Chapter 1280 He Is a Grandmaster

Ye Fan had learned martial arts so that he could live without restraint.

There was no way he was going to let himself suffer in silence under Chu Sect's dominance.

Also, there was an insurmountable conflict between Ye Fan and the Chu family.

If he didn't crush some enemies now, they would still cross paths in the future.

Killing a few enemies now made things easier for Ye Fan when he was ready to fight the Chu family.

Ye Fan's body emanated a terrible iciness as he came closer to the enemy.

Ye Fan curled his fingers as energy gathered wildly in his hand before hurling a punch at Elder Qi.

BAM!

The impact of his blow swept in all directions with a thunderous boom.

Ye Fan's fist and its towering energy flew

towards Elder Qi while Elder Qi gasped for breath.

“No! You can’t kill me! Don’t kill me!” Elder Qi yelled desperately at the last moment.

His tragic cries echoed throughout the atmosphere.

The old man was filled with regret.

He should never have provoked Ye Fan and picked a fight.

A vast sense of loathing instantly rose in Elder Qi’s heart.

“Mike Jones! Damn you! It was all your fault! You’ve caused my downfall! You’re the cause of my hurt!” Elder Qi shouted angrily with tears flowing down his eyes.

Elder Qi couldn’t wait to cut Mike Jones up into tiny pieces.

After all, Elder Qi had already sensed something amiss with Ye Fan and wanted to back out.

But Mike Jones had forced him to fight.

If it weren't for him, he wouldn't be on his way to death right now.

He wouldn't die in this isolated forest in a foreign country.

The more Elder Qi thought about it, the more he hated Mike Jones.

Elder Qi's eyes turned bloodshot, and his face looked ferocious as his hatred swelled.

In the last moments of his life, he inexplicably found the energy to stand on one leg and charge towards Mike Jones madly.

"Mike Jones, you bastard! It's all your fault! Even if I die, I am taking you with me." Elder Qi roared deeply.

He was like a wolf on the brink of death or a rabid dog as he waved his claws and scratched at Mike Jones' throat.

From the looks of it, he genuinely wanted to kill Mike Jones before he died.

"Help me! Hurry up and help me! Men, get over here!" Mike Jones yelled in horror as he

watched Elder Qi come after him like a demon. Mike Jones almost pissed in his pants. He even slumped onto the ground entirely and retreated as he shouted for someone to save him.

“You’re the one who got me killed! Die! Go to hell!”

Since the man was on the brink of death, he had gone insane.

Elder Qi lost all his usual charm and disregarded his status and image as a senior.

He used the remnants of his strength to seek revenge on Mike Jones like a lunatic with his body covered in blood and his hair disheveled.

Before long, Elder Qi came flying towards Mike Jones and grabbed him by the throat.

“H-h-help me...” Mike Jones struggled with all his might.

Elder Qi’s face was red from the excruciating pain. His veins bulged on his forehead as though he was a drowning man paddling for

dear life.

Just as Mike Jones was about to get strangled to death by Elder Qi, his subordinates finally realized what was going on. They moved in on Elder Qi in unison and hit him until Mike Jones was saved from Elder Qi's clutches.

Almost instantly, Ye Fan's attack landed on Elder Qi as well.

BAM!

With a loud rumble, Elder Qi's grievously injured body was struck by Ye Fan's blow so viciously that he became embedded in the ground.

Before he died, Elder Qi ferociously shouted as he gnashed his teeth, "Mike Jones, you're the one who drove me to an early grave! Even in my death, my spirit will come for you! I'm going to make sure you die!"

BOOM...

The earth trembled as rocks split open.

The impact of Ye Fan's punch split the

ground beneath them.

Broken stones and blood sprayed into the air.

Elder Qi's cursing stopped abruptly.

When everyone turned to look again, a gigantic gully had split open on the ground.

Ye Fan's attack was so strong that it smashed Elder Qi right into the ground.

Even his corpse couldn't be recovered.

"This time, he ought to be dead."

Ye Fan clapped as he gently laughed when everything was over.

He looked so composed that it seemed as though he had just picked up his kids from school.

If people had not witnessed this firsthand, no one would have guessed that Ye Fan had just executed a grandmaster.

Ye Fan stood with his hands behind him as he smiled proudly.

The heavens hung overhead while he stood next to the gully!

No one made a peep as they looked at Ye Fan.

All the martial artists were dumbstruck, and no one said a word for a long time.

All that remained in their hearts was boundless fear and shock.

He was simply too powerful!

The young man before them way surpassed their expectation.

A few minutes ago, no one even guessed that Ye Fan might survive the battle.

However, the outcome of the fight was a slap in their faces.

The man who had the last laugh was this young man, and not Chu Sect's elder.

He had killed a grandmaster with two blows.

Everyone was awestruck by how powerful he was.

All their contempt dissipated.

Instead, everyone looked at Ye Fan in fear and shock.

“How could this happen?” Lv Hua was stunned, and his mind went blank.

He found it unbelievable that he slaughtered a grandmaster.

Didn't that mean Ye Fan was as powerful as a grandmaster?

“Grandmaster! He is a grandmaster! Heavens! He is only 20 years old but already a grandmaster. He must be crazy talented!” After remaining in shock for a long time, Kong Ming finally shouted out loud.

His eyes were filled with surprise as he repeatedly shouted with shock, joy, and immense regret.

“No wonder War God Castle would send him to obtain the spirit energy fruit. No wonder he had so much disdain for me, for the Lv

family and everyone else...He...He turns out to be a grandmaster!” Kong Ming cried and laughed as a wave of emotions swept through his heart.

Kong Ming finally learned the true prowess of the young man he gave a cold shoulder to during their spirit energy fruit search.

Only now did they realize what kind of young man they had provoked previously.

Kong Ming, Lv Hua and Lu Yan-Xi all felt the same way.

Lu Yan-Xi had been standing closest to the fight, so she keenly sensed this young man's power.

All this time, she idolized grandmasters.

Her biggest dream was to see a grandmaster in the flesh one day.

She was obsessed with grandmasters, so she took a liking to Lv Hua.

It was simply because Lv Hua's grandfather was a grandmaster.

If Lu Yan-Xi could become Lv Hua's woman, she would be related to a grandmaster.

However, fate had a strange way of toying with people.

Ye Fan, whom she despised, ended up being the grandmaster.

The sort of person whom she had idolized and longed to be close to had been right beside her all along.

Also, Lu Yan-Xi found it even more regretful that she had rejected his love and ended up missing out on the chance to be a grandmaster's wife.

Lu Yan-Xi couldn't help feeling a stinging pain in her heart when she thought about this.

She hated herself for being blind and materialistic and losing the opportunity to get acquainted with Ye Fan.

Ye Fan stood with his hands behind him as he smiled coldly.

His icy gaze scoured the place before landing on the disheveled Mike Jones.

Despite being a young and important member of Chu Sect, he had lost all any charm and dignity he had before.

His handsome face was now filled with terror.

Mike Jones couldn't help shivering when he sensed Ye Fan looking at him.

He had lost all his previous arrogance, and his face was ghastly pale as he said, "You can take the woman. I won't hold you accountable for slapping my cousin or insulting Chu Sect."

Mike Jones did his utmost to compose himself. However, his voice couldn't help trembling when he saw the blood on the ground and the gory gully.

Ye Fan found him hilarious.

"Hold me accountable? Young Master Jones, do you think you have the right to do that now?"

"I...I...I" Mike Jones was struck speechless after hearing Ye Fan. After stammering all day, he failed to finish his sentence.

Despite Ye Fan's harsh words, he was right.

Elder Qi had already died at the hands of Ye Fan.

Even though Mike Jones had other men,

they were incapable of withstanding a single blow from Ye Fan since they weren't even grandmasters.

“Then what do you want? Are you going to kill me?” asked Mike Jones in horror.

“I suggest you think through this wisely. I am the future head of the Jones family and a core member of Chu Sect. Have you considered the consequences of killing me? Also, you and I barely know each other, just like you said. So why don't we both give in? I will let you leave with that girl unscathed. Why don't you take the deal?” Mike Jones warmly smiled as he spoke to Ye Fan courteously. After the initial panic, he had composed himself and managed to speak normally again.

But Ye Fan shook his head and sneered.

“I suggested to stop the fight earlier, but you refused to. Only now do you realize what a smart choice it would have been, right? Why didn't you choose this path just now?” Ye Fan's sinister words came out harsh. He didn't care about how Mike Jones felt.

yelled so harshly, and his hands started to tremble again. “How dare you scold me? I am from Chu Sect...”

“Stop bringing up Chu Sect! If I felt intimidated by that, the old man wouldn't have died. I had the guts to kill your elder. Do you think I would have a problem killing a few more of you?” Ye Fan laughed coldly as his resounding words reverberated in the atmosphere.

With each word Ye Fan uttered, his murderous intent rose.

Mike Jones retreated swiftly from this cold aura until he sat squarely on the ground with a thud and a hopeless look in his eyes.

Just as Mike Jones thought he was done for, a calm voice quietly rose in the crowd.

“Ye Fan, right? He's my brother, so do you mind doing me a favor and letting him off?”

The calm voice sounded young as it reverberated through the valley.

The atmosphere became completely silent.

Everyone was stunned.

Did Mike Jones have more trump cards?

Was there going to be yet another twist in their conflict?

This was exactly how Ye Fan had appeared earlier.

Was the same thing going to happen again?

Was some mysterious powerful fighter about to show up?

The sudden appearance of this voice got everyone's attention.

In an instant, all eyes turned in unison towards the source of the voice.

Just as everyone started to wonder what this mysterious martial artist looked like, they were promptly shocked!

They discovered that their voice surprisingly belonged to a pretty and adorable young woman.

“What's going on?”

“First, a young man turned up, but now it's a young girl.”

“Does this mean there are countless young talent running around these days?”

Many people felt uneasy.

Even Ye Fan's eyes couldn't help twitching when he saw her. He remained silent for a long time.

“Why did you go quiet? Don't you want to know who I am?”

The young girl stood with her hands behind her as she smiled and looked down at Ye Fan.

She appeared and sounded just as cocky as Ye Fan.

“Fine. So, who are you?” Ye Fan rolled his eyes. However, he cooperated and asked who she was.

“Who am I?” The girl contemptuously laughed before she continued, “I am someone you can't afford to offend!”

What?

“Angie, are you nuts? What are you doing here? What is this nonsense? Leave this instant! Do you think this is your home where you can do as you please? Leave now!” Mike Jones anxiously shouted in an angry tone as he reprimanded Angie and told her to leave.

Mike Jones felt petrified when he heard what the young lady just said and was terrified that this killer would implicate his little sister in a fit of anger.
