

Catch Me If You Love Me Chapter 1

Chapter 1

What is the most unexpected despair in life?

You were full of joy and eloped with your loved one, but turned around and was sent to another man's bed.

He only wants a drop of your blood.

You have lost the rest of your life.

Zoey Gu was under house arrest.

Three days ago, her father was poisoned by her stepmother and paralyzed in bed without warning. Before losing consciousness completely, her father stubbornly held her hand and asked with tears.

“My Dear, take your brother and leave Berven City together!”

“In the past, my father was confused and insisted on being right, opposing you and Liam Lu together. But I can see that the child has an outstanding appearance and temperament. Even if he never said where he came from, he is definitely not something in the pool.”

That night, Zoey Gu bid farewell to her father tearfully, and ran away with her younger brother overnight.

But Twenty minutes later, they were still blocked, less than 300 meters away.

She was locked in a room where she couldn't even see her own fingers, without water and food, and cut off all contact with the outside world.

It wasn't until three days later that she was dragged out by two tall men and threw her on the dazzling floor of the living room.

Stepmother Lydia Lin stood condescendingly in front of her, looking at her with a sneer.

“Dear stepdaughter, don't blame me for being cruel. You can only blame your blood for being too valuable!”

“Someone found you in blood banks across the country. The special factor in your blood type is the life-saving medicine of their young master. They want your blood once a

month, five million at a time. Such a profitable business, of course I have to work hard to keep you!”

Zoey Gu was almost dehydrated.

She lay on her back on the floor, looking at Lydia Lin with red eyes, wriggling her dry lips tremblingly.

“Lydia Lin, you have already got the care of the family. Let my father and brother go.”

“I’m willing to stay for as long as you want. My blood, you can take as much as you want...”

She can wait until the other party no longer needs her blood, and wait until she is worthless to Lydia Lin.

She believed that Liam Lu could also wait until she returned to him.

Hearing this, Lydia Lin twisted her eyebrows and smiled like a fool.

“Zoey Gu, you are too naive. Don’t you think that as long as you give this blood, everything is over?”

Zoey Gu’s heart sank and he suddenly looked up at her.

“What do you mean?”

Lydia Lin grabbed her hair and smiled in her ears.

“Compared to those flowing in your veins, the virgin blood in your clean body is more effective. They not only want your blood, but also your virgin blood, the virgin body.”

Zoey Gu paled instantly.

“No!”

She suddenly screamed, pushed Lydia Lin away violently, and crawled towards the door like crazy.

“The person I love is Liam Lu. I want to leave my clean self to him. I can’t! I can’t!”

Lydia Lin’s face changed, she walked a few steps forward, grabbed Zoey Gu’s hair, and quickly turned on a mobile phone button.

Immediately, Liam Lu’s deep and pleasant voice came out.

“Zoey, didn’t you tell me to leave Berven City together? Where are you?”

“The next day, I went to Gu’s house to find you. They said you left with a man, I don’t believe it. Good boy, as long as you come, I will tell you my true identity and my secrets.”

“Zoey Gu.”

The man’s voice became hoarse and painful.

“You will not come, will you? The third day, this is the last time I give you. Come, I will take you away and give you a whole new world. If you don’t come...I Just treat you as dead.”

“Do you believe it? At the moment I left a message for you, there was already a woman waiting for me to sleep with her...”

Zoey Gu’s tears flowed down instantly.

“Liam...”

She rushed to the phone to grab it, but Lydia Lin grabbed her hair and dragged it back.

The woman’s ghostly voice rang in her ears.

“You know? The place where he was waiting for you is surrounded by people I arranged. As long as I call, your favorite Liam Lu will be crushed into meatloaf by countless cars. Let him go, or Stay, watch you get dirty and die with you.”

Zoey Gu trembled all over, as if being pinched to the door of life, suddenly collapsed to the ground.

Father...

Little brother...

Her favorite, Liam Lu...

Lydia Lin raised her hand and handed her the phone, patted her face, got up and walked to sit down on the sofa not far away.

“Think about it, you know what to do.”

As if it was sensing, the phone vibrated violently in the palm of his hand.

Click, click again.

She kept ringing if she didn’t answer, just like every time a man stubbornly looked for in the three days she disappeared.

Zoey Gu’s eyes were red, and the hand holding the phone kept shaking.

It was a long time before I pressed the answer button with my fingertips shaking.

“Zoey, you finally answered the phone!”

Liam Lu’s voice was full of surprises after disappointment, “I knew you would come! Tell me where you are, I’ll immediately...”

“I told you, so what?”

The gentle voice suddenly turned into a heart-cutting sword.

Zoey Gu was full of tears, and pressed the choking in her throat.

“Liam Lu, do you really think I am going to elope with you? I just made a little joke with you before breaking up. I am the high-ranking Miss Gu, you really think I can see you as an ordinary office worker ,Do not be silly!”

He had a meal, “What did you say? Zoey Gu, you say it again!”

Zoey Gu gritted her teeth and paused every word.

“I said, I’m just playing with you. Now, I’m tired of playing. We are over, over, and over!”

Boom

A blast of thunder tore the sky and hit the old tree in the courtyard severely, splitting it in half with a “crack”, and smashing it to the ground!

The sound of the wind and the sound of rain roared from the phone.

“Zoey Gu, you are so good!”

The man’s desperate hoarse roar suddenly sounded, accompanied by a muffled grunt, and several men panicked shouts inside, “Quickly, he vomited blood!”

“Liam...” Zoey Gu panicked and almost shouted.

“Don’t call my name!”

Liam gritted his teeth like the sound of sinking into the deep sea.

“Zoey Gu, you are the only woman I have loved, and the only woman to play with my feelings. I will leave you and will leave Berven City.”

“But I hope you can live well. Because one day, I will definitely come back to accompany you for good, good, good and fun!”

beep...

Zoey Gu smashed the phone, listening to the busy tone, her heart was piercing pain.

Liam, sorry, sorry...

Lydia Lin's voice came from not far away, "Right! This is what a smart girl should do."

After speaking, she waved her hand, and several people immediately rushed up from the side.

"Take her to prepare, let her be quiet, and don't sweep away our Jin-Lord's happiness!"

"As long as the opponent's master nods, we can get the first money tonight. Hahaha..."

Lydia Lin's proud and arrogant voice slowly drifted away.

Zoey Gu lay on her back on the cold floor, his eyes blank, motionless, as if dead.

Several people grabbed her hair and dragged it upstairs, then stuck her chin and opened her mouth, and roughly stuffed an unknown pill in.

But in just a few minutes, her limbs became limp, and her whole person was like being grilled on a stove, hot from the inside to the outside.

She struggled to open her mouth, but couldn't make a sound.

She was finally desperate.

The wind and rain were shaking outside the window, and the rain fell frantically on the window lattice.

I don't know how long it took, the whistle of a car sounded outside, and a few tall figures quickly walked into the villa.

The headed tall man walked in the door wrapped in wind and rain, his face was firm and sharp. The other side was hidden in the shadows, and the whole person gave people a terrifying and powerful aura.

Seeing the arrival of Jin-Lord, Lydia Lin's men immediately greeted him.

"Sir, the person you want is ready, right there."

He raised his head as he spoke, and when he looked at the man in the lead from a close range, he drew back like a ghost with an "ah" and blurted out.

"Sir, you, your face..."
