

The One and The Only Chapter 141 - 150

hospital, second uncle Song Qingzhu woke up.
Song Zhongxiong and Song Zhongping and a group of people gathered around his hospital bed, and they were pleasantly surprised: "Second Uncle, you are awake." Seeing Song Zhongxiong and his group, Second Uncle couldn't help but remembered calling Joe at the hotel. Leadership matters.
His face paled again, and he almost fainted again.
Song Zhongxiong said: "Second Uncle, don't be afraid. Yash Nics got the personal mobile phone number of Qiao's leader by accident. It has nothing to do with Qiao's leader." The second uncle feels that things are not that simple.
Qiao's private phone number, It's very secretive.
Only a few top leaders and relatives know about it, and it is impossible to make it public.
Even if you want to disclose it to the public, it is only possible to make the office mobile phone number public, and not to leave a private number.
The second uncle felt that Yash Nics's identity was definitely not simple. Even if he was not a person who could easily reach the sky, he was at least somewhat related to Qiao's leadership.
Besides, he ran into the leader of Joe on the phone.
Leader Qiao could find out his identity with a single word, and he would definitely have to eat and walk around next time.
The second uncle waved his hand to let everyone go out, he wanted to be quiet.
That night, the second uncle received a notice to organize an investigation.

He didn't care about saying goodbye to the Song family, and returned to the capital violently,

and took the initiative to be investigated.

...The

Song family mansion.

The old man Song was full of anger, looking at Song Zhongxiong and

Song Zhongping's

family in front of him.

He asked angrily: "What the hell is going on, why did your second uncle leave without saying

goodbye. Did you not entertain him well, offended him, and made him angry?"

Song Zhongping said angrily: "It's all to blame Song Pingting and his family, especially Yash

Nics, for being rude to his second uncle and

angering his second uncle." Song Zhongxiong said fiercely: "I originally wanted to rely on my

second uncle. Power, give our family some welfare benefits. Now it's fine, there is nothing

left."

Song Qingsong was furious, and ordered: "Zhongxiong, you come to Song Zhongbin's house

and ask his family to apologize to your second uncle, otherwise you will be at your own risk."

Song Zhongxiong immediately took a few bodyguards and headed aggressively to the

Jiangbin Garden Villa community to discuss with Song Pingting's family.

However, when his Mercedes-Benz passed the off-road section of Xinxing Street.

Suddenly a van without a license plate jumped out in front, and his car was intercepted

directly.

He and the drivers and bodyguards in the car had not had time to scold his mother.

Suddenly, on both sides of the road, a few men with pistols came over.

Several men armed with guns smashed the car windows with their gun handles, pointed

their guns at Song Zhongxiong, and said viciously: "Don't move all of them, you will blow

your heads with one move."

Song Zhongxiong was shocked again. Fearful again, she lied and shouted: "Who are you who dare to commit crimes, do you know who I am?" A man in a suit and a ponytail leaned closer, and smiled at Song Zhongxiong through the car window and said: "You It's Song Zhongxiong. Our boss wants to see you and get out of the car by himself. Or we can shoot you and drag you out of the car."

Song Zhongxiong raised his hands and got out of the car honestly. As soon as he got out of the car, he was kidnapped into the van, and the van whistled away.

The ponytailed man and several gunmen coldly said to the bodyguards in the

Mercedes-Benz, "You are not allowed to call the police, or you and your family will all follow the unlucky luck!"

After speaking, he took a few gunmen and turned and left.

The One and The Only Chapter 142

At ten o'clock in the evening, Yash Nics and Song Pingting had daughters, and they had just returned to the room to rest.

Unexpectedly, Song Pingting received a call from her grandfather Song Qingsong himself.

Song Qingsong roared anxiously and angrily: "Song Pingting, you are really vicious. I just asked your uncle to come and argue with your family that you sent someone to kidnap him."

Song Pingting was startled and hurriedly heard this. He said: "Grandpa, I don't have one!"

Old man

Song said excitedly: "You still said no. Your uncle went to find you and was kidnapped. It

must have nothing to do with you and Yash Nics."

"Before dawn tomorrow, if you Uncle can't go home safely. I took the whole clan, young and

old, to kneel at your door. Let the entire Mannity people know about your family's evil deeds

and let everyone verbally criticize you."

Song Yuting said anxiously: "Grandpa, this matter really has nothing to do with our family.

We won't kidnap uncle anyway..."

However, Grandpa Song believed that she and Yash Nics did it.

She didn't give her a chance to explain at all, and she hung up the phone without waiting for

her to finish speaking.

Yash Nics frowned and asked what's wrong?

Song Pingting explained the matter again, and then frowned: "Uncle was kidnapped by a

mysterious man. Grandpa believes that we did it."

"It also means that if the uncle can't go home safely, he will lead the whole family to kneel in

front of our house ." Next, let the entire Mannity people scold us."

" Yash Nics, what should we do?"

Yash Nics saw his wife who was in a hurry, and said flatly: "Don't panic, you and Qingqing

rest first, I will let people

Check what's going on." Yash Nics said, picked up the phone and walked out of the balcony,

and called Dianchu: "Song Zhongxiong was kidnapped, and the Song family thought it was

me. You can check with me, how can I get back? What?"

Dian Chu said in a deep voice: "Yes!"

After Yash Nics made a phone call, more than a dozen departments, including the red

hacker organizations following the orders of the country, all started to take action.

The network cracked, and all public and private surveillance around the incident road

section were called.

During this period, all vehicles and faces in this area are identified and tracked throughout.

In just ten minutes, Dian Chu had the result.

Dian Chu called Yash Nics the first time to report: "Master, it has been found out that it was

a guy nicknamed Ponytail who kidnapped Song Zhongxiong with a few gunmen.”

Yash Nics asked calmly, “They took Song Zhongxiong. Where did the kidnapping go?”

Dian Chu said, “According to our data tracking, the Mawei gang kidnapped Song Zhongxiong into a ruined building near the eastern suburbs.”

“Master, do you need to send someone to rescue it?”

Yash Nics didn’t have a good impression of Song Zhongxiong. Song Zhongxiong was dead or alive, he didn’t care.

However, this incident now involves the Song Pingting family.

If Song Zhongxiong died, then Master Song brought the whole family to the door and knelt

down, then there would definitely be a lot of people poking and scolding Song Pingting’s family.

Yash Nics said indifferently: “This matter is related to my wife’s family. I’ll go and see it myself.”

Yash Nics hung up the phone and came back from the balcony. While taking a coat and putting it on, he said to Song Pingting: “ I found the news about your uncle. He was kidnapped into an unfinished building. I’m going to see it myself. You and your daughter should rest first.”

Song Pingting heard that Yash Nics was going to save the uncle personally, and she instantly Very worried.

Although he knew Yash Nics was extraordinary, she was still very worried and said to Yash Nics, “I will go with you!”

Yash Nics felt a little dangerous and disagreed.

But Song Pingting insisted on going with Yash Nics. She shook Yash Nics’s hand and said,

“He is my uncle, and I will go to save him. And I am very worried about you. Let me wait at home. I will be anxious. “

The One and The Only Chapter 143

Yash Nics knew that Song Pingting was worried about him, so he could rest assured as long

as he was with him. He was warm in his heart and said lightly, "That's fine, but you have to

listen to me and don't take risks."

Song Ping Ting Ning tightly holding hands, nodded:" good! "

They let Song Zhongbin care with Repairation daughter to sleep, then go out.

They just came out of the community, and suddenly three jeeps roared in, and it was Dian

Chu who came with the eight tiger guards.

"Participate in the young master, I have met the young lady!"

Dian Chu said hello to the eight tigers and the Qi Qi Song Pingting.

Song Pingting had a red face and was a little bit ashamed. She nodded politely and said,

"Hello everyone."

At the same time, she looked at Yash Nics a little curiously.

Obviously asking who these people are, why, like Dong Tianbao, call Yash Nics the young

master?

Yash Nics explained with a smile: "I used to be a soldier. At that time, I was a small platoon

leader. They were all my subordinates."

"Although I have retired now, they have not yet. This time the uncle was kidnapped. , I

specifically asked them to come and help."

Song Pingting quickly thanked Dianchu and others after hearing this.

Yash Nics said indifferently: "Everyone is not polite, it is important to save people."

Everyone got on the car, three jeeps, like three beasts.

In the darkness, towards the eastern suburbs, speeding away.

...In

an abandoned and unfinished building in the eastern suburbs.

Mawei brought in a few of his men, and Song Zhongxiong, who was embarrassed, came in.

There is a group of people in the abandoned building.

The headed man is tall, with a face of Chinese character, deep eye sockets, high cheekbones, fierce but not majestic, and it is Xu Jingming, the underground emperor of Yunlan City.

Song Zhongxiong looked at Xu Jingming in surprise, and said in a trembled voice: "Who are you, what are you doing here to get me here?"

Xu Jingming said lightly, "It doesn't matter who I am. What's important is that you are committed. Under the Zhu family, they dare to harm the young master." Song Zhongxiong heard the words and guessed that Xu Jingming and the group could not get out of the relationship with Zhu family.

He hurriedly said: "I wish the young master had an accident, it really has nothing to do with me."

Xu Jingming sneered: "But I think it has something to do with you. Zhu Ye also feels that the young master has an accident in your house and you can't blame it."

Song Zhongxiong trembled all over when he heard the words, crying and said, "I can't really blame me for this. It's Yash Nics. That bastard broke into our house and injured Zhu

Dashao. It has nothing to do with me, please let me go.

Pass me..." Xu Jingming looked at Song Zhongxiong, who was kneeling in front of him,

begging for mercy, stretched out his hand to pat Song Zhongxiong's face, and sneered:

"Don't worry, the Tyrannosaurus is dead, and you have to die tonight."

"As for Yash Nics and Dong Tianbao, neither of them can escape."

"Everyone who is related to the young master must die. This is what Zhu said."

Song Zhongxiong's face was as gray as he heard the words, and his eyes were full. despair.

Xu Jingming took a few entourages, turned and left, and at the same time ordered: "Mawei, don't let him die too fast, I wish him a bitter death."

Mawei: "Yes, boss!"

Xu Jingming took a few with him. The bodyguard left, and in the abandoned building, only

Mawei and a few of his men remained, and Song Zhongxiong with a desperate face.

Mawei took out his pistol and grinned and told his subordinates with a grin: "Set up the camera to record. The video of his death will be shown to the young master and Zhu."

Several subordinates actually took out their cameras, set their angles carefully, and even laughed and said to Song Zhongxiong: "Hey, you are about to die, come and smile at the camera."

Song Zhongxiong cried and crawled to the feet of the horse's tail, begging for mercy. Said:

"Brother Mawei, please let me go. If you let me go, I can give you a lot of money. And I have a niece named Song Pingting, who is so beautiful, I can also sell her to you guys..."

The One and The Only Chapter 144

In the face of death, Song Zhongxiong's despicable behavior is even more exposed.

In order to save his life, he intends to do anything.

Mawei and several of his men have not spoken yet.

An indifferent man's voice came from outside: "Song Zhongxiong, you are more shameless than I thought. Pingting and I shouldn't have come to save you."

Song Zhongxiong and Mawei and the others ate them when they heard the voices. Startled, they all looked out.

Then I saw that in the faint night, a man and a woman were walking in. Yash Nics's is Yash Nics, and the woman is Song Pingting.

Wow!

Mawei and several of his men, with pistols in their hands, pointed towards Yash Nics and Song Pingting.

Mawei looked at Yash Nics in dismay, "Who are you, why did you find here so quickly?"

Yash Nics guarded Song Pingting behind him, looked at Mawei and the others, and said

indifferently: "I am Yash Nics. on a gun pointed at me, now just take the mound grass green shoots."

Mawei heard this, surprised and said: "you are Ning!"

Haha, really beyond the pale in hunting, must come not It takes time."

"The next one we are going to kill is you. I didn't expect you to come here by yourself."

A thin man with a thief-faced mouse-faced face beside Mawei stared at Song Pingting, who

was hiding behind Yash Nics. He smiled and said, "Brother Mawei, this kid not only came to

death by himself, but also brought a beautiful woman like a flower to enjoy."

Mawei grinned and pointed his gun at Yash Nics, and shouted, "Boy, kneel down for me." "

Yash Nics said indifferently: "You want me to kneel down with a few broken spears in your hands?"

Mawei said viciously: "A few broken spears can kill all of you, do you not kneel?"

Yash Nics squinted his eyes: "Playing with guns is very dangerous. I'm afraid you won't be able to bear the consequences."

Ma Wei immediately became angry when he saw that Yash Nics was so reckless. He

wanted to pull the trigger and hit Yash Nics first. Let's talk about the blood hole.

But at this moment, several people suddenly flashed out around the abandoned building,

and at the same time, gunshots were heard loudly.

Bang Bang Bang...

Song Zhongxiong was so scared that he was lying on the ground in the fierce gunfire.

Song Pingting hid behind Yash Nics, hugged Yash Nics's waist tightly, and buried her head

behind Yash Nics.

After a burst of gunfire, he returned to calm.

Mawei and several of his men at the scene did not fire a shot, all of which had fallen into a pool of blood.

Dianchu and Bahuwei, each carrying a gun in their hands, came from all around.

Dian Chu and the others carefully kicked off the pistols next to the gangsters' bodies, completely removing the danger.

The horse's tail was shot several times, and his right arm was interrupted. At this time, he was not completely dead.

He was so angry that he opened his eyes wide and stared at Yash Nics and others.

Yash Nics looked at the dying Ponytail and said indifferently: "I told you that playing with guns is dangerous."

Ponytail's neck crooked, completely dead, and he couldn't look at him.

Yash Nics, Song Pingting, and Song Zhongxiong first came out of the unfinished building and drove away.

They are responsible for handling the aftermath, and Yash Nics does not need to worry about it.

On the way, Song Zhongxiong looked at Yash Nics and Song Pingting suspiciously.

He was still immersed in the shock of the scene just now. Yash Nics unexpectedly called a group of soldiers and killed all the kidnappers sent by the Zhu family. Too arrogant!

However, he also had many questions in his heart.

For example, who is Yash Nics and why can he call in service fighters to help? How powerful is this?

But he didn't dare to ask, so he could only stare at Yash Nics with suspicion.

The One and The Only Chapter 145

Not long after, Yash Nics drove a jeep to the Song family mansion. The Song family father, Song Zhongping, Song Haoming, Ge Meili and others have not slept yet.

Now that Song Zhongxiong has been kidnapped, how can they sleep? However, they were afraid that the kidnappers would tear the ticket, so they did not dare to call the police.

It can only be like an ant on a hot pot, rushing around in a hurry.

"Uncle is back!"

Song Zhongping's son Song Haojiang rushed in from outside and exclaimed in surprise.

When Grandpa Song and the others heard it, they all showed joy and went out together to greet them.

They just came out of the living room, and then they saw the embarrassed Song

Zhongxiong, accompanied by Yash Nics and Song Pingting, coming across the front yard.

Father Song spoiled his eldest son the most. When he saw Song Zhongxiong's safe return, he was so happy that he burst into tears, and embraced Song Zhongxiong excitedly: "My son, you can count as coming back, scaring father to death." Song Zhongxiong also felt that today. In the evening, I recovered a small life, and said with emotion: "It's really dangerous tonight, I almost can't come back alive."

Song Pingting yelled crisply, "Grandpa!"

Song Laozi saw Yash Nics and Song. Ping Ting's face instantly sank: "You two beasts, dare to find someone to kidnap your uncle."

"If it weren't for me to lead the whole clan to kneel at your door tomorrow, let everyone scold

you, I'm afraid you I don't want to let anyone go!"

"Now, do you still have the face to come to see me? Come here, blast them both out!" Song Zhongxiong said in an embarrassingly low voice at this time,

"Dad, I was kidnapped. It has nothing to do with Yash Nics Xiaoting and the others ." Old Song and others frowned upon hearing this, and asked, "Really?"

Song Zhongxiong said, "Yes, it was done by another group of people. And thanks to Yash

Nics's dispatch of a group of soldiers and killing the kidnappers, they rescued me."

Everyone in the Song family heard this and looked at Yash Nics with wide eyes. Can Yash

Nics mobilize soldiers?

Song Pingting explained at this time: "Actually, it was not Yash Nics mobilizing soldiers.

Yash Nics served in the army before. This time the uncle was kidnapped, Yash Nics asked

the army for help. The army sent several comrades to help rescue the uncle. "That's it!

The Song family and others all showed stunned expressions, and they said that Yash Nics, an idle man, could mobilize soldiers in the army!

It is said that China Shipping has leaders leading troops to conduct exercises and training,

and they also attack the underworld by the way.

There were Jiuwenlong and Luo Linyuan before, and they were handled by the soldiers.

The kidnappers who kidnapped Song Zhongxiong were too arrogant, so Yash Nics asked

the army for help, and the army immediately dispatched soldiers to deal with it.

Everyone in the Song family didn't think that this was Yash Nics's ability, but that it was now fighting hard.

Yash Nics and Song Pingting saw that the Song family was unwelcome to them, and they

naturally didn't want to be boring.
Anyway, Song Zhongxiong had been rescued, and it was confirmed that Song Zhongxiong's kidnapping had nothing to do with them.
They didn't stay in Song's house any more, and left directly.
Mr. Song called Song Zhongxiong and Song Zhongping to his study and asked in detail, what happened?
Song Zhongxiong didn't dare to conceal it, so he said it all.
After Mr. Song and Song Zhongping finished listening, their expressions changed and they became extremely ugly. Old man Song said with a worried face: "So it was the Zhu family who did it!"
Song Zhongxiong said with a wry smile: "I wish you had an accident in our house, and Lord Zhu felt that our family could not be blamed."
Mr. Song said angrily: "It's too much. We also offered to offer our family's subsidiary, Tianzi Apparel Company, to Zhu's family as a gift. I didn't expect them to agree to accept the apocalypse. Come deal with us."

Song Zhongping said in horror: "Dad, brother, this Zhu's family is one of the four pillars in the south of the Yangtze River, with power all over the south. They want to deal with our family, what should we do?"
Song Zhongxiong's expression changed. Stop, then gritted his teeth and said: "As of this day, only disasters can lead to the East."
The One and The Only Chapter 146
Song hurriedly asked: "How can the trouble be caused?" Song Zhongxiong said with a sneer: "Didn't our family just promise to dedicate the subsidiary, Tianzi Clothing Company to Zhu's family."
"Since the Zhu family has the heart to destroy me, then this Tianzi apparel company does not need to dedicate it to the Zhu family. I suggest that the Tianzi company be given to the

second child's family!"

Old man Song was surprised: "What, give the Tianzi company Zhongbin that white-eyed wolf?"

Song Zhongxiong nodded, "Yes, not only will the Tianzi Company be distributed to the second child, but also the second child's family will be invited back to the family." The old man

Song opened his eyes wide and said, "I drove them out. , And I have to invite them back and give them a company?"

Song Zhongping smiled and said, "Dad, I understand, this is what the big brother calls trouble."

"We said before that Tianzi Company will be dedicated. For the Zhu family, the Zhu family is likely to send someone to take over the Tianzi company."

"And we gave the Tianzi company to the second brother's family, and then the second brother and the Zhu family's people are likely to start fighting because of the Tianzi company! "

Song Zhongxiong smiling, said:"! Yes, that let a younger brother, to absorb our hatred of the enemy with fire "

." in addition, the younger brother a request back to the family, you can also give us share a little pressure "

Song Wen Father The words were relieved, and he said with a smile: "So this is your strategy to attract trouble! Okay, I will invite my second child back tomorrow and distribute the Tianzi Clothing Company to my second child!"

... the

next day, in the morning. .

Elder Song brought a bunch of family members and various gifts to the Jiangbin Garden

Community to visit Song Zhongbin's family.

Song Zhongbin's family was flattered and hurriedly welcomed Mr. Song and others into the house.

Father Song thanked Yash Nics and Song Pingting for saving Song Zhongxiong last night, and at the same time said to Song Zhongbin: "My second child, Dad did something wrong before. I came today just to invite your family and return to the Song clan. Yes!"

Song Zhongbin was full of excitement, and he couldn't believe it. Ma Xiaoli was half-believing, she said coldly: "We can't bear it, lest we make everyone upset one day and be driven out of the house by you."

Song Zhongxiong smiled and said, "Second Sister-in-law, Dad is sincerely requesting this time. You returned to the family."

Song Zhongping also said: "Yes, Dad wants to compensate your family. He decided to distribute the largest subsidiary of our family, Tianzi Apparel Company, to your family."

"The money made by Tianzi Company in the future, It's all yours!"

Now, not only Song Zhongbin and Ma Xiaoli were shocked.

Even Yash Nics and Song Pingting next to each other looked at each other. Is this the sun coming out from the west?

Song Zhongbin has an honest character and a kind heart.

He saw his father come to apologize in person, ask them to return to the family, and give

him the Tianzi company worth more than 500 million yuan.

His eyes were moist, and he choked and said, "Dad, be a father for a day and be a father for

life. I don't want Tianzi Company, I promise to return to the family."

Father Song smiled and held Song Zhongbin's hand: "No, I have to make up You, this Tianzi

Company will be yours from now on."

"But I want to remind you that you have to manage well, but don't lose Tianzi Company, then

I will be completely disappointed!”

Song Zhongbin used to be a general manager. Feeling that his father did not give him a chance to show off, now his father is finally willing to give him a chance to show off his skills.

He was very excited and promised loudly: “Dad, I must take care of Tianzi Company well.

Unless I die, Tianzi Company will never be lost from my hands.”

Old man Song said with a smile, “Okay .” , I will wait and see.”

The One and The Only Chapter 147

That night, Mr. Song ordered people to hold a grand banquet in the Song family mansion to welcome Song Zhongbin’s family back to the Song family.

During the banquet, everyone came to Song Zhongbin to toast, a happy family, a scene of family unity and harmony.

Song Zhongbin’s family is very happy today. Together with Ma Xiaoli, they all feel that the

Song family has sincerely changed their mistakes and wants to live with them peacefully.

Only in the corner, Yash Nics, who was feeding her daughter, had a calm face.

Yash Nics feels that it is difficult to change the nature of the country.

The people of the Song family are all old treacherous old foxes, and it is impossible for all of

them to become good people overnight.

Moreover, everyone in the Song family is greedy, and if it is for nothing, how could it be

possible to distribute the Tianzi clothing company worth several hundred million to Song Zhongbin!

Among them, there must be some tricks.

There must be a problem with Tianzi Company!

However, Yash Nics looked at his father-in-law’s excited and happy appearance, and couldn’t

bear to speak coldly, otherwise he would become a villain in the audience.

Besides, no matter what's in it, what's wrong.

Yash Nics felt that it was not a problem in front of him.

The Tianzi company given by the Song family is a sugar-coated cannonball.

Yash Nics can also pull the icing off and throw back the cannonball!

The next day, Song Zhongbin officially became the general manager of Tianzi Company.

Accompanied by Ma Xiaoli, Yash Nics and Song Pingting, he came to Tianzi Company.

"Welcome to Mr. Song!" A

group of executives of Tianzi Company raised a banner at the door of Tianzi Company to

greet Song Zhongbin.

Song Zhongbin was born as a son of a wealthy family. In his early years, he also studied

business administration. In addition, everything in Tianzi Company was running normally.

Even if he suddenly took over the company, he wouldn't have much problem.

He greeted the executives vigorously, then visited various departments of the company, and

finally came to his general manager's office.

He said to the company's deputy general manager Ge Meili: "I'm here for the first time and

I'm not familiar with the company's situation. You tell everyone that everything is business

as usual, and everyone works as usual."

Ge Meili nodded, "Yes, general manager!"

Ge Meili retired with a group of executives. In the general manager's office, only Song

Zhongbin, Ma Xiaoli, Yash Nics and Song Pingting were left.

Song Zhongbin said vigorously: "It's like a dream. I didn't expect that I would actually have

the opportunity to be the general manager of Tianzi Company and be responsible for the

entire company."

Ma Xiaoli said with a smile: "All this is thanks to our kindness. Son-in-law Yash Nics."

Song Zhongbin looked at Yash Nics who was standing side by side with Song Pingting, and said with a smile: "Yes, if Yash Nics hadn't rescued the eldest brother from the kidnappers.

Then Dad and the eldest brothers would definitely not follow us. The family is free of

previous suspicions ." "I can be the boss of Tianzi Company, Yash Nics has done the most."

Yash Nics said with a smile, "

Why , all of this is what you deserve, Dad." Indeed, Song Zhongbin, as the second son of the

Song clan, It is not an exaggeration to be in charge of such a company.

Song Pingting also smiled and said, "Dad, since Grandpa is willing to

entrust you with important tasks , then you must take care of Tianzi Company and show him

some achievements." Song Zhongbin just set up his bold ambitions, but Suddenly, Ge Meili

hurried in from the outside, and said in shock, "Mr. Song, the matter is not good."

Song Zhongbin was stunned: "What's the matter?"

Ge Meili said with a trembling voice, "It came outside. The wicked accomplice said he would

come to take over our company!"

The One and The Only Chapter 149

big head said, raising his right hand, and slamming Song Zhongbin's face, trying to slap

Song Zhongbin over.

However, his palm has not yet fallen.

Yash Nics had already stepped forward and stopped in front of Song Zhongbin.

Yash Nics raised his hand and grabbed Big Tou's wrist, and said indifferently: "This is my

dad, do you dare to fight?"

Big Tou looked at Yash Nics in shock, his right hand was grasped by Yash Nics, letting him

struggle with all his strength. Unexpectedly, he was not able to move at all.

Yash Nics said angrily: "Kneel down!"

After speaking, Yash Nics lifted his foot and kicked it on the knees of the big head's legs.

Kaka Kaka, two scalp numbing bone fractures sounded, and Yash Nics's feet were directly kicked off by Yash Nics.

The big hair screamed like a pig, and he knelt down in front of Song Zhongbin. The whole face was distorted because of the pain, cold sweat came out with tears. Song Zhongbin, Ma Xiaoli and others looked at Yash Nics in shock, some of them couldn't believe the scene before them.

Yash Nics looked gentle and gentle, but he didn't expect to get angry and act so domineering.

"This kid dared to hit Big Head, let's kill him together!" The group of guys who were smashing, saw that the big head was taken away by Yash Nics, they roared and rushed forward.

So scared Song Pingting screamed with Ma Xiaoli: "Yash Nics be careful." Datou

Ben also hoped that his men would be able to kill Yash Nics.

But soon he was disappointed.

Yash Nics's shots were as fast as lightning and heavy as a mountain.

Every move must have an opponent screaming and falling.

No one of his gang is Yash Nics's enemy.

In less than two minutes, all of his 30 men lay on the ground.

Song Pingting had seen Yash Nics's skill a long time ago, and was able to remain calm at this time.

Song Zhongbin, Ma Xiaoli, and Ge Meili and a group of executives from Tianzi Company.

All of them looked at Yash Nics in disbelief, thinking that this guy's combat effectiveness was too terrifying, right?

Song Pingting hurried over and asked with concern: "Yash Nics, are you not hurt?"

Yash Nics looked at the deep concern in her eyes, warmed her heart, and smiled: "It's okay, just rely on them. A lice thief, I don't deserve to be injured." Song Zhongbin and his wife came over and asked in surprise, "What should these people do? Are they going to the police?"

Yash Nics said flatly, "You don't need to waste police resources and tell Dong Tianbao to bring someone over. Take people away."

"At the same time, inform their boss Xu Jingming that if they want to release people, they have to compensate for the loss. Everyone's ransom is one million, a total of thirty million."

Ge Meili and others heard the words and looked at Yash Nics's eyes were even more weird.

These people are from the Zhu family, one of the four court pillars in the south of the

Yangtze River. Yash Nics not only dared to beat the Zhu family, but also paid a huge amount

of compensation to the Zhu family. This is nothing but a tiger's skin!

...The

Bandung Club, Xu Jingming's temporary foothold in Mannity City.

He was drunk last night and only woke up at ten o'clock this morning.

Looking at the beauties beside him, he showed a triumphant expression.

Although he is forty years old this year, the sword is not old!

He came out of the bedroom and came to the living room, wearing a white nightgown and

barefoot.

Just sitting down on the sofa, a burly black man stepped forward.

This man is more than two meters tall and has spurting muscles. Even in a black suit, he

can hardly hide his powerful figure.

The whole person seemed to be full of explosive power.

His face is stiff, with sword eyebrows and star eyes, but there is a broken mark in the middle

of the left eyebrow.

This person is Xu Jingming's powerful fighter, with broken eyebrows.

The One and The Only Chapter 150

Broken eyebrows came to Xu Jingming, bent over and said in a low voice: “Boss, things are not good.”

Xu Jingming took out a cigarette from the cigarette case and lit it slowly. He spit out the

smoke, squinted his eyes and asked slowly: “What’s the matter?”

Broken eyebrows said: “The ponytail and the big head are both in trouble.”

Xu Jingming frowned: “One by one, last night was not allowed The first few get Song

Zhongxiong’s guy, and let them take the death video? What kind of moth did he make?”

Broken eyebrows: “Mawei and his men have not come back until now, they are completely lost. .”

Xu Jingming asked: “Where is Song Zhongxiong?”

Broken eyebrow said: “I sent someone to check, Song Zhongxiong has gone home safely, so

I guess Mawei and the others are more

ill-fortune .” Xu Jingming scolded. Said: “Trash, such a small thing can’t be done well, it’s not a pity to die.”

He immediately asked: “The big head, didn’t I tell him to take someone to take over the Song

family’s Tianzi clothing company today? What happened to him?”

Broke eyebrows replied: “The big head took dozens of brothers this morning, with Song

Qingsong’s letter of commitment, to receive Song’s Tianzi Company. But Tianzi’s CEO Song

Zhongbin, Refusing to hand over the company, the two sides still fought.”

“The final result is that the big heads were all injured and they are now under Dong Tianbao’s control.”

Xu Jingming opened his eyes wide and scolded fiercely: “Mawei messed up the matter. It

caused Song Zhongxiong to run back. It also caused the Song family to turn back, and it

also caused the big head to fail to take over the Tianzi Company. It was a mistake that made all the mistakes.”

Broke eyebrow said: “The most troublesome thing now is that the big heads have dozens of them. Brothers, they are all in Dong Tianbao’s hands.”

“Yash Nics has already spoken and asked us to give out 30 million ransoms.”

Xu Jingming sneered: “Oh, dare to ask me for money. It’s really a confession on the table of the King of Hades, and he will kill himself.”

“I won’t give a penny, let Yash Nics wait to accept my revenge!”

Broken eyebrow smiled bitterly and said: “Boss, the underground circle of Mannity is under the control of Dong Tianbao, and Dong Tianbao is obedient to Yash Nics. I am afraid that we will kill Yash Nics and Dong Tianbao in a short time. It will not be that easy.”

Xu Jingming Leng hum: “I have gathered thousands of brothers in Yunlan City, and Yash Nics and Dong Tianbao cannot be destroyed if I don’t believe it.”

Broken eyebrows said, “Assemble all the brothers in Yunlan City to destroy Dong Tianbao and Yash Nics, it is naturally simple.”

“But the boss, don’t forget. It is said that there is a certain chief who is carrying out military exercises in Mannity.” “If the noise is too big and attracts the attention of that chief, I am afraid that I will repeat the old mistakes of Jiuwenlong and Luo Linyuan!”

Xu Jingming frowned, “I really have to worry about it.”

Broken eyebrows said again: “And the big group of brothers are all injured now. If we don’t rescue them in time, it will be cold. Brothers’ hearts, I’m afraid there will be no newcomers to eat with the boss in the future.”

Xu Jingming squinted his eyes: “Is it possible that I was so useless. I gave Yash Nics 30

million for nothing, so where is my face? Put it on?"

Broken eyebrows raised his face and said: "I would like to take a ransom of 30 million to see

Yash Nics. You know my skillful boss best. As long as I get close to Yash Nics within three

meters, I will kill. Yash Nics!"

Xu Jingming was overjoyed when he heard the words: "Ha, kill the thief first kill the king. Kill

Yash Nics, and then get rid of Dong Tianbao. The seat of the underground emperor of

Mannity is at your fingertips."

"Broken eyebrows, if you can kill Yash Nics. In the future, I will take care of the gray business

of China Shipping." After

breaking his eyebrows, his eyes showed excitement: "Thank you, boss!"
