

I' m Sorry My Love Novel Chapter 1382 - 1383

Chapter 1382

Arron's expression was calm, and his tone of voice was calmer: "Well! I hope you can always be happy."

Lilly, who was holding hands on the side, had already seen some clues.

"Why are you here!" Lilly raised his head to look at Gu Xiaoqing, and asked in a questioning tone.

Gu Xiaoqing smiled gently: "Hey, the only little beauty of Shen, I...I am a relative of your family."

Shen Only: "My dad's relative, or my mother's relative?"

Gu Xiaoqing: "Well... if you count it like this, I should be your mother's relative."

"Then why don't you talk to my mother first, but to my father?" Lilly asked immediately.

Gu Xiaoqing: "....."

"You did it on purpose." Shen Only said again.

Gu Xiaoqing: "What...what do you mean?"

She was a little caught off guard by the six-year-old girl step by step.

"The last time you met my mother and me in the mall was intentional, right?"

"Also, you sent your daughter Gu Xiangyi to the same kindergarten like me, deliberately, right?"

"My classmate Gu Xiangyi said, you are not her mother, because you keep letting her approach me on purpose!"

Gu Xiaoqing: “.....”

She has a lot of calculations, is it possible that a six-year-old girl will do the calculations?

“Little friend, I am your mother’s relative and your father’s friend. In this way, we should be relatives and relatives. If you don’t believe me, you can ask your father.” Gu Xiaoqing raised her eyebrows and looked at Lilly.

She felt that if she communicated with Lilly in this way, Arron would definitely feel that she had a high EQ.

However, before Arron had any reaction, Lilly suddenly became angry.

“You woman is really weird! Why do you ask my father when you are obviously a relative of my mother?”

“Are you friends with my dad? May I ask you to be my dad’s friend, did I agree!”

“Did I agree? I ask you!”

“Every time my father makes a boyfriend outside, I agree with you, you know!”

Gu Xiaoqing: “.....”

The little thing, with this domineering look, really laughed at Darius who had sent Alyce to him.

Darius is really relieved.

He couldn’t help asking: “Excuse me, Shen’s only beautiful woman, how many girlfriends your father has made with your consent?”

Shen Wei answered without hesitation: “No one!”

“Puff...”

Darius and Christopher learned to laugh at the same time.

There was an embarrassment on Gu Xiaoqing's face that was indescribable.

At exactly this time, Fu Zhengxiong and his wife walked out.

When they saw Elder Shu and Gu Jianing from afar, Fu Zhengxiong and Qin Wenyu greeted them with smiles.

"Uncle Shu, you are finally willing to go out. For the past two months, you have always thought that your health is not good. I think your health is still very strong. Uncle Shu come in, come in. I can watch today. When you arrive, it's all dragging Jianing's blessing." Fu Zhengxiong has already taken a step forward and held the arm of Old Man Shu.

On this side, Qin Wenyu also looked at Gu Jianing with a smile on his face: "Sister Jianing, your clothes are so energetic and beautiful today. You don't look like someone in your 50s, like someone in your early forties."

Gu Jianing also smiled and shook Qin Wenyu's hand: "Sister-in-law, I didn't expect this cheongsam I bought for you to be so suitable for you. Sister-in-law, you are really a clothes rack. You look good in everything."

Qin Wenyu couldn't close her lips with a smile: "You have a good eye and picked my favorite style. Let me tell you. I haven't seen my favorite cheongsam for a long time. This is really suitable for me. My mind."

Qin Wenyu and Gu Jianing really fell in love with each other.

The two old women always have endless words.

Chapter 1383

"Aunt Qin, hello." Gu Xiaoqing shouted very politely behind her.

"Hey, good boy, I heard from the people in the Fu Group that you just signed a contract with Qin'er, and you two are now in a cooperative relationship, which is really good." Qin Wenyu said this to Suzi.

Suzi and his mother Alyce were extremely embarrassed.

Suzi is okay.

She just considered her own heart to die.

She knew that the reason why she came here today was because she was abused in a fancy way.

Just abuse it?

Anyway, I have not been abused.

It doesn't matter.

As long as the only one is good, the mother is good. That's it.

When he lowered his own requirements to a very low level, Suzi relaxed himself.

She even joked with Arron very easily: "Fu Siye, I don't mind if you go to hold Gu Xiaoqing's hand now. I really don't mind. If you don't hold her hand or support her now, I'm afraid At that time, Lilly was not polite to her."

Arron: "What did you say?"

Suzi shrugged: "The only time you are not polite to Gu Xiaoqing, you may not be able to hurt the only one. If you hurt the only one, I will bite your neck directly and bite until your blood drains!"

Yubi, she looked at Gu Xiaoqing again: "Miss Gu, it is necessary to clarify, I am not some of your relatives."

"You are a friend of my husband's friend, so don't be related to me."

Seeing Suzi's sarcasm, Gu Xiaoqing seemed very sensible: "Suzi, you and I are indeed relatives, and my aunt is you..."

"What is mine?" Suzi cut off Gu Xiaoqing's words and asked rhetorically.

Gu Xiaoqing looked at him and frightened Old Man Shu: "Auntie, look at her..."

Suzi sneered: "This old man is just your uncle, your mother's uncle, and you are close relatives."

"But we are not."

Having said that, Suzi took his mother in his arms: "My mother and I have nothing to do with your Shu family, so we are not relatives."

"Mom!" At this time, Lilly's eyes suddenly turned red.

Suzi immediately knelt down and looked at his precious daughter: "What's the only thing?"

"So, Gu Xiangyi's mother has no relationship with us at all?" Lilly asked.

Suzi: "Of course!"

"Then she is only friends with my father?" Shen Only asked again.

Suzi said: "I don't know, maybe... more intimate? This... Mom can't tell."

"No!" Shen Only pursed his lips immediately.

She hurried to Arron: "Dad, follow me! Follow me! Let's not go to grandpa's house! I'm not going! Mom, dad and grandma, let's go together! We are a family! Oh, oh... .."

The little girl has a strong sense of crisis.

Also very fierce.

While he was talking about Arron, he did not forget to cry and yell at Gu Xiaoqing: "You can't be my father's friend without my consent, you bad woman! If you dare to approach my father again, I will blow your head!"

Gu Xiaoqing: "....."

No one thought that at the gate of the Fu family's old house, Shen Zhizhi turned out to be the most difficult one to deal with.

Fu Zhengxiong and Qin Wenyu were also calmed by Shen's only cry.

Fu Zhengxiong supported Mr. Shu, Qin Wenyu and Gu Jianing held hands. The four of them had already walked three or four steps forward, but they were all startled by Shen Only.

Fu Zhengxiong immediately rebuked Lilly, "Lilly! You are too presumptuous!"
