

Chapter 1021: Celestial Meteorite

"Material, huh?" Xing Aiyong pondered for a moment before retrieving a black crystal that appeared to have tiny stars flickering within.

Su Yang's jaw dropped the moment he saw this crystal, and he said in a dumbfounded voice, "Y-You want to use that chunk of Celestial Meteorite for a toy? Do you have any idea how valuable that treasure is? You can fund the Boundless Yin Yang Sect for ten thousand years with that kind of money!"

The Celestial Meteorite is an exceedingly rare material that can only be found in the scary sky above the heavens. The Celestial Meteorite is rumored to be part of many top-tier divine artifacts within the Four Divine Heavens and that it can make even an ordinary weapon into something that can kill immortals.

And the amount of Celestial Meteorite in Xing Aiyong's hands was enough to make even the Ten Families go to war. However, Xing Aiyong would rather use this precious material to create a sex toy. If news of this were to spread, the Divine Heavens would most likely be outraged by such a wasteful use of material.

"It's not like I have any other uses for this treasure," Xing Aiyong casually shrugged. Su Yang shook his head and sighed, "Even if you tell me that, I won't be able to make a dent in that chunk of rock even with my strongest Sword Qi, much less carve my penis out of it..."

"It's alright. I can wait, We have plenty of time, anyway." Xing Aiyong smiled.

"If you really want to, we can have someone else make it. We happen to have an expert in our family, and since she's part of the family, it would be fine to let her know about my situation." Su Yang suggested.

"First of all, we don't even know where she is right now. Second, I don't want to. The toy will not have the same sentimental value if it's not done by you, making it worthless."

"I understand. In the meantime, you can play with the real one." Su Yang chuckled.

A playful smile appeared on Xing Aiyong's peerless face as her hand slowly crept onto Su Yang's dragon. She moved her body next, lowering her body until her face was right before the rod.

After giving it a gentle kiss, she began sucking on it with passion.

Once they were both ready, they connected their bodies and started cultivating with each other until they were both soaked in sweat.

The following day, "Su Yang left the house early in the morning, and three figures greeted him at the entrance to their land.

"I knew you'd show up." Li Sang showed a wide smile on his round face.

"I am bored, that's all" Su Yang said.

"Trust me, you won't be bored after today when you get a partner! Ji Ning laughed out loud.

"Let's hurry up and get to the location. They will start the briefing soon." Wu Bing said to them.

Sometime later, they arrived on this island floating in the sky above the Outer Court. In the Divine Heavens, these floating lands are a very common sight, and one can see them in pretty much every sect. On this large island was a huge stadium and thousands of disciples from Outer Court disciples to Inner Court disciples.

Although most of these spectators already have a partner, they all wanted to experience this matchmaking event that only happens every ten years.

"If you're participating in the event, go onto the platform in the middle! Everyone else will go to the spectators' area!" There were multiple sect elders there giving directions.

Su Yang and the Outcast Triplets entered the stage, where hundreds of participants gathered.

"Wow, there are so many single disciples this year. I wonder if something happened." Wu Bing mumbled to himself when he saw how many disciples were looking for partners this year.

Even though the event was created for new disciples like Su Yang, old disciples can also participate in the event if they were single as well. In fact, there are usually more inner court disciples than outer court disciples at this event.

After waiting around for about half an hour, an exceedingly handsome middle-aged man descended from the sky and hovered above the platform in the middle of the stadium.

"Welcome to another matchmaking event, disciples. I, Shengguang Qiang, will be your host today." When the ladies saw Shengguang Qiang, they all began shouting like fangirls, as he was one of the more popular elders within the sect.

"Today, all of these unfortunate souls have gathered here today for one purpose. Whether they have always been single or used to be single, they wish to leave this place today with a partner."

Shengguang Qiang spoke as he pointed at the people on the platform. And he continued, "The rules are simple. These individuals will each be given 3 minutes to introduce themselves, and at the end, those who are interested will have 2 minutes to approach them and become their partner."

"Whether you are a spectator or a fellow participant, you are allowed to approach the individual."

"If there are multiple interests for one person, that disciple will get to choose one— or as many as they want. Of course, your partners will also have to agree if you want to accept multiple partners."

"Once their time is over, nobody is allowed to approach that disciple any longer. You will have to wait until the event is over."

"As for the participants, you may use whatever means you can to attract your potential partner. That's all. I wish you all the best of luck."

Shengguang Qiang retrieved a box that had a hole on the top from his storage ring afterward, and orbs of light would escape from this box, flying towards the participants.

"These orbs will give you a number, which will decide the order."

"It you have number one, you may step in the red circle and begin, Your timer won't start until you enter."

A few moments later, the disciple that got to go first approached the red circle that was in the front of the platform. He took a deep breath and began introducing himself in a loud and clear voice.

Chapter 1022: I Am Xiao Yang

"My name is Yang Kai, and I came from a middle-class family in Spirit Heaven..."

The disciple used all three minutes to introduce himself, and he would talk about his hobbies and what he was talented in.

Despite his calm voice, everyone could tell that he was nervous from his stiff body movements, which isn't an uncommon emotion during this kind of event.

However, even then, someone from the audience approached him and offered to be his partner, which he gladly accepted.

"What are you going to say when you're up there?" Li Sang asked them while the disciples continued to introduce themselves one by one.

"Fuck, I forgot everything I wanted to say!" Ji Ning began tapping his legs in a nervous manner.

"I'll just say whatever comes to mind." Wu Bing shrugged.

"What about you, newcomer, Disciple Xiao?"

"Who knows." Su Yang also shrugged, but he appeared more nonchalant than Wu Bing.

"By the way, what are your numbers?" Wu Bing asked.

He showed them his card.

'154'

Ji Ning showed his card that said, '311'

Fuck, I got 99. That means I go ahead of you two."

They turned to look at Su Yang's card.

"696? What a lucky number you have there. You're practically last!" Li Sang said.

Sometime later, Li Sang approached the front of the platform when it was his turn.

He took a deep breath and began speaking in a confident voice, "My name is Li Sang, and I am 25 years old! If you want to feel warm and cuddle with this round body during cultivation, come with me! My Yang Qi is also a little special, and it will benefit your cultivation greatly!"

The audience fell silent after hearing Li Sang's awkward introduction, and after a moment of silence, it roared with laughter.

Li Sang's face immediately flushed with redness, but he didn't dare to run away and waited for his partner.

And right when his two minutes were up, right as he was about to walk out of the red circle, a figure appeared before him, and it was a pretty young lady.

"If you don't mind, I will be your partner," she said to him with a charming smile on her face.

This shocked the audience and the other participants. They didn't expect for Li Sang to actually get a partner after his introduction!

"I-I-I don't mind!" Li Sang stuttered, as he was just as shocked as everyone else.

"Motherfucker, he actually got a partner!" Ji Ning cried in a low voice.

Su Yang smiled and said, "In the world of dual cultivation, there are people who are desperate and are willing to sacrifice anything in order to achieve their goal, just like the normal cultivation world.*

"You could be the ugliest man in the world, but as long as they are desirable for whatever reason, they can get a woman,"

"Fuck! If Li Sang can get a woman, I don't believe that I cannot do the same!" Ji Ning's eyes flared with excitement.

Sometime later, Li Sang returned to the group with his new partner and a wide smile on his face.

"Hahaha! I knew I could do it! Meet Miss Wu, my new partner!"

While Li Sang introduced his new partner to the other two, Su Yang looked at this woman in the eyes.

He could tell that this woman wasn't actually happy about her new partnership, but for whatever reason, she chose him.

The woman noticed Su Yang staring at her and smiled at him.

He decided to smile back and no longer bothered with her.

Regardless of her reason, it was none of his business, and as long as it wasn't malicious, he won't intervene.

Sometime later, Ji Ning went onto the stage and began introducing himself.

Once he was done, he began waiting for his faithful partner.

However, two minutes passed in a flash, and nobody approached him.

Ji Ning released a depressed sigh before regrouping with the others.

"Don't worry, you'll eventually get one." Li Sang patted his back when he returned.

"Fuck you." Ji Ning sighed.

Eventually, Wu Bing entered the red circle and began his introduction.

"Wu Bing, 27 years old, I have special Yang Qi, but I am unable to get my treasure to work. If you can help me get it up, I will give everything I have to offer."

A minute later, three disciples appeared before Wu Bing.

"Let us try."

"Of course." Wu Bing nodded.

"That fucker got three women?! Damn it!" Ji Ning felt a strong urge to cry. "

"It doesn't matter how many he gets. If he cannot get it up, they will all eventually leave him. This isn't the first time." Li Sang chuckled.

"Oh, right. Now that you mention it, he had over 20 partners since he joined, but none of them could get his ching up." Ji Ning nodded, feeling a lot less envious.

Eventually, it was time for 696 to enter the stage.

"You're up next, Disciple Xiao." They turned to look at Su Yang.

"Looks like it." Su Yang smiled, and he slowly approached the red circle.

'It'd that stalker...' Disciple Fei narrowed her eyes at Su Yang when she saw him from the audience.

Once Su Yang stepped into the circle, he swept the audience with a sharp gaze before speaking in a loud and clear voice, "I am Xiao Yang, and I used to own a massage parlor in the City of Pleasure before coming to this place. I don't care if you're an Outer Court disciple or a Core disciple, if you're bored of your current partner or you're feeling stressed, my bedroom door will always be open."

Su Yang then retrieved a small box and opened it before everyone there, revealing a golden pill within.

"This is a Golden Yin Pill. I won't explain its properties since I trust that most of if not all of you already know its effects. If you're not satisfied with our cultivation, I will give it to you.

You can find me at building 9 on Outcast Peak."

Su Yang's introduction was only a minute long, and after he finished, he turned around and walked out of the red circle without giving anybody the chance to approach him, which

left the audience and even Shengguang Qiang dumbfounded.

Chapter 1023: Warming Up

"W-What the hell kind of introduction was that, Disciple Xiao?" Ji Ning asked him when he returned.

"That was more of an advertisement for your massage parlor than a freaking introduction! How are you going to get any partners like this?!" Li Sang sighed out loud.

"By the way. I am more interested in the Golden Yin Pill. I have never heard of it. What does it do?" Wu Bing asked him.

"The Golden Yin Pill increases the quality of one's Yin Qi by two to three levels. It's not a priceless treasure, but it's good enough for a place like this." Su Yang said with a smile.

"And my objective for coming to this sect isn't to find partners. I'm here to raise my cultivation, and that's all that matters," he added.

After Su Yang's little show, the place did not return to normal for many minutes, and the next few disciples that stepped inside the red circle were unable to find partners.

Eventually, the event came to its end.

"Thank you all for coming to today's event, and I bless all those who were able to find a partner today. As for those that were unable to find a partner, don't lose hope. There will be countless more opportunities for you to find a partner in the future." Shengguang Qiang said to the disciples there before flying away.

The spectators also began disappearing from the scene shortly after.

Su Yang and the outcast triplets returned to the Outcast Peak.

"Then I will see you guys later. I am going to bond some more with my new partner." Li Sang said to them before walking away with his new partner and a smug smile on his face.

"That damn fatty... How the fuck did he manage to get a partner and I didn't?" Ji Ning sighed.

"I will also see you guys later. Good luck." Wu Bing said to them before walking away with his three partners.

"So it's just the two of us that are still single, huh? I thought it was going to be easy to find a partner in a place like this when I first joined, but alas... Competition here seems even more difficult than the outside world."

Su Yang smiled and said, "Have some faith and confidence in yourself. Women- they don't like men with such weaknesses, at least most of them." read on lightnovelpub.com to see more.

"Thanks. And good luck to you too, I guess." Su Yang nodded and returned to his living quarters.

"How did it go? Your matchmaking." Xing Aiying asked him when he returned.

"We'll find out soon."

"Knowing you, you probably used a treasure to challenge them. So... what kind of treasure did you offer?" Xing Aiying stared at him with a smile on her face.

Su Yang chuckled, "The Golden Yin Pill."

"I see... That is definitely enough to stir up chaos within the Outer and even Inner Court."

"Are you sure you don't want to prepare? There's going to be a line outside this building very soon."

"I'll be fine, but I can use a warmup." Su Yang said with a profound smile.

"I was thinking the same." Xing Aiying didn't waste any time removing her clothes.

However, before she could even remove a single piece, someone knocked on his door and said, "Manager, there are people standing outside our building." Mei Ying's voice resounded.

"Looks like they came sooner than expected." Su Yang said.

"What a pity. I wanted to help you warm up."

"Silly thing, you think I'd put others ahead of my own wife? Family comes first." Su Yang smiled.

He then spoke out loud, "Tell them that I need some time to prepare!"

"I understand." Mei Ying responded before going outside to speak with the disciples.

"Shall we get started with the warm up?" Su Yang asked Xing Aiying as he started loosening his robes.

A beautiful smile appeared on Xing Aiying's face, and she quickly sealed the room with a powerful formation that not only removes their disguise but also completely separates them from the rest of the world so that nobody would be able to disturb them.

Meanwhile, outside their building, Mei Ying said to the three beautiful disciples standing outside, "I'm sorry, but the Manager is currently preparing. He should be with you shortly."

The disciples looked at her with raised eyebrows.

"Manager? I guess he really owned a massage parlor... Are you his client or worker?" One of the disciples asked her.

"I work for him."

"I see... Can you tell us a little more about him?"

"What do you want to know about the Manager? Unfortunately, my knowledge is limited since I am still relatively new."

"Well... You can just tell us everything you know about him."

Mei Ying nodded and said, "The Manager is not only the most generous person I have ever met, he's also my savior. He-

"What about his skills?" One of the disciples suddenly interrupted.

"If you're talking about his hand techniques, then I can only say that he's one of if not the best out there. As for his other techniques..." Mei Ying blushed slightly when she recalled how he embraced her body. Try the platform_for the most advanced_reading experience.

"His massage parlor became one of the most popular businesses in the City of Pleasure in a few weeks for a reason."

"I've never been to the City of Pleasure, so I do not know their standards, but I have high expectations after hearing his little speech today. He sounded quite confident in his abilities." The disciple smiled.

"To bet on a Golden Yin Pill... I am going to be the one who acquires it."

"Keep dreaming. If anybody is going to get the pill, it will be me!" A fourth disciple suddenly showed up. Soon, more and more disciples started showing up at Outcast Peak.

Just what in heavens' name is the Manager up to this time? Why are there so many people looking for him? It's almost as though he started his business again...' Mei Ying wondered inwardly as she managed the line, which filled up quite quickly.

Chapter 1024: Ten Minutes

A few hours have passed since female disciples started gathering in front of Su Yang's living quarters, and the line to challenge him only grew longer as time passed, easily reaching a hundred disciples.

"Hey! Where the hell is this guy? We have been waiting here for hours!" One of the disciples there finally lost her patience and confronted Mei Ying, who had been managing the line this entire time.

"I'm sorry, but the Manager will be here as soon as he's ready..."

"Hmph! He's probably avoiding us on purpose! I knew it was too good to be true! Golden Yin Pill my ass! I bet that he doesn't even have one! Think about it! Why would a man have a Golden Yin Pill? He's just making fun of us!"

"Damn it! I cannot believe that I allowed an outcast to fool me like this! I swear I am going to burn this place down!"

Mei Ying began sweating profusely after hearing these disciples' threats, but there was nothing she could do if they really acted upon it.

"Calm down, ladies."

A calm voice suddenly resounded, causing the disciples there to look at the entrance of the building, where an ordinary looking young man stood.

"I apologize for making you wait this long, but I was a little occupied. In order to compensate for the trouble, I will double the reward, so I will give everyone here two Golden Yin Pills instead of one if I cannot satisfy you." Su Yang said to them with a confident smile on his face.

"I won't believe a word you say until you show me the Golden Yin Pills." Someone there said out loud.

"That's right! Show us the Golden Yin Pill!" A few disciples chanted.

"Very well."

Su Yang nodded before retrieving two small glass bottles from his storage ring.

"Here you go .Two Golden Yin Pills." Su Yang held the golden pills before these disciples.

"I-It's really the Golden Yin Pill..." They muttered in a dazed voice as they glared at these pills with a covering gaze.

All of the disciples there were Outer Court disciples, and the Golden Yin Pills in Su Yang's hands could be what they needed to become Inner Court disciples.

"A-Are you really going to give us these Golden Yin Pills?" One of them asked for confirmation.

"If you're not satisfied by the time you come out, yes." Su Yang nodded.

"So... Who is first?"

"M-Me!" A young lady with short black hair eagerly stepped forward.

"Once again, sorry for the delay. Follow me." Su Yang proceeded to lead this disciple to the backyard, where a bed was set up.

"W-We're going to do it here? In your backyard?" The disciple looked at him with clear disbelief on her face.

"Don't worry, there is a concealment formation surrounding this place. Nobody will see or hear us." Su Yang said.

The disciple was speechless. Even if that was the case, it would still be incredibly awkward to cultivate in such an atmosphere.

However, there was a Golden Yin Pill on the line, so she couldn't just give up.

"How long do we have to do this for?" The disciple asked him as she approached the large bed.

"Ten minutes. If you're not satisfied within ten minutes, I will consider it my defeat." Su Yang said.

"T-Ten minutes?" The disciple turned to look at him with wide eyes.

Even though she felt like she was being underestimated, the disciple endured the feeling of humiliation and didn't complain about the time limit. After all, it would only make things more difficult for her if he increased the time limit.

"Do you have any more questions before we begin?"

The disciple nodded and asked. "How do you decide if I am satisfied or not?"

"If you climax, that will be considered your defeat. How does that sound?"

"Fair enough." The disciple said, agreeing to his terms.

"Very well. Then let's get started."

Su Yang began removing his uniform, and the disciple silently watched until she saw his sword.

"T-That's..." The disciple swallowed nervously when she saw how large and majestic Su Yang was down there. In fact, the disciple forgot about the Golden Yin Pill the moment she saw Su Yang's sword, and she could only think about how his dragon would feel inside her body.

Once Su Yang was fully naked, he approached the disciple and stopped right in front of her.

"The timer will begin once our body makes contact." Su Yang said to her.

The disciple nodded her head in a dazed manner, and after a moment of silence, she lowered her body until she was kneeling on the ground.

She took a deep breath with her face right in front of Su Yang's raging dragon, breathing in a strong and profound scent that immediately caused her body to heat up with passion.

She grabbed the stiff rod a moment later and opened her mouth.

Su Yang closed his eyes and quietly enjoyed the sensation of the disciple's warm and soft mouth.

A few minutes later, without Su Yang even lifting a finger, the disciple was already dripping wet downstairs.

When there was less than a minute left, Su Yang carried the disciple onto the bed before spreading her legs wide open.

A river of love juice flowed from the disciple's cave as Su Yang poked the entrance of her cave.

"Are you ready?" He asked her with a devilishly handsome smile on his face.

"I-I am..." The disciple quickly nodded her head, her almost pleading him to insert it already.

Su Yang wasted no more time and inserted his thick rod inside the disciple's body, spreading her cave wide open as his rod burrowed to the end of the tunnel.

"Heavens!" The disciple exclaimed right before she gasped in shock.

Su Yang suddenly felt something wet spraying all over his body. He didn't even need to look to know that the disciple had climaxed just from his entrance.

However, he didn't stop despite the disciple's loss and continued to thrust his rod into her body until all ten minutes were used up.

Chapter 1025: This Is So Free!

"I think it's fair to say that I won this one, right?" Su Yang said to the disciple at the end of their session, who was twitching on the bed like a fish on land, her lower cave still gushing with Yin Qi.

"F-Five..." The disciple uttered in a low voice.

"Five?" Su Yang raised his eyebrows.

"Five more minutes... please..." The disciple looked at him with a pleading gaze.

"I would love for our session to continue, but there is a long line of disciples waiting outside. If you wish to continue, you may visit this place again in the future."

Although she was reluctant to leave after experiencing such a delightful session with Su Yang, the disciple could only bite her lips and leave for now.

"Can you do me a favor and tell the next disciple in line to come inside?" Su Yang asked the disciple as she reached the door.

The disciple nodded her head and left without saying another word.

"He's ready for the next disciple." The disciple said once she returned to the line outside his house.

"How was it? Did you acquire the Golden Yin Pills?" The next disciple in line asked her.

However, the disciple that just experienced for herself Su Yang's godlike techniques only lowered her head and walked away with a defeated look on her face, leaving the other disciples speechless.

"She actually lost to that nobody? Looks like I will be the one to claim those Golden Yin Pills!" The next disciple in line entered the building with a smile on her face.

"I am in the backyard." Su Yang's voice resounded in the disciple's head when she entered his house.

'The backyard? What's he doing there?' The disciple wondered to herself as she made her way to the backyard.

Since most buildings in the Outer Court had the same layout, the disciple found the backyard with ease.

However, her jaw dropped to the ground when she entered the backyard and saw Su Yang sitting on the bed.

Of course, he was still naked, and his sword was pointing straight at the heavens.

The disciple swallowed nervously when she saw his grand sword.

"Welcome." Su Yang turned to look at her with a handsome smile on his face.

And he continued, "Don't worry, we're within a concealment formation."

"If you're not comfortable with the scenery, I can change it."

Su Yang snapped his fingers, and the surrounding space began turning black until it was completely dark.

Small lights began flickering in the background a moment later.

The disciple looked around with a dazed face, feeling as though she was suddenly in the starry sky.

After snapping out of her daze, the disciple said, "As impressive as your body and the background look, I am not here to have fun."

"Fair enough." Su Yang nodded.

"Ten minutes. If you do not climax within the time limit, I will consider it your victory, and you'll receive two Golden Yin Pills. The timer will begin when our body makes contact."

"Deal." The disciple immediately responded.

"Ten minutes? Haha! This is so free!" The disciple laughed inwardly as she approached Su Yang and the bed.

Once she was by the bed, she removed her clothes and laid beside Su Yang.

"Go ahead. Let me see the reason behind your arrogance." The disciple said to him.

Su Yang didn't say anything and merely continued to smile as his hands gently caressed her flawless body that was like a work of art.

"W-What the hell is going on? Why is my body reacting already? He's just casually caressing my body!" The disciple was in disbelief when she could feel her body heating up just from being touched by Su Yang.

A few minutes later, when she could no longer endure just being caressed, the disciple lifted her head and stared at Su Yang with a frown on her face, "Are you going to do something, or are you just going to feel my body? If you don't want the Golden Yin Pills that badly, I can take them off your hands right now."

Despite her words, the disciple just wanted Su Yang to do something more intense with her body, as she could only endure his teasing for so long.

"Sorry, your body was so beautiful that I dozed off while admiring it." Su Yang said to her with a handsome smile on his face.

The disciple blushed after hearing his words.

Su Yang began poking her cave with his rod shortly after.

"Are you ready?" He asked her.

The disciple immediately nodded her head with a lustful expression.

Su Yang nodded and plunged his hips at the disciple's slit, shoving his rod deep inside her soaking wet cave.

"Aaaah~!"

The disciple released a loud moan at the sensation of her cave being split wide open by Su Yang's thick rod.

'This is... too much!' The disciple cried inwardly, but she didn't tell Su Yang to stop.

In fact, she even started moving her hips on her own accord.

The disciple's little sister began gushing with Yin Qi after just a few thrust, but she didn't care and continued to move her hips.

At the end of their session, the disciple climaxed a total of 21 times, which is a record that she might not beat for a very long time.

"You... What is your name, again?" The disciple asked Su Yang before leaving.

"Xiao Yang."

"I will remember your name. Remember mine too, because we'll be seeing each other again." The disciple said before introducing herself.

Once she left the building, the other disciples began asking her the same question she asked the previous disciple.

"Did you acquire the Golden Yin Pills?" They asked her.

The disciple shook her head and said in a low voice, "Don't underestimate him..... In fact, forget about the pills and just enjoy your time with him or you'll regret it at the end." "Regret?" The disciples looked at her with wide eyes.

However, the disciple didn't explain any further and left the other disciples wondering the meaning behind her words, something they would eventually understand.

Chapter 1026: Fill Me Up

After spending an entire day cultivating with the female disciples that were eyeing his Golden Yin Pills, Su Yang stopped accepting more guests.

"I'm really sorry for this, but I need to get some rest after cultivating for so long. I should've announced this earlier, but I will only be accepting guests every other day from sunrise to sundown." Su Yang said to the disciples that were still waiting outside.

"What? Then what are we supposed to do? We have been waiting out here for an entire day!" One of the disciples there complained.

"Don't worry, you'll all eventually get your turn. Everyone will only get a chance each month to try and obtain the Golden Yin Pill, after all." Su Yang said, subtly telling everyone there that nobody would be able to acquire the Golden Yin Pill since they will all get a turn.

"I will see you all later. Once again, I apologize for the inconvenience."

After bowing to the disciples, Su Yang went back inside the house.

"Unbelievable... He really left us out here..." One of the disciples muttered.

"I mean, you cannot really blame him. Not many new Outer Court disciples have the stamina to cultivate an entire day without rest." Another disciple said, defending Su Yang.

"Well, you ladies can leave if you want. I'll stay here. It's only a day. I'll be the one to acquire the Golden Yin Pill!" Someone else said with enthusiasm.

Meanwhile, inside the house, Xing Aiyang was crying from laughter, "You're too tired after cultivating for an entire day? It's a good excuse, but it's too funny, coming from someone like you."

"Forget about a day, you can cultivate for a month without running out of stamina."

"Yes, but they don't know that, and they shouldn't." Su Yang chuckled.

"So... why did you really tell them that you needed a break?" She then asked.

"I am not doing this purely because I need their Yin Qi. I also want to spread my reputation. And... I can't spend all of my time with other women when my own wife is in the bedroom, right?"

Xing Aiyang chuckled, "You're thinking too much about me so much so that I feel like I am being a burden to you."

"Huh? What-"

"Shhh..."

Xing Aiying suddenly sealed Su Yang's mouth with her finger, and she continued, "I know you want to 'compensate' me and the others for the two thousand years that you have been gone, but trust me, we know better. We're no longer the weak little girls that we used to be. We can wait a few more years. After all, we have waited for 2,000 years already."

"Aiying..."

"Darling, I'm going to leave earlier than scheduled, and I am going to tell the others to wait a little longer before they come see you. This is for the best. We want the best for you." Xing Aiying said with a gentle smile on her face.

Su Yang opened his mouth, but no words came out.

"Can you do me one favor before I leave, darling?"

"Anything."

"Fill me up."

Su Yang chuckled, "It'd be my pleasure."

He quickly stripped his clothes and entered the bed with Xing Aiying for the rest of the day and the following day.

"You don't have to do this, you know. You're not a burden to me. I want you to be here." Su Yang said to her afterward.

"Darling... No, Su Yang. How long do you think I have known you for? And I am not counting the time I've spent with you before you gave me your Family Seal. Just forget about us for now and focus on your goal... Like you always have."

Su Yang closed his eyes and took a deep breath, "Alright. I will do my best to accomplish my goals as soon as possible and return to you all."

"By the way, I left behind a few gifts for you." "What did you leave behind?"

"I will let you figure that out by yourself. See you later, darling." She smiled.

Xing Aiying left the place shortly after giving Su Yang a passionate kiss on the lips.

After taking a deep breath, Su Yang left his room to greet the disciples waiting for him outside.

"Sorry to keep you all waiting." Su Yang greeted them with a wide smile on his face before taking them into his bedroom that is now empty.

Meanwhile, Xing Aiying went straight back to the Lonely Fairies' Refined Palace after leaving Su Yang's side.

"Huh? Sister Aiying? Why are you back already? You should still have some time left with Su Yang. Did something happen? Did you even meet him?" The others asked her.

"No, nothing happened. I met with darling alright."

"Then why did you return? It hasn't been two months since you left."

"As much as I hate to say this, I would only be a burden to him if I stayed with him any longer. I have also returned to advise you all to delay your visit with him. He's busy right now."

"You... You came back here after visiting him to tell us to not visit him?"

"I am not telling you to not see him. I am telling you all the wait. Trust me, he cannot focus on his objective with us around him, and the longer it takes for him to achieve his objectives, the long it will take for us to reunite... properly."

The others exchanged perplexed looks with each other. As much as they wanted to see Su Yang, they also didn't want to feel like a burden to him.

"I have a suggestion." Luo Ziyi suddenly stepped forward.

And she continued, "I agree with Sister Aiying. If we're with him, he won't be able to focus on his objective, which will only delay our true reunion. However, if he doesn't know you're there, he won't lose focus."

Therefore, if you still want to meet him, I suggest keeping your identity a secret. This way, you will be able to see him without making him lose focus. It'll be like a game. What do you think of this idea, sisters?"

Chapter 1027: Sacred Empress

"Meeting him without letting him know our real identities, huh? This sounds fun. I approve of it." Qian Yun'er said.

"I'll also approve of it." Mei Lingling nodded.

"I think we should add some penalties so that we will take it seriously." Ji Xiaofan suddenly suggested.

And she continued, "How about this? If he finds out your true identity, you'll have to immediately return home and lose whatever time you have left with him."

"That's quite harsh... But I approve of it." Jia Jinghua said.

"That's fine and all, but what if someone decides to cheat?" Wang Yunxuan asked.

"It's not like we can really enforce this rule, so it'll be up to our own integrity." Yu Ning said.

"Then it's settled." Luo Ziyi said.

Sometime later, Wang Yunxuan said, "Sister Ziyi, the Sacred Empress has asked for your presence at the Sacred Palace."

"The Sacred Empress? Did she tell you what she wanted from me?"

"No, but it's probably about Su Tianying. Although I got permission to let him remain in the Sacred Lands, it's only temporary."

"I see... I will speak with her." Luo Ziyi nodded.

"By the way, how are the new sisters doing in the sect?"

"They're adapting quite nicely, and they're all progressing steadily with their cultivation, especially Qiuyue. Being in the mortal world must've really halted her growth." Wang Yunxuan said.

"Sister Chuxiao, how about your search for the other sisters?" Luo Ziya turned to look at Tang Chuxiao, who was not in charge of training the new disciples, so she was tasked with finding their fellow sisters that scattered across the Divine Heavens.

"Nothing yet, but I should have something soon. I hired one of the best investigators for this job, after all."

"Let me guess... You hired Mu Yuechan..."

"Was it that obvious?"

"If anybody can locate them, it's her..." Luo Ziyi smiled.

"Anyways, I'm going to meet with the Sacred Empress now. I should be back soon."

Luo Ziyi left the sect shortly after and made her way to the Sacred Palace.

"Greetings, Senior Luo. The Sacred Empress is anticipating your arrival. Please standby for a moment while I notify her of your arrival." A female guard greeted her.

A few moments later, she said, "Please follow me. I will bring you to the Sacred Empress."

Luo Ziyi nodded silently and followed her into the palace.

Sometime later.

"The Sacred Empress is waiting for you inside." The guard stopped before a massive door.

Luo Ziyi opened the door and entered the room without hesitation.

Upon entering, she could see a figure standing beside one of the windows on the other side of the long room.

"It's been a while, Sect Master Luo." The Sacred Empress turned to look at her with a friendly smile.

"Hello, Sacred Empress. Sorry I couldn't be there at the last meeting. I was busy with some personal business."

"I know. In fact, the entire Lonely Fairies' Refined Palace seems to have become more active recently. Did something happen?"

"Yes, but it's not a problem." . com

The Sacred Empress silently stared at Luo Ziyi's face.

"Whatever happened, I'm glad it did. You seem a lot happier and passionate now, almost like you'd returned to your prime days." The Sacred Empress smiled.

"Is it that obvious?" Luo Ziyi touched her face, and there was a gentle smile on it that she wasn't aware of until now.

"Does it have anything to do with the baby? The boy." The Sacred Empress suddenly asked.

"Yes, it does." Luo Ziyi responded truthfully.

"Did you say that to make things difficult for me, or are you really..." The Sacred Empress narrowed her eyes at Luo Ziyi, seemingly trying to understand her intentions.

"You know men are not allowed to enter the Sacred Lands- even if they are just babies. I allowed him to stay temporarily because Elder Wang was incredibly emotional about the boy for some reason."

"Can you tell me what is so special about that boy? Elder Wang didn't give me any specifics, nor did I ask for them, as she looked troubled."

"I don't mind telling you since we owe you that much for all of your hospitality for our Su Family, but his background is a really delicate matter. Sacred Empress, I trust you, but if the truth about the boy is revealed, it might start a war, so I have to ask you..."

Can you keep this a secret?"

The Sacred Empress was speechless. She couldn't comprehend why the baby's identity could possibly start a war, nor why or how Luo Ziyi had involved herself in this mess.

"Tell me." The Sacred Empress said after creating a concealment formation around them.

Luo Ziyi nodded with a serious expression, and after taking a deep breath, she spoke in a slow but clear voice, "That baby is Su Yang's son."

"WHAT?!"

Almost as though a sudden bolt of lightning had struck her from the heavens, the Sacred Empress suddenly lost her balance and began staggering backwards.

"D-D-Did you just say... S-Su Yang's son...?" She asked for confirmation in a trembling voice. "Yes. He's Su Yang's son." Luo Ziyi confirmed.

"I-Impossible! How is that even possible?! Su Yang's been dead for 2,000 years!" The Sacred Empress refused to believe it. said, "I want to see this boy- to see Su Yang's son. If you can do that for me, I will let him stay in the Sacred Lands permanently."

Luo Ziyi nodded with a smile, "Thank you. Sacred Empress. Come to our sect tomorrow and I will let you see him."

Chapter 1028: Su Tianying

Luo Ziyi left the Sacred Palace shortly after revealing the shocking existence of Su Yang's son to the Sacred Empress.

"Su Yang's son... Hahaha... He really never fails to surprise me- even 2,000 years after his death..." The Sacred Empress couldn't help but laugh, and tears would uncontrollably flow from her eyes.

After returning to the Lonely Fairies' Refined Palace, Luo Ziyi told the others the situation.

"What? You told the Sacred Empress that he's Su Yang's son? Won't that cause any troubles?" The others were shocked to hear this information.

"It's the only way to keep him on the island, where it's safe. And I trust the Sacred Empress. Not all of you know this, but she's known Su Yang even before she became the Sacred Empress of the Sacred Lands." Luo Ziyi said.

"Although I don't know the details of their relationship, I'm certain that they were good friends."

Wang Yunxuan nodded and said, "Well, the Sacred Empress did ignore the rule of the Sacred Lands by allowing Su Yang to enter said land despite being a male, something that hasn't been done for over 10 million years."

"Actually, all Sacred Empress' are allowed to give such exemption only once during their career as the Sacred Empress, meaning that she cannot exempt another man since she gave that exemption to Su Yang."

"Huh? Doesn't that mean..." Most of them noticed something.

"Yes, since she's already given her only exemption to Su Yang, she cannot officially allow Su Tianying to stay in the Sacred Lands."

"She'd go to such lengths to defy the Sacred Lands' most important rule just for Su Yang's son? Now I'm really curious about their relationship." Mei Lingling smiled.

"Maybe you can ask her tomorrow when she comes to visit Su Tianying."

"I doubt she'll tell us."

"You won't know until you try."

"Maybe another day."

"Coward."

"Then you can ask her."

"Nah. You brought it up, after all"

"Ahem!"

After clearing her throat loudly, Luo Ziyi spoke, "I only told the Sacred Empress about Su Tianying, not the other four children, since that could expose the fact that Su Yang is still alive, so you all need to act like Su Yang only has one child."

"Alright."

"We'll need to separate them before the Sacred Empress arrives, huh? Sister Biyu, you'll take care of that since you're responsible for them right now."

"Sure. I'll do it right after this meeting." Xia Biyu nodded.

Luo Ziyi then spoke, "Now, just in case Su

Tianying's identity is exposed to the outside, we need to give him a background"

"We can just say that Su Yang had accidentally impregnated an immortal without being aware about the baby, and the baby took a while to be born because of some illness from the mother?" One of them suggested.

"Really? 2,000 years is a long time..."

"I know, but it's not breaking any records. There was an Immortal who was pregnant for 9,000 years giving birth to a healthy daughter. 2,000 looks incredibly believable in comparison."

"I guess so... How else are we supposed to explain Su Tianying's existence?"

"Then it's settled." Luo Ziyi nodded.

"Wait! What about the mother? Who will be the mother? I can volunteer-"

"No way. The mother will remain anonymous to avoid being questioned." Luo Ziyi immediately refused.

"We should let Sister Xingfang, who is the real mother, know the situation."

"Of course."

After their meeting, Xia Biyu went to separate Su Tianying from his sisters, placing him into another room.

Meanwhile, Luo Ziyi met with Xie Xingfang to tell her about the situation.

"I see... As long as we can keep him in this place, I don't mind pretending to not know Tianying." Xie Xingfang quickly agreed.

"Thank you."

"No, I should be thanking you, for keeping my son safe, Sister Ziyi." Xie Xingfang smiled.

"It's only natural." Luo Ziyi smiled back.

The following day, the Sacred Empress canceled all of her schedules on that day just to visit the Lonely Fairies' Refined Palace- Su Yang's son.

"Welcome to the Lonely Fairies' Refined Palace, Sacred Empress!"

All of the disciples within the sect gathered to greet the Sacred Empress during her arrival.

The Sacred Empress nodded her head at them and said, "Don't mind me and carry on with your day. I won't stay for long."

The disciples bowed to her before returning to their routine.

"Follow us." Luo Ziyi said to her.

The Sacred Empress proceeded to follow Luo Ziyi and the others to a secluded area within the sect, and inside a small but spacious building that was protected by countless formations was Su Tianying, who was sleeping peacefully in his crib.

The Sacred Empress approached Su Tianying's crib in gentle and soundless steps, afraid to wake him up.

Once she was standing in front of the crib and could see Su Tianying's sleeping face, the Sacred Empress covered her mouth, and her eyes quickly became teary.

'Ah... Su Yang... He really looks like you...!' She thought to herself.

"Did Su Yang know about this baby?" The Sacred Empress asked the others using divine sense.

"No, he didn't." Luo Ziyi responded.

"I see... I would actually kill to see his expression at the moment of his discovery of this unintended baby..." The Sacred Empress silently chuckled.

Su Tianying suddenly awoke from his nap and opened his eyes, silently staring at the Sacred Empress with his clear, innocent eyes after noticing her.

'He's so young, yet his gaze is already this intense. I fear for the young ladies in the future that attract his gaze...!'

After staring at Su Tianying for many minutes, the Sacred Empress left the building by herself with a satisfied smile on her face.

"Thank you for letting me know about his true identity despite the complications. I cannot wait for him to grow up." She said to Luo Ziyi and the others afterward.

"By the way, what's his name? I never asked."

"His name is Su Tianying." Luo Ziyi said.

Chapter 1029: illegally

"You know, I knew Su Yang would eventually make a mistake, especially when you consider how many women he's cultivated with. After all, no matter how much control he had over his Yang Qi, nothing is perfect." The Sacred Empress sighed as she stared at the bright sky.

"What are your plans for the baby?" She turned to face Luo Ziyi.

"I don't know yet. We'll probably keep his identity a secret until he's strong enough to protect himself. I can only imagine how many people would try to kill him if they learned of this true identity." Luo Ziyi shook her head.

"As long as he remains in the Sacred Lands, I swear upon my title of Sacred Empress that I will let no harm come to him."

"Thank you, Sacred Empress."

"By the way, I have a question for you." Luo Ziyi said.

"What is it?"

"As the Sacred Empress, you can only give exemption to a single person, even if that person perishes, am I correct?"

The Sacred Empress stared at Luo Ziyi for a moment before nodding in a calm manner, "That's right."

"I know you already gave that exemption to Su Yang, so does this mean..."

"Yes, I am allowing the child to live here... illegally. Therefore, even if I approved of it, you shouldn't let the others in the Sacred Lands find out about his existence."

"Hopefully, you have plans for him outside the Sacred Lands once he's mature enough. I don't mind letting him shelter in the Sacred Lands until the end of time, but you know that's not really possible, especially considering the child's background."

Luo Ziyi nodded, "Don't worry, he'll Sacred Lands before you even know it." out of the

"Of course." Luo Ziyi said with a gentle smile on her face.

"Thank

you.

Then I will see you later."

The Sacred Empress left the sect shortly after.

However, she would return the following day to visit Su Tianying.

Unbeknownst to Luo Ziyi, when the Sacred Empress said 'once in a while', she meant as often as possible.

Thus, the Sacred Empress would continue to visit the Lonely Fairies' Refined Palace almost every day for a few minutes, sometimes even multiple times a day.

In the blink of an eye, an entire week passed.

At the Boundless Yin Yang Sect, after a week of business, Su Yang's fake name, Xiao Yang, had spread throughout the entire Outer Court, and almost every female disciple had heard of his little game by now.

The line outside Su Yang's living quarters at the Outrast Peak was longer than ever with over a hundred disciples in line.

"Good work today, Manager." Mei Ying said to him at the end of the day.

"Thank you. How's Mei Xing doing?" He asked.

"She's been cultivating diligently for the past week. I think she's close to a breakthrough- at least that's what she told me."

"Oh, that's great. What about you? Are you tired? Everyone is already familiar with my practice, so you don't really need to manage the line any longer."

"I know, but I still want to do it. I don't know why, but I really enjoy working for you, Manager."

Su Yang smiled at her words.

"By the way, Manager, I haven't seen your friend in a while. Is she okay?" Mei Ying suddenly asked about Xing Aiyang.

"Oh, she had some business at home, so she left a week ago." Su Yang casually said.

"I see... I apologize if I am being too noisy."

"No you're fine "

Sometime later, Su Yang invited Mei Ying into his room to cultivate.

While they cultivated, the disciples outside remained in line.

"It's already been a week, but nobody has been able to acquire the Golden Yin Pill from Disciple Xiao. I'm beginning to wonder if it'll even be possible." The disciples outside chatted with each other as they waited, as they had plenty of time.

"Just who is Disciple Xiao? He said that he'd worked in the City of Pleasure, right? Are all masseurs in that place as talented as Disciple Xiao?"

"I did some research on him, and according to the results, Disciple Xiao's massage parlor wasn't an ordinary one. His store had a Medallion of Pleasure, which is incredibly important in that city."

"Medallion of Pleasure, huh? No wonder why he's so good."

The latest_epi_sodes are on_the panda-novel.com website.

"However, no matter how good he is, he isn't at the Boundless Yin Yang Sect's level. Someone will eventually beat him."

"When do you think the Inner Court disciples will start appearing to challenge him?" Someone suddenly asked.

"Inner Court disciples? They wouldn't go out of their way to come here for a mere Golden Yin Pill."

"Really? The Golden Yin Pill will benefit even Inner Court disciples, though."

"They might approach him if he was an Inner Court disciple, but since he's an Outer Court disciple, as well as an Outcast, I doubt anybody would approach him. Only desperate people like us would be willing to show up."

"D-Desperate? Watch your mouth! I am definitely not desperate!" A disciple exclaimed.

"I'm not even here for the Golden Yin Pill! I just want to experience his techniques for myself after hearing about it from my friend!" Another disciple said.

"You too? I'm here for the experience as well!"

The following day, Su Yang left the house earlier in the morning.

"Where are you going, Disciple Xiao?" The disciples outside asked him.

"The Yin Yang Hot Spring," he calmly responded.

"Oh? Should I accompany you? It's been a while since I've been there." One of them offered.

"If you want." Su Yang nodded.

"Then I will come as well!"

"Me, too!"

About a dozen Outer Court disciples willingly left their spot in line to follow Su Yang to the Yin Yang Hot Springs.

Chapter 1030: Yin Yang Hot Springs

The Yin Yang Hot Springs is a popular location within the Boundless Yin Yang Sect. It's a place where disciples of all ranks can gather to soak in an outdoor hot spring filled with spiritual water to relax their bodies.

However, that's not the main reason why most disciples visit the Yin Yang Hot Springs.

The Yin Yang Hot Springs is actually mixed-gender, meaning that both men and women will bathe in the same place.

The main purpose of the Yin Yang Hot Springs is to let the disciples show off their body.

If a female disciple sees a male disciple with a sword that's their ideal length, they could approach the male disciple and ask if they want to cultivate later.

As for the male disciples, they often look for female disciples with their desired body type.

The reason Su Yang wanted to visit the Yin Yang Hot Springs was a simple one.

He wanted to show the disciples his perfect sword. In other words, he was there to brag with a purpose.

"The Golden Yin Pills isn't good enough to attract the Inner Court disciples. I will need something more attractive if I want to start cultivating with them."

Sometime later, Su Yang and his followers arrived at the Yin Yang Hot Springs.

The hot spring itself was as large as a lake but only had a depth of a meter, and there were already hundreds of disciples soaking in the water.

"It's been a while since I've visited this place. Is this your first time here, Disciple Xiao?" One of the disciples asked him as she removed her clothes and placed them neatly outside the hot spring.

"Yes, it's my first time here." Su Yang nodded as he started disrobing.

Gasps could be heard from the female disciples a moment later when they saw the majestic sword between Su Yang's legs.

'It's not even hard and it's already this big...'

The female disciples swallowed nervously after seeing Su Yang's sword. It was also at this moment that these disciples realized why Su Yang was so popular with the Outer Court disciples despite having such an ordinary face.

Su Yang pretended to not notice them and calmly walked towards the hot spring.

Seeing this, the female disciples immediately followed him and entered the hot spring with him shortly after.

Once he'd picked the perfect spot, Su Yang submerged his body into the warm water, and the female disciples followed him, sitting around him.

"Disciple Xiao, why did you decide to join the Boundless Yin Yang Sect?" One of them suddenly asked him.

"I've lived a solitary life because I wanted to become a scholar, but when that path didn't work out, I decided that I no longer wanted to be alone, so I came to this place. www.pub.com" Of course, my initial plan was to become the best masseur in the world, but when I was offered to become a disciple of the Boundless Yin Yang Sect, I couldn't refuse"

"I see... Then where did you learn to become a masseur? Don't you need a lot of training to become a half decent one?" Another disciple asked. can_find the rest of this_content on the panda-novel.com platform.

"My family has a lot of laborers, so I massaged them during my free time, and before I was aware, I'd become quite skilled at it." Su Yang smiled.

Sometime later, one of the female disciples suddenly started chuckling.

"What's so funny?" Su Yang asked.

The disciple then pointed at his sword that was poking out of the water.

"Ah, this? I cannot help it. I tried to keep it under control, but no matter where I look..." smiled. Su Yang

There were naked breasts in all directions, and they were so close to him. Of course, Su Yang could easily control his lust even if there were a million naked fairies before him. He was doing it on purpose so that he wouldn't appear too experienced around women.

"It's a pity that we're not allowed to cultivate while in the Yin Yang Hot Springs, or I would help you relieve your stress." One of them said.

"Oh? Why can't we cultivate here? Are they afraid that we would taint the spiritual water with our Qi?" Su Yang asked.

"Who knows. It's been a rule since forever." They shrugged.

Su Yang then pointed at the other disciples there.

"Then why are they all walking around like they are trying to show off their body? They're all wandering the hot springs without any shame. I have never seen anything like this before."

You can_find the rest of this_content on the panda-novel.com platform.

"Huh? You don't know? Then why did you come here?" They asked him.

"I heard that this was a popular hot spring, so I figured that I could relax here." Su Yang said.

"While some people come here to relax, most disciples come here to look for partners."

"The reason they're wandering the hot spring like that is because they want to be seen and be approached."

"Wow, is that so? I never knew. To think such a place exists. The Boundless Yin Yang Sect is truly something special." Su Yang mumbled.

"You should try it, Disciple Xiao! With your body, you'll definitely attract plenty of female disciples!"

"You think so?" Su Yang said with a not-so-confident look on his face.

"Don't underestimate yourself, Disciple Xiao. You have a very fine-looking brother down there. If not for the rules of this place, I would've already asked for your permission to ride it!"

Another disciple then said, "If you don't want to do it, you can come to my room instead. I'll give you all the attention you want."

Su Yang smiled and said, "You know what? Since I am already here, I might as well try it. I just need to walk around, right?"

"No, you can't treat it like a walk in the park! You must walk with confidence and with a purpose! Also, try to keep your brother as stiff as possible!"

"Okay, I'll try." Su Yang nodded and stood up, revealing the entirety of his sword to the female disciples, leaving them speechless.
