

I' m Sorry My Love Novel Chapter 1458 - 1459

Chapter 1458

When Kraig turned around, he saw Elma.

“Why are you here?”

“I’ve been here for a month.” Elma shrugged and said innocently.

Kraig suppressed the anger in his heart: “This is my house! Kyoto Jun’s house! You leave immediately! Otherwise...”

“I know this is Jun’s house in Kyoto!” Elma didn’t fear Kraig at all.

She took a cold breath and continued: “Kraig, you haven’t had a home for a month when you’ve been away. Have you searched for everything from east to west? Did you find the maid?”

Kraig: “...” His hands were clenching fists.

I really want to blow this woman’s head in a circle now.

However, she still wanted to hear what the woman wanted to say, and why she was in Jun’s house.

Seeing Kraig not speaking, with only a cold and angry expression on his face, Elma explained sadly: “If you are not at home, do your elder brother and sister-in-law live with your parents? Old man Jun can’t be so old. No careless care.”

“I discussed with my parents and moved in.”

“Let’s make it clear to you first, it was Mr. Jun who agreed with me to come in. After all, in the hearts of the two elderly people, I have always been your wife.”

“Wife?” Kraig asked with a sneer: “When did I marry you?”

Elma: “...”

When asked by Kraig, her face flushed.

After a pause, she calmly said: “Kraig, when I was fourteen when you saw me for the first time, you liked me. How many ladies did you refuse to wait for me to grow up?”

“You are always so tolerant of me, doting on me, in the entire Kyoto, I am a unique princess.”

“Even when I travel abroad, you have never complained. You have been waiting for me. You have been waiting for me for ten years.”

“Kraig, I have been abroad for so many years. Every time I get into trouble, you can help me settle down in time. In fact, I have never left your sight. Doesn't this mean that you love me?”

“I don't love you now!” Kraig said in a few short words.

“Is it because of the domestic helper?” Elma asked angrily.

Kraig: “She is not a domestic helper! She is my wife.”

Elma madly interrupted Kraig: “She is not your wife! No! Dalia is just a domestic helper! At best, it is your bed warmer, Kraig! The person you love is me, and I am your wife. I am!”

“Our two families have good relationship for generations. My father cured your father's disease. You

I grew up watching me when I was young, and we are so close to each other! Kraig, I am your wife. Do you want to abandon your wife for an extremely diminishing vixen? “

Seeing Elma so hysterical, Kraig couldn't help laughing.

His laughter was incredibly contemptuous: “Are you my wife?”

“Yes! I am your wife!”

“Have I slept with you?” Kraig asked bluntly.

Elma: “...”

“Have you been pregnant with my seed?” Kraig asked again.

Elma: “...” Her face turned red and red: “You...how can you say this, you know we don’t live together, how could I be pregnant? Seed yours!”

“Neither I have slept with me, let alone conceived with my seed, but you can say so arrogantly that it is my wife. What do you rely on?”

Elma: “...”

She was said by Kraig and had nothing to say.

Kraig’s face suddenly changed: “Elma! What happened back then. It’s over. You’re right. I loved you very much, and I watched you grow up, but! All these have been taken by you. Spoiled it clean!”

“I, Kraig, don’t owe you!”

Chapter 1459

“For so many years, my wife Dalia has been by my side and admiring me!”

“Please get out of my house immediately!”

“Otherwise, don’t blame me for being ruthless!”

“You... can you really be so unsympathetic to me?” Elma couldn’t believe it.

Kraig sneered: “On the battlefield, the woman I killed by Kraig can circle your Qiu family more than ten times, what do you think?”

Elma: “...”

“Get out now!”

“Where do you let her go?” Behind him, Mr. Jun asked in a deep voice.

Kraig turned around and saw his father: “Dad!”

“I agree with Elma who lives in our house. Will you chase her out of the house?” The old man asked in a questioning tone.

Kraig: “...”

A smug smile flashed across Elma’s face.

Live in Jun’s house for a long time. Won the favor of the old man and the old lady, why Qin Wenyu, who was far away in Nancheng, helped her plan.

Qin Wenyu said to her: “If you want to marry Kraig, you must first persuade his parents to make them inseparable from you, and think that you are very suitable, so that you will be half successful. Live in. His family can not only please the two elderly people, but also get in touch with Kraig more.”

Sure enough, the plan the godmother had planned for her was really good.

The most important thing is that the old man will help her.

In this way, even if Kraig wants to drive him away, it is impossible to go against his father’s will.

Elma really guessed it right. Kraig didn’t refute his father. He just said angrily: “Father! Since you let her live in, then live.”

If you speak, Kraig turned away.

“Why are you going, you brat!”

Kraig didn’t answer, and didn’t look back.

“You come back! You haven’t talked to your mother with me yet. Have a meal. You haven’t stayed at home for the whole night. Where are you going again? Find that woman?”

“You come back to me!” the old man shouted angrily behind him.

Kraig never looked back.

He himself is not afraid of his father.

In addition, his father let Elma live here privately. It really made her Kraig not light.

When Kraig left the gate of Jun's house, there were more than a dozen cars following behind him. He got into the front car and asked his subordinates: "Are there any eyebrows on the northeast side?"

The subordinates immediately stammered and said: "Going back to the Lord, there are too many mountainous areas over there, and the land is sparsely populated. It is really not easy to find someone. We... we continue to look for."

"No need!" Kraig said.

Subordinates: "... Is there a white hair sweat all over!

"I will go there in person! After all, you and your wife are not very familiar with each other. If she puts on her makeup and pretends to be a village woman, you may go face to face without knowing that it is her. If I go in person, I will just look at I can recognize it."

If you speak, he told the driver: "Drive."

The driver stammered: "Go...where to go?"

In fact, the driver's implication is that you have just returned to the Jun's Mansion, and you have not returned for a month. Would you not accompany the two elderly people?

Just... go to the northeast without answering a nap?

However, the driver dared not say anything.

However, Kraig said something shocking the audience: "Go to the Northeast, find my wife, and find the mother of my child."
