

Campus Master 2711

“So expensive?”

When Ji Feng heard this, he couldn't help but even be a little surprised, he looked at Fan Yishui and said, “You have research on this too?”

Fan Yishui cocked her head to look at him and said, “Your own clothes, you would not know how much they are worth?”

Looking at the look on her face, she seemed to be saying, “Still want to pretend, huh? Still pretending in front of me?”

Ji Feng couldn't help but shake his head and smile, not saying anything, but in reality he was laughing bitterly in his heart, to be honest, he really didn't know how much his clothes really cost, because his clothes were basically all prepared for him by Tong Lei.

Although Tong Lei never measured his size, the clothes she brought back fit him just right, which made Xiao Yuxuan marvel.

At one point Xiao Yuxuan even said with emotion, “Lei Lei really loves you to the bone, everything about you, she has taken to heart.”

Because, if it were her, she would not be able to be so precise.

This was also another reason why Xiao Yuxuan respected Tong Lei.

But at this moment, listening to Fan Yishui say that this one of his clothes was even tens of thousands of dollars, Ji Feng heart also can't help but be shocked, Lei Lei this girl is really willing to ..... if he himself, absolutely can't spare to buy such expensive clothes.

But he this look fell in the eyes of Fan Yishui, obviously some pretend.

The actual fact is that you can find a lot of people who are not able to get a lot of money for the money.

However, the other people present at this moment were all stunned by Fan Yishui's words, especially Chen Teng and the two people who were closer to him, who looked at Fan Yishui with stunned faces, and then looked at Ji Feng, their eyes full of shock and disbelief.

“Yi, Yishui, did I hear you right?”

Chen Teng asked in consternation, “You just said little radish ..... How much did you say Ji Feng's outfit cost? Tens of thousands of dollars?”

That female student also couldn't help but echo, “Yes, Yishui, did you see it wrong? What kind of clothes does he have that are worth so much money? Look at that style, it's weird, it's not a suit, it's not a jacket, it's not a casual suit ..... The fabric looks weird too, can it be worth so much money?”

Fan Yishui's face with a cool smile, but does not answer.

For those who understand, they all understand if you don't say so, while for those who don't, they don't understand even if you do.

Fan Yishui never liked to waste words.

“Ji Feng, Yishui said that you are wearing a Vacheron Constantin on your hand?” Having suffered a defeat at Fan Yishui’s place, both Chen Teng and the female student couldn’t help but be a little embarrassed, so Chen Teng turned his gaze to Ji Feng again, perhaps in his subconscious, but Ji Feng didn’t dare not answer his question.

“What Vacheron Constantin?”

Just at this time, Du Yang Yi walked in and asked with a smile, “Ji Feng, you have a Vacheron Constantin watch?”

As he spoke, he pulled out his chair and sat down, looked at Ji Feng’s wrist, and couldn’t help but stare, “Huh? It really seems to be a Vacheron Constantin, huh?”

He grabbed Ji Feng’s wrist and lifted it up, stared at Ji Feng’s watch for a while, couldn’t help but look at Ji Feng again and said in consternation, “Dude, you can’t really be .....”

In eating soft rice ..... Du Yang a wanted to say this, but considering Ji Feng’s face, the words came to his mouth or did not say it.

Ji Feng but nodded and smiled: “I said, my girlfriend is richer, this is what she bought for me.”

“..... Shit!”

After holding it in for half a day, Du Yang Yi finally stifled a foul mouth, his next sentence was, “Where did you find this girlfriend? I’ll go find one too!”

Ji Feng laughed: “Then you should look around and see if there are any rich and beautiful female bosses in Jinling, it depends on your ability to catch up.”

Du Yang Yi said, “I think you have more experience in this area, so I’ll pass on some experience to me later, okay?”

Ji Feng nodded and said, “No problem.”

The two of them were laughing, but the others were a bit unnatural, especially Chen Teng, who originally felt most at home at this table.

But now he suddenly found that a set of clothes of Ji Feng was worth several tens of thousands of dollars, and the watch that looked so insignificant was actually a world watch, which made his sense of superiority disappear instantly.

This kind of contrast was a bit hard for Chen Teng to accept, especially in front of Fan Yishui. What’s more, it was only after Fan Yishui said so that he knew about it. This gap in vision made Chen Teng feel that he was even further away from Fan Yishui, and he was somewhat resigned to it.

“Ji Feng, you can’t just rely on women!” Chen Teng couldn’t help but say, “The most important thing for a man is still to rely on his own struggle, the money he earns is only solidly used, right?”

“That’s right.” Ji Feng smiled and nodded, seemingly not hearing the slightest bit of resignation and sarcasm in Chen Teng’s words.

“.....”

This non-resistance from Ji Feng made Chen Teng feel like a punch on cotton, really unable to use his strength, extremely uncomfortable, but if he continued to sarcasm Ji Feng, he had some fallen short.

In front of Fan Yishui, Chen Teng naturally wanted to perform a little better ..... even though he thought he was usually very good.

However, what depressed Chen Teng was that he had been as generous as possible, but when his gaze swept past Fan Yishui's face, what he saw was Fan Yishui's water-like eyes, which were actually looking at Ji Feng, and there was a smile at the corner of her mouth, and that look ..... seemed to be somewhat appreciative?

Chen Teng was immediately suffocated, if possible he really wanted to run to Fan Yishui to ask her loudly, are you brain is not a problem ah beauty, or the legendary boobs without brain? You actually admire a boy who eats soft rice?

However at this time Chen Teng was not thinking about himself.

“Knock knock knock.”

With a knock on the door, the waiter began to serve the food, however when the wine was served next, Ji Feng was stunned to find that of the girls present, there was only one who drank a drink, and all the cups at the others' heels had wine poured in them.

He looked at Fan Yishui and asked, “Do you have no problem drinking?”

Fan Yishui said, “Is it fun to party without drinking? Or are you unable to drink?”

Ji Feng: “.....”

In the end, Ji Feng couldn't help but shake his head and smile as he refilled his cup, he felt that today was really quite interesting, not to mention seeing junior high school classmates that he hadn't seen in seven or eight years, regardless of whether the relationship was good or bad, at least listening to them talk about the past, the kind of feeling they had at the beginning, the kinds of experiences, going to be worth his time to go back over and over.

Ji Feng even felt that it was no wonder that many old people would say that at that age, they basically live on memories.

In fact, memories are important to anyone!

Ji Feng enjoyed such memories, even if Chen Teng called him Little Turnip Head, it reminded him of the old days when he was in junior high school, and this was the reason why he was willing to continue to sit down here and not turn around and leave.

As for Chen Teng, Ji Feng did not care too much and did not take what he said to heart.

Especially after going through so many things, how would Ji Feng fight with Chen Teng?

What's more, he really treats these people as classmates.

On the contrary, Fan Yishui .....

The two of them looked at each other and could not help but smile slightly at the same time, except that Fan Yishui was holding a toothpick in her mouth and her smile was of a different kind.

“The toothpicks in restaurants are of poor quality, just use them to floss your teeth, don’t bite them in your mouth for a long time.” Ji Feng thought about it, or reminded a sentence.

“Then you send me a special one?” Fan Yishuo.

Ji Feng couldn’t help but freeze for a moment, and then he nodded and said, “No problem!”

This time it was Fan Yishui’s turn to be slightly stunned, she looked at Ji Feng and asked, “Really? I’m just kidding .....”

“I’ll make a note of it.”

Ji Feng laughed: “When we get back, I’ll help you make a special toothpick when I find the right material, it’s guaranteed to be harmless.”

Fan Yishui suddenly smiled sweetly, “So nice to me?”

“.....”

Ji Feng coughed lightly, turned his head and picked up a cup, and said aloud, “Guys and sisters, thank you for coming today, this cup of wine I toast you.”

Fan Yishui then skimmed her lips and muttered something out of her mouth.

Although her muttered voice was low and somewhat slurred, it did not escape Ji Feng’s ears.

What she said was: “Changing the subject, not like a man .....”

Ji Feng couldn’t help but sweat.

Hesitantly he put his stance low, Chen Teng and others were not good enough to go too far, seeing that he stood up with his cup, the others also stood up, “Cheers .....”

Whether it was a party or a brotherly tipple, once a few glasses of wine had been drunk, the atmosphere would soon be better.

This time was no exception, a few glasses of wine went down, everyone chatted a little louder, laughed even more, and the wine on the table went down quickly, the female student who was drinking the drinks volunteered to take on the task of rushing the food and serving the wine, getting up and going out to ask the waiter for wine.

In fact, the waiter was at the door, just call out, the service in a star hotel is not that bad, but she went out because some male students teased her to ask for a drink, so she was an excuse to escape.

The reason why she went out was because some male students were teasing her to get her to drink.

“What are you thinking about? You’re lost in thought!” Fan Yishui’s voice pulled Ji Feng’s thoughts back to reality.

Ji Feng shook his head and smiled, "After talking for so long, I still don't know what kind of work you do? Are you also in Jinling now?"

"I ah ....."

Fan Yishui's beautiful eyes carried a smirk, "Me? Like you, I'm also muddling through, I ....."

"Ah...!"

She hadn't finished her words when she was suddenly interrupted by a shriek from outside.

She instantly knitted her eyebrows, "It's Minnie!"

Campus Master Chapter 2712

Xiao Min, the female classmate who went out to get the wine just now, she went out because she couldn't drink, but several male classmates were teasing her, so she went out this time, but I didn't expect that this just went out not long before her alarming voice came.

Ji Feng frowned: "Are you sure?"

Fan Yishui, however, did not answer him, but directly stood up and then walked quickly towards the outside.

"Go, go over and take a look!"

Just now he was talking to Fan Yishui, so he didn't pay attention to whether the shrieking outside was Xiao Min's voice or not, but since Fan Yishui was so sure, he thought it couldn't be wrong.

Besides, even if it wasn't Xiao Min, Ji Feng was still planning to go out for some air.

As soon as they left, Chen Teng and the others also stood up and all followed.

Pushing open the door of the compartment and coming outside, Ji Feng couldn't help but frown at once, and he could indeed see the corridor was in an uproar, with several people gathered there, and the sound of angry drinking and cursing.

"What's wrong with you, don't watch where you're going, you've got eyes for pissing!" A voice cursed from the crowd.

"It was a girl's voice, she was cursing at the other girl, but she couldn't go on because the other girl's words were too harsh.

"Talking hard? Talking like that is being polite to you!" Another girl's voice came, but this one was a little shrill, and seemed to be a little condescending, with a feeling of superiority: "Do you know how much my husband's clothes cost? Look at your poor look, you may not be able to afford to pay for it even if you are sold ....." Still think it's hard to say? You have to bear it too!"

"You ....."

"Bastard!"

The moment Fan Yishui heard this voice, without saying a word she immediately raised her eyebrows, and an anger flashed through her originally water-like eyes: "Filthy words!"

Ji Feng's eyebrows were furrowed tightly, and a cold light flashed in his eyes.

In fact, as soon as that cursing voice sounded, he immediately heard it, this voice, it was Liu XXX's!

This was quite a coincidence!

Originally, he knew from Ji Shaodong that this hotel was the property of Liu Xie's future husband, so he didn't want to eat here, just because he felt uneasy, but he didn't expect that he would actually run into Liu Xie here.

But he had never imagined that he would actually run into Liu Thirty here, and that it would be under such circumstances.

Especially when he heard the vicious insults from Liu 30, the anger in Ji Feng's heart rose up, he pulled Fan Yishui who was about to go forward, slowly shook his head and said, "You don't need to care about this, just leave it to me."

Fan Yishui looked at him and said, "If you want to manage it, you have to manage it well!"

Ji Feng smiled and nodded, saying, "Don't worry. If I can't manage it well, I won't have the face to come back to Jinling in the future."

"That's good!"

Fan Yishui nodded slowly and said, "That's like a sentence, go ahead, I'll be right behind you!"

Ji Feng smiled, but there was no half-hearted smile in his eyes, instead his eyes were cold and frightening.

Liu XXX was depressed!

In his opinion, this was perhaps the most humiliating day in his life!

First, in front of so many people at the cafe, he was slapped twice by Ji Feng without mercy, even his teeth were broken, and his face was slapped almost to the point of humiliation.

However, what he didn't expect was that he had gone for an injury test, hoping to frame Ji Feng through his connections, so as to take his own anger and perhaps open a breakthrough from Li Yantong, but what he didn't expect was that his well-intentioned plan had become the beginning of another humiliation!

Not only was his friend who helped him with the false identification results dealt with, even he almost fell into it. If he hadn't bitten the bullet and denied it at the critical moment, I'm afraid he would be the one who is now locked up in the interrogation room!

But even now, he was having a hard time, as he had received a call from the law firm during the day, and from the boss himself, who had scolded him severely, thinking that his behaviour had brought the firm into disrepute, and had then fired him outright.

Thinking about all the encounters from yesterday to today, Liu XXX was so ashamed and indignant that he wanted to die ..... Of course, he wanted Ji Feng to die even more!

But he knew that he was no match for Ji Feng if he fought head to head, so he came here in an extremely depressed mood, and only here could he find some dignity as a man.

Because the hotel owner's daughter, Zhao Shanshan, was extraordinarily fond of him, completely convinced by his manly charm, and also extremely admired his humor and eloquence. Only in front of Zhao Shanshan could Liu XXX find the confidence he used to have, and also the ..... banknotes he needed!

The only way to get the most out of your life is to have a good time.

He had been humiliated by Ji Feng, and his face was torn off, but he didn't dare to say a word, which made him want to vomit blood.

But now, this was the Xinyuan Hotel, which was the property of Zhao Shanshan's family, and here he was so full of energy that he was close to walking across the street, so after being hit by this woman, he immediately vented his anger towards her!

"Bitch, another bitch!"

Liu Thirty was iron-clad and scolded angrily, "I said you're still not convinced, what do you think you are, this whole outfit of mine adds up to more than 10,000, and you say you spilled it?"

Xiao Min's face was red with anger, but in the face of this extremely fast-talking Liu Xie, there was no chance for her to speak before he said a series of unpleasant words, so angry that she almost shed tears.

However, at this moment, a cold voice suddenly came over: "Think about yourself first when you say that others are not something, you are something?"

As soon as the woman who was following Liu Xie heard these words, she immediately exploded into a prick, and she shrilly said, "Which shameless person is talking, get out!"

However, at this moment, Liu Xie's face changed abruptly when he heard this voice, the impression this voice gave him was so deep that he feared he would never forget it for the rest of his life.

Because, it was this voice that had given him the greatest humiliation in his life!

— Ji Feng!

Liu Thirty turned back abruptly, and then his pupils contracted abruptly, only to see a group of people walking over, and the one walking in the forefront was none other than Ji Feng!

"You were the one who said that just now?!"

At this time, the girl standing beside Liu Thirty-three pointed at Ji Feng and said angrily, "Have the guts to repeat what you just said!"

Ji Feng took a look at this girl and found that this woman was somewhat obese not to mention that her eyes were extremely small on her already obese face, it was almost as if she had originally been gently cut twice with a sharp knife on a large pancake, extremely ugly.

Ji Feng just took a look at her and then moved away, this woman had a feeling of condescension at first glance, this kind of person Ji Feng would not pay any attention to.

He looked down at the ground, only to see glass dregs and broken bottles scattered on the ground, the pungent smell of alcohol rushing to the sky, obviously, this should be the cause of the conflict.

“Mandy, come here!”

Fan Yishui walked forward and pulled Xiaomin, who had already turned red with anger, to her side, while she took a deep look at Liu XXX, her red lips holding a toothpick slowly spitting out two words: “Making a death!”

Who would have thought that such a beautiful woman would actually say such a tough word, Liu Thirty could not help but be dumbfounded, but immediately his attention returned to Ji Feng.

Seeing Ji Feng here, Liu XXX’s face was extraordinarily ugly as he gritted his teeth and asked, “Why are you here!”

Ji Feng snorted coldly and said disdainfully, “If I wasn’t here, I really wouldn’t know exactly how rampant you’ve become!”

He shook his head with an icy chill in his eyes, “Liu Thirty-three, you’re really a dead man! First you bully my sister, and then you bully my classmates, if I don’t do something about it, I’m afraid you won’t be able to live with yourself!”

At this moment, he almost had a murderous intent towards Liu Xie!

This man was simply looking for death, challenging his bottom line again and again!

A look of panic flashed across Liu Thirty’s eyes and he said, “Ji Feng, don’t threaten me here, try to touch me!”

Ji Feng shook his head and said, “If I were to move you, it would be more than just one time!”

Liu XXX’s face changed dramatically and he subconsciously took a step back, but when he reacted and found that Ji Feng was just standing naturally and had no intention of making a move, he suddenly turned red and was extraordinarily embarrassed.

“What are you, who are you to tell me what to do here!” At this point, the obese woman couldn’t help but say angrily, “That bitch spilled wine all over my husband, what are you coming out to act like a big head of garlic!”

“You’re Zhao Shanshan, Zhao Xinyuan’s daughter, right? You’re inviting disaster for your father!” Ji Feng looked at her and said in a deep voice, “If I were you, I’d call Zhao Xinyuan right now!”

“Bullshit!”

Zhao Shanshan immediately cursed angrily, “What the fuck are you, and you’re still acting like a big fucking wolf here! My father, Zhao Xinyuan, is the master of both black and white in Jinling, what kind of disaster can you bring to him? Get the hell out of my way and stop hanging around in front of me!”

Ji Feng looked at her deeply twice, then looked at Liu thirty, and couldn’t help but shake his head.

All of a sudden, Liu thirty's face turned red and he almost didn't dare to look at Ji Feng's eyes, if there was a crack in the ground at this moment, he would hate to burrow into it, while in his heart, he hated Ji Feng even more, his own ugliness, all his nastiness, was all in his eyes.

"I said where are you, didn't you hear me, get the hell out of my way ....."

"Slap!"

A loud slap, slapped on Zhao Shanshan's face, instantly bringing her words to a screeching halt.

Fan Yishui held a toothpick in her mouth and waved her hand away, "Slapping your fat face, dirtying my hands!"

Campus Master Chapter 2713

Zhao Shanshan was instantly dazed, she covered her face and didn't even react for a moment, as if she couldn't believe that she had been slapped by someone.

The next moment, Zhao Shanshan's eyes instantly widened as she realised that she had been slapped hard in her own hotel!

In a flash, Zhao Shanshan exploded!

"Ah...!"

Zhao Shanshan screamed and immediately lunged towards Fan Yishui, hissing shrilly with her teeth and claws, "Bitch, you dare to hit me, I'll tear you up ....."

"Snap!"

However, what she got in response was another loud slap.

At the same time, Fan Yishui only gently sidled to one side, Zhao Shanshan's fat body couldn't control it and rushed forward at once, stumbling several steps before she managed to stop and almost fell down.

Ji Feng was stunned, he looked at Fan Yishui with a strange face, somewhat shocked.

He really did not expect that Fan Yishui was so tough. If he only looked at her watery eyes and her cool appearance, Ji Feng would not believe that she was such a tough woman.

Fan Yishui, however, blushed slightly at his look and couldn't help but glare at him, but didn't say anything as this was not the occasion to chat.

Zhao Shanshan almost went crazy!

She really didn't expect that after being slapped just now, she was now being slapped again, and in her own hotel, which was just like killing her.

"Liu Thirty, you're a dead man! Can't you see I'm getting beaten up, why are you still standing there frozen, beat them up!" Zhao Shanshan screamed.

"I ....."

Liu XXX opened his mouth before he couldn't help but roar, "How can you guys just hit people, you're simply too much, it's illegal!"

Ji Feng gave him a look and ignored him.

The other guys couldn't help but snicker, this guy was really a great guy, seeing his girlfriend being beaten up he didn't dare to come over and take revenge, instead he was still talking to them about the issue of whether it was illegal or not, how illegal could two slaps be!

She pointed at Fan Yishui and screamed, "Bitch, you stinking bitch, wait, if you can walk out of here today, I'll take your name!"

Fan Yishui would not take such insults from her, her face was cold, she took the toothpick out of her mouth and said in a cold voice: "What a foul mouth, it seems that the two slaps just now have not made you remember ....."

The first time she raised her foot to slap Zhao Shanshan again, however, as soon as she raised her foot, Chen Teng rushed forward to stop her.

"Calm down, Yishui, calm down!"

Chen Teng hurriedly stopped Fan Yishui, lowering his voice and saying sharply, "You can't hit, you'll get into big trouble if you hit again!"

Fan Yishui's eyebrows knitted up as she stared at Chen Teng.

Chen Teng hurriedly said, "Yishui you may not know, the boss of this hotel is Zhao Xinyuan of the Xinyuan Group, this person can be considered a figurehead in Jinling, that fat woman just now did not brag, Zhao Xinyuan in Jinling is really black and white, the power is very big!"

Other people might not know about Zhao Xinyuan, but Chen Teng was in the shopping mall in Jinling, and because his father-in-law was the director of the hospital, he was usually able to come into contact with some dignified people, and he had heard a lot about such people, and this Zhao Xinyuan was one of them.

Fan Yishui frowned and said, "So what? Am I just going to stand by and watch her scold me like this?!"

Chen Teng said, "You also beat him up, Yishui, this Zhao Xinyuan is really not easy to mess with, he's like a brother to some of the bigwigs on the Jinling Road, and the leaders of the Jinling police system are all his friends, think about it, can this kind of person be messed with?"

Fan Yishui was just about to speak when she was interrupted by Zhao Shanshan's scream, "Bitch, today you'll be waiting to be played badly!"

Ji Feng immediately frowned at his words and gave her a deep look.

And at this time, the sound of clattering footsteps came, and several people turned their heads to look, but they saw four or five security guards trotting all the way over.

"Missy, are you alright?"

As soon as he ran up to him, one of the security guards hurriedly asked.

Zhao Shanshan said angrily, "You're all dead, why did you only come, I'm being bullied here, what have you all been doing?"

A few security guards couldn't help but be a little embarrassed, being scolded like this in front of so many people, their faces were somewhat embarrassed, but they didn't dare to show it too much, they knew the temper of this grand lady.

"Why is it just a few of you, where are the others?" Zhao Shanshan asked loudly again.

"The others are on their way, Miss, what are your orders?" A security guard replied.

"Arrest these few things for me and beat them up hard!" Zhao Shanshan immediately pointed at Ji Feng and the others and shouted sternly, "Especially that bitch, grab her for me and make her kneel in front of me!"

Several security guards froze for a moment at the same time, however without saying a word, they immediately walked towards Ji Feng and the others, the first two even had a fierce look on their faces, one of them grabbed Fan Yishui with one hand: "Bitch, give me a pass ..... ah~~"

Boom~!

Before this security guard could finish his words, he was instantly kicked backwards and sent flying out, falling heavily to the ground in a heap.

The others were immediately taken aback, "How dare you guys do it?!"

Du Yang Yi even shouted, "I am a police officer, which one of you dares to make a move!"

Fan Yishui was also a bit surprised, she didn't expect Ji Feng to suddenly strike, and what surprised her even more was that Ji Feng's action was too fast, she didn't even see clearly what was going on, the security guard who grabbed at her was kicked out by Ji Feng!

However, Ji Feng's kick had calmed down those security guards.

His gaze swept over coldly and said in a deep voice: "Whoever dares to make a move again will be responsible for the consequences!"

Zhao Shanshan screamed, "Why are you still cold? Call a few more people, give me a beating, it's on me!"

A few security guards couldn't help but hesitate a bit, just now Ji Feng's kick was too ruthless, that was a big living man of more than 100 pounds, but was kicked away by Ji Feng, so you can imagine how powerful Ji Feng's kick was, and looking at Ji Feng's aura, they didn't dare to act rashly.

What's more, there was a policeman on the scene, although we were all in uniform, but the two could not be compared at all!

"You guys, fine, if you don't do it, I'll let someone else do it!" Zhao Shanshan was really mad, who dared to hit her since she was a child? But today, she had unexpectedly received two slaps one after another, which made her practically go crazy.

Before the call was answered, she pointed at Ji Feng and Fan Yishui and the others and said in a sharp voice, "You are not allowed to leave, if you dare to leave, I can find you even if you run to the sky, you will regret it then!"

Fan Yishui gave her a cold look, snorted and turned her head, "Chen Teng, take them and go first, what happens here has nothing to do with you."

"This ....."

Chen Teng couldn't help but hesitate, he wanted to leave, but in front of his classmates, he couldn't face it, if he left today, then there would be no more relationship between them in the future.

Chen Teng was torn, so he had to persuade them: "Yishui, don't go on with them, you ..... can't beat them! In the end, we'll be the ones to lose! How about this, I'll hurry up and call someone to help us make peace ....."

Fan Yishui directly interrupted him and said, "No need. They are the ones who are in the wrong first, and the evil one wants to take a rap, I won't back down!"

"....."

Chen Teng was choked for a moment, and he could not help but complain in his heart, what could they do if they were at fault, who told them that they were powerful? The black and white channels are all over the place, this is not something to be messed with, maybe digging a hole and burying someone is not even known.

He couldn't help but say, "Yishui, it's just a little misunderstanding, why do you have to fight so hard ....."

"Misunderstanding?"

Fan Yishui frowned: "Is it just a simple misunderstanding?"

Chen Teng then couldn't help but be dumbfounded. The fat woman's insults to Fan Yishui just now, and the young man's insults to Xiao Min, as well as their kind of condescension, Chen Teng naturally saw them all, this was certainly not a misunderstanding.

"But the problem is ....."

Chen Teng held his tongue for a long time before he couldn't help but say, "We can't fight others!"

At this time, Du Yang Yi could not listen to him anymore, he frowned and said, "The biggest thing in the world is just a word of reason, you keep saying such demoralizing words ..... you are so afraid of Zhao Xinyuan?!"

Chen Teng already had a belly full of fire, at this time, when hearing Du Yang Yi say so, he suddenly sneered, "You are not afraid? People just a word can make you sit on the bench for the rest of your life, or even find a random reason can make your leader put you in a foul mood, or even fired you, you have the guts you carry it!"

Du Yang Yi sank his face and said, "At least I won't be bullish all day internally but not even dare to say a word externally!"

Chen Teng was furious at his words, "You ....."

"All right!"

Ji Feng frowned and interrupted them, then he turned his head to look at Fan Yishui, but did not see half a look of panic on her face, there was only disgust and anger, he could not help but ask: "Yishui, how do you plan to solve this matter?"

Fan Yishui hummed and said, "I'll play along with whatever they want!"

Ji Feng then couldn't help but be a little surprised and raised his eyebrows as he smiled, "Sure?"

Fan Yishui looked at him and asked, "What, are you afraid too?"

Teng Di, Chen Teng's face turned red, Fan Yishui, with this word 'also', obviously thought that he was afraid, although he was really afraid, he did not want it to come out of Fan Yishui's mouth, moreover, he did not want to leave a bad impression on her.

Chen Teng wanted to behave, but when he thought about Zhao Xinyuan's power, he stiffly dared not go forward.

On the contrary, Ji Feng, shaking his head and smiling, took out his mobile phone and said, "It's better for me to settle this, it was supposed to be my business! Besides, I would have liked to meet this black and white Zhao Xinyuan too!"

Campus Master Chapter 2714

"Go and call someone, you are all dead people!"

Zhao Shanshan was about to go mad, in her own hotel, she was slapped twice in succession, so naked, this was an unprecedented humiliation to her, Zhao Shanshan had the heart to kill someone now!

The rest of the security guards didn't even dare to go near him, and when he glared at them, they were so scared that they didn't even dare to breathe.

This was even more unbearable than killing her!

What was even more unbearable for Zhao Shanshan was the behaviour of her boyfriend, Liu Xie.

At this moment, Liu Xie was actually just pulling her, imploring her to step back from time to time, and looking at Liu Xie's eyes, there seemed to be a kind of fear in them, and Zhao Shanshan burst out.

"What do you keep tugging me for! Can't you see that they're the ones hitting me?!" Zhao Shanshan screamed, "Are you still my boyfriend or not, which side are you on anyway?"

"Shanshan, we can't go in person, that man is a violent maniac, I've seen him before, a good man doesn't want to lose, for now let's hold back for a while, let's wait for our people to come." Liu XXX whispered in Zhao Shanshan's ear.

He didn't dare to say that he had been beaten up in front of Ji Feng before, not to mention the relationship between himself and Ji Feng and how they knew each other, he just said that he had seen Ji Feng beating people up and was a violent maniac, in fact, what he wanted more was for Zhao Shanshan to get more people to come over, even better if Zhao Xinyuan could come forward.

The company's main goal is to get the company to do the same thing as it did in the past.

Although Liu Xie had only heard about it and had not seen it with his own eyes, he knew that the hotel alone was worth at least over a hundred million dollars, and this was only a conservative estimate, not to mention that Zhao Xinyuan had many other properties.

A rich man like this naturally had good relations with people in the official circles.

Therefore, Liu Xie hoped that Zhao Xinyuan would come forward, because once he did, Ji Feng would be in for a treat!

Liu XXX hated Ji Feng so much that almost everything he had was ruined by Ji Feng's hands, but what he hated most was the two slaps that Ji Feng gave him.

These two slaps trampled on Liu thirty's dignity and his self-respect as a man. In front of Ji Feng, Liu thirty was like being stripped naked, without even the last piece of shame.

Disgraceful!

It could even be said that in front of Ji Feng, Liu XXX didn't even know how to behave!

One could imagine how much Liu thirty hated Ji Feng!

"Shanshan, don't be impulsive, I do love you, would I still harm you?" Liu Thirty said in a quick whisper in Zhao Shanshan's ear, "Call someone, or just get your father to come over, how will these little yakuza still run wild then?!"

"..... Good!"

Zhao Shanshan saw that what Liu thirty said was reasonable and immediately nodded her head, she glanced at Fan Yishui with a strong hatred in her eyes and gritted her teeth, "Just let that bitch run wild for a while longer, later on when my people come, I'll see how she can still run wild, see if I don't tear her broken mouth apart!"

Liu Xie nodded his head and said, "That's right!"

He looked at Ji Feng out of the corner of his eyes and gritted his teeth, "We mustn't let them off so easily! Let your father come over!"

Liu thirty-three hoped very much that Zhao Xinyuan could come over personally, in that case, Ji Feng would definitely not end up well even if he was more rampant, as for what background Ji Feng had ..... or even Jinling he could still be stronger than Zhao Xinyuan?

The last time Liu XXX went to Jiangzhou, only to Li Yantong's phone to locate, which followed the past, but in fact to say that his true identity of Ji Feng, but do not understand, otherwise, now he would not be encouraging Zhao Shanshan to deal with Ji Feng, but by as far as possible to run.

"I'll call my dad right now!" Zhao Shanshan gritted her teeth and said with hatred.

"You tell him that there are a few yakuza here who can fight well, ask your dad to arrange it, and it's best to be able to put them in!" Liu thirty-three was drumming next to him.

Zhao Shanshan immediately nodded her head, took out her mobile phone and called her father Zhao Xinyuan.

"Dad, I've been beaten up!"

As soon as the call was connected, Zhao Shanshan couldn't help but say, "I was in our hotel and was censored twice!"

"What?!"

On the other end of the phone, came a man's voice, which was tinged with a bit of shock and anger: "Shanshan, what did you say? You were beaten up?"

Zhao Shanshan immediately said, "Yes, now the gang is still in the hotel, I had someone stop them, but the other party is particularly arrogant, and also hit me ..... Dad, you come quickly, oooh ....."

The cries of his daughter made Zhao Xinyuan instantly shocked, he immediately said in a deep voice: "Shanshan, put the phone on speaker, I want to talk to them!"

Zhao Shanshan gave a hint and then pressed the speakerphone button, "Hey, someone wants to talk to you guys!"

Ji Feng, who was on the phone, frowned and gave her a look without saying anything.

At the same time, a man's voice came out of Zhao Shanshan's phone, "I am Zhao Xinyuan, I don't care who you are or what background you have, if you dare to touch one more finger of my daughter or if you dare to leave Xinyuan Hotel half a step, I, Zhao Xinyuan, will have no end with you!"

After saying that, he hung up the phone.

Fan Yishui sneered, "Hmph! What a big mouth!"

"Well, that's fine. Be careful on your way."

At this time, Ji Feng, who had been on the phone, however, seemed to have not heard the threat of the person on the other end of the line, and just smiled at the phone, "..... Well, it seems to be Zhao Xinyuan's voice."

At the other end of the phone, Ji Shaodong naturally heard Zhao Xinyuan's shocked words, he smiled, "Not a small fire, Lao San, you pay attention to your own safety, I'll be right over."

Ji Feng smiled and said, "Don't worry."

Ji Shaodong then smiled and said, "That's it then." He then hung up the phone, for Ji Feng, but he did not have the slightest worry, how many big storms had he come through, a mere Zhao Xinyuan, how could it be difficult for Ji Feng?

The Wu family was so powerful, the form of Jiangsu and Zhejiang was so vicious, and the dynasty was so terrifying, any one of these forces, I am afraid, would have to headache, but Ji Feng was able to beat them to the ground, even, under the strong hand of Ji Feng, Jiangsu and Zhejiang collapsed, and the Wu family was a big earthquake and change, while the dynasty, the forces in China is almost cleaned up!

Not to mention a Zhao Xinyuan?

So Ji Shaodong did not have the slightest worry, after hanging up the phone, he just shook his head and smiled, then quickly went downstairs and drove out the door.

But on the way, Ji Shaodong was making several calls out in succession, obviously making some kind of arrangement.

At the same time, in the Xinyuan Hotel, Ji Feng and the others were standing on one side, while Liu Xie and Zhao Shanshan, as well as a few security guards, were on the other side.

After knowing what had happened, those people even stared at Ji Feng and the others with an unfriendly expression, the boss's golden girl had been beaten up, how could they have nothing to say?

In fact, for many people, as executives in this hotel, they have a proud mentality. Although those in the service industry claim that the customer is God, in reality, it is only normal for the shop to bully the customer.

If they were just ordinary people or office workers, they would not even look at you from the bottom of their hearts, but would just be polite on the surface, that's all.

And now, after this disguise is torn away, these people are a bit more than polite.

"Who beat you up, get out!" Spoke a senior executive of the Xinyuan Hotel, which was also a relatively young man, probably in his thirties, wearing a tie and a watch, dressed like a successful person, but with a clear arrogance.

It was the waiters and waitresses who served the guests, and as an executive, he naturally felt superior to these guests.

"Watch what you say!"

Du Yang Yi coldly shouted, others are afraid, he is not afraid, now is no longer the skinny and short body in junior high school, as a police officer, how can he just be insulted?

"Kid, you're a bully, aren't you? Fine, I'll see how you can be a bully later!" The executive nodded at Du Yang Yi, with an unkind look in his eyes and a cold smile.

Thinking that just because they were a hotel here, they wouldn't fight with anyone? It was a joke, what could you do if you were disabled?

Liu XXX had not said a word, but only stared at Ji Feng with hatred in his eyes, but he did not show it directly, instead he hid in the crowd and looked at Ji Feng through the gap.

Also gritting her teeth was Zhao Shanshan, she was really going mad today, she would not let any of these people go!

At the same time, Chen Teng and a few other students saw this kind of scene, but they were so scared that their legs went a little soft.

“Yishui, a good man doesn’t want to lose, there are many of them, I think we should call the police, or we should leave first?” The one who spoke was the girl who was closer to Chen Teng.

“It would be good to call the police!” Chen Teng said, “As I said, Zhao Xinyuan is very powerful, and he is friends with the leaders of the municipal bureau, what do you think the police can do?”

“What do you think then?” Du Yang asked with a frown.

“What do you mean I think? You guys barfed and slapped someone, and now they can let you go?” Chen Teng couldn’t help but grunt and said, “If I were to look at it this way, call the police, at least the police won’t hit us with their hands .....”

“If you are afraid, you can go first and pretend that you don’t know us without any problem!” Du Yang Yi said coldly.

Campus Master Chapter 2715

“You .....”

Chen Teng glared at him and grunted, then turned his head to Fan Yishui and said, “Yishui, let’s hurry up and leave, this kind of thing can really be big or small, if we really wait until Zhao Xinyuan comes, things can .....”

Fan Yishui glanced at him and said, “Do you think, I can leave?”

Chen Teng was instantly choked for a moment.

Indeed, it was Fan Yishui who had slapped Zhao Shanshan, and Zhao Shanshan absolutely hated her already! If they were to leave, Zhao Shanshan would never let Fan Yishui go, even if she let them all go!

This put Chen Teng in a difficult position, as he looked to his left and right, and opened his mouth several times to stop talking.

“You don’t have to be embarrassed.”

Fan Yishui seemed to have seen through Chen Teng’s thoughts and said, “This matter has nothing to do with you, so you should leave first, staying here might affect your business.”

Chen Teng’s face reddened as he was embarrassed beyond measure.

Fan Yishui said he didn’t have to be embarrassed ....., about what?

Originally, his own classmates are in trouble, stay to help, or rather share the blessings and difficulties, this in itself is a very normal thing, what is there to be embarrassed about?

The reason why it’s so difficult is that they want to get out of the situation, they want to get out of the way, they don’t want to get involved in this kind of trouble.

To put it bluntly, they are unwilling to bear the burden together.

He could not help but say indignantly: "Yishui, what are you saying? I'm saying this for your own good, if you don't listen, then there's nothing I can do!"

Fan Yishui nodded and said, "Well, I appreciate your good intentions. Hurry up and go, since you said that Zhao Xinyuan is so powerful, if he really puts this debt on your head as well, you will be in big trouble then."

Chen Teng was just about to speak when he heard Du Yang Yi say, "You should think carefully, Fan Yishui is right, we are barefoot and not afraid of those wearing shoes, but you ....."

The first time they said this, Chen Teng could not help it, his face was red, he really wanted to say that you are not afraid of me, I am afraid of a hair, we carry together!

But the words came out of his mouth, but he held them back!

You can't talk nonsense!

If Zhao Xinyuan really wanted to find trouble, then he was afraid that he would really be in some trouble. In his heart, Chen Teng really wanted to leave, but if he left like that, his face would be a bit embarrassed.

After a few turns of his eyes, Chen Teng suddenly lit up and said, "Let's do this, I'll go find someone to help me now and ask for connections to see if I can get on Zhao Xinyuan's line, I'll go out and make a call!"

Fan Yishui nodded and said, "Go ahead."

Du Yang Yi said mockingly, "If it's too much trouble or if you get lost, you don't have to come back."

Chen Teng suddenly blushed again, but this time he did not argue with Du Yang Yi, he just gave the latter a fierce glare before turning around and leaving.

Seeing that he had already left, the two students who were closer to him hurriedly followed him, but at that moment, one of them shouted, "Want to leave? Block the corridor, whoever dares to barge in will have their legs broken!"

"Stop!"

"I'll see if any of you dare to leave!"

With a loud shout, those people immediately blocked the corridor, "No one is allowed to leave!"

In particular, the few men standing at the front even picked up batons from the hands of the security guards and pointed them at Chen Teng and Ji Feng, shouting, "If any of you dare to take one step, your hooves will be chopped off for you!"

"Ah!"

The female student who followed Chen Teng away was immediately startled, Chen Teng was even more startled and subconsciously jerked back two steps.

Ji Feng, however, gave the group of people a deep look, he heard that the person who first shouted to block the corridor just now was Liu XXX. He couldn't help but secretly coldly snort, this person who only hides behind being played dirty, what a total villain!

As soon as Du Yang stepped forward, he bellowed, "Are you guys trying to get confined here? I'm a police officer, I'll see which one of you dares!"

However, his words only provoked an even fiercer confrontation, and it was clear that the other party did not even regard his status as a police officer, which made Du Yang Yi's face look very bad.

"I'm sorry to have dragged you all into this."

Fan Yishui looked at Ji Feng and then at the other equals and said. Only, she was not the least bit flustered as she spoke, as if the other party's aggressive appearance did not affect her at all.

Seeing this kind of faction of hers, Ji Feng suddenly thought of Yao Yue Ran. Because he found that in some ways Fan Yishui and Yao Yuran had some similarities, they were both so maverick and had a unique way of thinking, however, compared to Yao Yuran, Fan Yishui seemed to be more close to life.

At least up to now, Ji Feng has not seen or heard of Fan Yishui driving a jeep off-road vehicle like Yao Yuran and organizing a team for wilderness exploration and training, while Fan Yishui's maverickism is only expressed in her temperament and character.

In the end, the two women are still very different.

Shaking his head and smiling, Ji Feng said, "Strictly speaking, it should be me who has dragged you guys into this!"

He turned his head to look at Liu XXX, who was hiding in the crowd, and raised his hand to check the time, he couldn't help but coldly snort, "Wasting so much time on this bastard thing, it's really ....."

The scene just stalled, Ji Feng and the others couldn't get out, and the group of people on the other side didn't come up, at least, the security guard who was kicked away was a perfect example to show them that the people on this side weren't that easy to hold.

"Who beat up my daughter!"

All the way until Zhao Xinyuan arrived, the situation changed at once.

Chen Teng's face instantly changed and he subconsciously exclaimed, "Zhao Xinyuan ..... is Zhao Xinyuan is here, this is a disaster!"

At this time, the hotel staff automatically made a way, and saw a middle-aged man in a Zhongshan suit striding over, this middle-aged man combed his back hair, very a bit of majesty, his pair of eyes coldly swept over the whole room, and saw his daughter covering her face and walking over.

"Dad, you're finally here, that bitch slapped me twice in a row, you must help me take revenge!" Zhao Shanshan said incomparably angry.

"Good!"

Zhao Xinyuan's voice sank and his face darkened even more, even though some time had passed and the slap marks on Zhao Shanshan's face were no longer visible, the obvious patch of reddening could still be seen, and Zhao Xinyuan was instantly enraged.

He looked around the room, and finally, his eyes fell on Liu Xie, and to the surprise of many, he did not go after Fan Yishui, but pointed at Liu Xie first, "You, come here!"

Liu XXX was a little stunned and took two steps forward, "Mr. Zhao ....."

Snap!

Before Liu Thirty could finish his words, he received a loud slap, instantly hitting his head with a buzzing sound, and his whole body was almost dumbfounded.

"Mr. Zhao, you ....." Liu Thirty looked at Zhao Xinyuan incomparably stunned, his eyes filled with shock and disbelief, "Why did you ....."

"Now you are in a relationship with my daughter, right?"

Zhao Xinyuan stared at him coldly and said in a deep voice, "As a man, you watched your girlfriend being beaten, why didn't you go up and fight for your life?"

Liu Xie panicked, he could easily deceive Zhao Shanshan into being infatuated with him, but in front of such an old journeyman like Zhao Xinyuan, he did not dare to say anything randomly, but if there was no reasonable explanation .....

"Mr. Zhao, it's not that I don't want to fight for my life, but ....." Liu XXX hurriedly said, "but I was also beaten by them, and that Ji Feng is particularly powerful, one of our security guards was kicked away by him with a single kick!"

"You were beaten up too?" Zhao Xinyuan smiled and his face eased up a bit, but his eyes were getting colder and colder, "Good! Very good! Beating up my daughter and my daughter's boyfriend in my Zhao Xinyuan's hotel, really giving me Zhao someone's face ....."

He turned around haughtily and stared coldly at Ji Feng's side, sticking out a finger, "Who moved the hand, stand out, I don't want more, just kneel down in front of my girlfriend and apologize, with which hand you hit my daughter, break it yourself, and let's just forget about this matter."

"Ah!"

Chen Teng and the others could not help but shout in shock when they heard this.

Du Yang Yi was also shocked, and he stepped forward and said, "Mr. Zhao, it is illegal for you to do that."

Zhao Xinyuan looked at him and asked, "Did you do it?"

Du Yang shook his head once and said, "No, but no matter who did it, you are abusing lynching, and as a police officer, I will definitely not stand by and watch you lynch here!"

"Heh, the police ....."

Zhao Xinyuan sneered and said, "Little comrade, who is your leader, you let him come and talk to me, you, are not qualified!"

Du Yang Yi's face instantly turned red: "You ....."

"Hurry up!"

Zhao Xinyuan coldly shouted, no longer ignoring Du Yang Yi, just coldly said, "Stand out by yourself and do as I say, I will no longer pursue the matter, otherwise ..... you will be responsible for the consequences!"

"Mr. Zhao is very powerful!"

A light laugh had a breezy flavor, but in Zhao Xinyuan's ears, it was so harsh. His face sank and he looked at the sound, and saw a young man standing out, this young man was very tall, standing there with a kind of aura, but Zhao Xinyuan in the heat of anger was not thinking so much.

"Did you do this?" Zhao Xinyuan asked coldly.

"Mr. Zhao, it was him, and the woman behind him, they did it!" Liu XXX immediately said, "And that security guard, he also kicked him off, he is particularly capable of fighting, he is ruthless ....."

"Ruthless?"

Zhao Xinyuan asked, "Ruthless?"

Once Liu thirty-three heard this, his heart almost burst into laughter, Zhao Xinyuan was on fire, Ji Feng, you should finally be unlucky.

"Mr. Zhao, aren't you going to ask the cause and effect before deciding what to do?" At this time, Ji Feng, however, asked indifferently.

"My daughter was beaten, and that's the only result I saw!" Zhao Xinyuan said in a cold voice, "Young man, do what I just said and you can walk out standing up and do it yourself!"

"Heh!"

Ji Feng smiled and shook his head, "Originally, I was planning to invite Mr. Zhao to have a drink to talk about your daughter's boyfriend, but now ....."

His face, cold.

Campus Master Chapter 2716

Originally, he had planned to invite Zhao Xinyuan for a meal and talk about the matter of Liu XXX, at least to make Zhao Xinyuan give him an attitude, believing that if Zhao Xinyuan was not a fool, he would definitely not accept a villain like Liu XXX as his son-in-law.

But what Ji Feng didn't expect was that the plan couldn't catch up with the change, and before he could invite Zhao Xinyuan, things had come to this point. What made Ji Feng feel even more disgusted was that Zhao Xinyuan didn't even ask questions at all after he arrived, just as soon as he heard that his

daughter had been beaten up, he immediately became thunderously angry and didn't hesitate to make a fuss.

As a businessman, yet he wanted a hand from someone at every turn, one can imagine how arrogant Zhao Xinyuan was as a businessman.

It seemed that perhaps it was just like what Chen Teng had said, that Zhao Xinyuan was really a person who could take advantage of both black and white. Even, looking at the ease with which he said he wanted a hand, Ji Feng wondered if this man had started out in the black 'doors' himself!

Zhao Xinyuan's attitude and actions had disappointed Ji Feng, and he had lost interest in treating him.

And now, since Zhao Xinyuan was pushing so hard, there was nothing more to say, let's just have fun.

So, Ji Feng stood out, his face with a bland smile as he looked at Zhao Xinyuan, without any fear.

Kneel down and apologize?

The one who kneels down is not necessarily the one!

However, Zhao Xinyuan could not help but frown at his words, and his face sank as he said, "Kid, are you putting on airs in front of me? If you're trying to play, I advise you that it's better if you don't, you can't afford to play!"

Ji Feng smiled faintly, "That's not necessarily true! I'm afraid it's not up to you to decide whether you can afford to play or not!"

"Ji Feng, you still dare to be so arrogant even now!"

Liu Thirty-three shouted angrily, "Aren't you just a bit rich? How dare you be so arrogant in front of Mr. Zhao! What kind of a thing are you?!"

Ji Feng frowned, glanced at Liu XXX and said, "Liu XXX, don't jump up and down just yet, there will be time for you to cry later!"

"You ....."

Liu XXX was furious, but in his heart he couldn't help but be shocked, he didn't know if Ji Feng had any other means, but his mouth said angrily, "Wait until you can walk out!"

Ji Feng smiled indifferently, walking out? If he wanted to walk out, not to mention these ragged fish and shrimps, even if there were several times more people, he wouldn't be able to stop him, only that he didn't care to do so.

"Kid, where did you come from? You look like you have some history!" Zhao Xinyuan frowned and asked in a deep voice, but did not let anyone make a move in the first place.

Because Zhao Xinyuan sensed something, this young man, too calm, not the slightest bit of panic on his face, can even be said to be very calm, and most importantly, Zhao Xinyuan found that this person's aura is extraordinary, just standing there has a kind of aura, so that he can not help but for the side of the eyes.

Having been in the business world for a long time, Zhao Xinyuan's eyesight is naturally not comparable to that of ordinary people, so he couldn't help but mutter in his heart, could it be that this young man was really something?

So, Zhao Xinyuan asked a question.

Ji Feng smiled indifferently and did not answer Zhao Xinyuan's question, but said: "Mr. Zhao, today's matter, the fault does not lie with us, but that boyfriend of your daughter, had a little conflict with an old classmate of mine, but his words are too hard to hear ..... If necessary, I advise you better Or ask the cause and effect first!"

Zhao Xinyuan frowned tightly and looked at Ji Feng, from Ji Feng's body, he couldn't even see the depth, there was a kind of inscrutable feeling!

This made Zhao Xinyuan not dare to act rashly, he looked at Ji Feng, and could not help but turn his head to look at his daughter and Liu XXX, and said in a deep voice: "What is going on! Say!"

"This ....."

Liu Thirty immediately turned white, a flash of desolation in his eyes and hurriedly said, "Mr. Zhao, don't listen to his nonsense, what this person is best at is reversing black and white ..... Shanshan was slapped twice by them!"

Zhao Xinyuan's face sank, his daughter had been beaten, this was a sore spot for him.

His gaze once again looked at Ji Feng and said in a deep voice: "Kid, let's settle the issue of you beating my daughter first, we'll talk about the rest later ..... Which one of you is going to do it?!"

Ji Feng frowned and said, "Are you sure?"

Zhao Xinyuan coldly snorted and said, "What I Zhao Xinyuan said, a mouthful of spittle is a nail, boy, if you are trying to use this method to stall for time, I advise you better not to do useless work, can tell you clearly, as long as I am here, the police will not come!"

"How impressive!"

Ji Feng smiled and said, "Today is to see ..... straight, today we will not take orders from anyone, what do you want to do, you can just light up the way!"

Zhao Xinyuan eyes immediately flashed a stern look, coldly said: "Good! Since this is the case, then don't blame me, Zhao, this is something you asked for ....."

"Zhao Xinyuan, the one who beat your daughter is me, come at me if you have the guts!"

Just then, Fan Yishui unexpectedly suddenly took two steps forward and said angrily, "Zhao Xinyuan, if you dare to touch a finger of my friend, I swear I won't let you go!"

Ji Feng was slightly stunned, not expecting Fan Yishui to stand out at this moment.

Not only him, the other students couldn't help but freeze for a moment, Du Yang Yi even blushed, being a police officer and a big man, he didn't dare to go toe to toe with Zhao Xinyuan directly in this situation, instead he let a girl rush in front of him.

Zhao Xinyuan also couldn't help but stare, yet when he looked clearly at Fan Yishui, he immediately frowned, "Miss Fan?"

Immediately, he remembered the words of his daughter and Liu XXX, and his face sank abruptly, "Miss Fan, was it you who hit Shan Shan?"

"It was me!" Fan Yishui said.

"Miss Fan!"

Zhao Xinyuan's voice steeply raised a few points, "Don't you think this is too much? Even if your father had come, he wouldn't be able to treat me, Zhao, like this!"

Fan Yishui hummed, "Your daughter was beaten by me, what do you want!"

Zhao Xinyuan stared at her for a moment and said in a cold voice, "Miss Fan, but I have heard that this is not the case, the one who beat people up is that kid by your side, you can leave, but that kid must leave his hand behind today!"

"No!"

Fan Yishui said, "You can't touch any of my classmates today, I want to take them all away!"

Zhao Xinyuan sank his face and said in a deep voice, "Miss Fan, this is Jinling, not Gusu! Even if your father is here today, we can't just let it go!"

Fan Yishui sniffed and said, "What if I have to take them away?"

Zhao Xinyuan snorted coldly, "Then you try! If you walk out of my place, you may not be able to walk out of Jinling, Miss Fan, you should be careful yourself, there are many accidents in life!"

Fan Yishui's face suddenly turned cold: "Zhao Xinyuan, are you threatening me?"

Zhao Xinyuan sneered, "I wouldn't dare, but although your Fan family is a big one, I'm not the one who can be bullied! Miss Fan, I advise you to think carefully!"

"You ....." Fan Yishui stared at him, her pretty face sinking like water! However, she did not dare to make a move easily, because she knew that this Zhao Xinyuan was not a good man or woman, if she wanted to leave then of course it was no problem, but if she wanted to take everyone away and make Zhao Xinyuan swallow the anger of his daughter being beaten alive, I am afraid it was not that easy.

She couldn't help but frown slightly, if Ji Feng didn't come forward, then she could solve this problem today, but now in front of so many people, Zhao Xinyuan was afraid that he wouldn't give in.

The two sides confronted each other at once, and both sides had scruples, but Zhao Xinyuan's aggressive appearance and the increasingly heavy murderous intent in his eyes were clear indications that this stalemate would not last forever.

Fan Yishui was getting a little anxious in her heart, she took out her mobile phone and was ready to call her family, this matter had to be solved only when her family stepped in.

"Yo, so lively!"

Just then, a baritone voice suddenly came, "What are all these people doing gathered here instead of going to dinner?"

Swish!

Everyone looked at the voice, wanting to see who dared to flirt at this time. What they saw, however, was a young man, probably around thirty years old, who was slowly walking towards this side.

This man was not very old, he just looked very stable and his steps were not fast, but I don't know how it happened, but when the people present saw him coming, they couldn't help but feel some pressure in their hearts.

Aura!

Everyone couldn't help but think of this word, yes, this man was very imposing.

"Ji, District Chief Ji?!"

When Zhao Xinyuan saw the visitor, he was immediately taken aback, immediately he did not say a word a push away some obstructive Liu XXX, immediately greeted, just as soon as he took a step he hurriedly stretched out his hands, three steps and two steps, hurriedly held the young man's right hand, shaking it repeatedly.

"Ji district chief, how come you didn't say hello in advance, so I could make arrangements in advance!" At this moment, Zhao Xinyuan was like a new person compared to just now, polite to the extreme, even with a kind of respect in his politeness, which almost made the jaws of the people at the scene drop to the ground!

Zhao Xinyuan, however, did not feel the least bit ashamed, really because, the young man in front of him was too big in origin.

He was the mayor of a district in Jinling, the head of the district government, and ranked among the lords of Jinling, an extremely important and even powerful figure.

What's more, he is still so young and has an unlimited future!

There are even rumors that the district chief is from Yanjing, which can be explained by his mouthful of Beijing accent and Beijing rhythm, and Yanjing surnamed Ji ..... not to mention whether the district chief is really related to that huge to the sky-obscuring family in Yanjing, just having this possibility is enough to make people tremble with fear.

This is especially true for businessmen like Zhao Xinyuan, who made his fortune with a not-so-clean bottom!

And how could Zhao Xinyuan not be respectful?!

Campus Master Chapter 2717

The person who came was no other than Ji Shaodong.

When he saw that his big brother had come over just by himself, Ji Feng could not help but smile slightly, his big brother was getting more and more imposing. In the past, big brother had said that true

might did not depend on the number of people, nor on how many people one had under one's command to hold up.

Now that he was just one person coming over, yet he made even Zhao Xinyuan treat him so cautiously, that was the best proof.

"Who is this man?"

Seeing Zhao Xinyuan actually treating a young man so politely, Du Yang and the others couldn't help but be extremely surprised.

Fan Yishui was also looking at it with some suspicion, taking advantage of the gap when Zhao Xinyuan was being polite to the young man, she turned her head to Ji Feng and said, "Ji Feng, later on, you should give in to a softness, don't be so tough, I'll think of a way to take you guys out, Zhao Xinyuan is indeed a bit bad."

Fan Yishui did not expect that Zhao Xinyuan would be so tough today, he was so rude to her, let alone to Ji Feng and the others.

But there was nothing Fan Yishui could do about it, as Zhao Xinyuan had said before, this was Jinling, not Gusu, and even less so Jiangzhou.

Maybe Ji Feng is doing well now, but here, Zhao Xinyuan is the local snake, even if a fierce dragon crosses the river, he has to be afraid of the local snake. Fan Yishui is most worried that Ji Feng will still be so tough later, if he completely angers Zhao Xinyuan, today's matter will be really troublesome.

At least, even if she could get out in one piece, she would not be able to take Ji Feng and all of them away.

However, Ji Feng only smiled faintly and said, "It's fine, don't worry."

Fan Yishui: "....."

What time is this, can one not be worried?

Is this Zhao Xinyuan still some kind of good man or woman? How many businessmen like him are easy to mess with?

The actual fact is that you can't be sure that you're going to be able to get a good deal on your own.

Just like Chen Teng, he used to like to bully people and like to show off, and now he is also the same.

But what Fan Yishui did not expect was that Ji Feng would be so tough and even dare to negotiate with Zhao Xinyuan you and me ..... In Fan Yishui's opinion, just now Ji Feng and Zhao Xinyuan were negotiating.

"You ....."

Fan Yishui shook his head: "Forget it, I'll try my best later, just don't talk much."

Now is also not the time to advise, Fan Yishui also does not have time to say more, can only admonish two sentences, secretly decided to bring them all out later no matter what.

At this time, there were a few people on their side who were terrified, the first one was the girl who caused the conflict, Minnie, she really didn't expect that her going out to ask for wine would cause such a violent conflict, such a big trouble, it looked like she really didn't know how to end it!

Apart from that, it was Chen Teng and the others.

Chen Teng knew that Zhao Xinyuan was not just talking about it, he would really do it!

This made Chen Teng scared beyond belief, God knows Zhao Xinyuan was just looking for the person who did it or would he end up directly taking his anger out on all of them?

Chen Teng regretted a bit, they had just told him to leave, why did he stay in his head?

Now, they were blocking the way, and he couldn't even leave if he wanted to.

He swallowed hard and no longer had the same gushing voice that he had when he was drinking in the box. He didn't even dare to say a word more, afraid that if he spoke, he would attract Zhao Xinyuan's attention and he would be in trouble if he was targeted.

"District Chief Ji, upstairs please, there are the best private boxes upstairs!"

Zhao Xinyuan made a gesture of invitation, repeatedly invited.

Ji Shaodong, however, just smiled and waved his hand, saying, "Mr. Zhao, there is no need to be polite, I came here for a private matter, just to see my brother, you guys are ....."

"Oh?"

Zhao Xinyuan was slightly startled, and was busy asking, "District Chief Ji, your brother ..... Ji Gongzi is also here?"

Ji Shaodong nodded and said, "Yes, he told me that he was drinking here and asked me to come over as well ..... Oh, see, it's over there!"

As he spoke, Ji Shaodong walked over.

Zhao Xinyuan was stunned and immediately followed him, while looking in the direction Ji Shaodong was walking, only to find that Ji Shaodong seemed to be walking towards that kid just now .....

At once, Zhao Xinyuan heart suddenly thumped, secretly said can't it?

That kid .....

Zhao Xinyuan took a closer look and abruptly found that the kid's face actually had some resemblance to Ji Shaodong's, Ji Shaodong's brother, was really him?!

His heart was shocked, and his footsteps suddenly slowed down. At this time, he saw that Ji Shaodong had already walked up to that kid and ruthlessly punched that kid in the chest.

There was a buzzing sound!

This punch was like a whack on Zhao Xinyuan's head, immediately causing Zhao Xinyuan to have a feeling of dizziness.

“They ..... are actually brothers!” Zhao Xinyuan simply did not want to believe what he was seeing, but the facts in front of him were clearly telling him that what he was looking at was true, that kid, was actually really Ji Shaodong’s brother.

At this moment, Zhao Xinyuan’s heart suddenly dawned on him.

No wonder!

He had felt just now that that brat had an aura on his body, an extraordinary temperament, and from that brat’s face he didn’t even see half a look of fear, instead, there was a coldness.

Even more, just now, the other party had dared to confront him tit-for-tat, without yielding in the slightest, and there was a vague intention to teach him a lesson in those words.

Now everything made sense to Zhao Xinyuan!

Dare to say that people are not pretending, but really have a lot of courage, they really have a history!

And .....

And also Ji Shaodong’s brother!

Zhao Xinyuan’s a heart is constantly sinking, Ji Shaodong, Jinling rising a political star, is the youngest district governor of several districts in Jinling, is obviously also the most promising one.

Such a person, no one is willing to offend, not to mention there is that rumor that Ji Shaodong is actually from the Yanjing Ji family, even if this rumor is false, Ji Shaodong such a person is definitely not his Zhao Xinyuan can provoke!

“Trouble!”

Zhao Xinyuan said secretly in his heart.

But at this moment, there were people who were even more shocked than Zhao Xinyuan – whether it was Fan Yishui, or Chen Teng, or Du Yang and the others, all looked at the scene in front of them in shock.

The young man who had just made Zhao Xinyuan treat him with incomparable caution and politeness was actually so cordial with Ji Feng?

They were .....

At this moment they even felt that their brains were a bit inadequate!

“How is this possible?! How can this be?!” The one who was the most shocked among the people present was Liu XXX.

He was stunned beyond belief as he watched this scene, his entire being was simply struck by lightning, how was this ..... possible?!

How could Ji Feng know such a character?

A bad premonition rose up in the heart of Liu thirty, his face changed drastically, looking at Ji Feng and that youth talking and laughing, the whole person froze on the spot.

“You kid, in the future, mess with such things less!” Ji Shaodong said helplessly.

“Today is different!”

Ji Feng shook his head, then nudged his mouth and said, “That son of a bitch bullied my sister, how can I spare him?”

Ji Shaodong couldn’t help but shake his head and said, “You ah ..... however, this matter when done!”

Although Ji Shaodong is stable, but it doesn’t mean he doesn’t have hot blood, and it doesn’t mean he can watch others bully his family and do nothing about it.

The best proof of this was when Ji Shaodong fought in anger when Wu Zhiyong had someone embarrass Ji Feng.

“Ji, Ji District Chief, you are .....”

At this moment, Zhao Xinyuan finally came back from his shock, and realizing that he had caused trouble, he hurried over and tried to remedy the situation.

Ji Shaodong smiled and said, “Mr. Zhao, let me introduce, this is my brother, Ji Feng, I think you two already know each other?”

Sure enough!

Zhao Xinyuan’s heart thumped, but his face was a strong smile: “Yes, we know each other, so what, Ji Gongzi and I are a no-deal, no-deal .....”

Ji Feng smiled: “Mr. Zhao was very powerful just now!”

Zhao Xinyuan tentatively blushed, extremely embarrassed, jokingly, playing intimidating in front of Ji Feng?

“It’s a misunderstanding, it’s just a misunderstanding!” Zhao Xinyuan said awkwardly.

“Since it’s a misunderstanding, it’s good to talk about it!” Ji Shaodong said.

Zhao Xinyuan can only embarrassed nodded repeatedly, but in his heart is do not know what kind of feeling, chagrin, what is this matter ah, daughter actually with Ji Shaodong’s brother started a conflict ..... this is their own want to befriend but still can not befriend the character ah!

But, Ji Shaodong is not going to pursue, but let Zhao Xinyuan slightly relieved, he secretly thankful that just now I fortunately did not let people do ah, otherwise ..... his heart flooded with a burst of fear.

“Mr. Zhao, I’m here today, there’s one more thing.” Just at that moment, Ji Shaodong suddenly said.

“Ji district chief you say!” Zhao Xinyuan said immediately, even using a salutation.

“That person!”

Ji Shaodong turned and pointed at Liu XXX whose face had already changed dramatically, and said in a deep voice, "I am mainly here to settle accounts with this person today, he cheated my sister's feelings, and now it seems that he should have his feet in two boats!"

"What?!"

Zhao Xinyuan heard what he said and abruptly turned to look at Liu thirty, a surge of anger instantly rushed straight to his head, he suddenly understood, no wonder Ji Feng just now kept asking himself to ask about the cause and effect, dare I say, the root was here!

"Liu Xie!"

Zhao Xinyuan's teeth were about to be gritted, he hated so much that he wanted to kill this bastard on the spot, this trouble, a large part of it may be brought to him by Liu XXX, he did not say a word immediately a few steps to go over, throwing his hand is a fierce slap.

"Slap!"

Liu Xie, who was too late to dodge or was already terrified, was instantly slapped with a loud slap, and his whole body was staggered, but before he could stand firmly, Zhao Xinyuan's cold voice reached his ears: "Liu Xie, you bastard! Today, I, Zhao Xinyuan, put my words here, from now on, I, Zhao Xinyuan, and you will not be on the same side!"

Boom~!

Zhao Xinyuan's words were like an explosion of thunder, immediately causing Liu thirty to blacken before his eyes.

No one knew better than him what would happen if he offended Zhao Xinyuan, but he had offended Zhao Xinyuan to death. More importantly, he had also offended someone who had made Zhao Xinyuan treat him politely!

"Flop!" A sound.

Liu XXX only felt his legs go limp and he instantly fell to his knees .....

Campus Master Chapter 2718

At this moment, Liu XXX's face was pale and his entire body was as if his whole body's bones and strength had been taken away at once, kneeling on the ground only to go limp immediately afterwards, almost like a puddle of mud!

His face was filled with panic and despair, and he didn't even dare to look at Zhao Xinyuan and Ji Feng.

However, the next moment, Liu thirty-three also do not know where to come from the strength, he suddenly straightened up, on the ground quickly crawled two steps to Zhao Xinyuan, pleading: "Zhao President, Zhao President you can not ah, I am loyal to Shanshan, I have never had second thoughts .....

”

Zhao Xinyuan heard the heart shaking with anger, he shouted angrily: "Shut up! You still have the face to say, if not here ....."

The next words he did not continue to say, but look at his look full of killing, anyone understand what he meant, if not here, Liu XXX's fate will definitely not be so lucky, Zhao Xinyuan's methods, also definitely not so gentle!

However, Liu Xie could not stop talking, he was still pleading bitterly, because he knew exactly what he had done. He could never go back to Li Yantong's place, and having offended Ji Feng, the only one who could support him now was Zhao Xinyuan.

But Zhao Xinyuan wanted to be at odds with him, so where would he have a foothold in Jinling next?

Was all the hard work he had done for so long going to waste?

He had tried his best to get close to Zhao Shanshan and make her fall in love with him by using all sorts of flowery words, and he was about to see Zhao Xinyuan's huge wealth that would make anyone swoon .....

However, in the face of Liu Xie's pleading, Zhao Xinyuan is not only unmoved, but his expression is also hairy and cold.

The message that flowed from Ji Feng and Ji Shaodong's words caused Zhao Xinyuan to be shocked and angry. He didn't expect that this beast, Liu Xie, would dare to step on two boats and have a woman outside behind his daughter's back, which can be put aside first, the key problem is that the woman Liu Xie is looking for outside is even Ji Shaodong's family ..... This is fucking looking for death can be found so accurate?

The actual fact is that you can find a lot of people who are not only in the market, but also in the marketplace.

"Liu Thirty, listen to me carefully, I will definitely not say it again ..... Now, you get out of here immediately, just let me see you in Jinling again, I guarantee you will absolutely regret it!"

"Mr Zhao ....."

Liu Xie exclaimed, but all he got in response was Zhao Xinyuan's ice-cold look, especially the kind of eerie chill in Zhao Xinyuan's eyes that made him shiver.

"Shanshan!"

At this time, Liu thirty suddenly remembered Zhao Shanshan who was still standing aside, he immediately crawled towards Zhao Shanshan, yet found that Zhao Shanshan had actually dodged away, "Shanshan, you have to believe me, I really only love you, everything I do is just for you ....." "

"You have other women outside?" Zhao Shanshan asked.

"No!"

Liu Thirty denied categorically, "That was before I met you, haven't I told you everything?"

Zhao Shanshan stared at him and asked, "Really?"

"Of course it's true!" Seeing that things had taken a turn for the worse and Zhao Shanshan's attitude seemed to have loosened a bit, Liu Xie said in a panic.

“Dad~”

Zhao Shanshan saw Liu thirty’s pitiful appearance, she couldn’t help but feel a little soft, it was really because this Liu thirty could speak well, and he was handsome and dashing, he was really a handsome looking man, Zhao Shanshan had never had a boyfriend like this before, she was more or less reluctant to give up.

Zhao Xinyuan’s face sank: “Nonsense! You still think he’s something good?!”

Zhao Shanshan hurriedly said, “Dad~”

Liu XXX also hurriedly said, “Mr. Zhao, what I said is true, that woman I really met before Shanshan, and we broke up long ago, I really love Shanshan .....

“You are really shameless to a certain extent!”

Liu thirty words, let Ji Feng can’t help but shake his head, eyes are even cold light flashes, cold voice said: “Liu thirty, you are treating me as if I do not exist ah! Very well! Then you should tell your General Manager Zhao, since when did you stop pestering my sister?!”

“I .....

Liu Xie blurted out, “Who pestered her! You don’t need to slander me here!”

Ji Feng coldly snorted: “Dead pigs aren’t afraid of boiling water! Then tell me, what did you do last month when you went to Jiangzhou?”

“I .....

Liu XXX smiled and choked, this time he didn’t dare to talk nonsense, he went to Jiangzhou, of course he had located Li Yantong’s mobile phone and went to Jiangzhou to look for Li Yantong, but how could this be said here?

However, as soon as he hesitated, Zhao Xinyuan immediately understood and shouted angrily, “Bastard!”

Liu Thirty-three reacted with a sudden jolt of panic: “General Zhao .....

“Someone!”

Zhao Xinyuan bellowed, “Throw this beast out to me!”

Liu Thirty immediately changed his face drastically, terrified to the extreme, and shouted, “Mr. Zhao, please don’t, I .....

“Wait a minute!”

At this time, Zhao Shanshan suddenly called out, she stared at Liu thirty, her face was extremely ugly: “Liu thirty, you really have two minds about me? Are you with me just for my money?”

Liu Thirty said hurriedly, “No, Shanshan, listen to me .....

“There’s no need to say anything!”

Zhao Shanshan shook her head and said, "I understand everything, from today onwards, there is no longer any relationship between the two of us, those clothes and watches that I gave you, consider them as a break up fee for you!"

"Shanshan!"

"Get lost!"

Zhao Shanshan screamed, "Get as far away as you can, don't let me see you again, get—"

Liu thirty was desperate, even Zhao Shanshan's path was not working, he knew his path had come to an end, he had no other choice but to roll.

At this time Liu Thirty showed his little cleverness, he turned around without saying a word and left, only as he turned around, his eyes were filled with a look of grief and anger, being humiliated like this in front of so many people, this was simply more unbearable to him than killing him.

"Stand still!"

Just as Liu thirty was about to leave, Zhao Xinyuan was the one who suddenly shouted coldly.

Liu Thirty trembled and slowly turned around, forcing a smile, "Zhao, General Zhao, do you have any more orders?"

Zhao Xinyuan asked in a deep voice, "I see that you seem to be resentful and very unconvinced, is that so?"

Liu XXX hurriedly said, "No!"

"No? Hmph! I see that you are more than resentful!" Zhao Xinyuan said coldly, "After lying to my daughter, lying to District Chief Ji and Prince Ji, you want to leave so simply?"

"General Zhao!"

Liu XXX's face changed drastically as he heard his words, he had a bad feeling about this.

As expected!

I only heard Zhao Xinyuan bellowing in a deep voice, "You won't grow a memory unless you are taught a lesson, someone, greet him properly!"

"Yes!"

Several security guards immediately responded. If they couldn't deal with Ji Feng, could they not deal with such a little white boy who ate soft rice? At once, a few security guards quickly surrounded Liu XXX.

At this moment, Zhao Xinyuan walked up to Ji Shaodong and Ji Feng and smiled, "District Chief Ji, Prince Ji, it's too messy here, please go upstairs, give me a chance to make amends today no matter what!"

Ji Shaodong smiled and said, "Mr. Zhao, no need to be polite, there are still things to do later, let's do it some other time!"

Zhao Xinyuan, however, was extremely sincere and said, "Chief Ji, since you've come, if you don't stay, then you're still blaming me, old Zhao, and I won't have the face to see Chief Ji again in the future ..... Mr. Ji, the private box upstairs is quieter, these are your friends, right? Little Fan, let's go up together ....."

Zhao Xinyuan was extremely polite and sincerely invited.

In fact, he wanted to take this opportunity to make amends to Ji Shaodong. It was really because, this time the trouble caused was really big to say the least, and definitely not small to say the least!

But it was hard to say what was involved between a man and a woman. Although now it seems that this bastard, Liu XXX, has his feet in two boats, but who can guarantee that Ji Shaodong will not have any other ideas?

In case Ji Shaodong and Ji Feng, the two brothers, thought that their daughter Zhao Shanshan was deliberately seducing Liu thirty and snatching him away from Ji Shaodong's sister, then the matter would be troublesome.

The revenge of killing one's father and the hatred of taking away one's wife!

If Ji Shaodong's sister really hates her daughter Zhao Shanshan, then the matter will be .....

Once he thought of the serious consequences that could potentially happen, Zhao Xinyuan couldn't help but get a chill down his back, so he desperately invited Ji Shaodong and Ji Feng up for a seat.

"Mr. Zhao, there's really no need!"

Ji Feng could more or less understand Zhao Xinyuan's heart, he said, "Today this matter, the main responsibility lies on Liu XXX, Mr. Zhao is also just deluded, it's just a misunderstanding, let's just write it off ..... my friend and I have only gotten together once in a while, we still plan to go out for a while, Mr. Zhao don't need to be polite!"

"This ..... how is this good, your party, all let me spoil it!" Zhao Xinyuan said with a bitter smile.

"It's okay, I appreciate Mr. Zhao's feelings." Ji Feng nodded his head and said indifferently.

"Then ..... well, since Mr. Ji still has something to do, I won't force myself to stay, another day when Mr. Ji and District Chief Ji have time, old Zhao I will definitely make apologies at my door!" Zhao Xinyuan said.

Ji Shaodong waved his hand and smiled, and did not say anything, he knew that Zhao Xinyuan was trying to take the opportunity to climb up the relationship, however, he was not much interested in this. He knew that Zhao Xinyuan wanted to take the opportunity to make connections, but he was not interested in that.

So, after some pleasantries, Ji Shaodong and Ji Feng and the others left the hotel.

However, just as they were descending the stairs, a harsh scream came from behind them, and Ji Feng naturally heard it, it was the scream of Liu XXX, this talented man from a cold family who had always disguised himself as a hardworking and progressive person, but at this moment, it was the time to eat his own fruit.

I thought that for this Liu XXX, who had almost caused himself a great deal of trouble, with Zhao Xinyuan's nature and style, he would definitely not spare him that easily.

"Ah...!"

Liu Thirty's harsh and miserable scream was so ear-splitting, but when Ji Feng heard it, he smiled faintly.

Campus Master Chapter 2719

Ji Feng did not bother about what would happen to Liu thirty.

If it is true, as Chen Teng said, that Zhao Xinyuan is a big boss who eats up both black and white, then there is no doubt that Liu thirty will not end up too well, what is more, even if Zhao Xinyuan is outwardly one thing but behind the scenes, big brother will definitely not be indifferent.

Perhaps Liu thirty for Ji Shaodong, just a completely ignorable small person, if it is in the usual words there is no need to fight with this kind of person, even with Liu thirty in an accidental conflict, Ji Shaodong afraid will only laugh, not take it seriously, in this point Ji Feng is also the same.

However, when Liu XXX teased Li Yantong, the nature of this matter had completely changed.

No one would stand by and watch their family members being bullied without doing anything. If the other party is powerful, they will try to take out the anger, or even find a way to bring the other party down and step on them, while if the other party is a small and insignificant person like Liu, they will definitely not feel like letting him off just because they lost their status.

When it comes to family members, no matter who it is, it will be the same treatment!

"Lao San, let's leave it like this for now!"

Walking out of the Xinyuan Hotel, Ji Shaodong said, "I won't be staying here much longer, I have a few more materials to read tonight! As for you, keep your friends company, and you'd better call at Auntie's place as well, so as not to make them worry."

Ji Feng nodded and said, "Don't worry, I'll call right away."

Ji Shaodong nodded slightly, then waved his hand to Du Yang Yi and Fan Yishui and the others and smiled, "Everyone, you guys have fun, excuse me, I'll have to excuse myself."

"Where where ....." several people hurriedly said politely. Facing such an extremely poised and dignified person, they couldn't help but tighten up a lot, which made them themselves not realize that they didn't even seem to be so restrained in front of Zhao Xinyuan.

In the crowd, however, there was a pair of eyes that looked up and down at Ji Shaodong, and then looked at Ji Feng again, as if in thought.

"Let's go."

Ji Shaodong patted Ji Feng's shoulder, turned around and got into a car parked at the entrance of the hotel, which was a black and ordinary Volkswagen car, unlike other leaders who go out at every turn is Audi or even Mercedes-Benz imposing, Ji Shaodong driving this car seemed extremely casual and natural, but this looked in the eyes of the crowd, but there was a kind of indescribable respect.

Young, uncommonly poised, yet able to put down his stature, seemingly not taking himself seriously at all, people like this, have an aura of their own.

Although many of the people present did not know exactly what position Ji Shaodong was in, but that sense of restraint was growing stronger and stronger.

Until Ji Shaodong flashed his lights twice as a greeting, after driving away, Du Yang Yi could not help but ask: "Buddy, what does your brother do? Doesn't look like an ordinary person?"

"Yeah!"

Du Yang Yi's words represented the thoughts of many people, Ji Shaodong was just too much of a man, and that kind of temperament from the inside out, really made people's hearts bow.

Confucianism!

That was the most apt word that everyone could think of, and yes, it was refined.

"That boss Zhao seems to call your elder brother some district chief, right?" A classmate asked, "Ji Feng, what kind of district governor is your big brother?"

"I'm not too sure."

Ji Feng shook his head and smiled.

However, a classmate next to him suddenly asked, "Ji district chief, Ji district chief ..... I remember that there is a district chief in Jinling whose surname is Ji, could it be .....?"

Swish!

At once, everyone was quiet and all looked at Ji Feng, seemingly, wanting to get a definite answer from him.

Ji Feng did not expect that there were actually people who really knew, but when you think about Jinling, the former ancient capital for, the enthusiasm of the common people for politics, I am afraid that it is only second to Yanjing, it is not difficult to understand.

For example, many people in Yanjing are able to tell the origins of several giants of the central government, even including their experiences, as clearly as they can.

"I guess so!" Ji Feng nodded his head.

Immediately between them, everyone stopped talking. The expressions on their faces were even different. Jinling, as the number one town in East China, as a place where soldiers have fought since ancient times, and in modern times, as an economic town in China and a sub-provincial city, its status was naturally self-explanatory.

It can be said that Jinling is the most dazzling star in Eastern China!

So, to be able to serve as the second-in-command in a district here, what this represents can be imagined.

What's more, as a sub-provincial city, the district head of Jinling is at the deputy department level, or even at the full department level if he is highly qualified!

And just now looking at Ji Feng's elder brother, it looks like he is at most thirty years old, right?

Thirty-year-old deputy hall, or even full hall level ..... just think about it and you know what it means, it's really a limitless future!

The people in the room are no longer youngsters who are not young, after entering society, they all understand a lot, naturally know what kind of weight Ji Shaodong's identity really has!

But in fact, if they know that this is still because Ji Zhenguo and Ji Zhenhua has been deliberately suppressing the rise of Ji Shaodong speed, to prevent him from rising too fast foundation is not stable enough experience, I'm afraid that now Ji Shaodong can already be called a city leader!

"Do not talk about this ..... Xiaomin, are you all right?" Seeing that the people present looked different, but all were shocked, Ji Feng smiled and changed the subject.

"No, it's fine."

The girl called Xiaomin hurriedly shook her head and said with a red face, "That, thank you guys."

Ji Feng smiled and pointed at Fan Yishui, saying, "If you want to thank, thank Fan Yishui, she took out your anger for you just now!"

Slapping Zhao Shanshan twice in a row, this was not something an ordinary person could do, at that moment Fan Yishui was like a big sister who was hanging out in the Dao, very powerful!

"Yishui, thank you ....."

"Okay!"

Fan Yishui said helplessly, "Are you tired of thanking each other like this?"

Du Yangliang said, "Now there's no more food, what should we do? Where are we going next?"

The party was only halfway through when there was a conflict and they ended up coming out like that, but now they had the feeling of being left hanging in mid-air.

However, for Chen Teng and the others, it was a little harder to bear.

Originally, Chen Teng had planned to treat them, but looking at this situation now, he naturally understood how ridiculous it was to naturally act like a big head of garlic before; Ji Feng had such a powerful brother, so how could he himself really be a soft-earner?

Obviously, Ji Feng is just deep in hiding, is low profile. Thinking about his own flaunting before, Chen Teng's face only felt hot and embarrassed.

The two students who were close to him had a hot face. Their ugly attitude of flattering Chen Teng before had fallen into the eyes of Ji Feng, but who would have thought that Ji Feng was the real god among them!

This really made them feel ashamed of themselves!

I thought that the way they were fawning over Chen Teng before was no different from that comical clown in Ji Feng's eyes, right?

The more they thought about it, the more humiliated and embarrassed they felt, and their heads couldn't help but droop.

"How about this, since everyone is still full, I'll be the host today, let's change the hotel and I'll treat everyone to another meal, how about that?" Ji Feng said smilingly, "Does anyone know where there are any more distinctive restaurants around here?"

"That ..... forget it, it's not too early now." Chen Teng smiled somewhat awkwardly and said, "We're all full too, why don't we do it some other time?"

"Yes, yes, let's do it some other time, we're all full!" The two people who were closer to Chen Teng also both said in quick succession.

They were ashamed to stay any longer, and now they all still felt their faces burning hot, thinking about the contempt and mockery they had shown to Ji Feng either in words or in their hearts before, they really couldn't stay for one more second, and the more they thought about their actions, the more they felt ignorant.

Because if they were Ji Feng, with a brother who was a district chief, I'm afraid they would have already proclaimed it all over the world, and would they still be able to be so calm and collected as they are now? Even when Chen Teng called him a little carrot head, he just smiled blandly!

"Ji Feng, otherwise let's do it some other time!" Du Yang Yi said.

"Forget it today!"

Fan Yishui said, "Ji Feng, I'll put this meal down for you first and ask you for it some other time!"

Seeing this situation, Ji Feng also knew that he was afraid that he wouldn't be able to eat this meal today, and thought that they had no more desire to eat, so there was no point in sitting down even if they did.

So he nodded and said, "Well then, take note of it first, or else you guys can go to Jiangzhou some other day, I will make sure that the one-stop service is absolutely on point!"

"Then it's a deal!"

"....."

As the crowd exchanged pleasantries, Chen Teng and the other two students took the lead and left, to say who had the least face to continue staying here, it was them!

The more breezy Ji Feng was in not bothering with them, the more they felt their faces burning hot!

It was strange to say that if Ji Feng was still the little carrot head he was back then, being mocked by them and not resisting but just smiling, then Chen Teng and the others would have taken it for granted and no one would have found it strange.

But now they suddenly found out that they were the little carrot head. At this time, not to mention flirting with Ji Feng, on the contrary, even if they had flirted with him before, they felt their faces burning hot.

People's mentality, in this instant, completely transformed!

"Ai!"

When everyone left, there was only Ji Feng and Du Yang Yi left, at the same time, there was a Fan Yishui who was fucking his pockets and standing there with his legs crossed coolly, only to see her raise her chin and say, "Little carrot head, I really didn't see it coming, real people don't show their faces!"

Ji Feng smiled: "Aren't you the same? Don't say so much, find a place to sit down and talk slowly."

Just now in the hotel, Fan Yishui's big sister demeanor was very impressive to Ji Feng, and her brazen air of calling out to Zhao Xinyuan also made Ji Feng curious, the Gusu Fan family?

Campus Master Chapter 2720

"Everyone, please come inside!"

The owner of the stall had a warm smile on his face as he guided the customers inside and found seats for them to sit down, while at the same time, he was occasionally sizing up the three customers with curious eyes.

What a strange thing!

The owner muttered to himself.

Most of his customers were young students or young people who had just graduated from school and entered society, but most of them were people who did not earn too much, such as those who worked hard and came here after work to order some barbecue and small dishes and a couple of bottles of beer.

But the three customers in front of him were obviously different, especially the man and the woman, who were not the kind of youngsters who had nothing to do after work, although they were also young, but they had the kind of temperament that made the boss, who was used to seeing all kinds of customers, look at them.

The two young men, not to mention the girl, were so beautiful that the boss thought to himself that even the celebrities who often appear on television are no better than this, and they are probably not even as beautiful as the girl in front of him.

And there was something very unique about this girl – her aura! The owner of the stall could only think of one word, yes, temperament, this girl really had a lot of temperament.

She was wearing sunglasses, white headphone cords wrapped around her snow-white neck, a woman's bag was casually slung over her shoulder, both hands manipulating her pockets, and the clothes she was wearing, although they looked ordinary, were so stunning on this girl's body.

If this girl had dyed her hair yellow or red, and wore big shiny earrings, and the whole thing was dressed up in a hipster way, the owner of Pat Dang would have thought this was a very pretty little tween girl.

But then, the boss secretly shook his head in his heart to deny his thoughts. Such a pretty girl, even if she was really dressed like that, would hardly make people treat her as a little taiyoung girl.

One could only say that this girl's temperament was too special!

"Please sit down, three, what would you like to order?" The boss greeted enthusiastically.

"Just ask this pretty girl!"

Seeing the owner of the stall's gaze flickering one after another towards Fan Yishui, Ji Feng couldn't help but laugh.

As soon as the shop owner saw Ji Feng's smiling look, his face reddened as he hurriedly averted his gaze from Fan Yishui's body, "That whatever, our specialty here is barbecue, plus there are snacks, like stinky tofu ....."

Du Yang stood up with a smile and said, "I'll order it, you guys chat first ....., boss, I'll go straight over and order it!"

Big stalls are not like regular restaurants, there are usually no menus here, it's all about ordering on the spot. The first of these is to have a drink with your colleagues or friends after work, so naturally you are very familiar with it.

The boss nodded his head and took Du Yang Yi there, and when he was leaving he couldn't help but glance at Fan Yishui's body, this woman, too pretty and too tempting ....., if only he could see what she looked like with her sunglasses off.

Fan Yishui acted as if she didn't see it, and after the boss left, she really took off her sunglasses, and looking at Ji Feng with a smile on her lips, she couldn't help but raise her eyebrows and ask, "Is it funny?"

Ji Feng waved his hand, holding back his laughter and said, "That's not true, I just didn't think you would actually suggest coming to a big stall!"

Coming to a big stall for a drink, which was suggested by Fan Yishui, made Ji Feng more or less surprised. It was reasonable to say that a girl like Fan Yishui should choose a bar, right?

Fan Yishui said, "What's wrong with a big stall? What do you think I should go to?"

Ji Feng shook his head and laughed, thinking about her maverick personality, it wasn't hard to understand, if everything was according to other people's thinking, then she wouldn't be Fan Yishui.

"I like the feeling of sitting in a stall with some beer and eating barbecue and wontons, I used to do that a lot in Gusu." Fan Yishui said, "Did that disappoint you?"

"Disappointed?"

Ji Feng faintly stared, "Disappointed in what?"

Fan Yidao, "In your opinion, people like me should be particularly petty and not at all compatible with the life of ordinary people, right?"

Ji Feng smiled at his words, indeed, in the past, in their view, a girl like Fan Yishui might be a bit exaggerated to be described as a goddess, because at that time there was no such thing as a goddess.

It wasn't that Fan Yishui was scary, but that she was too beautiful and too maverick, and generally if a guy wasn't full of courage, he would be ashamed of himself once he got in front of her, so how could he have the courage to open his mouth?

So in the impression of many people, Fan Yishui should belong to the kind of girl whose fingers do not touch the spring water and who does not eat the fire and smoke of the world.

But who would have thought that the current Fan Yishui would be sitting in a stall, smelling the smell of barbecue wafting over from time to time, but enjoying herself?

If those boys who saw her as a goddess at first knew, I'm afraid they would be somewhat disappointed.

"What, was I right?" Fan Yishui's eyes glanced at him and asked.

"Maybe!"

Ji Feng shook his head and smiled, saying, "Maybe for others, but for me, I rather feel that the current you is a bit more real!"

Fan Yishui's beautiful eyes then blinked as she looked at him, "Really?"

"Of course!"

Ji Feng laughed, "Do I have to lie to you?"

Fan Yishui nodded happily, "That's true."

Ji Feng was then slightly taken aback, not understanding what Fan Yishui meant by this, in fact Fan Yishui was saying that anyone else could possibly coax her and please her, but only Ji Feng would not.

The two of them were chatting when Du Yang Yi had already ordered the food and the boss was also carrying a case of beer behind him.

So, the speed of food on Ji Feng's table far exceeded that of the other tables, and the boss ran this way extremely often, until the people at the other tables made comments, and only then did the boss leave sarcastically.

"We're dipping into Yishui's light, right?" Ji Feng asked.

"I think so!" Du Yang Yi nodded his head.

Seeing Ji Feng and Du Yang Yi's smiling faces, Fan Yishui gave them a blank look and said, "Virtuous!"

Ji Feng couldn't help but smile, but he didn't expect that Fan Yishui actually had such a side.

The next performance of Fan Yishui was even more surprising to Ji Feng, only to see her lifting her beer and clinking glasses with them, drinking with extreme pleasure, the pair of white hands with slender ten fingers peeling peanuts was even more elegant and beautiful, so that Ji Feng and the two of them could not help but find it very pleasing to the eyes.

“Hey, talk about you.” Fan Yishui suddenly said.

“Me?”

Ji Feng faintly froze, then laughed: “I’m not just like that, what’s there to say? But it’s you, isn’t your family from Mang Shi, how come I heard Zhao Xinyuan’s words before, your family is from Gusu?”

Fan Yishui’s beautiful eyes twinkled and glanced at him: “To set me up, huh?”

Ji Feng laughed: “Just asking, forget it if it’s inconvenient to say.”

“There’s nothing inconvenient about it.”

Fan Yishui said, “My family is indeed from Mang Shi, but in the early years there was an elder uncle doing business in Gusu, and the business was doing quite well, so he encouraged my father to go there as well, and then, my father also made a little achievement, so our whole family moved there.”

“A little bit of success?” Ji Feng asked with a smile.

“Well, not a bad achievement!” Fan Yishui laughed.

“Heh!”

Ji Feng shook his head and laughed, naturally he wouldn’t take Fan Yishui’s modest words seriously, knowing that with Zhao Xinyuan’s assets and strength, he had scruples about Fan Yishui, so one could imagine how strong the entire Fan family was.

“Having finished with me, isn’t it time to talk about you!” Fan Yishui said, “I know you didn’t tell the truth during the party before, now give an honest account!”

“I’m telling the truth!”

Ji Feng laughed, “My girlfriend is indeed richer, she is the boss of a group of companies ..... Well, Jiangzhou Tengfei Group, you may not have heard of it .....”

“Tengfei Group!?”

Before Ji Feng had finished his words, Du Yang Yi was surprised, “Ji Feng, you’re talking about that Tengfei Group that produces Kang Yuan slimming powder? Oh yeah, there’s also the 3d TV set, it’s also from the Tengfei Group, right?”

Fan Yishui also stared steeply at Ji Feng, a look of surprise flashing in her eyes.

Ji Feng nodded and said, “It’s that Tengfei Group!”

“Shit!”

At once, Du Yang Yi couldn’t help but burst out a foul mouth, it was really because this news was too explosive, “Tengfei Group ah ..... tsk, you kid is really .....”

The company’s main business is to provide a wide range of products and services to the public.

Fan Yishui was also surprised as her beautiful eyes flashed repeatedly, “Ji Feng, your girlfriend is Xiao Yuxuan?!”

Ji Feng was stunned and subconsciously asked, "You know her?"

Fan Yishui said, "The speed of the Tengfei Group's rise has attracted the attention of many people, and the person at the helm, Xiao Yuxuan, is admired by many young people, so is it strange that I know her?"

Ji Feng waved his hand, "That's not what I meant, I mean, you two know each other?"

"I'd like to get to know the famous Tengfei Group boss, but I've never had this opportunity!" Fan Yishui said with a smile.

"Teasing me, huh?" Ji Feng took one look at that smile of hers and immediately understood.

"Giggle ....."

Fan Yishui laughed lightly and said, "It's not all teasing, Xiao Yuxuan is really the idol of many people, and I'm afraid that she is also the goddess of many people's dreams, but I'm afraid that few people know that her boyfriend is actually sitting right in front of us!"

She looked at Ji Feng, her beautiful eyes rippling with different colours.
