## Chapter 1270 Harassment

Lv Hua keenly remembered that he was the one who defeated those Indian martial artists at the restaurant.

In theory, they shouldn't forget who he was since they had seen each other.

“Enough, Hua. Stop brooding about this. Ye Fan merely got to enjoy some attention from their public apology. Moreover, it would be better if Reilo and the others mistook him for you. Otherwise, you would end up attracting too much unwanted attention. If you are too famous, everyone will make a group effort to attack you. Trust me. The one who stands out ends up being in greater danger. Now Ye Fan can help you avoid troubles by being everyone’s target. Don’t you think it’s great?” analyzed Kong Ming.

Lv Hua was instantly enlightened.

“Elder Kong knows best! If you didn’t tell me, such a perspective wouldn’t have dawned on me.” Lv Hua chuckled as he looked at Ye Fan from behind in the distance and smiled smugly.

“Ye Fan, oh Ye Fan. I will let you enjoy life briefly. I will be sure to make you cry in the

end. Do you really think it's that easy to steal my name? Heavy is the head who wears the crown! I would like to see what you end up using as a crown!" Lv Hua's eyes turned cold as he spoke in overwhelming fury at Ye Fan.

Lu Yan-Xi was searching for the spirit energy fruit tree nearby.

The earlier incident made Lu Yan-Xi realize how small one weak she was.

If she were a grandmaster, no one could humiliate her.

Even the lowly Ye Fan had a hold over her life.

"I have to find the spirit energy fruit and focus on cultivating martial arts. In ten years, I, Lu Yan-Xi, must become a grandmaster! When the time comes, everyone who ever bullied me will have to pay the price!"

Lu Yan-Xi clenched her fists so tightly that her nails sank into her palms.

Lu Yan-Xi was certainly determined to achieve her target.

However, a crisp snap was suddenly audible just as Lu Yan-Xi worked hard searching for the spirit energy fruit tree.

The crisp sound echoed throughout the air.

In that instant, Lu Yan-Xi suddenly jumped up as if she had been electrocuted.

She blushed as she scolded angrily, "Who is it? Who has the cheek to harass me?"

Lu Yan-Xi scolded furiously and turned to see a young man staring at her chest lewdly.

"You have quite the figure, and your breasts are big and bouncy. Won't you consider spending the night with me? I guarantee you that you won't be able to stop screwing me." The young man calmly smiled as he blatantly expressed his lust for Lu Yan-Xi.

"Get lost!" Lu Yan-Xi was furious and ignored him.

"Is that a no? Stop pretending, you little slut. Aren't you trying to seduce men by dressing so scantily in the wilderness? Since you want a man, it might as well be me. Moreover, I will treat you well."

## Chapter 1270 Harassment

The young man raised his hand and touched Lu Yan-Xi's butt.

"I told you to leave!"

Lu Yan-Xi finally lost all patience and slapped the boy angrily.

PAK!

The slap was particularly resounding. The young man staggered and almost lost balance as a red palm print emerged on his face.

"H-how dare you hit me? Bitch! How could you slap me? You are a dead duck! Just you wait!"

The young man went into a fit. He had never gotten beaten by a woman in his life.

But this bitch had the guts to slap him today.

He was furious and cursed her as he left. He seemed to have gone to gather more men.

Lu Yan-Xi was still angry. She was still seething in fury over Reilo's insult, so when the boy harassed her, she couldn't restrain

herself and slapped him right away.

But Lu Yan-Xi was worried that he might gather more men after she slapped him, so she left quickly and went to find Kong Ming and Lv Hua.

“Yan-Xi, what happened? Are you angry with Ye Fan?” asked Lv Hua with concern when Lu Yan-Xi came back.

Since a few hours had passed, Lv Hua’s crotch was feeling a lot better, and he was capable of smiling once more.

“Hua, I think I am in trouble.”

“Tell me what happened,” asked Lv Hua.

Lu Yan-Xi told him all about the incident.

Lv Hua and Kong Ming both smiled.

“Yan-Xi, how could you get teased by a kid? But it’s a good thing since it means you are gorgeous.” Lv Hua laughed.

“How can you laugh? It’s all your fault,” griped Lu Yan-Xi.

Before this, Lu Yan-Xi had originally dressed in long-sleeved robes and long pants.

Lv Hua insisted that since Lu Yan-Xi was the only girl in the team, she had to dress up to help lift their moods.

Lu Yan-Xi turned him down initially, but perhaps she wanted to attract Lv Hua's attention or cater to his preferences, so she turned up the next day in a mini skirt, knee-high boots, and midriff top.

She looked like she was straight out of the Sailor Moon comic series and gave off a wild sexy vibe.

Hence, Lu Yan-Xi attracted a lot of unwanted attention.

"Ok ok ok. It was all my fault. I apologize to the beautiful Lu Yan-Xi," said Lv Hua as he laughed.

"Hua, stop making fun of me. Seriously. I think the young man must have told the others about it," said Lu Yan-Xi worriedly.

Lv Hua waved his hand. "It's fine. Since it was just a kid, there's nothing to fear. Even if

his mother or father turns up, what could they possibly do? No one can touch you with Elder Kong and me around. There are barely any other people who dare to challenge the Chinese team, so stop thinking about it.”

Lu Yan-Xi nodded and stopped thinking about it after Lv Hua comforted her.

Before long, a bunch of people unexpectedly came charging over aggressively from the depths of the rainforest.

One of them was none other than the man who teased Lu Yan-Xi.

The young man looked around and quickly spotted the sexily clad Lu Yan-Xi.

“Bro, that’s her. She was the bitch who hit me!”

There was a red palm print on the young man's face as he pointed at Lu Yan-Xi and cursed her viciously.

A man who was roughly Lv Hua's age stood beside the kid.

Judging from his suit and meticulous hairdo, he must have an extraordinary background. Hence, he must have either hailed from either a rich or a powerful family.

An innate dignified aura also radiated from his core.

The man turned to look at Lu Yan-Xi indifferently after he heard what his cousin said.

"Were you the woman who slapped my cousin?"

His cold voice sounded oddly intimidating and contemptuous.

It felt as though he were the king.

His towering aura made Lu Yan-Xi's face turn slightly pale.

“Yes, it was me. But he was the one who harassed me first,” explained Lu Yan-Xi as she put on a bold front.

“Bullshit! I was giving you business. How can that be considered harassment?” retorted the young man.

“You...” Lu Yan-Xi almost exploded.

She didn’t expect that the daughter of a mighty general would end up getting mistaken for a hooker.

“Moreover, it’s your honor that I fancy a slut like you. Instead of showing gratitude, you end up slapping me?! You deserve a thousand deaths! Bro, you can’t let her off!” said the boy viciously to the man next to him.

The man said nothing but looked at Lu Yan-Xi even more coldly.

“W-what are you trying to do? I’m warning you. I am with War God Castle, so if you dare harass me, War God Castle won’t let you off!”

The young man’s stares made Lu Yan-Xi

uneasy, so she blurted out her relationship with War God Castle.

The man in a suit instantly laughed.

His laughter was filled with ridicule and contempt.

“War God Castle? That’s quite the background you have. But do you know who is standing before you now?”

His calm laughter echoed through the air.

His voice was filled with immense confidence and arrogance.

Their commotion was starting to garner attention.

Many martial artists had gathered at this tiny valley in search of the spirit energy fruit tree.

Hence, nothing could go undetected.

Just like Lu Yan-Xi’s argument with these men.

“Fan, I think your friend’s daughter is in

trouble.” Angie looked into the distance. The young woman was instantly delighted that Lu Yan-Xi met with trouble and spoke gloatingly.

Since Lu Yan-Xi kept offending Ye Fan repeatedly, Angie didn’t like her.

Of course, Angie was delighted that Lu Yan-Xi was in trouble.

However, Angie only managed to gloat briefly.

In an instant, her expression froze when she spotted those men.

She quickly lowered her head and quietly hid behind Ye Fan as though she was worried someone would find her.

“What’s wrong, Angie?” asked Ye Fan quizzically when he detected something amiss with Angie.

“N-nothing. Hee hee.” Angie laughed and acted as though everything was normal.

Ye Fan shook his head and laughed. “You are such a strange girl.”

However, a shout suddenly came from the crowd.

“Look at that! Look at the imprint on his wrist?”

SWISH SWISH!

After this person exclaimed, all the people in the valley turned to look at the young man dressed in a suit in unison.

An unusual pattern could be seen on his wrist under his suit cuff.

The lines intertwined to form two patterns.

One of them was the shape of a cloud, while the other was a sun hanging over it.

“Clouds and a sun? Hmm...Sun with clouds! Heavens! It’s the blazing sun with clouds pattern!”

Someone in the crowd finally recognized the mark.

His shout landed like a rock in the ocean, leaving a tsunami in its wake.

In an instant, everyone's expression altered.

All the martial artists looked in shock!

Even the powerful Reilo trembled and his pupils constricted.

W-what?

"The blazing sun with clouds pattern?"

"Don't tell me they are from Chu Sect?"

In an instant, everyone was stunned.

Many of them even forgot to breathe.

After all, Chu Sect was like a taboo in the martial arts circle.

They were powerful but even more well known for being merciless.

They had controlled the global martial arts world for far too long.

All martial artists knew about how powerful they were.

They were the only sect that could

singlehandedly pit itself against all the sects in their world!

During the battle of Chu Sect back then, war raged over all six continents and swept through hundreds of nations.

Countless martial artists fell from their attacks!

Chu Sect held dominion over martial artists globally.

Chu Sect had nearly united the world's martial artists and managed to establish branches in each nation.

However, they suddenly pulled back their troops for some unknown reason.

Despite this, fear continued to linger in all the martial artists after all these years.

This went to show how terrifying Chu Sect was.

Hence, now that someone with the blazing sun with clouds tattoo turned up, everyone was naturally shocked.

Despite their large numbers, very few people in the Chu Sect possessed the tattoo. Word had it that there were no more than 50 members who had it.

All the members with the tattoo were Chu Sect's core members.

Hence, everyone was even more shocked by the young man dressed in the suit.

Even Ye Fan couldn't help looking slightly uneasy.

Ever since he left the Chu family, this was the third time he had encountered someone with the blazing sun with clouds tattoo.

The first two were his father and uncle.

The third one was this young man.

"Who can this be? Is he from the Chu family?"

Despite having no expression on his face, Ye Fan's deep eyes were absolutely cold.

But Ye Fan wasn't so sure which line this young man was from.
