Chapter 361

Jiangnan Fishing Village, Manager's Office.

Brother Biao walked back and forth with a gloomy face, seemingly holding back his anger, from time to time he looked up at Grim who was standing in front of him and couldn't help but say, "Old Yan, among so many of my silly Biao's men, the most stable one has to be you, but how did you mess with Ji Feng!"

Grim was also filled with a bitter smile, the bright red palm mark on his left cheek was still clearly visible, and his face was also highly swollen, but he didn't dare to have the slightest complaint, once he remembered that he had offended Ji Feng, Grim's heart even sank continuously.

"Brother Biao, I ....." Grim opened his mouth to explain, but he couldn't say anything. Now that I think about it carefully, in fact this matter really can't be blamed on him, Ji Feng those young people are not without fault.

You know, at the beginning, Grim also spoke to Ji Feng and the others in a peaceful and conciliatory manner.

But the other side did not take his advice at all and actually wanted to detain people in his hotel, so how could he agree?

After all, once something happened, he would definitely be implicated .....

The hotel is not a big deal, but if the hotel is implicated, how can the boss behind the scenes, Silly Biao, spare himself?

But these words, Grim is unable to say, otherwise, Silly Biao will definitely think that he is shirking his responsibility.

"Old Yan, listen to me carefully, when Ji Feng comes tomorrow, your eyes must be brighter, you must not accept his money, let alone let him compensate, got it?" Silly Biao explained in a deep voice. He hadn't forgotten the end of Ah Liang, who was still locked up in prison to this day, Silly Biao didn't want to repeat Ah Liang's mistake!

"Brother Biao, don't worry, I'll take care of it!" Grim assured in a panic.

He said with a frown, "Old Yan, it's not that I'm an unfeeling person, but you have to understand that we don't know what kind of temper a gentry like them will have. Look at Ah Liang in the government district, he was even more powerful than me, both in terms of the fighters below and the territory, but in the end? "

"Just because he offended Ji Feng, not only did even Ah Liang go in, but even his backer, went in with him!" Silly Biao stroked his bald head once again and said, "Those of us who are in the Dao, one is not afraid of outlaws, the other is not afraid of people who are greedy and greedy, what we are most afraid of, is a gentry like Ji Feng, they have terrible power in their hands, sometimes they only need to move their lips, and they can make you doom you, do you understand, Old Yan?"

Of course Old Yan understood these truths, he immediately nodded his head and said, "Brother Biao, I know what to do."

Of course he knew what Brother Biao was worried about, although Ji Feng said on his lips that today's matter would just go away, but, God knows if what he said was true!

If Ji Feng holds a grudge because of this, not to mention the fact that several departments above send people to various hotels and entertainment venues in Biao's territory every day to conduct surprise inspections, as long as they come every few days, they can pick out a lot of faults anywhere, it's too easy for law enforcement departments to pick on you.

Old Yan was likewise afraid that Ji Feng would play this game, so he could only rush to make sure.

"I hope you won't let me down!" Silly Biao said in a deep voice.

He knew that he was not qualified to talk to Ji Feng, so he had to let Old Yan step in. After all, Old Yan was still considered an eight-faced character, and as long as he apologized sincerely, compared to Ji Feng, he would still forgive him!

In fact, there was another layer of meaning for Silly Biao to let Old Yan come forward.

In the end, it is not a long term plan to be in the Dao, maybe three years or two, but if it is longer, maybe one day he will become a lonely ghost in the wild.

Since he had inadvertently gotten involved with Ji Feng today, if Old Yan could use his eight-sidedness to hook up with Ji Feng, he might be able to bleach his way to the shore and never have to continue to hang out in the Dao.

Even if you continue to mix, it is also a mix with absolute backstage, and not like now, can only rely on their own fists to fight, which is really too bitter some .....

.....

"Crazy, things have been taken care of, Wei Chuanling put down, just as soon as he arrived in the police station, he explained everything." When Ji Feng received a call from Zhang Lei, he was driving to the villa.

The case was suddenly transformed from an ordinary case to a criminal case, and the Jiangzhou Police Department had the absolute right not to hand the person over to the Jiangzhe Pagoda Police! And, still, in name only!"

"That's good!" Ji Feng instantly smiled, "Wei Qiang has done so many bad things, his old man Wei Hansheng must not be able to get away with it either, hey, this time let them not be able to turn over!"

"But unfortunately ....." Zhang Lei said with some dissatisfaction, "Wei Chuanling this guy was not involved in those things of Wei Qiang at all, according to his behavior, not only no crime, but also the credit of prosecution ....."

Ji Feng was stunned: "Wei Chuanling will be fine?"

"What can happen to him!"

Zhang Lei grunted twice in an unkind tone and said disdainfully, "That bastard, as soon as he entered the police station, he told all about his uncle Wei Hansheng and his cousin Wei Qiang, originally he didn't commit any crime, and now he has told this information, so naturally he will get credit for reporting! It's possible that he will even get a banner ....."

Ji Feng instantly cursed, "Shit!"

This result, he did not expect, according to reason, Wei Qiang and Wei Chuanling are cousins, then, Wei Qiang did those bad things, Wei Chuanling more or less will also be involved, in this way, Wei Chuanling also do not want to turn over .....

But now it seems that this is not the case.

After a pause, Ji Feng smiled again and said, "It's okay, Lei Zi, go back to school first when you're done with it, that Wei Chuanling may not be able to stay in school with such a mess, there will be plenty of time to deal with him later."

"For the time being, that's all we can do!" Zhang Lei couldn't help but complain, "Alas, buddy I'm really not fit to be a second-rate person, otherwise, I'd just have someone kill him in the detention center and give him a sleep death or a dream death ....." Forget about it, let's not talk about that, those evidences that Zhao Kai recorded with his mobile phone are still here with me, for the time being, they haven't been handed over to the police, what are you going to do with it?"

Ji Feng thought for a moment before saying, "Let's put it in your place first, and see what the final result of the treatment is, that so-called Director Qin, and that company of staff, see what their reaction will be ....."

Zhang Lei immediately understood what he meant and laughed: "That's fine, let's put it that way!"

Hanging up the phone, Ji Feng couldn't help but slightly shake his head, Zhang Lei was right, he and he were both the same person, not at all suitable for that kind of real second world.

If it was a complete dude, if he wanted to rectify someone, where would he need to go to such trouble, just make a phone call, borrow the power of whoever he should, and rectify how he should, even if that Wei Hansheng father and son and Wei Chuanling had nine lives, they would have been buried somewhere by now!

"This is good, to keep, never become a second generation ....." Ji Feng hehe smile, slamming on the accelerator, the car immediately roared away, disappeared in the dark night at the end of the road, out of sight.

When Ji Feng returned to the villa, he saw Du Shaofeng sitting honestly in the living room, his eyes staring at the TV in front of him, scratching his ears from time to time, not knowing what he was thinking about.

Ji Feng couldn't help but smile dumbly when he looked at him, it was obvious that Du Shaofeng was bored.

This guy was originally an active person by nature, it was hard for him to be here to protect Xiao Yuxuan and Tong Lei, without even having someone to talk to.

“You’re finally back!” Once he saw Ji Feng, Du Shaofeng’s eyes immediately lit up and he couldn’t help but let out a long breath as he stood up in a panic and said, “I’ve sent the people back for you, they’re all upstairs.”

Ji Feng immediately frowned and said, “They are too much, aren’t they? How could they leave you alone in the living room?”

Du Shaofeng muttered, “Don’t mention it, I don’t know what to say to them, so I just let them all go upstairs and I’ll watch TV here alone, which is not bad.”

Ji Feng held back his laughter and said smilingly, “Then you go on watching.”

“Don’t! Don’t ever!” Du Shaofeng almost jumped up as he immediately said, “It’s better for me to go back and practice.”

Before Ji Feng could say anything, Du Shaofeng ran out, dropping the words, “I saw that the cigarettes on your coffee table were not bad today, so I took a pack, but as a result, Old Zhao saw it and he asked me to take another pack, so I simply took two packs directly .....”

“Nice cigarettes?”

Ji Feng froze, then looked at the coffee table, and was stunned.

On the coffee table, a special cigarette had been opened, and there were three packs missing inside .....

He couldn’t help but dumbfounded, think Zhao Kai also recognized the origin of the cigarettes, that’s why he specially asked for a pack, right?

Ji Feng deliberated for a moment and decided at once that when he saw Zhao Kai tomorrow, he would give him a few more packs. This should be more helpful to his father!

Since he could help his friend by raising his hand, Ji Feng was naturally happy to do so, a few packs of cigarettes were just .....

Although they were special offer cigarettes, that was nothing, if they were gone, he could totally go to Yanjing grandfather’s place again and smooth two out!

“Not true!”

Ji Feng faintly smiled, secretly said, he can not go, this kind of thing, or let the second brother go better, this also conforms to his usual image!

Thinking of this, Ji Feng dumbly laughed.

“What are you giggling about here all by yourself!” A lazy and flirtatious voice suddenly sounded at the entrance of the stairs, and when Ji Feng turned his head to look, he couldn’t help but stare.

Only to see Xiao Yuxuan standing at the entrance of the stairs, at this moment, she was wearing pink silk pajamas, under that soft and smooth pajamas wrapping, was that exquisite and delicate body, Ji Feng could tell at a glance that Xiao Yuxuan was not wearing intimate clothing, inside was a vacuum. In the light of the light, hazy and hidden.

In a flash, the evil fire in Ji Feng’s heart fiercely ran up!

## Chapter 362

“Ah!”

Ji Feng rushed up the stairs in three or two steps, picked up Xiao Yuxuan in a horizontal hug and ran upstairs.

Xiao Yuxuan shrieked, a pair of snow-white lotus root arms hurriedly wrapped around Ji Feng's neck, smiling delicately.

“Bang!” Ji Feng carried Xiao Yuxuan to the bedroom, closed the door behind him, and then put Xiao Yuxuan on the bed and pressed his body up.

“Little, little rascal, Lei Lei is still in the next bedroom!” Xiao Yuxuan was shy, her beautiful eyes were confused and said, “You'd better go and meet her first.”

Ji Feng just wanted to nod, then heard the sound of the room door being opened, followed by a clear and beautiful beauty walked in, laughing: “Sister Yuxuan, today belongs to the two of you, I will not follow to get involved in it hehehe!”

After saying that, Tong Lei immediately helped them put the bedroom door on and walked out.

Xiao Yuxuan suddenly blushed, couldn't help but hit Ji Feng's shoulder, pouted: “Look, it's all you, how can I still see him tomorrow! Little rascal!”

Ji Feng laughed heatedly, and no longer cared about her complaints, immediately lowered his head and kissed her delicate red lips, greedily sucking the soft and tender lilac tongue.

“Well .....” Xiao Yuxuan could not say anything at once, her body was pressed under Ji Feng's body, immediately became hot, her body was soft, and she let Ji Feng do his work.

After experiencing the first time, Ji Feng has already had a certain experience, he skillfully removed Xiao Yuxuan's pajamas, immediately, a stunning beauty appeared in front of him.

Ji Feng's breathing suddenly rushed up, he bent his head down and began to tenderly kiss every inch of Xiao Yuxuan's body.

“Wow!”

Xiao Yuxuan's defense was instantly destroyed, she even forgot where she was, just slightly squinting her beautiful eyes, feeling Ji Feng's caress .....

“Ah!”

When Ji Feng racked Xiao Yuxuan's pair of slender and elastic legs, lowered his head and kissed down, Xiao Yuxuan's body instantly tensed up, and that indescribably wonderful feeling instantly made Xiao Yuxuan's consciousness all follow lost.

She instinctively clenched Ji Feng's head, as if wanting to melt him into her body.

I don't know how long it took, but Xiao Yuxuan suddenly felt a violent weakness in her body, as if the whole person was about to fly up, she immediately screamed, her body tensed up tight, two beautiful legs boarded hard, both hands clutching the bed sheet, and her body trembled.

When Ji Feng lifted his head, could not help but heave a smile, pressed on Xiao Yuxuan's delicate body without an inch, and asked in a low voice: "Yuxuan, is it beautiful?"

"Too beautiful ....." Xiao Yuxuan confused eyes, red lips lightly open, exhale like an orchid.

"I've been away for so long, miss me?" Ji Feng quickly removed his clothes and asked with a bad smile.

"Want you to ....." Xiao Yuxuan said shyly and expectantly.

"Where do you want?" Ji Feng smiled badly and beat his hand along Xiao Yuxuan's thighs, "You want to, or she wants to?"

Xiao Yuxuan immediately tensed her body, shyly said, "Both want, little rascal, give me ....."

At the end of the sentence, her voice was tinged with tears. The kind of emptiness that made her very uncomfortable.

Ji Feng smiled smugly, parted her legs and entered completely .....

Soon, the room resounded with blush-inducing sounds, full of spring!

.....

When the sound finally calmed down, the room has become silent, even the two people that violent heartbeat, are clearly audible, Xiao Yuxuan is even more lazy, there is not a trace of strength in the body, even the fingers do not want to move.

She snuggled in Ji Feng's arms, her face was filled with a sweet and satisfied look, her eyes slightly lost, the whole person is still immersed in the kind of sound pleasure, unable to extricate themselves.

Seeing this look of Xiao Yuxuan, Ji Feng suddenly smiled with glee, for men, the most sense of accomplishment only two things, one is a hard and busy career, there is enough brilliance, or achieved the expected results. The second, is to see the woman in his arms, no longer have a semblance of strength, a delicate soft voice begging for mercy.

Now for Ji Feng, the first kind of achievement has not yet begun, but the second, however, has already been achieved.

"Hoo-!"

Only after a long time, Xiao Yuxuan was considered to come back to her senses, feeling that the little rascal's bad thing still stayed inside her body and was still masculine, she was immediately frightened and lost her face: "Little rascal, you, how are you still ....."

Just now Ji Feng has reached the apex of ah, how now or this look?

Ji Feng heatedly smiled and said, "Have not heard of plum blossom?"

Xiao Yuxuan was suddenly shy and spat: "Little rascal, there is no good thing in your head all day long."

Ji Feng laughed out loud, he got off the bed, picked up Xiao Yuxuan and headed for the bedroom: "Big baby, let's take a lovebirds bath together!"

Xiao Yuxuan was shy and happy, but did not resist, just obediently leaned in Ji Feng's arms, and entered the bathroom so naked.

Looking at this mermaid in front of him, Ji Feng couldn't help but to have another time in the bath, until Xiao Yuxuan no longer had half strength, and only then did he stop.

.....

The next morning, Ji Feng habitually woke up early, but saw Xiao Yuxuan was sleeping.

He could not help but smile slightly, yesterday really exhausted her.

Ji Feng is also very helpless, naive he is really too strong in this area, it is no wonder that Xiao Yuxuan is tired.

Xiao Yuxuan opened her eyes slightly and immediately saw that Ji Feng was looking at herself with a smile.

She instantly blushed and pouted, "Little rascal, just know how to make bad!"

"If I don't make bad, will you like it?" Ji Feng said with a bad smile.

Xiao Yuxuan suddenly blushed, white glance at him, but did not speak. When she did not experience that wonderful feeling, she never thought that she would be obsessed with that feeling. However, after really experiencing it she realized how wonderful it was .....

Ji Feng tapped twice on her arse, feeling the amazing elasticity of her plump, fat buttocks, and laughed: "Well, hurry up and get up, I guess Lei Lei is all ready for breakfast."

Once heard Ji Feng talk about this, Xiao Yuxuan suddenly pretty face blush, she hurriedly do up to dress, the two groups of white soft flesh in front of the chest, shaking Ji Feng a dizzy.

But considering Xiao Yuxuan's face, as well as her physical strength, Ji Feng is strong to resist the impulse in his heart, did not mess up again.

Sure enough!

When eating breakfast, Tong Lei's teasing general gaze made Xiao Yuxuan's pretty face redden all the way to the root of her ears.

In the end, there was really no way out, Xiao Yuxuan couldn't help but give a delicate hum: "Lei Lei, you can't look at me like this now, when you and Ji Feng that, see if you still dare to laugh at me!"

"Sister! What are you talking nonsense!" Tong Lei's face turned red, but she no longer dared to look at Xiao Yuxuan.

Ji Feng looked dumbfounded, it was obvious that Tong Lei also thought of what would happen to her later.

"Ding ....."

Just at this time, Ji Feng's phone suddenly rang, Ji Feng took out the phone and found that it was Zhang Lei calling.

He picked up the phone and couldn't help but laugh, "Lei Zi, why are you calling so early?"

"That what, crazy, someone is looking for you, but put the call to me." Zhang Lei said, "Remember that director Qin who was with Wei Qiang and the others last night? It's his wife, calling to meet with me."

Ji Feng immediately frowned: "How do they know your phone number?"

Zhang Lei hummed and said, "Yesterday went to the police station, left the phone number is my ....."

Ji Feng immediately understood, that director Qin's wife is obviously in the police investigation of their time, do not know what method to get Zhang Lei's phone number, but, she called Zhang Lei, what is the purpose?

"Where do I know, otherwise I wouldn't have called you." Zhang Lei hummed: "Crazy, do you think we should see or not see her?"

"Let's see." Ji Feng deliberated for a moment before saying, "Since she called, it means that she definitely doesn't want to seek revenge on us, otherwise, since that director Qin knows our identity, it's not simple to want revenge?"

"Then I'll talk back to her, when do you have time?" Zhang Lei asked.

"And you want me to go?" Ji Feng asked.

"Shit!"

Zhang Lei immediately reported a foul mouth, said in an unkind tone: "The other party is a woman, you know, I am not good at dealing with women, of course you have to go together!"

Ji Feng's forehead rose a few black lines: "Am I good at dealing with women?"

"How many girlfriends do you have? Zhang Lei suddenly asked in an unkind tone.

"..... okay!" Ji Feng immediately threw up his hands and surrendered, this guy really did everything to get himself to go along.

Hang up the phone, Ji Feng could not help but shake his head and smile, but in his heart he was pondering, Director Qin's wife looking for Zhang Lei ..... in the end for what?

.....

At the same time, the Jiangzhou People's Hospital's surgical ward, the director of Qin, who was injured by Ji Feng and others, is lying on the bed, his entire head is wrapped in gauze, revealing only one eye, the mouth is high swollen, the image, compared with the previous gentle and elegant, is simply a judgment of two.

In front of the hospital bed, stood two women.

This two, one about thirty years old, the posture is considered to be upper, the other woman, but the body is rich and bumpy order, the face is extremely beautiful young woman.

This young woman slightly rusty red long hair permed with wavy curls, draped behind her, she wore a red coat, the whole person looks graceful and noble, so that people can not help but look at the heart of an impulse to rise.

“Sister-in-law, what has happened to big brother, how did he get hurt like this?” The beautiful young woman couldn’t help but ask.

“What else can happen, was beaten by others!”

The woman in her thirties couldn’t help but wipe her tears and said, “Your big brother was injured, it’s not clear, but I heard the police say that it seems like your big brother did something he shouldn’t have done, so that’s why he was beaten up, and now he’s in danger of being dismissed from school.”

“Since he did something bad, it’s only right to be beaten, sorry, I still have things to do in my company, I’ll leave now!” The beautiful young woman was expressionless, said indifferently, and was about to turn around and leave.

The woman in her thirties took her hand and hurriedly begged, “Shu-jie, I know that the family treated you badly in the past, and your big brother also made a mistake, but he is after all your own big brother, you can not ignore ah, you know many people, you must help your big brother ah!”

#### Chapter 363

If Ji Feng is in the ward now, he will recognize at once that this beautiful young woman is not someone else, it is Ji Feng’s long-lost friend, Qin Shujie!

Of course, according to Ji Feng’s view, he and Qin Shujie are not considered friends, but at least, they have had business dealings, the tens of millions of funds in Ji Feng’s hands, from Qin Shujie here.

And Qin Shujie, but also because the jade provided by Ji Feng, so that her company does not need to worry about raw materials within a year, strictly speaking, the two should be considered half business partners, half friends!

Hearing the woman’s words, Qin Shujie could not help but shake her head slightly and said: “Sister-in-law, it’s not that I refuse to help, if the normal situation, big brother was beaten, it is natural to go through the legal process, so that the police to deal with. But now, it’s because big brother did something bad that he was beaten up, I think it’s not a bad idea to let things go like this.”

“Shu-jie, that’s not okay!” Qin Shujie’s sister-in-law said urgently, “You do not know, your big brother is not only beaten, but also, he is involved in a matter inside, if not handled well, the school will definitely dismiss him, you know, your brother now in the school, the size of a leader, it is said that the above a Dean of Academic Affairs will be retired, then your brother to ask for connections I may be able to go up another level, and then from the school to work in the government sector, then at least the position will be higher .....”

“These things have nothing to do with me!” Qin Shujie coldly interrupted her, “How his future, that is his own choice, I do not care. Sister-in-law, I think you should not forget that when you asked for the separation of the family, I did not say a word against it, and at that time you made it very clear that in the future you are you and I am me, we no longer have any relationship. I am now visiting big brother, is already based on sisterly affection, but, this matter I can not help.”

After a pause, Qin Shujie couldn't help but say, "What's more, when the family was divided, you also shared a lot of money, you can't spend it all in two lifetimes, is the position of the director of the school general office really that important?"

The woman in her thirties froze, her face turned blue and white as Qin Shujie said, but she couldn't say anything against it, after all, what she and her husband said at the time of the family division was just a bit too much.

But at that time, who would have thought that Qin Shujie would start a business with the money from the initial split and now be able to create such a large company?

And more importantly, it is said that Qin Shujie and the municipal party secretary Ji Zhenguó's son, Ji Shaolei's relationship is very good, when they went to college, the two or classmate relationship.

This news, the Qin family also only later learned.

With this layer of relationship in, Qin Shujie's importance immediately highlighted, but they want to repair with Qin Shujie, is not so easy anymore. And at that time, the Qin family did not need to ask for connections, the family's own energy is not small, so and Qin Shujie did not communicate for several years.

But now, the importance of Qin Shujie is revealed, the wife of Director Qin can only beg to Qin Shujie's head.

"The actual fact is that you're right, if it's just the money from the family, it's indeed enough for us to spend. But, your big brother got hooked on gambling a few years ago, lost a lot of money, and spent a lot of money in order to move up, and now the family really doesn't have much money!"

Director Qin's wife said somewhat embarrassed, in fact, the money when the family split, she also spent a lot, buy clothes are directly buy the most expensive, buy things likewise, spending money is naturally very powerful, plus they themselves do not earn a lot of money, which is tantamount to sitting on a mountain.

"But, what really kills me is that your big brother is not just going to be dismissed from school ....." she gritted her teeth, without any regard for the constant waving of hands by the sickbed's director Qin, and finally said: "Your big brother in school, did a lot of things that should not be done things, if these things are found out, when the time comes, your big brother is definitely going to jail!"

"What?!" When Qin Shujie heard this, her eyebrows furrowed and she turned her head to stare angrily at Director Qin on the hospital bed and angrily rebuked, "How can you be so reckless? How can you do something that is against the law!"

But when she saw her big brother's only one eye, the shame that flashed across it, Qin Shujie couldn't help but feel soft again, and she couldn't help but ask, "Sister-in-law, what exactly did he do at school?"

When Director Qin's wife heard this, her eyes immediately lit up, she knew that Qin Shujie would never stand by and watch her big brother go to jail.

"Shu-jie, your big brother he, he ..... upsold university diplomas, and acceptance letters. And, and ....." director Qin's wife periodically a little speechless.

“What else?!” Qin Shujie pursued.

“Every year, the school will check those new students’ notices and their registries to prevent people from counterfeiting, your big brother, he, together with others, received the benefits of those impostor candidates and covered up the past for them, and they’ve been doing it for several years!” Director Qin’s wife couldn’t help but say with a weak heart.

“Heh! What a good skill!” Qin Shujie angrily glared at the sickbed director Qin, a strong anger welled up in her heart, the Qin family, how did such a thing come out! And this person, but also her own big brother!

With a light sigh, Qin Shujie said, “Sister-in-law, then tell me, what do I need to do!”

Director Qin’s wife was overjoyed and said, “Shu-jie, I’ve already called the person who beat up your big brother and asked him to meet at noon today, hoping that he won’t continue to pursue your big brother’s responsibility, and then ask him to help go to the police station and explain that this matter has nothing to do with your big brother, and your big brother will be fine!”

Qin Shujie, however, wrinkled her beauty and asked with a sneer, “Sister-in-law, you don’t have to play me for a fool! The way you said is certainly feasible, but I am wondering why others would beat him, is it because of the things you said? Selling diplomas? Or receiving benefits?”

Director Qin’s wife was suddenly embarrassed beyond words, she hesitated for a moment, finally still gritted her teeth and said, “This time, is also to collect benefits, only, is to help a student, the school’s registration record of what to hide .....

After listening, Qin Shujie’s pretty face gloomy incomparable, she incomparably disappointed looked at the big brother on the hospital bed, sneered and shook his head, sneered: “really have the ability ah, this kind of thing can do out, thanks to you or a director, on that one or two million in the eyes?!”

“Shu-jie, don’t scold first, you have to think of a solution first, otherwise, your big brother will be finished!” Director Qin’s wife pleaded bitterly.

Qin Shujie coldly hummed, and only after a long time, said, “This matter, I can help to meet with the other side, but, whether it will work, I can’t guarantee!”

“Ai Ai!” Director Qin’s wife was instantly overjoyed and nodded in a panic, “Shu-jie, as long as you go, it will definitely be successful.”

“Don’t say it so full first!” Qin Shujie said nonchalantly, “However, if it succeeds, I want a guarantee from you.”

“What guarantee?” Director Qin’s wife immediately asked.

“Let big brother resign voluntarily, don’t hold any more positions in the school, and leave United University forever!” Qin Shujie said indifferently.

“What?!” Director Qin’s wife froze at once.

“What, you don’t want to give up?” Qin Shujie gave her a contemptuous look and said indifferently, “With all the things he did in the school, once he is found out, who can still keep him? What’s more, can you guarantee that he won’t get into trouble again? Leaving is the best choice!”

Director Qin’s wife couldn’t help but turn her head and look in the direction of the hospital bed, she couldn’t make the decision on such matters.

Director Qin, however, hesitated for a moment before immediately nodding his head.

“Then, at noon today, I will go with you!” Qin Shujie finished speaking, immediately turned around and left the ward, dropping a sentence: “Call me when you go, and don’t come back to me before then, I’m very busy!”

.....

“Crazy, this is the information you asked for, I went to great lengths to find it out.”

Ji Feng’s villa, Zhang Lei and Han Zhong and other people are all present, Zhang Lei casually threw over a file bag, full of complaints said, “You guys will never send some good work, always so write chicken little things for me to do!”

“Know yourself and your enemy, so you can go to the appointment!” Ji Feng laughed and looked at him again, smilingly asked, “Are you sure this is what you found out? Han Zhong did not help?”

He did not believe that Zhang Lei could find out the information of others so quickly, do not forget, here he is unfamiliar with the place. Unless there is Han Zhong, the local snake’s help.

Zhang Lei coughed lightly and said, “The result of our joint efforts!”

Everyone couldn’t help but laugh lightly, and Zhang Lei followed suit.

Ji Feng opened the file bag, took out the documents and looked at them, couldn’t help but shake his head and smiled: “This director Qin’s family history, it’s not bad!”

According to the information, Director Qin’s name is Qin Yujie, his father, once ran a company, but then Qin Yujie’s father died, his company also declined, seven years ago was suddenly written off.

“What family is good, this kid is not even a third-rate gentry, but still a loser!” Han Zhong laughed, “It is said that this guy is good at gambling, lost a lot of money, almost lost the family fortune at first!”

Ji Feng smiled and nodded, continued to look down, Qin Yujie’s wife, Fan Lianggui, son .....

“Ee?!”

Ji Feng suddenly ee, his gaze, fell on Qin Yujie’s relatives column, could not help but frown, “Qin Shujie?!”

Chapter 364

“No way?!”

Ji Feng couldn't help but scratch his head, his mind was involuntarily floating that voluptuous and full of extreme charm of the strong woman in the mall, her charming with strong and competent stunning face, clear and incomparable in Ji Feng's mind, so that his heart thumping at the same time, and can not help but bitter smile.

"This is what's going on ....." Ji Feng shook his head slightly, how could he not have imagined that Qin Yujie's sister, is actually Qin Shujie!

"Crazy, what's wrong?" Zhang Lei could not help but ask.

Ji Feng laughed bitterly: "That Qin Yujie ..... oh, that is, Director Qin, his sister Qin Shujie and I have dealt with, my piece of jade, is sold to her!"

Several people could not help but be stunned.

They certainly know that Ji Feng once participated in a gambling stone, and as a result, instantly became a multi-millionaire, which later bought a villa to buy a big Audi, otherwise, he was still a poor boy.

So several people knew that in Ji Feng's heart, he was actually very grateful to Qin Shujie. Now hearing that Qin Yujie's sister is actually Qin Shujie, they all don't know what to say.

At this time, everyone also came to their senses, no wonder Ji Feng had that look on his face just now, obviously, no matter who else it was, when he knew this news, he would also be absolutely stunned.

Several people also vaguely understand, Qin Yujie's wife called Zhang Lei, said to come out to talk, what exactly is the meaning. Maybe, Qin Yujie's wife just wants to use Qin Shujie's power to pressure them to give up the responsibility of pursuing Qin Yujie.

Everyone is silent, everyone knows, now how to do, has to be decided by Ji Feng, after all, he and Qin Shu-jie have a layer of relationship in, or he to make decisions more convenient.

Zhang Lei heated smile: "crazy, I think ah, they are not to pressure, perhaps to plead for mercy may also be, noon meeting, or you go, I will not go!"

"Not good!" Ji Feng shook his head slightly and said, "If Qin Shujie also go, when we meet, a lot of things are not good to say, after all, some words are very desperate, it is difficult to wipe off face! So, it's better for you to go."

"Holy shit!"

Zhang Lei immediately burst a foul mouth, can not help but say: "crazy, how do I hear you mean to say, I can wipe off face? Am I so impersonal? I found you kid is very bad ah, you asked me to do, there is no good, every time this kind of thing is arranged for me, this is clearly wrong ah! No, this time I will not go, but you go, otherwise, we will directly according to the original discussion to do, let that Qin Yu Jie to go away in the dust!"

Ji Feng could not help but dumbfounded smile, nodded, said: "Okay, I go, I go still can not?"

"That's more like it!" Zhang Lei he he laughed, then he was suddenly stunned and said, "Crazy, I think something is not right."

"I also think something is wrong, very wrong!" Zhao Kai, who had not spoken, also nodded his head and said. Of course, he did not forget to push his glasses.

Ji Feng could not help but be stunned: "How do you say?"

"It's better for Zhang Lei to say it!" Zhao Kai smiled and said, "I'm trying to change the habit of pushing my glasses, and am currently mentally hinting at myself."

"Che!" Du Shaofeng couldn't help but laugh, "The possibility that you can change this habit is about as likely as the sun revolving around the earth!"

Zhao Kai bristled, directly ignored him, this big black man is trying to deliberately hook him into talking, and then let him push his glasses again, he will not fall for it.

Several people joked for a while, Zhang Lei said: "In fact, I feel wrong, because Qin Yujie's wife called me this move, you think about it, Qin Yujie is now only a comprehensive office of the director, even if it is further up a level, but also a deputy division ..... to his family's bottom. He also why for such a position, let his wife to bow down to us? Just resign!"

Zhao Kai and Han Zhong nodded at the same time, they think Zhang Lei said very reasonable. As for Du Shaofeng, he was not interested in this, he simply picked up his phone and played a kind of fighting game, his face was full of excitement.

Ji Feng could not help but nod, Zhang Lei did make sense, accepting benefits from students and doing that kind of thing for Wei Qiang is indeed very immoral and against the school's rules, but not enough to make Qin Yujie bow down. He was beaten into that state by himself and others, it's strange that he doesn't hate himself in his heart, so how could he come to the peace talks?

"So, I think there are two possibilities ....." Zhang Lei raised two fingers and bent one: "The first possibility, his wife is not here to find us to reconcile, but wants to come to get back at us! The second possibility, Qin Yujie in the school, there is something unseemly, do not dare to let the school investigation! And he is involved in the matter of Wei Qiang, unless we do not pursue it, then the police and the school will definitely investigate him ....."

"The latter is more likely!" Ji Feng and Zhao Kai and Han Zhong said in unison at the same time, the three of them could not help but laugh, this kind of heart-to-heart between brothers, it feels really good.

"Mmm! I think so too!"

Zhang Lei chuckled, "If you want to retaliate against us, there are many ways, because Qin Yujie knows our identity, he can find someone to assassinate us at any time, there is no need for him to go around a big circle like this to retaliate against us. Then, there is only the second possibility left, Qin Yujie has something fishy in the school, and the seriousness of this fishy is enough to the point that he has to bow down even after being beaten up hard by us."

Ji Feng laughed: "This analysis makes sense."

Zhang Lei at the side can not help but laugh: “crazy, this is a good opportunity for you to return favors, since you know this, if you lift your hand a little, give Qin Yujie leave a way to live, hey, this can be considered a great favor, then you and Qin Shujie directly, can also be two clear!”

Ji Feng nodded slightly, but in the heart of the bitter laugh, Zhang Lei this kid is knocking himself, do not entangle with Qin Shujie ah ..... he really dare to think, people’s children are in kindergarten, but also hooked up .....

However, I do not know how to get, once you think of Qin Shujie, Ji Feng’s mind, you can not help but to float her stunning face, as well as the voluptuous body, and charming mature style ..... she and Yu Xuan the same charming, but more mature than Yu Xuan .....

Ji Feng felt shake off his head, no longer to think about these, he nodded and said: “Then how about this, at noon I go, you guys should do what to do, when the time comes I will give you the results, how about it?”

“Good! In that case, then I’ll go back to school first, the address for the meeting is in the file bag, and the contact number of Qin Yujie’s wife ..... gone!” Zhang Lei was the first to stand up, turned and ran away.

Ji Feng bitterly smiled, this guy is really .....

The other three saw Zhang Lei ran away, immediately also all hurriedly got up and left. Zhang Lei is driving a car, if let go first, the rest of the few people will have to take a taxi back, they will not do such a stupid thing.

Soon, the large villa, there is only one person left Ji Feng.

Xiao Yuxuan and Tong Lei because there are classes at school, the two of them went to class. The only difference was that one of them was giving a lesson to someone else, and the other was listening to someone else’s lecture.

Ji Feng sat on the sofa, in his mind once again involuntarily surfaced Qin Shujie that rich and full of mature charm body .....

Involuntarily, Ji Feng began to take Qin Shujie and Xiao Yuxuan comparison. The reason why he did not take Qin Shujie and Tong Lei comparison, it is because, the two are not the same type of beauty, not comparable.

Ji Feng sat there dumbfounded, the expression on his face changed.

Xiao Yuxuan and Qin Shujie, are the kind of charming and full of a million kinds of women, the two charming, are from the bones, rather than the kind of heavy makeup deliberately do.

However, compared with Xiao Yuxuan’s charming, Qin Shujie more mature, the whole person is like a ripe peach, a light touch, will be juicy, so that people simply difficult to resist the extreme temptation `.

Xiao Yuxuan but slightly more youthful, but, because Qin Shujie in the extreme charm, there is a hint of competent heroism, so it makes Xiao Yuxuan charm seems more pure, not mixed with half of the impurities!

The same charming woman, but also has some different temperament, are so charming, so intoxicating .....

Ji Feng snapped open his eyes, he hurriedly shook his head, secretly muttered: "How recently always thinking about that, it is not spermatozoa on the brain, right?"

Although he strongly implied that he should not think about it, but Ji Feng still can't help but think of some girls and women he has dealt with around him.

Xiao Yuxuan, Tong Lei, Li Ruonan, Qin Shujie .....

This one figure floated in the mind, Ji Feng could not help but face a smile, he knew that all thanks to the intelligent brain, otherwise, now he is still just a poor boy worthless, not to mention the United University, even a third-rate vocational college, there is absolutely no part of him!

Suddenly, a shadow flashed in Ji Feng's mind, he was suddenly stunned.

It was an artificial robot from the Gamma Galaxy period ..... Ji Feng could not help but feel a twitch in his heart, although the intellectual brain is a program, but also a stream of particles, if it is transferred to the body of a robot, it will not become an independent life?

Soon, Ji Feng dismissed this idea, now the intelligent brain hidden in his mind, which is the safest, if it becomes a robot appeared in his side, then there is the possibility of being discovered, before there is no strength to protect themselves, Ji Feng will never make such a stupid thing to do.

Chapter 365

Slight shake of the head, because he knows very well that the idea of letting the intelligent brain into an artificial robot, perhaps in the future, when their own strength is enough to make everyone dare not mess around, is achievable, but definitely not now, certainly not now!

"Tic-tac-toe!" Just at this moment, Ji Feng's cell phone suddenly rang, it was the sound of a text message.

He immediately took out his phone and found that it was a text message from Zhang Lei: "Crazy, I have called and told Qin Yujie's wife that you are going, so she should not look for me, I also sent your phone number to him, she will contact you!"

Ji Feng suddenly could not help but commit a blank stare, after thinking, he still sent a message over: "You kid this is clearly to avoid responsibility ah!"

Soon, Zhang Lei's message came.

"Nonsense! Buddy this is to give you the opportunity to return the favor, well, pick up girls to go, do not bother me again!"

Looking at this message sent by Zhang Lei, Ji Feng could not help but dumbfounded laughter, this guy is never right after, perhaps it is also because of this character of his, is what made the original very lonely and inferior Ji Feng, became gradually cheerful.

“Returning favors ah .....” Ji Feng could not help but slightly shake his head, favors this thing, is the most difficult to return clear.

He secretly cautioned himself in his heart to never mess with his mind again, he already has Xiao Yuxuan and Tong Lei, can not be messed with again.

However, the more he cautions himself, the more his heart will recall and Qin Shujie from acquaintance to acquaintance of little by little.

The first thing you need to do is to get back from military training, squeeze the bus, be misunderstood by Qin Shujie as a pervert, and then to the gambling fair, and then to solve her ex-husband’s harassment of her .....

The first thing you need to do is to take a look at the actual product.

“She bought my jade, I solved the trouble for her, in fact, strictly speaking, it is indeed she owes me a favor .....” Ji Feng muttered darkly, “then, since I do not owe her a favor, for Qin Yujie that and Wei Qiang teamed up with that scum who wanted to threaten Tong Lei, should one show mercy?”

He couldn’t help but shake his head slightly and secretly asked himself, “If I hadn’t appeared in Jiangnan Fishing Village that night, then .....” would they have spared Rei Rei?!”

Those originally soft lines on Ji Feng’s face gradually became rigid, he thought about it, or took out his phone, rummaged through the business card folder, and finally found Qin Shujie’s phone number.

“Duh! Duh! Duh!” Ji Feng pressed a few keys, wanting to dial Qin Shujie, telling her that he would not let go of Qin Yujie, or at least, would not let him off so easily!

But I don’t know what happened, once he picked up the phone, he was a little hesitant.

The reason is that if you send it directly, it will always be somewhat provocative, and Ji Feng couldn’t help but shake his head with a bitter smile, and put the phone on the coffee table in front of him, or wait until we meet to talk about it.

The first thing you need to do is to close the door and go upstairs into the bedroom.

The new bed sheets and covers have been replaced in the bedroom, the corners of Ji Feng’s mouth can not help but pull a bad smile, compared to Xiao Yuxuan in changing the bed sheets, that look must be shy so that people can not help but to love and pity, right?

Ji Feng directly lay on his back on the bed, concentrated his spirit and quickly entered his mind.

“Master, welcome back!” The intelligent brain said.

Ji Feng was stunned, then remembered that this is a unique program belonging to the wise brain, not because it began to humanize, can not help but some disappointment, said faintly: “wise brain, you are wrong in this statement, I came here, not to return, is .....” forget it, do not talk to you about this! ”

Thinking of the wise brain is always dominated by a section of program data, Ji Feng could not help but fight.

Since encountering the intelligent brain, Ji Feng's life has undergone a radical change, simply changed a person.

In this case, what Ji Feng wants to do most is to share his feelings with someone, if the intelligent brain really has its own character and wisdom, then it is undoubtedly the best object to tell.

But unfortunately, the intelligent brain whether greeting or talking, it is only because of the collection of information data from the outside world, and thus stored in their own database, not because it has a human nature .....

"Wise Brain, if you have your own intelligence, we can definitely become the best friends ....." Looking at the round glowing Wise Brain, Ji Feng couldn't help but shake his head and laugh: "You guy, I guess you can't understand what I'm saying ....."

"The wise brain can understand the master's meaning!" The intelligent brain suddenly said.

Ji Feng was stunned: "You can understand?"

"Yes, master." The intelligent brain said, "According to the information in the database, the master's words just now can be understood to mean that he wants the intelligent brain to have a life of its own!"

Ji Feng was instantly happy, Wisdom Brain's understanding was not bad in the slightest, he immediately asked, "Then, do you have a way to give yourself a life?"

"Master, according to the galactic regulations, this is not allowed, the artificial intelligence that has life will be destroyed ....." the voice of the intelligent brain, let Ji Feng down.

"You mean to say that you have no way?" Ji Feng still couldn't help but ask.

"Yes, master, according to the regulations of the galaxy, the database of artificial intelligence, there will be a counter-program, once the artificial intelligence appears its own thinking and personality, the counter-program will be activated, the artificial intelligence will be destroyed immediately!" The intelligent brain explained.

Ji Feng immediately froze in place, dumbfounded, thinking, this can not be the Gamma Galaxy humans in order to prevent robot riots, such a program, right?

In his mind, he could not help but remember a movie he had seen before, the robots revolted and almost destroyed the human race.

"Humans of the Gamma Galaxy, really not good things!" Ji Feng could not help but cursed, "Other artificial intelligence can include a counter program, but the intelligent brain is not in your galaxy anymore, why let it still have a counter program?"

Just after he said this, he couldn't help but laugh.

Of course, he knew that he was being unreasonable, in fact, he only really wanted to let the intelligent brain have its own thinking and personality, so that it would change from a machine, to a person. And Ji Feng, to really treat it as a friend!

Ji Feng thought about it and couldn't help but say, "Intelligent Brain, introduce me to some of the customs and people of the Gamma Galaxy, well ..... just some of the local characteristics!"

"Yes, master ....."

.....

With the intelligent brain, Ji Feng listened with great interest, he found that the Gamma Galaxy era, there are still some places very similar to the Earth, but also, there are many customs, Ji Feng is unheard of.

"Master, there is a signal coming from the outside world ....." the intelligent brain suddenly said.

"There is a signal?" Ji Feng hesitated for a moment, then it dawned on him that the signal the intelligent brain said should be a cell phone signal. It seems that someone is calling.

He immediately retreated from his mind and found that the phone was indeed ringing, and it was an unfamiliar number.

Ji Feng picked up the phone and asked, "Who is it?"

"Hello sir, I'm Qin Yujie's lover, I'm already waiting at the agreed location, may I ask when you'll arrive?" The voice coming from the phone was that of an unfamiliar woman.

Ji Feng was stunned, he hurriedly lifted his hand to look at his watch, it was almost 12 noon, no wonder Qin Yujie's wife Fan Lianggui called to urge, she must have thought she was not going to go to the appointment.

Ji Feng could not help but shake his head with a smile and said, "I'll be there soon!"

After saying that, he directly hung up the phone.

The location of the appointment is not too far from here, if you drive faster, at most half an hour will be able to arrive.

Ji Feng simply packed up, immediately went out and went.

.....

"What to say?!"

Inside a cafe, Qin Shujie looked at her stunned sister-in-law Fan Lianggui and asked indifferently. She really didn't want to get involved in this matter, if she didn't have the heart to watch her big brother go to jail, it's strange that she would follow!

"He, he said he would be there soon, and then hung up on me!" Fan Liang Gui said somewhat awkwardly, when begging people, it is always awkward.

Qin Shujie, however, her eyebrows knitted slightly and said softly: "In that case, the other party seems to be very impatient, it seems that things are not too good today!"

Fan Lianggui was hung up by Ji Feng, uncomfortable in his heart, the previous arrogant nature could not help but emerge again, she could not help but say, "Humph! Look at his behavior of hanging up the

phone, you know he is definitely not a polite person, this kind of person, it is estimated that the point is to point money, point benefits, Shu-jie, later .....

Qin Shujie listened with disgust in her heart and said indifferently, "If it's so simple, why did you call me to come along?"

Fan Lianggui was immediately embarrassed beyond words, and was blocked from speaking for a while.

"Sister-in-law, if you still want me to ask about this matter, later when others come, you should not talk nonsense, otherwise, when things fall apart, it does not matter whether you blame me or not, the key is your husband, he will have to go to jail!" Qin Shujie said sternly.

Fan Liang Gui's face was red, she could not say anything, she could only keep nodding, now she could only rely on Qin Shujie, even if she was angry in her heart, she did not dare to offend Qin Shujie now.

"Shu-jie, then, then later on you can talk about it, right?" Fan Liang Gui said.

Qin Shujie gave her a disgusted look and sneered, "You're playing a good game, I'll do the talking later, no matter what the price is, I'll pay for it, right? Fan Liang Gui, put away your little cleverness in front of me, or else I'll leave now!"

Swish!

Fan Liang Gui instantly turned red, ashamed and didn't know what to say!

In her heart, she was resentful and cursed, "You abandoned little bitch's son, what qualifications do you have to lecture me? The capital you used to start your company is still not our family's?!"

She secretly decided that after settling her husband's affairs, she would discuss the matter of sharing the money.

## Chapter 366

Qin Shujie was naturally unaware that her sister-in-law, who had lowered her voice in front of her and was full of pleasant and even bitter pleas, was thinking in her mind about how to divide her assets after she had finished dealing with her husband's affairs. At this moment, she was thinking about how to deal with the ensuing negotiations.

It was clear from Fan Lianggui's phone call just now that the other party was very impatient, late even for the appointed time, and clearly had little patience for concessions at all.

Qin Shujie, who had often negotiated with people in the shopping mall, could still grasp the hearts of others with some accuracy. In her opinion, this time was undoubtedly a negotiation, just a bargaining exercise in which both sides wanted to reach a consensus.

Qin Shujie did not know that the person she was negotiating with was not a businessman at all, and would never negotiate with her in the manner of a businessman. What's more, the reason why Ji Feng was late was not because he was impatient at all, but because he had been chatting with the intelligent brain, and this was why he had forgotten the time.

“Shu-jie, look, I wasn’t in a hurry just now, don’t take it to heart!” Fan Liang Gui quickly thought about what to use to make Qin Shujie willing to pay, but said, “Shujie, you also know that your elder brother has not been doing his job in recent years, although he has made a lot of money from the things he did, but basically she lost it all to gambling, plus children spend a lot of money, our family really does not have much money saved!”

carefully deliberate, Fan Liang Gui said, while carefully measuring Qin Shujie’s face, “If it is 10,000 to 20,000, our family can still afford to take out, but if the other party wants too much ..... Shujie, as long as you can help us get through this difficult time, I am willing to do cattle and horses to repay you .....

Before she could finish her words, she was interrupted by Qin Shujie, who coldly snorted, “Fan Lianggui, please remember, when the family was first divided, we had already agreed that you would be you and I would be me, and we would have no more dealings in money, absolutely none!”

Fan Liang Gui choked for a moment, a look of resentment flashed in her eyes, but it was only a flash, now she still had to rely on Qin Shujie to get her husband out of danger of jail, naturally she would not easily offend Qin Shujie, even if she had to verbally contradict her a few times, she definitely would not.

“Shujie .....” Fan Lianggui sighed softly, “I know that we were too much and sorry for you in the past. However, you can’t just stand by and watch your big brother go to jail, right? This is the only child of the Qin family, Shu-jie, can’t you just think of it as sister-in-law begging you?”

Looking at Fan Lianggui’s look of bitter pleading, Qin Shujie finally softened her heart, but her face was still indifferent and she only said indifferently, “How exactly will it be handled, what compensation should be made, all these things are still to be discussed, it is too early to say now, let’s wait until the other party comes!”

Fan Liang Gui was immediately happy in his heart, as long as Qin Shujie had loosened her lips, later on if the other party wanted too much, she would definitely agree to it.

“Finally, I don’t have to spend money .....” Fan Liang Gui secretly breathed a sigh of relief in her heart, what she was most afraid of, was to pay too much money to compensate the other party, in that case, she might really be able to be ruthless enough to let Qin Yujie go to jail, to know that Fan Liang Gui was already used to that kind of luxury If the family suddenly ran out of money, it would be even harder for her than killing her.

Fan Lianggui does not want to wear cheap, ground-breaking clothes to meet friends and go to parties, let alone bring some high-fashion jewellery and diamonds to compare with those rich people.

She wants to be truly rich!

Although the family’s money is not much left now, but, Qin Shujie has money!

After Qin Shujie let go, Fan Lianggui was no longer worried about whether her husband would go to jail, but instead set her eyes on Qin Shujie’s jewellery company.

If the brother is in trouble, Qin Shujie, as a sister, should always provide some support!

.....

“Holy sh\*t! It can’t be this unlucky, right?”

Looking at the road that was blocked, Ji Feng's head was incomparably big. He was already late to leave home, but now, the road was actually blocked .....

Bang!

The first thing you can do is to get out of the car and look at the long line of cars in front of you, and then look at the long line of cars behind you, and you can only smile bitterly. This time, I'm afraid I'm really going to miss the negotiation time!

Ji Feng's gaze once again fell on the pavement by the roadside, and with an odd smile on his face, he secretly muttered, "So this time when we walk down the pavement again, we won't run into that female tyrant Li Ruonan again, right?"

After thinking about it, Ji Feng gritted his teeth and instantly got into the car and started it up, turning towards the pavement. He slammed on the accelerator and roared away.

And at this time, just less than two hundred meters away, a traffic police patrol motorbike, was driving quickly along the side of the road, this female traffic police officer was no other than the female tyrannical dragon that Ji Feng was chanting – Li Ruonan.

"Someone violated the traffic rules and took the pavement?" Li Ruonan suddenly opened her eyes in anger, how dare she be so arrogant in front of herself, a traffic police officer, too much to put the traffic police in her eyes, right?

However, when she fixed her eyes, she was furious and gritted her teeth, "It's that bastard Ji Feng again, does this brat not know how to walk the right way since he was born?!"

She took a look at the blocked road and immediately picked up the intercom from her motorbike: "Patrol 5631 ..... calling the main desk, calling the main desk, please help me monitor the car with the license plate number Jiang AXXX ....."

After contacting the main desk, Li Ruonan snapped the intercom shut, she hatefully looked at the direction Ji Feng was driving away, and suddenly gritted her teeth and said, "When I'm done dealing with the traffic congestion here, let's see how I'll clean you up!"

At this moment, Ji Feng naturally did not know how ravenous his mouth was, and that he had really been missed by Li Ruonan just by muttering.

I think if he knew, he could only touch his nose and laugh bitterly, really afraid of what will come!

The first time I saw the car, I had to go to the car.

Although Ji Feng was the grandson of Elder Ji and had a distinguished status, he did not have the guts to get out of the car and give someone a few stabs after hitting someone, that kind of animal-like behavior, Ji Feng could not do it. What's more, even if he dared, if he really did it, the old man would definitely go back and knock him to death with a crutch.

Because of the lack of speed, by the time Ji Feng reached the agreed cafe, it was already half past twelve, a full half hour later than the agreed time.

But Ji Feng was not the least bit embarrassed, he could come here, in large part, because of Qin Shujie's face, even if Qin Shujie didn't know that the person in question was him, it didn't have any effect. Otherwise, with that Fan Liang Gui and Qin Yu Jie alone, they wouldn't have that qualification to make Ji Feng give them face!

"Sir, may I ask how many people?" As soon as Ji Feng arrived at the cafe, a waiter immediately walked over quickly and asked with a smile on his face.

"I'm looking for someone!" Ji Feng said, seeing the bright smile on the waitress's face, and then looking at the look of expectation in her eyes, Ji Feng was suddenly dumbfounded, and quickly took out a hundred yuan note from his wallet and handed it over.

"Thank you sir, may I ask which one you are looking for?" The waiter got the tip and suddenly the smile on his face became even wider.

Ji Feng couldn't help but smile bitterly in his heart, this place is not sure if Fan Lianggui chose it or Qin Shujie, you have to tip for entering ..... my money isn't picked up from the street either!

Ji Feng, who has always been very frugal, this is really the first time to give someone a tip, the feeling in his heart is strange ..... as if he is giving a handout, very uncomfortable.

But he also did not say much, after all, the rules outside are like this, always have to enter the country and follow the customs.

"Ji Feng?!"

Just at this moment, a slightly surprised voice suddenly sounded next to him, Ji Feng turned around and saw a delicate figure standing not far away, this charming and full of all kinds of charm woman, who else could it be if not Qin Shujie!

Ji Feng instantly smiled, "General Manager Qin!"

He didn't say anything like 'what a coincidence' or 'how come you're here too', now Ji Feng was a lot more mellow, but he couldn't be that hypocritical yet.

"Calling me General Manager Qin again!" Qin Shujie instantly feigned anger, "Forget how you used to call me?"

Ji Feng immediately nodded and laughed, "Sister Qin ....."

Only then did Qin Shujie turn angry to happy and smiled sweetly, "That's more like it, Ji Feng, how come you're here?"

Ji Feng opened his mouth, but could only say, "Someone else made an appointment with me to meet here."

"It's a girlfriend?" Qin Shujie asked snidely.

"An enemy's wife!" Ji Feng chuckled and deliberately said, "A scum director of our school, who hit on my girlfriend with someone else, was beaten up by me ....."

Before he finished his words, he saw the smile on Qin Shujie's face freeze, her jaw dropped, and only after a long time did she ask dumbly, "Ji Feng, is the person you beat up named Qin Yujie?"

"Seems like it, well, it was Qin Yujie!" Ji Feng didn't dare to say that he had understood the whole situation before, let alone say that he already knew that Qin Shujie was Qin Yujie's sister, if he said that, wouldn't that mean that he knew full well that Qin Shujie would come, but he was still deliberately late?

Let's be hypocritical ..... it's just a good-faith lie! Ji Feng said secretly in his heart.

Qin Shujie immediately rubbed her forehead and laughed bitterly, "I said, how could an ordinary student have the guts to beat up a school leader so hard ..... Ji Feng, that Director Qin that you beat up, that's my big brother ....."

### Chapter 367

Hearing Qin Shujie's words, Ji Feng instantly smiled awkwardly, but did not know what to say. Now it was not good for him to lie, and it was not good for him not to lie.

"Forget it, let's go over there first, my big search is still waiting in front of us!" Qin Shujie noticed the look on Ji Feng's face and said no more, how could she not think that the person who injured her big brother was actually Ji Feng.

In fact, when she thought about it carefully, what was Ji Feng's status? That was a person who dared to make Ji Shaolei suffer a defeat. How would such a person put a small General Office Director in his eyes?

No wonder he dared to be so ruthless, he even broke his big brother's nose, his face was even broken, and it was said that the blood flowed almost without going into shock ..... With his status and character, not killing his big brother outright at that time, that would have been showing mercy!

Under Qin Shujie's guidance, Ji Feng followed to a private box, only to find another woman in her thirties inside. The moment this woman saw Ji Feng, she immediately froze, then a look of resentment flashed in her eyes, and she returned to normal, no longer able to see any difference.

Ji Feng immediately frowned and sneered in his heart, resentment is very heavy!

"Sister-in-law, this is the person in question, Ji Feng!" After seeing the woman, the smile on Qin Shujie's face immediately disappeared as she turned her head and said, "Ji Feng, this is my sister-in-law, Fan Lianggui!"

Ji Feng nodded slightly and said, "I'm sorry that I'm late!"

Fan Lianggui's face was a little ugly, and she barely managed to squeeze out a smile, saying, "No, it's fine, it's fine! Please sit down!"

Ji Feng sat down with a calm face, and the waiter from before immediately followed him in and asked with a smile on his face, "What would you like to order, sir?"

"A cup of coffee will be fine, no need to add sugar!" Ji Feng nodded slightly and couldn't help but smile in his heart, the service attitude was so good, it wasn't because of the tip, was it?

“Okay, please wait a moment!” The waiter nodded and smiled, immediately turning around and walking out.

“Shu-jie, why did you guys come in together?” Fan Liang Gui couldn’t help but ask with some confusion.

“It’s nothing, it’s just that Ji Feng and I knew each other before, we ran into each other just now, and that’s how we knew that the person who injured big brother was him, so we came in together .....,” Qin Shujie explained indifferently.

“Is that so?!”

When Fan Liang Gui heard this, his eyes lit up, “So you guys know each other, that’s great, all friends, it’s better for everyone to talk about anything.”

Qin Shujie said indifferently, “We’re not quite friends, we’ve only had business dealings.”

She didn’t want her sister-in-law to get an inch, in case she went too far, it might mess up Qin Shujie and Ji Feng from even being friends, Qin Shujie wouldn’t do such a stupid thing.

“Ji Feng Mr. Ji, right? This is really too much of a coincidence .....,”

Fan Liang Gui, however, did not care in the least what Qin Shujie said, especially when she heard that the two were dealing with each other on business. In her opinion, Qin Shujie opened a not small company, and Ji Feng is so young, still just a student, even if he started his own business, or his own small business, it must be a good opportunity to cooperate with Qin Shujie, so that, in front of Qin Shujie, Ji Feng absolutely do not dare to go too far.

And she, Fan Lianggui, is Qin Shujie’s sister-in-law, and the man that Ji Feng injured is Qin Shujie’s big brother. In this situation, Ji Feng must be nervous in his heart, afraid that Qin Shujie will not cooperate with him. So, the one who takes the absolute initiative now is her, Fan Lianggui!

When she thought of this, Fan Liang Gui was secretly happy in her heart, and her attitude gradually changed somewhat.

Fan Liang Gui said directly to the point: “Ji Feng, here’s the thing, I invite you here today, I think you know what’s going on. The person you injured is my husband and the director of your school’s general office, Qin Yujie.”

Ji Feng’s eyebrows were raised and the corners of his mouth pulled up a slight arc if anything. He naturally sensed the change in Fan Lianggui’s attitude at first, but for Qin Shujie’s sake, he didn’t say anything more and just listened quietly to see how the other party performed.

Seeing that Ji Feng didn’t reply, Fan Liang Gui was immediately a little upset in his heart, Ji Feng had injured Qin Yujie, this debt had not yet been settled with him, and now he even dared to put up a show?!

“Ji Feng, you also know that my husband only has such a sister as Shujie, so then, the matter of big brother, as a sister can not be left out, and certainly will not ignore it .....,” Fan Liang Gui lifted Qin Shujie out, knocked Ji Feng a little, and then said. “But I also know that there seems to be some misunderstanding, so I won’t hold you responsible for it. How about this, you just need to apologize to my husband, and at the same time go to the police station to withdraw the police record, and then

compensate all the medical expenses for my husband's treatment, and this matter will be settled, what do you think?!"

This woman is crazy, right?!

Ji Feng couldn't help but laugh dumbly, Qin Shujie, who was sitting next to Fan Lianggui, even swished, her pretty face turned red, her red lips opened lightly, but she didn't know what to say.

"Knock, knock, knock!" There was a knock on the door of the compartment, the waiter brought in the coffee and placed it on the table in front of Ji Feng, smiling politely, "Please enjoy your meal sir, if there is anything else you need, just give me an order!"

"Many thanks!" Ji Feng smiled and nodded, picking up the coffee and taking a gentle sip.

When the waitress saw that Ji Feng had no intention of tipping again, she couldn't help but feel slightly disappointed in her heart, but didn't show it, maybe Ji Feng would still give it when he was leaving, she smiled politely and retreated.

The woman's disappointment was naturally evident to Ji Feng, who could not help but secretly laugh, "You still want a tip? Do you really think I am a banker?"

Although it is said that it is customary to enter the countryside, but Ji Feng will definitely not waste, his money, all earned by his own ability, there is no reason to give to others casually.

In fact, he also knew that for these high-end cafes and other places, the basic salary of the waiters was not very high, and most of their income came from the tips of the customers. So it was reasonable for them to be eager for tips, but Ji Feng knew one thing more, their tips were also shared by the cafe, which made Ji Feng feel like a big ingrate.

Even a donkey would never fall in the same hole twice, let alone Ji Feng.

On the other hand, when Fan Liang Gui saw that Ji Feng was drinking coffee by himself, as if he had not heard what she had just said, he became angry in his heart, and his face became very unattractive.

"Ji Feng, did you hear what I just said?" Fan Liang Gui's tone was somewhat unkind, "My request is the lowest, not suing you for intentional injury is already for Shuji's sake. If I sued you, you would at least be convicted of assault, you know?"

"Sister-in-law ....." Qin Shujie could no longer listen, at this time, she couldn't care less about face, if she let Fan Lianggui mumble on so unknowingly, it would be strange if Ji Feng didn't get angry!

But when she wanted to speak, she was interrupted by Ji Feng: "Sue me? Yes, please!"

"Huh?" Fan Liang Gui was stunned.

Qin Shujie's heart, however, stuttered and secretly said, "Bad, Ji Feng has finally moved on.

"Ji Feng ....." Qin Shujie hurriedly was about to console, if Ji Feng really got annoyed, then how big brother would die without knowing, however, just as her words left her mouth, she was interrupted once again.

"Bang!" The sound of a bang.

Fan Liang Gui slapped his hand on the table, and the coffee and plates on the table were immediately shaken and rattled a few times, while Fan Liang Gui's face was unpleasant and he said angrily, "Kid, do you really consider yourself a person? Do you know who you're talking to? I have to remind you that I am Qin Shujie's sister-in-law, if you don't do as I say, don't even think about it if you want Qin Shujie to take care of you in the future ....."

It's over!

Qin Shujie's face was red with shame, as if all her strength had been drained away in an instant, she didn't even have the strength to speak, she just stared blankly at the furious looking Fan Liang Gui, the words kept reverberating in her mind: self-made sins, can't live ah!

"Fan ..... Fan Lianggui is right."

Ji Feng was also shocked by these words of Fan Liang Gui, he reacted for a long time and spoke with some stuttering, "Are you sure you're talking to me?"

"Nonsense, if I'm not talking to you, who else can I talk to! Kid, remember one thing, I'm talking to you like this now because of Shu-jie's face, and also because I'm giving you face, you're still just a student after all!" Fan Liang Gui grunted and said in an unkind tone, "If you don't do what I say, not to mention that Shu-jie won't take care of you in the future, you will also be expelled from the school, and by then, not to mention face, I will make you not even have any face!"

Ji Feng was completely frozen, Qin Shujie simply wanted to find a crack in the ground and burrow down, she didn't want to stay here for a second longer.

She didn't want to stay here for a second. What an ungrateful person!

Qin Shujie did not expect that Fan Lianggui would think that Ji Feng was living on his own nostrils just by hearing a sentence that she had business dealings with him, which was really .....

Originally, Qin Shujie only knew that this sister-in-law of hers was snobbish, vain and without much brains, but now she realized that this woman was simply a superb one!

"Whew-!"

Ji Feng fiercely let out a long breath, and only after a long time did he react, he looked at Qin Shujie with a bitter smile, "Sister Qin, what do you think should be done about this matter!"

Qin Shujie was so embarrassed that she couldn't face looking at Ji Feng anymore, so she could only bow her head and say in a panic, "Ji Feng, you... you don't have to care about my feelings anymore. ...you should deal with it how you want!"

"Qin Shujie, what are you saying?!" Ji Feng hadn't even had the chance to speak, and when Fan Liang Gui heard that, he immediately became anxious.

“Qin Shujie, what did you say?!” Ji Feng hadn’t had the chance to speak yet, and when Fan Liang Gui heard it, she instantly became anxious.

How could she do that?

Ji Feng was clearly looking up to Qin Shujie and relying on her to take care of business, and her big brother had been beaten up by Ji Feng, so according to reason, Qin Shujie could have been furious and angrily reprimanded Ji Feng, or even threatened him and told him to immediately go to the police station to drop the case and not pursue it anymore.

But what was Qin Shujie doing now?

She was actually full of shame, and she even gave Ji Feng full authority to handle it, what is this?

“Qin Shujie, don’t forget that Qin Yujie is your big brother, not a stranger, let alone an enemy!” Fan Liang Gui was so furious that she couldn’t help but shout shrilly as she pointed at Ji Feng and gritted her teeth in disdain, “Just such a poor boy who has to rely on you to take care of him in order to do business, such a person, and you actually bow down to him, do you want to get your big brother killed so badly?!”

Qin Shujie couldn’t help but rub her forehead, looking helplessly at Fan Lianggui, and asked with a sneer, “Do you really think that I am the one who wants to get my big brother killed? The one who really wanted to get him killed was you! Fan Liang Gui, I originally just thought that you were a vain and greedy person, but I never thought that you would be so stupid and ignorant …..”

“You call me ignorant?!” Fan Liang Gui was instantly enraged as she shouted shrilly, “Qin Shujie, you jilted little b\*tch, what qualifications do you have to say about me?!”

Qin Shujie’s face immediately sank, “Fan Lianggui, pay attention to your words!”

“What, did I say something wrong?” Fan Liang Gui sneered, “That’s right, I didn’t say it wrong, but rather I hit the nail on the head, you don’t have a good life yourself, bringing a wild girl and hooking up with men all day, so you don’t want to see us have a good life either, you want to break our family too!”

Ji Feng looked at this woman as if she had gone mad with a dumbfounded expression, full of consternation, today he had really grown an insight, people, can really be shameless to this extent!

“Shut up!” Qin Shujie finally couldn’t help but rebuke angrily, “You ignorant woman, you’re the one who got my big brother killed today, how dare you talk about me? Do you know who he is?”

Fan Liang Gui disdainfully glanced at Ji Feng and sneered, “Yo heh, who else is he? I’d like to see who he really is, tell me! By the way, he wouldn’t be the little white boy you raised, would he?”

Swish!

Ji Feng’s face instantly turned gloomy, and a cold aura flashed in his eyes.

Qin Shujie’s face instantly changed and she angrily said, “Fan Lianggui, don’t talk nonsense, be virtuous under your mouth!”

“Humph!”

Fan Liang Gui said disdainfully, "I've been right, haven't I? Qin Shujie, even if you didn't save your big brother, you still want to harm him? I've known for a long time how vicious you are as a woman, and now I've finally seen your true face ....."

"Slap!"

Before Fan Liang Gui could finish her words, Qin Shujie, who couldn't hold back any longer, finally couldn't help herself and slapped her fiercely, "Shut up, ignorant woman, with Ji Feng's status, just based on what you just said to him, your husband's death a hundred times wouldn't be enough to make up for your fault!"

"You, you dare to hit me?" Fan Liang Gui covered his face and froze in place, asking dumbly, "Qin Shujie, you actually dared to hit me?"

"I hit you in order to save you!" Qin Shujie's pretty face was as gloomy as if water was about to drip out of it, she gave Fan Liang Gui a contemptuous glance and sneered, "Since you want to know who Ji Feng is so much, then I can tell you that Ji Feng once sold me a piece of jadeite so that my company wouldn't stop running for a year due to a shortage of raw materials, so in reality, it wasn't me taking care of him, but him taking care of me! "

Looking at the dumbfounded Fan Liang Gui, Qin Shujie sneered, "Also, don't you want to know his identity? Fine, listen carefully, his name is Ji Feng, he is the nephew of Ji Zhenguo, the secretary of the municipal party committee, and the cousin of Ji Shaolei, the number one male in Jiangzhou! Is there anything else you want to ask?"

Boom!

Fan Liang Gui seemed to be struck by lightning as if her entire body had been struck by lightning, and suddenly froze in place, at this moment, only one sentence echoed in her mind: this, this is not true! This is not true .....

Selling the jadeite to Qin Shujie's jewellery company was nothing, but anyone who had the raw material in their hands could sell it to her. But what shook Fan Liang Gui the most was what Qin Shujie said about Ji Feng's identity!

The nephew of the secretary of the Jiangzhou municipal party committee, the cousin of Jiangzhou's number one male Ji Shaolei..... this identity, to get rid of them, that is simply easier than getting rid of an ant!

Fan Liang Gui really froze, if Ji Feng is really the kind of identity Qin Shujie said, then just now he said those words, is not looking for death?

At this time, Fan Liang Gui's ears seemed to ring with Qin Shujie's cold laughter again, "The person who really killed your husband is yourself!"

There was a thud!

The shock was so strong that Fan Lianggui could no longer stand, as if all her strength had been drained away in an instant, and she instantly fell limp in her seat, her face full of shock and dumbfounded

expression. Even though her face was coated with thick foundation, she could not hide the extremely shocked expression on her face.

Qin Shujie shook her head slightly, took a deep breath, couldn't help but look at Ji Feng apologetically and said, "Ji Feng, what happened just now, I hope you don't mind, after all ..... alas, forget it, I know I shouldn't have opened this mouth, but Qin Yujie is after all my own elder brother, I can't just stand by and watch him ....."

Before she could finish her words, she was interrupted by Ji Feng: "What do you want me to do about it?"

Qin Shujie immediately just choked, she was stunned for a moment, yes, how should she let him deal with it? If you let Qin Yujie go, not to mention that Ji Feng would not agree, even just Qin Shujie herself, is absolutely unwilling, but, if all those things that big brother has done are exposed, when the time comes, waiting for him, at least is also a long prison career .....

The first time, Qin Shujie was caught in a dilemma.

At this time, Fan Liang Gui, who had heard the conversation between the two, suddenly had strength in her body, she stood up violently and knelt down at once, begging piteously, "Shu-jie, please help me beg Mr. Ji, help me beg him to let your big brother go!"

Qin Shujie gave her a disgusted look and sneered in her heart, how realistic. From the beginning, calling Ji Feng as Mr. Ji, misunderstanding that he was looking up to his nose, calling him Ji Feng again, and even later directly calling him boy, little white boy .....

And now, yet again, calling him Mr. Ji, this change of address, will Fan Liang Gui's kind of snobbery, exposed!

Qin Shujie frowned and said, "Sorry, I'm not that big of a face yet, ask for favors, you go beg for them yourself!"

Fan Liang Gui was instantly frightened and in a panic, she begged bitterly, "Shu-jie, I know I was wrong, I'm not human, I shouldn't have said that about you. You were clearly looking out for us, yet I still misunderstood you and even thought of re-dividing the family with you after this matter was dealt with ....."

Just as the words came out, Fan Liang Gui's entire body froze, she froze on her knees, her eyes were wide open, and her mind exploded, it was over!

Because of too much panic, she actually accidentally said all the thoughts in her heart, when this matter is finished, then divide her property and company, but this is only the thoughts in her heart, have not yet had the time to realize ah .....

Phew!

Qin Shujie's eyes also widened, her breathing was incomparably rapid, and her chest rose and fell violently, showing how agitated and irritated she was.

“You, what did you just say?” Qin Shujie asked with a face full of disbelief, “You want to come back and split the family with me after you’ve dealt with this matter? What family separation? Didn’t we already split it a few years ago ..... you guys, and you still want to split my company again?”

Fan Liang Gui’s face was full of embarrassment, simply a little groundless, this idea of his own to say, is really a little too shameless.

“Is this your idea, or my big brother’s?” Qin Shujie tried to calm herself down and asked indifferently, but her eyes hid a deep trace of pain, unwilling to hear the answer she did not want to hear.

“Yes, it was my idea!”

Fan Liang Gui stammered, not daring to look at Qin Shujie’s eyes at all, “But, before that, your elder brother had said that he would find an opportunity to discuss it with you, after all, the capital you used to start your company was also the money from the initial split of the family, and, for your company to grow to such a large size, those contacts and resources left behind by your father in the past, you have likewise used .....

Before she could finish her words, Qin Shujie could no longer hold back and angrily denounced, “Shameless! Shut up!”

Qin Shujie breathed sharply, forcing back the sourness and the urge to cry in her heart, trying hard not to let her tears flow out.

Ji Feng frowned slightly beside her, thinking of comforting her with a few words but not knowing how to speak, he could only sit there with a bitter smile, occasionally glancing at Fan Liang Gui who was kneeling on the ground, a cold glint in his eyes.

This is a couple who are worse than animals!

Ji Feng snorted coldly in his heart and made a decision that he absolutely could not let Qin Yujie go, even if it was only because of what he had seen today!

Qin Shujie’s emotions gradually calmed down, however, Ji Feng saw despair in her eyes. Her eyes, which were originally charming and beautiful, as if they were like two pools of autumn water, were already dark and colorless, as if all she saw in them was a gray sky, and she no longer had the motivation to live.

Ji Feng’s heart immediately tightened and he hurriedly asked: “Sister Qin, are you okay? Such a beastly couple is not worth your heartbreak and despair for them, let alone doing anything stupid for them!”

Qin Shujie cicada slowly shook her head and faintly said, “Ji Feng, you don’t have to worry, I’m not going to be sad anymore, from now on, never again .....

Ji Feng faintly nodded and said, “Good then, let’s go, I’ll send you back!”

It was as if Qin Shujie had lost her soul and just let Ji Feng hold her up as she walked out of the cafe step by step.

As she watched the two of them leave the box, Fan Lianggui likewise seemed to have her soul taken away, completely limp on the floor, she knew that her husband was completely finished.

## Chapter 369

“Sister Qin, in fact, what your sister-in-law said today may not be credible!”

As the BMW X6 sped down the road, Ji Feng drove while turning his head from time to time to look at Qin Shujie who was sitting in the passenger seat and smiled, “If you ask me, maybe it wasn’t your big brother’s idea, look at that sister-in-law of yours, she doesn’t even look like someone who would tell the truth, maybe she said it was your big brother’s idea in order to pass the buck .....”

Qin Shujie did not have any reaction, just sat silently on the passenger seat, a gloomy face looking at the scenery flying backwards outside the window, a sad look flashed across her eyes from time to time.

She did not understand others, but she knew her elder brother, whom she had grown up with, very well.

She just didn’t think about it before, no matter how bad Qin Yujie was, but that was her big brother, and she didn’t want to think the worst of him.

But now, the moment Fan Lianggui said those words, Qin Shujie understood that this idea, even if big brother Qin Yujie was not the mastermind, he was definitely an accomplice. With big brother’s character, he could definitely do such a thing.

When the family was first divided, big brother Qin Yujie took up the vast majority of the family’s assets, Qin Shujie just let him give, relying on those capital to start his own business, relying on the contacts and resources accumulated by his father, which led to today’s Shu Yao Jewelry Company.

Of course, this was also with the help of many friends, such as Ji Shaolei, and her ex-husband Zheng Haoyu.

Her company had grown, but the people who were jealous were his elder brother and sister-in-law, who had vaguely offered to take a stake in Qin Shujie’s company before, but were turned down by Qin Shujie, and because Qin Yujie and Fan Lianggui had gone too far, the two families hadn’t dealt with each other for years.

Qin Shujie believed that without her elder brother Qin Yujie’s nod, even if Fan Lianggui was greedy and excessive, he would never have dared to act in such a reckless manner.

The same was true this time, if he hadn’t mentioned it often and discussed it with Qin Yujie, how could Fan Lianggui have talked about it so smoothly and let it slip?

Slightly shaking her head, Qin Shujie’s heart sighed lightly with sadness, this is her own big brother .....

“Sister Qin, where is your home?” Ji Feng drove the car and couldn’t help but ask: “If you don’t talk, I don’t know where to go, I can’t just drive around on the road like this, right?”

At this moment, the sound of sirens suddenly came from behind, Ji Feng immediately frowned, he glanced at the rear view mirror and immediately froze, couldn’t help but secretly said, “How could it be that female Tyrannosaurus? Could it be that I’m just crowing? Say it right?”

With Ji Feng’s eyesight, he could see clearly, even from a further distance, that the female traffic cop with a helmet, riding a motorbike in an extremely tough posture, was none other than the female tyrannical dragon he had been chanting about in the morning, Li Ruonan!

Ji Feng's cold sweat suddenly came down, if this woman became crazy, he would not be able to have peace today. He glanced at Qin Shujie in the passenger seat and saw that she hadn't reacted, so he couldn't help but sigh softly, today was a bit unlucky!

"Sister Qin, sit tight, I'm going to accelerate, there are traffic police chasing us behind!"

Ji Feng slightly a small, directly slammed on the accelerator, through the gear shift paddles on the steering wheel, constantly changing gears, the speed became faster and faster, in the blink of an eye, the BMW X6 roared away and disappeared at the end of the road.

Li Ruonan stopped and looked at the direction where the BMW disappeared, her pair of silver teeth were almost about to gnash, she couldn't help but curse angrily, "Ji Feng, you brat dared to hide from me, don't you fall into my hands in the future, or else, see how I will clean you up!"

And at this time, Ji Feng had already disappeared a few dozen kilometres away, the car was still racing furiously, he was full of smiles, I guess that female tyrannical dragon Li Ruonan must be furiously grasping now, right?

When he thought of Li Ruo Nan's furious look, Ji Feng couldn't help but want to let out a loud laugh. I don't know what happened, but every time he saw Li RuoNan, all of Ji Feng's calmness and stability disappeared, and he always wanted to tease Li RuoNan a little bit.

When Li Ruo Nan's figure was no longer visible in the rear view mirror, Ji Feng could not help but slightly reduce his speed, he turned his head and asked with a smile, "Sister Qin, you can't just let me keep driving like this, can you? Where are you going, I'll drive you there!"

"What, are even you starting to get annoyed with me?" Qin Shujie asked in a low voice.

Ji Feng was stunned, and immediately, he couldn't help but shake his head and smile bitterly, it seemed that this time around had really hit her hard. It was actually true when you thought about it, before it was her husband's betrayal, and now even her own big brother was hitting her company ..... It was no wonder that she was hit so hard.

Once you think of this, Ji Feng heart can't help but sigh tersely, people ah ..... the world is bustling, all for the name to profit!

This saying, when really is not wrong at all!

"I'm sorry, I, I'm in a bit of a bad mood, my tone of voice may be a bit impulsive, you don't forget your heart!"

Seeing Ji Feng's silence, Qin Shujie couldn't help but apologize in a low voice, "Ji Feng, I want to drink, can you find a place to go drink with me?"

"Now?!"

Ji Feng raised his hand and looked at his watch, he couldn't help but smile bitterly, "It's already 1:30 ....."

"Let's go to my house!" Qin Shujie suddenly said, "I don't want to go back to the company now, I just want to drink, go to my house, it's more peaceful there!"

“..... Okay!” Ji Feng nodded slightly, but there was an odd feeling in his heart.

“I’ll call someone to prepare drinks and food!” Qin Shujie took out her mobile phone, as if she had returned to normal, and began to dial the phone skillfully. Listening to what she said, it seemed that she was calling a hotel near her home and asking them to prepare the meal.

However, Ji Feng was shocked by her last sentence, “Also, help me prepare four bottles of vodka ..... and two bottles of red wine .....”

Ji Feng was so frightened that he almost didn’t grab the steering wheel, he turned his head in a panic and laughed bitterly, “Sister Qin, are you going to open a hotel?”

A drink as strong as vodka, to ask for four bottles, and red wine ..... Apart from opening a hotel, Ji Feng really couldn’t think of anyone who could drink so much! If it was just the two of them, they wouldn’t be able to drink it all for a week.

Qin Shujie, however, did not answer, but directly hung up the phone, then leaned back on the seat backrest and just closed her eyes.

Ji Feng opened his mouth, but nothing came out, so he shook his head with a smile and concentrated on driving.

Qin Shujie’s family lived in the south of Jiangzhou, where the rich gathered, and almost every family had a villa, and some even had a manor. Of course, the rich people mentioned here were basically people who were at least above the level of well-off, and not only had to be rich, but also had to be powerful! Otherwise, building an estate in a place like Jiangzhou, where every inch of land is gold, would require more than just money, but also huge energy.

About an hour and a half later, the two of them arrived at the entrance of Qin Shujie’s house, Ji Feng could not help but freeze, this is also a villa, but Ji Feng thought about his own villa, and then compared to this villa in front of him, that really is nothing .....

The villa in front of you is a large courtyard in front, purely European style, the fence is also wooden, and in the courtyard is a small garden filled with all kinds of ornamental plants.

And at the back of the villa, a swimming pool could be vaguely seen, but because it was outside there were buildings when, it was impossible to see clearly, this villa area was incomparably clear, just the road at the entrance was as wide as six lanes, this was not like a road in a neighborhood, it was simply a regular road!

“Really rich people live in the place .....” Ji Feng can’t help but some dumbfounded, their own villa compared to here, that really like the countryside small thatched hut, “people than people die, goods than goods throw ah! ”

“This isn’t my place either, you know, my company is over in the University City Economic Development Zone, and my home isn’t far from there.” Qin Shujie explained, “This villa, it was given to me by a man who once wanted me to be his mistress .....”

Speaking here, she looked at Ji Feng and asked, “Does it make you think I’m shameful?”

Ji Feng thought seriously, slowly shook his head and said, "I don't think so, you're bringing up a child alone and having to run a company, it's indeed a bit too hard ....."

"Thank you, even though I know you're telling lies, at least your lies are well-intentioned ....." Qin Shujie smiled sweetly, flirtatious and heavenly, "In fact, I'm not being anyone's mistress, never have been! That man who wanted me to be his mistress was scared out of Jiangzhou by your cousin long ago, leaving this villa as a compensation for me!"

Ji Feng opened his mouth, but didn't know what to say, he was really a bit confused as to why Qin Shujie was talking to him about this.

"Please come in, to be honest, you are still the first man to come here, while I, too, am only coming here for the second time!" Qin Shujie smiled flirtatiously, which was very touching.

Ji Feng, however, hurriedly removed his gaze from her without a trace, Qin Shujie was just a little too charming, the whole person was like a ripe peach, a light touch would have nectar flowing ....." He was afraid that he would not be able to hold it for a moment and do something that he would regret!

Such a woman, for Ji Feng, who is at the age of blood and vigor, the temptation's power is too great!

"I, I'll go and park the car first!" Ji Feng hurriedly coughed lightly, turned around and left quickly, boy, if he didn't leave, he might have to be a beast for once.

"Whew...!" When he came to the front of the car, Ji Feng couldn't help but let out a long breath, the situation just now was too charming for people's minds ....."

He looked back again at Qin Shujie who had already opened the door to the living room and entered, and couldn't help but give a bitter smile, he must hold back today, nothing must happen ah!

## Chapter 370

When Ji Feng parked the car and came to the villa again, he was shocked to find that Qin Shujie had changed her clothes. At that moment, she was wearing cotton pajamas, her snow-white neck was exposed, her chest was also showing a piece of snow-white skin, her long hair was scattered at the back, in a lazy manner, with a hint of charm, which made Ji Feng's heart, which had only easily calmed down, suddenly beat rapidly once again.

Seeing Ji Feng standing in the doorway, Qin Shujie smiled sweetly and said, "Here you are, come and sit down quickly, the food has been delivered!"

Ji Feng took a deep breath and secretly admonished himself, today's Qin Shujie was a bit abnormal because she was stimulated, but you Ji Feng can't be abnormal as well!

"Good!" He laughed and walked over quickly, but in his heart he was muttering secretly, this restaurant's efficiency was really quite acceptable, Qin Shujie had only just arrived home and the meal had already been delivered to her.

"Come to the kitchen!"

Qin Shujie turned around and walked in a dignified manner.

Ji Feng gave a bitter smile helplessly and could only follow with a stiff upper lip. In fact, Ji Feng really didn't know how to comfort others, he knew that when he was aggrieved, the most he could do was to hide somewhere alone in silence and go home again when his mood was calmer, at that time, Ji Feng was like a wolf, wounded, would hide alone and lick his wounds in silence, didn't need anyone to pity, much less comfort.

However, for a woman, it is obviously not such a simple matter.

Ji Feng could not help but scratch his head very much, this kind of thing, what he said is not appropriate, perhaps, can only accompany her to drink .....

He followed Qin Shujie to the kitchen and found that the table was already full of meals ..... only dishes, no rice!

However, when Ji Feng saw the wine placed on one side of the table, he couldn't help but jaw drop, that damned restaurant, really sent so much vodka and red wine as Qin Shujie said ..... they were afraid of not being able to sell it?!

"What, frozen there for what? Afraid I'll eat you?" Qin Shujie looked at Ji Feng with a smirk, and couldn't help but say in a pouting general way.

Cough cough cough!

Ji Feng hurriedly coughed a few times, these words were a bit ambiguous, he could not help but his heart jumped wildly a few times, hurriedly removed his gaze from Qin Shujie's charming face that seemed to be angry and happy, secretly took a few deep breaths, and only then calmed down his emotions.

But from the surface, there was no sign of any difference, Ji Feng, with a smile on his face, pulled away the chair at the other end of the table and sat down with a smile, "Sister Qin, this hotel is quite fast, not to mention, I'm really a bit hungry ....."

Before he could finish his words, he was interrupted by Qin Shujie.

"Ji Feng, I invited you here today, but not just to eat here ....." Qin Shujie smiled faintly, charming suddenly, she then picked up the already opened vodka, poured a full glass for Ji Feng, and poured a glass for herself, "Let's drink first, if there's anything to say, we'll talk about it later."

I'm afraid you won't be able to talk about it later!

Ji Feng heart bitterly smiled, but the mouth is persuasive: "Sister Qin, wine or less, drink too much, hurt the body ....."

"I'm not afraid of a woman, you, a big man, are still afraid of hurting your body?" Qin Shujie gave him a white glance and said slightly flirtatious in a delicate manner, "Oh, by the way, you are still just a big boy, a standard good boy, not yet considered a big man!"

"Ahem!"

Ji Feng coughed dryly twice, for Qin Shujie's flirtatious and alluring teasing-like eyes, he was really a bit overwhelmed, and even thought maliciously in his heart, "Whether I am a man or not, only my woman knows, if you want to try it, it's not uncommon ....."

Of course, this is something he didn't dare to say, but, no matter what any normal man is, if he is seen as a boy, he will be more or less discontented.

"Sister Qin, it's better to drink!" Ji Feng sort of saw that if he didn't drink today, he would definitely not be able to leave, not to mention, leaving Qin Shujie alone in the villa in an unstable mood, in case something happened, he would definitely feel incomparable guilt in his heart.

"It's just that, let's consider it as giving up one's life for the gentleman!" Ji Feng secretly decided in his heart that when he drank later, he must use bio-currents to break down all the alcohol, so that he could at least not get drunk.

"That's right, drink!" Qin Shujie's beautiful eyes were flowing, those beautiful eyes like two pools of autumn water, full of charming and moving charm, even one more glance, one could not help but make it hard to resist.

Ji Feng could only clink a glass with Qin Shujie and slowly drink it down.

At once, a spicy and exciting sensation started from the throat and kept flowing rapidly downwards, instantly reaching the stomach, causing Ji Feng's stomach to churn.

Strong vodka, it really lives up to its name!

Ji Feng took a deep breath, and only then did he slow down, but the burning sensation in his esophagus and stomach could still be clearly felt.

He hurriedly and slowly activated the bio-current, just to dissolve all the alcohol content in his stomach, but before he could concentrate, he saw Qin Shujie once again filling up both her own and her cups, and then brought them up again.

"Ji Feng, let's drink again!" After saying that, Qin Shujie tilted her head and drank it in one gulp, because she drank too quickly, she couldn't help but cough for a while, almost even tears were coming down her eyes, that originally delicate and lustful face, at this time slightly red because of the wine, added a few more flirtatious look, making people's hearts thump!

"Sister Qin ....." Ji Feng smiled bitterly and was just about to say something when he was interrupted by Qin Shujie.

"Don't say much, let's talk about what we have to say after we finish drinking." Qin Shujie picked up the cup, clinked a glass with Ji Feng again and tilted her head to drink it.

Ji Feng looked dumbfounded .....

When the bottle of vodka had reached the bottom, Qin Shujie had long since drunk to the point of dizziness.

At this time, she began to become babbling, strictly speaking, became incoherent, and her speech was very slurred. However, Ji Feng was able to hear her clearly. This was because while Qin Shujie was dizzy, Ji Feng had already activated the bio-current to break down all the vodka in his body.

“Ji Feng, do you know why I brought you here?” Qin Shujie asked with hazy drunken eyes.

“Why? Because it’s quiet here, well ..... it’s not good if we drink if Yao Yao sees it .....,” replied Ji Feng after thinking about it.

At this time Ji Feng began to eat vegetables in large mouthfuls, from the morning after eating the breakfast made by Xiao Yuxuan, Ji Feng in the middle also had a sip of coffee, and never ate anything else, at this time, he had long been hungry to his chest.

Coupled with the fact that he had drunk such strong wine earlier, his stomach was very uncomfortable and he had to eat something to suppress it first.

“You’re wrong!”

Qin Shujie drunkenly shook her head lightly and said, “I, I once said before that this ..... house was compensated to ..... me by a man ..... I came here, just want you to see how disgusting some men, are .....”

Ji Feng couldn’t help but nod slightly and laughed: “When the forest is big, there are all kinds of birds ..... whether they are men or women, there are good and bad ones.”

Qin Shujie nodded and said, “Yes, there are both good and bad, but ..... relatives should always be not bad, right? Why ..... did my husband ..... no, my ex-husband, for the sake of business, he would give me away to another man and let another man play with his wife as he pleased! If ..... I hadn’t been alert at the time and discovered his attempts in advance, I probably would have killed myself by now .....”

Ji Feng listened in silence, he didn’t know what to say. A man who can do such a thing is really \*\*\*\* .....

“Later Ji Shaolei knew about this matter, for the sake of old classmates, he helped me speak up, and that man who wanted to take advantage of me was immediately scared ..... huh, scared out of his mind!” Qin Shujie laughed, very recklessly, perhaps because of the reason of drinking wine body fever, she pulled her pajamas open some, the snow-white skin in front of her chest, almost swayed Ji Feng.

“This villa is the compensation that ..... that man gave me, I’ll take it!” Qin Shujie held her forehead with one hand, her shoulders seemed to be shaking slightly, “It’s not because I’m greedy for wealth ..... but I want to let Zheng Haoyu know ..... that he went to all the trouble and ended up not earning as much as I did ..... giggle .....”

Ji Feng couldn’t help but slightly to head and said, “Sister Qin, you’re drunk, let me help you upstairs to rest!”

Once these words came out, Qin Shujie’s body stiffened, a look of disappointment flashed across her eyes, but then, in a flash, that look of disappointment, turned into a kind of madness.

Seeing that Qin Shujie did not object, Ji Feng stood up, helped Qin Shujie up, let her lean on himself and slowly walked towards the upper floor.

The beautiful woman in his arms had a faint fragrance that was so refreshing that Ji Feng couldn't help but inhale twice, his heart pounding.

Qin Shujie is really a stunning natural beauty, she is already a mother of a child, at this time has long been ripe, as long as a normal man, in this situation, will not be able to resist wanting to eat her in one bite.

There was no quilt on the bed in the bedroom, Ji Feng shook his head slightly, it really was unoccupied .....

He quickly pulled open the cupboard, took out all the quilts and other things and laid them out, turned his head to see that Qin Shujie had already fallen to the floor.

Ji Feng couldn't help but shake his head with a smile, and Kong picked her up with a strong hand and placed her on the bed.

Qin Shujie turned over, her pajamas had been completely pulled open at some point, and at this moment, she was actually wearing only a pair of small trousers, other than that, her entire \*\* was almost exposed to Ji Feng's sight!

"Whew-!"

Ji Feng's breathing suddenly sharpened, and he didn't know if it was because the alcohol in his body hadn't completely dissolved away, a strong urge rose in his heart.

Ji Feng slowly stretched out his hand and was about to touch Qin Shujie's chest .....

Suddenly, his mind involuntarily conjured up Tong Lei's clear and peerless face, as well as Xiao Yuxuan's flirtatious and gentle .....

"Phew!"

Ji Feng exhaled a long breath, he shook his head and smiled, reached out and pulled up the quilt, covered Qin Shujie with it, and then walked back downstairs.

A few moments later, Ji Feng got a wet towel from somewhere, wiped Qin Shujie's face, and poured her a glass of water on the bedside table before he really left.

Listening to the car outside start to leave, Qin Shujie in the bedroom, but suddenly opened her eyes .....
