

Chapter 101

The Policewoman Chapter 101

“Boss lady, take a seat first, I’ll pour you a glass of water!” The bald man, Black Dragon, changed his fierce and fierce look, and after settling Jiang Mei down on the sofa, he used a cup to help her arrive a cup of water and put it on the coffee table, sat beside her, put on an amiable look and asked, “We didn’t scare you just now, did we?”

Jiang Mei blushed and lowered her head, not daring to squeak.

Black Dragon was surprised and asked, “Did those two guys bully you just now?”

Jiang Mei still didn’t squeak.

“It’s best that they didn’t bully you,” Black Dragon said falsely, “If I knew they had bullied you, I would never let them off!”

Looking around at the bald man with an evil look on his face, Jiang Mei knew she was now a sheep in a tiger’s mouth and would not be able to escape.

Taking advantage of Jiang Mei’s unpreparedness, Black Dragon immediately rushed up, took Jiang Mei’s hand, ruthlessly swept her into his arms and covered her mouth with a large palm.

“Ah mmm”

Jiang Mei’s shriek turned into a muffled grunt, her two eyes panicked and her whole body shaking.

Black Dragon picked her up by the waist and threw her hard onto the couch, then pounced on her like a wild animal, grabbing the cotton t-shirt she was wearing with one hand and ripping it hard.

“Ah,” Jiang Mei screamed out loud, “What are you doing?”

“Shut up!”

Black Dragon bellowed, his beast-like nature boiling in his veins, so he pressed tightly against Jiang Mei’s body.

Whoosh!

Suddenly, Jiang Mei leapt up from the sofa and lifted her leg to kick him violently.

Poof!

There was a muffled sound, and Black Dragon felt a huge pain at his shoulder blade.

“Whoops”

Black Dragon gave a muffled grunt and before he could react, he also received a kick on the small of his abdomen and was in cold sweat from the pain, crouching on the ground with his hand covering his stomach.

The next thing you know, another strong wind hit you, and the black dragon instinctively lowered its head.

The tiger didn't think it was a sick cat!

Jiang Mei's swinging leg slashed across the top of his head and the glassware, fruit plates and wine glasses on the coffee table broke and crackled.

However, Jiang Mei almost stumbled as she took a few steps forward with too much force, and felt some pain in her leg at the same time.

"Oops!"

With a delicate cry, Jiang Mei wobbled a few times before she steadied herself.

Black Dragon instinctively reached out and tackled her wrist.

"Rascal, don't touch me, don't" Jiang Mei shouted angrily, feeling her hand being clamped by him and her body being carried forward by a force, she felt bad in her heart and fought to struggle.

The black dragon could not let her get what she wanted, a tug and a belt brought Jiang Mei's body down, fiercely pinned her to the carpet in the living room, legs clamped around her waist in a deadly grip, capturing her other hand in a lightning grip.

Jiang Mei struggled violently beneath him, her waist and hands controlled, but not her knees, and she lashed out like a young lioness, her knees slamming hard into the Black Dragon's face.

Thud!

There was another muffled thud and a wave of intense dizziness almost brought him to the ground, his nostrils hot and fishy, blood pouring from his nostrils.

As the wound over his eye had not yet healed, Black Dragon wailed in pain and leaned forward vigorously, pressing heavily against Jiang Mei.

"Let go of me, let go!" Jiang Mei was so angry that she spat blood, her knees buckling, her body writhing and struggling with deadly force, her face red with rage.

Black Dragon tried his best to control her waist, knowing very well in his heart what it was going to mean once she broke free from his grasp.

This Jiang Mei's knee was hard enough to make Black Dragon's nostrils bleed and his head spin, and the pain in her shoulder blade almost caused her hand to break free.

The fierce struggle took a lot of Jiang Mei's strength and exhausted Black Dragon.

He had almost lost control of her and was screaming in his heart when Jiang Mei suddenly stopped moving and gave up her struggle, looking exhausted.

Next, Jiang Mei was forced by Black Dragon into a supine position, her long, flowing waterfall-like hair laying under her shoulders.

Black Dragon's fiery gaze stared hungrily at Jiang Mei, and a large hand quickly reached around her neck and ripped open her t-shirt in one swift motion.

The lying position made Jiang Mei's originally plump breasts stand out even more. Her heart was in a panic, and her instinct to hide her breasts made her want to use her hands to block them, but her hands were already firmly pressed, and her moving curves, which she usually prided herself on being like a hibiscus figure, were reluctantly displayed in front of this rascal's eyes.

With red eyes staring at her firm peaks, Black Dragon was so dumbfounded that he forgot to close his mouth and swallowed hard, slurping in admiration.

"Boss lady, you're so beautiful, it looks like I'm going to be a god tonight, haha!"

Faced with this landlord and scoundrel who was riding on top of her and doing whatever he wanted, Jiang Mei could only let out a soft sigh and slowly closed her eyes.

.....

After Lin Kai sent Song Linna back to the Xiang Shan villa where her family lived, he intended to return this Mercedes Benz to her father, but Song Linna insisted on refusing to do so on the grounds that it was convenient to transport her.

Lin Kai had no choice but to accept Song Linna's plea.

So, he drove off and went straight to the military sanatorium and entered the one where Tang Huimin was staying.

After hearing that Lin Kai had injured Yan Zhengkuan's son, the deputy director of the municipal public security bureau, Tang Huimin was afraid that the old man would retaliate against him and take him to a detention centre or something, and was very worried about him, and only when she suddenly saw Lin Kai appear in front of her did the stone hanging in her heart finally fall down.

"Little Kai, you're back?" Tang Huimin said with an excited look on her face, "You're back just in time, I was bored to death in the ward, can you help me out for a walk?"

"Sure."

Lin Kai readily agreed and hurried forward to help her out of bed.

After landing on the ground, Tang Huimin failed to stand firmly and stumbled into Lin Kai's arms.

Although Tang Huimin's body still smelt of alcohol, her body fragrance was still so intoxicating that he couldn't even push her away and instinctively reached out and wrapped his arms around her delicate body.

Tang Huimin closed her beautiful eyes, the manly scent of Lin Kai's body intoxicated her, she did not want to leave Lin Kai's embrace, as if once she left his embrace, Lin Kai would disappear from her sight forever.

When Tang Huimin lost her husband, her heart was empty and she was lonely, God arranged for her nephew Lin Kai, who looked like her husband, to come to her and make her heart jump.

She feels both helpless and helpless, but more than that, she is surprised.

A soft, warm fragrance in her arms, a breath of air like an orchid!

At this moment, Lin Kai's mind was in a state of confusion.

Suddenly, he felt a touch of warmth on his lips, which were Tang Huimin's.

Her lips still carried tears, a little bitter, a little astringent, but more than that, it was the sweetness of her fragrant lips, and Lin Kai accepted her lips, loving this charming warmth of hers.

Lin Kai couldn't help but use his tongue to explore the softness of her mouth and teeth, to find her lilac.

Finally, Lin Kai found that soft sweetness, that slippery softness that welcomed him, dazzling and entangling.

A deep and lingering kiss, an indissoluble kiss, a tender and breathtaking kiss, a kiss that they will never forget.

Swirling, long and intense.

Lin Kai held Tang Huimin tightly in his arms, Tang Huimin wrapped her arms around his neck, that elastic body pressed against his firm chest.

The Policewoman Chapter 102

Stomp, stomp, stomp!

Suddenly, a sound of high heels scraping against the ground came from outside the hospital room.

The two bodies parted as if they had been electrocuted, and Tang Huimin sat on her buttocks on the hospital bed while Lin Kai stood in front of it in a daze.

"Ms. Tang, it's time for you to eat your dinner!" A nurse lady came in from outside with a nutritious meal, and seeing that Lin Kai was looking embarrassed, asked, "Captain Lin, would you like one too?"

"No no" Lin Kai replied in a panic, "I I am not hungry, thanks for the careful care you have given to my young aunt during this time."

"Don't be polite, it's what we should do," the nurse lady smiled at Lin Kai, put the simple meal on the bedside table and said to Tang Huimin, "Ms. Tang, please enjoy your meal!"

"Thank you!" Tang Huimin returned a grateful smile to the nurse lady.

After the nurse said goodbye and left, both of them looked a little awkward, unable to find a suitable topic for each other.

After a while, Tang Huimin slowed down and took the lead to say, "Xiao Kai, I'm not hungry yet, you can eat this dinner for me!"

After Tang Huimin said this, Lin Kai then remembered that he had injured two groups of punks when he accompanied Song Linna to Jiang's compound for lunch today.

After all that had happened, he hadn't had time to fill his stomach, so he nonchalantly picked up the nutritious meal that the nurse lady had prepared for Tang Huimin and ate it.

Looking at her nephew's wolfish appearance, Tang Huimin secretly laughed in her heart, while a trace of happiness flashed across her face with a sweet smile.

In a short time, Lin Kai had eaten all the nutritious food.

After dinner, Tang Huimin asked Lin Kai to take her for a walk outside to get some fresh air.

After they left the ward together and went downstairs, they each had their own thoughts on each other and no one spoke.

They walked silently along the road beside the green belt in the nursing home.

By now, it was past eight o'clock in the evening.

On both sides of the road, the street lamps stood silently and solemnly like sentries waiting for a review, standing in a straight posture, and the flashing lights were like the eyes of the sentries, gleaming.

Rows and rows of street lights stretch onwards.

Before they knew it, they had reached a large artificial lake in the sanatorium.

A full moon hung high in the azure sky, its light poured over the earth like water, as if it were gilding it with a silvery light, and the stars dotted the sky, blinking from time to time, like the misty eyes of beautiful girls.

By the artificial lake, the breeze blew and the willows clung to the clear surface of the lake, creating ripples.

A refreshing smell emanated from the air. A refreshing cool breeze blew with the scent of damp algae from the lake's edge.

They all seemed enchanted by the view before them, standing quietly by the lake, gazing silently at the shimmering water and admiring the floating willows.

The night is enchanting, the moon is like gelatin, and the wigwams of various forms are reflected in the clear water of the lake.

Beneath the willow trees at the edge of the lake is a neat lawn, where cicadas and frogs chirp and chirp, playing together in the music of the quiet night –

The mountains, the trees, the people, the clear lake, the green grass, the beauty of the moment, the company of a beautiful woman, is one of the most beautiful things on earth.

It was only after a while that Lin Kai slowly withdrew his gaze and looked into the clear eyes of Tang Huimin, only to find that Tang Huimin was also secretly looking at him.

The four eyes met, as if an instant spark of passion collided, and then moved away from each other as if they were afraid of being burned by the impending flame.

Tonight, Tang Huimin was a dignified, quiet and sophisticated woman, where was she when she was in her police uniform, a formidable and sacrosanct figure?

Perhaps it was due to the fact that her husband had been killed in the line of duty and Tang Huimin had been kidnapped by the bald man and others to save Lin Kai and sent to Liberty Island.

Having gone through so many trials and tribulations had to make her mature and calm in her dealings.

“Young aunt, what are you going to do after your injuries have recovered?” It took a while before Lin Kai organised his words and opened his mouth to ask.

“Well, I want to go back to work at my unit, and then, wipe out that gang of thugs from the Black Dragon Gang!” Tang Huimin had a seed of hatred in her heart, and her eyes flashed with hatred.

“Little aunt, don’t worry, this revenge, I will definitely avenge it for you.” Lin Kai held her hand, and at the same time, stretched out his hand to embrace her.

“Brat, let go of me!” Tang Huimin felt a sudden blush, pouted, and began to struggle.

Lin Kai obviously felt that her resistance was weak, and seeing that no one was around, he became even bolder and hugged her even tighter, as Tang Huimin gave up her struggle and wrapped her arms around his waist.

Smelling his aunt’s intoxicating body fragrance and feeling her elasticity and fullness, Lin Kai lost himself and could not help but knead her plump body.

Tang Huimin gasped, “Xiao Kai, you’re hurting me!”

“Oh, I’m sorry!” Lin Kai snapped out of it and apologised.

However, as soon as he let go, Tang Huimin reached out her hands and wrapped them around his neck.

.....

RING RING RING!

At this moment, the mobile phone placed in Lin Kai’s pocket rang out a pleasant ringtone.

The ringing of the phone seemed a bit out of place on this occasion and sounded less than pleasing to the ear.

Tang Huimin let go of her hand, stopped kissing him and impatiently asked

“Bugger, who’s calling?”

Lin Kai glanced at the phone screen and found it was an unfamiliar phone number, hesitating for a moment, he pressed the answer button anyway.

“You’re a friend of the owner’s wife at Jiang’s compound, right?” An eerie voice came from the phone.

“Who are you?” Lin Kai asked busily.

“Never mind who you are,” the man said coldly, “I’ll tell you what, we have the owner’s wife of the Jiang Family Compound in our hands, if you want to save her, do as I say and don’t go to the police, or I’ll do her in right now.”

“You mustn’t do anything,” Lin Kai was startled, fearing that Jiang Mei was in danger, and asked in a panic, “Where are you now? You tell me what I should do?”

“We’re at the eastern suburb auto repair shop, our boss has something he wants to talk to you about,” the man warned, “You came alone, if you try any tricks, you’ll be waiting to collect your corpse!”

“Who’s your boss?” Lin Kai asked eagerly.

“Cut the fucking crap, you’ll find out when you come.” The man said impatiently, and when he finished, the other party hung up the phone with a snap.

When Tang Huimin saw Lin Kai standing in a daze after answering the phone, she couldn’t help but ask.

“Xiao Kai, who called?”

“I don’t know,” Lin Kai shook his head and said, “They just said that they had the boss’s wife at Jiang’s compound and asked me to go over there for a while.”

“Are you familiar with the owner’s wife of Jiang’s compound?” Tang Hui Min questioned.

“Not very familiar,” Lin Kai shook his head and explained for himself, “We only met at noon today when I went to Jiang’s compound with Song Linna for dinner”

The Policewoman Chapter 103

“Boss lady, bear with me, I’ll untie you when I’ve finished with this gang of punks!” Lin Kai relieved Jiang Mei and dropped his gaze to the dozen of punks surrounding them.

When the gangsters saw that Lin Kai had broken free of the rope and gotten away from them, they were first shocked and then surrounded Lin Kai, ready to attack him again.

Lin Kai scurried up with an arrow step, grabbed the wrist of one of the punks and twisted his hand.

Click!

With a crunching sound, the guy’s arm was dislocated.

Lin Kai grabbed the rubber stick in his hand and smashed it towards the punks who were a bit confused by him.

Splat! Splat!

Seven or eight punks fell to the ground in response, each becoming haunted and wailing as the other punks were overwhelmed by Lin Kai’s momentum and backed away.

Feeling bad, a clutch of hairs quickly ran to Jiang Mei, who was tied to a column, put a dagger around her neck and yelled at Lin Kai.

“Stop, if you don’t stop, I’ll kill her!”

The Policewoman Chapter 104

As Lin Kai was far away from them, it was already too late to stop Ichabod’s action, so he stopped the work in his hands, looked angrily at Ichabod and said coldly.

“You clown, before I change my mind, you’d better let her go, or else you’ll die a horrible death.

As he spoke, Lin Kai had already pulled out the flying knife at his waist, but this guy, like a monkey, always hid his body behind him, not giving Lin Kai a chance to strike.

As the stalemate was going on, a large group of police officers rushed in through the door, led by Zhou Peng, the captain of the Criminal Investigation Brigade of the Municipal Public Security Bureau, who shouted out.

“Stop! Crouch down!”

The gangsters were shocked and turned their heads towards the workshop door.

When they saw a black gun pointed at their heads, they dropped their sticks, put their hands on their heads and crouched on the ground.

The policemen swarmed up and quickly handcuffed the gang of punks.

“You guys stay away or I’ll kill her” A clutch of hair saw the police come in and subdue his companions, and continued to hold Jiang Mei’s neck with a dagger, making a trapped animal move.

However, his voice was a little shaky, his expression a little nervous, and the hand that held the dagger, also began to be a little disobedient.

Taking advantage of Yichun Mao’s panic, Lin Kai made his move, only to see the flying dagger in his hand like an arrow from the string, as if it had eyes, and stabbed Yichun Mao straight in the wrist.

“Ah”

After a miserable scream, the dagger in Yichun Mao’s hand fell to the ground.

.....

Although Black Dragon did not take part in the operation, he was still uneasy about Yixue Mao and the others and had them install cameras in the scrap workshop in advance.

At this point, he had his driver pull a van over near the scrap auto repair shop and was staring at the video footage with two of his juniors with rapt attention.

When he immediately recognised the man who had come to rescue Jiang Mei as Lin Kai, a bloodthirsty glow shot out of his uninjured eye.

At this moment, he really wanted to arrest this Lin Kai, who had not been killed by himself but was now fighting against him at every turn, and cut him into pieces.

As a clutch of hair held the dagger to Jiang Mei’s neck and the gangsters tied Lin Kai in knots with ropes, the people in the car clapped their hands and shouted in approval.

“Hey, I can’t believe that this guy has three heads and six arms!” Black Dragon sneered, remembering when one of his eyes was stabbed blind by Lin Kai, a hint of murderous aura appeared on his face as he viciously said to a junior sitting beside him, “You quickly call and inform One Clutching Hair, chop that kid’s hand off first!”

“Okay, I’ll call now!”

The little brother hurriedly fished out his mobile phone and typed in One Clutching Hair’s mobile number, however, he was about to press the send button when the situation suddenly changed.

He only saw Lin Kai kick the tall, thin man away, and his body landed on the ground.

Immediately afterwards, Lin Kai broke free from the ropes and grabbed a rubber bat from one of the punks and swung it around the punks like nobody’s business.

Everyone was stunned as one by one the punks fell to the ground in response to the sound.

“It’s over, it’s over!” Black Dragon said anxiously after a sigh escaped his lips, “It seems that these losers are no match for Lin Kai, if these losers are caught, it will be trouble!”

During the conversation, Black Dragon’s face showed a look of excitement.

It turned out that on the video screen, a clutch of hair was holding a dagger to Jiang Mei’s neck, blackmailing Lin Kai into stopping his attack on his companions.

“I told you, this kid won’t let us down,” Black Dragon said happily, “This kid is usually like a monkey, I knew it, he won’t give up... I’d like to see how this kid Lin Kai will react next... I’ll see how Lin Kai will react next...”

Before he could finish his words, he saw Zhou Peng of the Municipal Public Security Bureau’s Criminal Investigation Brigade appear at the entrance of the workshop with a group of police officers.

Subsequently, as soon as the gang of brothers under his command saw the police, they were like rats seeing a cat, holding their heads and obediently squatting on the spot, being handcuffed by the police.

A clutch of Mao’s wrist was also stabbed by Lin Kai’s flying knife and howled as he crouched on the ground.

“Shit, the operation has failed!” Panicking in his heart, Black Dragon immediately turned off the video and hurriedly told the driver to drive the van away from the scene.

.....

After Lin Kai went forward and untied Jiang Mei, he came to Zhou Peng’s side and asked in surprise.

“Captain Zhou, what brings you here?”

“I rushed over as soon as I received the call from your sister-in-law.” Zhou Peng replied truthfully.

It turned out that when Tang Huimin saw that Lin Kai had gone alone to rescue Jiang Mei from a scrap car factory in the eastern suburbs, she was so anxious that she called Zhou Peng.

Zhou Peng was already courting Tang Huimin and thought it was an opportunity to show off in front of her, so he didn’t even think much about it, let alone report to his superiors, and brought his team here privately.

“Oh, so that’s how it is!” Lin Kai came to a sudden realization.

Jiang Mei smiled gratefully at Zhou Peng and said, "Captain Zhou, thank you!"

Seeing that Jiang Mei was injured and had a dishevelled hair and dishevelled clothes, Zhou Peng asked, "Boss Jiang, are you alright, should I call an ambulance to come and take you to the hospital?"

"It's fine," Jiang Mei said, shaking her head, "I'll just go home and rest."

"That's fine," Zhou Peng glanced at Lin Kai who was standing beside Jiang Mei and asked, "Do you want us to take you home in a police car or?"

"Don't bother you guys, I'll call a 'Tic Tac' over later and just take a ride home." Jiang Mei replied.

"It's not safe on the road, it's better for me to take her back!" Lin Kai volunteered to say.

"That's fine!" Zhou Peng nodded and then asked one of his men to come and finish taking statements from the two men and let them leave first after they signed and put their fingerprints on it.

Immediately afterwards, Zhou Peng asked his men to escort a clutch of hair and the others to the car, ready to go to the detention centre.

Suddenly, he remembered that Lin Kai had injured his top boss, Deputy Director Yan Zhengkuan's son, at Jiang's compound at noon today, and felt that something was fishy.

"Could it be that these people who kidnapped Jiang Mei, the owner's wife of Jiang Family Compound, were instructed by Deputy Director Yan?" Thinking of this, Zhou Peng's heart was tightened for a while.

.....

Deputy Director Yan Zhengkuan's home.

Yan Zhengkuan was sitting on the living room sofa watching TV while waiting for the phone call.

The company's main business is to provide a wide range of products and services to the public.

In order to take revenge for his son, he took the initiative to call Zhao Wenlong, the chairman of the Dragon Python Group of Companies, and prepared to use the hands of the Black Dragon Gang to get rid of the "murderer".

Zhao Wenlong then gave the task to the bald man, Black Dragon.

However, when Black Dragon kidnapped Jiang Mei, the wife of the owner of the Jiang family compound, and used her as bait to lure Lin Kai to the abandoned auto repair shop in the eastern suburbs, the police suddenly intervened and took away so many of his men.

Zhao Wenlong felt that Yan Zhengkuan, an old slicker, was deliberately filling his bucket, and felt very annoyed and frantic, so he took out his mobile phone and dialed Yan Zhengkuan's number.

RING RING RING!

Just as Yan Zhengkuan was getting anxious, the mobile phone that was sitting on the coffee table rang.

The screen showed Zhao Wenlong's name and phone number, and Yan Zhengkuan's heart fluttered with joy as he hurriedly picked up the phone and quickly pressed the answer button.

“Surnamed Yan, you are so ungrateful, why did you ask me to send someone forward to avenge your son while at the same time allowing the police to come and arrest them?”

Zhao Wenlong’s furious voice came from the phone

The Policewoman Chapter 105

Lin Kai drove Jiang Mei to the entrance of Lijing Garden District.

Jiang Mei extended an invitation to him saying, “Little brother, tonight, thank you for saving me, to express my gratitude, please come home for a cup of tea!”

“No,” Lin Kai shook his head and politely declined, “It’s getting late, you’d better go home and get some rest, I’ll visit you some other time!”

“Little brother, you know that I’ve been targeted by those guys, I’m afraid I’ll be blocked by them at my doorstep, you’d better send me home.” Jiang Mei said stubbornly.

“Alright then!” Lin Kai nodded, and then drove the Mercedes into the car park on the negative ground floor of the district and parked it in a temporary space.

After getting out of the car, Jiang Mei led him up to the 15th floor together in the lift.

After using the key to open the door to room 1501, she welcomed Lin Kai into the living room, and just after closing the door, she jumped into Lin Kai’s arms and began to choke up: “Big brother, thank you for saving my life.

“Big brother, thank you for saving me, if it wasn’t for you, I’m afraid I would never have come back”

Lin Kai was shocked by this sudden action of Jiang Mei, he wanted to push her away, but seeing her pearly face, he was a bit upset, so he said.

“You mustn’t say that, you were kidnapped by those thugs because I was implicated in injuring Vice Commissioner Yan’s son, it should be me who says thank you.”

“How do you know that Deputy Chief Yan ordered people to come and smash my hotel and kidnap me? Do you have any proof?” Jiang Mei asked eagerly.

“I’m just guessing too, I have no proof!” Lin Kai said, shaking his head.

Jiang Mei’s full body pressed against him, causing Lin Kai to feel a little impulsive, his key part swelling rapidly and pressing against her abdomen.

Jiang Mei obviously felt that humiliating anger of Lin Kai’s, and suddenly realising that she had lost her temper a little, she gently left his embrace and said.

“Big brother, you can sit in the living room for a while, I’ll go and get you a glass of water!”

After Lin Kai sat down on a bench sofa against the wall, he looked around –

It was a two-room room with what could only be described as “luxurious” furnishings, a large LCD TV, a leather sofa, a high-end stereo set and so on.

“Big brother, have some water first!” Jiang Mei used a disposable cup to pour a glass of water for Lin Kai at the water dispenser, folded it back and put it in his hand.

Lin Kai picked up the glass of water and took a sip, asking curiously, “Where’s your husband? Why isn’t he home?”

“I’m single and don’t have a husband,” Jiang Mei said lightly.

Seeing that she seemed to have something to hide, Lin Kai hastily apologized and said, “I’m sorry, I shouldn’t have asked that.”

“It’s okay,” Jiang Mei shook her head and said, “Big brother, you sit down for a while, I’ll go take a shower and come out later to change my clothes to keep you company,”

“Or else you can rest early, I,” Before Lin Kai could finish his sentence, Jiang Mei had already turned around and walked straight towards the bedroom door.

The actual fact is that you can’t be able to get a lot more than a few of these.

So he sat honestly on the sofa and watched the TV, not even knowing what was on the screen.

It wasn’t long before Jiang Mei finished her shower and came out of the master bedroom.

She had changed into a cream-coloured nightdress, and her long, slender figure, slender waist, firm peaks, beautiful jade neckline and white skin were all the more charming and beautiful.

The contours of her face have a rare and clear sculptural beauty, her eyes are clear and lucid, and her eyebrows are long and slanting towards her temples, adding to the brightness of her eyes.

Her alluring beauty is striking, making people feel that she is exceptionally poised and has a unique and striking beauty.

Lin Kai immediately two eyes, a strong sweep to her body wildly, that disobedient parts once again rose up, so that Jiang Mei shy with timid, full of red haze,

The actual fact is that you can find a lot of people who have been in the business for a long time.

“Big brother, have you eaten dinner?”

“Eat, ate,” Lin Kai suddenly remembered that he had eaten nutritious meals in his brother-in-law’s ward, became sober all of a sudden and said, “Boss lady, if there’s nothing else, I’m leaving, you’d better rest early , come back to visit you sometime,”

“Do you feel a little uncomfortable here because I’m not well entertained?” Jiang Mei questioned.

“No..... not at all.....” Lin Kai hurriedly defended himself.

“Since you didn’t, stay and have a couple of drinks with me and press my buttons for me,” Jiang Mei said pleadingly, “To be honest, this is the first time I’ve ever been kidnapped, and I feel palpitations when I think about it,”

“But I have to drive later, I can’t drink?” Lin Kai explained.

“It’s okay to drink a little less, besides, it’s the middle of the night, the police won’t come out to check for drunk drivers.” Without allowing Lin Kai to reply, Jiang Mei turned around and walked towards the kitchen.

In a short while, Jiang Mei came out of the kitchen with a tray carrying several steaming plates of dishes, a bottle of French red wine and two tall glasses.

She then placed the plates, glasses and wine on the coffee table, sat down next to Lin Kai and poured half a glass of wine into each of the two tall glasses.

Jiang Mei raised her glass and said, “Big brother, thank you for saving my life, if there is anything I can do for you in the future, please feel free to ask.”

“My name is Lin Kai, you can call me Xiao Lin from now on!” Seeing that Jiang Mei was so forthcoming, Lin Kai then told her his real name, and due to his special status, he did not tell her his profession.

“I can see that you are a man with a sense of commitment and responsibility, I like men like you!” Jiang Mei said, tilting her head back and draining her glass of wine in one gulp.

Not to be outdone, Lin Kai also picked up his own glass and drank it all.

After a few glasses of wine, Jiang Mei’s face was already full of red, delicate and charming.

“Xiao Lin, didn’t you just ask about my husband? To be honest, I am a divorced woman and I” Jiang Mei looked a bit drunk and began to tell Lin Kai about her marriage.

Lin Kai suddenly remembered the incident of his brother-in-law Tang Huimin who, unable to bear the loneliness and isolation of his life, secretly watched pornography and caused computer poisoning after his brother-in-law was killed in the line of duty.

Therefore, Lin Kai knew what a single woman needed and what she wanted to say.

So, he hurriedly interrupted Jiang Mei and said, “Boss lady, let those sad things in the past pass, don’t mention them again, you’d better rest early, I’ll take my leave first.”

With that, he stood up from the sofa and walked towards the door of the room.

“Xiao Lin, don’t go, I” Jiang Mei saw that Lin Kai was ready to leave and hurriedly chased after him to the door of the room, hugging Lin Kai’s front waist tightly from behind.

An intoxicating body scent came over him, and Lin Kai felt the elasticity and fullness of Jiang Mei’s body, so he turned around and uncontrollably stretched out his hands and wrapped them around her slender waist.

Jiang Mei shuffled up on her toes and took the initiative to ask him for a kiss.

Looking at her flushed face, watery eyes and sensual lips, Lin Kai became irrational and could not help but lower his head.

Immediately afterwards, two warm lips then joined together

The Policewoman Chapter 106

“How I want to hold you and cry, hold you tight, I’d give my all if only you could be happy, how I want to hold you and cry

Suddenly, the mobile phone in Lin Kai’s pocket sang.

Lin Kai snapped out of it and hurriedly pushed Jiang Mei, who was engrossed in a passionate kiss, away and pulled out his phone, looking a little hesitant when he saw Song Linna’s name and number displayed on it.

“How I want to hold you and cry” the pleasant ringing of the phone continued to sing.

Jiang Mei slowed down and reminded, “Your phone, why aren’t you answering it?”

“Oh” Lin Kai responded, hesitantly pressing the answer button before putting the phone to his ear.

“Lin Kai, what’s wrong with you? I promised to drive to pick me up for dinner tonight, I’ve been waiting for you at home for hours, why hasn’t there been any movement yet?” Song Lina’s reproachful voice came over the receiver, “Do you hate me so much that you don’t want to see me?”

“No..... not at all.....” Lin Kai defended himself.

“Then why didn’t you come over and call me?” Song Lina questioned.

Lin Kai glanced at Jiang Mei and said, “Mainly because the owner’s wife of Jiang’s compound was kidnapped by a group of thugs and I had to run to save her”

“Ah? She was rescued by you?” Song Lina asked eagerly.

“Yes, she’s fine,” Lin Kai replied, “When I was at a standstill with that gang of thugs, it was fortunate that your cousin Zhou Peng came over with a group of police officers and arrived in time, otherwise, it would have been more difficult for me to rescue her from those thugs by myself... ..”

“You’re the one showing off,” Song Lina chided Lin Kai and asked, “Do you know who did this?”

“Not yet, but I’m sure it’s related to the incident that injured Yan Dabao’s group when we were eating at the Jiang family compound at noon today.”

“Why?”

“Because, they wanted to take revenge on me before they carried out the kidnapping of the owner’s wife of Jiang’s compound and then used the owner’s wife as bait to trick me over”

“Oh, so that’s it,” said Song Lina in a daze, “So, the owner’s wife of Jiang’s compound was implicated because of us?”

“Isn’t it?” Lin Kai echoed.

“So where are you now?” Song Lina inquired.

Lin Kai looked at Jiang Mei once again and replied, “I just sent the boss’s wife home”

“Then keep her company, after all, it’s because of us that she was kidnapped by the thugs.” Song Lina admonished.

She had already been kidnapped twice and knew what it was like to be kidnapped, and felt deep sympathy for Jiang Mei and didn't think otherwise.

"That's fine, you should rest early!" Lin Kai said, and then hung up the phone.

Jiang Mei saw that Lin Kai was acting like his soul was lost after talking to Song Linna on the phone and asked, "Did your girlfriend come to the phone to check up on you?"

"Yes," replied Lin Kai, "We had arranged to go out for dinner together, and I rushed to that abandoned auto repair shop in the eastern suburbs to rescue you after receiving a call from those thugs, and I haven't had time to call her yet"

"So, she must have been angry and called to raise hell at you?" Jiang Mei asked worriedly.

Today at noon, Lin Kai and Song Linna had eaten together at the Jiang family compound when they had an argument with Yan Dabao, and Jiang Mei had been very impressed with Song Linna.

"Maybe", Lin Kai nodded noncommittally.

When Jiang Mei saw that Lin Kai was no longer interested in making out with himself after his phone call with Song Lina, as he had just done, she said against her will.

"I'm fine now, you should go back and keep her company!"

That was what Lin Kai wanted, "Okay, you get some rest early, I'll come over to see you again sometime." After saying goodbye to her, Lin Kai pulled open the door to his room and quickly left Jiang Mei's house.

Lin Kai took the lift downstairs to the car park on the negative ground floor, jumped into the Mercedes that was parked inside, started the car, and slowly drove away from the Lijing Garden district.

The night was dark and the lights were dim.

The nightlife of Yanjing City kicked off, with more people on the streets and all kinds of vehicles flowing in the streets.

People from all directions were pouring in, restlessness and hustle and bustle were always intertwined, and the steel and concrete buildings were still devouring the land, decorating the city with its endless charm

Lin Kai had no desire to enjoy the night view of the city.

He is now relieved that his sister-in-law, Tang Huimin, knows that he is in danger of going alone to rescue Jiang Mei and must be scared for him.

He planned to call her to explain the situation, but he was afraid he wouldn't be able to talk about it over the phone, so he drove to the military sanatorium.

It didn't take long for Lin Kai to pull into the military sanatorium, pull up under the small first floor of the building where Tang Huimin was staying, and rush into her ward in one breath.

When Tang Huimin saw Lin Kai enter the room, she jumped off the hospital bed and threw herself into his arms, stroking his cheeks with her hands and chattering incessantly.

“Xiao Kai, you’re back, you had me worried sick, are you alright”

“Yes, look, I’m fine, aren’t I?” Lin Kai’s face was rubbed by her jade hand, his nose smelling her fragrance, his face couldn’t be redder.

“Xiao Kai, promise me that you won’t bother with so many idle things in the future, you know? If anything happens to you again, I will collapse” Tang Hui Min’s soft and delicate body leaned in tighter, her whole body seemed to be buried into his arms, as if she had experienced a life and death separation.

“I I’ll listen to my little aunt I” Lin Kai felt the sweat rise straight to his forehead, that key part had protruded indecently, his heart was nervous and he began to speak incoherently.

“This is what you said? If you do not listen, I I will” said here, Tang Hui Min words suddenly broke off, because the small of her belly has touched Lin Kai indecent place, felt its anger.

“It’s over it’s over,” Lin Kai’s head was dazed, the feeling of the critical part against her soft belly was too clear, a torrent of sensation like electricity quickly spread throughout his body.

Wonderful! Exciting!

He wanted to hide, but there was no way to hide, and a little didn’t want to, it was too tempting

The two men’s faces were flushed with red, and this subtle atmosphere was somewhat familiar, cool like the image that had appeared on the yy picture that appeared on the computer screen when Lin Kai once went to Tang Hui Min’s house and helped her fix her computer.

This scene, the two men’s minds inevitably recalled the exciting look of the yy picture, their breathing ragged up, their emotions a little out of control.

“Little little bad egg is not thinking of women?” Tang Huimin came into Lin Kai’s ear and panted, her full peaks brushing against Lin Kai’s chest, her body not hiding from his humiliating anger, but instead pressed closer.

With a tingling in his ears, the strong scent of womanhood in his nose, the softness of her body close to him, the subtlety of the key, and the inciting words, Tang Huimin in his arms made Lin Kai almost collapse –

Yes, in front of a beautiful policewoman like Tang Huimin, as long as a man can’t escape being captured by her?

Lin Kai could not, not to mention that he had never experienced the baptism of spirit and flesh, and at this moment, desire burned in Lin Kai’s heart and exploded in their passion

The Policewoman Chapter 107

As expected, Zhou Peng led the police officers to send a clutch of hair and a dozen other criminals to the detention center on the way, he received a phone call from Deputy Director Yan Zhengkuan.

“Little Zhou, what’s wrong with you guys? You didn’t even call me to report such a big operation, do you still have me as your top boss in your heart?” Yan Zhengkuan loudly rebuked.

Zhou Peng’s heart shook as he said, “Bureau Yan, I was just about to call you to report this kidnapping case that just happened in the eastern suburbs of the scrap auto repair shop

“What the hell is going on?” Yan Zhengkuan asked deliberately.

“The thing is like this,” Zhou Peng recounted in one breath what happened when he received the alarm call and led his team to rescue Jiang Mei from the Jiang family compound.

“Who called you to the police?” Yan Zhengkuan asked afterwards.

“It was an anonymous caller who called the police, it’s not clear yet!” As the matter of Tang Huimin’s stay in the military sanatorium was still in a confidential stage, Zhou Peng did not tell the story of Tang Huimin calling him.

“Have the hostages been rescued?” Yan Zhengkuan asked knowingly.

“Well, they were rescued,” Zhou Peng replied truthfully, “We are sending the dozen or so thugs who took the hostages to the detention center and preparing to interrogate them, I will call you to report the results of the interrogation as soon as they are available

As soon as he heard that Zhou Peng wanted to arraign the suspects, Yan Zhengkuan felt a little anxious because these guys were secretly instructed by him through Zhao Wenlong, once the matter was revealed, they all had to be finished, and could only adopt a delaying tactic to let the people in the detention center gag a clutch of hair and other people first.

So, Yan Zhengkuan suggested: “I think the time is late, you temporarily put the gang of suspects into custody in the guardhouse, let everyone go back to rest first, in the morning, you go over to interrogate

“But” Zhou Peng understood Yan Zhengkuan’s meaning, but was too embarrassed to poke at it.

“Don’t but, just do what I want, let the team go home and rest!” Yan Zhengkuan said in a commanding tone.

“That’s fine, I’ll listen to Chief Yan!” Zhou Peng said hesitantly.

After hanging up Yan Zhengkuan’s phone, Zhou Peng was quite conflicted in his heart, on one side was his top superior Yan Zhengkuan, and on the other was the woman he liked, Tang Huimin, he could not afford to offend either side.

After hesitating for a moment, he was prepared to follow Yan Zhengkuan’s wishes, as they had already arrested the man anyway, and sooner or later they would have to interrogate them, and he did not care about these few hours.

The most urgent task was to go to Tang Huimin’s ward in the military convalescent home to show her merit in person, to gain her appreciation and thereby win her heart.

So, after conveying Deputy Director Yan Zhengkuan's instructions to his men, he immediately drove his Mitsubishi cross-country police car to the military sanatorium.

.....

At the moment, Lin Kai was struggling in his heart, wanting to avoid this temptation of his sister-in-law, but the physical pleasure was gradually annihilating his reasoning.

The body of Tang Huimin, who was lying in his arms, moved, and the strong stimulation produced by the slight friction made him he did not want to suppress his desire anymore, what he needed now was to vent it.

So, his big hands, which were wrapped around Tang Huimin, obediently pushed harder and harder on her soft waist, bringing his body closer to hers.

With only two thin layers of fabric between them, they could feel the heat of each other's bodies, and their bodies began to heat up and burn

Tang Hui Min tilted up her beautiful pretty face, her watery tenderness surfacing unreservedly on her seductive face, her pretty eyes slightly closed, her delicate red lips seeming to tempt him to taste them.

Lin Kai was already lost, he only had desire now, he longed to taste her fragrance.

He slowly buried his head, he could feel the breath between each other, the hot air puffed out of his face, his lips touched lightly and then, the four lips were glued tightly together.

.....

A Mitsubishi off-road police car sped through the neon-lit streets.

It didn't take long for the military sanatorium to arrive. Zhou Peng showed his temporary pass to the soldier guarding the gate and drove the police car into the military sanatorium.

He wanted to see Tang Huimin as soon as possible, to tell her how he had been reprimanded by Yan Zhengkuan after he had led his team to rescue Jiang Mei, and to tell her about the grievances he had in mind.

However, when he drove the police car to the small white building where Tang Huimin lived and ran in one breath to the door of Tang Huimin's ward, he was stunned by the situation inside.

He never expected that Tang Huimin and Lin Kai were actually hugging and kissing tightly together, "Isn't this incest?" Zhou Peng was so shocked that he couldn't help but cough twice.

When Tang Huimin heard the loud noise in that living room outside, she immediately opened her eyes and saw Zhou Peng standing at the entrance of the room with a shocked face, and immediately broke away from Lin Kai's arms.

Lin Kai turned around and looked at Zhou Peng with a stunned look on his face, and asked in a nagging voice, "Captain Zhou, you how did you get here?"

"Did I come at a bad time?" Zhou Peng tried to stabilize himself and said, "I'd like to say sorry if I've disturbed you guys"

Tang Huimin was instantly bashful and blushed, and after taking a moment to slow down, she said to Zhou Peng, "Little Zhou, it's not what you think, please listen to my explanation"

"There's nothing to explain, I understand everything," Zhou Peng said as he gave Tang Huimin a sultry look, "I had planned to come over and tell you about the gang of thugs and how Yan Zhengkuan blamed me, but now it seems that my thoughts were redundant and I made a fool of myself. "

"Captain Zhou, my sister-in-law", said Lin Kai, ready to explain for Tang Huimin.

"You guys need to stop acting in front of me, what little aunt and uncle? I see you have been secretly together long ago, right?" Zhou Peng looked angrily at Lin Kai with both eyes and said in a cold voice, "Surnamed Lin, by doing this, can you stand up to my cousin and her true feelings? I didn't expect that you were really a liar!"

"I" Lin Kai was about to explain, when Zhou Peng had already turned around and left.

"Zhou Peng, wait", Tang Huimin took a step forward, ready to go forward to catch up.

Lin Kai hurriedly took her hand and said, "Little aunt, don't chase after him, since he has seen everything, there is no need to do much explaining, just let him go"

"Brat, it's all your fault," Tang Huimin glared at Lin Kai and complained, "Now, the relationship between the two of us has been exposed, how will you let me behave in the future!"

"Don't worry, Little Aunt, I'll take responsibility for my actions," Lin Kai explained to Tang Huimin, "I'll go and tell Song Linna tomorrow that it's you I like, I just think of her as a friend" "

"You don't have to do that," Tang Huimin warned, "I'm telling you, Song Linna is a good girl, if you do anything wrong to her again, I'll never speak to you again."

"But, I only have you in my heart!" Lin Kai defended himself.

Tang Huimin said with a serious face, "I am your sister-in-law, you should stop hitting on me in the future, our kind of unclear relationship ends here."

"I" Lin Kai wanted to explain something else.

Tang Huimin hurriedly interrupted him and said, "Don't explain anything to me anymore, I don't want to hear anything, I'm tired and want to rest, you should go back to the base!"

While the two were talking, a nurse hurriedly ran to the door of the room and asked, "Ms. Tang, is something happening here?"

Tang Hui Min shook her head and replied in a panic, "No nothing has happened"

The Policewoman Chapter 108

"This woman makes a cold as ice, sacrosanct appearance on the surface, secretly actually fooling around with her nephew, wasting my true love for her, putting so much effort into her, doing so many things" "

After Zhou Peng drove away from the military sanatorium, he felt that he had made a fool of himself with Tang Huimin and felt quite aggrieved, cursing at her from the bottom of his heart.

At this point, he was in a terrible mood, so he drove his police car, flashing its lights and blaring its siren, rampaging through the streets, with pedestrians and vehicles mistaking him for being on official duty and making way for him.

When Zhou Peng drove his Mitsubishi SUV past the entrance of Yanjing Hotel, the words “Red Capital City Nightclub”, which were alternately flashing with neon lights and changing in various brilliant colours, caught his eye.

After the car was parked, he took off his police uniform and changed into a set of civilian clothes, and took the lift up to the fourth floor.

At the entrance of the Red Capital City nightclub stood two rows of greeting ladies dressed in cheongsams, like flowers, each with slim and tall figures.

“Good evening, sir, welcome!” Amidst the charming smiling faces and melodious welcoming voices of the young ladies, Zhou Peng walked into the Red Capital City nightclub.

The performing arts hall was packed with people.

Laser lights clashed powerfully in the dim and frenzied space, reflecting a colourful glow, and the deafening sound of music pounded hard on people’s ears and drums.

Smoke fills the air and lights shine.

The shouting dj lady’s voice was hoarse and full of madness and wild power. The dense crowd of men and women could not help but open their arms and dance wildly to the wild music of the dj lady’s crazy shouting.

Infected by this atmosphere, Zhou Peng temporarily soaked all his worries to the back of his mind as he took a seat on a swivel stool next to the bar and mimicked the movements of the others, swaying along with those crazy dancing men and women.

“What would you like to drink, sir?” A waiter asked as he approached.

“Beer!” Zhou Peng took out two hundred yuan and handed it to the waiter, who took the money and walked towards the bar, bringing him half a dozen Budweisers on a tray and uncapping the bottles.

Zhou Peng picked up a bottle of beer, and after blowing down into the bottle in one gulp, he felt his head get a little hot and his body a little hyper, and he couldn’t help but join the crowd and start dancing to the beat of the music.

“Isn’t this Captain Zhou? What brings you here?” Suddenly, a soft voice came from behind him.

Zhou Peng turned around to see a beautiful woman in a uniform dress standing in front of him with a smile.

“May I ask if you are” Zhou Peng frowned for a moment, although he looked a little familiar, he could never recall where he had seen her before.

“Captain Zhou is a noble man who has forgotten many things,” the pretty woman stepped forward and pressed her ear against his, introducing herself, “My name is Fan Yan, I am the foreman of the Red Capital City nightclub, and last time, when Chief Yan led the members of your criminal investigation team to the hotel for a celebration banquet, I was the one responsible for receiving you

“Oh, so it’s you,” said Zhou Peng, patting his head with his hand, “Look at my memory, I can’t even remember a big beauty like Manager Fan.”

“Hee hee, it’s mainly because you have so many beautiful women around you that you forgot about little people like us,” Fan Yan gave a charming smile and said, “Captain Zhou is a busy man, how come he has time to come here to amuse himself with us?”

“I

Zhou Peng remembered the image he had when he bumped into Tang Huimin and Lin Kai hugging and kissing each other at the military sanatorium, and was at a loss for words to answer.

Fan Yan seemed to have read his mind and said, “Captain Zhou, the hall is too noisy, I’d better arrange a ktv room for you, it’s easier to talk there

“This this

Zhou Peng wanted to say something but stopped.

Fan Yan Mei smiled, “Don’t worry, everything you spend in the ktv private room, I will sign the bill.”

“Then how is that nice?” Zhou Peng said hesitantly.

“It’s an honor for you to come to our place, there’s nothing to be ashamed of,” Fan Yan bowed down and made an inviting gesture to him.

Zhou Peng was too embarrassed to push back, so he followed Fan Yan to a luxurious ktv room.

The ktv room was quite luxurious, with first-class jukebox and audio equipment, a wide LCD projection screen, a thick red carpet, a sliding bench of leather sofas, and a row of rectangular glass coffee tables.

On the coffee table, there is a glassware full of foreign wine, a few bottles of Budweiser, a few plates of snacks, a stack of fruits and platters.

The music was soothing, the lighting was soft, and a few candles were placed in a few glass bottles, glowing with candlelight and emitting a pink glow, filling the place with a romantic atmosphere

Fan Yan went straight to the sofa, turned around and found Zhou Peng standing foolishly in front of himself, looking straight at her with both eyes, smiled flirtatiously and said softly.

“Captain Zhou, you sit down first, I’ll have a drink with you, and then, go out and arrange for two ladies to come in to drink and sing with you

“Thank you!”

Zhou Peng said thank you and sat down on the sofa with a buttock.

After Fan Yan picked up the glassware containing the foreign wine and poured most of the wine into two tall glasses, she handed one glass to Zhou Peng, picked up the other glass and clinked it with the one he was holding, and said.

“Captain Zhou, I wish you a good time tonight and feel at home, cheers!”

Without waiting for Zhou Peng to say anything, she tilted her head back and downed the wine from the quilt in one gulp. Seeing how quick she was, Zhou Peng also drank up the wine in her cup in one gulp.

After filling up Zhou Peng’s glass, Fan Yan smiled mysteriously at him and said, “Captain Zhou, take a seat first, I’ll go and let the lady in.”

“No no need” Before Zhou Peng could finish his words, Fan Yan had already stood up, walked to the door of the private room, pulled open the door and left.

Looking at the big beautiful lady Fan’s delicate figure disappearing at the door of the room, Zhou Peng had a feeling of being in a different world.

Duk Duk Duk!

In a short while, a few knocks came from the door of the room.

“Please come in!” Zhou Peng cast his gaze towards the door of the room.

The moment the door to the room had not been pushed open, his heart was beating so hard that it seemed like it would pop out from inside at any moment.

At that moment, the door to the room was pushed from the outside.

Two tall, pavilion-like, identical-looking beauties dressed in cheongsams walked in and gently closed the room door behind them.

One was black, the other white, one sultry and charming, the other pure and noble.

The two beauties intermingled, smiling nightmares like flowers, forming a unique set of scenery. Their luscious figures, convex and concave, would make every man’s blood surge at the sight of them.

Zhou Peng had been in the criminal investigation team for so long and had seen many beautiful women on the street, but he had never seen a pair of sisters who looked exactly the same, dainty and charming as the one in front of him.

If it wasn’t for the colour of the clothes they were wearing, it would have been impossible to identify their names.

Zhou Peng’s heart heated up and he felt his blood boil. He couldn’t help but stick out his tongue and lick his lips, staring straight at them with both eyes.

The Policewoman Chapter 109

The beautiful woman in the black cheongsam saw Zhou Peng staring at them, smiled at him and said in a soft voice.

“Excuse me, you are Mr. Zhou, right?”

“Mm.” Zhou Peng nodded mechanically.

“My name is Da Qiao,” the beautiful woman introduced herself before pointing to the beautiful woman in the white cheongsam standing beside her and smiling charmingly, “This is my sister Xiao Qiao, our foreman asked us to come over to keep you company.”

“Oh, it’s nice to meet you,” Zhou Peng said with a smile on his face as he slowed down and pointed to the bench sofa in the living room, “Please sit down!”

Xiao Qiao said delicately, “Mr Zhou, don’t be polite, it’s better to let us serve you!”

The two sisters smiled at each other and came forward together, stretching out their long, soft and tender hands, wrapping their arms around Zhou Peng left and right, and also rubbing their full bodies against Zhou Peng’s body.

The fragrance was dazzling, the fragrant breeze was puffy, and the hot air from left and right hit Zhou Peng’s brain like an electric current, and he felt his body was hot and his mouth was dry.

Big Qiao lifted her glass and said, “Mr. Zhou, let me toast you!”

Xiao Qiao lifted her glass and said, “Brother Zhou, I also toast you!”

.....

To wine and song, life is a happy place to be.

For a while, Zhou Peng’s head was a little blind, his body a little floating, left and right embracing and singing with the twin sisters to their heart’s content, not knowing whether it was day or night.

It didn’t take long for Zhou Peng to get drunk by Big Qiao and Little Qiao and collapse on the bench sofa in the ktv room.

Big Qiao patted Zhou Peng’s shoulder and asked, “Mr. Zhou, can you still drink?”

“Brother Zhou, wake up!” Little Qiao shouted as she attached herself to his ear.

When the sisters saw Zhou Peng looking like a dead pig, they passed each other’s eyes and helped him up, left the ktv room, took the lift upstairs and walked into room 1201 together.

Immediately afterwards, they placed Zhou Peng on the big bed in the bedroom inside, and while removing his clothes and trousers, they also took off the covering they had on.

At this moment, Zhou Peng gradually came to his senses.

The ugly face beneath his shiny appearance was uncovered on that big bed in the bedroom, forming a stark contrast to the two sisters beside him with their moist, lubricated skin and charming expressions.

.....

Meanwhile, Fan Yan took out her mobile phone and made a call, “Boss, I’ve asked Big Qiao and Little Qiao to arrange that policeman to room 1201 of the hotel as you instructed

“Very well, I’ll arrange for someone to go over there now to deal with it, just cooperate with them!” A man’s low voice came out of the phone.

.....

In room 1201 of the Yanjing Hotel.

A man and two women were obliviously tangled together on that big bed in the bedroom.

Big Qiao and Xiao Qiao were like two beautiful snakes, entwining Zhou Peng left and right, Xiao Qiao on the left as soft as a bone, and Xiao Qiao on the right with a delicate voice, Big Qiao occupying his upper body and Xiao Qiao dipping into his lower body.

The two snow-white, delicate bodies swayed and moved in front of Zhou Peng's eyes, making him feel dizzy and the bursts of pleasure coming from a certain part of his body made him want to die and feel like he was in a different world.

At this moment, Zhou Peng was like an eagle soaring freely, like entering a fairyland, like walking on clouds, in the clouds, not knowing where he was.

His body was constantly leaping backwards and forwards, like a wild horse that was tirelessly carrying two stunning beauties through the boundless wilderness.

Forward, backward!

Forward again, back again!

It was as if an energetic, tireless rider was desperately galloping his horse across the marshes, trampling through the mud, towards the distance, towards the boundless world, galloping away.

.....

Suddenly, the door to the living room outside was opened from the outside with a house card and a group of burly men rushed into the living room.

BANG!

With a loud pop, the door to that bedroom inside was kicked open.

"Ah!" The twin sisters on the bed let out a scream at the same time, their hands and feet scrambling to find the towels on the bed, using them to cover their bodies.

Before Zhou Peng could regain his senses, he had already been pressed to the bed by several pairs of strong hands, unable to resist, and his hands had been twisted behind his back.

A crunch!

With a crunching sound, Zhou Peng's hands had been bound by a nylon rope.

"Holy shit, how dare you fuck our boss's woman, you're fucking looking for death?!" A male youth shouted and punched Zhou Peng hard on the nose.

This punch completely woke Zhou Peng up, and he felt a blinding flash of gold stars in front of his eyes.

Zhou Peng's nose was hot and a stream of crimson blood flowed out of his nostrils. Before he could see clearly the situation in the room, Big Qiao and Little Qiao were already being carried away by two strong men wrapped in towels.

"What are you doing? Let them go, this matter has nothing to do with them!" Zhou Peng shouted, not forgetting to protect the twin sisters at this point in time.

It was a pity that his hands were handcuffed behind his back, and the more he moved, the tighter the handcuffs became, and the pain was unbearable.

At this point in time, Zhou Peng had all the skills, but he could not use his fists and feet.

He was being held down by several strong men, and there was nothing he could do about it, he smelled like a dragon being tricked by shrimps and a tiger being bullied by dogs.

"Stop it!" A bald man with a piece of gauze wrapped around his eye came in from that room outside and yelled sternly, "Who told you to be so unreasonable to Captain Zhou?"

The young man who had punched Zhou Peng hurriedly defended himself, "Brother, this guy is so insensitive, he dares to bully these two sisters-in-law, we should teach him a good lesson!"

"This is a civilised society now, do you think you can solve the problem with your fists?" The bald man said with a serious face, "We are all civilised people, civilised people should solve any problem in a civilised way, this use of violence by you is against the law, do you understand?"

"Boss, I get it!" The young man said obsequiously.

"Then why don't you bring out what you have filmed so that Captain Zhou can admire it?" The bald man said in a commanding tone.

As soon as the words left his mouth, one of his men came over with a laptop computer, inserted a USB stick into the computer, and used a wireless mouse to click on a file.

The computer screen immediately showed the titillating scene of Zhou Peng being helped into hotel room 1201 by Big Qiao and Little Qiao as they tossed and turned on the big bed

After watching the video, Zhou Peng was shocked.

Only then did he notice that the bald man in front of him was Black Dragon, the leader of the Black Dragon Gang who had kidnapped Tang Huimin and later his cousin Song Lina, and against whom the city's Public Security Bureau had issued a Class A wanted notice.

"Damn, I've fallen into the hands of this devil, this is the end!" Zhou Peng screamed in his heart and asked loudly, "What do you you want"

Black Dragon grimaced and asked rhetorically, "This evening, you led people to capture so many of my brothers, what else do you think I can do?"

The Policewoman Chapter 110

When Tang Huimin was hugging and kissing her young nephew Lin Kai in the ward, she was caught by Zhou Peng who was pursuing her.

This made her feel ashamed, especially when the nurse lady came to the ward after Zhou Peng had left to ask about the situation, so she urged Lin Kai to leave after stalling and sending the nurse lady away with lies.

Lin Kai had no choice but to drive back to the special forces base behind the sanatorium. After returning to his bachelor dormitory, Lin Kai was always on tenterhooks about the matter, fearing that Zhou Peng would tell on him in front of his cousin Song Linna.

Although he had not had a substantial relationship with Song Linna, Song Linna already considered him as her boyfriend in her heart, and it would be troublesome if the unruly and capricious Miss Song had something unpleasant to do with him because of this matter.

Lin Kai lay quietly on his bed, forcing himself not to think about those disturbing things, before he felt a wave of drowsiness, closed his eyes, and fell into a deep sleep.

When he woke up, it was already three o'clock in the morning.

Lin Kai hurriedly dressed and got up, washed his face and rinsed his mouth, and then went to the playground.

Except for the members of the squad he led, who were not in the set, all the other team members were there to receive training from their instructor, Zhang Tianhu.

As soon as Zhang Tianhu saw Lin Kai, he went up to him and asked, "Lin Kai, how is the investigation of your mission going? Are there any new developments?"

"The situation is like this, " Lin Kai reported to Instructor Zhang in one breath the situation he had and his thoughts.

"Okay, let's do as you want," after listening to Lin Kai's report, Zhang Tianhu admonished, "But you must hurry up, otherwise, I can't explain to the chief!"

"I promise to complete the mission!" Lin Kai gave a military salute to Zhang Tianhu, and then drove away.

When he arrived at Tang Huimin's convalescent room in the military convalescent hospital, he saw that Tang Huimin looked as good as if nothing had happened, and only then did he put his mind at ease.

So, together they went to the sanatorium restaurant.

This is a restaurant that serves the staff, leaders and family members of the sanatorium, so the environment inside is very good, clean and comfortable, and the quality of the food is good, with a good portion, a wide variety and a delicious taste.

As it was not yet time for the noon meal, only a few people came to eat in the restaurant, which seemed empty and cold.

After Lin Kai had chosen a window seat and sat down face to face with Tang Huimin, a pretty young waitress greeted him.

"What would you two like to eat?" The waitress asked enthusiastically.

Lin Kai was about to open his mouth when Tang Huimin answered first, "Don't be so troublesome, let's have two simple meals for us!"

"Okay, you two please wait!" The waiter smiled and left.

The waiter knew that all the young guests who came to dine here were either the children of military leaders or some fops or rich girls.

Such people were the kind of people they could not afford to offend, and the slightest carelessness would lead to unnecessary trouble.

Therefore, they offered them twelve minutes of enthusiasm.

Lin Kai was sitting exactly facing the entrance of the restaurant, and before he could finish his words, he locked his gaze on the two men who walked in from outside the restaurant.

The man in front of him was dressed in a military uniform, about 5'8" tall, with a sturdy body and dark skin, and was between 27 and 28 years old.

The man behind him, wearing a casual suit, was in his early twenties, and they were about the same height, except that this boy was thin and looked listless.

At a glance, Lin Kai recognized the kid behind him as Yan Dabao, the son of Yan Zhengkuan, the deputy director of the city's public security bureau.

"Doesn't he live in the city People's Hospital? Why did he come here?" Lin Kai felt a little puzzled when he saw Yan Dabao with a soldier wearing a military uniform.

Yan Dabao also recognised Lin Kai, and after froze slightly, he came back to his senses, stretched his neck, attached himself to the man's ear in front of him and spoke.

"Huh?" The man listened and asked in surprise, "Is this the kid who injured you and put you in hospital?"

"Yes," Yan Dabao nodded and begged, "Cousin, you have to do it for me."

"Come, let's go over and have a look." The man gave Lin Kai a careful look and then led Yan Dabao towards where he and Tang Huimin were sitting.

This man's name was Dong Jun, the son of Yan Dabao's aunt.

Dong Jun's grandfather, Yan Jingxuan, Yan Dabao's grandfather, was once the deputy commander of the Yanjing Military Region. After being sent to military school by his grandfather, Dong Jun's debauched personality was only slightly curbed, and after finishing military school, he was arranged by his old man to join the army, and has now been promoted to the position of company commander of the Yanjing Military Region's police company.

After Yan Jingxuan retired, he spent a long time convalescing in the military sanatorium. For fear of the old man's anger, Yan Zhengkuan and his wife did not tell the old man about Yan Dabao's hospitalization after being injured by Lin Kai.

Today, Yan Dabao dragged his cousin Dong Jun along to visit Elder Yan for the purpose of, firstly, coming to pay his respects and, secondly, to complain to him about his suffering.

The first time he heard that his grandson had been injured in hospital, he was furious and promised that Yan Dabao would go through his old ministry to inquire into the matter and make sure that the person who injured Yan Dabao was brought to justice.

Seeing that he was backed up by his cousin, Yan Dabao momentarily forgot the painful lesson he had learned at Jiang's compound when Lin Kai broke his arm, straightened his back and followed him to Lin Kai's front.

Dong Gong slapped his hand on the table, pointed at Lin Kai's nose and questioned loudly, "Hey, who told you to come here to dine?"

Tang Huimin had her back to the two men and did not notice them approaching, and was instantly startled by the suddenness of the situation and hurriedly stood up from the dining bench.

"Auntie, sit down, it's just two flies, there's nothing to be alarmed about," said Lin Kai, who was sitting opposite Tang Huimin, soothing her.

Tang Huimin recognised Yan Zhengkuan's son, Yan Dabao, at a glance, but pretended not to recognise him in order to conceal her identity, and sat back down as if she was obedient.

"A fly? Who are you calling a fly?" Dong Jun asked in an angry voice.

"Apart from you two, who else is there?" Lin Kai looked at Dong Jun disdainfully and asked in a cold voice, "Who are you, I don't know you, get lost and don't interfere with my meal with my friends."

"Kid, you have guts, how dare you come here and spill your guts here, what kind of place do you think this is?" Dong Jun asked in an angry voice.

"This place is not owned by your family, what do I care what kind of place it is?" Lin Kai said unconcernedly.

"Very well," Dong Jun said viciously, "Kid, don't be arrogant, I'll make you pay for what you just said."

"Yo, isn't this the little white boy who posed as Song Lina's boyfriend at the Jiang family compound?" Yan Dabao, who was standing behind Dong Jun, said grimly, "What, where did you abduct another beautiful woman from to dine here today?"

"What do you think you are," Lin Kai said to Yan Dabao as he raised a little finger, "Don't forget that you are my defeated servant, you are not qualified to talk to me."

"Hey, hey, in a moment, when you get beaten up and beg for mercy from us on your knees, then you will know whether I am qualified to speak to you or not." Yan Dabao sneered.

"That depends on whether you have the ability to do so." Lin Kai sneered.
