

## Chapter 1101: Congratulations, Young Mistress of a Wealthy Family

Shen Fanxing lowered her eyes and looked at the woman beneath her feet.

"I wanted to bicker with you. It's not that you're not someone to be trifled with. It's just that I'm being petty with someone like you who appeared out of nowhere. I'm treating you as if you're nothing and making me seem too lowly."

As she spoke, she paused slightly and narrowed her eyes. She looked cold and dangerous.

"But you have to understand that my tolerance is not your capital to be arrogant. Where did your arrogance come from?"

Shen Fanxing looked up at Bai Haolin and Bai Kaijie and smirked coldly.

"All of you?"

Bai Kaijie's expression was obviously unnatural.

Bai Haolin's face, which had lived for most of his life, was ashen.

"Madam Bo... this woman has nothing to do with us?"

"CEO Bai." Shen Fanxing smiled and said calmly, "Miss Gan has already claimed to be Young Mistress Bai. How can you call her unrelated?"

Bai Haolin's lips twitched. "How can our Bai family allow such a woman to enter our family? That's impossible."

"Why not? She's with Young Master Bai every day. What should have happened has already happened. It's fine if she hid it in the past, but now, she's announcing it to the world. CEO Bai, you're all from the Bo Consortium. You should consider the influence of the corporation."

Bai Haolin's eyelids twitched as he looked up and deliberated. "You mean... you want Kaijie to marry this woman?"

Shen Fanxing smiled and remained silent.

Updates by

On the other hand, Bo Jinchuan, who had been sitting on the sofa, said calmly, "It will affect the company's reputation. Even if the stock price drops by one percentage point, if you can afford it, there's no harm in letting this matter rest."

The flesh on Bai Haolin's face trembled and he swayed.

The shares of the Bo Consortium...

That was an astronomical figure. Even if it was one-thousandth, he couldn't afford it!

"CEO... this..."

Bai Haolin looked troubled. This woman was the jinx of the Bai family!

If Kaijie married her again, how would the Bai family live?

But if they didn't marry her, even if the company's share price didn't fluctuate much, the slight decline wasn't something they could afford.

Bai Haolin looked down at Sweetie, who was slumped on the ground. His eyes turned sharp and he wished he could poke holes in her.

Initially, Sweetie was puzzled by Shen Fanxing's suggestion. But when she saw Bai Haolin's murderous gaze, she shuddered.

In the end, Bai Haolin glared at her before closing his eyes and gritting his teeth.

"Okay!"

"Dad!" Bai Kaijie was the first to disagree.

"Shut up!"

Ignoring Bo Jinchuan, Bai Haolin bellowed angrily.

"But I don't want to marry this damn woman!"

"You deserve it! If you didn't find her, would everything have happened?"

Bai Kaijie pursed his lips and lowered his head to glare at Sweetie. He also gritted his teeth as though he wanted to kill her.

Sweetie shuddered violently as if she had suddenly understood something. She suddenly said loudly, "No... No... I don't want to marry..."

Shen Fanxing raised an eyebrow and smiled at her. "Aren't you afraid that I'll snatch Bai Kaijie away and want to marry into a wealthy family? As you wish. Not only will I not snatch him from you, I'll be your matchmaker for free! Congratulations, Miss Gan. You've finally married Bai Kaijie and become... the young mistress of a wealthy family..."

Shen Fanxing paused deliberately. The words 'Young Mistress of a wealthy family' were meaningful.

Sweetie shook her head vigorously, trying her best to reject this matter.

Ruthless!

He was really too ruthless!

Now that Bai Kaijie and Bai Haolin hated her to death, if she forced them to let her in...

Not only could she not accept the honor and wealth that a rich young lady should have, but she might also be treated inhumanely.

She didn't want to!

What rich young madam?!

She didn't want to marry into a family that was subservient to others and acted according to their wishes!

"No! I'm not marrying!"

Bai Kaijie was young and impetuous. He had always been the one choosing women. How could he tolerate a woman rejecting him?

He kicked her chest angrily.

"Shut up! I haven't said anything yet. Who are you to speak? Do you think I want to marry you?"

"Then don't marry me! I know you're just playing with me!"

"If you say another word, I'll tear your mouth apart!"

Bai Kaijie lowered his voice and gritted his teeth, his eyes filled with a terrifying warning.

Sweetie was on the verge of tears. She looked up at Shen Fanxing, her expression unreadable.

"Isn't it demeaning to argue with me? Then why are you taking revenge on me?!"

"You're the one who's pushing your luck. You've stepped on my bottom line. If I don't deal with you now, it won't be a matter of whether I'll fall or not. It'll be a matter of whether I'm a coward or not. How cowardly am I? You went all the way to my door, but I'm still indifferent?"

"... You're too ruthless!"

"That's because you're capable. I originally let you go again and again."

"..."

There was an arm around her waist and a familiar scent entered her nose. Shen Fanxing smiled and said sweetly, "Congratulations, you're about to marry into a wealthy family."

"Let's go."

Bo Jinchuan's low voice sounded above her head. Shen Fanxing retracted her gaze and was led out of the room.

When the two of them stood together, they were unexpectedly compatible. Even their backs matched.

She couldn't imagine a woman by Bo Jinchuan's side.

That was why they were in a daze and disbelief when a woman who was not inferior to him appeared.

Without the main lead, the few of them naturally wanted to disperse.

As she followed Bo Jinchuan and Shen Fanxing out of the door, sharp screams and women's cries sounded from Room 1613.

"Aunt, Aunt, I was wrong! Ah! No!"

"Stop calling me Aunt. I don't have a niece as cheap as you! You seduced your uncle. What kind of beast are you?!"

“Ah! Stop hitting me, my clothes...”

Hearing her voice, Shen Fanxing’s eyebrows twitched slightly. At least Mrs Xia had some brains left. Through the surveillance cameras, she could tell that her niece was still hiding in Xia Tian’s room.

However, the two of them did not stop and left this annoying floor.

The group of people followed behind, leaving Yu Song to deal with the aftermath.

The Xia couple had to pay a price. The Bai family’s wealth and glory had come to an end.

### **Chapter 1102: Hurry Up and Praise Me**

The Xia couple had to pay a price. The Bai family’s wealth and glory had come to an end.

In the end, Miss Gan, who wanted to marry into a wealthy family, had the worst ending.

Not only did she not marry into a future wealthy family, but her life after marriage was even more miserable.

Calling his wife ruthless?

Did she need to say that?

Was she a pushover?

Or a vegetarian?

Besides, Madam and Master couldn’t tolerate a single grain of sand!

Especially when it came to Madam.

Thinking of how cold and aloof his master had been all these years, and how his master cared so much about his wife that he was almost childish...

Oh my, this was too subversive!

Yu Song was still the original Yu Song.

Ergou was no longer the original Ergou!

He sighed helplessly. The moment he turned around, he saw Cheng Fu’s puzzled expression. Her eyes were too clear and she looked at Yu Song with confusion and seriousness.

Updates by

The two of them were very close, and Yu Song heaved a sigh of relief.

She was afraid that her breathing would blow the little woman away.

“Why did you sigh just now?”

“...” This has nothing to do with you, right?

Seeing that he was silent, Cheng Fu couldn't help but frown. "Don't tell me you think CEO Shen isn't worthy of your CEO?"

Yu Song's legs went limp. "Miss, please be careful with your words!"

When did he say that Madam wasn't worthy of Master?

If such words reached the ears of Master or Madam, would he still have a way out?

"What do you mean by asking me to be careful with my words? Are you tacitly agreeing?"

The corners of Yu Song's lips twitched. "Master and Madam are the most compatible people in the world."

Cheng Fu's tightly furrowed brows relaxed. "That's good. Actually, CEO Shen has passed."

"..."

So, his wife had taken in another fangirl in two days?

He had to admit that his wife's flirting skills were enviable.

Even if he had to preach to him...

Even Master was married, but he was still single!

—

"I have to return to the company now."

In front of the staircase, Shen Fanxing suddenly said,

"The company is probably in a mess now. I have to go back and take a look."

Bo Jinchuan pondered for a while before saying, "I'll send you there."

"Aren't you going to help deal with the aftermath? You have to teach the Bai family's father and son a lesson. You must not let the Xia couple off. And Sweetie, you have to support her until the end!"

"I do..."

"I'll look for you after work."

"Okay."

Bo Jinchuan wanted to say that Yu Song could handle everything, but Shen Fanxing's words made him change his mind.

It felt good for the two of them to change places occasionally.

Shen Fanxing blushed as she glanced at him.

The shyness on her face shocked Cheng Fu.

It turned out that the domineering CEO Shen in her heart was actually shy.

It was simply amazing.

—

Sweetie posted a video online.

The video of Xia Tian insisting that Shen Fanxing was a mistress and had been caught by Mrs. Xia was uploaded online. The video tagged a few entertainment and self-media celebrities, and it didn't take long for it to become trending.

The netizens were shocked!

His jaw dropped.

Other people's wives would point at their noses and scold their mistresses. There might be a misunderstanding, but the possibility of a misunderstanding was low.

Therefore, other than a small number of people who expressed their disbelief, the rest of the people started to mock and ridicule her. Naturally, there were also rational fans who expressed that they were waiting for her to explain and remind everyone not to jump to conclusions.

When Shen Fanxing returned to Stars International, the company was in chaos as expected.

When the secretary saw Shen Fanxing, she greeted her solemnly.

"CEO Shen, someone is waiting in the reception room."

Shen Fanxing strode into the office. After listening to the secretary's report, she asked,

"Who?"

"CEO Yuan from Lehua Entertainment and her artiste, Xia Yao."

Hearing this, Shen Fanxing smiled and sat down at her desk. She called the public relations department.

"I'm fine. Don't panic."

With that, he hung up.

Because of Shen Fanxing's words, the entire public relations department fell silent.

Upon hearing this, the secretary heaved a sigh of relief.

"CEO Shen... what's going on?"

"Someone is bored. It's just a prank."

"... Oh."

The secretary nodded, half-believing Shen Fanxing's ambiguous answer.

She really couldn't imagine who would be so bored to pull such a prank.

Shen Fanxing unbuttoned her jacket and sat down. The secretary hesitated for a moment.

“... CEO Shen, the guest room.”

“Let them wait. I need to receive a document first.”

“Okay.”

The secretary thought for a while and felt that there was nothing to say, so she stood at the side without saying anything.

Shen Fanxing turned on her computer and opened her email, waiting for the document to arrive.

Then, she took out her phone and turned it on.

There were too many calls along the way. To prevent herself from being distracted, she turned off the phone.

As soon as she opened it, a bunch of messages popped up, followed by various missed calls.

Before she could read it, her phone rang again.

It was a call from the Bo residence.

She took a deep breath and answered the call.

“Hello?”

“Hey, it’s me!”

It was Lou Ruoyi’s voice.

“Mom, I...”

Shen Fanxing was about to explain when Lou Ruoyi asked, “Xingxing, are you alright? What’s going on online? Who are those two fat pigs?”

Shen Fanxing paused before she wiped her forehead and smiled.

“I’m fine, Mom. That man cheated on me and wanted to protect the real mistress. That’s why he used me as a shield.”

“That’s too much! Just you wait, I’ll call Jinchuan and let him avenge you!”

“No need! I was with Ah Chuan back then, so he’s already helping me vent my anger!”

“Ah! Lou Ruoyi exclaimed softly, her voice full of excitement. “He stood up for you? Tell me, is my son handsome? Did he appear at the most crucial moment?”

Shen Fanxing smiled and said, “Yes, he appeared at the most crucial moment. He’s especially handsome.”

“Yayaya! That’s great! Xingxing, hurry up and praise me. I gave birth to such a great husband for you ~”

“Yes, thank you very much!...”

Shen Fanxing praised Lou Ruoyi obediently. When Lou Ruoyi was satisfied, she changed the topic.

"I won't disturb you anymore. Let's settle this as soon as possible. The servants in Hong Kong will be coming over tomorrow. I might have to make arrangements. I'm busy! Come back early tonight. I'll introduce you to them. You'll be their mistress in the future!"

"Okay, I understand."

Shen Fanxing answered obediently. As she spoke, her computer suddenly rang and she successfully received the email.

Shen Fanxing opened the email and muted it. She skimmed through the video and forwarded it to the public relations department.

After the email was sent, Lou Ruoyi hung up.

After putting away her phone, Shen Fanxing stood up.

"CEO Shen?"

Shen Fanxing glanced at the secretary standing at the side.

"Let's go to the reception room."

### **Chapter 1103: Really?**

"Let's go to the reception room."

The secretary paused and hurried after Shen Fanxing.

In the reception room, Yuan Sichun sat on the sofa and looked at the news online with a smug and sarcastic smile.

This woman was too restless.

It seemed like there was no need for her to do anything. There were plenty of people who disliked her.

The hunter would shoot the bird that sticks out. Many people had their eyes on her.

People were always too smooth-sailing. Others would definitely be jealous and indignant.

Not to mention, she wanted to be with Brother Bo...

Whatever she had to experience in the future, even if she didn't get played to death, she would be annoyed by others!

Without any family background or protection from her family, how far could she go on her own?

With Brother Bo, it was impossible for her to be Xia Tian's mistress.

But that didn't mean everyone knew.

They hadn't even made their relationship public, so why should she?

The two of them would definitely not be together!

Updates by

And the young mistress of the Bo family would definitely be her!

She didn't witness the drama at the hotel, so how could she miss it this time?

She didn't want to miss any of Shen Fanxing's embarrassing moments.

Looking at Xia Yao, who was standing on the ground and pacing back and forth angrily, her lips curled.

Putting away her phone, she looked up at Xia Yao and retracted the mocking smile on her face. Her voice was calm.

"Calm down, this is her company. It's not good if you blow things up!"

It was fine if Yuan Sichun didn't say anything, but Xia Yao got even angrier!

She snorted coldly and said in a sharp voice, "What's wrong with her company? I want to blow it up so that the hundreds of employees in her company can see what kind of person their boss is!"

Yuan Sichun smirked and said, "The news online is overwhelming. Everyone knows what they should know. Most of them have bad reviews of her. Why are you doing this?"

"I don't care how bad her reviews are online. No matter how good her reviews are, it's not my evaluation! Seducing my father? If I make her suffer today, her name won't be Xia Yao!"

Yuan Sichun raised an eyebrow and said, "She used to be very famous. Don't provoke her easily..."

"Impressive? Ha... If she didn't provoke me this time, would I have taken another look at her?"

Xia Yao's face was full of arrogance. She had her current status in the entertainment industry not because of Lehua, nor because of Stars International.

Her father had used money to support her!

She had always been fearless in the industry, so she didn't have to suck up to anyone!

Was Shen Fanxing powerful?

Was she afraid of her?

Why should she be afraid of her?

Yuan Sichun didn't say anything else. Of course, she hoped that Xia Yao would cause as much trouble as possible!

"Pay attention to your image. Don't let it affect you."

Xia Yao snorted coldly. "I'll try my best!"

Before she could finish her sentence, the door to the guest room opened!

The two of them looked up. The room was opened by the secretary. Then, she leaned against the door and made way for Shen Fanxing respectfully.

Shen Fanxing's tall and slender figure appeared at the door.

Luoluo's stride and unwavering gaze gave off a domineering and aloof aura that made people willingly submit to her.

It was rare to see such coldness and dominance from a woman. Even Xia Yao, who looked disdainful and arrogant just now, had her aura suppressed for no reason.

Yuan Sichun frowned. She hated Shen Fanxing's aloofness and was furious at Xia Yao's dominance.

Without saying a word, her anger dissipated. She still wanted to embarrass Shen Fanxing?

Shen Fanxing walked into the guest room and scanned Yuan Sichun and Xia Yao's faces.

Her lips curled. "What a rare guest."

Standing not far away, Shen Fanxing put on a fake smile and remained calm!

Yuan Sichun, who was sitting on the sofa, looked up at Shen Fanxing. She felt that she was being despised just because of their posture!

How could she allow herself to be suppressed by her love rival in any aspect?

Gritting her teeth secretly, she stood up slowly from the sofa and gave an official smile that she thought was impeccable. She came from a wealthy family and had received a different upbringing since she was young. She looked natural and unrestrained.

"CEO Shen, those things online... there should be some misunderstanding, right?"

Shen Fanxing sneered silently and glanced at her. She walked to the sofa opposite her and sat down.

"Shouldn't Boss Yuan know if there's a misunderstanding?"

She raised her eyebrows slowly and looked at Xia Yao, who was sitting quietly opposite her. Her eyes narrowed into a smile, but it didn't reach her eyes.

In order to not succumb to Shen Fanxing's aura, Yuan Sichun stood up. Looking at Shen Fanxing, who was sitting on the sofa, she still felt suppressed.

He was clearly answering her, but he didn't even look at her. The feeling of being ignored made her feel even more ashamed!

She gritted her teeth, but Shen Fanxing's dominance was enough to infuriate her.

"Why should I know? CEO Shen's private life has nothing to do with me, right?"

Shen Fanxing gave a sarcastic smile.

"I hope that CEO Yuan is telling the truth. You don't have much interaction with me. I hope that I can maintain a zero relationship with CEO Yuan in the future!"

Yuan Sichun knew that she was talking about Bo Jinchuan. Was she warning her to stay away from Brother Bo?

Ha...

What right did she have?

"I hope so, but things are unpredictable. Who knows what CEO Shen's private life is like now?"

Shen Fanxing chuckled and finally glanced at Yuan Sichun.

"You're thinking too much."

"Is that so?" Yuan Sichun glanced at Xia Yao. "You might not know, but your identity as the male lead of the scandal today happens to be the biological father of an artiste under my company!"

Yuan Sichun's words enlightened Xia Yao and she stood up from the sofa.

"Shen Fanxing, are you crazy? It's not like you don't have money. Aren't you cheap for getting together with my father?"

"You... You're a public figure after all. Can't you watch your manners?"

The secretary was shocked by Xia Yao's words. She had been in a high position for many years and had interacted with many high-class people.

Coupled with the fact that she was following Shen Fanxing closely, she would naturally imitate her actions.

"Quality? My quality is to swallow my anger knowing that your CEO is with my father?"

"What evidence do you have?"

"Are you blind? The Internet is filled with scenes of the two of them together. My father even admitted it on the spot. How can it be fake?"

No wonder Stars International could soar to the sky with a change in operations. It turned out that it was obtained by selling meat! I thought you were amazing, but it turned out that you were nothing much!"

"Xia Yao, watch your words!"

Yuan Sichun pretended to be angry and scolded Xia Yao angrily!

Not only did Xia Yao not listen, she shouted,

"What should I pay attention to? Previously, I heard that she seduced the judges even when she participated in a piano competition. There were even ambiguous photos of her with various investors! To think that someone believed her in the past? She's simply a promiscuous woman!"

She could tell that Xia Yao was like her mother, vulgar and brainless.

Despite being used by Yuan Sichun, she was still provoked.

Not in the mood to argue with them, Shen Fanxing stood up slowly.

“I have nothing to do with your father. Let me give you a piece of advice. Your father spent too much money to build up your reputation in the entertainment industry!

I advise you to protect your position so that you won't starve to death in the future.

If you're used by someone, let's see if that person will give you a meal when you're about to starve to death!”

When Xia Yao heard Shen Fanxing's words, she was stunned for a moment before bursting into laughter.

“I'm just playing around in the entertainment industry. Do you think I really take this job seriously?

Although you're right, this job is enough for me to support myself!

I'll starve to death? Hahaha... Even if I'm not in the entertainment industry, my father will still provide for me!

Shen Fanxing raised an eyebrow and remained silent. Her phone rang and she smiled.

“Is that so?”

#### **Chapter 1104: Is It Fun?**

Is that so?”

Seeing the smile on Shen Fanxing's face, Yuan Sichun's heart tightened.

What did this woman want?

She seemed to have heard her phone ring.

Instinctively, she took out her phone. It wasn't until she switched it on that her gaze shifted from Shen Fanxing's smiling face to the screen.

She opened the trending searches immediately. Five minutes ago, Shen Fanxing had become the mistress of Xia Corporation's CEO, Xia Tian.

She was now ranked second!

The first one was shocked! Xia Huan's real lover was his wife's niece!

The dark red word “explode” was enough to show how popular this news was.

Of course, just the title was enough to attract attention!

Previously, it was Xia Tian who admitted to Shen Fanxing!

Why was it now... again...

Pursing her lips, she knew that Shen Fanxing couldn't be Xia Tian's lover, but...

How shameless was this man?!

Updates by

Of all people, why would he play with his wife's niece?!

How sick was he?!

She couldn't help but click on the trending topic. All the major bloggers posted the same video.

It was a video recorded by Xia Tian.

"I... I'm Xia Tian, the boss of Xia's Hardware... Regarding... Shen Fanxing. CEO Shen has nothing to do with me. Back then, I only wanted to... hide my real lover. Because she's my... wife's niece, that's why I said that CEO Shen is my... lover..."

Xia Tian's face was bruised and he looked pathetic.

After stuttering for a while, she finally explained everything clearly.

The video call wasn't loud, but it could be heard clearly in the quiet reception room!

Xia Yao snatched the phone from Yuan Sichun.

The video hadn't ended yet. What was playing now was the scene of Madam Xia dragging Liu Tian, who was wearing a transparent purple nightgown, out of the room and beating her up. Her curses were very unpleasant.

However, she could still understand that the real mistress was Liu Tian, who was being beaten up by Madam Xia.

Her cousin!

Her cousin!

He was two years younger than her, but her father?!

Xia Yao's face turned pale!

Her beautiful eyes were wide open!

Her mind was buzzing and she couldn't think of anything. She stood up abruptly and ran towards the door.

"That damned bitch!"

Shen Fanxing allowed her to dash out, ignoring the loud slamming of the door.

Instead, she smiled and stood up slowly.

Her slender figure slowly grew taller, exuding a sense of arrogance and dominance.

Yuan Sichun's face turned pale as she glared at Shen Fanxing angrily.

"Is it fun?"

Shen Fanxing smiled coldly and caressed the watch on her left hand.

Yuan Sichun's face turned cold. "I don't know what you're talking about."

Shen Fanxing raised an eyebrow and asked, "Really?"

She slowly turned to face Yuan Sichun and said,

"I was indeed in a sorry state at the hotel... I was inexplicably treated as a mistress and was even 'caught in the act' by my wife. The scolding was much more vicious than the video of her scolding her niece. More importantly..."

Shen Fanxing paused and glanced at the phone in Yuan Sichun's hand. She sneered silently, "I watched as someone posted my pathetic side online..."

Yuan Sichun's exquisite face trembled and her heart was in turmoil!

This woman was doing it on purpose again!

She could no longer remain as calm as before. She raised her head and glared at Shen Fanxing!

"You..."

"The most important thing is..."

Shen Fanxing interrupted her slowly with a beautiful smile.

"The key is... my fiancé is in the hotel and I've been mistaken as Xia Huan's lover. I've been with him for the past five minutes... How do you think I should do what lovers should do with Xia Huan?"

"Besides, you know that my fiancé is hundreds of billions of times better than a man like Xia Tian... How can I give up on him and choose a man like Xia Tian?"

"You..."

Yuan Sichun wanted to strangle Shen Fanxing to death!

She already had a guess in her heart, but it wasn't complete yet!

She felt uneasy!

She knew that Shen Fanxing wouldn't use the fact that Brother Bo was her fiancé to agitate her.

"What are you trying to say?! So what if the two of you are together? In the end, you'll still be scolded!"

Bo Jinchuan was Yuan Sichun's bottom line. Even though he knew that she was doing it on purpose, he couldn't help but feel angry. Unable to remain calm, he raised his voice.

The secretary grinned. She had heard that the newly appointed CEO of Lehua Entertainment was the daughter of a wealthy family in Hong Kong.

However, this attitude...

It was better for her to watch her CEO!

And...

She really wanted to know who the CEO's fiancé was!

Shen Fanxing smiled calmly, as though she was enjoying it.

"I was scolded and felt wronged. So when he appeared to support me, I suddenly felt that my man was the best man in the world."

Yuan Sichun gritted her teeth and trembled in anger!

"So... the joke of wanting to see me at the scene shouldn't exist. Not only can't you see it, but you can also see the scene of me being protected by my fiancé. You might be even more heartbroken."

Seeing how Yuan Sichun couldn't take it anymore, Shen Fanxing paused before laughing softly.

"But I can't be seen being maintained at the scene. It won't be too late to experience it now."

Yuan Sichun's eyelids twitched furiously!

She felt even more uncertain. She had no idea how this woman wanted to hurt her through something that seemed to have nothing to do with her!

"I heard that Lehua Entertainment is quite interested in Gu Zeyan's new drama? Not only did Xia Yao bring capital into the production team, but she also brought an artist from your company?"

Yuan Sichun's heart sank as she stared at her coldly.

Shen Fanxing sneered coldly.

"CEO Yuan, I have to say that I'm actually very envious of you for being able to have an artiste like Xia Yao who doesn't make anyone worry. No matter what, Xia Yao deserves to be called a 'vase'. It's worth it!"

With her, how much money would you save?

But you actually want to use her to wreak havoc in my territory?

Do you think I'm a pushover? Or do you think I'm heartless? How can I let her go so easily?

Including... you!

Yuan Sichun's hands and feet were cold. When she heard Shen Fanxing's words, she sneered.

"But she's already gone!"

The smile on Shen Fanxing's face turned evil.

### **Chapter 1105: You Did It on Purpose!**

The smile on Shen Fanxing's face turned evil.

"Secretary Wang, turn on the television for me."

"Huh?... Yes!"

Secretary Wang, who was suddenly called out, reacted and immediately responded. Although he didn't know what CEO Shen wanted to do, he quickly ran to the media and turned on the television.

Shen Fanxing looked down at her watch. The timing was just right.

On the television, the default channel was the entertainment channel. It happened to be broadcasting the latest entertainment news.

In a certain ward in the hospital.

The room was filled with people.

"Miss Pei Yaochi, I heard that you're already a signed artiste of Stars International?"

Pei Yaochi sat on the bed, her thick bangs almost covering her eyes.

There was a weak and sickly look on her face.

However, there was nothing wrong with his features.

Upon hearing the reporter's question, Pei Yaochi's eyes flickered. Then, she raised her head slightly and faced the camera. Her eyes were neither servile nor overbearing, and they were filled with coldness.

"The contract has been signed, so... yes!"

Updates by

There was a slight commotion.

"May I ask when this happened?"

"Who came to talk to you about this?"

"You've always been in the Gu Corporation and have never shown any signs of jumping ship. Why did you suddenly make this decision?"

Pei Yaochi said calmly,

"The morning after my accident, CEO Shen came to talk to me personally. The reason is simple..."

A cold smile suddenly appeared on Pei Yaochi's face. "It's because she was the first person to visit me when she found out about my accident."

The simpler the reason, the more she wanted to see what Gu Zeyan had missed!

Her answer stunned the media present.

This answer sounded quite sad!

In the morning, Gu Zeyan and the 'treasure vase' of the entertainment industry had just announced their marriage at the entrance of the hospital.

Although she didn't pay much attention to them previously, she knew that Pei Yaochi had always been by Young Master Gu's side. The two of them were clearly dating!

But Young Master Gu suddenly got engaged to someone else.

And at the entrance of Pei Yaochi's hospital.

It was too much!

"I heard that Gu Zeyan has a script that he has prepared for many years. Everything is ready except for one thing! That's why he managed to get close to Xia Yao!"

"That's right. She's a 'treasure vase' in the entertainment industry. Let's see how much she can bring into the group this time!"

"Of course. If not, why would the young master of the Gu family need to prepare for years?"

"Yes, otherwise, she wouldn't have taken the risk of being called a scumbag to get engaged to Xia Yao!"

"But didn't Xia Yao's father get caught cheating on her today? He even slept with his wife's niece!"

"She's younger than her daughter. How can she do that? She has no bottom line!"

"But she really doesn't know what's good for her. How can she have a good ending after offending President Shen of Stars International?"

"That's right. Do you think anyone can be labeled as a 'face-smacking demoness'? Previously, one of the couple insisted that CEO Shen was a mistress, while the other pointed at her nose and scolded her.

"Hehe, I heard today that before Xia Huan clarified, the CEO of Lehua Entertainment and Xia Yao went to Stars International? They're probably going to cause trouble!"

"Of course! Until CEO Shen had an affair with her father, how could Xia Yao tolerate it? I don't know why CEO Yuan followed her!"

"Who knows?"

As it was a live interview, everyone's words were recorded. Yuan Sichun was so angry that her head was spinning.

However, she didn't understand why Pei Yaochi had jumped ship from the Gu Corporation to Stars International!

"That's it? What does that have to do with me?"

Shen Fanxing pursed her lips and said, "Comparison? I was envious of you for having a 'treasure vase' that you don't have to worry about. Now that I have Pei Yaochi, your 'treasure vase' should be out of the limelight!"

Yuan Sichun felt as though a needle had pierced her head!

The sharp pain aroused her anger!

"You want to ban her?!"

Yuan Sichun was so angry that her voice sounded nasal. Looking at Shen Fanxing's calm expression, she suppressed her anger and snorted coldly.

“As peers, fair competition is the rule! I’ve never heard of a competitor threatening to ban a person! And... with you?! You want to ban him just like that?”

Shen Fanxing frowned and smiled nonchalantly.

“Why not?”

“You...”

“But you’re right. It’s a rule to compete fairly in the industry! If you want to compete with me, I’m naturally fearless. Moreover, I’m happy to oblige!”

As she spoke, she slowly took two steps towards Yuan Sichun. Her cold and domineering aura pressed against Yuan Sichun.

For a moment, Yuan Sichun felt flustered and at a loss.

“After all... I’ve gained a lot every time. Without competition, how can I improve? Don’t you think so?”

Yuan Sichun glared at her fiercely and tried her best to straighten her back. She was unwilling to be inferior to Shen Fanxing, but she still took a step back uncontrollably.

Seeing this, Shen Fanxing smirked and raised her chin slightly. “But there has to be a winner in a competition. I didn’t want to implicate Xia Yao. If she knew her place, the ‘treasure vase’ in the entertainment industry would still be popular! It’s a pity that you allowed her to come here today!”

Since she’s behaving atrociously in my territory, I have no reason to let her off!”

“Besides, I don’t have to do anything! I’ve suffered enough at the hotel today. Do you think... he won’t do anything?”

Yuan Sichun’s body shook violently and her eyes widened in anger!

The thing that had yet to take shape in his mind finally appeared!

Shen Fanxing looked at Yuan Sichun’s expression in satisfaction and continued,

“I don’t need to kill Xia Yao as long as she has nothing! Who do you think Xia Yao is?”

Her voice turned cold and her gaze turned sharp!

She had not forgotten that Xia Yao had scolded her like her mother!

“Shen Fanxing!”

Yuan Sichun’s anger had reached its peak!

After hearing Shen Fanxing’s words, she finally understood.

It was clear!

Shen Fanxing straightened her back and raised an eyebrow as she smiled at her.

Yuan Sichun was so angry that her body trembled violently and her face turned purple. Her chest heaved violently!

She took two steps back and reached out to glare at her. Her dignity and elegance had completely disappeared!

“Don’t make yourself sound so innocent from the start! You... you did it on purpose! Did you already know that Xia Tian was Xia Yao’s father? Is that why you’re scheming?”

### **Chapter 1106: Such a Scheme**

“Don’t make yourself sound so innocent from the start! You... you did it on purpose! Did you already know that Xia Tian was Xia Yao’s father? Is that why you’re scheming?”

Even though Yuan Sichun was hopping mad, Shen Fanxing remained calm.

“Why don’t we play along?”

Shen Fanxing didn’t deny it.

She didn’t know that Xia Tian was Xia Yao’s father!

When she went down from the 26th floor, she heard Cheng Fu and the others mention her.

However, she didn’t take it seriously back then.

Gu Zeyan had cheated on Xia Yao, and Xia Yao had interfered. Pei Yaochi was ultimately hurt.

Privately, she didn’t like Gu Zeyan!

Secondly, Xia Yao was an artiste under Yuan Sichun!

Furthermore, Pei Yaochi was now her subordinate. There was nothing wrong with her protecting her!

Officially, according to Pei Yaochi, the script in Gu Zeyan’s hands was indeed not bad! In that case, it would be a good way to disperse the traffic. It was better to be safe than sorry!

Moreover, Xia Yao was an artiste of Lehua Entertainment. She was rich and overbearing in the entertainment industry and had intercepted too many new artistes.

She was a businessman. Without means, she wouldn’t have made it this far!

Updates by

As a leader, she had to be responsible for the artistes under her. She had the obligation to support them. She couldn’t let the opportunities provided by them be snatched away for no reason!

No matter what, she couldn’t let Xia Yao off easily.

However, she did not expect it to be such a coincidence!

Before she could think of a way to deal with Xia Yao, her father had already found her!

When the receptionist found out that Xia Tian was Xia Yao’s father, she didn’t even think of doing anything through Xia Tian.

It was only when he suddenly insisted that she was his lover that she remembered to use this matter to do something...

Hence, she allowed Madam Xia to scold her and let Sweetie sow discord. She allowed Sweetie to upload her pathetic appearance online!

When Bo Jinchuan stood up for her, he would also insult Yuan Sichun, a capable artiste. He would let Gu Zeyan see how wrong his choice was. It would also help Pei Yaochi vent her anger.

This was the scariest part about Shen Fanxing.

She had taught everyone she didn't like a lesson.

Xia Tian, Madam Xia, Xia Yao, Gu Zeyan, and her!

And the sweetness that Yuan Sichun didn't know.

Plop...

This woman, this damned woman!

She actually admitted it!

He was playing along!

What a great plan!

What a good plan!

No one would be able to do something as beneficial as this!

"It's just Xia Tian, but you actually... schemed to this extent!"

Shen Fanxing smiled and said, "I'm just making the best use of it! To be honest, I learned it from you. Have I forgotten how you used Qi Mingchu and Aisha to embarrass me in Hong Kong?"

No one would want to be schemed against for nothing, let alone me. I'm not a magnanimous person to begin with. At a time like this, if I don't take the opportunity to seek revenge, I'll feel too sorry for myself."

Yuan Sichun trembled. "I didn't do anything to you this time!"

Shen Fanxing laughed suddenly, as though Yuan Sichun had just told a ridiculous joke.

"I'm not a blowfish. I only erected the thorns on my body to protect myself because I needed you to poke me... Didn't you say that we're competing in the same industry? This shouldn't be as simple as me doing something to you if you didn't do anything to me!

"It's all for our own interests! How many resources did you snatch from my artists back then? Did I say anything?"

"..."

Yuan Sichun was so angry that she almost fainted. That was why she didn't say anything. Was she going to take revenge now?

Furious, Yuan Sichun suddenly sneered.

"You... you're good! Shen Fanxing, just be smug... I don't believe you'll be smug for the rest of your life!"

The smile on Shen Fanxing's face was casual and evil. "Life is always more interesting with ups and downs! When one walks by the river, one will eventually wet their shoes. If you can defeat me one day, congratulations!"

How could she possibly lose when she was so calm?

Yuan Sichun sneered as she stared at Shen Fanxing with deep hatred.

"Then just you wait! Shen Fanxing, I will make you lose everything!"

"So ruthless?" Shen Fanxing raised an eyebrow. "A fair competition makes you hate me so much that you leave me with nothing? It seems like CEO Yuan is not to be trifled with."

"But didn't you have this motive from the start? You and I already know what happened. Why do you have to be so ruthless to me now?"

From the start, Yuan Sichun had no intention of letting her off easily.

Since he had decided to fight, he naturally had to fight her to the end. How could he retreat halfway?

Moreover, Yuan Sichun had so many benefits that were worthy of her arrogance. How could she give up halfway?

Yuan Sichun knew that she could not underestimate this woman!

She was already wary of her!

But every time, she was caught off guard by this woman!

No matter how wary she was, it was useless!

Her methods had broken through the limits of her understanding of her methods time and time again!

The atmosphere in the reception room fell silent!

The sound of the video was especially ear-piercing!

What was being announced was the current situation of the Xia Group's hardware. The business partners had withdrawn their investments, the bank loans had been terminated, and the various investment projects had stopped. The stock prices had plummeted, and the shareholders had all sold their shares. No one had gotten their hands on any!

It had only been less than an hour since the incident. The Xia Group, which had dominated the hardware industry in Ping Cheng City, was forced to go bankrupt.

Looking at the news, Shen Fanxing shifted her gaze back to Yuan Sichun.

“Ah Chuan is indeed fast.”

Yuan Sichun’s face twitched and she sneered, “You’re really vicious!”

Shen Fanxing’s expression was calm as she said, “If you hadn’t instigated or allowed Xia Yao to create trouble at my place today, she might still be the flower vase in the entertainment industry! Your Lehua Entertainment is the most worry-free money tree!”

Now that he had provoked me, I naturally wouldn’t let the matter rest.

“She has been dominating the entertainment industry for so long. She must have offended many people...”

Yuan Sichun gritted her teeth tightly as her muscles tensed. She had nowhere to vent her anger!

He could only glare at her angrily!

“CEO Yuan, are you staying for dinner?”

Shen Fanxing had already reached the door and was looking back at her.

There was a harmless and calm smile on her face.

It was obvious that he wanted her to leave. Yuan Sichun could tell!

She strode towards the door. Although she looked aggressive, it wasn’t hard to tell that she had lost to Shen Fanxing!

### **Chapter 1107: Serves You Right**

Come valiantly and leave dejectedly!

The secretary couldn’t help but laugh when she saw Yuan Sichun’s imposing figure.

It turned out that the daughter of a wealthy family was like this!

Her CEO Shen was really impressive!

Although she didn’t understand the details, there seemed to be many things going on.

Most importantly, the Xia Corporation, which had just slandered CEO Shen’s mistress, was about to go bankrupt. Wasn’t that amazing?!

‘Ah Chuan?’

Who was the Ah Chuan that CEO Shen was referring to?

—

By the time Shen Fanxing returned to her office, the shares of the Xia Corporation were gone!

Following that, the Bo Consortium spent 50 million yuan to purchase the Xia Group’s hardware!

It caught everyone off guard!

How many people wanted to share a share with the Bo Consortium?

If they had known that the Bo Group had taken a fancy to the Xia Group's hardware, they would have bought some stocks as soon as possible.

Updates by

But it was too late for regrets now!

The Bo Consortium's sudden attack did not give everyone a chance.

However, everyone was puzzled. Why would the Bo Consortium take a fancy to a mere Xia Group's hardware?

And at such a fast speed!

Shen Fanxing smiled and closed the message. She leaned against the office chair and turned to the French windows. The smile on her face faded and her expression turned solemn...

After some thought, she got up, put on her clothes and left the office quickly!

...

Xia Yao gave her mother a call and confirmed that they had already left the hotel and returned home!

The moment she entered the luxurious villa, the living room was already in a mess!

There was not a single item left behind!

The living room was already filled with people. Most of them were from the families of Xia Chang and Mrs. Xia.

Liu Tian and Xia Tian knelt there in a disheveled state. Drops of blood were scattered on the ground, and there were constant curses mixed with sobs.

Seeing her return, Mrs. Xia called out to her and her cries suddenly became louder.

"Yaoyao!"

That scream was extremely shrill, causing Xia Yao's eardrums to tremble.

It also raised the anger in her heart.

His gaze locked onto the disheveled Liu Tian. She was still wearing a transparent purple pajamas, which couldn't cover her at all. Instead, he could vaguely see a few important parts, making her look even more coquettish!

She gritted her teeth and rushed over. She grabbed her hair and lifted her head.

Her raised hand suddenly stopped. Then, she screamed and pushed Liu Tian to the side. She took two steps back.

Fear filled her heart!

That face...

She clutched her chest and looked at Liu Tian's figure, still in shock.

His face was covered in blood. Hao Ran had been slashed by something sharp.

His face had been disfigured!

She took two deep breaths and gradually calmed down. Her face was filled with hatred!

He rushed up and kicked Liu Tian hard!

"You deserve it! B\*tch, b\*tch! You seduced your uncle. Why don't you die?!"

The more she thought about it, the angrier she became. Previously, she had treated her like a fool. In order to dress her up and help her plan, she had created a vixen to seduce her father!

"Look at what you're wearing! You shameless b\*tch!"

Xia Yao really wanted to kill Liu Tian!

How could there be such a shameless b\*tch in this world?!

He kicked Liu Tian harder and harder.

"Don't hit me... don't..."

Liu Tian sobbed weakly. She was already dizzy from the beating today. If she continued, she was afraid that she would really be beaten to death!

But how could Xia Yao listen? She punched and kicked even harder!

"I'll let you seduce your own uncle! I'll let you seduce my father! I'll let you be horny!"

"Wuwu..."

Everyone in the room allowed her to do whatever she wanted. No one stepped forward to stop her.

Xia Tian had long been dealt with by his wife's siblings. At this moment, he couldn't even protect himself, let alone Liu Tian.

Xia Tian's phone almost exploded, but the moment he moved, he was beaten up!

When his phone rang for the umpteenth time, Xia Huan wanted to pick it up anxiously, only to be glared at by his uncles.

Xia Yao picked up his phone!

"Yaoyao!"

Her uncles looked at her unhappily!

"You're still thinking of getting this beast to answer the call at a time like this!"

Xia Yao frowned. "The matter has blown up. The company must have been affected! If you don't let him resolve it, my mother and I will suffer in the future!"

The few of them pursed their lips and didn't say anything. Xia Yao picked up the call and turned on the speaker before passing it to Xia Tian!

An anxious voice sounded from the other end of the line.

"CEO Xia! Not good, the company... the company's shares... have been acquired!"

The huge living room was stunned when they heard this.

"Bullsh\*t! What acquisition?! I don't know anything. How did it happen?!"

"The stock market... has plummeted. The shareholders have sold their shares! They didn't even keep the shares that you placed in Chairman Qian and Chairman Zhao's hands! The two of them have called you many times, but you didn't answer. The situation is urgent, so you didn't get a single cent!"

"What did you say..."

Xia Tian was dumbfounded, and so was everyone else in the room.

Even Liu Tian, who had just been beaten up, looked up, her face full of panic.

"Uncle... Uncle... This is fake, right?... It's fake... I'm disfigured... I want money for plastic surgery, I want money for plastic surgery..."

When her aunt cut her face, she was in despair, but she calmed down after that.

Anyway, Uncle was rich. As long as she had money, she could make herself more beautiful than she was now.

But why was it acquired?

Wouldn't the company belong to someone else?

How could he...

Xia Huan was distraught. He also hoped that this was fake.

However, she felt a sense of unease.

Swallowing his saliva, he asked,

"... Who... Who bought it?"

"It's the Bo Consortium!"

These words overlapped with the words in her heart. Xia Tian's face, which was still filled with anticipation, instantly paled!

Her lips trembled. "It's over..."

Madam Xia was also stunned on the spot. Her ugly expression was no different from Xia Tian's. Her legs went soft and she collapsed onto the sofa!

Seeing this, Xia Yao hurriedly asked,

“Mom, what’s going on? Why is our Xia Group eyeing the Bo Consortium?”

Tears streamed down Mrs Xia’s face!

“It’s over, it’s all over! It’s all your father’s fault, it’s all this bastard’s fault! It’s all his fault... Hehe, he deserves it, he deserves it! He played with his niece and framed Stars International’s CEO! He deserves to go bankrupt!”

Xia Yao frowned and asked, “Shen Fanxing? What does that have to do with the acquisition of our Xia Corporation?”

### **Chapter 1108: Cut Off a Piece of Fatty**

Xia Yao frowned and asked, “Shen Fanxing? What does that have to do with the acquisition of our Xia Corporation?”

Mrs Xia burst into tears. “What relationship? That’s Stars International’s CEO Shen, the future lady boss of the Bo Consortium!”

Xia Yao’s face turned pale. She suddenly recalled how she had scolded her when she arrived at Stars International with CEO Yuan.

She even remembered that Shen Fanxing had advised her to protect her position in the entertainment industry so that she wouldn’t starve to death.

What she meant was that with her father around...

She still remembered Shen Fanxing’s faint smile.

Thinking about it now, she felt a chill down her spine.

She couldn’t help but shiver.

The more she thought about it, the more terrifying that woman became.

Being used as a tool?

What did she mean by that?!

She had no idea what the relationship between Yuan Sichun and Shen Fanxing was. Thinking back to what Shen Fanxing had said to CEO Yuan at Stars International, she vaguely felt that there was something between the two of them!

However, the current situation did not allow her to think too much. She heard her mother laughing and crying.

“In order to hide this b\*tch, your bastard father caught her as a mistress at the last minute. Back then, the CEO of the Bo Consortium was in the hotel. Tell me, what does it matter? Haha, he deserves it. It’s retribution! He was caught by me a few times and he still doesn’t know how to repent. This time... the

entire Xia family has been implicated! Good game! Good game! He played with his niece and even sacrificed the entire Xia family! That's great! Divorce! Divorce! I don't want this position anymore! Since he likes this b\*tch, marry her!"

Updates by

Mrs. Xia wiped her tears and stood up.

"Mom..."

Xia Yao panicked.

"Yaoyao, don't stop me anymore. I've lived enough to catch a mistress in my life! Now that I see my husband and my niece... the whole world wants to know that he, Xia Tian, has hooked up with his wife's niece! How can I continue living with him?!"

Mrs Xia looked like she had nothing to live for.

Seeing that his wife was determined this time, Xia Tian was a little afraid.

"Honey... I was wrong. Please, give me one last chance... I promise I won't do it again... Really!"

Upon hearing Xia Tian's words, Liu Tian hurriedly crawled to his side and whimpered,

"Uncle, my face... you have to give me money to fix my face... Uncle..."

"Get lost!"

Xia Tian trembled in anger!

It was all his fault. Otherwise, he wouldn't have ended up like this.

"Honey, honey, I'm begging you. This is your last chance. I promise..."

Mrs. Xia sneered. "I won't trust you anymore. You're a scumbag. You even have the guts to touch my niece. What else can you not do?"

She flung Xia Chang's hand away and ran upstairs. It seemed like she had gone to pack her things.

Xia Tian looked anxious. He couldn't care less if his wife ran away or not!

Now that the company had been acquired and everything had happened so suddenly, and the Bo Consortium had acted so quickly, the company had long become someone else's.

What... what should she do?

How should he explain to Second Master?

Just as he was worried, his phone rang again.

Xia Tian's eyelids twitched when he saw the caller ID.

What she feared had happened.

She quickly answered the call and Xia Tian shifted his body.

She deliberately avoided the few people in the living room and said in a trembling voice, "Second Master..."

"I just want to know if this is a coincidence or premeditated?"

His deep voice sounded emotionless. Knowing that there was no way to salvage the situation, the other party avoided the question.

Xia Tian swallowed hard. "Second Master, this... I really didn't know that CEO Shen from Stars International..."

"Okay, I understand."

His tone was obviously the same as the news.

Shen Fanxing was obviously dragged into this matter by Xia Tian.

If it was premeditated, he couldn't just wait and see.

"Then... Second Master, the company..."

"What company? Everything has entered the lion's mouth. Do you expect him to spit it out? Give up, the Xia family is finished."

With that, he hung up without giving Xia Chang any chance to speak.

The last bit of hope in Xia Huan's heart was completely destroyed.

At this moment, Mrs. Xia came downstairs with her luggage.

The company was gone, and so was his wife.

Xia Tian's face was ashen as he hurriedly got up and chased after her.

—

Shen Fanxing drove to the Pei family's hotel and went straight to Bo Jinchuan's room.

Yu Song opened the door for Shen Fanxing. When she entered, Bo Jinchuan's suit jacket was hanging on the armrest of the sofa. He was wearing a clean white shirt with two buttons unbuttoned. He was sitting on the sofa and watching the huge LCD television.

It showed the stock market. The stocks that the Bo Consortium was eyeing were the Xia Group's Hardware.

Seeing her enter, he glanced at her before shifting his gaze to the sofa beside him.

Shen Fanxing didn't hesitate. She sat beside him and watched as Xia's stock slowly rose.

She heaved a sigh of relief. Although it was expected, she was truly relieved when she saw that the situation was not bad.

"Was the stock sold before the acquisition?"

"Yeah."

Shen Fanxing pursed her lips and paused before saying, "You acted so quickly. Didn't that person look for you?"

Bo Jinchuan frowned slightly and asked, "What reason does he have to look for me? He only acquired a hardware company by chance. He has been conserving his energy for so many years. Can't a hardware company stay calm?"

"That's true."

Shen Fanxing pondered for a while and agreed.

"But in Ping Cheng City, the Xia Corporation is considered a big piece of meat. He should be suspicious of her decisiveness."

Bo Jinchuan turned his head slowly to look at her with a faint smile.

"Although he's suspicious, thanks to you, he can only suffer in silence."

The smile on her face made Shen Fanxing's hair stand on end.

"I really didn't do it on purpose this time. Who knew that Sweetie and Xia Tian would choose to collude to frame me? Back then, I was also shocked when Xia Tian personally identified me as her lover. You don't know how pitiful I looked back then. I was helpless and innocent!"

"..."

Yu Song's lips twitched.

Pitiful, helpless, innocent?

Haha...

It was unimaginable!

Did these three words match Madam?

### **Chapter 1109: Without You, Am I Still Me?**

Did these three words match Madam?

The answer was that it didn't match at all!

Even she wouldn't believe it!

Did he expect others to believe him?

However, this might not include his master!

Upon hearing Shen Fanxing's words, Bo Jinchuan's cold expression softened. He reached out to touch Shen Fanxing's face and planted a kiss on her forehead.

His voice was low and magnetic.

“I’ll help you teach them a lesson.”

“... Yes.”

Yu Song was speechless.

Alright, he was already used to it.

Looking at the two of them cuddling on the sofa, Yu Song felt a little sad.

She was still the same as before, single.

Updates by

Perhaps because she had been single for a long time, she was at a loss when she saw the loving couple.

It was good to be in a relationship.

He had never experienced the feeling of being in a relationship in his life. He also wanted to see how powerful a relationship was to be able to change Dog Two.

After finding an excuse to leave the room, Yu Song began to fantasize about his love life alone.

In the room, Shen Fanxing watched as the relationship between the Xia Corporation and the Bo Consortium heated up. She still felt uneasy.

“Although it was really a coincidence this time, I don’t think Second Uncle will remain indifferent after swallowing the Xia Corporation. After all, this is the largest company he has scattered in Ping Cheng. It’s better to be more vigilant.”

Bo Jinchuan held her shoulders and rubbed them. “You’ve never let your guard down. You don’t have to worry about that.”

Shen Fanxing nodded, her brows furrowed.

Bo Jinchuan looked at her quietly for a while before saying,

“Country Y’s national banquet is in a few days. Are you confident that the song you promised to play at the banquet will be safe?”

Shen Fanxing felt as though she had been stabbed. She turned to look at Bo Jinchuan and blinked. “If you didn’t tell me, I would have forgotten. I don’t even know what song to play.”

“Then let’s have a dream wedding.”

Shen Fanxing was taken aback before she burst into laughter.

“You want me to play this at the state banquet?”

“Why not?”

Bo Jinchuan looked exceptionally calm and serious.

Shen Fanxing pursed her lips and chuckled. “No.”

Bo Jinchuan glanced at her coldly.

Shen Fanxing raised an eyebrow and said, "This is only for you."

Bo Jinchuan finally looked better.

Then, she seemed to have thought of something and turned off the television.

Puzzled, Shen Fanxing asked, "Why did you turn it off? It's still rising."

"Let it rise. Let's enter the room first."

As he spoke, he bent to hug Shen Fanxing. However, Shen Fanxing nimbly turned around and hid in a corner of the sofa.

"Why did you enter the room?"

Bo Jinchuan bent down and pulled her into his embrace.

"Let's see if the bed in this hotel is soft."

Shen Fanxing asked, "So what if I'm soft?"

"Come a few more times."

"..."

This man...

"Can't we talk about life?"

Bo Jinchuan placed her on the luxurious bed and pressed his forehead against hers. His dark eyes met hers.

"Your life is with me. What's there to talk about with me?"

Shen Fanxing felt helpless. As long as he wanted to, she couldn't change the topic.

Bo Jinchuan had already reached out to pick her clothes. Shen Fanxing placed one hand behind her and the other on his shoulder. She didn't reject him but looked up at him.

"In that case, am I yours too?"

The hand on her shoulder slid to his heart. Her fair fingers tapped there and she smiled like a sly little fox.

"Of course it is."

Bo Jinchuan replied without hesitation. Was there a need to ask?

The corners of Shen Fanxing's lips curled up as she pushed him away forcefully. Her pearly white teeth moved.

"Then try it yourself."

As she spoke, she turned around and moved to the side.

She was just struggling when the man behind her pulled her back with his strong arm.

His dark and deep eyes stared at her with a faint smile. His clear and elegant breath landed on her face.

His words struck her heart, causing her to quieten down. Her fur trembled slightly, forming a beautiful arc.

“Since you’re already mine, I’ll try it myself. Doesn’t that include you? Without you, am I still me? Hmm?”

Perhaps it was an unintentional sentence, but it happened naturally amidst their laughter.

Shen Fanxing’s heart skipped a beat.

Without you, would I still be me?

“Aren’t you you without me?”

Her expression was a little dazed and her eyes sparkled like stars.

Bo Jinchuan’s eyes flickered and his lips curled into a smile.

“Yes. Without you, I wouldn’t be me.”

Even he was curious about how he defined his life in the twenty years before he met this woman.

Really, he had never thought that there would be a day when he, Bo Jinchuan, would take a fancy to someone, a woman whom he regarded as his life.

Shen Fanxing blinked and a gentle smile appeared on her face.

“Then you have to take good care of yourself. That way, I can live better.”

Bo Jinchuan kissed the tip of her nose.

“You take care of it.” His lips caressed her fair and tender cheek, sliding across her skin like a feather with a faint warmth. “Take care of your own things yourself.”

He seemed to be acting shamelessly, but his voice was bewitching.

Shen Fanxing knew what he meant. He was as domineering as ever.

She was his.

Then there was no doubt that he was hers too.

It was her own thing, so she had to take care of it personally.

There didn’t seem to be any problem.

“Sure, I’ll take care of her.”

This was what she wanted.

But in reality, she would always be the one being taken care of.

—

Shen Fanxing tried the seven-star bed until midnight. In a daze, Bo Jinchuan forced her to summarize. Soft.

It was really soft.

For the entire night, she felt like she was floating in the clouds, soft and comfortable.

But the next day, no matter how soft the bed was, Shen Fanxing decided to check out for Bo Jinchuan.

She couldn't let him stay in this room anymore.

Yesterday's trending topic happened at the Pei's Hotel. The hotel, which had always been famous for protecting the privacy of its customers, was more or less affected, but the overall situation didn't change much!

Pei Yunze rushed back early the next morning. When he saw the name Hao Ran and Bo Jinchuan on the registration form on the 26th floor and Shen Fanxing being with Bo Jinchuan, he couldn't help but purse his lips.

Was this childish man trying to make things difficult for him?

#### **Chapter 1110: Meeting Chu Juncheng**

Was this childish man trying to make things difficult for him?

In almost every hotel under the Pei Corporation, Bo Jinchuan had a room.

When had he registered his name in a hotel? When had he not gone around the world as Yu Song?

She had openly booked a room with Shen Fanxing in his hotel. Was she trying to reveal something to him?

How childish.

She turned to leave expressionlessly, only to see a group of people walking in.

The man in the lead was calm and imposing. He was tall and well-built. One could tell that he was not an ordinary person just by looking at his handsome features and aura.

Pei Yunze stopped in his tracks and stared at the man with narrowed eyes.

The man seemed to have seen him as well. His deep eyes were calm and composed, but he still nodded politely at Pei Yunze.

Pei Yunze raised his eyebrows imperceptibly and nodded slightly. It was better than nothing.

The man quickly retracted his gaze. The two people behind him looked solemn and expressionless.

The son of Country B's president, Chu Juncheng.

She remembered that when she went to Country B to inspect the Pei Corporation, she had learned about the situation there.

She naturally knew a lot about Chu Juncheng, but not much.

Updates by

He had his own connections and businesses that he relied on himself to support. He was calm and experienced, and he was well-known by the people.

Why didn't he familiarize himself with the future president's business in Country B? Why did he come to Ping Cheng for no reason?

Chu Juncheng walked to the VIP elevator and waited for it. There was an unexpected man standing beside him.

Chu Juncheng had investigated Shen Fanxing before, so he naturally recognized this man.

Shen Fanxing had once treated Su Heng sincerely.

Her eyes lit up and she instantly guessed the possibility of the man appearing here.

He had some understanding of what happened yesterday. He must have rushed back after seeing the news online.

Now that he had appeared here, he had probably turned over a new leaf and was concerned about her.

Chu Juncheng pursed his thin lips and remained expressionless. He was cold and calm like a deep pool of water.

In the VIP elevator, Shen Fanxing and Bo Jinchuan were chatting casually.

"Lan Xianxian, Ou Ximing, and Chu Yi should be back tomorrow. They did well. I'll hold a celebration party at the Pei family's hotel and officially announce the establishment of the Inherent brand studio. I'll also officially introduce my newly recruited warlord!"

Speaking of this, Shen Fanxing's face lit up with an obvious smile.

Satisfaction, excitement, pride...

It was just that she was relaxed and not ostentatious, but she was bright and charming.

Unknowingly, she had become even more charming.

Her success at work was enough to make her life even more perfect.

Bo Jinchuan's mood was easily affected by the smile on her face.

A person who didn't smile often had an angelic smile.

"Pei Yaochi?"

Shen Fanxing nodded and said, "Yes, my 'treasure girl'."

The corners of Bo Jinchuan's lips curled up and his eyebrows twitched. "Treasure girl? What capabilities does she have to deserve such a high evaluation?"

"In all aspects, be it looks or ability, especially..."

She inched closer to Bo Jinchuan and lifted her chin to look at his handsome side profile. Her eyes were twinkling.

"She's Pei Yaochi! With the Pei family's support, she can even bully the Pei family from time to time..."

At this point, Shen Fanxing couldn't help but cover her mouth and laugh. "The Pei family is rich and powerful. I feel that Stars International has a bright future."

It was obvious that she had benefited, but she didn't hide it at all. Not only was she not detestable, but she also looked charming.

"I'm rich too."

He smiled lightly as he admired her beautiful appearance.

Little woman.

"Doesn't your wealth belong to me? I'm not stupid. I'll kill myself."

Bo Jinchuan raised an eyebrow. That sounded good.

"Okay, then work hard. If you're not satisfied, I can help you."

His indulgent look made it seem as though he was spoiling Shen Fanxing to the point of being lawless.

"You're too much. Be careful not to cause trouble for you."

"I'll cover for you." His tone was too relaxed, as if there was nothing in this world that he couldn't handle.

Shen Fanxing felt that Bo Jinchuan had pampered her too much.

But what was wrong with that?

It didn't seem so.

He had the right.

The smile on her face became brighter and more beautiful. She smiled and leaned closer to him, her fair and smooth chin resting on his arm.

"You clearly did it on purpose. If you spoil me, no other man will dare to want me."

Bo Jinchuan raised an eyebrow and nodded solemnly.

"That's a good idea."

Seeing how serious he was, Shen Fanxing couldn't help but chuckle.

Knowing that he had no ulterior motives for spoiling her, she was naturally happy.

She was smiling brightly. Bo Jinchuan lowered his gaze and smiled at her. His handsome face was filled with indulgence and indulgence.

The VIP elevator stopped on the first floor and the doors opened slowly. Shen Fanxing heard the commotion and turned to face the elevator. She had no intention of retracting her smile.

However, when she saw Su Heng outside the elevator, the smile on her face disappeared.

Su Heng stared at Shen Fanxing in a daze. When the elevator door opened slightly, he saw her smiling face. Her eyebrows were raised and her lips were curled. He could even see the smile in her eyes. It was like a twinkling star. It wasn't scorching, but it made one unable to look away.

Her bright and beautiful appearance was no longer the same as the past when she only knew how to work and dress the same. She only had one expression!

However, watching her smile disappear in front of him, he couldn't help but feel bitter.

He had never had it from the start. Now, he had no right to have it.

That smile seemed to have bloomed in front of only one person.

Seeing Shen Fanxing's smile disappear, Bo Jinchuan's face darkened.

She frowned and turned her head. Her gaze swept past Su Heng before landing on Chu Juncheng.

At that moment, Chu Juncheng's gaze landed on Shen Fanxing. There was no need to elaborate on his composure. His dark eyes were as deep as an ancient well.

Her eyes, which shouldn't have revealed any emotions, had a hint of a smile.

Although it was subtle, it was there.

Bo Jinchuan narrowed his eyes and reached out to pull Shen Fanxing into his embrace.
