

# I' m Sorry My Love Novel Chapter 1394 - 1395

## Chapter 1394

Gu Jianing was stupid.

Gu Xiaoqing was also stupid.

“Say!” Darius suddenly cried out, “How did you mother and daughter frame my aunt and my cousin? Let’s call it the truth!”

Seeing the junior scolding himself like this, Gu Jianing had no place to put his old face.

She glanced at Fu Zhengxiong and his wife.

Qin Wenyu was stunned, but Fu Zhengxiong was worried.

Gu Jianing understood. Today, on this occasion, under the strong pressure of Mr. Shu, Gu Jianing can’t hope for her.

Even if Fu Zhengxiong slept with her and was worried about the love between Lushui and his wife, he wanted to help her, but Fu Zhengxiong’s old mother, the old lady of the Fu family would definitely not agree.

At this time, Gu Jianing could only face reality.

She tremblingly asked Elder Shu: “Uncle, you...” These days she was confused, not asking about world affairs, even in poor health, and not eating, all pretending to be? “

“Actually, your eyes are bright, right?”

Elder Shu said in a cold tone: “It’s not all pretends.”

“My health is indeed not good. When my daughter denied me a month ago, my health dropped sharply. My health was not good. I didn’t pretend if I didn’t eat, but I said, my ears are not deaf, and my eyes are not deaf. Blind, the heart is not blind.”

“Jianing!” Elder Shu faintly yelled, “If I’m not mistaken, you got off the plane from abroad and aimed at my granddaughter’s husband. Arron, right?”

Gu Jianing’s old face blushed: “Uncle, you...”

“Since I have been thinking about calculating my granddaughter and my daughter since I got off the plane, I don’t think you should call my uncle anymore. We are not in the same camp.”

“The enemies of my daughter and my granddaughter are naturally my enemies.”

Gu Jianing: “...”

“Your mother and daughter, you have been eyeing my granddaughter’s happy family since you got off the plane!”

“Gu Xiaoqing, taking your adopted daughter to my only nursery is the first step!”

“Immediately afterwards, you defrauded A Zhen’s VIP pass to see Arron. It was the second step, but you failed in the second step! You made a fool of yourself in the Fu Group! You didn’t expect my granddaughter to be so powerful!”

“Then you learned from it! You changed the strategy. Start to set traps!”

“When you set up a trap for my granddaughter, my granddaughter also noticed it, including my daughter, so my daughter came to the door of Shu’s house that day to discuss with me.”

“But you, Gu Jianing! My daughter had already come to my door, so she was scolded by you again!”

“Do you know how uncomfortable I am when you scold my daughter?”

“I loved you so much when you were young, but you can’t leave your kindness to my biological daughter?”

Gu Jianing: “...”

Elder Shu laughed at himself and laughed at himself: “However, this can’t be all to blame for you. I loved you too much when I was a child, and you saw that I hurt you and destroyed my own children. Therefore, you are not all to blame.”

“But!” Father Shu’s tone suddenly increased: “But this time, my daughter didn’t offend you, did she?”

“She just wanted to get a theory from her biological father, why are you doing everything you can to stop her?”

“It doesn’t matter if you prevent her from meeting with me. The most important thing is that you ran to her dance practice the next day and blatantly went to trouble her, and you let my four bodyguards beat her!”

“Jianing! I love you so much, until the end of the pain is to let you deal with my daughter, right?”

“Where did she offend you, do you take people to disturb her and corrupt her reputation?”

Speaking of this, Mr. Shu’s tone was already extremely aggressive.

Gu Jianing: “I...uncle...you...”

Gu Jianing didn’t even explain the wording.

## **Chapter 1395**

“You actually threatened my little aunt and asked my grandfather’s report to beat my little aunt? Gu Jianing! Our family really has a set of poisonous snakes!”

“No!” said Old Man Shu.

“Not only did you go to the place where your little aunt danced to beat your little aunt, she also joined forces with Gu Xiaoqing to design your sister Xiangxiang.”

Speaking of this, Elder Shu looked at Gu Xiaoqing: “You found the man lying in the hospital, right?”

Gu Xiaoqing: "Auntie, auntie..."

"His hometown is thousands of kilometers away in Bi County. He is a hegemon in the local county seat, but he likes you very much. You took advantage of his liking for you and called her from Bi County to Nancheng to frame her. Xiangxiang."

Gu Xiaoqing: "....."

She glanced at Suzi and Arron in horror.

Arron was expressionless.

They were all Suzi, and she was looking at Elder Shu with a surprised expression.

Not only Suzi, but Alyce also looked at Father Shu with a surprised expression.

"I am old, and my actions are not good. I have done too many things in my life that I am sorry for my daughter. I am not worthy to be my daughter as a father. I just want to protect my daughter before I die. ."

"I know that you are united and want to completely overthrow my daughter and my granddaughter at this family banquet."

"How can we watch them being trampled underfoot again?"

"Although I am old, I also have eyes and ears. When you co-designed my granddaughter in the Qingshan International Hotel yesterday at noon, I immediately asked the bodyguard to check the man's background."

"Sally, although I am getting old and dizzy, it is easy for me to investigate this matter."

Gu Xiaoqing: "....."

Her face was blue, red and white.

"You mother and daughter, eat our Shu's family and drink my Shu's family's. In the end, you still want to kill my Shu family's daughters and granddaughters in desperation."

“You killed my daughter and my granddaughter, and you have to drag me up. Let me support you, what are you doing? Do you want to use my power to drive my daughter and granddaughter to a dead end?”

“Jianing, this is how you came back to repay me and honor me?”

Gu Jianing: “Uncle, Shu... old man... that...”

She stammered and was speechless for a long time.

After grumbling, she simply gave up: “Master! My uncle! You are to blame for this! The reason why I did this to Alyce... to your daughter, it was not because you gave me this way. Right!”

“First of all, you hate your daughter first, I’m because you hate her...”

“Did she do something wrong?” Elder Shu interrupted Gu Jianing.

Gu Jianing: “...”

“Even if I hate me, I still hate my daughter like my daughter did when she was a child, but I ask you, what did she do wrong this time? Did she get in your way? Did she offend you? Did she harm your interests?”

Gu Jianing was even more stuttered when asked by Lianfan:  
“No...no...”

“Since there is no such thing, why do you harm her!”

Gu Jianing: “...”

Elder Shu sneered: “The matter between you and your daughter, let’s talk about it later! I have something to ask Zhengxiong.”

Fu Zhengxiong looked at Old Man Shu with a stunned look: “Uncle Shu, I... I really don’t know that the man lying in the hospital was... Gu Xiaoqing asked to frame Suzi, I Thought...”

“You don’t know that man doesn’t blame you!” Elder Shu said coldly.

Fu Zhengxiong: “.....”

Immediately afterwards, Fu Zhengxiong said: “Do you know who the second man is? You know to blame my granddaughter!”
