

Chapter 4449

Marshal had many grievances against the Cataclysmic Front.

The reason for this is because the Cataclysmic Front had made a move against the Wade family,

And had also put out the word that his brother-in-law would be thrown to the ground.

Marshal is different from the second brother Marcus,

In the eyes of Marcus, he only recognizes his sister Margaret,

And nephew Charlie, others, even his brother-in-law, he does not put him in his eyes.

This is mainly because Marcus is younger, when his sister married Changying,

He was still in college and had little contact with his brother-in-law.

But Marshal is different, he and his sister only got two years apart,

So he had a lot of contact with his brother-in-law, deep down,

He still has a certain recognition of Changying as a brother-in-law.

Because of this, when he heard that the Cataclysmic Front was looking for the Wade family with the coffin,

He mentioned this matter to Marcus, hoping that he could put pressure,

On the Cataclysmic Front on behalf of the An family,

So that they would not make things difficult for the Wade family.

But Marcus did not agree.

The reason he did not agree was very simple,

It is because he did not put the Wade family in his heart.

A long time ago, the Wade family's old man Zhongquan once took the initiative to approach Marcus,

At an elite chamber of commerce meeting, but Marcus told him explicitly,

At the time that in the Wade family he only recognized Charlie, among the others, no one.

Since Charlie was not found, he naturally had no reason to help the Wade family.

But this incident later also let Marcus a burst of fear.

Because it was so unexpected, Joseph actually wanted to go up,

To the Waderest Mountain to his sister and brother-in-law's remains and thwart their bones!

Fortunately, the Wade family later took the initiative to take out half of the family fortune to settle the matter,

Otherwise, if his sister's remains were destroyed,

Marcus could not forgive himself for the rest of his life.

It was also that time, in his heart for the Wade family his emotions more or less loosened,

And also with Marshal's table attitude, if the time is right in the future,

He will definitely give the Wade family some help.

And right now, Marshal heard that the Cataclysmic Front came again,

In his heart he can not help but feel a surge of a bit disgust.

So, he said to Duncan: "If it's true that the Cataclysmic Front is behind this,"

"You can't let them get away with it."

"If you can't deal with them in the New York Police, go to the CIA and Homeland Security.

Duncan seriously said: "I also plan to do so, but right now there is not a good opportunity,"

"After all, I now know that the members of the Cataclysmic Front,"

"Have arrived in New York, only Ruoli Su as a person, grasped as the intelligence and evidence is seriously inadequate."

Speaking of this, Duncan added: "Moreover, there is something I still haven't figured out until now."

Marshal asked, "What is it?"

Duncan said, "What you just said is that it is justifiable for Cataclysmic Front to help,"

"Master Fei seize power and make a fortune in the process,"

"But they have no reason to kidnap Randal,"

"Unless the person who kidnapped Randal is someone else."

Marshal sighed: "It's really a problem, it feels like solving a complex equation,"

"No matter which direction to cut, it's not right, it's like there's some necessary condition missing."

Duncan remembered something and asked,

“Oh yes, do you remember what I told you about that star named Sara Gu?”

“I remember.” Marshal asked, “What’s wrong? This matter has something to do with her?”

Duncan smacked his lips and said seriously,

“There’s no evidence that it’s related to her yet, but I always feel some connection.”

Chapter 4450

Marshal didn't say anything about Sara delivering medicine to his father tonight, and saving his life, but asked, "How did you think about it?"

Duncan said, "I think this girl is not simple!"

As he said, he added: "Look, from the exposure of this guy Randal,"

"The night he disappeared to get that charity dinner, it was clearly set up for Sara,"

"He certainly wanted to kidnap her, to meet his own perverted desires,"

"But the result was she did not fall in, Randal, the person who made the game fell in instead,"

"A snake cannot suppress a dragon,"

"Let alone a dragon like Randal, I say this girl has to have a great ability"

Marshal heard here, his expression slightly austere.

A moment later, he spoke, "Old Li, do you know what Sara has to do with our family?"

Duncan was surprised and asked, "What? You know her?"

"I have investigated her details, the only daughter of the Gu family in Eastcliff,"

"The Gu family seems to have a good relationship with your sister's in-laws,"

"But the strength seems to be a bit worse than your sister's in-laws,"

"So reasonably speaking, in the eyes of your An family, it should not be enough to look at, right?"

Marshal seriously said, "Sara, is my nephew's fiancée!"

Duncan was shocked and asked, "Really? Your nephew, you have found him?!"

"No." Marshal said, "Sara's marriage to my nephew was set by my sister when they were both children."

"Oh" Doll marriage ah"

Duncan muttered a sentence to himself and said off the top of his head,

"But I haven't heard you talk about this before."

Marshal said seriously: "I also learned this evening, that my father was critically ill,"

"The heart had stopped, just the right moment Miss Gu came to visit,"

"She had a blood rescue pill, my father pulled back from the brink of death."

Duncan on the other end of the phone froze for a long time,

And only after a long time cursed and said:

"I'll be damn3d, this evening is really a dog!"

"How come all the strange and bizarre things will happen on this night?"

"The Fei family is not to mention those things, your old man is critically ill,"

"This Sara flew from the east coast to the west coast thousands of miles to miles to deliver medicine,"

"Is she a foreteller? Or did she get wind of something in advance?"

"This" Marshal frowned and said, "This should not be"

"She just happened to come over to visit, I told you, she is my nephew's fiancée,"

"This time she is on a tour to the United States, so took time to visit the family,"

"Just met my father and he was critically ill, so it"

As he spoke he suddenly stopped, his expression was very puzzled.

Although Duncan could not see his expression, he could also guess a rough idea,

So he opened his mouth and asked: "Do you also think that this Sara,"

"Without knowing anything, could just happen to fly from the east coast of the United States"

"To the west coast overnight to visit at this time of the old man's critical illness,"

"Which is indeed a bit of bullsh!t to me?"

Marshal murmured, "Hearing you say that, it is indeed a bit"

As Marshal spoke he continued, "But this thing is also a bit strange,"

"If you push it the other way around, my father's critical illness has never been leaked to the public,"

"No one in the outsiders except you, no one knows,"

"How did she know that my father was critically ill?"

Duncan asked him, "What time did she arrive?"

Marshal thought about it and said,

"Maybe ten or twenty minutes later than me, I can't remember exactly."

Duncan smacked his lips and said, "This is really fcuking hell, you came from New York,"

"She also came from New York, and only a dozen or twenty minutes later than you,"

"That is, basically equal to the same foot!"

"This is not a fcuking coincidence, it's fcuking deliberate to save the old man!"

Chapter 4451

Duncan's words made Marshal feel a sense of relief.

He also immediately began to mentally calculate the reasonableness of this matter.

Thinking about it, he felt that Duncan's point was right.

If this is all a coincidence, then the old man can no longer even be described,

As blessed with a great life, but simply blessed by the gods of heaven.

Moreover, Sara's timing was just too good.

If she had been a few minutes later, the old man would have been brain dead,

All due to lack of oxygen in his brain, and that he might not have been saved by the Great Golden Immortal.

In addition, she suddenly flew so far to visit Los Angeles this evening, that too makes it a bit unbelievable.

After all, the east and west coasts of the United States have a distance of more than 4,000 kilometers,

A distance that is farther than from China's northernmost Desert City all the way to the southernmost Hainan Island.

It is not reasonable to come to visit across such a long distance in the middle of the night.

What's more, Sara came to the United States not a day or two, if she wanted to visit,

She could have arranged earlier, or simply later, when she arrived in Los Angeles for a concert, and then visit the family.

But she chose this time, most likely as Duncan said, she came in a hurry after knowing that the old man was critically ill.

Thinking of this, he couldn't help but say,

"If that's true, then where exactly did Miss Gu get the information from?"

"The An family has a large number of people, I certainly do not dare to guarantee that all the family members,"

"As well as the An family's underlings are absolutely reliable,"

"But the flow of information takes time, and it cannot be this fast."

Duncan said: "If you really want to know, then you have to start from the moment she landed in the An family,"

"And reverse comb her entire line of motion, such as from which airport her plane actually took off,"

"Time of departure, and then push forward from the airport, such as how exactly did she get to the airport?"

"What time did she arrive? With whom? Then continue backward to see exactly where she departed from before going to the airport."

Having said that, he immediately tapped in front of the computer for a while and said,

"All civil aviation flight information and flight trajectories are publicly available on the Internet,"

"And the same is true for private jets. I'll take a look now."

"I'm flying from New York this afternoon. Flights to Los Angeles." Then he operated the mouse while speaking: "There are only seven private planes flying from New York to Los Angeles this afternoon,"

"And the last one that landed on the runway at An Estate Well, there are only two,"

"The one you flew in I know, and this one with registration number B9733, should be the one that Sara took."

While speaking, Duncan exclaimed: "She and you surprisingly both took off from JFK,"

"The two of you only have a 20 minutes difference in takeoff time."

When Marshal heard this, his heart was shocked.

Without waiting for him to speak, Duncan said with some excitement,

"Good! Good! Finally, I've caught a clue!"

"I'll have someone check the information and surveillance of the airport,"

"To see where this lady got the magic power to receive the news in such a short period of time!"

Marshal was slightly stunned and quickly said,

"Duncan, how about this matter ends here, don't investigate any further."

Duncan was surprised and asked, "Why? This is the only clue that can be caught,"

"And I now feel more and more my judgment is certainly correct,"

"Because the old man's critical illness came too suddenly,"

"So this Sara did not have the opportunity to properly deal with the clues left behind,"

"Otherwise if you really give her enough time,"

"So that the person hiding behind a little bit of planning, the mechanism, then we can not even find this clue! "

"Do not you want to find out, that in the end through what channel she knew the old man's critical illness?"

While speaking he identified a series of information from the website,
