

The One and The Only Chapter 131 - 140

Qiu Jiahui and Dianchu looked at each other, fighting like thunder and fire, Qiu Jiahui's heart shook wildly, and his whole body trembled like an electric shock. He quickly turned his eyes away, and didn't dare to look at Dian Chu again.

At a glance, the school officer knew that he had walked out of the sea of blood on the

mountain, and his body exuded a breath of death.

Even Qiu Jiahui, who has been a mercenary in a foreign country for a few years, feels fear

from his bones, just like the little hyena sees the lion king.

The blood is suppressed, I can't afford it!

Qiu Jiahui came out of the airport with hundreds of his men, and then made a phone call.

I learned that Yash Nics and Dong Tianbao had gone to Qingxiu Village in the outskirts, and

now a family named Lin Shuizhu is a guest.

Qiu Jiahui grinned and said: "Qingxiu Village, outskirts. Haha, tonight is the Ghost Festival of

July 15th, which happens to turn Yash Nics and Dong Tianbao into wandering ghosts."

Qiu Jiahui led his men. First, I went to see the Zhu's master to wish bitter meditation, and at

the same time arranged for all his men to go to Qingxiu Village to kill Yash Nics tonight.

And Dian Chu also led the two thousand soldiers of the Raptors Special Forces regiment,

first went to the military reception to eat, and then went to Qingxiu Village to meet with Yash

Nics.

At night, the moon is black and the wind is high, and the riverside is beautiful.

The black clouds in the sky rolled, there was no moon, no stars, and occasionally thunder

and lightning flashed in the rolling black clouds. It was obvious that there was a heavy rain

coming tonight.

Yash Nics, Dianchu, Dong Tianbao, and Bahuwei were standing by the river at the moment, behind them there were two thousand fully armed Raptors Special Forces soldiers.

On the ground by the river, there are many incense candles and tribute wines.

Yash Nics is talking to Dianchu and the others, burning paper to pay homage to the dead brothers in accordance with local customs.

Yash Nics thought of those brothers who died in battle, his eyes could not help but be clouded.

Dong Tianbao next to him was squatting and throwing paper money into the brazier for burning.

Dianchu and Bahuwei stood lined up behind him, and in the darkness behind, two thousand soldiers stood neatly.

Dian Chu, the iron tower man who usually sheds blood and does not shed tears, also had tears in his eyes at this time.

With a choked voice, he faced the Yoyo River, and suddenly shouted:

“Lin Feng, the young marshal brought the brothers to see you, come and drink!”

Dian Chu bent over and held a glass of white wine, and drank it with his head up.

He then roared again: “Zhang Ziqiang, brothers are coming to see you, come and drink!”

After speaking, he drank another glass of white wine.

”

Li Weiming, brothers come to see you , come for a drink!” “Zhong Zhenfei, brothers come to see you, come for a drink!”

“Liu Laoqi, brothers, come to see you, come and drink!”

...

every time Dian Chu shouted One sentence, just drink a glass of wine.

Before he knew it, he didn't know how much he had drunk, and his drunken eyes became dim.

It seems that in the darkness, there are countless old brothers who have come to reunite with them.

Dong Tianbao bit his lip, tears in his eyes, and kept burning paper. Yash Nics, Bahuwei, and the two thousand Raptors standing in the dark behind them all closed their eyes.

Every time Dian Chu uttered a name, a familiar face appeared in their minds, and they were all brothers who were sacrificed back then!

The moon is black and the wind is high, and the murder night.

In the dark, in the distance, a team of hundreds of people has been coming quietly.

This group of people is planning to kill Yash Nics's Qiu Jiahui and others tonight!

Just now, Qiu Jiahui took three hundred of his subordinates and rushed out of Lin Shuizhu's house.

However, he pretended to be Yash Nics's friend, and learned from Lin Shuizhu and his wife that Yash Nics and others burned paper to worship dead souls by the Qingxiu River.

Therefore, Qiu Jiahui immediately took his three hundred men, abandoned the car and came in the dark.

"Look, Brother Qiu, there really is someone burning paper on the river in the distance."

Qiu Jiahui saw that the river was dark and only candles and the paper brazier were burning.

You can also see Yash Nics and some people standing near the brazier, but the candles are not far from the brazier, so Qiu Jiahui and others can't see exactly how many people there are on the river.

Qiu Jiahui pulled out a sharp Gurkha saber and said cruelly: "Knife in hand, follow me, don't keep one, kill!"

The One and The Only Chapter 132

Qiu Jiahui's men all pulled out sharp Gurkha knives.

They only like two weapons on weekdays.

Use a swing stick to fight, and a Gurkha knife to kill.

Yash Nics, Dianchu, Dong Tianbao and others are immersed in the memory of their former brothers.

Suddenly hearing a strange noise coming from a distance, Yash Nics opened his eyes and looked into the distance.

It was dark and indistinguishable, but the shadows of people could be vaguely seen, and it seemed that many people rushed towards this side.

Yash Nics's face sank, and he said coldly: "Something that doesn't open your eyes!"

Dong Tianbao, who burned the paper, stood up slowly, and looked at the figure coming from afar with cold eyes.

Dian Chu held the wine glass and squinted. There was no drunkenness in his eyes, only killing intent.

Behind Yash Nics, the Eight Tigers and two thousand Raptors special soldiers stood upright like a javelin, clenching their guns expressionlessly.

Qiu Jiahui brought three hundred of his subordinates and came over with murderous aura.

Before people approached, a vicious voice came first: "Be careful not to let Yash Nics and

Dong Tianbao run away. You must see people when you die, and you must see the corpse and kill when you die!"

"Kill—"

his three hundred men, Holding the Gurkha knife, like a pack of wolves, rushed aggressively.

However, their charge came to a halt soon.

Because they rushed closer, they suddenly discovered that Yash Nics was densely packed

with many people, and it seemed that there were as many as one or two thousand people!

Qiu Jiahui and his men are dumbfounded, what's the situation?

Pop, pop, pop...

Suddenly, the lights came on, illuminating the scene as bright as day.

Qiu Jiahui and the others discovered that there were a lot of armed off-road vehicles and

other military vehicles parked around.

The lights that light up are all car lights and roof lights.

What made them even more distracted was that besides Dong Tianbao, Yash Nics was also

standing with Dian Chu and more than two thousand soldiers.

These soldiers are the same batch of soldiers from the Raptors Special Forces regiment

they encountered at the airport today!

Yash Nics looked at the frightened group of Qiu Jiahui, and said

indifferently: "You are going to kill me? Come!"

Qiu Jiahui and his three hundred men changed their expressions when they heard Yash

Nics's words.

Come to kill, how to kill?

What an international joke!

Dian Chu shouted

in a deep voice : "All soldiers, immediately enter the state of preparation!" The two thousand

fully armed special fighters behind Yash Nics, with a bang, quickly switched from the square

formation to the combat formation.

There was another neat clicking sound tightly, and all the soldiers' bullets had been loaded.

"Report to the chief, all soldiers of the Raptors Special Forces regiment, the ammunition is

in the chamber, please give instructions."

Yash Nics stood with his hand indifferent and said indifferently: "In the state of combat,

anyone who resists or escapes will be killed.”

Wow!

With the guns of the soldiers, they all aimed at the enemy group.

Dangdangdangdangdangdang

...

Qiu Jiahui and the others were all in horror, the Gurkha knives in their hands fell to the

ground one after another, and bloodlessly raised their hands and surrendered.

Nonsense, no one can tell now that Yash Nics is not joking.

If anyone dared to make a slight change, he would definitely be shot dead on the spot.

Qiu Jiahui grew up in Zhu’s family, and he has been a mercenary abroad for several years.

He has seen the storm, and he is scared enough at this moment.

He looked at Yash Nics in horror, his mouth was unusually bitter, and he regretted suicide.

At the same time, I was puzzled. Didn’t the Zhu family’s information say that Yash Nics was

an ordinary retired soldier?

What he didn’t know was that Yash Nics’s files were top-secret files, which belonged to the

highest level of the five S secrets, and few people in China had the right to view them.

Even Dong Tianbao, who used to be Yash Nics’s guard, the real file is not accessible to

ordinary people.

The Zhu family’s investigation found that the identity information of Yash Nics and Dong

Tianbao were all modified to cover up fake files.

Yash Nics looked at Qiu Jiahui coldly: “You just said you want to kill me?”

The One and The Only Chapter 133

Qiu Jiahui said in a trembling voice: “I...”

He wanted to deny it, but he didn’t dare to quibble.

Because when he led a group of his men to kill him aggressively, he yelled to kill Yash Nics

and Dong Tianbao. Everyone could hear them clearly.

Snapped!

Yash Nics raised his hand and slapped the opponent loudly!
With this slap, half of Qiu Jiahui's cheek was swollen and his mouth was full of blood.

Yash Nics said coldly: "Answer me!"

Qiu Jiahui answered a little bit slowly, and immediately slapped again, and several teeth were broken.

He was completely scared, and his mouth full of blood and vagueness quickly said: "Mr.

Yash, I was wrong, I don't know Taishan, please forgive me, I won't dare anymore..."

Yash Nics Looking at Qiu Jiahui indifferently: "Last night at Rujia Restaurant in Mannity City,

I saw that for my mother-in-law's birthday, I had spared you once. I gave you a chance, but unfortunately you didn't use it."

Qiu Jiahuiwen Yan realized something, his face was bloodless, and he just opened his mouth to cry and beg for mercy.

But Yash Nics had calmly instructed Dianchu: "Send him on the road." As soon as Yash Nics's voice fell, Dianchu had already made a move, slashing a knife on Qiu Jiahui's neck with one hand.

Click!

There was a sound of broken bones that made the scalp numb.

Qiu Jiahui was like a rooster whose neck had been broken off, and fell straight down and lost his breath.

Chou Jiahui, die!

Each of Qiu Jiahui's three hundred subordinates was horrified, and the smell of urine filled

the air invisibly, and many of them had been scared to pee.

Yash Nics looked at the rest of the followers and said coldly: "All these people were arrested

and exiled secretly to mines in the northern territory for the crime of violating military

secrets. Mining for ten years will contribute to the country."

Yash Nics knew. The so-called security company of Qiu Jiahui is actually a mercenary

company in disguise.

Qiu Jiahui's company is not limited to providing security services to rich celebrities, but also

secretly providing services such as fighting, killing, and revenge.

Therefore, Yash Nics was not at all merciless to the guys at the scene, and threw them

directly into the mines of the North Territory for labor reform.

Soon, all of Qiu Jiahui's men were escorted into the vehicle by the soldiers of the Raptors

Special Forces Regiment.

The soldiers were orderly arresting hundreds of Qiu Jiahui's men.

Suddenly, the front lights

shook and several vans galloped over.

The people in the vans were all local punks, and the leader was called Da Fei.

Sitting next to Da Fei turned out to be Lin Qiang who was taught by Yash Nics today.

It turned out that Lin Qiang owed Dafei hundreds of thousands of gambling debts.

Today, he approached Lin Shuizhu and his wife and asked them to sell their ancestral house

to pay him back the debt. They were severely rejected by Lin Shuizhu and his wife, and Yash

Nics was beaten.

He had resentment in his heart, so he ran to find Da Fei and asked Da Fei to avenge him and

teach Yash Nics.

At the same time, he promised Da Fei, as the stepsons of Lin Shuizhu and his wife, to pay

off the debt of the ancestral house of Lin Shuizhu and his wife at a low price.

Dafei knows that these lands in Qinghe Village will soon be demolished.

When the time comes for the demolition, the land here is worth a lot of money, and Dafei

agreed without hesitation.

So, there is the present scene.

Da Fei brought more than 20 gangsters, led by Lin Qiang, to clean up Yash Nics.

Knowing that Yash Nics was burning paper by the river to worship dead souls, they drove over immediately.

But when they were only 30 meters away from Yash Nics and the others, the driver realized something was wrong and stopped quickly.

Da Fei, who was sitting in the back seat of the car, didn't know what was going on, so he

scolded angrily: "Damn, why stop suddenly and continue driving." The driver said ately, "Brother Da Fei, Da Fei, there seems to be something wrong. !"

big fly quickly scrape together toward the front in the past, look to the front of the car, his

mouth and asked:" how something wrong with a "?"

driver quaver said:"! in front of a lot of soldiers, as if they do arrest people "

The One and The Only Chapter 134

Da Fei and Lin Qiang were shocked when they heard this.

The two looked towards the front carefully, and indeed there were countless heavily armed

soldiers who were arresting a group of people in an orderly manner.

In an instant, Da Fei's face turned pale, and her voice trembling yelled:

"My mother-in-law,

really, scared to death. Walk around, turn around quickly, are you

fucking here waiting for

bullets?"

It's a pity that when their cars came over, they had already been noticed.

Dian Chu had already brought a pair of soldiers over and surrounded them in several vans.

Dian Chu knocked on the car window, and the car window fell.

Looking at the guys in the car with colorful hair and tattoos, Dian Chu

asked coldly, "What

are you doing?"

Dafei and the others, where have you seen such a formation?

On weekdays, when they met the policemen at the police station, they were scared to make a detour. Now they saw school officers like Dianchu and the soldiers with live ammunition surrounding them at the scene, and they were all too scared to speak. Yash Nics also walked over at this time, and when he saw Lin Qiang in the car, his eyes became cold: "It's you again!" Lin Qiang was taught by Yash Nics today. He was originally afraid of Yash Nics. Now he is even more scared to say nothing. Said: "I was wrong, I dare not. I shouldn't find Big Fei and the others to retaliate against you, I shouldn't have promised to mortgage my parents' ancestral house to Big Fei..."

Da Fei heard next With Lin Qiang's words, his blood pressure skyrocketed, and he almost vomited blood from the pig teammate. After listening to Lin Qiang's words, Yash Nics raised the corners of his mouth slightly, and his eyes fell on Da Fei: "You are Da Fei?" Da Fei squeezed out a smile, uglier than crying: "I am..." Yash Nics nodded: "You guys It just happened, we are fighting the evil. Now that you are here, let's be together. " Together? Work through labor together! Lin Qiang and Da Fei and a group of small gangsters got out of the car crying, and were escorted over, meeting with Qiu Jiahui's men, and being sent to the North Border Mine for labor reform together. Compared to the Dafei's small gangsters, Qiu Jiahui's subordinates, who heard that it was only ten years of labor reform, accepted it calmly. They are not good things after all. Yash Nics did not shoot them this time. They were already amnesty.

Therefore, the security guards of the Brilliant Company who were arrested irritably said to the Dafei group: "What are you crying, hurry up, just waiting for you, let's go and make a good reform."
Raptors special forces, take the security of the Brilliant Company , Da Fei, Lin Qiang and others were all arrested.
Yash Nics, Dianchu, Dong Tianbao, and Eight Huwei went to Lin Feng's house again to meet Lin Shuizhu and his wife.
Qingxiu Village is not far from the Qingxiu River, and such a big turmoil along the river has disturbed some villagers in the village.

At this time, Lin Shuizhu and his wife and some villagers were about to come out of the village. What's the situation?
When Lin Shuizhu and his wife saw Yash Nics with excited expressions, they greeted them and asked affectionately: "Aning, what happened? Someone called you just now and we told them that you went to the riverside to burn paper."
Yash Nics has already been today . They recognize Lin Shuizhu and his wife as parents, so Lin Shuizhu and his wife now call Yash Nics Aning.
They knew that Yash Nics was the person Lin Feng admired most during his lifetime, and they also knew that Yash Nics and Lin Feng were brothers, so they felt particularly kind to Yash Nics.
Yash Nics smiled and said, "Mom and dad, that group of people are making trouble. And Lin Qiang and Da Fei's gangsters were all arrested just now, and they are said to be going to labor." Feng Yue'e exclaimed, "Lin Qiang and the villain. Da Fei has been arrested and sent to a labor camp.
What a crime!"

Lin Shuizhu was also shocked, but said angrily, "This is called self-inflicted crime, and it's okay. They need to be reformed!"

Other villagers also whispered.

Lin Shuizhu welcomed Yash Nics and his party home. Lin Shuizhu saw that Yash Nics and

Dong Tianbao were surrounded by Dianchu and Bahuwei. He wanted to ask but he didn't dare to ask.

When Yash Nics saw it, he explained, "Mom and dad, this is Dianchu, and a few of them are all Afeng's comrades!"

Lin Shuizhu said happily, "Hello everyone, everyone, Afeng has all of you. Brothers in arms, it is his blessing."

Dian Chu and others were a little sad, after all, Lin Feng had sacrificed.

Yash Nics said, "Parents, I live in Mannity temporarily. I heard that you are going to be demolished here. Or you can live with me in Mannity, and I can take care of you two old people."

The One and The Only Chapter 135

Lin Shuizhu and his wife smiled comfortedly, but Lin Shuizhu smiled and refused: "Aning, we two old guys, thank you for being so caring."

"But, we don't plan to talk to you ." Living together will cause you trouble."

Yash Nics just wanted to speak, Lin Shuizhu has continued: "You have to finish listening

first, even if we go to Mannity with you, and those who are not familiar with the land, we will live. Not used to it."

"Also, the demolition of Qingxiu Village, everyone in the village is discussing moving to

Kuncheng together. The villagers settle down there together, and everyone can go to each other and take care of each other. Ah."

Yash Nics listened to Lin Shuizhu's words, and he pondered for a while, and then said:

"Since your parents have this plan, that's okay. The four seasons in Kunming are like spring, and the pace of life is slow, so it is indeed suitable for the elderly." "In the future ." I will visit you from time to time, and I will leave you my contact information with Dianchu and Dong Tianbao to prevent you from being able to find me in time."

That night, Yash Nics and his party left and returned to Mannity City. The next day, Zhu's Manor Mansion, in the lavish study. Wearing cloth and shoes, Zhu Kuchan put down the Diamond Sutra in his hand, raised his head and looked at his son Zhu Fenghua, who was standing on his hands, and asked faintly:

"Last night I heard that Jiahui led three hundred men to intercept Yash Nics and Dong Tianbao. , Is there any news?" Zhu Fenghua said falteringly: "Dad, Chou Jiahui and the others..."

Zhu Kuchan said displeased: "If you have something to say, hesitate, what kind of system is it?" Zhu Fenghua said bitterly. "The enemy and his three hundred subordinates have all disappeared." Zhu Kuchan heard the words, was shocked and angry, and shouted: "Nonsense, hundreds of people alive have corpses even if they die, how could they disappear out of thin air? "

Zhu Fenghua smiled bitterly and said: "It has indeed disappeared. I even used many of our contacts in the Zhu family, but couldn't find them."

Zhu Kuchan was surprised: "What's going on?" Zhu Fenghua said: "But I sent someone to Qingxiu Village to inquire with the villagers, but I still found some clues."

Zhu Kuchan : "Say!" Zhu Fenghua said: " It is said that someone was taken away by soldiers last night, and a local bastard named Da Fei was also arrested."

Zhu

Kuchan frowned, "What does it have to do with Jiahui and their disappearance?" Zhu

Fenghua smiled bitterly and said, "Dad, It is said that dozens of transport planes landed at

the airport yesterday, and many soldiers from the north came here. It is estimated that they

came here to perform their tasks."

"I guess Dafei's gangsters, and Qiu Jiahui, they all swaggered through the market and

interfered with those. The soldiers of the Northern Territory carried out top-secret

operations, so they were all captured in secret."

Zhu Kuchan showed a shocked expression: "What a coincidence, does this matter have

anything to do with Yash Nics?"

Zhu Fenghua immediately shook his head and said: "How is it possible?

We have checked

Yash Nics's identity a long time ago. There is an ordinary retired soldier.

He is so capable of

mobilizing a corps to capture Qiu Jiahui and the others?"

"Furthermore, if Yash Nics mobilized the corps to deal with Qiu Jiahui.

Then? Why do you

want to take away unrelated local gangsters, Dafei and the others?"

Zhu Kuchan nodded when he heard the words: "You are right. From the local gangster Dafei,

people who are not related to Qiu Jiahui have been secretly arrested. Go, you can see that it

should have nothing to do with Yash Nics."

"It's just that Qiu Jiahui and Da Fei accidentally interrupted the Northern Border Corps to

perform secret missions, so they were arrested."

Zhu Kuchan said immediately, "Can you please? Use our relationship with Zhu's family to

find out the situation and rescue Jiahui?"

Zhu Fenghua: "Dad, don't think about it. I think it is a soldier from the northern border who

took Jiahui."

“We wish family to be in the northern army. In my eyes, there is no fart, and there is no way to save it.”

Zhu Kuchan: “Alas, Jiahui and the others are unlucky enough, but they just ran into the muzzle.”

Zhu Fenghua said bitterly: “Dad, although Jia Hui has had an accident, I can’t stop taking revenge on Jiu Ling. Jiu Ling is still lying in the hospital. The doctor said that after Jiu Ling is no longer available, he also recommended sex reassignment surgery. Damn it!”

Speaking of Yash Nics, Zhu

Kuchan also hates dysmenorrhea. He frowns slightly: “An accident happened to Jiahui. Is

there any other suitable person to avenge Jiuling?” Zhu Fenghua said, “Dad, our home is in

Mannity. Isn’t Chen Jiu, the spokesperson of China, dead? Now we need to support a new

spokesperson in China Shipping to be responsible for our gray business in China Shipping.”

Zhu

Kuchan : “Do you have any suggestions?” Zhu Fenghua said: “Clouds in the neighboring

cities of China Shipping Lan City, the underground emperor of Yunlan City, Xu Jingming, is a

strong man and a strong horse, and has the nickname of Nan

Batian .” “Xu Jingming is a disciple of our family. He is ambitious and he is not satisfied with

being the underground emperor of Yunlan.”

“I suggest. Simply let him deal with Yash Nics. If he can successfully kill Yash Nics and

destroy Dong Tianbao, who now occupies the underground circle of Mannity. Then he will

also give Mannity to his management and let him be the underground emperors of the two

cities of Mannity and Yunlan. Okay.”

Zhu Kuchan pondered a little, then nodded: "Okay, you go tell Xu Jingming, revenge for Jiuling, you must do a good job!"

Zhu Fenghua: "Yes!"

At noon, Yash Nics had already returned to the Mannity Riverside Garden Villa community.

He walked into the house and found that Song Pingting was having lunch with his daughter,

Song Zhongbin, and Ma Xiaoli.

When the daughter saw him, she immediately hurried to cheer: "Dad, Dad!"

Yash Nics picked up her daughter and said with a petting smile: "Do you miss Dad?" Song Qingqing nodded, and replied in a crisp voice, "I

think about it." , I clearly miss my father, and my mother also thinks about it."

Song Pingting, who approached with a smile next to her, froze instantly when she heard her daughter's words.

The corners of Yash Nics's mouth rose slightly, and

she deliberately asked her daughter: "Oh, what does mom think of Dad?"

Song Qingqing

replied earnestly: "Mom called Dad's name several times when she was sleeping." In

an instant, Song Pingting's face rose. Hong scolded her daughter in

anger and said : "What nonsense, go to dinner. You must finish all the food in your bowl,

otherwise you are not allowed to watch TV today." Song Qingqing heard this, his mouth was

instantly flat and he was wronged.

...At

night, Mannity City.

On the roof of Huamao Building, the wind is like a drum.

Bao Youxin, the owner of the Treasure Pavilion Antique Auction Company, was held hostage

by a few fierce men to the top of the building.

His ass said: "What are you people know who I am rivers and lakes of people call my name

Tyrannosaurus, I wish disciples home, you dare kidnap me??"

'Tyrannosaurus, long time no see! "

A loud A powerful voice sounded.

The Tyrannosaurus was taken aback when he heard the words and looked in the direction

from which the sound came, only to discover that there were still a few figures on the

rooftop.

The speaker was a burly man standing on the edge of the roof with his back facing him,

looking at the bustling night view of Mannity.

Tyrannosaurus looked at the man's back, and said in surprise: "Are you?"

As

soon as his voice fell, the burly man had already turned around, with a Chinese character

face, deep eye sockets, high cheekbones, thin lips, and a majestic face.

And fierce!

When the tyrannosaurus saw the man with the national character face, he cried out: "The

underground emperor of Yunlan City, Southern Tyrant Xu Jingming, Xu Ye!" Xu

Jingming smiled slightly: "It seems that you recognize me."

Tyrannosaurus smiled flatly. "Master Xu, you and I are both disciples of the Zhu family. And

you are still one of the best disciples of the Zhu family. You are the spokesperson of the Zhu

family in Yunlan City. How could I not know you, Master Xu? Well!"

"Oh, I thought who was going to kidnap me, it turned out that it was Master Xu, you are

looking for me."

"Actually, if you have any orders from Master Xu, please let me know. I will get out and see

you right away, so why bother? Yeah."

Xu Jingming was noncommittal, only faintly said: "I have come to avenge the young master

by the order of the old man. Tyrannosaurus, have you betrayed the young master?" A panic flashed in the eyes of the tyrannosaurus. He did betray Zhu Jiuling and confessed Zhu Jiuling, which led to Yash Nics's abolition of Zhu Jiuling. He forcefully said calmly: "No, I am loyal to the Zhu family, and I have never betrayed the young master." Xu Jingming's mouth raised slightly: "Really not?" As soon as his voice fell, Tyrannosaurus had not had time to answer. He suddenly stabbed the tyrannosaurus in the abdomen. Tyrannosaurus did not expect Xu Jingming to do it without warning, with a pained expression on his face, and said in a trembled voice: "You—" Xu Jingming slowly whirled and stirred the dagger that was stuck into the Tyrannosaurus belly, and said cruelly: "I know You won't admit it, but it doesn't matter. Since I came to you, I already have conclusive evidence. The eldest master ordered me to greet you personally."

Tyrannosaurus was full of pain, and his voice hoarsely denied: "I really didn't betray the young master..." "But the young master thinks you have!" After Xu Jingming finished saying this, he struck again and plunged into the heart of Tyrannosaurus. Tyrannosaurus clung to Xu Jingming's clothes tightly: "I...no..." "I think you have it too!" Xu Jingming made another cut. Xu Jingming reached out and pushed the body of the Tyrannosaurus, and then handed the dagger to his men. He took a white handkerchief from his hand, wiped the blood on his hand, and asked faintly: "Who is the next target?" "Song Zhongxiong, apart from Yash Nics and Dong Tianbao, Song Zhongxiong is the cause The culprit of the young master's accident."

Xu Jingming nodded: "Very good!"

The One and The Only Chapter 137

At noon the next day, Yash Nics and Song Pingting had just returned home from the company. Father-in-law Song Zhongbin and mother-in-law Ma Xiaoli had been waiting for them for a long time.

When Song Zhongbin saw Yash Nics and Song Pingting come back, he immediately said:

"You came back just right, there is something to discuss with you."

Yash Nics was a little curious, Song Pingting also asked in surprise: "Dad, what's the matter?"

"

Songzhong Bin said:" do you remember your Ershu Gong do? "

Song Ping Ting nodded:" .. remember, my grandfather's brother, said to have been the work of the hospital in the northern military aircraft grandfather every time he brought this brother, proud '

;', but two My uncle seldom contacts with relatives in our hometown, and has not come back

to visit relatives and friends for more than ten years."

Song Zhongbin: "Yes, but he came back yesterday."

Song Pingting said in surprise: "Ah, my second uncle really Are you back?"

Song Zhongbin nodded: "After the second uncle came back, he offended my dad to drive

our family out of the house. He probably didn't want to see this kind of family disharmony."

"In the morning, he called me. Said. It was two o'clock in the afternoon that we booked a

seat at the hotel, and let us all go over and talk about it."

Ma Xiaoli bit her lip and said, " My father kicked our family out of the family. We were kicked

out. Talk to us. What's the use?"

Song Zhongbin sighed and said, "Dad kicked our family out of the family, but the second

uncle didn't chase us."

“The second uncle is our elder, and he works in the Military Academy. We can’t help but give it to him. “Face.”

Song Pingting said: “Since the second uncle cares about this matter, I have thought about asking. Then our family will meet him at the hotel later, and explain to him.”

“If we can clear up our suspicions with the grandfather and uncle, maybe It’s also a good result.”

In the afternoon, Yash Nics and Song Pingting came to the New Century Five-star Hotel on time.

In the Peony Hall, I saw Song Pingting’s second uncle.

Song Pingting’s second uncle seems to be more than sixty years old. His temples are white, but he is energetic, he is not angry and mighty, and he has a frame that is unique to a high-ranking person.

In addition to the second uncle, Song Zhongxiong, Song Zhongping, Song Haoming, Ge Meili and others were there, but the old man Song Qingsong did not come.

“Second Uncle!” Song Zhongbin took his family and greeted Song Qingzhu respectfully.

Sitting on a chair, Song Qingzhu, who was surrounded by stars like Song Zhongxiong and the others, raised his eyelids and glanced at Song Zhongbin and others. He gave a lukewarm grace and said, “Come on, sit down.”

Song Zhongbin’s family sat down a little awkwardly when they heard this.

The second uncle said: “Everyone is here, then order the waiter to serve, let’s talk while eating.”

Soon, the waiter began to serve, and all kinds of exquisite dishes were constantly being served, full of one. The table is extremely luxurious.

The second uncle also refused to drink the hotel's drinks, but personally moved out a box of special Moutai.

He triumphantly said: "I work in the Military Academy. Although I am an errand runner, I usually follow the leader and basically drink special drinks. I really can't drink your ordinary drinks."

Special offer Moutai !

The eyes of Song Zhongxiong and others lit up.

This is the wine for the leaders to drink inside, what a face!

Everyone complimented the second uncle.

The second uncle's compliment to everyone was very useful, but at the same time he also noticed that Song Pingting's family did not flatter him, which made him a little bit dissatisfied.

Song Zhongbin was honest and didn't know how to slap a horse. How could he offend the second uncle?

Soon, everyone's glasses were filled with wine.

The second uncle picked up the wine glass and wanted to clink with everyone.

Song Zhongbin's family also picked up wine glasses with everyone, and toasted to the second uncle together.

After the toast, Song Zhongxiong and others applauded and said: "Good wine, the special offer is the special offer, worthy of the leader's special offer. We all entrust the blessing of the second uncle to have the opportunity to drink the special offer!" The second

uncle looked at Song Zhongbin. He asked with a smile, "Zhong Bin, this is a special Moutai

bar. Have you ever had such a good bar?"

Song Zhongbin was startled when he heard the words, his face was slightly hot, and he said

embarrassedly: "Did it, my son-in-law before? Yash Nics brought back a few boxes of Wuliangye and Moutai's special drink. He said that he was given to him by his old leader, and my son-in-law gave it to me if he didn't drink it." The second uncle heard this from Song Zhongxiong and Song Zhongping. All sneered. Song Zhongxiong directly sneered and said, "Song Zhongbin, if you don't brag, you will die?" "Who doesn't know that your son-in-law Yash Nics is a waste of soft rice, and he can bring you a few boxes of special wine. You Why don't you say that he is the chief?"

The One and The Only Chapter 138

uncle also squinted his eyes and looked at Song Zhongbin's family contemptuously. " "

but you wonder Zhong Bin, which you no chance to drink good wine, it is difficult to separate true and false. your son is with counterfeit fool, is normal. " "

you're drinking adulterated liquor nothing, but you drink Fake wine is still boasting everywhere, even in front of me, this is what you are not." The second uncle's words are like a few slaps. Song Zhongbin's face was flushed and his face was fiery. Being so ridiculed by the second uncle in public, he couldn't wait to find a place to hide. Yash Nics's face also sank. When Yash Nics saw Song Pingting's second uncle, he was so ostentatious, and even ridiculed his father-in-law in public, his face sank. However, considering that this person was Song Zhongbin's second uncle and Song Pingting's elder, he could barely hold back and did not have an attack. Song Zhongbin's face was ashamed and angry, and there was no place to show himself. However, he did seldom drink good wine. Yash Nics gave him a few boxes of special Wuliangye and Maotai, and he couldn't tell whether it was true or not, so he could only

silently endure the ridicule of the second uncle and others.
The second uncle ridiculed Song Zhongbin for a while, then changed the conversation and talked about today's business.
He said to Song Zhongbin's family: "I don't know what extraordinary things you did that would make my elder brother angrily drive you out of the family."
"But I think he is your father and your father-in-law. , It's your grandfather!"
"If you do something, you have to ask him for forgiveness, and you can't cause this." The second

uncle said here, paused, and continued: "My eldest brother is sick and soft, Zhong Bin, your family , Go back and knelt down to apologize, and beg him to forgive your family."
Before Song Zhongbin spoke, Ma Xiaoli couldn't help but say: "What, our family is not wrong, why should we go back and kneel and beg for forgiveness." The second uncle said coldly: "Men speak, what do you say, this woman? Do you have the right to speak?"
Ma Xiaoli was choked to speak, her face full of grief and anger.
Second Uncle turned his head and looked at Song Zhongbin: "Zhong Bin, Second Uncle, I will ask you now, would you like to kneel down and beg your dad to forgive your family?"
Song Zhongbin lowered his head and said in a low voice, "Our family did nothing wrong, besides. Even if I kneel down, Dad won't be willing to let go." The second uncle raised his head and said loudly: "Your family knelt down and admits wrong, but he refuses to forgive. Can't you just kneel down forever?"
"You just kneel down. Kneeling at him on the street at the door of Song's house for three days and three nights. I don't believe that the last eldest brother is not reluctant. "

What, the whole family knelt for three days and three nights in front of the Song family mansion?

The kind-hearted Song Pingting and the honest Song Zhongbin couldn't help frowning,

feeling that the second uncle was a little bit overwhelmed.

Ma Xiaoli couldn't sit still anymore, and said on the spot: "Song Zhongbin, you are willing to kneel, then you can go by yourself."

"I have been with you for more than 20 years, and I have suffered more than 20 years in your

house. I want to leave some last dignity, I won't kneel!" The second

uncle saw Ma Xiaoli again, and said angrily: "It's you again the mother-in-law who is

damaging the family, Song Zhongbin, what this kind of woman is going to do, I want you

Divorce her immediately."

The One and The Only Chapter 139

Song Zhongbin's family was anxious when he heard that, Song Zhongbin just wanted to say

that it couldn't be used.

But at this time, Yash Nics couldn't bear it anymore, and calmly said: "It's too much!"

Yash Nics's words attracted everyone's attention.

The second uncle looked at Yash Nics displeased: "What did you say?"

Yash Nics said lightly: "Don't persuade others to be kind without suffering from others, I say

you are too much." The second

uncle said coldly, "Young people." , You speak in front of me, it's better to show respect."

Yash Nics said calmly: "You are an old man, I should have respected you, but your words

and deeds made me unable to respect." The second

uncle was taken by Yash Nics. Angrily, he slapped the desk and pointed to Yash Nics's

nose and cursed: "Crazy Lizi, which department do you work in? Believe it or not, just a

phone call can kill you? "

Song Zhongxiong and others saw their second uncle angry, and they all gloated.

Song Zhongxiong heard the second uncle say that Yash Nics would lose his job. He

immediately took the opportunity to say: "Second uncle, this kid has no work because of the

waste from eating soft food. Relying on Song Pingting's company, he took over the key

engineering projects in the city. , There are two small coins, they are swollen." The second

uncle

snorted coldly : "Expanded? I will call their home back to its original shape with a call!" Song

Zhongxiong and others' eyes brightened, but Song Pingting's family looked panicked.

The second uncle works in the Northern Military Academy. Although everyone does not

know the specific position of the second uncle, the people who can work in the Academy

are not easy.

I can't guarantee that the second uncle can really make a phone call to let the leaders of

Mannity City take back the project that Song Pingting is in charge of, and make Song

Pingting's family fall to the bottom.

Song Pingting quickly whispered to Yash Nics: " Yash Nics, the second uncle is not an

ordinary person, and his identity is extraordinary. Don't make him angry, and quickly

apologize to him."

Yash Nics smiled and said, "It's okay, let him call. He can call the city zun of Mannity, or call

the dean of their military academy."

Yash Nics said this, and told his second uncle. Said: "By the way, since you work in the

Military Academy, you should have the cell phone number of Dean Qiao Hong? If not, let me

tell you that his cell phone number is..."

Yash Nics really said something. The phone number is coming!
The second uncle looked at Yash Nics suspiciously. He didn't expect Yash Nics to be so confident. He was almost bluffed by Yash Nics.
However, when Yash Nics said that there was a call from Qiao Hong, the commander of the military aircraft, and read the number in public.
The second uncle's surprised expression disappeared, replaced by a sneer.
He was a small cadre in one of the departments in the Academy of Military Aircraft and had no chance to get in touch with the top leaders like Dean Qiao.
However, he remembered the office phone number of Dean Qiao.
The phone number that Yash Nics reported was completely wrong.
Therefore, he judged that Yash Nics was pretending to be pretentious and frightening him.

He sneered and said: "There is a dead mouse on his waist, and he wants to pretend to be a hunter. If you say that this mobile phone number belongs to Dean Qiao, then I will call him and see if you know Dean Qiao!"
He didn't know. Yes, Yash Nics's mobile number is Qiao Hong's personal mobile number.
In front of everyone, he directly dialed the cell phone number Yash Nics said.

The One and The Only Chapter 140

phone connected, he turned on the hands-free, and said with a sneer: "Hey, who are you?"

A slightly suspicious, majestic voice came from the phone: "I'm Qiao Hong, Who are you, why do you have my personal mobile phone number?"

Er Shugong: "Oh, pretend to be alike, even the tone of the voice is full of our Dean

Qiao." Qiao Hong's voice was a little unhappy: "You are from the Military Aircraft Academy?

Which department?"

Er Shugong snorted coldly: "You don't care who I am. I now warn you that it is a big crime to

impersonate a senior leader of China. You'd better cooperate with my investigation now, otherwise... ”

Joe hung anger:”? how else ”

Er Shugong stern said:” otherwise you and your associates, all have to sit in a hole. ”

Joe hung said coldly:”! then you came for me, ”

two Uncle opened his eyes, and there is such a liar who is not afraid of death. He shouted:

“If you catch you, you will catch you. Tell your name and address, and I will ask someone to catch you immediately.”

“Qiao Hong, Beijing Ziqi Donglai Street Number 5!” After

Qiao Hong finished speaking, he hung up.

The second uncle was completely dumbfounded. Of course he knew who lived in Ziqi

Donglai Street in the capital.

Those are people who can reach the sky!

And Dean Qiao of the Military Academy, his home is at No. 5, Ziqi Donglai Street!

He held the phone and began to tremble.

He also reacted at this time. The tone of the person on the phone just now was exactly the

same as Qiao Hong who was speaking at the conference on weekdays.

Oh my God, the person on the phone just now is really Dean Qiao!

The more he thought about it, the more he became afraid, his blood pressure rose and he

couldn't control it anymore, his eyes went black, and he fainted on the spot.

Everyone at the scene screamed in exclamation when they saw that the second uncle was

so frightened that he passed out.

At the same time, I was puzzled. Didn't it mean that the number given by Yash Nics was

fake? Didn't it mean that the phone number was a liar?

Why did the second uncle faint on the spot in fright?

The second uncle was so frightened that he passed out!

Song Zhongxiong and others rushed the second uncle to the hospital in a panic.

Song Pingting's family was also surprised. Song Pingting pulled Yash Nics aside and asked

Yash Nics what's the matter in a low voice.

Yash Nics smiled and said, "That phone number really belongs to Dean Qiao!"

Oh my God!

It turned out to be the call of Qiao's leader. That's the top leader who can only be seen on the news network!

Everyone was stunned!

Song Pingting's pretty face was full of shock, and she asked again: "But why do you have

the personal mobile phone number led by Joe, don't you really know him..."

At this time, it was not only Song Zhongbin and Ma Xiaoli and his wife.

Song Haoming, Ge Meili and others who did not follow to send the second uncle to the

hospital on the scene couldn't help but prick their ears and listened to Yash Nics's answer

intently.

Of course Yash Nics knew Qiao Hong, and had a good personal relationship.

However, he smiled and denied: "I know Leader Qiao, but he doesn't know me."

Song Pingting was dubious: "Then why do you have his private cell phone number?"

Yash Nics said with a smile, "The previous time." During a natural disaster, leader Qiao

visited the local area and told the local people affected by the disaster. If there are any

problems that the local government cannot solve for them, call his private mobile phone

number."

"At that time, I firmly controlled Qiao's leadership. I

've written down the phone number." Song Pingting and the others had an expression that

suddenly understood.

Immediately, everyone's faces began to differ.

Song Pingting's family knew that Yash Nics had nothing to do with Dean Qiao, and was a

little worried for Yash Nics, and feared that the second uncle would retaliate against Yash

Nics.

Song Haoming, Ge Meili and others looked at Yash Nics contemptuously.

Song Haoming mocked and said: "I said he is such a idle man, how could he get in touch

with the top leaders like Dean Qiao, it turned out to be a fake tiger."

Ge Meili sneered: "It's okay, when the second uncle wakes up, he It's going to be over, and

the second uncle will not let him go."
