

The One and The Only Chapter 121 - 130

Yash Nics squinted his eyes: "Wish you young master?" After Tyrannosaurus betrayed the young master, he no longer had any scruples. The eldest master, Zhu Jiuling.

"Chen Jiu, like me, is a disciple of the Zhu family. But Chen Jiu's status is higher than me, and he is still the spokesperson of the Zhu family in Mannity."

"Mr. Chen, you killed Chen Jiu and moved. For the benefit of the family, I'm here to make a special trip to settle the account with you."

Yash Nics's mouth raised slightly, with a smile: "Afterwards?"

Tyrannosaurus said: "Yes, he said he wants to play with you, and he wants to take you. I'm playing to death, and say..."

Yash Nics frowned: "What else?"

Tyrannosaurus said, "He is known as the prodigal son, and he likes to hook up with different beauties. He said that he fell in love with Miss Song Pingting and wanted to force Song The young lady took the initiative to climb onto his bed and take the joy under him!"

Yash Nics's eyes were sharp as a knife, and her voice was deadly: "Looking for death!"

Yash Nics couldn't help but worry about Song Pingting. He took out his mobile phone. I dialed Song Pingting's number, but no one answered. His face changed abruptly, and he immediately called his mother-in-law. After the call was connected, Ma Xiaoli whispered to Yash Nics: "Xiaoting forbids me to tell you that she went to Song's house to ask her uncle's family to borrow money after you went out."

Yash Nics hung up the phone and said to Dong Tianbao: "Go to the Song's house now!"

...

Song Pingting drove to the Song's house bitterly, and she was mentally prepared to eat the door behind her.

Unexpectedly, Uncle Song Zhongxiong and the others seemed to have known that she would come.

Instead of giving her a closed door, she welcomed her into the mansion very politely.

When she came to the living room, Song Pingting found that only her uncle Song

Zhongxiong and third uncle Song Zhongping were there, but she did not see her grandfather.

She didn't go around with Song Zhongxiong and the others, but directly explained her intentions.

She came here just because she wanted to borrow money from the Song family.

Song Zhongxiong smiling, he said: "Yeah Xiaoting, a sum not write two words Song had to catch you out of the family, is the meaning of Father within my heart, still think of you as a niece..."

"As you say borrow Money, it's not a big deal."

"But when you open your mouth, it costs 200 million. Our Song family has suffered a serious loss recently, but we really can't come up with such a large sum of money."

Song Pingting responded to the uncle's answer. A certain amount of psychological preparation.

The uncle did not ridicule her as usual, she already thought it was very polite.

She smiled far-fetched and said: "I also know that borrowing such a large sum of money is

presumptuous. I came here at a desperate opportunity. Since you have no money, uncle, I

can't do anything. Thanks for the hospitality, I will leave first."

Song Zhongxiong has stopped Song Painting:"! wait for the next "

Song Ping Ting puzzled and asked: "Uncle still do,"
Song Zhongxiong smiling, he said: "We have no money to lend Song you,
but some people
have money to lend you, and as long as you speak, he will definitely
borrow it."

Song Pingting was astonished: "Who?"

Song Zhongxiong smiled mysteriously: "That person happened to be a
guest at our Song
family mansion today, and he is now in my study room on the second
floor. If my niece if
you want to know who he is, you can go upstairs to see him by yourself."

Song Pingting hesitated, then nodded and said, "Okay!"

After that, she was about to walk towards the stairs.

But Ge Meili by her side stopped her and said, "This distinguished guest
has a habit of not
being interrupted by mobile phone calls in the middle of the meeting,
whether it is meetings
or cooperation. You can go upstairs, and stay here if you have a mobile
phone or
something."

Song Pingting handed the handbag with the mobile phone to Ge Meili,
and went straight
upstairs.

Two bodyguards stood at the door of Song Zhongxiong's study.

When one of the bodyguards saw Song Pingting, he opened the door
and stretched out his

hand to ask: "Miss Song is here, please come in."

Song Pingting frowned and walked into the study.

Then I saw on the office chair behind the desk in the study, a man with a
gloomy breath

between his eyebrows was holding a glass of red wine, looking at her
with a smile.

Song Pingting didn't recognize this person, and asked in confusion, "May
I ask you who you
are?" The

man smiled evilly: "My name is Zhu Jiuling, one of the four courtyard
pillars in the south of
the Yangtze River, the youngest of the Zhu family."

Song Pingting had heard of the Zhu family. , Zhu's family in the entire South, is considered a wealthy, huge influence.

Unexpectedly, this person turned out to be Young Master Zhu! Song Pingting looked at Zhu Jiuling suspiciously: "I and Zhu Dashao you are not relatives, why my uncle said that as long as I am willing to talk to you, you originally intended to lend me money?"

Zhu Jiuling looked like a hook, in Song Ping Looking up and down on Ting's slim figure.

He squinted and said, "Because I am in love with you!"

Song Pingting's face changed drastically, her face sank, and she said coldly, "Sorry, I am not betraying my own woman for money, you have found the wrong person. Goodbye!"

After speaking, she turned and left, but when she reached the door, she found that the door couldn't be opened and was locked from the outside.

She turned pale and looked at Zhu Jiuling in horror: "You—"

Zhu Jiuling said with a smile: "I wish Jiuling the prodigal son of love, as long as I am a woman. Whether it is a lady or a chaste woman. I have never won. If you can't, you're no exception.

The One and The Only Chapter 122

Song Pingting looked flustered when she heard the words. She ran over a few steps, grabbed a pen on the desktop, and pointed it at Zhu Jiuling: "I warn you not to mess around!"

Zhu Jiuling said with a smile : "Why, don't you want to borrow money to save your dad? Two hundred million dollars, no one besides me should lend you money?"

"And your husband Yash Nics, he seems to have gone to see Tyrannosaurus. Will be beaten to death by Tyrannosaurus?"

Song Pingting's eyes widened in an instant, and she asked in amazement, "How can you

know so much, don't you..."

Zhu Jiuling said proudly, "Yes, all of this was arranged by me. In this situation, I made people touch your dad, and I let Tyrannosaurus blackmail your dad with 200 million yuan."

"Now the traffic police is responsible for your dad. I can also provide evidence of the relevant value of the blue and white porcelain bottle. The lawsuit, your family will

undoubtedly lose, your family will pay for the two hundred million."

"Of course, if you take the initiative to dedicate yourself now, I can let the Tyrannosaurus let you go."

Song Pingting scolded angrily: "Despicable . I will not promise you shameless request "

I wish Jiuling smiling, said:" Gee, that you are going to your father refused to help, despite

Tyrannosaurus sue your dad, your dad in jail slightly "? "

you willing I watched your dad go to jail, but what about your husband?"

"It is estimated that he has met with Tyrannosaurus now. Believe it or not, can they make

Tyrannosaurus crippled your husband by calling me?"

Song Pingting is anxious. Tears rolled in her eyes, and she said with a crying voice: "You really

do it !" Zhu Jiuling didn't think he was disgusted, but looked at Song Pingting in a suit and

skirt, and said with a sneer: "If you don't want your dad to sit in prison. Wear it, I don't want

your husband to be beaten crippled. Throw away the things in your hands now and take the

initiative to climb over to wait for Lao Tzu!"

His voice just fell, and suddenly he heard two miserable hums coming from outside the corridor.

He was furious and shouted at the bodyguard outside the door: "Didn't I tell you to be

absolutely quiet and not to disturb my good things? Who is making noise outside?”

Boom!

There was a loud noise.

The door of the study was directly knocked open.

Zhu Jiuling’s two bodyguards guarding the door broke through the door and fell heavily in

front of Zhu Jiuling.

The two vomited a mouthful of blood and fainted on the spot.

Zhu Jiuling looked at the door with shocked eyes.

Then I saw Yash Nics walking in with Dong Tianbao coldly.

When Yash Nics saw that Song Pingting was okay, her hanging heart finally fell.

He looked at Zhu Jiuling as if looking at a corpse, and said indifferently:

“I’m afraid, I have to disturb you!”

Song Pingting, who was on the verge of despair and almost completely collapsed.

Seeing Yash Nics, Yash Nics screamed for an instant, and then ran over quickly.

Throwing into Yash Nics’s arms, he hugged tightly.

Yash Nics gently stroked Song Pingting’s hair, softly comforting: “It’s okay, I’m here!”

Yash Nics reached out and hugged Song Pingting in a princess hug, turned and left. , And at

the same time instructed Dong Tianbao: “The dog is in estrus, castration!”

Dong Tianbao replied loudly and powerfully: “Yes, master!”

Zhu Jiuling watched the tower-like Dong Tianbao approaching him murderously, and he

finally showed horror. He screamed: “I am the eldest master of Zhu’s family, one of the four

courtyards in the south of the Yangtze River, dare you...”

Yash Nics had just walked out of the study with Song Pingting in his arms, and a terrible cry

came from behind: “ Ah-“

The One and The Only Chapter 123

Until Yash Nics disappeared, Song Zhongxiong and others recovered.

He took a group of family members and his men into the study.
But she saw Zhu Jiuling lying on the ground dying with blood in his crotch.

what?

Yash Nics actually abolished Zhu's lifeblood!

Song Zhongxiong's blood pressure surged and he almost fainted with black eyes.

It's over, Zhu Jiuling, the chief heir of the Zhu family, one of the four court pillars in the south of the Yangtze River.

Yash Nics, a reckless man who didn't know the height of the sky, was abandoned.

Everyone in the Song family felt that the sky was falling.

This is the Zhu family's young master. Almost all the gray businesses in the south are

inextricably linked to the Zhu family.

With the help of the Zhu family's fingers, it would be able to wipe out the incompetent small family like the Song family.

Song Zhongxiong hated Yash Nics and Song Pingting in his heart, but at this time he could

only endure the emotional collapse, and shouted at his subordinates to quickly send Zhu

Jiuling to the hospital for rescue.

Zhu Jiuling was sent to Mannity Hospital for a long time, but his life was saved in the end.

However, his little gadgets were turned into slack by Dong Tianbao's feet, and he has no

skills to return to the sky, and he is destined to never be romantic again in this life.

On the same day, Zhu Jiuling was transferred to the best hospital in Tianhai Province.

...

At this time!

Tianhai Provincial City, Zhujia Manor Mansion.

The old man of Zhu's family wished bitter meditation, wearing cloth shoes and holding a

string of Buddhist beads bracelets, sitting on the grand master's chair in the hall.

He looked at the whole family of children and grandchildren, as well as the disciples of his servants, with a green face, and said slowly: "My most beloved grandson, Jiuling had an accident in Mannity."

"The doctor told me just now that Jiu Ling can't inherit the line like a normal man in this life."

"I don't know how to describe my mood at the moment. I'm probably very angry, barely able to reach the side."

"Now, who can stand ." Come out and answer me, what has Jiuling gone through in Mannity?"

Zhu Kuchan's eldest son, Zhu Jiuling's father Zhu Fenghua, stood up with grief and anger:

"Dad, Jiuling thought that Mannity would teach Yash Nics and Dong Tianbao. But. He just looked at Yash Nics's wife, Song Pingting. He wanted to force Song Pingting to submit, but he didn't expect to be beaten by Yash Nics's reckless

man ." Zhu Jiuling claims to be a prodigal son in love, and likes to hook up with women everywhere . Zhu Jiadu is well aware.

Zhu Kuchan's face was green and said: "I have said that there is a knife on the head of the color word many times, let him play with a woman, and now let him play it?"

Zhu Fenghua said with a sad face and said, "Dad, Jiuling. It's too miserable, we can't just leave it alone!" Zhu

Kuchan asked, "Did the police from Mannity arrest Yash Nics?" Zhu Fenghua shook his

head: "No, Mannity gave it to us. The argument is that Jiuling's establishment of a bureau

that harmed Song Pingting's family is to blame. They persuaded us to calm down and stop

making trouble.”

Zhu Kuchan was furious: “It makes no sense!”

Zhu’s family is a Southern giant, a disciple. All over the south, the forces involved the three realms of black and white business.

Now that the chief heir of the Zhu family has been annulled, China Shipping has even

suggested that the Zhu family forget it?

Seeing the old man’s anger, Zhu Fenghua quickly added: “Dad, in fact, China Shipping is not

partial to Yash Nics, nor is it disrespectful to our family.”

“It is said that a leader led the troops to conduct exercises in China Shipping. China

Shipping already has two. Gang, because it was suspected of gangster actions.”

“China Shipping is probably afraid that our Zhu’s family will seek revenge on Yash Nics with

great fanfare. In case the chief is disturbed again, it may be our Zhu’s family that is unlucky!”

When Zhu Kuchan heard his son’s analysis like this, his face eased slightly.

He said coldly: “Since there is a chief of China Shipping who is leading the troops in

exercises and training, it is not suitable to avenge with fanfare, then let us take revenge in a

low-key manner.”

He said that, looking around the whole family of descendants, retainers and disciples, and

said in a deep voice: “Who originally intended to accept this task, go to Mannity to take the

first level of Yash Nics and Dong Tianbao, and avenge Jiuling?”

The One and The Only Chapter 124

soon as the words fell, there was a tall figure who stood up and said loudly and powerfully:

“Master, give me revenge for the young man, let me take care of it.”

All Everyone’s eyes are on this person, this person is called Qiu Jiahui, originally an orphan,

adopted by the Zhu family since childhood.

Qiu Jiahui was in Zhujiahui and worked as a mercenary abroad for three years.

After returning, the Zhu family paid the money, and he founded the largest security company

in China Shipping, the Brilliant Security Company.

Qiu Jiahui felt that he opened a security company in Mannity, but Zhu Dashao was

abolished in Mannity. He has an unshirkable responsibility.

Therefore, he did not hesitate to stand up at this time and expressed his willingness to

avenge Zhu Dashao.

Zhu Kuchan looked at Qiu Jiahui with relief and nodded: "I remember Jiahui, you are now

operating a security company in Mannity. Your company has many good fighters and

murderers. I will leave this to you."

Qiu Jia Hui Shen said: "Yes, sir!"

Zhu Kuchan ordered: "Remember, everyone involved in this matter must die, and they will die

very miserably."

Qiu Jiahui: "Understood!"

...

Yash Nics and Song Pingting went home.

On the way, Song Pingting looked worried, but asked Yash Nics to keep the matter of hurting

Zhu Jiuling a secret, and don't let her parents know that they were worried.

Back home, Song Zhongbin and Ma Xiaoli, who was holding Song Qingqing, greeted him

immediately.

Ask Yash Nics and Song Pingting how things are going on?

Yash Nics smiled and said: "The matter has been resolved, parents, you don't have to worry

anymore."

Song Zhongbin hasn't walked out of the shadows yet, he hurriedly asked: "How to solve it?"

Yash Nics said indifferently: "I called the police, and the police verified that the other party's

group had touched porcelain. The other party has been dealt with, and we don't have to lose money.”

Song Zhongbin and Ma Xiaoli were overjoyed when they heard this, and they repeatedly said that they were fortunate to have Yash Nics's good. Son-in-law, otherwise he would be miserable this time.

Only Song Pingting was worried and feared when the Zhu family would retaliate.

The next day was the birthday of his mother-in-law Ma Xiaoli. The family came to Rujia Restaurant and opened a private dining room to celebrate Ma Xiaoli's birthday.

There are not many styles of wine and dishes on the table, but each one is very delicate.

Ma Xiaoli, who wears plain clothes on weekdays, rarely wears a Chanel dress that her daughter bought for her today.

Ma Xiaoli is able to give birth to such a beautiful daughter of Song Pingting, she is actually very beautiful herself, but she wears plain and unremarkable clothes on weekdays.

Dressing up a little tonight is so charming that Song Zhongbin was stunned.

Ma Xiaoli was uncomfortable looking at her husband's scorching gaze. She took a look at her husband in irritation, and said strangely: “Whatever you look at, it's an old man and a wife, as if they have never seen it before.” Song Zhongbin sneered and said, “Hey, wife. You are so beautiful tonight.”

Yash Nics, Song Pingting, and even Song Qingqing couldn't help laughing. Song Zhongbin, who is honest and friendly, even knows to praise his wife.

However, Ma Xiaoli was a little bit overwhelmed, her face flushed, and she quickly turned off

the topic and said, "When did you become glib, don't bother to talk good things to people."

"Yash Nics and Xiaoting gave me gifts, even Qingqing I also drew a picture of 'Me and Grandma' and gave it to me. Where is your gift?" Song Zhongbin was dumbfounded.

In the past few years, the family situation was not good and life was tight.

He and Ma Xiaoli basically don't celebrate birthdays, let alone send gifts to each other.

This time Ma Xiaoli's birthday, he really hasn't prepared any gifts!

The One and The Only Chapter 125

Ma Xiaoli saw Song Zhongbin's appearance, she knew that her husband had not prepared any gifts for her, and her eyes could not help but reveal a touch of disappointment.

In fact, Ma Xiaoli didn't want her husband to give a formal gift, she just hadn't received a gift from her lover for too long.

Even if Song Zhongbin gave her a cheap perfume or an ordinary dress, she would be very happy.

Unfortunately, there is nothing!

Although Song Zhongbin is honest, he is not a fool. How can he not see his wife's disappointment at this time?

He felt regretful in his heart, wishing he could conjure a gift to give to his wife.

At this moment, Yash Nics, who was sitting next to him, followed the cover of the table and

lowered a gift box towards him under the table.

Song Zhongbin was startled at first, then ecstatic.

The son-in-law is still interested, knowing that he is careless, and helping him prepare the gifts.

Song Zhongbin glanced at Yash Nics gratefully, and secretly took the gift box from under the

table.

Then he smiled and said to Ma Xiaoli: "Hey, my wife, here is the gift I prepared for you. If you don't tell me, I almost forgot."

Ma Xiaoli's eyes lit up, and he said excitedly, "What gift?"

Song Zhongbin didn't know. , So she handed the gift box to Ma Xiaoli pretending to be

mysterious: "You'll know when you open it."

Ma Xiaoli opened the box and found that there was a ruby necklace lying quietly inside.

The necklace is white gold, and the ruby inlaid is estimated to be seventy carats.

"

So beautiful !" Ma Xiaoli couldn't help exclaiming.

She picked up the necklace, first felt that this pigeon blood ruby was really too big.

Women know the price of jewelry very well, even if they can't afford it, they will know it.

This is the same as a man who cannot afford a sports car but knows the price of many sports cars.

Ma Xiaoli's first thought was that such a big ruby was 70 carats, worth over 100 million!

But her husband, who has only one thousand yuan in pocket money a month, can't afford such exaggerated jewelry!

Therefore, she concluded that this jewelry, platinum necklace should be real. As for this Big

Mac ruby, it must be fake.

However, she was moved and said to Song Zhongbin: "Husband, although I know this ruby is

made of glass, the platinum necklace should cost thousands of dollars, right? I like it very much, thank you."

After that, she said. Take the initiative to kiss Song Zhongbin.

Song Zhongbin was also dumbfounded when he saw this ruby necklace, and he was

relieved when he heard his wife say that the ruby was a fake.

After being kissed by his wife, he opened his eyes and smiled, and cast grateful eyes at Yash Nics next to him. In the position of Ma Xiaoli just now, Yash Nics could not be seen handing gifts to Song Zhongbin at the bottom of the table. But Song Pingting, who was next to Yash Nics, could see clearly. Under the table, she lifted her feet toward the high heels, kicked Yash Nics lightly, and groaned: "Bad guy, don't break my dad." Yash Nics smiled and said in a low voice, "How can I, You see how happy parents are, how happy they are." Huh! call! At this moment, two black giant secret service vehicles whizzed up and stopped in front of the Rujia restaurant.

These two vehicles are the special service vehicles of Mannity Brilliant Security Company.

This special service vehicle looks similar to the police special service vehicle, and it immediately attracted the surrounding passers-by, as well as the guests in the restaurant lobby, all of whom cast admiring eyes.

Then, the tall Qiu Jiahui walked out of the special service vehicle with five of his men.

The One and The Only Chapter 126

Qiu Jiahui and his five capable men are all wearing black security uniforms similar to armed police, with the sword badge of the Brilliant Security Company on their sleeves.

Those who know know that they are security guards, but those who don't know think they are a group of special police!

It turned out that after Qiu Jiahui rushed back to Mannity from the provincial capital of Tianhai, he immediately found out the current location of Yash Nics and Song Pingting's

family.

After he learned that Yash Nics and Song Pingting's family were having dinner in this Rujia restaurant, he immediately brought five capable men to Rujia hotel with a murderous look, seeking revenge on Yash Nics.

His five subordinates are all brothers who followed him as mercenaries abroad, and they are also his core team.

Brilliant Security Company can develop into the largest security company in China Shipping.

These brothers are strong and inseparable from him.

This time he sought Yash Nics's revenge, and he took all the five most powerful brothers with him.

They all got out of the car and strode towards the lobby of Rujia Restaurant.

Many guests in the lobby looked at them in admiration, and even a little fat man couldn't help but ask his father, "Dad, what do these uncles do? It's so prestigious. They drive very well. Cool."

Dad explained, "These are special service vehicles. These should be uncle soldiers." The

little fat man opened his eyes and looked at Qiu Jiahui with little stars, admiringly said:

"Uncle, you all are soldiers? I really admire you."

Qiu Jiahui and the others are not actually soldiers, but they think that they have been

mercenaries before, and now they are doing security work, and they are considered soldiers.

He didn't explain, he just reached out his hand and touched Little Fatty's head, smiled and

said, "Go on, you will definitely be able to be like your uncles in the future."

Little Fatty was greatly encouraged, and his little face flushed with excitement: "Yeah!"

Qiu Jiahui took a few of his subordinates through the hall and went straight up the stairs to the second floor box to find Yash Nics moldy. Soon, they came to the door of the Peony Box on the second floor. Qiu Jiahui lifted his foot and banged the door of the box directly. Yash Nics and Song Pingting's family are eating happily. Unexpectedly, the door was suddenly kicked open, and the huge movement shocked the Song Pingting family. Yash Nics looked at the group of Qiu Jiahui who filed out, his face sinking, and coldly said: "Today is my mother-in-law's birthday, I don't want to get angry. No matter who you are, give you three seconds to roll." Qiu Jiahui sneered. "Oh, you hurt us, Shao Zhu, I'm here to settle accounts with you. I'm afraid it's not a question of whether you want to get angry or not, but a question of how you endure my anger."

His words just fell, and a figure suddenly appeared in front of him. Shan, Yash Nics had already arrived in front of him. What a fast speed! Qiu Jiahui's pupils dilated and his face was full of horror. Before he even had time to make any response, Yash Nics had already raised his palm and slapped his face fiercely. puff! Qiu Jiahui spouted blood mixed with a few broken teeth and flew out at an angle. He had been a mercenary for several years, but in front of Yash Nics, he had no ability to fight. Upon seeing this, several of Qiu Jiahui's companions were frightened and roared Qi Qi towards Yash Nics. However, Yash Nics was knocked to the ground in the blink of an eye.

“Today is for my mother-in-law’s birthday. I will leave you with a dog life. If there is any next time, I will never take it lightly.”

Yash Nics finished speaking, picked up a few Qiu Jiahui, and dragged them all to the stairs

Mouth, threw it down.

The One and The Only Chapter 127

lobby on the first floor of the hotel, Little Fatty’s father is carrying a bowl of food, coaxing

Little Fatty to eat: “If you want to grow up to become a man of power like Uncle Warrior, now you have to Eat well.”

“Did you know, those uncle fighters are amazing. They are all powerful martial arts, only they beat others, no one beats them...”

Before my father’s words fell, he heard a scream and wailing, and then I saw a few Qiu

Jiahui rolling down the stairs one by one.

Dad, Fatty, and all the diners in the hall opened their mouths, unable to speak for a long time.

The little fat man looked at the few Qiu Jiahui who had been beaten by Yash Nics and had a

swollen face and were thrown down the stairs by Yash Nics. His small face showed horror,

and he waved his hands again and again: “I’m not a fighter anymore, I’m not a fighter...”

Qiu Jiahui just heard the words of the little fat man, he struggled, his face was fiery.

Not only because of being injured by Yash Nics, but also because of shame and anger.

The brothers of Qiu Jiahui were equally embarrassed and humiliated.

One by one, struggling to support each other, they asked Qiu Jiahui:

“Brother Qiu, Yash Nics

is far stronger than we thought. What should we do now?”

Qiu Jiahui looked up at the second floor and said bitterly: “First

Withdraw, go back and plan

for the long term.”

...

Song Zhongbin and Ma Xiaoli were still uncertain, and they asked Yash Nics, "What's the matter?"

Yash Nics said calmly, "There was a brother who didn't open his eyes before, who wanted to bully Xiao Ting. , Was beaten by me. These eyesless guys should be trying to give the son a head." Song Pingting knew that Qiu Jiahui and the gang were here to avenge Zhu Jiuling. Fortunately, Yash Nics resolved it. Up.

Song Zhongbin and his wife repeatedly said that the current dandy disciples are really too much. They also urged Yash Nics and Song Pingting to pay attention to safety and call the police if they have any issues.

The family was disturbed by Qiu Jiahui and the others.

Plus, I was almost eating, so I paid the bill and left.

Back home, Yash Nics walked to the balcony, called Dianchu, and asked Dianchu to send more people to protect his family.

Dian Chu said yes, and then suddenly said: "Report the young marshal, do you remember

our most fierce battle at Longmen Pass in the Northern Territory?"

Yash Nics heard the words and immediately returned to the past.

The battle at Longmen Pass was the largest enemy incursion in the northern territory in the

last thirty years, and the fiercest battle broke out.

Yash Nics also shocked the world because of that battle, established the name of God of

War, and was promoted to marshal.

You will be successful!

In that battle, Yash Nics defeated the 500,000 attacking enemies with an army of 100,000.

Yash Nics became a god, but the Northern Army also sacrificed eight thousand soldiers.

That battle was Yash Nics's glory and pain in Yash Nics's heart.

Among them, Yash Nics's favorite subordinate Lin Feng, led by the Northern Army Iron and Steel Group. Two thousand soldiers, all sacrificed heroically. Yash Nics's eyes became a little misty, and her voice was still firm and steady: "Of course I remember, you don't tell me, I almost forgot that Lin Feng and the gang of brothers are from Tianhai City in the south!"

The steel group that sacrificed heroically in the past, including Lin Feng. Among them, most of them are from Tianhai City.

Dian Chu asked cautiously: "Southerners miss their old feelings the most. Tomorrow is the Lunar New Year's Day on July 15, which is also commonly known as the Ghost Festival. Every family here will burn paper at night to commemorate the dead relatives."

"Subordinates know, Lin Tuan. The commander is the most loved subordinate of the young commander. So I ask, shall we follow local customs tomorrow and burn paper for the brothers who sacrificed in the past?"

Yash Nics said in a deep voice, "Everyone knows that the Northern Territory fought until dawn, but they don't know. I hang white silk in every household in the south."

"Tomorrow you will accompany me to Tianhai City. I want to visit the family of Brother Lin Feng. At the same time, I will burn paper by the Qingxiu River to pay homage to the heroic spirits of the brothers who sacrificed in those years."

Dian Chu: "Yes!"

The One and The Only Chapter 128

next day, after Yash Nics greeted Song Pingting's family, he took a regular flight with Dong

Tianbao to the provincial city of Tianhai.

As for Dianchu and Bahuwei, as well as the two thousand northern soldiers of the Raptors

Special Forces Regiment, they will take another military plane and arrive at Tianhai.

When Qiu Jiahui learned that Yash Nics and Dong Tianbao had gone to Tianhai, he was both surprised and pleasantly surprised.

To my surprise, Yash Nics and Dong Tianbao offended the Zhu family, and even dared to go to Tianhai City. Didn't you know that the base camp of Zhu's family was in Tianhai City?

Surprisingly, Yash Nics and Dong Tianbao left Mannity, so it was better to deal with them.

Qiu Jiahui immediately summoned the three hundred men of the brilliant security company, and all followed him to Tianhai.

He wants to perform well at the door of the master's house and avenge the young master Zhu.

After Yash Nics and Dong Tianbao came to Tianhai, they first visited the families of the sacrificed comrades as ordinary comrades in arms.

When Yash Nics and Dong Tianbao visited the families of these martyrs, they secretly paid attention to whether these families had any difficulties.

If there were any difficulties, he wrote them down one by one, and then went back and ordered Dian Chu to send someone to solve it.

In the afternoon, Yash Nics and Dong Tianbao came to Lin Feng's house. When Lin Feng died, Yash Nics ordered a double pension, which was two million.

In addition, Yash Nics also privately paid out one million, a total of three million, and sent Dianwei to personally give the pension to Lin Feng's parents.

But now, when Yash Nics and Dong Tianbao came to Lin's house, they were taken aback by the dilapidated old house in front of them.

The original intention of the pension is to make the families of the martyrs less financially burdened.

But the Lin family, why is the place where they live is still so shabby?
Yash Nics frowned and brought Dong Tianbao closer.
The door of this old house was open, and fierce quarrels faintly came from the living room.
It turned out that it was Lin Feng's parents, Lin Shuizhu and Feng Yuee were arguing with their nephew Lin Qiang.
Lin Shuizhu and his wife had only one son like Lin Feng. After Lin Feng died, they broke off.
The couple felt that no one would send it off after a hundred years, which is also an extremely sad thing.
So he considered taking Lin Qiang, the nephew of the same clan, as their son.

This is a good thing, but it's a pity that Lin Qiang is so lazy, idle, and gambling.
In the past two years, Lin Qiang has lost millions one after another. Every time he loses money, he comes to ask Lin Shuizhu and his wife for money.
Poor Lin Feng's pension was all lost by Lin Qiang.
However, Lin Qiang didn't stop there. Recently, he owed another 300,000 gambling debts. In desperation, he came to ask Lin Shuizhu and his wife for money.
Feng Yuee's grief came from it, and she cried: "What kind of evil our family made!" Lin Qiang said with a curled lips: "Mom, it's useless to cry. I bet I don't want to win more to provide you with old age, my luck is not good. What is the solution, you can give me money and I will pay off the debt."
Lin Shuizhu said angrily: "We are really blind, so we will recruit you as a stepson. We have no money anymore. Get out of here!"
Lin Qiang frowned and said, "Dad, The stepson is also your son."
Lin Shuizhu said bitterly: "How much money you lost in the gambling, our family's money is all let you lose,

hurry up , and there is no money.” Lin Qiang anxiously said, “I have a gambling debt. , I owe Brother Dafei. If I don’t pay the money in time, they will kill me.”
Lin Shuizhu: “That’s your fault.”
Lin Qiang was frightened and furious: “Mom and dad, if I have any shortcomings. You guys. After you die, no one will give you the end, and you will be the graves of the dead!”

Yash Nics and Dong Tianbao outside the door, when they heard this, their eyes were angry.

Lin Shuizhu and his wife were both furious. He said loudly, “You don’t need to worry about it, and there is no money in the family. Feng’er’s pension has already been lost to you, so how can we still have money for you to gamble? Debt?”
Lin Qiang cried, “Isn’t there still this ancestral house? Didn’t Big Fei say that this piece of land will be developed before?”
“The demolition is estimated to be one or two million, or let’s pay the ancestral house to the university. Brother Fei is fine. Not only can they pay off their gambling debts, but they can also get a sum of money.” When Lin Shuizhu and his wife heard Lin Qiang’s words, they trembled with anger: “You bastard, you have such an idea. Are you still a human being?”
“I am your stepson, ” Lin Qiang said eloquently, “I am your stepson. Anyway, you are dead, and this house will belong to me sooner or later. What’s wrong with me selling it now...”
Lin Qiang stopped before he finished speaking, because of him. I saw two strange men coming in.
Of these two men, one is tall and tall, with eyes like stars; the other is burly, with spouting muscles.
It is Yash Nics and Dong Tianbao!

Lin Qiang frowned when he saw Yash Nics two, and asked in a bad tone, "Who are you?"

Yash Nics said

coldly, "I am Lin Feng's comrade-in-arms. I came here to watch Lin Feng's family." Lin

Shuizhu and Feng Yue'e listened. Saying that Yash Nics and Dong Tianbao are Lin Feng's

friends, they quickly wiped away the tears from the corners of their eyes, greeted them, and

said enthusiastically: "It turns out that they are A Feng's comrades in arms, please come in and sit down."

Lin Shuizhu said embarrassedly, "There is nothing to entertain at home. Everyone, I'm so sorry."

Yash Nics said with a smile: "Auntie, my name is Yash Nics, and his name is Dong Tianbao.

We are brothers with Lin Feng, our own family, don't treat us as outsiders."

Lin Qiang saw that Lin Shuizhu and his wife left him and greeted Yash Nics and Dong

Tianbao enthusiastically. He was displeased and shouted: "Parents, leave them alone as

poor soldiers. Let's continue to discuss the mortgage of the house." "

Lin Shuizhu said coldly without discussing it, and then told Yash Nics that he was going out

outside the grape shed to pick two bunches of grapes to entertain everyone.

Feng Yue'e also went to boil water, making tea with Yash Nics and Dong Tianbao.

Lin Qiang saw that Lin Shuizhu and his wife refused to sell the house to repay his gambling

debts, his face was ugly, and he cursed and said, "Two old men are not dead!"

Yash Nics, who was sitting next to him, looked at Lin Qiang's eyes, flashing a cold light. .

Lin Qiang saw Yash Nics look at him and stared, "What to look at?"

Yash Nics's mouth raised slightly, and pointed to an ashtray not far away:
"You can help me
pass it over!"

Lin Qiang was shocked when he heard the words. I thought: You need to
use an ashtray for
smoking, ah, this product is quite hygienic.

Thinking like this, he picked up the ashtray on the desktop and handed it
to Yash Nics: "Here
you!"

Yash Nics took the ashtray and hit the kid's forehead with his backhand.
With a snap, the ashtray was torn apart, and Lin Qiang's head was
dripping with blood, and
he fell screaming.

Yash Nics stood up with a full face of anger: "Lin Feng is my brother, and
his parents are my
parents."

"You awkward thing, what right do you have to defeat the pension
money my brother left to
his parents?"

"You actually paid it back? I want to force two old people to sell their
houses to pay you back their gambling debts!" Yash Nics picked up the
other person, and
slapped the other loudly with a crackling backhand, slapped him with a
bruised nose and
swollen mouth, and his mouth was full of blood.

Li Shuizhu, who was picking grapes outside the house, and Feng Yuee,
who was boiling
water in the kitchen, hurried to hear the movement.

When the couple saw Yash Nics yelling and scolding Lin Qiang while
slapped Lin Qiang, they
were shocked and even forgot to persuade them to stop.

Yash Nics slapped Lin Qiang a few times, and then said coldly: "I'll give
you a chance now,
spit out what I just said wrong, and say it again. If there is one sentence
that makes me
dissatisfied, I will invalidate you."

The One and The Only Chapter 130

Lin Qiang is a scumbag, how can he withstand Yash Nics's murderous aura, and where can

he stand Yash Nics's repair?

He just cried and confessed, and repeatedly said: "I was wrong. I shouldn't gamble. I

shouldn't use Feng's pension to pay off the gambling debt. I shouldn't sell the house more than my parents..."

Yash Nics said coldly: "More!"

Lin Qiang was dumbfounded, he couldn't remember what else was wrong.

Yash Nics slapped Lin Qiang two more backhands, knocking out a few of Lin Qiang's teeth,

and said indifferently: "Who did you just say that no one will send it to the end?"

Lin Qiang said quickly, "Yes, after my parents passed away, I This son will put on hemp and

filial piety to send off the two elders..."

Yash Nics lifted his foot, kicked it away, and said in a deep voice, "What are you worthy of

being the son of uncle and auntie?"

"I am in sympathy with Lin Feng Brother, from now on, my uncle will be my dad, and my aunt will be my mother."

"From now on, I will be filial to their two elders. Even if they are a hundred years later, Yash

Nics will send them the end. You will get out of here!"

Lin Qiang clutched his injured chest, embarrassed Escape.

After escaping, he turned around and cursed: "You two old things, do you really take this guy

to be filial to you?"

"He didn't want your money yet, and knew that your ancestral house was going to be

demolished, so he recognized you. When you're a parent, just wait and regret it."

Lin Qiang finished speaking and left in a desperate manner.

Lin Shuizhu stared at Yash Nics closely, as if to prove something?

Yash Nics smiled bitterly: "Uncle, I'm not a liar."

Lin Shuizhu suddenly became excited: "You are a young marshal, you are a young marshal of the North, A Feng's chief is really you. A Feng showed me you once before. He said that you are the hero he admires most!"

Yash Nics did not expect Lin Shuizhu to recognize his true identity. He shook his head and said softly: "I am not a hero. My glory belongs to all fighters, including those brothers who sacrificed on the battlefield."

"What I just said is serious, Dad, Mom, Afeng is gone. !, after I am your son, "

Qiu Jiahui took three hundred of his men and arrived at the Tianhai Provincial Airport in the evening.

When they first arrived at the airport, many military transport planes roared past in the sky, which made him and the people at the airport a little surprised. Tianhai is a provincial capital, and Tianhai Airport is also a dual-use airport. It is normal to encounter military transport aircraft here.

However, there are more than 20 military transport aircraft at one time, which is a bit rare.

Qiu Jiahui watched the continuous landing military transport planes, and even saw a large number of special forces regiment soldiers getting off the transport planes in an orderly manner.

He could not help muttering: "So many soldiers, but also to see the Raptors sleeve emblem on their sleeves, should be affiliated with the Northern Territory Theater Toronto Special Corps, Army of Northern Territory appears to have somebody to-day sea-ah!"

He As soon as he muttered, he saw an extraordinarily burly school officer appearing in his field of vision.

What made him even more unexpected was that the school officer, who exuded a terrifying aura, looked towards him intentionally or unintentionally, just looking at him.

This burly school officer is no one else, but Yash Nics's guard captain, Dian Chu.
