

Catch Me If You Love Me Chapter 138

Behind him, Mr. Fu, who heard the movement, rushed over with his subordinates for the first time, and he was taken aback when he saw Zoey Gu's hands full of blood.

"Girl, you..."

Zoey Gu stared blankly in the direction where Liam Lu had disappeared, and said in a low voice with red eyes.

"It's not me, this is Liam Lu's blood..."

Mr. Fu calmly looked at the mess all over the floor, then looked at Zoey, and suddenly understood.

He turned his head to look at his men and ordered.

"Bring the car here, don't buy it, go back."

After speaking, he turned around and pulled Zoey Gu's hand.

Zoey Gu froze suddenly, as if reacting instantly, turned around abruptly and pulled on Mr. Fu's sleeves, shaking his mouth.

"Mr. Fu, Liam Lu was injured to save me, can you..."

"No!"

Mr. Fu interrupted her directly and reminded her with a deep expression.

"I promised to keep you, and I will protect you well. But Liam Lu, I still think about my birthday, and don't want to wade him in the muddy water."

night.

At dinner, in the kitchen of Fu's house, a strong smell of food slowly diffused, which was quite appetizing.

All the dishes were served on the table.

Zoey Gu stood by the glazed table in the open kitchen, stirring the noodle soup in her hands, but her vision unconsciously penetrated the darkness and drifted far away.

Liam Lu was injured and immediately disappeared. Even Shiyue, who had been by his side, didn't know where he was going.

Thinking of his shocking arm, Zoey Gu became more disturbed.

Mr. Fu sat at the dining table not far away, eating slowly, raising his head and scanning the direction of Zoey Gu.

“If I’m not wrong, when the kid came to Qingcheng, he must have expected the current situation. In fact, he didn’t have many people with him in order to come to Qingcheng to save you.”

This was obviously for Zoey Gu.

“It’s said that strong dragons don’t overpower the snakes. In Qingcheng, the Yun family has a strong influence. That kid, in order to avenge you, caused the Yun family and the Yun family to suffer heavy losses. Even if he has the ability, it is inevitable that he will be trapped here for a short period of time. of.”

Zoey Gu stood with his back to Mr. Fu, his eyelashes trembled, his face paled inch by inch, and the spatula in his hand couldn’t be held steady.

Damn...

She was startled in an instant, and panicked and bent over to pick it up.

The nanny who had been guarding the side immediately picked it up first.

“Miss Gu, you are the wounded, let me come.”

Zoey Gu sullen his face, enduring the rolling coldness in his heart, and said in a low voice, “I’m coming.”

Mr. Fu squinted his eyes, stared at Zoey Gu’s snowy face, and opened his mouth again.

“The little girl listened to my advice. You have to cherish your life at a young age. Whether you are entangled with Anna Yun or with Liam Lu, it is a proposition for you, and it is not worth it.”

“Drawing a clear line at this time is good for you and harmless.”

Zoey Gu’s long eyelashes trembled fiercely, biting her lips, as if she hadn’t heard anything, and walked to the dining table with one hand.

Seeing that she didn’t respond, Mr. Fu seemed unhappy, put down his chopsticks and looked at her.

“I said you don’t know any good girl!”

The TV set directly opposite was playing the latest Qingcheng news.

A scene of a car accident flashed in the camera.

Several private cars collided with a large truck, and the scene was tragic.

Zoey Gu glanced inadvertently, only to feel that there was a black Bentley there that was very familiar, especially the license plate...

It's Liam Lu's car!

In the next second, the voice of the female supporter rang.

“Just now, there was a serious car accident on Huashan Road. Several private cars collided with a large truck. The scene was tragic. Some of the injured have been sent to the hospital. Their identities are yet to be confirmed...”

Snapped!

The exquisite white porcelain bowl fell to the ground, and the noodle soup instantly sprinkled on the ground!
