

Chapter 1321: See You There!

"Hello, Beibei." The call was quickly picked up, and Gong Yi's magnetic voice came through.

"Hello, Gong Yi." Bai Beibei smiled sweetly. "I have some good news for you."

"Yes?" He seemed to be listening attentively.

"I've got the household register."

Bai Beibei couldn't wait to share this news with him.

However, as soon as she finished speaking, the person on the other end fell silent.

The smile on Bai Beibei's face faded. Awkwardness filled up the air.

"Hey, Gong Yi, are you listening?" She asked carefully.

There was still no reaction from the other end.

Bai Beibei's heart sank, and her mind ran wild.

He couldn't have been joking that day, right?

"What are you thinking about?" The man on the other end suddenly spoke, his voice filled with joy.

Bai Beibei immediately understood. She was so angry that she stomped her feet on the ground. So he was just joking around with her. He had been listening to her all this time.

"Gong Yi, you're too detestable!"

Gong Yi was overjoyed. Seeing her anxious and nervous for him made him feel extremely happy.

"Are you free now? I'll go pick you up."

"Where to?" Bai Beibei looked at the tips of her feet with a blushed face.

She actually kind of knew the answer...

"The Registry of Marriage, of course." Gong Yi spat out three words.

Bai Beibei immediately smiled.

"I've checked the calendar. Today is an auspicious day. A perfect day to get married. Miss Beibei, are you willing to go with me? To the Registry?" Gong Yi asked seriously.

"Yes, yes!"

"I'll go pick you up."

"It's ok. I'm near to the Registry of Marriage. It is just a stone's throw away. You can drive directly there. I might even reach before you."

"Okay, then I will see you there."

"Yes, see you there!"

Bai Beibei sweetly kept her phone. She grabbed her household register and identity card and set off for the Registry of Marriage.

...

As she was walking, she could not suppress the excitement in her heart. Whenever she thought of her getting married to Gong Yi, she felt like she was in a dream.

At this moment, a melodious ringtone rang. It was a call from her mother.

"Hello, Mom."

"Hello, Beibei. Where are you now? Hurry up and come to me..."

Bai Beibei's expression changed. "Mom, What's wrong?"

"The Qian family came for trouble again today. Mom is in the coffee shop now. I'm not feeling well and I'm about to faint..."

"Beep, beep." The call was cut off.

"Mom, mom! What's wrong? Say something!"

There was no response from the other end. Bai Beibei was so nervous that her face turned pale. She hailed a taxi from the roadside and rushed to the coffee shop.

...

The coffee shop.

Bai Beibei ran in hurriedly and asked someone she randomly caught, "Where's the Lady Boss?"

"She is in the office."

"Thank you." Bai Beibei raised her foot and ran.

She pushed open the office door and looked around nervously. "Mom, mom, where are you?"

The moment she entered, Bai Beibei sensed that something was wrong. The office was quiet, not a sound could be heard. Sun Xiaoxiao was not there.

What was going on?

Bai Beibei pushed open the restroom. The bed was neat and tidy. There were no signs of movement.

Where did her mother go?

She wanted to turn around, but she suddenly felt dizzy. Her legs went soft and she collapsed directly to the ground.

She sensed a male muscular arm wrapped around her slender waist. Then, she was carried into an unfamiliar embrace.

Her entire body was weak, and her head was dizzy. In a daze, she felt someone carrying her onto the bed.

A hand was unbuttoning her clothes.

She was so in fear that she could not move a finger. She knew that she was going to be violated. "No... Please stop..." She tried to struggle and break free.

However, she didn't even have the strength to clench her fists.

At this moment, her cell phone rang. It was a call from him.

Gong Yi...

Bai Beibei knew that it must be Gong Yi calling. He was probably already at the entrance of the Registry. He was waiting for her there, to get married.

However, she couldn't go...

She tried so hard to get her cell phone, but someone has snatched it away as soon as she had it. The phone call was declined as the ringtone disappeared.

She felt cold as her dress was taken off. A man pressed down on her body and spread her legs...

"Gong Yi... Gong Yi..."

As she called this name, hot tears rolled down from her eyes.

...

At the entrance of the Registry of Marriage.

Gong Yi heard a robotic female voice on the phone — Sorry, the number you have dialed is turned off.

He frowned. Why was her phone switched off?

Was the battery dead?

Because her phone was switched off, he was unable to track her location. He checked his watch. It had only been ten minutes past the agreed time. He was thinking perhaps she was already on her way here, so he just needed to wait a little longer.

However, half an hour had passed, and Bai Beibei was still not here.

The alarm in Gong Yi's heart was ringing loudly, and he had a very bad feeling. He quickly dialed Li Sisi's number.

"Sisi, are you with Beibei now?"

“No, she left a long time ago. Aren’t you two together?”

Gong Yi’s expression changed. He hung up and got into the car.

The Lamborghini was speeding on the road. His brain was working in a hurry. Where is Beibei? She had always been a good girl and wouldn’t stand someone up. Will she be in school? Or the villa, or... coffee shop?

The coffee shop was the one nearest to him. He turned the steering wheel and rushed there.

He did not know why she did not show up. It was probably because of Sun Xiaoxiao. His heart was in a mess. Anyway, he had to find her first.

Soon, the Lamborghini stopped outside the coffee shop.

Gong Yi walked into the shop quickly. “May I ask, is Bai Beibei here today?”

The waiter shook his head. “No, she didn’t come today.”

She didn’t come here?

Gong Yi looked around at the elegant coffee shop but didn’t leave immediately. He asked, “Where’s your Lady Boss? She didn’t come today either?”

“It’s not business hours yet. The Lady Boss hasn’t arrived yet, but she should be here soon.”

“Okay. I have something to ask her. Where’s her office? I’ll wait for her in her office.”

The waiter hesitated for a moment before pointing. “The office is there.”

“Thank you.”

...

At the office door, Gong Yi looked at the tightly shut door for a few seconds. Then, he reached out and opened the door.

The door opened a crack. Gong Yi peeked inside. It was very quiet inside. There was no one there, and he could not hear anything. He moved a little and wanted to walk in.

“Young Master Gong, why are you here?” Sun Xiaoxiao appeared.

Gong Yi turned back saw Sun Xiaoxiao. He smiled politely. “Auntie, Hello. I made an appointment with Beibei, but she didn’t show up. And I couldn’t get through to her cell phone either. As I was worried about her, I came here to take a look and see if you have any news of her.”

Chapter 1322: Everything Was Ruined

Sun Xiaoxiao’s expression was calm. “Beibei broke our appointment with you. Isn’t she at school?”

Gong Yi shook his head. “No.”

“Then where would Beibei go?”

Gong Yi looked at Sun Xiaoxiao's expression and asked suspiciously, "Beibei's gone. You don't seem worried."

"Heh." Sun Xiaoxiao laughed, "My daughter, how could I not be worried? But, my daughter has already been charmed by you. Young Master Gong is so amazing. He got my daughter pregnant without a word. How would I know what you're up to now?"

"I'll be responsible for Beibei."

Sun Xiaoxiao shrugged and didn't say anything.

"Auntie, I'll go look for Beibei first. If you see Beibei, ask Beibei to give me a call."

"Okay."

Gong Yi released the door handle of the office and left.

Sun Xiaoxiao looked at his receding figure and then looked at the quiet office. She revealed a strange smile.

...

Gong Yi returned to the car and immediately took out his phone to make a call.

"Hello, Ajie, help me check all the surveillance cameras on the road. I want to know Bai Beibei's whereabouts as soon as possible."

"Yes, President."

"Also, find out what Li Xiyang is doing now and what kind of private contact he has with Sun Xiaoxiao. The more detailed the better."

"Okay."

Gong Yi hung up the phone and looked out the car window at the sea of people outside. He was really worried about where that girl was now.

He had a vague feeling that Sun Xiaoxiao seemed to know something, but she would not tell him.

This was also good. Sun Xiaoxiao was her mother. At the very least, she is safe.

As long as she is safe.

...

In the lounge.

Bai Beibei slowly opened her eyes. She sat up and curled up her legs. Her eyes were empty as she stared blankly.

Her clothes were all thrown on the carpet. Her dress, vest, undies... there was not a single piece of clothing on her body under the blanket. Her creamy white skin was full of hickeys.

The bedsheets were very messy, and there were dirty water stains on them. She knew what these were. She had been raped.

Her delicate white teeth bit her lower lip tightly until she could taste the sweet smell of blood in her mouth, but she did not feel any pain at all.

At this time, the bathroom door opened with a “kacha” sound, and a tall and straight figure walked out.

It was Li Xiyang.

Bai Beibei looked up at him. He had just showered and was wearing a white bathrobe. He was tall and handsome, and was the object of many women’s affections.

However, she did not like him. Now, she hated him.

He was the one who had ruined her just now.

“Why? Why did you do this?”

Li Xiyang was in a good mood. He raised his eyebrows and looked at the girl. She was curled up in a small ball, and it made him want to hold her in his arms and dote on her. However, he did not dare to go forward, because he was sure that if he dared to take another step closer to her..., she would definitely hurt him with little regard for herself.

Right now, her face was pale and she was staring at him with extreme hatred.

However, this did not affect his love for her. “Beibei, do you need a reason for this? I’m treating you this way because of love.”

Love?

“Li Xiyang, you really make me nauseous. I’m Gong Yi’s girlfriend, and I only love him. I’ve told you that I hate you repeatedly, so why are you still unwilling to let you go? Why are you haunting me? You’re breaking the law. You’ve raped me. I’m going to sue you!” Bai Beibei screamed hysterically.

“Sue me? Ha,” Li Xiyang laughed and walked to the bedside. He looked down at the girl. “If you really want to sue, go ahead and sue your mother. She was the one who gave you to me.”

Bai Beibei was stunned. Her hands and feet were cold. It was her mother!

Why did her mother do this?

Why did her mother want to destroy her?

Originally, she wanted to register her marriage with Gong Yi, but her mother tricked her into coming here and gave her medicine. Then, she sent her into Li Xiyang’s bed.

Initially, she have been very happy. These days, she felt like she was living in a fairy tale. When she was with Gong Yi, the air she breathed was sweet. Happiness was so close to her. She was about to touch it.

But now, everything was ruined.

“Beibei.” Li Xiyang caressed her silky hair. “Just accept reality. Break up with Gong Yi and be with me, HM?”

Bai Beibei grabbed his hand and opened her mouth to bite it hard.

Li Xiyang groaned in pain and let her bite.

Bai Beibei quickly tasted the blood. If she could, she would want to die together with this man.

“I will tell Gong Yi. He will not let you off!” Bai Beibei’s eyes were burning.

Li Xiyang narrowed his eyes and laughed, “Beibei, do you think I’m afraid of Gong Yi? Come, I’ll give you my phone. call him now. Tell him that I slept with you. Tell him that you cheated on him. Haha...”

Li Xiyang threw the phone to Bai Beibei.

Bai Beibei didn’t move. She stared at him.

“Beibei.” Li Xiyang slapped her little face, “It’s impossible between you and Gong Yi. He won’t want an unclean girl. He’s the number one young master of the capital and as proud as an emperor. If you really get together with him, you’ll always be the stain on his life. Guess how everyone will judge him in the future?”

“Li Xiyang, why don’t you go die?” Bai Beibei gritted her teeth and cursed.

“I won’t die. Before I get you, Bai Beibei, I’ll give you half a month to break off completely with Gong Yi and then be with me. Otherwise, our bed photos will appear on the entertainment headlines. When that time comes, it will be too embarrassing and humiliating for you to do anything. Don’t blame me.”

After saying this, Li Xiyang elegantly put on his clothes and left.

...

Bai Beibei was the only one left in the room. She hugged her knees and buried her face in them.

What should she do?

Her heart was in so much pain that it felt like it had been torn in half by life. Why did God treat her like this?

She picked up her phone and slowly turned it on.

There were many missed calls on her phone. Gong Yi was calling.

He must have gone crazy looking for her now.

Bai Beibei’s nose turned red, and big teardrops fell from her eyes.

Gong Yi, I’m sorry. I’m really sorry. I didn’t protect myself well..

At this moment, a series of ringtones rang. It was a call.

It was from Li Sisi.

“Hello, Sisi.” She picked up.

“Hello, Beibei. Where are you now? Young Master Gong has been looking for you. Did you disappear?”

“I’m fine...”

“Beibei, I have something to tell you.”

“What’s wrong?”

“Young Master Gong called me just now to tell me that you went missing, so I went to your dorm to look for you. I was surprised to find that the bonsai on your windowsill was dead. I remember that you poured the soup your mother sent you into the soil for three or four days in a row, right?”

Bai Beibei froze. “What do you mean?”

“Beibei, I showed the bonsai to Professor Ke. The professor sniffed the soil and was very sure that there was the smell of red flowers in the soil. It is usually used for... abortion.”

Chapter 1323: Gong Yi, Let’s Break up

Red flower, miscarriage..

Heh, heh heh..

Bai Beibei laughed twice. Her boiling tears rolled like broken necklace beads that could no longer be controlled. She hung up the phone and hugged herself, crying loudly.

Sending her to a man’s bed and secretly aborting the child in her belly, what could her mother still do to her?

Did her mother love her?

In the past, she would answer without hesitation, “Yes, she definitely loves me.” But now that she had woken up from her dream, she realized that her mother did not love her.

No mother in the world could do such atrocities to their own child. Gong Yi’s parents were just that great. She often saw Gong Yi’s father scolding and kicking Gong Yi, but he was a loving father, a free and open father, his mother was a lady from a noble family, dignified and elegant. Their family of three was so enviable.

She had never had a father since she was young. She really wanted a mother. She thought that her mother had returned, but her mother had returned only to destroy her.

She was still the same orphan, Unloved and unwanted. Now that her mother-in-law had is gone, she was really alone.

...

Two o'clock in the morning.

The autumn morning was extremely cold. A piercing screech of brakes could be heard in the silent air as the Lamborghini stopped outside the cemetery.

Gong Yi got off the car and ran to his mother's tombstone. He saw a petite figure sitting on the ground, hugging her knees and burying her face as she leaned against the tombstone.

The cemetery was very dark, with only a little bit of light. The girl's figure looked extremely lonely and pitiful.

"Beibei, what's wrong?" Gong Yi stopped in his tracks.

Bai Beibei moved, then raised her head. She saw the man in front of her. He was standing tall and straight, wearing a white shirt, black trousers, and a black overcoat in his right hand. His narrow eyes were filled with worry, and he looked at her tenderly.

He had rushed here with a body full of wind and frost. He had probably just found her.

"Beibei, what happened?" Gong Yi knelt on one knee and draped the overcoat in his hand over her body. He held her soft little hand.

"Why are your hands so cold? Why do you suddenly want to visit Mother?" Gong Yi rubbed her little hand and transferred his warm body temperature to her.

He had never seen her like this before. She was as dejected as a puppet. She could fall with a blow of the wind.

At two o'clock at night, she was alone in the cemetery. An ordinary person would never do such a thing.

Something must have happened to her. He did not want to scare her, so he asked slowly.

Her small hands were wrapped in his palm. His healthy and clean scent was all over his coat. All of these made her so infatuated.

"I'm fine. I just... suddenly want to see... Mother-in-law..." her voice was hoarse.

Gong Yi looked up. "Are you crying?"

Her eyes were red.

Bai Beibei really wanted to throw herself into his arms and cry, to be comforted and comforted by him, but she was no longer worthy.

"Mm, today, my mother and I... quarreled. I'm sorry, I missed our appointment..." she tried hard to pull the corners of her mouth.

Gong Yi's heart felt as if it was being pulled tightly by a large hand. It was very painful, very painful. He reached out and covered her eyes. "Enough, don't laugh if you don't want to. You're like an ugly duckling."

His tone was filled with love.

Bai Beibei's heart ached and tears started to fall again.

Gong Yi leaned over and hugged her slowly and forcefully. "Did you and your mother argue because of me? I'm sorry, I've made you suffer..."

As he spoke, he wanted to kiss away the tears on her face.

However, he didn't manage to kiss her because Bai Beibei pushed him away and said emotionally, "Don't touch me!"

Gong Yi was caught off guard and was stunned.

Bai Beibei's eyes started to dodge. She tried her best to remain calm, but the pain in her heart was getting worse. "I'm sorry, my body is very dirty, don't touch me..."

"Where are you dirty? Did you touch dirt?" Gong Yi reached out his hand to see if she was injured or something.

Bai Beibei bit her lower lip with her white teeth. He could not understand her words. Her body was dirty, and she had been defiled by Li Xiyang.

Bai Beibei slowly stood up. Her eyes swept past his handsome features and said softly, "Gong Yi, let's break up."

Gong Yi froze and looked down at her. "What's wrong? Are you confused because you saw your mother-in-law? It's okay. I didn't hear what you said clearly. Let's go back."

He held her little hand.

Bai Beibei didn't follow him. She repeated seriously, "Gong Yi, you heard it clearly. Let's really break up."

Gong Yi frowned. His narrow eyes stared at her sharply as he said unhappily, "Beibei, I know you're not in a good mood, but there are some things you shouldn't say so casually. Otherwise, I'll really get angry."

"Gong Yi, don't be like this..."

"Alright, break up, right? Give me a reason."

"The reason for breaking up is very simple. I don't like you anymore."

Gong Yi's lips curled up into a smile. "Bai Beibei, do you take me for a fool? Whether you like me or not is in your eyes. I'll be the judge of that for myself."

Bai Beibei no longer dared to look Gong Yi in the eye. She lifted her leg and walked away. "Whether you believe it or not, we've already broken up."

"Beibei." Gong Yi pulled her little hand away and hugged her tightly from behind. He was helpless and doted on her. "Don't mess around with me, eh? You're making me feel very confused."

His warm chest pressed against her from behind, making her feel extremely reluctant. Bai Beibei lowered her eyelids helplessly, "Gong Yi, I'm sorry. I know that you've really helped me a lot during this period of time. If it wasn't for you, I might not have been able to establish a foothold in this city. However, gratitude doesn't mean love. When the love is gone, no one can force it."

Gong Yi slowly let go of her. Only then did he realize that she was serious. "Since you want to break up, then give me a reason that doesn't sound fake. You can tell me what I did wrong."

Bai Beibei knew that if she didn't give him a reason today, it would be hard for him to let go, so she said, "Gong Yi, are you really good to me?"

"What do you mean?"

"Aren't you looking for a shadow of someone in me?"

"Shadow? Say it clearly." Gong Yi's face also darkened.

"Gong Yi, don't deny it. You have never forgotten Ye Xiaotao. You are looking for a shadow of Ye Xiaotao on me."

Ye Xiaotao..

Gong Yi was stunned when he heard this name. He didn't know whether to laugh or cry. "Beibei, what nonsense are you talking about? Xiaotao and I are a thing of the past. She is now more than eight months pregnant. If we wait any longer, she will be in labor. I..."

"How do you know that she's already eight months pregnant and you're still so concerned about her every move? You're still in constant contact with her. Can you still say that you're not looking for a shadow in me?"

After so many questions were asked, Gong Yi was at a loss for words, "Beibei, don't be unreasonable. Although Xiao Tao and I broke up, we're still friends. We've known each other for all these years. Although our relationship never progressed, we can still be friends, right? My family and hers are family friends. I have a clear conscience. I don't have any lingering feelings with her. She's now Mrs. Leng. She's very happy."

Chapter 1324: Who Am I to You?

"That's right. Your family and the Ye family are old friends. They are both nobles in the capital. Your father likes her but doesn't like me. Why should I humiliate myself?" Bai Beibei raised her foot and left.

"Beibei," Gong Yi blocked her way. "I'm really angry that you're doing this. How can I explain it to you so that you can believe me?"

"I won't believe you. That time when I chased you to Hong Kong, you were on top of me that night. You kept calling out Ye Xiaotao's name!"

Gong Yi sucked in a breath of cold air. was that so? He had no memory of it at all.

However, he knew very well who he was sleeping with. He was an open and aboveboard person. He would never do something like looking for another person's shadow on one person.

That kind of self-deception was too stupid.

“Look, you have nothing to say, right? Gong Yi, don’t deny it. You still love Ye Xiaotao. You’ve loved Ye Xiaotao for more than twenty years. How could you forget about her and fall in love with me in such a short period of time? You’re simply using me by being together with me!”

Gong Yi realized that girls were really unreasonable when they hold on to something. He fully understood a sentence — when scholar meets soldier, it is hard to explain anything to each other.

He didn’t feel that he had done anything wrong. Love was a wonderful, mysterious thing. He fell in love with Ye Xiaotao, so he waited for more than twenty years. Then, at the right moment, he suddenly fell in love with Bai Beibei. Then, he let go of the past and opened his heart.. to start another love.

In his world, love was never measured in terms of time, as long as he was willing.

He had a clear conscience.

“Beibei, I swear, I am not searching for any shadow of her in you. I’m completely devoted to you. I like you.”

Bai Beibei did not dare to listen to him anymore. His confession and retention were enough to pierce her heart with thousands of arrows. In fact, she had never cared about it. Whether it was the substitute, she only wanted to be with him.

But now, she couldn’t do it anymore.

He was a noble and clean man. She couldn’t defile him.

“Gong Yi, that’s it. I don’t want to listen to your lies anymore. I’m leaving first.”

“Stop!” Gong Yi took a deep breath and growled.

Bai Beibei was scared. The man’s expression was very scary at this moment. His eyes were burning with anger, as if he would lose control in the next second.

She took a step back in fear.

Gong Yi saw this expression and moved his thin lips. He took a step forward. “You’re scared now?”

Bai Beibei looked at him timidly.

“I really want to strangle you to death!” He gritted his teeth fiercely.

Bai Beibei shrunk her neck.

“Let’s go. Let’s go back first. Calm down. We’ll talk tomorrow.” Gong Yi held her cold little hand and led her away.

Bai Beibei followed behind him passively. As she looked at his tall and handsome back, her eyes became moist once again. Boiling tears were already rolling in her eyes.

...

In the Lamborghini.

Gong Yi asked, "Where should I send you now?"

Bai Beibei looked out the window. It was already early in the morning. The entire city seemed to have fallen asleep, but her heart had never been so clear-headed.

"Send me back to the villa."

"Okay."

...

More than an hour later, the car stopped outside the villa.

Gong Yi opened the car door in a gentlemanly manner. "We're here."

"Thank you," Bai Beibei said, then raised her foot.

"Beibei, don't mention breaking up again. I won't agree to it."

Bai Beibei didn't turn around. She knocked on the villa's door.

Soon, the door opened and she walked in.

Inside the villa.

The living room was brightly lit. Sun Xiaoxiao wasn't asleep, so she immediately went up to greet her. "Beibei, you're finally back. Where have you been? Mom was so worried when she couldn't find you."

If it had been yesterday, Bai Beibei would have felt warm, but now she only felt numb in her heart.

She looked at Sun Xiaoxiao seriously. Her expression didn't change at all, and she was still playing the role of a loving mother. Just how tough and strong is her heart to be able to keep up this farce?

"Then where do you think I should be? Still in your office?" Bai Beibei curled the corners of her lips into a smile, and hot tears began to fall.

Sun Xiaoxiao quickly grabbed Bai Beibei's small hand. She said in panic and guilt, "Beibei, I'm sorry. I was forced into this matter between you and Li Xiyang."

"Oh, is that so?"

"Beibei, listen to Mother's explanation. The situation is like this. Li Xiyang threatened me, and he has something on me. He forced me to do this."

"Something?" Bai Beibei laughed. "How many secrets do you have that I don't know about?"

"Beibei, Mom doesn't have any secrets. There's only one thing I've kept from you. I've been with Bai Shida for two years. I tricked him into smoking marijuana. If you smoke too much of that stuff, you'll go insane, and you won't be able to control yourself. That day, Qian Lan came to the coffee shop to pick a fight with me. I deliberately provoked her. I knew that she would vent her anger on Bai Shida when she

went back. That way, the husband and wife would fight among themselves. Sure enough, things went smoothly. Bai Shida strangled Qian Lan to death.”

Bai Beibei’s black and white pupils contracted violently. She simply could not believe her ears. “What are you talking about? You let Bai Shida take drugs? This is against the law!”

“Beibei, Mommy has no choice. Bai Shida and Qian Lan ruined my life. I hate them. I can’t sleep or eat well the day they’re alive. I must make them go to hell!” Sun Xiaoxiao revealed a ferocious expression.

This was the first time Bai Beibei had seen Sun Xiaoxiao reveal such an expression. She had removed her young, beautiful, and elegant outer clothing, and it was as if she had revealed her true self.

Right now, Bai Beibei can no longer recognise the person in front of her. Her mother feels so unfamiliar.

“You let Bai Shida take drugs, and you personally orchestrated Qian Lan’s death, leaving behind the chaos in the Qian family. Not only are you not scared, but you are also fearless. You want to steal the Qian family’s property because you have me. You know Gong Yi is my boyfriend. You used me!”

Bai Beibei broke free from Sun Xiaoxiao’s hand and took a few steps back.

“Beibei, Mommy isn’t using you. Don’t you hate Bai Shida and Qian Lan? Isn’t Mommy’s hatred your hatred too? We, mother and daughter should remain united and share a common enemy.”

Heh, heh heh..

Bai Beibei only wanted to laugh. United, what a joke...

Boiling hot tears poured out of her eyes. Bai Beibei looked at the ceiling above her head. At this moment, her entire world had collapsed. She felt that her life was superfluous. It was just a joke.

“Li Xiyang found out about these things and held something against you, so you sent me into Li Xiyang’s bed? In your heart, what am I? What am I? Mom, you are my mother. How can you treat me like this?”

“Beibei, then what do you want Mommy to do? Li Xiyang said that if he can’t get you, he will let me go to jail.. Do you really have the heart to watch Mommy go to jail?” Sun Xiaoxiao asked back.

Chapter 1325: Bai Beibei, Marry Me

Her tone was so righteous and confident. She did not realize her mistake at all and did not reflect on herself at all. Bai Beibei really wanted to ask her, would her conscience not hurt?

She took Qian Lan’s life. She used Gong Yi to send her daughter to another man’s bed. She was vicious and insatiable, but she still thought that it was only right.

Bai Beibei did not know how her mother had become like this?

She was not her mother, definitely not!

Perhaps in her mother’s heart, Bai Beibei should not have been angry when she had sent her to Li Xiyang’s bed. Instead, she should have hugged her happily and said, “Mom, you’ve worked hard.”.

What exactly was she?

“Beibei, things have already come to this. Just stay with Li Xiyang. I’ve already said it before. Gong Yi is not a good person. He just wants to play with you. He won’t be responsible for you. He’s just like his father, a hypocrite with a sanctimonious appearance...”

“Mom, was it really Uncle Gong who had bad intentions towards you eighteen years ago?”

Sun Xiaoxiao froze. “Beibei, what do you mean? Don’t tell me you’re suspecting Mommy?”

She was the first to strike.

Bai Beibei sneered. “Only you know what happened in the past. As long as your conscience is clear.”

After saying that, Bai Beibei went upstairs.

“Beibei, where are you going? Just help Mommy. If you don’t help Mommy, Mommy will be dead for sure this time.”

“Help you? How else do you want me to help you? I’ve already been tainted by Li Xiyang. I’m already dirty. I’m no longer worthy of Gong Yi. I don’t even dare to let him know the truth. Congratulations, I’ve already broken up with him!”

“That’s great, Beibei. Then you can be with Li Xiyang.”

Bai Beibei only wanted to laugh. “Mommy, I’ll ask you one last time. Other than these, what other things are you hiding from me?”

“Nothing.” Sun Xiaoxiao shook her head affirmatively.

Bai Beibei almost believed her so calmly. Her tears were like beads that had lost their thread, blurring her vision. “Mom, do you still want to continue acting? What did you put in the soup that you gave me?”

Sun Xiaoxiao froze.

“Mom, my dear mother, you drugged the soup. You wanted me to miscarry and have an abortion. Mom, do you know that a miscarriage like that can result in death? Aren’t you worried that I’ll bleed to death?”

“Beibei, what are you saying? Mommy doesn’t understand. I didn’t drug you. Did you misunderstand?”

Sun Xiaoxiao denied it. She will never admit it. No, she did this without anyone knowing. How did Beibei know?

It was very easy to miscarry when she was three weeks pregnant. She was thinking that if Li Xiyang had done something more serious, or if her emotions were agitated, it would have resulted in the miscarriage. In that case, no one would suspect her.

She had directed a ploy to appeal to Beibei's emotions. Her Beibei was simple and gullible. She would definitely not leave her poor mother alone. At that time, she would be able to control her.

What was going on now?

Bai Beibei looked at Sun Xiaoxiao's frightened expression and smiled, "Mom, Heaven is fair and expose the bad deeds one way or another. You definitely didn't expect that I didn't even take a sip of the soup. I poured the soup into the bonsai by the windowsill. Today, that bonsai died and was coincidentally seen by Si Si. Si Si gave the bonsai to the professor of our school's medicine department to take a look. The professor smelled the scent of red flowers. Mom, don't you think it's funny?"

Before this question, Bai Beibei had already thought that this was the only chance she could give her. If she were to be honest with her, she might still have the last bit of softness in her heart, but she didn't.

Bai Beibei looked at the crystal chandelier in the living room. She was thinking that her life was a tragedy. Perhaps her mother had never gone crazy during those years. Her birth was a stain in her mother's life. She hated Bai Shida, so her mother also hated her.

Even if she was a piece of meat that fell off her body.

Now, she was using her like a toy.

Sun Xiaoxiao was unable to defend herself, but she still refused to give up and admit defeat, "Beibei, mother is doing this for your own good. This child really can't be born. You and Gong Yi won't end up together. Mother doesn't want you to become a single mother because that would be very hard..."

"Beibei, you have to believe that Mommy loves you. Don't doubt Mommy's love..."

"Enough!" Bai Beibei shook off Sun Xiaoxiao's hand. "A person like you doesn't deserve to be called a mother. I'd rather be an orphan!"

After saying this, Bai Beibei lifted her feet and went upstairs.

...

After returning to her room, Bai Beibei immediately went into the bathroom. She turned on the shower and let the warm blood flow from the top of her head all the way to the bottom of her feet.

She used a towel to rub her body with all her might, trying to wipe away all the traces of Li Xiyang on her body. However, this was only self-deception. It was impossible for dirty things to become clean.

She used two small hands to cover her face, letting the tears flow through her fingertips.

It was over. Everything was over.

From then on, her life would only be black and white.

Her mother-in-law had left, and Gong Yi could no longer love her. She had become human again.

...

Bai Beibei did not sleep the entire night. At six o'clock in the morning, she left the house and walked alone on the street in a daze.

In the end, she walked to school. She still had to continue going to school, or else she would be like a wandering ghost.

In the school, there were many students gathered in front. The students all raised their heads and looked at the sky. "Wah wah!" They screamed, "Look, there are so many balloons there."

Bai Beibei raised her head and was stunned. There were really so many balloons floating in the air. "Bang bang!" The balloons exploded, and the colorful ribbons floated down like a rainbow rain.

"Wow, it's so beautiful, so romantic. This is going to be on the entertainment headlines tomorrow. Is it some boy's surprise for a girl? A courtship? A marriage proposal?"

All the students in the school were attracted by this spectacle.

"Look, look, there are words on the ribbon. 'Bai Beibei, I love you... Bai Beibei, marry me...'"

Hearing her name, Bai Beibei's long eyelashes fluttered. She looked down at the ribbon at her feet. Her name was really on it.

At this moment, the sound of brakes was heard. The Lamborghini stopped and Gong Yi walked out.

Today, the man was wearing a white shirt and a short leather jacket. He looked relaxed and handsome, holding a bouquet of beautiful roses in his hands.

The crowd consciously made a path for him, and he walked towards her step by step.

Gong Yi came to her side. He gazed at her gently, then slowly knelt down on one knee. "Beibei, marry me and be Mrs. Gong. In the future, I'll work hard to make you happy. I won't let you suffer for a day."

"Wow!" The crowd instantly exploded. Everyone looked at her with admiration and envy.

Chapter 1326: Someone Wants to Meet You

Bai Beibei felt like she was in a dream. This scene only appeared in fairy tales. Now, she had become the princess in the story.

She had never dreamed that there would be such a day. One day, he would give her roses, get down on one knee, and propose to her. Under everyone's witness, he would make a promise to her for the rest of his life.

But now, he has done it.

"Wow, Beibei, you're so lucky. Young Master Gong has proposed to you!"

"That's right, Beibei. What are you daydreaming about? Hurry up and agree. You're about to become Young Master Gong's wife. You are the envy of all the girls in the capital. You're a legend."

"Get married, get married, get married!"

The cheers of the spectators grew louder and louder. At this moment, an exquisite little box appeared in Gong Yi's hand. The box opened, and inside lay a diamond ring.

He took out the diamond ring and looked at Bai Beibei with deep affection. "Beibei, marry me. Be my little bride. We'll form a family. I'll make you the happiest girl in the world."

Gong Yi held her soft little hand and slowly put the diamond ring on her right hand.

However, Bai Beibei pulled her little hand back. "Gong Yi, I'm sorry..."

She turned around and ran away.

Bai Beibei rejected his proposal and ran away in public. The scene instantly exploded. Everyone looked at Bai Beibei in disbelief.

Had she gone mad?

Young Master Gong had proposed to her. This was the dream of all the girls in the capital, but she had actually run away?

She had really gone mad!

Gong Yi slowly stood up. He looked at Bai Beibei's back as she left. A dark light flashed through his narrow eyes. She was really abnormal.

What had happened to her?

Or did she really mind the past between him and Ye Xiaotao?

...

Bai Beibei ran out of the school and walked alone on the street. At this moment, a tall and straight figure appeared in front of her. It was Li Xiyang.

Li Xiyang was looking at her.

Bai Beibei felt gross and disgusted at the sight of this man. Why did he want to infiltrate her life? Why did he want to destroy her?

"Just now at school, Gong Yi proposed to you?" Li Xiyang asked.

Bai Beibei's hands by her side were clenched into fists. Her eyes were red as she stared at him.

Li Xiyang was unmoved. On the contrary, he was very happy. "Beibei, my good girl, you did the right thing. Break up with Gong Yi and be with me."

"Even if I break up with Gong Yi, I won't be with a violent criminal like you!" Bai Beibei said through gritted teeth.

"Beibei," Li Xiyang's gaze darkened, "Looks like your mother didn't communicate it well with you."

This was a threat.

Bai Beibei's lips turned pale, "You have evidence of her in your hands, right? Then go look for her!"
Li Xiyang's expression changed, "She's your mother, the evidence in my hands can put her in jail..."
"She's not my mother! She's not!" Bai Beibei screamed and left angrily.

..

Bai Beibei did not know where she should go. The world was big, but there was no place for her.
She sat on the bench on the street for the whole afternoon. At night, she returned to the dormitory and lay on the bed to sleep.

Tonight was destined to be sleepless. She did not feel sleepy at all.

When she woke up in the morning, there were a few more calls on her phone. There were calls from Sun Xiaoxiao, Li Sisi, and Gong Yi.

She looked at Gong Yi's familiar phone number a few times. Her eyes were teary. She missed him so much.

At this moment, the phone screen lit up. The person she missed in her mind had called her.

Gong Yi had called.

Bai Beibei was stunned for a few seconds before she pressed the button to accept the call.

"Hello, Beibei. I'm waiting for you downstairs. Hurry up and come down."

"Gong Yi, I've already said it many times. We..."

"Beibei, I'll take it as a joke. I won't accept the breakup. Hurry up and come down. I'll bring you to meet someone."

"Who is it..."

The call was hung up after two beeps.

Bai Beibei was stunned for a moment before she got up. She tidied herself up and went out.

...

The Lamborghini was parked downstairs. Gong Yi was leaning against the car with his tall legs. The car was beautiful and handsome. This scene attracted the attention of many girls.

Bai Beibei walked over.

"Beibei, you're here?" Gong Yi held her soft little hand. "Get in the car."

"Where are you going?"

"We'll know once we get there."

Half an hour later, the Lamborghini stopped in front of a western restaurant. Gong Yi held her little hand and came out. "Come, let's go in. There's someone who wants to meet you."

Bai Beibei didn't know who it was. She followed behind Gong Yi. Looking at his handsome back, she really wanted to lean on him.

In a western restaurant, an exquisite and beautiful woman sat at a table by the window. The woman was eight months pregnant and had put on some weight. Her face was white and red, and she was bathed in a soft luster glow.

"Xiaotao," Gong Yi called out.

Ye Xiaotao looked up. She stood up and revealed a bright smile. "Gong Yi." Then her gaze fell on Bai Beibei, sizing her up kindly.

Bai Beibei was shocked. She thought that her eyes were playing tricks on her. She actually saw... Ye Xiaotao.

She had only seen Ye Xiaotao once, at the wedding in Hong Kong. However, women were a delicate and sensitive bunch. She had a photographic memory of her man's ex.

Moreover, Ye Xiaotao was so dazzling.

"Xiaotao, let me introduce you to my girlfriend, Bai Beibei. Beibei, this is Xiaotao," Gong Yi introduced generously.

"Ye... Miss Ye, Hello..." Bai Beibei felt like her tongue was tied. In her heart, she regarded Ye Xiaotao as an idol, a driving force to move forward and worship her.

"Beibei, right? I'm older than you by a few years. You can call me Sister Ye. I'm not unfamiliar with you at all, because Gong Yi often mentions you to me." Ye Xiaotao smiled.

Often mentions her...

Bai Beibei looked at Gong Yi in a daze.

Gong Yi immediately reached out to stroke her hair, then gave her an innocent look. It was as if he was saying — see, you've misunderstood me.

"Aiya, are you guys showing off your affection in front of me? Gong Yi, you called me over from Hong Kong to say that there's an urgent matter that needs my help. In the end, now that I'm here, you're only feeding me this dog food?"

Bai Beibei's pale little face flushed a little.

"Xiaotao, Beibei, you can chat. I'll go outside and say hello to CEO Leng." Gong Yi turned around and left.

CEO Leng?

Bai Beibei looked through the window and saw a black luxury car parked outside. A tall and straight figure stood beside the car. The man had both his hands in his trouser pockets. His expression was indifferent and serious, giving off an aura of being a thousand miles away from others.

Leng Hao.

Bai Beibei thought to herself, is this Ye Xiaotao's husband? He looks like a cold and hard man. She didn't expect a girl as radiant as Ye Xiaotao to choose such a glacier-like man.

Chapter 1327: No Pouting

The waiter served two cups of milk. Ye Xiaotao added a little sugar and took a sip. She looked at Leng Hao outside the window, her face filled with bliss.

"Beibei, to be honest, I've wanted to meet you for a long time. I want to see what kind of girl Gong Yi fell in love with for the second time."

Bai Beibei lowered her eyes shyly. Then she must be disappointed, because she was just an ordinary girl.

"Sister Xiaotao, did Gong Yi really... mention me to you?"

Bai Beibei knew that she shouldn't have asked. In her current state, it was already impossible for her to be with Gong Yi. If she continued to fantasize like this, both of them would be hurt.

However, she couldn't control herself. She was a little curious, a little moved..

"Yeah, I remember the first time Gong Yi mentioned you to me was at my wedding. He said that he met a girl and he couldn't handle it. At that time, I even laughed at him."

At the wedding...

Was it the day that she chased after him to Hong Kong?

Bai Beibei tugged at the hem of her skirt and felt a layer of sweat on her palms. It turned out that she had really misunderstood him.

That night, he did not think of her as Ye Xiaotao, nor did he look for a shadow on her. He was really with her because he liked her.

"Beibei, Gong Yi is actually a very simple person. The person he likes will be protected by him for the rest of his life. Although he is a rich and haughty person, he is still a very innocent boy. He has liked me for a long time, but we have never really started, so you are his first love."

First love..

This word was too beautiful. Bai Beibei felt her heart palpitate with excitement.

"Gong Yi and I are in frequent contact now. Every time I contact him, he will mention you. I remember one time I showed him one of my paintings very seriously and asked for his opinion. In the end, he said that you were here and directly hung up the video between us. Beibei, I can see from his eyes that he really likes you."

Bai Beibei held the cup of milk in her hand. The heat from the cup was constantly transmitted to her palm. She said in a helpless and lost voice, "I let him down..."

"Beibei, did something happen between the two of you? I'm so pregnant now, but Gong Yi asked me to do it. I know he must have encountered some thorny problem. Since the problem has appeared, let's solve it together."

Bai Beibei lowered her head and didn't say anything.

Ye Xiaotao asked tentatively, "Beibei, did you fall in love with someone else?"

"I didn't!" Bai Beibei suddenly raised her head and looked at Ye Xiaotao in panic.

Ye Xiaotao smiled. "Since the two of you are still in love, then it shouldn't be a big problem."

How could it not be a big problem?

The problem was too big.

"Beibei, it's easy to fall in love, but difficult to get along with each other. Every relationship will encounter setbacks. Back then, my husband and I were the same, but we know the most important thing in a relationship, and that is trust and honesty."

"You still love Gong Yi, so you definitely hope that you can blossom and bear fruit with him. However, if you keep everything in your heart and don't tell him, the two of you will only go further and further away. Gong Yi was a man who could give girls a sense of security. Beibei, I advise you to open your heart to him. Leave the problems that you can't solve to him. You just need to trust him."

Can I?

Can I do this?

Bai Beibei became more and more confused.

...

Half an hour later, Ye Xiaotao came out of the Western restaurant.

Just as she stepped out of the door, a strong arm wrapped around her waist. Leng Hao held her firmly in his arms and asked in a low voice, "Are you feeling unwell?"

Ye Xiaotao's eyes curved into a smile. "Am I that weak?"

Leng Hao's expression was hard and cold, and there was a hint of displeasure between his brows. He did not say anything and just hugged her as they got into the car.

"Gong Yi, I've helped you with everything I can. The rest is up to you." Ye Xiaotao winked at Gong Yi playfully.

Gong Yi cupped his fists. "Thank you."

Ye Xiaotao wanted to say something, but Leng Hao had already opened the door of the passenger seat and gently and domineeringly pushed her in. It was obvious that he did not want her to talk to Gong Yi anymore.

Ye Xiaotao, ...

She looked at Gong Yi apologetically.

How could Gong Yi not understand? He raised his straight eyebrows and gave Ye Xiaotao a look — hurry up and coax your husband.

Ye Xiaotao indicated that she had received it. She waved her hand and said, “Gong Yi, 88.”

“Yes, 88.”

As soon as she said that, the luxury car drove off.

Gong Yi was also speechless. This Leng Hao was still very jealous.

...

In the luxury car.

“Hubby, are you angry?”

Leng Hao looked ahead and focused on driving. He snorted, “It’s good that you know.”

“But, I don’t know why you’re angry...”

“The Doctor said that in another month, you’re going to give birth.”

Speaking of this, Leng Hao was angry. With such a big belly, it was no longer suitable for her to go back and forth, but because of Gong Yi, she insisted on coming.

Was Gong Yi more important than his son?

Leng Hao’s face darkened.

“TCH, Hubby, don’t use the baby as an excuse. I think you’re jealous,” Ye Xiaotao said the truth.

“I’m not.”

“Really?”

“Well, I’m with another man, but you’re not jealous. I’m sad.” Ye Xiaotao frowned and pouted.

Leng Hao glanced sideways at her coquettishly and said hoarsely, “No pouting.”

“Then you admit that you’re jealous.”

“I’m jealous.”

Ye Xiaotao immediately smiled like a flower. She leaned over and held his strong arm, saying coquettishly, “Hubby, don’t be too nervous. The Doctor said that the baby is great. Proper exercise is good for me and the baby.”

Leng Hao snorted.

Ye Xiaotao looked at his proud expression and reached out her small hand to touch his lower body.

He had already stood up when he saw her pouting. Now that he was ambushed by her, Leng Hao's whole body shook and the steering wheel almost tilted.

"Ha, Haha..." Ye Xiaotao covered her mouth and snickered. "Hubby, where's the self-control that we agreed on?"

Leng Hao turned his head to look at her charming voice that sounded like a crisp bell. He wished he could press her down and bully her. He had been a monk for a long time.

However, he couldn't.

Thus, under her teasing gaze, his handsome face turned red.

A cool breeze blew in from the car window. Leng Hao faced the gorgeous sunlight and curled the corners of his lips.

...

In the Western restaurant.

Bai Beibei felt a piece of the sofa beside her collapse. The healthy and clean scent of a man hit her nose. Gong Yi sat beside her.

"Do you believe me now? I'm innocent." A deep and magnetic voice sounded in her ears.

Bai Beibei's heart skipped a beat. She didn't even have the courage to look at him.

Gong Yi stretched out his muscular arms and hugged her slim waist. His thin lips moved closer to her face and kissed it. "Beibei, you're acting very strangely, do you know that? Tell me if there's a problem, HM?"

Chapter 1328: Giving You a Chance to Be Honest Now

His breath brushed against her ear, and Bai Beibei's heart melted. If this continued, she would be bewitched by him and tell him everything.

"Let go of me!" Bai Beibei pushed him away forcefully.

Gong Yi stepped back a little, and his pitch-black narrow eyes fixed on her face.

Bai Beibei looked at his current appearance. He didn't say anything, only using his deep and sharp gaze to size her up. It was as if he could see through her thoughts in the next second. He wasn't someone she could withstand.

"I'm going to the bathroom." Bai Beibei fled in panic.

Gong Yi watched her back without batting an eyelid, pursing his thin lips.

At this moment, a melodious ringtone rang. It was a call.

It was Bai Beibei's phone. Her phone had fallen on the table.

Gong Yi took a glance and it was Sun Xiaoxiao's phone.

He prided himself as a gentleman. If it were any other time, he would definitely not pick up her call. However, at such a sensitive time, he hesitated for a moment before picking up the phone.

He picked up the phone.

"Hello, Beibei." Sun Xiaoxiao's voice was quickly transmitted over. "Hurry up and save Mommy. Li Xiyang called me just now. He said that you don't agree to be with him."

Gong Yi frowned and didn't say anything.

Sun Xiaoxiao continued, "Beibei, Li Xiyang has something on Mommy. You're forcing Mommy to go to jail. Beibei, I'm the only family you have left in this world. Don't tell me that you don't even want Mommy because of Gong Yi?"

"Beibei, just accept the reality. You've already slept with Li Xiyang. If Gong Yi knew about this, would he still want you? Stop fantasizing..."

Gong Yi was shocked on the spot.

At this moment, Bai Beibei walked out of the bathroom. She stopped because she saw Gong Yi holding her phone in his hand. He was listening to her call.

Bai Beibei immediately panicked. She ran forward and snatched the phone from his hand. Then, she asked, "Why did you eavesdrop on my call?"

Gong Yi's face was ashen. He slowly stood up, his eyes turning red. He stared fixedly at Bai Beibei and moved his thin lips. "Let me ask you, do you have anything you want to say to me?"

Bai Beibei's nerves were already stretched taut, as if they would snap in the next second. She reflexively shook her head. "No."

"Alright." Gong Yi nodded. "Bai Beibei, you're really good!"

He turned around and left.

Gong Yi was gone, he was really gone. Bai Beibei watched as his figure slowly disappeared from her world. Her entire person was like a piece of wood floating in the ocean.

He was gone. Even he was gone!

He didn't want her anymore!

Bai Beibei didn't know what she was doing. By the time she reacted, she had already caught up to Gong Yi. She grabbed Gong Yi's hand.

"Gong Yi, don't go." She called his name.

Gong Yi stopped and looked at her. The girl's face was covered in tears.

Gong Yi's expression softened a little. He said, "I just answered your mother's call. Don't ask me what I heard. I'm giving you a chance now. Tell me the truth."

Bai Beibei's nose was red. She grabbed the corner of Gong Yi's shirt in panic. She only had one thought. She didn't want him to leave. She didn't want him to leave.

If he left, he would never come back.

"I'm sorry, I'm sorry..." Bai Beibei apologized profusely, "I'm really sorry, I was... Li Xiyang... Li Xiyang..."

Bai Beibei really couldn't say it out loud. She could only cry and burst into tears.

Gong Yi looked at her, then held her little hand and dragged her out.

He opened the Lamborghini's passenger door and asked her to get in.

Gong Yi stepped on the accelerator to the bottom, and the Lamborghini sped through traffic at the top speed.

Bai Beibei had never driven at such speed before. She was scared and uncomfortable. She felt like she was going to die. She secretly thought that it was better to die like this.

She covered her face with her two small hands and sobbed, "I'm sorry, Gong Yi. We agreed to meet in front of the Civil Affairs Bureau that day, but my mother called me and told me to look for her in the office of the coffee shop. She said that the Qian family came to find trouble and that you were not feeling well. I went, and then I fainted. When I opened my eyes, I was already defiled by Li Xiyang."

"My mother gave Bai Shida marijuana and caused Qian Lan's death. Now that Li Xiyang has this leverage, he wants me to be with him."

"I don't want to be with Li Xiyang. I really hate him. I don't want to break up with you either. I want to be with you for the rest of my life, but... but I'm already defiled. I know that you won't want me anymore."

"I'm sorry. I didn't protect myself well. I really didn't know that my mother would treat me like this. I've always longed for my mother's love. I always thought that my mother loved me, but she only used me. She even drugged my soup and tried to make me miscarry. I don't know what I am to anyone anymore."

"My birth was a mistake. No one liked me. I don't even know what I did wrong. I'm really in pain. Last night, I wanted to close my eyes and never open them again..."

Gong Yi pursed his thin lips into a cold arc. He looked at the girl who was in pain, but he didn't say anything. He just drove.

...

Half an hour later, the Lamborghini stopped in front of the apartment.

Gong Yi opened the passenger door and pulled her out again. Bai Beibei stumbled up the stairs with him, and then Gong Yi threw her into the room.

“You stay here, you’re not allowed to go out!” Gong Yi closed the door.

Bai Beibei slumped on the carpet. She curled up her legs and buried her little face in it. At this moment, her tears were flowing like a river.

In the living room, Gong Yi had his hands on his waist as he paced back and forth. He took a deep breath and tried hard to suppress his temper that was about to go out of control.

But when he thought of her and Li Xiyang... the veins on his forehead were already throbbing.

Actually, he had already vaguely guessed what had happened, but he did not expect things to be so serious. Li Xiyang, Sun Xiaoxiao... he punched the coffee table.

There was a crack on the coffee table, and his knuckles were bleeding. Sitting on the sofa, he calmed down.

Holding his phone, he made a call.

“Hello, President...”

“Ajie, have you found Li Xiyang’s whereabouts that day?”

“President, I have found it. That day, Li Xiyang went to a coffee shop on XX road. Later, Miss Beibei also went in. About two hours later, they came out one after another. Oh, President, you and Sun Xiaoxiao went in too.”

Gong Yi remembered that he did go to the coffee shop. He even opened the door of the office, but Sun Xiaoxiao came later and interrupted his footsteps.

Perhaps it was at that time that Beibei was tainted by Li Xiyang.

Chapter 1329: You Were Bullied. Why Didn’t You Tell Me

Why was it that they are always a step away from missing each other?

Gong Yi was filled with regret,

However, there was no medicine for regret in this world. The key now was, what should he do?

Li Xiyang, Sun Xiaoxiao. He would not let any of them off.

...

Bai Beibei had cried enough. She sat on the carpet in a daze. Her mind was in a daze. She did not know what she was thinking.

At this moment, the door to the room suddenly opened, and Gong Yi walked in.

Bai Beibei looked up and saw the wound on his hand. His fair hand had been cut a few times, and it was still bleeding.

“What happened to your hand?” She quickly got up from the carpet and held his hand.

What a beautiful pair of hands. Just like him, they were pristine and delicate, but now they were injured like this. Bai Beibei’s heart ached.

Gong Yi didn’t say anything, only looking at her.

“Hurry up and sit down, I’ll help you bandage your wound.”

Bai Beibei pulled him to the side of the bed, then took out a small medical kit and helped him bandage his wound.

Gong Yi looked at her fair, jade-like face, and his eyes softened.

“It’s done.” After bandaging his wound, Bai Beibei stood up and kept the small medical kit.

She stood up while Gong Yi sat down. The two of them were in a deadlock.

Bai Beibei was the first to break the silence. “I’ll... go back first...”

“Go back where?” Gong Yi asked.

Bai Beibei didn’t know either. She didn’t have a home anymore. “I’ll go back to school first...”

She turned around and left.

However, her slender wrist was grabbed by the man. “What should we do in the future?”

She heard him ask what to do..

Tears welled up in Bai Beibei’s eyes, and she looked down in panic, “Just now at the... western restaurant, I was just a little... reluctant to part with you, but we’ve already... broken up. In the future, I won’t come looking for you anymore. Forget about me, you can find... a better... girl...”

Before she could finish her sentence, Bai Beibei felt that her wrist was about to break, because the man held her tightly.

“You’re always like this. You want to be a deserter. If I didn’t pick up your call, do you plan to never tell me?”

Crystal-clear tears rolled down her cheeks. Bai Beibei sobbed, “What can change from me telling you? I don’t want to become a... unbearable... girl in your heart. I don’t want to make you... embarrassed...”

Her frail shoulders trembled non-stop. She looked so lonely and helpless. Gong Yi slowly let go of her wrist, then stepped forward and hugged her.

His large palm held the back of her head, and he pressed her small head into his embrace. "What I'm asking is, you were bullied by others. Why didn't you tell me?"

These words shocked Bai Beibei. She didn't expect him to say such words after knowing the truth.

He even felt sorry for her.

"Gong Yi, I'm sorry..." Bai Beibei stretched out her two small hands and hugged his muscular waist tightly. She burst into tears.

The oppression and pain of the past few days had been released at this moment. She didn't want to ask about tomorrow. She just wanted to quietly lean on him and rely on him.

Gong Yi caressed her hair with his hands. "Don't say you're sorry. You haven't wronged anyone, and you haven't done anything wrong."

In the car, she painfully asked her what she had done wrong. This was a devastating blow to her. She had always longed for her mother's love, but her mother had betrayed her. She loved him deeply, but Li Xiyang had taken away her innocence, at this moment, her world had collapsed.

She felt that it was all her fault. That was why she had stayed in front of her mother-in-law's tombstone for the entire night. She was so terrified and helpless.

Gong Yi was furious. Something like this happened to her, but he wasn't the first to know.

In fact, she had even thought of breaking up with him behind his back.

Could it be that she didn't trust him that much?

"Gong Yi, what should I do in the future? I've already... lost my way. I'm already lost..."

"Beibei, I won't break up with you," Gong Yi said with certainty.

"But, I've already been defiled. I'm no longer worthy of you..."

"I've already said, this isn't your fault. If I break up with you because of these things, then you're underestimating me too much. You're belittling my sincerity towards you."

Bai Beibei shook her head. "Not only that, Li Xiyang also... threatened me. He wanted me to break up with you and be with him because he has... photos..."

"What photos?"

Bai Beibei only cried and didn't say anything.

She couldn't say it out loud.

Gong Yi guessed that it was probably some erotic bed photo or something. His handsome facial features suddenly became sharp, and even his breathing became heavy.

Bai Beibei was sensitive enough to sense his change. She knew that even if they were forced to be together, this knot would always exist.

She also had a grudge in her heart. She could not step out of this hurdle.

Since that was the case, then she would keep a beautiful memory.

“Gong Yi, let’s break up... Mmm!”

Her pink lips were sealed.

Gong Yi kissed her very violently. He forcefully sealed her small mouth and crushed it. He pried open her teeth and hooked her sweet tongue, not allowing her to speak.

Bai Beibei hugged his neck with her two small hands and responded to him passionately. He dared to have her like this, so how could she not dare to respond?

The two of them kissed too intensely. Very quickly, they both tasted the blood in their mouths.

Gong Yi slowly let go of her.

He pressed his nose against her and said in a hoarse voice, “Don’t mention breaking up again in the future. Leave the matter of Li Xiyang to me. I will handle it.”

Can it be done?

Can it be done like this?

Bai Beibei compromised because she really wanted to be with him.

“Also, your mother...”

“She’s not my mother. She doesn’t treat me like a daughter at all!”

“Then leave this matter to me.”

“You’ll handle it? What do you want to do?”

Gong Yi could still see a trace of softness in Bai Beibei’s eyes. In the end, she still couldn’t bear to see Sun Xiaoxiao, her biological mother., “Beibei, your mother has broken the law. Even without Li Xiyang, a person with a twisted personality like your mother is still a ticking time bomb that can explode at any moment. Not only will she hurt you, she will also hurt herself. We can’t tolerate her.”

Bai Beibei’s heart turned cold. He was right. Her mother was already twisted.

“Mm.” She nodded lightly. “Then do as you see fit. I... don’t care anymore.”

“Alright.” Gong Yi responded, then carried her up.

...

When her soft back pressed against the soft mattress, Bai Beibei was shocked. She immediately got up.

“Gong Yi, what do you want do?”

“Love you”

He said two words.

Bai Beibei looked at the crystal chandelier, her two small hands tightly clutching his shirt. “Gong Yi, do you really... not mind?”

“Don’t bring up the past again. Close your eyes and hand you over to me!” Gong Yi reached out to cover her eyes...

Chapter 1330: We Fell for the Same Girl

The next morning, when Bai Beibei opened her eyes, Gong Yi was already gone.

Last night, they had been entangled for the entire night. He had loved her time and time again, and even made her call his name out loud. She felt his warmth and pity, and he wanted her to forget that part of her past.

But could she really be together with him?

At this moment, Bai Beibei felt nauseous. She pressed her small hand on her chest, jumped off the bed, and went straight to the bathroom.

She hugged the toilet and vomited wildly.

Because she had not eaten breakfast, she vomited all the bitter water in her stomach.

What was going on?

She had been constantly feeling nauseous recently. At first, she had not noticed it, but now her gaze froze, because she remembered that she had not had a cycle for a long time.

Her cycle had never been accurate, but this time, it seemed like she hadn’t had a cycle for three or four months.

Bai Beibei stood in front of the mirror and looked at herself. Her small face was so pale that there wasn’t a trace of blood. Her small hands caressed her belly, and she felt that she had a small belly.

Her figure had always been slender, and her small waist was as easy to break as a willow tree. But upon closer inspection, her belly was slightly bulging.

Bai Beibei felt as if she had been pushed into an abyss. Her hands and feet were ice-cold. She thought of a possibility. Was she... pregnant?

Three to four months pregnant?

That’s right. That night, she had sold herself to a stranger. That man did not seem to have used any... protection measures. At that time, she did not understand either, so she had passed it on.

Now, her heart was cold. Was she pregnant... with that man’s child?

Bai Beibei was stunned.

...

In the coffee shop.

When Sun Xiaoxiao saw Li Xiyang, she was very curious. "Beibei asked me to come here. Did she ask you to come as well?"

Li Xiyang looked at his phone. "Beibei sent me a text and asked me to come here."

Sun Xiaoxiao nodded. "Looks like she already has the answer. That's why she asked the two of us to come here."

Since they were already here, they should just take things as they came. Li Xiyang calmly sat down.

Sun Xiaoxiao sat opposite him. "Li Xiyang, when can you hand over the evidence in your hands to me?"

Only then did Sun Xiaoxiao understand a sentence. The mantis stalks the cicada while the oriole follows behind. Her plan was originally very perfect and watertight. However, she did not know that Li Xiyang had already investigated her and even got hold of something against her.

In fact, she did not like Li Xiyang either. In her opinion, this man was sinister and cunning. She had originally planned to let Beibei dump Gong Yi, and then she would choose a son-in-law that she was satisfied with.

This way, she could manipulate her daughter and son-in-law.

"Auntie, what's the rush? I've said it. As long as Beibei agrees to be with me, I'll give you the evidence."

"But, what if Beibei doesn't agree?"

"Auntie, if you don't want to go to jail, then you should work harder to get Beibei to agree to my pursuit."

Did he mean that he had her?

Sun Xiaoxiao's face became distorted, "Li Xiyang, what do you mean? I've already sent Beibei into your bed. What's next should be your own matter to handle. You don't have the ability to make Beibei accept you, yet you're here threatening me. I really despise you."

Li Xiyang's gaze darkened, "Auntie, please speak properly. Otherwise, I don't know if I'll end up leaking out and reveal that you let Bai Shida smoke marijuana and that director Qian Lan died. When that time comes, not only will you go to jail, the Qian family will be the first to not let you off."

"You!" Sun Xiaoxiao gritted her teeth.

At this moment, a low and magnetic voice sounded, "All of you, stop arguing. Because none of you will be able to escape."

Sun Xiaoxiao looked up and saw Gong Yi walking over.

Her expression changed drastically. He couldn't have heard what Li Xiyang said just now, right.

Gong Yi came in front of the two of them and looked at Sun Xiaoxiao, "Auntie, why are you panicking? I'm afraid I've disappointed you. I've heard everything that needs to be heard."

Sun Xiaoxiao immediately stood up, "What did you hear? You better not speak nonsense, or I'll sue you for slander."

Li Xiyang was very calm. "Auntie, why do you have to be so shameless? Even if Young Master Gong heard it, does he have any evidence? Look at you."

Li Xiyang looked down on Sun Xiaoxiao because she was a liability in this.

"Evidence? Xiyang, you don't think that I came unprepared, right?"

Li Xiyang's eyes flashed.

At this moment, a waiter came forward. He took out the bug hidden under the table and handed it to Gong Yi. "President, here."

Sun Xiaoxiao's heart sank. "Gong Yi, you set a trap!"

"That's right. Beibei didn't ask you guys out. I asked you guys out. I'm late because I want to see you guys bite each other." As he spoke, Gong Yi handed the bug to Ajie behind him. "Send this to the police station."

"Gong Yi, you can't do this." Sun Xiaoxiao panicked. "I'm Beibei's mother. If you do this, I'll never let Beibei be with you."

Gong Yi didn't know how a mother like Sun Xiaoxiao could exist in this world. Didn't she feel any love and guilt towards her daughter?

"Auntie, Beibei told me that you're not her mother."

Sun Xiaoxiao was stunned.

Gong Yi's lips curled up, "Also, I'm afraid you'll be disappointed again. Beibei and I will be together forever. No one can separate us. Auntie, you should worry about yourself. Even if you go to jail, the Qian family won't let you off. You should just pray that you can live a few more days."

Sun Xiaoxiao's hands and feet were cold. She knew that the Qian family did not dare to touch her entirely because of Gong Yi. Now that Gong Yi had shed all pretense of cordiality with her, her life was in danger.

She was practically lifting a stone to throw at her own feet.

"Young Master Gong, Young Master Gong, I was wrong. Don't treat me like this. I'm Beibei's mother. It was all him. It was Li Xiyang who forced me to do this. I asked Beibei to be with you. Oh right, Beibei is still pregnant with your child. I'm the grandmother of this child."

Gong Yi had never been a kind person towards his enemies. He hated Sun Xiaoxiao to the extreme, and he endured it to the extreme. Bei bei wouldn't have a good day while she was alive.

"Ajie, send her to the police station. If you have anything to say, let her speak to the police."

"Yes." Ajie pulled Sun Xiaoxiao away.

Sun Xiaoxiao refused to leave. She screamed shrilly, "Young Master Gong, have mercy, save me..."

...

The scene was quiet. The waiter pulled out a chair and Gong Yi sat down elegantly.

Li Xiyang looked at Gong Yi opposite him and clapped. "Young Master Gong, I really didn't misjudge you. You directed a good show and dealt with Sun Xiaoxiao so cleanly."

"Xiyang, we've known each other for five to six years. I sincerely treated you as a brother."

The corners of Li Xiyang's mouth curled upwards. "It's a pity that we fell for the same girl."

"The difference is that this girl loves me and not you."

"So what? Didn't I still sleep with her?" Li Xiyang smiled.

Gong Yi was not angry. "Where's the photo? Take it out."

Chapter 1331: Why are you vomiting

"Photos?" Li Xiyang chewed on these two words carefully. Then, he laughed evilly and said, "Young Master Gong, what photos do you want from me?"

Gong Yi knew that he would lose if he got angry, so he curled his lips. "Beibei's photos."

"Since you know it's Beibei's photos, then let Beibei come over. I'll talk to her."

"What do you want to talk to her about? Do you want her to break up with me and get together with you? Let me tell you, it's impossible in this lifetime."

Li Xiyang fixed his gaze on Gong Yi. "Gong Yi, I really admire you. I've always thought that men like you like virtuous girls, but I didn't expect you to still want to get together with Bai Beibei after I've already slept with her."

"The same goes for you. I've been with Beibei for so long, and she still has my child in her belly. Don't you still like her?" Gong Yi retorted.

"Oh, right, if you're with Beibei, you can be a father."

Li Xiyang's expression changed.

"Xiyang, we're both people who grew up educated in the Western ways, so you don't have to use this matter to provoke me. I don't care, you just have to give me the photos now."

Li Xiyang carefully examined Gong Yi's expression, trying to determine whether he was speaking the truth or not. However, Gong Yi's expression was calm, and he couldn't see what he was thinking at all.

"I've already told you. If Beibei continues to choose to be with you, then I will release the photo of the two of us in bed. At that time, you will be unable to raise your head in Jingdou, and the number one Young Master of Jingdou will become a complete joke."

"Ha, is this how you threaten Beibei?" Gong Yi laughed.

Li Xiyang raised his eyebrows, but didn't say anything.

"Xiyang, I remember that your second company is going to be listed in the United States, right?" As he spoke, Gong Yi picked up his coffee cup and took a sip, "Guess if at this time, I sue you for intentional rape, will your listing plan be affected? At that time, the American authorities will blacklist you because of your character and bad behavior, and your career will probably be ruined..."

"You actually want to sue me? If you sue me, Beibei will be too humiliated to face the public."

"Ha, you don't have to consider Beibei's problem. If you were really being considerate about her, why make things difficult for her? I just want to test between your empire and the girl, who will you choose?"

Li Xiyang didn't expect Gong Yi to be so ruthless. He actually wanted to sue him. Good, as expected, it was a clean cut.

Beibei and his company... Li Xiyang made a decision in his heart. He chose the latter.

"I don't have photos."

"Do you think I'll believe you?"

"Whether you believe it or not, I really didn't take photos."

Gong Yi carefully looked at Li Xiyang's face. "That night, did you really touch Beibei?"

"What do you mean by that?"

"Nothing." Gong Yi stood up and walked to Li Xiyang's side with his long legs. He then threw a punch.

Li Xiyang felt that his jaw was about to dislocate. Blood quickly flowed out from the corner of his mouth.

Gong Yi retracted his arm and straightened his suit. "This punch was given to you on Beibei's behalf." As he spoke, he threw another punch. "This punch was given to you by me. From now on, our friendship is over."

Li Xiyang fell onto the sofa. His teeth were loose.

"Oh right, I forgot to tell you. Beibei and I will be married very soon. You are no longer my friend, so I won't have to invite you. In the future, I don't want to see you again. You'd better take a detour. Otherwise, I will make you pay a painful price."

Gong Yi left in a carefree manner.

Li Xiyang looked at Gong Yi's back and clenched his fists tightly. He suddenly regretted it. He should have really slept with Bai Beibei that night.

In fact, he didn't touch Bai Beibei.

He wanted to touch her, but she cried under his body. She called Gong Yi's name in a daze. He was also a proud person and was unwilling to touch her like that.

After all, he really liked Bai Beibei in his heart.

But now he regretted it. He really regretted it.

...

In the apartment.

Gong Yi returned home, but he didn't see Bai Beibei. Just as he was about to go upstairs to look for her, he saw a delicate figure in the kitchen. Bai Beibei was cooking dinner in the kitchen.

He quietly walked forward and hugged her from behind.

Bai Beibei froze when she was suddenly attacked. However, when she smelled his unique scent, she knew that he was back. She relaxed her body and leaned into Gong Yi's arms.

"Has everything been settled?"

"Yes, it's settled. Don't worry."

"My mother..."

"She will spend her life in prison."

Bai Beibei didn't say anything. Everyone had to pay for their actions. She continued to wash the vegetables in her hands.

"What did you prepare tonight?"

"Beef vermicelli, tea tree mushrooms, and lentils. They're all your favorites."

"Mm." Gong Yi snorted, then hugged her tightly. He hoped that life would go on like this.

"Beibei, let's get married."

Bai Beibei was shocked.

What was he saying?

Gong Yi reached out and grabbed her shoulder, making her turn around. Then, he took out a diamond ring from his trouser pocket. "Beibei, marry me. Be Mrs. Gong."

Bai Beibei's eyes were instantly blurred by tears. She looked at the diamond ring and confirmed that he had really proposed to her again.

How many men like Gong Yi can a person meet in their lifetime?

How many girls had searched and searched for a man like Gong Yi?

She was so lucky and happy.

“Beibei, this is the second time I’ve proposed to you. This time, don’t reject me. Marry me. I love you. In the future, I’ll do my best to make you happy.”

He said he loved her..

And she loved him too!

Bai Beibei nodded vigorously. “Yes, yes, I agree.”

Gong Yi put the diamond ring on her right ring finger and hugged her tightly.

“That’s great, Beibei. From now on, you belong to me, and I belong to you.”

“Yes!”

...

After dinner, Bai Beibei took a shower and went to bed. Gong Yi hugged her tightly.

He held a wedding dress manual in his hand. “Beibei, what style of wedding dress do you like? Pick a style. I’ll get the French fashion designer to customize it for you tomorrow.”

Bai Beibei flipped through two pages and said worriedly, “Gong Yi, your father still doesn’t agree to us being together. Let’s not have a wedding. I’m afraid...”

“Don’t be afraid. I’ll take care of everything. You can just be my bride in peace.”

Although she said this, Bai Beibei was still worried. At this moment, she felt the nauseating feeling return. She quickly broke free from Gong Yi’s embrace and retched.

“Beibei, what’s wrong? Why did you suddenly throw up?” Gong Yi asked nervously.

Chapter 1332: Four Months Pregnant

“Oh, I’m fine. It’s probably something I ate, that’s all,” Bai Beibei explained quickly. She was afraid that he would find out that she might be pregnant.

“I’ll pour you a cup of hot water. It should help.” Gong Yi got out of bed and poured her a cup of hot water.

“Thank you.” Bai Beibei looked upon his actions with great fondness. Gong Yi was always considerate in that way.

Gong Yi bent down and kissed her forehead. “Silly, there’s no need to thank me. From now on, the two of us are one. Drink the water and rest early.”

“Okay.”

...

Bai Beibei arrived at the hospital early in the morning. She wore a mask to conceal her identity.

The doctor asked, “Miss, is there something wrong with your body?”

Bai Beibei could not meet the doctor’s eyes. Stammering out a reply, she said, “I think I’m pregnant.”

The doctor examined her lower abdomen thoughtfully. "How long has it been since you last had your period?"

"Almost four months."

"Four months? Why haven't you gone for a checkup yet? Four months is a long time to be without your period."

Bai Beibei could not answer this question.

"Where's your husband?"

Bai Beibei lowered her head, not saying a word.

"How old are you?"

"18."

The doctor sighed. She was so young. Who would have thought a young woman like her would be pregnant? Society was certainly suffering from serious moral degradation, and it was only going downhill from where they presently stood.

The doctor ordered a panel of tests which he did after receiving her assent. "We'll need a blood sample. It'll help us determine if you're pregnant."

"Thank you, doctor." Bai Beibei accepted the order form and walked out of the examination room after paying the bill.

"Wait here for now. The results will be out in about half an hour." The attending nurse, who drew a phial of blood from her, instructed.

Bai Beibei sat on a bench in the corridor and waited. Time passed. Ten minutes, twenty minutes, and it was not long before half an hour had passed. To her, the wait seemed longer than it really was. It felt like it took forever to get the results of her blood test.

She got up in slow mechanical motions, heading to a counter where she received her test results.

The report showed she was pregnant.

Pregnant!

She was pregnant!

The news hit her like a bolt from the blue. It was so shocking that her hands trembled as she gripped the report stating its findings. If her eyes were lasers, the glare she aimed at the report would have reduced it to ashes.

She did not know what to do.

In the doctor's office, the doctor looked at the report and said, "Miss, according to our test results, you are almost four months pregnant."

Four months...

Bai Beibei recalled the events that took place clearly. She could not be wrong. This child belonged to the man from that night. Even now, she did not know who he was.

He was a stranger to her.

"Everything looks normal. The baby is developing well. Do you plan on giving birth to it?"

Giving birth to the child...

Beibei had not considered it at all.

"Shouldn't you still be in school, Miss? Where are your parents? Didn't they accompany you here?"

Bai Beibei shook her head and said softly, "I don't have any family."

She really didn't have any family. She did not have a father or mother whom she could call her own. She only had her grandmother, and she was six feet under. She did not have anyone left.

The doctor licked his lips and said, "You'll be responsible for the child being its mother. Do you have the means to support the child in your current condition? An abortion at this stage will be very painful for both you and your unborn child. This is something you'll need to consider."

Bai Beibei walked out of the examination room in a daze. Absently, she rubbed her lower abdomen. She had not felt any movement from the fetus in the four months that she had been pregnant. It was as if she was not pregnant at all.

Despite being pregnant for so long, she had not felt any sign of the developing life nurtured in her womb.

Should she keep the child?

There seemed little point in keeping the child – a child whose father was a man she knew nothing about.

Bai Beibei stared at the diamond ring coiled around her ring finger. Gong Yi had proposed to her yesterday, and she agreed. She was about to become Mrs Gong. A future of happiness awaited her. If Gong Yi learnt of the child's existence, what would he do?

He was a good man – that much she knew. He would not allow her to have an abortion. However, could she truly be so selfish? Giving birth to another man's child and forcing him to take care of them both seemed far too much for her to ask for. It would stain his name, shaming him.

She could not bear the thought of being so cruel to him. He was already so tolerant of her, knowing how cheap and dirty she was.

Happiness was within her grasp. She did not want to lose it.

"Doctor, I don't want this child. Please arrange an abortion for me."

The doctor looked up at the girl who had suddenly barged in. "Very well. If you've decided, I'll make the arrangements. Do not inform anyone of who you are. I'll have everything ready by tomorrow morning."

...

Bai Beibei returned home shortly after.

Gong Yi called to say he would be back late that night, so she ate a light dinner by herself. When she had finished her meal, she took a shower and went to bed.

That was the beginning of her nightmare.

She dreamed of a young girl – a young girl who chased her, calling her mother.

The words grated in her ears. She did not want to be a mother, not yet. In her dream, she turned her back on the weeping child, walking away.

The little girl cried out in alarm, chasing her as tears streaked down her porcelain cheeks. She could hear her, then. The cries of 'mother! mother!' The heart-wrenching cries of a child who could not understand what she had done wrong; the frightened cries demanding an explanation as to why she was being abandoned.

"Beibei, Beibei."

Bai Beibei was awoken by a soothing voice laced in concern. Slowly, she opened her tear-filled eyes, covering her face to hide her embarrassment. The pillow she had been lying on was drenched.

Gong Yi wrapped his strong arms around her supple waist and kissed her. "Beibei, what's wrong? Did you have a bad dream? Why are you crying?"

Gong Yi leaned over, kissing away her tears as he did so.

Bai Beibei snuggled into his chest as she hugged his stalwart form for comfort. The warmth he exuded chased away her fears and brought her a sense of relief. It was just a dream. Gong Yi smelled of soap. It had not been long since he showered. His heady scent was a refreshing balm that soothed her.

"Mm... I had a bad dream."

"What kind of bad dream did you have? Tell me."

Bai Beibei shook her head. "I don't remember."

Gong Yi pinched her cheek. "A lot of things have happened recently. I know you're in a bad mood because of shock. I'll spend more time with you after I'm done with what I'm doing. The mental arithmetic competition in America will start in a few days. I'll go with you. I have many friends in America. I'm sure they would love to meet you."

He wanted to introduce her to his friends. Those same friends who had sent her to his room in a feat of matchmaking. Bai Beibei was sure they would be shocked to see them together.

Fate truly had a way of making fools out of them.

Idly, Gong Yi toyed with the idea of revealing the true identity of the man who had claimed her that night. That thought, however, was discarded almost immediately.

It would make no difference once they returned from America. By then, the whole debacle would have been covered up nicely. He saw no reason to come clean since Beibei would learn the truth sooner or later.

To put it bluntly, he chickened out. The mere thought of rejection was enough to stymie any enthusiasm he may have had in revealing the truth.

Bai Beibei remained silent. She was in no mood to consider the competition whatsoever. Her thoughts, insecurities and apprehensions revolved around her unborn child.

Suddenly, her vision went dark. Gong Yi's lips had latched themselves over her cherry-coloured mouth.

He kissed her gently, carefully caressing her. Bai Beibei's eyes widened in fright. She could feel his need from the scalding touch of his skin.

"Gong Yi," she hissed in warning.

Chapter 1333: Her Child

Gong Yi turned over. "I'm sorry. That was rude of me."

He hugged her in his arms, coaxing her.

Bai Beibei shook her head. "It's fine... Gong Yi, I'm sleepy. Please let me go to sleep."

"Mm, sleep. I'll hold you." Gong Yi kissed her forehead. "When you're in a better mood, I'll take you to the hospital for a check-up. Beibei, let's have a child as soon as possible."

Bai Beibei's body stiffened. She closed her eyes, not saying anything else.

She was pregnant. She already had a baby, but it was not his. How ironic was that?

...

Bai Beibei arrived at the hospital early the next morning. The doctor was ready and waiting for her. She changed out of her clothes and entered the operating theatre.

"Lie down on the operating table," the doctor said.

Bai Beibei climbed up onto the operating table with great difficulty. The doctor turned on the operating light, white-washing her surroundings. Feeling uncomfortable with the glare, she raised her hand to shade her eyes.

The doctor noticed how awful her complexion was, so he asked her a question hoping to divert her attention, "Where's your boyfriend? Didn't he come with you? An abortion at this stage of your pregnancy is quite dangerous. You'll hurt for some time after the surgery is completed."

Bai Beibei shook her head. "He didn't come."

The doctor sighed. Opening his medical kit, the doctor laid out his tools for the operation. There were knives, several pairs of scissors, a few long needles, and the like. They glowed coldly under the fluorescent light.

Curious, one of the nurses interning at the hospital asked, "What is this needle for?"

"We'll be using that needle to pierce the patient's abdomen to induce childbirth. The patient will then expel the developing fetus through natural bodily contractions."

The nurse covered her mouth with her hand, exclaiming in horror. "That's so cruel!"

The doctor shook his head. "Women these days really don't cherish themselves."

Bai Beibei gripped the sheets around her with small hands. Her hands were covered in a layer of cold sweat, and her mind turned to the dream she had dreamt.

Though she did not see the girl's face, she knew with keen certainty that only a mother could possess how beautiful her unborn child would be. She imagined the child's fair skin, bright and rosy; her voice a sweet tinkling chime. Her unborn child followed her around, calling her 'mother'. Guilt weighed heavily in her heart.

Bai Beibei always thought of herself as an orphan. Growing up, she never knew the gentle love of a mother. When she regained what she thought she did not possess, it only brought her misery and disappointment. The vision of her unborn child mirrored her own experiences, and for a second, she swore she felt a shadow of her child's own helplessness.

Her child.

No matter who the father was, she was the child's mother.

This epiphany brought tears to her eyes. She wiped away her tears using her small hands, but they continued to fall heedless of her actions. She really liked children.

Her little hand caressed her abdomen. Was she really going to abort this child?

At this moment, she felt the burgeoning life within her kick. It was her baby. Her baby had moved.

Her silent child had moved!

At first, it was once, and then twice. It was almost as if the fetus could feel its life imperilled and was protesting as vehemently as it knew how.

Immediately, Bai Beibei sat up and slid off the operation table, making a beeline out of the operating theatre.

"Hey! Hey! Where are you going?" The doctor chased her frantically.

Bai Beibei ran as fast as her slender legs would allow, panting heavily as if the devil was chasing her. No. She could not proceed with the abortion.

Her child was innocent. She wanted to bring her baby into the world.

Her mistakes were hers alone to bear. She would not push them onto her unborn child.

Life is an amalgamation of one's choices. It is these choices that define our lives. Already, she had let Gong Yi down by carrying the child of another man. Even if she could never redeem herself as his wife, she could still do right by her child and be a good mother to her. She would shower her child in love and kindness, living life to its fullest together.

It was her choice, and she would live with all that it entailed.

Looking up, Bai Beibei saw two familiar figures strolling towards her.

...

Old Man Gong held onto his wife's arm and asked with concern, "Are you okay?"

"I'm fine, don't make a fuss. I just sprained my back."

"You should have it checked. You're not young anymore. You have to take better care of your body."

"Who are you calling old? You're even older than I am!" Madam Gong retorted unhappily.

The husband and wife looked at each other and smiled.

Bai Beibei was stunned by their smile. It was a smile of mutual support that made people envious.

She thought of her mother. Her mother had once tried to destroy this loving couple. She had failed to do so and had even framed someone else. She felt ashamed of her mother.

"Hey, isn't that Beibei?" Bai Beibei heard her mother-in-law say.

She looked up and saw that her mother and father-in-law had seen her.

She froze.

At this moment, the doctor rushed over. "Miss, why did you run away? Have you decided against abortion? If so, please sign here."

Abortion?

Old Man Gong and Madam Gong were both shocked, and they quickly made their way over.

"Beibei, why do you want to have an abortion?" Madam Gong took the chart from the doctor's hands and looked at it. It was an ultrasound that showed Beibei had been pregnant for four months.

"You're four months pregnant?" Madam Gong muttered sceptically.

Old Man Gong's face instantly turned ashen. He snatched the ultrasound chart from his wife's hands and studied its contents. She really was four months pregnant!

It had not even been four months since his son had met Bai Beibei. Whose child did she bear?

His son would never have slept with a woman he had just met.

Bai Beibei paled. She had not expected to meet her father and mother-in-law. Indeed, the timing of their appearance could not have been worse. It made the situation more embarrassing than it had to be.

“Come with me!” Old Man Gong flicked his sleeves and left.

At the entrance of the corridor...

“Whose child is this?” Old Man Gong demanded icily.

Now that things had come to a head, there was no longer any need for her to hide the truth. She was not about to lie straight to Old Man Gong’s face. It went against her conscience “The child isn’t Gong Yi’s.”

Old Man Gong laughed coldly. “As expected. I knew I could not have been wrong. The child isn’t Gong Yi’s! Does Gong Yi know about this?”

Bai Beibei shook her head. “No.”

Just then, Old Man Gong caught sight of the diamond ring looped around her ring finger. “My son has proposed to you, hasn’t he?”

Bai Beibei lowered her head in silence.

“So what do you plan to do now? Are you going to conceal the truth from my son and make him the father of your child?” Old Man Gong hissed angrily.

“Did you run out of the operating theatre with some nefarious scheme to hide the truth from Gong Yi? Do you really love my son at all? Is this the way you repay him for his kindness?”

“Frankly, when Gong Yi told me that you’re pregnant, I was thrilled. I’ve wanted a grandson for so long that I was prepared to look the other way regarding your mother and your personal history. It seems I was too kind. You’ve truly disappointed me!”

Chapter 1334: I Love You

“I’m sorry.” There was nothing else she could say.

“I don’t want your apology. You didn’t do anything to me. The one you should be apologising to is Gong Yi. I’m begging you, please, please leave my son.”

Bai Beibei stared at her feet. After a long while, she agreed. “Alright.”

As she said this, large tears fell from her eyes.

Old Man Gong did not expect her to agree so readily. It left him stunned.

Bai Beibei stood up and offered Old Man Gong a stiff bow, “I’m really sorry. Please accept my apology. I’ve troubled you greatly. Please accept this apology on behalf of my mother as well. I don’t know whether she’ll ever be released in this lifetime, but perhaps it is for the best. I’ll take my leave first. Please... be more careful with your health... Gong Yi. Even if you don’t believe me, I really do love Gong Yi very much. Goodbye.”

Bai Beibei departed, having said all she needed to say.

Old Man Gong stared at the girl's back. Her frail body seemed even frailer than before. It looked like she had lost a lot of weight. Her lonely silhouette, as she ran away, caused Old Man Gong's heart to ache.

However, Old Man Gong quickly hardened his heart. It was not hard considering how she had lied to both him and his son.

Unforgivable!

...

Gong Yi rolled his wrist, glancing at his watch. He had gotten off work at five o'clock today, hoping to return home a little earlier.

Bai Beibei had been in a bad mood for the past few days. He wanted to return home early to accompany her. They also had to consider wedding arrangements. Beibei had yet to pick out her wedding dress or the flowers she liked to have at their wedding. He also needed to confirm the number of guests and the type of wedding she preferred.

He wanted to give her a wedding she would never forget.

Upon stepping out of the office, he saw a familiar figure. It was Bai Beibei. She stood waiting for him by the car.

"Beibei, why are you here?" Startled, he immediately rushed to her side.

The refreshing autumn wind ruffled her hair, sending her silky tresses whipping in the light breeze. Smiling warmly, she said, "Gong Yi, I'm here to pick you up from work."

"Why're you so nice to me today?" Gong Yi stroked her hair with one hand while he used his other to hold her smaller ones. "Let's go home."

"Wait, Gong Yi." Bai Beibei stopped him.

"What's wrong?"

"Let's go for a walk."

"Sure." Walking home sounded rather romantic, so Gong Yi readily agreed. Claspng her small hand around his own, the two of them walked down the street together.

"Beibei, you didn't choose your wedding dress last night. What kind of wedding dress do you like? One-shouldered, breast-bound, V-neck?" As he spoke, Gong Yi eyed Bai Beibei's chest and said, "Definitely no V-necks. I don't want other men ogling you."

Bai Beibei's eyes lit up. She could almost see herself in a wedding dress. For that one short moment in time, she was visited by a vision of bliss.

"I would prefer something more modest." Bai Beibei said gently.

"Mm, okay." Gong Yi nodded. "Who would you like to invite to our wedding?"

"I'll leave that to you. I don't have any family anyway."

Gong Yi's heart truly ached for her. Beibei didn't have any family or friends. She was like a swaying boat pulled and pushed by the current.

He held her hand tightly. "That's okay. I'm all you'll ever need. I will be your one and only, your entire world."

Bai Beibei quickly looked up at the auburn sky, suppressing the hot tears that threatened to spill forth. She did not want him to see her cry – although the tears welling up were those of happiness.

The two of them walked into a park. There were many people flying kites at this hour.

Bai Beibei stopped in her tracks.

"Do you want to fly a kite?"

"Yes." Bai Beibei nodded.

"Wait a moment." Gong Yi ran ahead. Soon, he returned with a five-coloured butterfly kite.

"Here."

"But, I don't know how to fly a kite."

"That's alright. I'll teach you. Flying a kite is easy."

Gong Yi used the wind to his advantage, throwing the kite upwards. Then, he quickly unwound the kite's string. The kite soared into the sky like a bird, gliding to and fro.

"I'll give you the string. It'll let you control its height and speed." Gong Yi stuffed the string into her small hands, hugging her from behind as he gently guided her actions.

Bai Beibei watched as the kite flew further and further away, swaying with the wind. It was so freely and so happily. She envied it.

Suddenly, the kite fell out of the sky.

"Hold on. I'll go get it." Gong Yi promised, running in the direction the kite had fallen.

Bai Beibei saw a family of three not a ways away. It comprised a small girl and her parents. The girl was flying a kite, and her mother was anxiously chasing her. "Baby, don't run so quickly! You'll fall!"

The little girl laughed as she called back to her parents. "Father, mother, come quickly!"

Bai Beibei's heart melted at the sight of the small family of three. Surreptitiously, she folded the hem of her skirt and rubbed her lower abdomen.

“Beibei, I’ve got the kite! Let’s continue flying it.” Gong Yi ran over, a boyish grin tugging at his lips.

Bai Beibei watched as he walked towards her. The setting sun drew a halo of light around him, searing his handsome, roguish features in her mind’s eye. She would never forget him.

“Beibei, let’s...”

The kiss she planted on her lips silenced him.

Gong Yi was stunned, then smiled and said, “Why are you kissing me now?”

“Because I love you.”

Gong Yi’s eyes met hers. He saw the sparkling light dancing in her eyes – a light that sang of admiration and yearning. He released the kite in his hands, freeing it and setting it loose. Having found its second leg of freedom, the kite soared beyond the horizon and out of sight. Gong Yi wrapped his strong arms around her slender waist and returned the kiss in full. “I love you too, Beibei.”

...

In the Lamborghini...

“Gong Yi, let’s eat out tonight.”

“Sure, shall we have Western or Chinese?”

“Chinese.”

“Alright.”

Gong Yi parked the car in front of a hotel. The two of them got out of the car and entered a luxuriously furnished private room.

The waiter served the dishes a while later. Gong Yi reached for the glass of red wine.

Bai Beibei quickly stopped him. She frowned and said, “You shouldn’t drink so much.”

“It’s just red wine. A little won’t hurt. Let’s drink some together.”

“I don’t drink, and I’m forbidding you from drinking in the future. You’re not allowed to smoke or drink. You are, however, allowed to eat and sleep punctually. That’s the only way you’ll recover. Do I have your word?”

Gong Yi raised his eyebrows. “Why do you suddenly have so many rules? We’re not even married yet, and you’re already so strict with me!”

“Are you willing to do likewise?”

“Yes.” Gong Yi said, putting down the glass of red wine in his hand. “Let’s start eating.”

“Okay.”

Just as he was about to start eating, his phone rang.

He took out his phone and saw that it was Ajie calling.

“Hello, Ajie...” he picked up.

“President, I have something to report.”

“What is it?”

“Sun Xiaoxiao would like to see you.”

Sun Xiaoxiao...

Gong Yi turned his head to look at Bai Beibei beside him. She was eating with her head lowered.

Chapter 1335: Three Years Later

“Is that so?” Gong Yi snorted.

“Sun Xiaoxiao claims to know of a secret that’ll interest you. She’s willing to part with this secret of hers if you get her out of prison.”

What secret?

Gong Yi stood up. “Beibei, I’ll be right back. I need to take a call.”

Smiling up at Gong Yi, Bai Beibei nodded.

Gong Yi walked out after inclining his head in acknowledgement.

However, before he could leave, his sleeve was tugged by a small hand.

“Beibei, what’s wrong?” He asked gently

Bai Beibei shook her head. She took one last look at Gong Yi, her dimples coming into stark focus. “Gong Yi, I think I’ve said this to you before, but let me repeat it. Meeting you has been the greatest blessing of this life of mine.”

Gong Yi listened in stunned silence, caught flat-footed by the suddenness of Beibei’s confession. Shock gave way to ardour and ardour to tenderness. “What’s wrong with you today? You’re behaving very strangely. Is there something you aren’t telling me?”

“Yes. I shan’t lie. There is something I’m not telling you, but it can wait. You should take that call of yours. I’ll tell you all that I need to when you return.”

“Okay.” Gong Yi did not suspect anything, deciding to take the call before all else.

...

In the corridor.

“Ajie, inform Sun Xiaoxiao that freedom is impossible, but if her secret happens to be of any value, then I’ll make sure the Qian family won’t persecute her.”

“President Sun Xiaoxiao says that this secret is related to Miss Beibei and Li Xiyang and that the information is definitely valuable.”

“Alright, tell her that I’ll guarantee her personal safety. She shouldn’t think to try anything else. If she agrees, have her tell me this secret of hers.”

A few minutes later, Ajie returned. “President Gong, Sun Xiaoxiao has agreed.”

“What’s the secret?”

“According to Sun Xiaoxiao, Li Xiyang didn’t touch Beibei that night.”

Gong Yi trembled upon hearing confirmation of his own thoughts. Although he had guessed as much, it was still good receiving validation.

“How can I be sure that she’s telling the truth?”

“Sun Xiaoxiao said that there were cameras in the lounge. Everything that happened that night was recorded and stored in her computer. Her original plan was to use it as leverage against Li Xiyang. She said that if you don’t believe her, you are free to investigate.”

There was no need for him to investigate. It was the truth of the matter. It seemed Li Xiyang had treated Beibei with sincerity.

He could not wait to tell Beibei the good news.

“Alright, that’s it then.” Gong Yi hung up the phone, returning to the private dining room where Beibei was with light steps.

He pushed open the door and said, “Beibei, I have good news for you...”

The room was empty.

Bai Beibei had disappeared.

“Beibei, Beibei!” Gong Yi called out worriedly. When Beibei did not answer, Gong Yi rushed out the doors and into the hotel’s lobby, expanding the field of search.

However, there was no sign of Bai Beibei.

Gong Yi’s heart sank. A chill ran down his spine. Beibei had been behaving in a very odd manner all day. It was as if she was trying to prepare him for something – some warning of what was to come. Was she planning... to leave him?

Gong Yi whipped out his phone and dialled Bai Beibei’s number.

The phone rang twice before connecting. Gong Yi was overjoyed. “Hello? Beibei! Where are you?”

“Gong Yi...” Bai Beibei’s hoarse voice rang out. “I’m leaving. Please don’t come looking for me. Forget about me. I... I wish you happiness.”

“Beibei! Are you out of your mind? Do you know what you’re talking about? Are you leaving me now just as we’re about to get married? Stop fooling around! Return this instant lest you anger me!”

“I’m sorry...”

“Bai Beibei, I don’t want to hear your apologies. Don’t cheapen what it means to apologize!” Gong Yi roared.

Realizing how harsh he sounded, Gong Yi did his best to reign in his anger. “I’m sorry for shouting at you. I lost control of my temper. It was wrong of me. Beibei, come back. We’ll talk and pretend none of this happened. Please, just come back. We’ll get married tomorrow, and I’ll treat you very, very well. I’ll pamper you like a princess – you’ll be my whole world.”

A veritable wall of silence met his words. “Bai Beibei! If you don’t come back this instant, I’ll never forgive you!” Gong Yi growled, his bloodshot eyes taking on a maddened look.

Once again, his words were met by silence from the other end of the line, which was abruptly cut short when the line went dead.

She hung up the phone!

She actually had the nerve to hang up on him!

Yet, such a small setback was not about to deter him. Immediately, he redialed Beibei’s number. An automated voice call answered. “I’m sorry, the number you’ve dialled is currently unavailable.”

Gong Yi cursed under his breath, jumping into the driver’s seat of his Lamborghini. Licking his dry lips, he called Ajie.

“Ajie. Find out where Bai Beibei is right now. Be quick!”

“President, what’s wrong? Did something happen?”

What happened?

Hah! Not even he fully understood what had just transpired between them. Everything had been smooth sailing until Beibei decided to up and leave without reason!

Gong Yi felt like he was in a waking dream. Dazed, he wondered what he had done wrong. He had given her his whole heart, only to be ruthlessly let down without so much as an explanation or a proper goodbye. Beibei’s one act of leaving him was as good as sentencing him to death.

No. He would not allow it to happen again. When he retrieved her from wherever she was, he would ensure he hardened his heart. Never again would he allow her to trample on his feelings – even if it meant he needed to be harsh on her.

That, like most things, was under the pretext that he found her.

Where did she go?

Gong Yi glared up at the windshield. The fire in his chest burned in a Molotov of confused feelings. It felt like someone had hollowed out his heart and pushed him into the abyss where nothing existed but boundless darkness.

The smile plastered on his face was empty.

Gong Yi drove as fast as he could, speeding down the street, not realizing how he'd sped through a red light. Just then, a large truck wheeled around the corner. With a bang and a shower of sparks, the world faded to grey...

...

Three years later.

Universal International, Singapore.

Bai Beibei was sitting in her office chair. She was wearing her uniform comprising a white shirt and a narrow black skirt. The uniform outlined her graceful figure.

Her black hair was tied up, revealing her snow-white ears and swan-like neck. Though the shape of her face remained unchanged, she looked more mature than she had been in the past. She was as delicate and beautiful as a sparkling pearl.

"Bai Beibei." At this moment, the CEO of Huanyu International, Jin Taijiao, walked over.

Bai Beibei quickly stood up and greeted him, "CEO Jin."

Jin Taijiao' stopped in front of her. "Beibei, get ready. I'm flying to China tomorrow to discuss a collaboration. Bring the financial plan I asked you to prepare. I would like you to accompany me tomorrow."

China?

Bai Beibei panicked. She had not returned to China in the three years of her self-imposed exile.

"Is there a problem?" Jin Taijiao asked.

Bai Beibei quickly shook her head. "No."

"Alright, pack up. The plane leaves at 8 am sharp." Jin Taijiao announced.

Bai Beibei sat back in her chair, troubled. Zuo Ying used her momentary distraction to her advantage, wandering over with a look of envy on her face. "Beibei, for the past half a month, we've been guessing who the boss was going to bring to China. Who would have thought that he would decide on you? Now, everyone is green with envy!"

"Sister Ying, what's there to be envious about? It's just a job."

"Nonsense! Beibei, do you really not understand, or are you simply pretending to be thick? Our boss is quite the catch! He's a bachelor, tall, handsome, and of mixed blood. Haven't you noticed how everyone seems to ogle him when his back is turned? Imagine the opportunities that would present themselves

on a business trip like this! That lucky woman who ensnares his heart will definitely become the boss's wife."

Chapter 1336: Untitled

Bai Beibei could not help but laugh. "Honestly! Is that what all of you have been dreaming about? He's our boss, and this is a job. Nothing more and nothing less."

"Beibei, do you really feel nothing at all for our boss?" Zuo Ying brows shot up in disbelief.

Bai Beibei shook her head. "I really don't have any feelings for him. I don't see him that way."

As she spoke, Bai Beibei said softly, "Sister Ying, I have a favour to ask of you."

"Yes?"

"Since I'll be following the boss to China, I'll need someone to take care of Yingying. Do you think you can watch over her for a few days – at least till I'm back?"

Zuo Ying's eyes lit up the moment Bai Beibei made mention of her daughter. Almost immediately, she rubbed her palms together and said, "Oh well, alright. I do adore that daughter of yours. Yingying looks like a doll and has the sweetest mouth I've ever seen. That cheeky minx wraps everyone she meets around her fingers. The last time I brought her home with me, my parents demanded that I produce a daughter as sweet as your little girl."

Bai Beibei's charming features shone with a soft light. "It's settled then. I've got to go pick Yingying up. It's her first day in kindergarten."

"Alright, see you tomorrow."

...

Standing in front of a herd of kindergarteners, the teacher in charge greeted Bai Beibei. "Good afternoon miss, Yingying's been anxiously waiting for you."

"Mommy!" At this moment, a little pink ball bounced over, hugging her knees. The little girl craned to look up at the towering form of her mother. In the giggling voice of a child whose enthusiasm had peaked, she babbled, "Mommy, miss you," over and over again.

Yingying was three years old this year. Today, she was wearing a yellow t-shirt with a child-sized pair of jeans. Her eyes grape-like eyes sparkled in childish wonder as she stared up at her mother. Like Bai Beibei, Yingying's skin was as smooth as jade and incredibly soft to touch. She was a gem in the making.

Bai Beibei bent down and hugged Yingying; her eyes were glimmering with love. "Yingying, how was your first day at school? Did you get along with the other children?"

“Yes, mommy! My friends gave me snacks. Look!” Yingying bounced excitedly as she patted her small bulging school bag.

“Yingying, it’s rude to accept gifts without giving anything in return...”

“I know, mommy. I... I shared some of my things too!” Yingying blinked her doe-shaped eyes innocently. The purity with which she looked up at her mother would have melted even the hardest of hearts.

The teacher smiled as she watched the exchange between mother and daughter. “Please don’t be too hard on Yingying. She’s a sweet girl – very polite too! All the other children flocked to her, hoping to become her friend. Many of them shared their snacks with her. If you would believe it, I’d say that Yingying is the star student of her class.”

A smile tugged at Bai Beibei lips. “Thank you for taking care of Yingying. We’ll be taking our leave now.”

“Bye-bye!”

Yingying waved at her teacher.

...

Bai Beibei did not take a taxi. The apartment she rented was very close to the kindergarten. It was only a ten-minute walk, so she carried Yingying home.

“Mommy, I can walk.” Yingying looked up at her mother worriedly.

“Mommy isn’t tired. Mommy hasn’t seen Yingying the whole day. Mommy would like to carry you for a little while...”

Yingying huddled closer, kissing her mother on her cheek. “Mommy works really, really hard! Yingying loves you!”

Bai Beibei felt her heart turning into mush. To think she had once considered aborting this little angel of hers.

Yingying was beautiful and sweet-tongued. She was her little elf. Yingying charmed everyone she met with ease. She was the bane of every single auntie and uncle around. No one in their neighbourhood did not know her.

Having such a daughter, Bai Beibei was very satisfied.

“Yingying, mommy needs to tell you something. Mommy is going on a business trip for a few days. Auntie Ying will come and take care of you. You must be good and listen to her, alright?”

Yingying nodded. “Okay... I know mommy has a hard time earning money. I like Auntie Ying. The mung bean cake she made for me really yummy.”

Growing up in a household with only a single parent, Yingying was very sensible for her age. She tried her best not to burden her mother unnecessarily. Her biggest wish was to grow up quickly so that her mother would not have to work so hard to provide for them both.

“Mm, if Yingying misses mommy, ask Auntie Ying to set up a video call. Mommy will definitely answer it. Be good. Mommy will be back soon.”

“Okay.” Yingying wrapped her small arms around her mother’s neck. She would be good, for her mother’s sake.

The next day, Bai Beibei flew to China with Jin Taijiao.

...

Beijing, China.

When Bai Beibei stepped out of the airport and planted her feet on familiar soil, her eyes moistened. It was a land that held too many bitter memories for her.

Not once, in the three years since she had left, did she have the courage to return to her homeland.

Every time she thought of returning, a handsome face would glare at her with bloodshot eyes in the vacuous space of her mind’s eye. It was a look that haunted her dreams, stalking her, threatening to overwhelm her like the floodwaters of a burst dam. She had left without saying goodbye... Was he doing well?

She did not dare inquire after him.

She had let him down. How could she have the face to appear before him again with Yingying, the very memory of her mistake, staring back at her?

No. There were better women more suited to be his wife than she.

A driver picked them up from the airport and drove them to the hotel Jin Taijiao had booked. It was a five-star hotel, befitting a man of his wealth and standing. They separated at the lobby, each heading to their own rooms. Before they did so, however, Jin Taijiao instructed, “Beibei, rest well tonight. Tomorrow, our partner, the Chamber of Commerce, will meet with us. There will be a very important meeting. Nothing can go wrong.”

“Boss, please don’t worry.” Bai Beibei replied with a calm smile.

...

The next morning, Bai Beibei followed behind Jin Taijiao, full of energy. They waited in the hotel’s lobby, welcoming their important business partners.

A long luxurious limousine stopped at the hotel’s porch. Ajie, who was in the driver’s seat, got out and respectfully opened the back door.

Bai Beibei’s pupils contracted. Ajie...

She had a deep impression of Ajie because he was... Gong Yi’s secretary.

Who was it in the car?

The limousine's black door swung open. Two long legs sidled out of the car. On these legs were a long pair of trousers that reached the ankles. Pinned to the figure who emerged was a man wearing a clean white shirt. It was Gong Yi.

Bai Beibei stood rooted to the spot. She stared at Gong Yi in a daze. The man who stalked her dreams for the past three years had appeared before her.

In the three years since they met, Gong Yi's features had matured. His handsome features had taken on a sculpted, more regal look, emphasizing his roguish charm. No woman who caught so much as a glance would have been able to tear their eyes away from him.

Yet, there was something in that look of his which seemed more distant and aloof. The once affable man had his lips pursed into a thin line, giving off an aura that dissuaded people from getting any closer.

Bai Beibei felt as if someone had pricked her heart, and she could not breathe.

Not once did she think she would run into him upon returning to China.

"Xiao Tian, my stomach isn't feeling too good. I... I need to make a trip back to my room. Here is the budget document; I'll leave it to you. Later, you'll attend the meeting in my place." Bai Beibei stuffed the budget document into Xiao Tian's hands.

"Beibei, that won't do. You've always been in charge of this project... Hey, Beibei!"

Bai Beibei had already fled.

Chapter 1337: Tell Her to Come to My Room to Look for Me

Jin Taijiao walked forward and extended his right hand. "Chief Gong, how do you do?"

Gong Yi's expression was indifferent. He politely shook hands with Jin Taijiao. "Chief Jin, you've worked hard to come to China this time. Let's begin the meeting."

"Alright, President Gong, please."

The group of people arrived at the hotel's VIP meeting room. Gong Yi sat on the negotiating chair while Ajie handed the documents to him.

"Boss." At this moment, Xiao Tian came to Jin Taijiao's side and whispered into his ear, "Just now, Beibei said that she wasn't feeling well and went back to her room. She gave me the budget document."

Jin taijiao looked concerned. "Is she serious?"

Xiao Tian shook his head. "I'm not too sure either. It happened so suddenly."

"President Jin, what happened?" At this moment, Gong Yi noticed the commotion and asked.

"Nothing major. President Gong, let's start the meeting."

...

The meeting officially began. The progress was very smooth. The two parties had started to discuss the cooperation project a year ago and there was a certain level of tacit understanding.

Gong Yi looked at the budget document in his hand and nodded in his heart. He was very satisfied.

“President Jin, did your company change its budgeter?” Gong Yi asked.

“How did President Gong know?”

Gong Yi pointed at the budget document beside his hand. “The budget document you gave me a year ago wasn’t like this.”

“No wonder President Gong wasn’t willing to work with us. You didn’t take a fancy to our budgeter.”

Gong Yi raised his eyebrows. “President Jin, then you have to thank your budgeter properly.”

Gong Yi glanced at Xiao Tian.

Xiao Tian nodded his head with a red face. She was flattered by Gong Yi’s compliment, but she was also ashamed. Gong Yi thought that she was the one who made this budget, but she wasn’t.

Bai Beibei did this.

“Okay, I’ll give her a promotion and a raise after it’s over. Young Master Gong, since there’s no problem, let’s sign the contract.”

“Alright.” Gong Yi took the pen that Ajie handed over and started to sign it.

After signing the word “Gong”, Gong Yi suddenly saw the signature at the bottom of the budget. There were three beautiful words written on it — Bai Beibei.

Bai Beibei?

These three words struck Gong Yi like a bolt of lightning. His expression changed drastically and he immediately looked sharply at Jin Taijiao. “Who made this budget?”

Jin Taijiao didn’t understand, and he naturally replied, “It was done by our company’s budgeter, Bai Beibei.”

“Bai Beibei?” Gong Yi chewed on the name carefully. He wished he could crush the pen in his hand.

“That’s right, Bai Beibei. Speaking of this girl, she doesn’t have a high diploma. She doesn’t even have a university diploma. However, she is very talented with numbers. That’s why I hired her over a year ago. I didn’t misjudge her. Not only is she hardworking, she is also very talented. Half a year ago, she taught herself to take the global elite budgeting exam and won first place. She became Singapore’s most sought-after finance budgeter. I handed this important project to her and she also handed over a beautiful report card.”

As he spoke, Jin Taijiao smiled gently. “President Gong, you might not believe it, but this girl is only 21 years old today. She’s very young, and her potential is immeasurable.”

Jin Taijiao praised Bai Beibei incessantly, and Gong Yi's expression grew colder and colder. The anger that he had suppressed for three years burned in his chest again, and he felt a heart-wrenching pain.

He would never forget how she had left without saying goodbye three years ago, and how she had mocked him!

No wonder she wanted to leave him. Look at how well she was living now!

"Then why didn't Bai Beibei come? How could she miss such an important occasion?" Gong Yi's thin lips twitched.

Xiao Tian could already feel Gong Yi's anger, so she quickly explained, "Beibei came. Just now, she was waiting for you in the hall with us. But just as you got out of the car, Beibei suddenly said that she wasn't feeling well, so she passed the budget to me and went back to her room."

Hearing this, Gong Yi completely understood.

She was avoiding him!

What a girl, this Bai Beibei!

Gong Yi suddenly stood up, turned around and walked out.

Jin Taijiao was stunned. The meeting was fine, but halfway through signing, Gong Yi stood up and left. He was completely stunned. "Gong Yi, you..."

"I have questions about this budget. If you want to work with me, tell your budgeter to come to my room to find me!" Gong Yi left these words and disappeared.

Jin Taijiao was baffled. Just now, Gong Yi was full of praise for this budget, but now he actually had some questions. This falling out was faster than flipping through a book.

"Secretary Ajie, What's wrong with your President?"

Ajie looked at the three words "Bai Beibei" on the budget and understood everything. He said politely to Jin Taijiao, "If you want to work with us, let Miss Bai Beibei come to meet my president."

...

In the room.

Bai Beibei couldn't sit still. Her heart was in a mess. She didn't know if the meeting was going well.

This meeting was the first step for the boss to open up the mainland market. It was very crucial. She didn't want to affect the company for personal reasons.

She was grateful to have met the Big Boss.

Even in her dreams, she didn't expect that the partner this time would be Gong Yi. She didn't have the courage to meet him, so she could only run away.

At this moment, there was a knock on the door. Xiao Tian said from outside, "Beibei, Beibei."

Why was Xiao Tian here?

The meeting had ended?

Bai Beibei quickly walked over to open the door. "Xiao Tian, how is it? Did the meeting go smoothly? Did you sign the contract?"

"I didn't sign it, Beibei. The collaboration this time is going to be ruined."

"What?"

"Originally, everything was going well. President Gong was about to sign it, but he suddenly stopped. He said that there was something wrong with the budget you prepared."

"Impossible! I've prepared this budget document for a long time. There's definitely no problem!" Bai Beibei said affirmatively.

Xiao Tian became anxious. "But President Gong said that there's a problem. He also said that if we want to work together, he'll let you go to his room to look for him and give him a good explanation."

Go to his room to look for him..

Bai Beibei was stunned for a moment, then she asked, "Does President Gong know... who made this budget document?"

"Yes, Boss Gong specifically asked who the budgeter was. Boss told me your name and even praised you..."

Bai Beibei instantly understood. He knew it was her, so he asked her to look for him.

It wasn't that there was a problem with the budget, the problem was on her.

Three years ago, she left without saying goodbye. He probably wanted a reason.

Bai Beibei hesitated for a moment, then nodded. "Alright, I'll go look for President Gong."

Since she couldn't avoid him, then she would meet him frankly. She wanted to see him too, very much

...

Bai Beibei arrived at the door of the presidential suite, then rang the doorbell.

The door to the room was quickly opened. Bai Beibei's heart was beating like a drum, and she tried her best to put on a calm smile. "Gong..."

"Miss Bai, the President is waiting for you in the study." It was Ajie who opened the door.

Chapter 1338: So You're Married

"Ajie, thank you." Bai Beibei thanked him and walked into the presidential suite.

She quietly walked towards the study room.

The door of the study room was not tightly shut, leaving a crack in the door. Bai Beibei stood outside and saw a handsome and tall figure standing on the balcony. The man was frowning and smoking.

He was smoking very urgently, as if something was bothering him.

She remembered that he did not smoke in the past. Three years ago, before she left, she had also told him not to smoke and to take good care of his body. But now..

Things had changed.

Bai Beibei walked forward and pushed the door of the study open.

Hearing the creaking sound of the door opening, Gong Yi's tall body trembled, and then he slowly turned his body.

He wiped the cigarette in his pocket with one hand and held it with the other. The ambers was dancing, and in the smoke, his cold eyes fixed on her.

How long has it been? How long has she been gone?

From the day she left without saying goodbye, his world had stopped moving.

He had lived in anger and torment for every second of these three years. He hated her so much that he thought that as long as he could catch her, he would not let her go. He wanted to make her cry, but he also thought that as long as she could come back.., he would take the initiative to return to his side and let bygones be bygones.

He was so conflicted, and she was so carefree.

Even when they met, she would avoid him.

How could he not hate her?

Their eyes met. Bai Beibei saw the coldness in his eyes. She seemed to have forgotten the smile and lines she had been practicing in her heart. She said softly, "Long time no see. Are you... okay?"

"Heh, thanks to you, I'm living very well," Gong Yi replied coldly.

Bai Beibei suddenly lost the courage to look him in the eye. She lowered her eyes and looked at her toes.

Gong Yi wanted to rush up and strangle her to death. "Why aren't you speaking? I thought you had a lot to tell me. At least you owe me an explanation."

Explanation..

"What explanation?"

"Why did you leave three years ago?"

He still asked. Bai Beibei thought for a moment and said the lines that she had prepared earlier, "Three years ago, I felt that I was still... too young. I didn't want to get married..."

"Since you didn't want to get married, why didn't you tell me? Did I force you? You think it's fun to watch me propose to you and happily prepare a wedding dress for you, don't you? Do you think I'm an idiot, a fool?" Gong Yi growled.

"I didn't..."

"You didn't. Well, tell me what you really think." Gong Yi walked over to her side with his long legs. His two big palms held her shoulders and shook her forcefully, "Am I not good to you? What else am I not good to you? I wish I could rip out my heart and give it to you, yet you stabbed a knife into my heart. Bai Beibei, who gave you the guts? Am I really too good to you? How dare you treat me like this?"

He had already lost control of his emotions. Bai Beibei looked at him as her eyes slowly turned red. He was angry, he had reason to be angry.

But, what could she do?

She was pregnant, pregnant with the child of a strange man!

"Gong Yi, I didn't want to explain. I just wanted to say that I'm sorry."

Sorry..

Heh, what a plain sentence.

"Bai Beibei, I don't accept this. I will never accept it!"

"Gong Yi, what are you trying to do? I've let you down, but I hope that you won't mix your personal feelings with work just to get revenge on me. There won't be any problems with the budget. This project is a win-win situation for both parties. I hope that you can agree to cooperate and sign it."

All she wanted was to cooperate. Did he even have any weight in her heart?

Gong Yi gritted his teeth. "I can sign it as long as you agree to one condition."

"What condition?"

"Sleep with me."

Bai Beibei sucked in a breath of cold air. "You..."

Gong Yi looked at her from head to toe and raised his eyebrows wickedly. "Why? Do you have a boyfriend or are you married?"

Bai Beibei bit her lower lip with her thin teeth. "Neither..."

"Then why didn't you agree?"

Bai Beibei looked at the man's handsome features and asked softly, "Are you... married?"

Gong Yi snorted coldly. "Do you want to know?"

If she wanted to know, of course she wanted to know. In these three years, did he have any women by his side?

“Do you wish for me to be married or not married?”

How was she supposed to answer this question? Bai Beibei carefully chose her words, “With your qualities, so many women like you. If you find a good girl, it’ll be quite good. She can take good care of you...”

“Get lost!” Gong Yi suddenly kicked over a chair beside his feet and roared angrily.

Bai Beibei was shocked. She had never seen this man get angry before. In the past, he was so gentle and kind, but now he seemed to have become violent.

Gong Yi’s chest heaved up and down. He glared at the woman with bloodshot eyes. “I told you to get lost, didn’t you hear... ?”

Bai Beibei stepped forward. She stood on her tiptoes and kissed the man’s thin lips.

Gong Yi stiffened. There was a warm and soft touch on his lips. It was like cotton candy with a hint of sweetness. This taste was very good. It was so good that he missed it every day and night for the past three years.

He remembered every feeling he had when he kissed her.

Gong Yi panted. His brain was in a mess, and all the blood in his body was rushing to his waist and abdomen. It was soft and numb. He pulled back his handsome eyebrows and opened his mouth to nibble the girl’s pink lips.

He kissed her very hard, sucking the sweetness from her lips. The sound of water dripping from their mouths made people blush.

But in the next second, he suddenly opened his eyes and pushed her away forcefully. “Bai Beibei, what are you trying to do? You slapped me and now you’re coaxing me?”

Bai Beibei staggered a few steps back and almost fell. She looked at him with shame, anger, and innocence.

The girl’s lips were already swollen. He had sucked too hard just now. Gong Yi rolled his throat, his heart itchy and annoyed, “Bai Beibei, who do you think you are? You left without saying goodbye back then, and now you’re trying to coax me with a kiss? Heh, don’t take yourself too seriously. Me sleeping with you is only to clear your ledger with me. I want you to use your body to make up to me. That way, you might be able to earn my forgiveness.”

Bai Beibei’s face was red and white. She was silent for a moment, then said, “Can you give me some time to consider?”

“Okay, but I can only give you one day. Don’t forget, only after you agree can we continue to talk about the cooperation,” Gong Yi threatened.

...

In the corridor, Bai Beibei met Jin Taijiao.

“Big Boss, I’m sorry. I messed up the cooperation. I explained it to Young Master Gong just now, but he... doesn’t seem to be satisfied.”

Jin Taijiao patted Bai Beibei’s shoulder. “Beibei, I’ve read the budget too. There shouldn’t be any problems. I don’t know what happened to Young Master Gong, but let’s take it slow. There’s no need to rush.. You don’t have to feel burdened.”

Chapter 1339: I Agree to Your Conditions

“Big Boss, thank you.” Bai Beibei thanked him sincerely.

At this moment, someone coughed twice, and footsteps sounded behind her.

Bai Beibei looked back, and Gong Yi and Ajie walked out of the room.

The coughing was from Ajie, and Gong Yi was staring at her shoulder with a cold expression.

Bai Beibei just realized that Jin Taijiao’s hand was still on her shoulder, and she immediately moved to the side to avoid it.

“President Gong, it’s already 11:30 pm. Let’s eat together.” Jin Taijiao didn’t notice the subtle relationship between Gong Yi and Bai Beibei, so he said.

“Sure.” Gong Yi agreed.

...

In the luxurious private room.

The waiter served a table full of delicious dishes. Jin Taijiao used his chopsticks to pick up a piece of meat and placed it in Bai Beibei’s small bowl. “Beibei, this tastes pretty good. Have a taste.”

When the big boss picked up the dishes for her, Bai Beibei was flattered. She quickly thanked him.

“Thank you, Boss.”

“Beibei, you’re too skinny. You have to eat a little. Nowadays, girls are always arguing about losing weight. You’ll never have this problem. You’re so beautiful no matter how fat or thin you are,” Jin Taijiao praised.

Faced with the man’s praise, Bai Beibei blushed and felt a little embarrassed.

Jin Taijiao looked at Gong Yi opposite him. “President Gong, do you think what I said is right?”

Bai Beibei’s heart skipped a beat. She didn’t expect Jin Taijiao to ask Gong Yi. She secretly raised her eyes to look at Gong Yi, somewhat looking forward to his answer.

Even though she wasn't a vain person, she still hoped to be praised by the man she loved.

Gong Yi looked at Bai Beibei. She was born beautiful, but now that her facial features had blossomed, she became even more beautiful and moving. At 21 years old, her face was full of collagen.

She was no longer the girl from three years ago who always wore a loose school uniform. Today, she wore a white lace blouse, a short green skirt that wrapped around her waist and buttocks, and a pair of crystal heels. Her figure was slender and exquisite.

Her body had grown, and she was very developed. He glanced at her breasts, which were much fuller. He didn't know what it felt like to touch them in the palm of his hand.

Gong Yi was a little restless.

"President Jin's gaze might be too ordinary. You should stay in the capital to take a look. There are plenty of girls who are more beautiful and moving than Miss Bai," Gong Yi said with a smile.

Bai Beibei's expectant eyes quickly dimmed. He didn't think she was beautiful.

However, the people around her praised her for being beautiful.

"Boss, President Gong, you guys take your time to eat. I'm going to the bathroom." Bai Beibei stood up and left.

...

In the washroom, Bai Beibei looked at herself in the mirror. She had willow-like eyebrows, a small nose, a seductive little mouth, and delicate and beautiful facial features. She wasn't bad at all.

Why did he say that she was very ordinary?

Bai Beibei was a little unhappy.

She turned off the tap and walked out.

In the corridor, Bai Beibei saw a familiar figure in front of her. Gong Yi was standing right in front of her.

He came to the bathroom too?

Bai Beibei was in a bad mood and did not want to bother with him, so she lowered her head and left quickly.

However, her slender wrist was held by a large palm. The man's gloomy voice resounded in her ears. "With Jin Taijiao, you're pretending not to know me?"

Bai Beibei was stunned. "What are you talking about?"

Gong Yi's handsome face tensed up. "Still pretending? I heard that you've only been in the position for a year and you've already hooked up with Jin Taijiao in this one year. Just now, the two of you were flirting in front of me. Do you think I'm dead?"

Bai Beibei's pupils constricted. She felt that he was really unreasonable. "What nonsense are you talking about? My relationship with boss is only that of a leader and a subordinate. Don't think too far!"

“Bai Beibei, do you dare to say that you don’t know that Jin Taijiao is interested in you?”

Bai Beibei tried to pull her wrist back. “I don’t know what you’re talking about. My relationship with my boss is transparent. You’re too agitated now. Let’s talk again next time.”

Gong Yi saw that she was getting angrier and angrier as she resisted. He took a step forward and pressed her against the wall.

His tall body pressed against her. Bai Beibei was stunned for a moment. She was now pressed against the wall and his broad chest. Her nostrils were filled with the clean and healthy smell of his man. It smelled very good.

Her ears turned red.

“Gong Yi, are you angry? If you have something to say, say it properly. You can’t accuse me wrongly. I’ll be upset if you do that.”

Gong Yi was originally furious, but the girl in his arms blinked her innocent eyes and looked at him. She spoke softly to him as if she was trying to please him. His heart instantly softened.

He couldn’t stand her acting coquettishly.

“Gong Yi, are you... jealous?” Bai Beibei’s eyes lit up when she thought of this possibility.

Gong Yi froze. His expression was a little unnatural. He retorted awkwardly, “Who do you think you are? Why would I be jealous of you? Don’t flatter yourself! I just don’t want the woman I’m sleeping with to be promiscuous outside. I hate unclean women the most!”

Unclean women...

Bai Beibei’s face turned pale. She remembered that three years ago, she had been raped by Li Xiyang. Moreover, she had betrayed herself once and had given birth to a daughter.

She had had three men, and she was really unclean.

The atmosphere between the two of them was awkward. Gong Yi knew that she had thought of Li Xiyang, but she probably did not know that she had never had sex with Li Xiyang.

Gong Yi moved his thin lips, wanting to tell her about this.

However, Bai Beibei was the first to speak. “I’ve thought about it. I’ll agree to your conditions.”

Gong Yi’s gaze softened. “Really?”

“Yes, I’m not clean anymore anyway...”

“What do you mean?” Gong Yi quickly pinched her pink neck with force. His eyes were about to spit fire. “You mean that you’re not clean anymore, and you don’t care how many more times I sleep with you?”

Bai Beibei patted his hand. “Let go, it hurts.”

“Bai Beibei, I really want to see if you have a heart!” Gong Yi growled, and then let go of her.

Bai Beibei knew that he was angry again, and it seemed that he would be angry no matter what she said. "When do you want it? After signing the contract, I'm going back to Singapore."

She actually wanted to go back to Singapore?

Gong Yi felt that he was about to go crazy from anger. "Bai Beibei, do you not understand what I mean? I want you to have sex with me not just once, but permanently. I want you to be my lover!"

Lover..

Bai Beibei was shocked by these two words.

"No, I... I still want to return to Singapore. My job is in Singapore, but you're in Kyoto. We're separated in two places. It's... not convenient."

"Quit your job and join the Gong group. I'll give you double the amount Jin Taijiao gives you!"

It wasn't a matter of money, but that her Yingying was in Singapore. She couldn't let him know of Yingying's existence, or else he would hate her even more.

"Gong Yi, let's discuss this matter again."

"Bai Beibei, I'm not discussing it with you, I'm informing you. Now, please shut up. I don't want to hear your voice anymore." Saying this, Gong Yi lowered his head and kissed her seductive little mouth.

Chapter 1340: He Was Already Engaged

The kiss was so sudden that Bai Beibei was stunned.

He pressed down on her lips with his strength, gentle yet domineering. He sucked her small mouth into her sweet mouth, greedily absorbing the sweet liquid.

Bai Beibei's legs went soft and she slid down.

Gong Yi grabbed her soft waist and hugged her even more tightly.

It had been a long time since the two of them had kissed. Bai Beibei quickly indulged in this game of lips and tongues. Her nose was filled with his manly scent, which made her infatuated.

In these three years, she really missed him.

Bai Beibei slowly stretched out her small hand and hugged his neck. She kissed him back in an immature and proactive manner.

She had always remembered his taste, like melted cheese in her mouth.

Suddenly, Gong Yi pushed her away.

Bai Beibei was at a loss for a moment. She followed Gong Yi's gaze and saw that Jin Taijiao had appeared out of nowhere. He was looking at the two of them in shock.

“Big Boss, you... why are you here?” Bai Beibei’s face was flushed red from being caught in such an intimate situation.

“Beibei, what’s your relationship with President Gong? Why are you here...” Jin Taijiao asked.

Gong Yi put one hand in his pocket and took two steps forward. He looked at Jin Taijiao and curled his thin lips. “We met here by chance. Miss Bai is very passionate towards me. When she saw me, she pounced on me. The feeling of kissing her is not bad.”

Bai Beibei froze. What was he saying?

All his subtext was saying — she was seducing him.

Bai Beibei’s heart turned cold. She suddenly knew why he was kissing her. He had probably seen Jin Taijiao coming a long time ago. He was doing it for Jin Taijiao to see.

Sure enough, Jin Taijiao’s expression turned very bad. He looked at Bai Beibei with regret, “Beibei, I always thought that you were a clean and good girl, but I didn’t expect you to be so self-deprecating. President Gong’s qualities are very good, but you can’t just throw yourself at him, right? He’s already engaged. He has a fiancée.”

He’s already engaged!

These words made Bai Beibei suck in a breath of cold air. She looked at Gong Yi in a daze.

Gong Yi looked at her lightly, his eyes filled with a cold and vengeful smile.

He was happy to see her in such a state of shock.

Bai Beibei was completely stunned. The words “He’s engaged, he has a fiancée” kept echoing in her ears... in the past three years, there had already been other girls who had taken her place!

She should be happy. He had walked out of the past and had a new beginning. This was what she had hoped for. However, when this day really came, she found it hard to accept it.

She felt her heart ache so much. It turned out that she was also selfish. She hoped that he would still have her in his heart.

“Beibei, I’ll pretend that nothing happened. Come back to Singapore with me,” Jin Taijiao said.

“She won’t be going back with you.”

“President Gong, why?”

“Oh, when she kissed me just now, I already promised to let her enter the Gong group. Her salary is double what you gave her,” Gong Yi said slowly.

Jin Taijiao’s eyes revealed a deep disappointment. “Beibei, is that so?”

Bai Beibei knew what Gong Yi meant. He was deliberately deepening the misunderstanding, making Jin Taijiao think that she was the kind of snobbish girl who loved vanity. Did he hate her that much?

If he could be happy doing this, then she would accept it.

“Big Boss, thank you for taking care of me all this time, but I’m officially submitting my resignation to you. I can’t continue working.”

Jin taijiao clenched his fists. “Alright, since you are such a person, I will approve your resignation. Bai Beibei, take care of yourself.”

After saying that, Jin Taijiao walked away in the atmosphere. He had a feeling that he had been fooled.

...

Jin Taijiao left. Bai Beibei looked at his back with guilt. At this moment, a strange voice rang in her ears. “What, you want to chase him? Then go chase him. No one is stopping you.”

“I didn’t...” Bai Beibei refuted.

Gong Yi snorted and left.

Bai Beibei quickly followed behind him and bit her lower lip with her white teeth. She asked in a low voice, “You... are really... engaged?”

“What do you think? Me getting engaged is something very strange? Should I have waited for you in your eyes? Three years, thirty years. I can’t forget you. I won’t marry for the rest of my life. Is this good for your vanity and ego?”

Bai Beibei’s face turned pale. “Do you really have to say such harsh words?”

Gong Yi pursed his thin lips and ignored her.

“There’s something I want to tell you. You asked me to resign. I resigned, but I still have to go back to Singapore. We can contact each other by phone...”

Yingying was in Singapore. She had to go back. She was already beginning to miss her little Yingying.

At this moment, the man in front of her suddenly stopped in his tracks. Bai Beibei almost bumped into him. “You... what’s wrong?”

“Bai Beibei, you have to understand your identity. You’re just someone who owes a debt to me. You don’t have freedom, so you’re not allowed to return to Singapore!” Gong Yi’s eyes were filled with anger.

Bai Beibei’s face turned even paler. “But...”

“Shut up. Don’t speak anymore. If you dare to return to Singapore without permission, you’ll have to bear the consequences!” Gong Yi left with a dark expression.

Was he restricting her freedom?

Bai Beibei was anxious. If she didn’t go back, what would happen to Yingying?

However, Gong Yi’s current appearance was uncertain. If she provoked him, he didn’t know what he would do. Moreover, if she returned to Singapore, he would easily discover Yingying’s existence.

She can only agree now and make her plans again later.

...

In the apartment.

Bai Beibei followed Gong Yi back to this apartment. It had been three years, and this apartment was still the same as before. It had not changed at all.

She looked at everything here. Every corner of this apartment was filled with the sweet scent of their love.

“What are you standing there for? Did I invite you back for a visit?”

Bai Beibei looked at Gong Yi. The man had thrown his car keys on the cabinet. He was holding a wide-mouthed water cup in his hand. He was frowning and looking at her unhappily.

“Then what should I do?”

“Go and make dinner,” Gong Yi ordered.

“Okay.” Bai Beibei nodded, and then went into the kitchen.

The fridge was well stocked, and they looked very fresh. They must have just been bought. Bai Beibei was a little surprised. Would a man like him go and buy groceries?

“Did you buy these groceries, or did you hire a helper?” She asked curiously.

Gong Yi stood by the French window with his long legs. He glanced at the woman’s watery eyes and suddenly had a feeling that these three years were just a dream.

It was like she had never left.

“I didn’t buy them. I don’t have a helper here. I only have... a mistress.” Gong Yi sneered mercilessly.

Mistress?

Bai Beibei understood. He didn’t buy the groceries. His fiancée did.

His eyes were filled with indifference and mockery, deeply piercing Bai Beibei’s heart. She looked away in embarrassment. “I’ll go cook.”
