

Chapter 1331: Is It the Year of the Pig?

"I'll ask Fanxing if she has time... She's going to be a mother soon. It's time to learn how to take care of children."

At this point, Ji Fengmian suddenly sighed.

In her eyes, Fanxing was still a child!

Now, they were all going to be mothers.

Chu Yi frowned deeply. "Are you all going to be mothers?"

"You don't know?"

"Know what?"

Ji Fengmian frowned. "Didn't Fanxing tell you? I thought you brought her Malatang because you knew she was pregnant."

Chu Yi's face was terrifyingly cold. "She's pregnant?"

Ji Fengmian nodded and added, "Yes, twins."

Chu Yi was speechless.

What had happened recently?

Year of the Pig?

All of them were pregnant?!

Two at a time?!

For some reason, the scene of Shen Fanxing and Bo Jinchuan together flashed across her mind.

These two people...

How hard had he worked to create two people at once?!

She couldn't help but rub her forehead. What was his mother thinking?

Seeing Chu Yi like this, Xu Qingzhi couldn't help but feel pity.

It was indeed a pity to leave such a handsome international actor alone.

And now, she had suffered such a heavy blow...

Her expression of pity and pity was too obvious. As an international award-winning actor, Chu Yi was very sensitive to emotions and expressions. Sensing Xu Qingzhi's expression, his face darkened.

"What kind of expression is that?!"

Why did she pity him for no reason?

"What expression can I have? You're suddenly so fierce... You scared the baby in my stomach!"

Xu Qingzhi seemed to have lost her temper.

“...”

Chu Yi’s eyelids twitched. Were all pregnant women so shameless?!

No matter what, she was previously one of the top young ladies in Ping Cheng City. Now, she was the boss of a well-known cosmetics brand in the country. Did she lose her mother’s intelligence just because she was pregnant?

Ji Fengmian raised an eyebrow.

It was unknown what her attitude was towards the confrontation between the two young men.

The atmosphere fell into a deadlock. At this moment, a servant suddenly appeared. “Miss, there’s a guest.”

Ji Fengmian didn’t even raise his head as he said coldly, “Since you’re a guest, let her in.”

Although she lived here, she knew better than anyone that this villa was no longer her territory.

That was because there were too many people guarding the villa.

Other than Bo Jinchuan, there were also people from the Chu family. However, most of them were Chu Boyang’s real-time surveillance.

She didn’t want to see that man, so she turned a blind eye to his unconcealed behavior.

Therefore, there was no threat to her if she said that there was a guest.

At the thought of this, Ji Fengmian suddenly smirked sarcastically.

Even without him, did he think she would be threatened?

Yu Song entered the living room, followed by a few subordinates carrying two huge sacks.

Special Assistant Yu felt that he was really busy.

Master had been busy with such a big case recently. He thought that he would be busy with Master. In the end, he didn’t get involved in the recent cases. Instead, there were some inexplicable tasks.

“Hello, Madam. Hello, Miss Xu. Hello, Mr. Chu.” The few people behind her placed the two sacks on the ground.

Ji Fengmian glanced at the contrast between the two khaki bags and the modern living room and couldn’t help but frown.

“Special Assistant Yu, what are you here for?”

Yu Song said, “My master was worried that Madam would be bored at home alone, so he asked me to ask Miss Xu if she wanted to accompany my wife occasionally. At the same time, he brought something for Mr. Chu.”

Chu Yi stood up and walked to Yu Song’s side. His gaze landed on the two sacks behind him.

“I don’t remember asking your master to bring me anything.”

Yu Song chuckled. “Probably... yes.”

However, it was better to forget about friendship.

Yu Song’s ambiguous words made Chu Yi frown. He walked to the two sacks and kicked them.

It was hard.

“What is it?”

Yu Song turned sideways and signaled to his two subordinates.

Seeing this, the two of them immediately turned around and untied the sack.

Chu Yi went forward to take a look. There were bags of purple objects with a pungent smell.

“Our master said that the effect is better if this thing is minced. Mr. Chu, you can try it if you’re free.”

Yu Song stood at the side and the corners of his lips twitched. He really didn’t understand what kind of bad taste Master had.

What did she mean by giving him onions?

What did he mean by “the best chopping effect”?

Dare I ask what effect it has?!

The effect of blinding people?

Thinking back, he had almost been tortured to death by this inexplicable bad taste. His eyes were so hot that he was about to go blind...

‘Yes?’

Yu Song’s heart skipped a beat.

A bold guess suddenly flashed across his mind.

But it couldn’t be. Was Master so... childish?

She was really jealous.

Oh my God!

Master, do you know that your image in my heart has completely collapsed?

The effect was even better!

Chu Yi cursed in his heart. What effect did he want?!

The cold energy emanating from Chu Yi sent chills down her spine.

Yu Song silently took two steps away and looked at Xu Qing. “Miss Xu, are you free now?”

Xu Qingzhi nodded nonchalantly. "Sure."

"Carry them away," Chu Yi ordered coldly.

Yu Song looked troubled. "Mr. Chu, this is a gift from our master. I hope you can accept it. If you insist on returning it, Master said that you can only return it to him after you've chopped it up."

"..." Yu Song's eyelids twitched and the veins on his forehead popped.

Yu Song didn't dare to stay any longer and ran out of the Chu family mansion with Xu Qingzhi.

When Yu Song brought Xu Qingzhi back to the apartment, Shen Fanxing was still nestled on the sofa.

When she opened the door and saw Xu Qingzhi, her eyes lit up.

"Why are you here?!"

"Your Mr. Bo is worried that you're bored and ordered me to relieve your boredom."

Shen Fanxing glanced at Yu Song and believed him without hesitation.

She believed everything about Mr Bo's meticulousness.

"Your husband is really jealous. Do you know what he got his assistant to give Chu Yi today?"

Shen Fanxing blinked and asked, "Two sacks?"

"Money?"

Chapter 1332: Simple

The only good thing she could think of!

Xu Qingzhi picked up a bunch of grapes on the coffee table and leaned against the sofa. Just as she was about to start, Shen Fanxing made her laugh.

"Pfft, why did you give him money for no reason?"

"Then why did he give Chu Yi something?"

Xu Qingzhi pinched a grape and put it in her mouth. "Who knows why he suddenly gave Chu Yi two big bags of onions..."

Shen Fanxing frowned. Onion?

What the hell?

"Auntie Mian said that she's going to the orphanage tomorrow. She asked if you wanted to go with her. She said that since you're going to be a mother soon, you should learn how to take care of children."

Shen Fanxing paused and asked, "Put your palms together?"

"Yes. It's where Aunt Mian grew up, right?"

"Yes... I can go and take a look, but I might have to wait until the afternoon."

“Anything. You can just greet Auntie Mian.”

—

When Bo Jinchuan returned at night, he was carrying two bags.

When Shen Fanxing saw him, she rushed to him immediately. However, Bo Jinchuan pushed her away.

There was a warning in his dark eyes. “Don’t lean on me first.”

Shen Fanxing pressed her lips tightly and said, “I’m not that delicate.”

Bo Jinchuan felt helpless. Looking at the woman in front of him pretending to be angry, his heart softened. He bent down and tapped the tip of her nose. His voice was low and magnetic.

“Madam Bo, you’re now the mother-to-be of my two children. If you’re not delicate, who is?”

Shen Fanxing’s lips relaxed slightly. “Then why were you so fierce just now?”

Bo Jinchuan didn’t know whether to laugh or cry. “I’m innocent. How would I dare to scold you?”

He straightened up and handed the bag to her as he changed his shoes. “Go in and open it.”

Shen Fanxing took it. Knowing that Bo Jinchuan was avoiding her, she walked to the sofa and took out the bag.

“Clothes?”

Xu Qingzhi took the bag and took a look. “Well... it’s anti-radiation. It’s a must for pregnant women.”

Bo Jinchuan had already changed his shoes and walked in. He glanced at Xu Qingzhi coldly and she threw the bag aside.

Tsk, did he think she cared?

She had the money to buy it herself!

“Wear them in the future. Radiation is not good for you.”

Shen Fanxing nodded and placed the shirt aside. Then, she looked up at Bo Jinchuan.

He kept looking, kept looking...

Bo Jinchuan caressed her soft hair and said helplessly, “Be good, wait a while more.”

Xu Qingzhi rolled her eyes. What was she waiting for?

Indeed, after waiting for a while, Bo Jinchuan received a call and led the two of them out.

Xu Qingzhi was dumbfounded. She felt that even if this man sold her, she deserved it!

The three of them entered the elevator. Surprisingly, the elevator didn’t go down. Instead, it headed up.

After jumping one floor, they arrived at their destination.

After knocking on someone else’s door and seeing the person who opened it, Xu Qingzhi felt relieved.

Li Tingshen's handsome face was tense as he glanced at them coldly. Then, he left the door to them and entered the house.

The moment she opened the door, she took a glance at the man's handsome face. His face was too eye-catching and he exuded a feminine aura that made her heart tighten.

But they were indeed good brothers. They even had to be neighbors to buy a house?

However, why was this person staying in such a "simple" apartment instead of the Li family's mansion?

As for CEO Bo...

Because she was too familiar with Fanxing, the CEO had to compromise.

But Li Tingshen...

Based on her understanding, the queen of the entertainment industry, Liang Xuer, shouldn't have such a style, right?

Could it be that she had a mistress?

She was probably a pretty girl from a humble family...

However, Xu Qingzhi couldn't help but be surprised when she stepped in.

How was this simple?

Instead of saying that she had raised a daughter from a humble family, it was more accurate to say that she had raised a princess.

Anyone with a discerning eye could tell that the apartment had been decorated meticulously.

It was simple, but it was ostentatious and luxurious.

It was simple and luxurious.

Who was the woman who could make Li Tingshen do this?

Could it really be Liang Xuer?

When she walked into the living room, a servant was brewing tea. She could vaguely smell the fragrance of the dishes. The sound of pots and pans colliding came from the kitchen.

It was obvious that there were many servants in this apartment.

However, just as Xu Qingzhi was certain that the mistress was Liang Xuer, a slender figure appeared at the top of the stairs on the second floor. Xu Qingzhi nearly dropped the glass of water in her hand.

It was actually...

Ye Qingqiu?!

Ye Qingqiu saw her expression clearly and a faint smile appeared on her lips. She walked down the stairs and stopped at the staircase.

She was wearing a Morandi-colored dress and her long hair was styled. It draped casually over her shoulders, making her look exceptionally fair and beautiful.

There were no complicated designs, but her slender waist and slender shoulders made women envious.

Her fair hand rested lightly on the railing of the stairs. Her body was tilted slightly as she leaned against the railing. Her bright face was facing them and her voice was casual.

“Long time no see.”

She looked like a coward and even her voice had softened.

It was as if she had no self-awareness. She didn’t know how abnormal her appearance was in the eyes of others.

“...Long time no see!” Xu Qingzhi’s reaction wasn’t slow. After a moment of surprise, she replied.

“You... live here?”

Ye Qingqiu nodded and said lightly, “Sometimes.”

“...”

The living room fell silent. The air was eerily quiet.

Occasionally...

That made sense. Men shouldn’t have needs every day.

This answer revealed too much.

No, it was too explicit.

Li Tingshen’s gloomy face darkened and his gaze landed on Ye Qingqiu’s face coldly.

Ye Qingqiu didn’t look at him at all. After speaking to Xu Qingzhi, she straightened her body and walked down the stairs.

Her shirt and dress had a pocket design. Her hands were in her pockets. When she walked, her curly hair trembled naturally, drawing a beautiful arc in the air.

At this moment, a servant walked over from the kitchen and broke the silence in the living room.

“Master, dinner is ready.”

Ye Qingqiu didn’t stop. She walked past the sofa and headed straight for the door.

Li Tingshen narrowed his eyes and his voice seemed to freeze the moment it came into contact with the air.

“Where are we going?”

Chapter 1333: Did You Hear or Not Understand?

Li Tingshen narrowed his eyes and his voice seemed to freeze the moment it came into contact with the air.

“Where are we going?”

Ye Qingqiu didn't act dumb. She turned around and looked at Li Tingshen. “Naturally, I'm making space for the guests...”

She paused and a surprised smile appeared on her face. “Mr Li, I don't... have the obligation to entertain you, right?”

Just a faint smile made her face look really bright and beautiful.

However, that smile looked as fake as it could be.

“I have something on, so I'll leave first.”

The moment she turned her head, her smile disappeared. Shen Fanxing watched as the man, who was sitting steadily like a mountain, stood up. With a cold aura, he raised his eyes and exuded a domineering aura. Then, he disappeared.

Bo Jinchuan wrapped his arm around her shoulder and caressed it gently.

Shen Fanxing shifted her gaze to his face and the shock in her heart gradually subsided.

Ye Qingqiu had just put on her shoes and was about to leave when someone grabbed her arm.

She turned her head and saw the man's dark and handsome face.

She raised an eyebrow, but the smile had long disappeared from her eyes.

“How?”

“Dinner.”

Ye Qingqiu found it funny. “I have no reason to starve myself.”

“Then let's eat!”

The man's voice sounded calm, but everyone present could tell that his words seemed to carry a weight.

If his calmness was a cover for Ye Qingqiu,

The force of his grip on her arm made Ye Qingqiu lose her patience completely.

“I said I have something on. Are you sure you want to interfere in this unnecessary matter? Aren't you afraid that others will laugh at you?”

Li Tingshen looked at her quietly. His eyes were deep and unreadable, and his expression was dark.

“Are you sure you want to continue arguing with me?”

Ye Qingqiu looked up at the man who was much taller than her. “Did you not hear or not understand me?”

The servants in the living room gasped, followed by a cold atmosphere.

Although they had not worked in this apartment for long, there were not many opportunities for these two owners to meet.

Most of the time, they felt that work was easy, but when the two of them met, the energy they had accumulated could be counted... No, it was doubled.

Were the two of them hard to please?

Personally, he was not. In fact, he was very easy to serve.

But once the two of them appeared in this house, it would be a disaster for the servants.

Sometimes, they really couldn't understand how these two people interacted.

This young woman lived in the house bought by Mr Li without any status. In anyone's eyes, she was just a mistress who could not be exposed.

However, since she had become a mistress, her sugar daddy had provided her with good food and accommodation. It was just a simple matter of pleasing her sugar daddy. Why did everything change when it came to her?

The moment the two of them met, the atmosphere froze.

A mistress didn't look like a mistress. A sugar daddy didn't look like a sugar daddy.

Did you not hear or not understand?

In other words, or her underlying meaning was—

'Are you deaf or stupid?'

Look, did this sound like something a mistress should say?

If the servants could understand, there was no reason why the others in the living room couldn't.

The atmosphere fell into a deadlock. Ye Qingqiu moved her arm, but Li Tingshen increased his strength.

It was excruciating.

Ye Qingqiu's face darkened and a thin layer of sweat appeared on the tip of her nose. It was obvious under the light.

Li Ting's narrowed eyes widened and he loosened his grip.

Sensing that Ye Qingqiu was about to retract her hand, he tightened his grip.

"Go out after dinner. There's not enough time. I'll get someone to send you there."

He took the initiative to stop Ye Qingqiu from speaking. His voice sounded very good-tempered.

Only then did the servants in the living room dare to wipe the cold sweat off their faces.

They had never understood Mr Li's temper.

He was the one who flew into a rage because of a small matter. It was something that he couldn't get over no matter what, but it might become nothing to him.

Like now.

Ye Qingqiu didn't say anything. She was considering how to say the vicious words in her heart in a different way to save some face for the few guests she was familiar with today.

Shen Fanxing watched the competition quietly. In the end, she stood up from Bo Jinchuan's embrace.

"It's rare for us to be together. Let's have dinner."

She approached the two of them and her gaze landed on Ye Qingqiu's face. She suddenly pursed her lips and said, "It seems like you've been working too hard recently. You're so prejudiced against me that you won't even eat with me?"

Ye Qingqiu turned to look at her.

Believe her nonsense?

"Since I'm going to be on set next week, why don't I give you a day off tomorrow? After I'm done, I'll accompany my mother to the orphanage tomorrow. Do you want to go out to relax in the suburbs?"

Ye Qingqiu's heart tightened and her eyes trembled uncontrollably.

"Welfare institute... for what?"

As she spoke, her heart almost jumped out of her throat. Li Tingshen grabbed her wrist. She didn't know if it was an illusion, but she could feel his pulse.

Ye Qingqiu wriggled twice. It was obvious that this woman wanted to give Shen Fanxing face, so she let go.

There was an obvious red mark on her fair wrist. Li Tingshen's gaze followed her, but Ye Qingqiu covered it with her other hand and rubbed it gently.

Shen Fanxing knew that the deadlock had been resolved. She smiled and continued,

"My mother grew up there. And..."

She patted her stomach and smiled gently. "Perhaps because I'm pregnant, I can't wait to see the children..."

Shen Fanxing was wary of Li Tingshen.

It was obvious that Ye Qingqiu was nervous. Hence, she threw out two important reasons in an attempt to completely eliminate Li Tingshen's attention on the orphanage.

He had to dispel it because there were secrets there that he must not know.

Surprise flashed across Ye Qingqiu's rarely-seen face.

His gaze was fixed on her stomach. "You..."

Even Li Tingshen was stunned when he heard the news.

Chapter 1334: Be Poor

Even Li Tingshen was stunned when he heard the news.

Her gaze swept across Shen Fanxing's stomach and landed on Ye Qingqiu, who was dressed in a dress.

Something flashed across her eyes.

He turned and walked into the living room, as though he didn't care about the orphanage Shen Fanxing had mentioned.

Perhaps, he only wanted Ye Qingqiu to stay obediently.

Staying was enough.

Ye Qingqiu stared at his retreating back and the tension in her eyes gradually relaxed.

Then, she looked at Shen Fanxing again. She used to be a heartless person who didn't care about anything. Now, she could clearly see the eagerness and desire in her eyes.

Her heart skipped a beat. If she couldn't understand Ye Qingqiu's feelings previously, looking at her now made her heart ache.

The two babies in her stomach had yet to give her any reaction, but she felt that they were the best existences in the world.

She looked forward to their birth, looked forward to them calling her mother, and watched them grow up day by day. She didn't want to miss a single second with them...

In the past, she had always felt that her mother was great. She had learned how to praise her mother in school and later knew how hard her mother had worked.

She had experienced her mother's love for her, but she couldn't put herself in her mother's shoes. How noble, hardworking, selfless, and how much she loved her child more than her own life!

However, most of these thoughts were instilled by knowledge, and she would always be the one receiving maternal love.

Now that she had put herself in her mother's shoes, there were too many emotions that she had known in the past.

She thought that if she were Ye Qingqiu, she wouldn't be as strong as her.

If she were Ye Qingqiu, she would put her child by her side and give him the best love in the world.

However... a mother was unyielding.

Ye Qingqiu had something to worry about, so she had to restrain herself.

She had missed a few years of her son's growth. This was a regret that she would never be able to make up for...

“Come with me tomorrow. Let’s visit the children...”

Ye Qingqiu bit her lips tightly, her eyes turning red.

“Okay... You’re the boss, you have the final say...”

She said, her voice trembling slightly.

Shen Fanxing went forward and looked into her eyes, unable to hide her emotions.

“Is it because I’m the boss? Why do I feel that the focus is on the holidays?”

Ye Qingqiu lowered her gaze and kicked off her boots. “Since you know, please take the initiative next holiday.”

She walked towards the living room, but stopped midway. She turned to look at Shen Fanxing and asked, “Are you on paid leave? If not, forget it.”

Li Tingshen stopped in his tracks. Perhaps because of Ye Qingqiu’s words, his gaze landed on Shen Fanxing.

Shen Fanxing could see the warning in his calm eyes.

She raised an eyebrow and said suddenly,

“It’s a little difficult to take paid leave!”

Li Tingshen narrowed his eyes slightly, but Shen Fanxing walked to Ye Qingqiu and held her waist as they walked towards the dining room.

“You should have seen the news. I’m going to take over Lehua Entertainment’s artists recently. There should be quite a number of people. There’s no choice. With so many people appearing at once, the company can only cut down on expenses...”

Li Tingshen frowned slightly as his eyes darkened.

His gaze swept across Bo Jinchuan, who was sitting on the sofa. When he saw the faint and doting smile on his face, Li Tingshen’s face darkened.

He knew that Bo Jinchuan would never take the initiative to contact him. Why would he suddenly do so today?

So she really had a motive.

When he suddenly contacted him today, the first thing he thought of was why Shen Fanxing had called him in the afternoon.

However, he felt that given Shen Fanxing’s personality, she wanted to use Bo Jinchuan to ask him out so that she could have a chance to discuss this with him.

He knew that Shen Fanxing was a smart woman. Her achievements in the industry in the past few months were enough for him to acknowledge her unconditionally.

However, everything had to start.

Based on what she had mentioned to him this afternoon, he had already rejected her.

Even if they met again, there should be an embarrassing process.

But this woman had not spoken to him since they entered the house.

How did she manage to reveal this matter so naturally?

Who was he talking to?

Li Tingshen's lips curled and a cold and sarcastic glint flashed across his dark eyes.

What a good idea.

"Since you have the courage to take over so many artistes, why are you fussing about my salary now?"

Ye Qingqiu was baffled by Shen Fanxing's explanation!

Since when did she, Shen Fanxing, become so petty?

Shen Fanxing pulled out a chair and sat Ye Qingqiu down. Then, she sat down beside her helplessly.

"What can I do? I have no money!"

"..."

Even though Ye Qingqiu was indifferent to this dispensable topic, she couldn't help but twitch her lips.

Hearing Shen Fanxing's words from afar, everyone wanted to beat her to death!

No money?!

Who didn't have money?!

The husband of the CEO of the Bo Consortium was still sitting there steadily. How could she have the cheek to say that she had no money?

Li Tingshen glanced coldly at the indifferent man sitting on the sofa and let out a low chuckle. When he spoke again, his voice was filled with mockery.

"No money?"

Bo Jinchuan raised his eyes and glanced at Li Tingshen. Seeing his dark expression, his lips twitched.

"Well, no."

Li Tingshen's lips curled slightly and he continued to mock, "When did you become so poor?"

Bo Jinchuan stood up slowly. Dressed in a black suit, he stood tall and straight. His steady and noble aura emanated from him.

How could the word "poor" be used on him?

He looked in the direction of the restaurant and smiled. "That depends on her. When she needs me to be poor, she has to be poor."

Li Tingshen was speechless.

Xu Qingzhi suddenly regretted agreeing to accompany Shen Fanxing.

She was here to freeload, not to eat dog food!

Veins popped out on Li Tingshen's forehead.

Compared to Xu Qingzhi being fed dog food, Li Tingshen felt that Bo Jinchuan feeding dogs in his house was even more detestable!

—

—

—

Xu Qingzhi: "???"

Chapter 1335: Anger

After saying that, Bo Jinchuan walked towards the dining room. Shen Fanxing glanced at him and smiled.

"Shen Fanxing, can you think about whether others have brains before you speak?"

"What's wrong?"

Ye Qingqiu turned her body to look at her. She supported her cheek with her hand and asked casually, "You don't have money?"

"Yes, but there are so many people. It's only natural that the company can't operate, right?"

Ye Qingqiu understood and smiled lightly. "Of course."

What Shen Fanxing wanted to express from the beginning to the end was a reasonable reason!

As for whether it was true or not, as long as there was a good reason, it could be!

Ye Qingqiu maintained her posture and looked at Shen Fanxing with a faint smile.

She couldn't help but feel envious and jealous of this woman.

Some things could be seen clearly, and everything could be distinguished clearly...

After staring for a few seconds, Ye Qingqiu suddenly said,

"What should I do? I'm jealous of you."

Confused, Shen Fanxing asked, "Huh?"

The smile on Ye Qingqiu's face widened. "You're smart and capable. You have money, a car, a house, and a company..."

She paused and said, "Isn't this the typical image of a domineering CEO that women flock to?"

Raising an eyebrow, a glint flashed across Ye Qingqiu's eyes as she stared at Shen Fanxing. She suddenly leaned towards her.

Before Shen Fanxing could react, a kiss landed on her cheek.

“...”

“...”

“...”

Xu Qingzhi, who had just followed the two men into the restaurant, had an indescribable expression of shock on her face.

Was Ye Qingqiu... crazy?!

Ye Qingqiu didn't think much of it and smiled at Shen Fanxing. “Do you want to consider me? The kind that allows you to do whatever you want?”

Realizing what had happened, Shen Fanxing covered her face and leaned back. Her eyes widened in shock.

“Squeak squeak—” The ear-piercing sound of a wooden chair scraping against the floor!

Shen Fanxing watched as Ye Qingqiu was suddenly lifted by someone.

Then, she was thrown out mercilessly.

Her slender figure staggered, clearly showing no signs of stabilizing.

It was only when an arm blocked her waist and she was in someone's embrace that her panicked heart fell to the ground.

However, after steadying herself, she immediately struggled out of the man's embrace.

The place where the man had wrapped his arms around her waist was like a rope. It wrapped tightly around her waist and felt unusually strong.

It was intensely familiar.

In fact, when she touched the arm behind her, that strong sense of familiarity was instantly confirmed.

Her lips twitched sarcastically. How much did she care about this back then that she was so familiar with his touch now?

She quietly distanced herself from the man. Her face was pale, but she pretended to be calm.

No one would not be shocked by what had just happened.

That was no different from losing your footing at the edge of a cliff.

Li Tingshen looked at his empty embrace. There seemed to be a lingering fragrance on the woman's body.

And that petite body in the hot spring exuded a sense of familiarity.

Bo Jinchuan pulled Shen Fanxing into his embrace. He was so domineering that he almost hugged the chair.

Shen Fanxing wrapped one arm around his neck as the man hugged her tightly. Panic was written all over her face.

After a moment of daze, she nestled in Bo Jinchuan's embrace and turned to look at Ye Qingqiu in fear.

A warm hand covered her face, wanting to block her vision.

Shen Fanxing looked up at the man.

Bo Jinchuan's face was as dark and sinister as the stormy sky.

His dark eyes seemed to be covered in a thick layer of ice. The faint smile on his face was replaced by a bone-chilling sharpness.

Shen Fanxing was shocked as well. She suddenly felt that the man's tantrum was nothing.

She turned to look at Ye Qingqiu in confusion, wanting to know what she was thinking. However, the man pressed her into his embrace domineeringly, not allowing her to look at anyone.

However, her gaze landed on Ye Qingqiu just now. Her face was pale as she looked at her with a faint smile.

She blinked and wrapped her other arm around Bo Jinchuan's neck. She tiptoed and buried herself in his neck.

"Don't blame me. I didn't know that she would suddenly..."

Her gentle voice sounded aggrieved, which made Bo Jinchuan's face darken.

His gaze landed on Ye Qingqiu as if it was laced with cold poison, causing her heart to tighten and she took two steps back.

"Mr Bo, aren't you being too overbearing? Don't you care too much about the intimacy between women?"

Bo Jinchuan narrowed his eyes and said, "Since you don't mind, I don't mind finding a woman like you to spend the rest of your life with."

However, the rest of her life wouldn't last long!

Ye Qingqiu smiled lightly and said thoughtlessly, "I want someone like Fanxing. Is there anyone like that?"

Bo Jinchuan stared at her coldly for a long time before his gaze landed on Li Tingshen.

"How bad are you to make her completely lose interest in men and instead choose a woman of the same sex as her?"

Li Tingshen's gloomy face turned even colder.

Ye Qingqiu pursed her lips and leaned against the fridge with her arms crossed. She was like a spectator.

Anyone would fly into a rage at the sight of that spineless and heartless look.

Especially Li Tingshen. He knew that Ye Qingqiu was deliberately embarrassing him.

How terrible was that?

He glanced sideways at Ye Qingqiu before walking towards her slowly.

His long and dark eyes stared at her from the beginning to the end. The smile on Ye Qingqiu's face gradually faded. She straightened her body and turned to leave, but a long arm suddenly pressed against the wall behind her, blocking her path.

There was a loud bang.

It was the sound of a fist against the wall.

Li Tingshen lowered his gaze to look at her. His thin lips curled into a mocking smile and his dark eyes exuded coldness.

He leaned close to her face and his low voice forcefully made the atmosphere between them ambiguous.

"So, are you accusing me of not being able to satisfy you after so long?"

As he spoke, he chuckled lightly, looking frivolous and dangerous.

"You're not satisfied?"

Ye Qingqiu pursed her lips tightly. After hearing Li Tingshen's words, she smiled and said, "I'm not interested in men now, let alone you."

The man's face darkened as he stared at her for a while before letting out a low and mocking laugh.

"Then who are you acting for?"

Chapter 1336: Acting

"Then who are you acting for?"

Ye Qingqiu was stunned and didn't say anything.

Seeing this, Li Tingshen pursed his lips. The sarcasm in his voice made Ye Qingqiu feel embarrassed.

"You're not interested in me, but you want me to give in to you..."

Ye Qingqiu frowned and refused to look at the tension between the man and her.

Li Tingshen's gaze was fixed on her smooth forehead as he spoke. His voice was cold, but his breath warmed her skin.

"I rejected her once during the day. Tonight, she's obviously bringing a backer to trick me. Do you know that? If I had agreed during the day, she might have given me one or two capable artistes out of ten. Now... how many do you think she will arrange for me?"

To refuse a toast only to be forced to drink a forfeit...

Shen Fanxing's words were spot on.

Ye Qingqiu smiled at him. "She's your brother's woman after all. Now that she's pregnant, shouldn't you express your gratitude?"

"Should I express that it's my business? In what position are you reminding me of this?"

Ye Qingqiu pursed her lips and placed her hand on his shoulder. "You're thinking too much. At most, I'm helping my boss gain benefits!"

Li Tingshen sneered. "Are you certain that I will protect you and then seek benefits for others?"

"How you do it is your business!"

As soon as she finished speaking, she used her strength to push the man away.

However, Li Tingshen was the first to retreat. He stood up and glared at Shen Fanxing coldly.

"I promise you what I mentioned during the day. Put out the fire first."

Bo Jinchuan frowned as his sharp gaze landed on Ye Qingqiu.

Li Tingshen took two steps forward and blocked Bo Jinchuan's view of Shen Fanxing.

"If he continues like this, not many people will be able to withstand it. Are you sure... you don't want to fix this loophole?"

Li Tingshen's words made Shen Fanxing smile awkwardly.

She had already guessed that Ye Qingqiu might have done it on purpose to help her trick Li Tingshen.

Initially, it had nothing to do with what happened during the day. However, when she mentioned this matter at the right time, Li Tingshen would agree as a mediator.

However, Li Tingshen was a man in disguise and his personality was unpredictable. She wasn't very confident.

But it didn't matter. She still had Ah Chuan to help her!

Unexpectedly, he was quite smart.

However, it was a little awkward to be exposed on the spot.

Thinking about it, she glanced at Li Tingshen again.

This man was really shrewd sometimes!

Fortunately, his relationship with Ah Chuan wasn't enough to make him his rival.

She felt that it was more than enough to teach Yuan Sichun a lesson. If it was Li Tingshen... that would be troublesome!

Pursing her lips, Shen Fanxing caressed the back of Bo Jinchuan's neck...

At first, Bo Jinchuan ignored her. Then, he scratched her a few more times before looking down at her.

His deep eyes were cold and terrifying.

“Don’t be angry... Li Tingshen has already agreed. Besides, Ye Qingqiu is helping me...”

Bo Jinchuan frowned and asked, “What did you say?”

His icy tone was indeed terrifying.

Before Shen Fanxing could explain, Bo Jinchuan seemed to have reacted.

“You think I can’t do this and you still need her help?”

Oh no...

This stepped on the man’s dignity again.

Shen Fanxing quickly shook her head and said, “No, it was a spur-of-the-moment decision... But since she has achieved her goal, forget it...”

Shen Fanxing’s comforting explanation didn’t work at all. Seeing the man’s face darken, she paused and looked aggrieved.

“It’s not my fault... You’re so fierce... It’s scary...”

Hearing this, Bo Jinchuan’s lips moved and he lowered his head to look at the woman in his arms.

Her face was full of grievance and pity.

Her eyebrows twitched uncontrollably, but the hostility on her body gradually disappeared.

Although her expression wasn’t good, it was much better than before. Her voice also softened.

“Alright, it’s not fierce or scary.”

Shen Fanxing’s lips moved imperceptibly, but she still sounded aggrieved.

“Ye Qingqiu is just being kind...”

“... Don’t mention this again, or I’ll really kill her.”

Bo Jinchuan tried his best to suppress the anger in his heart. From his words, Ye Qingqiu had probably died a hundred times.

“Let’s not talk about it anymore.”

Shen Fanxing hurriedly expressed her opinion. Her gaze swept across the food on the table before she looked at Bo Jinchuan and said softly, “I’m hungry.”

Bo Jinchuan sighed softly and turned around to place Shen Fanxing on the chair.

“Let’s eat.”

There was nothing he could do.

However, it was like a dismissal order, dispersing the tense atmosphere in the apartment.

Ye Qingqiu didn't expect Li Tingshen to make such a decision. Since he knew everything, why...

Xu Qingzhi was the one who was innocent today. There were two men and three women.

Why was she the one who got married the most seriously? Why did she have to watch others being loving and entangled?

If she had time, she would buy a radiation-proof vest herself.

Dinner was finally served.

Bo Jinchuan had specially prepared dinner for them. Most of the dishes were to Shen Fanxing's taste.

Naturally, a small portion of them took into account other people's preferences.

This was specially reported to the chef according to Ye Qingqiu's taste.

When dinner was about to end, the two men put down their chopsticks and watched the three women eat.

After all, they had received excellent education since they were young. It was obvious that they could eat. However, the way they ate was elegant and calm. It was quite pleasing to the eye.

Ye Qingqiu had been eating with her the entire time. Even though there were a few of her favorite dishes in front of her, she didn't eat much.

She had always been uninterested in food.

Li Tingshen looked at the untouched food in front of her and his thin lips pursed into a sharp line.

"You're the one who wants to take over Lehua Entertainment, right?"

Ye Qingqiu was holding her phone when she saw something. She glanced at Shen Fanxing and asked,

Shen Fanxing said calmly, "It takes two to tango. They took the initiative to look for me."

Ye Qingqiu smiled casually and waved the phone in her hand.

"The eldest daughter of the Yuan family is always thinking of ways to go against you. Do you think she will let her off so easily?"

Chapter 1337: Waiting for the Reversal

"The eldest daughter of the Yuan family is always thinking of ways to go against you. Do you think she will let her off so easily?"

Shen Fanxing chewed slowly as she stared at the phone in Ye Qingqiu's hand with a faint smile.

"I've even released the news today. Wouldn't it be embarrassing if no artiste comes?"

Ye Qingqiu raised an eyebrow. "It's indeed embarrassing."

Shen Fanxing smiled faintly.

She didn't seem to care much about this matter.

It was just that Lehua Entertainment had released an official statement online. It was clear that their artistes would not jump ship easily.

Many celebrities had forwarded that statement.

The meaning was obvious.

“Lehua Entertainment has issued an official statement. Almost the entire internet is participating in this trending topic.” Ye Qingqiu put down her chopsticks and leaned back in her chair. She lowered her head and scrolled through the trending topics.

The internet was filled with complaints.

“... I’m speechless. I’ve been waiting all day for Stars International to deal a final blow to Lehua. I didn’t expect Lehua Entertainment to still be so strong.”

“Things have already reached this stage and we’re only one step away. In the end, we’re stuck here?”

“You took off your pants and you want me to watch this?”

“But the Yuan family is behind Lehua Entertainment. Who can afford to offend them? Stars International might be ignorant, but it doesn’t mean that others have to be as tough as CEO Shen.”

“But I’m so angry. I was waiting to see what would happen to Lehua Entertainment! In the end, this... Sigh... What a waste of feelings!”

“Are all the artistes in Lehua Entertainment so spineless? Tsk, I’ve decided. The few artistes who supported Lehua just now will be blacklisted for life. I won’t wait for the Yuan family to ban you! A bunch of cowards!”

“Previous poster, you’re not timid or afraid of trouble. If you have the ability, go and fight with your company’s CEO!”

“If you want to see a reversal, call CEO Shen!”

“If you want to see a reversal +1, call CEO Shen!”

“If you want to see a reversal +10086, call CEO Shen!”

“I want to see...”

In Yuan Sichun’s eyes, the topic on the Internet had reached an inexplicable state.

All the comments online were based on the premise that they wanted to see Lehua Entertainment become a joke!

What did Lehua Entertainment do to disgust these people so much that they were looking forward to her bankruptcy?

Seeing their disappointed expressions, Yuan Sichun felt relieved.

If they wanted to see her make a fool of herself, she wouldn’t let them.

“What are you so smug about? You’ve already been tricked to this extent. You feel quite accomplished that you’re not dead, right?”

Bei Xi couldn’t help but roll her eyes when she saw how smug she was.

She was about to become a fool because of Shen Fanxing.

Yuan Sichun’s face stiffened and she said, “I just want to see Shen Fanxing suffer. Even if she’s a little upset, my happiness will increase tenfold or even a hundredfold!”

“You’ve really been tortured by that woman! Anyway, I can’t go down with you. My mother is urging me to go back now. The state banquet is coming soon. I have to go back and prepare.”

Yuan Sichun’s eyes lit up and she grabbed Bei Xi’s hand.

“I’ll go with Father to the state banquet. I’ll look for you then, okay? I’ll also visit Sister Bailey.”

Bei Xi looked at her disdainfully. “You want to attend the state banquet?”

Yuan Sichun looked at her carefully. “...Can’t I?”

“Give up! What kind of place is the state banquet? It’s a gathering place for politicians from all over the world. Do you know the consequences if anything goes wrong? Sister Bailey and I don’t have the right to attend! What right do you have?”

“Then what do you want to prepare?”

“Are you stupid? Those who attend the state banquet will definitely bring their families! After the state banquet, there will definitely be a relatively relaxed gathering! In the social circle, men often can’t say anything or other news. As long as they rely on their women to settle it, okay? Why do you think there are banquets of all sizes every few days in high society or the royal family? Why do the rich ladies gather together to do beauty treatments, shop, and play mahjong?”

Bei Xi had understood the importance of women since she was young.

She was a princess after all. There were some things that they had to understand.

“In that case, let’s meet again.”

Since even the princess of Country Y couldn’t attend the state banquet, there was no need for her to fight for it.

However...

She rolled her eyes and suddenly said, “Then I’ll send you to the airport tomorrow.”

—

Before she went to bed, Shen Fanxing couldn’t help but surf the internet. However, Bo Jinchuan snatched her phone away.

“Sleep.”

Shen Fanxing wanted to say something, but when she saw the man's stern face, she shut her mouth obediently and placed her hand under the blanket.

The man was in a bad mood today, so she wasn't stupid enough to go against him.

After a moment of silence, she turned around and snuggled into the man's embrace.

Bo Jinchuan had wanted to ignore her for a long time so that she would remember not to seduce others and be taken advantage of by others.

But when her soft body leaned towards him, Bo Jinchuan's heart softened.

However, he resisted the urge to hug her as usual.

In the end, this little woman's ability to curry favor had improved. She grabbed his hand and placed it on his waist, then rubbed it against his chest.

"Cold."

Bo Jinchuan's lips twitched. What a mischievous girl.

He turned around and pulled her into his embrace.

Shen Fanxing chuckled silently in the man's chest.

"Are you still cold?"

"It's so warm."

Bo Jinchuan couldn't help but chuckle softly.

"Go to sleep when you're warm."

"Oh."

Shen Fanxing smiled like a sly cat!

—

At eight the next morning, Shen Fanxing woke up punctually.

Yes, she was woken up by the alarm.

She sat up in a daze. Only now did she understand why Chu Yi was so angry.

After a while, she got out of bed. Not long after, Shen Fanxing got dressed and went downstairs.

"Good morning, Madam."

Aunt Zhao greeted Shen Fanxing with a smile, "Aunt Zhao?"

Auntie Zhao nodded and said, "Master instructed me to come down to serve you. The breakfast he ordered has been kept warm by you. You can go out after breakfast."

"Oh okay."

Shen Fanxing didn't reject. After all, compared to the breakfast outside, Aunt Zhao's cooking was naturally better.

While eating breakfast, Shen Fanxing swiped her phone.

"Ah, I've waited all night and my eyes haven't closed. There's no reversal at all! I'm going crazy. What made me persevere until now?"

Shen Fanxing smiled and gave the ID a thumbs up.

Chapter 1338: What Did CEO Shen Do Again?

Shen Fanxing smiled and gave the ID a thumbs up.

In less than a minute, the news of Shen Fanxing giving likes to the netizens spread like wildfire.

"F*ck, what's going on? CEO Shen actually liked the post personally?"

"So what does she mean? Is she going to fight back? Is that so? Is that so?"

"Wow, I'm looking forward to CEO Shen's performance!"

"Then, what does she want to do? If she dares to offend the Yuan family, will the artistes in Lehua Entertainment dare to?"

"This is a dead end. Not everyone in the Yuan family dares to provoke her. No matter how many obstacles CEO Shen has overcome in the past, can she convince those artistes to change jobs this time?"

"I don't know!"

"I don't know, +1!"

"I don't know..."

Shen Fanxing raised an eyebrow and glanced at the time on the top left corner. After some consideration, she exited the screen and called her secretary.

"Hello, CEO Shen."

Shen Fanxing took a sip of porridge and replied softly,

"Nine o'clock. Send another notice. Tell them that Stars International is..."

On the other end of the line, the secretary swiftly recorded Shen Fanxing's words. Even after hanging up, she had yet to react.

How could...

—

Yuan Sichun personally sent Beixi to the airport early in the morning.

The reporters who had been "guarding" the airport happened to bump into the two of them and instantly surrounded them.

“CEO Yuan, what do you think of Stars International’s announcement yesterday?”

“I heard that the company’s artistes have the intention to jump ship to Stars International. Is that true?”

“I wonder what CEO Yuan will do next. What can I say about the company’s artistes’ work arrangements?”

Faced with the reporters, Yuan Sichun didn’t look too bad. She smiled and said,

“I don’t think there’s a need for me to explain who Stars International is targeting. Everyone can tell! How everyone understands is how I understand it! As for the matter of my company’s artistes jumping ship, our cooperation has always been pleasant! As for their work arrangements, I can only say that I will do my best to fight for more and better resources. Cooperation has always been mutually beneficial. I feel that there’s no need to doubt my sincerity.”

A few answers indirectly revealed the fact that the artists of Lehua Entertainment would not jump ship.

At this moment, some reporters turned their attention to the silent Bei Xi.

“This must be Princess Bei Xi from Country Y. Are you going back to Country Y today? Why don’t you stay in Ping Cheng for a few more days?”

Bei Xi looked up at the reporter and said arrogantly, “Do I need to report to you where I’m going? If anything happens to me midway, shouldn’t you be the first to be questioned?”

The reporter’s face was full of embarrassment. She had finally seen what an unruly and willful princess was.

“But I can answer your last question. Ping Cheng isn’t fun at all!”

Yuan Sichun’s heart skipped a beat and she hurried forward to say,

“Princess Bei Xi means that Country Y is about to have a state banquet. She has to go back to prepare for it! Compared to playing in Ping Cheng, the state banquet is more important.”

“Country Y’s banquet?”

“Yeah, Country Y is having a state banquet soon!”

Bei Xi snorted coldly and turned to Yuan Sichun. “Remember to look for me in Country Y. However, I might be very busy. See you at the banquet.”

Yuan Sichun smiled and said, “Okay, I know!”

The reporters at the side instantly knew something incredible.

Only then did she experience the power of the Yuan family again.

She could even attend Country Y’s banquet. It seemed that the Yuan family’s relationship with Country Y was indeed not ordinary.

When Bei Xi entered the VIP channel, the reporters surrounded Yuan Sichun again.

“CEO Yuan, I heard that you’re going to attend Country Y’s state banquet?”

“That’s right. May I know who you are to attend the state banquet?”

Yuan Sichun smiled generously and appropriately. “I’m just going to attend with Father! It’s just that real state banquets are attended by politicians and extremely authoritative celebrities from all over the world. We don’t have the chance to attend. However, we can attend the celebrity banquet after the state banquet.”

“So that’s how it is. To be able to have such a deep relationship with the royal family of Country Y, the Yuan Corporation has not declined.”

Some reporters had already started to change sides unknowingly.

“Indeed, not everyone can attend the state banquet. However, the royal family’s banquet is also not something that can be attended casually.”

“Can I see Queen Yulia at the royal banquet? And the princes and princesses of the various countries? There must be a lot of them, right?”

Yuan Sichun smiled calmly and said, “I’m not sure about Queen Yulia, but most of them will be royal descendants.”

“I hope you can share with us what you’ve heard about the banquet held by Country Y’s royal family. I believe the scale of the banquet will be extraordinary.”

Yuan Sichun nodded generously. “Definitely.”

Yuan Sichun felt that this interview would be one of the few that ended in a good mood.

Just as she was about to leave, the reporters exclaimed.

“Damn! I missed the big news!”

All the reporters’ attention was instantly attracted by this voice.

Even Yuan Sichun looked over. For some reason, she suddenly felt her right eyelid twitching violently.

An uneasy feeling rose in his heart.

Indeed, the next moment, she heard words related to her...

“Lehua Entertainment! The celebrities of Lehua Entertainment are all at Stars International now!”

Boom! Yuan Sichun felt as though her brain had exploded again.

The reporters exploded and gathered around that person!

“What?! What happened?! Why did all the artists from Lehua Entertainment go to Stars International?”

“Did a conflict happen?”

“No, she seems to have the intention to jump ship! The internet has already revealed that many big-name celebrities from Lehua Entertainment have entered Stars International in a low profile manner! Now, the entrance of Stars International is filled with small-time celebrities from Lehua Entertainment. Some colleagues have interviewed them and said that they are there to discuss a contract!”

“How is that possible? They’re fine for the entire night... Those artistes are really bold. Aren’t they afraid of being banned by the Yuan Corporation?”

“Did CEO Shen do something?”

At the thought of what Shen Fanxing had done, the reporters took out their phones and opened Weibo.

Yuan Sichun took out her phone with an ugly expression. Her fair fingers were trembling slightly and she couldn’t unlock her phone.

Just as she turned on the screen, she heard excited voices from the reporters.

“Haha, I knew it. CEO Shen must have done something!”

Chapter 1339: Fanxing’s Blacklist

“Haha, I knew it. CEO Shen must have done something!”

“As expected! How can President Shen, who doesn’t suffer any losses, not do anything?!”

After listening to their chatter for a long time, Yuan Sichun didn’t hear anything useful from them. She went to the app on her phone and didn’t need to look at the trending list. The moment she opened the interface, the first news she received was trending.

Stars International released the official news at nine in the morning.

Simply put, it was still recruitment. It was just a collaboration with C&P Entertainment.

Who was CP Entertainment?

The famous CEO Li of the entertainment industry was the person in charge of CP Entertainment.

It was just that he and the CP in his hands were extremely low-profile. There was no lack of entertainment companies fighting openly and secretly in the entertainment industry.

But no one would ever compete with the CP!

However, as long as CP Entertainment had their eyes on her, they would be quick and accurate.

Li Tingshen was the only person in the entertainment industry that she couldn’t afford to offend.

As long as CEO Li was unwilling, no matter who the other party was, he would not give him any face.

He was the one who kept a low profile and was ruthless and unreasonable!

When one was in a good mood, everything could be discussed. When one was in a bad mood, one would wish that even breathing was wrong.

Become Buddha on the spot, become a demon on the spot.

This was Li Tingshen.

In the entire entertainment industry, when had he ever seen anyone’s expression?

No matter how big the Yuan family's business was, they had too many businesses under them. At the end of the day, the Yuan family only occupied the tip of the iceberg of the entertainment industry. If they wanted to compete with the couple in the entertainment industry, they were simply overestimating themselves.

Under Shen Fanxing's leadership, Stars International had an extraordinary status in the entertainment industry. Now that they had suddenly announced their collaboration with CP Entertainment, who would care about the Yuan family?

No matter how long their reach was, they didn't dare to extend it to CP Entertainment.

'Couple entertainment?'

They were actually a couple?

Yuan Sichun gripped her phone tightly and gritted her teeth, looking ferocious and terrifying.

Thinking that she wouldn't let her go, Shen Fanxing's hopes were dashed.

No one dared to go against the Yuan Corporation!

This matter was already in the past. She didn't expect Shen Fanxing to do this.

Every industry had its own rules. Everyone knew that the rule of the entertainment industry was Li Tingshen.

In this industry, who dared to challenge Li Tingshen?

She didn't expect Shen Fanxing to be able to handle Li Tingshen!

"CEO Shen is really impressive. She can even handle someone as stubborn as CEO Li. I have to give it to her!"

"So what? She's now the fiancée of the CEO of the Bo Consortium. CEO Li and the CEO have grown up together. You should give your good friend's fiancée some face, right?"

"Looks like you still don't understand CEO Li! No matter what, as long as he's unwilling, even if it's his mother, he won't give her any face."

"Then why did he choose to cooperate with Stars International? Could there be a better business opportunity? That's not right. Yuehua Entertainment has been around for so many years, and they have so many artistes under them. The quality is also uneven. If he wants to cooperate with Stars International, there must be good and bad reasons for him to accept all the artistes. If he doesn't have absolute confidence, why would CEO Li do it?"

It could be said that no one dared to provoke CEO Li in the entertainment industry because of his style.

For example, no matter how they looked at it, they felt that what happened today was a trap!

What was CEO Li thinking?

Could it be that Stars International had been in the limelight recently, so they were lowering themselves to win her over?

But was there a need for CP Entertainment to humble themselves?

If there was really a conflict of resources, Stars International might not be able to defeat him.

“Phew... I finally heaved a sigh of relief. I thought that this matter was settled. I didn’t expect there to be a reversal!”

“In that case, I’m quite surprised. CEO Shen is indeed CEO Shen. He has never disappointed anyone!”

“You can even handle CEO Li. CEO Shen is indeed impressive!”

“But with CP Entertainment’s involvement, wouldn’t Lehua Entertainment be free this time? Haha, wouldn’t that mean that the eldest daughter of the Yuan family would be left with nothing?”

“Pfft, haha...”

“Yes?”

At this moment, someone finally remembered Yuan Sichun. The person involved was here. How could they miss such a good opportunity?

When Yuan Sichun heard their sarcastic laughter, she felt as though her lungs were about to explode. What did they mean by... a lone commander?

Damn it, those useless cowards!

Just as she turned around to leave, she was surrounded by reporters again.

“CEO Yuan, how do you plan to resolve this matter?”

“If that’s true, are you planning to release her?”

“You said that you’ve been getting along well with the company’s artistes. What’s going on now?”

Compared to the pleasant topic just now and the elegant smile, Yuan Sichun’s face was especially ugly and ferocious.

“The company has a contract with celebrities, so it’s impossible for them to jump ship. Please make way!”

As she spoke, she pushed the reporter away coldly.

“CEO Yuan, if it’s true, you...”

“Chief Yuan...”

Reporters swarmed up from afar. Yuan Sichun walked out of the airport with difficulty. After shaking off the reporters, she got into the car.

Watching her leave, the reporters got into their cars and tailed her. With such big news, they had to follow closely.

What was Yuan Sichun going to do?

—

In fact, just as the reporters had expected, Shen Fanxing was setting Li Tingshen up.

When Li Tingshen reached the office and saw the reporters downstairs, he asked Xiao Chu coldly, "What happened?"

Xiao Chu hurriedly replied in a low voice,

"Stars International released an official announcement at nine this morning. They clearly stated that they are cooperating with us..."

After saying that, Xiao Chu felt uncertain.

When the news first came out, he was shocked for a long time.

He wondered why Master would agree to something that didn't seem to benefit the company.

But judging from Master's expression, didn't he know about this?

"Sorry, Sir. I thought you knew, so I didn't report it to you..."

In fact, it was only ten minutes past nine.

Hearing this, Li Tingshen stopped in his tracks.

Xiao Chu could tell from his dark expression that CEO Li's mood was terrible.

Walking into the elevator, Li Tingshen pursed his thin lips and took out his phone to surf the web.

When he saw Stars International's official announcement, he was furious and sneered.

Chapter 1340: Hate Me

When he saw Stars International's official announcement, he was furious and sneered.

Part of the reason why she agreed was because she felt that taking over Lehua Entertainment would not happen.

If Lehua Entertainment didn't release her, the artists would be afraid of the Yuan Corporation's power and influence. They could only stay in Lehua within the contract. Shen Fanxing's plans would be in vain.

He didn't understand why Shen Fanxing wanted to discuss this with him when she knew that Yuan Sichun wouldn't let her go so easily.

This woman could have too many motives.

The reason why she looked for him was not only to trick him into taking over the various artistes in Lehua Entertainment, but also to use his status in the entertainment industry.

He wasn't too concerned about that.

Yet, she was openly flaunted by Shen Fanxing.

She even used him as a tool!

No matter how bad Lehua Entertainment was, it was still the Yuan family's business. As long as the Yuan family refused to let the matter rest, the first thing they would consider was how to deal with him and dampen his spirit!

Although he personally felt that this was something he was afraid of, he would definitely have to spend time and effort to deal with it.

The couple had always kept a low profile. Who would be happy to be mentioned by Shen Fanxing?

He had the energy. Why couldn't he do something?

Once he used it, he would make the best use of it.

Not only did she give him a few artistes who were dragging him down, but she also gave the restless artistes at Lehua Entertainment a reassurance.

She was really smart.

There was nothing she couldn't think of!

Bo Jinchuan had really found a good wife!

Even he could scheme to this extent. Ha, there was probably no one in this world who had the ability and guts to do such a thing!

Xiao Chu took in Li Tingshen's sinister expression and a chill ran down her spine.

It was rare to see CEO Li with such a terrifying expression other than when he was facing Miss Ye. However, he still mustered his courage and probed.

"CEO Li, what... should we do now?"

If it were anyone else, he would still have the confidence to deal with them. Moreover, no one would dare to do something so reckless.

But this time, it was CEO Shen from Stars International, Mr. Bo's fiancée.

It had to be handled cautiously, and he did not have the courage or authority to decide on his own.

When the elevator reached the top floor, Li Tingshen received a message.

Shen Fanxing: [Happy cooperation.]

The veins on Li Tingshen's forehead throbbed and he couldn't help but blacklist Shen Fanxing!

Stepping out of the elevator, Xiao Chu hurriedly followed closely behind Li Tingshen.

Xiao Chu chased him to the office door, but Li Tingshen didn't reply.

"CEO Li, we're now..."

"What should I do?" Li Tingshen asked with a smirk. "Do you want to try offending Bo Jinchuan?"

Xiao Chu hurriedly lowered her head and said calmly without any hesitation, "I wouldn't dare!"

Offending CEO Bo? Was he tired of living?

“Ha.” Li Tingshen sneered and entered the office. The door was slammed loudly.

It almost scared all the employees on the top floor to death.

Not long after, the office door suddenly opened and Li Tingshen’s tall figure appeared.

“CEO Li...”

“She went to the orphanage with someone today and got someone to follow her.”

Xiao Chu paused for a second before reacting. “Yes!”

—

Shen Fanxing didn’t receive a response from Li Tingshen, but she didn’t mind. She had achieved her goal anyway.

She went downstairs and drove her Volkswagen CC to the office.

The reporters downstairs immediately recognized Shen Fanxing’s car. Before her car could stabilize, they surrounded her.

Halfway there, she was stopped by a few bodyguards in black.

“CEO Shen, are you here to discuss the contract with Lehua Entertainment?”

Someone shouted at Shen Fanxing through the human wall.

When Shen Fanxing saw the bodyguards, she was stunned. In the next second, she knew who had done this.

After all, this wasn’t the first time.

However, it was always good to protect her. After all, she was pregnant now. In front of so many people, she couldn’t guarantee that she could prevent any accidents.

“CEO Shen, can you tell us why you’re here?”

“CEO Shen...”

Shen Fanxing remained silent the entire time. When she reached the entrance of Stars International and stood in a safe area, she turned around and smiled at the reporters.

“I’m sorry, everyone. I can’t reveal anything to you now. I naturally hope that someone capable will come and look for me. As for the artists from Lehua Entertainment, it’s hard to say now. What if they didn’t come to look for me to cooperate with me? So, everyone, it’s better to wait. Once the results are out, I’ll definitely inform everyone immediately.”

“There’s no need to wait. We’re here to discuss a collaboration with CEO Shen.”

Just as Shen Fanxing finished speaking, a confident voice sounded from behind.

Turning her head, she saw a group of people walking over from the lounge area. Leading them was Lehua Entertainment's top manager, Chen Na.

Like a cat meeting a mouse, the reporters craned their necks to take a look. Chen Na led the group to Shen Fanxing and their eyes met. Their lips curled into a smile.

Shen Fanxing raised an eyebrow and smiled.

"CEO Shen is indeed fast. We don't even have the chance to perform."

"Huh?" Shen Fanxing was confused.

Chen Na chuckled softly and waved her phone at Shen Fanxing. "There's no harm in me taking the initiative now. I'm Chen Na and I intend to bring my artists to join Stars International. I wonder if CEO Shen agrees?"

Shen Fanxing nodded and replied, "Sure."

Even though she had been in the entertainment industry for a long time and had seen many things, she was still stunned by Shen Fanxing's answer.

"... Are you sure you don't want to consider before answering my question?"

Shen Fanxing smiled as she stuffed her hands into the pockets of her windbreaker.

She had a capable aura, but she was also easy-going.

"What do you think I'm doing all this for?"
