

I' m Sorry My Love Novel Chapter 1422 - 1423

Chapter 1422

Fu Zhengxiong: “.....”

He didn't think it would be Suzi.

It was even unexpected that Suzi would ask him this question.

Here, Qin Wenyu asked him: “Who called?”

Suzi. “

Qin Wenyu immediately understood why Suzi called at this time. Qin Wenyu immediately said, “Tell her that Pan Haoyang is not here!”

Fu Zhengxiong: “.....”

Pan Haoyang, who was framed by the bodyguard, was still going crazy: “Who am I? I'm just a mother who gave up, and father doesn't want it!”

“I am a crap myself!”

“I am neither the fourth son of the Pan family! I am also not the youngest son of the Nancheng Fu family!”

“But where is Nancheng?”

“I ask you! Fu Zhengxiong! You D*mn old thing! Who am I for me?”

“The world is big! There is no place for me to live! Haha! I am Pan Haoyang! No! I am not Pan, my surname is Fu? Is my surname Fu?”

“Who admits me?”

“I turned out to be an illegitimate child who didn't even have a surname!”

“I am neither a child of the Pan family nor a child of the Fu family!”

“Who am I?”

“Old Miscellaneous Mao! I will kill first today, and I will kowtow to her grave again!”

Pan Haoyang cursed loudly. Even though his tone was angry, he was still confused, wronged, and helpless.

He was like a child, cursing and crying.

“Dad! Dad?” Suzi’s anxious voice came from the other end of the phone.

She could almost conclude that Pan Haoyang should be in front of Shanna’s mother’s grave.

In the past two days, Suzi suffered from the calculations of the Gu family’s mother and daughter, because he had a relationship with Arron. One day, and the next day, because she saw Sanford who hadn’t seen him in a year, she came back, so she didn’t take care of it for two whole days. Pan Haoyang.

She went to the police station with Arron until an hour ago.

Before cutting off Gu Shijie’s tongue and breaking his bones, Gu Shijie offered to confront Gu Xiaoqing.

After arriving at the police station, after watching Gu Xiaoqing and Gu Shijie dog biting their innocence, Suzi and Arron came out of the police station.

Before leaving, Gu Xiaoqing was crazy and shouted to Arron: “Siye, please give me a chance. I really love you! When I was abroad, I had already heard of your name, Siye. “

“I have never been married. I graduated from a top financial university in the world. As long as you are willing to let me be your lover, the lowest lover, I will do my best for you. Please, Save me from the police station, right?”

“I am willing to be your lover and your bed warmer for the rest of my life.”

Hearing Gu Xiaoqing’s words like this, Suzi was really angry.

She went back again, raised her hand and squeezed Gu Xiaoqing’s chin and sneered: “Gu Xiaoqing! You finally admitted that you came back from abroad to destroy my marriage! You woman, you are really vicious!”

“In order to grab my husband, you started from the beginning of adoption!”

“You let your child come close to my child, and you can even pretend to be a noble and elegant woman in front of me!”

“In the end, you turned out to be such a stuff!”

“You are really shameless!”

“My family! My good relationship with Arron was almost ruined by you! A woman like you should stay in jail for a lifetime!”

“Didn’t you say that I am a woman from prison and I am not worthy of being Arron’s wife?”

“Then I will let you taste what it’s like to be in prison now!”

“Gu Xiaoqing, don’t worry, what I have is evidence that allows you to sit through the prison!”

Chapter 1423

“No...” Gu Xiaoqing couldn’t care much at all.

She doesn’t want to go to jail, she is afraid of going to jail.

If you put her in jail, you might as well let her die.

Gu Xiaoqing couldn’t take care of so much, she grabbed Suzi’s hand: “Please, Suzi, please! Let me be the fourth master’s bed warmer, okay? I...I will be yours in the future Eyeliner, I promise Fourth Master Fu will only be the two of us in this life.”

“No, no, it’s mainly you.”

“I...you only need to let the Fourth Master be with me for a week, no, no, two weeks, no, a month, you only need to let the Fourth Master accompany me once a month, okay?”

“I promise to sit on a dog next to you and Fourth Master.”

“Don’t worry, I don’t want children in my life. I will not give birth to him. I will only be his dog and your dog.”

“I beg you, don’t put me in jail, please...”

Suzi: “.....”

She was stunned.

She could hardly believe that this was the cold woman she saw in Shen’s only kindergarten half a month ago, who regarded everything as dung.

She couldn’t believe it!

Half a month ago, Gu Xiaoqing was so cold and capable of dressing.

Now Gu Xiaoqing has no bottom line.

There is no bottom line to make Suzi vomit: “You...you are so disgusting, you are really disgusting to me Gu Xiaoqing! Sorry! I am not you! My marriage with Arron will never have a third party. Come in!”

“Even if there is, then I won’t tolerate it for a day, and I won’t tolerate it for an hour!”

“Arron will love me!”

“Love me forever, do you know why?”

“Because, if he dared to betray me, I won’t want him again for a second! I will divorce him and be clean! How about you?”

“What kind of thing are you in his eyes!”

“Do you know that the lower the price of things, the less no one wants them? For cheap things like you, if you give Gu Shijie a junior, he might think you are dirty!”

“I understand your intentions, don't you just want to go to jail?”

“But Gu Xiaoqing! If a person commits a crime, he must go to jail. You can't escape!”

“You can only blame yourself, why break the law?” Suzi shrugged, his clothes helpless expression.

Then turned and left.

“Suzi! What are you proud of!” Gu Xiaoqing suddenly shouted behind her.

“You said so confident and so nice, would you believe that your man, Arron, is the only woman in this life? You probably don't know! Your father-in-law Fu Zhengxiong is surrounded by women! Just the day before yesterday, he and my mother Have a good night together!”

“Do you think Arron, as Fu Zhengxiong's son, is better than his own father?”

“How many times!”

Suzi turned his head and smiled confidently: “Because Arron and his mother are both hurt by it! So Gu Xiaoqing, your words won't strike me, you still consider yourself, how to spend the next half of your life in prison Live it!”

Speaking of words, Suzi strode out of the detention room.

She didn't want to hear Gu Xiaoqing's miserable cry.

Besides, when Gu Xiaoqing mentioned that Fu Zhengxiong had many women when he was young, Suzi thought of one thing.

She thought that Fu Zhengxiong called Shanna's cemetery an hour ago. She and her colleague remembered that Pan Haoyang had also asked about Shanna's cemetery two days ago.

Suzi immediately told Arron about the not daring idea.

Arron immediately took out his cell phone and called Fu Zhengxiong.

At the moment Fu Zhengxiong connected, it was Suzi who spoke. She asked in a questioning tone: "I ask you! Is Pan Haoyang in my mother's cemetery?"

Here, in the voice of Suzi over and over again, after a series of ideological struggles, Fu Zhengxiong answered Suzi with certainty: "Pan Haoyang, how could he be in front of your mother's tombstone?"
