

Chapter 1241: Jumped Into the Water

Therefore, today, she had to find Bai Beibei and ask her about it.

“What? Beibei, you’re staying at Young Master Gong’s place? What’s going on between the two of you?”

Bai Beibei straightened her slender back and said with clear eyes, “Your parents chased me out. It was Young Master Gong who saved me. I’m staying at his place as a nanny now. We’re not the kind of relationship that you think we are.”

A nanny...

Bai Qi didn’t believe this nonsense. What kind of housework could this 18-year-old girl do? When she closed the door, she might use some seductive means to seduce Young Master Gong into bed.

Bai Qi looked at the girl’s jade-like face, which was full of collagen and she looked pure and lovely. She had to admit that she was not as beautiful as she was.

Bai Qi was so jealous that she felt itched.

However, she didn’t show it on her face. She pretended to smile and said, “Beibei, you’re working as a nanny at Young Master Gong’s place? Aiyo, how can you work there? How much does he pay you? I’ll pay you. Hurry up and move back here.”

“There’s no need of it. I’m living very well at Young Master Gong’s place. I won’t go back to the Bai family.” After saying this, Bai Beibei lifted her feet and left.

“Beibei.” Bai Qi grabbed her and not letting her leave, “Beibei, didn’t you want to earn money? Now that I’ve given you the money, why aren’t you willing to leave Young Master Gong? I think you know my relationship with Young Master Gong. Do you think it’s appropriate for you to live in his house?”

Bai Beibei furrowed her beautiful brows. “Young Master Gong said he’s not my brother-in-law.”

These words made Bai Qi feel embarrassed. Was this girl from a lowly background here to mock her?

“Beibei, what do you mean? Young Master Gong’s father has always hoped that I can marry Young Master Gong. With the support of two families, I’m slowly getting along with Young Master Gong. However, aren’t you going too far if you interfere like this ?” Bai Qi retracted her smile, she looked at Bai Beibei aggressively.

This family thought that she and Young Master Gong were inextricably linked. Even if she wrung her tongue, she wouldn’t be able to explain it clearly, so Bai Beibei might as well not say anything.

“I’ll be leaving first.” Bai Beibei tried her best to withdraw her little hand.

Seeing that she resisted and was no longer obedient, Bai Qi’s eyes flashed with a vicious light.

She looked ahead and saw that two female students were hiding behind the rockery in front of her. When the female students received Bai Qi's gaze, they immediately ran out.

"Bai Beibei, you're not going to deny it, right? I have a photo here, take a look!"

A female student took out a photo.

Bai Beibei looked up. It was as if she had been pushed into an abyss. Her entire body was cold. This photo was real. A few men were standing at the door. It was a back view, but her face was revealed. She was receiving a check.

The image that she had tried so hard to forget over the past month had been revealed once again. It was even done in such a way that she felt ashamed.

The bloody wound in her heart was exposed under the sun, and she was being pointed by the public.

Her brain buzzed.

Bai Beibei lifted her foot. She wanted to escape.

Bai Qi did not stop her. She retreated to the side and watched the show.

At this time, eight or nine idle second-generation rich kids gathered, including Young Master Sun.

Bai Beibei's hands and feet were trembling. She wanted to cover her ears and not listen to them. She only wanted to leave.

She wanted to hide alone and lick her wounds slowly.

However, Young Master Sun stood in front of her.

"Don't be in such a hurry to leave." Young Master Sun couldn't help but reach out to touch Bai Beibei's pretty face.

Bai Beibei quickly took a few steps back and stared at Young Master Sun cautiously.

"Everyone, look, she's even pretending it." Young Master Sun laughed evilly. He walked forward and grabbed Bai Beibei's wrist.

"Hahaha." The onlookers were all laughing.

Only now did Bai Beibei realize that the embarrassing moments in her life would only get more one after another.

"Let go of me!" She wanted to use all her strength to shake Young Master Sun's hand off.

At this moment, the red rope on her slender wrist loosened and fell into Young Master Sun's hand.

"What is this?" Young Master Sun looked at it in his hand.

Bai Beibei was shocked and quickly rushed forward to snatch it. "Give it back to me! Quickly give it back to me! This is mine!"

"I can give it back to you. Come and get it yourself."

Young Master Sun waved his hand and threw the red rope into the fountain in front of him.

Bai Beibei ran forward. She watched helplessly as her red rope bracelet was thrown into the water and disappeared.

Without any hesitation, she jumped down.

A layer of spray was created on the surface of the water.

“Look, Bai Beibei jumped into the water.”

“It’s just a broken bracelet with a tiny golden peanut on it. How much can it be worth?”

...

Underwater.

Bai Beibei felt a bone-chilling cold. It was autumn, and the water was so cold.

She couldn’t swim, and no one had ever taught her to swim. Her childhood had been locked in the three-room flat house, and she could not afford it when she was an adolescent. So when she jumped into the pool, her entire heart and lungs were choked with water.

Chapter 1242: He Saved Her Again

It was awful.

Her vision was blurry, and her body was sinking. She tried to find her bracelet in the water.

Where was it?

Where was it?

This was something more important than her life. She couldn’t throw it away.

Suddenly she saw the red colour. Her bracelet was lying quietly at the bottom of the pool.

She was overjoyed. She waved her hands and feet to swim there. Then she picked up the bracelet and held it tightly in her small palm.

She found the bracelet. She wanted to swim upstream.

But her hands and feet were numb. She couldn’t swim anymore.

What could she do if she swam up?

All people were watching the show outside. The photos were all exposed. She had nowhere to hide her darkness. Suddenly, she felt so tired and tired from living.

That was it. She didn't have the face to go out. She didn't want to go out either.

She missed her Grandma so much.

If she died just like that, the only thing she cared about was her Grandma. Would her grandma cry? Would there be anyone to take care of her grandma for her in the future?

Also, Young Master Gong...

That handsome face appeared in her mind. She couldn't repay the money she owed him. Would he be angry? If... If he knew the news of her death, would he be sad?

Would he be even a little sad for her?

Would he forget her in the future?

Would he forget that such a person had once appeared in his life?

Yes, he would forget her. He would see that photo too. She was an embarrassed person!

Bai Beibei felt as if a knife was stabbing into her heart, causing her so much pain that she wished she could die. He was such a noble and clean person. She wanted to maintain a good impression in front of him, but it was over.

She felt tears welling up in her eyes. Boiling tears slid down from the corners of her eyes and sank into the icy cold water.

Her body continued to sink. She held the red bracelet in her arms and gently closed her eyes. She silently chanted in her heart, Gong Yi, Gong Yi...

At this moment, a strong arm suddenly wrapped around her slender waist. She was pulled into a wide embrace.

Who was it?

Bai Beibei opened her eyes with difficulty. The man she had been missing just now appeared in front of her eyes.

It was Gong Yi.

He came and saved her.

Was it an illusion?

It looked like she was really going to die.

Bai Beibei slowly stretched out her two small hands and hugged the man's neck tightly. She would die just like that. It was so blissful to be in his arms.

...

With a splash, Gong Yi came out of the water and carried Bai Beibei onto the shore.

He placed the girl gently by the side of the pool and knelt on one knee. Sparkling water dripped down from his body. He reached out and patted her little face. "Bai Beibei, wake up. Open your eyes."

The girl did not react. She seemed to have fallen asleep, and there was a slight smile at the corner of her mouth.

"Bai Beibei!" He growled. Then, his two large palms overlapped, pressing the water in her heart.

"Bai Beibei, don't die! Open your eyes quickly, I don't want you to die!"

The water could not come out. Gong Yi bent down and used his slender fingers to pinch open the girl's cold, white little mouth. Then, he covered her thin lips and gave her mouth-to-mouth resuscitation.

Don't die!

He wouldn't let her die!

This scene caused everyone to gasp. All the friends stared blankly at the scene in front of them. Young Master Gong... kissed Bai Beibei.

This favoured son of heaven, the Prince Charming in the hearts of all the socialites of the capital, rode his white horse and landed beside this lowly Bai Beibei.

It was as if he didn't notice them. He focused on giving Bai Beibei mouth-to-mouth resuscitation and pressing down on her heart and lungs. It was as if he would keep repeating these actions if Bai Beibei didn't wake up...

Bai Qi, who was at the side, saw this scene too. Her hands that were hanging by her side were clenched into fists, and she dug her nails deep into her palms.

She heard from her mother about everything that had happened in the hospital, and how Gong Yi protected Bai Beibei. She didn't believe it, she didn't believe it. Bai Beibei was just a little b*stard, how could she receive Young Master Gong's favour?

Before she came to school, she made some preparations. She handed the photo to the two girls. With a look from her, these two girls would rush out and destroy Bai Beibei's reputation.

The photo was taken by herself. The old woman was sick and had to be hospitalized for a heart operation. She watched coldly as Bai Beibei was anxious for money. She followed Bai Beibei and watched Bai Beibei entered the bar. Then, the lady boss urged her to sell her body. She was stupid. She had asked for a million, and the Lady Boss had secretly taken three million.

A pure and innocent girl like her was the love of those big shots. She didn't even know how much she was worth.

She had been following Bai Beibei secretly. In fact, she was curious about who the man in the room was. She wanted to wait for the door to open to see his real face, but she was discovered by the bar security and was chased out.

She had no choice but to send people to inquire about the man in the room. However, that man was a VIP customer of the bar. His information was sealed and rather mysterious, so no one could find out.

She could only give up.

It was enough for her to have this photo. She was just waiting for Bai Beibei to disobey her and take out the photo. She wanted her reputation to be ruined!

However, she didn't know when Gong Yi liked her.

Just now, she proudly watched Bai Beibei jump into the water. Since she was useless, she would just let her die. However, Gong Yi appeared. Without saying a word, he followed Bai Beibei and jumped into the pool.

All of this shocked her. She couldn't believe it.

At this moment, with a "Wah" sound, Bai Beibei spat out the water.

"Look, Bai Beibei is alive!"

Bai Qi looked forward.

Bai Beibei slowly opened her eyes. "Cough, cough." She began to cough, almost coughing out her heart and lungs.

"It's okay, just cough it out." A large palm gently patted her back.

Bai Beibei looked up and saw Gong Yi.

She was shocked. Wasn't that a dream?

He really saved her.

She felt dizzy and her delicate body fell down.

She didn't fall to the ground but fell into the man's broad arms. Gong Yi hugged her tightly. "Do you feel any discomforts? Hold me, I'll carry you away now."

Gong Yi carried her in his arms.

Bai Beibei reached out her cold hands and slowly hugged his neck. Then, she buried her face deep into his arms.

His embrace was wide and warm, making people feel attached to him. Right now, she did not need to think about anything. All she needed to do was quietly lean against him.

Gong Yi's heart was fiercely stung when he saw her being so weak, tired, and docile. His heart was about to melt from the pain.

This little girl made people feel so sorry for her.

He spread his long legs and walked forward.

Everyone gave the way obediently. "Young Master Gong, wait a moment!" At this moment, Bai Qi rushed out.

Gong Yi looked at Bai Qi, his long and narrow black eyes emitting a cold and sharp light. He moved his thin lips and said with a faint smile, "Get lost !"

In one word, it was simple and easy to understand.

Bai Qi's face was deathly pale.

She refused to admit defeat. She couldn't let Gong Yi carry Bai Beibei away like this. There were tens of millions of bugs crawling in her heart, making her Itchy and hateful.

Chapter 1243: Getting Warm

"Young Master Gong, do you know what kind of person Bai Beibei is in your arms? She's not clean anymore. She went out to sell herself. I have photos to prove it. Someone gave her a cheque for a million dollars. She entered a man's room."

As soon as she finished speaking, Gong Yi felt that the girl in his arms was as stiff as a rock.

Her slender white fingers tugged at his collar, tightening bit by bit.

Gong Yi pursed his thin lips, then looked at Bai Qi. He said sinisterly, "Since you managed to get the photo, why don't you go and find out who the man in that room is?"

Bai Qi froze. She felt Gong Yi's eyes had something that she couldn't understand.

Could it be that she had missed something?

Gong Yi carried Bai Beibei forward and came to Bai Qi's side. "Oh, I forgot. You must have checked, but you couldn't find anything. Now, I'll make an exception to satisfy your curiosity. The man in that room is me!"

What? ??

Everyone was shocked.

Bai Qi took a deep breath and staggered back a few steps.

Everyone couldn't believe that Gong Yi was the buyer.

Did a man like him need to buy women?

As long as he moved his fingers, there would be plenty of women who wanted to climb into his bed.

"Young Master Gong, you... you... how could you do this? Have you forgotten? We..."

"What's wrong with us?" Gong Yi asked.

"We're going to get married. Your Father..."

“Bai Qi, who said we’re going to get married? My Father? Then go find him and let him be responsible for you.” After saying that, Gong Yi carried Bai Beibei and walked forward.

When he reached Young Master Sun’s side, Gong Yi glanced at Young Master Sun lightly.

Young Master Sun’s heart sank, and he quickly smiled obsequiously. “Heh, Young Master Gong, I think we have some misunderstanding. I...”

Gong Yi had lifted his foot and left.

.....

Gong Yi gently put the girl in after he opened the rear door of the Lamborghini.

He turned around and returned to the driver’s seat. He turned on the heater and reached out to throw the thin black coat on the passenger seat behind him. He said snappily, “Take off your clothes. Wear this first.”

Take off her clothes?

Bai Beibei’s face turned even paler. She refused and hugged herself with her slender arms. She looked out the window awkwardly.

“What are you thinking? I told you to take off your clothes because I was afraid you’d catch a cold. What’s so special about your bean sprout-like figure? Do you think I like looking at it?”

Bai Beibei’s eyelashes fluttered. That’s right, she was thinking too much.

He was such an upright gentleman, he wouldn’t want to look at her.

Gong Yi saw that she didn’t move and he was burning with anger. He turned around and said in a more serious tone, “Bai Beibei, what do you want to do? Your body and your life are yours. If you don’t cherish it, who else will?”

Bai Beibei lowered her head and said softly, “My... hands and feet... are numb...”

Gong Yi was stunned. A few seconds later, he opened the car door.

The seat beside Bai Beibei was put down, and a fair, slender hand reached out towards her collar.

She was shocked. “What are you doing?”

“I’ll help you.”

“No!” Bai Beibei reached out to open the car door.

“Please, save some dignity for me...”

Initially, Gong Yi was angry. After work, he came to pick her up from school. However, he had waited outside the gate for so long, but she was nowhere to be seen.

Thus, he entered the school to look for her.

From far, he saw a group of people surrounding her. Then, a petite figure jumped into the water.

He ran forward and jumped in as well. In the water, he watched her sink to the bottom. She didn't know how to swim, and she didn't struggle nor paddle upwards. She wanted to die.

How could he not be angry?

Along the way, he had been holding in his anger, and his words towards her had been harsh. But now, he froze when he heard her saying those words.

He finally understood what that night meant to this girl.

That was the darkness and humiliation that she was unwilling to face.

Gong Yi felt he was in a mess. He raised his hand to touch the water droplets on his handsome face. What should he do? What should he do? He couldn't go back in time.

Right now, he could not say anything.

That man was him. He did not dare to tell her either.

Gong Yi held onto her shoulders and spoke gently. He coaxed her softly, "Sorry, I spoke too harshly just now. That's because I was afraid that you would really die... take off your clothes. If this continues, you will definitely catch a cold. I'll close my eyes and not looking at you."

Bai Beibei lowered her head and refused to speak.

Gong Yi closed his eyes and unbuttoned her buttons one by one.

He held her waist and pressed her into his embrace. "Don't be afraid. I won't hurt you. You need to get warm. It's the best way to get warm when two people hug each other."

Their bodies pressed against each other.

Bai Beibei couldn't even breathe. Her body was stiff and she didn't dare to move. She didn't even blink.

"Is it... warmer?" His voice was completely hoarse. He reached out and pressed her stiff little head onto his handsome shoulders.

Chapter 1244: 18th Birthday

Bai Beibei lay on his shoulder and slowly closed her eyes.

Her breathing was trembling, and her cold blood quickly heated up. She did not know whether it was because the man's warm body temperature warmed her, or because she was so ashamed that her entire body was burning up.

The current position of the two of them was indescribably ambiguous.

"I... am done," she said softly in a short while.

Hearing her soft voice, Gong Yi's Adam's apple bobbed up and down. She was indeed done, she was warm, and he was hot now. Their body temperature rose drastically as both of them were tightly hugging each other under the black coat.

Before he was about to lose control, he carried her down, opened the car door, and returned to the driver's seat.

"Let's go back now."

"Okay," Bai Beibei replied.

The Lamborghini drove out.

Gong Yi glanced at the girl behind him through the rearview mirror. She leaned against the car window and looked outside. Her pale face had a hint of pink steam, but at this moment, she was quiet and soft.

Suddenly, she moved, as if she saw something interesting outside the window.

He followed her gaze and saw a cake shop outside.

There were many cakes in the glass window, and they looked very tempting.

Did she want to eat cake?

...

In the apartment.

Both of them returned to their own rooms. They both needed to take a hot shower and change into clean clothes.

Bai Beibei went out of the room first, but Gong Yi hadn't come out yet.

There was a "ding ling" sound and someone was knocking on the door.

"He's here." She quickly ran down and opened the door.

The door opened, and a delivery man was standing outside. "Hello, the cake you ordered has arrived."

The cake.

Bai Beibei was stunned. "I didn't order it."

"I ordered it."

Bai Beibei turned around. Gong Yi was standing upstairs. He had changed into a blue shirt, and his face was warm and handsome after taking a shower.

He looked down at her, his eyes gentle. "I saw you looking at that cake shop for a long time. Don't you want to eat it?"

He noticed that.

Bai Beibei signed for the man and took the cake. She closed the door, looked at him, and was about to speak.

Gong Yi put his hands in his pockets. "Do you want to thank me, or do you want to pay me back in the future?"

She always said these two sentences.

"Neither." Bai Beibei shook her head gently. She looked at the cake in her hand. "Today is my 18th birthday."

Gong Yi froze.

Bai Beibei placed the cake on the coffee table in the living room. She did not sit on the sofa. She sat cross-legged on the soft wool carpet and opened the cake box. Her eyes were bright as she looked at the colourful princess cake.

She stretched out her slender little finger and picked out a side of cream and put it in her mouth. MMM, it was delicious.

Gong Yi walked beside her and looked down at her eating the cake with her head lowered. She was like a little girl who had never eaten a cake before. She cherished every bit of cream she ate.

18 years old birthday...

This was a very important birthday for a girl in her life. How did other girls spend their days? Being surrounded by their parents, having a party, or going on a trip. No matter which method they used, they would not be as extravagant as this girl who ate a cake.

Gong Yi squatted on one knee and clapped his two big palms together to create a lively tune. He sang softly, "Happy Birthday to you, Happy Birthday to you, Bai Beibei, I wish you a happy birthday."

It was a standard English accent, in a warm and casual tune. This was the best happy birthday song that Bai Beibei had ever heard in her life.

She looked back and smiled brightly. "Young Master Gong, thank you."

Gong Yi did not say anything.

Bai Beibei used her slender white fingers to pick up a little more cream. This time, she brought it to his lips. "Do you want to eat it?"

Gong Yi opened his mouth and ate the cream on her fingers.

Looking at his smooth and perfect facial lines, and her fingers accidentally touching his tongue, Bai Beibei felt a little sweetness in her heart.

"This is my second birthday cake."

"HM?"

Gong Yi looked up. The girl's eyes were dark and bright, full of colours.

She hugged her knees and said, "When I was 16, on my birthday, my mother suddenly came back. She came back from the mental hospital. That day, she didn't go crazy. She bought me a birthday cake and gave me a birthday present. It was this small bracelet on my hand."

Bai Beibei reached out and gently touched the little red bracelet on her wrist, "That day, I was really happy. I've never been so happy. My mother was so good to me, so gentle. She and my Grandma celebrated my birthday and even sang for me. She hugged me in her arms and touched my head. She told me, Beibei, I'm sorry."

"I didn't want her to say sorry. I just wanted my mother to be by my side. That day, my mother's embrace smelled so good. I didn't want to be separated from her... but, she still returned to the mental hospital. The next morning, I heard... I heard that she... died..."

"I went to the mental hospital to see her. The director didn't let me in. The director said that my mother's body had been burned according to the rules. I . . . didn't even see my mother's last face."

"I never believed that my mother died. That day, she was fine. After she died, I became an orphan..."

Bai Beibei buried her little face in her knees. In that instant, tears streamed down her face.

Gong Yi's eyes were filled with his heartache. No wonder she was willing to give up her life just to find this red bracelet because this was something her mother had given her.

The only thing.

All those years, her mother had scolded her and beaten her, but these did not matter to her. Even if her mother was a mentally ill person, she was still her mother.

She wasn't an orphan with her mother around.

Gong Yi slowly reached out his big palm and held her soft hair. "Beibei, if you want to cry, just cry. It'll make you feel better."

Bai Beibei moved. She pressed her little head against his chest and burst into tears.

Gong Yi stretched out his long arms and hugged her tightly, pulling her into his embrace.

...

The next day at noon.

Bai Beibei slowly opened her eyes. Her eyes were swollen and dry. It was because she had been crying for the whole night.

She looked out of the window and quickly jumped up from the bed. The sun was shining brightly outside. What time was it?

10:30!

Oh My God, why did she sleep for so long? She was about to turn into a little pig.

Bai Beibei quickly got up, washed up, and then opened the door. The apartment was empty, and Gong Yi was not there.

There was a cake on the coffee table in the living room that only touched by two little fingers...

All of Bai Beibei's memories came back. Last night, he had accompanied her on her birthday and even made her cry in his arms. Then, and now.

Last night, she cried herself to sleep. Was he the one who carried her into the room?

Bai Beibei's heartbeat instantly became chaotic.

Her mind was filled with Gong Yi's handsome face. When she was homeless, he had taken her in; when Qian Lan made things difficult for her in the hospital, he had helped her out; when he followed her back to the village, he jumped into the water to save her, and now, he had accompanied her on her birthday...

Chapter 1245: Changing Schools

Why was he so good to her?

Bai Beibei was sweet and touched.

After getting rid of the handsome face in her mind, she started to pack up the cake, clean up, and finally cooked her lunch.

She was done after cooking a beef vermicelli soup and stir-frying vegetables. Bai Beibei opened the apartment door and went to the mailbox to get today's newspaper.

When she returned to the living room, she opened the newspaper and saw herself on today's entertainment headlines.

It was a photo. Gong Yi just saved her up from the fountain. She was lying on the ground. Gong Yi was on one knee performing mouth-to-mouth resuscitation on her. Their lips were pressed together...

Bai Beibei's little face instantly burned. She looked at their lips in shock.

Did they... kiss indirectly?

It was so embarrassing.

Bai Beibei's heartbeat like a drum immediately.

At this moment, with a "Kacha" sound, the door to the apartment was opened and Gong Yi walked in.

He stood at the entrance and changed his shoes. His narrow eyes looked at the girl. "What are you looking at?"

"AH." Bai Beibei quickly hid the newspaper behind her. She averted her gaze and shook her head. "No, I'm not looking at anything."

Gong Yi could tell that she was lying the moment he saw her expression. Her two little hands were hiding something behind her back. However, he didn't say anything. "Is the meal ready?"

"Yes."

"Then let's eat." He spread his long legs and walked towards the dining room.

Bai Beibei let out a sigh of relief. She turned around, wanting to hide the newspaper.

But at this moment, a long arm came over and took the newspaper from her hands.

Bai Beibei was shocked and immediately stood on tiptoe to cover his eyes. "Don't look! Give it back to me!"

Gong Yi had seen it. On the newspaper was a photo of him giving her mouth-to-mouth resuscitation.

She was looking at this?

Her small hand covered his eyes. It was small and soft. He pursed his thin lips and said in a low voice, "Bai Beibei, are you getting fearless now?"

Bai Beibei realized that her actions were inappropriate. She immediately retracted her hands. "Young Master Gong, I'm sorry."

Gong Yi threw the newspaper on the sofa and then turned around to walk towards the restaurant. He explained in a serious tone, "Don't overthink it. I'm giving you mouth-to-mouth resuscitation to save you."

The blush on Bai Beibei's face faded a little. She wasn't overthinking it.

She knew that he wouldn't be interested in her. She wasn't worthy.

"Oh, I got it."

"Then come over and eat."

"Okay."

.....

Both of them began to eat. Gong Yi looked up at the girl across from him. She was eating white rice with her head lowered. She was too embarrassed to even lift her head.

He sighed in his heart. She was like a little rabbit. She could be scared out of her wits.

"Aren't the dishes a little salty today?"

"Ah?" Bai Beibei looked up. She picked up the dishes with her chopsticks and tasted them. "No, I think it's just right."

He was lying to her. Her culinary skills were excellent and could satisfy his stomach.

He just wanted her to eat more dishes.

"Since you think it's just right, why don't you eat the dishes?"

“Oh, I’ll eat.” Bai Beibei nodded obediently.

Gong Yi was satisfied in the end. “After dinner, I’ll bring you to a place.”

“Where are we going to?”

“You’ll know once you get there.”

.....

The Lamborghini stopped, and Bai Beibei got out of the car. She stared blankly at the university in front of her.

XX University was a first-class university in the capital and the school for her college entrance examination.

“Let’s go.” Gong Yi took off and walked forward.

“Hey, Young Master Gong, why did you bring me here?”

“Of course for you to go to school. Do you want to go back to that trashy school?” Gong Yi asked back.

“But, can I go to this school?”

“Didn’t you get enrolled into this school?”

“They took away my offer letter...” “They” were referring to Bai Shida and Qian Lan.

Gong Yi reached out and held her delicate little hand. “There’s a record in the school. Don’t worry, let’s go.”

His strides were huge, and Bai Beibei had to jog to keep up. Along the way, she met a lot of students, and everyone was gossiping —

“Oh my god, do you know who I saw, Young Master Gong! And that girl he gave mouth-to-mouth to resuscitation, Bai Beibei!”

“No, they were holding hands. It was caught off guard that I witnessed them showing off their loves.”

Bai Beibei’s little face was so red that it was about to bleed. She stole a glance at her small hand, which was tightly wrapped in his large palm.

He was holding her hand!

Her heart began to race again.

“Young Master Gong, welcome, Welcome to your esteemed presence. I’ve been waiting for you for a long time.” At this moment, XX University’s principal came out personally with a refined expression.

Gong Yi went forward to shake his hand.

“Li Xiao, this is Bai Beibei. I’ve brought her here to report.”

Li Xiao's eyes swept over the two tightly clasped hands, and he laughed out loud, "Bai Beibei, right? You were the first batch of students to be admitted by us with the sixth-best results within the university. We all feel that it's a pity that you didn't come to report. Come, let's talk in the office."

Three of them entered the principal's office. Bai Beibei sat on a wooden chair in a reserved manner. At this moment, Gong Yi walked over and placed a piece of paper on the table in front of her. "What major do you want to study?"

Bai Beibei looked at him nervously, her two small hands twirling her dress.

She felt like she was dreaming. Everything was so surreal.

She had gotten rid of that trashy school and entered this brilliant higher education institution. Now, she could choose her own major.

"Student Bai, why are you looking at Young Master Gong? You can choose whatever major you like and choose your strong point," Li Xiao said kindly.

Gong Yi looked at the girl's black, pure, and big eyes. He bent down and put one hand on the table beside her as if he was protecting her in his arms.

He put his ear to her lips and asked in a low voice, "Say, what major do you want to study?"

"I want to study... Economics."

Gong Yi understood in his heart. As expected, she had chosen economics.

"Can I?" Bai Beibei asked uncertainly.

Gong Yi caressed her little head lovingly. "Of course you can."

"Alright, Young Master Gong, Student Bai, it's settled. Economics. Student Bai, you can go to school now. I'll get Director Peng to bring you over. Director Peng will be your economics teacher."

.....

In the classroom.

Bai Beibei sat in her seat. The atmosphere here was simple and the students were very friendly to her. She liked this place very much.

Looking at the flowers outside the window, she slowly curled the corners of her lips. She was very happy.

"Bai Beibei, is it? Hello, let me introduce myself first. My name is Li Sisi. I like you very much. Let's be good friends."

Bai Beibei raised her head. In front of her stood a beautiful girl who looked like a Barbie doll.

Li Sisi moved a chair and unceremoniously sat beside Bai Beibei. She blinked and said, "From now on, I'll call you Beibei, and you can call me Sisi. There are many benefits to being good friends with me. My father is the principal."

Bai Beibei was surprised. She was Li Xiao's daughter?

Chapter 1246: I'll treat you to a Feast

Li Sisi nudged Bai Beibei's slender arm and asked mysteriously, "Beibei, tell me the truth. What's your relationship with Young Master Gong? Are you really a couple?"

Bai Beibei blushed and quickly lowered her head. She denied, "No."

"No? Beibei, you're lying to me. If not, would Young Master Gong treat you so well? He protected you over and over again and even brought you to this school."

Li Sisi's voice was very loud and attracted the gossipy gazes of many students. Bai Beibei panicked and quickly covered Li Sisi's mouth. "Shush, Shush."

"Then tell me." Li Sisi was dying of curiosity.

The two girls leaned their heads against each other. Bai Beibei bit her pink lips lightly and didn't know how to say it. "Young Master Gong is a good person. He probably feels sorry for me, and I owe him money..."

As they chatted, both of them chatted until school ends. Bai Beibei liked Li Sisi very much. This girl was simple, cheerful, and lively. She was her first friend.

After leaving the school gate, Li Sisi held Bai Beibei's slender arm. "Beibei, to celebrate our long-lived friendship, I'll treat you to a big meal."

"I'm not going. I'm going back to the apartment to cook. Young Master Gong will be back soon."

"Then call him and ask for a leave."

Bai Beibei quickly shook her head. "I can't..."

"Why not? Let Young Master Gong eat outside by himself!" Li Sisi pestered Bai Beibei.

.....

Gong Corporation.

In the President's office, Gong Yi was managing the documents in his hands.

At this moment, there were two knocks on the door.

"Come in."

Bai Qi walked in.

"President, I'm here to apologize to you."

Gong Yi didn't raise his head. He curled his thin lips with a faint smile. "What did you do wrong?"

"President, I misunderstood. I have extravagant hopes for you. Since you are not liking me, I won't pester you. In the future, I'll put my position in the order and do my job well."

"Okay." Gong Yi nodded. He raised his deep and sharp narrow eyes and looked at Bai Qi as if he wanted to see through her. "You have a high level of awareness."

A hint of panic flashed in Bai Qi's eyes. In front of this man, all of her little thoughts seemed to have nowhere to hide.

Yes, she didn't think that she was wrong. It was Bai Beibei, this little sl*t, who was wrong!

It was Bai Beibei who snatched Gong Yi away and destroyed her Young Madam Gong's hope. She got laughed at by others, and she wouldn't let Bai Beibei off.

But now that Gong Yi was protecting Bai Beibei, if she continued to oppose Bai Beibei, Gong Yi would only hate her, so she was using a delaying tactic.

"President, I..."

Gong Yi waved his hand. "Enough, there's no need to say anything else. Work hard."

"Yes, President. This is the game database I created. It's completed. Please take a look." Bai Qi handed the program disc to Gong Yi confidently.

Gong Yi inserted the disc into his notebook.

Dazzling data flashed before his eyes. Gong Yi seemed to be very satisfied. "Not bad."

"Thank you, President, for your praise."

"Wait a minute." Gong Yi suddenly stopped the scene. He looked at Bai Qi with a serious and cold expression. "There's a bug here!"

Bai Qi was shocked. "Where? It can't be! There shouldn't be a mistake!"

Gong Yi took out the disc and threw it at Bai Qi's face, "You're an outstanding data analyst. I don't need to count your glorious history. As a genius, you made such a mistake. I'm very disappointed in you! Bai Qi, you don't have to come to work tomorrow!"

"No, President, this bug is... It was my negligence. Please give me another chance. I'll definitely do it well this time."

Gong Yi thought for a moment and then nodded. "Okay, I'll give you one last chance. I want to see the perfect database tomorrow morning."

"Yes!"

.....

Bai Qi couldn't sit still in her office. How could there be a problem with this database?

She put the disc into her bag and left the Gong corporation.

She drove straight to XX University.

When she heard that Gong Yi had transferred schools for Bai Beibei and she entered XX University, Bai Qi clutched the steering wheel tightly, wishing that she could crush the steering wheel like Bai Beibei.

At this moment, Bai Qi saw Bai Beibei through the car window. She quickly stopped the car by the roadside.

“Beibei.” Bai Qi walked over affectionately.

Li Sisi was pestering Bai Beibei. When she saw Bai Qi, Li Sisi snorted. “Beibei, is this person your vicious sister who was different from what she looks like?”

Bai Beibei tugged at Li Sisi. “Keep your voice down.”

“What are you afraid of? Beibei, the next time she bullies you together with your vicious stepmother, call me. I’ll help you tear them apart!”

Bai Beibei’s heart was warm. “Thank you, Sisi.”

“What are you thanking me for? We’re good friends.” Li Sisi smiled innocently.

At this moment, Bai Qi walked over. “Beibei, I heard that you transferred schools. I’m here to see if you’re used to it. Is this your friend?”

“Yes, I’m Beibei’s good friend, Li Sisi.” No matter how Li Sisi looked at Bai Qi, she didn’t like her.

Li Sisi?

The daughter of the Li family.

Bai Beibei made such a friend.

Bai Qi quickly smiled and said, “Oh, so it’s Miss Li. Hello, Hello.”

“I’m a bad person, especially when I see some hypocrites. I’m about to throw up.”

“Sisi!” Bai Beibei stopped Li Sisi.

Li Sisi glanced at Bai Beibei and forced herself not to say anything.

Bai Qi smiled awkwardly.

“Sisi, I am not going today. When I go back, I’ll ask Young Master Gong for a leave of absence. I’ll treat you to a meal tomorrow, Okay?” Bai Beibei said gently.

Li Sisi rolled her eyes. “Alright then, Beibei. I’ll be leaving first. If anyone bullies you, you must remember to tell me!”

“Okay, Sisi, Byebye.”

Li Sisi got into her private car and left.

When the car was far away, Bai Beibei looked straight at Bai Qi. “Why did you come looking for me?”

After what happened at school yesterday, Bai Beibei could no longer call her "Sister". From then on, she had nothing to do with the Bai family anymore.

"Beibei, are you still blaming me? It was my fault yesterday. I liked Young Master Gong. You and Young Master Gong had a private relationship, so I was angry. Now, I'm here to apologize to you. I'm sorry, Beibei. You have to forgive me."

Bai Beibei furrowed her brows, her gaze clear. "There's no one else here. If you have something to say, just say it."

Bai Qi froze. She couldn't continue with her drama, and could only go straight to the point.

"Beibei, there's a bug in the database that you helped me to create."

"Impossible," Bai Beibei said with certainty.

"It's true. Young Master Gong was furious at me and almost fired me. The disc is here. Take it back and check on it. I'll go get it tomorrow morning." Bai Qi handed the disc to Bai Beibei.

Bai Beibei didn't take it.

"Beibei, what's wrong?"

"I've done enough for you. We don't owe each other anymore. Don't come looking for me in the future. I won't help you anymore." After speaking, Bai Beibei turned and left.

Chapter 1247: You're Not Wearing Any Inner Garment

"Beibei!" Bai Qi quickly grabbed Bai Beibei's little hand. "It was all sister's fault in the past. Please forgive me for this once. In the future, I'll treat your Grandma well. We're blood-related sisters, how can you just stand by and watch her die?"

Bai Beibei pulled back her little hand. "We're not blood-related sisters."

"Beibei, I beg you, please help me once..."

Bai Qi was really anxious. In the past, Bai Beibei had been very obedient. She rubbed her round and flat, and she had never dared to make a sound. But now that Bai Beibei had hooked up with Young Master Gong, her wings had hardened, and she no longer listened to her.

She suddenly realized the seriousness of the problem.

"Beibei, I beg you..."

At this moment, a low and mellow voice sounded. "If you want to beg her, why don't you come and beg me?"

Bai Qi was startled. She quickly turned around, and Gong Yi appeared in front of her.

Bai Qi felt as if she had been pushed into an abyss. Her hands and feet were cold. She was thinking, why would Gong Yi come?

He had followed her here.

It turned out that he set a trap for her to fall into. He had suspected her since long time ago.

But, how did he know?

“President, listen to my explanation.”

Gong Yi curled his lips and looked Bai Qi up and down. “Heh, what else do you want to explain? A genius girl, a Harvard Master, an elegant appearance, and a calm manner of speaking. All of these are fake. Bai Qi, aren’t you tired of wearing a mask to live?”

There was no contempt in his eyes, but it was enough. All of her disguises were mercilessly revealed by this man. Only then did Bai Qi realize that this man killed people without spilling blood.

“From now on, you are officially fired. If you don’t want anything to happen to you, don’t appear in front of me in the future.”

As he spoke, Gong Yi looked at the dazed little girl. “What are you waiting for? Let’s go home.”

“OH.” Bai Beibei followed behind Gong Yi.

....

In the Lamborghini.

Bai Beibei sat at the back. She didn’t dare to look up at the man in the driver’s seat.

She didn’t know how he found out.

Gong Yi glanced at the girl through the rearview mirror. He lowered his head, she looked meek and pitiful. He didn’t have the heart to blame her. Her attitude of admitting her mistakes was good.

“When Bai Qi went to participate in the mental arithmetic competition, she was on stage and you were off stage. How did you tell her the answer?”

“She put something into my ear. When I spoke, she could hear me,” Bai Beibei answered honestly.

“So, when Bai Qi was 18 years old, she defeated a German mental arithmetic master and became famous in one battle. Then, she was sent to Harvard in England. These were all your achievements. How old were you back then?”

“12.”

Bai Qi was six years older than her.

A 12-year-old genius girl, Bai Beibei.

Gong Yi’s eyes were filled with admiration. The world loved people with outstanding talent, and he was no exception.

If this little girl could come from a better background, her life would be glorious.

“Haha, Bai Beibei, you’re really good. No wonder when your Grandma told you not to go to school, you didn’t. You have the right to be proud, and I was just foolishly anxious for you.”

“No,” Bai Beibei quickly raised her head to look at him. She shook her head in panic, “I didn’t mean that. I’m very grateful to you. I... When Bai Qi was studying abroad, she brought a few books for me to read. I like numbers and economics, but... but I’ve only read a few of them. Bai Qi didn’t let me read all of them, I...”

“Enough. If you don’t know how to speak, then don’t speak.” Gong Yi interrupted her. “Do you know how serious the consequences of cheating in a competition, especially an international competition?”

Bai Beibei was shocked. She hadn’t thought about it.

“I... Don’t know. My Grandma’s health is getting worse and worse, but she still has to go to work. Bai Qi will give me money so that my Grandma won’t have to work so hard. I didn’t... think much about it...”

Gong Yi sighed. This was also the reason why he let Bai Qi off so easily.

He couldn’t expose what happened in the competition. Once it was exposed, Bai Qi’s reputation would be ruined. Although she could make a name for herself, no one would dare to use her.

This was related to her character and reputation.

She was too young and didn’t understand.

.....

Back in the apartment, the two of them had dinner.

Bai Beibei finished washing the dishes, and Gong Yi was working in the study room.

She returned to her room to take a shower, and then came out in her pyjamas with a CD in her hand. She hesitated for a moment, and finally knocked on the study room door.

“Come in.”

Bai Beibei pushed the door open.

Gong Yi was sitting in his office chair. He was in a business video call with someone and was speaking French.

He lifted his eyelids and glanced at her. He gestured for her to sit on the sofa and wait for him.

Bai Beibei sat down. Her ears were filled with his standard French accent, which was very pleasant to listen to. It was true that he was proficient in six languages.

“Why are you looking for me?” Gong Yi turned off the video.

Bai Beibei stood up. She was a little embarrassed. “Is there a bug in the database on this CD?”

Gong Yi understood. She had come to ask for advice.

“You want to know?”

“Yes.” Bai Beibei nodded.

Gong Yi stood up. “Come here.”

Bai Beibei walked over to his side.

“Sit down.” He pointed at his office chair.

Bai Beibei was shocked. “I don’t dare...”

Gong Yi grabbed her slender wrist and pulled her into the chair.

He inserted the CD into his notebook and the game’s database came out.

He placed one hand on the table and the other on the back of his chair as he explained in a low voice, “Although you have a talent for numbers, numbers have their different knowledge in every field. You will need to learn these things from the day after tomorrow. There is a small bug here. If my competitors notice it, my game background might be hacked.”

Bai Beibei’s small face flushed red. His body was very close to hers, and her nostrils were filled with the fresh and clean masculine scent of his body.

The most important thing was that she was sitting on his office chair, not daring to move.

“What are you thinking about?” At this moment, a low, unpleasant voice sounded from above her head.

Bai Beibei quickly raised her head to look at him. Her watery, clear pupils entered his deep, beautiful eyes in a daze.

“Are you not paying attention?” Gong Yi looked at her and asked.

“No, I... got it.”

Gong Yi was surprised. He had only given her a few pointers, but she understood quickly. She was really smart.

He looked down and saw that she was wearing pyjamas, white pyjamas. A thin shoulder strap was hanging on her shoulder, and two small red dots were faintly discernible on her chest.

His eyes darkened. “You’re not wearing any underwear?”

Bai Beibei immediately looked down at herself. She sucked in a breath of cold air and quickly used her two slender arms to protect herself. She did not wear a vest when she slept.

“I...”

At this moment, her petite jaw was lifted by two slender fingers. The man’s exquisite and handsome face was magnified in her line of sight.

She was really beautiful. Her two rows of long eyelashes fluttered like a butterfly’s wings. Coupled with her tender eyes, it made the man’s heart itch.

“You did it on purpose?” He said hoarsely.

Bai Beibei reacted for a moment, then she understood what he meant. He was saying that she purposely didn't wear an inner garment for him to look at it.

“I didn't!” Her breathing started to get hot, she immediately denying it.

At this moment, her vision darkened, and the man pressed down on her.

Chapter 1248: Hugged the Wrong Person

Gong Yi bent down and got close to her. In fact, he did not know what he was doing, just relying on his basic instincts. She did not have her vest on, and it made his eyes burn.

His gaze fixed on her small cherry red lips. Her lips were beautiful, just like cute delicious little titbits.

That night in the bathroom, he kissed these small lips, they were smooth like jelly. The fragrance filled the air.

He could still remember that feeling clearly, even now.

As for the last cardiopulmonary resuscitation (CPR) that he performed, he was so busy saving her life that he had not thought of anything else. Now that he thought about it, he felt a little regret.

Gong Yi's eyes were dark as he kissed her mouth.

Was he going to kiss her?

Bai Beibei held her breath and widened her luscious eyes.

She had forgotten to react.

Their lips got closer and closer, finally, they were pressed together.

Gong Yi gently pressed against her lips. This was the feeling that was so fragrant that made his inner being felt numb. He opened his mouth and sucked at hers.

Beibei heard sounds of water rippling in her ears and her face instantly turned red.

Gong Yi wanted to kiss her deeper and a melodious ringtone rang. It was a call for him.

The call startled him; he came to his senses immediately.

He let go of the girl's chin and stood up straight. He held his hand to his forehead. “Sorry, I...”

A gust of wind blew next to him, and Beibei ran away.

Gong Yi looked at her retreating figure.

What was he doing, bullying a little girl?

No, this was not him!

Gong Yi felt irritated. He wanted to smoke a cigarette. However, looking at the direction where the girl disappeared, he could still sense her fragrance on his lips, and his lower body was elected and aching.

He had an urge to grab her back and finish what he had intended to do.

..

“Beibei! Beibei!”

Bai Beibei was woken up by Li Sisi.

She came back to her senses and said, “Sisi, you called?”

Sisi looked at her flushing face. “Beibei, I called you many times, but you were in such a daze and didn’t hear me! To be honest, what were you thinking about that made your face blushed?”

Was she blushing?

Bai Beibei raised her hand to cover her face. It wasn’t just blushing; it was red hot.

“Beibei, are you thinking about man? Are you thinking about our Young Mr Gong?”

“Sisi, don’t talk nonsense!” Beibei quickly covered Sisi’s mouth, not letting her talk.

Li Sisi’s eyes lit up. “Oh no, I was right. Beibei, you are really thinking about young Mr Gong! Come on, tell me about it? Did you do something shameful with him? Look at you, you are just like fishy little kitten, I sensed Spring in the air.”

“You’re talking nonsense, I’m not.”

Beibei denied, but her voice was so sweet and demure that it didn’t sound like her.

Her mind was filled with images of him kissing her these past few days, his handsome face was so close, and his cool thin lips were on hers.

He really kissed her.

Why did he kiss her?

In last few days, although the two of them were under the same roof, but they avoided each other. He was embarrassed, she was shy, and nothing were mentioned about that night.

However, she did not dislike him kissing her at all. In fact, she liked it very much and was looking forward to it.

Seeing that Beibei was unwilling to say anything, Sisi did not force her, “Beibei, I’ll let you off today, but you must tell me in future! My Brother has just returned from America. I will go pick him up. You stay in my room and help me do the economics paper. I will give you a big treat. If you need anything, just call the servants outside.”

“Okay.” Beibei nodded.

Sisi left the room.

Bai Beibei was now in the Li family’s villa and she was pestered by Sisi to come over. Li Sisi’s major was photography, and she did a minor in economics. Sisi got headaches whenever she sees numbers, so she pulled Beibei over to help her with her papers.

This was a piece of cake for Beibei, so she came.

The exam papers were finished very quickly. Beibei stood up and walked towards the bookshelves. There were two walls of embedded bookshelves in the room, all lined with books.

Sisi didn’t like reading but liked fooling around, Beibei liked reading and was very envious.

She stood on tiptoes and picked a famous novel in English, glanced down at it.

Suddenly, the lights in the room went out.

She looked up.

At this moment, a strong arm wrapped around her slender waist. Someone hugged her from behind and lifted her up. “Sisi, did you miss your Big Brother?”

Bai Beibei was so shocked that she forgot to scream.

Li Xiyang was full of smiles. He pinched the small waist of the person in his arms, it was so soft. “Sisi, did you eat properly? You’ve lost weight. This waist is almost the size of my palm.”

As he said this, Xiyang bent down and rubbed his head on the person’s hair in his arms. “Wow, it’s been a few years. The little one has grown up and now she even smells like a girl. Have I gave you a big surprise for returning?”

Only then Beibei reacted. “Ah!” She screamed.

When Li Xiyang heard the voice, he realized that he had hugged the wrong person immediately. This voice did not belong to his sister Sisi.

“Who are you?” He asked quickly.

Beibei could not bother, she used all her strength to break free from the man’s muscular arm and ran.

As soon as she ran out, she bumped into Sisi, who had just opened the door. “Aiyo!” Sisi cried.

Li Xiyang turned on the lights in the room.

“Beibei, what’s wrong?”

Beibei hid behind Sisi. Her face turned red and then white. There was fear, shame, and anger. She looked up, and her big, weary eyes looked warily at the man who had just bullied her.

He was an extremely young and handsome man.

Li Xiyang saw Bai Beibei clearly too. His eyes lit up. What a beautiful girl.

“Sisi, looks like there’s been a misunderstanding.” Li Xiyang shrugged.

“What misunderstanding, brother? I went to pick you, but you made me go there in vain. Didn’t you say we would meet at the airport? Are you kidding me?”

“Sisi, I wanted to give you a surprise...”

“What surprise? I think it was more a shock than a surprise. Beibei, what happened between you and my brother? Did he take advantage of you?”

“No! Sisi, I’m leaving!” Beibei turned and ran away as fast as she could.

“Hey, Beibei!” Sisi chased after her. “I’ll get the driver to send you home.”

Li Xiyang walked to the door. He looked at the petite figure that had disappeared by the entrance of the villa. He didn’t do it on purpose, really. He had just mistook her for someone else.

However, that girl’s touch was real good, with slender figure, fragrant and soft.

..

In the classroom.

Li Sisi sat beside Bai Beibei. “Beibei, are you free tonight? My brother wishes to treat You to a dinner.”

“I’m not going,” Beibei refused immediately.

“Beibei, my brother has already explained to me what happened that night. He thought you were me. He didn’t have any ill intentions. Please don’t be angry. Forgive him this once.”

Beibei bit her cherry-colored lip. “I’m not angry. I just don’t want to have dinner.”

Chapter 1249: Do Not Go To The Shady Places For Fun

“OK, Beibei, let us not talk about this anymore. I will treat you to a dinner tonight. We went out so many times, but we never had dinner together, this is ridiculous.”

Beibei thought about it. “I have to give Mr Gong a call.”

“Sure, I’ll lend you my phone.” Sisi handed her the phone. “Beibei, you should consider buying a phone. I’ll buy you one as a gift.”

Beibei quickly shook her head. “No!”

Li Sisi didn’t insist. In fact, phone wasn’t expensive, it was a small thing to her, but she knew that it was a big expense for Beibei.

Being good friends meant being comfortable with one another. She didn’t wish to force her.

Bai Beibei took Li Sisi’s phone and dialled the familiar number.

When the phone rang, she quietly lowered her long eyelashes. She was shy and nervous. She had not spoken to him since the kiss that night.

“Hello, who is this?” Gong Yi’s deep and pleasant voice came through the phone.

Bai Beibei tugged at her dress with her petit hand and said softly, "It's me."

In the CEO's office, Gong Yi's right hand, which was holding the pen, paused. He looked at the caller ID and frowned slightly. "Where did you get this phone?"

"It belongs to my good friend. I borrowed her phone."

"Good friend? Is it a guy or a girl?" He asked.

"It's a girl."

Gong Yi's furrowed brows slowly relaxed. He did not object to her making friends. XX university was a renowned university, and there were many talented elites.

However, it was better for her to make some girlfriends, if she had a boyfriend...

Gong Yi thought about this possibility and felt weird. He did not feel comfortable at all.

Fortunately, she was obedient and did not have a boyfriend. He worried for nothing.

"Are there any matters?" His voice softened.

After that night, she had her head lowered and did not speak to him whenever they met. Now that she had taken the initiative to call him, he did not want to scare her away again.

"Mr Gong, can I take leave tonight?"

"What's the matter?"

"My good friend asked me out for dinner..."

Gong Yi thought for a moment. It was a good thing that she could make friends here. In the future, her horizons and social circle would have to be expanded. This was a good start.

"Sure, but don't go to those shady places."

"What kind of places are shady places?" Beibei didn't understand.

"Drinking, singing, and dancing. It's always a place full of men. It's not a good place."

"Hmm." Beibei nodded hard. She couldn't have agreed with him more.

"Also, you have to be back by 9 pm."

"Okay." Beibei agreed. She was a good girl.

"Then that's it. Have Fun."

Ajie, the secretary, listened to his CEO's earnest and kind words to the little girl. It was as if she was his own daughter. She was not allowed to drink and even had a curfew. Ajie felt that it was funny. What kind of era was it right now? Only that little girl was obedient and listened to him.

Ajie sighed. A man treated a girl as if his own daughter. What kind of mentality was this? The CEO probably did not realize it himself.

Gong Yi gently said "88" and then hung up the phone. He looked up at Ajie, "I asked you to order a phone earlier, was it done?"

"Yes." Ajie came for the same matter as well. He put an exquisite phone box on Gong Yi's desk.

Gong Yi opened it and saw that it was pink. It was the same series as his phone, a couple's model.

Couple's model...

When he had asked Ajie to order it, he had not specifically instructed him. Now that he looked at the couple's model, his lips curled upwards. It was not bad.

Ajie felt that his CEO was smiling like a hunter who had just caught his prey.

At this moment, his phone rang again. Gong Yi answered.

Looking at the phone number, Gong Yi picked up and said, "Hello, Xiyang."

"Hello, Mr Gong. I'm back from America. Are you free tonight? Let's have a drink together."

"Sure, Xiyang. Let's go to a bar. I'll be the host to welcome you."

Gong Yi knew Li Xiyang in America. As Both of them were young and talented sons of the capital, they naturally became good friends when they met.

Li Xiyang's father was XX university's principal. Principal Li had a scholarly life and hoped that Xiyang could inherit his scholastic incline and devote himself to the cause of education. Unfortunately, Li Xiyang was not interested in academic subjects. When he went abroad to America to study, he founded his own company, ABB.

Now, ABB was Cory's biggest competitor, where Cory was owned by Gong Yi and listed in the United States' stock exchange.

Of course, business was business, brothers remained brothers, and heroes appreciated each other.

..

At the entrance of the bar.

Beibei was stunned. She looked at Sisi beside her. "Sisi, what are we doing here?"

Sisi smiled. "Drinking, singing, dancing, and have dinner."

"What? No way, this isn't a good place. Let's change venue."

"Why is it not good, Beibei? This place is full of fun. Come, let's go." Sisi dragged Beibei in.

The neon lights in the bar were dazzling. The elites took off their suits and were dancing freely on the dance floor. Beibei didn't like this place, she wanted to leave.

She was afraid of this place. It was at this place that she lost her most valuable first time.

Besides, Gong Yi had told her not to come to such places. She was afraid that he would get angry.

"Sisi, let's go."

Sisi made Beibei sit at the bar counter. "We're already here. Why are you leaving? Waiter, give us two cocktails."

"Okay." Two cocktails were handed over.

"Beibei, have a try. It's delicious."

Bai Beibei shook her head. "No, I've never drunk any alcohol before."

"That's good. Hurry up and drink it. See if you can hold your liquor."

Bai Beibei was speechless.

"Beibei, let go of yourself a little. We came out to have fun." Sisi took a sip at her cocktail and clicked her tongue.

Since she had said so, Beibei couldn't spoil her mood. She picked up the cocktail with her petit white hands and took a sip tentatively.

It was cool and sweet, quite delicious.

"Beibei, is it good?"

"Yes, it's good." Beibei nodded.

..

At the bar's entrance.

Gong Yi and Li Xiyang walked in. The two men were tall and handsome. They had an imposing bearing on them and attracted a lot of attention, especially from women, the moment they entered.

The two of them looked for a corner seat and sat on the sofa.

Gong Yi took off his button-down suit and placed it beside his hand. "Xiyang, how come you came back? What's the name of your Japanese girlfriend? Isn't she pestering you?"

Li Xiyang crossed his two long legs and said, "Don't talk about her. We broke up."

"You're still the same as before. Changing women faster than anyone else."

"Of course. How many good men are as infatuated as Mr Gong?" Xiyang raised the wine glass in his hand.

Chapter 1250: Come Here, Pour Me A Glass Of Wine

Gong Yi knew he was referring to Ye Xiaotao. Even now, when he thought of this name, he still felt his heart ache.

He lowered his gaze, took a sip of the red wine.

Li Xiyang, who was seated opposite him, said "Hmm". "Isn't that Sisi? and... that girl?"

Gong Yi looked up and was stunned when he saw Beibei.

She came with a girl. The two girls had delicate faces and exquisite figures. They wore white student uniforms, their short skirts raised above their knees. As they were seated at the bar counter, Gong Yi could see a small fraction of her fair legs swaying and swaying.

That girl was delicate and charming, she was pretty and pure, they were very eye-catching in a bar like this. There were already large groups of men staring at them, and their gazes wandered unscrupulously on them.

Gong Yi's gaze darkened. Why was she here?

"Mr Gong, let me introduce you. That was my younger sister, Li Sisi. Beside her was Sisi's classmate, Bai Beibei. She was a girl like... a little rabbit."

Hearing Li Xiyang's words, Gong Yi's gaze instantly turned sharp. "Xiyang, you knew her?"

"Yes, a few days ago, she came to my house. I mistook her for Sisi and hugged her."

Hug..

Gong Yi's handsome face suddenly tensed up. Just as he was not knowing, so many stories had happened.

These few days, she did not speak to him. He thought she was just being shy, but he did not expect her to have a relationship with Li Xiyang.

Moreover, she came to the bar...

He had clearly told her on the phone that she was not allowed to come to the bar.

"Sisi took Beibei to dance."

Gong Yi looked up and saw that Sisi had pulled Beibei onto the dance floor.

When the two girls stepped onto the dance floor, the men immediately went into a frenzy, they waved their arms and shouted "Oh, oh" before surrounding them.

Sisi was having a good time, waving her petit hands and feet together with two handsome muscular men. Beibei, on the other hand, did not know how to dance. She stood still with her face completely red. Her pair of weeping eyes rolled weakly and helplessly.

Her look could only make the men's blood boil with excitement.

"Beibei, don't just stand there, dance with me." Sisi pulled Beibei to her side.

Beibei tried her best not to touch the men around her. They circled around her, and she was very repulsed by them. "Sisi, let's go back. I don't want to play anymore."

"Okay, but dance with me first. We'll go back when we're done."

"I don't know how to..."

"Let me teach you how to dance, like this." Li Sisi made a few moves.

"Sisi, I really don't want to dance... Arh!"

Sisi had already grabbed Beibei's hand and brought her around in a few circles. Beibei was caught off guard. The white shirt on her rode upwards, revealing her smooth and flat belly, even the hem of her skirt drew a sharp and forbidden arc in the air.

"Ah." Beibei was shocked.

"Haha." Li Sisi laughed loudly.

"Little sister, don't you know how to dance? Come on, I'll teach you." A muscular man who was itching to move finally couldn't hold it in any longer. He walked forward and grabbed Beibei's petit hand.

Beibei didn't let him have his way and dodged backwards.

Sisi quickly blocked in front of Beibei. "Hey, Big guy, we will just play by ourselves. Please don't get physical, okay?"

The muscular man kept looking at Beibei. The more he looked, the more she tried to avoid him. The more she tried to avoid the muscular man, the more envious he became. This was simply a silent seduction.

"Little sister, everyone is out to play. Let's dance together."

"No need, Beibei, let's go."

Li Sisi pulled Bai Beibei along and left.

"Little sister, don't go!" The muscular man and a few men stood in front of the two girls.

Li Sisi frowned, her face turned cold. "Big guy, what are you trying to do?"

The men stared at Beibei behind Sisi as if they were little white rabbits. "We just want to dance with this little sister, don't be nervous."

The dance floor was almost out of control. Seeing Beibei being bullied, Gong Yi frowned and wanted to get up.

However, someone was one step ahead of him. Li Xiyang had already stepped forward.

Gong Yi froze. As a man, he had already sensed that Li Xiyang was interested in Bai Beibei.

His expression was not too good. It was as if a huge stone pressed on his chest. In such a short period of time, she already found herself another escort.

Soon, Li Xiyang brought Li Sisi and Bai Beibei back to the table.

“Sit here obediently and don’t cause any more trouble!” Li Xiyang reprimanded.

“Brother, why are you helping those outsiders bully us? Usually, I didn’t have any problems when I came here to play, but today, when I brought Beibei along, those men just kept screaming. Beibei, you’re so charming.”

Bai Beibei was still in a shock. If it weren’t for Li Xiyang who came over to help, she didn’t know what would have happened.

“Sisi, you don’t have to say anymore.” Beibei looked at Li Xiyang and said. “Thank you.”

Li Xiyang curled his lips and looked at this little rabbit. Such a clean person, if she was thrown into a wolf’s den, naturally everyone will come and fight over her.

“You’re welcome.” He replied and then looked at Gong Yi. “Mr Gong, sorry for the embarrassment. Sisi, let me introduce you. This is Mr Gong.”

Mr Gong..

Bai Beibei froze.

She raised her head. Gong Yi was lazily leaning against the sofa. He was also looking at her. Their eyes met, and the coldness and displeasure in his eyes could not be hidden.

Bai Beibei lowered her head in apology.

Li Sisi had already come forward excitedly. “Mr Gong, Hello. I have heard so much about you. Beibei, come quickly. What a coincidence. Mr Gong was here as well.”

Bai Beibei was dragged forward to Gong Yi.

Now that she was standing and he was sitting, logically, she should be much taller than him. However, when his gaze landed on her, it was as if he was way above her. She was at a loss.

Li Xiyang was puzzled. “Mr Gong, why? Do you also know Beibei?”

“More than knowing her. Beibei is staying at Mr Gong’s Place right now!”

“What?” Li Xiyang looked at Bai Beibei, then looked at Gong Yi. “Are you two dating?”

Gong Yi raised his eyelids and remained silent.

Bai Beibei’s face flushed. She immediately shook her hand and explained in a soft voice, “No, it’s not what you think. Mr Gong not only took me in. He gave me a job as a little nanny.”

It would have been fine if she didn’t explain, but as soon as she explained, Gong Yi’s face turned black. She was in such a hurry to explain their relationship?

“So it’s the little nanny.” Li Xiyang let out a sigh of relief.

Gong Yi sneered in his heart. This friend of his had many beauties surrounding him, an international cohort, and now he actually took a fancy of this little white rabbit by his side.

“Beibei, let’s sit down.”

Li Sisi pulled Bai Beibei to sit down.

Gong Yi looked at the seating arrangement. Li Sisi sat next to him, and Bai Beibei sat next to Li Xiyang.

This was what Li Xiyang wanted. He looked at the pure and tender girl next to him. “Beibei, what would you like to drink?”

Beibei, sounded so affectionate.

“Come here, pour me a glass of wine.”

Chapter 1251: You Liked Li Xiyang

This was said to Bai Beibei.

Gong Yi asked her to pour him a glass of wine.

Li Xiyang and Li Sisi were both stunned.

“Oh, coming.” Beibei immediately stood up. She went to Gong Yi’s side and poured him a glass of wine. As she was afraid that he would give further instructions, Beibei sat beside him.

Li Sisi was immediately displeased. “Mr Gong, don’t you have hands. Beibei was your little nanny at work, but she is now outside. Why do you treat her like a maid?”

“Sisi, this is what I should do. Don’t talk about it anymore.” Bai Beibei tugged at her good friend’s sleeve.

Li Sisi snorted.

Gong Yi raised his sword-like eyebrows and did not say anything.

Li Xiyang glanced at Gong Yi. He was not as simple as Sisi. He understood this friend of his all too well. Gong Yi was the top of the corps, with exceptionally good education. As for his character and upbringing, he was worthy of praise, being the number one young elites of the capital, he was not someone who would put on an air outside.

Then why did he ask Beibei to pour him wine?

Li Xiyang looked at the two persons in front of him thoughtfully. Beibei was sitting next to Gong Yi and the two of them were very close.

Li Xiyang’s heart skipped a beat. Could it be that Gong Yi was also interested in this little white rabbit?

“Haha, Mr Gong, come, let’s drink a toast.”

Gong Yi clinked glasses with him.

“Mr Gong, how have you been lately? Two to three months ago, I received your wedding invitation. I had my red packet ready in my pocket and was waiting to attend your wedding banquet. But you shelved your wedding plan suddenly. You actually abandoned Ye Xiaotao and ran away from the wedding.”

Wedding..

Bai Beibei was startled when she heard these words suddenly. She quickly looked up at Li Xiyang.

Ever since she knew Gong Yi, she had thought that Gong Yi would be her brother-in-law. Subsequently, Gong Yi told her that he had no feeling for Bai Qi, he had never brought any woman home before. His had a stable daily routine and his private life was quite clean. She had thought that he wasn't in a relationship and that he was not interested in any girl.

Now it seemed that she was wrong.

Ye Xiaotao..

What an unfamiliar name.

“Ye Xiaotao? I think I've heard of this name before.” Li Sisi turned her head.

Bai Beibei looked at Li Sisi. “Sisi, do you know... her?”

“Ah, I remember now.” Li Sisi pulled at Beibei's petit little face. She continued her gossip, “Everyone knows Ye Xiaotao. Who in the entire capital hasn't heard of her? She's the daughter of the Ye family. The Ye family has great power in the capital. Her beauty and talent coexisted. Men that wish to marry her could line up from here to the Huangpu River.”

Bai Beibei's eyes lighted. Well, well. That Ye Xiaotao was such an outstanding girl?

Yes, his standards were very high. A girl who could make him go after must be extremely good.

Bai Beibei was happy for him, but for some reason, she felt empty in her heart and was belittled.

“Mr Gong, why did you run away from the wedding? Don't You love Ye Xiaotao?” Li Sisi asked Gong Yi directly.

Gong Yi frowned. Before he could answer, Li Xiyang had interrupted, “How could our Mr Gong dislike Ye Xiaotao? He has loved her for twenty years and waited for her for twenty years. There was no other girl in Mr Gong's eyes apart from Xiaotao. It's just that this Ye Xiaotao...”

“Enough Xiyang, stop talking.”

When Bai Beibei was listening attentively, Gong Yi interrupted Li Xiyang's words.

“Xiyang, I have to leave now. Let's meet again some other day.”

Li Xiyang had a grieved expression on his face. “Mr Gong, you valued love more than friendship. I only talked a little about Ye Xiaotao. And you are not happy?”

Bai Beibei curled up her fingers and clenched her little fists. Did he really loved that Ye Xiaotao so much?

“You’re not going?” A displeased voice shot towards her.

Bai Beibei looked up. Gong Yi stood up and looked at her.

“Oh, I’m going too.” Bai Beibei came to her senses and quickly followed behind him. “Sisi, 88.”

“Beibei, 88. See You tomorrow.”

..

In the Lamborghini.

Gong Yi got into the driver’s seat and fastened his seatbelt. He was waiting for that girl.

He had big strides and had gotten into the car a while ago. She carried his suit jacket that was left on the sofa in her arms and hurriedly ran over.

Opening the back door, she lifted herself and got into the car. Gong Yi took a look through the rear-view mirror. Hadn’t she eaten? It seemed like she has difficulty even climbing into the car.

She was so weak and so delicate.

Gong Yi was angry. He knew clearly what Li Xiyang was trying to do by suddenly mentioning Ye Xiaotao in front of her. How could she listened so intently.

This Li Xiyang really had his eyes on her.

He didn’t want to stay in the bar any longer, just wanted to take her home.

Gong Yi felt strange. He still felt hurt when he thought of Ye Xiaotao, but this hurting pain was going away, taken away by this little white rabbit. Slowly, he no longer felt that much pain.

When the girl sat tightly down, Gong Yi stepped on the accelerator.

She didn’t say a word on the way home. Gong Yi glanced at her through the rear-view mirror. She tilted her head and looked out of the window. It was unknown what she was thinking about. Her delicate eyebrows slightly frowned.

“You liked Li Xiyang?” He suddenly asked.

“What?” Bai Beibei didn’t hear him clearly. She was completely immersed in her own thoughts.

Gong Yi looked straight ahead and said calmly, “Li Xiyang is quite well-off. He came from a prestigious family, exceptionally talented and bold. He is now CEO of a company. Many girls liked him, however,” Gong Yi emphasized, “He is a playboy. His ex-girlfriends can form a troupe. A month ago, his Japanese girlfriend committed suicide because of him. So, control yourself. You can’t handle such a man.”

Bai Beibei understood what he meant. She took a deep breath and looked at him blankly.

What was he saying?

She didn’t like Li Xiyang at all.

His words pricked, and she was sensitive and could hear him clearly. Was he implying that she wanted to hang on to Li Xiyang?

Bai Beibei's heart ached. Why did he say that? She already felt that he was acting weird and was temperamental. Was he really angry that Li Xiyang gossiped about Ye Xiaotao?

She lowered her long eyelashes and said timidly, "Do you really... loved... that Ye Xiaotao?"

She did not answer his question, so Gong Yi assumed that she had tacitly agreed. He was suddenly furious. "Don't mention her. I'm talking about your problem now!"

Bai Beibei clutched her skirt tightly. "Got it."

Looking at her meek expression, Gong Yi really wanted to go and shake her up a little. However, her shoulders were so slender that she looked like she would fall if he shook her. He could not bear to do it.

He could only get himself so angry that his heart itched.

..

Bai Beibei was distracted. In school, she didn't know what the teacher had said.

After school in the afternoon, she and Sisi walked out of the school gate.

"Ding", and a Bugatti stopped.

The car window rolled down, Li Xiyang's handsome face appeared. "Where are you going? I'll send you."

Chapter 1252: Who Gave You This Phone

"Brother, you are out of your mind, I don't need you to send me home. I have a chauffeur," Li Sisi said.

Li Xiyang looked at Bai Beibei. "I'll send you."

"That's great, Beibei. Let my brother send you home. I'll go first, 88." Li Sisi waved her hand and got into her car.

Bai Beibei sent her good friend off, but she didn't get into Li Xiyang's car. She turned and walked away.

Li Xiyang looked at her petite and adorable figure, and the corners of his lips curled up. He drove behind her. "Beibei, get in the car. I'll send you home."

"No need," Bai Beibei refused.

"Beibei, are you afraid of Me?"

Afraid...

No, she just did not like this man.

That night, he hugged her, and she still had lingering fear in her heart. She did not want to interact with him ever.

“Beibei, do you want to hear the story of Mr Gong and Ye Xiaotao?”

Bai Beibei’s stopped, she turned to look at Li Xiyang.

Li Xiyang’s eyes sharpened. As expected, this little white rabbit had a story with Gong Yi.

But what should he do? He also had his eyes on this little white rabbit. Li Xiyang would always get what he wants with woman.

“Get in the car. I’ll send you home. I can tell you about it.”

Bai Beibei hesitated for a moment. She did not want to get in the car, but she was really curious about the story. She wanted to know more about Gong Yi. She wanted to know what kind of girl he liked.

A minute later, Bai Beibei obediently got into the backseat.

..

The Bugatti started to move. Bai Beibei took the initiative to open her mouth. “Mr Gong and that girl are... childhood friends?”

“Yes, the Gong family and the Ye family are friends for generations. Not only were they joint by marriage as typical of noble families, but they were also perfect match for each other. They were the most eye-catching couple in the capital.”

“Oh.” Bai Beibei nodded.

Li Xiyang glanced at her through the rear-view mirror. Her skin was so tender that it could be squeezed out of water. He saw the faintly discernible pink neckline in her white collar, as clear as jade, she was truly beautiful.

“The Gong family is a big family, and Mr Gong is the only child. The future young mistress of the Gong family must have a noble background, elegant and reserved. Beibei, don’t you think so?”

Bai Beibei was silent for a few seconds, then nodded. “Yes.”

No matter which family would the future Mrs Gong come from, it could not be her. She came from a humble background and wasn’t worthy of him.

“Since he liked that girl so much, why did he run away from the wedding?” This was the topic that Bai Beibei was most concerned about.

“Because he gave his whole heart, but she gave hers to someone else, Ye Xiaotao liked other men.”

“What?”

Bai Beibei was shocked. For a man like Gong Yi, why would there be a girl who did not like him?

“Ye Xiaotao liked other men, and to grant her wish, Mr Gong ran away from the wedding. He alone took all the blames, just to protect her and let her be happy with the man she had chosen. Beibei, don’t you think Mr Gong is very single-minded?”

Li Xiyang continued, “Mr Gong has always been single. He didn’t seem to have any intention of dating. I know that deep in his heart, he still can’t forget Ye Xiaotao. Twenty years of waiting and caring had naturally deeply engraved in his heart. He won’t easily fall in love with another girl. Even if he does, Ye Xiaotao will always be his number one.”

Is that so?

Is that really so?

Bai Beibei suddenly felt a great pain in her heart. It was as if there was a knife twisting inside. She felt sorry for Gong Yi.

He could only choose to fulfil his love for her and let her go. This was his utmost love for her.

How blissful it was to be loved by him like this.

The two of them stopped talking. Li Xiyang had achieved his goal. He smiled triumphantly.

..

In the apartment.

Gong Yi was in the study, but he was not working as he was not able to concentrate.

With one hand on his waist, he paced back and forth on the hand-woven wool carpet. He looked down at the watch on his wrist. It was already six o’clock. Why wasn’t she back yet?

There was a cell phone box on the office desk. He was extremely annoyed. Last night, as there was a little disagreement in the car. He could not bring himself to give her the cell phone.

He should have given it to her, then he could call her now.

A strong car headlight shone into the window. Gong Yi heard a car stopped downstairs.

He immediately walked to the windowsill and through the window, he saw a Bugatti parked right downstairs. Li Xiyang got out of the car and opened the backseat door. Bai Beibei stepped out.

Gong Yi’s pupils constricted. Li Xiyang sent her home?

He pursed his thin lips into a cold and unhappy arc.

Downstairs, Bai Beibei got out of the car. “Thank you for sending me home. I’ll go home now.”

“Wait a minute. This is for you.”

Bai Beibei looked up and saw that Li Xiyang had given her a light gold phone.

She immediately shook her hand. “I don’t want it!”

“It was not a gift from me, it’s from Sisi. Aren’t you two good friends? You can accept her kindness. It’s to save her from getting anxious when she couldn’t contact you.”

“I don’t want it. I’ll get myself a phone when I have the money. Please return it to Sisi... Sigh!”

Li Xiyang stuffed the phone into her arms without any explanation. “If you want to return it to Sisi, then do it yourself. I’m afraid she’ll cry.”

Saying that, Li Xiyang got into the car. Before Bai Beibei could react, the Bugatti had already sped off.

Bai Beibei was speechless.

..

In the apartment, Bai Beibei opened the door and walked in. Just as she changed into her shoes and walked into the living room, a handsome and tall figure appeared on the stairs. “Why did you come back so late?”

Bai Beibei quickly looked up. The man wore white shirt, black pants, a black metal belt wrapped around his slim waist, the ankle pants revealed his exquisite ankles, he wore a pair of dark blue slippers, he was so handsome and fashionable like a male model who had just walked down the catwalk.

He looked gloomy, as if he was angry. However, he was handsome even when he was angry, He had these two straight eyebrows that reached his temples, gave off a heroic aura.

Bai Beibei did not dare to look at him. Her heart skipped a beat and her face flushed when she saw him, she explained in a low voice, “There’s an extra lesson in school today...”

“Is it an extra lesson or an extra date?” Gong Yi did not believe it at all.

“What do you mean?”

“Don’t you know what I mean?” Gong Yi glanced at the phone in her hand. “Who gave you this phone?”

“Sisi gave it to me. Wait till I...”

“Enough, Bai Beibei. I didn’t expect you to lie to me!”

Bai Beibei was really confused. She didn’t know why he was throwing a tantrum. “Mr Gong, what happened to you?”

If she knew that he had seen Li Xiyang sent her home from upstairs, perhaps she wouldn’t have asked. In the eyes of men, this phone was a gift from Li Xiyang, but she said that it was from Li Sisi.

If it wasn’t a lie, then what was it?

Gong Yi’s handsome face tensed up, “I take back what I said in the car the other day. You can like whatever kind of person you like. It has nothing to do with me. However, please don’t forget your identity. You still owe me money. You are after all just a little nanny. Please put yourself together, do what a nanny should do!”

Chapter 1253: A Little Nanny

Bai Beibei's face was pale. Not only was he throwing a tantrum at her, but he was also calling her "Little Nanny".

She knew that she was just a little nanny, and she had never felt embarrassed about it before. But now, it sounded so harsh and insulting, coming from his mouth.

She clenched her two small hands into fists, and her big eyes instantly welling up. She looked at him with feelings of grievance, hurt, and discomfort.

Gong Yi avoided her sad, pitiful gaze. Damn it, she always had a way to make him feel guilty, as if he shouldn't be angry at her!

He turned around and entered the study, slamming the door with a bang.

The brand new phone in its box was still on the office desk, and he picked it up and threw it into the trash can.

It was originally meant for her, but now that she had accepted Li Xiyang's, she naturally didn't care about his.

What was the use of this phone? Just throw it away!

Gong Yi felt like a mess. He had never felt this way before. He knew how hurtful his words were. She was sweet and sensitive. He must have hurt her badly.

But he could not control himself. He was in so much pain that he wanted her to feel just as bad as he did.

What was he thinking?

He was brought up well, and was taught to be a gentleman. He has never bullied a girl before. Even towards Ye Xiaotao and Leng Hao, he had never said anything bad. But why couldn't he treat Bai Beibei the same way?!

Gong Yi held his forehead, his entire being was indescribably dispirited.

... ..

The next morning.

Gong Yi opened the door and saw that petite figure busying herself in the kitchen. She was preparing breakfast.

His heart went soft. An entire night had passed. He had been impulsive and had reflected on himself. In short, he knows he was in the wrong. Should he apologize to her?

Gong Yi could not take a step forward. The stairs under his feet were his ego and pride. He could not go down the stairs.

At this moment, the doorbell rang.

“Coming!” Bai Beibei quickly ran over to open the door.

When the door opened, Father Gong stood outside.

“Brat, why did you open the door so quickly today... Eh, who are you? Did I... walk into the wrong door?” Father Gong took a step back and looked at the door sign.

He was at the right place, it was his son’s house, but why was there a little girl in his son’s house?

Father Gong was shocked and astonished.

This was the first time he had seen a girl in his son’s house.

This was a good thing, his son has grown up!

However, Father Gong sized up Bai Beibei from head to toe. Wasn’t this girl too young? She isn’t even 18 yet...

“Excuse me, who are you?” Bai Beibei asked Father Gong politely. She didn’t dare to let a stranger in.

“I’m Gong Yi’s father. Is Gong Yi around?”

Father...

Bai Beibei was stunned. She didn’t expect to see Young Master Gong’s father like this. She immediately stepped aside and invited Father Gong in respectfully. “Hello, Uncle. Please come in. Young Master Gong is at home.”

Bai Beibei took a new pair of slippers and laid it down beside Father Gong’s feet.

“Young lady, thank you.”

Gong Yi’s father changed his shoes and looked up. He saw Gong Yi standing on the stairs in front of them, looking at them without saying a word.

“Aiya, Brat, why didn’t you say a word? You scared me to death!” Gong Yi’s father patted his chest.

Bai Beibei looked up when she heard the sound. Her big, round eyes met Gong Yi’s.

Their eyes met and she immediately lowered her head timidly. “I’ll head into the kitchen first.”

She ran into the kitchen.

Gong Yi watched the girl disappear before his eyes like a frightened deer. He was not in a good mood. He lifted his feet and went down the stairs. He poured himself a glass of water. “Dad, why are you here?”

“You still have the nerve to ask me? Let me ask you, did you and Bai Qi blow it off?”

Gong Yi drank a mouthful of water. "Dad, please use your words carefully. What do you mean by 'blow it off'? Have we started?"

"You!" Gong Yi's father went up and kicked Gong Yi.

Gong Yi did not move at all.

Bai Beibei, who was in the kitchen, heard the sounds outside. She stood by the door and watched worriedly. When she saw that Gong Yi had kicked him, her heart tightened and she felt her heart ache.

At this moment, Gong Yi's father said again, "Let me ask you, are you still thinking about Ye Xiaotao"

Ye Xiaotao...

Hearing this name, Bai Beibei held her breath and carefully observed Gong Yi's expression.

Gong Yi's handsome figure stiffened and he was extremely frustrated. "Father, it's so early in the morning. Are you trying to make things difficult for me?"

"Who has the time to make things difficult for you? Let me tell you, the invitation from Hong Kong will be here soon. Ye Xiaotao and Leng Hao are holding a wedding."

The glass of water in Gong Yi's hand froze.

After a while, he lowered his beautiful eyes and drank all the water in the glass.

"Ye Xiaotao, don't think about it. She is now Mrs. Leng. Let me ask you again," Gong Yi's father deliberately lowered his voice, "Who is this little girl in your house? If you are ready to settle down, I will naturally be happy if you have more girlfriends. But this little girl is too young. Don't be so stupid to have sex with such a small girl."

"Father, what are you saying?" Gong Yi was already in a bad mood. Now that his father had scolded him for being stupid, he was even more unhappy. What was the point of saying all this now? He had already had sex with her. "She is just a little nanny. Don't let your imagination run wild!"

Bai Beibei, who was in the kitchen, heard this and her eyelashes batting quickly in a fluster. She turned around and leaned against the wall.

Her heart was empty, and she felt terrible.

"That's for the best. In two days, your father, I will be celebrating my fiftieth birthday, and you will return home on time. There will be many socialites at the birthday banquet, and I will look for good ones for you. Sigh, why do I have such a tough life? I'm already fifty years old, and the people around me are already grandparents. And yet, a grandson for me is still nowhere in sight..." Father Gong was mumbling again.

Gong Yi...

At this moment, a soft voice sounded from behind him, "Breakfast is prepared, ready to be served."

Gong Yi turned around and saw a petite and adorable figure standing at the dining table, setting the table.

“Have you eaten breakfast? Just in time, I’m hungry, let’s eat together.” Father Gong sat down on the dining chair unceremoniously.

Bai Beibei scooped some porridge for Father Gong, “Uncle, eat slowly, I’ll be leaving first.”

The little girl’s voice was sweet and sweet. Father Gong liked her. “Little girl, where are you going? Breakfast is ready. Let’s eat together.”

Bai Beibei took off her apron and shook her head. “I’m not hungry.”

She turned over towards Gong Yi’s side. Then, she bowed respectfully. “Young Master Gong, I’ll be heading off to school first.”

With that, she picked up her bag and left.

Gong Yi froze on the spot. He was trying his best to suppress the anger in his heart. What was she doing? was she giving him the cold shoulder?

She was getting bolder and bolder!

“Gong Yi, what are you waiting for? Let’s eat together...” Gong Yi’s father turned around and called out to him.

“I’m not hungry. You can eat by yourself.” Gong Yi slammed the door of the apartment.

Gong Yi’s father...

What the hell did he do wrong?

... ..

In the afternoon, Gong Yi came out of the office. The Lamborghini was on the road. When he stopped the car, he was already at the entrance of XX University.

Chapter 1254:

Take away Your Dirty Money

What was he doing here?

Picking up that girl?

Gong Yi glanced at the school gate through the car window. It was the end of school and students were coming out one after another. Well, he admitted that he was indeed here to pick her up.

He couldn’t concentrate on his work for the whole day. He was thinking about her.

He was a well-educated man. He was raised up well, and a gentleman by blood. He didn’t like the cold war between the two of them. If there was a problem, he would solve it. He admitted that he was indeed unable to control his temper, he came to apologize to her.

At the same time, he also wanted to talk to her. Li Xiyang was really not a good man.

Just as he was lost in his thoughts, Bai Beibei walked out of the school.

Gong Yi's handsome face softened. He was about to drive the car over.

However, a luxury car beat him to it. Li Xiyang drove the Bugatti and stopped beside Bai Beibei.

Gong Yi stiffened up. His calm mind suddenly flooded with many thoughts. How far had they progressed? Li Xiyang had already started to pick her up?

Gong Yi sneered. He turned the steering wheel, and the Lamborghini instantly sped off.

Li Xiyang watched Gong Yi leave through the rearview mirror. He smirked triumphantly and rolled down the car window. "Beibei, get in the car. I'll send you off."

Bai Beibei did not even look at him. She turned sideways and left.

Li Xiyang still drove the car behind her. "Beibei, what's wrong with you today? You seem to have something on your mind. Did you get into a fight with Young Master Gong?"

Bai Beibei's face was as white as a sheet of paper. She pursed her lips and didn't say a word.

"Beibei, I've wanted to say this for a long time. It's really inconvenient for you to stay at Young Master Gong's place. You're a girl, Young Master Gong will definitely be restricted. Besides, I heard that Old Master Gong has already arranged for Young Master Gong to take care of those young ladies from prestigious families. Who knows, there might be a mistress in the apartment soon. What will you do by then? Besides, it's not good for an unmarried man and woman to be living together. If any rumors spread, it wouldn't be good."

Bai Beibei didn't think about these problems. In the past, she only wanted to be his nanny and return his money, but the situation was different now.

She seemed to... have fallen for him.

Her heart was filled with him.

When she saw him, her heart would beat a little faster and her face would turn red. When she heard about other girls and his stories, she would feel sorry for him and be a little jealous.

She knew that she had improper thoughts about him.

He is from a prestigious background, and way out of her league. She was not worthy of him.

"Hey, Bai Beibei, where are you going?"

The girl suddenly took a turn and entered a bank.

Li Xiyang did not chase after her. He waited in the car. Ten minutes later, the girl came out with a paper bag in her hand.

Li Xiyang was surprised. That paper bag was... money?

It seemed to be quite heavy.

He took out his phone and dialed a number. "Hello, Manager Dai... Yes, it's me... just now, a girl called Bai Beibei came to your bank to do something. Can you tell me?"

"Oh, it's Young Master Li. Hello, hello... This Bai Beibei came to our bank to withdraw money. She withdrew more than 120,000 yuan... this girl is very interesting. Two months ago, she deposited 80,000 yuan in our bank and then came to me to buy a fund. This girl is very interesting. She didn't want any of the funds that I recommended. She specified what she wanted. Moreover, my computer hasn't even started using it yet. She has already calculated the interest and dividends to the last three decimal places... Yes, in two months, she turned 80,000 into 130,000. What a genius..."

Li Xiyang hung up the phone. He thought for a moment, then dialed another number. "Hello, help me check some people. Bai Beibei and the Bai family..."

... ..

Bai Beibei opened the apartment door and walked in. The lights in the living room were off, so it was very dark.

She walked up and saw the handsome and tall figure at the balcony of the living room. He was basking in the darkness of the night, while smoking a cigarette with two fingers on his right hand.

"You're back?" He exhaled a puff of smoke and said in a low voice.

Bai Beibei nodded. "Yes."

She walked forward and placed the paper bag in her hand on the coffee table in the living room. "Young Master Gong, this is for you."

"What is it?"

"The money I owe you."

Gong Yi was stunned. Nicotine could no longer numb his heart. He put out half of the cigarette in the ashtray and walked into the living room.

Wiping his pocket with one hand, he bent down to pick up the paper bag and dropped it down. Stacks of brand new dollar bills were scattered on the shiny coffee table.

He picked up a stack of money and stared at her with dark eyes. "Where did you get the money from?"

Bai Beibei couldn't see his expression clearly, but his bright eyes were so cold. She saw it clearly and whispered, "I earned it. You paid 76,000 for me at the hospital, along with the money to buy clothes and the interest from the bank. I've calculated it. It can't be wrong..."

Before she could finish speaking, she heard the man let out a "Huh". "Earned it? Tell me, how did you earn it? With so much money, could it be that you sold it again?"

Sell it?

This word pricked Bai Beibei's brain until it hurt. Her pupils constricted, and she looked at the man in front of her at a loss.

She didn't...

She really earned it.

With a "Whoosh", Gong Yi threw a wad of banknotes in his hand at her. The banknotes scattered, fluttering about in the air. His voice was as cold as ice. "Take your dirty money back. I don't want it!"

The disgust and disgust in his eyes pierced Bai Beibei's heart deeply. So that was how he thought of her.

He knew that she had gone out to sell herself. He had once comforted her that it was alright because it was her mother-in-law's life and was worthy of forgiveness. But it turned out that he did not think that way in his heart.

Perhaps in his heart, he had never thought of her as a good girl.

Bai Beibei's nose was red, and her eyes were blurred by the tears that were welling up in her eyes. She tried hard not to let her tears fall.

She bent down and placed the gold card on the coffee table. "I didn't touch the card you gave me. Take a look and see if the money is missing..."

Gong Yi's chest was panting. He didn't expect such a small girl to irritate him so much that every breath he took hurt.

The stack of money on the coffee table made him feel like a complete fool.

He raised his leg and kicked the coffee table with a loud bang.

He swore that this was the most out of control he had ever had.

Hot tears rolled down her face. Bai Beibei clenched her fists tightly. She bent down and gave the man a 90-degree bow. "Young Master Gong, thank you for your help during this period of time. I will never forget your great kindness."

After saying that, Bai Beibei turned around and left the villa.

..

Bai Beibei walked alone on the street. She didn't know where she was going.

She seemed to have returned to her original position, all alone.

All the strength in her body seemed to have been drained. She stopped and squat down where she was. Then, she hugged her knees and buried her face in them. Hot tears flowed between her fingers, and she burst into tears.

Chapter 1255: Brother, is Beibei this Beautiful

My heart hurts.

The thought of waking up every morning and never seeing that handsome face again, the pain she feel was immense that she could die.

He didn't like her, and even hated her. Everything was her wishful thinking.

However, she had lost her heart.

What should she do?

...

Bai Beibei stayed in the school dormitory. She took two days off, as if she was seriously ill.

When she went back to school, Li Sisi quickly hugged her slender arm. "Beibei, where have you been these past two days? I couldn't get in touch with you. You look terrible. Are you having a fever?"

Li Sisi touched Bai Beibei's forehead with concern.

Bai Beibei shook her head. "I'm not running a fever. I'm just feeling a little unwell. I'll be fine after sleeping for two days. By the way, Sisi, I'm returning this phone to you. I have no use for it anymore."

Bai Beibei handed the pale golden phone to Li Sisi.

Li Sisi was stunned. She didn't buy her a phone.

"Beibei, who gave you this phone?"

"Wasn't it you? Two days ago, your brother gave it to me. He said that you gave it to me."

Brother...

Li Sisi immediately responded with an "OH" and tried to cover it up. "Yes, I asked my brother to give it to you, Beibei. Anyway the phone is already paid for and there is no way to return it. It's a waste if you don't use it, so just keep and use it."

Bai Beibei thought for a moment. "I'll take the phone, but how much is it? I'll give it to you."

"Alright, alright. It's two thousand yuan. You can pay me later."

"Okay." Bai Beibei nodded. "I'll go back to the dormitory and give it to you now."

"Hey, Beibei." Li Sisi pulled her back. "Why aren't you staying at Young Master Gong's place anymore? When did you move to the school dormitory?"

Bai Beibei's long eyelashes fluttered, then she tugged at the corner of her pale lips. "I moved here two days ago. I... paid back the money I owed him, so I moved out..."

"That's good too. Look at Young Master Gong, he's treating you like a servant."

“Sisi, don’t talk about him!”

“Alright, alright, alright. I won’t talk about it anymore. You only know how to protect him! There’s one thing, Beibei. Today, I’m going to attend a banquet. Come and let’s go have fun together.”

Bai Beibei quickly shook her head. “I still have to do my homework. I won’t go.”

“Beibei, my dear Beibei, just come with me.”

“I really can’t. I don’t like to participate in... banquets. You can go by yourself.”

“White shoes, Sisi, why are you guys standing here and pulling each other’s arms?” At this moment, Li Xiao walked over with an amiable expression.

“Daddy.” Li Sisi quickly rushed over and grabbed her daddy’s arm. She pouted and acted coquettishly. “Daddy, I asked Beibei to go to the banquet with me, but she refused. I’m trying to persuade her.”

“Oh, about that, Bai Beibei, you can go with Sisi. I’m going too. There are many people from the education industry at this banquet. You’re my favorite student, so I’ll introduce you to them. In the future, these connections will be very useful for you in your career,” Li Xiao said with a smile.

Bai Beibei’s heart warmed. Li Xiao and Sisi were really good to her.

“Beibei, come with me. With me by your side, you won’t be bored.” Li Sisi pestered her.

Since they had already said so, it would be too unappreciative of her if she refused again. Bai Beibei nodded. “Alright.”

... ..

An hour later.

Li Sisi dragged Bai Beibei out. Bai Beibei used her small hands to wrap her shawl around her body. “Sisi, can I change my clothes? I don’t like to wear this.”

“Beibei, we’re going to a banquet, so we’ll definitely have to dress up. You look absolutely beautiful in this way. I guarantee that you’ll definitely amaze everyone when you appear.”

“That won’t do either...”

“Alright, Beibei, stop talking. The car is here... Brother, here.”

Li Sisi opened the back door of the Bugatti and gently pushed Bai Beibei inside.

Bai Beibei looked up and saw Li Xiyang in the driver’s seat. She was stunned. She did not expect Li Xiyang to drive over.

“Hello, White Shoes. So we meet again.”

Bai Beibei did not like this man. She nodded lightly. “Hello.”

At this moment, Li Sisi closed the door. “Brother, drive.”

Bugatti drove out. Li Sisi said, "Brother, Beibei has been arguing about changing out of this dress. Tell me, does Beibei look beautiful?"

Li Xiyang looked at Bai Beibei through the rearview mirror. She was not dressed in a flashy manner. It could be said that she was dressed very simply. She was wearing a short black over-the-shoulder dress with slight puff sleeves, accessorized with a very retro-looking five-colored necklace hanging around her neck, Li Sisi even helped her tie up her loose hair into a bun.

It was such a simple outfit but Li Xiyang could not take his eyes off her. The black color complemented her snow-like skin. A few strands of light short hair fell on her swan-like pink neck. It was very dazzling, and her facial features were exquisite and beautiful, even without makeup, she was as beautiful as a beauty in a painting.

Realizing that his gaze had been fixed on her, the little girl's two small hands wrapped around her shawl unconsciously to protect her chest. Even her two slender legs were tightly clamped together.

She was unwilling to reveal a bit of her beauty.

"Beautiful."

Li Xiyang retracted his gaze. He felt that his voice was a little hoarse.

Her unconscious actions were indescribably taboo and seductive in his eyes. He had dated girls of her age before, and none of them were as innocent and clean as her.

He realized that he liked this little white rabbit more and more, and he wished he could bring it home and eat it on the bed.

"See, Beibei, my brother is praising you. You're really beautiful like this."

Bai Beibei didn't know what Li Xiyang was thinking. She just blushed. "Sisi, don't say anymore."

"Okay, I won't say anymore. If I continue talking, I'm afraid you'll jump out of the car." Li Sisi covered her mouth and laughed.

Bai Beibei could only remain silent. She already regretted coming.

...

Today was Gong Yi's father's fiftieth birthday. The birthday banquet was held at the Jingdou International Hotel, and everyone present were high-ranking officials and dignitaries.

Everyone had brought along their daughters. Their goal was very clear. They hoped to gain Gong Yi's attention and marry into the Gong family as the Young Mistress of the Gong family.

However, this hope has come to naught.

This was because everyone present could sense that Gong Yi was in a bad mood. His handsome facial features were cold and his thin lips were pursed into a white line.

Even though he would exchange a few words with the person who came to congratulate him out of politeness, his entire body was emitting a cold and distant aura.

It was as if he was saying — this lord is in a bad mood today, don't come and provoke me!

Some people probably understood that this lord had probably received Ye Xiaotao's wedding invitation. The accurate news had already arrived. Half a month later, Ye Xiaotao had officially married into the Leng family, and Hong Kong was going to hold a wedding of the century.

Other than Ye Xiaotao who could mess with this lord's mind, probably no one else could have such charm over him.

"Young Master," at this moment, a servant whispered into Gong Yi's ear, "Old Master Li and Young Master Li are here."

Chapter 1256: She's not pregnant, is She

Gong Yi looked up and saw four figures by the door. His gaze instantly focused on a petite figure.

Why is she here, and she's dressed like this?

His gaze lingered on her. She had always been wearing a student uniform. It was autumn now, and the wide coat of the student uniform covered her whole body. She was probably shy as well. She didn't wear any of the clothes she bought in the fitting room that day, she was probably embarrassed to reveal the curves of her body.

Gong Yi's gaze was a little dark. He looked at her breasts and buttocks. These two curves were outlined by the black dress. Her breasts were still not big, but they seemed to be a little bigger than the ones that he cupped in the bathroom that night. Needless to say, her buttocks were small and perky, it made people have the urge to touch it.

Gong Yi heard someone beside him gasping, and everyone in the hall focused their gazes on her.

Beside him were two elders in their forties or fifties, whispering to each other —

"Who's the girl behind Elder Li? I've never seen her before."

"Yeah, she looks beautiful and... small, Haha..."

This "small" naturally implied a lot of disgusting and filthy things. Gong Yi frowned when he heard it. Suddenly, he had an impulse to pull her behind him and then use large clothes to tightly wrap her up, not letting others see her.

However, he restrained himself.

What did she have to do with him now?

She had not returned in the past two days. Her intentions were very clear. She had returned his money and would be cut off all ties from him in the future.

There were times when he was soft-hearted. He would think that perhaps his words were a little harsh. She has no relatives in the capital. Where would she sleep at night?

Now it seemed that he was simply worrying blindly.

She had come with Li Xiyang. Could it be that she was living with Li Xiyang.

Gong Yi raised his head and gulped down all the red wine in his hand. The red wine was not strong, but his throat was burning so badly that it hurt. His heart was filled with anger and bitterness. This feeling was indescribable, but in short, it bothered him enough to make him uncomfortable.

He had already felt uncomfortable for two whole days.

The night before last, he received Ye Xiaotao's wedding invitation. He was already uncomfortable enough, but now this little white rabbit was giving him trouble. This trouble was actually even more uncomfortable than Ye Xiaotao's.

"Elder Li, you're here." Father Gong noticed Elder Li at this time.

"Old Master Gong," Li Xiao immediately went up to welcome him with a smile. "Today is your birthday. I wish you good fortune and may you live a long and happy life."

"Thank you, thank you. I don't expect longevity. I want to have a grandson, I want to have a grandson!"

Gong Yi, who was at the side, started to have a headache again. His father wanted to have a grandson so badly that he was going crazy.

"Haha, Old Gong, it's not easy to have a grandson. The girls who adore Young Master Gong are in hoards. Everyone wants to have a grandson for you, Old Gong. However, don't be too hard on yourself when it comes to relationships. Young Master Gong is not in a hurry to get married and have a child. He's only 26 years old and is still young. Look at my Xiyang, who is the same age as Young Master Gong. I'm not in a hurry." Li Xiao was a gentleman, polite in every way as he wrapped up the topic.

To his surprise, Gong Yi's father said, "I don't want to hear it, I don't want to hear it, I don't want to hear it," "Elder Li, My Gong Yi can not be compared to Xi Yang. Xi Yang has never not been surrounded by women before. Look at my Gong Yi, he's 26 years old, but he's probably still a virgin. That's not normal!"

Elder Li almost burst out laughing when he heard this. These words were too direct.

Gong Yi raised his eyebrows. What did his father know? He had already lost it. The woman who he had lost it to was there.

Gong Yi looked at Bai Beibei. She was pulled aside by Li Sisi. The two girls did not know what to say. She was amused and covered her mouth to laugh. One of her slender arms was placed in front of her and she was wearing a fluffy skirt. Her two jade-like legs were tightly shut. She looked extremely pure.

Gong Yi quickly looked away. He felt his mouth was dry.

He wanted to drink, but the red wine glass in his hand was already empty.

He looked down and saw that his trousers were very fitted. Somewhere down there, something was about to stand up.

He was getting more and more frustrated.

At this moment, he heard his father muttering, "My Gong Yi seems to be isolated from women. He's not at all passionate about matters between men and women. He's driving me crazy. I really want to take his virginity and let another woman carry his child..."

What Father Gong didn't know was that it wasn't that his son wasn't interested in sex. Right now, his son couldn't help himself from seeing a little white rabbit.

When Gong Yi heard this, he was stunned. He suddenly remembered something very important.

That night in the bathroom, he didn't use any protection!

At the last moment, he pulled out, but he couldn't stop it. A part of his seed was planted in her body. At that time, he wanted to let her take the morning after pill, but she ran off.

Later, he received a call from Leng Hao and completely forgot about this.

Gong Yi immediately looked at Bai Beibei. His gaze shifted to her flat stomach. She... isn't pregnant, right?

As if they had a telepathic connection, as he looked over, and Bai Beibei also turned to look over.

Their eyes met.

In fact, Bai Beibei had spotted him in the crowd from the time she entered the door. Today, he was wearing a black suit. He didn't look like he intentionally dressed up, but the man's naturally was handsome, and his exquisite and refined features were one in a million, she could not ignore him even if she wanted to.

It had been two days since she last saw him, but it felt like two years had passed.

It perhaps was the embodiment of the saying that a day apart felt like years.

Now, his gaze was cast upon her. It was extremely complicated, and his expression was still very cold. The smile on Bai Beibei's face froze. He must not have welcomed her here.

Actually, she did not know that this was his father's birthday banquet. She had wanted to leave, but Sisi was pestering her.

Besides, she also wanted to take a look at him.

It was good to take a look from afar.

"Sisi, Beibei." At this moment, Li Xiyang walked over and blocked Bai Beibei's line of sight. "Come, I'll bring you to say hello to Young Master Gong."

"Okay." Li Sisi dragged Bai Beibei away.

"Elder Gong, I wish you a happy birthday." Li Xiyang stepped forward.

“Isn’t this Xiyang? I haven’t seen him for many years. He’s getting more and more handsome.” As he spoke, Gong Yi saw Bai Beibei behind Li Xiyang. He felt that she looked familiar. Oh right, he had seen her at Gong Yi’s place a few days ago.

“This is?”

“Oh, Elder Gong, this is my girlfriend, Bai Beibei.” Li Xiyang reached out and grabbed Bai Beibei’s slender waist, pulling her into his embrace.

Elder Gong, Elder Li, and Li Sisi were all stunned. Bai Beibei was especially stunned. She raised her head and looked at Li Xiyang in shock. What was he talking about?

Gong Yi sneered in his heart. As expected, his gaze swept over Li Xiyang’s arm that was holding her. He wished that he could poke a few bloody holes in it, “Xiyang, you are constantly dating different girls. You just broke up with that Japanese girlfriend of yours a month ago. How long do you plan to be with this girlfriend?”

As soon as he said that, Gong Yi’s father was so angry that he almost vomited blood. Did his son eat something wrong? Is this how you treat a guest?

Chapter 1257: Being Bullied

Li Xiyang was also slightly surprised. Gong Yi was saying that he was a playboy in front of Bai Beibei.

He thought that he understood this buddy of his. This buddy of his had principles. He would never talk bad about others.

However, today, not only did he say it, he even said it in person. Li Xiyang laughed in his heart. It seemed that this buddy of his had taken a liking to this little white rabbit.

Li Xiyang tightened his grip on Bai Beibei’s slender waist. “Young Master Gong, let’s not talk about the past. A prodigal son can never be changed. I’m just looking forward to a girl who can subdue me. From now on, I will give up the world just for one girl.”

Gong Yi snorted and looked directly at Bai Beibei. He lifted his chin high and suddenly asked, “Is this person you?”

Bai Beibei was stunned. She bumped into his deep and cold peach blossom eyes and didn’t know if he was talking to her.

“Brat, what are you talking about? Did you forget to take your medicine when you went out?” At this time, Father Gong immediately scolded him.

“Elder Gong, don’t be agitated...” Elder Li pacified.

“How can I not be agitated? Today is my 50th birthday, and this brat won’t let me live in peace.”

Gong Yi furrowed his sword-like brows. He gave Bai Beibei a deep look, which meant — whatever. He turned around arrogantly and left.

Bai Beibei lowered her gaze. She didn’t know what he was talking about, but he seemed to be targeting her the entire time.

Now, did he hate her that much?

She didn’t know what she had done wrong.

“Beibei, don’t listen to Young Master Gong’s nonsense, I...”

“Let go of me!” Bai Beibei raised her eyes and glared at Li Xiyang, then turned around and left.

Li Xiyang’s arms were empty, and he froze for a moment.

“Brother, what do you mean? When did you start dating Beibei? Also, when did I give Beibei a cell phone? You gave her that cell phone, didn’t you?” Li Sisi whispered out the confusion in her heart.

Li Xiyang looked at Bai Beibei’s beautiful back and said seriously, “Sisi, I like Bai Beibei now. As a younger sister, you should help me out more.”

“Ah?” Li Sisi felt that it was too sudden, and her mouth fell open.

...

Two people had witnessed everything that had happened here. One was Qian Lan, and the other was Bai Qi. They and Bai Shida had also come to this banquet.

“Qiqi, look, that little slut Bai Beibei seems to have fallen out with Young Master Gong.” Qian Lan stared at Bai Beibei’s figure with hatred.

“Mom, it looks like that’s the case too. I think Young Master Gong is just toying with her. She comes from such a lowly background. How could Young Master Gong really let her marry into the Gong family and become Young Mistress of the Gong family?”

“Exactly.” Qian Lan’s face was filled with joy. “Then your chance has come. Go try with Young Master Gong again.”

“Mom, I don’t dare...”

Bai Qi didn’t tell Qian Lan about her scheming. She only said that she left the Gong group on her own accord, so Qian Lan was still so confident.

“Qiqi, let’s not give up so easily. Who is Young Master Gong? Look at all the socialites here staring at him. Elder Gong likes you so much. Go and try again. Maybe this time you’ll succeed.”

Bai Qi looked at Gong Yi’s tall and handsome figure and was a little tempted. “Fine Mom, I’ll give it another try.”

“Go quickly.”

Bai Qi walked slowly towards Gong Yi and revealed an elegant and charming smile. “Young Master Gong, Hello.”

Gong Yi glanced sideways at Bai Qi. “Do we know each other?”

A simple and emotionless sentence cut off all possibilities. Bai Qi was stunned on the spot..

Gong Yi glanced at her, turned around and walked away.

... ..

“Qiqi, what’s going on?” Seeing Gong Yi leave, Qian Lan immediately asked Bai Qi.

Bai Qi’s face was red and white. Having been humiliated, she clenched her fists and said hatefully, “Mom, Young Master Gong isn’t willing to talk to me at all. It’s all that little slut, Bai Beibei’s fault. Originally, Young Master Gong and I were progressing well, but she interfered. Now, I’ve become everyone’s laughing stock.”

The anger that Qian Lan was suppressing ignited. She smiled sinisterly and said in a low voice, “See how Mom will deal with this little slut!”

As she said this, Qian Lan walked towards Bai Beibei.

Bai Beibei was upset. She was really upset. Whenever she thought about how Gong Yi hated her so much, she felt a heart-wrenching pain.

She walked towards the main door, wanting to leave.

Since he didn’t want to see her so much, it would be good if she left.

At this moment, her feet were suddenly tripped. She focused all her attention on Gong Yi, unaware of her surroundings and what was going on. “Ah!” She fell to the ground.

“AH, isn’t this my Beibei? What’s wrong?” At this moment, Qian Lan pretended to pass by and walked over.

Qian Lan’s high pitched voice instantly attracted the attention of many people. Everyone gathered over, “Madam Bai, who is this girl?”

Qian Lan said with a kind face, “Oh, this is my youngest daughter, Bai Beibei.”

“Madam Bai, don’t you only have one daughter?”

Qian Lan was stunned for a moment, then she said with a smile, “Beibei is also my daughter.”

These noblewomen loved to gossip the most. As soon as they heard Qian Lan’s words, they knew that there was a hidden meaning in her words. Someone immediately asked, “Is this the girl your servant gave birth to?”

“It seems so. Back then, that maid seduced her own master and she even give birth to a little bastard.”

“Madam Bai, you’re really magnanimous. How can you treat such a person as your own daughter?”

Bai Beibei instantly became the target of all the noblewomen and socialites. Beautiful people could cause public outrage wherever they went. This was the truth.

Qian Lan saw that the time had come and immediately brought up the main topic. "Don't talk about Beibei like that. Beibei moved out from my place a while ago. She doesn't have any relatives in the capital, so I was worried about her. Beibei, where have you been staying these past few days?"

Bai Beibei fell to the ground. Everyone's gazes were focused on her. She finally understood Qian Lan's intentions. Qian Lan had set a trap for her.

She couldn't answer this question directly.

She couldn't involve Gong Yi and let others discuss him.

At this moment, Bai Qi walked over. She added fuel to the fire. "Beibei, you're penniless. Where do you live? Could it be that you've made some friends outside and are staying at a friend's house?"

The noblewomen immediately understood Bai Qi's meaning. Everyone looked at Bai Beibei with disdain and whispered, "Such a young girl actually lives with a man. How shameless!"

"This isn't strange. It's in her blood!"

Bai Beibei became the target of public criticism. She could only use her slender arms to protect herself and give herself some warmth.

"What are you doing?" At this moment, a low and mellow voice sounded. Gong Yi walked over.

The noblewomen moved aside and Gong Yi clearly saw the girl in front of him. She fell to the ground. Her nose was red and her delicate appearance was bullied by others. She looked very pitiful.

Any man who saw her would want to protect her in their arms.

"Young Master Gong, don't be deceived by this girl's delicate and pretty appearance. Let me tell you, her mother is a vixen who seduced her own master. She isn't brought up well and is already living with a man at such a young age."

Chapter 1258: Beibei is now My Girlfriend

Cohabiting?

Gong Yi frowned. The man she was cohabiting with was himself.

Bai Beibei raised her head to look at Gong Yi. His deep gaze landed on her head. She felt embarrassed and awkward. He was wealthy, powerful and elegant, while she was nothing, like a tiny ant.

"Who are you cohabiting with?"

Gong Yi suddenly spoke.

Bai Beibei's heart skipped a beat. What did he mean by asking this question?

Qian Lan and Bai Qi's expressions changed drastically. They both knew that Bai Beibei was living with Gong Yi. Gong Yi was now asking this question in front of everyone. As long as Bai Beibei answered truthfully, their relationship would be made official to the world.

Gong Yi was going to announce their relationship.

Bai Beibei did not understand. Her eyes were sparkling and misty. She bit her lower lip and refused to speak.

He hated her so much now, how could she still dare to dream of having a relationship with him?

She wanted to preserve some dignity for herself.

Gong Yi's gaze weighed heavier and heavier. Why isn't she say anything?

Was it that hard to admit that she was living with him, or was she living with Li Xiyang now and afraid that Li Xiyang would misunderstand?

"Beibei is living with me now."

Speaking of the devil, Li Xiyang walked over at this moment.

"Beibei, are you alright?" Li Xiyang knelt on one knee and reached out to protect Bai Beibei's weak shoulder.

Qian Lan and Bai Qi didn't see who Li Xiyang was from afar. Li Xiyang had been living abroad all these years, so it was normal that they didn't recognize him.

Now that they saw him close up, Qian Lan and Bai Qi gasped. It was Young Master Li!

They didn't expect Bai Beibei to be rejected by Gong Yi, and now she found someone like Young Master Li. Qian Lan and Bai Qi were so angry that they saw red.

"Beibei, what happened to you? Why did you fall to the ground?" Li Sisi rushed over and helped Bai Beibei up.

"Since everyone is here, I have something to announce. Bai Beibei is now my girlfriend!" Li Xiyang's gaze swept across the crowd and landed on Gong Yi's face.

Everyone was gasping. Gong Yi's handsome face instantly turned as cold as ice.

Bai Beibei trembled and looked at Li Xiyang in panic. The more he spoke, the more ridiculous it sounded. At this moment, she saw Gong Yi's sharp gaze upon her face. Her pink lips moved and she wanted to explain.

"Beibei, I remember that you were dating Young Master Gong a while ago. Why are you dating Young Master Li now? Who is your boyfriend?" Bai Qi is grasping at straws now, in her final feeble attempt to sow discord.

"I..."

"Who said that I'm dating her?" Gong Yi said indifferently.

Bai Beibei's pupils constricted.

Gong Yi looked at her indifferently. "Are there any good attributes of hers that is worth me liking her?"

Bai Beibei's face turned pale.

Li Sisi was furious. "Young Master Gong, what are you trying to say? You don't like my Beibei, more like she doesn't like you. Beibei, let's go!"

Elder Gong and Elder Li were stunned by what they saw. Elder Li said, "Sisi, Beibei..."

"Let them go! Not any Tom, Dick or Harry can enter our Gong family's banquet!" Gong Yi forced out a harsh and emotionless sentence.

Bai Beibei heard these words clearly. Her eyes welled up and tears poured out like broken beads.

"Beibei, let's go. This Gong Yi has gone too far. I don't want to see him ever again!" Li Sisi dragged Bai Beibei out of the banquet hall.

Elder Li's expression didn't look too good either. "Young Master Gong, I don't know what you mean by that. Beibei is my best disciple that I am most proud of. Do you think her background isn't good enough so you can't come to congratulate her? Heh, the Gong family has such a great expectations. I won't stay any longer. Goodbye!"

Elder Li turned around and left.

"Daddy!" Li Xiyang called out before looking at Gong Yi. He gave a victorious smile and said, "Elder Gong, Young Master Gong, then I'll take my leave too."

The four of them left one after another. The originally lively banquet was now completely silent as everyone looked at each other in dismay.

Father Gong's face was already colored with anger. He extended his trembling finger and pointed at Gong Yi as he cursed, "Brat, I can finally see that you want to ruin my birthday banquet today and make me a joke. Am I an eyesore to you after living for fifty years? Do you want me to die early? Aiyo, you rebellious son, I don't want to live anymore. My heart hurts, my heart hurts..."

Father Gong clutched his chest as he said this and fell to the ground.

"Elder Gong, Elder Gong, what's wrong with you? Quick, someone call a doctor!" The entire place was in a mess.

Gong Yi stood in his footsteps, not moving or making a sound. His handsome body went stiff like stone, and the two big palms hanging by his side were balled up, clenched into fists.

He knew that he had ruined the birthday banquet. Tomorrow's entertainment headlines would be about the Gong family, which was unique in his life.

He was born blessed and privileged, and he had never allowed himself to live in a mess. But now, his situation could not be any worse.

He couldn't control himself.

His heart was filled with a huge amount of anger, frustration, and bitterness. He had no idea what he had said or done.

"Young Master Gong," Bai Qi walked over at this moment and smiled fawningly. "Don't be angry. Maybe you don't understand Beibei. Beibei is such a person. She's afraid of being poor, so she only wants to date a rich boyfriend."

Gong Yi looked coldly at Bai Qi and replied, "Are you mocking me for not being rich enough?"

Bai Qi, ...

Gong Yi snorted coldly and disappeared.

... ..

In the car.

Qian Lan wanted to bite her gums to pieces. "Bai Beibei, that little slut. Not only did she hook up with Young Master Gong, but she also hooked up with Young Master Li. That slut. If I had known this would happen, I would have sent five or six men to her every night to satisfy her."

Bai Qi gripped the bag in her hand tightly. Gong Yi's words about not rich enough echoed in her ears. No matter how she listened, she could hear a tinge of jealousy.

She could not believe it. Was Gong Yi jealous?

A man like that was actually jealous of Bai Beibei.

Bai Shida, who was in the driver's seat, chuckled. "Honey, don't be angry. It's not worth it to be angry over a little bitch. Don't be so angry that your body will be damaged..."

It was fine if he didn't say it, but once he did, Qian Lan quickly aimed her anger at him, "Bai Shida, you still have the nerve to say it. It's all your fault for causing this debauchery! "If you hadn't slept with that Vixen Qing back then, would there be this little bastard now? This little bastard is better than her, and her methods of seducing men are even better than her mother's!"

"It's dad. All of this is your fault, and you still have the nerve to say it." Bai Qi agreed impolitely, "Back then, you were just a poor man. If it wasn't for Grandpa who took you in as a son-in-law and supported you until now with money and connections, would you have been able to live so well?"

"I..."

Being bombarded by this mother and daughter, Bai Shida's face also turned green.

Qian Lan was still unwilling to let him go and had already started scolding him from behind.

No matter how cowardly Bai Shida was, he was still a man. Being scolded by them like this, his heart felt like it had been boiled, painful and hot.

Chapter 1259: Trickery

“Honey, don’t be angry. It’s all my fault. I apologize.” Bai Shida laughed awkwardly and tried to please him.

“Don’t call me!” Qian Lan glared at Bai Shida. “I hate you when I see you!”

Bai Shida glanced at Bai Qi who was behind him. His daughter was obviously siding with her mother and despised him as a father.

The corner of Bai Shida’s mouth twitched, and he averted his gaze gloomily.

At this moment, the phone rang. He has a call.

Bai Shida picked up and said a few simple words before hanging up the phone. “My dear wife, the secretary just called and said that the company has an urgent document that needs me to handle. I’ll send you and Qiqi home now, and then I’ll go to the company.”

Qian Lan was not in the mood to argue with Bai Shida. She snorted coldly. “You’d better behave yourself these days and don’t cause any more trouble for me. Otherwise, I’ll make you lose everything!”

“Okay, okay,” Bai Shida answered obediently.

Bai Shida sent the mother and daughter back to the Bai family and then drove away in a luxury car.

The luxury car did not run to the Bai family, but to a small foreign house in the suburbs.

...

When the door to the small house was opened, the lights in the living room were dim and warm. A petite woman was standing by the dining table. She was wearing an elegant long dress and she was setting up the dishes.

When she heard the door open, she turned around and smiled at Bai Shida. “Shida, you’re back.”

Bai Shida threw down the car keys and ran forward to hug the woman. “Baby, did you miss me? I missed you so much.”

The woman slapped his palm and said, “You’re just saying sweet nothings! Go wash your hands, it’s time to eat.”

Bai Shida liked this woman very much because he felt the warmth of home here. This woman was also very different from Qian Lan. Not only was she beautiful, but she also truly admired him as a man.

"I don't want to eat anything. I just want to eat you." Bai Shida said as he reached out and playfully pinched her chest.

The woman immediately turned around and smiled charmingly. "What are you doing? Just talk. Why are you touching me?"

Bai Shida's breathing quickened because of the woman's smile. He directly picked her up and ran up the stairs. "Baby, who asked you to be so charming? I can't control myself when I see you. I can't get enough of you no matter what."

"Pervert!" The woman pounded his chest in his arms and giggled.

...

An hour later.

The room was filled with a rich scent. Clothes were all over the floor. The woman lay in Bai Shida's arms and drew his chest with her slender white fingers. "Shida, why are you so forceful today? You were hurting me."

Bai Shida hugged the woman and looked at the red marks on her fair skin. He kissed her with heartache. "It's all because of that bitch wife of mine. She actually scolded me together with Qiqi. My reputation has been completely ruined."

"So that's how it is. But it's not strange. Haven't you always had no status in the family?"

Bai Shida caressed the woman's back that was as smooth as silk. It was as if she had no bones. She was in her forties, and time had not left any traces on her body. She was as beautiful as a fairy.

His memory was a little hazy. He remembered that he had once slept with such a girl, and that was Bai Beibei's mother, Sun Xiaoxiao. Sun Xiaoxiao was very beautiful. On the first day she entered the Bai family, he had taken a fancy to her.

Unfortunately, this Sun Xiaoxiao did not like him. He had hinted at her many times, but she had ignored him. There was nothing he could do about it. There was once when he was in a heat of the moment and took advantage of Qian Lan's absence at home to rape her.

"Darling, don't laugh at me. I can see that as long as you're really good to me."

"What's the use of being good to you? Can you marry me?"

"I..." Bai Shida wanted to coax the woman.

However, the woman had already stood up. There was a roll of tobacco on the bed cabinet. She lit it with fire and personally brought it to Bai Shida's mouth.

Bai Shida took a puff and immediately felt like he was floating in the air.

Actually, he did not know what kind of cigarette this was. This was the woman who made him smoke it. He felt especially wonderful after smoking it once and could not stop from it.

"Shida, do you really plan to live like this forever?" The woman lay back in Bai Shida's arms.

Bai Shida looked down at the woman and smiled mysteriously, "How can I always be suffering under that woman? I'll tell you a secret. I've transferred all the money in the company to the new company I registered. Now the Bai Corporation is an empty shell."

"Really? Shida, you're amazing!"

Bai Shida crossed his legs in satisfaction. "After I transfer all the money, I'll divorce that woman. Then, I'll marry you and let you be my Mrs. Bai."

"That's great, Shida. I'm looking forward to the day I marry you."

Bai Shida pinched the woman's beautiful face. Then, he suddenly remembered something. "Baby, I just found out today that Qiqi and Young Master Gong broke up. Young Master Gong didn't even take a fancy to her. Young Master Gong took a fancy to Beibei instead."

Beibei?

The woman's eyes flashed when she heard this name.

"Not only did Young Master Gong take a fancy to Beibei, she even successfully hooked up with Young Master Li. Now, these two men are fighting over her and are jealous of her. I didn't expect that such a neglected daughter of mine would actually have such great abilities."

As he spoke, Bai Shida's face darkened. "I had placed all my bets on Qiqi. Now that Beibei has suddenly appeared and ruined my plans, should I make the first move?" As he spoke, Bai Shida made the gesture of cutting his throat.

"No!" A hint of panic flashed in the woman's eyes, and then she quickly calmed down. "Shida, instead of getting rid of her, why don't you just use her to your advantage?"

"Use her?"

"That's right. Right now, Young Master Gong and Young Master Li both like her. She has a bright future ahead of her. She's your daughter. In the future, no matter which rich man she follows, you'll be able to benefit from it in the future."

"Can I? In the past, I treated her very badly. I abandoned her in the countryside and ignored her. I even chased her out of the Bai family. She must hate me to death."

"I feel that Bai Beibei's personality is simple and weak. She won't hold a grudge against you. As long as you start treating her well now, she'll definitely change her mind and be filial to you!" The woman said affirmatively.

"Alright, then give it a try." Bai Shida was completely obedient to the woman's words.

"Shida, what's the name of the new company that you registered?"

"Why are you asking this? The new company can not be revealed. If Qian Lan finds out about it in advance, she will definitely kill me." Bai Shida said cautiously.

"I want to admire your reputation in advance. Shida, don't tell me you suspect me?" The woman pouted her red lips as she said, feeling wronged, "You still don't understand my feelings for you. You've been

hiding me here for almost two years. Have I ever complained? I've poured my heart and soul out to you, yet you're treating me like a thief?"

"Baby, that's not what I meant." Bai Shida immediately hugged the woman onto his lap. He moved closer to her face and said with an evil smile, "If you want to know, that depends on your ability."

The woman put away her aggrieved expression and gave him a punch. "You old fool, you want it again. You're not afraid, dying on you is also fine by me." Bai Shida held her slender waist.

Chapter 1260: Beibei Disappeared

Gong Yi.

The atmosphere in the company feels like it has been shrouded in a dark fog for the past few days. Everyone was working cautiously because they all felt that their CEO was in a bad mood. His face was so gloomy that water was about to drip from it.

They were all afraid of bumping into the muzzle of a gun.

In the afternoon, after work.

Gong Yi carried his car keys out of the company's main entrance and walked towards the Lamborghini.

"Young Master Gong, wait a moment." At this moment, Li Sisi ran over.

When he saw Li Sisi, Gong Yi immediately frowned. He didn't have a good impression of the Li siblings and didn't want to bother with them.

He turned around and was about to get into the car.

"Hey, Young Master Gong, did you hear me calling you? I'm looking for you for something very important urgently!" Li Sisi ran until she was panting.

"What's the matter?"

"Beibei is missing!"

"What?" Gong Yi's body stiffened, and panic and nervousness flashed through his eyes. He suddenly turned his head and asked Li Sisi, "Why is she missing all of a sudden?"

"I don't know either. Ever since she attended your father's birthday banquet, Beibei has been in a bad mood. Then, she took a week off. After the holiday ended, she didn't come back either. I can't find her."

Birthday banquet...

Gong Yi's entire body felt like it was on fire at the mention of this. He suddenly remembered what her disappearance had to do with him. She was now Li Xiyang's girlfriend.

Gong Yi opened the car door and wanted to get into the car.

However, Li Sisi pulled him back. "Young Master Gong, why did you leave? Beibei is missing. Do you know where she went?"

Gong Yi snorted coldly. "I don't know where she is now. You should ask your brother about this."

"Young Master Gong, what do you mean?"

Gong Yi didn't want to say it at first, but he couldn't help but say, "Didn't Bai Beibei already move in with your brother? Your brother should know where she's going the best."

Gong Yi immediately regretted saying this because no matter how he heard it, he could hear the jealousy in his words.

"Young Master Gong, what nonsense are you talking about?" Li Sisi widened her eyes in disbelief. "Ever since Beibei moved out of your place, she's been living in the student dormitory. What does she have to do with my brother?"

Gong Yi's expression froze.

"Young Master Gong, alright. What kind of person do you think Beibei is? Do you think she's a girl who would casually move in with a man? If you think of her that way, then you're too much!"

Gong Yi was a little embarrassed. "Doesn't she have a cell phone? Why didn't you call her?"

"Beibei didn't buy a cell phone card. How could I call her? Last time, she returned the money for the cell phone to me, but she never used the cell phone."

The money to buy a phone...

"You gave her the phone?"

There was a small misunderstanding. Because her brother was involved, Li Sisi chose to avoid talking about it. She nodded. "Yes, Beibei refused to take my things for free and insisted on returning the money to me."

Gong Yi was silent for two seconds, then turned around and got into the car.

"Young Master Gong, you..."

"I don't know where Bai Beibei is now. Go find her yourself." Gong Yi closed the car door and drove away in the Lamborghini.

Li Sisi,...

An unreasonable bastard!

...

Two hours later.

The Lamborghini stopped under the big tree in the countryside. The three bungalows in front of them had been renovated and tiled, making them look much more beautiful.

Gong Yi quickly got off the car and stood by the window to look.

At the wooden table in the house, Grandma, the maid, and Bai Beibei were sitting together. They were picking green beans. She didn't know what the maid had said, but it made her smile sweetly.

As expected, she was here.

This Little White Rabbit probably had nowhere else to go besides coming back here.

It was he who was selfish motives and chose not to tell Li Sisi.

His long and narrow black eyes were filled with complicated and gentle emotions. He misunderstood this Little White Rabbit.

He thought that she had taken Li Xiyang's phone, money, and even moved in with Li Xiyang, but that wasn't the case. She was still pure and beautiful.

Was she here because she was bullied by him?

Little fool.

"Knock, knock." Gong Yi raised his hand and knocked on the door.

"Who is it?" The maid quickly opened the door. "President, it's you. Why are you here?"

The maid was very surprised.

Bai Beibei looked up and saw the man standing by the door. He was still good looking. Today, he was wearing a gray v-neck thin sweater and black narrow pants. He was stylish and handsome.

Their eyes met. Bai Beibei quickly lowered her head. "I'll go make dinner."

She ran into the kitchen.

Gong Yi walked in. He looked at the girl's petite and lovely back and couldn't help but curl his lips.

"President, sit down. I'll go make dinner." The maid also walked into the kitchen.

"Grandma, how have you been recently?" Gong Yi sat on the wooden stool. His long legs didn't have enough space to stretch, so he bent his body and picked up the green beans. He mimicked the girl and picked up two.

"Good, very good. The one you hired... Alice is very good at taking care of people..." as she spoke, she lowered her voice and asked, "Did you and Beibei have a fight?"

"Mm." Gong Yi smiled lovingly. "Granny, I did something wrong. I made her angry."

His tone was indescribably doting.

"Ever since Beibei came back, I knew that she was quarreling with you. It's fine. This girl is easy to coax. She won't really be angry with you."

Gong Yi raised his sword-like eyebrows, his mood cheerful.

“Beibei, Young Master Gong is coming over today. Add a few more dishes tonight. Young Master Gong will be staying for dinner.”

After a while, a soft voice like that of a oriole sounded from inside. “OH.”

...

An hour later.

Dinner was ready. The four of them sat at the table and ate.

Granny was the best at reading people’s expressions. She smiled and said, “Young Master Gong, why aren’t you eating? Beibei, didn’t Young Master Gong enjoy braised pork the last time he was here? Serve some up to Young Master Gong.”

Bai Beibei’s long eyelashes fluttered like a butterfly’s wings. She clenched her chopsticks tightly and didn’t say a word.

Gong Yi looked at the plate of braised pork in front of her and then at her pink and white pretty face. She was so obedient. Ever since he entered, she had lowered her head and didn’t even look at him.

The more she behaved like this, the more his heart itched.

He picked up a piece of bamboo shoot with his chopsticks and placed it in her bowl.

Bai Beibei was stunned.

“Beibei, You lass, how could you forget how to treat a guest? It’s too impolite.”

“Granny, don’t talk about her.”

The maid smiled. “Granny, look, even though Beibei is your biological granddaughter, you can’t talk about her casually in the future. My CEO is very protective of her.”

“Haha, alright, I won’t speak anymore.”

As she teased, Bai Beibei’s little face began to steam up, causing two blushing cheeks to appear. This time, she wished she could lower her face into the bowl.

...

After dinner.

Bai Beibei and the maid were in the kitchen. Grandma smiled and said, “Young Master Gong, you should go take a shower first. It’s getting late today. You can stay here for the night.”
