Chapter 1266 Don't Block the Way!

Ye Fan's situation was a lot more depressing than Lv Hua's in comparison.

Many of the martial artists ridiculed Ye Fan when they heard how he lusted after Lv Hua's female companion, Lu Yan-Xi.

"The punk has quite the audacity."

"How dare he lust after Mr Lv's woman?"

"Young people these days are increasingly reckless."

"Fortunately, Mr Lv was kind enough. If it were me, I would have slapped the country bumpkin to death for looking at my woman."

"How could I let him do that?"

Many people shook their heads as they spoke in disdain and mocked him.

After all, Ye Fan was too young.

Since he was just a young punk, he suffered disrespect everywhere he went.

Lv Hua was different.

Lv Hua was already 30. Moreover, he had made a name for himself in South America.

Lv Hua was considered the biggest celebrity in the Amazon rainforest now.

Since no one wanted to offend a powerful man with a lot of potential, everyone did their utmost to ridicule Ye Fan in an effort to please Lv Hua.

However, their words left Lu Yan-Xi blushing.

She lowered her head without saying a word as she glanced at Lv Hua angrily in embarrassment.

Lv Hua hurriedly explained, "You're mistaken. Yan-Xi and I are just friends. We aren't dating yet."

"Mr Lv, you are already on a first-name basis, so it's just a matter of time when Miss Lu becomes your woman. Beautiful women are meant to marry heroes. It's the perfect match since Mr Lv is young and capable while Miss Lu is such a beauty. Right, everyone?"

A lot of people cheered with words of

reverence and flattery.

Lv Hua reveled in the attention. It felt as though he was a star with countless fans.

Although Lv Hua was already known in the Jiangbei martial arts circles, it couldn't compare to his reputation out here in South America.

He had suddenly become famous after going abroad.

It felt somewhat surreal to Lv Hua.

"Where is Mr Lv? I heard he's here. Where is he?"

An anxious voice came from nearby just as Lv Hua bathed in everyone's attention.

A bunch of men with a burly man at their lead came walking over.

They looked around as they walked and seemed to be looking for Lv Hua.

These people were dressed in loose robes with a white turban on their heads and clearly looked like South Asian religious

devotees.

They were none other than the Indian martial artists who had a conflict with Kong Ming earlier on at the restaurant in Manaus.

At their helm was Reilo!

“Heavens, is Reilo here too?”

“Didn't he almost get beaten to death by Mr Lv earlier?”

“Don't tell me he is here for revenge?”

Many of them instantly speculated when they spotted Reilo.

“Mr Lv? Where is Mr Lv? I, Reilo, am here to apologize to Mr Lv.”

Reilo's voice reverberated throughout the valley amid everyone's speculation.

Everyone finally realized what he was doing here.

“So he's here to apologize.”

“It seems Reilo has completely submitted to

Mr Lv after witnessing his prowess first hand.”

很多人暗暗感慨着，心中对吕华的尊崇与敬畏，却是再度浓郁了几分。

People sighed in their hearts and couldn't help finding Lv Hua even more admirable.

“Reilo, Mr Lv is over there!”

Someone pointed towards Kong Ming and the others at Reilo.

All the Indian martial artists turn to see the lean silhouette standing in the crowd quietly.

Reilo was delighted. “Mr Lv, I finally found you. You have no idea what a hard time I've had searching for you,” Reilo shouted from a distance.

Lv Hua looked at the burly man and seemed at a loss.

He clearly couldn't recall who Reilo was at all.

“Elder Kong, have we met him before?” asked Lv Hua quizzically.

Kong Ming was caught by surprise. He instantly narrowed his eyes and looked at Reilo. "Reilo is the leader of the Indian martial artists. A few days ago, didn't you defeat them at the restaurant? Have you already forgotten?"

Lv Hua finally realized who they were and nodded to reply, "So it's them. I knocked down a bunch of people with a sweeping kick. How would I know which one of them was Reilo? I can't remember who they were at all."

"No wonder." Kong Ming nodded his head before he continued, "It appears he got scared and came to apologize. Why don't you speak to him? Since Reilo is pretty powerful, you shouldn't go too far," suggested Kong Ming.

Lv Hua nodded. "Uh huh. Since he's learnt how to behave, I don't mind forgiving him this once. I can spare their lives, but they can't go unpunished. These Indian martial artists killed my uncle, so I have to make them suffer a little today."

Lv Hua coldly laughed before he looked at Lu Yan-Xi and said proudly, "Yan-Xi, watch this.

In a moment, I will show you my true prowess!”

Lv Hua walked out towards Reilo and others and went over to them.

“Mr Lv, I had such a hard time looking for you. I thought I, Reilo, would never get to see you again. Thankfully I had the good fortune of encountering you once more. This time, I have specially led the rest of the Indian martial artists to apologize to you,” Reilo sounded reverent, and his face appeared apologetic.

They walked over with their backs bowed in a humble attitude.

Amid Lu Yan-Xi and the others’ stares, Lv Hua walked up to the Indian martial artists.

He stood with his hands behind him and his chin tilting up proudly as he looked at Reilo and the others and ordered insufferably, “Apologize? Now you’re afraid? You shouldn’t have done it...”

PAK!

Lv Hua was interrupted mid-sentence by an

unexpected crisp blow.

Reilo had slapped him.

The blow came down pretty hard.

Lv Hua was standing cockily with his hands behind him but was instantly slapped so hard that he fell to the ground.

His hefty body rolled for a few meters on the ground before finally hitting a tree and halting.

“Damn you! Where did this idiot come from? Don't block the way!” scolded Reilo angrily.

Reilo led all the Indian martial artists and strode up to Ye Fan after he slapped Lv Hua so hard that it had sent him flying.

Amid everyone's shocked stares, Reilo paid obeisance and bowed.

"Mr Lv, I was blind to offend you the other day. Please accept my apologies!"

All the other Indian martial artists took Reilo's lead, stepped forward in unison, and bowed.

"Mr Lv, please forgive us."

"Mr Lv, please forgive us!"

All the Indian martial artists' reverent words of apology echoed throughout the valley.

In an instant, there was a deathly silence.

Everyone was stupefied!

Lu Yan-Xi stared with her eyes wide while Kong Ming's pupils constricted.

Everyone looked like they had seen a ghost when they witnessed the scene.

Lv Hua was stunned.

He lay prone on the ground as he covered his face and witnessed the scene unfold in disbelief.

“Huh? What’s going on? Why is he Mr Lv?”

Everyone found this mindboggling in their hearts.

“Damn! Is Reilo an idiot? I am Lv Hua! How on earth could that Ye Fan be Mr Lv?” Lv Hua barked angrily like a dog.

Even Lu Yan-Xi could not go on watching in silence. She walked over and told Reilo, “Reilo, you are mistaken. He isn’t Lv Hua. Lv Hua is over there. This man is just a lowly country bumpkin. How could an ordinary man like him deserve your apology? The real person you need to apologize to is Hua.”

“Shut up! Where did this stupid bitch come from? How dare she insult Mr Lv? Does she have a death wish?”

Reilo went into a fit and slapped her right away.

Lu Yan-Xi was sent flying with a thud as well.

A bright red palm print instantly appeared on her lovely face!

“Bros, maim this idiotic bitch now. How could a lowly woman like her offend Mr Lv? By the rules of the Indian martial arts circles, you are to cut off both her legs!”

Reilo’s face turned cold as he instantly ordered his men to maim Lu Yan-Xi.

In India, women had lowly status and were no better than animals.

To a powerful martial artist like Reilo, women were like dogs and pigs to him.

Hence, Reilo had tortured countless of women to death all these years.

Perhaps he was used to this back home, so when Lu Yan-Xi spoke rudely of Ye Fan, Reilo instantly blew up and ordered for her legs to be cut off.

“Hua, save me!” Lu Yan-Xi was instantly petrified. She couldn’t help crying as she implored Lv Hua to save her.

Lv Hua instantly darted over without hesitation and stood in front of Lu Yan-Xi. “I have already defeated you. How dare you disrespect us? I don’t think you have learned your lesson yet. In that case, don’t blame me for being cruel.”

Lv Hua was outraged.

Earlier on, he talked big in the hope of showing off in front of Lu Yan-Xi. However, Reilo unexpectedly slapped him and even humiliated his woman.

They had undoubtedly embarrassed Lv Hua publicly.

Lv Hua could no longer bear his shame.

Amid his fury, internal energy surged from his body.

His energy surged wildly through his veins as it gathered at his core.

Lv Hua leaped and shot into the air like a swift arrow as his cries reverberated through the air.

“Lv Leg Technique, Whirlwind Shadowless

Kick!”

HUUU!

Lv Hua resembled an eagle spreading its wings in mid-air as he roared and attacked.

Wind swept as his legs spun in the air leaving behind an immense amount of internal energy in its wake!

“Oh my!”

“Just look at Mr Lv go!”

“Just his kick alone is incredible!”

Many people felt impressed by Lv Hua’s prowess and almost cheered out loud.

“This is nothing. How dare you embarrass yourself by using it?” Reilo instantly shook his head and laughed.

Amid everyone’s shocked stares, Reilo suddenly attacked.

The huge momentum made Reilo propel into the sky.

He didn't even need to spin.

All Reilo did was execute a flawless flying kick.

His blow came swiftly and went right for Lv Hua's most vulnerable spot!

Reilo's flying kick happened to land squarely on Lv Hua's crotch!

"AHHH!"

In an instant, an excruciating howl soared to the heavens.

Amid everyone's shocked stares, Lv Hua fell from the sky like a dead dog with his hands covering his crotch as he wailed in pain and landed on the ground with a loud crash.

"AHHH! My...my balls... Asshole! H-how could you do that?"

Lv Hua clutched his crotch as he kept rolling on the ground while he howled in agony.

His pain felt excruciating.

It was so agonizing that Lv Hua bit his lip

until it bled.

“D-did he lose just like that?”

However, the people who were the most shocked at this outcome were the audience.

“Heavens!”

“What on earth was that?”

“Isn’t Lv Hua supposedly as good as a grandmaster?”

“Didn’t he singlehandedly fell the Indian martial artists?”

“How could he be defeated so easily?”

“He got maimed by Reilo with a single kick.”

“What kind of useless bugger is he?”

Everyone shook their heads angrily as they spoke.

They had lost all their previous respect and admiration for Lv Hua.

Even Lu Yan-Xi was stunned.

She didn't expect her idol, Lv Hua, to get defeated so quickly.

Did he just get maimed by a single kick?

Lu Yan-Xi couldn't help wondering if Lv Hua was as good as others had claimed.

Even Kong Ming's face trembled.

This was not the outcome he had imagined.

Over the past number of days, everyone kept talking about how powerful Lv Hua was and vied to ingratiate themselves upon him, so much so that even Kong Ming believed it to be true.

Kong Ming assumed Lv Hua must be a great talent.

Hence, Kong Ming did nothing when Reilo and the others made trouble for them.

After all, he felt Lv Hua was enough to handle minor troubles like them.

Lv Hua was apparently so strong that all the other martial artists wanted to get acquainted with him.

But Lv Hua unexpectedly ended up being such a trifle.

After Reilo sent Lv Hua flying, he landed back on the floor.

He sneered, “How dare a useless man like you pretend to be Mr Lv? You really don’t know better. Bros, grab them and throw them in front of Mr Lv.”

“Yes, Bro!”

The Indian martial artists quickly threw Lv Hua and Lu Yan-Xi in front of Ye Fan at Reilo’s order.

“Mr Lv, I have already apprehended these two for being rude to you. You can do anything you want to them!”
