

Chapter 1031: Fake Body

"H-Hey, who is that disciple?"

"Huh? Who?"

"Over there! The one with the magnificent penis!"

The female disciples there quickly took notice of Su Yang's overwhelming presence with his massive dragon sticking out.

"Heavens! How can someone with such an ordinary face have such an extraordinary body?! If only he was slightly more handsome!"

"That would be illegal. Imagine having a handsome face and a perfect body. The heavens wouldn't allow it."

"Look at how stiff his penis is! It's not making any unnatural movements even though the rest of the body is moving! How graceful!"

Eventually, even the male disciples there took notice of Su Yang's immense presence.

"Fuck... That has to be fake."

"Who is that disciple? I don't recognize him."

"Me neither, and that only makes him look more suspicious!"

"He probably consumed a pill and changed his appearance down there."

As more and more disciples noticed Su Yang's presence, some of the female disciples there approached him out of curiosity, and some out of doubt.

"What's your name?"

"I'm Xiao Yang."

"I don't recognize you. Is this your first time at the Yin Yang Hot Springs?"

"Yes, it is."

"How long have you been in the sect?"

"No long, I just joined the sect a couple of weeks ago."

"So you're our Junior apprentice-brother." "Hey, is that thing between your legs real?"

Su Yang smiled and said, "Would you like to check for yourselves?"

One of the female disciples there shamelessly agreed to his suggestion and started touching his sword.

"Wow... It's so stiff... I didn't even know that they could be so strong. You have opened my eyes."

When the other female disciples saw this, they felt an uncontrollable urge to touch his rod as well.

"C-Can I touch it, too?" One of them asked.

"It'd be my honor." Su Yang said with a smile, and he pushed his hips forward, allowing the disciples to have more room and free access to his rod. . com

"Wow, it feels so real..."

"Of course. It's real, after all." Su Yang chuckled.

When the male disciples there saw how many female disciples were surrounding Su Yang, they began growing jealous, especially considering that Su Yang 3 had an ordinary face.

Eventually, they could no longer endure it and began approaching him as well.

"Hey! Why don't you get out of here with your fake body!" One of the disciples there shouted, causing everyone there to pay attention.

"Fake? Why don't you ask my Senior apprentice sisters whether it's real or fake." Su Yang said.

"It's not fake!" The Outer Court disciples that followed him here defended his honor.

"Hmph! Judging by your cultivation bases, you're all Outer Court disciples. As if I can trust your words! Heaven knows if he's paying all of you to pretend it's real!"

"He's just a nobody who joined the sect recently! He lacks credibility!"

More and more male disciples confronted Su Yang about his body.

Su Yang remained calm and said, "I would let you confirm it yourselves, but unfortunately, I'd rather die than let another man touch my little brother."

"Don't worry, we have other methods." One of the disciples said, and he suddenly retrieved a pure white pill from his storage ring.

"This is the Pill of Pure Origin. This pill will erase all of your disguise even if you've consumed a Supreme Appearance Altering Pill! With this method, we won't need to touch you. Do you dare to consume this pill and prove to us that you're really what our eyes see?"

Su Yang looked at the pill with a profound expression on his face.

"Hahaha! See? He's too scared to consume the pill because he knows that he's screwed if he took it!"

"His real appearance is probably even uglier than currently!"

The male disciples began laughing out loud while the female disciples frowned.

"Disciple Xiao... Why aren't you answering?" One of the Outer Court disciples asked him with a doubtful look on her face.

Su Yang smiled and said, "Sorry, I just wanted to scare you all a bit."

"Eh? Does this mean..."

"Yes, I will take the pill."

Su Yang extended his hand and gestured for the pill.

The male disciple with the Pill of Pure Origin smiled

and tossed the pill at him, "Be my guest." "Before I consume this pill, there is something I want to say." Su Yang said.

And he continued, "Since you're the ones doubting me, even putting me through such an embarrassing situation, I can expect some kind of compensation if my body turns out to be real, right?" "Eh?"

The male disciples suddenly stopped laughing and started exchanging nervous looks with each other.

"T-That's right! It's only fair if you compensate Disciple Xiao for causing him trouble!" The female disciples began pressuring the male disciples after they snapped out of their daze.

"F-Fine. I'll compensate you. What do you want?" The disciple who had the Pill of Pure Origin asked him.

"I want you all of you standing before me right now to never step foot inside the Yin Yang Hot Springs ever again." Su Yang said in a calm voice.

"W-What?! That's ridiculous! You want all of us to stop coming to this place as compensation?! How is that fair?! You only need to consume a pill!" The disciples immediately refused such compensation.

"Then I will also never step foot inside this place again if I lose." Su Yang said.

"No! That's still not fair! There's only one of you while there are nine of us!"

Su Yang shrugged, "Well, I'm not the one going around accusing people of having fake bodies."

The male disciples gritted their teeth. It was a risk that neither of them wanted to take

"Hmph! You're trying to scare us and hope we'd back down by making such a ridiculous demand! I see through all of your tricks! Ten years! If you win, we will not step foot near this place for ten years! However, if we win, you will never step foot inside this place ever again!"

"Make it fifty years and I'll do it. Do you all agree?" Su Yang asked them.

When they nodded their heads, Su Yang smiled and tossed the pill into his mouth without any hesitation.

Chapter 1032: Nullify Pill

After Su Yang swallowed the Pill of Pure Origin, the people around him stared at every inch of his body with their divine sense to make sure they didn't miss any changes.

However, Su Yang's appearance remained the same even many moments later.

"Are you 1 satisfied now?" Su Yang asked them with a smile on his face.

"N-Not yet! It will take some time before the pill takes effect! And if you're using a high-quality pill to alter your appearance, it could take even longer! Give it a couple of minutes!" The disciple that handed him the pill said.

"Of course. We can stay here all day if you like." Su Yang calmly shrugged.

While he acted calm on the outside, he was laughing his ass off inwardly.

'Hahaha! I knew something like this would happen, so I took some precautions!'

'Pill of Pure Origin? That won't work if I consumed the Nullify Pill prior!'

The Nullify Pill is a unique pill with a special effect that nullifies the effect of whatever pill he consumes after it, meaning that it'd nullified the Pill of Pure Origin, removing its effects.

However, this pill only works for a single pill and lasts for 24 hours.

Su Yang had anticipated that some disciples would become suspicious of his appearance, so he consumed the Nullify Pill prior to leaving his house.

With that being said, the Nullify Pill was just for insurance. Even without the Nullify Pill, the Pill of Pure Origin wouldn't have removed Su Yang's disguise.

"It's been five minutes! Disciple Xiao's body hasn't changed! I knew it! His excellent body is the real deal!" One of the female disciples there suddenly broke the silence.

The other female disciples also started lecturing the male disciples for their misjudgment.

"Apologize to Disciple Xiao right now!"

"That's right! And don't come back to this place for 50 years! If I see you here, I will not have mercy and tell everyone what a sore loser you are!"

The male disciples gritted their teeth in anger.

"W-Wait! I don't believe it! He must have used some kind of trick!" The disciple that gave Su Yang the Pill of Pure Origin suddenly shouted.

"What if he knew this would happen and consumed a Nullify Pill before coming here?! I happen to have a second Pill of Pure Origin! If you take this one as well, I will admit being wrong!"

The disciple took out a second Pill of Pure Origin and shoved it in Su Yang's face.

"Are you serious?! How shameless!"

"What a sore loser!"

"And you dare call yourself a man?!"

The female disciples started cursing him.

"If he truly has nothing to hide, it wouldn't hurt if he consumed another Pill of Pure Origin right?! And it's not like there are any side effects to consuming this pill!" The disciple exclaimed.

"That's right! If he doesn't consume this Pill of Pure Origin, he must be hiding something!" The other male disciples supported him.

"Hahaha!"

In the midst of the commotion, Su Yang suddenly started laughing out loud.

"Disciple Xiao?" They stopped arguing and looked at him with puzzled expressions.

"You want me to consume another Pill of Pure Origin, right? Very well! Since I have nothing to hide, I don't mind consuming another pill. However, if I consume this pill, you must extend your punishment! 500 years! If I consume this pill and nothing happens, you are all banned from this place for 500 years!"

"What?! That's times harsher than our original punishment! Since you're only taking one more pill, it should only be 100 years, not 500 years!" The male disciples refuted.

However, Su Yang didn't bother arguing with them.

"Do you agree or not?" He asked them with a calm look on his face.

"I will give each of you two Golden Yang Pills if I lose this second round."

The male disciples swallowed nervously, and they began doubting themselves.

What if this new disciple with a suspiciously amazing body turns out to be the real deal? They feared not being able to soak in the Yin Yang Hot Springs and watch naked women without offending them for 500 years.

"I will do it!" The disciple with the pill suddenly declared, shocking the other disciples.

"I will sit this one out... I can endure 50 years, but 500 years is just too much." Another disciple said.

In the end, half of the male disciples there decided to stand down, accepting their 50 year punishment.

Sometime later, Su Yang took the second Pill of Pure Origin from the disciple and tossed it into his mouth without any hesitation.

Everyone there swallowed nervously, and they all waited for the results.

'Idiots! Even without the Nullify Pill's help, the Pill of

Pure Origin won't be able to remove my disguise! After all, my pill was concocted by the God of Alchemy herself! Unless this Pill of Pure Origin Pill is also concocted by the God of Alchemy, it won't have any effects!' Su Yang laughed inwardly at these disciples' foolishness.

This is the true power of the God of Alchemy! The only Alchemist in this world who can defeat the God of Alchemy is the God of Alchemy herself! Her pills transcend common logic and even defy the heavens! Five minutes after Su Yang consumed the second Pill of Pure Origin.

"I-Impossible... His body... It's real?!" The male disciples were in disbelief when nothing happened even after Su Yang consumed the second pill.

Su Yang shrugged and said, "As displeased as I am with this situation, I don't blame you guys for doubting the authenticity of my body. After all, even I sometimes doubt myself when I stand before a mirror."

He then turned to face the female disciples and continued in a prideful voice, "As you have all just witnessed, this body is the real deal! If you want a taste of it, come visit me at the Outcast Peak later today! I promise you that you will not regret it!"

The female disciples swallowed nervously after hearing Su Yang's words. In fact, their eyes were all on his magnificent sword even as he spoke, almost as though they were captivated by it.

Chapter 1033: Leaving the Yin Yang Hot Springs

After Su Yang's short yet grand speech, he turned to look at the male disciples and said to them, "Thank you for the help. If you hadn't cause such a commotion, it would've taken me much longer to attract so much attention."

The male disciples coldly sneered at him, "This isn't over!"

However, the female disciples immediately shouted back, "What are you still doing here?! You're all banned from this place! Get lost!"

"That's right! And don't come back until the end of your punishment, whether it be 50 years or 500 years!"

With nearly every female disciple in the vicinity going against them, the male disciples could only lower their heads in defeat and leave the Yin Yang Hot Springs in silence, feeling incredibly embarrassed about the whole situation.

They all regretted messing with this new disciple, but there was nothing they could do, and their anger towards Su Yang only grew stronger as they returned to their own homes.

After the male disciples were gone, Su Yang decided to stay around the Yin Yang Hot Springs for a few more hours.

During this time, more and more female disciples approached him with interest.

"Do you have an official partner yet, Disciple Xiao? If you don't mind me, I can be your partner. I promise you that I will be able to satisfy you day and night."

"Disciple Xiao, how about I swing by your place after this? I really want to have a taste of your magnificent sword!"

The female disciples there stopped caring about Su Yang's ordinary appearance and only focused on his amazing body and majestic sword.

In fact, their bodies began leaking with Yin Qi just from the thought of being pounded by the monster between Su Yang's legs.

"If you come to Outcast Peak, I will definitely cultivate with you. However, I must warn you, there's usually a queue outside my house..." Su Yang said to the disciples there.

"I heard about it. They're all Outer Court disciples, right? Are you sure you don't want to give us priority? As Inner Court disciples, our Yin Qi will definitely benefit your cultivation more, not to mention our experience and skills vastly surpass them." One of the Inner Court disciples there said.

Su Yang smiled and said, "Actually, I intend on stopping the little game I'd set up and start cultivating seriously. I only did it to boost my reputation a bit since I am a nobody living at Outcast Peak, not to mention my average appearance. However, if an Outer Court disciple still wants to cultivate me without caring for the Golden Yin Pill, I will not push them to the side even for a Core disciple. I value respect more than anything, after all."

"I see... That's a very respectful decision. Sorry if I sounded a little rude with my suggestion." The Inner Court disciple apologized afterward.

"D-Disciple Xiao, I will definitely visit you even if you are no longer giving out the Golden Yin Pill!" One of the Outer Court disciples there exclaimed.

"M-Me too!"

"Thank you all." Su Yang smiled at them.

Sometime later, Su Yang left the Yin Yang Hot Springs and returned to his living quarters, where he announced to the female disciples there that he will no longer be offering the Golden Yin Pill.

"What?! I didn't wait an entire day in line just to hear this bullshit!"

To nobody's surprise, the disciples there were unhappy about Su Yang's decision.

"Don't worry, everyone here will still have the chance to acquire the Golden Yin Pill. However, any new guests from this point forth will no longer have that chance." Su Yang announced, instantly calming down most of the disciples there.

In fact, the female disciples became more passionate and motivated to defeat Su Yang. After all, this is their last chance to acquire the Golden Yin Pill. If they miss it, heaven knows when their next chance will come- if it'll even come at all.

"After soaking my body in the Yin Yang Hot Springs half the day, all of the fatigue in my body is gone, so I can immediately see the next guest in my room."

Before Su Yang accepted his next challenger, he placed a sign behind the last person in line that mentioned the changes to notify the newcomers that he will no longer be handing out the Golden Yin Pill.

After this sign was placed, the line in front of Su Yang's house stopped growing longer, allowing Su Yang to clear the line by the end of the day.

As for the results, nobody was able to defeat Su Yang, so not a single person managed to acquire the Golden Yin Pill.

"It's been a while since it's been this peaceful and silent outside..." Mei Ying said as she stuck her head outside the window in her bedroom.

Su Yang smiled and said, "It'll get rowdy again tomorrow. I told the ladies at the Yin Yang Hot Springs to hold off from seeing me until tomorrow so that I could clear the line."

"That's good. I'm so accustomed to having a line outside our building that it feels weird when it's empty." Mei Ying chuckled.

Sometime later, Su Yang inserted his sword into Mei Ying's body and started filling the room with her blissful moans.

"How's Mei Xing doing?" Su Yang asked her afterward.

"She's obsessed with cultivation. She's so still that I sometimes fear that she might turn into a stone statue." Mei Ying joked as Su Yang's hot Yang Qi overflowed her lower cave.

"You'll get used to it." Su Yang smiled.

"Compared to my daughter, I cannot even sit still for more than four hours before I need to stretch my body. I'm ashamed of myself." She suddenly sighed.

"This is why most people start cultivation when they're young. It's easier for them to adapt to the lifestyle. But once again, you'll eventually get used to it."

Once Mei Ying had rested enough, they began round two, and they would continue cultivating with each other until the next day when the disciples from the Yin Yang Hot Springs began showing up at his doorstep

Chapter 1034: I Want You to Wreck My Body With the Monster Between Your Legs

"Good luck, Manager." Mei Ying said to Su Yang before falling asleep from exhaustion.

Su Yang gently caressed her hair for a bit before spending the rest of the night absorbing the Yin Qi he'd gathered thus far, increasing his cultivation by a single level.

The following morning, Su Yang walked outside to greet the first disciple that showed up.

Of course, it was one of the Outer Court disciples that had followed him to the Yin Yang Hot Spring yesterday.

"Good morning, Disciple Xiao!"

"Good morning."

"Did you sleep well last night? I knocked out the moment I returned home from the hot springs. I have never felt so relaxed before even though it wasn't my first time at the hot spring."

"Yes, the hot spring is an amazing place. I will definitely return there whenever I get the chance." He nodded.

"Anyways, come inside."

The disciple nodded and followed him into the house.

"Eh?" The disciple stopped when she noticed a small head peeking out of one of the rooms there.

"I-Is that your daughter...?" The disciple asked Su Yang. Su Yang raised his eyebrows, and he turned to look at what she was staring at.

"Mei Xing? She's not my daughter. She's my servant." Su Yang chuckled.

"Oh..."

"Manager, do you need my help today? I don't see Mother anywhere." Mei Xing asked.

"Your Mother is resting right now. You can focus on your cultivation if you want. I don't really need any help right now since it's not busy."

Mei Xing pondered for a moment before walking out of her room, "No, taking care of the Manager's business is my priority. I will cultivate another time. And after cultivating for so long, I need a small break."

"What kind of break requires you to work more?" Su Yang smiled.

"But if you really want to, I won't refuse."

"I really want to!" She said.

"Alright. Then if a customer comes, tell them that I am currently busy with another client."

"Yes!" Mei Ying saluted him.

"I guess I'm your client now?" The female disciple chuckled after entering Su Yang's room.

"She worked for me at the City of Pleasure, hence the terms. Of course, you can be anything you want." Su Yang smiled.

"Then I want to be your training doll. I want you to wreck my body with the monster between your legs." The disciple licked her lips in an erotic manner as she removed her clothes and walked to the bed.

"It would be my pleasure." Su Yang also removed his clothes, revealing his fully awakened dragon.

The disciple swallowed nervously. Even though she'd mentally prepared herself before coming here, she was still taken aback by the monster.

'W-Why am I surprised? I already saw his penis plenty yesterday!' The disciple cried inwardly.

"Go ahead. You have been holding back since yesterday, right?" Su Yang said to her with an alluring smile.

He then approached her in slow and steady steps until his sword was directly in front of her face.

The disciple closed her eyes and took a deep breath.

'Ahhh... What a manly scent.'

When she opened her eyes again, the disciple grabbed Su Yang's thick rod with one hand and his treasure sack with the other.

After swallowing again she leaned forward and kissed the rim of the dragon's head.

The disciple then opened her mouth and shoved as much of Su Yang as she could inside her mouth before she started pleasing his rod with her skillful tongue.

While her mouth pleased Su Yang's rod, she used her hands to massage the sacks below.

After many minutes of exhausting mouth movements, the disciple stopped and looked at Su Yang with a worried frown, "Am I not good enough?"

"No, you are great."

"Then why haven't you come yet?"

"Ah, sorry. I subconsciously held it in due to the challenges." Su Yang said with an apologetic smile on his face.

Not wanting to hurt the disciple's feelings, Su Yang made up an excuse.

Due to his perfect control over his own body, unless someone is incredibly skillful in dual cultivation, it is near impossible to force Su Yang release his Yang Qi.

In other words, unless he willingly releases his Yang Qi, it will not come out no matter how long someone pleases him.

"To make it up to you, I will release my Yang Qi inside your body. Do you want me to?"

"I-I do!" She eagerly nodded.

"But first, allow me to return the favor."

Su Yang said before suddenly grabbing her beautiful legs and spreading it wide open.

"Oh!" The disciple's face flushed with redness, but she didn't stop him.

Su Yang didn't say anything else and went straight for her soaking wet slit.

"Mmm-"

"Aaaah~!"

"Oh my! Heavens! This is... Amazing!" The disciple moaned nonstop as Su Yang savored her little sister and the juices that flowed out like a river.

Within minutes of experiencing Su Yang's mouth techniques, the disciple was already exhausted from climaxing too much.

"We're just getting started." Su Yang smiled as he approached her, who was lying on the bed and gasping for air.

"W-Wait... Give me a few..." The disciple halted her words when Su Yang started rubbing his shaft between her slit.

"Hm? What did you say?" Su Yang asked her.

"I-I said give it to me! I want you to shove that massive penis of yours inside my body!" The disciple shouted with a crazed look on her face.

"With pleasure." Su Yang pulled his hips back a little before shoving his rod into the disciple's cave, tearing her walls apart.

"Aaaaahn!"

The disciple released her loudest moan yet as her body was overwhelmed by pleasure.

"I will begin moving now." Su Yang warned her when his drill reached the end of her cave.

The disciple didn't respond, but the longing look in her eyes spoke clearer than any words she could mutter in such a situation.

Seeing this, Su Yang started moving his hips, smashing the disciple as though she was a training puppet.

Chapter 1035: We Can Deal With Him Whenever We Want

After spending 30 minutes inside Su Yang's room, the female disciple has already reached her limit.

"Disciple Xiao... How about you become my partner? I will leave my current partner as long as you nod." The female disciple said to him afterward.

Su Yang shook his head, "Sorry, but I am not looking to accept a partner for now."

"Huh? Why not? You know you'll get kicked out of the sect if you don't find a partner within one year of your admission."

"I have plenty of time, and I will definitely acquire a partner before then." Su Yang said in a confident voice.

"Well, if you ever change your mind, you can come find me at the 58th peak."

The female disciple left his place shortly after.

By the time his first cultivation partner for the day left, three new disciples showed up at his place.

Of course, they were all from the Yin Yang Hot Springs yesterday. Although they watched the drama from afar, they had decided to give him a visit so that they could experience his mighty sword.

"Hello, Disciple Xiao. I saw what happened yesterday at the Yin Yang Hot Springs, and I admired the way you stood up to those Inner Court disciples. Would you be willing to cultivate with me today?" One of the disciples politely asked him.

"Sure." Su Yang nodded his head without hesitation.

The other two disciples looked dispirited immediately afterward.

Su Yang noticed this and continued, "Don't worry, I can also cultivate with you two today if you don't mind waiting a little. It won't be too long."

Visit panda-novel.com, for the best no_vel_read_ing experience

Indeed, these two disciples didn't think they would get to cultivate with him today since he's already picked a partner.

After all, most disciples in this sect can usually cultivate for days without any breaks, and since Su Yang had already picked a cultivating partner, it would only make sense to think that he would be unavailable for the next few days.

The two disciples immediately smiled after hearing Su Yang's words, but now the disciple he picked felt a little saddened, as his words indirectly ridiculed her.

"Oh, I am not underestimating you. I will guarantee you that you will leave this place satisfied. In fact, we will cultivate until you are satisfied."

The disciple nodded, feeling a lot better after hearing such words.

She followed him inside shortly after.

"How long do you think they'll cultivate for?"

The two disciples waiting outside started a conversation to kill time.

"Who knows. Maybe six hours?"

However, to their absolute surprise, the disciple came out with Su Yang after a mere hour!

"No way... They're done already?" The two disciples were in disbelief, but when they looked at the female disciple's face, she was definitely satisfied.

"Who would like to go next?" Su Yang asked the two ladies waiting outside.

"M-Me!"

The most up-to-date nov_els are published_here > panda-novel.com

"Follow me."

They went inside the house, but they returned an hour later.

"I can't believe it. You really managed to exhaust me after an hour. You're really something, Disciple Xiao." The female disciple said to him before leaving his place with unsteady movements.

The last disciple wore a different color uniform than the previous disciples and was actually an Inner Court disciple.

"If you think you'll defeat me in an hour like the other two, think again!" The disciple said with a confident smile on her pretty face.

Su Yang merely smiled at her words, and the two of them entered his room shortly after.

Meanwhile, somewhere in the sect, Elder Tou sat in his room with another disciple.

"So does Elder Chu's new pig have a partner yet?" He asked the disciple.

"Not officially, but he's been receiving a lot of disciples into his house recently. It will only be a matter of time before he accepts a partner at this rate."

"He also had some altercation with a few Inner Court disciples at the Yin Yang Hot Springs."

"I see... I guess I have underestimated this new disciple a little."

Elder Tou mumbled to himself.

"Do you want us to do something about this disciple? We can easily crush an Outer Court disciple who has no background." The disciple asked.

Follow new_episodes on the panda-novel.com platform.

Elder Tou smiled and said, "What's the rush? It's just an Outer Court disciple who entered this sect by mere luck. We can deal with him whenever we want. I also don't want Elder Chu to make a complaint. It's a pain in the ass dealing with her."

"With that being said, you can still mess with him a little without killing him. He's been meeting with a lot of female disciples, right? We'll let their partners do the work for us."

"That's a wonderful idea, Elder Tou. I'll immediately get to it."

Once he was alone again, Elder Tou coldly sneered, "How dare a pig like him cultivate with the sect's beautiful flowers! He's tainting them!"

Back at Su Yang's living quarters, the Inner Court disciple just climaxed for the 17th time.

"Looks like I was the one underestimating you this entire time, Disciple Xiao..." The Inner Court disciple gasped for air as her cave continuously leaked Yin Qi.

It's only been an hour, but both her body and mind were exhausted.

"If I'd known that someone like you was working in the City of Pleasure, I would've visited you every day."

Su Yang smiled and said, "You're free to visit me every day while I am here."

The disciple raised her eyebrow, "You make it sound like you won't be here for long when you're just an Outer Court disciple. You know, most disciples stay here for at least a thousand years before they start adventuring outside."

"A thousand years? That sounds like a lot."

"Really? How old are you?" The disciple suddenly asked him.

Su Yang never paid attention to his age since he's lived long enough.

Try the panda-novel.com platform_for the most advanced_reading experience.

"Around twenty something. I guess. I stopped caring long ago." He shrugged.

"What?! You're not even thirty years old?!" The Inner Court disciple was shocked.

After all, she was over 300 years old.

Chapter 1036: Cheating On Their Partners

"Is it that bad that I am less than 30 years old?" Su Yang asked the disciple with raised eyebrows.

"N-No... I just can't believe that someone your age is already so good with dual cultivation. You have immense potential, Disciple Xiao!" The Inner Court disciple said to him in an excited voice.

After all, if he's already this amazing at 20 years old, how good will his techniques be a thousand years from now? The Inner Court disciple couldn't even begin to imagine what it would feel like cultivating with him at that time when he's all grown and even more experienced.

"Why don't you become my partner? Very rarely do Outer Court disciples get to partner up with an Inner Court disciple." The disciple asked him.

She knew very well that if others found out about his hidden talents and true potential, there would be a line of Inner Court disciples waiting to become his partner.

Therefore, she must act first.

However, Su Yang wasn't looking for a partner right now. "Sorry, but I am not looking for a partner right now."

"What? Why not? You know that you have to find a partner within one year of joining the sect, right? You'll be expelled from the sect if you fail to do so." The Inner Court disciple said, and she was inwardly surprised that an Outer Court disciple would refuse to accept an Inner Court disciple as a partner, especially considering his normal appearance.

"Well, I'm still very new with no backing in the sect. If someone like me suddenly has an Inner Court disciple, the other disciples will definitely start causing trouble for me, and I don't want that yet." Su Yang made up a logical excuse.

"I see... I understand where you're coming from since there are many people who are easily annoyed with jealousy in this sect, but I will try my best to protect you!"

"Thank you, but I don't think I am ready for it. Once I gain some more recognition and confidence, ask me again, okay?"

The Inner Court disciple sighed, "All right. I will ask you again later."

By the time Su Yang was finished with the Inner Court disciple, two more disciples had showed up to his house.

Su Yang would spend the rest of the day and the next few days cultivating with the disciples that showed up to his place.

His name was also being spread around the sect.

"Have you heard? There's this new Outer Court disciple who not only has an amazing penis but also incredible technique! Let's go check him out and see if he's really as the rumors say!"

"What? I already have a partner."

"You don't need to tell him!"

"That's insane! I'm not going to cheat on my partner!"

"Don't consider it cheating. That Outer Court disciple is also an official masseur. You can just go as a 'customer'."

"That doesn't even make any sense! If you want to go, you can go by yourself, but I am not going!"

"All right. I will let you know how it goes."

A few days later, that disciple returned to her friend to share her experience.

"Heavens! It was freaking amazing! I'm so glad that I went! He made me feel things that I have never felt with my partner!"

"You seriously went? Your partner won't be happy if he learns about this."

"He won't know unless you tell him! Anyways, I'm telling you! You should go see him at least once! Or you'll really regret it! As best friend, I can guarantee his skills!"

"Fine! I will go! But I won't cultivate with him! He's a masseur, right? I'll go for a massage- just a normal massage!"

"Sure. You'll be begging for his dick afterward, anyway."

The following day, these two disciples met up again.

"How was it?"

"I-I..." The disciple was speechless.

Seeing her friend like this, she chuckled, "You totally fucked him!"

"I-I really didn't plan on doing that! I don't know what happened! My mind went blank halfway through the massage, and before I realized, his penis was already inside me, and I wasn't able to resist it!"

"Hahaha! I knew it! How was it? Amazing, right?"

"It was heavenly!"

"Let's go see him together next time!"

"Sure!"

Within a week, Xiao Yang's name had spread to most corners in the Outer Court, and Inner Court disciples could be seen more frequently at his place now.

Unfortunately, this also meant that more and more male disciples would learn of his existence, and it was inevitable that some of them would become jealous of his fame.

Furthermore, because many female disciples are visiting Su Yang in secrecy, the male disciples are now constantly worrying if their partners are visiting him behind their backs.

Things got so bad that male disciples started showing up at the Outcast Peak just to keep an eye out.

Eventually, the male disciples started a group that kept track of the female disciples visiting Su Yang, and if any of them had a partner, they would report it to their partners.

This made it almost impossible for the female disciples with partners to visit Su Yang in secrecy.

However, the female disciples did not give up, as they were addicted to Su Yang's techniques, so they started buying Appearance Altering Pills.

"Fucking hell! The female disciples are starting to visit Disciple Xiao in disguise! We can't do anything about this!"

"Why are they so desperate to cultivate with him to the extent where they're willingly cheating on their partners?!"

"I haven't had a wink of sleep for the past couple of days because I am constantly worried about my own partner visiting him!"

"Me too!"

"You know what? We've been going about this wrong the whole time! We shouldn't have put our focus on the female disciples! We should've dealt with the problem from the root Disciple Xiao!"

"That's right! Let's give that bastard a piece of our mind!"

Thus, a group of angry male disciples started making their way towards Outcast Peak, and it wasn't a small 1 group either.

Chapter 1037: First and Last Warning

"Xiao Yang, get your ass out here!" The male disciples stood right outside his living quarters and shouted.

"Hey, what the hell do you guys think you're doing?" The female disciples there immediately called them out.

"Get out of here! This is no place for male disciples like you!"

"Shut the hell up! We're here for Xiao Yang, not you who are cheating on your partners!" whores

"How dare you call us whores! Even if your partner is cheating on you, that gives you no right to insult us! I bet you can't even satisfy your partner, hence why they went to look for someone who can! Pathetic!"

The commotion at Outcast Peak quickly grew out of hand as it got louder and more aggressive.

The other residents at Outcast Peak were terrified of the activities outside Su Yang's living quarters. In fact, this is the first time they've seen such a crowd at Outcast Peak, feeling quite intimidated by them.

"Everyone, please calm down!" Mei Ying rushed outside after noticing the commotion.

The disciples temporarily stopped arguing to look at her.

"And who the hell are you?" One of the male disciples asked her.

Mei Ying swallowed nervously after sensing their cold glares. Compared to the people in the City of Pleasure, these disciples were on another level in terms of pressure and feeling threatening.

"I-I am the Manager's servant. If you have any problems, I am willing to pass along your message to him when he's available," she said to them with weak legs.

"Well, your 'Manager' is the reason why many female disciples are cheating on their partners! And we're here to put a stop to it once and for all!"

"B-But these disciples came to visit the Manager on their own accord... He's not forcing them to-"

"Shut the fuck up! You're just a mere servant! Don't you dare talk back to us!"

"How dare you talk to her like that! She may be a servant, but she's Disciple Xiao's servant!" The female disciples immediately came to her defense.

They knew that if they protected Mei Ying, her Master, Xiao Yang, would have a good impression on them.

Thus, the commotion between the male disciples and the female disciples started again.

Meanwhile, inside Su Yang's room.

"Looks like there is a commotion outside." He sighed.

"Go ahead and see what's going on. I don't mind waiting here for you." The female disciple on his bed said.

"Sorry, I will make it up to you later." Su Yang said with an apologetic smile before pulling his rod from her soaking wet cave and getting dressed.

After leaving the room, he followed the direction of the commotion until he was outside his house.

"M-Manager! There's been a problem-" Mei Ying sighed in relief after seeing him, but she still held a worried expression on her face.

"Thank you, I will handle it from here." Su Yang nodded. THIS CHAPTER IS UPDATE BY Freewebnovel.com.

"Xiao Yang, you bastard!" The male disciples there immediately noticed his presence the moment he stepped outside.

Su Yang remained calm and spoke, "Are you here for a massage? Unfortunately, I have a policy that only allows me to serve women. I'm afraid you'll have to leave."

"Fuck you and your policy! We're not here for a massage, you bastardo!"

Su Yang raised his eyebrows and asked in a puzzled manner, "If not for a massage, then why are you here?"

"We're here to fucking kill you, of course!" One of them shouted in rage.

"What?" Su Yang pretended to be shocked.

"Why would you want to kill me? I don't remember offending you guys.

"You don't know why we want to kill you? Of course you don't! After all, you're too busy screwing our partners!"

"Huh? Your partners? I'm sorry, but I don't pick my partners, and I have no way of knowing if my partner already has a partner or not." Su Yang said.

"You can't expect me to know the relationship of every female disciple in this sect."

"Or are you going to tell me to stop cultivating with the female disciples entirely? You might as well tell me to stop being a disciple of this sect."

The male disciples gritted their teeth in frustration after hearing Su Yang's perfect comeback, as there was no way for them to argue back without sounding crazy.

"You know what? That's a great idea! Look at yourself in the mirror! You don't deserve to be a disciple of this sect! You're too fucking ugly!" One of the male disciples there suddenly said without an ounce of shame in his voice.

"So what if I was blessed with a handsome face at birth? One's performance in the sect is more important than their appearance." Su Yang said.

"Hahaha! Maybe at other sects, but not in the Boundless Yin Yang Sect! In this world, appearance is above all!"

"If that's the case, why are there so many female disciples willing to cultivate with me despite my ugly appearance?" Su Yang then asked.

"I don't think you're ugly, Disciple Xiao!" One of the female disciples there suddenly shouted.

"M-Me too! I care more about your ability than your appearance!"

Su Yang smiled at the female disciples, "Thank you all for your kind words."

He returned to facing the male disciples and continued, "See? Not all disciples think appearance is the be-all and end-all in this place, and that's more than enough for me."

"Enough! I don't care what you or these sluts have to say! This is our first and final warning, Xiao Yang! If you continue stealing partners from: my fellow brothers, I will make it my mission to make your life in this place as miserable as possible! Let's go!"

The male disciple leading the group turned around and began walking away.

His group followed him, but they made sure to spit saliva in front of Su Yang's house before leaving.

Once the male disciples were gone, the Outcast Peak returned to being nice and quiet, but the atmosphere there remained heavy.

Chapter 1038: Ignoring the Threats

"Now that the nuisances are gone, I'm going to return to my cultivation. I'll see you all later." Su Yang said to the dumbfounded female disciples.

"W-Wait... What are you going to do now that the male disciples have threatened you?" One of them suddenly asked him.

"I'm not going to do anything about it and just act like they never even showed up. After all, why should I stop doing my business because some idiots cannot satisfy their own partners?" Su Yang calmly shrugged.

"I-I think you should talk to a sect elder about this... I'm sure they will do something." One of them suggested.

'If my previous experiences taught me anything, it's that the sect elders are far worse than the disciples in this sect and that they are not reliable at all.' Su Yang scoffed inwardly.

"I'll be fine. What's the worst that can happen? It's forbidden to kill fellow disciples outside of the life and death arena." Su Yang showed them a confident smile.

"Disciple Xiao, I know that you're new to sects, but shouldn't take these kinds of situations lightly. The male you really disciples will definitely try to do something funny, and even if they cannot kill you in public, they can make your life in the sect harder, even kill you in private."

"Thank you for the warning and advice, but I have no plans on giving up as a disciple of this sect even if they threaten my life. I will continue to cultivate until I become an Inner Court Disciple, then a Core Disciple."

The female disciples admired Su Yang's courage and dedication to cultivation, so they stopped mentioning the whole situation.

Su Yang returned to his room shortly after to finish his business with the disciple in his room.

"Sorry I took so long, but everything is fine now."

"You better be! Look at how lonely and wet my body is!" The disciple said in a teasing voice.

Su Yang wasted no time inserting his rod into her body, resuming their session.

Meanwhile, news of the commotion at Outcast Peak began spreading around the Outer Court disciple.

"Did you hear? Some male disciples went to threaten Disciple Xiao because they were jealous of him."

"I heard that it was because their partners had gone to Disciple Xiao for satisfaction instead."

When Elder Tou heard about the commotion, he laughed out loud, "Hahaha! I knew this would happen sooner or later! Damn pig thinks he can cultivate with our fairies and get away with it!"

Some of the female disciples were worried that Su Yang might stop cultivating and leave the sect because of the threats, but to their pleasant surprise, Su Yang did no such thing, and he even increased his activities with the female disciples.

When the male disciples learned that Su Yang had basically ignored all of their warnings and made them look like dogs that are all bark but no bite, they were enraged.

The male disciples gathered once again to decide Su Yang's fate.

"This bastard Xiao Yang has ignored all of our warnings! He clearly doesn't care about his life! Let's kill him!"

"Kill him? I think we should torture him instead! Killing him is easy, so it won't be any fun. I want to watch him fall into despair!" Freewebnovel.com

"But how are we going to do that?"

"I have the perfect idea! Listen to me..."

"Hahaha! That's perfect! That bastard will regret ever offending us afterward!"

Several days later.

"Hello, Disciple Xiao."

Su Yang's new partner greeted him after entering his room.

She was a tall beauty with long wavy brown hair and hazel eyes.

After their greeting, the female disciple approached him and embraced his body.

"I've heard nothing but good things about you from my fellow sisters. Don't disappoint me, okay?"

"No promises, but I will try my best." Su Yang smiled.

"Here, let me take your clothes off."

The female disciple proceeds to remove his loosened robes.

Once Su Yang's upper body was exposed, and the female disciple was behind him, a cold glint appeared in her eyes.

You can only blame yourself for offending my partner!' The female disciple suddenly retrieved a needle that was the size of a single strand of hair and plunged it at Su Yang's back.

However, before the female disciple could damage Su Yang's fair skin with the needle, something in the room activated, causing the female disciple to halt her movements,

'W-What the hell is this?! I cannot move my body! The female disciple cried inwardly, but no matter how much she struggled, she was unable to break free of the invisible restraints on her body.

"What a pity..." Su Yang suddenly released a sigh.

He quickly fixed his clothes and turned around to face the confused female disciple with a calm expression.

After glancing at her face, he turned to look at the needle in her hand and asked, "What do you think you're trying to do with such a dangerous thing?"

"I-I can explain... This is a misunderstanding..." She muttered in a nervous voice.

"A misunderstanding, huh? Do you even know what you're holding in your hand?" He then asked.

"I-I don't!" She quickly responded.

Su Yang narrowed his eyes on her. He could tell that she was telling the truth. However, that doesn't change the fact that she'd just tried to harm him with it.

"Why are you trying to harm me?" Su Yang asked her even though he already knew the answer.

"I-I had no choice! My life was threatened! They would kill me if I didn't obey their orders!" She immediately began crying.

'Wow, she's good at faking tears. It could probably fool most Outer Court disciples in this place,' Su Yang thought to himself as he watched the disciple cry her eyes out.

He then took the needle from her hand and pointed it at her, "Since you don't know the effects of this needle, why don't you experience it for yourself?"

"W-What? N-No! Please! Stop! I beg of you! I will do anything you want! I swear!" She quickly started shedding real tears after hearing Su Yang's words. Even though she didn't know the effects of the needle, she was sure that it had a good chance of killing her.

Chapter 1039: There Is Nothing Wrong With Your Body!

The disciple pleaded with Su Yang to stop when he threatened to use the needle on her.

However, Su Yang merely smiled at her attempt, and he continued moving the needle closer and closer to her body.

"N-No! Stop! Please!"

Once the tip of the needle was touching the disciple's skin, she immediately stopped moving out of fear.

"You may not think so, but you're actually very lucky." Su Yang suddenly said in a gentle voice.

"Normally, I would kill anyone that tries to harm me. However, since we are both disciples of the same sect, and I do not wish to be kicked out of the sect just yet for killing a fellow disciple, I will have to restrain myself and spare your life."

"With that being said, you will have to be punished."

Su Yang pressed the needle a little harder, forcing it to enter the disciple's body.

"AAAAAHHH!" The disciple screamed at the top of her lungs even though there was no pain from the injury besides a slight pricking sensation.

Su Yang removed the needle from her body a moment later.

"What do you think is going to happen to your body now that the poison has invaded it?"

"Let me go! I need to see a doctor right away!"

The disciple tried to leave, but the invisible restraints on her body were too strong, feeling like she was frozen in time. Freewebnovel.com

Su Yang started laughing a moment later and said, "Don't worry. the poison won't harm your body."

"W-What?" The disciple stared at him with wide eyes filled with disbelief.

"The poison on the needle doesn't work on women. However, if used on a man, the thing between their legs will cease to function, turning them into a cripple."

"Although it's not impossible to fix the injury, it requires a lot of resources and effort-something most disciples in this sect won't be able to afford. In other words, this poison will force them to leave the sect and give up life as a man."

The disciple sighed in relief after realizing that the poison won't affect her because she's a woman.

"I wouldn't be relieved yet if I were you." Su Yang said after seeing her expression.

"After all, the punishment isn't over yet."

"W-What are you going to do to me?! A-Are you going to assault me?!"

Su Yang burst out laughing at her words, "Assault you? You think I'd lay my hands on a woman like you? I wouldn't put my treasure in your body even if my life is threatened!"

Su Yang approached her and suddenly started striking different locations on her body with his fingers, almost as though he was doing acupuncture.

Once Su Yang retrieved his hand, he spoke in a calm voice, "In fifteen minutes, your body will suddenly feel as though it's on fire, but don't worry, it won't hurt you. However, you will probably wish that was the case very soon."

Su Yang deactivated the formation in the room that had been restricting the female disciple's body and said, "You may leave." Freewebnovel.com

The female disciple didn't dare to linger and immediately rushed outside, not even bothering to ask for an explanation from Su Yang.

After leaving his place, the female disciple rushed to one of the elders who was also a doctor and requested for her body to be checked.

"Please! Something happened to my body! I need you to check

"Calm down and explain the situation to me. What exactly happened to you?" The female Elder asked.

"I-I don't know! Someone had used some kind of acupuncture on my body just now, and he said it will start affecting my body in fifteen minutes! It's already been 10 minutes! Please save me! I'm scared!"

The disciple gave the Elder a vague explanation, as there was no way that she could tell the truth that she'd tried to poison a fellow disciple and ended up being punished by her target.

"Let me take a look at your body..." The Elder frowned.

However, the Elder wasn't able to find anything wrong with her body after inspecting it.

"Are you sure you're not lying to me? There is nothing wrong with your body." The Elder began doubting her.

"I-I'm not lying! I swear!"

The Elder decided to check her body again, even taking some of her blood to inspect it.

"There is nothing wrong with after getting the same result. your body!" The Elder repeated

"N-Not way... Did he lie to me? Just to scare me?" The disciple was in disbelief.

"I-I am really sorry for bothering you, Elder. This is just a misunderstanding..."

"Get out! How dare you waste my time!" The Elder was furious.

"I'm really sorry..." The disciple bowed to the Elder before walking towards the door.

However, right as she reached the door, the disciple suddenly screamed, and her body collapsed on the floor.

"What!?" This startled the Elder, who immediately went to check on the disciple.

The disciple was trembling nonstop, almost like she was having a seizure, but the expression on her face suggested otherwise.

"Hey! Are you all right?! What's wrong?! Are you in pain?!" The Elder asked her.

The disciple gasped for breath, and she spoke in a low voice, "1 It's so hot! My body feels like it's burning! Please! Make this stop! It's making me cum nonstop!"

"What...?" The Elder was baffled after hearing the disciple's last words.

She looked down, and sure enough, there was a puddle of Yin Qi where the disciple was lying.

"Let me inspect your body." The Elder said as she grabbed the disciple's arm.

"Noooo! Don't touch me! It's making it worse! Ahh! I'm cumming again!" The disciple shouted when the Elder touched her.

"Bear with it! I won't be able to see what's wrong with your body without touching you!" The Elder held the disciple firmly so that she couldn't escape.

However, she was still unable to find anything wrong with the disciple's body.

'What in heavens' name is happening to this girl?!' The Elder was speechless.

Chapter 1040: A Small Punishment

When the Elder couldn't find anything wrong inside the female disciple's body, wrong inside the female disciple's body, she removed all of the disciple's clothes she removed all of the disciple's clothes and inspected her naked body for any Clues.

However, when the Elder couldn't find anything wrong with the disciple's body, both outside and inside, she felt hopeless.

After pondering for a few moments, the Elder retrieved a communication jade slip and requested help from other Elders.

Soon, multiple Elders gathered inside the room to inspect the disciple's condition while she continued to gush with Yin Qi.

"Heavens, what kind of illness is this? I have never seen anything like this before."

All of the Elders were immediately baffled by the phenomenon before their eyes.

Each of them took turns checking the disciple's condition, but none of them have managed to figure anything out.

They felt like they were fighting an invisible enemy.

"Please! Help me! Make it stop! I don't want to cum anymore!" The disciple's eyes were filled with tears caused by two different emotions— happiness and terror.

"Tell us what happened from the start to end!" The Elders said to her.

"I tried to mess with Disciple Xiao under the request of my partner, but he found out and punished me! This is all his fault! He did something to my body!" The disciple finally revealed the truth to the Elders.

"Disciple Xiao? Who is that?" However, none of them knew of this Disciple Xiao. "Did he make you consume anything?" The disciple shook her head and said, "He used his fingers to poke certain spots on my body! Fifteen minutes later, my body started heating up!"

"He probably did something to her vital points. This is why we couldn't find anything wrong with her body. We've been lookin at this the wrong way."

"However, this makes curing her a lot more complicated. If we mess up, we could accidentally ruin her cultivation..." "We can only have the person responsible for this deal with this..."

The Elders eventually came to a conclusion. "Where is this Disciple Xiao? I will bring him here to heal you." One of the Elders asked the disciple.

"He's at Outcast Peak!"

"Outcast Peak?" The Elders were surprised to hear this.

A mere outcast disciple had managed to baffle so many Elders with this mysterious technique?

"I will be right back."

One of the Elders there left for the Outcast Peak shortly after.

Sometime later, the Elder arrived at the Outcast Peak, and to her absolute surprise, there was a line of female disciples queuing up in front of a building that hadn't been used for many times— at least to her knowledge.

The disciples there greeted the Elder when they noticed her presence.

"Greetings, Elder Liao!"

"Where can I find a disciple with the surname Xiao?" Elder Liao asked them.

The disciples all turned to look at the building they were standing outside of, and they wondered what this Elder Liao wanted with Xiao Yang.

"Disciple Xiao lives here, Elder. Why are you looking for him?" An Inner Court disciple there asked the Elder because the Outer Court disciples did not dare to do so.

"I don't have the time to explain!" Elder Liao said as she approached the building. However, before she could even reach the doorstep, a young man with an ordinary face stepped outside with a calm expression on his face.

"Hello. How can I help you?" Su Yang asked the Elder despite knowing her identity and her reason for being there. In fact, he anticipated her arrival.

"I am Elder Liao, and I need you to come with me right now!"

"You're an Elder? Pardon my late greeting, Elder Liao." Su Yang bowed to her.

"Did something happen? Why is a Sect Elder suddenly looking for me?" He asked her the next moment.

However, Elder Liao didn't bother explaining anything and lifted him into the air with spiritual energy before carrying him away by force, dumbfounding the female disciples there.

"Please be safe, Manager..." Xiao Ying sighed as she watched them disappear from inside the house.

Fortunately, Su Yang had explained to her the situation before he was taken away, or she would be much more panicked right now.

Elder Liao brought Su Yang straight to the disciple.

Sometime later, they entered the room with the other Elders and the disciple that had tried to mess with him.

"I don't care about your conflict with this disciple! Even if you are not at fault, I want you to fix her right now!" Elder Liao said to him in a slightly irritated voice, mostly because she couldn't heal the disciple and had to rely on an Outer Court disciple.

However, Su Yang didn't do anything and merely stood there in silence, his gaze on the naked disciple, who was crying and peeing herself at the same time.

"Disciple Xiao! Why are you just standing there?! If she dies, you will be punished to the fullest extent!" The Elders there pressured him.

Su Yang shook his head and spoke in a calm voice, "She won't die, and this won't last forever. In fact, her body will naturally recover in about a minute."

"What?"

The Elders turned to look at the disciple, and sure enough, after thirty more seconds had passed, the disciple stopped gushing with Yin Qi, but her body was still twitching a little.

Su Yang then spoke, "This disciple tried to poison me with a poison known as 'Yang Corrupting Venom'. If she had been successful, I would've been crippled down there and be forced to leave the sect, so I decided to punish her a little."

The Elders were left speechless by Su Yang's words, and they turned to look at the female disciple who had fallen unconscious shortly after the orgasms had stopped.

"Don't worry, Sect Elders. This won't harm her body or cultivation. However, she might not want to cultivate for a while due to what she had experienced." Su Yang said to them with a gentle smile on his face.
