

The One and The Only Chapter 111 - 120

Within two days of the break, the Song family lost several hundred million yuan and lost half of their assets.

Song Zhongxiong smiled bitterly and said, "Dad, don't think about it. There must be someone suppressing our house in all aspects."

Song Qingsong said angrily, "Who, who is suppressing our house?"

Song Zhongxiong said with a sad face, "That's just enough to say, for sure. It's the Luo family, the provincial capital. They blamed the death of Chang Shao on our family!"

Everyone in the Song family looked very ugly. They thought that the Song family's industry had been suppressed recently and the Luo family did it.

Song Qingsong said angrily: "I'll let Haosheng handle this matter. It's better for you to take in

the life of Luo Linyuan's most precious second son. Our Song family is afraid this time is going to be unlucky ." Song Zhongxiong gritted his teeth. Said:

"The Luo family wants to kill our Song family. We can't wait and die."

Song Qingsong: "What idea do you have?"

Song Zhongxiong immediately said, "Dad, you should know the Zhu family, one of the four courtyard pillars in the south, right? "

Song Qingsong opened his eyes: "Of course I know that the Luo family can only be regarded as a third-rate family. The Zhu family is much more prominent than the Luo family, and ten Luo families are not as good as one Zhu family."

Song Zhongxiong said with a smile: " In fact, the former Mannity Underground Emperor Chen Jiu was a disciple of the Zhu family."

"Dong Tianbao overthrew Chen Jiu and became the king of the Mannity Underground Circle.

After that, the Mannity Underground Circle was not allowed to run any gray business.”

“You know, all in the South. The gray business of the Zhu family is inextricably linked to the Zhu family.”

“Dong Tianbao’s doing this simply broke the Zhu family’s financial path in Mannity.”

“It is said that the Zhu family has sent someone to clean up Yash Nics and Yash Nics. Dong Tianbao.”

Song Qingsong heard the words and said in confusion: “The Zhu family wants to clean up Yash Nics and Dong Tianbao, and the Luo family suppresses our Song family. It doesn’t matter!”

Song Zhongxiong smiled and said: “Dad, the Luo family suppresses us. We can’t just sit back and wait for death. We can simply go to the Zhu family.”

“Although we rely on the Zhu family, we must honor a portion of the money we earn every year in the future. , But also in exchange for the protection of Zhu’s family.”

Song Qingsong heard the words, hesitated and pondered for a long time, and finally said

slowly: “Hey, it’s impossible to invest in Zhu’s family. It’s up to you to follow Let’s talk to the people of Zhu’s family.”

Song Zhongxiong said in surprise: “Well, I heard that Zhu Jiuling, the youngest of Zhu’s family, has arrived in Mannity. I will visit him right away.”

...

Moon Bay in Mannity, a super luxury yacht. on.

Wearing beach pants and sunglasses, Zhu Jiuling is lying comfortably on a beach chair.

He was holding a glass of champagne in his hand, and there were a few young beauties

around him beating his back and rubbing his legs, and there were several murderous Ling

Ran bodyguards not far away.

Song Zhongxiong held a stack of books and stood respectfully in front of Zhu Jiuling.

Zhu Jiuling squinted: "Your Song family has invested in our Zhu family. In the future, half of the money your family earns each year will be turned over to us."

"Of course, in return, your Song family will also be protected by our Zhu family."

"I can guarantee that in the south, no one would dare to touch a hair of your Song family."

Song Zhongxiong laughed and said, "Thank you Zhu Shao."

Zhu Jiuling snapped his fingers, and someone immediately brought a contract, and it was

on the spot. Signed Song Zhongxiong.

After signing the contract, the Song family was formally committed to the Zhu family, one of the four courtyard pillars in the south.

I wish Jiuling to hold the champagne and clink glasses with Song Zhongxiong, and said with

a smile: "Congratulations on your formal participation in our family, and wish us a happy cooperation in the future."

Song Zhongxiong bowed his waist and said, "Yes, yes, happy cooperation." The two made a drink. .

Song Zhongxiong's eyes rolled around twice, and he accompanied him carefully and said,

"Master Zhu, Luo Linyuan blamed the death of his son on our Song family and threatened to retaliate against our Song family. What do you think?"

Zhu Jiuling faintly said: "Don't worry, I heard that Luo Linyuan has already brought all the

elite men of his Luo family out of the nest, and wants to come to Mannity to kill Yash Nics and Dong Tianbao."

"I happened to borrow the Luo family's hand to kill Yash Nics. With Dong Tianbao."

"As for Luo Linyuan to take revenge on your Song family, I will say hello to Luo Linyuan. Your

Song family has already invested in our Zhu family, and he dare not embarrass you.”

Song Zhongxiong was overjoyed: “Thank you. Best wishes!”

The One and The Only Chapter 112

At this time, Luo Linyuan led three hundred men, everyone wearing white silk on their heads.

Driving dozens of cars, such as out of a funeral convoy, drove to Mannity City mightily,

seeking revenge on Yash Nics.

Dozens of cars, all with mourning and joy, went straight to Mannity as if they were out of a funeral procession.

As the saying goes, good things do not go out, bad things spread for thousands of miles.

The news that Luo Linyuan exhausted the elite of the Luo family and was about to destroy

Yash Nics, Dong Tianbao, and the Song family soon reached Yash Nics’s ears.

When Luo Linyuan’s motorcade had just entered the suburbs of Mannity, it was stopped by

Yash Nics.

On the suburban wilderness road, the Luo family’s motorcade stopped, and a large number

of Luo family’s subordinates got out of the car and assembled.

“Quick!”

“Quick!”

Soon, the three hundred Luo family elite subordinates have all assembled.

Then, Luo Linyuan, a burly figure, appeared at the forefront of the team with black and white

impermanence Zang Dong and Hu Min.

Luo Linyuan squinted a pair of eagle eyes and looked at the small group of people in front of

him.

These people are Yash Nics, Dian Chu, Dong Tianbao, and Yash Nics’s Eight Tiger Guards.

Everyone is dressed in casual clothes, but the whole body is showing the vigor of clank and iron.

Lo Pro deep awe-inspiring and said: "Chen Dong Tianbao, it seems you knew die, so take the initiative out of the city to die well, you have to see in this part of consciousness, I give you the opportunity to commit suicide, leaving your whole body.."

Yash The reason why Ning appeared here to intercept Luo Linyuan was because he felt that

Luo Linyuan brought the funeral team to the door to find faults. It was too moldy and he was afraid of frightening his family.

Unexpectedly, Luo Linyuan actually interpreted that they came to die on their own initiative!

Yash Nics stood with his hand in hand, and said lightly: "I warned you Luo family not to step into Mannity for half a step, otherwise you will kill you without mercy. Now I think you have not entered Mannity City, and give you one last chance. !"

Luo Linyuan led the crowd to Mannity this time, threatening to smash Yash Nics, Dong

Tianbao, and Song Zhongxiong's corpses. He just said that he would give Yash Nics a

chance to decree himself, but he could keep the whole body.

Unexpectedly, Yash Nics actually said that he wanted to give them a chance? !

Lo Pro Yuan angrily: "? You give us a chance, what chance,"

Yash Nics Pingjing said: "The last chance of survival,"

Lo Pro Yuan Nu Ji laugh: "Ha ha, I see you is the sight of coffins were moved to tears."

"I do Starting from the Luo family elite, this time to come here is to destroy all of you. It is I

who do not give any of you a chance to survive, not you to give us a chance to survive! "

Destroy the door!"

Luo Linyuan's words touched Yash Nics's reverse scale.

Dragons have reverse scales, and they will be angry if they touch them.

Yash Nics said coldly: "I wanted to leave you a way to survive, but you are looking for your own death."

Luo Linyuan smiled sternly: "Black and white impermanence, send him to bliss. Then we will enter Mannity City and slaughter them all. We are the two. For the death of a son, they must be buried with the whole family!"

"Yes, Patriarch!"

Zang Dong, who was wearing a black cloth, and Hu Min, who was wearing a white suit and white trousers, walked out in response.

These two are Luo Linyuan's left and right arms, and they have killed more than a hundred people, and they are also regarded as murderous in Tianhai Provincial City.

It is precisely because the two people are killing people like hemp, so they are called black and white impermanence.

It means that they are just like black and white impermanence, and they never keep alive.

Luo Linyuan's ability to gain a foothold in Tianhai Provincial City relied on these two capable men.

Hei

Wuchang Zang Dong grinned and said: "Boy, get ready to die!" Bai Wuchang also cruelly said: "Take your life."

The One and The Only Chapter 113

voice of the two fell and they moved instantly.

With two swishes, the two of them were like two ghosts, one left and the other swept

towards Yash Nics, and they wanted to use thunder to kill Yash Nics on the spot.

Yash Nics snorted coldly: "Little mayfly, dare Hengjiang too!"

After speaking, he lifted his foot and kicked it out like lightning.

With two bangs, kicking the black and white impermanence in the chest with both feet.

The black and white impermanence spouted a mouthful of blood with visceral fragments, like two kites with broken wires, flew upside down, and fell heavily in front of Luo Linyuan.

The two fell in front of Luo Linyuan, their mouths vomited blood, their necks crooked, and they were all killed on the spot.

what? !

Luo Linyuan and the three hundred Luo Family elite subordinates behind him, all of them

opened their eyes wide in disbelief.

Yash Nics was kicked to death by the black and white impermanence who usually kills

people like numbness and desperate life?

Luo Linyuan quickly recovered from the shock. He took out a pistol backhand and pointed

the black hole at Yash Nics.

As if he knew Yash Nics again, he said sensibly: "Good boy, you are so mad, you are so

strong, even my black and white impermanence is not your opponent."

"But what about your skills? Can it be more powerful than my gun?"

Dian Chu Dong Tianbao and Eight Tiger Guards, the moment Luo Linyuan drew his gun, they

were already in front of Yash Nics.

As Yash Nics's guards, they are always ready to use their bodies and even their lives to

protect Yash Nics.

Seeing Yash Nics's men guarding Yash Nics, Luo Linyuan sneered and yelled: "Yash Nics,

you only have 10 bodyguards here, plus you are no more than 11 people."

"And there are 12 bullets in my pistol magazine, behind him. There are also three hundred

elite men. Do you think I can't kill you by hiding behind?"

It was their instinct for Dianchu to stand up with Dong Tianbao and others to protect Yash

Nics.

Yash Nics was not at all afraid because Luo Linyuan took out a pistol.

At this time, he instructed Dian Chu and others to step aside, and then two steps forward, standing in the forefront.

Looking at Luo Linyuan, who was pointing his gun at him, he said playfully: "You dare to play with a gun in front of me, and you dare to show off how many subordinates are in front of me. Is this bullying me and no one has a gun?"

Luo Linyuan grinned and said, "So what?"

After speaking, he wanted to pull the trigger at Yash Nics and shoot. Yash Nics said with a sneer: "Hehe, I don't think you have used a gun much. You haven't opened the safety of your pistol, so how can you fire the gun and kill me?"

Luo Linyuan was startled when he heard the words and looked down at him. The pistol, indeed, has not opened the safety catch.

The bullet has not been loaded, and the shot cannot be fired immediately.

He was a little puzzled, why did Yash Nics remind him?

Yash Nics squinted his eyes and said: "Dare to play with a gun in front of me, you are really an axe, let my people teach you!"

Yash Nics sternly, raising his right fist, seemed to be an offensive gesture.

Luo Linyuan was shocked when he saw Yash Nics's offensive gesture, he immediately

pulled the pistol to load the bullet, and wanted to kill Yash Nics first.

In fact, pistols usually have triple safety devices to prevent misfires.

Unless you have

prepared, you can't shoot right away.

Luo Linyuan had just unlocked the first heavy device, and his pistol had just been loaded.

There was a bang of sniper rifle in the distance!

A bullet screamed and hit Luo Linyuan's right arm with a gun. A cloud of blood mist instantly

exploded, and Luo Linyuan's right arm was knocked out by a single shot! "what—"

Luo Linyuan, who had no right arm, let out a scream. However, his scream was quickly overwhelmed by a rumbling sound from a distance. The four tanks raised their barrels high, like four giant steel beasts, and the miscanthus rumbling over the wilderness appeared in the eyes of everyone. Followed by dozens of armed off-road vehicles lined up. Behind the armed off-road vehicle is a large number of fully armed soldiers with live ammunition, marching in order, like a torrent of steel, arrogantly marching forward. More than a dozen snipers from a kilometer away, all the infrared rays of the sniper rifle in their hands were turned on, and the infrared rays of the sniper rifle were all concentrated on Luo Linyuan and others. Who dared to have the slightest change, I guess it's not as simple as having no arms. Even more frightening was that two armed helicopters and the high-speed machine guns of two helicopters were aimed at the Luo family. If anyone looks to drive away, then it is estimated that everyone will be wiped out. On one of the tanks, a camouflage uniformed school officer holding a wireless communicator said loudly: "Block the scene, no bird can fly out." Soon, more than two thousand soldiers took the Luo family. Surrounded completely. The camouflage school officer jumped off the tank, rushed to Yash Nics, slammed salute, and said loudly and powerfully: "Report to the chief, the Raptors Special Forces regiment

has all entered the designated combat area and has surrounded the enemy. Please give instructions. "

Kakchakchacha!

There was a shocking sound of bullet loading.

Two thousand soldiers roared together: "Please give instructions from the chief!"

The One and The Only Chapter 114

smell of urine instantly filled the Luo family.

Many of these guys who are usually inextricable are scared to pee on the spot.

Even Luo Linyuan, because he was deeply shocked, had forgotten the severe pain of his broken arm.

He opened his mouth wide and looked at Yash Nics, who was called the chief, and said with

a trembling voice, "You, you, who are you?"

Yash Nics looked at Luo Linyuan, who had a gray complexion, and the group of people

behind Luo Linyuan who were like chaff. , Said coldly: "You don't deserve to know who I am!"

"I have given you a way to survive, but unfortunately you are not sure."

"Come here, give him a ride!"

As Yash Nics's voice fell, there was immediately The two fighters strongly dragged Luo

Linyuan aside and shot him on the spot.

Luo Linyuan, die!

The Luo family's subordinates, who were already trembling and pissing, saw Luo Linyuan's

end, they completely collapsed, and they all knelt down and cried and begged for mercy.

Dian Chu came to Yash Nics and lowered his voice to ask these people what to do?

Yash Nics said indifferently: "Catch them all, check their details, and be punished according

to the severity of their crimes." The

Luo family raised so many thugs and bullied the provincial capital.

As long as they are checked, these people are definitely not clean.

This group of people ranged from a few years to several decades, and they couldn't escape

after going to jail.

However, this group of guys felt that it was fortunate to be able to save their lives under this

kind of scene today, and they all cried with joy.
Yash Nics asked Dianchu to deal with the aftermath and told Dianchu not to reveal the secret of his identity, and then he returned to the city first.

...

At this time, Moon Bay, on a super luxury yacht.
The youngest of the Zhu family, Zhu Jiuling, is drinking and chatting with Song Zhongxiong, Song Zhongping brothers, and a group of dignitaries in Mannity City.
A man in a suit with long hair walked quickly. This person is Zhu Jiuling's capable subordinate thanking God.
Xie Tianlai came to Zhu Jiuling and said a few words in a low voice.
Zhu Jiuling frowned: "There is such a thing!"
Song Zhongxiong and others were very curious when they heard the words, and asked: "I wish you young man, what's the matter?"
Zhu Jiuling didn't hide it, and told everyone about him directly. Get the latest news.

He said dejectedly: "It is said that Luo Linyuan led the crowd to Mannity to kill Yash Nics and others and avenge his two sons."

"Unexpectedly, Luo Linyuan and his party entered the suburbs of Mannity and happened to encounter the Raptors Special Battle Group. Anti-terrorism exercises."
"The Luo family and his party swaggered through the city and attracted the attention of the Raptors Special Forces."

"The Luo family was suspected of acts of evil forces. Luo Linyuan was killed on the spot, and all the others were arrested."

"Luo. Home, it's down!"

Song Zhongxiong and his group were dumbfounded after hearing Zhu Jiuling's words.

After a while, someone muttered, "This Luo family is too unlucky, right?"
Song Zhongxiong learned that the Luo family had fallen, he was both surprised and regretful.

Surprisingly, when the Luo family fell, it would be impossible for the Luo family to retaliate

against their Song family.

Regrettably, he was forced to join the Zhu family to avoid the Luo family's revenge. In the

future, half of the family income must be honored to the Zhu family.

Zhu Jiuling said indifferently: "The Luo family can be said to be unlucky, or it can be said to

have taken the blame."

"Their family was originally unclean, and their revenge was so blatant.

The troops that

encountered the anti-terrorism exercise were taken, and it was normal."

Song Zhongxiong said: "It's cheaper for Yash Nics and Dong Tianbao, so that they can

escape again."

Zhu Jiuling said calmly: "Yash Nics and Dong Tianbao killed our Zhu family's disciple Chen

Jiu, and no one was allowed to be in Mannity. Running a gray business has cut off the

wealth of our Zhu family."

"I came here this time to find them to settle the accounts."

"I wanted to use Luo Linyuan's hand to kill Yash Nics and Dong Tianbao. I didn't expect Luo

Linyuan to be so unsuccessful. Use."

"It seems that I have to deal with Yash Nics and Dong Tianbao."

The One and The Only Chapter 115

Song Zhongxiong heard the words and complimented: "Hey, Zhu's family is one of the four

pillars in the south, and the power is all over the south of the Yangtze River. I wish the young

master, Yash Nics and Dong Tianbao, these ants, A snap of your finger can be destroyed."

Zhu Jiuling had a pretty face, but he said, "Although I didn't put Yash Nics and Dong Tianbao

in my eyes, but Jiuwenlong was arrested for trouble at the construction site before, and

today it was reported that Luo Linyuan swaggered for revenge. It's done."

"A lesson from the past, I can't do it with great fanfare, so as not to attract the wind."

Song Zhongxiong can't wait for the family to kill Yash Nics quickly. If it were not for Yash

Nics, he felt that their Song family would not end up in the land they are today.

He accompanied him carefully and asked: "I don't know what Zhu Dashao's plan is?" Zhu Jiuling took out a photo and threw it to Song

Zhongxiong: "This

woman is from your Song family?" Song

Zhongxiong was taken aback and took a look. It was found that the person in the photo was

Song Pingting.

He quickly said: "It's the daughter of my second brother, but their family has already been

expelled from our Song family. We have nothing to do with their family."

Zhu Jiuling's mouth raised slightly: "Is it okay? That's fine. , This woman is very good, I am in love with her."

Song Zhongxiong and the others were stunned, and then everyone remembered.

Zhu Jiuling has a nickname called the Prodigal Son, who likes to have relationships with different beauties.

And once he saw a woman, he would get it at any cost.

Zhu Jiuling squinted her eyes and said, "I thought it was your niece, so say hello to you first.

Since she has nothing to do with your Song family, then I don't need to care."

"In half a month, I want to play Yash Nics and Dong. Tianbao has no place to bury him, and

Song Pingting must be allowed to bear the joy under me."

...

On the other hand, when Yash Nics returned home, it was already mid-afternoon.

Today is Sunday, Song Pingting and Song Qingqing are both at home.

Seeing Yash Nics's return, Song Qingqing immediately called to his father and ran over.

Yash Nics bent down and hugged her daughter, kissed her little cheek affectionately, and asked with a smile, "Have you finished your homework on the weekend?" Song Qingqing said triumphantly: "I finished it early, dad, you said it, I wrote it. You take me to play after you finish your homework."

Song Pingting criticized her daughter at this time: "If it weren't for me to not allow you to watch TV today and personally supervise you to do your homework, you probably haven't finished your homework yet, so it's not allowed. You go to play, stay at home to review your homework!"

Song Qingqing was anxious and said aggrieved: "But Dad said, I took me to play after I did my homework."

Yash Nics said with a smile, "You Where do you want to go to play?" Song Qingqing immediately said, "Dad, I want to go swimming." It is summer and the weather is hot. Children like to play in the water and want to swim in the pool.

Yash Nics loves her daughter and promises without hesitation: "Okay, Mom and Dad, I will take you to the swimming pool now."

Song Pingting hurriedly said after hearing this, "I want to go too, I will not go, you guys.

Father and daughter go swimming."

Song Qingqing immediately said noncompliance: "Mom, you go too, you have been busy with work lately, it is rare to be with me and dad on weekends."

Yash Nics also smiled and said, "Yes. Yeah, I'm a man. It's a lot more convenient for you to go to some things together. For example, you have to have a woman to accompany her into

the locker room.”

Song Pingting thinks that her daughter will go to the swimming pool more to practice. A

swim is good. Children who master one more skill will be much safer if they encounter any danger in the future.

So she agreed and went out with Yash Nics and her daughter to the Happy Time Swimming Pool.

The One and The Only Chapter 116

Happy Time Swimming Hall is a well-known swimming place in China Overseas.

There are indoor swimming pools, open-air swimming pools, and children’s swimming pools.

In addition, there are a few small indoor private swimming pools open to VIPs.

When they came to swimmers, Yash Nics and the others naturally went to the store to choose swimsuits.

The swimsuits here are generally expensive after all, but fortunately there are many styles.

Yash Nics and Song Qingqing quickly selected their swimsuits, but Song Pingting had not chosen them yet.

Other women deliberately choose sexy swimsuits, but Song Pingting wants to choose the most conservative swimsuits.

Her daily pajamas are very conservative and tightly shielded styles.

For this swim, she was too ashamed to think of wearing a swimsuit in front of Yash Nics, so she wanted to choose the most conservative one.

But there is no such thing as a conservative style here, and in the end she can only make one set casually.

Yash Nics directly opened a small indoor VIP swimming pool. This type of swimming pool is

not big and larger than the indoor hot spring. It is suitable for a family to swim.

Yash Nics changed into swimsuits with Song Pingting and her daughter and entered the swimming pool.

The daughter put on a swimming ring and frolicked in the pool with joy.

On the other hand, Yash Nics smiled and looked at Song Pingting, who was anxious, like a

bride entering the bridal chamber, and said softly: "My wife, I suddenly found out that you

are really in good shape."

Song Pingting blushed, but she felt like Yash Nics. The compliment is very useful. She said

with a reserved mind: "Where is it? Really."

Yash Nics said with a smile: "The figure is slender, probably the most perfect figure of the

legendary woman, nine-headed body."

Song Pingting was curious. Asked, what is the nine-headed body?

Yash Nics told her that the most perfect body ratio for a woman is that the ratio of head

height to height is one to nine, so she is called a nine-headed body beauty.

After speaking, Yash Nics still smiled and said: "Or, I will measure for you, are you a beauty

with nine heads?"

Song Pingting blushed, and said, "This... isn't it okay? ..."

Yash Nics smiled and said, "What's the matter, I'll measure it for you."

Yash Nics said, and gestured the length of Song Pingting's head with his hands.

Then start measuring from Song Pingting's legs, to measure Song Pingting's most perfect

nine-headed body?

One end, two ends, three ends...

Yash Nics's hands were gently measured from Song Pingting's feet down and up, and it was

quickly measured on her legs, tense, and shyly trembled: "Yash Nics..."

The

corners of Yash Nics's mouth rose slightly, gently relaxing her.

His hand was about to measure Song Pingting's thigh, and suddenly the phone Song

Pingting placed next to him rang frantically.

Song Pingting immediately ran away: "The phone rang, I'll answer the call!"

Yash Nics smiled bitterly, wondering who is calling, it's so untimely!

The call was from Song Pingting's mother.

Ma Xiaoli's voice was crying: "Xiaoting, it's not good, your father is in trouble."

Song Pingting was taken aback, and asked what was going on quickly?

Ma Xiaoli cried and said, "I drove your dad to the vegetable market to buy food. I didn't know

what was going on, so I ran into a commercial car."

Song Pingting lost her voice: "Is my dad okay?"

Ma Xiaoli "Your father was not injured, and the other party was not injured. However, this

crash broke an antique on the other's car."

Song Pingting heard that everyone was okay, so she comforted and said, "Mom, it's okay if

people are okay. Just damage the antique and accompany them."

Ma Xiaoli cried and said: "Can't afford to pay it. People say that the broken bottle is a blue

and white porcelain of the Yuan Dynasty, worth 200 million yuan."

"That group of people are very fierce, and now they have controlled your dad.

If you don't lose money, you will kill your dad!"

The One and The Only Chapter 117

200 million antiques!

Song Pingting's face was pale, the company still owes hundreds of millions of funds, and

now that they have sold their home, they can't spend 200 million!

She forcibly comforted her mother not to worry, she and Yash Nics came to deal with it

immediately.

Yash Nics's expression changed when Song Pingting answered the phone.

He frowned and asked what was going on?

Song Pingting held back her tears and told Yash Nics the matter again.

Yash Nics calmly said: "I thought it would be better for people to be fine. Let's go, let's go over and see the specific situation."

Yash Nics, Song Pingting and Song Qingqing came out of the swimming pool and drove to the emerging vegetable market.

Near the entrance of the vegetable market, a group of people can be seen from a distance.

Yash Nics and Song Pingting, who was holding their daughter, got out of the car and went over.

Then I saw two cars colliding with each other at the scene, one was an E-Class

Mercedes-Benz bought by Yash Nics for Song Zhongbin, and the other was a million-dollar

Toyota Alfa premium commercial vehicle.

Many people at the scene were pointing, but they didn't see Song Zhongbin and Ma Xiaoli.

Song Pingting called her mother again, only to find out that her parents had been forcibly

taken to the nearby treasure house antique auction company by the other party who had

been in the car accident.

Yash Nics and Song Pingting's mother and daughter soon came to the treasure house

antique auction company.

As soon as I walked into the lobby of the auction company, I saw a dozen men in suits

standing at the scene.

When these wicked men saw Yash Nics and the others coming in, someone immediately

came up and asked with an unhappy expression: "Who are you, our company is off work

now. We don't accept any customers now, so let's come again if you have something to do."

Song Pingting just wanted to explain her intentions, and suddenly heard a fierce abusive

clamor in the meeting room not far away: "Old stuff, my blue and white porcelain of the Yuan Dynasty is worth two hundred million yuan."
"You're not complete. If you pay me compensation, I will kill you."
Ma Xiaoli's cries were still faintly heard.
Song Pingting's face changed drastically, she exclaimed her mother, then pushed away the men in suits in front of him, and ran over quickly.
Yash Nics also took her daughter's hand and followed.

In the reception room, on the table top, a high-grade sandalwood box contained a pile of broken blue and white porcelain fragments.
A middle-aged man with a big back, wearing a big gold chain and a Rolex watch, is sitting in the boss chair, with several menacing men standing beside him.
Song Zhongbin's face was gray and his lips were white, standing still.
Beside, Ma Xiaoli was weeping helplessly.
In despair, Song Zhongbin and Ma Xiaoli saw Yash Nics and Song Pingting coming.
Seeing the beacon immediately like a sea of bitterness, as if to find the backbone.
The two cried out for Xiao Ting, and then they all wanted to come over.
But he was stopped by a few men of the man with a big back.
Da Beitou saw Yash Nics and Song Pingting, his eyes flashed a sneer, and he returned to normal immediately.
He said to the sullen with Yash Nics Song Painting: "? The two of you is the daughter of the old stuff's son-bar"
"You just come, reversing your father, do not care to our car got hit and brought our car Two hundred million worth of antique blue and white porcelain was smashed, you are ready to lose money!"
Song Pingting was anxious and just wanted to talk, but Yash Nics calmly said: "Since there has been a car accident, it is natural to let the traffic police handle it. First determine the

responsibility.”

“After the traffic police has determined the responsibility, they will be able to know who is

responsible, and who is responsible for the compensation.”

“Take a step back, even if it is my father-in-law’s responsibility, we must follow the legal

procedures step by step to verify the specific compensation amount, and then

Compensation.”

“Now that there is a car accident, who is right and who is wrong is still unconfirmed, you

have to pay my father-in-law to lose money, it is not in compliance.”

The One and The Only Chapter 118

Dadbacktou heard Yash Nics’s words and opened his eyes wide.

He didn’t expect that Yash Nics would not be chaotic when he was in danger, and his

thoughts were clear, so he hit the point at once.

However, he sneered: “You have to go through the legal process, so good, I will follow you

through the process, and then I want you to lose your fortune.”

After speaking, he picked up the phone and made a call.

Before long, two traffic policemen came over.

The traffic police watched the accident photos provided by Da Back Tou and went to

investigate the scene. Finally, they judged Song Zhongbin to be fully responsible and needed

to compensate Da Back Tou Bao Youxin for all the economic losses.

When this result came out, Song and her parents were ashamed and desperate, as if the end

had come.

Bao Youxin triumphantly raised the traffic police responsibility letter in his hand, and said

grinningly to Yash Nics and the others: “Now the traffic police judges you to be fully

responsible, now you have nothing to say?”

“Now obediently compensate me 200 million. Otherwise, my

Tyrannosaurus nickname is not

for nothing.”

Yash Nics frowned slightly when he heard the Tyrannosaurus remarks. He said coldly, "The antique you keep saying is worth 200 million. Don't mind taking one of them. The blue and white porcelain fragments, can you find someone to verify the authenticity?"

Tyrannosaurus sneered when he heard Yash Nics's words, "My Treasure Pavilion antique auction company is the largest antique appraisal agency in Mannity City. You dare to question whether my antiques are fake. Yes?" "Well, I'll take one for you, let you completely give up after the identification."

Tyrannosaurus said, picking out a small piece from the pair of ceramic shards on the tabletop, and handing it to Yash Nics.

He also warned Yash Nics's family: "I only give you one day to appraise and compensate. If you can't compensate me for the loss of 200 million tomorrow afternoon, then your family must pay attention to personal safety."

He said, a pair of fierce. With triangular eyes, he glanced at Yash Nics's family intentionally or unintentionally.

Song Qingqing was frightened by this guy's fierce eyes, and hid tightly behind Yash Nics.

Yash Nics's face sank slightly, but there was no seizure, and he left with Song Pingting's family.

When she got home, Song Pingting had the opportunity to ask her parents what was going on at the time?

Song Zhongbin's hands are still shaking now, and he tremblingly said: "I finished buying vegetables with your mother, so I reversed the car at the door of the vegetable market, wanting to turn around and go home."

"But I don't know how, their car just whizzed. When I came over, I didn't

stop in time and reversed and hit his car.” “After they got out of the car, they immediately grabbed me and said that I reversed and hit them, and also smashed the antiques in their car.”

Yash Nics frowned slightly. He felt that the accident caused by reversing was not very violent.

It stands to reason that it is impossible to smash the valuable antiques in the car. Is it

possible that there is something tricky in it?

Yash Nics told Dianchu to come over and take the piece of blue and white porcelain for inspection to verify its authenticity.

In the evening, Dian Chu called and told Yash Nics that the experts identified this piece of blue and white porcelain as genuine.

This result surprised Yash Nics a little.

Song Pingting’s family is like the end of the day, and everyone’s faces are full of despair.

When Yash Nics saw this, she comforted Song Pingting with a soft voice, “Don’t worry, it’s a trivial matter. Just leave this matter alone and leave it to me tomorrow.”

Song Pingting felt warm when she heard Yash Nics’s words. .

However, she felt that although Yash Nics was fighting fiercely, the problem could not be solved by force.

She told Yash Nics not to act impulsively, and at the same time secretly made up her mind.

Tomorrow she went to ask her uncle’s family to borrow money.

Even if the company is mortgaged, he must first help his father tide over the difficulties.

next day, Dong Tianbao drove to pick up Yash Nics, and went with Yash Nics to see Bao

Youxin to discuss compensation.

Dong Tianbao immediately said, "Master, I will also investigate. After Bao Youxin's identity, he is nicknamed Tyrannosaurus. The backing behind is the Zhu family, one of the four courtyard pillars in the south of the Yangtze River."

"Chen Jiu, who was destroyed by us before, is the disciple of the Zhu family and the Zhu family in Mannity advocate. "

Tyrannosaurus Bao Youxin is not considered a person in the underground circle, nor is it considered a person in the ground circle.
He belongs to the tycoon who wanders in the gray area, and he is both business and dark.
Because it is a disciple of the Zhu family, no matter it is a black and white business person, he must give him three points of face.
At this moment, Tyrannosaurus was sitting carelessly on the boss chair, smoking a cigar, looking at Yash Nics and Dong Tianbao who were brought in by his subordinates.
He squinted his eyes and said, "The blue and white porcelain fragments you took have been verified for authenticity, right?"
Yash Nics seemed to be not a guest, but the host here. He calmly pulled a chair away and sat down leisurely. Tianbao stood behind him respectfully.
Yash Nics said faintly: "I have been identified, it is a fragment of blue and white porcelain."
Tyrannosaurus' eyes lit up: "Then you are here to discuss compensation for the loss?"
Yash Nics nodded, "That's right."
Tyrannosaurus stared at Yash closely Nics: "Are you going to compensate me 200 million?"
Yash Nics shook his head: "200 million is a bit too much."
Tyrannosaurus's face sank, and said coldly: "I am a blue and white porcelain bottle worth 200 million. Your father-in-law took me The bottle broke, how much do you plan to compensate me now?"
Yash Nics held up two fingers.

Tyrannosaurus's face changed, and his voice became severe: "Twenty million, you should be a beggar!"

Yash Nics smiled and said, "How could it be 20 million."

Hearing this, Tyrannosaurus's face turned slightly and asked: "Then How much is it?"

Yash Nics still held up two fingers.

Yash Nics looked at the angry Tyrannosaurus and smiled slightly: "You think too much, not two million, but two dollars."

"You have tried your best to find a bunch of true and false. Fragments come to touch my father-in-law."

"I think you will reward you two dollars for your good intentions."

Tyrannosaurus was shocked and angry when he heard Yash Nics's words. Is Yash Nics a

fool, or Think Dong Tianbao can save him?

Tyrannosaurus thought of Cheng's confession, and he grinned: "Yash Nics, since you want to die, then I will fulfill you." After

he finished speaking, he immediately shouted: "Hands, interrupt both of them!"

Tyrannosaurus made a move, and in the huge office, dozens of eye-catching bodyguards moved instantly.

These bodyguards are all high-paying practitioners hired by Tyrannosaurus, which are different from ordinary thugs.

Each of these bodyguards can be ten.

These people are like a pack of wolves, killing Yash Nics and Dong Tianbao with murderous aura, and they can destroy Yash Nics and Dong Tianbao in the blink of an eye.

Yash Nics sat on the chair, without changing his face, but snorted coldly, "Presumptuous!"

He said that he was already lined up on the coffee table next to him. The tempered glass

coffee table shattered in an instant, and countless glass fragments flew away.

Yash Nics flicked his sleeves casually, and these shattered glass fragments, like pear

blossoms in a torrential rain, shot intensively at the thugs.

In an instant, the screams were endless.

These extraordinary bodyguards screamed and fell to the ground like being swept by

bullets.

The few remaining uninjured people were not even close to Yash Nics's side, but Dong

Tianbao, who was behind Yash Nics, stepped forward and knocked down all the decisive

killing moves.

what?

A look of horror appeared in the eyes of the Tyrannosaurus.

He has dozens of well-paid bodyguards, even if he is besieged by hundreds of people on

weekdays, these bodyguards can protect his integrity.

But today, Yash Nics accidentally took a trick, and almost all of it was released.

At the same time he was shocked, Yash Nics stood up and flicked the sleeves of his shirt

slowly.

Yash Nics's eyes fell on the Tyrannosaurus, and he asked faintly: "Now, do you have any

objections to the compensation amount?"

Tyrannosaurus's forehead was sweating like rain, and the whole body trembled and said,

“No, there is no objection, no compensation is required. Now, I don’t need you to pay for it.”

The

Tyrannosaurus had just finished speaking, and the burly Dong Tianbao had come over, raised his hand and slapped him with two severe slaps in the face. Fanned his cheeks to puffiness and bleeding from the corners of his mouth.

Dong Tianbao said solemnly: “What are you, you can’t ask for what my master doesn’t give

to you; you can’t refuse what my master gives you!”

After speaking, Dong Tianbao took out his wallet, took out two pieces of change, and threw

it in On the ground, he said indifferently: “Take it!”

At this time , the Tyrannosaurus was still stiff, embarrassed and picked up the money on the

ground, holding it carefully like an imperial edict, looking at Yash Nics with fear in his eyes.

Yash Nics calmly said: “I am a very talkative person. If anyone has any opinion on me, he

can raise it in person. But the attitude must be good, otherwise I will treat it as a provocation

to me!”

Tyrannosaurus trembled: “Yes. Yes!”

Yash Nics said coldly: “Now you answer me, why did you touch my family? Who instructed

you to do this?”

Tyrannosaurus subconsciously wanted to lie, but he just opened his mouth and noticed

Yash Nics. That indifferent look.

Tyrannosaurus can also be regarded as a ruthless person, and has seen many winds and waves.

But at this moment, he met Yash Nics’s gaze, as if he was struck by lightning, his heart was

violently shaken, and an inexplicable fear rose from the bottom of his heart.

It was as if a small animal encountered a tiger, the king of beasts, in the forest, and felt fear from his bones.

Under Yash Nics's indifferent eyes, Tyrannosaurus dared not lie, and whispered in a difficult voice: "Yes... it's Zhu Dashao, he asked me to do this."
