

Campus Master 2701

The police station, inside an office.

Du Yang Yi was smiling and said, "Team Chen, so what, can I ask you something?"

Team Chen frowned slightly and asked, "It's about that junior high school friend of yours, right?"

"Team Chen is wise!"

Du Yang Yi heatedly laughed, "Team Chen, I know my identity is to avoid suspicion, so I didn't say I wanted to see him, that's what, let me tell you about his family situation, this person, his family is very poor, his mother is a vegetable seller, school fees sometimes have to be paid a few days late, for this is also often lectured by the teacher."

Chen team frowned, "What about this? You want to say something, just say it directly, don't beat around the bush here, I'm tired of looking at it!"

Du Yang Yi heatedly laughed and scratched his head, saying, "Team Chen, I mean this, I wonder if I can ask Team Chen to mediate a bit, let Ji Feng give that person an apology, and then see how to compensate, and then let this matter go, let them settle privately, what do you think?"

Team Chen frowned: "A private settlement?"

"Yes, think about it, even if the person who reported the case is really identified as a minor injury, but my classmate is a poor man, he will not have the money to compensate, at most, he can only be sentenced to jail, and the person who reported the case will not get anything, so why is it necessary?"

Du Yang Yi said, "So, also Chen team to stand out to host a little, you give them both mediation mediation, then maybe it is a happy situation"

The first thing you need to do is to take a look at the situation. I say you've been studying at the police academy all these years for nothing? Besides, I don't think you two have a good relationship, right? If you excuse him now, I'm afraid he doesn't even know that he will accept your favor, right? You're so confused!"

Chen was a veteran police officer, he could tell at a glance that Du Yang Yi and that Ji Feng were not very familiar with each other, otherwise, they hadn't recognized each other on this journey?

Now, this little Du actually helped to exonerate people, whether they would accept the favor is Liang Liang said.

"The person who reported the case is a lawyer, this kind of person is the most difficult to deal with and has the most complicated network, maybe he knows someone who has a lot of influence, I advise you not to interfere!" Chen team added.

"This"

He knew that what Chen said was reasonable, if you want to mix in this society, you have to be good to people and be cautious, what you are most afraid of is inadvertently offending someone with a good

reputation, if that person who reported the case is not happy to mediate, he might really make some kind of trouble with himself.

Hesitating for a moment, Du Yang Yi could not help but say: "Chen team, not to hide you say, I went to school because of late development, long and thin, often bullied by others, at that time, also Ji Feng in order to say something, others are looking at the joke, so I treat him as a friend! "

Chen team sniffed could not help but look at him, and then nodded and smiled and said, "Xiao Du, know which point I appreciate most about you?"

Du Yang Yi shook his head.

Team Chen said, "What I appreciate most is not your high education, your police academy, or the fact that you have developed a good set of hands, but because you are a true character.

Du Yang Yi immediately nodded his head and said, "Thank you for the teaching of Team Chen, I will remember it carefully!"

Team Chen nodded at him, "You kid, you just praised you a few times and you start kissing ass, you don't learn all day long!"

Du Yang Yi just hemmed and hawed.

"Well, Xiao Du, mediation is not impossible, but the first thing we have to do now is to ask both of them for their consent, how about this you go and talk to that classmate of yours, I'll contact the informant, if the informant agrees, then I can mediate with them. "

Chen team slightly deliberate for a moment, said: "you first do not be happy, I can have a word in advance, if the reporters do not agree to mediation, when the time comes, you kid must give me honest, whether your classmate is detained or sentenced, if you dare to mess up, I will definitely clean you up!"

Du Yang Yi immediately saluted, "Yes!"

"Go on!"

Watching Du Yang Yi run out in a flash, Team Chen couldn't help but curse with a laugh, "Brat!"

The interrogation room.

Du Yang Yi came in with gusto: "Ji Feng, let me tell you a good news, our Chen team is planning to mediate for both of you, if the mediation is successful, things will be much better uh, you're actually sleeping?!"

He was halfway through his sentence when he realized that Ji Feng, who should have been apprehensive, was actually leaning back in his chair and hugging his arms in sleep at the moment?!

Hopefully, this kid is not nervous at all?

"Why does your team Chen want to help us mediate?" Ji Feng slowly opened his eyes and asked, "It was you who helped, right?"

"Let's not talk about that first."

Du Yang Yi waved his hand and said, "Ji Feng, this is a rare opportunity, when the time comes, if mediation is done, it may involve apologies and compensation, you"

Before he could finish his words he was interrupted by Ji Feng, only to see Ji Feng shaking his head and saying, "No need, I guess the other party won't agree to mediate, besides, I don't agree to mediate either."

"What?!"

Du Yang Yi was stunned, he looked at Ji Feng and said in astonishment, "You don't agree either? I say buddy, are you confused? Now it's you who beat up the others, if a minor injury is really identified, it's you who will be in jail then, not the others!"

Ji Feng nodded and smiled, "I know. Buddy, thanks. But I really don't need mediation."

"You're"

The defendant did not agree to mediation, but in this case, it is really strange that he did not agree to mediation.

I know you mean well, and I'm here to thank you. But you don't know the inside story of this matter, so you shouldn't ask too much, I'll take care of it myself!"

Du Yang Yi looked at him, only to see his bemused smile, helplessly, Du Yang Yi could only shake his head and said, "Suit yourself, it's out of my hands."

Ji Feng nodded with a smile and said, "That's right, I appreciate your kindness, but this is really not what you think it is line, let's not talk about that, by the way, I still don't know that you actually became a police officer in Jinling, you're mixing well!"

"What ah!"

Du Yang Yi shook his head and laughed and said, "I ah, because at that time I was afraid of being bullied, so I thought of being a police officer to catch all those bad guys, as a result, now when I think about that time, it's quite funny."

Ji Feng could not help but smile at his words, but in his heart, he had some good feelings towards this Du Yang Yi, the current Du Yang Yi seemed much more cheerful than before, moreover, people were also much more confident, and just just just met him, he was in the middle to say peace, although this could also be a kind of face-saving thing for Du Yang Yi, but he could do this to make a show is already considered okay.

Moreover, from Du Yang Yi's body Ji Feng really didn't feel that kind of hypocrisy.

"Buzz~"

As the two were chatting, Ji Feng's mobile phone suddenly vibrated, because this was only an injury case and the case had not been decided yet, so Ji Feng's mobile phone had not been confiscated, he casually took out the phone and found that it was his elder brother Ji Shaodong calling.

It must be Li Yueqin who had informed big brother.

As expected, as soon as Ji Feng picked up the phone, he heard Ji Shaodong's voice come through, "San'er, I heard from Auntie Li that you and Xiaotong were both arrested? Are you okay now?"

Ji Feng smiled, "I'm fine, and so is my sister. Brother, keep an eye on it for me, if Liu 30 identifies minor injuries later, then someone must have faked it."

Ji Shaodong immediately understood, he nodded and said, "Arrangements have already been made, just wait for my call."

After receiving Li Yueqin's call, he had learned about it as quickly as possible and had already made the arrangements as well.

The two brothers didn't say a few words before hanging up, at this time Du Yang Yi also received a phone call, however just after answering it, he changed his face, "Buddy, there's trouble, the results of the other party's identification came out, minor injuries, the Chen team said they're going to file a case!"

"Oh? Minor injuries?"

Ji Feng couldn't help but laugh at his words, "That's a good thing!"

Du Yang couldn't help but choke for a moment: "A good thing? Dude, are you sure you're alright? This is a criminal case!"

Ji Feng smiled, "It's a good thing, don't worry."

Du Yang a then a little speechless, still want to say something, but in the end, can only want to say, can only say: "Buddy, then I can not say anything more, I need to avoid suspicion, you take care of yourself, if you need any help, just say."

Ji Feng smiled and nodded, saying, "This kindness of yours, I accept it."

"Saying this is out of line, take care of yourself." Du Yang Yi shook his head helplessly, but he could only leave.

Ji Feng smiled and nodded, but in his heart, he looked a few points higher at Du Yang Yi, not that he was condescending, but Du Yang Yi's actions made him feel that this classmate was not bad and was a friend he could make.

As for what Du Yang Yi told him – that Liu Xie's appraisal result was minor injuries, the police would have to open a case and he would probably be sentenced in the end – he didn't even take it to heart, but in his heart he had already predicted what would happen to Liu Xie.

Even, Ji Feng could anticipate how Liu 30 would flaunt and shake next!

However, there was one thing that Ji Feng had not expected. Liu thirty came to the police station after the identification of his injuries, but first asked to see Li Yantong with the police.

"Liu thirty?"

Li Yantong couldn't help but be a little surprised to see Liu thirty, but immediately, a flash of anger flashed through her eyes, "Liu thirty, you've gone too far!"

Liu Thirty couldn't help but snort coldly and said angrily, "I'm going too far? Li Yantong, you still have the nerve to talk about me? You and your bullshit brother teamed up to beat me on the ground, thanks to the fact that I'm still your man, and you still say that I'm going too far?"

"You"

Campus Master Chapter 2702

Hearing these words from Liu thirty, Li Yantong was so angry that she could hardly speak, her face turned red and she pointed at Liu thirty, her fingers were trembling slightly, "Liu thirty, you are shameless!"

Liu Thirty sneered and said, "I'm shameless? Li Yantong, now you've finally started attacking me too, how nice!"

A touch of anger appeared on his face, "Fine! I'm still shameless, so what?!"

Li Yantong was furious: "You are incorrigible!"

"Yes!"

Liu Thirty gritted his teeth and said angrily, "I'm incorrigible! When your mother unmercifully humiliated me and disliked me for being poor, I was already hopelessly humiliated! When your bullshit brother humiliated me by lecturing me in Jiangzhou, I was hopeless too! Just a few hours ago when you guys pinned me to the ground and beat me, I was even more hopeless!"

He suddenly roared, "But why the fuck did I become so incorrigible?! Ah?!"

Li Yantong said angrily, "That's because you are selfish by nature, you have too many bad roots in you!"

At this moment, Li Yantong really saw through the nature of Liu Xie, she finally realized that the man she once liked was really a scum!

Perhaps Liu thirty was not as beastly as other scum had shown, and had not yet done anything that was outrageous to God and man, but his kind of bad roots and his kind of shamelessness were definitely not worse than other scum!

The reason why he hadn't done anything worse was because he didn't have the opportunity to do so, and if he had the chance, God knows what he would have done!

Looking at the almost insane look of Liu Thirty, and then seeing his villainous ambition, Li Yantong really felt a chill from the bottom of her heart.

She was so blind, how could she have been deceived by his rhetoric and fallen for such a scum!

"Liu XXX, what do you want!" Li Yantong sighed deeply in her heart, this sigh, as if she had left all the past between her and him behind, anything they had done before, all their relationships, were far away with this sigh.

After seeing Liu thirty's true face clearly, Li Yantong was completely awake.

Especially when she saw this madness of Liu thirty, even going so far as to smear her with this kind of villainous ambition, it gave Li Yantong a heartfelt disgust!

Therefore, at this time, Li Yantong began to deal with Liu thirty in a business-like manner.

“I’m afraid that you’re not just here now to flaunt your power, right?” Li Yantong said, “If I’m not wrong, you must have other demands, right?”

“Hmph! What do you think?” Liu XXX gave a cold laugh.

Li Yantong slowly shook her head and said, “Liu Thirty, don’t think that you are the only smart person under the sky, say it, what do you want to do!”

In fact, Li Yantong was an extremely intelligent person, but because her character was originally somewhat weak, many people did not notice her intelligence and wisdom, and the same was true of Liu Thirty.

However, he had not thought about how, if Li Yantong was not smart enough, she could have come from a poor family and through her own efforts not only got into a famous university, but also went to a highly professional graduate school.

The reason why he did not notice Li Yantong’s intelligence was merely that Li Yantong did not like to show it, and, in front of her own boyfriend, Li Yantong preferred to be a small woman, which was also her own character.

But this made Liu thirty think that he could control everything and even lead Li Yantong by the nose, and now that this scene fell in Li Yantong’s eyes, looking at Liu thirty’s little tactics, little calculations, Li Yantong only felt ridiculous!

–If the results of the injury test proved that there was nothing seriously wrong with him, then would he still be here? Would he still have such a brazen and even villainous look?

Therefore, Li Yantong was almost certain that the results of the injury test must be very favourable to Liu Thirty.

And looking at his current appearance, she was afraid that it might not be as simple as just venting out a bit, she guessed that Liu thirty should have something else in mind.

“Pop pop pop pop~~~”

A smile surfaced on Liu Thirty’s face as he said with a smile, “Clever! Xiao Tong, you’re really smart, worthy of being the woman I like

Before he could finish his words, he was interrupted by Li Yantong.

A look of disgust surfaced on her face and she said, “Just say what you have to say, don’t say such useless things!”

Liu XXX then secretly gritted his teeth, Li Yantong’s contemptuous look in his eyes was simply like a sharp knife stabbing him in the heart, giving him a feeling of being humiliated once again.

“Good! Since you are so forthcoming, then I will also be straightforward!”

Liu XXX was somewhat infuriated as he stared at Li Yantong and said, "To tell you the truth, the results of my injury test have come out and the appraisal result is minor injuries, I don't think I need to tell you what that means, right?"

Li Yantong's face changed when she heard that, but then she just coldly snorted and ignored him.

Lightly injured, what would be the result, of course there was no need for others to tell her, so although she did not move on the surface when she heard this, she could not help but feel a tightening in her heart.

"Xiao Tong, that good brother of yours, but he's going to jail!" Liu thirty-three but proudly grinned, "Minor injuries, the maximum is can be sentenced to three years ah!"

"No need for you to tell me!" Li Yantong coldly snorted, "Liu thirty, don't flaunt your authority here, just say what you want!"

This behaviour of Liu thirty made her feel extremely disgusted.

"What I want is very simple!"

Li Thirty snorted coldly, remembering his own experience of being humiliated, he couldn't help but grit his teeth and his expression was all a bit fierce: "I want you to stay with me for one night!"

"....."

Li Yantong even froze when she heard that, it took her a while to react, an unparalleled intense anger instantly filled her whole body, in a flash, her body was shaking with anger, she said angrily, "Liu thirty, you, you shameless!"

Liu Thirty grunted, "I'm shameless? I don't think so, one night, in exchange for your brother's three years in jail, that's not a good deal!"

He looked at Li Yantong's pretty face and that hot figure, and couldn't help but secretly swallow his mouth, his heart on fire.

They had been together for so long, and although there was some small intimacy between the two of them, this last step was something Li Yantong said she did not agree to, saying that it had to wait until after marriage.

But immediately after, their relationship was known by Li Yantong's hateful old mother, but almost broke their relationship, and from then on, there was constant turmoil between them, and then there was no more.

He that originally wanted to put Li Yantong on the intention, moreover claimed a bubble.

But in his heart, he could not forget Li Yantong's hot body and beautiful face, especially when he had that kind of relationship with other women, he was even more eager for that thing between men and women, especially with Li Yantong

However, Li Yantong's body was already trembling with anger, and her eyes were full of disgust as she looked at Liu Xie: "Liu Xie, you are simply a beast! Get out! Get out!"

Liu thirty's behaviour simply made Li Yantong incredulous.

This animal-like beast was really the man she used to love? Li Yantong really had a feeling of blindness, Liu thirty's beastly behaviour really shocked her beyond her control!

"Xiaotong, you don't have much time to think about it, after the police file a case, it will soon enter the judicial process, by then, even if you want to agree, it will be too late!" To Li Yantong's angry scolding, Liu XXX was all smiles, at this moment, he no longer needed any cover up, let alone any disguise, he had completely taken the initiative.

Li Yantong pointed outside, "Get out! Get out!"

Liu XXX hummed, "Good! Very good! Xiaotong, if you don't agree, just wait until you see your brother in jail!"

"Police! Police!"

Li Yantong immediately called loudly for the police and said, "Kick this man out immediately, he's verbally playing a hooligan with me here!"

Liu XXX was immediately stunned, "Xiaotong, you"

But the policeman's face sank and he rushed at Liu thirty, "This gentleman, please go out!"

Even though Li Yantong was still a suspect, she also had human rights, she could decide who would come to see her and who she would not see!

What's more, this man had the audacity to be a verbal hooligan, he must have said something nasty when he saw that she was pretty, the policeman naturally did not have a good feeling towards Liu XXX.

"Good! Good!"

Liu Thirty said angrily, "Just let your brother wait for jail! Humph!"

He flung his hands in anger and left.

Li Yantong, however, sat down on a chair at once, tears glistening in her eyes, her expression was indescribably sad.

But she stubbornly gritted her teeth and didn't say a word!

At this time, Ji Feng was looking at the Chen team and the other two policemen who had already walked into the interrogation room with an old-fashioned look. Seeing their expressions, a smile appeared on Ji Feng's face and he asked, "It looks like this is going to be a formal case, right?"

Team Chen nodded and said, "That's right! Young man, seeing as you are Xiao Du's friend and cooperate honestly, we won't make things difficult for you, how the case will be judged in the end, it's up to the court, how's that?"

Ji Feng shook his head and smiled, saying meaningfully, "Not good!"

Campus Master Chapter 2703

Chen team frowned and said, "Little brother, this matter is not just a matter of bravado!"

This is the identification result made by the forensic department of the police, even if it is to ask for connections, but because Liu 30 is a lawyer, when the time comes, it can not be too partial, at least a custodial sentence can not escape, and even, if Liu 30 steps forward, when the time comes, the sentence is not impossible.

Ji Feng nodded and smiled: "I understand. However, I know how to handle this matter."

Chen team then nodded, since Ji Feng had said everything to this point, he was not related to Ji Feng, the middle was only the relationship of Xiao Du, he naturally did not need to persuade Ji Feng, so he simply said, "In that case, then we will have to do things in a fair manner."

Ji Feng smiled and said, "It's the right thing to do!"

Team Chen then nodded slightly, saying to himself that since he had already said everything he needed to say and Ji Feng didn't appreciate it, then it was none of his business.

Then, Team Chen said, "Then we will now officially file a case Mr. Ji, now we are officially entering the judicial process, sign it!"

However, Ji Feng only smiled at his words and waved his hand, saying, "There's no hurry first, it's not time to sign yet, even if it's signed it shouldn't be me!"

"....."

Chen team then couldn't help but secretly cursed, thinking that if it wasn't you who else could it be? What's the point of posing as a big-tailed wolf even now?

He took out a document and placed it in front of Ji Feng, saying, "Mr. Ji, please cooperate, we have now entered the official judicial procedure, if you don't cooperate, the sentence may be increased when the time comes"

Ji Feng, however, smiled faintly: "Aggravated? That's certainly good!"

Chen team then couldn't help but choke for a moment, he couldn't help but shake his head slightly and said, "It seems you haven't figured it out, then fine, we'll continue tomorrow!"

Ji Feng smiled indifferently, but he knew that this matter definitely couldn't wait until tomorrow, the result would definitely come out this evening, Big Brother would never let him wait until tomorrow!

"He refuses to admit it?!"

Standing at the door of the interrogation room, seeing Captain Chen's face not looking too good when he came out, Liu Xie immediately greeted him, "Captain Chen, are you too polite to him? Sometimes you can't be too polite, otherwise what is the prestige of your police force? What kind of cats and dogs dare to strut their stuff at you"

"Or else Lawyer Liu goes on trial?!" Captain Chen was a little distracted by his unsavory words and grunted at once.

"....."

Liu XXX was immediately dumbfounded.

If he was allowed to play a little smart he certainly had no problem, but if he was asked to interrogate, this could only be a joke, how could he, a lawyer, interrogate a prisoner?

What's more

He couldn't help but feel a little scared in his heart towards Ji Feng himself! The actual fact is that you can't be sure that you're going to be able to get a good deal on your own.

"Captain Chen, I have proof that it was that Ji who beat me up, you have to interrogate him properly!" Liu Xie was still a bit indignant and couldn't help but say, "I have the surveillance video as proof, he is trampling on the law wantonly and must be sanctioned by the law!"

Team Chen said impatiently, "It's not up to us to decide whether or not sanctions are needed, is Lawyer Liu looking for the wrong person?"

Liu XXX hummed and said, "Team Chen, I see that you, the captain, seems to not want to do it anymore?" "

Team Chen was furious at his words, and he said coldly, "Lawyer Liu, whether I can continue to sit in this position or not is not up to you!"

Liu 30 was nodding and smiled, "But whether you can sit comfortably or not, at least my complaint is somewhat relevant, don't you think?"

Team Chen stared at him coldly for a moment, turned around and left.

This person called Liu XXX was really shameless, even some of his wants were extremely unreasonable as soon as they were heard, and he could simply be described as unreasonable in this matter.

"Captain Chen!"

At this time, Liu thirty three but suddenly opened his mouth and called out to Chen team, smiling, "You can help me convey to that sex season, this matter is not impossible if you want to settle it privately, but, the key depends on how sincere he is!"

Captain Chen couldn't help but frown slightly, this so-called sincere intention that Liu Xie was talking about was nothing but compensation!

Obviously, Liu Xie wanted money, and from what he said and how he sounded, the amount of money he wanted seemed to be quite small.

"I will pass it on to him for you!" Captain Chen said indifferently.

Liu XXX grinned, then he turned around and walked out without saying a word, looking at his expression, he seemed to have already eaten up Li Yantong and Ji Feng.

Captain Chen shook his head and said nothing more, but in his heart, he sighed a little, and could even be said to be feeling sorry for Ji Feng, who is wrong to offend, why must he offend such a scoundrel?

The most important thing is that you have to be able to get rid of the problem, but when he knows about your home, he will even do something more drastic.

When the news reached Ji Feng's ears, he only sneered and said nothing, but the coldness flickering in his eyes was enough to show his state of mind at the moment.

"Compensation?!"

Ji Feng couldn't help but snicker, "He really dares to think! It's just as well that I don't want compensation, but he still dares to ask for it?!"

He sneered, "You tell him for me that I will settle this score with him slowly!"

When Liu Xie, who was waiting in the meeting room of the police station, heard this, he almost jumped up. How arrogant! Fine, doesn't he want to settle the score? Well, I'll settle it with him slowly! I'll see how long he can be arrogant!"

The policeman in charge of the message couldn't help but shake his head, both sides were not easy to deal with!

It's just that

The first thing I want to know is why Ji Feng still dares to be so arrogant, he has been arrested, and the people who reported the case have already experienced injuries, once the court is going to sentence, I am afraid the sentence is inevitable, how Ji Feng still dares to be so arrogant?

The actual fact is that you can find a lot of people who have been in the market for a long time.

.....

"Buzz~~"

The two police officers in charge of interrogating him took the phone away, so of course they didn't notice the two words 'Big Brother' displayed on the phone screen.

At this moment, however, Chen also received a call, and the content of the call made his face change dramatically.

"Bureau Zhao, what are your orders?"

Chen team received a phone call from his top boss, he couldn't help but ask, "..... What?! Forgery?! Is this real?"

A moment later, he put down the phone with an odd expression, unable to help but be stunned.

"This guy really has a lot of guts!" Team Chen was stunned for a long time and couldn't help but say.

"..... Xiao Du, there's something to inform you."

A few minutes later, Team Chen called Du Yang Yi to the front and said, "Xiao Du, just now I received a phone call from Director Zhao, the above has got solid evidence that there was falsification in the process of the reporters' injury examination, and it involved our internal forensic department personnel, now the person has been controlled... .."

“Really?!”

Chen team hadn't even finished speaking, Du Yang Yi almost jumped up and asked in surprise, “Chen team, are you telling the truth?”

“You brat

Team Chen shook his head and hummed, “I would lie to you about this?”

Du Yang Yi immediately asked, “Then this means that Ji Feng is fine?”

Chen team said, “At least the criminal responsibility should be exempted, however, the matter of him hitting someone still needs to be criticized and educated!”

Once Du Yang heard this, how could he not know that Ji Feng was already fine? He was already full of smiles, “Then I'll go and tell Ji Feng right, he hit someone casually, he must be properly and properly criticized and educated!”

As he spoke, he had already run to the door, “Team Chen, thanks, turn around and Ji Feng and I will treat you to dinner

“Brat

Before he finished his words, he had already run away, and Chen team couldn't help but shake his head and cursed with laughter.

“This how is this possible?!”

Liu Thirty froze, his face full of disbelief, “This can't be possible!”

He could never have imagined that he had just received news that his two friends, had been brought under control, and even that he was involved in fraudulent forgery, and might even face the possibility of being held accountable!

“What the hell is going on here? It's only been a few hours, how how could they have been found out?!” Liu Thirty was full of consternation and yelled into the phone.

“This is the present!”

Suddenly, a cold laugh came from the doorway, and Liu thirty was startled, but he saw Ji Feng and Li Yantong walking in from the doorway, followed by a policeman.

Li Yantong's pretty face was ice-cold as she looked at Liu thirty with an undisguised look of disgust in her eyes.

The policeman was also frowning, looking at him with a cold face and an unkind expression.

At this moment, Ji Feng, however, had a disdainful look on his face as he slowly stepped in front of Liu thirty and said, “Liu thirty, didn't expect it, did you? We've met so soon!”

Liu Thirty-three's throat moved, his heart trembled, and there was an undisguised panic in his eyes, but he could not say a word.

Ji Feng laughed disdainfully, looking at Liu XXX's frightened expression, he steeply blushed coldly and flung his hand and slapped him over pop!

Liu XXX instantly flew out!

Immediately afterwards, Ji Feng's disdainful voice came over, "Look, I've hit you again, what can you do?"

Campus Master Chapter 2704

Liu XXX fell to the ground, his face rising to the colour of pig liver.

Ji Feng's unrelenting humiliation even surpassed his humiliation of being hit in the face in public.

In particular, Ji Feng's light-hearted words made Liu thirty feel that he was a piece of shit in Ji Feng's eyes and could not even enter his eyes!

This was the most unbearable thing for Liu XXX, he already had an inferiority complex, a word or a look from others might be enough to make him have an extremely sensitive reaction, let alone such a blatant humiliation from Ji Feng now.

However, this strong sense of humiliation was quickly replaced by a sense of panic – his falsification of the injury test had been revealed!

It had only been a few hours, how could he be exposed so quickly?

Of course, Liu Xie knew what he had done, and his injuries were definitely not considered minor, but he had used the reason of breaking two teeth to get himself identified as a minor injury through his connections, but in reality, only one of his teeth was broken, only that the broken tooth was broken in two pieces

This is not the most crucial thing, the real thing is, once his forgery is revealed, this also means that his friend in the hair forensic department is definitely going to be unlucky, and he, whether he will be implicated is not easy to say.

Once he was implicated, his career as a lawyer would be over.

This kind of thing could be big or small, but if it fell into Ji Feng's hands, it would be no small matter.

These thoughts flashed through Liu XXX's mind so quickly that he even forgot about the pain on his face, but this did not mean that Ji Feng would stop there.

Especially, when Du Yang Yi whispered a few words in Ji Feng's ear, Ji Feng's eyes, which were originally disdainful and full of contempt at the same time, were instantly cold, and could even be said to be full of killing intent.

"Liu thirty-three, you're making a death!" Ji Feng said coldly.

"....."

Liu thirty opened his mouth, hard and did not dare to say a word, moreover, his throat was dry and his heart was beating wildly, Ji Feng's aura at this moment was so frightening that he could not help but shiver.

Ji Feng coldly stared at Liu XXX, the murderous intent in his eyes revealed.

Just now Du Yang a told him that before Liu XXX first went to see his sister Li Yantong in the interrogation room, but not long after, he heard his sister's angry voice and even had tears in her eyes Just hearing this, without even knowing what had happened, Ji Feng was instantly enraged.

He snorted coldly and went forward to kick Liu XXX, but he was hurriedly stopped by Du Yang Yi.

"Dude, calm down!"

Du Yang Yi whispered in Ji Feng's ear, "It's not very nice to say that you beat him up here."

Ji Feng slowly nodded, he didn't want to make things difficult for Du Yang Yi either, so he just gave Liu XXX a cold look and nudged him with his finger, "You're good!"

With that, he turned around and left.

Du Yang Yi also couldn't help but glare at Liu XXX, although he didn't know the cause and effect of the matter, but seeing this cowardly look of Liu XXX made him disdainful.

When things came to a head, it was basically a foregone conclusion. Afterwards, Ji Feng signed the paperwork and then went to the parlour to pick up his sister Li Yantong and take her home.

When he pushed open the door of the parlour, he saw Li Yantong sitting on a chair, her eyes were a little red, and when Ji Feng saw this, he couldn't help but feel a surge of anger in his heart.

"Sister."

Ji Feng forced down the anger in his heart and walked over, asking with concern, "Are you alright?"

Li Yantong shook her head and said softly, "I'm fine, Little Feng, let's go back!"

"Okay, go back."

Ji Feng nodded and didn't say anything more, seeing that his sister was in a bad mood, and at this time he didn't want to say something else to add to his sister's worries.

As for Liu XXX, Ji Feng definitely wouldn't let him off so easily, but yet he didn't want to beat him up again, nor did he want to humiliate him only verbally.

Originally, Ji Feng did not intend to do anything to Liu XXX, after all, he used to be his sister's boyfriend, but what really angered Ji Feng was these later actions of Liu XXX.

And for such a person, just humiliating him a couple of times or scolding him would not hurt him much at all.

Although Liu XXX had an inferiority complex, he had now clearly revealed his shameless nature, so even if he were to humiliate him to make him feel bad, nothing would happen.

What Ji Feng wanted to do, naturally, would not be so simple.

Since Liu XXX was making a fool of himself, let's make him whole!

"Buddy, thanks." Walking out of the meeting room, he saw Du Yang Yi standing at the door waiting, Ji Feng didn't say anything more, he just patted his shoulder and simply said thanks.

"Hi! What's the point of being polite with me, we're all old classmates, besides I can't do anything!" Du Yang Yi shook his head.

"See you later."

Ji Feng nodded and said, "I might stay in Jinling for two more days, we'll get together then."

Du Yang Yi immediately said, "That's certainly good. In fact, there are quite a few of our old classmates in Jinling, I'll call them all together later, let's get together!"

Ji Feng nodded and smiled in agreement, and then, he took Li Yantong and left the police station.

On the way back, Ji Feng dialed his elder brother Ji Shaodong's phone number.

"Big brother, how is it?" Ji Feng asked.

"The people have all been controlled and they have also explained their problems, the next step is to proceed with the investigation of Liu XXX." Ji Shaodong naturally knew what Ji Feng was going to ask, "However, this matter might not deal much of a blow to Liu Thirty."

Ji Feng frowned and asked, "Why?"

Ji Shaodong said, "Because during the whole process of falsifying the injury test identification, Liu Thirty did not leave any evidence behind, just relying on the confession given by the people from the forensic department will not play much of a role."

Even if someone testifies against Liu thirty, if there is no conclusive evidence, I believe Liu thirty will definitely not admit it, so controlling the person from the forensic department who falsified it will only prove that Ji Feng did not commit the crime, but it is likely that Liu thirty will not be able to be taken down.

Ji Feng nodded slowly and said, "I know. Then I'll think of a solution myself!"

Ji Shaodong immediately frowned and said, "Little Feng, don't mess around."

"Don't worry, I have it in my heart, I won't mess around!" Ji Feng smiled, if dealing with a shameless scum like Liu XXX still required him to take risks, then he was really going back the more he mixed!

When he returned home, it was already late at night. When she saw Ji Feng and Li Yantong coming back, Li Yueqin really let out a long breath, the big stone in her heart was finally put down, but she hated Liu XXX so much that she couldn't help but curse angrily.

The three of them did not talk for long, Li Yueqin knew that her daughter might have been frightened, so she hurriedly let her go to rest, Ji Feng also did not leave, but slept in the guest room.

It would have been too much to come here and stay out if he had to.

The next day, Li Yantong was in a much better mood than the first day, and she even took the initiative to mention Liu XXX.

“Little Feng, Liu thirty’s injury test results were falsified, so he will definitely be held accountable, right?” Li Yantong asked as she ate breakfast.

“Why are you still mentioning that person!” Li Yueqin glared at her, “Haven’t you been harmed by him enough, have you?”

“It’s precisely because he has harmed me that he should be punished as he deserves!” Li Yantong said.

At these words, both Ji Feng and Li Yueqin couldn’t help but be stunned at the same time.

Li Yueqin asked, “Xiaotong, do you mean what you say?”

Li Yantong nodded her head and said, “Of course. Mum, your daughter is no longer a child, if she still can’t see the true nature of Liu XXX after experiencing so many things, then how blind do you think my eyes must be?”

These words really made Li Yueqin extremely relieved, she couldn’t help but nod her head repeatedly and said, “You girl, you’ve finally come to understand, you’ve worried me to death

Li Yantong said, “Mom, in the past it was all my fault, not only did I make you worry, but I also talked back to you and confronted you, for the sake of an outsider never again, I will be properly filial to you.”

Li Yueqin was said to have red eyes, with Li Yantong’s words, her previous hard work was not in vain, she also felt that all these years of toil was worth it.

Ji Feng saw this and could not help but smile slightly, this scene in front of him reminded him of the scene a few years ago when he had just been wise brain into his mind, woke up from a coma in the hospital, saw the tears on his mother’s face, that moment when he had a great enlightenment, and it was from that time that he suddenly woke up to how rebellious he used to be

This is so similar to the scene in front of him!

“Little Feng, will Liu XXX be held accountable?” Li Yantong’s voice pulled Ji Feng’s thoughts back.

“It’s not very likely.”

Ji Feng shook his head and said, “Without conclusive evidence, the most that can be done is to discipline the forensic department personnel responsible for giving him an injury examination.”

Li Yueqin was a bit reluctant, but in the end she said, “Forget it, as long as he doesn’t come to harass Xiaotong anymore, just don’t pursue it, just don’t have anything to do with this kind of person in the future.”

Li Yantong nodded in a light-hearted manner, “I have no relationship with him long ago.”

It could be seen that she had indeed completely dismissed Liu in her heart as a thing of the past.

Ji Feng smiled, but in his heart he disagreed with Li Yantong's words, how could there be no relationship with Liu thirty? Liu 30 had done all these things, if we just let it go, wouldn't that be too cheap for him?

When it was almost noon, Ji Feng really received a call from Ji Shaodong – according to the interrogation, Liu thirty firmly denied that he had faked the crime and put all the blame on the forensic department, claiming that it was because the other party had some friendship with him, so he might have secretly wanted to help him, but he didn't think that his good intentions had done a bad thing.

Although even a fool knew how unreliable his words were, without evidence, nothing could be done to him.

In fact, Ji Feng had no intention of doing anything to him in this regard either!

To take revenge on someone like Liu Thirty, one had to use the most ruthless methods, so Ji Feng said, "Big brother, investigate Liu Thirty carefully, especially pay attention to who is closest to him in his surroundings, mainly girls"

Campus Master Chapter 2705

"San'er, isn't it a bit too big for your britches?"

Ji Shaodong smiled and couldn't help but frown slightly, with Ji Feng's status, how come he was always fighting with a scoundrel like Liu thirty? This is not a self-lowering status!

But Ji Feng slowly shook his head and said, "Big brother, this matter is different. This person, Liu XXX, is not an ordinary scoundrel!"

"Oh?"

Ji Shaodong smiled and said, "Not an ordinary scoundrel? How do you mean by that?"

Ji Feng said in a deep voice: "Because he has offended me!"

..... has even offended his sister Li Yantong!

However, he did not say this sentence, but the reason why he would insist on cleaning up Liu Thirty was not actually because of how Liu Thirty treated him, in fact, if Liu Thirty was just a stranger, even if he was more provocative and more excessive, Ji Feng would not be so entangled with him.

This kind of scoundrel would not be put in Ji Feng's eyes at all, to put it in a bad way, what is he? A shameless person!

To fight with such a person would be a real degradation of his status!

But now it was different, Liu XXX, he was too deceitful!

Because Ji Feng found out that this son of a bitch was treating his sister like a fool from the beginning to the end! Seeing that he was now about to break up completely and couldn't play around, as a result, his original form was suddenly revealed and that shameless side was completely and utterly exposed.

Since this is the case, no matter if this bastard is a scoundrel or a desperado, Ji Feng will not let him go, let alone make him feel better!

Liu thirty, must pay the price!

..... And the heaviest price at that!

“Then you wait for the news.” Ji Shaodong nodded, he heard the determination from Ji Feng’s tone, then he didn’t say anything else and nodded his head in agreement.

“Be quick, I won’t be able to stay in Jinling for too long.” Ji Feng said.

“It won’t take too long!” Ji Shaodong smiled, if it took much longer to investigate a scoundrel, then all his years in Jinling would really have been in vain.

Ji Feng nodded and smiled, and was just about to hang up the phone when he heard Ji Shaodong suddenly say, “By the way, since you’re here in Jinling, then before you get any results from the investigation, come with me to visit Master Tang, it’s more or less unbecoming if you come and don’t go!”

Master Tang?

The old man he met on the train when he went to Yanjing for the first time, used to sit in the Jinling military district, now he has been pushed down, but the old man’s son Tang Jianguo has become a mainstay and an extremely important member of the Ji family in the military.

A while ago when the second brother Ji Shaolei got married, Tang Jianguo was there personally, but the old man Tang was not there because he was old.

Ji Feng raised his hand to look at his watch, pondered a little, nodded and said: “Okay. No problem. When are we going?”

“It’s better to choose a day than to crash, let’s do it now!” Ji Shaodong said, “You just come straight over, I’ll prepare the gifts and so on, yes, bring Xiao Tong with you, it’s time for her to meet some elders too.”

“This

” Ji Feng, however, was a little hesitant and said, “Big brother, you know her character, of course I want her to come along, but I just don’t know if she agrees

I’ll try to talk about it.” Ji Shaodong naturally knew that, so he didn’t force it and said, “Then ask her opinion, and give me a call later.”

However the truth was not what Ji Feng expected, once Li Yantong heard that she was going to visit the elders of the Ji family line, she was really not too willing to go, not because of cowardice, but she felt a bit constrained.

Ji Feng didn’t force her, because he knew that it wouldn’t take time for his sister to truly integrate into the family.

So Ji Feng went to visit Elder Tang with his elder brother Ji Shaodong, but on the way there, he received an unexpected call from Du Yang Yi.

“Buddy, I’ve contacted all the old classmates in Jinling, once they heard you were coming, they all wanted to come out and get together, so we jointly set the time for this evening, what do you think?” Du Yang Yi asked with a smile.

“This evening?”

Ji Feng deliberated for a moment before smiling bitterly, “Old Du, I really can’t give you an answer right now, because I can’t say right now if I can spare the time by then.”

It was hard to say if there were any arrangements for the old man to visit him now, or when he would be able to go next, so there was no way he could give Du Yang an accurate answer.

“That’s no fun for you kid.”

Du Yang Yi couldn’t help but hum at his words and said, “Let me tell you, among the old classmates in Jinling this time, there is a beautiful woman you had a crush on at first, if you don’t come, it’s your loss!”

Ji Feng couldn’t help but freeze when he heard this, and subconsciously asked, “The beautiful woman I had a crush on? Are you kidding! Don’t be ridiculous!”

He couldn’t help but laugh and curse, he just never remembered who he had a crush on when he was in junior high school, at that time he was on the one hand because he was still young and was just ignorant about this so-called crush or not.

On the other hand, his family situation and his academic performance at that time made him feel inferior, so how could he possibly have a crush on anyone?

So when he heard Du Yang Yi say that, he just laughed and shook his head, not taking it seriously at all.

However, Du Yang Yi said, “Am I joking? I think it’s because you’ve not seen her for so long that you’ve forgotten about her, right?”

Ji Feng shook his head and laughed, “Alright, I’ll try to make time alright!”

He naturally knew that Du Yang Yi was joking with him because he really hadn’t had a crush on anyone when he was in junior high school, of course, if we talk about some good feelings in ignorance, maybe there was, but it was just a little bit of a small flutter between an adolescent boy and girl, it wasn’t a crush at all.

But once Du Yang said that, it was obvious that he wanted him to come to this party, and Ji Feng naturally appreciated it, so he promised to try to make it back.

“I say buddy, I’m not joking with you, if you don’t come over you’ll definitely regret it!” Du Yang Yi grunted twice and said, “It’s a deal then, call me when you’re about to leave at night, I’ll tell you the address then, or I can just go pick you up, hang up.”

Saying that without waiting for Ji Feng to answer, Du Yang Yi directly hung up the phone, making Ji Feng look at the phone that was still emitting a busy tone and couldn’t help but shake his head and laugh bitterly.

“Have a friend in Jinling?”

After Ji Feng hung up the phone, Ji Shaodong asked with a smile.

Ji Feng nodded and said, "A junior high school classmate, quite enthusiastic, he even wanted to help out when he was locked up yesterday, now he is calling up a few old classmates and is planning to get together."

Ji Shaodong laughed: "Old classmates gathering, still very good, such an opportunity is also very rare, can go or go, otherwise I'm afraid such opportunities will be less and less in the future."

Ji Feng froze for a moment, and then slowly nodded his head.

With their status, I'm afraid it's not too easy to have innocent classmate relationships, especially after going into the big dye bath of society, many of their originally close classmates might have changed their mindset more or less after knowing their status.

Not everyone will be like Zhang Lei, who has been friends with Ji Feng for many years, and can almost be said to have passed away!

"Let's talk about it."

This time, when he went to visit Tang Lao, he couldn't just go there and sit there, and it would depend on whether he could find the time to come today or not.

As expected, as soon as the two Ji Feng brothers arrived at Tang Lao's place, the old man was extraordinarily enthusiastic, especially Ji Feng because he was usually in Jiangzhou and didn't come often, so Tang Lao was incomparably more cheerful and even made an exception to call Tang Jianguo and called him back.

For Ji Feng, Tang Lao was genuinely fond of him, he knew a lot of things that this kid had done, and it could be said that Ji Feng had definitely earned face for the Ji family, especially when he went to the northeast, entered Jiangzhe alone, and turned a thousand miles across southern Guangdong, which was simply right for Tang Lao's temper!

Tang Jianguo even knew that when the old man knew about these feats of Ji Feng, he really praised him and even used words like 'a tiger's father has no dog's son' and 'the pillar of the third generation of the Ji family' one after another.

This was an unprecedented first, Tang Jianguo had never heard the old man praise someone like this in all his years!

Now, seeing the old man chatting with Ji Feng and laughing from time to time, one could see how much Ji Feng was loved and appreciated by the old man.

Being able to get appreciation from Old Man Tang, even though Ji Feng was so calm, he couldn't help but feel a little fluttery. One should know that Old Man Tang was a famous general who came from the war of resistance and could even be said to have crawled out from the pile of the dead, with a formidable fighting style and a great reputation.

It can be said that, as grandfather's old subordinate, Tang Lao is definitely the most capable warrior and participated in the most battles in the north and south, so Ji Feng is particularly honored!

However, even the most glorious heroes could not resist the passing of the years, and just after having lunch for a short time, Tang Lao, who had taken the exception of drinking two more glasses of wine, was obviously showing his fatigue, and at this time the health nurse also came to urge Tang Lao to rest.

“Ai! The years have not been kind to us!” Elder Tang said with emotion.

Ji Feng and Ji Shaodong also both couldn't help but lament that although their masculinity was still there, they were already heroes in their twilight, which reminded them of their grandfather

Master Tang went to rest, so Ji Feng and the two of them did not stay any longer, there was also a lot of work in the military area, and Tang Jianguo's time was squeezed out, so the two of them offered to say goodbye.

Then, because it was still early, Ji Feng went with Ji Shaodong to Li Yueqin's place again, and a few people chatted, also pulling on family matters and improving their relationship.

It was until late in the evening when Du Yang Yi called again, and Ji Feng had no choice but to agree to the generous offer.

But in fact, if it was possible, he would rather call Du Yang Yi out and just the two of them sit together and have a drink and chat, because in junior high school, Ji Feng really didn't have any friends, and although he couldn't say he was rusty with those classmates, at least the relationship was not too close.

But when Du Yang Yi was so enthusiastic, Ji Feng couldn't afford not to go.

Campus Master Chapter 2706

The Xinyuan Hotel, located on a very busy street in Jinling, has a very good location, plus the hotel's class itself is very high, and the star standard design makes its business very good.

When Ji Feng arrived here, the entrance was already full of cars, he couldn't help but be glad that he had taken a taxi to come here, otherwise, not being familiar with the place, it would have been a bit difficult to park.

The address Du Yang Yi had mentioned on the phone was this Xinyuan Hotel!

They had arranged the party here tonight, which made Ji Feng somewhat surprised, knowing that according to their age, they had just graduated from university, and perhaps some of their classmates might not even have joined the workforce yet, but now they had come to such a high-class place, so the consumption level was obviously not much lower.

But since this was arranged by Du Yang Yi, then Ji Feng did not say anything, maybe this kid always has to have some grey income when he is a police officer, this is already considered a secret that the police system is not a secret, so Ji Feng also just slightly shook his head, looked up at the name of the hotel, Ji Feng took out his mobile phone and called Du Yang Yi.

“Ji Feng, it's here, right?”

When he received the call, Du Yang Yi immediately said, “Then wait a little at the entrance, I'll go down and pick you up.”

Ji Feng nodded slightly, hung up the phone and went straight into the lobby, found a random seat in the lounge area and sat down, waiting for Du Yang Yi.

“Ding”

Just then, his mobile phone suddenly rang, he took it out and found that it was his big brother Ji Shaodong calling, so he immediately picked up the phone, “Big brother, what’s up?”

Ji Shaodong didn’t have any unnecessary nonsense, he said directly, “Old Third, what you asked me to check, I found out.”

“Oh?”

Ji Feng immediately came to life and asked at once, “Tell me, what news do you have?!”

Ji Shaodong said, “There is nothing outstanding about this person Liu XXX, the law firm he works for has a good track record, but he is just a newcomer and does not have a high status in the company, only some time ago when he was following another lawyer in charge of handling a small case, he crossed paths with the Miss Qianjin of the Xinyuan Group, and according to the investigation results, these two seem to be getting closer.”

“Xinyuan Group?”

Ji Feng couldn’t help but stare at his words.

Ji Shaodong nodded his head and said, “That’s right. Oh, this Xinyuan Group is a private enterprise in Jinling, mainly doing catering and hotels, the scale is not very big, but there are billions of dollars, and the boss of Xinyuan Group, Zhao Xinyuan, is the biggest shareholder”

Ji Feng smiled and couldn’t help but ask: “Big brother, is the Xinyuan Hotel an industry of this Xinyuan Group?”

“Let me see”

Ji Shaodong said, “Well, yes, there is indeed a Xinyuan Hotel under the Xinyuan Group, and it is the largest hotel under their group” Why, you know this hotel?”

It’s really such a coincidence

Ji Feng was a bit speechless and laughed bitterly, “I’m in this hotel right now, and the party that my friend arranged was arranged at the Xinyuan Hotel!”

There was really no greater coincidence in this world than this, he was just about to clean up Liu XXX, and this was just a moment of investigation, but surprisingly, he was already in the Xinyuan Hotel.

Ji Shaodong couldn’t help but laugh at his words, “It’s just dinner, what does it have to do with him? Besides, this is something Zhao Xinyuan may not know about.”

Ji Feng shook his head and said, “It doesn’t matter if they know or not, the point is, why do I feel so diabolical eating here!”

“Then you should change places, this isn’t the only place to eat in Jinling anyway!” Ji Shaodong laughed, “You’re quite clear about what I just said, right?”

“Heard it clearly.”

Ji Feng shook his head, quite a bit speechless, how come he didn’t go anywhere properly but arranged here?

But he also knew that Du Yang Yi must not have meant it, perhaps Du Yang Yi didn’t even know that Liu XXX had anything to do with Zhao Xinyuan’s daughter!

“Lao San, what else do you need to know?” Ji Shaodong asked again.

“This Zhao Xinyuan, what kind of person is he?” Ji Feng asked with deliberation.

“That I don’t really know yet.” Ji Shaodong said.

“I understand.”

Ji Feng nodded, pondered for a moment and said, “Big brother, wait until tomorrow or the day after tomorrow, you help me make an appointment with this Zhao Xinyuan, I want to invite him to dinner, there are some things I want to talk to him about.”

Ji Shaodong immediately agreed: “Okay, it’s easy to do, just tell me when the appointment is.”

Not to mention the identities of their two brothers, if Ji Feng, the person behind the control of the Tengfei Group, wanted to invite him for dinner, Zhao Xinyuan believed that he would give this face.

After hanging up the phone, Ji Feng couldn’t help but shake his head and smile again, this matter is really too

The fact that he had only clashed with Liu thirty last night, and today he ran to his future husband’s hotel for dinner

Although Ji Shaodong didn’t say it too bluntly, Ji Feng naturally knew what it meant that Liu thirty was close to Zhao Xinyuan’s daughter, and when you think about the watch on Liu thirty’s wrist, and the smell of perfume on him, it’s enough to say everything.

So, to let Ji Feng eat here is more or less diabolical.

When Ji Feng thought about it, he planned to take out his mobile phone and call Du Yang Yi. He was deliberating on the words, thinking how to say it appropriately, when he heard a voice suddenly come, “Ji Feng, this way!”

He looked up and saw Du Yang Yi standing at the stairway on the first floor waving at him.

Ji Feng smiled and nodded in response, then stood up and walked over, “Old Du, why did you choose here? Is there any special place in this Jinling?”

“This place was chosen by Chen Teng, today’s meal was also arranged by him, if you want to eat Jinling’s specialties there are also some here, if it’s not possible I’ll invite you to eat alone tomorrow!” Du Yang Yi said with a smile, “Let’s go, everyone is waiting for you up there.”

“Everyone?”

Ji Feng smiled and asked casually.

Du Yang Yi said, "No, everyone is here, just waiting for you, hurry up and go, if you go late I'm afraid you'll be punished with a drink!"

"I"

Ji Feng wanted to say to change the place, he could not say it, everyone was waiting for him alone up there, he could not say to change the place after he came, he had no choice but to follow him upstairs.

The meeting place was on the third floor, and as he was going upstairs, Ji Feng said casually, "Old Du, it's just a meal, why come to such a high-class place, isn't it a waste!"

Du Yang Yi shook his head and said, "I had just arranged for an ordinary restaurant, but who knew that Chen Teng would reject my original arrangement without saying a word, and then arranged for it to be here, no way, people are rich and powerful, we can only go with the flow."

Ji Feng smiled and asked, "Heh! So Chen Teng is doing well, huh?"

Du Yang Yi said, "Yes, not bad! This guy came to work in Jinling after graduating from high school and not going to university, then he met the daughter of a hospital director and knocked her up.

Ji Feng smiled and was happy: "So powerful?"

The first time I heard that, I had to go to the hospital. After the marriage, this kid started to run medical business, medical equipment, medicine and so on, with his old father-in-law who is the dean covering him, it's strange to be bad."

Ji Feng smiled and nodded his head, but in his heart he was a bit emotional, this life's encounter is really impossible to say, thirty years of river east and thirty years of river west, this saying is really not bad at all.

However, from Du Yang Yi's words and his tone of voice, Ji Feng could faintly hear that he seemed to have a trace of dissatisfaction.

It seemed that Du Yang Yi was not getting along too well with Chen Teng!

But when you think about it, it's understandable, when Chen Teng was in junior high school, he was like a small gangster in his class or even in the whole school, bullying his classmates with the most vigor.

Even, when Ji Feng was also bullied by Chen Teng, and more than once, but these have become past memories, Ji Feng has long since ceased to take them to heart.

That was all just fifteen or sixteen years old, all still children, and Ji Feng is now already looking at the previous things in this way.

"You are all in Jinling, it's good to take care of each other!" Ji Feng laughed.

"Hey!"

Du Yang Yi gave a heated laugh, but said nothing, just shook his head, "Let's go, ahead is"

Ji Feng then looked at him in amazement, what did it mean to give such a laugh?

The party was arranged in a box on the third floor, said box, but actually a luxury suite.

As soon as he pushed open the door, Ji Feng saw seven or eight people sitting around the table, while the one sitting directly opposite the door was a young man with a combed back hair and dressed neatly and formally.

The moment Ji Feng and Du Yang entered, they immediately attracted everyone's attention.

"Look who's here, everyone!" Du Yang Yi said with a heated smile, patting Ji Feng's shoulder to the people present.

"Ji Feng?!"

"This is this is Ji Feng?"

At once, several people at the table couldn't help but let out a startled cry, each looking at Ji Feng in extreme surprise, with a look of either consternation or disbelief in their eyes.

The man with the big back sitting opposite the door was even more stunned, "Ji Feng? You're that little carrot head Ji Feng?!"

The others were also amazed, but they couldn't help but laugh when they heard the big-backed man's words.

Du Yang Yi frowned at his words and said, "Chen Teng, is that funny? You're not a young man, now you still call others by their nicknames, no boredom! This nickname is still given by you, right?"

At this time Ji Feng also long ago recognized that the big-backed man sitting opposite the door was the host responsible for arranging the treat this time, and also the old classmate who seemed somewhat domineering in Du Yang's mouth, Chen Teng.

Campus Master Chapter 2707

"I say, Old Du, people haven't even said anything about Ji Feng yet, and you're running out to yell?" Chen Teng sniffed and grunted.

Du Yang Yi couldn't help but frown, although Chen Teng's face didn't sink when he was speaking, and he still had a hint of a smile on his face, as if he was joking when he was serious, but Chen Teng's words weren't very calm, they were a bit impulsive!

Moreover, he was not used to being called by his nickname right after he came up, and this alone made him a bit uncomfortable.

He just wanted to say something, but he was interrupted by the people next to him.

Several young people looked at Ji Feng and asked in amazement, "Ji Feng, is it really you? We really wouldn't have recognised it if Old Du hadn't said so!"

"That's right, I really didn't expect it, you've changed your appearance so much!"

"Yes, yes, I remember that Ji Feng wasn't tall at that time, and he was also long and dark, I didn't expect that there would be such a big change now!"

“Hey!”

Du Yang Yi smiled and couldn't help but laugh, “So that's why, this ten years of river east and ten years of river west, life's encounters and changes are impossible to say!”

Ji Feng smiled, “Why, are you all looking at me like that? I'm not a monkey in a zoo, am I?”

Several people just laughed.

“Ji Feng, you've changed so much, I'm afraid I wouldn't really recognize you if you walked down the road without talking!” A girl said in amazement.

“Don't you girls have the saying that women have changed a lot? I'm kind of following in your footsteps here!” Ji Feng smiled.

Although he hadn't seen her for more than ten years by now, Ji Feng was still able to recognize her from the girl's outline, a quite lively girl who just barely crossed paths with Ji Feng back in junior high school, yet he didn't expect to actually meet after more than ten years.

“Eh! Have you guys noticed, Ji Feng has really changed so much, I remember that he barely talked when he was in school before, but now he's actually so good at talking!” A classmate said.

“Learning now.” Ji Feng smiled and said.

“Alright, alright, little carrot head, don't just talk, hurry up and sit down!” At this time Chen Teng waved his hand and said, “So many of us have been waiting for you alone, what, do we have to show it later?”

“I'm sorry!”

Ji Feng smiled, nodded to everyone and expressed his apologies.

However, in the eyes of the others, it looked a bit sincere, and Chen Teng said, “Little carrot head, that's not good, is it all over after you say sorry? How about this, we are old classmates, I won't force you, but it's okay to punish yourself with three cups, right?”

A bashful smile appeared on Ji Feng's face and just as he was about to speak, he heard Du Yang frown and say, “Chen Teng, are you funny? Why do you keep calling people by their nicknames?”

Even though Chen Teng was calling Ji Feng by his nickname, he was calling him by his nickname after all, and it was a nickname that Chen Teng had given to Ji Feng, and it was only him and the few other punks around him.

What's more, Chen Teng also gave Du Yang a nickname back then and would call him that from time to time, which made Du Yang extremely disgusted.

It is said that when they were in junior high school, they were not too old and their minds were not too mature, so if they gave nicknames to people at that time, they often liked to make fun of people's flaws, although they might not have had too much malice at that time, but that was not too good after all.

Of course, Chen Teng gave them nicknames, so I'm afraid the malice was still there!

What's more, now that we are all in our third year of life, it's a little bit inappropriate to call them by their old nicknames when we meet, no one is a three-year-old child to let you call them so casually.

The first time I saw that Chen Teng was still bullying Ji Feng, Du Yang, who had also been bullied by Chen Teng, was uncomfortable and could not help but hold out for Ji Feng.

At this, the smile on Chen Teng's face instantly disappeared, "Old Du, this hasn't even started the meal yet and you're already drunk?"

"Yes Old Du, aren't you a bit confused?" A classmate followed suit.

"You're all drunk I'm not even drunk!" Du Yang Yi grunted.

"Alright, alright, what are you all doing here, old classmates meeting together to talk and laugh, what's the matter, all hurry up and sit down!" The other students followed to round up the situation.

"Ji Feng, hurry up and sit down, all of us people often get together, but you, it's the first time!" Someone pulled Ji Feng to sit down and said with a smile.

Ji Feng smiled and didn't say anything, but he could see that among these seven or eight classmates at the scene, the strongest and most domineering one was this Chen Teng, who seemed to have some authority and didn't put Du Yang Yi in his eyes at all.

There were two other students, a man and a woman, who seemed to be closer to Chen Teng, and when Chen Teng was vaguely angry just now, these two people even helped him to count Du Yang Yi.

Other than that, most of the other students were neutral, even if they had some inclination inside, but at least they were neutral on the surface.

Seeing this scene, Ji Feng couldn't help but secretly shake his head, this reunion, it seems to have turned a bit tasteless too ah.

Although Chen Teng, who was a small bully in school, was still so domineering here, but the two students, a man and a woman, were helping him and targeting the same classmates, which was somewhat unemotional. At the same time, it seemed that they were also somewhat bending over backwards to help Chen Teng.

This made Ji Feng shake his head, some of the old classmates from before had changed.

However, after all, it was only a couple of words, they were all old classmates, so Du Yang Yi and Chen Teng didn't tear their faces off, and both sat down as the others rounded up the situation.

As for the matter of Chen Teng calling himself a little carrot head, Ji Feng just laughed, now he is really not so bad as to do so for such a small matter.

Perhaps because Du Yang had rushed twice in a row, Chen Teng did not call him by his nickname when we chatted next, and when he addressed Ji Feng, he also called him by his first name.

However, Ji Feng noticed that everyone was chatting, but no one was ordering, and the waiter even came over once to ask, but was dismissed.

He couldn't help but feel a bit strange, but didn't say anything.

After a while, Du Yang Yi asked, "Eh, why hasn't it come yet?"

"Don't be in a hurry, take your time and wait." Chen Teng said.

"Yeah, I'm not hungry now anyway, so I'll come after chatting for a while." The female student who was more inclined towards Chen Teng laughed.

"Old Du, is there anyone else coming?" Ji Feng asked in a low voice.

Du Yang Yi nodded and said, "That's right, didn't I tell you on the phone before, there's another beautiful woman coming and"

Speaking here he couldn't help but give a bad smile, "This beauty is still the one you once had a crush on!"

"Bullshit!"

Ji Feng couldn't help but shake his head and laugh: "To be serious, who else is coming?"

Du Yang Yi said, "What I said is serious line, anyway, how I say at this time you kid will not admit it, when the time comes you will see for yourself after people come."

"Gods and goddesses"

Ji Feng couldn't help but shake his head, how come he couldn't remember who he had a crush on when he was in junior high school? But looking at this, it seems like someone is really coming, and Chen Teng seems to be willingly waiting, and it looks like maybe it really is a beautiful woman?

"Knock knock knock!"

Just then, a knock came suddenly from outside, then the door of the compartment was pushed open and a beautiful figure walked in, followed by a kind of rustling sound of high heels on the floor stall.

The crowd immediately looked at the sound and saw a beautiful urban girl with long flowing hair walking in, this girl was dressed in a very fashionable way and she was also exceptionally beautiful, she was holding a bag in one hand, but in the other hand she was holding a pair of wide lady's sunglasses, the whole person was extremely eye-catching.

"Yi Shui, you're finally here!" Du Yang Yi said, while secretly winking at Ji Feng without a trace, "Hurry up and sit down!"

"Yishui, come and sit over here, later on the food will be served over there at the entrance, it's not very convenient to be there." As soon as this pretty girl came in, the smile on Chen Teng's face instantly brightened up quite a bit and he immediately greeted her with a smile.

"It's alright, I'll sit anywhere, just here, I won't crowd inside if I come late." This pretty lady said with a smile.

But Chen Teng disagreed, he shook his head and said, "How can that be, beautiful women have privileges no matter where they are, not to mention being late, even if they stand us up that's only natural, isn't it? Come on, come on, hurry up and sit inside!"

“Yes Yishui, you can sit inside, can’t you see that outside is where the boys are sitting, let’s sit here and talk.” The female student who was closer to Chen Teng smiled and took the pretty girl’s hand, and was about to go inside.

“Pa!”

Du Yang Yi hurriedly slapped Ji Feng’s leg under the table, and even more so, he repeatedly winked at him.

However, Ji Feng was looking at this beautiful woman, the corners of his mouth could not help but reveal a smile, he thought who was it, it turned out that the person everyone was waiting for was actually her, Fan Yishui.

The first time I saw Fan Yishui, Ji Feng couldn’t help but be relieved, but also couldn’t help but shake his head and laugh, no wonder Du Yang would think he had a crush on her.

The company’s main business is to provide a wide range of products and services to its customers.

She had good academic performance, a good family background, and more importantly, a very pretty face. The girl is a goddess!

Campus Master Chapter 2708

In Ji Feng’s impression, Fan Yishui in junior high school, her favorite thing to wear seemed to be a light blue jeans, and a pink t-shirt, occasionally she would wear a skirt, with short hair that was flush with her ears, and what was most impressive was that Fan Yishui especially liked to bite a toothpick at the corner of her mouth, or hang headphones in her neck, extremely maverick.

That’s why Ji Feng’s impression was so deep.

However, at that time, he and Fan Yishui had very little interaction with each other, even though they were in the same class, but Fan Yishui belonged to the class of goddesses, and was still a bit of a maverick.

The two of them would be strange if they could have any interactions!

The two of them had no idea that they would ever meet.

As for what Du Yang Yi said about his crush on Fan Yishui, Ji Feng just shook his head and laughed, it was all a joke, it was not a shadow of a thing.

In fact, at that time, I’m afraid that all the boys in the school had a crush on Fan Yishui, but at that time, Ji Feng was also self-aware, so naturally he wouldn’t fantasize about that toad wanting to eat swan meat!

Now that Ji Feng thought about it, I’m afraid the reason why Du Yang Yi said that was mainly because they had once joked about it, when he said that if anyone could have a girlfriend like Fan Yishui in the future, it would really be a high incense for his ancestors.

As a result, this remark was used by Du Yang Yi and the others to tease him, thinking that he had a crush on Fan Yishui.

Other than that, Ji Feng couldn't remember anything else about him that was related to Fan Yishui, let alone when he had a crush on Fan Yishui.

The first time he saw her, he was amazed, but he didn't have much of a heartbeat, but in all fairness, Fan Yishui is now even more beautiful than before.

In fact, if you take a closer look, you will find that Fan Yishui is not dressed too eye-catchingly, just a simple casual outfit with a decorative jacket, and her long hair and sunglasses to look at the street, I wonder how many girls are dressed like this.

But the clothes are worn on Fan Yishui's body, but there is indeed a feeling that makes people shine, Ji Feng looked, thinking that this is ultimately because of Fan Yishui's figure, as well as the effect of the kind of temperament she has on her body.

The same as when she was in junior high school, the current Fan Yishui still seems to have that maverick aura that is so eye-catching no matter where she stands.

Even though she was pulled by the girl who was closer to Chen Teng and sat down next to her, Fan Yishui said with a smile, "Everyone is here, how meaningless is it for just the two of us to talk?"

Chen Teng said with a smile, "Yishui, you two girls, you can talk about the private things between girls!"

Fan Yishui put her sunglasses into her bag and said, "Of course, private conversations can only be had in a private place, but here, I think we should just catch up on our friendship.

With that, Fan Yishui stood up, walked around a male classmate, and coincidentally sat down on the seat next to Ji Feng.

Chen Teng's face changed slightly when he looked at it, and then he laughed and said, "Yishui, your back is facing the door, so it's not convenient when the food is served. By the way, sitting with your back to the door has wind flow, and feng shui isn't very good either."

"Yoo-hoo?"

Fan Yishui smiled at his words, gave him a sidelong glance and said, "Chen Teng, I didn't see that you were quite superstitious, huh? What, you kowtowed and burned incense with the big brothers on the street in junior high school, and carried forward the traditional virtues of your Daoists?"

Pfft!

One of the students couldn't hold back and burst out laughing.

The others were also forcing themselves to hold back their laughter, but looking at that look, it was obvious that they were having a bit of a hard time holding it in.

Du Yang Yi also couldn't help but harrumph, while he gave a thumbs up to Ji Feng under the table, secretly giving a wink, and looking at the direction of his finger, it was obvious that this was a compliment to Fan Yishui.

Ji Feng couldn't help but shake his head and smile, in fact, Fan Yishui said this matter, but there is a history.

The first time, Chen Teng was a small bully in the school, to put it bluntly is a small gangster, uneducated all day but know how to bully people, even in the school on the worship brothers or something, seems to be a big brother.

He himself once claimed in his class that he had become a sworn brother with a big brother who was quite open in society, and he was also a friend who burned incense and kowtowed to him, and the relationship was very iron.

At that time, everyone was still a student and did not know much about these things, but they were a bit curious, so they really thought that Chen Teng had become a big brother.

But once they heard one of Chen Teng's younger brothers bragging that Chen Teng's sworn brother had a man's life on his hands and was very ruthless, which made everyone even more scared to go against Chen Teng.

The security guard realised the seriousness of the problem as soon as he heard it. The junior high school student was actually related to a big brother who had a life outside the school. The security guard immediately reported the incident to the leadership, who in turn reported it to the police in secret.

After the police investigated, the result was beyond everyone's expectation, Chen Teng's so-called sworn brother was not some kind of big brother who was particularly open in the streets. He was just a mental patient whose family lived on the street!

Because everyone on the street knew him, and he had learned from somewhere that he liked to call himself Big Brother, the shopkeepers and people on the street also called him Big Brother.

The poor Chen Teng saw that people were calling him Big Brother, so he really thought that he was a big brother in the street, and that the mental patient was imagining that he was a triad boss.

During the whole process, Chen Teng not only recognized a psychiatric patient as his big brother, but even put in a lot of money, and I heard that he even gave his semester's tuition fees to his big brother to show his loyalty.

When word of this spread, many people laughed until their stomachs hurt, especially those who had been bullied by Chen Teng and the other punks at school who had been fooled by his so-called big brother.

After so many years, when Fan Yishui suddenly brought up this matter, everyone suddenly thought of that funny moment back then, so no one could help but laugh.

Chen Teng's face turned red: "Yishui, good sister, we're already three years old, don't keep making fun of my brother with that, okay? Just for the sake of my brother's hosting today, let's forget about it, okay?"

Fan Yishui shrugged and winked, "No, I'm not being sarcastic, I really thought you were promoting traditional virtues when I saw how serious you were talking about feng shui just now."

While the others really held their tongues until they were hurt internally, Chen Teng could only clasp his fist and beg for forgiveness, while hurriedly digressing, "Waiter, start the dishes!"

Seeing this scene, Ji Feng couldn't help but be a little surprised, this little bully-like Chen Teng still seemed to be a little afraid of Fan Yishui, huh?

If it was someone else who mentioned Chen Teng's previous scandals, he would have been furious.

However, he was sure of one thing, Chen Teng did not dare to offend Fan Yishui.

It was really a bit interesting!

Ji Feng shook his head and smiled, yet he suddenly noticed that Fan Yishui's gaze glanced over his body, but raised the eyebrows like a distant diadem, seemingly some dissatisfaction?

The actual fact is that you can't get a lot of money for your own personalized products.

After thinking about it for a while but not understanding what was going on, Ji Feng didn't bother to think about it, he didn't have anything to ask for anyway, so just let Fan Yishui think what she wanted.

"So what, Fan beauty, let me introduce you, this one you still don't know, right?" Seeing Fan Yishui's gaze fall on Ji Feng, Du Yang Yi immediately said with a smile.

Fan Yishui looked at Ji Feng, but shook her head and said, "No, I should know you"

"Oh?"

Du Yang Yi was a little surprised, Ji Feng had changed a lot, although there was still a shadow of his junior high school days in his outline, but Fan Yishui hardly ever dealt with them poor students, even usually when entering and leaving the class they all took the door at the back of the classroom, but Fan Yishui was always sitting in the front row, and could still recognize Ji Feng?

Ji Feng was also a little surprised, could he still catch Fan Yishui's eye at that time?

However, Fan Yishui's beautiful eyes looked up and down on Ji Feng for a moment, and then the corner of her mouth pulled up a slight curve, and she said in a narrow manner: "Want to test me? You're Ji Feng, am I right?"

Du Yang froze for a moment, "You can really still recognize him? It took me a while to recognize him when I first met him, and I only recognized him after I knew his name, you"

Ji Feng is also slightly surprised, Fan Yishui, very impressed with himself?

Fan Yishui eyes flowing, beautiful eyes just blinked, the whole person has a different kind of charm, so that several men present can not help but pause, even Ji Feng is also quite amazed, Fan Yishui, no wonder called water, really soft and special.

"There aren't many boys of fifteen or sixteen who can pull off helping their mothers to yell and sell vegetables on the street!" Fan Yishui's eyes held a watery, soft smile, "So, you're good!"

Campus Master Chapter 2709

"Hmm?"

Ji Feng was stunned and couldn't help but be a little stunned, then he realized what was going on and couldn't help but shake his head and smile, "I can't help it, my family is poor, so I can only do what I can do."

It seemed that this Fan Yishui must have seen him helping his mother sell vegetables together, perhaps, at that time Fan Yishui must have felt very surprised, otherwise she wouldn't have been so impressed, after all, generally most boys like that age group are already very respectful, especially in the city, few people would come out to set up stalls with their parents on the street.

Fan Yishui blinked and looked at him with interest, smiling faintly.

Ji Feng was a little puzzled by her look, how come it looked as if Fan Yishui was somewhat interested in himself? Or

The next Du Yang a look, can't help but to heave a smile, said he really did not guess wrong, Ji Feng and Fan Yishui must be between what hook, otherwise, Fan Yishui to other people are so cold, but only to Ji Feng seems so different?

But in fact, if Ji Feng knew what he was thinking, he would absolutely scream in disgust because he himself didn't know why Fan Yishui appeared to be so different to him.

However, whether Ji Feng knew it or not, but this made this exchange between him and Fan Yishui look like an eyebrow-raising one to others, and this could make someone upset.

"There are so many people chatting, what's the point of just you two whispering there!" Chen Teng couldn't stand it anymore, he said, "Then who, Ji Feng, go ask the waiter why the food hasn't come up yet!"

"You just started the dishes, they won't be served that fast!" Ji Feng smiled faintly and said indifferently.

"You go when you're told to, why are you so talkative, you kid!" Chen Teng hummed, although he said this with a smile, but listening to his tone, he was vaguely impatient, even his eyes had some deep meaning when he looked at Ji Feng, as if he was telling Ji Feng not to try to be a hero.

When Ji Feng saw him like this, he just shook his head and smiled, not saying anything, and certainly not getting up.

He could not take Chen Teng's sarcasm and shouting of nicknames to heart, but it did not mean that he would go against the grain, knowing that Chen Teng was targeting him, he naturally would not try to cater to Chen Teng.

In fact, if it wasn't for the fact that we were all old classmates, if it wasn't for the sake of Du Yang Yi, Ji Feng wouldn't even have the slightest interest in attending such a party.

If he wanted to drink, he could find anyone, Han Zhong, Zhao Kai and the others, and if he wanted to drink freely, he could go to Yi Xingchen and the others.

The reason why Ji Feng stayed here was that he wanted to reminisce about his junior high school life, and seeing the familiar faces, he was somewhat emotional, as if he was back at that time.

However, this blandness of Ji Feng's made Chen Teng a little annoyed, his order Ji Feng actually just shook his head and smiled, not even responding to him, which made him feel very humiliated.

Chen Teng subconsciously glanced at Fan Yishui, but found that this beauty was only a faint smile on her face, and she also habitually picked up a toothpick from the table and held it in the corner of her mouth as before, the whole person had a cool taste, but did not bother to pay attention to him.

Chen Teng's heart was a bit lost, plus Ji Feng's 'uncooperative', he immediately grunted, when a sound, picked up the tea cup in front of him and then heavily placed it on the table again.

The scene was instantly a little awkward, and Du Yang Yi's face immediately sank, staring at Chen Teng with a slight frown.

"Why don't you talk anymore?"

Fan Yishui looked at a few people and said, "Old classmates meeting, so soon after all the talk?"

Du Yang gave a grunt and said, "Some people talk unpleasantly, it is better not to say anything."

When Chen Teng heard this, he immediately frowned, "Old Du, who are you talking about? Pointing fingers and cursing, are you?"

Du Yang Yi was just about to speak when Ji Feng smiled and said, "Maybe it's because old classmates meet and talk too much, but they don't know where to start with a thousand words!"

He turned his head and looked at Chen Teng, then swept his gaze around and said with a smile, "Let's just talk about the interesting things we did in the past today, don't say anything else, we are old classmates, it's rare to get together, maybe there won't be many opportunities like this in the future, so don't talk about useless things, okay?"

Ji Feng's voice was not high, and his face was lightly smiling, appearing calm and gentle, yet as he spoke, his body was exuding a big atmosphere, and his temperament was just like that.

The extraordinary aura that he exuded caused the people present to not know what to say for a while, but to subconsciously nod slightly along with his words.

Du Yang Yi looked at Ji Feng with some surprise, he really did not expect that Ji Feng had this kind of aura now. By the way Du Yang Yi suddenly thought that yesterday at the police station, he told him that Liu XXX had been identified as a minor injury, but he still smiled breezily and said indifferently that it was fine.

..... At that time, he was this kind of temperament!

Du Yang Yi suddenly realized that this old classmate of his, this seven or eight years of time, seems to have become very unusual ah!

Fan Yishui likewise turned her head slightly to look at Ji Feng, and if one looked carefully one would find that at this moment her eyes were full of different colors.

"Hmph!"

Chen Teng opened his mouth, but he was hard pressed and didn't know how to refute Ji Feng, he originally wanted to be stronger, but he didn't know what was going on, seeing that kind of look on Ji Feng's face, he didn't dare to have a fit, so in the end he could only grunt unwillingly, but he didn't dare to be so domineering.

Ji Feng then smiled, picked up the tea cup on the table, blew on the tea leaves and slowly took a sip. Then he leaned back in his chair and didn't say much, just listened to everyone chatting, and when someone said something interesting, a smile would appear at the corner of his mouth.

But Ji Feng was keenly aware that Fan Yishui would glance at him from time to time, his eyes shining, and he didn't know what he was thinking.

The atmosphere in the box soon became warm, and everyone chatted and talked about the work they were currently doing.

Chen Teng and Du Yang Yi were the two people who were most envied. Chen Teng had a father-in-law who was a dean and had connections and background, so naturally his business was flourishing and he was making a lot of money.

Although there is still a big gap compared to those big tycoons, but the income of one or two million a year, in this old classmates' circle, that is definitely deservedly the richest, rich people.

This can be seen from Chen Teng's aura of speech, otherwise he would not have directly denied the place Du Yang had set down as soon as he heard about the party and changed it to this star hotel, and also offered to host it by him.

Apart from him, Du Yang Yi's job however is also enviable, as a police officer in a police station, the future may be very promising, and at least now it is a stable job, the treatment is also quite okay, it is considered good.

The other people who talked about their jobs were businessmen, those in the service industry, and those doing public relations, most of whom did not earn very much.

So when it came to work, we all talked about it with great enthusiasm, but all of us were not very satisfied with our current jobs and complained as we talked about it.

"Eh, by the way, little radish so what, Ji Feng, what kind of work do you do now?"

Everyone was chatting, but Chen Teng saw Fan Yishui looking at Ji Feng from time to time, how he was not so comfortable in his heart, so he asked Ji Feng's job on purpose, because in his opinion, just graduated out, no matter how I am afraid it is not as high as his income, which just graduated can earn one or two million a year?

Du Yang and the others also looked at Ji Feng, they really didn't know what kind of work Ji Feng was doing.

"Me, huh?"

Ji Feng smiled, put down the cup of tea in his hand and smiled, "I should belong to a jobless person now, I don't have any serious job, and I do everything."

Chen Teng said, "If you do everything, you always have a main job, right? What else would you do for a living?"

Ji Feng shook his head and laughed: "My girlfriend is richer, so I mainly spend her money!"

He was telling the truth, all the money in his card was transferred directly from the Tengfei Group, and in order for the Tengfei Group's finance to transfer money to him, they had to have Xiao Yuxuan's signature, so it could be justified to say that he spent Xiao Yuxuan's money. Moreover, the entire Tengfei Group was now being held up by Xiao Yuxuan, so it was perfectly possible to say that.

However, when he heard this in the ears of the others, it made everyone stunned, even Du Yang Yi, who looked at Ji Feng in astonishment, "Dude, you're bullshitting, right?"

Ji Feng nodded and laughed, "It's true."

"This"

"Ji Feng, you are a bit" how to say it, you can't go on like this!" Chen Teng smiled, the whole person is simply like being hit with chicken blood, suddenly got excited, the mouth is said: "A rich girlfriend is not something to be ashamed of, but you can not completely eat your girlfriend's ah, you always have to rely on their own hands to earn, this point you have to learn from me... .."

Chen Teng finally found a sense of superiority, as if he had even found a topic of conversation, the whole person was excited and started to lecture Ji Feng, but behind the lecture, he was actually showing off his income, while belittling Ji Feng as much as possible.

"Alright, alright, stop it." Du Yang Yi was so uncomfortable listening that he couldn't help but say.

Campus Master Chapter 2710

Chen Teng was lecturing Ji Feng, and in a condescending manner, which made Du Yang Yi a little uncomfortable, especially when he heard Chen Teng criticize Ji Feng for only thinking about relying on women instead of working hard on his own, Du Yang Yi really wanted to ask him, "Didn't you get rich by relying on women?"

But after all, he was an old classmate, and in front of so many people, even if he wanted to raise his voice, he had to do it on the right occasion, so Du Yang Yi interrupted Chen Teng with great impatience, but did not say anything more excessive.

In fact, if it wasn't for Chen Teng, he wouldn't even have interrupted others.

However, even so, Chen Teng, who was interrupted by Du Yang Yi, was still very uncomfortable in his heart. He grunted, looked at Du Yang Yi and then at Ji Feng, and could not help but shake his head.

But in reality, Chen Teng was almost happy in his heart.

Ji Feng was actually a soft-earner!

This allowed him to find a complete sense of superiority in front of Ji Feng, and he could even teach Ji Feng a lesson with a straight face!

Although he was the richest among all the people here, Chen Teng was actually a bit unnatural in his heart, after all, he earned almost all of his money through his wife and old man, and he knew that although other people did not say so, they might not think so in their hearts.

Therefore, Chen Teng wants to prove his ability, so every time we have dinner together he will intentionally or unintentionally talk about his business, saying how hard he works and how busy he is, in fact, to prove that his money is earned by himself, and his old husband only plays a role of matchmaking.

But in his heart, Chen Teng was still more or less vain.

But now, once he heard that Ji Feng was actually a soft-earner, Chen Teng became excited, daring to say that he was not the most humiliated one, it was Ji Feng who was really humiliated!

At this time, everyone else looked at Ji Feng in a somewhat odd way.

I don't know if it was because they were surprised by Ji Feng admitting so bluntly that he was spending his girlfriend's money, or if it was because the matter of Ji Feng eating soft rice itself made them feel very uncomfortable.

"Come on, we haven't seen each other for a long time, isn't it better to catch up together than anything else? You have to say something useless!" Du Yang Yi hummed and said, "I'll go and see how the food hasn't come up yet, you guys talk first that what, Ji Feng, you come out with me."

Ji Feng's face with a faint smile followed Du Yang Yi out and when he came outside he asked, "Old Du, what's wrong?"

"What else is wrong I said are you kid really stupid or are you pretending to be confused?" Du Yang Yi couldn't help but say, "Can't you see that Chen Teng is laughing at you?"

"Saw it!" Ji Feng nodded his head.

"You"

Du Yang Yi couldn't help but be a little speechless: "Why are you still so truthful when you can see it, saying everything outwardly? Why did you say something about your girlfriend being rich?"

The first thing you need to do is to have a conversation."

Du Yang Yi shook his head helplessly and said, "My dear brother, do you think this is still junior high school? Now that everyone has stepped into society, no one is as innocent as before, so you should stop being so innocent, okay?"

Ji Feng shook his head and smiled, not saying anything.

The first thing you need to do is to go to a big stall and have a few drinks alone.

Ji Feng nodded and smiled, "No problem, I have plans for that too!"

"Then it's a deal, drink less when you drink later, that Chen Teng person is not a vicious person, but at least he's not a good person either, I'm worried that he might pound you with alcohol when the time comes, so watch out for yourself." Du Yang Yi said.

“I can still hold my liquor!” Ji Feng smiled, “He can’t pour me out!”

“.....”

Du Yang Yi punched him on the chest and laughed, “Stop bragging, go back, I’ll go rush the food!”

When Ji Feng returned to the box again, he saw that they were chatting fervently, especially Chen Teng and the two people beside him, they were laughing continuously, when they saw Ji Feng come in, everyone’s voices suddenly dropped a few notches, this feeling was like being in class for self-study originally, everyone was talking and laughing, and suddenly the class teacher came in at some point

This is how it feels now.

Ji Feng smiled and sat down, still holding up his cup of tea, leisurely drinking tea and listening to their conversation.

“Ji Feng, what you just said is true?” Suddenly, Fan Yishui, who was sitting next to him, asked in a low voice as she slightly sidled over.

“Of course it’s true!” Ji Feng nodded and smiled, “Not a single false word.”

Fan Yishui’s eyes blinked and said, “So, you’re just eating soft rice now?”

Ji Feng thought for a moment and shook his head, laughing, “Technically speaking, no. But if you guys have to think so, I have no problem with it.”

“It seems that’s it.”

Fan Yishui’s eyes flashed with a very different look, and the corner of her mouth holding a toothpick suddenly pulled up a slight curve as she said, “In that case, have you ever considered changing jobs?”

Ji Feng was stunned: “Change jobs?”

Immediately, he reacted and couldn’t help but cry and laugh a little. Fan Yishui seemed to have said this very euphemistically, she had already said before that she was now considered jobless, yet she was asking herself if she wanted to change her job, which actually meant that she was asking herself if she wanted a change of environment.

To be more blunt, it is to ask if you can stop eating soft rice

The first thing you need to do is to ask yourself if you want to find a job.

Fan Yishui said, “As long as you want, it’s not hard to find a job, and if you’re willing, I can always introduce you to a whole bunch of jobs that pay well.”

Ji Feng raised his eyebrows, “Really? You’re so good? You’re not afraid that I’m a lazy person who’s good at eating and doing things, so when I let you introduce me to a job, I’ll do a bad job and lose your reputation!”

“I’m not good at it!” Fan Yishui laughed lightly and shook her head, “Besides, you may not be a lazy person who is good at eating and doing nothing!”

“Oh?”

Ji Feng asked, "Why?"

Fan Yishui nudged her mouth, that held a toothpick pointing right at him, "A person who is good at eating and lazy, especially a man, his collar won't be that clean and his clothes won't be that neat!"

Ji Feng looked down, his collar was indeed quite clean, it was the clothes he had just changed today, he laughed, "My girlfriend takes good care of me."

Fan Yishui just laughed, shook her head and didn't say anything else.

"Hey, I say Ji Feng, you said your girlfriend is so rich, what does she do?" At this time, when Chen Teng saw Ji Feng and Fan Yishui chatting so intimately, he immediately had some bad feelings in his heart, and with a twinkle in his eye, he immediately asked.

"Yes Ji Feng, are you in Jinling now? Or are you somewhere else?" The girl who was sitting next to Chen Teng asked.

"I am now living in Jiangzhou permanently, and occasionally I will go to Yanjing for a while." Ji Feng smiled, "As for my girlfriend, she's the boss of a group company."

"Huh?"

"What the hell?"

At once, Chen Teng and the others couldn't help but be stunned, especially Chen Teng, who almost spat out the tea he had just consumed in one gulp, "The boss of a group company?"

Ji Feng nodded, "That's right."

Chen Teng immediately asked, "Is it the department manager, the general manager, or the president?"

Ji Feng smiled, "A handful, the president! Or, it's fine to say she's the chairman of the board."

"....."

This time, everyone looked at each other, each with an odd face.

Chen Teng was even a little speechless.

"Haha!"

Suddenly, Chen Teng couldn't help but laugh and pointed at Ji Feng, "I say, little carrot head, you kid is really how come I didn't find you so humorous before, huh? Hahaha"

Ji Feng also shook his head and laughed, this people na, sometimes you say false things he believes, you say the truth he does not believe it instead.

"It's really bullshit!"

The girl sitting next to Chen Teng couldn't help but snicker, looked at Ji Feng and said, "Ji Feng, I haven't seen you grow in the past few years, but this bragging skill has really grown, to be called a group of companies, the assets must be several hundred million, right? I'm afraid that your girlfriend's pocket money is more than our annual salary."

Ji Feng nodded and said, "Pretty much, I don't have much of a concept of money."

"Pfft!"

He wiped his face while holding back his laughter and said, "I say, buddy, can we not be so funny? If you keep doing that, you won't be able to drink the wine later."

The girl even sneered, "Ji Feng, you're really thick-skinned beyond compare! You have no concept of money and I'm not talking about you, is there a single piece of branded clothing you're wearing all over your body? Not even a logo, and the styles are all a bit quirky, and also, the watch on your hand, it looks like it's a bit old too, right?"

Ji Feng raised his hand to look at it and nodded and smiled, "Well, it's a bit old line, don't keep talking about me, talk about you guys, I'm just like that, there's nothing to say."

The watch in his hand, or just the first semester of his first year in college, Xiao Yuxuan accompanied him to buy it together, it is also four years old now, it looks a bit old.

However, in the eyes of the others, this kind of performance was a bit of an embarrassing diversion when his pretence was exposed, so the girl's face showed a touch of contempt without hiding it, and the others also grinned, especially Chen Teng, who even laughed twice.

Fan Yishui, however, only shook her head and laughed lightly, giving an ay.

Chen Teng couldn't help but say, "Yishui, what are you sighing for?"

Fan Yishui glanced at him and then looked at the others, and could not help but smile and shake her head.

With a quirky smile at the corner of her mouth, she said, "I was lamenting that after not seeing them for a few years, the classmates have really changed so much, especially Ji Feng If I'm not mistaken, this outfit you're wearing should be designed by a well-known big designer, right? The total price of this outfit is several tens of thousands, right?"
