

Chapter 1061: Are You Dead

Six months ago, Bai Lingyun suddenly reconnected with Leng Hao. He had been single since she left. Although he wasn't waiting for Bai Lingyun, he did still have feelings for her.

He planned to get back together with her, so the Leng and Bai families began to discuss the wedding date. However, Ye Xiaotao appeared at this time. She r*ped him and forcefully came into his life.

He and Bai Lingyun also began fighting a lot. In the end, he was exhausted. The feelings he had for her ten years ago had long faded away. So Leng Hao decided to finally let Bai Lingyun go.

He thought that he and Ye Xiaotao were only married on paper. From the beginning, he knew that they were from different worlds. Over time, however, his sleeping heart slowly recovered to life, and he fell in love with her.

He fell in love with Ye Xiaotao.

He wanted to stay with Ye Xiaotao forever. She was bearing his child, their love was mutual, and they were married. Everything lined up. However, when she looked at him with such a repulsive and frightening gaze moments ago, the wound in his heart torn open again. Leng Hao concluded that Ye Xiaotao was just like Bai Lingyun.

It was good that things turned out like this. After Ye Xiaotao left, Leng Hao would return to being alone like before.

Everything was just like before they met.

Leng Hao smiled and closed his eyes.

...

Leng Hao wanted to sleep, but the pain in his left arm awakened him. He slowly opened his eyes and turned his head. There was a girl beside him.

It was Ye Xiaotao.

Ye Xiaotao knelt beside him. She chewed the herbs she collected from somewhere and then applied them on Leng Hao's festering wound. He hissed in pain. Then, she tore a piece of cloth from the hem of her dress and bandaged his wound tightly.

"Why... why didn't you leave?" Leng Hao asked weakly.

Ye Xiaotao looked at him. Her eyes and nose were red from crying for so long. She pouted her pink lips and snorted, "Didn't you say that I'm useless? So I have to prove that I'm still useful. Anyway, how come the person who was yelling at me ended up falling to the ground?"

Leng Hao looked at her pretty little face, and his cold heart began to warm up again. He smiled and said, "I probably... can't make it this time. You should go..."

Tears instantly filled Ye Xiaotao's eyes when she heard that. "Don't think that I've forgiven you. What you said really hurt my feelings deeply, but I'm the one who got you involved. This time, it's my turn to save you. We're even."

Ye Xiaotao stood up.

Leng Hao looked at her back. The girl walked into a bush. The thorns pricked her leg and left a few red marks on her soft and delicate skin. She frowned, but she didn't stop. Ye Xiaotao walked further and snapped two thick vines with her hands.

Ye Xiaotao made a knot with the two thick vines and returned to the man's side.

The rain was getting heavier. Ye Xiaotao wrapped the thick vine on Leng Hao's legs and upper body with difficulty. The man looked extremely weak, like he might faint in the next second. She patted his handsome face and said, "Hey, Leng Hao, wake up. You're not allowed to sleep, got it?"

Leng Hao opened his eyes slightly and smiled weakly. "I take back what I said to you. Actually... you can do many useful things..."

"Of course. My dad paid people to teach me the basics of wilderness survival skills. Leng Hao, my teacher told me that when facing difficult situations, we must not lose hope. To survive is the most important thing. So don't fall asleep. I'll drag you as I walk. I saw a farm just ahead moments ago."

The girl managed to always surprise him. Leng Hao's expression softened. He looked at her and asked, "Why... did you come back?"

Ye Xiaotao snorted at his question. She was very vengeful. "I told you. I'm the one who implicated you. If you die, I'll feel guilty and blame myself... Ok, enough of this talk. Let's go."

Ye Xiaotao stood up.

"Ye Xiaotao," Leng Hao grabbed her slender wrist. "You don't have enough strength to drag me. Just give up..."

Ye Xiaotao flung his hand away angrily. "You're a man, a real man. It's so easy to just die. If you're a real man, live on!"

After saying that, Ye Xiaotao picked up the two thick vines and placed them on her shoulders. Then, she dragged him forward.

But Leng Hao was right. She was too weak. She had been pampered since she was young and had never toiled with hard work. So even when she used all her strength, she wasn't able to move the man an inch.

Ye Xiaotao could not open her eyes because of the rain. She refused to admit defeat. If she gave up, there would really be no hope left for Leng Hao. She would not give up.

Ye Xiaotao clenched her teeth and used all her strength. One, two, three. Finally, she was able to move the man behind her a little bit.

This was a good sign. Ye Xiaotao's confidence increased. She kept it up and dragged Leng Hao forward with her little by little.

...

After a long time, Ye Xiaotao felt that her hands and feet, especially her shoulders, were no longer hers. Her body felt so cold and painful that she was almost numb.

She looked up and saw the small brick house in front of her. Great, she had finally reached her destination. Leng Hao was saved.

She threw down the thick vines and ran forward. She knocked on the door of the house and shouted, "Is anyone here? Is anyone here? Can anyone help me?"

The door opened with a creaking sound. A man in his forties opened the door. The man shouted impatiently, "Why would you knock on a rainy day? Get lost..."

The middle-aged man's voice stopped abruptly because he saw Ye Xiaotao's pretty face. His eyes instantly lit up.

"Uncle, I'm sorry to disturb you. My... husband and I got into an accident. My husband is injured. Can we shelter from the rain here?"

"Yes, of course," the middle-aged man said with a smile.

"Thank you so much, uncle. Thank you. Can you help me carry my husband in?"

"Okay."

The middle-aged man and Ye Xiaotao carried Leng Hao into the house.

...

They placed Leng Hao on the wooden bed. Ye Xiaotao stood by the bed and said happily, "Leng Hao, wake up. We're saved..."

Leng Hao's eyes were closed. He did not respond to Ye Xiaotao's exclamation.

Ye Xiaotao froze for a second. She touched the man's handsome and cold face with her trembling hand. She murmured like she had lost her soul, "Leng Hao, open your eyes. Wake up. It's very cold. You'll catch a cold."

As she spoke, Ye Xiaotao held Leng Hao's big palm with her hands. She squeezed her hands, hoping to share some of her warmth. Tears fell from her eyes uncontrollably. She sobbed softly, "Leng Hao, don't scare me, okay? I dragged you all the way here. You're about to be saved. Why don't you open your eyes? Are you... dead?"

Chapter 1062: Honey, Save Me

"Leng Hao, don't... die. If you die, what will happen to me? What will happen to our... child? You can't die. Did you hear me? What you said to me was so... unpleasant. You haven't apologized to me yet.

I've... confessed to you. I told you that I liked you, and you didn't turn me down. I don't care, you and I have to spend the rest of our lives together..."

"Leng Hao, Wake up... please? I admit... sometimes I'm... very stupid. How about this? I promise that I'll change if you wake up, okay?..." Ye Xiaotao wept.

Ye Xiaotao was sobbing uncontrollably. The middle-aged man stood beside her and glanced at Leng Hao. Leng Hao's face was ashen and his eyes were tightly shut. He was probably going to die soon.

The middle-aged man looked at Ye Xiaotao with shining eyes. He rubbed his palms together and thought, "This is great. The girl will be all his when this man dies."

The middle-aged man's wife died last year. Because he was poor, he could not remarry. He had cursed his father and mother in his heart. He thought that he would remain single for the remainder of his days, but Ye Xiaotao suddenly knocked on his door. He had never seen such a beautiful girl in his entire life. She was pure and tender, causing his bestial nature to erupt.

The middle-aged man laughed loudly in his heart. He was also blessed by his past life. From now on, this little girl would be his second wife.

Ye Xiaotao cried for a while. Then, she mustered up the courage to feel Leng Hao's breath with her finger. He was breathing. Leng Hao was still breathing!

Leng Hao was not dead!

Ye Xiaotao quickly wiped the tears off her face and looked at the middle-aged man. "Uncle, my husband is unconscious. He has a very serious injury on his arm. Do you have any medicine here?"

"Yes, we pick our own herbs from the mountains here. I have a lot of them. Which kind do you need?"

"Where are the herbs? Let me have a look."

Ye Xiaotao knew a little about herbs. The teacher for wilderness survival taught her. He taught her the most basic things. She was smart and learned quickly. She had not forgotten what she'd learned all these years.

She did not expect that what she'd learned would come in handy now.

A wretched smile flashed in the middle-aged man's face. "Umm... I put the herbs in the house next door. If you want to take a look, I can take you there."

Ye Xiaotao looked at Leng Hao worriedly, then nodded. "Okay, bring me there to take a look."

...

Ye Xiaotao followed the middle-aged man to a small house. The middle-aged man pushed the door open and Ye Xiaotao walked in. There were indeed a few baskets of herbs inside the house.

She was overjoyed and quickly ran forward. "Uncle, can I take some of these herbs? This one is to stop the bleeding, and this one..." Ye Xiaotao picked out some herbs.

The middle-aged man stood behind her and studied Ye Xiaotao's figure. Her clothes were wet and stuck to her body. The girl's exquisite and seductive curves were obvious.

The middle-aged man almost drooled. He did not expect such a young girl to have such a good figure. At such a young age, she had matured in all the right places.

"Of course you can take these herbs. You can take as many as you like, as long as..." the middle-aged man suddenly pounced forward and hugged Ye Xiaotao.

"Ah!" Ye Xiaotao was frightened, and she screamed. She struggled with all her might, "Uncle, what are you doing? Let go of me!"

"Haha, little girl, your man is dying. Don't bother about him. Just go with my flow, and I'll guarantee you a good life. Most importantly, I'll definitely make you full on the bed at night. I'll make you so happy you'll lose your mind!" The middle-aged man tried to kiss Ye Xiaotao's face. He was elated and couldn't hold back anymore.

Ye Xiaotao knew that this was a person with evil intentions. She immediately looked towards the door and said. "Honey, you're here!"

The middle-aged man froze when he heard that. He quickly turned his head to look.

At this moment, Ye Xiaotao picked up the basket next to her and ruthlessly smashed it on the middle-aged man's head. Then, she ran outside and shouted, "Help! Someone wants to rape me! Help... Ah!"

The middle-aged man soon caught Ye Xiaotao. He threw her into the corner of the room and slapped her. "Little b*tch, how dare you hit me. If I don't teach you a lesson today, you might forget who your man is."

Ye Xiaotao became dizzy after the slap. With a hiss of pain, she hugged her lower abdomen with her two small hands. Her stomach hurt.

Just now, she bumped into the wall and now her stomach hurt.

Her face instantly turned pale. Ye Xiaotao's forehead started to break out in cold sweat. She was scared. "Would her baby be okay? Would she have a miscarriage?" Ye Xiaotao thought.

The middle-aged man tried to strip Ye Xiaotao. Ye Xiaotao struggled to stop him from touching her. "Get lost! Get your dirty hands off me! Don't touch me! Leng Hao, Honey, save me!"

"Haha, little beauty, quit calling for that dying person. Isn't it exciting that you're making out with me while your husband is right next door?"

Ye Xiaotao spat on him, then she gritted her teeth and said, "If you dare to touch me, someone will definitely tear you into pieces. I promise!"

The middle-aged man wiped the saliva off his face and said with a sinister smile, "Okay, after I enjoy you thoroughly, I'll be waiting to be torn into pieces."

The middle-aged man then tried to pull down Ye Xiaotao's pants.

At this moment, the middle-aged man felt a large palm on his shoulder. He tried to get rid of the large palm, but he couldn't. The middle-aged man was surprised and turned around.

A fist landed on the middle-aged man's jaw.

The middle-aged man staggered back and crashed into the wall. The teeth in his mouth were all loosened and a few even fell off. He looked up and saw Leng Hao.

Leng Hao was very weak, especially because of the festering wound on his left arm. However, he stared at the middle-aged man calmly. His eyes were gloomy and fierce, and his aura was overwhelming.

The middle-aged man felt his scalp go numb. He did not dare to look at Leng Hao in the eyes. But when he thought about how badly injured Leng Hao was and how Leng Hao was about to die, the middle-aged man mustered up his courage and said, "You dare to hit me? I'll kill you!"

The middle-aged man rushed towards Leng Hao.

Leng Hao did not move. The middle-aged man stopped right when he was about to reach Leng Hao. He looked down at his stomach and saw a sharp knife piercing through his abdomen.

"You!" The middle-aged man did not expect this move. He fell to the ground unwillingly and died.

Leng Hao squatted on one knee and pulled out the sharp knife. He wiped the blood on the sharp knife on the middle-aged man's clothes and stood up.

He walked to the girl. Ye Xiaotao's clothes were torn and a large patch of fair skin near her chest was exposed. She curled her body and tried her best to cover herself with her two small hands.

Leng Hao's cold and hard expression became gentle. He wanted to stroke her little head, but he didn't on second thought. He withdrew his hand.

Chapter 1063: if You're in Pain, I'll be in Pain Too

His hands were stained with blood. She definitely wouldn't like to be touched by them.

"It's okay, we're safe now..." he said hoarsely before turning around.

Just as he turned around, a soft little body hugged him tightly from behind. The girl rubbed her small face against his handsome back and cried softly, "Don't go... I'm scared..."

The soft and weak cry from behind softened Leng Hao's heart. He slowly turned around and held her little face, which was drenched in tears, in his right hand. "I just killed someone. Are you scared of me?"

Ye Xiaotao shook her head hard, "No... that's not what I mean. I didn't push you away when we were in the tunnel because I was scared of you. I was just too scared of seeing blood... I believe that no one in this world is born to love killing people. Just like this bad guy. If you don't kill him, he will kill us. You had no choice..."

Leng Hao wiped away her tears with his thumb. "But, what you're afraid of is part of my job..."

Ye Xiaotao stretched out her arms and hugged Leng Hao's waist tightly. She pressed her head against his heart and listened to his strong heartbeat. It made her feel as if the whole world had become serene.

"Honey, although I don't like your job, I can slowly come to terms with it in the future."

"Why?"

"Because..."

Because he was in this profession, so she would try to accept everything about him.

Leng Hao swallowed. Then he gently closed his eyes. He stretched out his right arm and held her tightly. His empty soul had finally been filled.

He had been looking for such a girl. A girl who would try to enter his heart, so that he would never be lonely again.

Leng Hao kissed her hair. His big palm slid down to her flat belly and rubbed it. "I saw you hugging your stomach just now. Did it hurt anywhere?"

Ye Xiaotao let go of him and shook her head. "I'm fine. I did feel a little uncomfortable just now, but I'm fine now... There are a lot of herbs here. Your arm needs treatment."

...

The two of them returned to the main house. Ye Xiaotao lit a candle and placed it on the wooden table. Leng Hao sat on the wooden stool and held the knife above the flame.

Ye Xiaotao stood behind him and untied his bloody shirt. She frowned and whispered, "Although I found a painkiller herb, you need to remove the bullet and the infected flesh first. So, you'll be in a lot of pain. Are you sure you want to do this?"

Leng Hao showed no change in emotion. "There is no modern medical assistance available here. If we don't treat it now, my arm might be crippled. It's just a little pain. It's okay."

Ye Xiaotao didn't say anything else. This was the only way.

She unbuttoned the man's shirt, revealing his robust upper body. Leng Hao removed the knife from the flame and said, "Let's begin."

The knife was red from the heat. Leng Hao slowly inserted the knife into his wound.

Ye Xiaotao didn't dare to look. Hot tears burst out from her eyes again. The man didn't make a sound, not even a grunt. But she saw him tremble and all the muscles in his body tensed.

He was suppressing.

Ye Xiaotao didn't dare to hug him too hard, so she gently hugged his right side. She wanted to give him some strength and comfort. "Honey, if you're in pain, just cry out."

The sweat on Leng Hao's forehead rolled down. He exerted force with his hand, and the bullet came out from his wound and fell to the ground.

He didn't stop there but quickly removed the infected flesh from his arm.

After doing all that, Leng Hao threw the sharp knife on the ground and shut his eyes. His chest was heaving up and down due to the immense pain.

Ye Xiaotao applied the crushed herbs to his wound and wrapped his wound tightly with a clean cloth. "Honey, it's done."

She exhaled lightly.

Leng Hao's face was pale and his lips were dry. He nodded.

Ye Xiaotao sat beside him. She did not know how to comfort him, so she raised her small head and kissed his cheek.

The girl's sweet body fragrance entered his nose. Leng Hao opened his eyes. The girl's little face was covered with sparkling tears. He pursed his lips. "Why are you crying? You're not the one in pain."

"But, if you're in pain, I'll be in pain too..." Ye Xiaotao choked.

Leng Hao's clear blue eyes suddenly burst with tenderness and passion. He would remember the tears that this girl shed for him.

He reached out and held her little face, then he kissed her pink lips.

Ye Xiaotao hugged his waist. If kissing could alleviate his pain, then she'll do it. She responded to him innocently but initiatively. Their tongues intertwined.

The two kissed for a long time before they finally stopped. Leng Hao put his nose against hers and looked at her blushing little face. "Let's stay here for the night. We'll leave tomorrow morning."

"Okay, I'll do as you say," Ye Xiaotao said.

...

There was only a wooden bed in the room. Ye Xiaotao tidied up and found a new set of blankets in the closet. She covered the bed with it and helped Leng Hao onto the bed.

"Our clothes are all wet. There are no clothes here, so should we sleep without our clothes?" The man suddenly said.

"What?" Ye Xiaotao froze. Then she understood what the man meant. Both of their clothes were wet. With that said, she finally realized how cold she was.

If they were going to sleep, they would definitely need to take off their clothes. But that would be embarrassing.

Leng Hao saw that she avoided his eyes and was shy. He smiled and said, "I have seen all of you? It's not the first time we slept together like that. Why? Are you scared?"

Ye Xiaotao recalled that time when she fell into the water. He also hugged her naked in the hotel room, and then... Then he even took advantage of her.

"Who's afraid? I'm not afraid! I'll take it off, just you wait." She replied stubbornly.

"Alright then, can you help me take off my pants now?"

"Why me?"

"My arm is injured."

Ye Xiaotao couldn't argue against that.

She can't reject him if it's because of his arm.

"Fine, I'll take it off for you. If you don't mind, then I won't even think twice." As she said that, Ye Xiaotao pulled down his pants.

Suddenly, a black forest barged into her sight. Ye Xiaotao couldn't help but cover her eyes with her two small hands. "Ah!" She screamed. Her eyes had become impure!

Leng Hao thought that she looked very cute. He looked down and saw her chest area. There was a tear in her clothes, and he could see everything clearly.

He said with a hoarse voice, "What are you shouting for? Even if I wanted to, my physical condition prohibits me from doing anything to you. However, if you don't cover me soon with the blanket, I can give it a try."

Chapter 1064: Leng Hao, You're So Bad

Ye Xiaotao secretly glanced at him through the gaps of her fingers when he said that. She saw that the man was staring at her chest.

She lowered her eyes and realized that her body was exposed.

"B*stard, don't look!" She cursed angrily and pulled the blanket over his body.

Leng Hao leaned lazily against the headboard of the bed, and his lips curled into a devilish smile. "What are you waiting for? Take off your clothes and get in. You'll catch a cold."

"Take off... of course I'll take off my clothes, but close your eyes and don't look!"

"Okay," Leng Hao agreed readily, and then he closed his eyes.

Ye Xiaotao made sure that he wasn't peeking before slowly turning around. She quickly took off her clothes, lifted her legs, and climbed into the bed.

However, she acted too hastily. She tripped over his long legs. "Ah!" She crashed into the wall.

She thought that her head was going to break open, but it didn't. A strong arm caught her around her soft waist and carried her under the blanket.

Leng Hao covered her with the blanket, leaving her little head out. "How could you be so rash? If I didn't know better, I would have thought that you were trying to seduce me."

"I'm not..." Ye Xiaotao puffed up her cheeks and retorted. But when she saw how the man's eyes were filled with gentleness, she felt sweet in her heart.

She playfully stuck out her little pink tongue at him.

"Why are your thoughts so dirty?"

"Since you understood me perfectly, does that mean you also have a dirty mind?"

"You!" Why did he always have to have the last word? Can't he just let her win?

Ye Xiaotao immediately clenched her fists and punched him on the shoulder.

Leng Hao didn't move and let her hit him. Her punches felt like scratches. But it was also her who brought him back from death's gate. She didn't give up on him.

Ye Xiaotao noticed that his gaze had become increasingly passionate. She suddenly felt shy. She quickly withdrew her little hand and stuffed it back into the blanket.

At this moment, her shoulder felt warm. The man caressed her with his rough and big palm.

"What are you doing?" Her voice was so seductive that it almost didn't sound like hers anymore.

Leng Hao gently caressed the wound on her shoulder with his fingers. She had already applied some herb on the wound, but the red marks from the thick vines were obvious. He felt very distressed.

"Does it hurt?"

"What?" Ye Xiaotao didn't understand his question for a moment. She looked at him and saw that the man was looking at the wound on her shoulder.

Ye Xiaotao didn't say anything.

Leng Hao lifted his eyes and looked at her. He had already seen through her thoughts, He said with a faint smile, "I'm asking if your wounds still hurt. What were you thinking about?"

"What are you talking about. I... I wasn't thinking about you touching me!"

As soon as she said this, Ye Xiaotao wanted to bite off her own tongue. What was she saying... She had exposed herself!

Leng Hao raised his eyebrows and smiled. This girl was amusing. She could spread her happiness to others.

“My legs are fine. It was just scratched by the thorns. It didn’t bleed.” Ye Xiaotao thought that he was concerned about the injury on her leg.

Leng Hao smiled and did not say anything.

His palm made her feel itchy and numb. Ye Xiaotao tried to remove herself from his hand, but she could not. “My legs are really fine... Mmm!”

He blocked her mouth.

Ye Xiaotao widened her eyes in shock at the sudden kiss. The man also had his eyes open. He looked at her with a gentle smile that was both passionate and playful.

Ye Xiaotao suddenly realized that he wasn’t asking about the injury on her leg at all.

He was teasing her again.

She placed her two small hands on her chest and tried to push him away. Ye Xiaotao pouted at him with her sparkling eyes. “Leng Hao, you’re so bad.”

Her soft voice made Leng Hao’s ears tingle. “Are you stupid? You can’t tell when a man is taking advantage of you.”

“You’re not taking advantage of me!” Ye Xiaotao retorted instinctively.

But as soon as she said it, she wanted to cry. Was her brain short-circuited tonight? She kept saying things that didn’t make sense.

She wanted to hide. The man said in his hoarse and masculine voice, “Then what is taking advantage of you?”

Ye Xiaotao knew that he was going to make a big deal out of it.

“I don’t know!”

“Oh, what a coincidence. I know. I’ll teach you.” Leng Hao covered them both with the blanket.

“Ah!” Ye Xiaotao screamed.

...

Ye Xiaotao felt dizzy. “Honey, Honey...”

The girl’s cheeks were red, and her charming, electric eyes were watery. Leng Hao bent down and kissed her right cheek. The middle-aged man had slapped her and left a red mark on her face. He kissed the mark little by little and felt a pain in his heart.

“Are you cold?”

Ye Xiaotao shook her head. “No... I’m not cold anymore.”

Leng Hao panted. It was such a cold day, and physical contact between a man and a woman was the best way to warm up. He was trying to keep her warm.

Chapter 1065: I Like You More, Ye Xiaotao

Three months...

Ye Xiaotao caught hold of these three words. She suddenly remembered that time in the hotel room after she fell into the water. He had asked her how many months it had been. At that time, she said that it was almost three months. And then he suddenly left.

At that time, she thought that he was being weird. Now that she thought about it, it was clear that he wanted to do... that kind of thing with her.

Ye Xiaotao buried her entire face into his muscular chest. Smelling the faint smell of herbs and masculinity from his body, her little heart thumped wildly.

She had butterflies in her stomach.

Leng Hao rubbed against her soft forehead with his mouth and then reached out his big palm to feel her belly. Her belly was still very flat and did not protrude at all. The girl's waist was thin, and he could cover her entire belly with one hand.

"Does your belly hurt?" He asked worriedly.

"No... it just hurt for a while at first... this baby is very well-behaved. Other mothers vomit and feel discomfort, but I have no such experience..." Ye Xiaotao looked up at Leng Hao as she said that. "Honey, do you like this baby?"

Leng Hao raised his straight eyebrows and thought for a while.

The hope in Ye Xiaotao's eyes quickly dimmed. She turned around and had her delicate back towards him. She lowered her eyes and said in a low voice, "I know you don't like this baby. It's okay, I understand."

Leng Hao looked at the little girl's back and suddenly felt a pain in his heart. He put his long arms around her slim waist and hugged her tightly. He couldn't help but laugh. "You are the one who said that I don't like the baby, not me."

Ye Xiaotao froze. What... did that mean?

"I admit that this child was an accident. You and this child were not part of my plan. You two have disrupted my life. At first, I might not be able to accept you two. But when you cried in my ear and said that you didn't know what to do without me, I told myself to stay strong and live on. You and the child have long been a part of my life. I... like this child. I like you... even more, Ye Xiaotao."

Ye Xiaotao immediately burst into tears. This was the first time he had said that he liked her.

So he had heard her crying when he was unconscious. She and the baby were the motivation for him to wake up. That was why Leng Hao had appeared and saved her when the middle-aged man tried to rape her.

He was her hero.

Ye Xiaotao felt a sweetness in her heart. She turned around and pecked Leng Hao's thin lips. "Honey, I like this baby too. And I also like you even more."

Looking at her sweet, smiling face, Leng Hao smiled and pulled her into his arms. "Go to sleep. If you don't, I might want to do other things."

What other thing?

Ye Xiaotao's imagination ran wild. She stammered shyly, "It's almost... three months..."

Her words instantly turned on Leng Hao. He pinched her little face. "Little thing, when we're three months in, I'll take real good care of you."

"Okay, I'll wait for you to take care of me!" Ye Xiaotao nodded vigorously and then closed her eyes in satisfaction.

She didn't know how other girls interacted with the men they liked. Maybe she wasn't reserved enough, but this was her personality. She liked to express her love verbally.

The girl fell asleep very quickly. Leng Hao spent a long time cooling down the arousal in his body. He looked at the girl in his arms and said in his heart, "Ye Xiaotao, let's go on like this..."

For the rest of our lives."

...

The next morning, the two got up. The wet clothes from last night were already dry. The two of them could wear them to a certain extent. Leng Hao held Ye Xiaotao's hand as the two walked out of the farm.

Just as they had arrived at the nearby highway, a group of people appeared. Father Ye was in the front. When father Ye saw Ye Xiaotao, he immediately ran forward. "Xiaotao, my good daughter."

"Daddy, why are you here?" Ye Xiaotao was very surprised.

Father Ye took the coat from his subordinate and put it on Ye Xiaotao's shoulder. "You were in trouble, of course, daddy had to come. Xiaotao, are you hurt? Let me take a look."

"Daddy, I'm fine." Ye Xiaotao looked at Leng Hao sweetly. "Someone had been protecting me."

Father Ye put his arm around Ye Xiaotao's shoulder and looked at Leng Hao. Father Ye's gaze was ambiguous.

"Young master!" Ah Chen rushed over with his men.

Leng Hao glanced at Ye Xiaotao and walked towards Ah Chen. Ah Chen said in a low voice and with a serious expression, "Young master, I have bad news. Something had happened to Miss Leng."

Leng Hao's expression suddenly darkened. He stared at Ah Chen alarmingly. "Speak."

"Young master, so Ye Ziyi is... the Scorpion. And Scorpion has taken Miss Leng away."

"What?" Leng Hao had already guessed that Ye Ziyi was not a simple man, but he never thought that Ye Ziyi was the rumored Scorpion. "Where did Scorpion take Zhiyuan to? Have you found any clues?"

Ah Chen shook his head. "Scorpion and Miss Leng seem to have disappeared from this world."

Disappeared?

Leng Hao clenched his fists and sneered. Unless Ye Ziyi was dead, Leng Hao would never quit looking for him.

"Let's go. We'll talk when we get back!" Leng Hao got into the black business car.

Ye Xiaotao saw that Leng Hao left without saying a word. She immediately ran up and shouted, "Honey, where are you going? Wait for me..."

However, the black business car had already sped away.

"Honey!"

"Xiaotao!" At this moment, father Ye said, "Leng Hao is a man. He has important things to do. Don't interfere. Let's go. Daddy will bring you back."

Ye Xiaotao looked at the beautiful rear end of the black business car. She didn't have a choice but to return in her father's car.

"Daddy, I have something to tell you. The third brother captured me and imprisoned me. Leng Hao came to my rescue. The two of us..."

Father Ye waved his hand. "I already know the details. Ye Ziyi is no longer my son or your third brother. Don't mention this again in the future."

"But daddy, how did the third brother suddenly become like this? I think there must be a reason..."

"A reason?" Father Ye laughed coldly, "He hates that I abandoned him when he was young. He hates that I didn't give him the Ye business to him. He hates that I didn't die early enough for him to replace me. So he vented his anger on you. Alright, you're a girl. Don't get involved in this matter."

"Daddy, I don't think it's that simple..."

Ye Xiaotao wanted to say her thoughts, but she saw her father's increasingly serious expression and shut up obediently. Her daddy must be feeling very sad too, so she didn't want to add to his sorrow.

"Daddy, let's go back."

...

When the car stopped, Ye Xiaotao realized that her daddy didn't take her back to Leng Hao's villa. She immediately protested, "Daddy, why did you bring me here? I want to go home."

Chapter 1066: I Miss Him, A Lot

The driver opened the car door, and Father Ye was the first to get out. With an expression full of love, he reprimanded, "Xiaotao, what are you saying? Is this not your home anymore?"

"Well..."

"Nevermind. You're all grown up, and I don't have a say in your life anymore. When I learned that you were in danger, I immediately returned from Beijing. But you? You don't even want to spend one day with me. Leng Hao is the only person on your mind. Nevermind, you can leave me all by myself." Father Ye sighed and walked towards the three-story house.

Ye Xiaotao felt guilty. She got out of the car and caught up with father Ye and hooked his arm. "Daddy, don't be angry. I didn't mean it that way. Daddy is the best. I'll stay and keep Daddy company."

Ye Xiaotao acted coquettishly.

Father Ye's expression softened when he heard that. He tapped the tip of Ye Xiaotao's little nose. "That's my girl. I didn't raise you up in vain. Stay with me for a while. The maid will cook all your favorite food."

"Mmm. Thank you, daddy."

...

Ye Xiaotao stayed at father Ye's place for a month. During this time, father Ye rose early and returned late at night. He was busy with work, so Ye Xiaotao had been bored to death.

She wanted to go back to Leng Hao's place, but every time she brought up the topic with father Ye, he would always change the topic. Ye Xiaotao feared that she might break his father's heart, so she refrained from insisting.

The strangest thing for Ye Xiaotao was that Leng Hao didn't contact her at all the past month. No text messages or phone calls. Ye Xiaotao didn't go back to Leng Hao's place, neither did Leng Hao visit her at father Ye's place.

Ye Xiaotao felt a little uneasy. She laid on her bed and took out her phone. She sent a message to Leng Hao that reads, "Honey, what are you doing?"

She waited for a while, but there was no reply.

Ye Xiaotao sat up. She pouted her pink lips and decided to call Leng Hao's number. A mechanic female voice said, "Sorry, the number you have dialed is currently busy."

She was very discouraged. What did Leng Hao mean by this? Did he not miss Ye Xiaotao?

Ye Xiaotao decided that she had to go back to Leng Hao's place.

She ran downstairs and rushed out of the mansion. However, the maid stopped her. "Miss Ye, where are you going? The master ordered us not to let you out now that you're obviously pregnant."

"I... want to go out for a walk. Can't I do that?"

The maid shook her head. "I have to ask the master first and then send two bodyguards with you on your walk."

"Forget it. I'll stay in." Ye Xiaotao gave up and went upstairs.

Ye Xiaotao returned to her room. She began thinking about what the maid just said. The more she pondered, the more confused she got. Was father Ye grounding her?

Why would father Ye do that?

Ye Xiaotao had been feeling very uneasy lately. Father Ye was acting strange, and so was Leng Hao. Even sister Leng seemed to have disappeared. Ye Xiaotao couldn't reach Leng Zhiyuan at all.

Ye Xiaotao thought for a moment and came up with an idea.

When the maid wasn't paying attention, Ye Xiaotao sneaked into the gym on the first floor. She quietly opened the window in the room and jumped out. She took a deep breath of the fresh air outside. She felt great. She was free again.

She ran to the main street, took a taxi, and went straight to Leng Hao's place.

...

At Leng Hao's villa.

The maid opened the door and said in a surprised tone, "Young Madam, you're back! Where have you been all this time?"

Ye Xiaotao walked in. "My father is back, so I stayed with him for a while..." Ye Xiaotao answered while looking around the villa. "Is my husband at home?"

The maid shook her head. "No. The young master seems to be very busy recently. He only comes home once a week. When he comes back, he takes a shower and then leaves again."

"Oh." Ye Xiaotao nodded. "Is father feeling better? Are you guys keeping up the message for him?"

"Of course. We did as you have instructed persistently. Two days ago, the doctor came and said that the old master's qi and blood flow had improved. The massage is very helpful."

"Really?" Ye Xiaotao smiled happily. "I'll go see father."

...

After opening the door to Leng Mu's room, Ye Xiaotao walked in. Leng Mu was still lying on the bed, still in a coma.

Ye Xiaotao sat beside the bed and held her chin with her two small hands. She was talking to Leng Mu.

“Father, when will you wake up? Is something in that world attracting you so much so that you aren’t willing to return to this world? If you come back, I’ll entertain you every day. Everyone says that I’m an amusing person.”

“Father, I am four months pregnant. In six months, your grandson will be born. How about this, father can name the child. Father, you are going to be a grandfather.”

“Father, I have a secret to tell you. Your son, right? Yes, that stinky rock. I like him very much. He also said that he likes me. Anyway, I am his wife. In the future, our family of three along with father and sister Leng will live happily together and will never be separated.”

Ye Xiaotao rested her head on the bed as she said that. She pouted her little mouth sadly and muttered to herself, “But, I haven’t seen him for a month. He hasn’t contacted me. Hmm, doesn’t he miss me? But, I miss him. I miss him a lot. I dream of him every day...”

Ye Xiaotao felt sleepy. She slowly closed her eyes and fell asleep.

At this moment, Leng Mu’s right index finger suddenly moved. Everything happened so suddenly and quickly. In the next moment, Leng Mu was like he was before, still in a coma.

...

At night, Leng Hao returned to the villa.

The maid quickly went up to him. “Young master, you’re back! I’ll heat up your dinner...”

“No need, I’ve eaten.” Leng Hao’s handsome figure was covered with a layer of frost. He spoke indifferently and walked upstairs with his long legs. He loosened the tie around his neck as he went up the stairs.

The clothes he wore were from a few days ago. They were a little wrinkled, which made him look worn out. His eyes were filled with fatigue.

“Young master,” the servant called from behind him, “The young madam came back today.”

Leng Hao stopped and immediately turned to look at the maid, “Where is she now?”

“She’s in the master’s room.”

Leng Hao nodded and went straight to Leng Mu’s room.

He pushed open the door. An orange-colored light lit the room. The room appeared serene and relaxing. A faint halo surrounded the entire bed.

Leng Hao walked to the girl’s side. The girl was sleeping soundly. Her pink and tender little face was blushing, and she was sleeping peacefully.

Leng Hao felt that the fatigue and depression of the past month had been swept away. When a man was tired, he needed a woman at home. This woman would be waiting for him to come home.

Ye Xiaotao was that woman.

Father Ye brought Ye Xiaotao with him that day. Leng Hao understood what father Ye meant. Ye Ziyi was the son of the Ye family. Father Ye was afraid that this matter would implicate Ye Xiaotao, so father Ye wanted to protect her. Leng Hao thought that it was all for the best. Since Ye Xiaotao was with father Ye, Leng Hao could use the time to search for Zhiyuan.

Leng Hao vowed to find Zhiyuan. Their father was in a coma, Leng Hao couldn't afford to lose his sister as well.

However, he made no progress in his search for Zhiyuan.

Leng Hao bent down and gently picked up the girl. Then he carried her in his arms and walked towards their bedroom.

Chapter 1067: Six Months Had Made Us Strangers

Leng Hao placed Ye Xiaotao on the soft bed. The moment the girl was placed on the soft quilt, she curled into a ball and stuffed herself under the quilt.

Leng Hao's eyes were full of love as he looked at her cute reactions. Her snow-white feet were still outside the quilt. He reached out his big hand and held her little feet. Then he placed them inside the quilt as well.

The girl was satisfied. She rubbed her face against the soft quilt like a kitten as she slept.

Leng Hao sat by the bed. He bent down and kissed Ye Xiaotao's forehead.

He was going to just give her one kiss and then go take a shower, but he became greedy for her fragrance and softness. Right now, all Leng Hao wanted to do was just fall asleep with her in his arms.

His thin lips traveled downward, it swept past her nose and stopped on her small mouth. He pressed down his lips hard. Ye Xiaotao's soft lips tasted like sweet candy.

It wasn't enough for Leng Hao. He held the back of her head with one hand, then he deepened the kiss.

She was too wonderful. She intoxicated him.

The two had been apart for an entire month. Leng Hao focused all of his energy on trying to find Zhiyuan. He didn't even have time to miss Ye Xiaotao. Now that he saw her, he felt a rush of yearning.

Leng Hao actually missed Ye Xiaotao a lot.

Leng Hao gently pried open her teeth. He knew that doing that would wake her up, but he could not help but suck on her pink tongue. Her mouth was so sweet.

He wanted to keep kissing her like so. However, Leng Hao was interrupted by the vibration of his phone.

He received a call.

Leng Hao had gotten a new phone and a new number. His old phone was confiscated by Ye Ziyi.

The sound of the phone vibrating made the sleeping girl frown. She turned over and slipped out of his arms. She turned sideways and continued to sleep.

Leng Hao's handsome face showed some displeasure. He wondered who it was that interrupted him.

He took out his phone and took a look. He wanted to silence the call, but he froze when he saw the number. He paused his movements.

It was... Bai Lingyun.

The sound of the phone vibrating continued. Leng Hao subconsciously glanced at the girl on the bed. After making sure that she was still asleep, he got up and walked out of the room.

He answered the call and said in a hoarse voice, "Hello..."

"Hello, Leng Hao, it's me, Bai Lingyun." Bai Lingyun's crisp and pleasant voice came from the other end.

Leng Hao put one hand in his pocket and leaned against the wall. "I know."

The girl on the other end was quiet for a few seconds. Then she said. "Leng Hao, six months had made us strangers to one another."

"Mmm." Leng Hao nodded. "I'm married."

Bai Lingyun chuckled. "Leng Hao, let me get straight to the point. I heard that Scorpion took Zhiyuan away. I have some important clues that can help you find Zhiyuan."

Leng Hao quickly stood up straight. "What clues?"

"Leng Hao, come to Hong Kong. I'll wait for you in Hong Kong." Bai Lingyun hung up after saying that.

...

Ye Xiaotao had a beautiful dream. On a sunny day, she was rolling on the soft bed with Leng Hao. She was smiling very happily.

Suddenly, Leng Hao rolled over on top of her. He stared into her eyes tenderly and passionately. "Honey, how many months in?"

She hugged his neck shyly. Then, she whispered in his ear, "Four months."

"Really? Then I... will... eat you up now." He motioned with his hand as if he was going to swallow her whole.

"Ah!" She cried out sweetly. Then, Leng Hao covered her mouth with his.

She was immersed in his passionate kiss. She stuck out her little tongue to flirt with him. He caught her immediately. Then he reached down and lifted her clothes.

"Mmm, Honey..." Ye Xiaotao moaned, and then slowly opened her eyes.

Looking at the crystal chandelier above her head, she was a little lost. Where was Ye Xiaotao now?

She sat up and looked around. Wasn't this... her bedroom?

Ye Xiaotao then remembered that she had returned to Leng Hao's place yesterday.

However, she remembered that the last thing she did was talking with father, and had probably fallen asleep by father's bed. How did she get where she was now? Ye Xiaotao wondered if she had sleepwalked.

Then she abandoned the thought. Ye Xiaotao did have any sleepwalk history.

Could it be... that Leng Hao was back?

Ye Xiaotao was elated. She quickly got off the bed and rushed out of the room. There was a maid outside her room. She stopped her and asked, "Did young master come back last night?"

The servant nodded. "Young madam, the young master did come back last night."

"Really?" Ye Xiaotao was overjoyed. She knew that it was Leng Hao who carried her to the bed. This was a testimony of his love for her. She was glad that she had a wet dream of him.

Ye Xiaotao was still shy when she recalled her dream. She quickly looked around. "Where is the young master now?"

"Young madam, the young master left last night."

"He left?"

"Yes, the young master left in a hurry after receiving a call last night. He was in such a rush that he didn't even get the chance to shower."

Where was he going in such a hurry?

Ye Xiaotao was quite disappointed. She didn't even get the chance to talk with Leng Hao.

Ye Xiaotao returned to her room. Ye Xiaotao took out her cell phone and made a call. "Hello, daddy..."

Father Ye's stern voice came through. "Humph, since you've already run away, why are you calling me?"

"Ah, daddy, are you angry? Don't be angry. It... was you who forced me into marrying Leng Hao. Now that I'm married to him and fell in love with him, why are you unhappy again? Daddy, you're really fickle."

Father Ye paused for a moment. "Are you really in love with Leng Hao?"

"Yes, I'm in love with him. I want to spend the rest of my life with him. By the way, daddy, I can't reach Leng Hao. Do you know where he is?"

Father Ye sighed heavily, "Since you've fallen in love with him, I can guarantee that no matter what happens in the future, he'll be yours. He changed his phone number and is now in Hong Kong."

"Hong Kong? Daddy, I'm going there too. I'm going to look for him. Daddy, book a plane ticket for me."

...

Ye Xiaotao took a private plane to Hong Kong. Upon arrival, a private car was ready to take her to Leng's place. Father Ye also sent two bodyguards with her. Ye Xiaotao did not argue against this arrangement because it was the only condition her father proposed.

After arriving at Leng's place, Ye Xiaotao looked at the mansion in front of her. It had a few thousand square feet of lawn, and there was a huge fountain and a stone pier outside. No matter how she looked at it, the place looked rich and extravagant.

She knew that he was rich, but she didn't expect him to be this rich.

She walked forward and pressed the doorbell.

The gate quickly opened. The maid inside looked at her politely and kindly. "Miss, may I ask who you are looking for?"

"Is this Leng Hao's home?"

"Yes, Leng Hao is the young master of this house."

Ye Xiaotao took off her sunglasses and hung them on her collar. She smiled and said, "Good. I'm his wife. This is my home too."

Then Ye Xiaotao walked into the mansion.

Chapter 1068: I'm His Wife

The maid immediately stepped forward when she saw that Ye Xiaotao had barged in. She said in a sorry tone, "Miss, you can't just barge in here. Please leave immediately."

"Leave?" Ye Xiaotao pointed at herself. "Why? Don't I look like the young madam?"

The maid looked at Ye Xiaotao from top to bottom. She must admit that the girl was really beautiful. But she seemed to be very young and looked like a female university student. How could Ye Xiaotao be the young madam?

"No," The maid shook her head affirmatively.

Ye Xiaotao clicked her tongue. "Nevermind, talking to you will do no good. Just call the young master and ask him."

"Umm..." the maid had no other choice but to go to the living room and make the call.

Ye Xiaotao took this opportunity and ran upstairs. "There are so many rooms here. Which one belongs to the young master... Oh, no, which one belongs to the young master and me?"

"Hey, Miss, you can't go upstairs..." the maid put down the phone in a panic and followed closely behind Ye Xiaotao.

There were really many rooms upstairs. Ye Xiaotao casually pushed open the door to a room and her eyes lit up. This room was decorated so beautifully.

The interior was humble but luxurious. There was a thick and soft yellowish wool carpet, the walls were covered with simple wallpaper. There were many plants and delicate flowers on the balcony. Ye Xiaotao felt the red quilt on the bed. The quilt was hand-embroidered with mandarin ducks in the water.

It was obvious that this was a room prepared for a woman.

Ye Xiaotao's delicate little face bloomed with a smile that was sweeter than the flowers. "Is this... prepared for me by your young master? It's so beautiful. I like it very much."

The maid was shocked. Then she shook her head. "No, this is... this is..."

Ye Xiaotao was not expecting an answer at all. She was immersed in her own world. She was certain that the room was prepared for her by Leng Hao. He wanted to give her a big surprise.

"Is this the bathroom? Let me take a look."

Ye Xiaotao walked into the bathroom. The mouthwash cup on the sink drew Ye Xiaotao's attention. The mouthwash cup was engraved with a hand-made drawing. A drawing of the sea of love.

Sea of love. It was said that the sea of love was a place for eternal love promises.

Ye Xiaotao suddenly remembered that she had seen such a mouthwash cup somewhere before. Leng Hao had a cup like this at T City.

However, he had a blue one. This one was light yellow.

The two appeared to be matching lovers' cups.

Were these also... prepared by Leng Hao for her?

Everything in the room seemed to be custom-made, and many of them were handmade. Besides the expensive value, it was enough to show how much effort the person who decorated this room put in.

"Hmm, this pair of slippers is so beautiful. It's furry. I remember now. This pair of slippers is a limited edition. I once asked my daddy to buy them for me, but they were sold out." Ye Xiaotao glanced at her feet. She hadn't changed her shoes when she came in, so she was still wearing a pair of tasseled riding boots. She immediately took off her riding boots. "These slippers were prepared for me, right? Then I won't stand on ceremony. I'll wear them now."

"Miss!" The servant didn't know what to say.

Ye Xiaotao tried the slippers on. But the size of the slippers was too big for her. They were a size 8, Ye Xiaotao was a size 6. They didn't fit Ye Xiaotao's feet. If she walked in them, the shoes would fall off.

Ye Xiaotao thought that she had to tell Leng Hao of the misfit later.

At this moment, the door to the main entrance opened. A maid said, "Young master, welcome back."

“Oh no, the young master is back. Miss, please leave quickly.” The maid in the room had a drastic change in expression. She ran out in a panic.

Was Leng Hao back?

Ye Xiaotao was overjoyed. She dragged the slippers that did not fit her and ran out quickly. She stood by the carved railing and looked down. “Honey, you’re back?”

A tall and straight figure stood at the entrance. It was indeed Leng Hao. After not seeing him for such a long time, Ye Xiaotao missed him so much. She wanted to run downstairs and give him a big hug.

But she soon came to a halt. A woman followed Leng Hao into the mansion. She was tall and slender, with a beautiful face. She looked like a perfect match for Leng Hao.

Ye Xiaotao was shocked. She felt as if someone had pour water over her passionate flames. She stood in place, frozen. She forgot to react.

Who was that woman?

Why did she come home with Leng Hao?

“Young master, Miss Bai, welcome back. Would you like me to prepare dinner now?” A maid asked.

Miss Bai?

Bai Lingyun?

Ye Xiaotao was mind blown. She didn’t know Bai Lingyun, nor had she seen her before. But Leng Hao did call her “Yun’er” at the time when he was drunk.

She was Leng Hao’s first love. His love for ten years.

Bai Lingyun’s name was like thunder piercing through Ye Xiaotao’s ears. Ye Xiaotao did not expect to bump into her like this.

.....

Leng Hao looked up when he heard the familiar cute voice. He saw Ye Xiaotao standing upstairs. She looked at him blankly with her big, watery eyes.

He immediately frowned. “Why are you here?”

His expression surprised Ye Xiaotao. There was no surprise or tenderness in his eyes. He didn’t seem to like her coming.

Ye Xiaotao immediately took a step back. She was clutching the corners of her clothes tightly with her hands. She felt like a clown. She had intruded another’s territory, and no one welcomed her.

Leng Hao realized that his tone was too harsh when he saw Ye Xiaotao’s reaction. He just didn’t expect her to be here. Subconsciously, Leng Hao didn’t like her running around because she always got into trouble.

He wanted to go upstairs and comfort her.

But Bai Lingyun said, “Hao, who is this? Aren’t you going to introduce her?”

Leng Hao stopped. He glanced at Ye Xiaotao and then looked at Bai Lingyun, “This is...”

“I’m his wife!” Ye Xiaotao suddenly said. Her voice was a little soft and timid, but it was very sonorous and firm.

Leng Hao looked up. The girl was also looking at him with sparkling eyes.

Bai Lingyun smiled. “Oh, so you’re Mrs. Leng. I’ve heard a lot about you.” Then Bai Lingyun looked at Leng Hao. “Hao, I’ll wait for you in the study room.”

Bai Lingyun went upstairs. When she brushed past Ye Xiaotao, she glanced at the slippers on Ye Xiaotao’s feet. Then she gave an ambiguous chuckle and went straight into the study room.

Ye Xiaotao didn’t know what Bai Lingyun was laughing at. She only felt Bai Lingyun’s hostility and... condescension.

Bai Lingyun said that she had heard a lot about Ye Xiaotao. What Bai Lingyun had heard about was probably how Ye Xiaotao raped and then married Leng Hao. Ye Xiaotao was shocked when she heard Bai Lingyun’s name because she knew that Bai Lingyun was Leng Hao’s first love.

In front of the man, Bai Lingyun had the right to laugh at her and look down on her.

In addition, Bai Lingyun called him “Hao.” She was also very familiar with the mansion. Bai Lingyun moved around freely in the mansion as if she was the real mistress of this house.

Ye Xiaotao didn’t like that.

Chapter 1069: Why Were You So Careless

Leng Hao walked up the stairs. He stood in front of Ye Xiaotao and looked at her pale face. He asked in a low voice, “Are you not feeling well?”

The man’s greeting made Ye Xiaotao want to cry. She didn’t care how Bai Lingyun treated her. She didn’t want to live in the eyes of others. She only cared about Leng Hao’s attitude.

“I’m great...” she carefully peeked at the man with her watery eyes. “Honey, Are you...unhappy with me coming to Hong Kong?”

Leng Hao frowned. “Hong Kong is very chaotic now. You’re a girl, you shouldn’t run around carelessly...”

“Honey,” Ye Xiaotao grabbed his little finger with her fair hand. She shook it coquettishly. “Honey, cause I miss you.”

Ye Xiaotao deliberately said in a cute and flirty manner. Leng Hao got goosebumps when he heard her, and the expression on his handsome face immediately softened. He raised his hand and patted her head, “Since you’re here, you can stay in this place. I’ll be very busy, so I won’t have time to keep you company. You have to be a good girl. Don’t go out and cause trouble for me.”

Ye Xiaotao felt that it was unfair that Leng Hao thought that all she was capable of was to cause trouble.

“Got it.” Ye Xiaotao nodded.

"I need to go to the study room to deal with some matters first. You can go to your room." Leng Hao turned around and walked towards the study room after saying that.

Ye Xiaotao wanted to stop him, but she didn't say anything. He was already very busy. Ye Xiaotao wanted to be a virtuous, considerate, and obedient wife. But...

Bai Lingyun was in the study room. What matters did he and Bai Lingyun have to deal with?

Shouldn't he have given Ye Xiaotao an explanation as to why he brought Bai Lingyun home?

They had already broken up. It was best if they weren't even friends, but Leng Hao seemed to be in touch with Bai Lingyun quite frequently.

Ye Xiaotao's mind was a mess. She knew that she was jealous, madly jealous.

Ye Xiaotao didn't like to be jealous. The feeling of jealousy could easily go out of control.

She turned around and walked towards her room, but the maid stopped her. "Miss, you really can't enter this room again."

"Didn't you hear what the young master said to me just now? I'm the young Madam," Ye Xiaotao said, blinking her pretty eyes.

"Umm..." the maid was in a difficult position. The young master didn't officially announce Ye Xiaotao's identity. As maids, they only listened to the owner of the mansion, so the maid braced herself and said, "Even if you're the young madam, you can't enter this room."

Ye Xiaotao widened her eyes. "What the h*ll?"

The servant did not dare to speak.

Ye Xiaotao then became suspicious. Could it be that the room was not prepared for her?

"Then what about the young master's room? I can enter the young master's room, right?" Ye Xiaotao did not want to make things difficult for the maid, so she took a step back.

"Umm..." the maid didn't want to answer the question.

Ye Xiaotao rolled her eyes.

At this time, a maid came upstairs with two cups of coffee. Ye Xiaotao's eyes lit up, and she quickly walked over and snatched the coffee from the maid coming up the stairs. "Are you taking them to the study room? I'll do it for you."

"No... Hey!"

Ye Xiaotao had already reached the door of the study room. She lifted her hand and knocked on the door. She really wanted to know what Leng Hao and Bai Lingyun were doing inside.

“Come in.” Leng Hao said.

Ye Xiaotao pushed the door open and entered. She immediately saw the two people at the desk.

...

Bai Lingyun sat in the black leather office chair. She was typing quickly on the keyboard. Leng Hao stood beside her. One of his big palms was on the back of the chair Bai Lingyun sat in. His other hand held a document and placed it in front of Bai Lingyun. The two of them spoke in a low voice. They were very focused.

Ye Xiaotao’s heart was struck hard. She felt hurt by what she saw.

Ye Xiaotao was at Leng Hao’s home. But Bai Lingyun looked like the mistress of the house. Bai Lingyun looked even more like Leng Hao’s wife. It was even more obvious when Leng Hao stood while Bai Lingyun sat by the desk.

Details in life often reflected the core of the problem. Because the details in life weren’t pretentious.

Ye Xiaotao walked in and placed the coffee on the coffee table in front of the sofa. “The coffee is ready.”

No one paid attention to her. Leng Hao was still talking to Bai Lingyun, completely unaware of Ye Xiaotao’s entrance.

Ye Xiaotao saw the two maids standing by the door out of the corner of her eyes. Because she had barged in without permission, the two maids were guarding outside in fear. Seeing Ye Xiaotao’s condition, the two maids whispered to each other with their hands over their mouths.

Ye Xiaotao felt very embarrassed. She could guess what the maids were talking about. Ye Xiaotao had repeatedly emphasized that she was their young madam, but the young master was with Bai Lingyun.

Leng Hao and Bai Lingyun had been together for ten years. The maids definitely knew Bai Lingyun’s identity.

Ye Xiaotao was like a joke.

Ye Xiaotao looked down in loneliness. She wanted to turn around and leave, but her pride stopped her from doing that. An idea flashed through her mind. She spilled the coffee on the back of her hand and made a soft cry of pain.

Leng Hao and Bai Lingyun both looked up.

...

Bai Lingyun knew that it was Ye Xiaotao who came in with the coffee, but she chose to ignore her. In her opinion, Ye Xiaotao was a third party. Ye Xiaotao was the one who ruined the ten-year relationship between her and Leng Hao.

She looked down on Ye Xiaotao. How could this girl who relied on sex to get to the top replace the ten-year relationship between her and Leng Hao?

Leng Hao didn't notice Ye Xiaotao at all. Bai Lingyun was secretly happy at that fact. Bai Lingyun thought of how the Ye Xiaotao was asking for humiliation.

Bai Lingyun secretly mocked how poor Ye Xiaotao's acting was when she noticed that she spilled coffee on herself. Bai Lingyun smirked, "Hao, we are discussing important matters. Why did Miss Ye barge in? Isn't it rude..."

Before she could finish, the man beside her had already left. The man walked to Ye Xiaotao and grabbed her burned hand, "Why were you so careless? Your hand is burning red."

After saying that, Leng Hao lowered his eyes and blew air on her hand.

Bai Lingyun was shocked by Leng Hao's reaction. She looked at Leng Hao's handsome face. Leng Hao looked worried.

Did Leng Hao... fell in love with Ye Xiaotao?

Impossible!

Ye Xiaotao was happy. Ye Xiaotao actually feared pain very much. But when he held her burned hand and blew on it, all the pain left.

Ye Xiaotao was right that Leng Hao was now in love with her!

"Didn't I tell you to go to your room? Why are you delivering coffee?" Leng Hao's tone was quite displeased.

"But, I don't know which room to go to." Ye Xiaotao still felt wronged when she said that.

"Whichever room you want to go to. You can choose whichever room you like. When did you become so obedient to ask me about such a small matter?" Leng Hao replied with an unpleasant tone.

The two maids by the door were shocked when they saw their young master's reaction. They looked at Ye Xiaotao in fear, afraid that Ye Xiaotao would complain to the young master about them.

Ye Xiaotao didn't say anything. She smiled sweetly and said, "Okay."

"The back of my hand is still very red. We need to rinse them under cold water. Someone go get the ointment cream!" Leng Hao said as he held Ye Xiaotao's little hand. They then walked towards the door.

Chapter 1070: Can You Stay With Me and the Baby

"Yes, young master!" The maid immediately turned around and went to get the ointment cream.

Leng Hao was walking in huge strides. Ye Xiaotao staggered as she tried to keep up with Leng Hao. She almost fell because the slippers didn't fit well. "Honey, slow down..."

She said coquettishly.

Leng Hao turned around. For the first time, he felt that marrying this young lady was a drag. He bent down, picked up Ye Xiaotao, and carried her horizontally in his arms.

“Ah!” Ye Xiaotao screamed in surprise at Leng Hao’s sudden move. When her focus was back on his handsome face, she realized that he was holding her.

“Thank you, Honey. You’re the best.” She quickly reached out her arms and wrapped them around his neck. She was afraid that he might change his mind and put her back down.

In the study room, Bai Lingyun watched Leng Hao leave with Ye Xiaotao in his arms. Her mood swung. Initially, she was shocked, then disbelief, then jealousy and anger...

Bai Lingyun clenched her fists tightly.

She wasn’t going to admit defeat.

...

Leng Hao kicked open a bedroom door and placed Ye Xiaotao in front of the sink. Leng Hao switched open the faucet and held Ye Xiaotao’s burned hand under the running, cold water.

Ye Xiaotao looked up into the mirror and saw Leng Hao hugging her from behind. Her delicate body was wrapped tightly in his arms. The smell of a healthy and clean man enveloped her.

Ye Xiaotao’s legs felt weak. She felt like she was about to melt. She turned around and lifted her swan-like neck to kiss the man’s thin lips.

“Honey, I miss you so much. I dream about you every night...”

Her little mouth, which was like a rose petal, was still pressed against his thin lips. Leng Hao looked into her eyes. Her eyes were clear and limpid, like a newborn baby. They made his heart itch with desire.

He held her soft waist with one hand and pulled her in. Then he kissed her back.

Ye Xiaotao was surprised. When his tongue reached into her mouth, Ye Xiaotao became so weak she couldn’t stand up on her own anymore.

Leng Hao immediately held her up. A smile came across his face when he learned of her reaction. He teased, “Next time when you seduce someone, practice your skills first.”

His voice was deep and masculine, and Ye Xiaotao felt her ear go soft. He was really the type of person who could impregnate a woman with just his voice.

“I wasn’t seducing you. Besides, are you the type who would be easily seduced by me?”

Leng Hao’s gaze felt a little intense, and his voice was hoarse when he said, “Which answer do you want to hear, huh?”

Ye Xiaotao’s little face turned red, and she was embarrassed to tell him her answer.

At this time, there was a knock on the door. “Young master, the ointment is here.”

...

Ye Xiaotao sat on the soft bed, and Leng Hao beside the bed and applied the ointment cream on her hand. Ye Xiaotao looked around. She realized that they were probably in his bedroom. The color scheme of the room was blue, white, and black. The room was grand but cold.

Very much like Leng Hao's personality.

"I've applied the cream. Don't get yourself wet. If you need anything, tell the maids. I still have something to do. You can go to sleep first," Leng Hao whispered and then placed the ointment on the nightstand.

Ye Xiaotao laid down and called softly, "Honey..."

"What's wrong?"

She wanted him to stay with her. She didn't want him to go back to the study room and interact with Bai Lingyun. However, if she made known her wishes, would it make her look selfish and willful?

At this moment, there was another knock on the door. A tall and graceful figure appeared by the door. Bai Lingyun came. "Hao, it's getting late. We should get back to work."

Bai Lingyun came to rush him.

Leng Hao glanced at Bai Lingyun. Then he pulled the blanket over Ye Xiaotao's body. "Excuse me..."

He stood up.

However, Ye Xiaotao grabbed his large palm with her small hands. she said in a soft and timid voice, "Honey, my stomach isn't feeling well. Can you stay with me?"

Leng Hao turned around and saw Ye Xiaotao's hopeful eyes. As if she's afraid that he might get angry, she was avoiding his eyes a little. Her delicate little face was crystal-like under the light.

He pursed his thin lips and didn't say anything.

Ye Xiaotao got anxious. "Honey, my stomach is really not feeling well. The baby is not behaving. Can you stay with me and the baby? Is work more important than us?"

Leng Hao looked at her lower abdomen. It had been four months, and her lower abdomen is starting to show a little bump. She finally looked like a pregnant woman.

Leng Hao's eyes softened. He placed her two little hands back under the blanket. "Okay, I'll stay with you."

"Thank you, Honey!" Ye Xiaotao smiled brightly and happily.

Bai Lingyun, who was standing by the door, was so angry that she almost vomited blood. Ye Xiaotao lied about feeling unwell, but Leng Hao went along with it!

How could he?

...

Leng Hao sat by the bed to accompany Ye Xiaotao. At this moment, the phone rang. Leng Hao had received a call.

"I'm going to take this call." He got up.

"Okay." Ye Xiaotao nodded. She watched the man walk out of the room.

Then, Ye Xiaotao quickly got up from the bed and put on her slippers. She happily swirled around twice. Why was she feeling so happy?

At this moment, Ye Xiaotao heard a sneer. "Miss Ye, are you happy now?"

The question surprised Ye Xiaotao. She turned around and saw Bai Lingyun standing by the door. Bai Lingyun was mocking her with cold eyes.

"Miss Bai, why do I detect jealousy in your words? My husband dotes on me, so why can't I be happy? Am I in your way?"

"Ha, husband? Miss Ye, have you forgotten where you snatch your husband from?"

Ye Xiaotao was at a loss for words. She did feel guilty about that, but it wasn't her fault. It was fate that everything turned out that way.

"Miss Bai, what's the point of discussing that now? The important thing is that he's my husband now, the father of my baby. We're in love. So, Miss Bai, please stay away from my husband in the future!"

Bai Lingyun raised her eyebrows and sneered, "Why, are you scared of me?"

"What are you talking about?" Ye Xiaotao replied.

"Miss Ye, you said that you and Leng Hao are in love now. Do you know what he's been busy doing recently?" Bai Lingyun changed the topic.

"Umm..."

"Your third brother, Ye Ziyi, has captured Leng Zhiyuan. They have disappeared from the world. Leng Hao has been busy looking for his sister."

"What did you just said?" Ye Xiaotao's expression changed drastically.

Bai Lingyun ignored her and continued, "Ye Ziyi is Scorpion. He captured Leng Zhiyuan. In order to protect the Ye family, your father did some truly amazing things. He erased all of Ye Ziyi's records, which undoubtedly made things more difficult for Hao. We get it if your father turned the tables on Hao. But you, Miss Ye, Mrs. Leng, do you know how ignorant, childish, and selfish you are? It was the Ye family that harmed the Leng family. Now, you are holding your stomach and forcing Hao to keep you company. The study room is piled up with all the information that we have painstakingly obtained. Even if we are looking for a needle in a haystack, Hao and I are still persistently looking for Zhiyuan. What have you done?"

Chapter 1071: Silly Little Girl

Ye Xiaotao's face turned pale. She took two steps back and shook her head, "I don't know... I don't know... How did my third brother... Sister Leng... how did things come to this?"

Bai Lingyun felt even more disgusted by Ye Xiaotao's reaction. Bai Lingyun lifted her chin arrogantly, "Oh right, Miss Ye, there's one more thing I forgot to tell you."

"What?"

"The slippers on your feet. Hao bought them for me"

Ye Xiaotao was shocked.

"Also, Hao decorated that room for me about six months ago. Every single thing in there is evidence of our ten years of love. But I don't want the room or the slippers anymore. You can have them."

Bai Lingyun turned around and left proudly.

...

Leng Hao took his call in the living room downstairs. After he was done, he motioned to go back upstairs. At that time, Bai Lingyun happened to be walking down the stairs.

Bai Lingyun's expression was very unpleasant. "See you tomorrow."

Leng Hao looked at the sky outside. "It's very late now. I'll get the driver to send you back."

Bai Lingyun wanted him to ask her to stay for the night. Therefore, Leng Hao's actual response made Bai Lingyun furious. "Leng Hao, are you so eager for me to leave? You wasted my time and effort for your sister!"

Leng Hao frowned as he looked at the hysterical woman in front of him. He placed one hand in his pocket and said, "Lingyun, I'm really grateful to you for all that you've done. I won't burden you anymore. I will do the rest by myself..."

"Leng Hao!" Bai Lingyun interrupted Leng Hao with a scream.

Leng Hao's frown deepened. He glanced upstairs and said in a low voice, "I don't want to argue with you, and I don't want to wake anyone up..."

"Wake anyone up? Are you talking about Ye Xiaotao?" Bai Lingyun pointed upstairs with teary eyes.

Leng Hao's handsome features were as still as water. He didn't respond.

"Ha, haha..." Bai Lingyun laughed, "You fell in love with her? Leng Hao, when did your taste become so poor? She spilled coffee on her hand deliberately and lied about her stomachache. Don't tell me that you were fooled. We still don't know where Zhiyuan is and are anxiously trying to figure that out. But all she does is lie and do as she wants. She doesn't deserve your love."

Leng Hao showed a sign of displeasure. He said coldly, "She's unaware of the situation."

"Can that be her excuse? Can it, Leng Hao? Don't you think you're too cruel to me? You broke up with me over the phone. When I was heartbroken and in pain, you married someone else. Now you're protecting her? Who is she? She destroyed our love. She is the one who interfered in our relationship. She is a thief and robber..."

"Enough!" Leng Hao interrupted Bai Lingyun. He looked at her sadly. "Lingyun, it is not her fault. We weren't working out. I was exhausted by our relationship."

"Exhausted? Haha, I don't believe you. I don't believe that our ten years of relationship is nothing compared to your six months with her. Leng Hao, you still love me, don't you?" Bai Lingyun shook Leng Hao's arm emotionally.

Leng Hao moved Bai Lingyun's hand from his arms with difficulty. "I'm sorry, I'm married."

Bai Lingyun took a step back. She burst into tears and sobbed, "Leng Hao, why are you so cruel to me? You knew that Ye Xiaotao was pretending, but you went along with it and doted her. You never treated me that way. When we were dating, you would leave me without hesitation after a phone call. One time, I accidentally read your documents, and you became furious with me. You said that it was confidential. You weren't gentle with me at all. You had no common sense. So, I argued with you, but all you said was that you don't want to argue with me. Now you are telling me that our relationship exhausted you."

Leng Hao, I hate you!"

Bai Lingyun ran out crying.

Leng Hao stood still for a long time. It'd be a lie to say that he wasn't a little sad. The ten years he spent with Bai Lingyun were more than just a relationship. It was also his youth.

Leng Hao was responsible for Bai Lingyun's hysterical response. Maybe he really didn't know how to love back when they were dating.

It's no use to try and figure out whose fault it was. The past was in the past.

The past went with the wind.

...

Leng Hao walked upstairs, pushed open a door, and walked in. As soon as he stepped in, a soft and fragrant body rushed into his arms. He quickly held her and asked, "What's wrong?"

He held the small face in his arms. When he touched it, he felt her tears.

"Why are you crying?" He quickly released her from his embrace and held her small face with both hands. "Tell me!"

Ye Xiaotao's face was covered with sparkling tears. She choked, "I'm sorry, I'm really... really sorry, my third brother..."

Leng Hao wiped away her tears with his thumbs. Ye Xiaotao learned of the situation. Bai Lingyun probably told her.

“Ye Ziyi is Ye Ziyi, and you are you. You don’t have to apologize for his mistake.”

“But...”

“No buts!”

Ye Xiaotao snuggled back into his warm embrace. She stretched out her slender arms and hugged his muscular waist tightly. “My daddy...”

Leng Hao caressed her silky hair. “Your daddy’s actions are understandable. People protect their own interests. The Ye family must never have anything to do with Scorpion. Your daddy is also in a difficult position!”

Ye Xiaotao did not know what to say after she heard what Leng Hao said. She sniffed and looked at him tenderly, “What about sister Leng? Did you find her? I seem to have interrupted your research. I actually spilled the coffee on myself. My stomach doesn’t hurt either. It’s okay. you can go back to work. I’ll leave tomorrow. Or I can go back now!”

Ye Xiaotao broke away from his embrace and turned around to get her luggage.

“Silly little girl.” Leng Hao took a step forward and hugged her from behind. He closed his eyes and kissed her hair. “Stay with me.”

Ye Xiaotao’s heart skipped a beat, and then her heart rate accelerated. Her pale face blushed red. However, she was still very worried and felt guilty. “Sister Leng...”

“There’s no news of Zhiyuan at the moment, but I won’t give up on the search. If we think about it, Ye Ziyi likes Zhiyuan. So, he would never hurt her even if he took her away. It’s only a matter of time before we find them.”

Ye Xiaotao was simple-minded. She didn’t understand the complicated relationships. But since Leng Hao said so, she felt reassured.

She turned around and stood on her tiptoes. Then Ye Xiaotao kissed Leng Hao’s handsome face. “Honey, before we find sister Leng, I will definitely treat you well. I will make it up to you.”

This silly girl was always carrying other people’s burdens.

Leng Hao reached out and hugged her. He rubbed his jaw against her soft forehead. He sighed in satisfaction. “Ye Xiaotao, remember what you said.”

“Mmm, I will. Honey, I love you!”

Leng Hao’s expression was full of love and tenderness. He bent down and carried her in his arms. “You should go to sleep first. I will read some documents as you sleep.”

Chapter 1072: You’re Doing Push-ups Over Me?

Leng Zhiyuan was still missing. Leng Hao and Ye Xiaotao flew back to T City and resumed their living.

One morning, Leng Hao came out of the study room. He couldn't find Ye Xiaotao, so he asked a maid, "Have you seen the young madam?"

"Young master, the young madam is in the gym."

The gym?

Leng Hao frowned. She was four months pregnant, how could she work out now?

She was really worrying.

Leng Hao walked to the gym. He wanted to scold the girl, but he fell silent when he saw the Ye Xiaotao.

Ye Xiaotao stood in front of the large French window. The dazzling morning light shined through the glass window and illuminated her figure.

She was wearing a white tank top. Leng Hao could only see her delicate back. From the back, she did not look like a pregnant woman at all. The back of her waist was still slender, the size of his palm. She wore a pair of tight white pants. She also had a piece of toast in her mouth. She was holding the railing in front of her with both hands as she lifted her legs.

She lifted her right leg elegantly so that it's parallel to the floor. Leng Hao looked at her long and straight legs. Then, his gaze shifted to the space between her legs.

It's only natural for any man's gaze to move to that part of her body. Leng Hao swallowed.

There were two maids behind Ye Xiaotao in the gym. Both of them exclaimed and applauded in admiration, "Young madam, you're amazing."

"That's right, that's right. Young madam, you're so good! I can't do that with my legs for the life of me"

Ye Xiaotao took a bite of the milk-flavored bread and chewed on it. She smiled and said, "This is nothing. I have something even more amazing. I can lift my legs to my head."

As she said that, Ye Xiaotao began lifting her leg even higher.

When the maid saw how high Ye Xiaotao was aiming, they immediately begged her to stop. "Young madam, don't. That's too high. It's not suitable for pregnant women. Please do us a favor. If young master finds out, he'll definitely scold us."

Ye Xiaotao winked playfully. "I'm just teasing you. I won't lift my leg that high up. Also, don't worry. My husband won't scold you. I'll put in a few good words. He listens to me."

When the maid saw the girl's innocent and pure expression, they covered their mouths and snickered. "That's right! I reckon that any man who marries a petite woman like the young madam will treat her like the young master."

Ye Xiaotao raised her eyebrows, her heart filled with happiness. "Do you guys want to be like me? How about this, I'll teach you guys on the weekends. And you'll be called the... Leng family girl group. How's that?"

Leng family girl group?

The maids jumped up and down happily. "Thank you, young madam. We'll definitely study hard!"

"Mmm." Ye Xiaotao lowered her leg. She took another bite from the milk-flavored toast. Then, she turned her head and saw Leng Hao leaning against the door.

Her eyes lit up. "Honey, are you done with work?"

"Young master..." the maids did not know how long Leng Hao had been standing there, or how much of their conversation he heard. They were so rude and unruly. Would the young master scold them?

The maids carefully checked Leng Hao's expression. Leng Hao's gaze was fixed on Ye Xiaotao's small face. His expression was very soft, and he did not seem angry.

"Young master, young madam, excuse us." The maids quickly fled.

...

After the maid left, Leng Hao walked into the gym with his long legs. "Don't exercise anymore in the future. Your bump is getting bigger and bigger..."

Ye Xiaotao knew that he would scold her. She quickly went forward and hugged his muscular arm. Then she stuffed the leftover milk-flavored toast into his mouth, "I know, Honey. I promise you that I won't push myself. We live in a modern world. Pregnant women are allowed to exercise reasonably. All my exercises are simple and safe."

Leng Hao never ate leftovers from others. Even when he was dating Bai Lingyun when they were studying at the university, he never did such a cringy thing. He was borderline OCD.

However, when he saw the girl's beautiful lips. Her lips were like cherries that people drooled over. He could feel that her sweet saliva was on the bread.

He opened his mouth and ate the bread that she stuffed into his mouth.

"You sure can exercise a little when you're pregnant. What about the maids? The Leng family girl group? What a creative mind you got."

"Honey, are you angry?" Ye Xiaotao stuck out her pink tongue in embarrassment, "I know that people have different jobs in this world. The duties of the maids are to take care of us. There would be no order without rules. However, I'll only teach them for two hours on the weekends. I know what to do and won't delay things. This family feels very cold. We should have more laughter and joy. Life should be entertaining."

Leng Hao looked at her watery eyes and snorted. "You've said everything. What else can I say?"

"Hehe." Ye Xiaotao was very happy. Did he approve?

She didn't care. She took it as him approving of her plan.

"Honey, not only do they need to exercise, but you also need to exercise."

Leng Hao looked at the slyness in her eyes and didn't say anything. What Leng Hao was thinking was "What are you scheming now?"

The smile on Ye Xiaotao's face became even brighter. Why was he so serious? It was as if he had seen through her. Her request might be very... embarrassing.

"Honey, can we exercise together?" She looked at him like a kitten and said in a soft voice.

Her appearance made Leng Hao melt. "Mmm?"

"Honey, come on." Ye Xiaotao dragged him to a mat. She laid down on the mat and whispered while blushing, "Honey, you can do push-ups over me."

Leng Hao put his hands in his pockets and looked at her without moving.

Ye Xiaotao felt so awkward. Why was he like a piece of wood? She stretched out her fair hand and grabbed his trousers. She said flirtatiously, "

Come on, honey. Come on..."

Leng Hao felt weak, and a chill ran through his body. Somewhere in his trousers, a large tent could be seen.

He moved and did as she said. He hovered over her with his hands on either side of her face.

Ye Xiaotao's exquisite little face showed an enchanting excitement. It was said that men were the manliest when they do push-ups. The saying was indeed true.

Ye Xiaotao looked at the handsome face above her. He was really the favored child of God. His facial features were like sculptures. His deep blue eyes, high nose bridge, and thin lips were all noble and perfect.

"Honey, we're starting. One..."

Leng Hao listened as Ye Xiaotao counted. When she said "One," he did a push-up.

When he was lowering his body, their faces got closer and closer. Ye Xiaotao quickly pecked his thin lips before he pushed up.

She had recently seen this move on an entertainment show. Young couples could exercise and kiss at the same time. It was very romantic. Ye Xiaotao had been meaning to try it with Leng Hao.

Chapter 1073: Who Knew You Were Such a Flirt

Leng Hao's eyes immediately burned with passion when she kissed him.

The corners of Ye Xiaotao's eyes were seductive. She whispered, "Two, three, four, five..."

Leng Hao did four more push-ups. Ye Xiaotao kissed him four times.

“Six, seven, eight...” Ye Xiaotao wanted to keep counting. But before she could say “nine,” Leng Hao had covered her lips with his. Leng Hao didn’t push himself back up. Instead, he pressed his lips on hers.

“Mmm!” Ye Xiaotao gently pulled the shirt on his chest with her hands.

Leng Hao relaxed his handsome eyebrows and kissed the girl deeply. He had wanted to do this since he saw the girl raising her legs and eating the bread.

His social circle was very messy. Most men in his social circle had no morality. They all had one wife at home and countless mistress outside of the home. Leng Hao had once heard those men in the private room say that younger women were the best because younger women have tender skin. They are young, beautiful, sweet, and knew how to act coquettishly. They made men want to f*ck them on the bed at first sight. They could f*ck them several times in a row.

Leng Hao just listened. He was always surrounded by a lot of young women, but he really did not see anyone tender. Those women were very much the same, pretentious. He had no feelings for them. They even disgusted Leng Hao.

It wasn’t until when he met Ye Xiaotao did he realize that she was the kind of woman those men spoke of. Moreover, she was of the highest quality. Just now, when he looked at her legs, he was aroused. He wanted f*ck her hard. He wanted to leave red marks all over her tender body.

“Didn’t you just stick out your tongue? Do it again.”

Ye Xiaotao was dazed by his kiss when she heard him say that out of the blue.

She did not know what he meant. After thinking about it, she realized that she did like to stick out her tongue whenever she felt embarrassed. All young girls were like this. Leng Hao had also strictly prohibited it once.

But now, why did he want her to stick out her tongue all of a sudden?

Ye Xiaotao looked into his clear blue eyes. There was a burning and seductive flame in his eyes. She stared blankly for a moment. Then she did as he asked.

She stuck out the tip of her pink tongue shyly. She wanted to quickly retract it, but her vision darkened. The man had already savagely held it in his mouth.

Ye Xiaotao’s small face burned. She clenched his shirt tightly and stared at him with widened eyes. What... was he doing?

It was so embarrassing.

Leng Hao kissed her for a while, but it was not enough for him. He let go of her lips and looked at her. The girl’s eyes were clear and pure. But the more innocent she was, the more aroused he became.

He parted his thin lips and said hoarsely, "This is also a push-up."

It took Ye Xiaotao a long time to understand what he meant. Leng Hao was able to maintain that position for a long time. His stamina and endurance were really good.

"Then... Then what other exercises can we do?" She asked coquettishly.

"We can also do this..." Leng Hao put one hand behind his back and supported himself with one hand.

Ye Xiaotao immediately beamed with joy. "Honey is awesome."

Having a handsome man at home had greatly satisfied Ye Xiaotao's vanity.

But in the next second, she realized that something was wrong. The man's free hand was on her body.

Leng Hao wanted to reach into her white vest, but her cloth was a little tight. It made things difficult for Leng Hao. He frowned and looked at her chest. What he saw made him burn with desire. "Why aren't you wearing a bra?"

"Ah!" Ye Xiaotao cried out and quickly covered her chest with her arms. She was pregnant and felt difficulty breathing. She was at home and there were no outsiders, so she didn't wear a bra.

However, the white vest was very thin and her chest shape was perfect. Even if she did not wear a bra, they would still be in place. But when she glanced at herself just now, she saw the little dots that bulged out.

"I, I, I... Don't Look!" She pouted her pink lips and said.

Leng Hao chuckled in a low voice. "I thought you did this for me to see."

Was Ye Xiaotao... that bold?

Was she?

Leng Hao saw that she was so embarrassed that she wanted to hide. If there was a hole there, she would have hidden in it a long time ago. He licked his dry, thin lips. "You like to flirt so much. You just flirted with me and now you're backing away? Who taught you that, huh?"

Ye Xiaotao's face was bright red. She retorted, "I just wanted to train with you and only teased you a little... Just some kisses. Who knew... who knew you were such a flirt!"

He came up with so many tricks with just push-ups. She had really misjudged him.

"Mmm," Leng Hao snorted, "Then why don't you just go along with me? I can take you to the clouds."

Ye Xiaotao didn't know how to respond.

Leng Hao glanced at her and wanted to get up.

"Hey, Honey. Why are you leaving? Where are you going?" Ye Xiaotao quickly reached out two small hands and hugged his neck.

"Where else can I go? I'm going to take a shower. It's uncomfortable here." Leng Hao pressed his body down and poked her thigh.

Ye Xiaotao was frightened by the hot thing that felt like a wooden stick. Her eyes widened. Did he... want her?

Not that he can't have his way with her...

But she didn't prepare anything.

Their first time was so bad. She wanted their second time to be perfect.

"Honey, Christmas is in a few days. My dad called and asked us to spend Christmas at his place. Do you want to go, honey?" Ye Xiaotao asked.

She was very cautious, afraid that Leng Hao would mind because of Ye Ziyi. Leng Hao reached out his big palm and stroked her hair. "Okay, we'll go."

"Thank you, Honey." Ye Xiaotao hugged him and kissed him. "And..."

"And what?"

"Honey, we've been together for so long, but you haven't given me... any present. On Christmas, can you give me a present?"

She wanted the present from him, from Leng Hao.

Women are peculiar about many things and are often jealous. Ye Xiaotao was the same. Leng Hao had prepared such a beautiful house for Bai Lingyun. The mouthwash cup and the slippers. Everything was a demonstration of his love for her.

She could stop thinking about those things. After all, it was in the past. The most important thing was that she was Mrs. Leng. However, she also hoped that he would treat her well, just like how he treated Bai Lingyun.

Leng Hao's expression was very gentle. He pinched her nose affectionately. "Tell me, what do you want?"

Did he agree?

Ye Xiaotao's eyes lit up. "A gift is a surprise. It's meaningless if I tell you what I want. You have to pick a gift for me, honey. But, I like whatever you get for me."

"Since it's a surprise, you shouldn't have asked for it." Leng Hao laughed.

Ye Xiaotao was not pleased by his point, she said, "Be more self-conscious in the future then, honey. Give me many many gifts, okay?"

Leng Hao thought for a moment. "It depends on your performance."

"Mmm, I'll do well." When she said that, Ye Xiaotao held his big palm and led it to her chest.

Chapter 1074: Don't Make Her Sad

Leng Hao's eyes darkened and pinched her.

Ye Xiaotao almost cried out loud. Then, she heard two knocks on the door. “Young master, young madam, breakfast is ready.”

Leng Hao had no intention of moving away from Ye Xiaotao at all. Ye Xiaotao regretted her actions. He was so rough; it made her scared.

She immediately pushed him away from the chest with her two small hands. Then, she crawled away from him.

Leng Hao watched her crawl like a puppy. Her perky buttocks swung left and right. The tent in his trouser grew bigger and bigger until it almost tore the fabric. Leng Hao fell to the ground in disappointment and closed his eyes.

Little vixen!

...

Christmas.

The maid opened the door and Ye Xiaotao walked in with Leng Hao

Father Ye quickly came up to them. “Xiaotao, Leng Hao, welcome.”

“Daddy, Merry Christmas!” Ye Xiaotao gave her daddy a big hug.

Father Ye smiled lovingly.

“Father-in-law, Merry Christmas.” Leng Hao handed the gift in his hand to the maid.

“Oh, you didn’t have to bring a gift. There’s no need for that in the future. Come, let’s sit in the living room. Someone bring the tea.”

Father Ye and Leng Hao sat across from each other. Ye Xiaotao sat with her dad. At this time, a beautiful and elegant woman came out with three cups of tea. “Master, young master Leng, the tea is here.”

Father Ye patted Ye Xiaotao’s shoulder. “Leng Hao, Xiaotao, let me introduce you to Auntie Miao.”

Auntie Miao served the tea to both father Ye and Leng Hao. Then, she walked over to Ye Xiaotao’s side and smiled. “Xiaotao, you can’t drink tea now that you’re pregnant. I made this banana milkshake. It tastes pretty good. Have a taste.”

Ye Xiaotao glanced at Auntie Miao. Ye Xiaotao was in quite an awkward situation. This Auntie Miao looked like she was in her twenties. It was more appropriate for Ye Xiaotao to call her big sister.

Did Ye Xiaotao’s father get a new woman? Ye Xiaotao remembered hearing a very coquettish voice over the phone last time. A girl in her early twenties. It definitely wasn’t Auntie Miao’s voice, because Auntie Miao’s behavior was elegant and proper.

Ye Xiaotao had quite a good impression of this Auntie Miao. Ye Xiaotao's father was almost fifty years old. It was time to find a good woman to settle down with.

"Thank you, Auntie Miao."

"You're welcome. We're all family. Master, young master Leng, excuse me. I'm going to the kitchen to check on dinner." Auntie Miao left after saying that.

"Daddy, how many Aunties have you changed? This Auntie Miao is not bad. At least she knows how to cook. Past aunties were all gold diggers and vain," Ye Xiaotao whispered.

Father Ye glanced at Auntie Miao's back and smiled. "You don't have to worry about me. Take care of yourself."

"Oh." Ye Xiaotao shut her mouth obediently.

Father Ye and Leng Hao talked about some business matters, Ye Xiaotao didn't understand the content. Soon, Ye Xiaotao heard Auntie Miao's warm voice. "Master, young master Leng, Xiaotao, it's time to eat."

"Okay." Father Ye stood up. "Come, let's go eat."

Father Ye led the group. Ye Xiaotao hugged Leng Hao's arm. She blinked her eyes and smiled. "So this is my family. Are you... feeling uncomfortable?"

"In what way?"

"Auntie Miao, and the many aunts..."

Leng Hao smirked. "What are you thinking about? Don't meddle in the affairs of adults."

Why did Leng Hao sound like Ye Xiaotao's father? Ye Xiaotao was also an adult, okay?

...

After dinner, Father Ye and Leng Hao outside the mansion. There were Christmas trees everywhere on the lawn. All the trees were decorated with lights. It was very festive.

Ye Xiaotao squatted beside a Christmas tree. She was holding a small, shiny light in her hand and was fiddling with it. She wore a plain-colored dress, and a red, loose sweater. A plain-colored scarf wrapped around her neck. Her dark hair was loose, which made her small face look as white as snow.

From afar, She looked like an ink painting.

Father Ye looked at Leng Hao and saw that Leng Hao's gaze was gently and attentively fixed on his precious daughter. He smiled in satisfaction and said, "Regarding your sister, do you blame me for not helping?"

Leng Hao smiled. "No. If it were me, I might have made the same decision."

Father Ye nodded. Great minds think alike. Father Ye need not make further explanations. He sighed and looked at Ye Xiaotao, who was in the distance. "This precious daughter of mine may look lively and cheerful on the outside, but she went through quite a lot."

“Her mother died giving birth to her. At that time, I had many mistresses and would bring them home. Those women treated her very well on the surface, Ye Xiaotao was also very happy. She was so sweet. She liked everyone she saw. Then, one day, I noticed that there were many bruises on her arms. I understood that those women were abusing her behind my back, but I didn’t understand why Xiaotao kept quiet about it. She was the apple of my eye. If she said something...”

“After that, she noticed that all the women were gone. She came to me and asked me where the aunts were. I told her that I had sent them home. She believed me. In fact, I had chopped up all the women and fed them to the dogs.”

“When she was twelve, I was seriously ill and couldn’t get out of bed. At that time, my two sons began making small moves when they learned that I was dying. They wanted to split the family assets. She was the only one who stayed by my bed. She smiled and encouraged me, saying, “Daddy, you will definitely get better.” But I saw her teary eyes. She was always like that. She liked to show her smile to everyone and cry alone secretly.

Leng Hao’s heart turned unbelievably soft. Father Ye didn’t need to tell Leng Hao all that. He knew the kind of girl Ye Xiaotao was.

“I see.” Leng Hao walked towards Ye Xiaotao with his long legs.

“Leng Hao,” father Ye said from behind him, “Xiaotao is a simple and pure girl. Cherish her smile. Don’t make her sad.”

Leng Hao paused for a moment, then he nodded.

...

Ye Xiaotao hung the small crystal light on the tree. Then, she saw a tall and handsome shadow on the tree. She immediately turned around and said, “Honey? What did my daddy say to you just now?”

Leng Hao looked at the girl’s exquisite little face and said, “Your daddy told me to cherish you.”

“Will you?”

“Of course. Your daddy is watching me like a tiger.”

Ye Xiaotao pinched her nose and snorted. “Good. If you treat me poorly in the future, I will ask my daddy to cut you into pieces.”

“Ha,” Leng Hao laughed. Then, a beautiful gift box appeared in his hand. “This is for you.”

“Wow!” Ye Xiaotao’s eyes lit up. “Is this a Christmas gift for me? What’s inside it?”

“Open it.”

Ye Xiaotao wiped her hands on her clothes and opened the box. Inside the box was a pair of beautiful, crystal shoes.

Chapter 1075: Get Me My Cigarette and Lighter

“Crystal shoes? Wow, they’re beautiful.” Ye Xiaotao’s eyes lit up. “I think I’ve seen this pair of shoes in a fashion magazine before. They are made of pure natural tourmaline. They’re super expensive.”

“Do you like them?”

“Yes! Honey, help me put them on.” Ye Xiaotao sat on the swing next to the Christmas tree.

Leng Hao walked forward and knelt on one knee. He reached out to take off the tasseled riding boots on her feet and held her little feet in his palm.

When the warmth from his fingertips reached her soft feet, Ye Xiaotao felt her whole body go soft. She could melt.

Every girl dreamed of her prince riding a white horse and then putting on a pair of crystal shoes for her. Ye Xiaotao felt like a princess at this moment.

She was his princess.

But when her feet were in the shoes, the smile on Ye Xiaotao’s face froze. The crystal shoes were too big. They were a size 8, Bai Lingyun’s size.

Ye Xiaotao was a size 6.

This pair of crystal shoes did not fit her feet at all.

“How is it?” Leng Hao looked up.

Ye Xiaotao’s eyes met the man’s deep blue eyes. He was asking her gently. She also saw her father standing in the distance, watching them, from the corner of her eyes.

She immediately smiled brightly, stood up, and spun around a few times. “I love this pair of crystal shoes...”

“Good.” Leng Hao reached out and stroked her hair.

At this time, two luxury cars were parked on the lawn. Father Ye’s two friends came. They got out of the car and were very happy to see Xiaotao. “Xiaotao, long time no see. You’ve grown, and you’re becoming more and more beautiful.”

“Uncle Zhao, uncle Sun, Merry Christmas,” Ye Xiaotao said sweetly.

Uncle Zhao and uncle Sun smiled happily and then looked at Leng Hao. “Hello, young master Leng.”

Leng Hao nodded.

“Haha, Father Ye walked over with a smile. “Why are you two so late? It’s Christmas today. Let’s have an all-nighter. I asked my son-in-law to come over and accompany you two.”

Uncle Zhao patted father Ye's shoulder, "Look at your flushed face and refreshed look. I'm sure Xiaotao and Leng Hao showed you a good time. Since you invited us, we will go and get some cash first. We're afraid that your son-in-law will join hands with you. We don't want to lose our underwear."

Father Ye laughed out loud. "At least you're sensible. Leng Hao, let's go in and play mahjong."

Father Ye and uncle Zhao went in first. Leng Hao looked at Ye Xiaotao and said, "I'm going in too. It's cold outside. Come in soon."

"Mmm." Ye Xiaotao nodded obediently and said in a sweet voice, "Go join dad first. You don't have to stay up all night. I'll find you later."

Leng Hao entered the house.

Ye Xiaotao stood where she was. She looked down at the crystal shoes on her feet. The crystal shoes were really beautiful. She liked them very much. Most importantly, they were Leng Hao's first gift to her.

She treasured them very much.

However, the crystal shoes were too big; size 8. This fact always reminded Ye Xiaotao of Bai Lingyun...

Did he always buy size 8 shoes?

Was it a habit?

When a woman became a habit in a man's life...

Ye Xiaotao sat back on the swing. She swung back and forth a few times in boredom. The red sweater made her skin look like snow. The night wind carried her hair in the air. She was like a fairy floating in the air.

"Xiaotao," Auntie Miao ran over to her. "It's so cold outside. Hurry up and come inside. The fruits are ready. Go eat some and rest early."

"Okay." Ye Xiaotao took off the crystal shoes on her feet.

"Xiaotao, aren't those crystal shoes too big for you? They don't fit you."

Ye Xiaotao was stunned. Women were different from men. Women were born with a keen eye for the size of shoes. Auntie Miao could tell at a glance.

"Yes, the crystal shoes are big, but I like them very much." Ye Xiaotao patted the dust off the crystal shoes with her small hands, and then put them back into the gift bag. She held the gift bag in her arms like a treasure.

Auntie Miao smiled lovingly. She said, "As long as you like it."

...

In the living room, four men were playing mahjong.

Leng Hao put out liu-wan. Uncle Sun was about to play when father Ye shouted, "Don't move, my turn."

After father Ye played, he put out a liu-tong.

Uncle Zhao wanted to say something, but Leng Hao took the liu-tong and said, "Excuse me."

It was Father Ye's turn again. He took a tile for the set and said, "Oh! I win."

Uncle Zhao and uncle Sun showed their hands and paid for their loss. They shook their heads and said, "We are in no luck tonight. Your son-in-law is doing you great favors. Young master Leng, you can't use our money to please your father-in-law."

Leng Hao pursed his lips and smiled. He didn't say anything.

Father Ye happily took the money. "Alright, alright. It's just some pocket money. We can't make things difficult for the junior."

Uncle Zhao and uncle Sun looked at each other and said jokingly, "Look, they truly are a family. We're in a boat of thieves, and our money is in danger. Haha."

The four of them continued to play mahjong. At this time, Uncle Zhao thought of someone and said, "We haven't seen old man Gong recently. In the past, the four of us sat together at a table and he was the shrewdest. He always won the most money."

"That's right." Uncle Sun glanced at father Ye, "The last time I saw this old man Gong, he seemed to have some complaints about you. Oh right, I heard that the little master Gong went to France. Last month, little master Gong developed an online game app and sold it to Silicon Valley in the United States. He earned 200 million dollars. Haha, this little master Gong is handsome and likes to play. The apple doesn't fall far from the tree."

Uncle Sun wanted to say more, but father Ye kicked him under the table. Father Ye coughed and said, "Focus on the Mahjong game."

Uncle Sun and uncle Zhao suddenly remembered something and sneaked a glance at Leng Hao.

Leng Hao's expression was normal. No one could read his mind. Leng Hao had actually seen Gong Yi in some documents in the past.

Gong Yi was the man that Ye Xiaotao had run away from.

"Honey," a sweet fragrance invaded Leng Hao's senses. He felt something soft on his left shoulder; it was Ye Xiaotao's arm. "How's the game going?"

Uncle Zhao smiled. "Your daddy has all our money."

"Yes, your daddy must split it with your honey."

Ye Xiaotao's eyes lit up when she heard that. She looked at Leng Hao. Did he cheat?

Leng Hao turned to look at Ye Xiaotao. His eyes were a little dark, and his voice was deep and masculine. "Ger me my cigarette and lighter. They're in my suit."

Did Leng Hao want to smoke?

He rarely smoked. Why would he want to smoke now?

"Oh." Ye Xiaotao got up and ran to the living room sofa to check his suit pocket.

Chapter 1076: He Wants to Publicly Demonstrate His Affection

Ye Xiaotao found the cigarette and the lighter. She walked back to Leng Hao, took out a cigarette, and handed it to him. "Honey."

Leng Hao did not take it. He played a tile.

Ye Xiaotao didn't know what to do. She thought he wanted to smoke? Why didn't he take the cigarette?

She got closer to him and placed the cigarette next to his mouth.

The man parted his thin lips and held the cigarette in his mouth.

Ye Xiaotao exclaimed silently, "Could it be that he wanted me to feed him the cigarette like this?"

She quickly dismissed the thought. Although the two of them were in love, Leng Hao had a cold personality and had never done such a lovey-dovey thing with her.

Ye Xiaotao's father and uncles were both present. Was this Leng Hao's way of publicly demonstrating his affection?

Ye Xiaotao had butterflies in her stomach. Her fingertips had accidentally brushed against his lips. His lips were cold and very soft. They felt quite nice.

He held the cigarette in his mouth and didn't light it. Ye Xiaotao acted calm on the outside and then lit the cigarette for him.

Uncle Zhao and uncle Sun both laughed when they saw this. "Young master Leng, Xiaotao, are you guys showing off? That's not very nice. Xiaotao. Why don't you light a cigarette for me too?"

Father Ye tossed the cigarette and the lighter to the two uncles. He scolded, "You're being disrespectful! Light your own cigarettes!"

Both uncles took a cigarette and lit it. "I'm just joking. Look at how protective you are. But in all seriousness, Xiaotao, you're still in college, right? When your baby bump gets bigger in the future, you won't be able to hide it anymore. So for safety's sake, I think you should take a six-month leave of absence first. You can go back to school after the child is born."

"No!" Ye Xiaotao immediately pouted and retorted, "If I take a leave of absence, how boring would that be? I want to go to school. Besides, winter vacation is coming up. When I really can't hide it anymore, it'll be school break."

Father Ye played a tile. He glanced at Leng Hao and said, "I can't make the call on this matter. The two of you can figure it out."

Father Ye wanted to hear Leng Hao's opinion.

Leng Hao looked at Ye Xiaotao. The girl was looking at him with hope in her eyes. He smiled and said, "Your call."

Leng Hao knew that Ye Xiaotao yearned for freedom. She was like a little bird that wanted to fly freely. She was in the prime of her years for school and education. She had youth and dreams.

Uncle Zhao and uncle Sun sighed. "Fine, just pretend that we didn't say anything!"

Ye Xiaotao felt happy. The feeling she got when her husband and her daddy protected her was really good. And she had a baby in her; Ye Xiaotao felt very happy.

Then, Leng Hao said in his low and masculine voice, "You can go to bed first. We're smoking and secondhand smoke is bad for the child."

Ye Xiaotao looked at Leng Hao. He held the cigarette between his fingers and breathed out the smoke in a different direction. He tried to keep Ye Xiaotao from smelling the smoke. So he exhaled a puff of smoke before looking back at her.

Although smoking was not healthy, the way Leng Hao looked when he smoked was eccentric in Ye Xiaotao's eyes.

Ye Xiaotao stood up, blushing. "Daddy, Uncle Zhao, and uncle Sun, I'm going to bed. And honey, you should rest early too."

After saying that, Ye Xiaotao turned around and went upstairs.

As she was going upstairs, she heard Uncle Zhao and uncle Sun tease her. "Young master Leng, does Xiaotao usually stick to you? We're playing mahjong. It's only been a few rounds and Xiaotao is already urging you to go to bed."

"Exactly. It's like she's scared of us hoarding you."

...

Ye Xiaotao returned to her room. Then, Auntie Miao walked in with a plate in her hand. She took the glass of milk on the plate and handed it to Ye Xiaotao. "Xiaotao, have a glass of warm milk before you go to bed. It's good for the child and your sleep."

"Thank you, Auntie Miao." Ye Xiaotao took the glass of milk. Then, Ye Xiaotao saw the bottle of red wine on the plate. Her craving was immediately aroused. She had not drunk wine in a long time.

Although she had low tolerance, she just could not resist the fragrance of the wine.

"Auntie Miao, who is the red wine for?"

"Oh, I'm going downstairs to see if your dad and the others want any."

Ye Xiaotao coughed and said in a serious tone, "Auntie Miao, leave the red wine with me. My husband likes it. He'll want some when he comes up late."

"Sure, this one is a limited edition. Your dad had been saving it. Young master Leng will definitely like it." Auntie Miao put the wine on the nightstand.

Ye Xiaotao was delighted. She quickly finished the milk in the glass. "Auntie Miao, here."

"Okay, Xiaotao. Good night." Auntie Miao left.

Once Auntie Miao left, Ye Xiaotao immediately danced in circles happily. She found a bottle opener and secretly opened the red wine. She took a whiff of the wine's fragrance and exclaimed in excitement.

She was too eager to even find a wine glass. She took a sip right from the bottle.

It was delicious!

She drank a few more sips.

Delicious!

But she didn't dare to drink anymore. Because she was pregnant, she could only take a few sips of the red wine.

After putting the wine lid back on, she went to the closet and pick out a pair of pajamas. Then, she headed to the bathroom for a shower.

As she was taking the shower, Ye Xiaotao felt dizzy. Oh no, she was drunk.

Would the baby get drunk too?

She shouldn't have drunk so much.

Ye Xiaotao blamed herself. She quickly rinsed off the foam on her body and put on her pajamas. As she walked to the big bed, she felt as if the world was spinning. She quickly got under the blanket.

If her dad and husband found out about this, they would definitely scold her. Whatever, she had better go to sleep first.

She felt really dizzy.

...

An hour had passed after Ye Xiaotao left the group of men.

Father Ye looked at the time and said, "Leng Hao, it's getting late. You should go and rest first. Let Auntie Miao take over and play with us for a while."

"Okay." Leng Hao stood up.

Auntie Miao took over and said with a smile, "Young master Leng, you have so much asset right now. Don't be angry with me if I lose them all."

"It's all on me. Enjoy yourselves." Leng Hao nodded politely and then headed upstairs.

Uncle Zhao and uncle Sun smiled when they saw Leng Hao enter the room. "Old man Ye, it seems that young master Leng is quite a jealous character. We've only briefly mentioned Gong, and young master Leng was already deliberately showing off."

Father Ye looked at the mahjong tile in his hand. "It's only normal. It'd be strange if he didn't get jealous."

"Haha," the two laughed. "But old man Ye, I think young master Leng is quite overbearing. Xiaotao is fully under his control. Xiaotao is simple-minded, so I hope she doesn't get bullied in the future."

Father Ye looked at the two of them. "Am I dead to you?"

Uncle Zhao and uncle Sun changed the topic. "Old man Ye, you dote on Xiaotao the most. Seeing that you're so satisfied with young master Leng, you're not thinking of handing over the Ye business to him, are you?"

Father Ye laughed. "That's a possibility."

Uncle Zhao and uncle Sun looked at each other. It seemed to them that old man Ye was seriously considering it. They didn't expect that the business his three sons fought so hard over would end up in a stranger's pocket.

Chapter 1077: Shh, I Want To Sleep

Leng Hao smelt the fragrance of wine the moment he walked into the room. He saw a bottle of red wine by the bed and immediately understood what had happened. Ye Xiaotao had been drinking secretly.

Leng Hao frowned unhappily. He did not like for her to drink.

Drinking made her bold. She snuck into the hotel room and rape him; she went into the men's bathroom at the bar and loosed his belt; She did that because she was drunk. If it was not Leng Hao but another man Ye Xiaotao did those things to... Leng Hao could feel anger rising in his chest just thinking about it. If that happened, Leng Hao would first cripple that man before strangling her to death.

Leng Hao walked forward and stood by the bed. She curled up under the soft, pale golden blanket. She covered herself tightly, leaving only her small head out.

"Xiaotao." He sat on the bed and called.

"Uh... I want to sleep. Shh..." the girl mumbled and went back to sleep.

Her voice made Leng Hao feel weak. He reached out his big palm and slowly touched her small face.

Because of the drunkenness, her delicate face looked seductive. Her curved eyebrows, her small mouth the color of rose petals, her skin like peeled leechie fruit, fair and delicious.

Leng Hao closed his eyes. The lust that he had been suppressing suddenly surged. They only did it once, that night in Hong Kong, he remembered it clearly.

He reached for her mouth with his thumb. Then he rubbed it with force.

“Ouch... it hurts...” Ye Xiaotao frowned. She opened one of her eyes slightly to see the man who interrupted her sleep.

The girl’s eyes were very drowsy, and her watery eyes were charming. Leng Hao’s whole body tensed up. One look from her was enough to make his body burn with fire.

However, he quickly withdrew his hands. What was he doing? She was pregnant and wanted to sleep. How could he be greedy for his pleasure?

He motioned to get up.

“Honey...” Ye Xiaotao grabbed his hand. “Don’t go...”

Leng Hao froze and then looked down.

Ye Xiaotao was half awake and half dazed. She pouted her little mouth aggrievedly. “Honey, why are you staring at me like that? Do you... want to eat me? Then... come and eat...”

The soft bed sank in. Ye Xiaotao’s head was enclosed between two large palms. The man was on top of her.

She looked up and met the man’s passionate eyes. He gritted his teeth and said, “Ye Xiaotao, do you know what you’re saying?”

Ye Xiaotao was wearing pink silk pajamas. She gently raised her fair little hands and drew circles on his broad chest. “I know... Honey, I’m almost... five months pregnant...”

When she lifted her hand, the silk nightgown slipped down from her shoulder, revealing the strap dress underneath. Leng Hao swallowed. Then he pressed his body on hers and kissed her mouth.

“Hey! Wait a minute!” Ye Xiaotao quickly covered his mouth.

“What now? You aroused me, you have to take responsibility this time!” Leng Hao said in a hoarse voice and kissed her tender palm.

“I didn’t say... that I won’t take responsibility, but honey,” Ye Xiaotao hugged his neck. “We’ve been married for so long, call me... honey... I want to hear you call me honey.”

Honey...

Leng Hao stared at her passionately, not saying a word.

The light in Ye Xiaotao’s eyes gradually extinguished. She clenched her fists and punched him in anger, “Forget it. You can go take care of that yourself!” She crawled away from him.

However, a strong arm firmly held her. The man said in a low and eccentric voice. “Honey...”

Ye Xiaotao’s eyes lit up. He called her honey!

“Honey, one more time!”

“Don’t push it!” Leng Hao lifted the soft silk blanket and covered the two of them. He opened his mouth and covered hers fiercely.

Ye Xiaotao felt extremely happy. With the blanket over them, she could not see his face clearly. Her lips and tongue were numb because of his kiss. She held his handsome face in her hands. His face felt so hot.

Was he burning from the desire for her, or was he just embarrassed from calling her “honey”?

Being able to make the stinky rock call her “honey”, Ye Xiaotao felt a great sense of accomplishment. She responded to his kiss passionately.

“Are you ready? I can’t hold it in any longer...” Leng Hao kissed her as he untied his belt.

Ye Xiaotao knew that there was no escape tonight. In fact, she did not want to escape. Moreover, she was looking forward to it.

She liked doing this kind of exercise with the man she loved.

“Honey, I’m scared... I’m scared of pain... can you be gentler? Last time... in Hong Kong, you were really... rough. You only relied on brute force, no skills...”

Leng Hao didn’t know whether to kiss her or pinch her. Could Ye Xiaotao not read the atmosphere? “You have no right to comment on that night. I was merciful enough to let you get away alive.”

“What? You think you’re in the right? You... you clearly enjoyed it. Otherwise, why would you want to do it to me a second time... Mmm”

Leng Hao covered her chattering little mouth.

After a while, Ye Xiaotao felt pain. She frowned and cried out in a babbling manner.

Leng Hao couldn’t help but laugh. He hadn’t even done anything yet, but her seductive yet innocent cries made him melt. “Shut your mouth and stop screaming.”

Her cries made his whole body go soft, except for a certain part of him, which was hard as steel. He felt extremely uncomfortable.

He had gotten used to watching people in action since he was twelve. Although he had only done it with her once, logically speaking, he should be able to handle it with ease.

But now, Leng Hao was very clumsy and anxious.

Ye Xiaotao really did stop screaming. Instead, she bit his shoulder.

Both of them were covered in sweat and entangled together like fish. Leng Hao held her head and kissed her. He said in a hoarse voice, “You can let it out now.”

Ye Xiaotao let go of his shoulder and said in an aggrieved and timid voice, “But... you said no screaming...”

“It’s okay now. Only I can hear it.”

...

At school.

Ye Xiaotao hummed as she walked on the cobblestone path with the sketchbook under her arms. At this time, her friends caught up with her from behind. "Xiaotao, you got any good news in your life? You look radiant and full of nourishment."

"Do I? Don't I look like this every day?" Ye Xiaotao pondered.

"Come on, Xiaotao. You're just showing off," her friends teased.

Ye Xiaotao smiled but didn't say anything. It wasn't that she didn't want to talk about it, but it was hard for her to talk about it. It was just... the power of love.

"Oh right, Xiaotao. You don't go to the bar with us anymore. And you're wearing such oversized clothes. Have you... gained weight?" Her friends looked at her belly suspiciously.

"No, I didn't! Ah, the teacher is here. Let's hurry!"

Chapter 1078: Little Xiaotao, Mommy Loves You

Ye Xiaotao's friends looked to the side and saw that the professor was really here. Everyone quickly entered the classroom.

Ye Xiaotao sat down and smoothed her chest. It was so close just now. She looked down at her small belly. Her five-month-old baby is creating a small bump. Ye Xiaotao had to wear oversized clothes to hide the bump. Fortunately, her face and figure didn't change much, so no one could tell.

She wanted to go to school. If she really couldn't, she would ask for leave.

The professor was giving a lecture. Ye Xiaotao took notes with a pencil. Then, her phone vibrated. Ye Xiaotao received a text.

It was from an unknown number. The text read, "I'm back."

I'm back?

Who's back?

Ye Xiaotao thought for a moment, and then her heart skipped a beat. She had a feeling that the text was from a beautiful and arrogant woman.

It's Bai Lingyun.

Was Bai Lingyun back?

Did Bai Lingyun declare war on her?

Ye Xiaotao's thoughts were in a mess. It was undeniable that Bai Lingyun had ruined her good mood. Ye Xiaotao's lecture finally ended. She immediately dialed the unknown number, but the number didn't exist anymore.

She held the phone tightly in her hand.

...

At night, Ye Xiaotao returned to the villa. "Honey, honey..."

The maid quickly came up to greet her. "Young madam, the young master is not back yet."

"Not back yet?" Ye Xiaotao was a little disappointed because ever since Christmas, the relationship between the two of them had rapidly warmed up. Leng Hao came home at an earlier time, and she could always see him as soon as school was over.

The maid chuckled. "Young madam, maybe the young master was delayed by something. With you looking forward to him coming home, the young master will definitely be back soon!"

Well, there's nothing Ye Xiaotao could do but wait.

She went to her room. Ye Xiaotao finished the landscape painting that her professor had assigned. She checked the clock. It was already eight o'clock.

Leng Hao was still not back yet.

She wanted to be a virtuous wife. Usually, men did not like their calls from their wives when they were busy outside. She did not want to do that, so she went to the bathroom and took a shower.

After tidying up, she went to bed, smelling nice. She read for a while. Then, it was past nine o'clock.

She couldn't help it. If she wasn't virtuous, so be it. She picked up her phone and dialed Leng Hao's number.

"Hello, honey..."

A cold and mechanical female voice came from the other end, "Sorry, the number you dialed is busy now."

His phone was off.

Other than that time when sister Leng had an accident, his phone had always been on. He rarely turned off his phone.

Ye Xiaotao thought for a moment. Then, she sent a text message, "Honey, are you going to work overtime today? Call me when you receive this message..."

After hesitating for a moment, Ye Xiaotao deleted "Call me when you receive this message" and typed, "Goog work, honey. The baby and I will be good. We love you. Mwah."

Sent.

She turned off the lights but left the lamp turned on. She shut her eyes and went to sleep, hoping that he would write back to her. But she tossed and turned, unable to fall asleep.

Then, Ye Xiaotao felt the baby kick her. Ye Xiaotao was surprised.

Little Xiaotao did not make any move inside her until the fourth month. She felt something a month ago, but because of lack of experience, she did not know whether it counted as a fetal movement. But this time she was sure, what she just felt was a fetal movement.

Ye Xiaotao carefully covered her belly with her small hand. Then, Little Xiaotao kicked her again.

Ye Xiaotao's eyes immediately curved into a smile. Her crystal clear skin was covered with a layer of soft halo. This was the first time she felt a little life pulsating so powerfully. How magical and wonderful was this.

"Little Xiaotao, why are you kicking mommy so hard? Are you going to be a chubby little boy? Do you miss daddy? Yes, daddy is busy with work today and may not be able to come back tonight. Daddy is working hard to earn money for Little Xiaotao. So little Xiaotao, don't make a fuss. Sleep quietly with mommy."

Perhaps it was because of Ye Xiaotao's gentle and pleasant voice, Little Xiaotao swam around in her belly and found a comfortable position to settle down.

"Little Xiaotao is such a good child. Mommy loves you."

With Little Xiaotao's company, Ye Xiaotao closed her eyes in satisfaction. She threw away all her worries and fell asleep.

...

The next morning.

At seven o'clock, the alarm clock rang. Ye Xiaotao opened her sleepy eyes and stretched her slender arms as usual. "Honey..."

The smile on her face froze because there was no one beside her.

Right, she had forgotten that he didn't come back last night.

It seemed that he didn't come back at all.

Ye Xiaotao picked up the phone on the nightstand. He didn't send her any text.

Forget it. Ye Xiaotao got up from the bed and walked to the bathroom to wash up.

Just as she was brushing her teeth, she heard footsteps outside the door. "Young master, should I arrange breakfast now?"

"No need." He opened the bedroom door. Along with the fresh and cold air outside, a tall and straight figure entered. Leng Hao was back.

"Honey, you're back." Ye Xiaotao immediately ran out of the bathroom happily and threw herself into Leng Hao's arms.

Leng Hao was unbuttoning his coat. When she rushed over, he quickly spread his arms to hug her. "Be careful!"

"I know. Honey is here, I won't fall." Ye Xiaotao hugged his waist with her small hands and rubbed her face against the shirt with infatuation.

She acted like a puppy, which made Leng Hao smile tenderly. He slapped her buttocks with his large palm and said, "You're so passionate. Do you want it?"

"Yes, I want. I miss my husband very much." Ye Xiaotao nodded vigorously.

Leng Hao was aroused when he heard her say "I want." However, her next sentence made him want to laugh out loud. It seemed that the two of them were not on the same page.

He took off his coat and handed it to her. "I got some news about Zhiyuan yesterday, so I worked overtime. I didn't call you because my phone was out of battery. I'm going to take a shower first."

He walked to the bathroom.

Ye Xiaotao hugged his coat, which was still emitting warmth. "No need to explain. I understand. Honey, go take a shower. Take a shower and then have a good sleep."

Leng Hao turned around and looked at her obedient appearance. She looked like a newborn kitten, harmless. But she also made people feel aroused. Well, he couldn't do anything to her now, so he walked into the bathroom. Actually, he wanted to take a shower with her.

But when he saw her round belly, he decided that it was better to wait.

Chapter 1079: You're Pregnant?

Leng Hao entered the bathroom, and Ye Xiaotao hung the black coat in the closet. She sniffed the coat. Oh, it was the healthy and pleasant smell of a man.

Ye Xiaotao's little face was red. What should she do? She seemed to be infatuated by his smell.

She puffed up her cheeks to dissipate the heat. Then, she suddenly saw a long, wavy hair on the coat.

The smile on her face froze. She slowly reached for the long hair and removed it from the coat. It was... a woman's hair.

Didn't he work overtime last night?

Did he work overtime with a woman?

Was this... Bai Lingyun's long hair? Ye Xiaotao remembered that Bai Lingyun's hair was wavy, beautiful, and charming.

Then, the bathroom door opened. Leng Hao walked out in a black bathrobe. He saw the girl standing by the closet, in a daze, so he asked, "What are you doing?"

Ye Xiaotao came back to her senses. The long hair fell from her fair fingertips. She quickly turned around and smiled at the man. "No, I was just wondering if I should iron your coat."

Leng Hao dried his hair with a towel. "Do you know how to iron a coat?"

Oh, right. Ye Xiaotao didn't know how to iron a coat.

"Honey..."

"Yes?" Leng Hao sat on the bed. He saw her hesitation, so he said, "What's wrong? Come here!"

He reached out his hand to her.

Ye Xiaotao walked over and held his hand with hers. "Well, I don't know how to wash, cook, or clean. I seem to have a lot of shortcomings. Will you... dislike me in the future?"

Leng Hao pulled her onto his lap and leaned down to kiss her little face. "It's hard to say, so you have to be good"

"But... how? I'm pregnant now, so I can't satisfy you in that aspect. I heard that men have to do it several times a week. We've only done it twice in five months. Will you... find another woman behind my back?" Ye Xiaotao blinked her big bright eyes and looked at him timidly.

Speaking of the topic, Leng Hao felt a tingling in his waist and abdomen. A part of his body was suddenly awakened. D*mn it, he couldn't hold back whenever she spoke of s*x.

It was all because the taste of the Christmas night was too wonderful. He couldn't bear to use force on her. What they did was light but erotic. He would often reminisce about it in his mind.

"Indeed. I do need it. So to prevent me from finding a woman outside, you have to try your best to satisfy me. For example..." Leng Hao kissed her finger meaningfully.

The places he kissed sent a tingling feeling throughout her body. Ye Xiaotao quickly pulled her hand back. She bit her lower lip with her scallop-like teeth and then said boldly, "You mean, if I don't satisfy you, you'll look for another woman? Okay, tell me honestly. You didn't come back last night. Did you date another woman?"

Looking at her spoiled appearance, Leng Hao swallowed. He pressed his lips against her red lips and said in a hoarse voice, "Last night, it was just me and Ah Chen. There was no one else."

Ye Xiaotao's body stiffened. She quickly pushed her hands against his chest. She got up from his legs and took a few steps back.

Leng Hao was surprised. He looked at her pale little face and frowned. "What's wrong? I only kissed you. Why the big reaction?"

He was a little displeased.

"I... I'm going to be late. Honey, I'm heading to school. You should rest well." Ye Xiaotao turned around and ran out quickly.

Leng Hao looked in the direction where she disappeared. What was wrong?

He did work overtime with Ah Chen last night. What woman? A female secretary did deliver him a cup of coffee, but he didn't even look at her.

He looked down at the big tent that was up. Leng Hao shook his head and closed his eyes to sleep.

...

Ye Xiaotao walked into the school with the sketchbook in her arms. The cold winter wind cut her face like a knife, but her heart hurt even more.

He lied to her.

There was a woman's long hair on his clothes, but he said he wasn't with a woman.

She knew that she was being paranoid. If she acted out her nature, she would have exposed him and questioned him loudly in the room. But she did not dare.

That was Bai Lingyun's hair...

The woman he had spent ten years protecting. In the mansion in Hong Kong, he still kept a room for her. It was filled with bits and pieces of their love.

Ye Xiaotao was just... an intruder.

Bai Lingyun was right. What right did Ye Xiaotao have?

"Ye Xiaotao, are you scared now?"

She asked herself.

Ye Xiaotao was thinking very hard. She looked at her toes while she walked. Then, someone suddenly screamed at her from behind. "Xiaotao, watch out"

Ye Xiaotao came back to her senses, but it was too late. A tricycle loaded with goods was crashing into her.

"Ah!" Ye Xiaotao quickly protected her stomach with her hands. The back of her hand scratched against the side of the car, and she fell to the ground.

Ye Xiaotao's forehead immediately broke out in a layer of cold sweat.

It hurt so much...

Her friends all ran over. "Xiaotao, are you okay? Are you hurt anywhere?"

"Xiaotao, can you get up? Let me help you up..."

Someone held Ye Xiaotao's arm and tried to pull her up, but Ye Xiaotao couldn't get up. Her butt seemed to have split in half and her stomach was hard.

Inside, Little Xiaotao kicked her twice.

"Xiaotao, this won't do. I'll call the doctor to take a look at you."

“No!” Ye Xiaotao quickly stopped her. “I can get up. Don’t call the doctor at school. I’ll go to the hospital myself later...”

If the doctors in the infirmary checked her, then her pregnancy would be exposed.

Once it was exposed, she might not be able to go to school.

“But Xiaotao, can you do this?” Many students surrounded her, and everyone looked at her with concern.

“I can do it...” Ye Xiaotao wanted to get up.

But at this time, the crowd moved away for a group of doctors in white coats. “Miss Ye, don’t move. We’ll quickly check your condition.”

Ye Xiaotao was surprised. How did the doctors from the infirmary get here so quickly?

She looked for the tricycle that had hit her and saw an old man who rushed away with the tricycle.

“Hey, stop!” Ye Xiaotao wanted to catch the old man.

“Miss Ye, don’t move. Let me check your conditions first!” The doctor grabbed Ye Xiaotao’s wrist.

“Doctor, how is Xiaotao?”

“What?” The doctor checked her pulse and his expression changed drastically. He looked at Ye Xiaotao and said in disbelief, “You... are pregnant?”

Chapter 1080: The Hidden Mastermind

You’re pregnant?

What the doctor said to put the crowd silent. Everyone gasped as they looked at Ye Xiaotao. Even Ye Xiaotao’s friends took a few steps back in shock. “Xiaotao, you... you... you...”

Ye Xiaotao’s face turned pale. She knew that her secret was out.

No secrets can’t stay hidden for too long. She knew that one day everyone would find out about her marriage and pregnancy. She just did not expect the day to come so quickly and suddenly.

She was completely caught off guard.

...

In the principal’s office.

“Miss Ye, what are you...” the principal kept wiping the sweat off with his sleeves and shook his head repeatedly.

“Principal, I want to continue my studies,” Ye Xiaotao said firmly.

The principal looked out of the window. His office was now surrounded by students. Ye Xiaotao was famous on campus, so people watched her every move. And now, news of her pregnancy swept across

the entire campus like a tornado. The students were waiting to see how the principal handles the situation.

The principal didn't dare to offend the daughter of the Ye family, but...

"Miss Ye, why are you so careless about your pregnancy? Now that the news has spread, it's out of my control. I run a civilized school. If a female student is pregnant, she has to take a leave of absence..."

"No!" Ye Xiaotao shook her head. "Principal, I don't want to take a leave of absence. Please think of a way around it."

"Miss Ye, if the matter hadn't gotten out of hand, I would definitely help you. But now that everyone knows about it, what can I do to stop people from talking about it? Your father donated a few buildings to our school. If I can help, I will spare no effort. But now that you are standing at the eye of the storm, even if I let you continue your studies, you will have to bear the gossip and judgment from others. For the sake of the both of us, you should temporarily quit school."

The principal had already made a decision. Even if Ye Xiaotao begged on her knees, it would be useless. Ye Xiaotao smirked; she knew things would come to this.

The school could not openly accept a pregnant woman.

"Okay, I got it, Principal. Goodbye." Ye Xiaotao walked out.

Outside the principal office, Ye Xiaotao saw countless students who surrounded her. Everyone looked at her with curiosity, sympathy, and mockery.

"It seems that the principal suspended her from school. How do you think she got pregnant?"

"It's only normal. She's so beautiful, and all men like her. We live in a modern world, premarital sex is normal."

"But I thought she had high standards and is chaste..."

"That's where she got you. The more pure and innocent a woman is on the surface, the more passionate and indulgent she is in her bones. You don't know how wild she may be in the dark."

"Tell me, who do you think the father of the child is?"

"I don't know..."

"I think that man is definitely some shady guy. Otherwise, why did she have to hide the fact that she's pregnant?"

Ye Xiaotao could clearly hear everyone's gossips. She didn't say anything and just kept walking.

At this moment, her friends ran over. "Alright, everyone, there's nothing to see here. Go home. All you do is gossip behind people's backs. Why don't you shout it out like a man."

"That's right! Xiaotao, don't mind them. They're just jealous of you."

Ye Xiaotao gave her friends a faint smile when she saw how concerned they were. Then, she shook her head. "Forget it, let them say what they want. We can't control others, nor should we be influenced by others."

"Mmm!" Ye Xiaotao's friends nodded vigorously. "But, your child..."

Ye Xiaotao knew that her friends were also curious about the identity of the father of her child.

"Xiaotao..." A handsome figure appeared. Mo Zhengyu was a few feet away and looked at her gently.

The crowd immediately gasped. "Oh my goodness, it's senior Mo!"

"Senior Mo?" Ye Xiaotao's friends were also shocked. Mo Zhengyu's appearance at this moment was like admitting that he's the father of the child.

Ye Xiaotao did not expect Mo Zhengyu to appear. She was a little stunned.

"Xiaotao, what are you daydreaming about?" Mo Zhengyu walked over. He reached out to stroke her hair and held her little hand. "Let's go home."

...

Mo Zhengyu held Ye Xiaotao's hand as they walked out of the school gate. Then, she slowly withdrew her little hand. "Senior Mo, you shouldn't have come. Now everyone is going to misunderstand."

"So be it. We don't have to explain anything to others." Mo Zhengyu smiled warmly.

"Senior Mo, thank you."

"You're welcome." Mo Zhengyu looked at her lower abdomen as he spoke. "If I asked you who the father of your child is, you wouldn't tell me, right?"

Ye Xiaotao knew that Mo Zhengyu still had some feelings for her. Although she was very grateful to him, she really didn't want him to waste his time on her. "My husband's."

"What?" Mo Zhengyu froze. "You... are married?"

"Yes."

Mo Zhengyu was shocked and disappointed. He didn't know what to say.

Ye Xiaotao didn't have the energy to care about what Mo was thinking. She quickly ran through everything that happened today in her mind. She was sure that this was a setup.

The old man on the tricycle deliberately hit her, and then the doctor in the infirmary came. Then her pregnancy was exposed. There was a mastermind behind all this.

This mastermind made her quit school.

D*mn it!

Ye Xiaotao didn't need to guess to know who it was. It must be Bai Lingyun!

Then, Ye Xiaotao's phone rang.

It was another unknown number.

"Hello." Ye Xiaotao picked up the phone.

"Hello, Miss Ye, how are you doing now?" Bai Lingyun said in a provocative voice.

"I knew it! Bai Lingyun, what do you want?" Ye Xiaotao clenched her small hands into fists. This woman was too despicable.

"Miss Ye, what are you talking about? I don't understand."

"Stop pretending!"

"You too! You know exactly what I want. You are a third party and a thief. I want you to spit out everything you stole from me!" Bai Lingyun's voice became cold.

Ye Xiaotao felt that this woman was simply unreasonable. "Where are you now? Let's talk."

"Okay, Miss Ye. I'll wait for you at XX Cafe." Bai Lingyun hung up the phone after she said that.

Ye Xiaotao put away her phone and immediately hailed a taxi. She was going to Bai Lingyun.

"Xiaotao," Mo Zhengyu came forward. "Why are you in a hurry? Taxi's don't usually pass by here. I have a car. I'll give you a ride."

Ye Xiaotao thought for a moment. "Thank you, senior Mo. Sorry for troubling you."
