

Campus Master 461

Chapter 461

The mayor, Luo Dong, also had a sullen face, no matter how he and the deputy mayor Zhao Tie Min did not deal with each other, but after all, Zhao Tie Min was still the deputy mayor, actually being scolded by a young man who did not know what his origins were, this was like a solid slap on the face of Zhao Tie Min.

In contrast, it was Luo Dong's face that was also dishonoured.

He couldn't help but sink his face and asked indifferently, "Who are you people again? Are you really the murderers, as Mayor Zhao said!"

"Mayor Luo, these people are guests who came from Jiangzhou to Yuncheng for investment, they are not any murderers, I think there might be something else inside the matter, why don't we invite both sides back first and then do an investigation, I wonder what Mayor Luo thinks?" Jiang Xinyu hurriedly said at the side, although he was not clear about the specific identity of Ji Shaolei, but on the basis of the duo's overwhelming relationship, he could not let people put a big hat on Ji Shaolei as a murderer.

Luo Dong could not help but ponder, regardless of whether these people from Jiangzhou to Yuncheng investment businessmen, alone just the face of Jiang Xinyu, can not be denied, after all, the previous relationship between the two sides is still considered good, and, Jiang Xinyu and the municipal party secretary side of the relationship is also very good, and now the secretary is present, but did not speak, apparently to see how they should deal with.

On the other hand, Zhao Tie Min is a quick turn of mind, when he saw Zhou Yuxia not far away constantly making eyes at him, he suddenly had a move in his heart.

"Mayor Luo, I think, Mr Jiang's words sound like he is somewhat excusing these people!"

Zhao Tie Min suddenly said, pointing to Zhou Yuxia and the others not far away and said loudly, "This Zhou Yuxia Zhou, the vice president of Jiangzhou Zhou Group, is also the full representative of this investment mission, but coincidentally, she had dealt with these murderers before and knew that instead of being any kind of guest businessmen, they were a group of authentic landlubbers and marketplace scoundrels How can such people be businessmen who come to invest?"

If that was the case, then Jiang Xinyu really had bad intentions, he had invited himself and the secretary at the same time, just to justify a few city scoundrels?

Zhang Lei, however, snorted and said disdainfully, "Ah Mayor Zhao, you are saying this but somewhat without conscience"

Everyone's eyes looked at him, especially his phrase "not based on conscience", which attracted others' attention.

Zhang Lei bristled, "Even a rogue scoundrel like you can be the vice mayor, how can we, the city scoundrels, not be investment businessmen?"

Everyone was stunned at once, this explanation was really

Even the mayor Luo Dong, the secretary of the municipal party committee Yang Zhao two, the face is a little odd, this young man's mouth is really poisonous can!

The first thing you need to do is to get your hands on a new one. I would like to ask, even if I am a scoundrel, then let me ask you, why did you come here today?"

"I've already said the reason earlier, I don't want to repeat it now" Zhao Tie Min hadn't finished his words when he was instantly interrupted by Ji Shao Lei.

Ji Shaolei sneered without the slightest mercy, "I think you're weak-minded! You are simply a bastard, how can a person like you still be the mayor?! It's really your mother's"

He turned his head directly and said, "These two are Mayor Luo and Yang? No need to say more nonsense, I propose that this bastard be arrested immediately, and his son, who is also involved in what happened today, called something Zhao Yongshou" If I can make you live a long life, I will take your surname today!"

"Right, there are also several people from that so-called Zhou's group, arrest all of them!" Ji Shaolei cannon words, one by one, he said all that he had, but all the people involved in this matter, not a single one was left out.

Luo Dong and Yang Zhao were stunned at the same time, their gazes were extremely odd. Did he know what he was talking about?

A deputy mayor, and the businessman from the Zhou Group, and the director of the management committee who was beaten up and his son" these people if screwed together, how big a force would that be? He is a small young man, who is he to compete with others?

In fact, Yang Zhao and Luo Dong naturally knew something vaguely about what Zhao Tie Min and others were doing, but helplessly, Yang Zhao was seeking to go further, and Luo Dong was naturally aiming for the municipal party secretary's throne, so at this time, both of them wanted to seek stability and did not want to cause more trouble.

Even Jiang Xinyu could not help but be stunned. With his family's wealth, he might be able to compete with Zhou's group in Yuncheng without a problem, but if it were in Jiangzhou, he would not be able to.

Of course, he can stay in Yuncheng, because his home is here, but Ji Shaolei and others, they are going back, ah, so directly with the Zhou Group such a violent conflict, so more or less some unwise"

The company's main business is to provide a wide range of products and services to the public.

Yang Zhao and Luo Dong were in a bit of a quandary, and the two of them glanced at each other as if to reach a consensus.

After pondering for a while, Luo Dong then said, "Let's put it this way, this is not the place to talk, if there are any problems, let's go back first, otherwise it will cause bad influence! Secretary Yang, do you think this is alright?"

Only at this time did Yang Zhao, who had not spoken, speak up, "Well, I think this is fine!"

"It's fine, my ass!"

Ji Shaolei coldly snorted unceremoniously, "Secretary Yang, Mayor Luo, I have already investigated a part of the reporting materials before and asked Jiang Xinyu to forward it to you, I don't know if you have received it, and how you plan to handle this matter?"

"What material?!" Luo Dong and Yang Zhao were stunned in unison, but the two of them were tight in their hearts, unexpectedly this young man said the matter of the material to his face, this is a bit of trouble.

"It's about Zhang Zhiyuan, the director of the Tourism District Management Committee, corrupting and bending the law, as well as covering up for his son's crimes, harboring and many other materials!" Ji Shaolei coldly snorted, "Of course, there is also less good deeds done by our this Vice Mayor Zhao and his grandson, the materials are clearly recorded, the two leaders should not have missed it, right?!"

Zhao Tie Min and Zhang Zhi Yuan's faces suddenly changed dramatically, their hearts trembled, if what this young man said was true, then they

Yang Zhao and Luo Dong also changed their faces, their hearts secretly annoyed, if it wasn't for Jiang Xinyu's sake, would they have let Ji Shaolei babble on so much here? Now he had actually told them about the materials as well, it was simply hateful!

In fact, early this morning, Jiang Xinyu had already handed them the materials, but these matters were a scandal in Yuncheng, so if word got out and the city was in an uproar, it would be detrimental to the promotion of the two of them, so the two of them put it down for the time being.

"Woo woo woo woo woo-" Just then, a siren suddenly sounded and immediately afterwards, two ambulances drove up quickly.

Yang Zhao instantly waved his hand: "Treat the injured people first, if there's anything, let's talk about it at the nearby tourist area police station!"

Ji Shaolei sneered, "What a good excuse to divert attention!"

Ji Feng, however, only smiled lightly and said, "With them, one shouldn't talk so much in the first place, that's purely a waste of words, how can they not hear about what the people underneath have done? These people are simply in cahoots with each other!"

"What a load of nonsense!" Yang Zhao's face instantly sank, "You have shot and injured people, you haven't had the time to be held accountable yet, and now you actually dare to speak so loudly and shamelessly?!"

"I see, it's you guys who are shameless!" Ji Shaolei snorted coldly, "I only ask you one question, regarding the problems reported on the materials, will you investigate or not?"

"If the reported materials are true, of course we will investigate, but is this a place to investigate cases?!" Luo Dong angrily scolded, "Take it back first, to the nearby police station!"

"Fine! Fine!" Ji Shaolei sneered and nodded, "It seems that San'er was really right, they are really in cahoots, humph!"

"Take it down!" Luo Dong was instantly enraged, as the head of a city, he was actually sarcastic by a youngster so repeatedly, even Jiang Xinyu wouldn't dare to speak like that!

“Take them all down!” Zhao Tie Min was instantly overjoyed, if he hadn’t reckoned that Luo Dong and Yang Zhao were present, he would have taken these few people down long ago, now that he heard Luo Dong’s words, how could he not be happy?

“With just you guys, you don’t have that ability yet!”

Ji Shaolei sneered, “Since you guys won’t investigate, then I’ll find someone else to investigate!”

He took out his mobile phone with a sullen face and was ready to make a call.

At this time, Zhou Yuxia laughed coldly, “How ridiculous, do you really think you’re some kind of figure? You really think you can do whatever you want here? This is Yuncheng, not Jiangzhou!”

She stared at Ji Shaolei and Ji Feng with resentment, but in her heart she laughed coldly. Last night she had already called back to Jiangzhou and had someone check the license plates of Ji Feng and the others, and found that only one of them was the car of the boss of Jian’an Group, and the photo on the information was of this Ji Shaolei in front of her.

The Jian’an Group is not too big a group, actually still want to turn up the storm here, simply do not know how to live or die!

Ji Feng frowned and gave her a cold look, this woman really thinks she’s so self-righteous!

Zhou Yaling, on the other hand, was even more resentful, yesterday Ji Feng scolded her into fainting with a few words, this was definitely a great shame to her, how could she not be annoyed in her heart?

Now that she saw that Ji Feng and Ji Shaolei had offended Luo Dong and the others, she was immediately delighted: “Be wild, be wild, the wilder you are, the more miserable you will be later!”

But Ji Shaolei frowned, “Since you know that I am the boss of Jian’an Group, then you should know my identity, right?”

“Ha! What a laugh, a mere boss of Jian An Group, whose assets may not even be a third of our Zhou Group, how dare he talk about his identity?!” A young man beside Zhou Yuxia snorted with laughter at once.

Zhou Yuxia also sneered, “Some people are like that, they like to think of themselves as a person, Ji Shaolei, let me tell you, even if you get out of this in Yuncheng, back in Jiangzhou, I will still make you look bad!”

Ji Shaolei then understood that this woman had been self-righteous from the start and had not even thought about seriously investigating her identity, which was why she was acting so ignorant.

He nodded slightly and turned his head to ask Ji Feng again, “San’er, which province does this Yuncheng belong to?”

“Xishan Province!” Ji Feng said, “Second brother, do you still have people you know here?”

“Yes, of course I do!” Ji Shaolei hummed, “If I don’t know a few people, how can I cure these bastards?”

“Pretending, let’s see what tricks you can play!” Zhou Yuxia sneered disdainfully.

Luo Dong and Yang Zhao also frowned at the same time, but their hearts were flooded with mutterings, these two young men dared to act in such a manner, did they really have something to fall back on?

“Xishan Province found it!” Ji Shaolei kept tapping his phone and dialed a phone with a smile, “Hey, Uncle Zuo”

Chapter 462

“These two bastards, they can pretend to be more X than Laozi, damn it, looking at him, those who don’t know would think he was on the phone with the provincial party secretary!”

Seeing Ji Shaolei whispering on the phone not far away, Zhou Yang, who was standing next to Zhou Yuxia, suddenly sneered, “Damn! These two bastards are really ruthless too, look at those policemen on the ground, I guess they’ve all been beaten up badly, they’re even more ruthless than my old man!”

“Hmph! What ruthlessness, just because they have some kung fu, they don’t know the sky is high and dare to beat up the police, against the state, they don’t even know how they will die!” Next to him, Zhao Yongshou, however, sneered and said, “Just watch, unless he really calls some provincial party secretary over, otherwise, they’re all dead today!”

“Wouldn’t that be better?!” Zhou Yang instantly smiled YinYin, “In that case, that beautiful girl in the gift shop hehehe!”

The two looked at each other and let out a loud laugh at the same time, looking smug as hell. ()

Next to him, Zhou Yuxia heard a movement in her heart and suddenly whispered, “Duke Zhao, why don’t you go and talk to Mayor Zhao, if you can deal with these two bastards as I want today, I will invest a hundred million in Yuncheng!”

“Huh?!”

Even as the vice-mayor’s son, Zhao Yongshou was shocked by Zhou Yuxia’s opening mouth of one hundred million, although this one hundred million was not really powerful for a city’s investment, but he knew that Zhou Yuxia’s meaning was obviously directed at his father Zhao Tie Min.

The ability to pull in a hundred million dollars of investment, this is definitely a not insignificant credit, plus there is a leadership above the promotion, when the time comes, the promotion is definitely eight, nine things are not far off!

“Good! I’ll go and tell my father right now!” Zhao Yongshou instantly brightened up and said excitedly.

He could understand very well that the reason why he had been able to act recklessly all these years without anything half done was entirely because he had an old son who was the deputy mayor. In fact, only with the power in Zhao Tie Min’s hands, as his son, Zhao Yongshou was able to live a more prosperous life, which he knew better than anyone.

Therefore as soon as he heard that there might be a 100 million dollar investment, Zhao Yongshou became impatient and he hurried up and whispered a few words in Zhao Tie Min’s ear.

“Really?!”

Zhao Tie Min’s eyes immediately lit up as he turned his head to look at Zhou Yuxia, only to see Zhou Yuxia smiling and nodding slightly, signalling that what Zhao Yongshou said was true.

“Great!” Zhao Tie Min secretly said in his heart, if he could really pull in a hundred million dollars of investment, then not to mention that there would be absolutely no responsibility for today’s incident, even if it was a matter of promotion, it would be a sure thing.

Zhao Tie Min knew that both Yang Zhao and Luo Dong were now staring at the top and did not have that much time to worry about this, they could not wait for the early stabilization.

Thinking of this, he immediately walked over quickly and whispered Zhou Yuxia’s request to Yang Zhao and Luo Dong respectively.

Yang Zhao immediately frowned: “This is a violation of the rules, ah, judicial matters, and how can someone who is not involved in the matter have the say?!”

The two of them even had some suspicions that these two people might really have some origins, too.

Zhao Tie Min, however, smiled faintly, with an official look, and said righteously: “Secretary, Mayor, in fact, we don’t have to go to such lengths, in fact, we can use the harshest punishment according to the law on these people, in this way, not only satisfying Zhou Yuxia’s request, but also maintaining the prestige of our law enforcement department, isn’t it a double win? ?”

Yang Zhao and Luo Dong immediately glanced at each other, nodded at the same time and said in unison, “Not bad Tie Min comrade, this matter will be left to you, remember, must pay attention to the impact!”

The last person to speak was Luo Dong, wait until after the change, Yang Zhao is to go, but he is still to stay in Yuncheng, naturally should pay attention to the reputation and influence.

“Yes!” Zhao Tie Min was overjoyed and immediately turned his head, nodding slightly to Zhou Yuxia, and then shouted, “Attention all police officers, take these two young men down, if they dare to resist again, immediately shoot them on the spot!”

All the police officers present answered loudly with one voice: “Yes!”

Swish, swish, swish!

No matter if it was Yang Zhao and Luo Dong who brought the open road police officers, or Zhao Tie Min who brought the police officers, all of them drew their guns and pointed at Ji Feng and Ji Shaolei.

A policeman shouted, “You two, immediately put your hands on your heads and squat on the ground on!”

He waved his hand violently, and the three policemen immediately dragged their guns forward and slowly approached.

The rest of the policemen, on the other hand, surrounded the entire Ji Feng and Ji Shao Lei, while blocking the entrance of the gift shop, fearing that the two of them would rush into the gift shop and take hostages.

“You two bastards, when you fall into my hands, let’s see how I’ll deal with you!” Zhou Yuxia secretly gritted her teeth, and Zhou Yaling even looked at Ji Feng and Ji Shaolei with incomparable resentment, hoping even more in her heart that they would resist, so that these police officers would have a reason to shoot these two bandits down on the spot!

Equally resentful was Zhang Zhiyuan, the director of the Tourism District Management Committee, whose son, Zhang Hongming, had his legs broken by Ji Feng, and the white bones were bumping out, that horrible look was like a sharp knife, just like a cruel Cha in Zhang Zhiyuan’s heart.

“Resist, resist!” Zhang Zhiyuan muttered resentfully, “Just like that majestic look just now, resist!”

Zhou Yang and Zhao Yongshou, on the other hand, were looking greedily at the Yan Tong gift shop, there, there was a beauty that they longed to get, that ethereal voice was just too good, even when they were angry it was refreshing, if they could crush her underneath

The actual fact is that you can find a lot of people who are not able to get a good deal on a lot of things. People are going to move for real!”

“Pop!”

Ji Shaolei hung up the phone and smiled, “Don’t worry, three minutes at most!”

Ji Feng lost his smile, “Second brother, look at them like this, will they give us three minutes?”

“No way?”

Ji Shaolei’s face changed a little, “Third son, can’t you hold them off?”

“As much as I can!” Ji Feng shrugged his shoulders, but his hands went up, because the two policemen opposite, had opened the safety of their pistols, making Ji Feng keenly feel a killing intent, he immediately had a cold light in his eyes, these two people, really wanted to kill him!

“Second brother, be careful!” Ji Feng immediately warned in a low voice, his gaze, however, kept a deadly gaze on those two policemen, a smile appeared on his face, “Comrade policemen, don’t be nervous, I’ll just go with you!”

“Put your hands on your head and squat on the ground!” A policeman bellowed.

“No problem! No problem!” Ji Feng grinned, put his hands on his head and just squatted down, while quietly saying, “Second brother, you also squat down, down don’t resist, I guess which bastard leader of the other side gave the order to shoot

And Lei Zi, you first stand to the side, don’t stay with us

Zhang Lei immediately is a shock, panic, said: “This

Ji Shaolei also looked aghast and immediately said, “San’er, what do you plan to do? These people are really

“Don’t be anxious, I have a solution!” Ji Feng said calmly, “You guys don’t have to do anything is all.”

As soon as his words fell, two policemen rushed over, grabbed Ji Feng's hair and were about to press him to the ground, while on the other side, two more policemen grabbed Ji Shaolei and similarly pressed him to the ground.

"Handcuff him!" One of the policemen shouted.

One of the policemen holding Ji Feng immediately took out his handcuffs and was about to handcuff both of Ji Feng's hands together, however, just as he grabbed Ji Feng's hands and tried to twist them backwards, he suddenly felt a tightening of his wrists.

Whew...!

The policeman only felt that the sky was spinning and immediately afterwards, he was actually held by Ji Feng's neck.

"Your kung fu is too bad!" Ji Feng said faintly in his ear.

This series of changes had happened in just a short moment, and even the best criminal police officer had not reacted before the policeman had become a hostage in Ji Feng's hands.

Hula-la-la-!

Except for the two policemen holding down Ji Shaolei, all the other policemen all aimed their guns at Ji Feng and shouted, "Hurry up and let go of him"

The two of them, although they were involved in the officialdom, had never had the experience of dealing with such unexpected cases.

Ji Feng smiled and said, "All don't need to rush, I'm not trying to take hostages, just waiting for a call, well, three minutes will do Right, let go of my companion!"

The two policemen holding Ji Shaolei did not move much, Ji Feng suddenly looked cold, he held the policeman with one hand while his feet lashed out, and in the blink of an eye he was in front of Ji Shaolei.

Bang Bang!

With one kick, Ji Feng instantly kicked the two policemen who were holding Ji Shaolei down, and at the same time, he helped Ji Shaolei up, "Second brother, be careful!"

Ji Shaolei's face turned blue with anger as he sneered, "Good! Good! This is the first time in my life that I've been pushed to the ground like this. If I don't make a mess of this Yuncheng today, I won't go back to Jiangzhou!"

It was only at this time that Yang Zhao and Luo Dong reacted, and they both shouted at the same time, "Hurry up and let go of the hostage, if you hold the hostage like this, we can kill you at any time!"

"Let go of the hostage and we promise to give you justice!" Zhao Tie Min spoke even more viciously, with such a simple sentence, he directly turned the incident into a negotiation between them and Ji Feng, the two hostage thugs, in which case, even if they really shot Ji Feng, they would not be held responsible for anything.

“Scum!” Zhang Lei sneered from the side.

Ji Shaolei, however, looked at Zhao Tie Min with an iron face, “I remember you, there are at most two minutes left, I will make you beg me on your knees!”

“Bullsh*t!” Zhao Tie Min roared in anger, “Shoot, shoot him immediately to free the hostages!”

Chapter 463

“Don’t shoot!”

Yang Zhao, the secretary of the municipal party committee, immediately roared, “All police officers listen to the order, pay attention to the safety of the hostages, no shooting without orders! If not, all will be severely punished!”

“Secretary Yang, you must shoot, these two thugs are arrogant, and the one by the wall is also their accomplice, they must all be taken down!” Zhao Tie Min said urgently, in front of so many people, being humiliated by Ji Shaolei in such a way, he was simply furious.

More importantly, if Yang Zhao and Luo Dong hesitated, there was a good chance that today was going to be a bad day, then the reporting materials that these two thugs were talking about could all be about him, and it would be a problem then.

Yang Zhao instantly said angrily, “Zhao Tie Min, what are you doing?”

He was really frightened, the commotion here had already alarmed the nearby people and businesses, many people were standing at a distance to watch, if this time in full view of the shooting, see the situation is to stab the sky.

What would the leaders upstairs think when they found out?

If they were to order the shooting without regard to the safety of the hostages, they would be in big trouble!

Once he saw that Yang Zhao was furious, Zhao Tie Min choked, his heart was full of resentment, but there was nothing he could do, who let him not be the secretary of the municipal party committee?

At this moment, Zhao Tie Min’s desire for power became even stronger.

Luo Dong also let out a long breath and said loudly, “All police officers, listen to Secretary Yang’s orders, no shooting without orders!”

With this sentence, he took off his responsibility cleanly. Everyone could hear that this was an order from Secretary Yang, and no matter what happened, the responsibility would fall on Yang Zhao.

Yang Zhao naturally understood what he meant, but now was not the time to argue, he coldly snorted and said, “Listen, people on the other side, you don’t hurt the hostages, you can talk slowly about anything, but you must ensure the safety of the hostages, otherwise, you are killing yourselves!”

“I just need a few minutes of your time, that’s all!” Ji Feng said indifferently.

“Alright then, I’ll give you a few minutes, I hope you keep your promise, otherwise, you won’t be able to escape!” At this moment, Yang Zhao took out his decisiveness as a municipal party secretary and immediately promised.

Ji Feng smiled faintly and did not answer. The black muzzles of the guns around him had no effect on him.

However, the others were different, especially Zhou Yuxia and the others, who were even more indignant.

“Damn it!” Zhou Yuxia couldn’t help but curse, “How could they let him flip again at the last minute!”

“Don’t be anxious, Mr Zhou, they’re just fighting a trapped beast now, they can’t turn the tide!” Zhao Yongshou said disdainfully, “A few bandits are just a few, no big deal, when the stalemate gets longer, someone will naturally shoot!”

“It’s better to just shoot them dead!” Zhou Yaling said with hatred.

With these words, she spoke the minds of many people, Zhang Zhiyuan, the director of the management committee, Zhao Tie Min, the deputy mayor, and Zhou Yuxia, all thought the same.

However, they also knew that the two bandits would not die in a short time, so they could only hold back their resentment and wait patiently.

However, while they were gloating, Xiao Yuxuan and the others in the gift shop were so nervous that their hearts jumped into their throats. Looking at Ji Feng and Ji Shaolei, who were being pointed at by so many guns, Xiao Yuxuan and Tong Lei’s pretty faces turned pale and their beautiful eyes had a worry that they could not hide.

Li Yueqin’s face even changed, but her slightly trembling hands revealed her inner eagerness and worry.

She immediately rushed out, wanting to pull Ji Feng and Ji Shaolei back, but was instantly stopped by Xiao Yuxuan and Tong Lei.

“Auntie Li, you can’t go, it’s dangerous outside!” Xiao Yuxuan advised sharply.

Li Yueqin said sadly, “I can’t, I can’t let anything happen to his son ah”

However, Li Yantong and Xiao Yuxuan were holding her in a death grip, making it impossible for her to go out at all.

Jiang Xinyu was equally anxious, his forehead sweating coldly, he tried to speak several times, but was blocked out by a glare from Yang Zhao, which left him helpless.

He knew that if he forced himself to speak, not only would he not solve the problem, he might even get his family involved, but if he didn’t speak, he couldn’t just watch his good friend get shot

For a time, Jiang Xinyu was in a dilemma.

The company’s main business is to provide a wide range of products and services to the market.

He also remembered the phone call made by Ji Shaolei just now, and could not help but frown slightly, the leaders of Xishan Province, there is the surname Zuo

Swish!

Suddenly, Zhang Lei's eyes lit up, he suddenly remembered, before coming to Yuncheng, he had unintentionally googled the overview of Yuncheng and tourist attractions, there was an introduction, it said, the secretary of the Xishan Provincial Party Committee, Zuo Yongjun, once inscribed for the Yunshan tourist area!

Zuo Yongjun, Zuo Yongjun ah!

Zhang Lei looked at that one flaunting something on the opposite side, simply wanted to let out a loud laugh, they were afraid how could they not imagine that Ji Feng and his second brother, would really put the provincial party committee?

See how unlucky they are! Zhang Lei thought badly.

"Mayor Luo, this matter is very troublesome, we must discuss a reasonable plan to solve this matter as soon as possible!" Outside, Yang Zhao came to Luo Dong and said in a low voice.

Luo Dong immediately said politely and without losing his respect, "Since Secretary Yang is here, then everything will be issued by Secretary Yang, and we will definitely comply!"

Yang Zhao's face suddenly sank, cursing an old fox, but his mouth said, "That's not the way to say it, Mayor Luo, since we are a leadership collective, naturally we have to make democratic decisions, and I, the secretary, can't have one word!"

Luo Dong saw that there was no way to avoid it, so he said, "Secretary, my opinion is, since the criminals asked to wait a few minutes, then we can wait a few minutes is not wrong, I firmly support the secretary's decision."

Seeing Yang Zhao's face sink, Luo Dong then stopped talking nonsense and instead turned his words around: "But Secretary, I see these two thugs seem to be emboldened, is there any reason in between? Just now one of the thugs even called and asked to wait for a few minutes, so are we waiting for things to take a turn for the worse and then deal with it at our discretion?"

Yang Zhao's heart suddenly flinched and he secretly said, "That was close, he almost forgot that one of the other bandits had called, in the official world, any little detail could have lifelong implications.

Thinking of this, he immediately nodded his head and said, "That's fine, let's follow Mayor Luo's advice!"

Luo Dong was stunned and immediately cursed, this time he had gotten himself involved again, but he had no choice but to nod his head slightly.

However, both of them were guessing in their hearts that these two thugs were really something big?

And at this time, the upper echelons of the Xishan Province had long since turned upside down.

The secretary of the provincial party secretary, Zuo Yongjun, was shocked to find that after receiving a phone call, Secretary Zuo's face suddenly sank, which was extremely rare to see on Secretary Zuo, who had always been happy and angry.

Bang!

Zuo Yongjun slapped his palm on the table fiercely, and his face was terribly sinister.

The secretary was instantly startled and said in a panic: "Secretary, what are your orders?"

"Immediately connect me to Yang Zhao, the secretary of the Yuncheng Municipal Committee, and at the same time inform the driver to prepare a car immediately, I want to rush to Yuncheng immediately!"

Zuo Yongjun forced down the anger in his heart and said in a cold voice.

"Yes!" The secretary was immediately frightened, secretly muttering, what had Yang Zhao done that was so outrageous that the sky was broken?

He hurriedly dialed the phone and handed it to Zuo Yongjun: "Secretary, the phone is through!"

Zuo Yongjun took the phone, and the secretary immediately had the sense to hurry to inform the driver to prepare a car, and after thinking about it, he hurried to call his hometown Luo Dong.

The angry roar that came from the provincial party secretary's office immediately alarmed the people in the office building, and all of them were alarmed and discussed, did something big happen again?

For a time, everyone was stunned and suspicious.

.....

"Secretary, it's been five minutes, look at this" Luo Dong was just about to speak when he was interrupted by a rushed voice.

"Secretary Yang, Secretary Yang, the phone" Yang Zhao's secretary was quickly running down from the car, "Secretary Yang, pick up the phone!"

Yang Zhao's face instantly sank and he gave his secretary a fierce glare, "Is the sky falling? What's the hurry?"

The secretary was instantly shocked, but still scrambled to explain in a whisper, "Secretary Yang, it's the provincial"

However, before he could finish his words, he was interrupted by Yang Zhao: "All right, I'll deal with you when I finish the call!"

He picked up the phone and said in a deep voice, "This is Yang Zhao, Secretary of the Municipal Party Committee, who is this?"

"What a big and powerful man!" A low and majestic voice suddenly came out of the receiver, "Yang Zhao, you really have a lot of nerve!"

“Zuo, Secretary Zuo?!” Yang Zhao was immediately startled, cold sweat instantly emerged, he immediately panicked and said, “Zuo, Secretary Zuo, I’m sorry, I, I didn’t know it was you, what do you want to order?!”

“How dare I command you, Secretary Yang? Ah!” Zuo Yongjun’s voice was thick with anger.

Yang Zhao was so frightened that he was at a loss for words and said in a panic, “Secretary Zuo, it is my work that is not done properly, please criticise the secretary!”

“I’m telling you Yang Zhao, don’t give me any more sloppy remarks!” Zuo Yongjun almost roared, “Those two young men you identified as bandits are my nephews, you’re on your own! I’m rushing to Yuncheng right now, I’d like to see how you are pointing your guns at my nephews!”

Snap!

As soon as the words were finished, Zuo Yongjun hung up the phone, casually picked up his briefcase and walked out of the office in stride.

On the other hand, Yang Zhao suddenly felt a thunderclap in his head, and his whole face turned pale as he just stood there.

“Secretary Zuo’s nephew, it’s actually Secretary Zuo’s nephew!” Yang Zhao only felt a chill run through his body, he suddenly reacted, the nephew of Secretary Zuo, he actually sent someone to point a gun at them?

He had really stabbed the sky!

He shouted hysterically, “Stop it...! Put the guns down, put them down quickly!”

Luo Dong was stunned and then hurriedly said, “Yang? They’re all thugs.”

Speaking here, he lowered his voice again and said, “There’s also the 100 million investment from the Zhou Group

Who knows, before he could finish his words, he was interrupted by Yang Zhao: “Investment investment! You just know how to invest! Is your head in the water?”

Everyone was stunned and their faces looked odd!

Chapter 464

“Secretary Yang, you, how did you

 Luo Dong was almost dumbfounded by the scolding for a moment, not knowing how to react at all, he just looked at Yang Zhao in a dumbfounded manner.

But Yang Zhao is a cold snort, then turned his head, angry eyes: “Do you not hear what I said? Put down your guns immediately!”

Before all the policemen could react, Yang Zhao suddenly sank his face; “What, I ordered you not to move? Put down your guns immediately, do you hear me?”

“Put down your guns!” A policeman shouted after him and took the lead to put his gun away.

The other policemen all reacted at this time that Secretary Yang had indeed told them to put down their guns, and had heard correctly, they immediately put their guns away, but still looked at Ji Feng and Ji Shaolei, as well as Zhang Lei on the other side, with some caution.

“What’s, what’s going on?” Zhou Yuxia and the others were stunned, was this Yang Zhao out of his mind? Why did he give such a confusing order?

Could it be that he was going to compromise with the bandits?

At the thought of this possibility, Zhou Yuxia’s face turned red with anger, she turned her head fiercely and said angrily, “Sir Zhao, I think Yuncheng is not welcoming our Zhou Group to invest here, treating the bandits who took the police as hostages so leniently, this investment environment is really worrying!”

Zhao Yongshou was also in a panic, he dropped a sentence: “Please calm down, Mr Zhou, I’ll go and see what’s going on!” Then he immediately ran over and quickly came to his father Zhao Tie Min’s side.

“Dad, what’s going on, is Secretary Yang ready to compromise?!” Zhao Yongshou asked anxiously, “But General Zhou is angry and doesn’t intend to invest anymore!”

Zhao Tie Min was also a bit confused at this time, he shook his head slightly and said, “Calm down first, can’t you see that the mayor is being scolded in front of Secretary Yang?”

At this time, he will not go up to find bad luck, but his heart is also anxious, if Secretary Yang compromised with the thugs at this time, then the problem will all be exposed

“Second brother, it seems that the phone call you made worked, who did you call?” Ji Feng asked with a smile, and as he spoke, he didn’t let go of his hand, still clasping the policeman’s neck.

“The secretary of the Xishan Provincial Party Committee, Zuo Yongjun, used to go to Yanjing to pay a visit to your father, I also used to have dealings with his son, the relationship is still quite good!” Ji Shaolei said indifferently, at this time he was completely relaxed, while a ruthlessness in his heart emerged again, “****! Just now almost did not die at the gunpoint of these people, if today does not make a good mess, really sorry for this fright!”

Ji Shaolei’s words were to Zhang Lei’s liking, and he immediately laughed, “That’s right, that’s right, these people, they need to be cleaned up properly!”

These two guys who were bent on being playboys had mixed together, this time, there was really a hilarious sight Ji Feng looked at Zhang Lei, who had an excited face, and Ji Shaolei, who was gnashing his teeth, and then he was dumbfounded and lost his smile.

However, they did not know how shocked the policeman who was held by Ji Feng was at this moment.

These young people were actually in contact with the secretary of the provincial party committee, and from the sound of it, they didn’t seem to be overly respectful, what did this mean?

The policeman was not stupid, he naturally understood in an instant that these young people’s origins were perhaps too big to be feared!

His heart kept sinking, maybe today, he was really going to have bad luck!

At this time, Yang Zhao, the secretary of the municipal party committee, had already run to Ji Feng and the others, his forehead was sweating coldly, his clothes on his back had already been soaked with cold sweat, even in the middle of winter, the sweat still couldn't stop dripping down.

"A few people, introduce yourself, I am the secretary of the Yuncheng Municipal Committee Yang Zhao, I see, today's matter that what, may be a misunderstanding, or you first let go of this police comrade, otherwise the impact is somewhat bad." Yang Zhao cautiously and nervously weighed his words, afraid that he might overreact because of Ji Feng and Ji Shaolei, "What do you have to say, we can sit down and talk, what do you say?"

"I've been wanting to talk to you for a long time, but what happened?" Ji Shaolei snorted coldly, "Secretary Yang is very powerful, you didn't accept my report, instead you were in cahoots with those people, and you almost had to order a shooting! Tsk, really powerful!"

Swish!

Yang Zhao's cold sweat immediately came down, and his heart even cried out in anguish, that murderous Zhao Tie Min and Luo Dong, if it wasn't for them, how could he have disregarded Jiang Xinyu's face and directly ordered the arrest of people?

For a while, Yang Zhao was simply in a dilemma.

"Don't be silly!" Ji Feng casually let go of the policeman, resulting in the latter's body going weak and sitting directly on his buttocks, his face pale.

"Secretary Yang, I wonder if you, a public servant of the people who manages everything day by day, can spare so little time to take up my report?" Ji Shaolei asked mockingly, "Or do you think the materials I prepared are not detailed enough, or the procedure is not correct? In that case, do you want me to pass the materials to the Provincial Discipline Inspection Commission?!"

"Where! Where!"

Yang Zhao smiled bitterly, and in his heart, he even hated Zhao Tie Min and Luo Dong, as well as that director of the management committee, Zhang Zhi Yuan, and what Jiangzhou Zhou's group's representative, Zhou Yuxia himself was really killed by them this time!

In the official world, what are people most afraid of? Not afraid of the masses scolding, not afraid of others suing, but afraid of the leadership is not satisfied with you. As long as the leader is satisfied with you, not to mention what scolding, lawsuit, even the disciplinary committee to investigate, as long as there is a leader to protect, do not have to worry.

But if the leadership is not satisfied, even if you are more capable, and then a heart for the masses, do not want to rise half a step.

There is a good saying, the leader said you can, not also can. If the leader says you can't, you can't!

This is what happened to Yang Zhao at this time, his promotion had basically been decided, and the provincial leaders had basically nodded their heads through, only that the notice had not yet been issued, but at this juncture, he had actually stabbed the sky out!

Yang Zhao's intestines were all in remorse, but he didn't know what to say, because he had already done it, and it was useless to say anything now.

However, in the next moment, Yang Zhao acted in a way that fully demonstrated the sensitivity and absolute 'intelligence' that an official should have.

He looked at the faces of Ji Feng and Ji Shaolei, and then it dawned on him that the root cause was not in what he had done, but rather, what he was going to do next, and whether what he did would satisfy these two!

Yang Zhao took a deep breath and immediately said, "Several people, you are the ones who have been aggrieved today, and I have also been deceived by some people, but you can rest assured that I will definitely give you a satisfactory explanation."

He immediately turned his head and bellowed, "Zhang Zhiyuan, the director of the development zone management committee, Zhao Tie Min, the deputy mayor, and Zhao Tie Min's son Zhao Yongshou, all police officers listen to the order, take these three people down immediately!"

Everyone was stunned again, while Zhao Tie Min's three men only felt their heads explode, their eyes went black, and they almost fell headlong to the ground.

"Secretary Yang, you, what are you doing?!" Zhao Tie Min was shocked and angry, and couldn't help but yell.

"What am I going to do, do I have to explain it to you?" Yang Zhao waved his hand, fully displaying the majesty of a municipal party secretary, "These few people provided you with criminal materials, only to have you retaliate and almost shoot them down as thugs, how vicious is your intention!"

He turned to the police officers and said, "What are you waiting for? Take the suspect under control first and wait for further investigation!"

"Yes!" With a shout, everyone was stunned to find that the policeman who was originally held by Ji Feng and later sat down on the ground was the first to respond, and he didn't know where he got the strength from, he jumped up from the ground with a sudden jerk, quickly pounced on Zhang Zhiyuan, the director of the management committee, and with a flying kick, he kicked him to the ground, nimbly backhandedly held Zhang Zhiyuan and handcuffed him!

Ji Feng, Ji Shaolei, and Zhang Lei all stared at once, the three of them looked at each other with only one word in their minds – talent!

If such an extremely talented person was not in the officialdom, it would be a great loss to the officialdom of China!

It was with that policeman taking the lead that all the police officers reacted and followed Yang Zhao's instructions to arrest Zhao Tie Min and his son Zhao Yongshou.

Zhao Tie Min was in a state of shock and anger, pinned to the ground, roaring in rage, "Yang Zhao, you, you can't do this to me, I'm the deputy mayor, you can't do this to me!"

"I can't do this to you?" Yang Zhao laughed coldly, saying, "I can't do this to you even though you're dead on your feet? Do you really think you are the deputy mayor?"

You know, Secretary Zuo is on his way, if I can't take care of this before he arrives, my years of service as an official will have been in vain!

"Secretary Yang, you, what's wrong with you?" Luo Dong was also shocked and angry, walking two steps faster and lowering his voice, "Secretary Yang, didn't I say it was okay before, why are you suddenly"

Yang Zhao immediately interrupted him righteously and said loudly, "Mayor Luo, before I was hoodwinked by Zhao Tie Min and Zhang Zhi Yuan and others, they retaliated against the whistleblower but reversed black and white, and even wanted to order the shooting of the whistleblower, I am now promoting justice and upholding the dignity of the law, what, are you going to stop it?"

"You" This big hat was thrown at him, Luo Dong didn't even have room to retort, he was so angry that his face turned red, only after a long time did he nod heavily, "Good! Yes! But even if we are dealing with Mayor Zhao, that has to be done by the disciplinary committee"

He hadn't finished his words when his mobile phone rang, he looked at the number and instantly frowned as he picked up the phone, "Older brother"

"Pop!"

The phone in Luo Dong's hand fell to the ground, his face changed drastically, with a look of disbelief in his eyes, he looked at Ji Feng and Ji Shaolei who had a calm face, and then looked at the secretary Yang Zhao who had a righteous face, a rage that was enough to burn everything instantly rushed out from his heart.

Luo Dong immediately roared, "Everyone immediately comply with Secretary Yang's instructions, immediately escort Zhao Tie Min and the others to the nearby police station and keep them under strict supervision, while paying attention to protecting the informants, must not let them get hurt, otherwise, I'll dismiss him!"

All of a sudden, the field was dead silent, everyone was dumbfounded at the changes in front of them, only to feel dazzled and confused, so they could not understand!

Zhou Yuxia and the others, on the other hand, had their faces changed dramatically as they instantly realised that it seemed that things had gone beyond their expectations!

Chapter 465

"Yang Zhao, Luo Dong, you can't do this to me!" Amidst Zhao Tie Min's angry roar, and his son Zhao Yongshou's terrified pleas for mercy, the two were shoved into the police car.

Zhang Zhiyuan likewise did not escape being stuffed into the police car, only before he got into the car, he gave Ji Feng a resentful glance, this was the bastard that had broken both of his son's legs, the gnarly white bones bumped out, and he didn't know if they could be cured!

"Pop!"

Zhang Zhiyuan received a slap on his head, but it was the policeman who had been held by Ji Feng before, he cursed angrily, "What are you looking at, still wanting to retaliate?!"

Zhang Zhiyuan was so humiliated that his face turned pig's liver. He used to be the director of the tourism zone management committee and could do whatever he wanted in the tourism zone. When had he ever been humiliated like this?

But now, a small police officer dared to slap him, this was simply a great shame!

"I'll remember you!" Zhang Zhiyuan had just set one foot on the car when he coldly said, "I tell you, I have someone above me, as long as I don't fall down this time, I will definitely make you unable to stay in Yuncheng, not to mention the police, you don't even have to be a beggar!"

The policeman bared his teeth and smiled: "You have someone above you? Ha! Is it as big as the provincial party secretary?"

Seeing Zhang Zhiyuan's somewhat stunned expression, the policeman sneered, "To tell you the truth, do you know why I beat you up? Because the harder I beat you, the more likely I will go unpunished Know why Secretary Yang and Mayor Luo changed so quickly? You still don't know, do you? The thugs in your eyes have invited the secretary of the provincial party committee with one phone call, and you still want to come out? Wait to die you!"

Slap!

With another slap, he directly shoved Zhang Zhiyuan into the police car.

However, this time Zhang Zhiyuan didn't react in the slightest, just his face was incomparably pale and he just sat dumbly in the car, his face blank.

It was only when the policeman was about to close the car door that he suddenly asked, "You, are you telling the truth?!"

"Bullshit!"

The policeman said impatiently, "Otherwise, do you think I have nothing better to do than to be held hostage by others and still desperately work for them? Damn it, do you understand strength? They have strength, you're nothing!"

Boom!

In an instant, Zhang Zhiyuan was like being struck by five thunderbolts, his whole body was dumbfounded, his eyes were filled with despair, and his mouth even muttered, "How is this possible, how is this possible"

"Stupid bastard!" The policeman muttered disdainfully, "It seems that the high position is not good, ah, like me, a small minion, people may not even put in the eyes, hey, you can be different, before so wild, now people do not clean up you, and who?!"

Bang!

He closed the car door in a flash, then quickly ran to Ji Feng and Ji Shaolei, "Two gentlemen, I've already arrested Zhang Zhiyuan, please tell me what other instructions you have!"

The corners of Ji Feng's mouth were twitching, the corners of Ji Shaolei's eyes likewise jumped wildly a few times, the two of them were simultaneously feeling, this is really an extreme!

"You shouldn't have reported to us, you should have gone to your leader!" Ji Feng said with tears and laughter.

The policeman, however, said without a red face or heart, "The leader also said that he would give you two a satisfactory explanation, I am doing my job on the instructions of the leader"

"Okay, okay, I know what you mean." Ji Shaolei waved his hand and said, "Go about your business."

The policeman was instantly happy, he knew he was alright, at least the other side was just like he thought, people didn't take him into account at all, that was enough!

"This guy is really" Ji Feng shook his head and smiled, then, his face gradually sank again, and he walked with big steps towards Zhou Yuxia and the others who were not far away.

The two of them knew Ji Feng's temper very well, and they knew that this time Ji Feng was really annoyed.

In fact, they were not too clear about the role played by Zhou Yuxia in this matter, but Ji Feng had heard everything. Before, it was because he did not have the time to take care of Zhou Yuxia, but now that he had his hands free, he would never let this ignorant and arrogant woman go easily.

The next one, Zhou Yaling, subconsciously took a step back, then thought it was too humiliating and wanted to go forward again, but didn't have the courage, so it was embarrassing!

Zhou Yuxia, however, coldly lowered her face and fiercely stepped forward: "What are you doing?!"

"Slap!"

A slap fiercely slapped Zhou Yuxia's face, immediately hitting her with a stagger, and her whole body was a little dizzy.

Zhang Lei rubbed his hand and sneered, "Laozi usually never hits women, but how can I not swallow my anger if I don't hit you today, ignorant stupid woman, do you really think you're a princess?!"

Zhou Yang and Zhou Yaling, as well as their bodyguards, were shocked, and just when they wanted to make a move, they saw Ji Feng's cold glance sweeping by, they were scared and stiffened, but they didn't dare to move anymore.

The police officers lying on the ground just now, and the two legs of Zhang Zhiyuan's son's ghastly white bones, were still looming before their eyes, so who dared to move?

"You, you guys" Zhou Yuxia covered her face and looked at the three Ji Feng with resentment, coldly saying, "I'll remember this slap when you return to Jiangzhou"

"Back to Jiangzhou what?!"

Ji Feng's face was cold as he said in a deep voice: "You're just the daughter of a tiny mob boss, and you really think that everyone should be afraid of you? It seems like I should have just killed you yesterday!"

“You” Ji Feng’s morose words immediately made Zhou Yuxia’s heart tremble, and then she said in an annoyed voice: “Kill me? Heh, when you return to Jiangzhou, it is still uncertain who will die!”

Ji Feng, however, directly took out his mobile phone and, after thinking about it, dialed the number of Zheng Yuanshan, the deputy director of the municipal bureau. The last incident at the Jardine Mansion had given both Zheng Yuanshan and Ji Feng a way to contact each other.

Receiving Ji Feng’s call, Zheng Yuanshan couldn’t help but be a little surprised as he asked, “Ji Feng?”

“Director Zheng, it’s me, there’s no time to talk much, there’s something I still need to ask Director Zheng’s help.” Ji Feng said in a straightforward manner.

“Go ahead!”

Zheng Yuanshan was a member of Ji Zhenguang, the secretary of the municipal party committee, so he naturally took extra care of Ji Feng.

Ji Feng immediately quickly told what had happened to him in Yuncheng and asked, “Director Zheng, do you know anything about the Zhou Group and Zhou Yikun?”

Zheng Yuanshan immediately hummed, “Don’t know dead or alive! Originally we had the evidence in our hands and were planning to move Zhou Yikun, but to our surprise he was so impatient to find death” Wait for the news, twenty minutes at most.”

“So soon?” Ji Feng immediately froze.

“We have long arranged manpower around Zhou’s group, just to prevent Zhou Yikun from escaping, now it just comes in handy!” Zheng Yuanshan said.

“That’s really great!” Ji Feng laughed, “Thank you, Director Zheng.”

“You kid, in terms of seniority, you still have to call me uncle, no need to be so polite!” Zheng Yuanshan laughed.

Hanging up the phone, Ji Feng said indifferently, “No need to go back to Jiangzhou, I’ll let you know right now, who is dead!”

Next to him, Zhang Lei couldn’t help but ask in surprise, “Crazy, you’re talking to my second uncle on the phone?”

Seeing Ji Feng nodding, Zhang Lei smiled, “This time, that so-called Zhou Group, it’s going to be finished”

He heatedly laughed and looked at Zhou Yuxia, whose face had slightly changed, and sneered, “You really don’t know how to live or die, who don’t you want to mess with, you want to mess with the two great gentry of Jiangzhou, to say that you have eyes, I’m afraid there is no one in this world who is more blind than you!”

“The two princes?” Zhou Yuxia was stunned, then she remembered something and immediately widened her eyes, “You, you”

She suddenly remembered, this Jian An Group's boss, seemed to be called Ji Shaolei! And the secretary of the Jiangzhou Municipal Committee was called Ji Zhenguo, which

Zhou Yuxia immediately panicked: "You are Ji Zhenguo's son?!"

"Who I am, you don't deserve to know yet!" Ji Shaolei said coldly.

Zhou Yuxia was scared, if the other party was really Ji Zhenguo's son, then she would really be in big trouble!

She instantly screamed, "Run!"

Swish!

A belt directly jerked her to the ground, and Ji Feng coldly said, "Want to run? Ask the belt in my hand first!"

Today, he almost died at the gunpoint of those police officers, and Ji Feng's heart was full of murderous intent towards the few people who started this matter, how could he stand by and watch Zhou Yuxia run away? He would not do such a thing as to let the tiger return to the mountain.

Zhou Yuxia was lying on the ground with a painful look on her face, a bloodstain on her face, obviously being smacked quite lightly, but she did not dare to resist, her heart just kept sinking, she had actually messed with the number one son of Jiangzhou, this

Then she remembered the phone call that Ji Feng made just now, her heart was filled with despair.

"Ding" Zhou Yuxia's phone suddenly rang, she was just lying on the ground and hurriedly picked up the phone, a loud yell came from inside: "Yuxia, run, my side is not working, the group is also finished, the further you go the farther you go, the better ah!"

With a miserable scream, the phone was suddenly hung up.

Zhou Yuxia's whole body just froze there, her eyes full of despair, what exactly did she do ah!

Ji Shaolei immediately turned around and waved his hand at a few police officers, "There are some Jiangzhou criminals over here, arrest them first, the Jiangzhou police will deal with you!"

The policemen dared not listen and hurriedly went forward, handcuffing Zhou Yuxia and the three of them directly. Zhou Yang was so scared that he kept screaming and was slapped several times on the mouth by one of the policemen, and was immediately much more honest.

The obese woman, Zhou Yaling, took one look at the scene and didn't even dare to scream, she just shivered in fear and was arrested so honestly.

"No, no! I don't want to die!" Zhou Yuxia suddenly reacted and struggled to kneel down to Ji Feng and Ji Shaolei, but was stopped by the police, "Mr. Ji, I'm wrong, I really know I'm wrong, Mr. Ji, please spare me"

"Spare you? If I fell into your hands, would you spare me?!" Ji Shaolei suddenly laughed coldly, "Go to prison and reflect!"

Zhou Yuxia froze, her face pale, her eyes full of despair and remorse, how could she be so blind, not only had she dragged her father into this, even she had fallen into this situation, whether she could survive this time was still an unknown, remembering what she had done, and then looking at the cold-faced Ji Feng trio in front of her, she regretted to the point of death!

Zhou Yaling was even more scared and shivering, she could never have imagined that she would offend the big shots, at this moment, she no longer had the resentment she had before, her heart was filled with fear, her body strength seemed to be drained, her lips were shivering.

Zhou Yuxia and the others were taken away in despair, and the scene finally cooled down. When the police officers present looked at Ji Feng and the others again, there was a hint of awe in their eyes.

Yang Zhao and Luo Dong, on the other hand, were starting to get a headache, what should they do next to explain to these two gentry? And how should they explain to the provincial party secretary Zuo Yongjun?

Chapter 466

“Second brother, I’ll leave this outside to you first!”

Seeing Yang Zhao and Luo Dong coming over, Ji Feng immediately frowned slightly and said indifferently. For these two officials who were even more slippery than mud loaches, Ji Feng really did not have a half-hearted feeling, just now these two were not treating themselves in such an attitude, now they had such a good attitude, the reason was naturally self-explanatory.

Ji Shaolei said somewhat mushy: “I knew it, this kind of disgusting thing will definitely end up on my head line, who let me be a brother, go busy with yours!”

Ji Feng nodded and smiled, did not even look at Yang Zhao and Luo Dong, turned around and left with big strides.

Zhang Lei also stretched and yawned, laughing, “Aiya, this big winter, why are you so sleepy, alas, off to bed!”

Ji Feng and Zhang Lei both left, leaving only Ji Shaolei, Yang Zhao and Luo Dong, the latter two’s faces were a bit embarrassed, just now Ji Shaolei did not lower his voice when he spoke, Yang Zhao and Luo Dong naturally heard everything.

However, although embarrassed, Yang Zhao and Luo Dong two people can only pretend not to hear, this is the provincial party secretary Zuo Yongjun’s nephew, two people do today, is simply digging their own graves, now Zuo Yongjun is rushing to Yuncheng on the way, when the time if this youth add oil and vinegar in front of him, when they cry can not find the grave ah!

“That little brother, I don’t know what to call him?!” Yang Zhao lightly coughed, in his heart secretly said, just now he transformed the fastest, the so-called hand outstretched not to smile, think the other party to his own always can not have to pursue the end, right?

Yang Zhao smiled and said, “Yes, yes, I should introduce myself first, my name is”

“Your name is Yang Zhao, secretary of the Yuncheng Municipal Committee you’ve already said it once, I know!” Ji Shaolei interrupted him directly and asked indifferently, “I just don’t know what Secretary Yang has condescended to come, what is the matter?”

Yang Zhao was immediately embarrassed, he coughed dryly and said, “Little brother, I know you are indignant because of what happened before, but I was also hoodwinked by those two scum like Zhao Tie Min and Zhang Zhi Yuan, please don’t take offense!”

Ji Shaolei glanced at him and said indifferently, “If there’s anything, it’s better to wait for the left.”

Seeing Yang Zhao defeated, Luo Dong’s heart was immediately happy, he cleared his throat and was about to speak.

However, before his words could exit, he was blocked back by Ji Shaolei: “You should also stop talking nonsense, instead of talking about something useless here, why don’t you go and settle the matter of Zhao Tie Min and Zhang Zhi Yuan first!”

The two of them were startled at the same time, and then it dawned on them that they had to settle the matter completely before Secretary Zuo arrived, so that they could gain some good impression ah.

Otherwise, if an extremely bad impression was left on Zuo Yongjun, when the meeting was held to discuss the matter of promotion, Secretary Zuo only had to faintly say, “These two comrades are okay in ability, but they don’t have a big picture view!”

This one sentence is enough to end their political lives!

Yang Zhao and Luo Dong really did not dare to be the least bit careless.

“Secretary Yang, I’m a soldier under you, I’ll settle the matter of Zhao Tie Min and Zhang Zhi Yuan immediately!” Luo Dong wanted to rush ahead of Yang Zhao and said loudly at once.

Yang Zhao deliberated for a moment before saying, “Why don’t we go together, so that we can show how much importance we attach to this matter!”

Luo Dong immediately said, “I won’t bother Secretary Yang with this matter, I’ll go there now!”

Looking at Luo Dong’s back as he hurriedly left, Yang Zhao sneered in his heart, in a hurry to grab the credit, but forgot to even say hello to Secretary Zuo’s nephew before leaving, hey

“Really” Ji Shaolei also couldn’t help but sneer and shake his head disdainfully, “Such a person can also be the mayor?”

Next to him, Yang Zhao’s heart stuttered and he said in a panic, “In fact, Mayor Luo is still very capable, just sometimes he is a bit eager!”

Ji Shaolei looked at Yang Zhao and could not help but feel a pang of greed in his heart, none of these two people were good, but considering that Aunt Li Yueqin was still here and some things might trouble Yang Zhao next, he had to take a deep breath and force down the nausea in his heart.

“Secretary Yang, meet me, my name is Ji Shaolei, I come from Jiangzhou!” Ji Shaolei grinned, “Jiangzhou Municipal Party Secretary Ji Zhenguo, is my father!”

Boom!

Yang Zhao suddenly stiffened, his whole body froze in place, his eyes were a little lax, his mouth half smiled bitterly for a long time, "Hardly, no wonder! So it's Young Ji!"

As he said this, his heart was trembling, oh my god, what had he done before!

Ji Zhenguo's son, this is Ji Zhenguo's son!

Yang Zhao's heart trembled and his body was covered in cold sweat, no wonder Secretary Zuo was so furious, it turned out that this young man was actually the son of a national leader, this, this is really

The first thing you need to do is to get a good idea of what you are getting into.

When he thought of actually letting the police point a gun at him earlier, Yang Zhao almost couldn't stand up!

"Just call me by my name." Ji Shaolei smiled faintly, "I know that Secretary Yang was hoodwinked by today's incident, I will explain it to Uncle Zuo when he arrives."

"Thank you, young Ji, thank you, young Ji!" Yang Zhao was instantly as relieved as if he had eaten an ice cube on a June day, his body was incomparably soothed and he was so happy that he simply wanted to let out a loud laugh!

.....

"Phew...!"

Looking at the Yan Tong gift shop in front of him, Ji Feng could not help but feel apprehensive in his heart, what should he say next?

"Ji Feng, what are you doing standing around outside? Come in!" Seeing Ji Feng standing in front of the shop constantly hovering, but how come he didn't come in, Xiao Yuxuan suddenly pursed her lips and said in a soft voice.

"So what, it's that well, I'm coming in!" Ji Feng inked for half a day, but did not find anything suitable to say, he coughed dryly and asked hesitantly, "I just don't know if it's convenient!"

"Look at what you said!"

Seeing Ji Feng's silly look, Xiao Yuxuan suddenly puffed out a smile and hurried over to him, whispering in his ear, "When you guys were being pointed at gunpoint just now, Auntie Li was very nervous, if we hadn't stopped her, she would have rushed out She's going upstairs now, so hurry up and go in. "

Ji Feng was stunned, "Really?!"

"I can still lie to you, huh?" Xiao Yuxuan pursed her lips and smiled lightly.

This is what Ji Feng did not expect, he could not help but be silent, except that the mood that was still a bit apprehensive was suddenly calmed down, people treat me with sincerity, and why can't I treat people with sincerity?!

“This gentleman, please hurry in and have a cup of tea, I really don’t know what to say, if not for your help, my mother and I really don’t know what to do!” Li Yantong said with a coquettish smile and gratitude.

“.....”

Ji Feng opened his mouth, but he didn’t know what to say, as if there was something blocking his throat, and he couldn’t say a word.

Xiao Yuxuan and Tong Lei glanced at each other, smiled sweetly at the same time and walked to the door with understanding, leaving space for the two siblings.

“This gentleman, let me pour you a cup of tea!” The cold air blew in and Li Yantong felt a little cold, which made her think of pouring a cup of hot tea for the guest.

Ji Feng immediately came back to his senses and gave a somewhat flustered smile, “That’s nothing, I’m not thirsty, you, don’t get busy first.”

Li Yantong shook her head and laughed: “It’s okay if you’re not thirsty, have a cup of hot tea to warm up your body

Before she could finish her words, she was interrupted by Ji Feng, “Li, Li Yantong, don’t get busy first, I’m looking for Auntie Li for something, can you ask Auntie Li to come down?”

“Looking for my mum?” Li Yantong was stunned for a moment, then she smiled sweetly, “Then you can have a cup of tea here first, wait for a while, I’ll go get her.”

With a cheeky smile, she quickly poured a cup of tea for Ji Feng and ran upstairs.

Li Yantong’s heart was a little strange, she didn’t know what was going on, when she saw this young man, she felt a little affectionate, as if she was meeting her own family

Watching Li Yantong’s back disappear at the stairway, Ji Feng couldn’t help but smile slightly and mutter secretly, “It seems that this sister’s temperament is not bad, it’s not bad to have such a sister

“However, how should I say it?” Ji Feng couldn’t help but smile bitterly and scratch his head, if Aunt Li asked why he came, what should he say?

Just say

I want to see what my father’s first woman looks like? That answer is obviously a lot of bullshit! No, I should say it’s pretty underwhelming!

Or that they are afraid that you will suffer here and want to pick you up to enjoy your happiness?

This kind of contempt, they may not accept ah

“It’s a headache!” Ji Feng scratched his head vigorously, “Originally, I was prepared to say something, how come when I arrived at the front, I couldn’t say a single word instead?”

At this moment, a sound of footsteps came from upstairs, and Ji Feng suddenly came back to his senses and turned his head to look in a panic.

Li Yueqin was walking down with her daughter Li Yantong, one after the other, and it could be seen that Li Yueqin's expression seemed to be somewhat apprehensive, somewhat flustered, and moreover some other complicated emotions, in a word, only there was no joy!

Once he saw this, Ji Feng was suddenly relieved and his whole body was relaxed. His arrival had probably brought a lot of trouble to this poor mother and daughter, especially Auntie Li, who was afraid that she was even more apprehensive in her heart, right?

"Auntie!" Ji Feng secretly took a deep breath and immediately regained his composure and greeted with a smile.

"You, hello!" Li Yueqin looked a little flustered as he turned his head and said, "Yan Tong, you go greet those two girls first."

"Okay!" Li Yantong didn't have the slightest doubt and immediately smiled sweetly at Ji Feng before turning around and going to the door.

Only the two of them, Ji Feng and Li Yueqin, were left in the shop, and for a while, the atmosphere was a little awkward.

"Auntie, you should be Auntie Li Yueqin, right?" Ji Feng broke the calm and asked straightforwardly.

Li Yueqin's body immediately just trembled and she panicked, "You, we've been away for twenty-five years and you still chased us here can't you leave us alone?!"

Chapter 467

Ji Feng was stunned, and then he smiled bitterly.

It was true that his own impudent action had indeed brought great pressure, and even a hint of crisis, to Auntie Li Yueqin.

In fact, when you think about it, it is indeed true that if it were myself, I would definitely also be extremely wary, and one could even say that there would be a hint of hostility.

Taking a deep breath, Ji Feng sighed lightly, "Auntie, actually you don't need to be nervous, if I were here to deal with you, then I wouldn't have helped you before."

"Then what do you want to do?" Li Yueqin asked nervously.

These words kind of put Ji Feng in a difficult position, to say what he wanted to do, he really didn't have an exact answer.

After thinking about it for half a day, Ji Feng could only say, "Auntie Li, actually the thing is like this, I only learned a few months ago that I might have another half-brother or sister to tell you this, don't ever think I have any bad intentions, I just"

Carefully and cautiously weighing his words, he sighed softly, "To say it, you may not believe it, I am indeed Ji Zhenhua's son, there is nothing wrong with that. But the first time I met my father was actually just a few months ago less than a year anyway! It was also at that time that I learned that there was still you!"

“How is that possible!” Li Yueqin immediately exclaimed, Ji Feng’s meaning she certainly understood, it was less than a year since she first met his father, but the Ji Feng in front of her should have been twenty years old which meant that Ji Feng had probably never met his father since he was a child!

Ji Feng smiled bitterly and spread his hands: “What’s impossible about that? Things are indeed like this, I’m not in the habit of lying!”

“Then your mother” Li Yueqin asked hesitantly.

Ji Feng rubbed his nose and smiled bitterly, shaking his head, “Things are not like what you think, just because”

Ji Feng coughed dryly and just roughly said some of the things that his little uncle had told himself once, simply and clearly, before finally saying, “That’s probably how things are, it should be a little different from what you think.”

He knew, of course, that as soon as he had said it, Li Yueqin seemed to have misunderstood, thinking that her mother, Xiao Su Mei, had been driven out by the Ji family just like her, but in reality this was naturally not the case.

Li Yueqin nodded slightly and sighed softly, “So that’s how it is”

“To put it simply, I came this time because I don’t want to see you guys continue to live this kind of life, because this kind of life was experienced by me and my mother a year ago, and I know how hard it is” Ji Feng sighed lightly and said, “Auntie Li, you have to believe that I really don’t mean any harm”

“I know!” Li Yueqin suddenly said.

Ji Feng was stunned, “Ah?!”

Li Yueqin sighed lightly and said, “People’s eyes don’t lie, and your eyes are the same When I look at you, although you are a bit sad, you are not a bad person.”

After a pause, Li Yueqin added: “What’s more, neither Yan Tong nor I can pose a threat to you, and there’s no need for you to spend so much effort and come all the way here specifically for me this”

Ji Feng instantly smiled, “Auntie Li is really wise, it seems that all things in the world are learned, indeed.”

Once things were said, the wariness in Li Yueqin’s heart was also much less. She smiled faintly and said, “Your name is Ji Feng, right, how did you know we were here?”

Ji Feng laughed, “Looking!”

Li Yueqin was suddenly silent, Ji Feng’s simple two words, the hardship of which she could more or less know, she was hiding in this Yunshan tourist area in Yuncheng, if really deliberately looking for it, it would be too difficult to find.

This shows that Ji Feng really has a heart.

Of course, Li Yueqin would not believe in Ji Feng so easily. To say that a person would have sympathy and pity for their suffering, Li Yueqin naturally believed in it. However, if it was said that Ji Feng had come all the way here to look for her and her daughter just because of this reason, she would not believe it.

It was not because Li Yueqin was suspicious, but because of her experiences over the years and the trials and tribulations of life, she did not dare to trust anyone easily, not even Ji Feng, who still had good reasons to do it to her mother and daughter.

Therefore, Li Yueqin only gradually dealt with Ji Feng, but never went too far into this topic.

In short, there was only one sentence: the wariness in her heart had not been completely removed.

Naturally, Ji Feng could see this, but he did not feel the slightest displeasure in his heart, he just could not help but sigh lightly, it was because of the trials and tribulations of life that Li Yueqin's wariness was always there, this could not be blamed on her, only on this f*cked up world!

In fact, seeing Li Yueqin, and not knowing what was going on, Ji Feng would always involuntarily think of his mother. Perhaps, both of them were so relentless in protecting their own children at this point.

Thinking of this, Ji Feng stopped beating around the bush and said bluntly, "Auntie, I'll just say it directly, you and sister are no longer suitable to continue living here, I want you to go back with me."

Ji Feng's cry of sister made Li Yueqin's heart tremble, but she immediately shook her head, "No, no need, me and your sister and I are living very well here, besides, the people who bullied us, you have helped teach them a lesson, and no one will dare to bully us again in the future"

Before she could finish her words, she was interrupted by Ji Feng: "Auntie, even if you don't think for yourself, you should think for your sister, right?"

Li Yueqin was suddenly speechless, yet, in her heart, she did not want to go back with Ji Feng because she really did not want to be involved in the strife of the big families again.

She and her daughter were both ordinary people, especially her daughter, who was even softer at heart. In that kind of big family of people**, they would not be able to survive at all and would definitely end up being eaten without even bones left, so how could Li Yueqin watch her daughter jump into the fire?

But when you think about Ji Feng's words, it is not without reason, if you insist on staying here, your daughter will definitely not feel at ease even if she goes to graduate school in Jinling

For a time, Li Yueqin was caught in a dilemma.

"Let's put it this way, since it's hard for auntie to make a decision, there's no rush first." Ji Feng smiled faintly, "I think that by now, my sister should also know the truth of the matter, why don't we ask her opinion first, what does auntie think?"

"This is fine." Li Yueqin finally nodded her head, for no other reason than for her daughter to have a good life.

Ji Feng smiled and stood up, saying, "Auntie, then let's go ask sister's opinion first!"

.....

“Yu, Yu Xuan, what you just said, is all true?!” Li Yantong’s flowery face lost colour and her voice trembled a little, “Ji Feng and I, are we really siblings?”

“Yan Tong, you think I have to lie to you, right?” Xiao Yuxuan couldn’t help but smile sweetly, “If you weren’t siblings, how could Ji Feng have been so angry when those people bullied you before? Besides, I’m sure you must have already felt that you and Ji Feng’s looks, really look alike!”

Li Yantong’s expression was very complicated, she said with difficulty, “I, I don’t know this matter is too sudden after all, I don’t know what to say

In her heart, however, it dawned on her, no wonder she felt so affectionate when she saw Ji Feng, it turned out that he was actually her brother!

Xiao Yuxuan and Tong Lei glanced at each other, Tong Lei said softly, “Sister Yan Tong, you know what happened to Ji Feng, in fact he came to you guys, he really didn’t want you to be bullied at will again like he used to be Think about it, if we hadn’t arrived in time today, what would have happened?”

Li Yantong just shook her head slightly with a complicated expression, but she didn’t know what to say.

“Yan Tong, actually Ji Feng really wants you guys to go back with him, you should think about auntie even if you don’t think about yourself!” Xiao Yuxuan said softly, “No matter what auntie does, she is always just a woman’s family, it is definitely not that convenient, moreover, it is definitely more difficult for a woman to do something than a man

“I promise you!” Li Yantong said immediately.

“What?!” Xiao Yuxuan and Tong Lei didn’t react for a moment.

“I’m willing to go back with you guys, but, I won’t go to Yanjing, let alone Jiangzhou, I’m going to Jinling.” Li Yantong shook her head, “I can’t let my mother go to Yanjing either, otherwise, she will definitely be bullied

“You plan to let auntie go to Jinling with you?” Tong Lei asked.

Li Yantong nodded her head slightly and said, “Mm! That’s what I plan to do!”

Xiao Yuxuan and Tong Lei glanced at each other and smiled heartily at the same time.

At this time, Ji Feng and Li Yueqin happened to come out of the shop, and Li Yantong immediately greeted them, “Mom

She looked at Ji Feng again and opened her mouth, but didn’t know what to say.

“Sister!” Ji Feng smiled faintly and added, “Sister!”

Li Yantong’s nose instantly sank and tears rustled down her face, she choked for a long time before saying softly, “Little brother.”

Ji Feng instantly smiled even brighter, “Sis, come back with me, I know you’re still studying for graduate school, so keep studying, you can do whatever you want, don’t stay here anyway!”

"I plan to go to Jinling, it's just that I came back early, I don't know if my tutor will blame me!" Li Yantong said softly.

Ji Feng instantly laughed, "Sister, since that's the case, then we'll accompany you on a trip to Jinling, and by the way, ask that tutor if my Ji family's eldest young lady, can still continue her studies!"

Li Yantong suddenly blushed slightly and broke into a smile, "What nonsense, the tutor is very nice!"

She still couldn't get used to the status of being the eldest miss of the Ji family, with her meek and docile personality, she was naturally a little uncomfortable with Ji Feng's slightly domineering tone!

Seeing her daughter's appearance, Li Yueqin couldn't help but sigh lightly in her heart, there was no need to ask anything, her daughter's expression already said everything blood is thicker than water ah!

But also do not know, in the future, when the daughter is bullied, Ji Feng will really protect her

Chapter 468

"San'er, is it all done?!" Seeing Ji Feng and the others come out of the shop together, Ji Shaolei immediately greeted them with a smile and asked with a laugh.

Yang Zhao, who was next to him, was stunned and immediately asked, "Young Ji, these are"

Ji Shaolei bristled and said, "And this one, is my cousin! This is our aunt and Yan Tong, right? This is my sister!"

Yang Zhao immediately froze, and then his body was covered in cold sweat, his back was even cold sweat, this is really Zhang Zhiyuan and the others are really discerning, looking for death are so accurate, messing with whom is not good, actually dare to mess with Ji Shao and his family ah!

"So it's Mr. Ji and Miss Ji, and this lady!" Yang Zhao hastily greeted, his heart was really tired, those damned things had provoked others, but he had to stay to make amends, at this moment, Yang Zhao had the heart to scrape Zhang Zhiyuan and Zhao Tie Min alive.

Li Yueqin, however, said awkwardly, "No, no, no! I am not"

Not to mention the woman's reserve, just the current situation alone, Li Yueqin was very embarrassed. Ji Feng was watching right next to him, his mother was Ji Zhenhua's wife, where would she be any kind of lady

"Secretary Yang is it, there is something you need to help!" Ji Feng said indifferently.

Yang Zhao was stunned, and then said, "Please say what Mr. Ji has to say, as long as I can do it as long as it's within my remit, I won't be ambiguous!"

In his anxiety, Yang Zhao could not help but be a little incoherent, he reminded himself at all times in his heart that these young people in front of him were not ordinary people, but relatives of the secretary of the Jiangzhou Municipal Committee, and they were all close relatives.

The first thing you need to do is to talk to them as casually as you talk to the people, and even more so as casually as you talk to your subordinates, or else once the word gets out, you're really asking for trouble!

Ji Feng also did not care about his speech sickness when he spoke, with this kind of people, he could not even raise his polite mood, he just said indifferently: "First, my aunt's account issue, she wants to move out of here, please bring up her account. Secondly, as the parties involved, we want to see to our faces what punishment those miscreants who have done wrong will actually receive!"

Upon hearing just these two requests, Yang Zhao immediately nodded his head without saying a word, "No problem, no problem! It's the right thing to do! Sir Ji, right now Zhao Tie Min and Zhang Zhi Yuan and the others, they are being arranged at the police station in the tourist area, we can go over here Oh, by the way, Mayor Luo has already gone ahead to deal with them."

"Humph!" Ji Feng gave a non-committal hum and said, "In that case, then please also ask Secretary Yang to lead the way in front, we don't know the road!"

At these words, Li Yueqin and Li Yantong were instantly nervous, the one in front of them was the secretary of the municipal party committee, how, how did Ji Feng dare to say that he should lead the way!

In Li Yueqin's and Li Yantong's eyes, people like Yang Zhao were high and mighty, too distant from their lives, and even when they saw him, they were respectful and did not dare to offend him.

You know, even a small director of the tourism district management committee would dare to bully them at will, not to mention a big shot like the secretary of the municipal party committee?

"Little brother, don't talk nonsense!" Li Yantong glanced at Yang Zhao in front of her somewhat nervously and gently pulled Ji Feng's sleeve, "Apologize quickly!"

Ji Feng, however, only smiled faintly and gave her a reassuring look. And in his heart, he was happier than anything, blood is thicker than water, after all!

Li Yantong was nervous, and Li Yueqin was also a bit nervous, but to their surprise, Yang Zhao did not look the least bit angry, but nodded his head with a smile, "Good! Good! I'll lead the way in front, please follow us!"

Li Yueqin and Li Yantong were stunned, they couldn't even believe their eyes, that mad dog Zhang Zhiyuan, the director of the management committee, had to be submissive in front of Yang Zhao, but Ji Feng spoke to him like that, and he actually didn't get angry?!

In fact, they naturally did not know that where Yang Zhao dared to have half a fire at this moment!

If it was an ordinary person talking to Secretary Yang like this, he would have been furious already. But Ji Feng was different, not to mention that he had already angered Ji Feng and the others before, even under normal circumstances, Yang Zhao wouldn't dare to be angry with Ji Feng!

Who was Ji Shaolei's father? That is the secretary of the Jiangzhou Municipal Committee, Ji Zhenguo, a leader!

Even if Ji Shaolei didn't have any power, but in China, nepotism was so important that no one who was in the official world, unless they were idiots, didn't know this!

Under such circumstances, Yang Zhao did not say that he wanted to please Ji Feng and Ji Shaolei, at least he wanted to maintain a more friendly relationship with him!

And now, he even had to improve his relationship with Ji Feng and Ji Shaolei.

"A few of you please follow me!"

Yang Zhao smiled politely and quickly walked towards his number one seat.

Li Yueqin and Li Yantong couldn't help but be stunned as well, not expecting Yang Zhao to behave in such a manner.

Li Yueqin was better off, after all, she knew how powerful the Ji family was in Yanjing, and although she was a little surprised to see the local municipal party secretary being so polite even after seeing Ji Feng and Ji Shaolei, she was not too shocked.

However, Li Yantong was different, she had no idea about the power of the Ji family, at this moment, seeing that Ji Feng had actually subdued a municipal party secretary with a few words, she was stunned beyond belief.

"Let's go!" Ji Feng shook his head and smiled.

.....

Yunshan Tourist Area Police Station, interrogation room.

Zhang Zhiyuan's face was incomparably pale, his hands were handcuffed upside down behind the chair, and his whole body was like a puddle of mud, sitting softly on the chair, and his forehead was even sweating coldly.

Out of his mouth, he was muttering, "This can't be, this can't be"

The two policemen sitting behind the table opposite could not help but look at him with pity. These two policemen were both police officers of this police station, they naturally knew how powerful this director really was in the tourist area, it could be said that he could turn his hand into clouds and turn his hand into rain!

But now, he has become a prisoner, and he has even become delirious, so he is really pitiful

"What should we do?" One of the policemen asked.

Another policeman bristled, "We can't do this kind of work, we can only leave it to the mental hospital!"

"You're thinking good thoughts!" The first policeman snorted, "A mental hospital is so nice, you can eat, drink, live and play. I think ah, eighty percent will arrange for him to go to the prison mental hospital"

The two people immediately looked at Zhang Zhiyuan with some pity, and secretly brushed their mouths, it's better not to be too bad, don't look arrogant and unbeatable when you are in power,

flaunting your power, but once you lose power, you can't even be an ordinary person, the ending is really miserable!

In another interrogation room, Zhao Tie Min's face was even paler, but he was fortunate enough to be sober. Opposite Zhao Tie Min, sat the mayor, Luo Dong.

"Zhao Tie Min, you should know what you have done, right?" Luo Dong's face was cold as he said in a deep voice: "Those things you have done, you'd better give an honest account and not involve others, otherwise, this won't do anyone any good, don't you think so?"

Zhao Tie Min sneered, "What do you mean, don't involve others, is it not because you, Mayor Luo, saw that you had offended the wrong people that you came to pretend to seal my mouth? I just don't know, what's the big deal, it was me who ordered the shooting, and you and Yang Zhao just agreed to the proposal Oh, what you're afraid of is probably letting others know that you agreed to the proposal, right? Hahahaha"

Luo Dong suddenly had a Yin face and coldly snorted, "Zhao Tie Min, you'd better recognize the situation clearly, based on those incriminating evidence on the reporting materials, you and your son, prepare to spend the rest of this life in prison However, I remember you still have a daughter and a wife! "

Swish!

Zhao Tie Min's face suddenly changed and he said in a stern voice: "Luo Dong, if you dare to mess up, I will not spare you even if you die!"

"That depends on whether you are cooperating, my Mayor Zhao!" Luo Dong smiled YinYin.

Zhao Tie Min's face turned blue and he gritted his teeth, "You're so despicable!"

Luo Dong smiled lightly, "Aren't you despicable? We are all the same, no one should say anything about anyone!"

"Well said!"

A voice suddenly pierced through.

Luo Dong was instantly furious: "Didn't I say that no one was allowed to come in? Get out!"

He turned around sharply, but the anger on his face suddenly stiffened on his face, and his whole person became terrified, his lips trembling: "Zuo, Secretary Zuo?!"

Luo Dong instantly went limp in his chair, panicking, "Secretary Zuo, you, how did you come here?"

"I can't come?" Zuo Yongjun stood in the doorway and asked coldly. Beside him, the secretary was looking furious, he had already warned Luo Dong before, but unexpectedly the latter was still so ignorant and did such a stupid thing.

He cursed a foolishness, if Luo Dong didn't usually give him a lot of benefits, he wouldn't have tipped him off, but this time, Luo Dong was caught red-handed, if Secretary Zuo knew what he did

“Luckily I came straight here, otherwise, I really can’t imagine that the head of a city in the hall can say such things!” Zuo Yongjun said angrily.

Luo Dong’s lips trembled straight away, but he could not say anything.

“Secretary Zuo, I am also at fault in this matter, I, I review it to you

Luo Dong was stunned, and only then did he realize that outside the door of the interrogation room, Yang Zhao and Secretary Zuo’s two nephews, were both here.

It’s over!

Luo Dong only felt his eyes go black and he fell headlong from his chair.

Chapter 469

Seeing Luo Dong’s scandalous appearance, Ji Shaolei couldn’t help but grunt. ()

Ji Feng, however, turned back and asked, “Where is that Zhou’s group guy?”

In fact, there was actually no big conflict between this Luo Dong and Ji Feng, just an official who disregarded the lives of others for the sake of his political achievements, far less hateful than Zhang Zhiyuan’s stream.

The most important thing for Ji Feng to worry about is, of course, Zhou Yuxia of the Zhou Group. Especially the arrogant and unbeatable Zhou Yuxia, and Zhou Yaling, who has an inferiority complex but is trying to maintain her dignity.

But it was not because of these two that Ji Feng wanted to see them now. After all, they had become prisoners and were two ignorant women, and meeting them, even if he humiliated them ruthlessly, would not give Ji Feng half a sense of achievement.

He wanted to see the people of the Zhou Group, in fact, his main purpose was to see that Zhou Yang!

Zhang Lei had told him unmistakably before that one of the two young rascals involved in molesting his sister Li Yantong yesterday was Zhou Yang! And the other one, was the son of Vice Mayor Zhao Tie Min, Zhao Yongshou!

These two people, Ji Feng wasn’t going to let any of them go!

Hearing Ji Feng’s question, a policeman immediately said with a smile, “They are in the other interrogation room, a few of you please come with me!”

Ji Feng turned around, nodded slightly at Provincial Party Secretary Zuo Yongjun and smiled, “Uncle Zuo, you go ahead and get busy, I’ll be right there!”

“Go on!” Zuo Yongjun nodded, of course he knew what Ji Feng was going to do, this could be seen from the cold aura flickering in Ji Feng’s eyes from time to time, this kid was fierce in his heart!

Ji Feng gave a wink to his second brother, Ji Shaolei, and told the latter to stay here with Zuo Yongjun, while he took his sister Li Yantong’s hand and said in a low voice, “Sister, come with me!”

Li Yantong was stunned, and immediately whispered cautiously, “This isn’t very good, is it?”

She really didn't know where her little brother got the guts from, the secretary of the provincial party committee was still here, what kind of person was that? He was a big shot who could only be seen on TV, someone who spoke on the news and gave directions!

Now if one and others just rashly left, wouldn't it be too disrespectful?

Ji Feng laughed: "It's fine, you don't need to treat him like a provincial party secretary, just treat him like an ordinary elder Your father's official position is even bigger than his!"

Li Yantong was stunned.

Ji Feng then laughed: "Oh, it's also my father, for a while it's still a bit not quite right, huh"

Seeing Ji Feng's naive smile, Li Yantong could not help but purse her lips, her nervous mood was quite relaxed, and she did not have the original kind of apprehension.

Ji Feng also smiled and said in a low voice: "If you are used to seeing these big shots, you will find that they are actually not as scary as you think Besides, people should be afraid of you, you don't need to be afraid of others!"

"Got it!" Li Yantong said with a light smile while being pulled by Ji Feng towards the other interrogation room.

Li Yueqin was also in the crowd, seeing her daughter getting closer to Ji Feng, she was both happy and a bit worried, she didn't know if everyone in that big family was as good to her daughter as Ji Feng was!

What he wanted to do now was to take his sister and go and fix Zhou Yang and Zhao Yongshou, these two bastards must pay for what they had done before!

And more importantly, Ji Feng actually had another layer of meaning in doing so, that was to make his sister understand that her current status was no longer that Li Yantong who could be casually bullied, but the eldest miss of the Ji family.

After this short time together, Ji Feng realized that his sister Li Yantong's Xing is really to put it nicely, too gentle and quiet, almost uncontested with the world, if not to put it nicely, it is too weak, anyone dares to bully her.

How will Ji Feng tolerate it?

Led by that policeman, Ji Feng and the two of them soon arrived at an interrogation room at the end of the corridor. Through the glass window outside, they could see that Zhou Yang was sitting inside with his hands handcuffed with fear on his face, and two other policemen were questioning him.

Ji Feng directly pushed the door and walked in, took out cigarettes from his pocket and handed them to the two respectively, smiling, "You two police comrades have worked hard, why don't you go next door to have a cigarette and a cup of tea?"

The policeman who brought Ji Feng and his colleagues in immediately winked at the two colleagues, who immediately understood and immediately smiled, "That's fine, that's fine!"

"You, you guys"

Zhou Yang was immediately a bit scared, he had seen Ji Feng's great power, at this time, seeing that the police had all gone out, leaving him alone in the interrogation room, he was immediately panicked beyond belief, if Ji Feng made a move against him, who could help him?

"There's no need to call, no one will come!" Ji Feng said indifferently, at this moment, he suddenly experienced the feeling of a dude and understood, in the past, how he felt when he was locked up and those dudes flaunted their power.

Everything was under control, no one dared to come and stop it, this interrogation room was his world!

Ji Feng couldn't help but slightly shake his head, no wonder everyone was willing to be a dude, it felt quite good.

Zhou Yang, however, was terrified, of course he saw Li Yantong who was following Ji Feng and instantly understood what was going on. He had molested someone yesterday, and now her backer was here, this was revenge!

"This, this young lady, yesterday was my fault, I deserve to die, you, just forgive me!" Seeing Ji Feng's unkind gaze, Zhou Yang panicked and begged for forgiveness.

Li Yantong, however, was still a bit scared, the way Zhou Yang had flaunted his power with a few bodyguards yesterday had given her a very deep impression.

Ji Feng pulled his sister Li Yantong over and laughed, "Sister, there's really nothing to be afraid of, look at these people, they usually flaunt their power when they are in power, but in fact they are just strong on the outside, they are all straw bags. Take this man for example"

Bang!

He kicked Zhou Yang to the ground with a chair and sneered, "Sister, see, what's so scary about him? He's just a pathetic wretch, without those bodyguards around him, he's nothing. In terms of physical skills, he's no match for me, and in terms of family history, father can stomp his Zhou family to death with the stomp of his foot, are you still afraid?"

Li Yantong looked dumbfounded, she had heard of such theories, but she had never been the one being bullied, now the situation had actually reversed a hundred and eighty degrees, she had actually become the one on top, this made her very uncomfortable!

"Ah!" Zhou Yang lay on the ground, groaning in pain, Ji Feng's kick had landed right on his stomach, causing his internal organs to ache violently.

However, compared to the fear in his heart, the physical pain was nothing, what he was most afraid of was that Ji Feng would directly cripple him here.

The broken legs of Zhang Zhiyuan's son, and the white bones that were still attached to the blood, that horrible scene made Zhou Yang shudder at the thought of it, if that happened to him

The actual fact is that you can find a lot of people who are not able to get a lot of money from the internet. Go kick him twice and take out your anger."

Li Yantong shook her head in panic, by nature, she was a kind-hearted person, although she and her mother were often bullied, but was unable to see others being bullied, and she personally would not go and bully others.

What's more, Zhou Yang had left too deep an impression on her, making her more or less still a bit scared.

Ji Feng immediately scratched his head a little, Li Yantong's Xing character is also really too soft, with such a gentle sister, he really did not know whether to be happy or worried, her such Xing character, in the future to society will certainly be at a disadvantage.

However, after thinking about it, Ji Feng was relieved, with himself around, how could he possibly let her suffer?

When he thought of this, Ji Feng shook his head and said, "Forget it! Since sister can't bear to beat him up, let's go back, anyway, the Jiangzhou side has already caught his father Zhou Yikun, so I don't think there's any possibility of him turning over."

Li Yantong immediately nodded in a panic, "Little brother, let's go then!"

Ji Feng instantly laughed bitterly, but he could only let her pull himself along and walked out of the interrogation room.

"In the future, I must take my sister back to Jiangzhou, or take a trip back to Yanjing, so that she can see the power of the Ji family with her own eyes, otherwise, she will never be strong." Ji Feng secretly pondered, his sister's Xing is really too tame, this can't go on, he can't protect her twenty-four hours a day, right?

After leaving the interrogation room, Ji Feng found that Zuo Yongjun and the others had also come out, and Luo Dong was following behind with a grey face, apparently he had been reprimanded badly, and his future was very bad, at least the promotion was yellow.

"San'er, come and meet Uncle Zuo!" Ji Shaolei waved his hand next to him.

Ji Feng then walked over with Li Yantong, smiling, and he politely smiled, "Uncle Zuo, I'm sorry for bothering you to make a trip yourself!"

"You kid don't need to be polite to me." Zuo Yongjun waved his hand and said, "It's me, Uncle Zuo's, who didn't take good care of your sister and the girls it should be me who says sorry."

Ji Shaolei laughed beside him, "Then it's like canceling each other out, Uncle Zuo, this trip can't be for nothing, I think this way, I'll be the host today, as a thank you to Uncle Zuo, what do you think?"

"Well, I heard that you kid has become a company boss, then I won't push back!" Zuo Yongjun smiled slightly at once.

Ji Shaolei also followed suit and smiled.

Ji Feng was secretly observing from the side and had to secretly nod his head in admiration. Although the second brother was jumpy and had a big grin, he was indeed quite dignified when it came to socializing and dealing with people, and he was very decent in what he did and said.

It seems that I still have a lot to learn!

The company's main business is to provide a wide range of products and services to the public.

The group got into the car separately, Zuo Yongjun was invited by Ji Shaolei to do Ji Shaolei's Mercedes Benz off-road, Yang Zhao also cheekily followed, this for him, but the most sought-after opportunity, whether Zuo Yongjun or Ji Shaolei, if you can get on the line, it can be no less than a great opportunity.

The first thing that happened was that Ji Feng drove a business car with Xiao Yuxuan and Tong Lei, Li Yueqin and her mother and daughter, and a drowsy Zhang Lei in the passenger seat, and the group went straight to Yuncheng.

The funny thing about Ji Feng is that this time there was no mayor Luo Dong's share of the meal, after all of them got into the car, only he was left standing alone in front of the police station, his face pale as he watched the convoy leave, as if his strength had been instantly drained, he fell limp on the ground

Ji Feng was unaware that while they were away, there were several other people in the interrogation room of the police station, also sitting on chairs like a puddle of mud, their faces pale!

Chapter 470

Sitting in the interrogation room, Zhou Yuxia and Zhou Yaling were actually only separated by a wall, but they did not know that the other was right next door to them.

The interrogation room was completely airtight, except for a transparent piece of glass on the wall by the door.

Zhou Yuxia and Zhou Yaling were both pale and their hearts were filled with fear.

In fact, strictly speaking, these two women were both seeking death themselves.

Zhou Yaling in particular was, as Ji Feng had said, a pitiful woman.

Her pity was not caused by others, but she had asked for it. This was the so-called pitiful person who must be hated. She had been damaged in her dignity with Zhou Yuxia and the Zhou family, so she presumed to get it back on others, but she had provoked Xiao Yuxuan.

The first thing that happened was that Zhou Yuxia, who was used to being domineering, would not allow anyone to offend the Zhou family, but ended up messing with Ji Feng's sister, Li Yantong.

In that case, how could Ji Feng let them off?

What's more, these two women were so arrogant that they wanted to kill people. Li Yantong's mother and daughter were living on such a small shop, and those so-called joint law enforcement officers had directly closed the shop, which was undoubtedly to put Li Yantong's mother and daughter to death.

However, Zhou Yuxia and Zhou Yaling did not realise what they had done wrong.

The fear in their hearts at this moment was entirely due to the fact that they felt they had pissed off someone they shouldn't have, offended someone big, and that this had dragged the Zhou family down with it, causing the entire Zhou Group to collapse in an instant.

They did not think that even though they had offended Ji Feng, who did not intend to be ordinary with them in the first place, their ruthlessness had brought them a great disaster.

Perhaps in Zhou Yuxia and Zhou Yaling's hearts, there was no such concept as ruthlessness. In Zhou Yuxia's view, as the eldest lady of the Zhou family, she deserved to be held in the heart and praised every day, not allowing anyone's offense.

And in Zhou Yaling's view, apart from the Zhou family, who she did not dare to mess with, anyone else had to look at her face and be short of her, even if they dared to speak to her loudly, this was an offence to her.

“Bang!”

The two interrogation room officers closed the folder one after another and said to the police officers watching the door, “Lock them up first!”

Zhou Yuxia and Zhou Yaling suddenly fell limp on the floor, they both knew that this sentence was actually like a final declaration of death, and that in the future, they would at least have to spend their days in prison.

Zhou Yikun had started out as a small-time gangster over the years and had become a big leader on the Jiangzhou Road, so he naturally had a lot of blood on his hands, and Zhou Yuxia had also crippled people for some very minor things.

Zhou Yaling, on the other hand, had equally unclean hands.

Perhaps, it was really like what Ji Feng and Ji Shaolei had said, that these two people would really have to go to prison for the rest of their lives to reflect.

As for the results of Zhao Tie Min and his son Zhao Yongshou, Yang Zhao, the secretary of the Yuncheng Municipal Party Committee, who was sitting in the Mercedes Benz SUV, whispered to review: "Secretary Zuo, I really didn't expect Vice Mayor Zhao Tie Min to collude with Zhang Zhi Yuan, and these two, for their own selfishness, went so far as to heartlessly shoot the informant to death."

Seeing that Zuo Yongjun didn't say anything, Yang Zhao was a little apprehensive in his heart and said stiffly, "Secretary Zuo, when we go back I will immediately convene a meeting to urge the judiciary to investigate Zhao Tie Min and Zhang Zhi Yuan's deliberate murder and other crimes as soon as possible!"

Hiss...!

The secretary of the provincial party committee sitting in the passenger seat could not help but suck in a breath of cold air, this one sentence, could set the matter to X-ing ah.

Intentional murder, as well as other crimes This is ready to take the lives of Zhao Tie Min and Zhang Zhi Yuan ah!

The secretary couldn't help but have a few wild jumps at the corners of his eyes, the afterglow of his eyes glanced at Yang Zhao and said in his heart, no wonder his own hometown Luo Dong was no match for him, this guy, he's definitely a ruthless person!

However, Yang Zhao's proposal seemed to be very much to Zuo Yongjun's liking, and he nodded slightly and said, "We have to do it as soon as possible! How about this, you now have the Yunshan Tourist Area Police Station transfer all the people to the Yuncheng City Bureau, form a document and report it to the provincial committee as soon as possible!"

“Yes, yes!” Yang Zhao immediately nodded his head, his heart overjoyed, he knew that he had made the right move, and that Secretary Zuo was satisfied.

However, the next words of Zuo Yongjun left Yang Zhao a little stunned.

Only to hear Zuo Yongjun ask, “Shao Lei, do you have anything else to add?”

Ji Shaolei drove on, without looking back, and laughed: “Uncle Zuo, I’m good at business, but I’m an amateur in these matters, so you just look after it.”

“Fine, you’re still so slick!” Zuo Yongjun burst out laughing.

However, Yang Zhao’s heart turned up waves of shock, what did he just see? Secretary Zuo actually used that general tone of discussion to seek Ji Shaolei’s opinion?

Didn’t you say Ji Shaolei was Zuo Yongjun’s nephew?

But now he saw this scene, where is the dialogue between nephew and uncle?

Yang Zhao heart shock incomparable, before Ji Shaolei has introduced himself, said Jiangzhou municipal party secretary Ji Zhenguo’s son, but Yang Zhao does not know Ji Zhenguo and Zuo Yongjun is what relationship, also think, in terms of generation, Ji Shaolei is indeed Zuo Yongjun’s nephew, but only in terms of generation, and is not a pro nephew.

Now it does seem to be the case, what kind of uncle talks to his nephew about such things in such a consultative tone?

But the question came up again, not being a close nephew, then, with Zuo Yongjun’s rank and position, there was no need to be so gentle with Ji Shaolei, even if Ji Zhenguo’s position was higher than Zuo Yongjun’s, then there was no need to be so obvious, right?

In this way, there is only one possibility, Ji Shaolei's origin, definitely more than what he understood!

The moment he thought of this, Yang Zhao heart immediately cackled, himself really a pig-headed ah, Zuo Secretary before the phone call came, did not get angry? This isn't enough to explain the problem?

Immediately, Yang Zhao looked at Ji Shaolei's gaze again, became more gentle, and even had a hint of admiration in it.

For all this, Ji Feng was not clear, he was now deliberating his words, thinking how to introduce Aunt Li Yueqin's identity to Zhao Kai and Han Zhong when he returned to the Yuncheng Hotel!

"Ji Feng, we won't be but at noon, right?" Xiao Yuxuan suddenly asked, "We'll join Auntie Li and we'll skip your meal."

"That's fine!" Ji Feng nodded slightly and said, "In fact, I don't like that kind of dinner party either, but I can't help it, I let others come all the way here, I always have to show something, otherwise I can't live up to it."

"We all understand, there's no need to explain more!" Li Yantong said softly, "If you have something to do, just get busy first, there are so many of us together, so you don't have to worry about it."

Ji Feng nodded and smiled at once, while the rest of his eyes watched Aunt Li Yueqin's reaction through the rear view mirror from time to time.

More than two hours later, the group arrived at Yuncheng and entered the Yuncheng Hotel.

A few cars had just parked in the car park when Yang Zhao said with a smile, "I heard that Ms. Li wants to dish out the shop, I have already sent someone to do it, I believe I will hear back soon, however, what price level does Ms. Li think is more appropriate to set?"

Ji Feng and Ji Shaolei glanced at each other and instantly smiled faintly, this was the benefit of showing goodwill, without having to say anything, the other party had already helped with the matter.

Li Yueqin, however, said in a panic: "It's not much, the shop is rented and the rent is paid monthly, only some things in the shop are still worth some money, just, just 20,000!"

Yang Zhao opened his mouth and wanted to say, "How can you afford 20,000, let's say 200,000!"

However, when the words came to his mouth, he held them back, his body broke out in a cold sweat and he cursed, "What are you doing here? With Ji Feng and Ji Shaolei, they can still be short of money? What kind of talk is it to give yourself 200,000 for a 20,000 yuan storefront?"

Yang Zhao, who reacted, immediately nodded and smiled, "Good, then I'll send someone according to the criteria Ms. Li mentioned!"

"Secretary Yang, thank you so much!" Ji Shaolei smiled.

Yang Zhao immediately laughed and said, "Mr. Ji, you're very kind to say that, it's all because I, the parent official, didn't do a good job, that I made Ms. Li and the girls suffer so much, it's only right that I should compensate!"

Zuo Yongjun waved his hand and said, "Okay, okay, let's eat first!"

The group of people then laughed and joked and headed for the hotel.

Ji Feng had a faint smile on his face, neither looking warm nor cold, but with an extraordinary aura that neither Yang Zhao nor Zuo Yongjun would underestimate.

Only, on this occasion, Ji Feng did not know what to say and what not to say, so he just put a smile on his face and listened to Ji Shaolei talk to them while secretly learning.

After experiencing the unavailability of the Third and Fourth Elders of the Xuan Yin Sect when they came to Jiangzhou, and then in the morning at Yunshan, where he actually had to face those police officers himself and was even almost shot at, Ji Feng's desire for power became stronger and stronger.

In order to set up his own power, sleight of hand and leadership ability are essential, and socializing is also indispensable. Therefore, while Ji Shaolei was having a good conversation with Zuo Yongjun and Yang Zhao, Ji Feng was seriously learning from their strengths and gradually growing!

After the meal, Zuo Yongjun and Yang Zhao sat for a while longer before they left.

When they walked out of the Yuncheng Hotel, Zuo Yongjun's face sank and he snorted coldly, "Fortunately, it didn't lead to a big mistake today, otherwise, no one would be able to save you!"

Yang Zhao was immediately shocked and subconsciously asked, "Secretary Zuo, Ji Feng and Ji Shaolei, those two young men, what exactly are their origins? How come you also"

Zuo Yongjun suddenly turned back to look at him and asked in a deep voice, "The children of the Yanjing Ji family, and both of them are direct descendants, what do you think they are from?!"

"Huh?!" Yang Zhao's eyes suddenly widened and his mouth opened wide as he froze in place.
