Chapter 1434 Get Your Ass Here!

The huge villa was completely empty.

The place seemed particularly desolate in the cold night.

Ye Fan certainly became even more worried when he saw the sight.

Where had his mother and Qiu Mu-Cheng gone?

Ye Fan didn't linger when he realized no one was here.

Instead, he headed to the Li estate at Yunzhou's city center.

Before he left, he had told Li Er to assist Qiu Mu-Cheng with Mufan Group.

If Ye Fan was the master of Yunzhou, then Li Er was his butler.

Li Er was bound to know if Qiu Mu-Cheng and his mother were in trouble.

Ye Fan didn't linger when he found out there was no one at the villa. Instead, he hurried over to the Li estate.

It was late at night, so there was no one on the streets.

Only the traffic lights on both sides of the road flickered dimly.

Every now and then, only a few solitary cars whizzed by.

A few minutes later, Ye Fan turned up at the Li estate.

“Who goes there? Leave this instant!”

The moment Ye Fan arrived, a massive searchlight landed on him surprisingly.

The searchlight was as bright as the sun as it shone over Ye Fan.

Ye Fan looked small under the light.

A few security guards at the estate entrance immediately drove Ye Fan away.

There was high security at the estate.

“I want to see Li Er. Tell him to come out and see me now.”

Ye Fan's cold words quietly rang in the silent night.

Cold wind gusted, leaving the leaves fluttering.

These people still had no clue who the young man before them was.

"You're here to see Master Er? He isn't around. If you want to see him, come back in a few months. Now leave this instant!" replied the guards in surprise after they learned the young man wanted to see Li Er.

Ye Fan frowned on hearing their response.

"Are you telling me to leave? No one has the right to speak to me that way in Jiangdong," Ye Fan's cold voice rang.

"Damn you! Who do you think you are? No one dares to speak that way to me in Jiangdong either. If you don't want to die, then get lost!"

These burly men seemed agitated by Ye Fan's arrogance.

One of them walked over and tried to kick Ye

Fan.

However, a shocking incident transpired.

Before the man managed to kick Ye Fan, a loud boom rang in the air.

The hefty man was kicked into the air like a rubber ball.

He ended up crashing onto the ground several meters away.

“What?”

Everyone was dumbstruck and stared with their eyes wide.

“W-what just happened?”

“How did he just fly out like that?”

“Something’s off about this young man.”

The rest of them were exclaiming in shock.

Ye Fan walked over to them while they continued to reel in shock.

“S-stop right there.”

“If you come any closer, we will call for help.”

The remaining security guards spoke to Ye Fan sternly as he approached them.

“Get lost.”

Ye Fan had lost all patience.

He yelled so angrily that he kicked the guards and sent them flying.

Ye Fan kicked open the iron gate and entered the estate.

Everyone was stunned by the sight.

Li Er had just spent a pretty penny installing that iron gate a few months ago, and it was impenetrable.

Even bullets were incapable of leaving a mark on it.

They never thought that the gate would end up as weak as tofu when the young man kicked it.

He broke the gate with just one kick.

“Oh my god...”

“Is he human even?”

The security guards whom Ye Fan had just kicked aside trembled as they spoke with their eyes twitching.

Ye Fan had already entered the estate.

However, the commotion at the entrance had clearly come to the attention of the estate’s residents.

In an instant, a swarm of people came to the entrance.

Hundreds of security guards came surging over.

They were armed with weapons as they surrounded Ye Fan tightly.

Ye Fan’s eyes couldn’t help twitching when he saw all the men.

How afraid of dying was Li Er to have so many servants at home?

In the past, Chen Ao and the others used to

call him a coward.

From the looks of it now, they were speaking the truth.

“How dare you wreak havoc here in the middle of the night? I’d like to know who has the guts to do it? Who dares to act so recklessly?”

A cold, angry voice came through the crowd after Ye Fan was surrounded.

Before long, the crowd parted to reveal the smartly dressed Jin Bao.

Jin Bao retrieved a cigarette and lit it up as he spoke.

Before he had the chance to smoke it, he caught sight of the young man’s face.

SNAP!

The cigarette in his hand snapped into half instantly.

“M-mr Chu?”

Jin Bao shivered with his eyes wide open.

Jin Bao swiftly slapped his subordinate in panic.

“You blind idiot! How dare you surround Mr Chu like this? How DARE you? I am going to kick you to death! Hurry up and get lost!” shouted Jin Bao with his face ghastly pale in horror.

Everyone was stunned.

They clearly didn't expect this young man to be Mr Chu.

“Mr Chu, I am so sorry that these blind idiots offended you,” apologized Jin Bao as he smiled sadly.

“Stop wasting my time. Tell Li Er to get his ass here this instant,” said Ye Fan coldly with his hands behind his back.

“Well...” Jin Bao was in a spot and hesitant to speak. In the end, he put on a bold front and said, “Master Er is unwell, so he’s gone abroad to recuperate and is unable to see any guests.”

“Hmm?” The last remnants of Ye Fan’s patience dissipated.

Chapter 1435 Deserve to Die

Barely anyone knew about a secret underground bunker beneath the Li estate.

Since its entrance was well concealed, most people didn't realize it was there.

Also, the bunker was luxuriously decorated.

Li Er didn't use it most of the time.

He only used it when he felt this life was at risk.

Li Er was lying in the plush bed in their room and fast asleep while two young sexy women lay in his arms.

Li Er's breathing could be vaguely heard in the bunker.

However, the bunker suddenly trembled in Li Er's sleep, and an angry threatening voice instantly penetrated through his ears then exploded in the bunker.

"Li Er...get your ass here."

Li Er was startled in his sleep and fell off the bed.

The sudden commotion gave the twins lying in Li Er's arms shock, and they screamed.

"T-this voice sounds like Mr Chu. Could he be back?"

Li Er squatted on the ground as he shouted dressed only in his underwear with his eyes wide open.

"Li Er, you have 10 seconds to get your ass here."

.....

Ye Fan's booming voice reverberated in the room repeatedly while Li Er reeled in shock.

Li Er was certain that Ye Fan was back, so he hurriedly got up and ran out like crazy in horror.

"Master Er, you forgot about your shoes," the twins reminded him thoughtfully.

However, no reply came.

Instead, Li Er ran out like a crazy dog with his feet bare.

Shoes?

Who had the time to care about shoes now?!

He didn't even bother to put on his pants.

After all, it was no big deal to suffer a little embarrassment if his life was at stake.

It was cold outside in the courtyard while the moon glowed softly.

The guards had already moved aside.

The security guards stopped behaving arrogantly and now stood reverently on both sides in fear.

They lowered their heads and didn't even have the courage to look Ye Fan in the eye.

In their hearts, they were terrified of Ye Fan.

After all, Ye Fan's shout was so powerful that it spread throughout the city.

Half the residential lights in Yunzhou suddenly lit up.

Almost everyone had heard Ye Fan roaring angrily.

Li Er was no exception as he hid in the bunker.

That went to show how powerful Ye Fan's shout was. Everyone was naturally terrified of him.

However, the silence didn't last long. Very quickly, an old man appeared and broke the silence.

"Mr Chu, pardon me for being late," the old man shouted as he raced over barefooted in the middle of the night.

His chubby body trembled as he ran.

"I-is that Master Er?"

Jin Bao and the others watched as Li Er came running out barefooted, dressed in

only his underwear, and couldn't help being stunned.

They were dumbstruck!

Although they had seen Li Er on his bad days, it was the first time he had run out dressed only in his underwear, so they were incapable of recognizing him at first look.

"Mr Chu, pardon me for being late."

Li Er quickly appeared before Ye Fan.

He panted as he greeted Ye Fan reverently.

His eyes instantly turned red.

"Mr Chu, you are finally back! They told me you were dead, but I didn't believe a word. How could someone as talented and lucky as you end up dead? I have been waiting for over half a year for your return," Li Er's sad voice instantly echoed through the night air with tears welling in his eyes.

Ye Fan didn't respond when he heard what Li Er said. Instead, his face remained cold and expressionless as he looked at Li Er.

“Where is Mu-Cheng and my mother? Where are they now?”

Without wasting a second, Ye Fan asked Li Er where his family was.

That was Ye Fan’s top priority now.

“I...”

Li Er’s face instantly turned pale when he heard Ye Fan. Li Er’s lips parted, but he didn’t know what to say.

Ye Fan instantly trembled inside.

The ominous feeling he had about their disappearance intensified.

“Tell me! Where are Mum and Mu-Cheng? Why is Mount Yunding Villa empty? Why can’t I reach them on the phone?” shouted Ye Fan once more angrily.

Li Er shook his head as he sighed. He knelt before Ye Fan and said with shame, “Mr Chu, I’m sorry. I let you down and failed to protect them. I’m so sorry.”

Tears trickled down Li Er’s face as he spoke.

Ye Fan's face became even colder as he clenched his fists tightly. "Tell me what happened! Where are they?"

Li Er sighed before he said sadly, "Mr Chu, I don't know either. Half a year ago, Miss Qiu and Madam Ye disappeared overnight. I sent people to search for them but to no avail. Even the Green Dragon Force has disappeared. I searched everywhere in Jiangdong but couldn't find any of them."

"What? Even you don't know where my Mum and Mu-Cheng are?" Ye Fan's voice sounded chilly and furious.

Li Er nodded without daring to look at Ye Fan in the eye.

Ye Fan's face looked chilly and was utterly furious.

"Li Er, I gave you all the wealth and glory you could have. Why did I tell you to stand guard over Jiangdong? It was to stay and protect my family! But what did you do to repay me? You were incapable of even looking after two women. You don't even know where they are, so what use do I have of you?"

BAM!

Powerful energy instantly shot from Ye Fan's body as he shouted.

Li Er was struck by the impact and rolled several meters away in the raging wind.

“Mr Chu, it was my fault! I deserve a thousand deaths. It was all my fault for not taking care of your family! I deserve to die!”

Li Er swallowed the pain and got up to kneel in front of Ye Fan in horror.
