yuan’s previous life style was problematic and whether she was promiscuous with those bosses and leaders, in fact, Ji Feng knew best because after that night he had with Xu Yuan, he knew clearly that Xu Yuan was still a virgin.

If she had been promiscuous with others, where would she have kept her virginity to this day?

When he mentioned that Xu Yuan had fought hard for revenge and even fled to Jiangzhou alone, both Tong Lei and Xiao Yuxuan could not help but be moved.

They were both kind-hearted people, and after hearing such a tragic experience of Xu Yuan, their hearts immediately softened.

"In that case, this Xu Yuan is also a pitiful person." Tong Lei pursed her lips and said in a soft voice.

"I didn't learn about these circumstances." Xiao Yuxuan said, "If I had known this, I should have taken care of her more before."

"There's no need to take care of her. She is a strong person herself, let her eat based on her ability instead she will be happier." Ji Feng laughed.

"You are good at caring for people!" Xiao Yuxuan hummed.

Ji Feng: "....."

He couldn't help but laugh bitterly, and secretly reminded himself in his heart that even the most generous woman would be jealous, so he should be careful with his words.

Tong Lei also glared at him twice before saying, "Is there anyone else besides Xu Yuan?"

Xiao Yuxuan immediately added, "You should think clearly, if you suddenly pop up again in the future that you haven't accounted for, then don't blame us for being hard-hearted then!"

"There is also"

Ji Feng coughed lightly and said, "..... There's also the white pearl."

After saying that, he was a little embarrassed and waited for Tong Lei and Xiao Yuxuan to get angry, as well as their contempt. However, to his surprise, after he said Bai Zhu's name, Tong Lei and the girls just looked at each other without any intense reaction at all, which made Ji Feng feel strange at once!

Campus Master Chapter 2686

"You guys"

Ji Feng was a bit strange, Tong Lei and Xiao Yuxuan's reaction really made him feel strange, how come they didn't seem to have any extra reaction at all?

"Seeing that we didn't get mad, feel strange?" Xiao Yuxuan asked.

"That's not true."

Ji Feng immediately sunned himself, he was not a masochist, he just thought their reactions were strange.

Xiao Yuxuan smiled and spat, "I knew it, sooner or later Bai Zhu won't be able to escape your clutches! People say that rabbits don't eat grass by the nest, but I see that you specialise in eating grass by the nest!"

My goddaughter's mother, the young woman Qin Shujie, the company executive Xu Yuan, which of these were not the women around? This is just the opposite, and now even Bai Zhu has not escaped.

Ji Feng is simply a typical woman who eats grass from the nest!

Xiao Yuxuan's heart was so angry that she could not wait to bite him to death before she was relieved!

"Then you guys" Ji Feng was a bit strange, "Why did you guys react that way just now?"

“What other reaction could there be? What reaction do you want us to have?” Xiao Yuxuan asked, “Do you have to let us make a big fuss with you before you are satisfied?”

“Of course not!”

Ji Feng waved his hand with a bitter smile and said, “I just feel that you guys don’t seem to be very surprised.”

Tong Lei then couldn’t help but shake her head and said, “Bai Zhu follows you morning and night, and even sticks close to you, and even in the past year or two she has spent more time with you than we have with you, it’s not surprising that a little something happened between the two of you.”

In fact, from a long time ago Tong Lei and Xiao Yuxuan could see that there was definitely a bit of that something between Ji Feng and Bai Zhu, it was just that Bai Zhu usually didn’t talk much, and perhaps because her previous experience didn’t seem so glamorous compared to Xiao Ying and Han Zhen, so she still seemed to have that little feeling of restraint in her heart in this family.

The reason for this is that Tong Lei and Xiao Yuxuan did not ask after her, but they could see that once Bai Zhu was with Ji Feng, no matter if she went out with him or saw Ji Feng sitting in the living room watching TV at home, as long as she saw him, the look in her eyes was different.

The same woman, this kind of look Tong Lei and Xiao Yuxuan are all too familiar with, they have both seen it in each other’s eyes, this is the kind of look you get when you see the person you like.

So from a long time ago they could see that Bai Zhu liked Ji Feng, and Ji Feng obviously didn’t have any interest in Bai Zhu either.

As for when the two of them started, Tong Lei and Xiao Yuxuan were not too sure. But there was one thing they were sure of, something was definitely going to happen between Ji Feng and Bai Zhu.

Now that they had heard Ji Feng admit it, they were naturally not the least bit surprised.

It was true!

“You two, when did you start?” Tong Lei asked.

“Technically speaking, it was when I returned from my last trip to Rice, on my way back,” Ji Feng said.

Xiao Yuxuan glared at him in anger, her silver teeth clenched, “You’re really a rogue!”

Ji Feng touched his nose and laughed bitterly, he admitted that he was philandering and could not hold back a bit when he encountered this kind of thing, but to say rogue alas, how she said it was how it was.

The heart is a little weak Ji Feng now is not at all dare to argue, just can not stop bitter smile, nod.

“In addition to that?” Tong Lei asked.

“Think clearly oh!” Xiao Yuxuan did not forget to remind at the side.

Hearing Tong Lei's question, Ji Feng's mind was flashing back to many delicate faces, that one beautiful and charming face, the uncommonly capable yet gentle Rong Suyan, the straightforward but hot-tempered Li Ruonan, the sultry Zhou Fei Fei, the domineering but equally charming Ji Yu Yi, and Xiao Ying!

However, in addition to that, a face that was both familiar and somewhat unfamiliar suddenly flashed through Ji Feng's mind.

— Su Ya Yun!

It was a flirtatious to the extreme, yet the flash of her made Ji Feng inwardly can't help but be startled, how could he think of her?

She – but Xu Yuan's sister-in-law!

Ji Feng's heart thumped wildly a few times, and he hurriedly shifted his thoughts, not daring to think about it again, yet once this thought popped up, it was like a virus raging, and seemed to have a tendency to spread in a flood, like an uncontrolled off-leash wild horse

“There seems to be quite a few more!”

Xiao Yuxuan ground her teeth, a pair of eyes containing a murderous aura as she stared at Ji Feng, “Is it too many to count?”

Her voice pulled Ji Feng's thoughts back to reality, he couldn't help but hurriedly shake his head and laughed bitterly, how did he suddenly ramble on, that charming woman, but Xu Yuan's sister-in-law, such taboo

“Xuan Xuan, Lei Lei, I know I am a very philandering person, not a good person, in this point, I am ashamed of you.” Ji Feng couldn't help but let out a soft sigh and said, “In fact, I would love to give you guys a promise that this will never happen again, but I don't dare to give it because I'm afraid I can't do it.”

Ji Feng was speaking from his heart!

If he could, he really wanted to say to them that in the future, it would be them together and live happily ever after. But he knew his own character, and if he really met a beautiful woman who made his heart flutter, he couldn't guarantee that he would not.

He knew it was shameless, but he couldn't control himself.

Therefore, Ji Feng dared to give them all promises, except in this respect, which he did not dare to promise easily.

But he did treat every woman around him with sincerity, which made it even more impossible for him to take or make promises, and he could only tell them truthfully.

“So, they all know about me and Lei Lei too?” Xiao Yuxuan asked.

Ji Feng peeked at her, but couldn't tell whether she was in the midst of a full-blown rage or some other state, and when he saw Xiao Yuxuan's gaze looking over, he immediately nodded his head and said,

“They all know. Shu-jie doesn’t want to come and disturb our lives, she just wants me to visit her and Yao Yao often when I have time, Xu Yuan is very strong, and she’s not the kind of woman who likes to get tired of being together a lot

In fact, Ji Feng knew very well that if it was possible, of course any woman would want to be able to be with the man she likes, like a normal couple, but they were not destined to live that kind of life.

Qin Shujie understood this long ago, so she was extraordinarily gentle from the start, and did not wish to come over and disturb their lives.

Perhaps, after all these years, Qin Shujie had already got used to this kind of life, with her daughter and the man who loved her coming to see her regularly, which was even better than those couples who were together all day long, as the so-called small parting was better than a new marriage, so that they would not get bored and had a mood.

As for Xu Yuan, she is a bit stronger in character, but most importantly, she is actually still afraid to come to see Xiao Yuxuan and Tong Lei.

The result was that Xiao Yuxuan left in anger after knowing about Qin Shujie’s affairs.

This is precisely why this time, Ji Feng simply said it in one breath.

No matter what things would not be worse, and listening to that tone of voice from Tong Lei and Xiao Yuxuan, it seemed that if they gave an account now, they might still be able to be lenient?

“What about Bai Zhu?” Xiao Yuxuan asked.

Ji Feng then subconsciously looked back, after coming back Bai Zhu and Xiao Ying and the girls took a slight break, after seeing that they had something to say, they all went to the backyard.

“What are you looking back for? I was asking you about your relationship with Bai Zhu, what are you going to do about it?!” Xiao Yuxuan grunted.

“Bai Zhu isn’t asking for anything either.” Ji Feng immediately said.

Tong Lei then couldn’t help but shake her head helplessly, and Xiao Yuxuan even glared at him, humming, “She doesn’t ask for anything, so what will you give her?”

“What I can give her

Ji Feng thought about it, he found that he really didn’t have anything he could give Bai Zhu, to say that what he could really give, I’m afraid that it was his genuine heart, but that wasn’t too rare for many women.

Xiao Yuxuan couldn’t help but grit her silver teeth and said hatefully, “I really don’t understand what’s so great about you, why do we all have to surround ourselves with you, you bastard!”

Tong Lei was also staring at Ji Feng with her beautiful eyes, making him look straight at her heart.

Seeing both of them staring straight at him, Ji Feng’s heart was really in a tizzy, even when facing the most powerful enemy, facing the dynasty, Ji Feng was confident, but now, he was like a prisoner who had confessed all his crimes and was waiting for the judge to pass sentence – the key problem was that

what he had committed was also very The key problem was that he might have committed a capital offence!

Xiao Yuxuan and Tong Lei just kept staring at him, and Ji Feng couldn't help but feel a little uncomfortable and his throat was a little dry.

Finally, Ji Feng couldn't help but ask: "Lei Lei, Yu Xuan, you guys"

"Go pick up the people!"

Xiao Yuxuan suddenly interrupted him and said.

Ji Feng was stunned, "Hmm?"

Xiao Yuxuan said without good humor, "I mean for you to pick up Qin Shujie, don't you understand? Or are you unwilling!?"

"Willing! Of course I'm willing!" When Ji Feng heard that, he couldn't help but let out a long breath, the big stone that had been hanging in his heart finally fell halfway down.

At this time, Tong Lei said, "If Mr. Qin doesn't have time today, there is no need to force her, when she has time, let's meet together again."

Ji Feng couldn't help but freeze for a moment when he heard that, his eyes couldn't stop sweeping back and forth between Tong Lei and Xiao Yuxuan's faces, but he couldn't help but mutter in his heart.

They

Is this a real attitude?

Also, are they forgiving themselves and accepting this fact, or do they have other plans?

"Could it be that they want to wait for me to pick up the person before doing anything?" Ji Feng thought about it and shook his head again, neither Tong Lei nor Xiao Yuxuan were of this character, they were actually very kind-hearted, just yet more intelligent.

So what was it for?

Campus Master Chapter 2687

All the way to the way to Qin Shujie's house, Ji Feng couldn't help but still mutter in his heart.

What exactly did Tong Lei and the girls mean?

Ji Feng was a bit puzzled. And what made him feel even more apprehensive was that Xiao Yuxuan and the girls asked him if there were other women, and he just vaguely passed over it, and they surprisingly did not pursue it any further.

What is the meaning of this?

The actual fact is that you will not want to ask any more questions, or is it that you have given yourself a chance and you will just pretend that there is no such thing in the future?

All the way, Ji Feng's heart was very apprehensive, even though he knew Tong Lei and Xiao Yuxuan so well, but he could not figure out what they really meant.

It was only when he arrived at Qin Shujie's house that Ji Feng couldn't help but take a few deep breaths, open the car door and get out of the car.

This time he drove himself here, and he didn't even inform Bai Zhu when he came out – he had already been honest with Tong Lei and the girls before, and they all knew about his relationship with Bai Zhu, which made Ji Feng couldn't help but feel a little vain, and he didn't dare to ask her to follow along.

“Daddy!”

When Yao Yao, who was wearing a white dress with a small flower on her head, opened the door to her room and saw Ji Feng, she immediately shouted happily, “Mom, it's Dad who's back!”

Ji Feng couldn't help but be touched in his heart when he heard that Yao Yao shouted ‘Daddy is back’ instead of ‘Daddy is here’. This meant that in fact, in her little mind, she was already a member of this family, and when she was away, the little girl probably thought that she was out busy with work or on a business trip or something.

Maybe she understood what was going on, or maybe, in her little mind, that was what she thought.

But obviously, the kind of surprise she had when she first saw herself, the light of surprise that shone in those big eyes, was so clear that it touched Ji Feng.

“Honey, why are you suddenly coming over now?”

Qin Shujie knew that Ji Feng was coming over, and it was only when she saw through the cat's eye that the person standing outside the door was Ji Feng that she asked Yao Yao to open the door, but she was still more or less surprised, as Ji Feng rarely came over at this time of day.

As she spoke, Qin Shujie took out a pair of men's slippers from the shoe cabinet in the entrance hall, which she had prepared especially for Ji Feng.

When Ji Feng was changing his shoes, the little girl had been pulling at his clothes next to him, especially when he sat down the little girl even jumped into his arms at once, giggling and happy to the extreme.

“Yoyo come here, daddy is changing his shoes, I'll hold you when he's done.” Qin Shujie said from the side.

“It's alright, it's not like the little girl is heavy.”

Ji Feng picked up Yao Yao with one hand and put her on his lap, using only one hand to change her shoes, the little girl was immediately happy and smiling cheekily, while making smug faces at Qin Shujie.

Qin Shujie shook her head helplessly and said, “Just spoil her, this child is getting more and more disobedient now, when I talk about her, her mouth is always open and shut about how you are.”

“Is that so?”

Ji Feng was immediately amused at hearing this, he turned his head to look at Yao Yao and asked with a smile, “Yao Yao, you've still learned to talk back to your mother?”

Yao Yao immediately said, "No, I haven't. Dad, Yaoyao is obedient."

"Did you see that? Now this little mouth can talk back." Qin Shujie was angry and amused, "If I say one word about her, she can have three waiting for me, and if I say something heavy, she will bring you up to debate with me, and even threaten to expose me to you!"

"There's still this?" Ji Feng was suddenly sunburnt, "The little girl has really grown up!"

When he first met Yao Yao, the first day he met with Qin Shujie, at that time, Yao Yao was bullied in kindergarten, the other child's parents were the ones who went extremely overboard, and as a result, that pair of parents' behaviour angered Qin Shujie.

At that time, Yaoyao could not even say many words, and her whole body was like a cute little porcelain doll.

Now that a few years have passed, Yao Yao has grown up a lot and grown taller, but more than that, she knows a lot of things.

Just listening to her talk now, she is often like a little adult.

And it is often at this age that it is the most fun, many things she seems to know, but often thinks of imitating some of the adult's behaviour and way of speaking, but she is such a small child doing it, but it is extraordinarily comical and funny.

So even when Qin Shujie was talking about Yao Yao, she did so with a smile on her face. Such a cute child, no one didn't like it.

After changing his shoes, Ji Feng carried Yao Yao to the living room, and the little girl immediately had to climb up to the sofa, but it was a snap, and her little bottom was spanked.

"Take off your shoes before you come up!" Qin Shujie glared.

"....."

Yao Yao's mouth then deflated, and a pair of big eyes flashed at Ji Feng, looking extraordinarily aggrieved.

Qin Shujie was furious at first glance, and she hummed, "And you've learned to sue? No one can protect you today, take your shoes off immediately!"

Ji Feng looked really almost didn't laugh out loud, the little girl still learned to be aggrieved?

"Hurry up!"

Qin Shujie waited for her and reprimanded.

Yao Yao took a look at Ji Feng in also useless, that woolly eyes turned, immediately gave in and only said, "Mom take off"

"Take off yourself!"

Qin Shujie hummed: “How did you promise me last time remember? We agreed that we would eat by ourselves, dress ourselves, and mommy can help you with anything you can’t reach, but you have to do all the rest by yourself, right?”

Yao Yao then held her mouth in aggravation and looked at Qin Shujie and then at Ji Feng.

Seeing this, Ji Feng forced a laugh and said, “Shu-jie, why are you so strict with little kids, she’s still little

“She’s not little anymore, she’s going to be in primary school soon! You can’t keep spoiling her like this!” Qin Shujie glared at Ji Feng, then turned her head to glare at Yao Yao again, “Come on, do it yourself, this is what you promised yourself, you have to do it!”

“..... That’s fine, but if I do it myself, can mommy allow me to eat a bottle of canned food?” Yoyo suddenly asked.

“Pfft!”

Ji Feng burst out laughing, this little girl, she’s actually negotiating with her mother! This is really a Grinch!

Unable to stop himself from laughing, Ji Feng shook his head and laughed, “Shu-jie, this little girl has been so eloquent and eccentric since she was little, she will be great when she grows up!”

Qin Shujie said helplessly, “What you see here is still a small part, she is getting more and more antagonistic to you now, either to negotiate with you, and I don’t know who she learned this from, I really don’t know what to do when she grows up, yo!”

Ji Feng couldn’t help but laugh: “It’s better to be smart and quirky than mute and timid, right? Besides now she is still a child, just like to eat something, you give her just

“Daddy is the best.” Yoyo immediately smiled happily.

“Do you see, this is hitting the snake!” Qin Shujie said helplessly as she gave a glare, “Daddy is good, but it’s mommy who is in charge here now, and daddy won’t help you if you don’t do the right thing.”

“But daddy just agreed to it!” Yoyo argued with a wrinkled nose.

“But I didn’t agree!” Qin Shujie said.

Yao Yao was instantly angry: “How can you be like this, you are bullying little kids, I’m going to sue you!”

Ji Feng: “.....”

Qin Shujie was even more furious as her shellfish teeth bit and bit again, “Sue me? Fine, then you go!”

Yao Yao looked at her, then at the door, then she hummed, “Mom will accompany me!”

“Nice try!”

Qin Shujie was instantly exasperated, “You’re suing me and you want me to accompany you? How can that be so nice?!”

Ji Feng listened to the two mother-daughter bickering and couldn't help himself, he didn't expect that after only seeing her for a while, the little girl already knew so much and actually knew how to sue someone!

"Shu-jie, you can just give it to her." Ji Feng laughed.

"No way! She already ate a bottle yesterday, she can't give it to her again."

Qin Shujie shook her head and said, "You don't know, she likes to eat canned yellow peaches, but the cans nowadays have a lot of things added to them, and the sweetness is also adjusted with saccharin. ..."

Ji Feng nodded his head, that was true.

Nowadays, apart from the things that farmers made themselves and kept for their own consumption, but all those that had been processed by processing plants, there were hardly any good things for children to eat.

I didn't expect that the little girl would like to eat canned yellow peaches!

"I remember when you said that, in my hometown, the fruit is abundant, and many people also make their own canned food or do simple processing of the fruit, so I'll have someone bring some over next time." Ji Feng said.

"Really?"

Before Qin Shujie could say anything, Yao Yao immediately shouted in surprise, "Daddy is the best!"

"Daddy is good, but mommy is not?" Qin Shujie hummed.

"Mummy is also good." Yaoyao immediately smiled cheekily and crawled towards Qin Shujie with her arms open again, the little girl was a very good eye.

With such a quirky daughter, Qin Shujie was really happy and headachey at the same time.

"You're so young and spooky, I really don't know what kind of husband you'll need to find to rule you when you grow up!" Qin Shujie hugged her and shook her head helplessly.

In the end, the little girl obediently took off her shoes by herself, and then happily crawled around on the sofa, climbing onto Qin Shujie's lap one moment and then onto Ji Feng's lap the next, excited.

She waited until the little girl was tired of playing before she fell asleep on the sofa bed next to her. Qin Shujie pulled over a blanket to cover her while asking, "Honey, did you come for something?"

Ji Feng smiled and shook his head, saying, "It's nothing big"

"Really nothing?"

Qin Shujie said with a smile, "I can tell, you're close to writing the words 'I have something on my mind' on your face, and you're still saying it's nothing?"

"Is it that obvious?" Ji Feng froze.

“Yes, it couldn’t be more obvious already!” Qin Shujie smiled gently, in fact, a woman’s mind was extremely delicate, especially when her heart was set on someone, it was even more perceptive.

Campus Master Chapter 2688

Looking at Qin Shujie’s watery eyes, Ji Feng hesitated for a while before he slowly spoke, “Shujie, this time I came, I do have something

“Hmm?”

Qin Shujie looked at him and asked, “What is it that’s so difficult for you?”

I had never seen this kind of expression on Ji Feng’s face before, Qin Shujie had never even seen him so indecisive, so it was obvious that Ji Feng was in a difficult situation.

“If you have something to say, I can also help you with advice, maybe I can solve it together!” Qin Shujie said.

“It’s not that it’s difficult, it’s just

Ji Feng shook his head and said, “It’s like this, the two of us, Lei Lei and Yu Xuan already know about

“Ah?”

Before Ji Feng could finish his words he heard Qin Shujie slightly lose her voice and exclaim, “They know?”

Ji Feng nodded, “When the robbery happened at the jewellery exhibition that day and I went to save you, Yu Xuan guessed it and I told them about it.”

“Then

Qin Shujie’s heart immediately lifted and she hesitantly asked, “Are they very angry?”

Ji Feng nodded with a bitter smile and said, “Yes, they are a little angry.”

Qin Shujie couldn’t help but bite her lips, her heart more or less tense and apprehensive. In fact, she could understand, if any woman were to know that her man actually had a lover outside, I’m afraid she wouldn’t be too calm, and being angry would be light!

After a moment of hesitation, Qin Shujie still asked, “Then what was their reaction? Did they tell you to break it off with me immediately?”

Thinking about Ji Feng’s hesitant look just now, Qin Shujie realized that her guess might be correct, that Tong Lei and Xiao Yuxuan might let Ji Feng make a choice or would just let them break off the relationship, otherwise, Ji Feng wouldn’t look so embarrassed.

And looking at Ji Feng’s hesitant look, Qin Shujie’s heart couldn’t help but sink down, Ji Feng was still so embarrassed in front of her, so the result was obvious – he probably wanted to break up with himself and that’s why he appeared hesitant, perhaps because he didn’t know what to say to himself.

“Old go ahead, I’m fine.”

Qin Shujie habitually wanted to call Ji Feng husband, but this name stopped when it reached her mouth, she suddenly realized that if they broke off their relationship today, after breaking up, Ji Feng would have nothing to do with her, then naturally she could no longer use the name husband.

Thinking of this, Qin Shujie's heart could not help but feel a sourness.

First of all, her ex-husband was a jade, but in reality, he was a beast, and even gave her away to other men for the sake of profit.

It was not easy to meet Ji Feng, and here Qin Shujie felt a love she had never felt before, which once made her feel extraordinarily happy and satisfied, especially because Ji Feng's love for Yao Yao was even more heartfelt, which made Qin Shujie extremely moved.

Therefore, she did not even ask to be able to be with Ji Feng every day, as long as Ji Feng came to see her and Yao Yao occasionally, she would already be satisfied.

She originally thought that this happy life would last forever, but now it seemed that perhaps it was time to end it.

Qin Shujie's pair of eyes looked at Ji Feng, but there was an unstoppable sadness and sourness in her heart.

The happiness, is about to go far away.

Qin Shujie bit her lips and looked at Ji Feng with her eyes, waiting for his answer.

At this moment, Ji Feng was deliberating his words, and for a moment, he did not notice Qin Shujie's difference. After a moment of contemplation, he said, "Although Lei Lei and Yu Xuan were a little angry, they did not react too aggressively"

He couldn't help but pause here, Tong Lei didn't overreact, while Xiao Yuxuan, on the other hand, almost didn't return once she was gone.

But there is no need to tell Qin Shujie about this matter, telling her would only make her more worried.

"However, they are the ones who want to meet you." Ji Feng said.

"..... what?!" Qin Shujie couldn't help but stare.

Ji Feng smiled bitterly and said, "They intend to meet you not the kind of dinner together last time, they probably want to meet you formally once."

Qin Shujie asked with a strange face, "Maybe?"

Ji Feng said with a bitter smile, "This is just my guess, but they do want to meet you, that's why I came over"

In fact, he didn't know why Tong Lei and Xiao Yuxuan wanted to see Qin Shujie.

From the meaning of their words there, they seemed to acknowledge Qin Shujie's existence, but on further reflection, the two of them hadn't made any clear statements, so Ji Feng wasn't sure if they really accepted Qin Shujie or not.

Qin Shujie just couldn't help but be a little stunned that Tong Lei and the girls, wanted to see her? Instead of her imagining that Ji Feng had come over to say goodbye to her?

But in that case, the sourness in Qin Shujie's heart was vaguely less, but more apprehensive.

Ji Feng's two real girlfriends wanted to see her as a lover, what was she going to do afterwards? And what was to be said?

"So how do I meet?" Qin Shujie asked hesitantly.

"Take a trip to my house and have dinner together tonight." Ji Feng said, "Also take Yao Yao with you, Yu Xuan quite likes her."

"Take Yao Yao with you?"

Qin Shujie was a little surprised and hesitantly said, "Isn't it a little bit not good to bring Yao Yao on this occasion?"

"It's fine, Yu Xuan really likes this little girl, she also likes to have a lot of people around." Ji Feng said, he knew Tong Lei and Xiao Yuxuan well enough to know their personalities and knew that even if they were angry, they would never do anything to Yao Yao in front of her, let alone to her.

Besides, it was still Tong Lei's word to take Yaoyao with him, so naturally it was even more okay.

Qin Shujie could not help but hesitate when she heard what she said.

She was extraordinarily apprehensive in her heart, especially when she thought of the scene after meeting with Tong Lei and Xiao Yuxuan, she couldn't help but be a little nervous, what should she say after meeting them?

Should I say, "Sorry, I stole your boyfriends from you?"

That was obviously too outrageous.

But going over was a must, Qin Shujie knew that if she didn't go, I was afraid that Tong Lei and Xiao Yuxuan would really force Ji Feng to make a choice.

Qin Shujie wanted to grasp this hard-earned happiness, so even though she knew it would definitely be awkward after meeting her, she decided to go.

"Shu-jie, if it's difficult for you, then forget it." Seeing Qin Shujie's silence and somewhat uncertain expression, Ji Feng couldn't help but say.

Whether it was to Xiao Yuxuan and Tong Lei or to Qin Shujie, Ji Feng had the same heart, so he didn't want to see Qin Shujie embarrassed either.

"Go on then, I'll be fine."

Qin Shujie shook her head and said, "Besides, your family's main house has given the word, if I don't go, I'm afraid you'll have to be embarrassed, right?"

Ji Feng laughed: "What main house you all have the same position in my heart."

Qin Shujie pursed her lips and smiled lightly, hearing Ji Feng say this she was still very happy in her heart. But she had a number in her own heart, Ji Feng could treat her the same as other women, but she had to put herself in the right place, after all, she was married and had children, and in this she owed Ji Feng something.

“I’ll go get Yao Yao then.” Qin Shujie said.

“There’s no rush.”

Ji Feng waved his hand, the little girl had just fallen asleep, it was better to let her sleep a little longer.

Qin Shujie pulled the blanket for her daughter again and said, “It’s just as well to bring Yao Yao along now, if I don’t take her, I’ll have to call the nanny and ask her to come over, I’m not comfortable with her being at home alone.”

Ever since the robbery at the convention centre, Qin Shujie had been in some shock, so she had stayed at home for a while, so she could not use the nanny, so she gave the nanny a few days off and let her go back home.

When it comes to this, Ji Feng looked at Qin Shujie’s complexion and found that although she still looked a little worried, she no longer had that vague panic, so I guess she had almost recovered and should have come out of the shadow of the robbery.

Since it was still early, Ji Feng made small talk with Qin Shujie while waiting for Yao Yao to wake up from her nap. It was only until around 4pm that the little girl rubbed her hazy sleeping eyes and woke up.

And as soon as she heard that she was going out to play, she got excited and immediately came to life, obediently following Qin Shujie to the bathroom to wash up.

Afterwards, Ji Feng drove them, mother and daughter, towards home.

However, as they got closer and closer, the uneasy look on Qin Shujie’s face was becoming more and more obvious. She bit her lip, and even her daughter’s frolicking she didn’t have the energy to teach.

“Shu-jie, it’s alright.” Ji Feng could see her nervousness and couldn’t help but comfort her, “It’s just a meal together, they won’t do anything to you!”

Neither Tong Lei nor Xiao Yuxuan were the nasty kind of people, especially Tong Lei, who didn’t like to fight with people and rarely even got red-faced with them.

Meanwhile, in the villa of Ji Feng’s family, Xiao Yuxuan and Tong Lei were nevertheless talking about Ji Feng and Qin Shujie.

“Why hasn’t he come by now?”

Xiao Yuxuan looked at her wristwatch and frowned, “It’s already this time, could it be that Qin Shujie doesn’t want to come?”

Tong Lei shook her cicada and said, “Who knows. But I think if she is sincere in following Ji Feng, she should come.”

If Qin Shujie was sincere about Ji Feng, then she would definitely take this meeting seriously instead of pushing it away, unless she was following Ji Feng just for his money and power.

“Maybe she will find a reasonable excuse?” Xiao Yuxuan said, “You met her last time, this woman is very smart and very good at what she does.”

Although she had only met Qin Shujie last time and had a meal with her, she could see that Qin Shujie was very smart and was quite good at getting things done.

If Qin Shujie wanted to find any excuse, it would not be difficult at all.

“Otherwise, I’ll give Ji Feng a call?” Xiao Yuxuan said.

“It’s better to wait a bit longer.” Tong Lei shook her head and said, “We’ll wait, if she doesn’t come, there’s no point in talking!”

Campus Master Chapter 2689

“Tick-tock-!”

With two beeps coming from the horn, a black SUV appeared in front of the villa.

It was coming!

Tong Lei and Xiao Yuxuan glanced at each other, they immediately knew that it was Ji Feng who had returned, they just didn’t know if Qin Shujie had come with them.

“I’ll go and open the door.”

Tong Lei casually picked up the remote control on the coffee table and pressed it against the villa gate, the gate opened automatically, and Ji Feng stepped on the gas and drove the car directly into the backyard.

“Didn’t come?”

Xiao Yuxuan frowned, if Qin Shujie was sitting in the car, Ji Feng should have stopped the car in the front yard and let the people in the car get down first before driving to the garage in the backyard to park it, but now he was driving directly to the backyard, it seemed that Qin Shujie was not following along.

This makes Xiao Yuxuan a little vaguely unhappy, and I don’t know if Qin Shujie doesn’t consider Ji Feng that important, or if she thinks that her and Tong Lei’s invitation is nothing?

Although her heart was not happy, Xiao Yuxuan did not say anything, Tong Lei was right, they had invited, it was Qin Shujie’s own business whether she came or not.

In fact, Qin Shujie, who was sitting in the car at the moment, was also asking Ji Feng, saying, “Why did you drive here directly? Wouldn’t it be better to let me get off at the front yard?”

Although she was a guest today, she was a guest of a special nature, or rather, she was here for a review, so it was not good to sit in the car with such a big smile. It would be more polite to get out of the car right in the front yard.

Although politeness does not really mean anything now, it is better to be polite than not to be polite at all.

The actual fact is that Ji Feng shook his head and said, "It's okay, come with me."

In fact, what he was considering was that if Qin Shujie got out of the car with Yao Yao in the front yard, it would be more or less awkward for her to meet Tong Lei and Xiao Yuxuan, and I'm afraid that Tong Lei and Xiao Yuxuan would also be uncomfortable, so it would be better to let the two of them come with him.

As soon as he arrived at the door of the living room, he saw that Tong Lei and Xiao Yuxuan were sitting in the living room drinking tea and chatting, and he immediately felt Qin Shujie's feet stiffen.

In fact, at this moment, Tong Lei and Xiao Yuxuan felt that Qin Shujie had not come, so they did not care about Ji Feng coming over, and they only looked up for a moment when Ji Feng entered, and then they immediately heard a brittle voice: "Auntie Lei Lei, Auntie Yuxuan!"

Swish!

Tong Lei and Xiao Yuxuan turned their heads abruptly and immediately saw a delicate little girl who looked as if she was a porcelain doll running towards them happily.

"Yao Yao?"

Tong Lei was a little surprised, then she saw Qin Shujie who was following Ji Feng.

Xiao Yuxuan also saw Yaoyao, and her originally somewhat slightly taut pretty face immediately subconsciously revealed a smile, then she saw Yaoyao immediately jump into her arms, "Auntie Yuxuan, Yaoyao misses you."

Xiao Yuxuan's original displeasure disappeared without a trace, originally she was still vaguely angry, but her mood immediately improved when she saw Yao Yao.

It was because this little one had stayed here for a few days last time and brought her too much joy and was too likeable, so she couldn't get angry when she saw her.

"Yaoyao, come here quickly, no pestering auntie!"

Qin Shujie was behind her, but she immediately reprimanded, "Hurry up, or else mum will get angry."

The little girl then got a little resentful and wanted to stand up from Xiao Yuxuan's arms, but was stopped by Xiao Yuxuan: "It's okay, this child is very cute, I like her a lot! Didn't I also take her for a few days last time?!"

Qin Shujie immediately smiled a little unnaturally, in fact at that time she was embarrassed in her heart, because at that time she and Ji Feng had already established their relationship, but Xiao Yuxuan was still in the dark helping her to bring up the child, and she was not good at explaining it, now Xiao Yuxuan mentioned this matter, she was inevitably a little unnatural.

“Mr. Qin, please have a seat.” Tong Lei, as the hostess, politely invited Qin Shujie to take her seat, then turned her head to Han Zhen, who was at the side, and said, “Zhen Zhen, go and get Bai Zhu here as well.”

“Yes.”

Han Zhen nodded and answered.

At this moment, Tong Lei got up and poured a cup of tea for Qin Shujie, and just as she wanted to bring it to Qin Shujie, she hurriedly said, “I’ll do it myself I’ll do it myself, you’re too irritating.”

Ji Feng couldn’t help but look at the side and scratch his head a bit, this nervousness Qin Shujie showed at this time, but it was very different from her bashfulness, obviously in front of Tong Lei she was very loose.

Qin Shujie took the cup of tea, but did not drink it, but put it on the coffee table in front of her, her gaze flickered a little, her heart was weak, naturally she did not dare to look at Tong Lei and Xiao Yuxuan, in front of them, Qin Shujie had an uncontrollable feeling of nervousness.

Naturally, Tong Lei could see this, she pursed her lips and said, “Mr. Qin, you don’t need to be too nervous here, just treat it as if you were in your own home, I’m not too good at greeting people, so please don’t be offended if there’s any poor hospitality.”

Qin Shujie immediately said, “No, no.”

Ji Feng then couldn’t help but be a little surprised, how did Tong Lei have this attitude?

This is not at all like to settle accounts with Qin Shujie, but rather like a treat for dinner, but how can he not believe that Tong Lei and Xiao Yuxuan called Qin Shujie just to meet and eat a meal.

He couldn’t help but mutter in his heart, he really didn’t know what would happen next.

At this time, a footstep sounded and Han Zhen and Bai Zhu walked over, Bai Zhu asked, “Lei Lei, you’re looking for me? General Qin is here, hello.”

“Hello hello.” Qin Shujie hurriedly returned.

“All sit down.”

Ji Feng saw Qin Shujie at this moment behaving like a little daughter-in-law who was angry, his heart was more or less intolerant, this matter was all caused because of his own flirtation and philandering, the one who should be most angry should be himself, he should not have let Qin Shujie be angry here, so he immediately spoke out to round up the situation.

Bai Zhu and Han Zhen both sat down, and Xiao Ying brought in washed fruit from the kitchen and placed it on the coffee table, then also took a seat next to them.

The living room on the ground floor of the villa was large, and there were plenty of sofas, so it was no problem at all to sit down a few people.

“I want to sit too.” Yao Yao saw everyone sitting down and couldn’t help but want to join in the fun too.

“Good! Yao Yao also sits!” Xiao Yuxuan couldn’t help but shake her head with a smile and hugged her little girl and placed her on the sofa next to her, making her sit down like a little adult as well.

Her appearance made everyone present smile, and the originally somewhat awkward atmosphere eased somewhat.

At this moment, Tong Lei and Xiao Yuxuan glanced at each other, and then heard Tong Lei say, “General Qin, the main reason for inviting you here today is actually to meet with you precisely, to sort of formally get to know each other, and then there is that Sister Yuxuan and I have something we want to talk to you about, so if we have done something presumptuous, please forgive us.”

Qin Shujie’s pretty face was hot, of course she understood the meaning in Tong Lei’s words, they had already known each other before, and now this so-called formal acquaintance was obviously talking about her and Ji Feng’s affairs.

So she blushed slightly and quickly waved her hand, “You’re too polite, if you have anything to say, just say it, I’m all ears.”

She knew what she had done was wrong, at least in front of Tong Lei she was at a disadvantage, and she had never wanted to compete with Tong Lei and the girls for anything, nor did she want to compete with Ji Feng, so she put her posture down, and she was not a domineering person in the first place.

Tong Lei then nodded slightly, her beautiful eyes looked at everyone present, and then rested her gaze on Bai Zhu’s body for a moment longer, seeing that Bai Zhu was somewhat suspicious, she then said, “The reason why I called everyone here today is actually because there are some things I want to announce to you, but before I do, Sister Yu Xuan wants to speak to Mr. Qin alone”

“General Manager Qin, can you come with me for a moment?” Xiao Yuxuan asked with a smile.

“..... Okay.” Qin Shujie froze for a moment before immediately nodding her head and saying.

“Please.”

Xiao Yuxuan stood up and walked towards the back door of the villa.

Ji Feng opened his mouth to speak, but was suddenly interrupted by Tong Lei: “Ji Feng, Bai Zhu, you two come with me.”

“Me?”

Bai Zhu froze.

Ji Feng, however, immediately asked, “Lei Lei, you guys are”

Tong Lei said, “Just follow me.”

Got it!

Ji Feng shook his head helplessly and couldn’t help but glance at the direction Xiao Yuxuan and Qin Shujie left, he really didn’t know what Xiao Yuxuan was going to say to Qin Shujie, with Xiao Yuxuan’s character and persona, he shouldn’t have spoken ill of Qin Shujie, right?

At this time, he was in a more apprehensive mood than even Qin Shujie.

Tong Lei took them directly to Bai Zhu's bedroom, and as soon as the door was closed, Ji Feng couldn't help but ask, "Lei Lei, what exactly are you and Yu Xuan going to do? What is Yu Xuan going to say to Shujie when she takes her to the back?"

"You're still afraid that Sister Yu Xuan will eat her, huh?" Tong Lei gave him two blank looks.

"I just can't figure out what the hell you guys are trying to do here." Ji Feng couldn't help but laugh bitterly.

"Of course it's to talk to her."

Tong Lei said, "Sister Yu Xuan is more eloquent than me and better at dealing with people than I am, so I asked her to talk to General Manager Qin on my behalf and see what she thinks."

Ji Feng asked suspiciously, "Ideas?"

Tong Lei hummed and said, "What, you are in this kind of relationship with someone, can't we talk to her?"

Ji Feng then couldn't help but laugh bitterly.

At this time, Bai Zhu also realized that something was wrong, she was a little apprehensive in her heart and hesitantly said, "Lei Lei, then you are looking for me"

"What, are you still planning to hide it from me?" Tong Lei frowned slightly and said, "If we don't force Ji Feng, are you two planning to just keep hiding it?"

"Ah?!"

Bai Zhu exclaimed, she had always been calm, but at this moment her pretty face turned red, her eyes didn't dare to look at Tong Lei, she just asked apprehensively, "Lei Lei, you, you know all about it?"

Campus Master Chapter 2690

"Ah?!"

Bai Zhu exclaimed, she had always been calm, but at this moment her pretty face turned red, her gaze didn't even dare to look at Tong Lei, she just asked apprehensively, "Lei Lei, you, you know all about it?"

At this moment, her face was red, as if she was a child caught stealing food, and she was vain and shy.

However, more than that, she was still apprehensive in her heart.

Will Tong Lei agree to the matter between herself and Ji Feng?

And also, this matter for themselves, in the end will have what kind of ending? All this Bai Zhu does not know, and this, but depends on Tong Lei's attitude to decide.

At this moment, even if Bai Zhu, who used to kill without blinking an eye and had a great reputation in the foreign assassin world, was incomparably apprehensive at this moment, and in this moment she even had a feeling of being at a loss for words.

The reason is that Tong Lei's question was too sudden, so she was not half prepared, so she did not know how to respond.

"Ugh"

Seeing Bai Zhu's apprehensive look, Tong Lei couldn't help but let out a soft sigh in her heart, biting her lip also didn't know what was so good about this guy, why these women, including Bai Zhu, still pounced on Ji Feng even though they knew he already had a girlfriend.

To say that they are for Ji Feng's money and power, how others Tong Lei is not clear, but Bai Zhu is living with her, she naturally understands Bai Zhu's character and knows that Bai Zhu is certainly not for these.

As for what Qin Shujie and Xu Yuan and the girls were really after, that would have to be known after Xiao Yuxuan talked to Qin Shujie.

"Bai Zhu, you should know that Ji Feng is definitely unable to give you any name, and maybe you don't even have much chance to go out and meet people, haven't you ever thought about the future?" Tong Lei looked at Bai Zhu and asked in a soft voice.

"Lei Lei, I haven't thought about any of these issues." Bai Zhu shook her head and said.

"Oh? Why?" Tong Lei couldn't help but ask.

"With my status"

Bai Zhu slowly shook her head and said, "I had no intention of doing anything, besides, is there anything good about going out to meet people? I just want to follow Ji Shao's side, to be able to take care of his life to protect his safety, I'm satisfied, as for the rest, I don't have any cravings!"

Not to mention anything else, based on her status, it was almost impossible to have freedom in China if she didn't follow Ji Feng, after all, she was once not only an assassin, but also the head of the West Xia branch of the dynasty, and this could not be changed no matter when.

It could be said that Xiao Ying and Han Zhen could even leave at any time if they didn't like it here, but not her.

She knew her own past, so she never wanted to ask for a name when she was with Ji Feng, and she was content to be with him as his personal guard.

When Tong Lei heard that, she couldn't help but feel a little soft.

With a sigh, Tong Lei said, "Bai Zhu, in fact, this relationship of yours, you should have told me earlier, we've been a family for a long time, so why do you have to be so sneaky?"

"I'm sorry." Bai Zhu was ashamed.

"Hm?"

Ji Feng heard Tong Lei's words but he couldn't help but stare, and then he said, "Lei Lei, this is"

Tong Lei pursed her lips and said, "That's it, treat Bai Zhu well in the future."

“Ah?” Bai Zhu immediately froze and looked at Tong Lei with incomparable surprise and astonishment, how could she have not expected that Tong Lei would call her over and actually tell her such a sentence.

Tong Lei actually agreed?

Ji Feng, however, could not help but feel a little guilty, he understood why Tong Lei would be so accommodating, obviously it was because Tong Lei loved him, and a woman could make such a sacrifice, but it was enough to say everything.

“Lei Lei”

Ji Feng shouted, and finally could only say, “Commiserate with you.”

With a delicate hum, Tong Lei gave him a white glance and said, “Don’t be complacent, just because I forgave Bai Zhu and accepted her, doesn’t mean I forgive you.”

“Then”

“I’m telling you, if I find out that you’ve gone too far or treated either of us badly again in the future, I’ll definitely leave you!” Tong Lei said as she glared at him.

Ji Feng couldn’t help but feel a burst of wild joy in his heart, when Tong Lei said this, she had undoubtedly agreed that the matter had been revealed.

He did not make any promises to Tong Lei, although many girls like to hear sweet words, but in Ji Feng’s opinion some promises are good to put in the heart, and doing it is more powerful than any more sweet words.

And at this time, Bai Zhu’s whole person is still a little dazed, happiness came too suddenly, so that her original apprehensive mentality that was still waiting to accept Tong Lei’s trial was suddenly filled with great joy, which made her not even know what to say for a moment, just looking at Tong Lei in a daze.

“Lei Lei, I am sorry.”

“Don’t say this, it’s all family.”

Tong Lei stepped forward, took Bai Zhu’s hand and said, “According to my age, I should call you sister, Ji Feng also told me a lot about you, and I also know that you once went out of your way to even block a bullet for him, and even stood in front of him when the bomb exploded, so I should have said thank you to you, but since we are a family, then I won’t say anything. ”

Bai Zhu pursed her lips vigorously, but the kind of happiness and emotion in her chest was what made her nose tingle.

Such straightforward and honest words from Tong Lei really touched her from the bottom of her heart, everything she had done was worth it, to have Tong Lei’s recognition and acknowledgement made her feel happier than anything else.

“Lei Lei, thank you.” Other than thank you, Bai Zhu really didn’t know what to say.

“You don’t have to be polite, to say thank you, you can go and thank Sister Yu Xuan, it’s not just my intention, she had the same idea. It’s just that I’m not good with words, so I’ll leave the task of talking to Mr. Qin to her, and I’ll just have to talk to you.” Tong Lei pursed her lips and smiled.

This smile she spread her face, but it was a touch of charm in her clear beauty, extraordinarily moving.

Bai Zhu even looked slightly dumbfounded, and then bit her lips and nodded silently. Although Tong Lei lightly pushed it all onto Xiao Yuxuan, Bai Zhu naturally knew clearly that in fact, in this family, if Tong Lei insisted on disagreeing with a matter, Xiao Yuxuan had to respect her opinion.

Xiao Yuxuan jokingly referred to Tong Lei as Great Grandmother, which was a joke but was also true.

I was afraid that no one could replace Tong Lei’s position in Ji Feng’s mind.

So Bai Zhu knew that they were able to accept themselves and that Tong Lei must have nodded her head in agreement.

Bai Zhu took Tong Lei’s hand, her emotions stirred, she really didn’t know what to say, but the gratitude in her heart was beyond words.

Ji Feng looked at this scene and felt emotional in his heart, Tong Lei’s generosity really made him a little ashamed, he couldn’t help but shake his head and smile bitterly, it really didn’t look like he was any good!

Then, Ji Feng was worried about Qin Shujie, he wondered what Xiao Yuxuan would talk to her about when she called Qin Shujie over alone, would she accept her like Tong Lei did or would she politely persuade her to leave her side?

“Lei Lei, what did Yu Xuan plan to talk to her about when she called Shujie over?” In the end, Ji Feng still couldn’t help but open his mouth and ask.

“You’re so worried about General Manager Qin?” Tong Lei asked.

Ji Feng’s old face flushed and he coughed lightly, “That what, I’m just a little curious.”

Tong Lei gave him a blank look and said, “Don’t worry, Sister Yu Xuan won’t do anything to your General Manager Qin, you ah, don’t worry so much, Sister Yu Xuan just wants to have a casual chat with General Manager Qin.”

In fact, Xiao Yuxuan was to represent Tong Lei, to see what kind of person this Qin Shujie really was, and also to test out what she was following Ji Feng for, whether she thought Ji Feng’s identity? Or is it because she really has feelings for Ji Feng?

.....

Originally Qin Shujie was extremely apprehensive in her heart, she didn’t know exactly what Xiao Yuxuan would say to her, even her heart had already prepared the worst plan – if Xiao Yuxuan kicked her out, whether it was a euphemism or a fierce word for her to leave Ji Feng, she would make a great effort to restrain her emotions lately.

Because it was herself who had wronged them!

However, what made Qin Shujie feel surprised was that what Xiao Yuxuan talked to her about were all small and trivial matters. For example, chatting about something about Yao Yao, asking her about her jewellery company and family situation, and not mentioning anything between her and Ji Feng at all.

This made Qin Shujie strange and at the same time, her heart became even more uneasy.

The first time I saw Xiao Yuxuan's stunning face, which was not inferior to hers and even better than hers, Qin Shujie's heart was somewhat unsure, she did not want to compare her beauty with Xiao Yuxuan's, only that Xiao Yuxuan was too charming and moving, even the confident she had a feeling of being overshadowed after seeing her.

This made Qin Shujie's intention to see Xiao Yuxuan's true inner thoughts from her face also fall through.

The women around Ji Feng were really more beautiful than one another.

The woman in front of her was so charming that Qin Shujie did not have much confidence in front of them.

Therefore, after chatting for a while, she gradually became a bit restless.

Biting her lips, Qin Shujie finally opened her mouth and said, "Mr. Xiao, I must say sorry to you, please don't blame Ji Feng, because it was me who took the initiative to seduce him"

Xiao Yuxuan glanced at her, "Oh?"

Qin Shujie took a deep breath, as if she had made a great determination, and said, "Because Ji Feng is down-to-earth and stable, and is a strong man, among the men I have met, he is the one who can bring me the most security!"
