

## Chapter 4461

After hanging up his boss's phone, Duncan first said to his subordinates,

"No more autopsy center, go to Fei's group!"

His subordinates hurriedly asked: "Inspector, what are you going to do at the Fei Group?"

"It will soon hold a press conference, almost all the media in New York are there,"

"You go there at this time is not ..... is not ....."

As the subordinate tried to speak, all of a sudden stuttered up,

Stammering half a day not saying anything in the follow-up.

Duncan asked in a cold voice: "What? You da\*n well say it!"

The subordinate can only pluck up courage, hardened his head, and said,

"Is it not the same as ..... throwing yourself into the net?"

Duncan gritted his teeth and cursed: "Fcuk you! I am a police officer,"

"Not a murderer, how can I be considered to throw myself into the net?"

His subordinate said anxiously, "But the media are waiting to interview you. ...."

Duncan knew that what his subordinate said was not wrong.

With so many major cases occurring in the city overnight,

And so many innocent deaths involved,

The reporters in the city are now most eager to interview the head of the police.

The top has also long issued an order, without the permission of the top,

No one is allowed to accept media interviews privately.

The reason why the top is so afraid of interviews is because in this case,

The police have long been the object of blame by the media and the public.

As long as they seize the opportunity, no matter who is interviewed,

They will have to face all the possible criticism.

Therefore, the top is afraid that the police asked by reporters and dumbfounded,

With the red-faced look, the media films this and broadcasts it to the country or even the world it will be a sight of embarrassment.

This is also why Duncan lied to his superiors and said he was going to the autopsy center.

If he had said he wanted to go to Fei's group and meet Ruoli Su, His boss would have cursed him on the spot and forbade him.

However, at the moment, Duncan has no other way.

The only clue he could grasp was that Ruoli Su has come to New York with Stella,

So to know whether the Cataclysmic Front was behind this matter or not, Ruoli Su was the only breakthrough.

So, he ironically said to his subordinates:

“From now on do not say anything, do not ask anything, what I tell you to do,”

“You do as you are told to do, if the above blame down, everything is on me.”

Hearing this, The subordinate knows that Duncan has made up his mind,

So he wisely did not say any word, and then immediately picked up the intercom,

Said to the cars following behind him: “Not going to the autopsy center, just follow me.”

.....

At this moment.

From eight o'clock, there are less than five minutes left.

The conference hall of the Fei Group is not only full, even the aisles are full of people.

All kinds of media set up all kinds of long guns,

Afraid to miss every shot and clip of the launch they are already there.

In addition, many media outlets also carried out simultaneous live broadcasts,

Which are broadcasted in real-time to the world through the dual platforms of cable TV and the Internet.

Because Randal's case has stirred the world, at this moment,

Not only the people of the United States are watching the conference,

But also people in other countries are watching the broadcast of the conference in different time zones,

At different times, and through different network platforms

## Chapter 4462

In the lounge next to the conference hall, Stella, wearing a black skirt with a white shirt,  
Was ready to go on stage, with a calm expression and a bit of confidence.

While Douglas, Dawson, and Adam, the three generations of the Fei family, each is there with a nervous face.

They do not know what situation is waiting for them at a moment,

Perhaps as soon as they walk into the conference hall,

There will be countless people ready to take off their shoes and throw at them.

Adam, as Randal's father, was the most nervous deep inside, after all,

He also knew that the son was not taught and it was the father's fault,

And now that Randal is dead, people's first thought of the outlet should be him.

Seeing that the time is getting closer to eight o'clock, he said to Stella apprehensively,

"Stella ..... can I go up later ....."

Stella said firmly: "In today's conference, none of the four of us can be missing!"

Adam said in a panic: "I am afraid that when I appear now,"

"It will immediately cause public anger, in case it affects the rhythm of your launch, it will be bad ....."

"Never mind." Stella did not leave any room for error and said,

"After you and uncle and grandpa take the stage, you don't have to say anything,"

"And you don't have to do anything, the words will be said by me alone,"

"You only need to apologize with me when I apologize, and bow with me when I bow."

Adam still wanted to say something, next to him Douglas coldly shouted,

"Adam! Your son has caused such a big trouble, if you, as a father,"

"Don't show up, what would others think of our Fei family?"

Adam said in shame: "Grandpa you are right ....."

Douglas looked at him coldly, and then looked at Dawson who was scowling at the side, and coldly said,

"Everyone in the Fei family, including me, must obey Stella's orders,"

"Otherwise, get out of the Fei family before it's too late, and go outside and become a relative!"

Adam shrank his neck and hurriedly said, "I know grandpa ....."

At this time, Ruoli, who was dressed in a black suit,

Pushed open the door of the room and came in front of Stella with big steps and spoke,

"Miss Fei, there is one last minute."

“Okay.” Stella nodded and asked, “Ruoli, Mr. Wade is not coming over?”

“Yes.” Ruoli Su said, “Mr. Wade is watching the live broadcast at the hotel,”

“And he asked me to convey the words to you that you will handle it well.”

Stella pursed her lips, nodded her head forcefully, and said,

“I know ..... help me thank Mr. Wade for me!”

After saying that, she took out her phone and looked at it,

Forty seconds left until eight o'clock, so she turned it off and said to the three-generational elders around her,

“It's almost time, let's go now!”

Douglas, Dawson, and Adam, their expressions were all aghast.

In their view, the upcoming conference was like they were going to be stripped naked,

And paraded through the streets, making them feel uneasy.

But now, they do not have any room to retreat,

So they can only follow Stella's steps and walk out of the lounge.

The main door of the lounge was directly connected to the stage access of the conference hall.

After passing through the several-meter-long passage,

The four of them appeared directly on the side of the stage of the conference hall.

The reporters, who had been waiting for this, saw someone appearing from the passage,

And regardless of the angle, all the cameras were aimed at the entrance,

And for a while, the shutter sound crackled madly,

As if a hundred thousand mouse traps were triggered at the same time in an instant.

The reporters, out of professional instinct,

Realized after the first round of photos that the first person to walk out of the entrance was not the Fei family's head, Dawson!

The great change that happened in the Fei family last night had not been officially announced to the outside world

Therefore, when people saw a young and beautiful woman,

Who was the first to ascend the stage from the entrance,

Each and every one of them was speechless with shock.

Many people didn't even know who Stella was, so one by one they all mingled below,

Trying to figure out what this woman actually does.

Many media reporters even preemptively cursed:

"These men of the Fei family are too shameless to push a girl out as a shield at a critical moment!"

This kind of voice instantly triggered everyone's approval.

However, no one expected that when Stella walked to the speaker's platform,

And stood behind the microphone, with the first words she said, it dropped a heavy bomb in the crowd.

Only to see her lips lightly open, she calmly and coolly said,

"Hello, friends of the media, I am the new chairman of the Fei Group, Stella Fei!"

Stella's throwing words caused the whole scene to burst into an uproar.

No one expected that the Fei family would change a new chairman at this critical moment.

And what was even more unexpected was that this new chairman was a woman.

We must know, that even in developed countries, those big families' patriarchal thinking is extremely serious.

There are so many big families with more than ten billion dollars worth,

Almost none of them will give the position of leader to a woman.

And, still such a young woman.

However, if you look behind Stella, the previous family head, Dawson Fei,

And even the previous family head, Douglas Fei, all are standing.

This also means that the young Stella is not joking here.

With the previous two family heads standing up for her,

She was definitely the leader of the Fei family.

The crowd was shocked beyond belief.

They really couldn't understand why the Fei family would make such a decision,

Even if they needed to find someone to take the blame or find someone to be a shield at this time,

There was no need to give up the position of the family head, right?

If you can become the head of the family after taking such a pot,

And also the head of the Fei family with nearly trillion dollars in assets, I'm afraid no one will refuse.

When the media reporters were horrified, Stella went straight to the point and said,

"I believe that everyone here should have seen the series of videos that were exposed on the Internet yesterday,"

"And I, as well as the rest of the Fei family, did not know,"

“About the unforgivable crimes committed by Randal Fei until yesterday, just like you all.”

As soon as many people heard Stella say that they only learned about these things yesterday,

They immediately felt that she was going to start dumping the pot.

One of the young male reporters said to the others around her,

“I think she’s going to say that we didn’t know anything, that what Randal did was his personal act,”

“That it has nothing to do with us, and that we are also victims blah blah blah! Bullsh!t!”

The viewers who watched the live broadcast in front of their TV sets,

Computers and cell phones also had similar thoughts in their minds.

They had seen a lot of this, the behavior of the big families dumping the pot at a critical moment.

So, they also expected that the Fei family would definitely use this way to clear their name.

However, no one expected that Stella, immediately afterward, said incomparably piously,

“Although we also just learned about all this last night, but for what Randal did,”

“Our Fei family still has a major responsibility that cannot be shirked!”

When Stella said this, it immediately made the reporters on the scene as well as the viewers,

Watching the live broadcast feel a sense of relief.

This phrase has a great responsibility that cannot be shirked,

In the view of reporters and viewers, it is already extremely rare wording

Because, in the past, when it comes to similar situations,

Even if the big families admit fault with a good attitude,

They will only admit a secondary responsibility at most,

Such as their supervision was not enough or something like that.

Like Stella, the word “major responsibility” directly on their own, it is extremely rare.

At this time, everyone put away the disdain just now and began to listen intently to Stella’s next words.

At this time, she said seriously: “The reason why I say that our Fei family,”

“Has a major responsibility that cannot be shirked is mainly in the following aspects;”

“First, the Fei family’s education of Randal was indeed extremely inappropriate!”

“It is the Fei family’s fault for failing to establish a healthy and kind outlook on life,”

“Worldview, and values for him, allowing his character and acting style,”

“To continuously go to extremes and even bring such significant harm to the society!”

“Second, the Fei family has been extremely negligent in supervising what Randal had done!”

“Randal had been doing wrong for so many years and we didn’t even know about it until yesterday,”

“This is a clear dereliction of duty and incompetence within the family!”

“If we could have found out about his problems as early as possible,”

“He wouldn’t have been able to hurt so many innocent women, so this, too, is the Fei family’s fault!”

“Third, the Fei family’s wealth, status, and resources have had inadvertently become the key factors,”

“That aided and abetted Randal to keep committing felonies,”

“If not for the Fei family’s resources, Randal would not have had the opportunity,”

“To commit so many felonies one after another, so this, too, is still the Fei family’s fault!”

Stella said three points of the Fei family’s faults in a row, which instantly made everyone dumbfounded.

In everyone’s opinion, Stella’s words were not biased, shirking responsibility,

On the contrary, she took the initiative to admit all the direct and indirect responsibilities,

Which really made everyone’s attitude towards her change a lot.

At this time, Stella continued: “In addition, I also want to state one thing,”

“That is, I personally, just took over the Fei family last night,”

“So in the Fei family in the end there are no other people involved,”

“I can not yet say this with a 100% guarantee!”

“But what I can promise you is that in the next few days,”

“The Fei family will take the initiative to cooperate with the police and conduct,”

“An in-depth investigation into every member of the Fei family as well as the employees of the family!”

“At that time, we will make all the contents of the investigation open to the community.”

“We will never condone it once we find that there are other people involved!”

These words of Stella threw another thunderbolt in the hearts of reporters and viewers!

At such a time, it was rare to admit that there were education problems,

Improper supervision and potential accomplices for Randal,

But what everyone did not expect was that she would conduct a thorough investigation of the family.

Once these words came out, everyone understood that Stella really wanted...

To solve all the problems thoroughly, without any half-hearted or perfunctory ingredients.

So, there were already reporters on stage who couldn't help but applaud.

Their attitude towards Stella, at this moment, has also changed dramatically!

At this time, Stella continued, “In addition to cooperating with the investigation,”

“Digging out all the garbage within the Fei family and removing it completely,”

“We also have an extremely important matter to resolve,”

“And that is to start the compensation work for all the victims' families!”

Once these words came out, everyone stared closely at Stella.

Taking the initiative to compensate the families, this was taking the attitude of handling the problem to a new level.

Therefore, everyone was eager to know how Stella was going to handle the compensation of the victims' families.

Stella said very seriously: “Before disclosing the compensation method, I also want to make a statement,”

“That is, we know very well that even if we compensate with more and more money,”

“It is impossible to bring the victims back from the dead and completely compensate for the trauma in the hearts of the victims' families,”

“But we are still willing to do everything we can to help the victims' families solve their future life problems,”

“So that they can stay away from the problem as much as possible.”

“In order to keep them away from their grief as much as possible.”

At this point, Stella gave a slight beating and said in a loud voice:

“Therefore, I hereby officially announce that the Fei family will pay,”

“A lump sum of one billion dollars as compensation to the families of each victim who died as a result of Randal's cruelty!”
