

I' m Sorry My Love Novel Chapter 1372 - 1373

Chapter 1372

Fu Zhengxiong's extremely angry voice came from the other end of the phone: "Qin'er! Your phone is getting harder and harder to make calls. I called all afternoon yesterday!"

Arron still repeated the previous sentence: "Dad! What's the matter with you!"

"I went to the company yesterday afternoon. I was going to have a long talk with you. As a result, I couldn't even enter the company!"

"What's the matter with you!"

"Have you forgotten what day is today?" Fu Zhengxiong said.

Arron: "..."

He really doesn't remember what day it is today.

He only knows that today is the day when his little wife and his face are turned.

Xiaojiao's wife has lived with him for more than a year, and has never been so mad like last night.

To talk about what special day is today, Arron intends to set today as: Xiaojiao's Wife Furious Day.

Seeing that Arron was silent, the father over there said again: "Last week, in your company, you and Suzi personally promised me that they will come to the old house for a banquet today!"

Arron: "..."

Think of it.

There is such a thing.

Last week, it was the day that Gu Xiaoqing broke into his company, it was also the day that Gu Xiaoqing made an embarrassment in the company, and it was the day that Suzi cut his tie in the company.

It was indeed that Suzi personally promised his father that he would take the only one to follow him back to the old house to a banquet.

It seems that when my father hosted a family banquet in the old house this time, he wanted to have a romantic relationship with Gu Jianing and Gu Xiaoqing.

At that end, Fu Zhengxiong spoke again: "Arron! Don't think that your long silence is to avoid my problem."

"Originally, it was a family dinner today. It stands to reason that I shouldn't have visited you yesterday, but!"

Fu Zhengxiong paused, his tone was extremely angry: "But Arron! Since I went to your company to look for you, there must be more important things. I will look for you if there are things that cannot be tolerated! Since I was looking for you yesterday, you were not there. Then don't blame me for turning over everything about Suzi in the old house today!"

Arron: "Oh, isn't it?"

"Do you know what Suzi has done!"

Arron looked back at Suzi, who was still awake on the bed.

Of course he knows.

His wife had a fuss all night yesterday.

I've never had trouble with him so much.

As long as he thinks of Suzi's temper, Suzi's swearing appearance, the man is angry and funny. He wants to spank her impulsively: There is only you in this world!

Only you, Suzi, dare to scold me as a ba5tard.

Dare to let me go!

Dare to be so furious to say that it is not rare for me, that I am dirty.

Change to any woman, it's dead!

Okay!

The man's heart was suddenly warm and very happy, and the corners of his lips rose involuntarily, and his smile hung on his mouth without concealment.

Fu Zhengxiong: "Qin'er! Qin'er! I'm calling you! Isn't there a donkey's hair in your ears! Are you listening to me!"

Arron immediately answered his father: "Dad, I'm listening."

"Bring Suzi, bring the only one, and come back to the old house!" Fu Zhengxiong's tone was obviously unreasonable.

Arron: "Okay, we will pack up here in a while, and we will all go for a family of three."

At that end, Fu Zhengxiong eased his tone: "Arron, you better prepare yourself."

Arron: "What's wrong?"

"I have told you countless times that Suzi is innocent, he is innocent! But you just don't listen to me! You are good everywhere, but in the case of Suzi, you are protected by shit. Do you know!"

Arron's tone suddenly turned cold: "I'll hang up if it's okay!"

Say yes, before Fu Zhengxiong could say anything, Arron had already hung up the phone.

On the other end, Fu Zhengxiong stomped his feet angrily: "I'm so angry! I'm so angry!"

Chapter 1373

Sitting next to him were Fu Hengsheng and Mrs. Fu.

Seeing her son become so angry, Mrs. Fu couldn't help but scold her son: "Axiong! What are you angry about? Now that Arron and his wife are peaceful, isn't it better?"

"Mom!" Fu Zhengxiong didn't dare to challenge his son, but he dared to challenge his mother.

"Mom, what are you talking about! Who is Arron?" Fu Zhengxiong asked his mother angrily.

Old lady: "Of course it's my grandson."

"He is not only your grandson! He is currently your only grandson! He is the only Miao Miao of the Fu family! He not only represents the Fu family! He is also the highest authority in the entire Fu family! The whole Nancheng is the most powerful and respectable. A powerful man! King of the South City!"

Old lady: "This shows that my grandson is promising."

Fu Zhengxiong was even more impatient: "You hope you are such a promising grandson, and on his head is a lush green grassland?"

Old lady: "What is the prairie?"

The old lady is nearly a hundred years old after all.

She was a little confused when her own son talked to herself like this.

"Your grandson-in-law, cuckold your grandson!"

Old lady: "..."

"Your grandson-in-law, carrying your grandson on your back, looking for a wild man outside! There are more than one! They were all discovered by my husband!"

Now, the old lady finally understood.

She incredulously asked her own son: "Axiong, what did you say? What do you mean, it's turned upside down now? In the past, the Fu family went down for several generations, and it was all men who

spent time outside to make their own family. The woman cried at home and wiped her tears, but is it the other way around now?"

"Now, Arron's daughter-in-law is out looking for a man for a long time, but Arron..."

Fu Zhengxiong: "Mom! What are you talking about!"

The old lady suddenly became serious: "Human words! Don't think I don't understand your mother!"

Fu Zhengxiong: "Mom!"

"Don't you think that this is a turn of Feng Shui!"

Fu Zhengxiong: "....."

Fu Zhengxiong really has nothing to say after being so stunned by his nearly 100-year-old mother.

"Your grandfather, my father-in-law, how many women did you find outside?"

"Your dad! This dead old man by my side! When I was young, I used to cry in tears!"

"And you, my son! Don't think that your mother doesn't know what you do! Take Arron as an example, is he born to your wife? No!"

"These things! There are causes and consequences! Mom knows better than anyone else!"

When his mother said this, Fu Zhengxiong was immediately at a loss.

He coaxed his mother's tone: "Mom, even if it was our fault before, we can't help but...Suzi, do these things that humiliate Fu's family style?"

"You handle this matter behind my back! Don't let me see, I'm old, I don't want you to be noisy!"

Fu Zhengxiong: "Okay, I know Mom."

He slowly backed out.

However, he was also angry.

When I left the house and there was no room for the anger in my stomach, Fu Zhengxiong's cell phone rang.

He picked it up and glanced at it. It was an unfamiliar number.

After hesitating for a while, it was connected: "Hello, who are you?"

"Have you ever taken her to the grave?" At the other end, there was an extremely cold, extremely cold voice.

Fu Zhengxiong was inexplicable: "You...who are you? Have you ever been to a grave?"

"You're so damned! Old miscellaneous Mao, listen to me, if you bully Suzi again, I will really kill you!" Yubi, without hesitation, hung up the phone.

Fu Zhengxiong: "....."

He was furious and dialed a set of numbers without even thinking about it.

This time, he was not calling Arron, but Suzi.

At that end, Suzi's tone was quiet: "Hey..."
