

Chapter 1041 How to Divide the Property

“But you were there!” Xia Jun replied with a stiff neck. “You were there, so you will definitely be found!”

Looking at his fervent denial, Xia Xibei couldn't hold back a loud laugh.

“Hahahahaha!”

She laughed and slapped her thighs, losing her usual elegant image, not at all like the beautiful actress on the screen.

“What are you laughing at?”

Xia Jun stared at her with an ugly expression, breathing heavily.

Xia Xibei was still laughing, but did not answer him.

Xia Qingxun couldn't stand it anymore and explained, “Even if there was a picture of her, so what? If things blow up, she can still sue

you!”

Xia Qingxun really did not understand when Xia Jun got so stupid.

He used to be fine, and although he didn't love them much, his IQ was still quite normal.

How did he become like this? Spouting nonsense and making a mess!

Couldn't he think about what was best for him?

If this went on, did he think anything good would come from this?

Xia Qingxun did not know that this was also the effect of the drugs.

After taking that kind of drug, in addition to the physical effect, one's IQ was also affected.

Xia Jun was somewhat intelligent before, but after this trauma and the residual effects of the drug, he had quickly become the “moron” that everyone despised.

However, Xia Jun was not completely brainless.

After the problem was pointed out by Xia Qingxun, he finally came to his senses.

No matter how this thing developed, they were still in the wrong!

If the matter was exposed, Xia Xibei could still sue them!

Moreover, Xia Xibei must have evidence on hand. In that case, everyone would condemn them.

In addition to being condemned, they would also be punished by the law.

If she was an ordinary person and this kind of thing had happened, there would be a private settlement and then the whole thing would be swept under the rug, nothing coming out of it.

However, Xia Xibei was a star!

If a big star encountered this kind of thing and was betrayed by her own father...

There was no question. Xia Jun realized what kind of outcome it would be.

When the time came, it would definitely be a huge scandal!

If things got too big, he would never be able to get a good deal!

Then, he couldn't get a divorce if he wanted to.

Xia Xibei stopped laughing and looked at Xia Jun while hugging her chest, "How about it? Can you get a divorce now?"

Xia Jun hesitated for a moment and finally gritted his teeth. "Yes, but how will the property be divided?"

"I don't..."

Chang Qianzi stood up and wanted to say she didn't want anything but was pulled back by Xia Xibei.

"The company is my brother's, and as for the other assets, you and mom will share them equally."

Why didn't Chang Qianzi want any assets?

Chang Qianzi had been married to Xia Jun for so many years, had given birth to two children, and had run the household for so long, and she didn't want anything?! She'd be stupid if she didn't!

Moreover, Chang Qianzi was already very respectful in not taking more, and had even left him a house!

Xia Xibei thought it was fair, but Xia Jun jumped to his feet.

"No way!" He was furious. "I own the company!"

Other assets were fine, as there were not many, but how could the company be taken away from him?!

"Huh," Xia Xibei mocked him. "The company is my brother's, what's it to you? Didn't you leave the company long ago?"

Without waiting for Xia Jun to blow up, she added, "If you don't agree, I'll send a few photos out first. Don't worry, no one will ever find out about me."

Even if he told the police that she did it, it was useless. They couldn't find out!

Did they think Tang Luo was useless?

Listening to Xia Xibei's unapologetic threat, Xia Jun was stunned.

This damn girl was too cruel and vicious!

Chapter 1042 Divorced

“Well? Agree?” Xia Xibei asked as she looked at Xia Jun.

Xia Jun’s face was wonderfully livid.

Xia Qingxun and Chang Qianzi looked at each other but didn’t say anything.

They knew that Xia Xibei was angry. It was also justified. Who wouldn’t be angry when encountering something like this?

If it happened to them, they would want to kill the perpetrators!

Xia Xibei’s approach was already very kind.

If Xia Jun didn’t agree, no one knew what he would encounter later.

Chang Qianzi looked at her daughter lovingly, wondering how much she had suffered to become so decisive.

In her opinion, decisive was not a good word, because it meant Xia Xibei had suffered a lot to react this way.

Thinking about Xia Xibei’s adoptive parents, she felt even more heartbroken.

This child has suffered too much.

Xia Jun did not feel that Xia Xibei had suffered! He only felt that she was too cruel and terrible!

However, if he did not agree, the result would be horrific.

After hesitating for a while, he finally gritted his teeth and nodded, “Yes! I agree!”

When they heard him relent, Xia Qingxun and Chang Qianzi let out a sigh of relief.

Xia Qingxun hugged his mother and patted her shoulder in silent comfort.

Chang Qianzi hugged her son and said directly to Xia Jun, “Since you’ve decided, let’s divorce today!”

Xia Jun looked up incredulously. How could she be so quick? Couldn’t she have waited two more days?

This was too heartless!

Could it be that Xia Xibei inherited her cruelty from her?

No matter what, the marriage had to end, so both parties called their lawyers.

After hearing the couple’s request, the lawyers were stunned.

It was not that they hadn’t come across this kind of business before. There were many clients who had discussed the division of property at home before divorcing, but it was not often that you saw a division like theirs!

Moreover, the two people seemed to be fine before. They were the model couple that everyone envied, so how come they suddenly wanted to divorce?

Although the lawyers were all kinds of curious, they wore professional smiles and showed their best professionalism, so that there was no fault to be found.

The two children were adults, so there was no so-called custody battle, only the division of property, and the formalities were quickly handled.

Although the subsequent division of property still took a little time, the two had signed various documents and got the divorce certificate.

After getting the divorce certificate, Xia Jun's whole body seemed to be stripped of its bones, and he had lost his spirit. His shoulders collapsed, and it instantly aged him more than ten years.

Too many things had happened today, and he could not hold up.

On the contrary, Chang Qianzi's whole body was relaxed.

She originally thought that she would live with Xia Jun for the rest of her life.

She didn't expect that the divorce would come so suddenly.

However, after the divorce, she felt that life seemed to be quite good!

Moreover, with her children by her side, there was no difference from her old life.

Anyway, Xia Jun used to go out and fool around, but she never knew about it.

Now that she was away from Xia Jun, she was in a better mood.

"Mom, I'll take you to the beauty club to relax." Xia Xibei took Chang Qianzi's hand and wiggled her eyebrows, "Wash off all the dirt. We need to treat ourselves!"

Xia Qingxun took out a card and said, "Yes, you can spend as much as you want. Use my card!"

Chang Qianzi was amused, "You guys!"

Xia Jun stood not far away. Looking at the three people being so happy, his mood was difficult to describe.

After a while, he turned around and left.

Chapter 1043 With Reservations

Chang Qianzi had mixed feelings looking at Xia Jun's departure.

It was quite sad to become strangers after being husband and wife for many years, but when she saw Xia Xibei nearby, her sighs disappeared.

When it came to picking between Xia Xibei and Xia Jun, of course she would choose Xia Xibei!

"Okay, let's go!" Xia Xibei took Chang Qianzi's hand. "I'll take you to see my godmother."

“Godmother?” Chang Qianzi froze for a moment. “When did you have a godmother?”

“Long ago.” Xia Xibei smiled, “I just didn’t tell you about it before.”

Although they had acknowledged each other before, Xia Xibei didn’t empty her heart to them, let alone tell them everything. After all, while they were related by blood, it didn’t mean that the feelings matched.

Chang Qianzi and Xia Qingxun knew she was doing well for the past year and was doing quite well in her career and school. However, they didn’t know where she lived, or that she had a godmother.

When they asked her to go back to live with them, she didn’t agree, saying that she had a place to live.

More than that, she just smiled and didn’t answer.

Today, she offered to take them to see her godmother, and both of them had a few mixed feelings.

Chang Qianzi and Xia Qingxun looked at each other, then nodded with joy.

“Good, then let’s go visit her!”

Chang Qianzi felt that it was because she and Xia Jun got divorced today that Xia Xibei decided to take them to meet her friend.

It also showed that she did have reservations about them before.

However, they didn’t dare to ask her to stop having reservations about them.

Chang Qianzi was glad that Xia Xibei had reservations about them. Otherwise, who knew what Xia Jun would have plotted?

“In addition to visiting my godmother, there is someone I want to introduce to you.”

Xia Xibei winked at them mysteriously.

“Who?”

By the look on her face, it seemed that this person was not ordinary!

Xia Xibei smiled, “You’ll know when we arrive.”

Xia Qingxun laughed on the side, “It’s not your boyfriend, is it?”.

As soon as the words left his mouth, he remembered the previous recording. Qiao Haoming said that she was no longer pure...

In other words, Xia Xibei really had a boyfriend!

When he thought of this, his expression suddenly changed and he looked at Xia Xibei fiercely, his eyes wide.

Xia Xibei was not shocked by his expression but nodded frankly, "Yes, it's my boyfriend."

Xia Qingxun drew in a breath.

"Boyfriend?!"

His voice was about to break.

How old was Xia Xibei? How dare she have a boyfriend already!

What kind of person was that! How dare he bully a young woman!

For a moment, Xia Qingxun was so angry that he wanted to grab the other party and beat him up.

Chang Qianzi was also surprised.

"When did you have a boyfriend?"

"Before I met with you guys," Xia Xibei explained. "However, I never found the opportunity to tell you."

Xia Qingxun's eyes were flat like the eyes of a dead fish.

It was not that she didn't find a chance to tell them, but she kept it from them!

However, thinking about her distrust of them, Xia Qingxun could only be silent.

Then, he perked up again.

At least she was starting to trust them now! That was great progress!

Chang Qianzi's thoughts were similar. She just wanted her daughter to be well and not get into any trouble. That was enough.

Of course, boyfriends needed to be judged carefully. It was not a casual matter!

Their daughter couldn't be bullied!

With this thought in mind, the three went to Hongyan Beauty Club first.

Chang Qianzi then realized that the owner of the club was actually Xia Xibei's godmother!

Chapter 1044 Boyfriend

Chang Qianzi had certainly been to Hongyan Beauty Club before. After all, how could she not know about such a famous place?

She was very impressed with the beautiful owner of the club, Sister Hong. The stunning woman was the object of her envy and the kind of person she wanted to be, but to her surprise, Liu Manhong turned out to be Xia Xibei's godmother!

However, this was just the appetizer.

That night, she finally met Xia Xibei's boyfriend.

At the sight of this boyfriend, she felt her vision was blurry.

She pulled her son beside her and asked in a whisper, "Did I... Am I seeing things?"

Xia Qingxun's reaction was no better. He also looked at the tall man in front of him with a shocked face and felt that his eyesight had gone haywire.

Otherwise, how could he be seeing Qiao Yanjue?!

Wasn't Qiao Yanjue the fourth-youngest son of the Qiao family, and also Qiao Haoming's uncle?!

Xia Xibei couldn't have gotten someone to pretend to be him, right?

Xia Xibei pulled Qiao Yanjue over to her mother and brother and smiled at them. "This is my mother, and this is my big brother. Mom, brother, this is Qiao Yanjue, my boyfriend."

The two people on the other side of the table were still stunned, wearing petrified expressions.

Was he really Qiao Yanjue?

It was only after a long time that Xia Qingxun took a breath.

"You are Qiao Yanjue of the Qiao family?"

"Hello, I am Qiao Yanjue." Qiao Yanjue greeted them very politely. "I am indeed Qiao Yanjue of the Qiao family, and Beibei's boyfriend."

The two of them stared in disbelief. He really admitted it!

Xia Xibei had actually gotten Qiao Yanjue as her boyfriend!

However, after the surprise, the two of them were soon relieved.

They were worried that Xia Xibei would be retaliated against by Qiao Haoming. After all, it was the Qiao family, and they were hurt like this by Xia Xibei, so it would be strange if they were not angry and retaliated.

If Qiao Haoming retaliated, how could Xia Xibei resist?

The Xia family, compared to the Qiao family, could only be considered a minor rich family.

When it came to the Qiao family, there was no way for their family to fight back!

Now they were not worried.

Hah!

Qiao Yanjue was Xia Xibei's boyfriend, and he was also the heir of the Qiao family!

Moreover, he was Qiao Haoming's elder!

With such a status, would Qiao Haoming dare to do anything?

“Hello.”

After coming back to her senses, Chang Qianzi immediately revealed a smile and looked Qiao Yanjue up and down with satisfaction before she asked, “How long have you been together?”

“A few months.”

Qiao Yanjue was very well behaved and showed no coldness.

This was his future mother-in-law and brother-in-law!

“A few months?” Xia Qingxun’s brow furrowed. “That is to say, before Beibei was an adult...”

Qiao Yanjue interrupted him with a smile, “Beibei and I have known each other for a long time, and it’s been two months since we officially got together. You can rest assured that I will treat her well!”

While saying that, he also turned his head to look at Xia Xibei, his eyes full of tenderness.

Xia Qingxun got goosebumps.

Oh my God, was this really the cold Qiao Yanjue?

Looking at Qiao Yanjue and Xia Xibei’s gazes at each other, Chang Qianzi nodded with satisfaction.

You could tell whether two people loved each other or not by looking into their eyes.

She looked at Qiao Yanjue, “I believe you can handle yourselves well. However, you must protect Beibei and not let her be hurt again.”

“Hurt?”

Qiao Yanjue froze for a moment, and his smile suddenly disappeared.

“Who hurt her?”

Xia Xibei’s mouth twitched. Her mom said too much!

Chapter 1045 Insisting on Being Stupid

Only after Chang Qianzi and Xia Qingxun left did Qiao Yanjue turn grim. “What the hell is going on?”

Previously, Xia Xibei had said that they should not tell anyone about them being a couple for the time being

He understood Xia Xibei’s concern. Although they were her parents, after missing eighteen years, many things could not be said.

Now, Xia Xibei suddenly brought people over, which made Qiao Yanjue a little surprised.

To Qiao Yanjue, this was quite a good thing. After all, his identity was now in the open.

Only, remembering what Chang Qianzi said about Xia Xibei being hurt, he couldn't help but worry. "Is it Qiao Haoming?"

Without waiting for Xia Xibei to answer, Qiao Yanjue already had an idea.

Xia Jun did not come today. Looking at Xia Xibei and Chang Qianzi, who seemed to get along a bit differently, there must have been some kind of change.

This change, in addition to Xia Jun, meant there was no one else but Qiao Haoming to suspect.

If there was a relationship with Xia Jun... Naturally it had to be Qiao Haoming.

Faced with Qiao Yanjue's questioning, Xia Xibei didn't deny it. She nodded, "It's him."

"What did he do?"

What had worried Chang Qianzi should not be something trivial.

Xia Xibei looked up at him and obediently told him what happened today.

Qiao Yanjue's face grew darker and darker, and by the time she stopped talking, a storm was coming "These sons of bitches!"

He slapped the table fiercely, as if Qiao Haoming and the other men were in front of him, wanting to slap them to death.

"Don't worry, I was not hurt." Xia Xibei nestled in his arms and softly reassured him, "On the contrary, they are the ones who are in trouble now."

Xia Xibei almost couldn't help but laugh when she thought of what would happen to them.

"You..."

Qiao Yanjue looked down and wanted to reprimand her, but when he saw her expression, he could only be silent.

This girl knew that he wouldn't be angry with her!

"It seems that they can't wait to die!" Qiao Yanjue gritted his teeth, his gaze cold to the extreme.

In fact, they had been collecting all kinds of evidence against Qiao Weiyue and the others these days.

To deal them a fatal blow, they had to spend more time.

So far, they had found quite a lot of evidence.

When these things were exposed, Qiao Weiyue and the others would definitely pay!

Qiao Yanjue did not expect that Qiao Haoming would be so stupid! Not only did they not keep their noses clean, they actually came here to make more trouble.

Did they think their lives were too long? Did they think that they wouldn't be exposed and there would be no problems?!

"They are not going to get away with it," Xia Xibei nodded approvingly. "However, I'm curious. Just where did they get this drug?"

Xia Xibei remembered this drug well. After all, its effect was too vicious.

This kind of drug was not something that ordinary people could access.

Meanwhile, Qiao Haoming, who insisted on being stupid, also found the master, who gave him the drugs in a panic.

"What?!" Master Lu stood up in shock. "Who did you say took the pill?"

She thought she had heard wrong!

Wasn't this drug supposed to be for Xia Xibei? How did it get into their mouths?

"Us!" Qiao Haoming gritted his teeth, embarrassed to the core.

He was tempted to say that this drug was taken by Xia Xibei and they took something different.

However, the strange discomfort in his body was reminding him that this reaction was exactly what Master Lu had described before.

Moreover, he felt that he couldn't control his body, which made him panic beyond measure.

That was why he hurried over to Master Lu.

"Didn't I say that you must be careful?!"

Master Lu's face was like thunder.

Chapter 1046 Malevolent Mind

Looking at Master Lu's expression, Qiao Haoming's ominous premonition became even stronger.

"So what now? The drug should have no effect now, right?"

Qiao Haoming was hoping for a narrow escape.

Maybe there wouldn't be any problems after this? After all, they were almost all emptied out.

However, Master Lu shook her head, "There will be after-effects."

Qiao Haoming's heart thudded.

"Effects? What after-effects?"

In fact, he knew what Master Lu meant. After all, he had already heard her say it before.

However, when it happened to him, he did not want to accept the consequences.

Master Lu looked at him helplessly with pity, and her words crushed any hope he had.

“What I told you before will happen later.”

Qiao Haoming’s heart seemed to be hit by a hammer. He could not help but take a few steps backward, his face pale.

“Then... Is there a way to solve it?”

To his despair, Master Lu shook her head, “No.”

Qiao Haoming’s mind went blank and he shouted, “No?!”

Why would she give him a drug without an antidote?

Master Lu was sullen, “I told you many times before when I gave it to you that the consequences are serious and you must be very careful with it!”

She chose a drug with such a violent effect with the intent of getting rid of the problem once and for all.

If Xia Xibei took this kind of drug, she would certainly be ruined.

Even if she wanted to detoxify, they wouldn’t know how much time it would take.

During this period, to detoxify, she would have to experience at least dozens of men.

Could a woman being damaged like this still have a chance to live?

Master Lu had used the most vicious drug, one that even she had no antidote to.

When she was researching pharmaceuticals, her mind was on making the most vicious of drugs. As for the antidote...

It was not in her scope of treatment.

Besides, she just wanted to ruin Xia Xibei, so she needed to poison her. Why would she think about the antidote?

If Xia Xibei took the drug, there would be no antidote to cure her, so she would have to use men to cure herself.

Then, after she was damaged by many men, Qiao Yanjue would surely dislike her.

To a man, cuckolding was an unforgivable thing!

So, Qiao Yanjue would never help Xia Xibei when the time came!

Master Lu's calculations were very shrewd.

Previously, Qiao Yanjue had an expert by his side, so the expert could help him solve the compulsion.

However, if this expert wanted to take action, Qiao Yanjue must also agree!

Once Xia Xibei became like this, Qiao Yanjue would certainly feel weird about her and not let the expert help.

Of course, even if Qiao Yanjue valued his old feelings and had the expert help Xia Xibei, could the two still stay together?

Sooner or later, the two must separate.

After the separation, it would be much simpler for Master Lu to deal with Xia Xibei.

When the time came, Xia Xibei would probably die without a sound.

This was something that Master Lu had planned very well. So, she provided the drug to Qiao Haoming, who didn't know about it, and used him to take care of Xia Xibei.

Who would have thought that they would be so stupid that instead of making Xia Xibei suffer, they would have ruined themselves?

Looking at Qiao Haoming's anxious and panicked appearance, Master Lu thought, "This guy is really too stupid!"

They were grown men! How come they couldn't deal with a girl?

"Don't give me that nonsense!" Qiao Haoming broke down and shouted, completely losing his mind. "If you don't help me fix this, I won't let you get away with it either!"

Chapter 1047 Discovered

Qiao Haoming was about to collapse.

He hadn't had any compassion when he tried to drug Xia Xibei earlier. He only imagined how miserable she would be in the future, kneeling at his feet and begging for mercy when the time came.

It was a joy to think about.

However, when he was put in that situation himself, he could not handle it at all.

If he couldn't live without women in the future... It was not too much of a problem.

However, what if he couldn't live without men?

Thinking about what happened before, he had goosebumps all over his body, and he wanted to freak out.

This time, when Master Lu told him that there was no cure, how could he not be angry?

If he didn't have a little sense left in his rage, knowing that Master Lu was not an ordinary person and had extraordinary methods, he might have been unable to resist rushing over to choke her.

Master Lu despised Qiao Haoming's out-of-control expression, but still hurried to appease him.

"I have no cure now...."

Then her voice changed.

"But don't worry! Give me some time, I'll be able to fix it!"

"Really?"

Qiao Haoming was puzzled.

Didn't she just say there was no way? Why did she say she had a cure? She was not lying to him, right?

In the face of his question, Master Lu nodded her head, very sincere.

"Don't worry, I will try my best. After all, you are my client!"

Qiao Haoming didn't believe it, but at this point, no one else could help him except Master Lu, so all he could do was trust her.

"What's next? What should we do?" he asked, staring at Master Lu closely.

"What do you want to do?" Master Lu asked him in return.

"I..." Qiao Haoming was silent for a while before finally gritting his teeth. "I want to teach her a lesson!"

After being messed up by Xia Xibei like this, how could he possibly stop?!

Before, he just thought Xia Xibei was pretty and hot, so he wanted to be with her.

However, after being rejected by Xia Xibei many times, and after encountering this kind of thing, his mentality had changed completely.

"How do you want to teach her a lesson?" Master Lu asked very nonchalantly.

She had offered him such a good thing before and he didn't use it properly, hurting himself instead.

en

tas

Now he wanted to do it all over again? It was not that easy!

Her pharmaceuticals cost time and effort!

Qiao Haoming asked her, "What else do you have on hand?"

Master Lu was silent for a moment and thought for a while, "I do have something good on my side... But..."

“But?”

“But you have to pay a big price! And you have to make sure you can actually get her to take it! If you get caught...”

The look in Master Lu’s eyes made Qiao Haoming’s heart jump, and he hesitated when he thought of the previous result.

It didn’t seem easy to get Xia Xibei to take it...

If the previous situation happened again, what could be done?

“I’ll think about it first.”

He was afraid of encountering more trouble, so he didn’t dare to agree immediately.

He had to think about it carefully.

“Okay,” Master Lu nodded. “When you’ve made your decision, come back.”

“Alright.”

Before leaving, Qiao Haoming urged her, “Hurry up and get the antidote out!”

“I know.”

After sending Qiao Haoming away, Master Lu walked to the window and looked at the street below with a complicated expression.

Xia Xibei actually had such strength!

She didn’t know how on earth she managed to evade Qiao Haoming’s scheme.

However, she had to admit, Xia Xibei was definitely not an ordinary person.

As she was thinking, Master Lu’s eyes suddenly looked over somewhere.

Then, her brows furrowed.

Was she discovered?

Chapter 1048 Don’t Come Near Me

Qiao Weiyue was having fun with a beautiful woman when he came back and saw Qiao Haoming.

He was stunned.

“You... What’s wrong with you?”

Qiao Weiyue was dumbfounded. What was his son doing here?

Didn’t he say he was going out? Why did he look hollowed out?

Seeing his father approach, Qiao Haoming's heart lurched and he immediately jumped up, moving a few steps away.

"Don't come over!"

"What's wrong with you?"

Qiao Weiyue was even more confused. Why did his son look like he saw a ghost?

Qiao Haoming, however, was about to cry. When Qiao Weiyue came close just now, he felt an embarrassing feeling welling up in his body, and he wanted to pounce.

It was too scary! If he pounced on his dad, then it would really be the end!

Thinking about the after-effects that Master Lu had mentioned, he finally appreciated the terrifying effect of this drug!

If this drug was taken by Xia Xibei, she would definitely be controlled by the drug.

However, the one who took the drug was him, and the miserable one became him!

Qiao Haoming couldn't bear to be alive at the thought that he might react to more men afterward.

"Haoming, how..."

Qiao Haoming broke down and shouted, "Don't come over! Stay away from me!"

The way he looked as if he was dodging a beast made Qiao Weiyue's face grimmer.

"What are you doing?! I'm your father!"

Seeing that he was about to lean over again, Qiao Haoming hurriedly called out, "Dad, don't come over. Listen to me first!"

Qiao Weiyue stopped, looking unhappy.

"Tell me!"

Qiao Haoming gritted his teeth and hesitated for a moment before he described what happened.

When he finished, he looked up. His father was already some distance away from him, with a wary and disgusted look on his face.

"So... You like men now?"

"No!" Qiao Haoming was about to collapse. "I'm controlled by the drugs!"

Qiao Weiyue looked sheepish, but he still didn't dare to approach him.

He could finally understand why Qiao Haoming had just dodged him like he was electrocuted. If he hadn't, the result would have been disastrous.

He felt his scalp tingling at the thought of his son turning out to be interested in men, and that it might cause terrible and irreversible results.

He reprimanded him, "You're crazy! This is killing me!"

Qiao Haoming cried out, "I didn't want to! It's all because of that bitch!"

Qiao Weiyue was indignant, "That girl is this mean?"

"Yes!" Qiao Haoming nodded. "It's all her fault!"

Qiao Weiyue pulled away from him to ensure his own safety, then became furious at Xia Xibei.

"How dare she do such a thing?! We must take revenge!"

"Yes! There must be revenge!"

Qiao Haoming looked for his father just for this purpose.

Qiao Weiyue immediately picked up the phone and called Xia Jun to discuss the matter of revenge, but to his surprise, Xia Jun was already divorced!

How was it done this fast?!

Both father and son were stunned by Xia Xibei's moves, which were simply terrible!

They finally confirmed Xia Xibei's ferocity and heartlessness.

Xia Jun was her father! If she could hurt her father, she would not be easy to deal with.

Xia Jun was useless, so they had to think of other ways to take revenge, such as asking the show crew to kick her out. After all, she was a star! It was not hard to do.

However, before they could discuss the specific steps, Qiao Weiyue's phone rang.

It was from Qiao Yanjue.

On the phone, Qiao Yanjue asked them to dine together the next day, where he would introduce them to his girlfriend.

The two of them were dumbfounded.

When did their relationship with Qiao Yanjue become so good?

However, when they got there and saw his girlfriend, both of them were stunned!

Chapter 1049 Pretend it Didn't Happen

Qiao Weiyue and his son had a bad relationship with Qiao Yanjue.

It would be strange if the relationship was good!

After Qiao Weiyue was kicked out of the company by Qiao Yanjue, both father and son hated him to the core.

In this situation, why would Qiao Yanjue invite them for dinner and introduce his girlfriend to them?

This was a bit odd.

Although they thought Qiao Yanjue must be plotting something, the father and son thought about it and decided he wouldn't do anything

Besides, were they not going over there? They had to!

Wouldn't that be ridiculed? When the time came, Qiao Yanjue would think they were afraid of him!

So, they quickly got ready and went to the restaurant where they had made the appointment.

While they had thought of a lot of possibilities, they didn't expect that his girlfriend would be Xia Xibei!

At the sight of Xia Xibei and Qiao Yanjue walking in affectionately, Qiao Haoming's eyes went wide and his whole mind had gone blank.

He was mistaken, right? Otherwise, why would he see Xia Xibei here?

Qiao Haoming's eyes were wide as he watched the two people walk up to them arm in arm, smiling and greeting them.

"Let me introduce you. This is my girlfriend, Xia Xibei."

Qiao Yanjue smiled and glanced at Xia Xibei before looking back at Qiao Haoming and Qiao Weiyue.

"This is my big brother Qiao Weiyue, and this is my nephew Qiao Haoming. From now on we're a family."

A family?!

When these words came out, Qiao Haoming almost jumped up.

Who was family with her?!

Moreover, after what Xia Xibei had done to him, how could she shamelessly pretend that it was not the case and still be a family?

What surprised them even more was that Xia Xibei was more calm and relaxed than they thought.

"Hello big brother. Hello nephew Haoming," Xia Xibei greeted them with a smile.

Qiao Weiyue and Qiao Haoming's faces changed at the same time and almost lost their cool. Who gave her the qualification to call them that?

Looking at Qiao Yanjue, who had a dotting expression, Qiao Haoming raged and almost jumped up.

"I know you guys had some unpleasant things happen before."

Without waiting for them to open their mouths, Qiao Yanjue spoke first with a calm attitude.

“However, now we are all family. We wouldn’t have met without the fighting, right? I’ll take the lead. This matter is over, okay!”

Seeing Qiao Yanjue act so nonchalantly, Qiao Haoming could not help but wonder if he was not clear about what happened before?

Otherwise, how could he say such words?

Right, how could Xia Xibei tell the truth about what she had done?

Qiao Yanjue would definitely be scared off if he knew Xia Xibei’s true nature!

In fact, if you thought about it carefully, they were the ones who were in the wrong. After all, they were the ones who took the initiative to do something to Xia Xibei.

In the end, they were the ones who were hurt instead!

Qiao Haoming’s face was very conflicted, and his emotions were incomparably complicated.

He should be happy that Xia Xibei treated the incident as if it had never happened.

However, when he thought about what he had suffered, how could he treat this matter as if it was over? It was too pitiful, right?

Still, if he were to talk about these things, Qiao Yanjue would definitely be angry!

Such a difficult situation caused Qiao Haoming’s face to twist.

He didn’t know how he should face the scene in front of him.

At this time, a terrible feeling surged up inside him.

The scent of the two men next to him made his body agitated, and his face went dark.

Then he noticed that Xia Xibei had pulled Qiao Yanjue aside and increased their distance.

Damn it!

Chapter 1050 We’ve Been Together for Half a Year

Qiao Haoming tried hard to suppress the agitation in his body to keep himself from losing his temper.

It was only after taking deep breaths that he slowly calmed down.

At the same time, he was feeling incredibly desperate, hoping that Master Lu could quickly find a suitable antidote.

However, that was something for later. Now, he had to deal with Qiao Yanjue and Xia Xibei.

Qiao Haoming was in a very bad mood, as if he had received the biggest aggravation in the world.

Yes, it was the first time he had encountered such a thing in his life.

He had wanted to get back at Xia Xibei, but to his surprise, the boyfriend Xia Xibei had found was Qiao Yanjue!

What made him even angrier was that Xia Xibei looked calm and relaxed, as if what happened before had never happened and the world was at peace.

While Qiao Haoming was angry, Qiao Yanjue was very calm.

“Let’s sit down first!”

After everyone sat down at a large table, Qiao Weiyue could not help but ask, “How long have you been together?”

“A while,” Qiao Yanjue replied.

“How long is a while?”

“Half a year.”

Half a year?!

Qiao Weiyue and Qiao Haoming looked at each other, even more shocked.

It had been half a year, and Qiao Yanjue had concealed it from them!

Moreover, half a year ago, Xia Xibei was not even the daughter of the Xia family.

What exactly did he see in her?

“Do Mom and Dad know?” Qiao Weiyue asked.

“Yes.” Qiao Yanjue looked innocent. “I told them before, and they were fine with it.”

“Um...”

Qiao Weiyue’s words were interrupted when Qiao Yanjue produced a smile.

“Don’t worry, they won’t have a complaint. After all, Beibei is so outstanding and beautiful, not to mention excellent in every way! Much better than my two sisters-in-law!

“Ah!” Qiao Yanjue looked embarrassed to say the wrong thing. “Sorry, I’m not making fun of them. They are also very good, both virtuous wives and mothers, taking care of their husbands and children. It’s just that I don’t like their type.”

This explanation was worse than no explanation at all!

The corners of Qiao Weiyue’s mouth twitched and his face looked unpleasant.

“Oops, you’re exaggerating. How am I that good?!” Xia Xibei slapped his hand and pouted.

Qiao Yanjue locked eyes with her, "In my heart, you are the best."

"You are the best in my heart too."

Xia Xibei had a shy face.

Seeing that the two seemed to be canoodling here, Qiao Weiyue and Qiao Haoming's faces turned black

Did they have no shame?!

Qiao Haoming was seething with anger and couldn't help but speak up, "Fourth uncle, you and she got together half a year ago?"

"Yes," Qiao Yanjue nodded. "We've been together for a while."

"You guys have a good relationship."

"Yeah," Qiao Yanjue agreed with a smile.

"So you know about what happened between her and me?" Qiao Haoming asked nonchalantly.

Qiao Yanjue raised his eyebrows, "You're talking about... Your engagement to the Xia family?"

"Right."

"Of course, I know that," Qiao Yanjue smiled. "But the marriage contract was between you and Xia Qinghan. It has nothing to do with Beibei."

"She is the real daughter of the Xia family!"

"Sorry, I have nothing to do with the Xia family," Xia Xibei said. "Besides, my parents are already divorced, so if you want to find the Xia family's daughter, you can look for Xia Jun."

"Oh yes! Xia Qinghan is actually Xia Jun's daughter, so there's really no problem with your marriage contract! Your contract was made with Xia Jun in the first place, so you can go find his daughter."

Xia Xibei now called Xia Jun by his first name and last name, unable to show any semblance of respect.

Chapter 1051 Making It Big

Qiao Haoming's face fell.

He looked at Qiao Yanjue, still wanting to provoke the two, but Qiao Yanjue had already spoken.

"Beibei has already told me everything."

He emphasized the word "everything."

"There is no secret between me and her. Moreover, I also believe that the misunderstanding between you two will be resolved soon."

When Qiao Haoming met Qiao Yanjue's eyes, he couldn't help but shiver.

His heart shook and he didn't dare to continue talking.

Qiao Weiyue, on the other hand, was a bit suspicious.

"Have I seen you somewhere before?"

He was asking about Xia Xibei, as he felt that Xia Xibei looked a bit familiar!

"She's a star, so you'll have seen her on TV," Qiao Yanjue explained.

"Is that so?"

Qiao Weiyue still didn't feel right.

He had indeed seen Xia Xibei on TV before, but at that time, there was nothing familiar about her.

Today, up close and personal, he felt that Xia Xibei gave him a somewhat familiar feeling.

However, if she was a beauty like Xia Xibei, he would not forget her if he had seen her.

A vague premonition in his heart told him that things were not that simple.

However, he couldn't recall Xia Xibei's identity, so he could only give up.

"Big brother, I heard that you are now doing business with other people?" Qiao Yanjue suddenly asked.

"Yes, yes."

Qiao Weiyue had a moment of panic. He did not expect Qiao Yanjue to suddenly bring up this issue.

However, he quickly steadied himself and smiled, "It's just a small business. After all, I'm not that competent, haha."

When he said this, he was a bit sad.

If Qiao Yanjue hadn't thrown him out of the company, he wouldn't have had to think of other ways! Although it led to bigger things, it still made him a little depressed.

Now Qiao Yanjue had the nerve to ask such a question. It was simply shameless!

However, Qiao Weiyue didn't dare to flip out on Qiao Yanjue. Who knew what the man would do?

It felt like it would be troublesome if Qiao Yanjue found out about it.

"Big brother, you are so capable. Surely you will be able to make it big soon," Qiao Yanjue flattered him without changing his expression.

Even Qiao Haoming felt speechless. How could he say that?

Qiao Weiyue also felt a little embarrassed. Qiao Yanjue was being sarcastic, right?

However, he didn't retort. He just curled the corner of his mouth, "I'm grateful for your words."

"But what do you do?" Qiao Yanjue asked.

"Just dealing in some lifestyle products, like vases and stuff," Qiao Weiyue replied casually.

"That's good! That's real industry!"

The atmosphere seemed to be very harmonious as the two brothers chatted.

As for Qiao Haoming, who was stifled, he was ignored.

During the meal, Qiao Haoming was suffocating, especially after watching Qiao Yanjue and Xia Xibei's lovey-dovey look, which hurt his chest.

He was most frustrated that Xia Xibei did not say she was with Qiao Yanjue before!

If she had said so long ago... Well, he wouldn't necessarily have given up. Qiao Haoming almost died from being mad at himself.

He did not eat much during the meal. After all, fully suppressing his restless body was not easy.

When the meal was over, he stood up at the first opportunity.

"Sorry, I still have things to take care of. I have to leave."

After saying that, he hurriedly walked off.

When he passed by Qiao Yanjue, he even pulled away a little.

Qiao Weiyue also followed.

Looking at their departure, Xia Xibei and Qiao Yanjue exchanged a tacit look.

Chapter 1052 Buy Buy Buy

After eating this meal, Xia Xibei left G City again and returned to the show.

She was now starring in an urban romantic comedy.

She was not the main female character, but a supporting female character with a pleasing personality. However, due to her popularity, her part was not much smaller than that of the female lead.

She should have stayed with the show. She just didn't expect that so many things needed to be handled by her.

The matter of Qiao Haoming was now left to Qiao Yanjue, so she could go back to continue filming.

Before she left, she gave the card she got from Qi Zhilan to Liu Manhong and Chang Qianzi, and let the two of them go shopping. Since the divorce, Chang Qianzi's mood had been a bit low.

It was not that she couldn't let go of Xia Jun. After the divorce, she hadn't been able to find her own direction, so she was very depressed.

In this situation, her mood was naturally not good.

So, she and Liu Manhong became friends very quickly.

111

The two of them were of the same age, but Liu Manhong looked much younger than her.

Whether it was her age and appearance, her mentality, or her view on some things, Liu Manhong was much younger.

When they went out like this, people almost thought that they were mother and daughter.

This was a bit exaggerated, but Liu Manhong was younger in terms of her looks and mentality.

Knowing that Chang Qianzi was the mother of Xia Xibei, and especially knowing that she had just divorced her scummy ex, Liu Manhong was even more enthusiastic.

She had experience in this kind of thing!

However, she was much more liberal than Chang Qianzi. When she met the scum, she dumped him once and for all, and it was easy and comfortable.

Chang Qianzi was attracted by Liu Manhong's attitude. The two communicated well and quickly became friends.

Since the two get along harmoniously, Xia Xibei was also very happy and gave them her own card.

The card was of little use in her hands.

This was an unlimited shopping card. As long as the Qi family had a share of the mall, they could make unlimited purchases there.

Xia Xibei did not need this money, and she was not polite to Qi Zhi'an. After all, she gave him more.

The problem was, she did not have time to go out.

As a big star, you couldn't just wander around, right?

She would be spotted by the fans as soon as she went outside.

Of course, she could also put on a good disguise before going out, but she didn't have the time!

If she had that time, she might as well be at home with Qiao Yanjue.

It would be a waste not to use this card. Why not give it to her two mothers? It was also a nice token of her appreciation.

Chang Qianzi was still a little embarrassed, not wanting to take her daughter's things. After all, they hadn't given Xia Xibei anything after all these years.

Liu Manhong, however, was very relaxed about it.

She had spent more time with Xia Xibei than Chang Qianzi had, and even now, Xia Xibei was still living in her house.

Chang Qianzi also did not know that the Hongyan company was related to Xia Xibei, so she did not know how rich Xia Xibei really

was.

Liu Manhong clearly knew how rich Xia Xibei

was.

Also, this card was received for free. What a pity it would be to not use it!

So, she dragged Chang Qianzi out for a shopping spree.

This was the way to improve one's mood!

The two of them went to the most luxurious shopping mall in G City, which was owned by the Qi family and filled with high-end brands.

333

It was not a weekend, so not many people were here and even fewer people in the store. After all, it was okay to window-shop outside, but if you came in, you'd feel sheepish.

Liu Manhong took Chang Qianzi into the mall with her head held high.

Just before they reached the first store, they encountered a presence that affected their mood.

"Manhong! What a coincidence, huh?"

Hearing the familiar, greasy voice, Liu Manhong turned around and rolled her eyes to the sky.

Chapter 1053 Foul Mouth

Liu Manhong turned around and saw Zou Zheng, whom she hadn't seen in a long time. He still had a fat belly and a greasy face.

There was a younger woman by Zou Zheng's side, but Liu Manhong quickly saw her age.

She was at least almost 40 years old, but was well maintained and looked quite young.

The woman looked pretty, but what made Liu Manhong speechless was that she was tightly holding onto Zou Zheng's arm, as if she was afraid that he'd leave.

Zou Zheng was balding and had a belly. He was only fifty years old, but looked almost sixty or seventy years old.

The two of them looked like father and daughter.

Liu Manhong looked at the woman with a complicated gaze.

This woman should be Zou Zheng's new wife, but the problem was, there was something wrong with this woman's eyes!

She seemed to look at her with a vigilant look, so Liu Manhong was quite speechless.

Did she even see Zou Zheng's face? Who would want to steal him away?!

Her taste would not be so bad that she would go back to Zou Zheng!

She didn't know what this woman really wanted from Zou Zheng. How could she value him like this?! Was she out of her mind?

Zou Zheng was happy to see Liu Manhong.

Just after greeting his ex, he felt a tight presence on his arm.

His heart jumped, and only then did he remember that he had someone beside him.

He hurriedly smiled at the woman beside him, "Jinghong, this is Liu Manhong, my ex-wife. I've told you about her before. Manhong, this is my wife, Lu Jinghong."

Lu Jinghong looked at Liu Manhong warily, her eyes not too friendly.

"You are his ex-wife?" She looked Liu Manhong up and down and showed a sarcastic smile of disgust.

"You don't seem to be that great!"

Lu Jinghong was very upset. When both of them had the same word in their names, it really upset her to the extreme.

The smile on Liu Manhong's face also sank, and the corners of her mouth were pulled with a fake smile.

"Yeah, I'm really not that great, but my eyes are still pretty good. At least I don't treasure a pile of poop and don't mind the stink!" While saying that, she also fanned her nose while taking a few steps backward.

The feeling of disgust was overflowing.

She determined that this female's eyes and brain really had problems!

Otherwise, how could she treat a piece of trash like Zou Zheng as a treasure and be afraid that others would steal him?

Looking at Zou Zheng's greasy face and big belly, Liu Manhong could no longer control rolling her eyes.

Why were there so many blind women nowadays?

How could this woman stand Zou Zheng's appearance and look at him? She actually treasured him?

Lu Jinghong was so angry by Liu Manhong's words that her face turned black.

“What did you say?!”

Her status was different. Others would usually appease her, so she never needed to argue with others.

Liu Manhong’s sharp tongue was something she had never encountered before, and it almost killed her.

Zou Zheng hurriedly pulled his wife back, “Don’t be angry! She just has a foul mouth and can’t talk properly! Don’t be like her.”

Zou Zheng was actually right, especially when he said it to his wife to show his attitude.

However, Liu Manhong was still in front of him! If he said this kind of thing, wasn’t he just asking to be destroyed?

Liu Manhong hummed, “Old Zou, our company will soon launch a hair growth product, and the effect is particularly good. It is the holy grail for bald patients! Don’t worry, I’ve already prepared a super VIP treatment for you. In your case, you need to spend more money. Otherwise, it will be hopeless! It doesn’t matter if you’re not saved, but if you have children, especially sons, the genes will be passed on, and that’s a problem!”

Chapter 1054 Insulting the Scum

Liu Manhong’s words darkened both Zou Zheng and Lu Jinghong’s faces.

Lu Jinghong’s eyes couldn’t help but look at the front half of Zou Zheng’s head, which was bare and a bit reflective. It was indeed very ugly.

Zou Zheng’s face was already grim. Who the hell wanted to be reminded of one’s own flaws?!

However, Liu Manhong’s attack was not over

yet.

“Oh yes, our company also has diet pills. They work without side effects, so we guarantee you’ll lose your big belly!”

Liu Manhong tsk tsked, “I tell you, the fatter the man is, the more useless he is, especially those with a fat belly! Think about it! Your penis is so small, and your belly is blocking it! What else can be done? When you get down, your belly is stuck, and you can’t even touch each other, right? What a shame! And I’m telling you, the fatter the man is, the worse his sexual ability! Just look at the numbers for those who suffer from impotence!”

Listening to Liu Manhong saying these words without scruples, Zou Zheng’s face was very unpleasant.

Damn, was she still a woman?! How was she not ashamed to say these words!

Chang Qianzi was red-faced as she listened.

Although she was almost 50 years old, this kind of private topic was not something she would say in public.

She carefully pulled Liu Manhong and asked her to pay attention to the occasion.

Liu Manhong, however, patted her hand to appease her, not caring at all. "You are grown-up! You have two children, so what is there to be shy about? You dare not say anything? Come on! Don't be so pedantic, okay!" Liu Manhong said to Chang Qianzi. "Now is not the old feudal era, we don't have to be afraid of saying a few words wrong and be tortured! Besides, if their men can't do it, they can't blame us for telling them, right? Isn't this a joke!"

Liu Manhong also looked at Lu Jinghong with a sympathetic face, "I just do not understand you. You're obviously young and beautiful, why not find a hot young guy? Why do you want to hang yourself on this old, half-dead tree?"

"Liu Manhong!" Zou Zheng gnashed his teeth.

He just said one thing, and she blabbed so much and attacked him where it hurt! This was too much!

Unfortunately, he didn't really understand Liu

Manhong.

If he had just left, Liu Manhong wouldn't have had time to continue the attack.

However, he was still gibbering, so it was not her fault that she continued.

"What's wrong with me? I'm fine! I have so many young guys around me, each one more capable than you. Looking at you like this... You should have used those drugs by now, right? Be careful! Don't take so much of it and have a stroke, that won't be good."

Zou Zheng almost passed out from her attack.

"Liu Manhong!"

"Ah..." Liu Manhong responded lazily. "Do not shout so much. Do you think you're some god who summons spirits? That I'd be caught just by being shouted at me?"

Zou Zheng took a deep breath, feeling like he was about to have a stroke.

He could not imagine how a good girl became so ferocious and tough!

The words that she said pierced his heart.

Lu Jinghong's face also changed from Liu Manhong's words, which was interesting to see.

However, the two of them together were not enough to fight Liu Manhong, so they could only give up.

Lu Jinghong was sensible and hurriedly gave up the battle, "Alright, let's not waste time on such people. Let's go shopping!"

"Okay."

Looking at the backs of the two people fleeing, Chang Qianzi was incredulous.

“You are too good!”

She looked at Liu Manhong with admiration. She drove off two people with just that mouth of hers.

Liu Manhong smiled and gladly took her compliment.

Chapter 1055 Free

Originally, they thought that they would not meet again, but unexpectedly, half an hour later, they ran into each other again in a store.

When they saw Liu Manhong walk in, both Zou Zeng and Lu Jinghong’s faces looked very unhappy.

“What do they want? Are they going to fight with us?”

Lu Jinghong had already recovered. When she met someone like Liu Manhong, she had to fight back without reservations!

It was useless to fight with her verbally; she had to use violent means!

If what Liu Manhong said just now wasn’t so sudden, she would not have run away.

Now she felt ashamed thinking about it.

Zou Zheng hurriedly pulled his wife away, lest something happen.

He knew that his wife was fiery, and with her unusual status, she could really hit someone.

Liu Manhong had a mean mouth, but she was a woman. It was not good to make a scene here.

Liu Manhong froze for a moment after seeing the couple.

Oh my god, what rotten fate!

How come they were everywhere?!

However, she would not concede.

Why should she get out of the way of this weak woman, who didn’t even fight back?

So, she pulled on Chang Qianzi and continued to walk inside.

She couldn’t just leave after coming here.

However, they did not initiate a conversation, and she did not need to provoke them.

Seeing that Liu Manhong didn’t come over, Zou Zeng let out a sigh of relief.

Fortunately, she did not continue to make trouble.

If she had continued to argue, who knew what this woman would have said.

Zou Zeng was a bit emotional.

Back then, Liu Manhong's temper was quite hot, but she was not so ferocious.

Now, more than ten years had passed. Her temper was even hotter, and she didn't cover it up at all.

Back then, she would not say certain words. After all, she had thin skin.

Now, she was older, had thicker skin, and dared to say anything. Her power had grown so much, it was simply killer!

However, he had to say, Liu Manhong's appearance had not changed much.

It was obvious that she was more than 40 years old, but she still looked so young.

Her body and skin were not inferior to younger women at all, and she had a charm that younger women did not have.

While Zou Zheng thought so, he felt a pain in his waist. He turned his head in pain and met his wife's fierce eyes, immediately startled.

"It's okay, she won't come over." His reaction was quick and he immediately found an excuse. "What do you fancy?! Let's go buy it!"

He pointed to the clothes next to him and smiled, "These clothes all fit you well, you'll look great in them!"

His reaction made Lu Jinghong finally feel a little more comfortable.

Did this man think she couldn't see that he was just staring at Liu Manhong?!

However, arguing here would only make people see them as laughingstocks, so she relented.

"Okay, I want to buy a lot of clothes!"

When she said this, her voice was raised, and then she glanced at Liu Manhong, showing off.

Liu Manhong saw her provocation and couldn't help but roll her eyes.

What was the matter? Was it a big deal to have a man? Did they think she couldn't afford to buy her own clothes?

She took out a black card with gold edges and smiled at Chang Qianzi, "Come on, let's go shopping!"

At the sight of the black and gold card, the store manager's eyes lit up, and he walked over quickly.

"Hello, ladies. I am the manager of this store. May I help you?"

"This card can be used in your place, right?" Liu Manhong asked.

"Of course!" The manager nodded. "You can buy anything you want! It's free!"

Chapter 1056 Ran Into Each Other Again

“It’s really all free?” Chang Qianzi was stunned.

When Xia Xibei had given them the card before, she had said that everything was free and it didn’t cost any money to shop.

However, no matter how it was said, it was no better than this manager’s confirmation.

Where did Xia Xibei get the card? How could it be free of charge?

Liu Manhong’s attitude was very calm, “That’s fine, bring that dress over. I’ll try it on.”

The equally shocked Lu Jinghong reacted, her face suddenly grim.

The dress that Liu Manhong was looking at was the one she was looking at too!

Only, before she could ask the salesperson to bring it to her to try on, it was snatched away by Liu Manhong!

She was furious and told the salesperson, “I want to try it on too!”

“Sorry, we only have one dress in each size.”

After all, it was not an ordinary clothing store. Why would they have so many items? It wouldn’t be their style!

Liu Manhong laughed, “It’s okay, you can get her another size. She’ll fit in the medium.”

Looking at the dress in Liu Manhong’s hand, Lu Jinghong became even more upset.

Updates by vip novel. com

After changing her clothes, Liu Manhong walked out.

Looking at the clothes on her, Chang Qianzi gave a thumbs up. “Beautiful!”

Lu Jinghong finally changed into a medium-sized dress.

What angered her even more now was that the medium size really fit just right!

However, after both of them wore the same dress, the effect was completely different.

Liu Manhong outshone her!

Looking at the way Zou Zheng looked at Liu Manhong, Lu Jinghong almost exploded.

She gave Liu Manhong a fierce glare, wanting to kill her by a thousand cuts.

Liu Manhong snorted and glared at Zou Zheng, “Can you move your pathetic eyes away? It’s disgusting to me!”

Zou Zheng was so scolded by her that he froze.

He didn't even say anything!

"I know I'm beautiful and well-built, but it's all because I have high expectations of myself. Therefore, I do not allow unknown creatures below the level of human aesthetics to appear in front of me, ok?"

This was a bit of a mouthful, but everyone understood.

The salespersons in the store couldn't help but look down and bite their lips to keep from laughing out loud.

This beautiful lady was really too fierce with her mouth. She was unstoppable!

Although this man looked a bit out of shape, he was not so useless. At least he had money!

Moreover, it could be seen that he was quite handsome when he was young. He was just older now, with a balding head and a big belly.

However, everyone knew that there must be a conflict between the two sides. Otherwise, this lady would not say such things.

Zou Zheng was going to be angered to death by Liu Manhong.

Damn it!

How come her mouth was talking non-stop with no restraint at all?! How come she didn't hurt herself with her words?!

"Who's looking at you-".

Zou Zheng gritted his teeth and retorted, but before he could finish his words, Liu Manhong turned around and said to Chang Qianzi with a disgusted face. "Alas, it's hard to give up your natural beauty. That's why you always meet scum who don't measure up. Forget it, I can't bother with a fool. It lowers my style! Let's avoid him a bit, so as not to affect our mood."

After saying that, she pulled Chang Qianzi to the other side.

Chang Qianzi smiled, a little embarrassed, as if she heard the sound of spitting blood.

Liu Manhong ignored the gazes that were about to burn up behind her and continued to shop with Chang Qianzi.

Lu Jinghong hated Liu Manhong so much that she almost rushed up and tore out Liu Manhong's hair!

This was too much!

However, she finally held back and angrily dragged Zou Zheng away.

To her surprise, a little later, they ran into each other once again!

Chapter 1057: What a Rotten Fate

What a rotten fate!

This was the first thought in the minds of several people.

At the sight of each other, both sides were full of shock.

This mall had several floors and hundreds of stores, so how could they meet so many times?

This was simply rotten luck!

Chang Qianzi's smile was already embarrassed, and her eyes couldn't help but dart back and forth between Liu Manhong and her opponent.

This was "destiny," right?

However, it was obvious that the other party was more reluctant to see them, the couple's faces as dark as dripping ink.

Chang Qianzi's mood was a bit conflicted.

With her character, she did not like to encounter such things. She was calm and did not like tit-for-tat. If there was any conflict, she would avoid it first.

However, during the shopping trip just now, Liu Manhong had already explained her relationship with Zou Zheng.

After listening to Liu Manhong's story, Chang Qianzi was touched.

A strong and decisive person like Liu Manhong was the only one to be able to lead such a prosperous life!

If she was so decisive, she wouldn't have a bad life.

Therefore, Chang Qianzi's mind changed a bit.

She felt very good seeing how dynamic and lively Liu Manhong was.

Looking at Liu Manhong aggressively fighting the other party with no reserve and making them seethe with anger also felt great!

So, Chang Qianzi stood by Liu Manhong's side and didn't move.

Liu Manhong raised her eyebrows and looked at the other party, but did not move either.

Jokes aside, they were the ones who should take the initiative to leave!

So, with her head held high, she walked in with big strides.

This was a chain jewelry store, with branches in first-tier cities. The jewelry inside was very beautiful.

Liu Manhong liked a set of jewelry here, and the nearly seven-figure price tag was a deterrent.

However, this was nothing to Liu Manhong.

Moreover, she had an unlimited shopping card in her hand!

So, without a moment's hesitation, she walked in.

Zou Zheng and Lu Jinghong looked at each other, both able to see each other's hesitation.

A woman like Liu Manhong was not ashamed at all, and she was fierce. They would have to be pissed off if they faced her, right?

"They don't seem to dare to come in," Chang Qianzi came up to Liu Manhong's ear and whispered.

"It's none of my business." Liu Manhong looked relaxed. "It's their business whether they dare to come in or not. Let's shop!"

She was not a mad dog that would bite anyone when she caught them.

Chang Qianzi's face was a little embarrassed.

"Oh, okay."

She felt a little bit guilty. How could she hold on to the idea of watching a show?!

The two of them looked down at the jewelry, pointing at them with great interest.

At the door, Lu Jinghong finally decided to pull Zou Zheng away.

There was no need to deal with this kind of woman. She had such thick skin, and could not be defeated.

Moreover, with their status, there was no need to bicker with Liu Manhong.

Before they could leave, however, a voice rang out.

"Auntie? Uncle?"

Lu Jinghong was startled and turned her head to look.

"Xiaohang? What are you doing here?"

Lu Jinghong was surprised.

Lu Xiaohang was her elder brother's son. He turned 30 years old this year. A handsome and calm man, he was outstanding in all aspects.

He was the best among the Lu family members in both ability and strength.

Moreover, he had also awakened the ability of the Lu family, which was unmatched by others.

She never thought that she would see him here.

"I came over here on business and happened to pass by," Lu Xiaohang smiled. "Why are you guys standing here and not going in?"

“Oh, we’re going in.”

Chapter 1058: Confusing Relationship

When Lu Jinghong got inside, she realized that she had made a big mistake!

Lu Xiaohang was good at everything, but there was one thing that was a headache for the whole family: he liked mature women.

They didn’t know where he went wrong, but he liked mature women! Women more than ten years older than him!

When he was young, this problem wasn’t obvious.

However, when he grew up, people realized that he did not like young and beautiful girls; he liked women with maturity!

If it was just a few years difference, it was still in the tolerable range.

However, he actually liked women who were more than ten years older than him!

What kind of inexplicable fetish was this?!

However, what comforted his parents a little was that even if he liked mature women, it was all about looks.

His girlfriends were all beautiful, and although a little older, they were very charming.

He was young and good-looking. Even when the older women had more experience, not many of them could escape him.

Besides, he was extraordinary, so no one could resist his pursuit.

The family couldn’t stop him from fooling around, they could only let him do as he liked.

He would one day be the head of the Lu family!

If it was normal times, Lu Jinghong would not be concerned about this.

This time, however, Liu Manhong was in this store!

Although she did not like Liu Manhong, she had to admit that Liu Manhong was Lu Xiaohang’s type!

This was like the lamb going into the tiger’s mouth!

If Lu Xiaohang fell for Liu Manhong, she would be furious!

Besides, her big brother would have to scold her to death to!

What a messy relationship!

Her nephew's girlfriend was her husband's ex-wife?!

It was scary to think about!

Lu Jinghong went in, then immediately tried to exit.

They could leave before Lu Xiaohang noticed Liu Manhong!

However, it was already too late!

Lu Xiaohang had already seen Liu Manhong and was walking towards her!

Lu Jinghong's heart was pounding, and as soon as she stood in front of Lu Xiaohang, she pulled out a smile.

"Well, Xiaohang, let's go to another store. Other stores should be better!"

Lu Xiaohang's eyes stared at Liu Manhong, who was smiling lightly in front of him, then smiled at Lu Jinghong.

"I think this store is quite good. If you have anything you like, just tell me and I'll pay!"

After saying that, he bypassed her, and continued to walk ahead.

Lu Jinghong was so angry behind him that she stomped her feet.

What the hell was all this?!

Zou Zheng's expression was not good either.

He had also heard about Lu Xiaohang's preferences, and naturally knew what he was trying to do as he went over.

Although nothing had happened between the two of them yet, he felt cuckolded just thinking about the possibility!

Although they had been divorced for many years, the terrible nature of men made him treat Liu Manhong as his woman all the time.

Liu Manhong had never remarried, so she was just waiting for him!

It just didn't occur to him that Lu Xiaohang would take a fancy to Liu Manhong!

The couple looked at each other with ugly expressions.

They could only pray that Lu Xiaohang wasn't interested in Liu Manhong. Otherwise, they would die of anger!

Unfortunately, Lu Xiaohang didn't hear what they were saying in their hearts.

Even if he did, he wouldn't care.

“Hello.”

He walked up to Liu Manhong with a gentle smile on the corner of his mouth.

“Hello. Mind if I sit here?”

Liu Manhong looked up and met a young, handsome face. Suddenly, she looked to the side and saw Zou Zheng and his wife’s expression, looking like they had eaten bile.

“Sure! Sit down,” she laughed.

Chapter 1059: Young Beefcake

Liu Manhong looked at the handsome young man in front of her and smiled, “Have a seat.”

Although she didn’t know who this man was, seeing Zou Zeng and the others so anxious and afraid to come over, she found it quite amusing.

“My name is Lu Xiaohang. You can call me Xiaohang.”

Lu Xiaohang looked well-mannered and elegant.

Liu Manhong was trying on a bracelet and nodded slowly, “Hmm.”

“And you? What’s your name?”

“Just call me Sister Hon,” Liu Manhong said casually.

Lu Xiaohang looked at Liu Manhong with amazement.

Although she was not young, Liu Manhong had the charm and charisma that young women did not have, with the experience and wisdom of her age, making other people feel calm.

Of course, he would soon learn that the calmness was just an illusion.

“Sister Hong.” Lu Xiaohang smiled brightly and pointed to one of the bracelets and said, “This one suits you better, you have pale skin.”

He reached out to take that bracelet, but was rejected by Liu Manhong.

“Leave it, I like to do it myself.”

She didn’t mind having a relationship with a hot young guy.

She had been in a few relationships before, and they were all young and handsome guys, which felt pretty good.

It was not the feudal age anymore! Women could have their own love life.

Besides, she had money and could choose the man she wanted.

Why was it that older men could be with beautiful girls decades younger than them, but she could not be with a young beefcake?

The law didn't say that!

To be honest, Lu Xiaohang was her type. However, she could tell his family was not ordinary.

Lu Xiaohang and Lu Jinghong...

As soon as she heard the name, she knew that they were connected somehow.

Liu Manhong just wanted to cause a dilemma for Lu Jinghong and Zou Zheng. She did not want to make trouble for herself too.

This kind of man could not be provoked. Who knew what problems there would be?

When the time came, if she couldn't get rid of him, it would be troublesome.

"Let me help you."

Lu Xiaohang did not stop because of her refusal, continuing to reach out.

"Are you unable to understand the human language?" Liu Manhong gave him an oblique glance. "I have my own hands and feet, I don't need you to serve me. Don't tell me that you worked as a eunuch in the palace in your previous life."

Lu Xiaohang was amused.

This big sister was really cute.

However, he did stop, simply saying, "This one also looks good, the red crystal one looks good..."

Chang Qianzi was on the sidelines and felt as if she was transparent.

This young man was about the same age as her own son. Naturally, he and Liu Manhong were quite far apart in age.

Of course, Liu Manhong was well maintained. She looked to be in her early thirties, and she had a style that younger women did not have. She was beautiful.

The two looked like a good couple sitting together.

No!

Chang Qianzi hurriedly shook her head to get rid of her thoughts.

This young man was not a good match!

It was not that she didn't think Liu Manhong was good enough for him. It was just that this kind of young man had an unfaithful heart and was not suitable.

Not far from them, Lu Jinghong and Zou Zeng's eyes were going red.

It was simply too much!

Lu Jinghong panicked.

Lu Xiaohang was not really going to do something, right?

If their family found out about this, she would be scolded to death!

Damn Liu Manhong, that bitch!

If she hadn't seduced Lu Xiaohang, she wouldn't be in this state now!

Thinking of this, then looking at Zou Zheng watching the scene with a twisted expression, a vicious thought appeared in her heart.

Liu Manhong didn't know what others were thinking. She didn't pay attention to what they were thinking, quickly picking out a few pieces of jewelry.

Chapter 1060: Something Happened

When it was time to pay, Lu Xiaohang wanted to help pay but was refused by Liu Manhong.

"I have my own card."

Liu Manhong handed over her own black gold card.

She originally wanted to buy the seven-figure jewelry set but would have little chance to wear it out, so she thought better of it. There was no point in just putting it in the safe.

Looking at the black gold card in Liu Manhong's hand, Lu Xiaohang raised his eyebrows.

"An all free black gold card?"

"Yes," Liu Manhong nodded and suddenly laughed. "My daughter gave it to me."

"Your daughter?" Lu Xiaohang froze for a moment. "I didn't know you had a child."

"That doesn't seem to be something you should understand." Liu Manhong took back the black gold card, tapped it on Lu Xiaohang's face, and teased, "Little brother, it's better to go back to your little sister."

She saw Zou Zheng and Lu Jinghong's eyes redden even more out of the corner of her eye and smiled again. She came up to Lu Xiaohang's ear and looked intimate.

"Although you are the type I like, I still like to be the kind that gives money."

Liu Manhong's character was that of a strong woman. She would rather spend her own money to keep a boy toy than being controlled by men.

When she married Zou Zheng, it was because Zou Zheng was still obedient.

She didn't expect that he would cheat on her later.

Well, a cheating man should be tossed aside.

Anyway, she did not think she and he would last forever.

She just didn't expect that Zou Zheng would cheat so fast.

Lu Xiaohang was much stronger than Zou Zheng back then, but this kind of man was too dangerous.

With Zou Zheng's character, he would definitely not do something without profit. So, Lu Jinghong's family must be very wealthy.

If the Lu family was not well-off, Zou Zheng would not have succeeded so quickly and would not be so prosperous now.

Look at Lu Xiaohang, he should be an important person in the Lu family.

It was not like she could afford to mess with such dangerous people.

"Well, little brother. Sister is leaving."

Liu Manhong waved her hand at Lu Xiaohang and prepared to leave, but he pulled her hand.

Liu Manhong's face sank, and just as she wanted to be mad, she saw him kiss her hand.

"Nice to meet you, beautiful lady." He looked up at Liu Manhong. "See you next time."

Liu Manhong pulled her hand out, ruffled her hair, and sneered, "No need to meet again."

After saying that, she grabbed Chang Qianzi and walked away.

Zou Zheng and Lu Jinghong watched their interaction, gritting their teeth.

Looking at Lu Xiaohang's interest-filled gaze, Lu Jinghong seemed to hear her big brother's roar.

The more she thought about it, the more she panicked, finally making a decision.

No, she absolutely could not let things continue to develop!

She couldn't convince Lu Xiaohang, but she could take care of Liu Manhong!

A few days later, Xia Xibei, who was shooting on the set, received a call from Qiao Yanjue.

On the phone, Qiao Yanjue was breathing a little sharply, which instantly made her panic a little.

"What's wrong?"

"Hurry back! Something happened to Sister Hong!"

This immediately stunned Xia Xibei.

"Something happened to Sister Hong?"

“She had a car accident.” Qiao Yanjue’s voice was steady despite his anxiety. “She’s not in a good condition! Come back quickly!”

“Yes! I’ll come back now!”

Xia Xibei hung up the phone and immediately went to the director to ask for leave.

Hearing her say that she had to take leave again, the director’s face was a little dark.

She seemed to be taking leave a little too often!

However, seeing that she was in such a hurry, what could the director say? He could only grant her leave.

However, after she left, he received a phone call.

After hanging up the phone, the director showed a big smile.
