

Chapter 1261: was about to Cry

“Mm, alright.” As he spoke, Gong Yi looked towards the kitchen and said, “I didn’t bring any clean clothes with me though.”

“Didn’t you leave behind the clothes you changed when you were here last time? Beibei kept them for you in the room. Go wash them first. I’ll get Beibei to bring them to you later.”

“Alright.” Gong Yi smiled and nodded.

... ..

The last time he came, he didn’t have a bathroom. Now that he had a bathroom, Gong Yi went in to take a warm bath.

At this moment, there was a knock on the door. The Little White Rabbit had arrived.

Gong Yi raised his charming and handsome peach blossom eyes and said, “Come in.”

“President, it’s me.” The maid’s voice came from outside.

The smile on Gong Yi’s face froze. It wasn’t her!

She didn’t come.

“President, I won’t go in. The clothes were handed to me by Miss Beibei. I’ll put them on the stool by the door. After you’ve washed them, come and get them yourself.”

The maid left sensibly. Of course, she knew that the president didn’t want her to go in. She knew her own limits.

The image of that little beauty appeared in Gong Yi’s mind. This Little White Rabbit was gentle and harmless. He didn’t expect it to have a temper. She was sulking with him.

He deserved it. Who asked him to do something wrong?

... ..

After taking a shower, Gong Yi left the bathroom door.

He was still wearing the casual white clothes from the last time. He didn’t need to lean over to smell it. There was a faint fragrance on his clothes. She had soaked it with a softener.

He recalled the scene he saw last time. She was washing his undergarments with a fragrant soap...

Gong Yi came to the door of the girl's room. It was tightly shut. He slowly raised his hand and knocked on the door. "Beibei, it's me. Open the door."

There was no sound inside.

"Beibei, I know I'm wrong. Please forgive me this time."

"Beibei, if you don't open the door, where will I sleep tonight? The weather is chilly tonight. Don't tell me you want me to catch a cold?"

Granny and the maid were in the room. Granny heard the door opening and asked the maid, "Alice, what is Young Master Gong doing right now?"

The maid covered her mouth and laughed. "Young Master Gong is knocking on Miss Beibei's door. I think Miss Beibei is angry and Young Master Gong is trying to coax her."

Granny nodded her head in relief. "Alice, I can't see very well. Can you take a look for me? Does Young Master Gong like my Beibei?"

"Ma'am, is there a need to ask that question? Right now, the CEO is very patiently knocking on the door. The CEO treats Miss Beibei like a little girl and coaxes her. I think the CEO and Miss Beibei are in a romantic relationship. The way they look at each other is filled with affection, making people feel embarrassed to look at them."

Granny was relieved. "Alice, from your accent, you don't sound like a Chinese. Where did you come from?"

"The Philippines."

"The Philippines? Although I've never been there, I'm sure it's not as big as a country like China. Since Young Master Gong hired you, your living conditions at home should have improved a lot."

The Filipino maid was elated when she heard that. Granny was only right about a part of it. The other part was that the help Filipino maids provide are world class. It was not something that an ordinary person could easily afford.

Therefore, she did not need Granny's sympathy.

...

Gong Yi knocked on the door for a full half an hour without getting tired of it. At this moment, with a creak, the door opened.

Bai Beibei appeared.

The girl was dressed in a white dress. Her small frame was outlined in a delicate and soft manner. Her head was only up to his chest. Her two slender white hands were twisting the hem of her dress. She looked down at the tips of her feet.

Her appearance was both aggrieved and pitiful.

It was really adorable.

Gong Yi stretched out two slender fingers and hooked her small jaw. Looking at her big, watery eyes, he curled his lips and smiled charmingly. "You're not angry anymore? Are you willing to open the door?"

Bai Beibei was forced to meet his eyes. His eyes were really beautiful, as dazzling as the stars in the sky.

Why is he here now?

Since he hated her so much, why did he come to tease her now?

Thinking of his various attitudes toward her during this period of time, Bai Beibei's eyes turned red.

"Are you about to cry?" Gong Yi looked at the layer of crystal-clear mist covering her eyes and his eyes darkened. It was true that women were made of water.

Women only shed tears in front of the man they liked, right?

In the past, Ye Xiaotao rarely shed tears in front of him, but this Little White Rabbit often cried in front of him.

Bai Beibei looked at him and shook her head gently.

Gong Yi walked into the room and closed the door.

He leaned over and kissed the girl's delicate lips gently.

Bai Beibei's eyes widened when she was suddenly kissed. Her black and white pupils stared at him in a daze.

She was truly dumbfounded.

"Are you still angry?" He pressed his nose against her delicate little face and asked in a hoarse voice.

Bai Beibei couldn't hear what he was saying. She had already been completely bewitched by him. She shook her head, then nodded.

"Still angry? Then let me kiss you again?" These words were gentle and gentlemanly.

Bai Beibei looked at him with her teary eyes, not knowing what to do.

Chapter 1262: Does It Hurt

Bai Beibei had never been treated like this before. She didn't know that kissing could be done this way. Out of instinct, she immediately reached out two small hands and pressed them against his chest.

She wanted to push him away.

Gong Yi wasn't willing to let go. He pressed down on her and refused to let go.

Smooth like jelly, that was his first feeling. Her mouth was like a candied fruit, with a faint sweetness that leaves people wanting more. He rolled up her small tongue and made her dance with him.

Although he was a gentleman, he used some of his strength to prevent Bai Beibei from pushing him away. When her tongue was sucked into his mouth, she could not help but let out a little moan.

There was pain and numbness.

Gong Yi heard her cry and quickly straightened up. He asked nervously and concernedly, "What's wrong? Did I hurt you?"

Bai Beibei avoided his gaze and did not dare to look at him. She blushed when she heard that. She actually made such a sound.

Gong Yi slowly understood what she meant by making a sound. It was said that women would scream when they did such things. That was a signal of enjoyment.

Did she enjoy his kiss as well?

Gong Yi looked at the person beneath him. Her face was flushed red, and there was a layer of soft fur on it. There was even his saliva on her mouth, glistening.

No matter how he looked at it, it was taboo.

He bent down again, and their breaths intertwined. They were both nervous and unstable. "Shall I kiss you again?"

His words made Bai Beibei hide in embarrassment. The two small hands that were pressed against his chest curled up, not knowing whether it was to reject or to cater to him.

He was like a poppy flower, and she was completely bewitched by him.

Although she knew that it was shameful and shouldn't be like this, she liked him. Being pressed down so intimately by the man she liked, and even kissing him like this, her little heart pounded wildly.

Gong Yi saw that she wanted to push him away, but still wanted him. This posture was extremely seductive, and he couldn't help but bend down to touch her little mouth.

Just now, it could be considered a forceful kiss, but now it was up to her whether she was willing or not.

Bai Beibei's long eyelashes fluttered, and her big watery eyes blinked as she looked at him.

She was ignorant, but she allowed him to do whatever he wanted.

Gong Yi took a breath, and once again opened her teeth.

This time, the kiss did not go well. He was too nervous and their teeth met. At this moment, Bai Beibei was really in pain. "Ah!" She let out a soft cry.

Gong Yi quickly backed out. "Sorry, does it hurt?"

Bai Beibei covered her mouth with her small hand and shook her head, not saying a word.

Gong Yi looked below him. His casual white pants had already set up a tent. It was terrifying and ready to go.

The atmosphere was very ambiguous. If he wanted to continue, she probably wouldn't resist. He really wanted to, but now was not the right time or place. The bed was too small, and it was easy to make noise. If he moved.., what's happening in the entire room was going to be broadcasted live.

Gong Yi pondered for a while. He was a little dispirited and didn't know how other people did this kind of thing.

That night in the bathroom, he was purely venting and getting it off. It was different now. He wanted to be gentle with her and take into account her thoughts. When he was happy, he also wanted her to enjoy it.

This kind of thing was meant to be something enjoyable for the two people involved.

Gong Yi turned over and fell beside her.

He raised his hand to cover his scarlet eyes and licked his dry thin lips.

Bai Beibei was in a daze. She didn't know how he had kissed her..

At this moment, her small hand was wrapped in a warm palm. The man pinched her delicate hand. "Don't be angry, okay?"

Speaking of this, Bai Beibei pulled her hand back gloomily and turned to sleep.

Gong Yi also turned to the side and supported his head with one arm. He wanted to touch her, but he was afraid that he would make her feel uncomfortable in the end, so he said in a low and hoarse voice, "Beibei, I apologize for what happened in the past. It's all my fault."

Bai Beibei bit her lower lip with her white teeth. "You... don't hate me anymore?"

Hate?

What was she thinking? It was too late for him to like her.

"Why would you think that? I've never hated you."

"But, you said that my money is dirty and that I'm a person with a complicated background. You said that I don't have the right to appear in front of you..."

Did he say all this?

Gong Yi really wanted to slap himself. He never thought that he would hurt someone like this.

"I admit that it's all my fault. I was too angry. No matter what, you can't take Li Xiyang's money. Could it be that your relationship with Li Xiyang is better than ours?"

As soon as he said this, Gong Yi realized that he was really jealous.

At the age of 26, he was like a child who was jealous of Li Xiyang.

"Who said that I took Li Xiyang's money?" Bai Beibei turned her small face to ask him.

Gong Yi pursed his thin lips. "The money you gave me is almost 130,000 yuan. Where did you get the money? If it wasn't Li Xiyang who gave it to me, who did?"

“You’re talking nonsense!” Bai Beibei frowned. “That’s my own money. I took it out of my bank card.”

Gong Yi was stunned. “What did you say? Where did you get the money from?”

Bai Beibei’s face turned pale when she said that.

She turned around and didn’t say anything.

Gong Yi reached out and grabbed her weak shoulders. “Say something. Are you trying to make me anxious?”

Bai Beibei grabbed her little fist and said softly, “My granny’s surgery cost 920,000 yuan. I went to the bank and bought a fund for 80,000 yuan. In two months, 80,000 yuan turned into 130,000 yuan.”

Gong Yi was stunned for a moment, then his eyes lit up. He didn’t expect this little white rabbit to have such abilities.

He bent down and kissed her hair. “Beibei, how many more surprises do you want to give me?”

Bai Beibei’s body stiffened, and she fell silent.

“What’s wrong?” Gong Yi noticed her emotions.

“That one million yuan...”

Gong Yi immediately understood. This one million yuan was something she had traded her body for. She didn’t know it was him, and that night had been a complete nightmare for her.

Now that he thought about it, he despised her money to be from filthy origins. Had her heart felt as if it had been cut by a knife?

“Beibei, forget about the past. You have always been a pure and kind girl in my heart,” he consoled her gently.

“Really?”

“Mm.” Gong Yi nodded.

Bai Beibei revealed a faint smile. She calmed down and closed her eyes.

She fell asleep.

She had been suffering from insomnia for the past few days, and her mind was filled with him. Now that he was by her side, she needed rest, so she fell asleep.

Gong Yi didn’t know whether to laugh or cry. He lay down on his back dejectedly. It seemed that tonight would be a sleepless night for him.

He was still feeling very uncomfortable down there.

At this moment, the girl turned around and fell asleep in his arms.

Like a boat that found the harbor, she have found a comfortable spot as she obediently and softly nestle on his chest.

Gong Yi was covered in flames from her touch. Afraid that she would catch a cold, he quickly grabbed the blanket and covered the two of them.

However, with the warmth in his arms, his heart was still restless.

Taking two deep breaths, he could not help but move his big palm under the blanket. He found the hem of her skirt and slowly lifted it up.

Chapter 1263: You Really Doesn't Want to Stay With Me Anymore

His palm accidentally touched the girl's thigh. Her skin was as soft and smooth as silk, and he immediately tightened his waist and abdomen.

His handsome eyes half-closed, and his large palm lingered on her thigh. After groping for a while, he continued to move upwards, and his hand reached into the girl's small white vest.

She didn't wear a vest when she slept. Probably after that day in the study room that he said she didn't wear it on purpose, now she wore it when she slept.

This little girl would never understand what men meant.

His hand went in and did not come out for a long time. He closed his eyes, kissed her pink neck with infatuation, and even brushed against her hair.

His body was getting more and more uncomfortable. He pulled his hand out and immediately took off his pants.

Just as he unbuttoned his shirt, he suddenly opened his eyes and sat up from the bed in shock.

This scene had a strong visual impact. Gong Yi quickly reached out to help her tidy up her clothes and covered her with the blanket. He did not dare to look at her again. He jumped out of the bed and rushed into the bathroom to take a cold shower.

He did not recognize himself anymore.

He felt that he was extremely wretched as he did such things to a girl who was asleep.

In the past, he was not such a person. He liked Ye Xiaotao so much, but he had never forced her or taken advantage of her when she was drunk in her sleep.

For some reason, in front of this little girl, his self-control was almost gone.

.....

The next morning.

Bai Beibei sat up and she stretched her body. She had a good sleep last night without any dreams.

Her side was empty, and Gong Yi was no longer there. He had woken up so early.

Bai Beibei got out of bed. At this time, she felt a slight pain in her chest.

“Beibei, it’s time to get up.” Gong Yi walked in.

The moment he entered, he saw the girl sitting by the bed, clutching her chest as if thinking about which hooligan had bullied her last night.

He froze, his expression immediately becoming unnatural. However, he couldn’t let the girl see anything amiss, so he pretended to be natural and asked, “What’s wrong?”

“Ah?” Bai Beibei raised her head.

Gong Yi put one hand in his trouser pocket and pointed at her chest with the index finger of his other hand. “Do you feel some pain? Did you have your second puberty?”

Second puberty?

Bai Beibei’s little face turned red. That was probably it. Otherwise, why would she feel pain?

She got up and bent down to fold the quilt.

Gong Yi saw as she didn’t speak, he knew that she was embarrassed to talk to him about such topics. He was trying to hide it just now, but now he wanted to tease her.

Striding forward with his long legs, he walked to her side. “You seem to have grown a little... a little bigger is good. Yours is flat, like... an airport. No man likes it...”

Bai Beibei wanted to find a hole to hide in immediately. Why did he tell her this?

Hers was indeed very small, but what could she do with her growth?

“I’m going to eat breakfast.” After folding the quilt, she turned around and left.

“Hey, Beibei!” Gong Yi grabbed her slender wrist.

Bai Beibei was startled and immediately pulled back her little hand.

Gong Yi raised his eyebrows. He shouldn’t have teased her. Look at how scared she was. He didn’t know what would happen to her in the future when they got together.

Gong Yi realized that his thoughts were starting to run wild again.

“Cough.” He coughed and pulled himself back to the main topic. “After breakfast, follow me back to the capital.”

Back to the capital...

Bai Beibei didn’t say anything.

“Why, you don’t plan on going back? Is it because I have a bad attitude toward you?”

“I didn’t think too much about it...”

At that time, she thought that since he hated her so much, she wouldn’t appear in front of him. After all, there was no one in the capital that she would miss.

Gong Yi couldn’t help but laugh. Sometimes, he didn’t know what she was thinking. Because of him, she had abandoned her studies and returned to the countryside. It had to be said that this was the wayward attitude that only a genius girl had.

Alright, he tentatively understood it as pride. Who asked her to earn 50,000 dollars in two months?

“Follow me back to continue studying. I’ve realized my mistake. I won’t treat you in that way again in the future. What you need now are an opportunity and a platform. You can have a bright and dazzling future. I’ll help you,” Gong Yi said gently.

Bai Beibei looked at him and didn’t object.

“This is for you.”

Gong Yi held her small hand and placed the pink phone in her small palm.

The custom-made phone that he asked Ajie to get was thrown into the trash bin by him in a fit of anger. However, when he thought about it again he picked it up, he still couldn’t bear to part with it.

Now, he gave the phone to her.

“I have a phone. Sisi gave it to me...”

“Throw that away. Use mine,” Gong Yi said without any hesitation. Then, he opened his phone’s contact list and entered his phone number.

“This is my number. Save it and contact me if you need anything.”

Bai Beibei could not refuse because he did not ask for her opinion at all. After taking the phone, she thanked him, “Thank you. I will return the money to you as soon as possible.”

She always said that.

“You keep saying that you’ll return the money to me. It’s more than 120,000 dollars included the interest and the clothes I bought for you. You’ll return it to me without missing a single cent. However, have you ever think that I’m not someone who helps everyone? What about favours? How are you going to return them?”

Favours?

These two words made Bai Beibei startled. Yes, she could return the money, but she couldn’t return the favour. If it wasn’t for him, what kind of terrible state would she be in now?

“I’ll pay you back the way you want me to,” Bai Beibei said solemnly after thinking for a moment.

Gong Yi looked at her from head to toe. He was lack of nothing except a woman. He liked her body.

Ptui!

He cursed himself in his heart. What a scoundrel!

“Move back and stay with me.”

Bai Beibei immediately shook her head, her attitude resolute. “No, I’m living in the school dormitory now. One room for each person. It’s very convenient. I am not moving back. You can find another nanny.”

Gong Yi frowned. “Are you really not going to stay with me?”

“Yes.”

“Why?”

Bai Beibei bit her lower lip with her white teeth. “It’s not convenient for me to stay there. You’ll find a girlfriend in the future.”

Gong Yi understood what she meant. She was saying that he would bring a woman home in the future.

“Who told you that?”

This little white rabbit was as innocent as a piece of paper. She would not think of this unless someone told her.

“Li Xiyang,” Bai Beibei answered honestly.

It was Li Xiyang again.

“You are not allowed to contact Li Xiyang in the future. He is not a good person. Stay away from him.”

Chapter 1264: Kiss Me

Bai Beibei looked at Gong Yi. When he said this, he was very serious and there was a hint of displeasure.

She was puzzled. “Why? Aren’t you and Li Xiyang good friends?”

He and Li Xiyang were good friends, but Li Xiyang had taken a liking to her, so their relationship became a little strange.

He knew what Li Xiyang had done during this period of time and how he made him misunderstood as both of them were smart. Li Xiyang knew that she belonged to him, but he still came to snatch her away. As the saying goes, a friend’s wife should not be bullied.., he was having a very bad impression of Li Xiyang now to the extreme.

“I am good friends with him. Could it be that you are also good friends with him?” Gong Yi asked.

Bai Beibei was rendered speechless immediately. She nodded and said, “OH.”

Anyhow, she did not like Li Xiyang and did not want to have any contact with Li Xiyang.

“That’s all. Let’s go and have breakfast. After breakfast, come back with me.” Gong Yi held her soft little hand naturally and brought her out.

Bai Beibei looked at their tightly clasped hands, and she felt a little sweet in her heart.

.....

Bai Beibei returned to XX University and went to class as usual. Everything was calm and peaceful. However, a week passed, and there was no news from Gong Yi.

Ever since he had brought her back to the capital that day, he had not contacted her again.

Bai Beibei was somewhat absent-minded during class. Her heart was sad and very disappointed. Had he forgotten her?

She had never liked anyone since she was young. Now, she truly understood the taste of love, it was ups and downs. Her mood was affected by his every small action.

Strictly speaking, this was a one-sided love, a secret love.

Bai Beibei held the pink phone in her hand. She wanted to call him, but she didn't know where she stood. She didn't know what she should say after calling him. She couldn't just ask him why he didn't contact her. Who was she to him?

She wasn't worthy of such a good man. At most, she was just a nanny.

In the future, his spouse would be socialites from prestigious families who marrying into a wealthy family.

She had a deep sense of inferiority. She was very timid about this relationship. She just wanted to stand behind him quietly and watch him from afar.

Of course, she would also think of that night in the countryside, when he pressed her against the bed and kissed her...

Why did he kiss her?

Probably because he felt sorry for her.

The day passed. After school in the afternoon, Bai Beibei walked along the corridor with two books in her arms. She wanted to go back to her dormitory.

"Hello, Beibei. We meet again." Someone called her from behind.

Bai Beibei looked back. It was Li Xiyang.

Thinking of Gong Yi's stern warning to stay away from Li Xiyang, she turned around and left.

"Hey, Beibei, why are you leaving when you see me?" Li Xiyang chased after her.

Bai Beibei quickened her pace and ignored him.

“Beibei, wait a moment. I’m here for business. Young Master Gong hasn’t contacted you for a few days, right? Do you know where he went?”

Bai Beibei suddenly stopped in her tracks and looked at Li Xiyang. “Where did he go?”

Li Xiyang looked at her cherry lips. They were pink and very beautiful. Even the sound coming out of her mouth was soft and nice to hear.

Today, she was wearing her school uniform. The wide school uniform coat covered her tiny body. There was nothing special about her, but he could not forget the way she looked when she wore the black puffy dress at the birthday banquet. Her little bump was pitiful, but it was soft to the extreme, it was able to arouse a man’s desire to destroy her ruthlessly.

The corners of Li Xiyang’s lips curled up. He stretched out his hand and pointed at his cheek. “You want to know? Come, kiss me.”

Bai Beibei, ...

She tugged at her little fist and blushed. “Shameless!”

She lifted her foot and left.

“Hey, Beibei, I was just joking with you. Why are you so serious? Let me tell you, Young Master Gong went to Hong Kong.”

Hong Kong...

What was he going there for?

“Ye Xiaotao’s wedding is tomorrow. Young Master Gong is going to attend the wedding.”

Ye Xiaotao...

Bai Beibei slowed down her footsteps. She would never forget this name. This was the girl Gong Yi had spent twenty years waiting for and taking care of.

She was really curious. What kind of girl could make someone like him miss her so much?

“Our Young Master Gong has always been faithful. Back then, he ran away from the wedding to fulfil Ye Xiaotao’s wish. He endured all the hardships alone. Now, he is still single. I think he still loves Ye Xiaotao deeply. It will be very difficult for him to fall in love with someone else in the future. Tomorrow, Ye Xiaotao will be getting married. How sad would it be for him to attend the wedding?” Li Xiyang sighed as he spoke.

Bai Beibei’s heart instantly tightened. It hurt so much. She felt sorry for him.

No, she had to accompany him.

When this thought appeared in her mind, Bai Beibei wished she could have a pair of wings and fly to his side.

She turned around and ran towards the school gate.

“Beibei, are you going to look for Young Master Gong? Hong Kong is so far away. How are you going to get there?”

Bai Beibei’s footsteps froze. That’s right, how was she going to get there?

She had never travelled far before. She just came to the capital and would take the wrong bus.

She would probably get lost if she did not find him.

“Beibei, you have to take a plane to Hong Kong. You won’t be able to get there without a passport and a Hong Kong and Macao Pass,” Li Xiyang told her.

Bai Beibei blinked her big black eyes. “Is there no other way?”

“Yes, there is. I’ve received an invitation to the wedding too. I’m going to take a private plane there later. Come with me. I got a way to help you settle everything.”

Bai Beibei’s eyes lit up and she revealed a sweet smile. “Thank you.”

This was the first time she had smiled at him. Her smile was so beautiful that the dimples on her cheeks were faintly discernible.

Li Xiyang’s eyes darkened. “But, why should I bring you there?”

Bai Beibei was stunned.

“Come here, give me a kiss.” Li Xiyang pointed at his handsome face again.

Bai Beibei’s tiny face was so red that it was about to bleed. She was embarrassed and angry. She hated this man.

“Forget it, I’m not going.” She turned around and left.

“Bai Beibei!”

Li Xiyang strode in front of her and reached out a hand to hold her little face. He leaned over and gently kissed the girl’s soft face.

Bai Beibei’s black and white pupils shrank. She did not expect to be kissed like this.

She quickly reached out two little hands and pushed him away.

“Okay, I took the photo.” Li Xiyang smiled and showed the photo on his phone to her.

Bai Beibei was so angry that her whole body was trembling. It turned out that he even took a photo with his phone when he secretly kissed her. “Give me your phone and delete the photo.”

“How can this be? I still want to use this photo as my lock screen wallpaper.”

“I won’t allow you to do this! Quickly give me your phone.” Bai Beibei chased after him and asked for his phone.

Li Xiyang teased her and raised his arm but refused to give it to her.

This scene was seen by many students passing by. Everyone whispered —

Chapter 1265: Happy Newlyweds

“Look, isn’t that Young Master Li? He’s our principal’s son, our crown prince.”

“Oh my God, why is he playing around with Bai Beibei? Could it be that they’re in a relationship?”

“If that’s the case, wouldn’t Bai Beibei become our crown prince’s spouse?”

Bai Beibei heard the discussions of the students. Only then did she realize that her actions of chasing after Li Xiyang for his phone had been misunderstood. This man was teasing her.

She puffed out her pink cheeks and glared at Li Xiyang before she turned around and left.

Li Xiyang waved to the surrounding students and said, “My girlfriend. In the future, everyone watch over her on my behalf. No boy is allowed to have any ideas about her!”

The students laughed. “Alright, Crown Prince. We will supervise her for you.”

“Thank you, bye.”

Li Xiyang caught up to Bai Beibei who had walked far away. “Beibei, are you angry? That’s right, I admit that I like you and currently wanna chase after you.”

Bai Beibei hugged the book in her arms tightly and frowned. “But I don’t like you!”

“Then who do you like?”

“I...”

“Young Master Gong, right?”

The young girl’s secrets were revealed. Bai Beibei blushed. She pursed her cherry lips tightly and did not speak.

“Beibei, don’t think about Young Master Gong. He won’t like someone like you. He likes someone like Ye Xiaotao. The Ye family has power in the capital. Not only is Ye Xiaotao beautiful, but she is also a famous talented girl in the art exhibition. She can stand shoulder to shoulder with Gong Yi. What can you give him? Help him to clean the house?”

Bai Beibei’s blushing face instantly turned pale. She was humiliated by Li Xiyang, “What does it have to do with you that I like him?”

“Of course it has to do with me. Didn’t I say that I like you? Look at me, how am I worse than Gong Yi? You can be my girlfriend, I’ll treat you well.”

“You’d better treat others well!” Bai Beibei quickened her pace, wanted to get rid of this annoying man.

Li Xiyang stopped in his tracks. He didn't expect this little white rabbit was so difficult to deal with.

But the harder it was, the more challenging it was, right?

Very good, he liked her more and more.

"Beibei, you win. Come, let's go to the airport. I'll take you to Hong Kong to find Young Master Gong."

.....

It was Bai Beibei's first time taking a plane. When the plane got up, she held tightly onto the armrest of the seat, she was quite nervous.

Li Xiyang saw how cute she was when she was nervous. Her long, fan-like eyelashes were blinking non-stop and it was into his heart.

"Do you want to have a drink?" He asked kindly.

Bai Beibei looked at him cautiously and quickly shook her head.

Li Xiyang could not help but laugh. "Beibei, you're not suspecting that I put something in the drink, are you?"

Bai Beibei did not say a word.

It was over. He guessed it correctly. Li Xiyang shrugged helplessly. As the young master of the Li family, he didn't need to use such methods. She had underestimated him too much.

Li Xiyang looked down at the newspaper.

At this moment, the stewardess walked over. "Miss Bai, do you want to drink something?"

Bai Beibei thought for a moment. "Water, is that alright?"

"Alright, wait a moment."

After the stewardess left, Li Xiyang did not raise his head and interrupted, "Do you think that water is safe? Everyone on this plane belongs to me. If I wanted to rape you, would you be able to escape?"

As he said this, Li Xiyang threw the newspaper in his hand down. He opened his mouth wide and pounced on Bai Beibei.

"Ah!" Bai Beibei screamed in fright.

"Hehe." Li Xiyang laughed twice.

Bai Beibei was extremely angry. "Silly!"

Li Xiyang especially liked to see her angry look. Her big black and white eyes were extremely bright and beautiful, filled with the vitality of a young girl.

Bai Beibei drank a glass of water, then closed her eyes to nap for a while.

Li Xiyang looked up from the newspaper. "Beibei, Beibei..."

The girl did not answer. Her breathing became light and long, and she was asleep.

Li Xiyang took a blanket and covered her with it. Looking at her peaceful and soft face, he wanted to hug her in his arms and sleep.

The corners of his mouth curled into a loving smile as he sat back in his seat.

.....

It was eight o'clock in the evening when they arrived in Hong Kong. There was a luxury car waiting for them outside the airport. "Young Master Li."

Li Xiyang nodded and let Bai Beibei sit in the back seat. "Let's go in. The wedding banquet is about halfway through. If we rush over now, we can still join in the fun."

"Okay." Bai Beibei nodded.

Leng Ye's wedding was held in Hong Kong's royal manor. Thousands of square feet of the lawns were decorated with lights. There were 100 tables of distinguished guests in the milky-white tents. They were all famous people in Hong Kong.

"Sir, please show me your invitation card."

Li Xiyang handed the gilded invitation card to the waiter.

The waiter smiled and bowed. "Sir, Miss, please follow me."

Bai Beibei stepped on the lawn. She looked at the grand scene. Roses were everywhere in front of her eyes, and holy white ribbons fluttered in the wind. It was as beautiful as a fairytale.

She was stunned.

Li Xiyang reached out to stroke her black hair and explained, "The Leng family is a wealthy family in Hong Kong. They are quite powerful. Leng Hao dotes on Ye Xiaotao so much. This wedding will attract the attention of the world."

Bai Beibei avoided his hand and asked curiously, "Leng Hao?"

"Yes, the man Ye Xiaotao likes is also her husband now. His only sister is married to the first general of the army, the pride of the Manchu. I have to say, Ye Xiaotao has good taste."

Bai Beibei did not say anything. In her heart, Gong Yi was the best man.

"Beibei, look, Young Master Gong is there. The bride and groom are toasting him."

Bai Beibei followed Li Xiyang's finger and looked over. The first thing she saw was the bride, Ye Xiaotao. Her eyes flashed with surprise.

Ye Xiaotao was wearing a phoenix coronet and a wedding gown. The gold-plated red wedding gown printed on her delicate and beautiful features. Her skin was like snow and her figure was delicate. She was the most beautiful bride that Bai Beibei had ever seen.

Beside Ye Xiaotao was Leng Hao. The man was wearing a wedding gown of the same colour and looked handsome. He was toasting Gong Yi with Ye Xiaotao in his hand.

Gong Yi stood up. The man dressed in black today was extraordinarily handsome. He curved his thin lips and looked at Leng Hao. "You have to treat Xiaotao well in the future. Otherwise, I will come back and snatch Xiaotao back."

Leng Hao looked at Ye Xiaotao, and Ye Xiaotao was also looking at him. Their eyes met, and their affection flowed. "Then I have to disappoint Young Master Gong because I will not give you this chance."

"That's good. Xiaotao, President Leng, I wish you a happy wedding."

Gong Yi finished the wine in his glass in one gulp.

"Hey, Gong Yi, don't drink too much. Don't get drunk," Ye Xiaotao reminded him in a soft voice.

"If I get drunk, you can send me to the hotel. Why? Aren't you going to cover my accommodation here, President Leng?"

"Yes, of course. The presidential suite has been prepared for Young Master Gong."

Chapter 1266: Xiao Tao, Don't Leave Me

"Leng Hao, Xiao Tao, come here quickly," Father Leng called from behind.

Leng Hao said goodbye to Gong Yi, "Young master gong, we got to toast over there. We will leave first."

"Go on."

Leng Hao held Ye Xiaotao's slender waist and turned around.

Ye Xiaotao was worried, so she turned her head and said, "Gong Yi, don't drink too much. Drinking is bad for your health."

"Got it." Gong Yi revealed a soft and harmless smile.

At this moment, Ye Xiaotao tripped on a small stone.

Gong Yi was shocked and wanted to help her up.

However, Ye Xiaotao was firmly protected in Leng Hao's arms. He heard Leng Hao's indulgent reproach, "Be careful. If you fall, you will hurt the baby in your belly."

Ye Xiaotao looked up at him. She pouted her red lips and snorted, acting coquettishly. "What? You only care about the baby. What about me?"

Leng Hao was stunned.

Ye Xiaotao rebuked him. "The baby hasn't been born yet, and you don't have me in your eyes. When the baby is born, will you not loving me anymore?"

"What nonsense are you talking about?" Leng Hao hugged her tightly and kissed her hair happily. "I love you, I love you. How can a mother like you be jealous of the baby? You were so concerned about Young Master Gong just now. I'm not jealous yet."

Ye Xiaotao felt sweet in her heart. She stood on her tiptoes and secretly kissed Leng Hao on the cheek. "Hubby, don't be jealous. Your wife has apologized to you. I wish you a happy wedding."

Leng Hao looked deeply into her eyes. "I wish you a happy wedding too."

Both of them smiled happily like children who had gotten candy.

Gong Yi's right hand that wanted to support Ye Xiaotao was frozen in mid-air. Looking at the sweet looks of the two of them, he gave a gloomy and lonely smile.

"Young Master Gong, why are you here?" At this moment, someone beside him spoke.

Gong Yi glanced sideways and saw that it was Father Ye.

Father Ye was always in high spirits when it came to happy events. He happily raised the wine glass in his hand, "How is it? Doesn't your heart feel bad as you saw my precious daughter and Leng Hao are so happy being together? "HMPH, thinking back to when you ran away from the wedding and made my Ye family become the laughingstock of the entire capital. But my daughter is even happier now without you."

Gong Yi knew that Father Ye had always hated him for running away from the wedding. So when Father Ye saw this opportunity, he wouldn't let it go and ridiculed him.

Gong Yi shrugged his shoulders helplessly and said nothing. "Uncle Ye, it was my fault. Forgive me."

Father Ye snorted and turned to leave. He chose not to forgive.

Gong Yi,...

"Sigh!" He sighed and drank another cup of wine.

Bai Beibei saw everything that happened there. She furrowed her brows.

He let go of her, but no one understood.

Her heart ached for him.

"Beibei, did you see that? Young Master Gong is so devoted to Ye Xiaotao. So, don't expect him to fall in love with you. In his heart, you can never compare to Ye Xiaotao."

Bai Beibei didn't say anything. She didn't want to compare to Ye Xiaotao. She didn't think that he would like her. She just liked him purely.

Liking him was her own business.

.....

The banquet ended very quickly. Leng Hao and Ye Xiaotao drove back to the Leng family home in their wedding car, followed by many people who wanted to go to the bridal chamber.

Gong Yi didn't go with them. He was drunk.

"Young Master Gong, how are you? Can you leave by yourself?" Two of his friends went up to ask.

When they saw that Gong Yi was drunk, they sent him to the presidential suite in the manor.

"Beibei, let's go. The room is ready. Let's go and rest. Young Master Gong is drunk now. Let him sleep for a night. Tomorrow morning, we'll fly back together." Li Xiyang hooked his arm around Bai Beibei's shoulder.

Bai Beibei jumped away quickly. She could tell that this Li Xiyang liked to take advantage of her.

"I'll go by myself."

The manor's presidential suite was very luxurious. Leng Hao booked the entire place. The attendant booked two rooms, and Bai Beibei held a room card in her hand.

"Beibei, are you afraid of sleeping alone? Do you want me to protect you?" Li Xiyang asked with a smile.

Bai Beibei glared at him fiercely and opened her room door. She then closed the door and locked it with caution.

Li Xiyang smiled. She treated him like a thief.

He entered his room too.

.....

In the room.

Bai Beibei sat by the bed. She didn't want to sleep because her mind was filled with Gong Yi's figure.

He was drunk. Was there anyone to take care of him?

Bai Beibei stood up and opened the door.

She walked to the corridor and looked at the door number. 8026. She knew that this was Gong Yi's room because she saw his two friends took the room card. This was the number on the room card.

She never forgot the number.

8026, here it is.

Bai Beibei raised her head and knocked on the door.

No one answered.

He was drunk and wouldn't open the door.

Thinking of this, Bai Beibei put her hand on the doorknob and opened the door.

There was a dim yellow light in the room. Gong Yi was lying on the soft bed. He slept very casually, and one of his long legs was hanging by the side of the bed.

Bai Beibei went forward, squatted down, and took off the shoes on his feet. Then, she carefully carried his long legs onto the bed.

She went to the bathroom and fetched a basin of hot water, she soaked the clean towel wet.

“Young Master Gong, Young Master Gong.” She stood by the bed and called out to him twice.

Gong Yi’s heroic eyebrows moved, and then he furrowed them tightly as if he was in pain.

Bai Beibei’s heart ached terribly. He must be in a bad mood today, he must be sad.

She stretched out her fair little hand and slowly touched his handsome face, her fingers were copying his exquisite and handsome features. She wanted to comfort him.

But she didn’t know what to do and she was helpless.

At this moment, the man in his sleep suddenly moved. He reached out his big palm and held her little hand in his palm. His thin lips moved and he called out a person’s name.

“Xiao Tao, Xiao Tao...”

He was calling Ye Xiaotao.

The little hand that was held by him seemed to be on fire. Bai Beibei wanted to pull it back. “Young Master Gong, I’m not Xiao Tao.”

At this moment, the man exerted force and she fell onto his chest. She stood up with a red face.

“Xiao Tao, don’t leave me.” The man held her slender waist tightly and found her soft pink lips.

Bai Beibei widened her eyes in shock. She stared blankly at the flawless face in front of her. He was kissing her.

She was completely stunned and didn’t know what to do.

Chapter 1267: I’ll Carry You to the Shower

He was gentle yet domineering in her mouth. He wrapped his big palm around the back of her head and let her lie in his palm, showing enough pity.

However, Bai Beibei knew that this pity did not belong to her. He thought of her as Ye Xiaotao.

Bai Beibei pressed her two small hands against his chest, she was not sure if she should push him away.

He was drunk now, so she could push him away.

However, if this could comfort him, she was willing to do so.

Soon, the man was not satisfied with this kind of verbal intimacy. His large palm slid down, lifted her skirt, and reached in. his movements were very skilful.

Bai Beibei’s body was as stiff as a rock.

Everything that happened that night in the bathroom came back in her mind, and it was clearly projected. She was in so much pain that her body seemed to have been torn into two halves.

However, the pain in her body was far less than the shame she felt in her heart.

She did not know what that man looked like, whether he was fat or thin, and whether he was old enough to be her father. She did not want to know either.

“No...” she pressed down on his large palm with a pale face.

She had a psychological shadow and could not continue.

Gong Yi, who was on top of her, frowned. He had felt thirsty, but now he was even more thirsty. He vaguely felt a soft and fragrant body underneath him. The taste of kissing was wonderful, just like that little white rabbit’s.

He became dizzy. Ye Xiaotao’s delicate face and the little white rabbit’s beautiful face gradually overlapped. He could not tell who it was.

He felt terrible down there. He had always claimed that he was not a lustful person, but he tasted it that night in the bathroom as if it had opened the floodgates of lust.

He was 26 years old, just the time when he was full of vigour.

He had been holding it in with that little white rabbit and had not released it for a long time.

Now, he wanted to.

Gong Yi closed his eyes and stood up straight.

Bai Beibei thought that he had let go of her. She panicked and wanted to get out of bed, but the sound of a metal belt being torn rang in her ears. She looked down.

“Ah!” Bai Beibei screamed in fear, quickly covering her face with her hands.

She had seen that thing before. Not only had she seen it before, but she had also been forced to... eat it. She would never forget it.

At this moment, her legs turned cold. Her skirt had been pulled down. The man pressed on her and pinched her soft waist twice before getting straight to the point.

“No, Young Master Gong, no, I’m not Xiao Tao. Wake Up!” She struggled fiercely.

Gong Yi panted heavily. Hearing this soft voice, Ye Xiaotao’s face retreated from his mind. The face of that little white rabbit gradually became clearer.

It was her.

Bai Beibei.

His thin lips moved. He wanted to say her name, but his throat was like burning charcoal, unable to make a sound. He urgently needed to release his body.

Three of his fingers held her frail shoulders, preventing her from moving. Then, he exerted force on her waist and abdomen...

Bai Beibei's black and white pupils constricted as if she was nailed to the bed.

Then, the bed moved. The man on her body moved. Her entire world moved. She raised her hand to cover her eyes, the corners of her eyes were filled with hot tears.

The tearing pain engulfed her whole body. Every time he moved, he would tear her again.

Bai Beibei looked at the man on her body with red eyes. Then, little by little, she slowly reached out and hugged his neck. If he really wanted to do this, she would accept it.

He thought she was Ye Xiaotao, so she was his Ye Xiaotao.

Anyway, her body was no longer clean. If he wanted it, she would give it to him.

Bai Beibei twitched her red nose and tried her best to put on a bright smile. She buried her little face in the man's neck. Gong Yi, I love you.

.....

The next morning.

Gong Yi slowly opened his eyes and looked at the crystal chandelier above his head. He guessed that he was probably in the hotel room. He drunk too much last night and was drunk.

He sat up. At this moment, the blanket on his body slid to his muscular waist. He quickly sensed that something was wrong.

He was naked.

He lifted the blanket and looked down. His bottom was bare.

He quickly realized that something was wrong with his body. He was not so stupid that he could not tell if he had done it or not.

Last night, who did he sleep with?

Gong Yi looked at the sheets on the bed. The sheets were wrinkled and messy. There were dried water stains and white stains on them. This was the crime scene.

Finally, Gong Yi noticed the little girl sleeping in the corner of the bed.

She was sleeping on the side of the bed. She would probably fall to the ground as soon as she moved. She had her back to her body and the white blanket was covering her collarbone. Three thousand strands of black hair covered her little face.

Gong Yi recognized her at a glance. It was Bai Beibei.

Last night, he slept with her.

He saw her curled up into a pitiful ball, could it be that he had raped her?

Gong Yi got off the bed. He took the white bathrobe and draped it over his body. Standing by the bed, he lowered his eyes and looked at the girl's pale little face.

She did not sleep well. Her delicate brows were tightly knitted, and her two little hands were tightly gripping the blanket in front of her chest.

Gong Yi felt his heart was painful. His woman...

He slowly reached out and touched her beautiful little face.

Sensing that someone was touching her, Bai Beibei quickly opened her eyes.

The fear in her eyes was magnified. Gong Yi immediately raised his hand. His voice was very soft and contained a hint of love. "Did you have a nightmare?"

Seeing that it was him, Bai Beibei's long eyelashes fluttered, and then she shook her head.

She lowered her head and didn't say anything.

The atmosphere in the room was a little awkward. Gong Yi licked his dry lips. "Let me carry you to the shower."

Bai Beibei was silent.

Gong Yi bent down and carried her in his arms.

This posture was a little comical because Bai Beibei refused to let go of the blanket. The snow-white blanket was dragged all over the floor, and they entered the bathroom together.

"I need a set of clothes," Bai Beibei said softly.

"I'll get someone to deliver them later," Gong Yi quickly replied.

Even if she didn't say it, he would have gotten someone to deliver the clothes. Her clothes had been thrown onto the carpet and torn to shreds. Without a doubt, he was the one who tore them.

How rude was he last night?

He remembered the feeling last night. It was as if he was floating on a mountain peak.

Gong Yi's Adam's apple bobbed up and down and he carried her under the shower.

The girl reached out and pulled open the frosted glass door. The sound of running water could be heard.

Gong Yi stood still. As a gentleman, he should have left, but his feet seemed to have rooted on the ground and he couldn't leave. Through the frosted glass, he could faintly see that delicate and graceful curve.

Her body had not yet grown and was very tender, but he...

Gong Yi's blood rushed to his brain and even his voice was hoarse. "Last night, I..."

“Last night, you were in a bad mood,” the girl’s voice came.

He did not expect her to say this, so he answered carelessly, “Yes, Xiao Tao got married last night, so I came to attend the wedding. By the way, why are you here?”

“Li Xiyang brought me here?”

Li Xiyang?

Hearing this name, Gong Yi immediately frowned and said in a heavy tone, “Why are you with him again? Didn’t I tell you to stay away from him!”

Chapter 1268: I’ll Carry You

Stay away from Li Xiyang...

Bai Beibei listened and did not speak.

She wanted to stay away from Li Xiyang too, but she could not find him. She did not have a passport and could not come to Hong Kong. Only Li Xiyang could bring her here.

Gong Yi realized that his tone was heavy when he saw she was silent. He said softly, “Sorry, When I heard that you were with Li Xiyang, I lost control. You... Don’t be angry.”

“Okay,” Bai Beibei replied obediently.

Gong Yi looked at the delicate figure in the frosted glass. He could even see the tiny droplets of water from her face to her forbidden area...

Gong Yi’s body was hot, and that thing stood up somewhere under the bathrobe.

He was drunk last night, so he had sex once. It was natural for him to know the taste of it that time. All the essence energy in his body seemed to have been sucked away by her. He fell asleep in satisfaction and did not want it anymore.

Now, he wanted her.

Once such a thing started, he could not stop it.

However, she was still a little white rabbit that had not grown up. He could not open his mouth.

“That... I haven’t taken a bath either. My... body is uncomfortable...”

“What?” Bai Beibei did not hear clearly.

Gong Yi’s handsome face was covered with a layer of red. Stupid girl, he wanted to take a bath with her and then... do that kind of exercise at the same time.

“I...”

“Ding Ling”, the doorbell rang.

Gong Yi’s words were interrupted. Forget it, he didn’t want to say it anymore. When he said it out loud, he always felt that he was a pervert.

“I’ll go open the door.”

He walked out.

The door opened and standing outside was a hotel attendant pushing a small cart. “Sir, this is the dress you wanted.”

Gong Yi reached out to take it. “Thank you.”

“You’re welcome, sir. Do you need any other service?” The attendant pointed at the things in the cart.

This was the Royal Hotel, and they provided all kinds of services. Gong Yi glanced at the cart, and then fixed his gaze on a small white bottle.

That was the birth control pill.

He hadn’t taken any precautions last night, and she might have gotten pregnant. For safety purposes, should he give her a birth control pill?

He is decisive, never a dilly-dally man, his rationale told him that the birth control pills must be given to her, but the side effects are very big. She is only 18 years old, if he gave her, he will feel himself not only a villain but a monster.

Gong Yi shook his head. “No need.”

He closed the door.

.....

He walked into the bathroom and placed a brand new dress on the sink. “The clothes are here. You can put them on after you’re done washing. We’ll fly back to the capital together later.”

“Okay.”

Gong Yi walked out and went to the room next door to take a shower.

By the time he finished showering and changed into a white shirt, Bai Beibei had come out. She wore a white lace dress with a green cardigan over it. Her snow-white feet stepped on the soft carpet, her whole body was filled with a sweet and beautiful maiden’s aura.

Gong Yi looked her up and down. The way men looked at women.

At this moment, Bai Beibei turned her head around and looked at him shyly. “Are you done showering?”

After the incident last night, there was a subtle change between the two of them. At least, in Gong Yi’s eyes, there was a small ambiguity between them.

This kind of intimacy was like a feather tickling his heart, making his heart itch.

No wonder men liked intimacy. He admitted that he liked it too.

“Mm, let’s go to the airport.” He went forward and naturally wrapped her soft little hand into his palm.

His steps were very big. Bai Beibei took two steps forward and let out a soft hiss.

Gong Yi looked back. “What’s wrong?”

Bai Beibei’s small face was flushed red. She wanted to look at him, but she didn’t. Her two little hands were placed in front of her as she twirled her skirt.

Gong Yi’s gaze fell on her two slender legs. Her legs were closed together, looking extremely pure.

He immediately understood. His beautiful black narrow eyes were filled with warmth and affection. He lowered his voice and asked, “Last night, did I hurt you?”

Bai Beibei immediately shook her head like a rattle drum.

She lied. He had indeed hurt her.

Right now, she was in much pain, especially when she was walking. The tearing pain was the most obvious.

Gong Yi walked over with his long legs and came to her side. Looking at the girl’s little head that was lowered, he gave a soft smile. “Should I carry you?”

“No...”

Gong Yi had bent down and carried her horizontally.

Her body suddenly soared into the air. Bai Beibei let out an “AH” sound and was so frightened that she quickly stretched out her two small hands to hug his neck. At this moment, with a “Ha” sound, the man laughed on top of her head.

She was a little embarrassed and angry. She could not help but clench her small pink fists and lightly hammer his tall and handsome shoulders.

This was a little girl’s coquettish act in Gong Yi’s eyes. His heart was sweet, and he used more strength to hug her even tighter in his arms.

Both of them left the room.

.....

When they left the room, Gong Yi saw Li Xiyang. Li Xiyang was in the corridor. “Knock, Knock.” He was knocking on Bai Beibei’s door.

“Beibei, it’s time to wake up. The sun is about to rise.”

Li Xiyang’s words were very intimate. Gong Yi’s good mood was completely gone. He felt terrible. His woman was constantly being coveted by other men.

However, this girl was in his arms. Last night, he could take whatever he wanted, and Li Xiyang could only stand there and knock on the door. Gong Yi felt his mood was being good again.

Was this the taste of love?

It made people happy and worried.

“Xiyang, who are you looking for?” Gong Yi asked.

Li Xiyang quickly turned his body. “Young Master Gong, what a coincidence. You are going out too...”

Li Xiyang’s words came to an abrupt end as he saw a girl in Gong Yi’s arms. He recognized her at a glance. It was Bai Beibei.

He was shocked and astonished. He had seen Bai Beibei enter the room with his own eyes last night. Why was she being carried out of Gong Yi’s room so early in the morning?

Li Xiyang had seen countless women. He could sense some things without even looking. Bai Beibei had slept with Gong Yi last night.

He immediately pursed his thin lips and looked at Bai Beibei.

In Bai Beibei’s eyes, Li Xiyang was a playboy, wild and unruly. He had never looked at her with such a serious gaze. His sharp eyes seemed to be able to see through her.

Bai Beibei couldn’t take such a gaze. She silently averted her gaze.

“Xiyang, thank you for bringing Beibei here. I’ll treat you to a meal some other day. We’ll be going back now, bye.” Gong Yi carried Bai Beibei and left.

Li Xiyang had both hands in his trouser pockets as he watched the two of them walk further and further away.

.....

Capital.

After leaving the airport, Secretary Ajie came to pick them up in a luxurious car.

Gong Yi and Bai Beibei sat in the back seat. Ajie asked, “President, where are we going now?”

“Send me back to school first,” Bai Beibei said softly.

Gong Yi nodded. “Okay.”

On the way back, both of them didn’t say a word. Ten minutes later, the luxurious car stopped outside the campus.

“I’m leaving first.” Bai Beibei wanted to get out of the car.

“Beibei, wait!” Gong Yi grabbed Bai Beibei’s slender wrist.

Chapter 1269: I Won’t Be Pregnant with Your Baby

Bai Beibei turned to look at Gong Yi. “Is there anything else?”

Gong Yi was silent for a few seconds before passing something to her.

Bai Beibei looked down and saw the two pills wrapped in a white paper.

She didn't understand. "What are these?"

Gong Yi looked at Ajie in front of him. "You can leave first."

"Yes, President." Ajie got out of the car respectfully.

Gong Yi held the girl's soft little hand and said in a low voice, "I didn't use any precaution last night. You... might get pregnant. So, these two pills are birth control pills, taking them you won't be pregnant."

Bai Beibei's pretty face instantly turned red and white. She didn't know that she would get pregnant that way. So that was how women got pregnant.

She quickly pulled her face back and didn't say anything. She put the pill in her mouth immediately and swallowed it.

Her movements were hurried. Gong Yi immediately wanted to pat her back. "Slow down, don't choke..."

"I took it." The girl interrupted him and opened her mouth for him to look at.

Gong Yi froze.

"I won't be pregnant with your baby, so don't worry, I'll leave first." Bai Beibei opened the back door and quickly entered the school.

Gong Yi looked at her back and felt guilty. She told him to not worry... Damn it, he regretted it. He shouldn't have let her take the birth control pills.

Her heart was soft and sensitive. Would she think wrongly?

.....

Gong Corporation.

In the President's office, Gong Yi was sitting in a black leather office chair. He had been away for a week and many documents needed his approval, but he wasn't in the mood to work.

With his phone in his hand, he clicked on the number of the little white rabbit, and then he wrote a text message — did you have any adverse reactions after taking the medicine?

Two minutes later, the text message came from the other end, and it was very simple — No.

— Then you should drink more water, rest in bed, and don't run around.

— Okay.

His slender fingers pressed on the phone, and Gong Yi was hesitant. He had been editing for a long time, he wanted to explain — don't think too much, you're only 18, it's not suitable for you to be pregnant.

He sent the text message, but the girl didn't respond.

He started editing again — just this once, it was my oversight, I'll use a condom next time...

Just as he finished typing, he suddenly woke up. What was he making up?

What next time, how could there be a next time?

"Pa PA", he deleted all the words he had edited.

After thinking about it, he came up with another sentence — Tonight, let's have dinner together...

He had made it up, but he didn't send it. He felt that this text message was malicious. He could lie to others, but he couldn't lie to himself. He was the legendary Big Bad Wolf.

After eating that little white rabbit once, he still wanted to eat it.

Gong Yi felt very conflicted. He had never felt so conflicted before. Why was it so troublesome to fall in love?

She was so young. He felt that he shouldn't do anything even if he wanted to.

Gong Yi threw his phone aside in frustration and flipped through the documents.

.....

In the school.

After school, Bai Beibei carried two books and walked towards the school dormitory. At this moment, she saw a tall and straight figure standing in front of her.

It was Li Xiyang.

She wanted to take a detour.

"Beibei," Li Xiyang stood in front of her and said, "I have something to tell you."

Bai Beibei had to stop in her tracks. She did not want to talk to this crown prince in school. "What do you want to say?"

Li Xiyang went straight to the point. "In Hong Kong, did you have sex with Gong Yi?"

Bai Beibei's eyes flashed, but she did not speak.

She was a clean and good girl. She was not good at hiding her thoughts. Li Xiyang saw her expression and knew the answer. He clenched his fists and frowned, "Do you know what you're doing? On that night in Hong Kong, Gong Yi was having a hangover at Ye Xiaotao's wedding. If I'm not wrong, he should be calling Ye Xiaotao by her name. If you had sex with him under such circumstances, I would think that you're anxious and want to take this opportunity to get close to Young Master Gong."

Bai Beibei's face was pale. He did call Ye Xiaotao by her name. He thought she was Ye Xiaotao.

However, she was willing to do so.

Did he think of her the same way as Li Xiyang?

She did not.

“Beibei, you don’t love yourself enough. Gong Yi thought that he had sex with Ye Xiaotao. You’re a substitute, do you understand? Why do you have to make yourself feel so wrong?”

Bai Beibei met Li Xiyang’s gaze bravely. “I like him. I’m willing to be a substitute without any regrets.”

“You!”

Bai Beibei turned around and left.

Li Xiyang looked at her delicate back. He did not expect such a timid little rabbit to be so fearless when she liked someone.

Why didn’t she like him?

Li Xiyang was unwilling to give up.

He would not give up.

.....

Bai Beibei felt a slight pain in her lower abdomen. It was probably a side effect of taking birth control pills. She drank some hot water at night and went to bed early.

However, she could not fall asleep.

She recalled his text message. He said that she was only 18 years old and that it was not suitable for her to get pregnant.

She knew that he had always been gentle. He also spoke tactfully. In fact, there was no need for him to say that. She knew herself well and that she was not worthy of being pregnant with his baby.

Bai Beibei reached out her small hand and touched her flat lower abdomen. She suddenly remembered that she did not seem to have her period for the past two months.

Her body had always been weak, and her period came later than the other girls. Moreover, it wasn’t regular. Her Grandma had given her two sets of Chinese medicine before, so it could get better.

When she had time, she would go to the Chinese Medicine Hospital to recuperate.

With this thought in mind, Bai Beibei fell asleep.

.....

The next day, Li Xiao called Bai Beibei to the principal’s office. Her teacher, Teacher Peng, was also there.

“Beibei, take a seat. I have some good news for you.”

Bai Beibei sat in her chair. “What good news?”

“The eighth international mental arithmetic competition is about to begin. Our school, as one of the organizers, can guarantee a spot. I’ve discussed it with Teacher Peng. Your talent in mental arithmetic made us decided to guarantee you a spot.”

Bai Beibei was stunned, but then she was quickly pleasingly surprised. “I... Can I?”

Teacher Peng smiled. “Beibei, of course, you can. Everyone knows that your sister, Bai Qi, is a mental arithmetic genius. I don’t know about Bai Qi, but I know about you. I can confidently say that you’re stronger than your sister. I’m just waiting for the day when you’ll amaze the world.”

“That’s right, Beibei. This mental arithmetic competition is held in the United States. More importantly, this competition has allied with several listed companies, including Young Master Gong’s Cory and Li Xiyang’s ABB. As long as you can win the championship, you can choose any of the companies to be their economic evaluators. This job has a high salary. It’s the dream job of others.”

“Bai Beibei, let me ask you a question. Do you have the confidence to bring glory to the school?” Li Xiao asked solemnly.

Bai Beibei stood up and straightened her delicate back. Under the sunlight, her smile emitted a dazzling light. “Yes!”

Chapter 1270: Come to My Room Later

When she came out of the principal’s office, Bai Beibei still felt like she was in a dream.

She raised her head and looked at the Sun hanging in the blue sky. She had never thought that she would have the chance to stand on such a big stage like Bai Qi. She would definitely cherish this opportunity and not let everyone down.

Bai Beibei was filled with fighting spirit instantly.

At this moment, she heard a “ding” sound. She heard a car horn.

She looked sideways at the school gate. There was a Lamborghini parked there.

The driver’s window slid down, showing Gong Yi’s exquisite and handsome face.

Bai Beibei was stunned. Why was he here?

Gong Yi looked at the girl standing in the same place. He smiled happily, then stretched out his slender index finger and curled it at her, asking her to come over.

This action of his was like seducing a kitten. Bai Beibei’s face turned red instantly.

It was the end of school and students were passing by one after another. Bai Beibei heard the girls screaming uncontrollably.

“Oh, my god, it’s Young Master Gong, it’s really Young Master Gong!”

“Oh my God, what is he doing? Why does it seem like he’s... summoning his kitten? So embarrassing.”

“Do you think Young Master Gong will have a girlfriend in the future? Will he pamper his girlfriend like a kitten?”

Bai Beibei felt her face burn. She realized that both he and Li Xiyang liked to look for her after school when there were a lot of people.

In a short while, everyone would be discussing again.

Bai Beibei lowered her head and ran to the side of the Lamborghini like the wind. She reached out to pull the back seat door, wanted to disappear in front of everyone as soon as possible.

At this moment, a mellow and sweet voice rang in her ears, “Sit beside me.”

Bai Beibei was stunned for a moment before she reacted. He had let her sit in the passenger seat.

She had always sat in the back seat.

In her opinion, the passenger seat should be someone close to him, such as his girlfriend.

Bai Beibei felt her ears turn red. She lowered her head and sat in the passenger seat.

“Put on your seatbelt.”

“Ah?”

Gong Yi let out a doting sigh and leaned over to help her put on her seatbelt.

When the masculine scent of the man was closed to her, Bai Beibei was so scared that she leaned against the seat. She tried her best to keep a distance from him, but all she could see was his handsome face magnified.

He was extraordinarily handsome. He had handsome eyebrows, the lines of his face were carefully drawn by the artist, his slender peach eyes, and his pale pink lips. They were very shiny, making people imagine the feeling of being kissed by him.

Bai Beibei thought of his kiss.

That night in Hong Kong, he kissed her intensely and passionately. He hooked himself into her mouth and tasted it repeatedly, or he reached into her mouth and turned it upside down. He wanted nothing but to tear her into his stomach.

He was like a different person when it came to that kind of thing. He had lost his gentlemanly appearance, and he was so domineering and wild that people were addicted to him.

Bai Beibei had a psychological shadow on that kind of thing. Other than pain, she did not feel anything. However, she remembered his kiss and liked his kiss.

What was she thinking about?

Bai Beibei quickly retracted her thoughts. She felt even more ashamed. Her long eyelashes that were like the wings of a butterfly fluttered in shock.

"You're blushing," the man suddenly said.

Bai Beibei suddenly looked up.

Gong Yi looked at her blushing face. Not only her face, but her ears, neck, and collarbone were all covered in suspicious red clouds... he glanced at the area below her collarbone, then looked away. "You... seem to blush easily."

Bai Beibei immediately shook her head. "No, I just feel hot."

How could it be hot?

It was autumn now.

Gong Yi did not reveal her lie. This little white rabbit could not be teased. He was afraid that she would drill a hole in the ground, so he sat up straight and stepped on the accelerator.

The Lamborghini was speeding on the road.

.....

"Is there something you need me for?"

Why can't he find her if there's nothing?

This little girl was heartless. It had been five whole days. If he didn't contact her, she wouldn't contact him.

"En." Gong Yi nodded his head as if it was a matter of fact. "The eighth international mental arithmetic competition is going to be held in the United States. I heard that you've been guaranteed a free pass."

Bai Beibei smiled softly. "Yes."

Gong Yi glanced at the smile on her lips. He was calm and composed. Mental arithmetic was her domain. In this domain, she could emit dazzling light.

"Your sister, Bai Qi, is the record holder of the mental arithmetic competition. We both know how she won, but others don't know, and we can't let others know. So, if you make it to the final round, then you'll have to fight Bai Qi."

Bai Beibei nodded, meaning that she understood. All of Bai Qi's glory and achievements today should belong to her. This time, she wanted to take back what belonged to her.

"If you win the championship, will you come to my company?" Gong Yi suddenly asked.

Bai Beibei paused for a moment. She hadn't thought about this question.

This question was very far away from her.

Gong Yi curved his lips into a smile. "I'm just asking casually. Don't think too far ahead now. Right now, winning the championship is the most important thing."

“Okay.”

The girl stopped talking. She was probably thinking about the competition, but Gong Yi was thinking about something else. He saw a western restaurant through the car window.

“What do you want to eat tonight?”

“Yes?”

“Let’s eat western food. How about steak?”

Candlelit dinner...

Bai Beibei quickly shook her head. “No, I’ll go back and make it for you.”

Gong Yi didn’t know whether to laugh or cry in his heart. She didn’t understand what he meant, and he was too embarrassed to say it out loud. Forget it, let her go home and cook for him.

Her cooking skills were very good, and she could feed his stomach in the future.

Gong Yi felt very happy in his heart.

....

Bai Beibei spent an hour preparing three dishes and a soup. Their look, smell, and taste were all well integrated, and it made one’s appetite soar.

After eating, Bai Beibei washed the dishes again. She took off the apron she was wearing and said, “Young Master Gong, is there anything else? If not, I’ll go back first.”

Go back?

He had no intention of letting her go back after picking her up.

“It’s very dark outside now. Let’s go back tomorrow.”

“I still have homework to do. I’ll take a taxi back. It’ll be quick.” Bai Beibei insisted on leaving.

She was focused on her studies completely. Gong Yi’s expression was unnatural. He felt that he was being a little shameless.

“Don’t go. I haven’t found a nanny yet, and no one washed my clothes. I’ll take a shower later. Help me to wash my clothes.” He found a far-fetched reason.

This reason couldn’t be rejected by Bai Beibei. She nodded. “Oh, okay.”

Gong Yi couldn’t bear to see her innocent appearance. He crossed his legs and went upstairs. As he walked, he said, “Go back to your room and take a shower. Later, come to my room.”

Bai Beibei didn’t think too much about it. She nodded repeatedly.

.....

Half an hour later, Bai Beibei finished her shower. She wore a white nightgown and raised her hand to knock on the master bedroom door.

“Come in.” Gong Yi’s voice came from inside.

Chapter 1271: Hug Me

Bai Beibei pushed open the door and walked in.

Gong Yi had showered. He wore a blue silk nightgown and stood by the bed, holding a clean towel in his hand. He wiped his wet short hair.

Bai Beibei didn’t dare to look at his handsome figure. “Young Master Gong, are you done showering? I’m going in to collect your clothes.”

“Okay.”

Bai Beibei walked into the bathroom. The clothes that the man had changed were placed on the sink. She put them into the bamboo basket one by one.

Gong Yi came to the door. He looked up and down at the girl’s delicate body. His eyes gradually turned warm and his thin lips moved. He said in a hoarse voice, “My watch is on the sink. Help me to take it.”

Bai Beibei looked up. His expensive watch was indeed on the sink.

She stood on her tiptoes and reached out her small hand to reach it.

But she couldn’t reach it. She was short and her hands were short.

At this moment, a broad and warm body pressed against her from behind. A long arm reached out and took the watch on the table easily. “You need to grow taller.”

The man’s voice was tinged with a faint hint of love.

Bai Beibei didn’t know why he was here. She looked sideways at him.

When she looked at him, their faces were almost touching, and their breaths intertwined.

It turned out that he was very close to her, and he was leaning over to look at her.

Both of them had just taken a bath, so this kind of posture was a little ambiguous. Bai Beibei was stunned, but Gong Yi could see her cherry-coloured mouth from her delicate brows, and his Adam’s apple was rolling.

Bai Beibei felt her breathing become chaotic, and she stepped back. “I...”

Gong Yi frowned and kissed her little mouth.

Bai Beibei shuddered when he caught her in his mouth. Her hands were still clutching onto his clothes, and she was so frightened that she kept tightening them.

The man's brush-like long eyelashes fluttered. This girl's look was extremely pure in his eyes. His waist tightened, and all of his desires rushed down.

"Close your eyes," he said in a soft and hoarse voice.

Bai Beibei felt that his voice was very pleasant to hear as if her ears were pregnant. She quickly closed her eyes and closed them tightly. Then, her willow-like waist was grabbed by the man, and her body spun. She was pushed to the side of the bathroom countertop.

The clothes in her hands were torn off by him, and he rubbed against her pink lips and said, "Hug me."

There was a kind of magic power in his body, and Bai Beibei was completely bewitched by him. She reached out her small hand and slowly touched his waist, not daring to really hug him. She gently tugged at his pyjamas.

The girl could not defend herself. Gong Yi reached into her sweet little mouth and attacked her to the inside of her heart.

His kiss was gentle but domineering. Very soon, her heart and lungs were filled with his manly aura. The little tongue that was hooked by him started to feel numb. She was so nervous that she forgot to breathe.

Gong Yi quickly left her little mouth. This stupid girl. If he did not take his lips out, she would probably be suffocated.

His thin lips lingered on her face, and then he kissed her neck. Her body smelled so good, and the scent of a young girl made him addicted. "Why can't you even breathe? Has no one kissed you before?"

He asked this on purpose. He knew that she was as clean as a piece of paper. Other than him, no other man had ever touched her, but that was the bad habit of men. They liked to say forbidden words of love.

Bai Beibei did not think that these were words of love. When she heard this, she even opened her eyes. She suddenly remembered the scene in the bathroom that night. That man had kissed her too.

At that time, she was lying on her stomach. That man had rampaged behind her. She was in so much pain that she was on the verge of death. Every second was a torment for her.

Her shoulders were cold. Bai Beibei looked at the mirror beside her. Her petite body was in his embrace. He was kissing the thin bra strap on her shoulder.

He was very attracted to her bra strap and kept kissing her.

Now Bai Beibei knew what he wanted to do. What she didn't understand was that she was supposed to do the laundry. Why was he doing this again?

"Young Master Gong, you..." she pushed him.

Before she could finish her sentence, her body was in the air as the man had carried her in his arms.

.....

After leaving the bathroom, she was placed on the big bed. Her small head sank into the soft pillow. The pillow was filled with his clean and pleasant scent of a man, causing her heart to palpitate.

She did not dare to move because this was his bed.

She got on his bed.

Gong Yi held her small waist with one hand and did not let her move. He opened the bed cabinet with the other hand and squeezed something into the girl's small hand.

Bai Beibei took a look. It was a very small piece of thin plastic. She did not understand. "What is this?"

Gong Yi got on the bed and pressed her down. His thin lips found the side of her snow-white earlobe and kissed it. He pestered her and muttered, "A condom. With this, I won't put it in your body. This way, you won't need to take your medicine. Later, you help me to put it on."

Bai Beibei's little face immediately turned red and white. She didn't know there was such a thing.

Why was there such a thing in his bed cabinet? When did he buy it?

"Young Master Gong, do you want to..."

"Yes, I want to." Gong Yi looked at her with a burning gaze.

Bai Beibei looked at the man's handsome face. She loved this man. If he wanted it, she would give it to him.

Even though she rejected such things, such things were simply torturing to her.

"Turn off the light." The man had started to peel off her pyjamas. She pressed down on his large palm and said anxiously.

"Don't turn it off. Let me take a good look."

"What are you looking at?"

"I'm looking at your beauty."

Bai Beibei reached out to cover his mouth immediately. She struggled to get up and turned off the light with a "PA" sound.

The room fell into darkness. Gong Yi held her down, his heart filled with love and tenderness. The little girl was embarrassed.

He smiled and buried her.

Bai Beibei felt pain in her chest. She immediately straightened her toes and bit her lower lip with her teeth. Only then did she understand that it could be like this between a man and a woman.

She didn't even use a bra and wore a vest. She couldn't accept such a thing in her heart.

She pushed his head. "Faster... can you be faster..."

These words pleased Gong Yi. In bed, men liked to hear such words, they were like encouragement as if they were saying that he was great in disguise.

His big hand pinched her face and he said hoarsely, "Why are you in such a hurry? I'll give it to you now."

Gong Yi lifted her skirt.

However, things did not go smoothly at all. He did not know whether it was because he was impatient and inexperienced, or because she was too young. In short, he did not succeed in groping around.

His forehead was covered with a layer of sweat and his brain was filled with blood. He endured until his blue veins popped out, but he could not.

Bai Beibei's little face was pale from the pain. She endured it but she really could not endure it anymore. She twisted her body and whimpered softly, "Are you done? It hurts so much..."

"Don't move, Beibei... Ah!"

Gong Yi couldn't control himself and let out a cry, his eyes were red and he laid down into her pink neck. He felt extremely humiliated.

Bai Beibei felt something was burning between her legs, but the thing in her hand had not been used. She couldn't care about this. She let out a breath, and it was finally over.

"Young Master Gong, is it over? I feel uncomfortable and I want to sit up," she said meekly.

Gong Yi was dispirited. This was destroying his male dignity. He was born to be a favoured son of heaven. He did not expect to stumble in such a matter.

Chapter 1272: I Want to Go Back to School

Gong Yi was extremely dispirited. This was destroying his male dignity. He was born a favoured son of heaven, but he did not expect to stumble in such a matter.

He was extremely frustrated.

"Why are you still calling me Young Master Gong?" He kissed her lips.

"Then what should I call you?" Bai Beibei replied casually and then pushed him hard. "Can you let go of me first? I'm really in pain..."

Hearing her cry out in pain, Gong Yi straightened up and turned on the light.

He looked down and saw that there was a lot of blood on the bedsheet.

His pupils constricted. "Why are you bleeding? Where's the pain?"

Bai Beibei pulled down the hem of her dress and closed her legs tightly. She used her small hands to press down, not letting him look at her anymore. She struggled to get up from the bed, wanting to leave with her bare little feet.

However, she had only taken one step, with a hiss, she let out a painful groan and fell onto the carpet.

“Beibei!” Gong Yi quickly hugged her. “What happened to you? Where does it hurt? Did I hurt you?”

Bai Beibei furrowed her brows. Her face was pale, and her forehead was covered in a cold sweat.

She shook her head. “No...”

Gong Yi pursed his thin lips and carried her out of the door.

.....

In the hospital.

Bai Beibei was lying on the hospital bed while Gong Yi stood outside the door.

The doctor walked out and Gong Yi immediately went up to her. He asked nervously, “What happened to her? Where does it bleed?”

It was a female doctor and her attitude was not very good. “Where does it bleed? Don’t you know?”

“I...”

“The patient’s lower part is torn. If I’m not wrong, you guys just had sex a few days ago. At that time, it was torn, but it was not getting treated. This time, the old wound has not healed while new wounds have been added.”

Gong Yi was stunned and immediately felt guilty.

That night in Hong Kong, was she injured? Why didn’t she say anything?

At that time, he took big strides. She seemed to be in pain, but he did not care. He did not expect her to be torn to such a degree. He thought that she was shy and acting coquettishly.

This time, he thought that she was happy because she urged him to be quick. Now that when he thought about it, she was suffering and wanted to end it as soon as possible.

Gong Yi grabbed his short hair impatiently.

Her body was very dry. There was not a single drop of water on her. He could not get in.

However, he still could not control himself. He rubbed against her outside and arrived unexpectedly...

“Who is she to you?”

“My girlfriend.”

“Is she really your girlfriend?” The female doctor asked.

Gong Yi frowned. “What do you mean?”

"If she is your girlfriend, will she be hurt if you do such a thing? I think she had no feeling about that thing but you forced her," the female doctor said bluntly.

Gong Yi,

"How old is she?"

"18."

"18? I don't think she's an adult yet. If that's the case, I have reason to suspect that you forced an underage girl. You're going to jail!"

Gong Yi, ...

At this moment, "Young Master Gong, Young Master Gong!" The hospital's director rushed over. "Young Master Gong, why didn't you inform us that you were coming? Doctor Hu, what's going on?"

The female doctor glanced at Gong Yi. She was quite surprised. So he was the Young Master of this hospital.

This hospital belonged to the Gong family.

However, this did not change her bad impression of this man. She lifted her leg and walked away. As she walked, she said, "What's wrong with rich people nowadays? They screwed this little girl. I don't know if they're mentally ill."

The hospital director said, "Doctor Hu, you..."

"Forget it," Gong Yi said dejectedly. He would not mind this female doctor. She was telling the truth. "Prepare a VIP ward for me."

"Yes, Young Master Gong. I'll get it done right away."

"Also, give it to me..."

Gong Yi did not finish his sentence because he saw Bai Beibei walking out.

The girl stood by the door with her legs closed. She looked up at him timidly. "I want to go back to school."

Gong Yi immediately spread his long legs and went forward. He held her little hand and said, "No, you need to rest."

He did not manage to hold her hand because Bai Beibei avoided him. She shook her head and insisted, "I want to go back to school to do my homework. The mental arithmetic competition in China will begin in two days."

She was guaranteed a pass, but she needed to compete with the domestic contestants first. Only if she won would she be qualified to go to the United States to participate in the international mental arithmetic competition.

This competition was divided into domestic preliminaries and foreign finals.

She wanted to win.

Gong Yi's hand froze in mid-air. He pursed his thin lips awkwardly, then nodded. "Okay."

.....

The Lamborghini stopped at the school gate. Gong Yi got out of the car and opened the door of the passenger seat.

Bai Beibei got out of the car.

"You have to rest more. If you feel any pain, call me," Gong Yi reminded her worriedly.

"I'm fine. The doctor has stitched me up," Bai Beibei said softly.

"Sorry, I..."

"No need to say sorry, I'm willing to do that." As she spoke, Bai Beibei looked up at him. "I can't help you to wash your clothes. Find a nanny."

With that, Bai Beibei left.

She was still thinking about his clothes. He didn't intend to ask her to wash his clothes. Didn't she know what he wants?

Washing his clothes was just an excuse to trick her into staying at night, to trick her into coming to his room of her own accord. He was too embarrassed to say such things out loud.

She must have done it on purpose, making him feel so uncomfortable.

Gong Yi raised his hand and touched his face.

.....

In the car, Gong Yi did not drive away.

He leaned lazily against the seat, then took out his phone and sent a post — when someone did that, his girlfriend was very dry and did not feel anything. What was going on?

As soon as he posted it, a few replies came.

First Floor, your girlfriend doesn't love you anymore.

Second Floor, your skills aren't good.

Third Floor, your girlfriend isn't good under you, maybe she's good under someone else. Come, send it over so that brother can dote on her.

Gong Yi quickly denied this reply from the first floor. He knew that she liked him.

If she didn't like him, how could she endure the pain of being torn apart and let him do whatever he wanted?

Gong Yi's face turned black when he received the reply from the second floor. However, he had to admit that he was indeed lacking in skills because he lacked experience.

He was born noble. He was given a free pass at the age of 16 and started his own business at the age of 18. It was said that men had a few hard drives on their computers, but he didn't have any. He had never enjoyed those action movies.

As for the one on the third floor, Gong Yi made it simple. He moved his slender index finger, spent a few seconds hacking the account and even changed the name of the account to — I'm an idiot!

Gong Yi logged out of the forum. There were all sorts of people here, so he couldn't get anything out of them.

He decided to find a profession. He needed some professional help, so he quickly contacted an online specialist.

As he would be needed to register his name, he thought for a moment and typed "Baby's Man".

Beibei's man.

He was quite satisfied with this name.

"Hello, Sir, how can I help you?" The expert's message came to him.

Chapter 1273: Matchmaking

Gong Yi's reply in a simple way — when I was having sex with my girlfriend, she didn't feel anything.

— May I ask, is there something wrong with your relationship?

— No, I love her, and she loves me.

— Sir, since there's nothing wrong with your relationship, you don't have to worry too much. How old is your girlfriend? Have both of you had any unpleasant experiences in this regard?

Gong Yi frowned. He recalled everything that happened in the bathroom that night.

— She just turned 18. Our first encounter was not very pleasant. It might have left a bad shadow on her.

— Sir, I think this is the crux of the problem. An 18-year-old girl. Her body is not mature yet. She needs your care and prelude. As for the shadow, I think this is a good opportunity for you to bring her out.

— What should I do?

— Hehe, sir, our platform, consultation is free, but we charge for advice ...

Gong Yi did not even frown, with a "ding" sound, he paid 10,000 dollars.

— Enough?

— Enough, enough, sir, you are too straightforward.

The subtext on the other end is, sir, you are a tycoon, you are the best!

– Get to the point.

– Yes, sir. Men are emotional animals, women are rational animals. You have to say more romantic words to her, make her emotional, have skills in action, look for her happiness point and let her experience the fun.

This sentence made Gong Yi frown, he hesitated for a long time, he knocked word by word.

– I don't have much experience.

– Oh, sir, the experience can be gained. I suggest you watch more enlightenment films.

Watch films?

– Okay, send ten of them to me.

– Oh, sir, this is our station's resource. Resources have to be charged.

Gong Yi slowly curved his lips. He sent seven words — money was never a problem.

.....

While Gong Yi was worrying about their happiness, Bai Beibei was working even harder.

After school, she carried her books back to the dormitory. At this moment, Li Sisi ran over and held her slender arm affectionately. "Beibei, let's go out for dinner."

Bai Beibei stopped in her tracks. "Sisi, let's do it another day. I have to study."

"Aiyo, my good Beibei, the mental arithmetic competition is a small case to you. You'll definitely be the final champion. All these years, you've been studying and ignoring me. I'm so bored. Let's go out and have some fun."

Looking at her good friend's pleading expression, Bai Beibei nodded. "Then... Alright."

"Beibei, you're too kind." Li Sisi pounced over and hugged Bai Beibei, sticking to her like a white polar bear.

The two girls were playing and laughing.

At this moment, Li Sisi raised her head and saw two familiar figures walking in front of her. "Eh, Beibei, isn't that my Daddy and Uncle Gong?"

Bai Beibei raised her head and saw that it was Li Xiao and Mr Gong. They were talking and laughing as they walked together. She didn't know what topic they were talking about, but both of them were very happy.

Li Sisi was puzzled. "Why did Uncle Gong come to the school to look for my daddy? When did they become so close?"

The Gong family and the Li family didn't have a deep relationship, so Li Sisi felt that it was strange.

Bai Beibei looked at the two elders and was stunned.

“Sisi, Beibei, you are here.” At this moment, Li Xiao saw the two of them and immediately smiled happily.

Father Gong raised his head and when he saw Li Sisi, his eyes light up. He carefully sized up Li Sisi and nodded in satisfaction.

“Mr Gong, let me introduce you again. This is Bai Beibei, my favourite student.” Li Xiao introduced Bai Beibei to Father Gong.

Father Gong looked at Bai Beibei. “Good, good. Young Master Li has good taste. It seems that your Li family is very satisfied with Bai Beibei.”

Bai Beibei knew that Father Gong had misunderstood.

That time at the birthday banquet, Li Xiyang had said that she was his girlfriend in front of everyone. Father Gong remembered it.

“Uncle, I...” Bai Beibei wanted to explain.

However, Father Gong had looked at Li Sisi. “Sisi, do you have time? Let’s go out for dinner.”

“Uncle Gong, you’re treating me to dinner? Sure, but I’ve asked Beibei out. I’ll bring Beibei along for a free meal.” Li Sisi smiled innocently and romantically.

Father Gong was a little hesitant. “This...”

Bai Beibei had grown up in an environment where she knew how to read people’s expressions the best. She knew that Father Gong did not welcome her to go, so she quickly waved her hand and said to Li Sisi, “Sisi, I’m not going. Let’s meet another day.”

“Beibei, how can we do that? We’ve made an appointment. If you’re not going, I’m not going either!”

“Sisi...”

“Beibei, then you can come with us,” Li Xiao said kindly.

Her father nodded. “Okay, then we’ll go together.”

“That’s great, Beibei. Let’s go.” Li Sisi dragged Bai Beibei away without any explanation.

.....

In the Western restaurant.

Bai Beibei and Li Sisi sat on the sofa, while Father Gong and Li Xiao sat opposite them.

“Daddy, Uncle, let’s order.” Li Sisi wanted to call the waiter.

“Sisi, wait a moment. Our people aren’t here yet.”

“Not here yet? Who else is there?”

“Gong Yi, we’ve asked him out. I’ll call him now.” Father Gong smiled mysteriously, then took out his phone to make a call.

Bai Beibei looked at the Western restaurant. The people who came here to eat were men and women. Most of them were eating steak, and the restaurant was filled with romantic music. Bai Beibei understood that they were on a date.

There was one more thing that Bai Beibei understood. Father Gong and Li Xiao wanted to set Gong Yi and Sisi Up!

Therefore, she was the extra person. This was why Father Gong didn’t welcome her.

She knew that Father Gong did not like her.

He was Gong Yi’s father...

Bai Beibei lowered her little head.

“Hello, Gong Yi, where are you now?” Father Gong asked directly after the call was connected.

Gong Yi was working in the company. He felt that nothing good was going to happen when he heard his father’s voice, so he asked directly, “What’s the matter?”

“B*at, is this your attitude when you are talking to me?”

Gong Yi, ...

He immediately stopped talking.

“B*at, I’m having dinner with your Uncle Li. You should come over too.”

Gong Yi’s heart was filled with frustration because his father had not helped him with matchmaking since a long time ago. His father made matchmaking his lifelong career.

He asked directly, “Who else is there?”

“Oh, I met your Uncle Li when I went to school...”

Li Sisi?

Gong Yi had a headache. Did his father have any ideas on Li Sisi?

“Daddy, Hello, Daddy, why can’t I hear You... Daddy... I can’t get a good signal here. Okay, that’s all for now...”

Father Gong was so angry that he blew at his beard. “B*at, don’t play tricks in front of me. Be careful or I’ll go back and teach you a lesson. Hurry up and come over!”

Gong Yi hung up the phone.

However, at this moment, he heard Li Sisi’s voice. “Beibei, let’s order some drinks first.”

Chapter 1274: She Was an Ugly Duckling

Beibei?

Gong Yi's eyes lit up when he heard that.

"Daddy, who else do you have?"

Who else?

Father Gong looked at Bai Beibei opposite him. She was a pure pink little girl. She was very beautiful.

"Oh, and Bai Beibei."

"Give me the address. I'll be there in a while."

Father Gong was surprised. His son had changed. One second, he was playing tricks with him, and the next second, he was coming.

He did not know what Gong Yi was thinking.

Gong Yi had been troubled by the matters between Bai Beibei for the past two days. This girl was good. When he went back, she did not call him at all. He sent a text message to ask if she was better, but she did not reply!

He did not know what she was thinking. Did she have some problems with him or something?

He reflected on himself. That night, his performance was really bad. He did not go in, but he reached the peak. It could be said that he reached in a second. Did she think that he was not good at such things?

After all, a woman would never accept a man who was not good enough.

Or did she think that he was not gentle enough, considerate enough, or romantic enough and that the feelings that she had just developed for him had been extinguished again?

His thoughts ran wild for a long time. He wanted to give her a call, but he felt that it was too presumptuous. He wanted to look for her, but he was afraid that she would think that he had bad intentions, so he had been holding it in and his face had been dark.

This was great. The opportunity had come. He wanted to see her, and he desperately wanted to see her.

.....

Gong Yi walked into the western restaurant. He immediately saw Bai Beibei sitting on the sofa.

She lowered her small head and seemed to be thinking about something. She seemed to be in a very low mood.

Gong Yi walked forward. "Daddy, Uncle Li."

"Gong Yi, you're here. That's great. We've been waiting for you."

Li Sisi raised her head. "Young Master Gong, you're finally here. Beibei and I are starving."

Gong Yi glanced at Li Sisi and then looked at Bai Beibei.

Bai Beibei did not raise her head and did not look at him.

Gong Yi frowned subconsciously.

“Gong Yi, since you’re here, your Uncle Li and I will leave first. Enjoy your meal.” Father Gong and Li Xiao stood up.

“Daddy, Uncle Gong, aren’t you going to stay and eat?”

Li Xiao smiled. “Sisi, we’re not used to western food. Your Uncle Gong and I will go for tea.”

“That’s right, Sisi, have a good chat with Gong Yi. You’re both young people after all.” Father Gong patted Gong Yi on the shoulder, “After eating western food, bring SiSi and Bai Beibei to the shopping mall. The shopping mall is right next door and girls like jewellery. You can buy whatever they like.”

Gong Yi’s father was the same as Gong Yi in certain things: he didn’t lack money.

Gong Yi nodded.

Father Gong and Li Xiao left.

.....

Gong Yi sat on the sofa. He called the waiter and ordered food.

“What do you want to eat?” He asked.

“Beibei, what do you want to eat?” Li Sisi pulled Bai Beibei.

Bai Beibei felt like she was sitting on pins and needles. She didn’t want to eat anything and only wanted to leave. However, Li Sisi kept pestering her. If she insisted on leaving, it would be even more awkward.

She looked at Li Sisi’s doll-like beautiful face. Sisi was innocent and naive, and she treated her really well. Moreover, Sisi was her only good friend, and she cherished her very much.

Now that the two families wanted to set up Sisi and Young Master Gong, they were really a good match. They were both born in noble families, and she was so dazzling between them.

Two nights ago, she had sex with Young Master Gong. Now that she thought about it, how shameless she was.

It would not happen again in the future. Although she was born in poverty, she had her self-awareness and dignity.

Bai Beibei pursed her lips. “Whatever.”

Li Sisi smiled at Gong Yi. “Young Master Gong, you can order anything you want.”

Gong Yi casually ordered a few things and the waiter left.

Li Sisi had nothing to say to Gong Yi. When she spoke to Bai Beibei, Bai Beibei answered absent-mindedly and kept her head down.

Gong Yi knew that she was avoiding his gaze intentionally. He wanted to speak to her alone, but with Li Sisi around, he wanted to make this third wheel disappear.

Gong Yi moved, and the foot under the table touched Bai Beibei lightly.

Bai Beibei almost bounced away. Her small face burned up. There was no sweetness, only shame for her.

Perhaps in the future, he would be Sisi's husband, but secretly it was so shameful for both of them to be like this.

Her intense actions made Gong Yi's handsome features darkened, and he was not in a good mood.

He had lived for so long, and even Ye Xiaotao had never treated him like this. Was he a poison? It was as if she would be poisoned if she touched him.

Wasn't she going too far?

Gong Yi pursed his thin lips.

.....

At this moment, the waiter served the dishes. In front of Bai Beibei was a plate of beef, a knife and a fork.

It was her first time eating western food, so she did not know how to use a knife and fork. She took the knife with her left hand and the fork with her right hand.

"Beibei, you took the wrong one." Li Sisi smiled and reminded her in a low voice, "It's the fork in your left hand and the knife in your right hand."

Bai Beibei's small face was so red that it was about to bleed.

She glanced at Li Sisi. The white handkerchief was folded and stuffed into her collar. She held the fork in her left hand and the knife in her right hand. She had successfully revealed the good upbringing of a rich young lady.

Unlike her, she didn't even know how to use a knife and fork.

It was a joke.

"OH." Bai Beibei replied and then switched the knife and fork over.

Gong Yi lifted his eyelids and glanced at her. This was the first time she had eaten western food. She held the knife and fork as she carefully cut the steak. Her movements were clumsy, but also cute.

The anger in his heart disappeared without a trace, turning into pity and heartache.

He cut the foie gras off piece by piece, then placed it on a plate and pushed it in front of her. "This foie gras is pretty good. Try It."

"Yes, Beibei, it's very delicious," Li Sisi echoed.

Bai Beibei ate a small piece of steak, but she couldn't taste it at all. In order not to make a mistake, not to be embarrassed, and not to be laughed at, she tried her best to straighten her slender back, reduce her breathing, and even stretch her hands and feet until they were numb.

In such a situation that was not suitable for her, she wanted to wrap herself tightly in a coat to protect her pitiful dignity.

She hoped that these two people would forget about her and not showing off their good manners in front of her, making her look more and more like an ugly duckling.

She did not raise her head and said softly, "Thank you."

She did not even look at the foie gras that he had cut.

Gong Yi pursed his thin lips into an unhappy white line.

Li Sisi had noticed the subtle atmosphere between the two of them. She restrained her vivid character and ate the steak obediently without saying a word, even though she was about to have indigestion when she saw the man's face that had turned black.

.....

The western-style meal ended in such a strange and discordant atmosphere. Li Sisi held Bai Beibei's slender arm and said, "Beibei, let's go shopping now."

Bai Beibei shook her head like a rattle-drum. "I'm not going."

"Why not? We have to go!" Li Sisi grabbed Bai Bei's small hand and ran.

Chapter 1275: She's Mine

Bai Beibei almost fell. She staggered as she followed Li Sisi's footsteps.

Gong Yi looked at the little white rabbit like a kite with a broken string as if it would snap with a tug. She was thin and did not eat much. She only cut a few pieces of the steak just now.

However, no matter how thin she was, she suffered under him on the bed...

Thinking of this, Gong Yi put out the fire in his heart. He walked forward with his long legs and blocked in front of Li Sisi. He reproached her, "Can't you run slower?"

Li Sisi was forced to stop. Bai Beibei was panting behind her. "Sisi, let go. I don't want to go shopping."

"Beibei, we're here. Let's go in and take a look at the jewellery." Li Sisi avoided Gong Yi and pulled Bai Beibei into the jewellery store.

Gong Yi wanted to leave. She didn't welcome him, so he didn't want to embarrass himself. However, looking at her delicate figure, he still couldn't bear to leave.

He was angry for a moment, but he felt sorry for her.

"Beibei, do you think this is pretty?" Li Sisi pulled Bai Beibei and looked at the beautiful jewellery.

Bai Beibei looked at it. They were all shiny. They were pretty, but she didn't like them.

Gong Yi lifted his eyelids to look at both of them, then he walked over to the counter.

There were many pieces of jewellery at the counter, and he saw a thin platinum bracelet at a glance.

“Sir, this bracelet is suitable for a girl with a thin wrist. It will look good on her,” the cashier said enthusiastically.

Gong Yi thought about the girl’s slender wrist. If she wore it, it would look beautiful naturally.

At this moment, a figure approached him from the side. “Wow, this bracelet is so beautiful.”

Gong Yi gave a soft smile. “Is it beautiful?”

“Yes.” Li Sisi nodded.

Bai Beibei stood in the distance and looked at Gong Yi and Li Sisi. They were a good match when they stood together. The Gong and Li families of the capital were united by marriage.

Sisi was a pure and good girl. He was worthy of such a good girl.

Bai Beibei laughed at herself and left.

Gong Yi thought it was Bai Beibei next to him. “Do you want it? I’ll buy it for you...”

Before he could finish, Gong Yi saw that it was Li Sisi next to him. He immediately stood up and frowned. “Why is it you? Where’s Beibei?”

“Where’s Beibei...”

Li Sisi pointed, but Bai Beibei was nowhere to be seen. “Hey, where’s Beibei? Why is she missing?”

Gong Yi quickly took out his phone from his pocket and dialled Bai Beibei’s number.

Bai Beibei was on the street. The sky was drizzling, and the autumn drizzle was very cold. She was wearing thin clothes and felt cold.

Her clothes were soon wet, and her hair stuck to her eyes. The drizzle made it hard for her to open her eyes. At that moment, the phone in her bag rang.

She took out her cell phone and took a look. It was Gong Yi’s call.

She pressed her fair fingers on it and answered, “Hello.”

“Hello, Why did you suddenly leave? Where are you now?” Gong Yi’s anxious voice was transmitted over the phone.

Bai Beibei’s voice was very calm. “I’m not going to shop anymore. I’ll go back to school first.”

“I’ll send you...”

“No need. I’ve called a taxi. That’s it. I’m hanging up.” Bai Beibei hung up the phone.

Putting her phone back into her bag, Bai Beibei wandered down the street as if she had lost her soul. She wanted to laugh, but after a few laughs, tears began to well up in her eyes.

In the past, she thought that she could continue to like him. She felt satisfied as she standing behind him and looking at his back.

But now, she felt that this was a luxury.

There was an insurmountable obstacle between them. One day, there would be a girl who likes Sisi walking to his side and enjoying his love.

Who was she?

A girl who sold her body. There were countless nights that she would still think of that humiliating night. She crouched down and use her mouth for that man...

She felt very dirty.

.....

In the shop.

Gong Yi put away his phone. “Help me wrap this bracelet and swipe my card.”

“Yes, Sir. This way, please.”

Gong Yi swiped his card, took the box, and ran out in a hurry.

Li Sisi shouted from behind, “Hey, Young Master Gong, you left me here alone...”

“You can take a taxi back by yourself!” Gong Yi quickly entered the elevator.

Li Sisi, ...

Gong Yi came to the main street. It was drizzling outside. He drove his Lamborghini to XX. He wanted to find Bai Beibei.

But at this moment, he received a call. It was from his secretary, Ajie.

“Hello, President, our company has a problem with the project in LiCheng. The developer needs you to go there personally...”

“I don’t have time. Let the manager go.”

“President, this matter is very troublesome.”

Gong Yi frowned and looked at the bracelet box lying quietly on the passenger seat. He had no choice but to turn on the direction signal at the intersection and drove back.

“I’ll be there right away.”

What he didn’t know was that the girl he was looking for was just there at the intersection.

At this moment, Li Xiyang was standing on the top floor of the mall. He put his hands in his pockets and looked at the car through the French window. "Haha", he laughed.

At this moment, a melodious ringtone rang. It was his call.

"Hello, Daddy, have you finished drinking tea with Uncle Gong?"

"Yes, I have. Xiyang. How did you come up with the idea of introducing Sisi to Young Master Gong?"

"Daddy, why? Aren't you satisfied with Young Master Gong being your son-in-law?"

"Yes, of course, I'm satisfied. But Your daddy isn't a fool. Just now in the restaurant, I saw that Young Master Gong didn't have much interest in Sisi. Sisi was still a child, and I saw Young Master Gong's gaze was always fixed on Beibei."

Li Xiyang's lips curled up indifferently. "Daddy, let me tell you, I like Bai Beibei. I'm determined to get her."

"Xiyang, you can't force for matters of the heart. Don't hurt Beibei..."

"Daddy, you don't want Beibei to be your daughter-in-law?"

"Both you and I have seen Beibei's talent in mental arithmetic. She's simple and kind. If she's really with you, I'm 100% satisfied, but..."

"Daddy, that's enough. Don't worry, I like Bai Beibei. I won't hurt her. You can't be wrong if you listen to me."

"What do you want me to do?"

"The mental arithmetic contestants from all the provinces will arrive tomorrow. The national mental arithmetic competition is about to begin. Set the venue at the Hotel Huangchen."

"Huangchen, that's a hotel under the Gong family."

"Yes, that's the place."

.....

The next day, Bai Beibei arrived at the Hotel Huangchen.

She was accompanied by Li Sisi. Li Sisi didn't participate in the competition because she was not material for it, but she insisted on coming along and said that she wanted to cheer Bai Beibei on.

Bai Beibei felt warm in her heart and was very touched.

There were a total of six contestants participating in the competition. The hotel manager brought them to the corridor. "This is your room, one for each of you. If you need anything, you can call the internal line directly."

"Thank you." Everyone was very satisfied.

Chapter 1276: Marriage Alliance between Rich Families

Bai Beibei took her room card, room 2902.

“Beibei, I’ll sleep with you for the next few days until you win the championship!” Li Sisi held onto Bai Beibei’s slender arm happily.

Bai Beibei nodded. “Okay.”

As she spoke, she opened the door.

At this moment, a voice sounded from behind her. “Beibei, what a coincidence. You’re here too.”

Bai Beibei turned around. It was Bai Qi.

After Gong Yi fired her, Bai Qi found another company. With her mental arithmetic achievements and higher education, it was very easy for her to find a job. This time, she just returned from a business trip, so she checked into the Huangchen Hotel too with her luggage.

“Wow, Bai Qi, a legend that can never be broken. You’re my idol!” Two girls named Xiao Liu and Xiao He immediately surrounded Bai Qi. They were both guaranteed to participate in the mental arithmetic competition, so they were quite excited to see Bai Qi.

“Bai Qi, can you sign an autograph for me?”

Bai Qi smiled elegantly. “Of course.”

She signed the autographs for the two girls.

The girls’ admiration for her instantly surged like a torrential river.

Li Sisi couldn’t stand Bai Qi, so she whispered to Bai Beibei, “Humph, so what? Beibei, you must break her record and make her your defeated opponent!”

Bai Beibei smiled at Li Sisi to appease her.

After signing the autograph, Bai Qi looked at Bai Beibei. “Beibei, I heard that you were also guaranteed to enter this competition. I’m really happy for you. I knew that no one could compete with you for this spot. This spot will definitely belong to you.”

Xiao Liu and Xiao He quickly understood the meaning behind Bai Qi’s words. They asked, “Bai Qi, what do you mean by that? What do you mean no one can compete with Bai Beibei for this spot? Could it be that this spot is predetermined?”

“I didn’t say that, but don’t you know that XX’s eldest prince, Young Master Li, is my Beibei’s boyfriend?”

“What?” Xiao Liu and Xiao He’s expressions became very bad. They looked up and down at Bai Beibei several times and said disdainfully, “So you relied on your boyfriend to get in. What abilities do you have?”

“That’s right. We all relied on our own abilities to get in. She makes us feel embarrassed even if she competes with us. She’s really shameless.”

Bai Beibei knew that Bai Qi said this on purpose, slandering her and making her feel like she was being excluded.

These five contestants had all put in a lot of effort and sweat to get here. If she came in through the back door, these contestants would dislike her and treated her with hostility.

Bai Qi quickly waved her hand. “You’ve misunderstood Beibei. Actually, Beibei is capable.”

“Enough!” Li Sisi couldn’t stand it any longer, “Bai Qi, don’t be so hypocritical. You’re just saying that on purpose. HMPH, we’ll see if Beibei is capable in the competition. When Beibei defeats you, your mental arithmetic halo will come to an end. At that time, Beibei will definitely replace you!”

Bai Qi gritted her teeth in her heart. She knew that her mental arithmetic halo was obtained through cheating. Bai Beibei was a genius in mental arithmetic.

Now that Bai Beibei was guaranteed to the mental arithmetic competition, she could not compete with her at all.

How could this little b*stard be so lucky?

Not only did she enter XX university, but she successfully hooked up with Young Master Gong and Young Master Li.

Bai Qi was not willing to admit defeat.

She would never let Bai Beibei enter the international arena.

“Miss Li, you’ve misunderstood me. I’m Beibei’s elder sister. I hope that she will do her best. It doesn’t matter even if I give her my mental arithmetic halo,” Bai Qi said with a wronged expression.

“Miss Li? Who is she?” Xiao Liu asked.

“This is Li Qianjin, Young Master Li’s younger sister,” Bai Qi introduced.

“Oh, so they’re all family. No wonder they’re venting their anger from the same nostril.” This time, Xiao Liu and Xiao He hated Bai Beibei even more.

Li Sisi was about to explode in anger. She wanted to speak up for her good friend, but at this time, Beibei grabbed her sleeve. “Sisi, forget it.”

“How can I forget it? They’re slandering you. I’m so angry!”

Bai Beibei smiled at Li Sisi. “What they say has nothing to do with me. I think it’s enough to have a good friend like you.”

Only then did Li Sisi calm down. “Alright, let’s treat it as if they’re playing dirty tricks. Arguing with them is simply degrading our status.”

Bai Beibei nodded. She wanted to enter the room with Li Sisi.

But at this moment, "Sisi!" Father Gong ran over from afar, followed by the general manager of the hotel.

"Uncle Gong, why are you here?" Li Sisi was surprised.

Father Gong saw Li Sisi's enthusiasm and said, "Sisi, I heard that you're here to prepare for the competition with Bai Beibei, so I specially came over to see you."

"Thank you, Uncle Gong," Li Sisi said with a mischievous smile.

"Sisi, I've prepared a presidential sea-view suite for you. You should go and stay there."

"No, I'll stay with Beibei."

"This..." Father Gong looked at Bai Beibei. "Bai Beibei, you don't need Sisi to sleep with you, right? In the arena, she will still cheer you on."

Bai Beibei immediately knew what Father Gong was thinking. If her guess was correct, Sisi's room would definitely be next to Gong Yi's. Father Gong was trying to increase the opportunity for these two people to meet in private.

Bai Beibei's heart was quickly filled with bitterness. She withdrew her slender arm from Li Sisi's hand and curled the corners of her mouth, "Sisi, since Uncle Gong has prepared a room for you, it's impolite for you to reject it. I'm fine with it. You should go and stay there."

"No, I've said that I'll stay with you. I'll stay wherever you stay."

"Sisi, I need to do my homework. You're usually talkative, and you staying here will disturb me. Go, leave me alone and be quiet."

"Alright, Beibei, you dislike me." Li Sisi pouted.

Bai Beibei hurriedly coaxed her.

"Alright, Sisi, let's go," Father Gong said.

"Alright, Beibei, I'm leaving. Let's have dinner together later."

"Okay."

Father Gong and Li Sisi left together.

Bai Qi could tell at a glance that something was amiss as she watched the two of them leave. She looked at Bai Beibei provocatively and mockingly. "Beibei, Father Gong seems to be very interested in Li Sisi. Could it be that he wants Sisi to be his daughter-in-law?"

Bai Beibei didn't say anything.

Bai Qi continued, "It would be great if they were married. The Gong family and the Li family are a match made in the dream. Only a lady from a prestigious family like Li Sisi can match up to Young Master Gong. Those girls who grew up poor in the countryside shouldn't dream of becoming a Phoenix. They are only played by rich men, not for real."

Bai Beibei knew that Bai Qi was talking about her, so she didn't refute her. Instead, she pushed open the door and walked in.

Chapter 1277: Stole Something

In the dining room.

Bai Beibei entered the dining room, and Li Sisi was waiting for her. "Beibei, let's go eat together."

"Okay."

Li Sisi pulled Bai Beibei into the luxurious private room, but at the door, the waiter stopped them.

"Miss Li," the waiter looked at Li Sisi respectfully. "Your classmate is not allowed to enter."

Li Sisi was stunned. "Why?"

"This luxurious private room was specially prepared for you by my master. Inside is a first-class master chef. In a while, my CEO will come over too, so it's very inconvenient for this student to enter."

"Why is it inconvenient? Isn't it just a meal?"

The waiter laughed awkwardly. "I'm sorry, Miss Li. Our master has instructed that this room is only for you and the CEO. No third parties are allowed to enter!"

"I..."

"Sisi," Bai Beibei's face was completely pale. She lowered her head and said, "Forget it, I'm not eating here anymore. You and Young Master Gong have a good meal."

"Beibei, let's go in together..."

"Sisi! "Bai Beibei looked up at Li Sisi seriously. She lowered her voice and pleaded, "Please, stop talking. You can go in and eat."

This was the first time Li Sisi saw Bai Beibei's expression. She was stunned. "Beibei, what's wrong? Are you not feeling well?"

Bai Beibei shook her head. "No, Sisi, I'm leaving first."

She walked out.

At this moment, Bai Beibei would rather Li Sisi not treat her so well. Her naivety, playfulness, and nobility only accentuate her darkness and insignificance.

She only wanted to escape.

Only by escaping from Sisi, she could protect her last shred of dignity.

After entering the dining room, everyone was there. Bai Beibei walked to the dining table to pick up her lunch box.

Unfortunately, the person in front of her was Xiao Liu and Xiao He.

The food in the chef's hands were all ordered according to the quantity. Bai Beibei was the last one, and there were still three lunch boxes left.

Xiao Liu and Xiao He each took one. The chef wanted to pass the last box to Bai Beibei, but Xiao Liu quickly reached out and snatched it away.

"Master, she's my good friend. I'll help her take this box of food."

The chef didn't think much of it. "Sure."

Xiao Liu held two boxes in her hands. She smiled at Bai Beibei. "Bai Beibei, I helped you take the boxes. Do you want to thank me?"

Bai Beibei furrowed her brows.

With a thud, Xiao Liu threw Bai Beibei's lunch box into the trash can. "You're rude. Since you're not appreciating me, then don't eat this lunch box. Let you go starve."

"Heh," Xiao laughed in agreement. "Liu, well done. You should punish this kind of person."

"Come, let's go eat. Bai Qi is over there. Let's sit with her."

Xiao Liu and Xiao He sat opposite Bai Qi. The three of them were talking and laughing.

Bai Beibei looked at the lunch box that was thrown into the trash can. She didn't say anything and just walked away.

When she left, she passed by Bai Qi's dining table and heard Bai Qi laughing —

"Let me tell you a story."

"Sure, sure. Bai Qi, what's the story?"

"There's a story by my side. Eighteen years ago, a woman from the countryside entered a rich house to be a servant. However, she didn't remain herself and climbed into the master's bed while the Madam was not at home. She even gave birth to a little b*stard."

"Oh my god, there's such a shameless person?"

"Then how is this little b*stard now? I guess she is a restless vixen just like her mother. After all, this inheritance is inevitable."

"Xiao Liu, you're too smart. This little b*stard has grown up to 18 years old. She went from the countryside to the big city and became good friends with a rich daughter. This rich daughter treats her very well and treats her as her biological sister. But this little b*stard seduced the fiancé of a rich daughter behind her back!"

"This kind of person deserves to be struck by lightning."

“Right, how could she still have the face to live in this world? I reckon she’s climbed into the bed of that rich family’s daughter’s fiancé. I wonder if she wants to carry another little b*stard like her mother, Haha...”

The three women laughed wildly behind her.

Bai Beibei quickened her steps and left this place.

.....

In the room.

Bai Beibei locked herself inside and sat on the bed in a daze.

Bai Qi’s words kept echoing in her ears. Every word was like a needle piercing her heart.

Si Si was her good friend. She cherished her, but she also liked Gong Yi. When she slept with him, she didn’t think too much. If he wanted it, she gave it to him.

Now that she thought about it, what a shameful thing she had done.

In the future, if Sisi married him, how would she live with herself?

Her mother was not a vixen, and her mother had not climbed into Bai Shida’s bed. Her mother was a good person, and this was her belief, and no one could shake it.

But now that what had she done, she felt that she was the shameless one.

Soon, night fell, and with a “gulp” sound, Bai Beibei’s stomach growled.

She had eaten a bowl of millet porridge in the morning, and she was hungry.

She wanted to bear with it for a while. In the past, she often went hungry in the Bai family and was used to it.

But this time, she couldn’t bear it. She pressed her small hand on her stomach. The hunger in her stomach made her want to throw up.

She didn’t want to open the door.

She was afraid of seeing Sisi and Gong Yi together. She was afraid of seeing the way Father Gong looked at her. She was even more afraid of hearing rumours. In the past, she didn’t do anything wrong and wasn’t afraid. But now, she was afraid.

At eight o’clock, it was quiet outside. Everyone was probably asleep.

Bai Beibei opened the door and walked out.

She needed to go out and buy some food.

.....

At 9:30 pm.

“Knock, Knock.” There was a knock on the door. Someone was talking loudly in the corridor.

Bai Beibei was woken up. She walked over and opened the door.

Outside the door was Xiao Liu, Xiao He, Bai Qi, and the other contestants. Xiao Liu was interrogating them together, "Bai Beibei, you came out just in time. Everyone is here. I have an announcement to make. My LV bag is missing. I suspect that someone among us has stolen my bag."

A contestant quickly said, "Xiao Liu, you need to have evidence when you speak. How much is your LV bag worth? 50,000 dollars? Are we not affording LV bags?"

"That's right."

Xiao Liu snorted and directly pointed at Bai Beibei. "You can't say that. You can afford LV bags, but some people can't."

"Xiao Liu, who are you referring to?"

"Her! Bai Beibei!" Xiao Liu pointed at Bai Beibei with his finger.

Everyone's eyes focused on Bai Beibei.

Bai Beibei didn't panic. She calmly shook her head. "I didn't steal your bag."

"Haha, would a thief call herself a thief? Bai Beibei, I need to go into your room and look for it."

Chapter 1278: I Didn't Steal It

Bai Beibei knew that these people did it on purpose. She furrowed her brows. "You can enter my room to search, but if you suspect someone, you need evidence. Show me your evidence."

"It's easy to get evidence, Bai Beibei, I saw you sneaking out of the room alone at around eight o'clock," Xiao He said.

Around eight o'clock...

She had indeed left the room.

"What are you guys doing?" At this moment, a dignified voice sounded. Father Gong arrived, along with Li Sisi.

"Beibei, what's wrong? Did these people bully you again?" Li Sisi quickly ran to Bai Beibei's side.

"Father Gong, Miss Li, both of you came at the right time. I lost an LV bag, and I suspect that someone stole it. Xiao He saw Bai Beibei leaving the room around eight o'clock, so I wanted to enter Bai Beibei's room to search, but she didn't let me in. I suspect that she was guilty."

At this time, Bai Beibei didn't want to see Father Gong at all. Her face was pale and her hands and feet were cold.

She straightened her delicate back, she shook her head. "I didn't steal it!"

"My Beibei wouldn't steal your bag. You'd better not accuse my Beibei wrongly, or I'll sue you for slander." Li Sisi glared at Xiao Liu.

Father Gong looked at Bai Beibei. "I don't believe that Bai Beibei would steal anything. Xiao Liu, go look in your room again. Maybe you left your bag somewhere."

"Father Gong, don't be deceived by Bai Beibei's appearance. Let me tell you, her mother was a servant of the Bai family. Her mother climbed into Master Bai's bed before she was born. She was an illegitimate child. She grew up in the countryside with her blind grandmother. She was so poor that she would steal good things."

Father Gong suddenly remembered who Bai Beibei was. He met Bai Beibei once when he brought Gong Yi to the Bai family for a blind date.

However, his attention was on Bai Qi at that time, so he didn't remember Bai Beibei when he saw her at Gong Yi's place later.

This little girl was indeed an illegitimate child. Bai Shida had told him personally that her birth wasn't very good.

Gong Yi looked Bai Beibei up and down seriously. For some reason, he felt that Bai Beibei resembled a woman he knew in the past.

He didn't know if it was just his imagination.

However, Father Gong's impression of Bai Beibei wasn't very good. Why? Because, as Bai Qi's younger sister, she lived with his son. He didn't delve into her relationship with Gong Yi, but at this time, she was together with Li Xiyang.

Father Gong's generation was very strict. He didn't like girls who messed around with relationships like this, and he definitely wouldn't allow his future daughter-in-law to be such a person.

Bai Beibei sensed Father Gong's gaze. His gaze was scrutinizing and sizing her up... in short, he was not that friendly.

Bai Beibei lowered her head in shock, her two small hands tightly clutching the clothes in front of her. She was panicking.

Xiao Liu had wronged her, so she was not panicking.

When Father Gong showed his dislike for her clearly, she panicked.

"Beibei, don't be afraid. I won't let them deceive you. Uncle Gong, this hotel is yours. Chase these troublemakers out!" Li Sisi looked at Father Gong.

Her father didn't say anything.

Li Sisi became anxious. "Uncle Gong, I'm talking to you. What do you mean by this?"

"Sisi," Bai Beibei tugged at the corner of Li Sisi's clothes. "Forget it. Let them go in and search."

"Beibei, what are you talking about?"

Bai Beibei looked up with her big black and white eyes. She smiled, but Li Sisi seemed to see the crystal mist rising from her smile. "Let them search."

Li Sisi felt her heartache. In her mind, Bai Beibei had always been optimistic. She did not care about other people's gazes, she was pure and kind.

But it was this kind of girl who was being bullied like this.

Was it because she did not come from a good family?

"No!" Li Sisi insisted. She did not allow these people to search Bai Beibei's room, because this was a matter of principle.

Once this gap was opened, more and more people would bully Bai Beibei in the future.

When both sides were in a stalemate, "What are you doing?" A low and mellow voice sounded.

Everyone turned around and saw a tall and straight figure at the end of the corridor. Gong Yi had returned from outside.

.....

Gong Yi wore a white shirt and black trousers. On an autumn night, he wore an autumn-leaf-coloured cloak and windbreaker. He was indescribably stylish and handsome.

He took off the black belt in his hand and handed it to his secretary, Ajie, who was behind him. He walked forward with his long legs, and each of his sonorous footsteps created a dazzling arc.

Xiao Liu, Xiao He, and Bai Qi, who had been hiding behind the crowd, were all stunned.

Gong Yi did not look away. He treated these random people like air. In the end, he stopped in front of Bai Beibei. Looking at the girl's small black head, he asked in a low voice, "What happened?"

Bai Beibei looked down and saw the shiny handmade leather shoes on his feet. The tip of her nose turned red, and she suddenly felt like crying.

"Young Master Gong, these people are too much. They suspect Beibei of stealing things!" Li Sisi said angrily.

Stealing...

This word stabbed deeply into Bai Beibei's heart. She didn't want him to see her in such an embarrassing state.

However, she didn't have the ability.

She couldn't change her fate.

She was lonely and helpless.

Gong Yi turned his body to the side, and half of his tall and handsome shoulders appeared to block in front of Bai Beibei, in a protective posture.

Raising his sword-like eyebrows, he wiped one hand in his trouser pocket and looked at Xiao Liu. "What did she steal from you?"

Xiao Liu had never seen such a handsome man. Everyone was saying that the number one young master of the capital was none other than the Young Master of the Gong family. Now that she saw him, he truly lived up to his reputation.

Xiao Liu stared unblinkingly at Gong Yi. Her previously arrogant voice had become coquettish. "Young Master Gong, she stole my Louis Vuitton Bag."

"Where's the evidence?"

"Xiao He saw Bai Beibei left her room at eight o'clock."

Xiao He nodded. "Yes, I saw it with my own eyes."

Gong Yi turned to look at Bai Beibei beside him. He asked, "What did you do at eight o'clock?"

He didn't believe that she would steal anything. There was no doubt about that, but the two parties were confronting each other. He needed her to tell him what she did.

What did she do?

Bai Beibei raised her head to look at Gong Yi. For a long time, she didn't say anything.

Gong Yi slowly furrowed his brows, and his voice became gentler. He reached out his large palm and grabbed her frail shoulders. "What's wrong?"

Bai Beibei looked at his gentle and handsome face. This man let women want to lean on him.

At this moment, she wanted to lean on his shoulders.

At this moment, Father Gong coughed heavily. "I believe that you're innocent too. You won't steal from others, but you have to tell me clearly what you were doing last night."

Chapter 1279: It's Looks Like I've Overestimated Myself

Bai Beibei looked at Gong Yi. Gong Yi's gaze was on Bai Beibei's shoulders, and Gong Yi was holding her hands.

Bai Beibei felt as if her entire body was on fire. She quickly took a step back and avoided Gong Yi's hands.

Gong Yi's hands missed in mid-air, and the girl's dodging made him furrow his sword-like brows.

"Beibei, say something. What were you doing out at night?" Li Sisi was so anxious that she kept urging her.

Where did she go out for?

Bai Beibei didn't want to say it. She would rather be accused of being a thief than tell the truth.

At this moment, a pleasant voice sounded, "She went out on a date with me tonight."

Everyone looked back and saw that Li Xiyang had arrived.

Li Xiyang was wearing a black windbreaker today. His facial features were exquisite and handsome, and he could compete with Gong Yi.

Everyone sucked in their breaths. Li Xiyang and Bai Beibei...

Just now, everyone could see that Gong Yi was protecting Bai Beibei. They didn't expect Li Xiyang to appear. Such a lowly girl had captured the love of the two great Young Masters of the capital at the same time.

Li Xiyang walked to Bai Beibei's side and conveniently put his arm around her shoulder. "Beibei, since so many people are asking you, you don't have to be shy. You did go out with me tonight."

Xiao Liu gulped. "Young Master Li, what's your relationship with Bai Beibei?"

"She's my girlfriend." As he spoke, Li Xiyang looked at Xiao Liu from the corner of his eyes. "What were you guys doing here just now?"

"Brother, they all suspect that Beibei is a thief. She even said that Beibei stole her Louis Vuitton bag." Li Sisi was angry.

"Louis Vuitton Bag?" Li Xiyang's gaze fell on Xiao Liu. He looked her up and down with enough contempt. "Does my girlfriend need to steal a Louis Vuitton Bag?"

Xiao Liu was a little scared. She looked down evasively. "I, I..."

"Beibei, this is the bracelet I bought for you. Do you like it? I'll put it on for you." As he spoke, Li Xiyang took out a thin diamond bracelet and put it on Bai Beibei's wrist.

Bai Beibei's wrist was thin. When she wore this bracelet, it was beautiful and eye-catching.

Xiao Liu and Xiao He saw that the bracelet was embedded with many small diamonds. The price was not cheap. Young Master Li was willing to spend money on Bai Beibei.

Bai Beibei looked at the bracelet on her wrist, but she did not say anything.

"I will send people to investigate the matter of the LV bag being lost. If someone dares to make trouble and slander my girlfriend, I will make them suffer."

Xiao Liu and Xiao He broke out in a cold sweat. "Okay, we must investigate this matter. It's very late now. Let's go to sleep first."

As they spoke, they entered the room.

Since the main characters of the opera had all left, the others entered the room as well. The corridor immediately became quiet.

.....

Father Gong looked at Bai Beibei. Her shoulder had just been held by his son, and now it was being held by Li Xiyang. He felt even more displeased. That day at his birthday banquet, his son attacked Li Xiyang as if he had taken the wrong medicine, now that when he thought about it, his son must have been jealous.

He knew his son the best. His son was the proud son of a god, and he was very proud in his heart. Other than Ye Xiaotao, no other girl was worthy of his attention.

But even for Ye Xiaotao, he didn't do anything inappropriate.

In front of this Bai Beibei, his son had unexpectedly gone out of his way to make enemies with Li Xiyang. He even imitated others to be jealous. He was so childish.

Gong Yi's father almost didn't recognize his son.

"Alright, that's it for now. Tomorrow morning, I'll get someone to retrieve the surveillance video. At that time, it's up to you to decide what's right and wrong. Gong Yi, you've just returned from overseas. Go back to your room and rest first," Gong Yi's father said to Gong Yi.

Gong Yi didn't move. He stared at Li Xiyang, staring at him all the time.

Gong Yi's father was afraid that the two of them would get into a conflict again. Moreover, his beloved daughter-in-law, Li Sisi, was here, so he called him out sternly, "Gong Yi!"

"What's your relationship with him?" Gong Yi opened his mouth and asked Bai Beibei directly.

Bai Beibei looked at his deep and narrow eyes. There were two faint flames in his eyes. If he didn't try his best to suppress them, they would probably be burning now.

"Young Master Gong, didn't I say that I'm her boyfriend?"

Gong Yi didn't look at Li Xiyang. He stared at the girl and said, "It's fine if you don't answer my question, but I just want to ask, did you go out with him tonight?"

Bai Beibei nodded slowly. "Yes."

"Haha," Gong Yi curled the corners of his lips and revealed a cold smile. "It seems that I've overestimated myself!"

He turned around and left.

"Son, Son!" Gong Yi's father quickly chased after Gong Yi.

"This..." Li Sisi froze on the spot. She did not understand at all. What happened exactly?

Bai Beibei watched Gong Yi's back as he left. Her small hands by her side clenched into fists. Just let it be, she would let him misunderstand and not give her any more hope.

She wished that he would be able to live well every day from now on.

"Beibei, let's go into the room and talk..." Li Xiyang said with a smile.

“I’ll return this to you.” Bai Beibei took off the bracelet on her hand and stuffed it into Li Xiyang’s palm. “I’m very grateful for what happened tonight, but let I say it again. I don’t like you. Don’t waste your time on me.”

After she finished speaking, Bai Beibei entered her room.

“Brother, what’s going on? Why do I feel that you guys are all weird? I feel like a fool.” Li Sisi was stunned.

Li Xiyang looked at the bracelet in his hand and then at the tightly shut door. Finally, he looked at Li Sisi and said earnestly, “Sisi, do you know what kind of person is the happiest in this world?”

“What kind of person?”

“Idiot.”

Li Sisi, ...

“I’m leaving first.” Li Xiyang left.

Li Sisi, ...

.....

“Gong Yi, wait for me, I have something to tell you!” Gong Yi’s father chased after Gong Yi.

Gong Yi’s footsteps were big, and a sharp and cold wind blew everywhere he went.

Ignoring his father, he reached out to open the door and kicked it with a bang.

Father Gong, who had been rejected by his son at the door...

In the room.

Gong Yi took off his maple-coloured cloak and windbreaker. He threw it on the bed. With one hand on his waist, he paced back and forth in the room.

There was a burning fire in his chest that was about to burn him to ashes.

It was Li Xiyang again, and it was Li Xiyang again. Why was he always haunting him?

She said that she went out on a date with Li Xiyang, but he didn’t believe it at all. Because of that, she lied to him, and that was why he was so angry!

Why did she say that? Why did she lie to him? Could it be that she wanted to use Li Xiyang to push him away?

Recently, she had been avoiding him. What did she mean?

He admitted that he was not skilful or gentle enough that night in the apartment, but... but it was only his third time, and he was drunk the second time. He had no experience.

Chapter 1280: Was There Someone Bullying You

He had a heart that wanted to learn about it. Did she have to avoid him like a Viper?

Gong Yi was furious. In the past two days, he had rushed back without stopping after he had handled things overseas for the past two days. When he saw that she was being deceived in the corridor, his heart ached. He asked her what was wrong., he wished that she could look at him pitifully like a little kitten and rely on him with her whole heart, but she did not.

She was hugged by Li Xiyang's shoulders and did not resist. Li Xiyang put on her a bracelet and she did not reject him. Oh right, a bracelet...

Gong Yi took out the bracelet from his trouser pocket. He felt dizzy. This Li Xiyang always gave the same thing as him, and he was one step ahead of him.

Gong Yi was so angry that he raised his arm, wanting to throw the bracelet away.

But, why should he throw it away?

Even if the bracelet needed to be thrown away, she should throw the one given by Li Xiyang.

Gong Yi was angry but he walked out of the room with his long legs. He wanted to look for Bai Beibei. Why would he look for her? He wanted to take off the bracelet on her wrist that Li Xiyang had given her and throw it away. Then, he would put the bracelet that he had bought on her!

Yes, that was what he was going to do.

.....

"Knock, Knock." Gong Yi knocked on Bai Beibei's door.

However, there was no response.

Gong Yi knocked on the door again and said, "Open the door! It's me!"

It was very quiet inside, as though there was no one there.

However, he knew that she was inside. She just didn't want to open the door for him!

"Bai Beibei, hurry up and open the door for me. If you don't open the door, I'll kick the door. When that happens, I'll wake everyone up to watch. Let's see how you'll end up!"

"I'll give you three seconds. One, two..."

There was still no response from inside.

Gong Yi, ...

"Two-tenths of 0.1, two-tenths of 0.2, two-tenths of 0.3... Bai Beibei!" Gong Yi was so angry that he raised his foot.

At this moment, with a click, the door opened.

Bai Beibei appeared in his field of vision.

Gong Yi looked down at her fiercely. "What are you dawdling in the room for? Why did you take so long to open the door for me?"

Gong Yi felt a little regretful because he was like a child who complained to an adult when he didn't get his favourite toy.

Bai Beibei looked up at him and asked, "Why are you looking for me?"

"Of course I'm looking for you! Where's the bracelet that Li Xiyang gave you?"

Bracelet...

Bai Beibei didn't expect him to come back just for the bracelet that Li Xiyang gave her. She quickly hid her right hand behind her back.

Gong Yi was furious because he interpreted her actions as she was protecting her precious bracelet.

"Show me your hand!"

Bai Beibei saw his angry expression and shook her head timidly. "What do you want?"

"Nothing. I just want to see the bracelet that Li Xiyang gave you. I'll help you determine if it's real or fake and how much it's worth!"

Bai Beibei looked at him in shock. What was he doing? Was this the reason why he came to look for her?

Boring!

"I'm going to sleep..." as she said this, she wanted to close the door.

However, she couldn't close the door. How could Gong Yi let her have her way? Every of her movement was in his eyes, so when she closed the door, he had stretched out his long leg to block the door.

He stretched out his strong arm and forcefully grabbed Bai Beibei's right hand. "Why is it so hard for me to take a look?"

The next second, he was stunned.

Because Bai Beibei no longer had a bracelet on her wrist.

"Where's your bracelet? I saw Li Xiyang put it on you with his own hands," he asked.

Bai Beibei pulled her hand back forcefully, but she didn't answer.

Gong Yi raised his eyebrows, and his handsome features quickly revealed a soft smile. "You gave it back to him!"

It wasn't a question, but a confirmation.

Bai Beibei avoided his burning gaze and lowered her little head.

Gong Yi's heart was filled with delight. Although his little white rabbit would bite him occasionally, she was still very obedient.

“This is for you.”

Bai Beibei raised her long eyelashes. In the man’s open palm, there was a crystal diamond bracelet. It was very beautiful.

She was stunned for a moment. What happened today? Two men gave her a bracelet?

She looked at him in confusion.

Her clear and delicate gaze made Gong Yi’s heart soften. He couldn’t help but say softly, “Don’t you like it? I specially picked it out for you in a jewellery store at the mall. I think you’ll look beautiful wearing this bracelet.”

Jewellery store at the mall...

Was that the time he was with Si Si? Did he pick out a bracelet for her?

Why did he want to buy her something?

Bai Beibei shook her head gently. “I don’t want it.”

Hearing her refuse, Gong Yi frowned. Then, he moved his thin lips. “You don’t want it?”

“Yes, I don’t want it.”

“Alright, you said that.” After saying that, Gong Yi raised his hand and threw the bracelet into the trash can in her room.

Bai Beibei sucked in a breath of cold air and looked at him in horror. “What are you doing?”

“Didn’t you say that you don’t want it anymore?”

“Even if I don’t want it, why are you throwing it into the trash can?”

“That’s right, what you don’t want is trash. Hehe, anyway, this bracelet isn’t expensive. It’s only 500,000 dollars.”

500,000 dollars?

Bai Beibei looked at him as if he was an idiot. Then, she turned around and squatted beside the trash can to look for the bracelet. She was so anxious that she was about to cry. “What a waste of money...”

Looking at her flipping through the bracelet that he had given her as if it was a treasure, Gong Yi’s handsome face was covered with a layer of joy. He opened his long legs and took the opportunity to enter the room. Then, he closed the door.

.....

Gong Yi looked around the room. She did not have many things. It could be said that she only had few things. A pink school bag and a few books. She did not seem to have much of an existence.

Just like her.

Gong Yi curled his lips. Then, he suddenly saw a bucket of instant noodles on the counter.

This hotel was his hotel. He knew at a glance that these instant noodles weren't from the hotel. The hotel wouldn't provide this kind of junk food.

"What did you eat tonight?" His sharp gaze stopped at the girl's slender back.

"AH, I have eaten..." Bai Beibei replied casually, "I found it!"

She cried out in joy, then stood up and handed the bracelet to Gong Yi.

Gong Yi looked at the dimples on her cheeks, faintly discernible and incomparably soft. He suddenly felt pain in his breathing. "Did someone bully you?"

Bai Beibei was startled. "I don't understand what you're saying..."

"You don't understand? Then let me ask you, why did you go out for tonight?"

The man's gaze suddenly became like an eagle's, as if he could see through her lies and pierce straight into her heart. Bai Beibei guiltily averted her gaze, "Didn't I say it before? I went to look for Li Xiyang... I'll return this bracelet to you. I don't want it. I want to sleep. The competition is on tomorrow morning."

She walked over and returned the bracelet to him.

Gong Yi reached out his hand, but it wasn't the bracelet. Instead, he slowly and forcefully grabbed her weak shoulders. "I'll ask you again. What were you doing out at night? Tell me the truth, Huh?"
