Chapter 1020 A Disappointed Ye Yu-Yan

Ye Fan's cool words reverberated across the training field.

His words were honest and brutal.

What made them hurt worse was the fact that they were the cold, hard truth.

Li Zi-Yang wasn't a threat to Ye Fan at all. In fact, he didn't even deserve the right to be called his rival.

Having said that, Ye Fan turned away, approached Ma Ming-Bo and admitted him into the Green Dragon Force too.

The two of them might not be the strongest amongst the group, but they had shown true mettle.

In the world of martial arts, having the right spirit was more important than being gifted.

No amount of talent was going to help if they didn't have the fighting spirit. They wouldn't get far.

Out of the thirteen of them, Ye Fan ended up picking four.

Chapter 1020 A Disappointed Ye Yu-Yan

They were the ones who had stepped forward, challenged Ye Fan to a fight and ended up having their ribs broken by the latter.

Ye Fan left the last vacancy unfilled. He would rather leave it vacant now than have it occupied by someone unworthy.

Ye Fan didn't return to Qingyang and stayed the night at the barracks instead. He began to put together a training plan for the members of Green Dragon Force.

He did not expect Ye Yu-Yan to seek him out that night.

"Is something the matter?" His voice sounded cold and distant, as if he would very much prefer to be doing something else than talking to her.

That had been the tone that Ye Yu-Yan had taken with Ye Fan many years ago.

No one could have expected fate to play such a horrible joke on them. The same scene was playing out once again between them, but their roles were reversed this time.

Chapter 1020 A Disappointed Ye Yu-Yan

Ye Fan didn't hate Ye Yu-Yan though.

He simply didn't care about or for her.

She was just a young girl. She didn't warrant Ye Fan's hate at all.

He viewed Ye Yu-Yan the same way he viewed Li Zi-Yang. They were like complete strangers to him.

"Fan..." Ye Yu-Yan said at first, then corrected herself immediately. "Instructor Chu, I would like to join the Green Dragon Force."

Her voice was soft and her head lowered as she spoke. One could hear the fear and guilt in her words.

She knew that she had no right to ask anything of Ye Fan, but she didn't want to let this opportunity slip her by.

The Green Dragon Force was the best special troops team groomed and trained by the Chinese military. They enjoyed the best resources and their members were destined for great things.

Ye Yu-Yan undoubtedly wanted to be a part

Chapter 1020 A Disappointed Ye Yu-Yan

of the unit.

Ye Fan didn't look up. Instead, he sat behind his desk and continued writing as he replied Ye Yu-Yan calmly. "I know. Every soldier in the Jiangdong military wants to be part of the Green Dragon Force."

"But..." For a moment, Ye Yu-Yan appeared conflicted before she finally bit her lips and spoke again. "...but Commander Wu Yang and the other high-ranking officers forbid female soldiers from taking part in the audition. Instructor Chu, I want to get into the unit based on my own merit and abilities, but the officers wouldn't even give me a chance."

"I hope that Instructor Chu can give me a chance to compete with them at the same level. That's all I ask."

Ye Yu-Yan's beautiful eyes shone brightly as she stared at Ye Fan with a pleading and hopeful look.

Unfortunately, Ye Fan didn't spare her a single glance. His head remained lowered as he continued writing.

Chapter 1020 A Disappointed Ye Yu-Yan

“You should speak to Commander Wu Yang then. He’s the one who made the call. I’m not the one you should be looking for. Alright, I still have matters to attend to. You can leave now.”

Ye Fan waved his hand curtly to send her on her way. He didn’t seem to want to waste another second of his time on Ye Yu-Yan.

The Ye family and Ye Fan had parted ways a long time ago. They had nothing to do with each other now.

In the past, Ye Fan might have tried to help her out because she was family.

But they had chosen to part as strangers.

Why should Ye Fan waste his time and energy on a complete stranger?

Besides, Ye Yu-Yan was a woman. She wasn’t going to be able to keep up with her male counterparts.

Wu Yang and the rest had known what they had been doing when they had forbidden female soldiers from taking part in the audition for the Green Dragon Force.

Chapter 1020 A Disappointed Ye Yu-Yan

A dejected Ye Yu-Yan walked out of Ye Fan's room.

Her beautiful face was filled with despair and sorrow.

Her eyes were all red and she looked on the verge of tears.

She walked alone in the dark, her heart brimming with a deep sorrow and loneliness. She couldn't feel more alone.

Ye Fan did not initiate any intense training the next day.

His new recruits had taken quite a beating yesterday. He decided to give them a break today and have them perform some simple physical exercises.

Ye Fan kept himself busy in the meantime. He found the support unit and handed them a list of ingredients.

"This is going to be the meal schedule for the Green Dragon Force from tomorrow onwards. Make sure you prepare their meals

according to the instructions listed here. I've included a list of herbs too. I want everything ready and stocked tomorrow."

If you wanted to practice martial arts, you had to work on everything.

You had to do extensive physical training.

You also had to eat and drink right.

If his team didn't get their energy sufficiently replenished, they wouldn't have the strength or energy to train at all. No matter how amazing Ye Fan's training methods were, they would eventually fail to produce results.

Ye Fan had also made some tweaks to the Dragon God Body's training method so that an ordinary person who had just begun training in martial arts could practice it as well.

Naturally, this simplified version of Dragon God Body wasn't as powerful as the one that Ye Fan was practicing.

Regardless, it would be enough. Li Zi-Yang and the rest were going to be terrifyingly strong if they managed to master even the

Chapter 1020 A Disappointed Ye Yu-Yan

simplified version of Dragon God Body.

After all, Dragon God Body was the most powerful defensive martial art.

Even if you were to unleash only a bare fraction of its power, you would find yourself almost unmatched amongst the average martial arts fighter.

“The training plan is almost done. Now, what about the fifth member of the Green Dragon Force? Who should I pick?”

Ye Fan was caught in a predicament.

No names came to mind. He couldn't think of any suitable candidate and his dilemma remained unresolved even after he returned to Qingyang that night.

“Lin Fan, what do you think you're doing? Watch yourself!”

Meanwhile, it was still noon. It was breaktime at the Jiangdong military barracks and Ye Yu-Yan found herself alone.

She had returned from her shower. She wore a loose long dress and her fringe was still slightly damp.

The strongheaded young woman looked surprisingly alluring and feminine as she emerged freshly showered.

Naturally, she drew some unwanted attention.

“Yu-Yan, I like you. Won’t you agree to be my girlfriend? Just say yes, and I’ll get my father to get you a place in the Green Dragon Force,” whispered Lin Fan almost feverishly.

“I’m going to say this one more time. Get out of my way,” Ye Yu-Yan snarled as she shoved down the waves of disgust and anger that bubbled inside her. Her fingers had tightened into fists.

The knowledge of Lin Fan’s status and influence was the only thing that was stopping Ye Yu-Yan from throwing her fists at him.

The young man didn’t seem to know when to stop. In fact, he got bolder and more handsy, and eventually tried to wrap his arm around

Ye Yu-Yan's waist.

“You asked for it!” Ye Yu-Yan wasn't someone you could push around. In a fit of fury, she unleashed the military boxing moves that she had learned from Lu Tian-He.

A shriek of pain rang out. Ye Yu-Yan flipped Lin Fan onto the ground, twisted his knee and broke his arm.

Chapter 1021 The Meaning of Despair

Ye Yu-Yan lived up to her name as Lu Tian-He's principal disciple. Her military boxing was flawless.

She nearly crippled Lin Fan.

The man's howls of pain could be heard across the whole barracks.

He was sent to the military hospital that afternoon.

Lin Qing-He was shocked when he heard that his son had been severely injured. He skipped a military meeting and drove straight to the hospital to see his son.

When he returned to the barracks that evening, Lin Qing-He issued orders for Ye Yu-Yan's arrest immediately.

She was arrested on charges of assault and was going to be court martialed.

The young woman was furious, but there was nothing she could do.

Lin Qing-He called the shots in the military and she was but a young woman and a nobody. With a snap of his fingers, he could

Chapter 1021 The Meaning of Despair

get her dealt with.

Lin Qing-He wasn't bothered by Lu Tian-He at all.

The general was miles away. No matter how influential he might be in Yanjing, he had no say in what happened in Jiangdong.

Besides, Lin Qing-He had ordered his men to take away Ye Yu-Yan's handphone. She had no way of contacting anyone.

She couldn't call Lu Tian-He for help even if she wanted to.

The princess of the Ye family had been cast into a dark and cold prison cell.

Everything had happened too quickly.

Ye Yu-Yan couldn't accept what had just happened to her.

Ye Fan, who had already returned to the old Chu family home, had no idea what had happened to her.

"Did you miss me, Miss Yu?" teased Ye Fan when he returned to the old family home and

Chapter 1021 The Meaning of Despair

saw Yu Yun return from practicing her swordsmanship.

“Shut your stupid trap!” Yu Yun glared angrily at him. She would have cleaved him in half with her sword if she didn’t need him for her evening training. Her voice was frosty when she spoke next. “Get your ass into the kitchen and whip up something for me if you still want to practice Dragon God Body with me.”

Ye Fan smiled wryly when he heard that. This young woman was treating him like her personal chef.

Ye Fan didn’t try to pick a fight with her. He would have offered to help out in the kitchen even if she hadn’t mentioned a word.

Old Madam Chu was cooking inside.

Ye Fan exchanged some pleasantries with the old lady before he recalled the Revitalization Bath she had brewed in the past.

The bathwater had healing and rejuvenating properties. It would improve the results of one’s martial arts training.

Chapter 1021 The Meaning of Despair

If he wanted to train and build the Green Dragon Force within a short span of time, he was going to need some of that Revitalization Bathwater.

“What? You want to soak those children in the Revitalization Bath?” Old Madam Chu shook her head furiously when she heard Ye Fan’s request. “No way. That won’t do. You’ll kill them. The bathwater is incredibly potent. Only people like you and Yun, who are practicing Dragon God Body, can survive a soak in those waters and absorb its medicinal properties. Ordinary folks won’t be able to withstand it, not even after I’ve diluted the water to one-hundredth of its original potency. They’ll suffer an overdose and die. Besides, this is a family secret. I can’t let you take it and bring it into the military barracks.”

The old lady refused Ye Fan’s request flatly.

Ye Fan had expected her refusal though, and wouldn’t give up on persuading the old lady. “Great grandmother, I’m not asking for the complete prescription. You could modify the original and write one that’s suitable for their consumption.”

Chapter 1021 The Meaning of Despair

The old lady nodded. “That’s not a bad idea. I didn’t expect you to be so invested in this. I was expecting you to mess things up!”

Ye Fan smiled. “I’m a man of my word. I’ve made a promise and I’m going to do my best to keep it. Besides, I’ll have my own use for a powerful Green Dragon Force in the future.”

Ye Fan wasn’t lying. His current efforts were partially fueled by personal interest as well.

He was the founder of the Green Dragon Force. A powerful and independent unit that was wielded by the Chinese military as one of its strongest military units was only going to be boon to Ye Fan.

He would have someone watching his back and protecting his interests in Jiangdong then.

By creating the Green Dragon Force, he was helping the military to train their soldiers and expanding his sphere of influence at the same time.

“Alright. I’ll help you with the prescription and try my best to get it done within the next few days. You’ll have it then.” The old lady

Chapter 1021 The Meaning of Despair

finally agreed to Ye Fan’s request.

“Thanks, Great grandmother,” said Ye Fan merrily and with a laugh.

He spent the rest of the night training with Yu Yun.

The Dragon God Body inside them gradually absorbed the energies inside the other person.

But Ye Fan and Yu Yun failed to notice something. As their number of practices continued to grow, the speed at which they were absorbing the energies from each other’s body had begun to slow down.

Ye Fan returned to the barracks the next day.

He gathered the members of the Green Dragon Force and handed them each a small booklet.

“What is this...? The Green Dragon Technique?”

The new recruits were surprised when they

Chapter 1021 The Meaning of Despair

read the bold calligraphic words written on the booklet's leather cover.

They weren't martial arts practitioners and thus had no idea what that meant.

"Don't ask. We will be conducting training based on the contents of this book. You are to master this technique within a month."

The Green Dragon Technique was the modified version of Dragon God Body.

It was considerably less powerful than Dragon God Body but sufficiently powerful to serve its purposes.

"Another thing. I've fixed a daily schedule for you. You'll eat, rest, shower and sleep as I tell you to. Anyone who goes against my orders will be punished accordingly. In addition, you're not to share the details of your training during this intensive training period. You may not contact anyone outside the military. Don't ask why. There is no 'why'. If you think you won't be able to keep up with those rules, now's your chance to give up," said Ye Fan sternly.

Li Zi-Yang and the rest dared not voice any

Chapter 1021 The Meaning of Despair

complaints and instead, declared firmly that they accepted the rules that Ye Fan had set for them.

The first day of their training began.

During their break, Ye Fan received news that something had happened.

Ye Yu-Yan had been arrested and was currently locked up in the military prison.

It was pitch black in the prison cell.

Dressed in a prisoner's garb and her eyes filled with helplessness and despair, Ye Yu-Yan huddled in a dark and damp corner of her cell.

She was leaning against the wall, her legs pulled close to her and her face buried between her knees.

The pride and joy of the Ye family who had strutted proudly down the streets of Qingyang had become a pitiful and hapless prisoner.

Chapter 1021 The Meaning of Despair

Ye Yu-Yan was convinced that she had never felt as utterly devastated and hopeless as she was feeling now.

She dared not think about her fate. What if they sentenced her to ten years in prison? What would become of her?

A flood of despair, fear and indignation surged within Ye Yu-Yan and threatened to pull her under.

She finally broke down and wept like a child.

Tears soaked her shirt.

Once upon a time, she had been convinced that she had a bright future ahead of her.

Now, she saw nothing but darkness. The road ahead of her was a tunnel that was filled with despair. She saw no light at the end of it.
