## Chapter 1426 Such Power!

In addition to the experienced staff that formed the usual lineup of interviewers was another young man.

He appeared rather young. In fact, compared to the other interviewers, he seemed terribly and inappropriately young.

He kept his head down, his eyes on his phone and his attention on his game during the entire interview.

His legs were propped up on the desk. From time to time, he would spew a few profanities as he cursed his teammates in the game he was playing. He was the exact image of an impudent and spoiled young master from a rich family.

In normal circumstances, such frivolous behavior would not have been allowed in a formal and serious interview.

Yet, it was puzzling that the other interviewers seemed oblivious to the young man's antics. They dared not speak a word of protest.

In fact, they would bring him tea every so often and treat him with the deference one

would give a god.

It was clear from their actions that they were fearful of him and that they wished to remain on his good side.

It was a ridiculous sight to behold.

The experienced interviewers thought it absurd too.

But there was nothing they could do about it.

They were employees working for someone else. They had to swallow their pride. No matter how high they climbed up that corporate ladder, they were still just employees.

The young man was different though. He was part of the Ye family. The blood of the Ye family ran in his veins.

The upper management was filled with people who were either his uncles or his aunts.

The company was a family business and its building his home.

They were simply outsiders. They dared not offend this young master of the Ye family.

“Excuse me, do you have any other questions? If you don’t, may I leave now?”

A quiet voice sounded in the room meekly.

It was Lin Yu-Han. She had been in the room for quite some time.

The young woman might have been really chatty and carefree when she had been talking to Ye Fan, but she appeared reserved before the row of interviewers who held her future in their hands.

She chose every word with extreme care.

That was life. It smoothed your edges and taught you tact and etiquette.

In fact, she shouldn’t have asked that question at all.

But she had no choice.

She had been standing there for five minutes in silence.

She had answered everything that she had been asked.

The interviewers should have let her leave and gotten someone else in for their interview.

Instead, they had left Lin Yu-Han bewildered when they had not shown any intention of letting her leave.

Instead, they had let her stand there stupidly.

Exasperated, she had had to ask whether she could go.

“Please hold on a moment. Mr Ye has something to say,” one of the interviewers said.

Lin Yu-Han nodded and continued waiting.

The room fell silent again. The only sounds that one heard were the noises coming from the game that the young man was playing.

Everyone was waiting for him to be done with his game.

No one dared interrupt him.

## Chapter 1426 Such Power!

“Oh man, I just can’t lose, can I?” Laughter filled the room after a long bout of silence.

The young man was finally done with his game.

The other interviewers plastered a smile on their face instantly. “Congratulations, Mr Ye. Now, about Lin Yu-Han, do you think...”

“Lin Yu-Han?” The young man frowned. He seemed to find the name familiar. “Oh, right. The girl who caught Brother Xiao’s eye.”

He looked up and eyed the young woman in front of him.

“Are you Lin Yu-Han? Well, you do look pretty. No wonder Brother Xiao likes you.” The young man laughed, then pulled a contract out and threw it at Lin Yu-Han. “Let’s not waste time. I’m going to be straight with you. My friend, Yang Xiao, likes you and he’s told me to hire you. I’m a very good friend who never lets my friends down. I’m going to help my friend. Promise that you’ll be his girlfriend. You’ll have your share of fame and money. This contract is a taste of what you’ll get. Consider it a present. You’ll have a monthly salary of thirty

thousand dollars. Play nice and make my friend happy, and I'll make you the manager of a department. All it takes is one word from me."

Ye Jian's tone was casual and filled with easy confidence.

He seemed to think himself a god who could easily sway one's fate with a snap of his fingers.

Lin Yu-Han froze when she heard what he had said.

Shock, horror and disbelief filled her eyes.

"What's wrong? Are you unhappy with the offer?" Ye Jian frowned at Lin Yu-Han's prolonged silence. "Miss Lin, you should think this through very carefully. You're not simply losing an opportunity here if you turn this offer down. You can be certain that you'll find it hard to find work anywhere in Fenghai or the rest of Jiangdong. You're from Jiangdong. You should know how much clout Mufan Group holds in this province."

him and slowly savored it as he eyed the young woman in front of him.

His cool and collected words dropped like a bomb.

She began to panic visibly.

The look in her eyes was that of bewilderment and confusion. Blood had fled from her face.

She had prepared months for this interview and had looked forward to it. She hadn't expected things to turn out this way at all.

She hadn't expected the world to teach her such a cruel lesson on the realities of life right after she had graduated from school.

She wanted desperately to reject the offer in a fit of rage, but she was terrified of the consequences that she might have to suffer and that Ye Jian had threatened.

She knew how much clout Mufan Group held. She knew how easily the corporate behemoth could have a young and hapless girl like her blacklisted and prevent her from ever getting a job in Jiangdong.

But must she abandon her dignity and integrity because of that? Must she accept the unwanted advances of a man?

Lin Yu-Han spiraled into overwhelming terror. She felt torn and conflicted. She looked away and didn't say a word for a long time.

"There's a limit to my patience. You have three seconds. Accept the offer and everything will be fine. Refuse it and I'll make sure you never get a job in Jiangdong!"

Ye Jian seemed to have reached the end of his patience.

He looked up, his voice low and threatening as he issued his final warning.

Lin Yu-Han's face grew paler. Her petite body trembled.

The interviewers in the room felt sorry for the young and inexperienced young woman before them. But their fear of Ye Jian's authority kept them from speaking.

As Lin Yu-Han's eyes filled with horror and despair, the doors behind her suddenly slid

open.

A frosty voice erupted in the room like sudden thunder.

“Have her blacklisted in the entire province? Young Master Ye, you must possess such power! You’ll have others thinking that you were the one who founded Mufan Group!”

Chapter 1427 Ye Fan's Rage

A chilly wind swept across the hall as a voice filled with cold fury filled the room.

Ye Jian and the others were startled by the unexpected voice.

Everyone turned towards its source. A slim figure appeared in their sight.

The man was young, slim and almost pretty.

An invisible force erupted from his person as soon as he appeared, sending everyone else in the room trembling uncontrollably.

Ye Jian, who had appeared fearless a moment ago, widened his eyes instantly. It was as if he was looking at a ghost.

His eyes seemed as if they were going to pop out of their sockets.

Fear and horror darkened his eyes and swelled inside him like a tsunami.

"Cou...cous..."

Before Ye Jian could finish what he was trying to say, the interviewers seated next to him had gotten to their feet.

## Chapter 1427 Ye Fan's Rage

They slammed their fists on the table and began yelling at the young man. "Who the hell are you? How dare you show such disrespect to Mr Ye? Guards, give this ruffian a good thrashing and throw him out of the building. Mufan Group isn't a place where you can do whatever you please!"

Their faces flushed as they thundered at the top of their voices. They were seriously pulling out all the stops to prove their loyalty to Ye Jian. After yelling at Ye Fan, they turned towards Ye Jian immediately and showered their attention on the latter. "Mr Ye, I hope that didn't scare you. Don't worry, we'll make sure he pays for his disrespect!"

The interviewers wouldn't stop cursing Ye Fan. Ye Jian, on the other hand, had slumped into a quivering heap.

In fact, Ye Jian had nearly had a heart attack when he had heard them calling Ye Fan a ruffian and had ordered the guards to beat him up and throw him out.

"What the hell! Are you trying to get me killed?" Ye Jian cursed as he kicked the interviewers hard and sent them sprawling on the ground. "You fools, how dare you

disrespect my cousin? How dare you? I'm going to kill you! There's no Mufan Group without my cousin, and where would you be without Mufan Group? You should be kissing my cousin's feet. How dare you curse at him and tell him to get out! You're asking to be fired!"

Ye Jian wouldn't stop hitting the interviewers like a man gone mad.

Lin Yu-Han was stupefied by the sight before her.

She had no idea what had happened to the young master of the Ye family. He had seemed so smug and full of himself a moment ago. Why was he acting like a mouse that had just seen a cat?

Honestly, Ye Fan's sudden appearance had sent Ye Jian into sheer panic.

He had always been a little fearful of Ye Fan.

After all, Ye Fan had beaten him up on multiple occasions. He had even broken his leg once.

When he had grown older, he had abused his

father's power and influence and had constantly pitted himself against Ye Fan and tried to make life difficult for the latter.

Then, during that particular new year, Ye Fan had shown what he was truly capable of. Figures of influence from all across Jiangdong had come to show their respect to the man. Ye Jian's fear of his cousin had amplified into full-blown terror. From that moment on, he had stopped all his antics and had never dared to cross Ye Fan again.

But here was Ye Fan, appearing suddenly, out of nowhere, and reprimanding him harshly. Ye Jian was naturally terrified. He was afraid that Ye Fan was going to break his leg again.

But no matter how terrified he was, he still approached his cousin and greeted him.

"Dear cousin of mine, why are you here? Why didn't you tell me you were coming so that I could prepare myself and receive you in person? It's been a year since we last met. I really miss you. Really, I do. I dream of you every night when I sleep. My dreams are filled with the teachings that you've imparted." Ye Jian plastered a smile on his

face as he tried to suck up to his cousin.

You could hear the tremor in his voice though.

“My teachings?” Ye Fan scoffed. “If you do take them to heart, you wouldn’t be abusing your power and pushing people around!”

“I...” Caught red-handed, Ye Jian stammered, then hastily tried to formulate an excuse. “Brother Fan, this is a misunderstanding. It’s all a terrible misunderstanding. I’m a righteous man and reasonable man who does what’s right. I’m not a criminal who commits unscrupulous acts. Ask them if you don’t believe me.”

“Silence!” thundered Ye Fan furiously. “Are you still going to deny that you haven’t done anything wrong and refuse to repent? Do you really think that I won’t dare to do anything to you because you’re my cousin?”

“Please don’t, Brother Fan! Alright, I was wrong! I was wrong and I’m sorry! Will that do? This isn’t a big deal. I promise I won’t do this again,” pleaded Ye Jian, as if he had finally realized the severity of the situation.

Ye Fan didn't care at all.

He laughed coldly. "Again? Do you think you're going to get another chance to make a mistake? As the boss of Mufan Group, I'm stripping you of your office in the company. You're blacklisted. You'll never get another job in Mufan Group."

What?

Ye Jian trembled. "

You can't do this. I'm your cousin. You can't be that heartless. Dear cousin..." pleaded Ye Jian desperately to no avail. His cries seemed to fall on deaf ears. "Are you really going to do this to your own cousin and for an outsider? How could you be so cruel?"

"My cousin?" Ye Fan laughed derisively. "Did you remember that I was your cousin when you insulted and bullied me? When you and your family chased me out of your house, did you remember that I was your cousin? You got your position and got to make a name for yourself in Jiangdong because of my mother's kindness. You had your chance but you spat on it. You thought you could do as you pleased. You made a mess of the

human resource department and gave my company a bad name. You should be grateful that I didn't break your legs and kill you. But instead, you act shamelessly and stick around, exploit the fact that we're related by blood and stubbornly refuse to admit wrongdoing. Do you have no shame at all?"

Ye Fan was livid.

His furious words reverberated in the room and rumbled like thunder.

Ye Jian's eyes filled with terror as he fell silent.

The other interviewers quaked silently.

They had joined Mufan Group six months ago. Prior to that, they had heard of the man who owned Mufan Group and how terrifying and intimidating he was.

They had just witnessed it with their own eyes.

The devil incarnate himself, Ye Jian, had submitted to him obediently. Before Ye Fan, he dared not make a single sound.

## Chapter 1427 Ye Fan's Rage

No one blamed Ye Fan for his fury.

A single anthill could cause the collapse of a massive dam.

Mufan Group might be a behemoth, but if everyone were to do as they pleased like Ye Jian had, it would hardly take a blink of an eye before the corporate behemoth collapsed.

Besides, what Ye Jian had done today hadn't just been a simple favor for a friend.

He could have ruined a young woman.

Ye Fan wasn't an unprincipled man. It didn't matter if Ye Jian was his cousin or his brother. He wasn't going to forgive Ye Jian for what he had done!
