

CEO is Chasing Ex-Wife Back Chapter 5

Chapter 5 Dancer Lena

Martin wiped the sweat off his face and chuckled. He went forward and hooked his arm around Will's shoulder and joked, "Mr. Wanda, I heard you say that there is a beauty here who is highly appreciated by you. Why don't you let her come out and let everyone see?"

"Right, right!" Will sneered. He realized that the atmosphere was not right. He quickly changed the

topic and said fawningly, "She will come soon."

He dialed the intercom, "Why isn't Lena here yet?"

The room regained its vitality. Everyone was talking and laughing. Only Zac knocked on the card table coldly.

Martin and Daniel looked at each other and secretly let out a long sigh. They felt relieved.

A few minutes later, the door to the private room was pushed open, and more than twenty young and beautiful women were pushed in.

"Well, my noble guests. Business is important, but relaxation is also important," The procuress said and pushed a few women over.

Seven or eight enthusiastic young ladies sat next to Zac and squeezed the bodyguards next to them.

Martin and Daniel each hugged one.

Zac was sitting indifferently with an unapproachable aura.

Zac ignored the teasing of those women. He lit his cigarette, and the smoke covered his cold eyes.

The remaining woman stood on the stage with a veil over her face and a deep V-neck dress. She posed sexily on the stage.

The light on the stage got dimmed.

The music slowly tuned, and the lights on the stage flickered with the music.

Suddenly the music stopped, and the stage lit up, revealing the beauty on the stage.

"Mr. Buchanna, Lena is the lead dancer. She's exceptional." Will, who was hard-featured, said with a flattering smile, which made him look funny.

The sexy dancers on the stage looked extremely charming while they twisted their waists and showed their pretty figures.

This was especially true for the leading dancer Lena.

She was indeed exceptional. Though her movements were a little stiff, people could still tell that her body was soft and curvy.

Zac raised his eyes and glanced at the stage. He was attracted by the leading dancer in the middle of the stage.

Even though she was wearing a dance costume and had thick makeup on, he recognized that the woman was Aurora!

After so many years of practicing ballet, Aurora had good flexibility. Striptease was a piece of cake for her. She became the focus on the stage.

Zac looked displeased. He raised his hand and pointed at Aurora, "Come here. The others, get out."

The dancers on the stage stopped and didn't know what to do.

“No need.”

Aurora took off her veil, smiled contemptuously, and loosened the thin ties on her shoulder.

Everyone was shocked, especially the men.

These businessmen could go to brothels or elegant parties. They had met Aurora, the famous Mrs. Buchanna.

Martin and Daniel were also shocked. They did not expect to see Aurora here!

Moreover, she was taking off her clothes and dancing in front of so many men!

She was trampling the title ‘Mrs. Buchanna’ and ruthlessly disgraced Zac!

Martin and Daniel did not dare to look at Zac.

It seemed that she achieved the expected effect. Aurora slowly swayed along with the music and lifted her tight crop top up to her chest.

Zac suddenly got up from the sofa, walked quickly toward Aurora, and pulled her down from the stage savagely.

“Are YOU done here?” glaring at Aurora, Zac asked in an exasperated voice.
