## Chapter 1432

Elma covered her face: "You...what did you say?"

"That's my son!" Qin Wenyu looked at the woman in front of him coldly.

She didn't know this woman, she had a long sorrowful look with teeth and claws, but Hao Yang, just came here, her hands were still tied up, why did she offend this woman?

Want to blow Pan Haoyang's head?

Elma: "You...you...who are you?"

Qin Wenyu: "Get out!"

Elma: "..."

She was so wronged that she would cry!

Usually she scolded others and drove them away. Since returning to China this time, she has really fallen out of blood!

I was dumped by my boyfriend as soon as I returned home!

Not long after he came back, he was taken advantage of by a rash guy in a bar, but he was beaten by that rash guy.

Now. Beaten by this old woman again!

Why is she so unlucky!

Just as it was about to happen, Jun Chengyin stopped her behind him: "Elma, don't be presumptuous!"

"Uncle Jun!" Elma acted like a baby.

“Do you know who is standing in front of you?” Jun Chengyin asked.

Elma: “...”

Jun Chengyin said: “Nancheng, Arron’s parents!”

Elma: “...”

She didn’t know Elma before, but in the past month or so, she has fully understood Arron.

Just like Jun Chengyin is in Kyoto with such a high authority, Arron has taken care of him.

That’s not even counted, Arron paid a four or two for a thousand catties, and then took part of Jun Chengyin’s good weapons into his bag.

Not only that, Arron almost killed Jun Chengyin’s second daughter, Siu.

Jun Chengyin didn’t dare to say a word.

Elma knew that Jun Chengyin was afraid of Arron.

At least he didn’t dare to head-on with Arron.

Therefore, Arron’s parents are naturally respected in Jun Chengyin.

As for her, Elma lives here now, she must listen to Jun Chengyin’s words, not to mention, if she wants to reconcile with Kraig in the future, she needs the support of the Jun family.

Maybe even Arron’s parents have to support her Elma?

Thinking of this, Elma immediately shouted obediently: “Yes...I’m sorry, Uncle Fu, Aunt Fu, I don’t know that the person inside is your son, I... just now he said More extreme, I get a little angry, but that’s okay, I think he... must have been drinking too much?”

Qin Wenyu walked into the room without even looking at Elma.

Indoors, Pan Haoyang was already sitting on the sofa leisurely.

However, his hands are tied behind, which is very inconvenient.

Seeing Qin Wenyu coming in, Pan Haoyang sneered and said, “Old witch, you better kill me. If you don’t kill me, I will kill you!”

Qin Wenyu was also not angry: “You are only in your 30s, why do you want to die? Isn’t it good to be alive?”

Pan Haoyang: “Ha! Old lady! Don’t tell me that you will treat me as your own son from today, for me to eat and drink, for peace and comfort?”

Qin Wenyu shook his head: “Hao Yang, you are not that kind of person.”

Pan Haoyang: “...”

He looked at Qin Wenyu incredulously.

This old immortal old witch was beaten by him several times by Pan Haoyang, and the most serious one was that he had lost a lot of black hair of the old lady.

But the old woman didn’t even remember her hatred.

Not only does he not hold grudges, but he also treats him Pan Haoyang with such a pleasant look?

“The old immortal thing, I have committed it under your hand now, if you want to kill it, you must pluck it, whatever you want! I don’t know how to say nothing, just do it quickly! The old immortal thing!” Pan Haoyang is incomparable Cursed patiently.

“Hao Yang! Calm down!” At this time, Fu Zhengxiong, who had just entered the door, said.

## **Chapter 1433**

Fu Zhengxiong raised his hand and touched Pan Haoyang’s green and black stubble cheeks: “Yes...I’m sorry, Dad.”

Pan Haoyang: “You...what did you say?”

Fu Zhengxiong said sternly: "I said, you are my son, I already know that you are my son!"

Pan Haoyang lifted his foot and kicked: "fcuk off!"

Fu Zhengxiong: "My son, you can't be arrogant, I'm your father, I won't harm you..."

Pan Haoyang: "Fu Zhengxiong! You won't harm me? It's because of you that I don't even have the right to be born! That's why she secretly born me on Gasing Island! She gave me to the Pan family!"

"Now more than 30 years have passed, and she is dead. I don't even know that she is my mother. I don't even know that I have a father who is very rich in Nancheng. Tell me now, you won't harm me?"

"Old thing! If it wasn't because you tied me up while I was drunk on her grave, do you think you can live now? I killed you on her grave long ago!"

Fu Zhengxiong was still not angry: "If you kill me to make you feel better, my father agrees to let you die."

Pan Haoyang: "..."

He was speechless.

"But you are now in your thirties. You are not married and have children. You have a long way to go, so Dad wants to compensate you." Fu Zhengxiong continued.

Pan Haoyang's eyes couldn't help but look at Fu Zhengxiong more.

Fu Zhengxiong nodded: "What Dad said is true. Dad will compensate you."

Pan Haoyang's tone improved a bit: "You arrested me on her grave. I think you went to her grave?"

Fu Zhengxiong nodded: "Go."

"Did you kowtow to her!" Pan Haoyang asked.

Fu Zhengxiong: “.....”

“No knock!” Pan Haoyang asked angrily.

“Knock...Knocked.” Fu Zhengxiong said.

“You admit it, you are my relatives!” Pan Haoyang asked again.

Fu Zhengxiong nodded: “Dad is your real father.”

“Very good! Now! You will divorce Qin Wenyu right away! Then kill Qin Wenyu! Then marry her!” Pan Haoyang’s “she” always refers to Shanna.

He couldn’t change it and shouted ‘Mom’.

Moreover, he resented Shanna in his heart.

However, no matter how resentful Shanna is, Pan Haoyang will involuntarily defend Shanna in front of Fu Zhengxiong.

Will work with Shanna.

He is just unwilling!

Before he could see her, she was gone.

Pan Haoyang became angry when he thought of this.

Just want to level the whole world!

However, he felt that Fu Zhengxiong was right. He is only in his thirties this year. He has not married a wife and had children, and he has not even enjoyed the beauty of life.

If he were to be hacked to death now, he would really be a bit unwilling.

Since he was not reconciled, he unreasonably ordered Fu Zhengxiong to let Fu Zhengxiong marry ‘she’.

Fu Zhengxiong smiled bitterly.

The little son in front of him is more gloomy in his brows and eyes.

Gloomy, perverted, cruel, with a hint of childlike willfulness and unreasonableness.

Fu Zhengxiong had mixed feelings in his heart: “Your mother... she has already settled in the country as early as seven years ago, so how can you let Dad... marry her?”

Pan Haoyang: “...”

“Everything is Dad’s fault. As long as you leave here safely, you want to beat Dad, want to scold Dad, Dad will leave you alone, OK? Dad just wants you to leave the country safely, your aunt and I will treat you All the funds for going abroad are ready, you can be there and make a comeback.”

Pan Haoyang was puzzled: “Why can’t I stay here?”

Fu Zhengxiong sighed: “Because your twin brother, Arron, has a fierce nature, you have only a dead end here.”

Pan Haoyang: “...”

## I’ m Sorry My Love Novel Chapter 1434 – 1435

### Chapter 1434

Although Pan Haoyang hated Fu Zhengxiong and Qin Wenyu, he knew that Fu Zhengxiong was right.

Pan Haoyang had already experienced how fierce and thunderous his twin brother Arron was when he was in Jiaxingdao.

Gasing Island is not large or well developed, and his eldest brother Pan Haojing’s resistance measures are not very good, but he Pan Haoyang is doing very well.

However, even so, Arron's siege was still unable to resist.

It took only three days for Arron to take the entire Gasing Island back in his pocket. Later, Pan Haoyang discovered that it took Arron only two or three days to recover Gasing Island. That was because Arron was waiting.

Waiting for some local leaders in Gasing Island to report to him the financial situation and real estate of Gasing Island.

The most important thing is the liquidation of the armour funded by Jun Chengyin.

The weapons that Jun Chengyin originally funded for Gasing Island were completely surrendered by Arron without any effort.

Part of the weapon was expanded by Arron as his own. In the other part, Arron earned as much as one billion.

During the short one-week trip to Gasing Island, Arron made a lot of money and even levelled Gasing Island, leaving him homeless for Pan Haoyang.

This is Arron.

Pan Haoyang had heard about the depth of his city for a long time and had seen it with his own eyes, and Pan Haoyang also knew that Arron was not merciful to his brothers and was very cruel.

So at this moment, Pan Haoyang knew that Fu Zhengxiong was talking about the facts.

He couldn't help asking Fu Zhengxiong: "My brother... him, a few above him..."

"The older brothers above him are also your brothers! They are all my biological sons!" Qin Wenyu said again.

Pan Haoyang looked at Qin Wenyu hostilely.

Qin Wenyu didn't care, she just continued: "My biological son died because of Arron! Now the entire Fu Group is under the control of

Arron, and even your father has no right to participate in the company's decision-making. , Let alone you!"

What Qin Wenyu said was very clear.

Pan Haoyang sneered: "Am I rare!"

"You are not uncommon, your brothers are worthy of being twins. The cruelty and stubbornness in your bones are exactly the same. But I still said that."

Pan Haoyang looked at Qin Wenyu angeredly: "What are you talking about?"

"You are only in your thirties. You still have to live. You have a better future to develop. You have to get married and have children. Your father has lost your three older brothers. He doesn't want to look at you and your twin brothers. Killing each other." Qin Wenyu said calmly.

Pan Haoyang sneered at the doctor again: "Are you so kind?"

Qin Wenyu: "I'm getting old..."

"Fart!" Pan Haoyang interrupted Qin Wenyu immediately.

Qin Wenyu: "You..."

Pan Haoyang rolled his eyelids contemptuously: "Old lady! I know all those cruel things you did to my biological mother! So, you blame my brother for being cruel, you should first blame you for being cruel!"

"You are such a vicious old woman! I am not your own person, but the son of your rival! Not only that, my brother also killed several of your sons. Tell me now that you treat me as your own son?"

"Old stuff! Are you lying to a three-year-old child?"

Hearing Pan Haoyang cursing himself like this. Qin Wenyu did not refute.

Instead, she cried.

After crying, his tone was very quiet: “Yang’er, you are not me, how do you know my pain and difficulties?”

“I was only in my thirties, not even forty.”

## Chapter 1435

“How young and aggressive I was then?”

“Our Fu Group has inherited hundreds of years of foundation in Nancheng, but in those few years we encountered an unprecedented storm, which caused the Fu Group to collapse.”

“I can only advance and retreat with your father.”

“When there was no way, I chose to let your father seduce your mother, so that I could stand on my heels on Gasing Island.”

“From the perspective of our Fu Group, what if we can revitalize a company and ruin a person?”

“That’s better than ruining a company with tens of thousands of people, without a job, and being displaced, right?”

Pan Haoyang: “...”

“To your mother, I am cruel and inhumane. But what about the Fu Group?”

“Your father and I helped the Fu Group out of the predicament together! I was cruel to your mother, but from another angle, I contributed to the Fu Group.”

“I have half the credit for the Fushi Group’s prosperity today.”

“However, all my sons died in Arron’s hands.”

“But I’m never going back to my thirties. I’m already over 70 years old. I can’t fight anymore, and my sons have passed away one after another. I’m just lonely now. Old man.”

“I only have two choices, one is to live alone with your father, and the other is to straighten you up, let you marry and have children so that I

can rely on your father. Because your brother clearly doesn't want us.  
“

Pan Haoyang suddenly laughed wildly: “You forced the three of us, mother and son, to be like this. Of course he can't want you! He didn't drink your blood because of Fu Zhengxiong!”

“Old witch! He doesn't want you, do I want you?!”

Qin Wenyu was also not angry. She only said: “Yang'er, I still said that. You are only in your thirties. You have a great future. Just like you said, you are now tied here by us. , You can't escape death no matter what, why don't you take a gamble?”

“Bet me and your father, you can make a comeback.”

Pan Haoyang: “...”

He was silent for a long time.

Then he said in a faint and low tone: “Untie me!”

Qin Wenyu: “Okay, okay, my son.”

Say yes, she personally loosened Pan Haoyang.

When I look at Pan Haoyang again, Qin Wenyu has a lot of kindness in her eyes. She raised her eyes to Pan Haoyang: “Yang'er, it doesn't matter if you call my mother or not. From now on, your dad and I will rely on you. , You will go abroad today, and when you go abroad, you will have a steady stream of funds to give you.”

Pan Haoyang didn't pay attention to Qin Wenyu.

However, after regaining his freedom, he did not fight Qin Wenyu again.

He just looked at Jun Chengyin who had been standing at the door and said, “Mr. Jun, thank you.”

“Pan Si Young Master! Don't come here unharmed, we are all acquaintances, don't worry, since your father and your aunt have found me, I will naturally send you abroad.” Jun Chengyin said.

Yubi, he said again: "I hope we can take care of each other in the future, just as the fourth son of Pan used to be on Gasing Island. Jun Mou sincerely hopes to make you as a friend."

Pan Haoyang: "..."

At this time, Elma behind Jun Chengyin also rushed in from the outside: "Fourth son of Pan, you turned out to be the fourth son of Pan from Jiaxing Island? No, you turned out to be Fu...Uncle Fu's number one. Five sons, nice to meet you."

As he said, Elma stretched out his hand and said proactively: "Let's meet again. I'm Elma from the Qiu family in Kyoto. I'm glad to meet you..."

"Go! You dirty ba5tard!" Pan Haoyang kicked Elma out of the door.

## I' m Sorry My Love Novel Chapter 1436 - 1437

### Chapter 1436

"Aw!" Elma lay on her back, a mouthful of old blood almost squirted out, and she curled up on the ground for a long time in pain.

Before she could get over, Pan Haoyang stepped on one of his feet again: "Listen to Lao Tzu! Lao Tzu has never had a hobby of pitying and cherishing jade!"

"I only know that I am sick when I see you!"

"I will kill you before I leave the country!" Pan Haoyang kicked with his feet up.

"Slow!" Jun Chengyin suddenly stopped behind him.

Pan Haoyang looked back at Jun Chengyin: "Mr. Jun? A female branch! Do you sympathize with her?"

Jun Chengyin smiled awkwardly.

God!

Said Elma is a female branch!

It is estimated that the entire southern city plus Kyoto, only Pan Haoyang dare to say.

No!

Arron also dared to say.

Really worthy of being twin brothers.

No matter the temper or the degree of cruel temperament, Pan Haoyang and Arron are exactly the same.

The only difference is that Arron is more calm and calm.

And Pan Haoyang's cruelty was all written on his face, unscrupulous.

Between the two, Arron was more like a profound king of the city.

Pan Haoyang was like a spoiled child, lawless and unscrupulous.

Jun Chengyin, just quietly, Pan Haoyang pulled aside: "Fourth son, this woman..."

"The female branch you raised?" Pan Haoyang asked.

Jun Chengyin hurriedly said: "Where, you can't talk nonsense. This is a daughter of my family. She has always been abroad. She used to be spoiled by heaven and fearless. So the fourth son, if she If you offend you, I will apologize for her like you."

Pan Haoyang: "A female branch?"

Pan Haoyang took a bite of a female branch.

The shouting Elma immediately stood up from the ground, clutching the smell of sweetness in her throat, and pointed at Pan Haoyang: "You dead thing! You are tired of life and crooked! I can tell, you are Arron's enemy!"

Pan Haoyang sneered at Elma.

Elma continued: "I'm telling you Pan Haoyang! My fiance and Arron are life and death brothers! Believe it or not, I will call Arron now and let Arron kill you!"

Pan Haoyang: "Oh? Really?"

Elma thought Pan Haoyang was frightened, and she immediately scolded: "Dead thing! I have been teasing men for ten years. It's all men who bow to me and profess me! I want you to see how powerful Elma is today. , You really think I'm a girl!"

"You call me one by one! Based on this, Elma will kill you today!" Yu Bing, Elma turned and left.

She really wanted to call Arron.

Just outside, Elma understood what Old Man Fu and the old lady said.

At this moment, she also knew that the old man and the old lady had taken Pan Haoyang out of the country to avoid Arron.

So Elma was sure that as long as she called Arron, Arron would definitely let the man in front of her who raped her, and beat her but still call her a female member to die!

However, as soon as she turned around, Jun Chengyin yelled at her: "Elma!"

Elma looked at Jun Chengyin angrily: "Uncle Jun, don't stop me! I, Elma, let this D\*mn man know today, offending me and insulting me!"

"Are you looking for a fight?" Jun Chengyin roared.

Elma: "Uncle Jun what did you say?"

"Come with me!" Jun Chengyin pulled Elma to the study.

Then she said to her: "Elma! You are in a difficult situation right now, don't you know? You want to marry Kraig, but Kraig doesn't want you!"

“Just because Kraig doesn’t want me, should I be bullied!”

“Elma! I heard clearly, the reason why he treats you as a female branch! Is that because of what he did to him?” Jun Chengyin asked straightforwardly.

Elma: “...”

## Chapter 1437

She blushed suddenly.

That time, he indeed took the initiative.

But she didn’t expect this man to be so vicious that he would not be moved by her beauty at all.

Hit when you use it up.

Seeing that Elma was silent, Jun Chengyin said again: “Elma! You have to remember that only when we join forces can you finally marry the Jun’s family. You Qiu’s family. The second room with my Jun’s family, and Fu Zhengxiong. The couple and this illegitimate son, we have joined forces to be strong, so that we can resist Kraig and Arron.”

Elma: “...”

“Understood!”

Elma nodded: “I understand, Uncle Jun.”

“Since you understand all kinds of greatness! Then be honest with me!”

“But he didn’t want to scold me or beat me...” Elma was the channel.

Jun Chengyin sneered: “Neither of these two brothers are so hot, they are like dragons and phoenixes in their bones. Now it is Pan Haoyang. He does everything on the surface. If Arron is the case, do you think you are still alive?”

Elma was scared to speak.

“You are a woman who doesn’t obey the duty of a woman, but you want to control a man every day. You didn’t control a man. You provoke a commotion yourself. You blame others?” Jun Chengyin scolded Elma, showing no mercy. .

Anyway, they are all the women Kraig doesn’t want. Why is he afraid of them from the Qiu family?

But Elma became softer and softer.

“I see, Uncle Jun.”

“Be honest! Let him scold you whatever he scolds you, and he will go abroad immediately!”

“Yeah.”

The two came out of the study again, and Elma, who had just been beaten with a sweet chest, seemed to be a different person. He took the initiative to apologize to Pan Haoyang: “I’m sorry, the fourth son of Pan, it was all my fault. I apologize like you, you If you want to scold me, please scold me.”

“Go dead! I’m sick when I see you!”

Elma bit her lip and wanted to cry.

“Go away! So ugly, so ugly and cheap, get out!”

Elma resisted the tears and turned away.

As he walked, he couldn’t help but glance back at Pan Haoyang, the thin and long man in between had a melancholy expression on his face, but he also had a decadent air of stubbornness and fear of death.

This expression fascinated Elma for a while.

Growing up, this is the first woman who yelled at her and dared to beat her like this.

Elma’s heart flashed unexpectedly, and she blushed, and she walked faster.

Here, Jun Chengyin, Fu Zhengxiong and Qin Wenyu began a secret discussion route.

Because the three of them all knew, the sooner this matter must be, the better.

In just this afternoon, after the discussion was over, Jun Chengyin used his power to send Pan Haoyang out.

As for where it was delivered, no one knows.

Kraig took Fu Zhengxiong's one hundred million benefit.

However, Fu Zhengxiong and Qin Wenyu did not miss their appointment, and they gave Pan Haoyang nearly one billion family assets.

At the moment when the younger son was sent away, Fu Zhengxiong burst into tears: "Here, I and this younger son

As soon as they recognized each other, they... sent him away. "

On the surface, Qin Wenyu was comforting Fu Zhengxiong: "Don't be uncomfortable. Instead of letting him stay and fight against Arron, let him go."

However, Qin Wenyu had a vicious thought in her heart.

What she wants to see is actually, two tigers are fighting, and both lose and lose!

At the same moment in Nancheng, Arron was taking care of Kraig in the hospital.

When Kraig fell asleep, Arron's cell phone rang, and he looked at an unfamiliar number.

He picked it up and connected: "Hey..."

At the other end, a gloomy voice came, and the voice only said two words: "Farewell!"
