

Chapter 1461: Two Choices

"I... I..."

He panicked and didn't know what to do.

After so many years in the casino, he had lost billions.

But all of this was within his acceptable range.

But tonight, he really didn't expect to lose so much to a rookie.

"Les, you'd better think carefully before you speak. If you dare to go back on your word, why don't I teach you how to be a man first?"

As Bo Jinghang spoke, he walked towards Leisi.

Since Bo Jinghang was fighting, Yin Ruijue naturally had to support him.

Raith said quickly,

"But I really don't have that much money now! Why don't... why don't I give you an IOU first?"

Seeing the two tall men walking over, Leisi immediately cowered.

"IOU?"

Shen Fanxing pondered for a while before nodding.

"Okay, but you have to give me the 20 billion immediately. I can give you time to slowly give me the remaining land. After... New Year's Day, I'll give you the maximum deadline! I'm afraid no one in this world is as kind as me, right?"

Bo Jinghang was speechless.

Yin Ruijue was speechless.

Everyone was speechless.

No one could compare to her!

Who could praise themselves for being kind in front of so many people?

Besides, do you really think you're kind?

Everyone's lips twitched and they were speechless.

Shen Fanxing glanced at them and raised an eyebrow. "Why? Do you have a problem with that?"

Everyone shook their heads.

As long as you're happy.

Shen Fanxing shifted her gaze to Leisi. "You..."

Raith looked defeated. "Thank you for your kindness. I'll write an IOU."

Only then did Shen Fanxing smile.

“Let’s go out and find a quiet place to write.”

She turned around to call Bo Jinchuan, but he had already stood up silently and walked towards the door.

Her face had not improved.

Bo Jinghang walked to her side and said softly,

“Sister-in-law, you’re finished. You used yourself as a bargaining chip in front of my brother. It’s fine if you win, but if you lose... Do you want my brother to watch you crawl into someone else’s arms?”

Shen Fanxing frowned. Before she could say anything, Bo Jinghang patted her shoulder comfortingly.

“It’s okay. Anyway, my brother dotes on you. When the time comes, I’ll act cute and beg for a kiss. I’ll ask him to hug me, raise me up high, and spin me around. He won’t be able to resist.”

Shen Fanxing was speechless.

God was acting cute, rolling around, begging for hugs and kisses...

Who would want to do such a childish thing?!

—

By the time they left the casino, everyone had yet to react.

“Who is this woman?”

“Since she didn’t cheat, why did she bet so accurately?”

“He should be relying on his ears. Someone can judge the number of dice based on the sound of the dice.”

“I’ve heard of this before, but when she first came in, she clearly didn’t know anything. It’s obvious that she’s a noob. How can a noob learn such a high-level skill like listening to dice? Could it be that she’s talented?”

“Now that you mention it, I think she did it on purpose. She pretended to be a noob to confuse our judgment, right? Then she waited for the big boss to take the bait?”

“Now that you mention it, I suddenly remember that back in Monte Carlo, that Alan Bell was also a noob...”

“...”

Everyone fell silent and suddenly gasped.

Everyone looked at each other in disbelief.

“Could it be...”

“But isn’t the legend that Alan Bell is a man?”

“Are men considered men these days?”

“...”

“No way...”

—

On the way back to the hotel, Yin Ruijue and Bo Jinhang heard Shen Fanxing say something and got out of the car.

Back at the hotel, Shen Fanxing poured a glass of water for Reis politely.

Leisi’s mouth had been dry since he was in the casino. Now that he saw water, he gulped it down like it was rain after a long drought.

Putting the cup down, Shen Fanxing pushed the pen and paper to him with a smile.

Knowing that he couldn’t escape, Raith gritted his teeth and took it.

She watched as Leisi finished writing the IOU and pressed his fingerprint. After confirming that there was no mistake, Shen Fanxing kept the IOU.

“Twenty billion, I want it now.”

Reis was on the verge of tears. “Twenty billion... I can’t give you that now. It’s all in the company in Country Y...”

Shen Fanxing frowned and said, “Viscount Leisi, don’t try to bluff your way through. The news today has just announced that you want to cooperate with the Yuan Corporation to develop a project. The 20 billion yuan investment is also to ensure that the funds will arrive in one go...”

Leisi immediately looked at Shen Fanxing warily. “What do you want? That’s my aunt’s investment...”

“I don’t care who it is or what you want. I just want to get the money that belongs to me as soon as possible.”

“But I really have no choice...”

“In that case, stay here. I’ll let you go when the money is here!”

Raith’s eyes widened in horror. “You want to kidnap me?!”

“You owe me money. How can it be kidnapping? Don’t worry, although you didn’t get me tonight, I can find a few more ‘beauties’ to make it up to you.”

Of course, Leith didn’t believe that she would be so kind. He looked at her warily.

“I don’t need it!”

He had lost everything. How could he still have the mood to play with women?

Now, he really regretted choosing such an unlucky woman.

She just wanted to have some fun. She didn’t expect the outcome to be like this.

Shen Fanxing smiled and stood up, looking down at him.

“Are you sure... you don’t want it?”

“I don’t...”

Before Leisi could finish speaking, he suddenly stopped and his expression turned ugly.

A few seconds later, his gaze landed on the empty glass beside him.

“You drugged me?”

Shen Fanxing chuckled and her face turned cold.

“Don’t you like women? I’m satisfying you.”

With that, Bo Jinghang and Yin Ruijue walked in.

The moment the two of them entered the room, they saw Leisi, whose expression had started to change. They couldn’t help but laugh.

No one could afford to offend their sister-in-law.

These torture methods were endless.

When Reis saw the two of them, his already ugly expression turned even uglier.

“What do you want?!”

He looked at the few people standing in front of him in horror...

Bo Jinghang was holding three different breeds of dogs.

Beside Yin Ruijue were three hot blondes.

He had been drugged... Shen Fanxing stood at the side. At the thought of what Leisi had said in front of Bo Jinchuan, her expression turned colder.

“I’ll give you two choices. Either you terminate your cooperation with the Yuan Corporation immediately and transfer 20 billion yuan to my account, these three girls will be yours tonight.”

“Otherwise, these three dogs will belong to you tonight. You can continue to stay here. When you give me 20 billion yuan, I’ll let you go...”

These three were specially trained for filming forbidden videos. There were males and females. I can’t guarantee what will happen then...

There should be invisible cameras in this room. Once my patience runs out, I can’t guarantee that the video won’t be leaked...”

Chapter 1462: Bo Mo Teases Her

Reis almost suffocated to death!

This woman was simply vicious to the extreme.

She could even think of such an idea.

However, there was an obvious abnormality in his body that he couldn't control, especially when he saw the three hot beauties.

At this moment, the three dogs that Bo Jinghang was holding started to become restless. Their soft whimpers made one's scalp turn numb.

Seeing this, Bo Jinghang said, "The medicine I fed these children worked. Sister-in-law, what happened?"

Shen Fanxing turned to look at Leisi and said, "Viscount Leisi, hurry up and choose. If you can't wait, the dogs can't either."

Raith stared at the dogs, unable to imagine the scene.

The drugged dog and him...

But Aunt had personally agreed to cooperate with the Yuan family...

Seeing that he didn't answer for a long time, Shen Fanxing lost her patience and said, "I'm tired. Jinghang, leave these three behind. Let's go!"

"Okay!"

Bo Jinghang responded and was about to let go of the leash.

Seeing that the dogs were about to be freed, Reiss shouted hurriedly,

"I'll give it to you, I'll give it to you! Don't let go of them. I'll call now and get my assistant to transfer the 20 billion yuan to you."

Shen Fanxing smiled and nodded. She took Bo Jinghang's phone and handed it to him.

"Go ahead."

Reis's breathing was already unstable. He took the phone and dialed the number impatiently.

The money that should have been given to the Yuan Corporation landed on Shen Fanxing.

When the call ended, Shen Fanxing took the phone.

"Viscount Leith is indeed someone who does great things. A wise man submits to circumstances. Compared to your reputation, twenty billion is nothing."

Leisi's eyes were bloodshot as he stared at the three ladies beside Yin Ruijue.

"Then I wish you a good night tonight."

Shen Fanxing naturally didn't want to be in the same room as this man who had obviously lost his mind. She had more important things to do.

Shen Fanxing glanced at Yin Ruijue and he gestured. The three women seemed to be liberated as they swayed their bodies and walked towards Leisi.

No matter what, Leisi was a tall and handsome man.

Compared to those fat men, the three women were quite satisfied with Raith.

Eagerly, Leisi pulled one of the women into his embrace. Seeing that they were about to roll into a ball, Shen Fanxing frowned and turned to walk towards the door.

Bo Jinghang and Yin Ruijue followed closely behind.

After leaving the house, the three dogs surrounded Shen Fanxing and rubbed against her calf.

Shen Fanxing looked down at them and bent down to touch them.

“Are they starving?”

Bo Jinghang nodded. “Yes, even if we really put the medicine in front of them, they will fight to eat it.”

Shen Fanxing looked up at Bo Jinghang coldly.

“Hurry up and feed them.”

“Okay! You don’t have to worry about this. Think about how to feed my brother.”

Shen Fanxing rubbed her forehead. Of course she knew!

Watching Shen Fanxing leave, Yin Ruijue blinked and looked at Bo Jinghang before looking at the three dogs in his hand.

“Didn’t they say that the dogs were specially trained for that kind of film? Didn’t they say that they had been fed medicine? What... is going on?”

Bo Jinghang glanced at Yin Ruijue and raised his chin.

“My sister-in-law is so kind. How could she feed such cute children?”

The corners of Yin Ruijue’s lips twitched. “...Have you been brainwashed? Sister-in-law is kind-hearted. It’s impossible for her to drug them.”

Bo Jinghang frowned. “Is Leisi cute? Haven’t you realized that Sister-in-law has been secretly unhappy since she saw him tonight?”

Besides, if I drug these three cuties, will they give you 20 billion yuan?”

“Okay, Yin Ruijue. Sister-in-law is kind and you actually said that I’ve been brainwashed. You’re good. I’m going to tell my brother!”

Yin Ruijue said, “F*ck! Bo Jinghang, aren’t you childish? You actually want to snitch on me! I despise you!”

Bo Jinghang said, “What’s the use of looking down on me!”

With that, he tugged at the leash in his hand and pointed at Yin Ruijue.

“Dogs, go and bite him!”

Yin Ruijue was speechless.

This fellow was simply hopeless!

—

When Shen Fanxing returned to her room, Bo Jinchuan was sitting alone on the sofa by the window, fiddling with his phone.

Hearing the sound of Shen Fanxing opening the door, he didn't look up at her.

Shen Fanxing felt a headache coming on!

Even from afar, she could feel the sinister aura emanating from the man.

Actually, ever since she realized that he was angry, she had not thought of how to calm him down.

This time... Bo Jinghang was right. She had made a bet with Leisi in front of him.

This indeed sounded too much.

It was precisely because she knew that she didn't know what to do now.

She suddenly recalled what Bo Jinghang had said about kissing, hugging and spinning in circles. Her lips twitched.

Was she someone who would do such a thing?

Sighing softly, Shen Fanxing shook her head and went to the bedroom.

After she disappeared, Bo Jinchuan looked in the direction of the bedroom.

His already ugly expression darkened even more.

While showering, Shen Fanxing racked her brains to think of a solution.

She couldn't make him angry and pretend that nothing had happened.

However, even after taking a shower, she couldn't find a suitable way to appease Bo Jinchuan.

She dawdled out of the bedroom in her pajamas. Bo Jinchuan was still sitting there.

Hearing the commotion, there was still no movement.

She had no choice but to bite the bullet and move closer to the man. The man didn't even bat an eyelid when she approached him.

"What are you looking at? Why are you so focused?"

Shen Fanxing acted as though nothing had happened and glanced at the phone in Bo Jinchuan's hand.

She seemed to be reading the documents in the email. She was probably dealing with something serious.

Bo Jinchuan finally moved, but he only turned his body, leaving the back of his head to Shen Fanxing.

Shen Fanxing grinned. How aggrieved was he? He had become a punching bag.

However, she really had no idea how to deal with him.

She patted his shoulder gently, but Bo Jinchuan didn't move.

Bo Jinchuan turned to the side, ignoring her.

Seeing this, Shen Fanxing didn't know whether to laugh or cry.

Was she throwing a tantrum?

Before she could reach out to pat him, Bo Jinchuan stood up abruptly.

Chapter 1463: Good Attitude

Before she could reach out to pat him, Bo Jinchuan stood up abruptly.

"I'm very angry now. You'd better not hang around me."

After saying this coldly, he walked out of the door.

There was a strong sense of oppression and a cold aura brushed past her.

Shen Fanxing couldn't see the expression in the man's eyes, but his cold tone and aura made her panic.

"Ah Chuan..."

Shen Fanxing stared at his back and called out to him.

Bo Jinchuan had already opened the door. His tall figure paused for a few seconds before walking out.

The door closed, and it was especially ear-piercing in the empty room.

Shen Fanxing stood rooted to the ground, feeling flustered.

Outside the door, Bo Jinchuan bumped into Bo Jinhang and Yin Ruijue.

Seeing his brother's ugly expression, Bo Jinhang blinked and glanced at the closed door before turning to Bo Jinchuan.

"Brother, did Sister-in-law make you angry again?"

Again?

This word made Bo Jinchuan frown unhappily. There was undisguised anger in his dark eyes.

"Get lost."

Bo Jinhang took two steps back warily. "Brother, since you're in a bad mood, why don't we go out for a drink? Let Sister-in-law reflect on her actions today!"

Bo Jinchuan glared at him coldly, causing Bo Jinhang to shudder.

Yin Ruijue hurried forward and explained,

"Jinhang means that Sister-in-law is so smart. She will definitely realize her mistake soon. We just want to help you distract yourself and not be too stubborn..."

Bo Jinghang nodded vigorously. "Yes, yes, yes! He's right!"

Bo Jinchuan was silent for a while before asking, "Do you have a cigarette?"

Yin Ruijue took one out and handed it to her.

Just as she was about to light Bo Jinchuan's cigarette, he stopped her.

"Brother Bo..."

Yin Ruijue shouted in confusion, but Bo Jinchuan grabbed his shoulder and shook his head.

Yin Ruijue didn't understand and kept the lighter.

"Brother Bo, why don't we go out for a drink? Everything will be fine if we drink too much."

Bo Jinchuan looked at the white cigarette in his hand and glanced at Yin Ruijue.

"..."

Shen Fanxing stood in the empty room, looking lost.

She admitted that she was in the wrong today. Bo Jinchuan had his reasons for being angry.

Everything happened because of her. Why should she feel sad and aggrieved?

Perhaps one couldn't stand being pampered by others. Now that she had been pampered by a man for a long time, she couldn't stand being wronged.

She was getting more and more pretentious.

Taking a deep breath, she suppressed the sadness and grievances in her heart and turned to chase after him.

However, just as she opened the door, a familiar figure appeared.

Bo Jinchuan was leaning against the wall with one hand in his pocket. He was alone with a cigarette between his well-defined fingers. He was silent and no one knew what he was thinking.

At the end of the corridor, Bo Jinghang and Yin Ruijue were looking in their direction.

Realization dawned on Yin Ruijue when he saw Shen Fanxing.

"Oh, I was wondering why Brother Bo refused to leave with us. So he knew that Sister-in-law would come out to look for him."

Bo Jinghang turned his head and gave Yin Ruijue a disdainful look.

"Although you stood up for me just now, I can't help but despise you for this. How many people can understand my sister-in-law's thoughts? Who knew that she would come looking for him..."

Yin Ruijue was confused. "Then why did he..."

Bo Jinghang snorted and said, "My brother isn't waiting for Sister-in-law. He's just afraid that something will happen to her in the room alone! Tsk tsk tsk, he's angry at her but at the same time, he's secretly worried that she'll be sad. I'm impressed by him... As a man, can't he be more stubborn?"

Yin Ruijue agreed with Bo Jinghang based on his understanding of him.

He nodded and glanced at the back of Bo Jinghang's head.

"Were you mocking Brother Bo for being a man? I want to tell Brother Bo!"

Bo Jinghang's lips twitched. "Damn! You're so childish!"

Yin Ruijue snorted. "Same to you."

Bo Jinghang was speechless.

—

Shen Fanxing, who was about to run out, paused. When she saw Bo Jinchuan at the door, surprise flashed across her eyes.

"Why are you..."

Before she could finish speaking, she stopped.

Bo Jinchuan had just looked up when Shen Fanxing threw herself into his arms and hugged his waist tightly.

"I was wrong. I apologize. I won't do such a thing again. Don't be angry, okay?"

Bo Jinchuan looked down at the woman who had suddenly pounced into his embrace. She had just taken a shower and his nose was filled with her fragrance.

Putting that aside, he could hear the uneasiness in her voice.

Pursing his lips and moving his arms, he wanted to compromise and hug the person in his arms.

However, he did not raise his hand even when he crushed the cigarette in his hand.

Shen Fanxing was used to his indulgence and doting. She thought that he would compromise, but he didn't.

She was slightly disappointed, but her grip on the man's body tightened.

After a long while, Bo Jinchuan sighed.

"If you want to play, I can give you money to play to your heart's content. Gambling has always been risky. No matter how smart you are, you won't be able to grasp the technique 100%. Shen Fanxing, what are you thinking?!"

Perhaps he had been suppressing his anger for too long. In the end, his tone deepened and his anger erupted. He grabbed Shen Fanxing's shoulder and pushed her away.

Shen Fanxing looked at him and realized that his angry face was filled with anger and coldness that she had never seen before.

Her eyes flashed and she said softly, "I won't lose..."

Bo Jinchuan's eyes were filled with coldness and anger as he stared at her.

"You won't lose? How can you be sure that you won't lose? You dare to gamble without a hundred percent confidence?!"

Shen Fanxing explained anxiously, "I have..."

"You're capable."

Bo Jinchuan interrupted her again. His voice was cold, but he had calmed down.

"If you have the ability, how many points can you guess? Can you control others and not tamper with them? What kind of place is the casino? If someone really wants to tamper with it, can you be sure that you can catch them?"

Shen Fanxing pursed her lips and shook her head. "No."

Chapter 1464: Helpless

Shen Fanxing pursed her lips and shook her head. "No."

"You..."

Seeing her sincere apology, Bo Jinchuan suddenly didn't know what to say.

After a long silence, Bo Jinchuan said slowly,

"So, what if you really lose? Have you thought about this possibility?"

Shen Fanxing nodded and said, "Of course I have. I'm so smart, it's impossible for me not to think of such an extreme possibility."

Bo Jinchuan's Adam's apple bobbed.

If not for that, he was afraid that he would really lose control and do something irreversible to the woman in front of him.

Bo Jinghang and Yin Ruijue swallowed hard.

That aura just now was really dangerous.

Fortunately, the person in front of her was Shen Fanxing.

"I hope Sister-in-law won't court death. Hurry up and beg for forgiveness so that this matter can pass quickly. Why do I feel that the two of us have completely walked past Hades just now?"

Yin Ruijue patted his chest in fear.

Bo Jinghang nodded vigorously in agreement.

“Hurry up and ask for kisses, hugs, and hugs!”

Yin Ruijue asked, “What? Is Sister-in-law that kind of person?”

Seeing the terrible expression on Bo Jinchuan’s face, Shen Fanxing gave a faint smile. She inched closer to him and placed her hands on his shoulders.

“But I think it’s fine even if I lose.”

“It doesn’t matter even if you lose?” asked Bo Jinchuan as his eyes narrowed dangerously.

The smile on Shen Fanxing’s face widened and she looked...

Hmm... how shameless.

“Don’t I still have you?”

Bo Jinchuan was speechless.

“You can’t just watch another man bully me, right?”

Bo Jinchuan was at a loss for words.

The man didn’t speak for a long time, but his cold and domineering aura had been shattered by Shen Fanxing’s words.

Let him watch her run to another man and be bullied?

Of course not!!

She had thought of all the possibilities.

She had won and lost, but she had targeted him.

In the end, she was the smartest!

The man’s aura had clearly changed.

Shen Fanxing struck while the iron was hot and burrowed into the man’s embrace with a smile. She hugged his waist and tiptoed to kiss his chin.

“You’re so capable, of course you won’t allow me to be bullied by other men!”

Bo Jinchuan raised his chin and snorted coldly. “How do you know I won’t allow it? Who was the one who said that she would admit defeat...”

“It’s me! I said it, not you. I absolutely believe that you won’t allow other men to bully me!”

Her words of affirmation expressed her trust in Bo Jinchuan.

Bo Jinchuan couldn’t bear to see her being bullied by another man.

This woman...

It was fine if he schemed against others, but he could also scheme against himself every day.

She was exposed openly, but she was still so righteous. Who else could it be?

Bo Jinghang and Yin Ruijue nodded.

“Sister-in-law is really capable! She can even do this.”

“Yes, no wonder Brother Bo is so good at eating. It’s really... high!”

“The premise is that my brother can’t do anything to her, okay? Let me ask you, he’s even worried that she’ll be sad if he loses his temper. What else do you think he can do to Sister-in-law?”

Yin Ruijue sighed. “Sister-in-law is really amazing. I feel that as long as I can coax her well in the future, our days will be filled with happiness.”

Bo Jinghang snorted. “You’ve comprehended it too late.”

Yin Ruijue said, “You comprehended it early, but I didn’t see you living happily.”

Bo Jinghang was speechless.

—

Bo Jinchuan’s anger had mostly dissipated by Shen Fanxing.

Even if she didn’t come out, he could only digest the anger in his heart before facing her.

Shen Fanxing understood. Perhaps many people understood.

Other than being angry at himself, there was nothing he could do about this woman.

She couldn’t hit or scold him.

She couldn’t be angry or put on an expression.

He was so cold to her just now. He didn’t know what she was thinking, but he couldn’t help but regret and worry.

What else could he do?

To be angry with her was to make things difficult for him.

But if this little woman wasn’t taught a lesson, she would really tear down the roof.

He reached out to push her away angrily, but Shen Fanxing tightened her grip.

“Get up, I don’t want to forgive you now.”

“Then forgive me later. I’m not in a hurry.”

She was obviously trying to wheedle.

Bo Jinchuan pursed his lips and said, “No, Shen Fanxing. What happened today is serious. I won’t forgive you easily...”

Shen Fanxing tiptoed to reach Bo Jinchuan.

Bo Jinchuan paused and turned away.

"I really know my mistake... This won't happen again. Ang..."

Bo Jinchuan forced a cold face and remained silent.

Shen Fanxing still wanted to kiss him. The man dodged several times, but he refused to let her have her way.

In the end, Shen Fanxing was forced into a corner. She cupped Bo Jinchuan's face with both hands and pressed against him.

Bo Jinchuan narrowed his eyes.

Shen Fanxing's movements were clumsy.

But her sweet scent softened the hardness in his eyes.

After not getting a response from the man for a long time, Shen Fanxing lowered her feet.

She looked up at the man with misty eyes.

"I'm so tired. You've grown too tall."

Bo Jinchuan's lips twitched as he looked down at the aggrieved woman. He felt helpless.

"Do you dare to do it again?"

Shen Fanxing shook her head firmly without hesitation. "There won't be a next time. I won't enter the casino again!"

Bo Jinchuan frowned and said, "Shen Fanxing, if the casino is the root of the problem, I wouldn't have brought you there tonight. It seems like you still don't know..."

"I know. I won't use myself as a bargaining chip in the future, much less you.

I would not allow myself to be weak, nor would I allow myself to be hurt in any way, nor would I give any man the chance to approach me.

Because I had always known that I belonged to a man named Bo Jinchuan.

I can only be his woman, his wife, his weakness, his iron wall, his helplessness..."

Shen Fanxing had always known.

How much did Bo Jinchuan care about her? What could he do to her?

It was her. Relying on her understanding of him and his love for her, she was too reckless.

Chapter 1465: Find a Place to Hide

It was her. Relying on her understanding of him and his love for her, she was too reckless.

"I'm sorry, Chuan. It's really my fault. But what do I have to do to appease you, hmm?"

The man looked at her deeply with his dark eyes. There was no emotion in them.

However, her lack of emotions showed Shen Fanxing's success.

As long as Bo Jinchuan wasn't angry, the rest was easy.

"Yes?"

Shen Fanxing continued to strike while the iron was hot. She placed her hands on Bo Jinchuan's shoulders and shook him gently.

Bo Jinchuan's expression changed slightly.

"If this happens again, I will never forgive you."

Shen Fanxing smiled and her eyes curved into crescents. Her eyes seemed to sparkle like the stars in the sky.

"Yes! Yes, yes! I won't do it again!"

Her obedient act of admitting her mistake was too provocative. Even the two men hiding in the dark couldn't help but forgive her.

Not to mention Bo Jinchuan himself.

"Hmph!"

Her lips twitched before she let out a cold snort.

Shen Fanxing smiled even wider.

"Come, kiss me." Shen Fanxing shook Bo Jinchuan's shoulder again. Her words made Bo Jinchuan raise an eyebrow.

He turned his head and looked down at her.

The woman's smiling face was charming and charming. At this moment, she was looking up, obviously asking for a kiss.

"You're too tall. It's tiring to cushion my feet."

Shen Fanxing explained.

Bo Jinchuan narrowed his eyes and asked, "Why?"

Shen Fanxing's face reddened under Bo Jinchuan's gaze.

Her eyes flashed and she looked troubled.

"Huh?" asked Bo Jinchuan with a snort.

Shen Fanxing bit her lips and muttered with a red face,

"Just... kiss, hug, lift... spin... circle..."

Bo Jinchuan's lips twitched uncontrollably.

"What did you say?"

Shen Fanxing bit her lips harder and took a deep breath before shifting her gaze elsewhere.

"Just... kiss and hug... raise... raise... turn in circles..."

She wanted to force herself to say it out loud, but her voice became softer.

Silence filled the air!

Shen Fanxing's face flushed red and she felt like dying.

"Pfft—"

At the end of the corridor, Bo Jinghang couldn't help but burst out laughing. In the next second, he covered his mouth tightly.

What the f*ck was going on?

How could he use this skill so directly?

F*ck!

Was it really good for Sister-in-law to be so straightforward?

She was about to die of laughter!

So asking for a kiss and a hug could be used in such a way?

She couldn't bear to look at him.

On the other hand, Yin Ruijue's face was purple from holding it in. He covered his stomach with both hands and pursed his lips tightly. Tears welled up in his red eyes.

Her puffed cheeks looked as though they were about to burst into deafening laughter.

She was not much different from Bo Jinghang.

The two of them were like two swollen pufferfish. They were suffocating.

What a miracle!

Sister-in-law was the most godly person in the world.

Why would she do something so childish?

Shen Fanxing really wanted to find a hole to hide in.

He didn't expect her to do something like that.

What did he mean by asking for a kiss and a hug? It was simply too embarrassing.

Which man would fall for this?

I'm going to die!

Shen Fanxing slipped her hand from Bo Jinchuan's shoulder and hurried into the room.

How could she face Bo Jinchuan?

Just as she was about to give up, she felt a grip on her waist. In the next second, she was lifted up.

She let out a low cry and hugged the man's neck tightly.

Looking down at the man who had suddenly carried her, Shen Fanxing was caught off guard.

"You..."

"It's not what you want?" The man looked at her expressionlessly before turning away. He stood rooted to the ground with Shen Fanxing in his arms.

Shen Fanxing's stiff body softened and she hugged the man's neck tightly. She leaned over and pressed her forehead against his.

"And kisses and circles..."

Bo Jinchuan looked at her silently, but Shen Fanxing could tell that he was pushing his luck.

After a pause, she said, "It feels too embarrassing for you to spin in circles. You just have to kiss me..."

Seeing her compromise, Bo Jinchuan couldn't do anything to her.

Of course, he couldn't bear to see her disappointed.

Pursing his lips tightly, his handsome face tightened as he spun around with Shen Fanxing in his arms.

The scene was too beautiful to look at.

If she didn't need to hug Bo Jinchuan's neck, Shen Fanxing would have covered her face with her hands.

Madam, Madam... How embarrassing!

However, she was the one who had made the request. Compared to Bo Jinchuan, who was still angry at her but had to obey her in the end, it seemed even more embarrassing.

"Alright... that's enough..."

It was her fault today and she was the one who wanted to apologize. But now, the man had a temper and wanted to satisfy her request...

The guilt in her heart became deeper and softer.

Other than loving this man a little more, there was nothing else she could do.

Bo Jinchuan kept a straight face, but Shen Fanxing rubbed her forehead against his.

'I won't do it again. I swear.'

She assured him in a low voice.

She seemed to have been frightened by Bo Jinchuan's temper.

Actually, compared to the time in HK when she deliberately got injured and incurred the man's displeasure, her appearance was actually similar.

But this time, it was obviously more serious.

In conclusion, Bo Jinchuan's confrontation with Shen Fanxing was limited to this.

But at least Shen Fanxing could recognize her mistake.

She had successfully reflected on the seriousness of the matter.

The woman's gentle flattery was Bo Jinchuan's greatest weakness.

He couldn't really do anything to her.

After several tries, Bo Jinchuan finally took a deep breath and bent to place the woman on the ground.

Shen Fanxing landed on the ground, feeling a little disappointed. But in the next second, the man bent down and enveloped her.

...

Chapter 1466: Awkward

In the end, the man carried her in his arms. Looking at her flushed face, his lips curled and he entered the room.

...

The moment the door closed, the empty and quiet corridor burst into laughter.

"Pfft, haha..."

"Hahaha... Oh my god..."

Bo Jinghang and Yin Ruijue held their stomachs and rolled around in the carpeted corridor, laughing hysterically.

"What... what the f*ck is going on..."

"I can't take it anymore. I'm dying of laughter. I'm dying of laughter because of these two people!"

The two of them had gone all out in such an awkward situation!

"Oh my god! Help, help..."

"I don't have the strength, ha... haha..."

The two fools were really hopeless...

—

The next morning, Bo Jinchuan brought Shen Fanxing to breakfast.

Bo Jinchuan's face was calm and he was obviously still holding his breath.

After all, he was angry. Wouldn't it be embarrassing if he softened so quickly?

Shen Fanxing observed Bo Jinchuan's expression the entire time. She put food into his bowl and poured milk for him.

Bo Jinchuan pressed his lips and pushed everything Shen Fanxing liked to her.

When Bo Jinghang and Yin Ruijue arrived, they couldn't help but laugh when they saw the awkward interaction between the two of them.

The two of them were clearly handsome and beautiful, and their auras were so strong that ordinary people didn't dare to approach them.

However, when she thought of how the two of them had asked for kisses and hugs last night, she wanted to die laughing.

She was the only one in the world who could act cute like Shen Fanxing.

"You had a seizure?"

Seeing the two of them laughing inexplicably, Bo Jinchuan said coldly with a dark expression.

Bo Jinghang and Yin Ruijue shook their heads and walked to the dining table. They found a seat and sat down.

Shen Fanxing glanced at them and asked, "Have you sent the three back?"

Bo Jinghang nodded. "I fed her well and sent her back. Don't worry, Sister-in-law."

Shen Fanxing didn't say anything and focused on eating.

Bo Jinghang and Yin Ruijue ordered food and were eating. "Where are we going today?"

Seeing Shen Fanxing's appetite, Bo Jinchuan's lips twitched.

However, her voice was cold and hard. "You still have the mood to play?"

Bo Jinchuan and Yin Ruijue froze and quickly buried their heads in their food.

During this time, Shen Fanxing's phone rang. She swallowed the noodles and took a look.

Then, a bright smile appeared on her face.

She waved her phone at Bo Jinchuan. "20 billion yuan has been transferred to my account."

Bo Jinghang and Yin Ruijue looked up in unison.

Her eyes shone with excitement and admiration.

"Sister-in-law, please provide for me!"

Shen Fanxing glanced at them with a gentle smile.

“Let’s ask your Brother Bo first.”

The two men froze and their eyes landed on Bo Jinchuan.

Bo Jinchuan ate a mouthful of food elegantly. A moment later, he looked up and captured their gazes.

There was no expression on his face. His dark and deep eyes swept over lightly, making them feel the coldness of the extreme.

It was the legendary feeling of giving someone a look.

The two of them made a prompt decision and said firmly, “It’s just a joke. We don’t lack money. We just want to worship a super big shot.”

Bo Jinchuan didn’t want to argue with them now. He turned to Shen Fanxing and said calmly,

“What do you plan to do with so much money?”

Shen Fanxing replied without hesitation, “For you, of course.”

Bo Jinchuan raised an eyebrow. “Huh?”

Shen Fanxing smiled and stood up after her meal.

“You didn’t play anything yesterday. It’s your turn to play today.”

Bo Jinghang and Yin Ruijue looked at Bo Jinchuan expectantly.

They didn’t have much fun yesterday. It was still early today, so it was enough for them to have fun.

“Brother, let’s go. Have you never played before?”

“That’s right, Brother Bo. Although you might not be as good as Sister-in-law, I believe you’re not bad either.”

Shen Fanxing smiled at Bo Jinchuan. She had never seen him sitting at the gambling table.

But he looked handsome just thinking about it.

He was so smart. He must have looked calm and composed as he sat there.

Bo Jinchuan glanced at Shen Fanxing, the anticipation in his eyes obvious.

After a moment of silence, he surprisingly didn’t reject her.

Anyway, this woman was looking forward to it.

However, when they arrived at the casino, there were many people gathered outside.

Bo Jinghang looked around and teased,

“This casino is really profitable! Why are there so many people queuing up to play during the day?”

Yin Ruijue said, “I don’t think so. There are so many casinos in Las Vegas. There’s no need to guard one place to play!”

Shen Fanxing felt that what Yin Ruijue said made sense. She didn't believe that there was a reason for a casino to make customers wait.

However, looking at the cameras in their hands, she seriously suspected that these should be reporters.

Pursing her lips, she wondered if the incident yesterday had blown up.

It shouldn't be. Yesterday, they had left with Leisi willingly.

Then... perhaps her gamble yesterday had attracted the attention of these reporters?

That was about it.

However, when the thought flashed across her mind, they were already at the door.

Just as she was about to enter, she was stopped by a few burly bodyguards at the entrance of the casino.

Shen Fanxing frowned and asked, "You're... not letting me in?"

At this moment, a person rushed in. When he saw them, his face trembled and his forehead was covered in cold sweat.

"Hello, everyone."

Bo Jinchuan stared at him coldly and asked, "What do you mean?"

The manager wiped his sweat and glanced at Shen Fanxing.

"Dear guests, our casino is just a small business. Please be kind and let us live!"

Shen Fanxing blinked and said, "We're just here to play. What's wrong?"

The manager broke out in a cold sweat when he heard Shen Fanxing's words.

"Miss, you're the reincarnation of the God of Gamblers... We really... can't afford to support you..."

They had studied the surveillance footage for a long time last night, but they did not discover any cheating.

Chapter 1467: A Cheated Life

They had studied the surveillance footage for a long time last night, but they did not discover any cheating.

In the end, she could only conclude that Shen Fanxing had her own way of confirming the number of points in the dice cup.

Regardless of whether she relied on her ears or had a pair of X-ray vision, it was the taboo in their casino.

The exorbitant bet last night was enough to make people jealous. That was money that could not be spent in a few lifetimes.

If they continued today, would their casino survive?

Only a fool would bet with her.

No one gambled with her. As long as she played other events, the bankers would be on the casino's side.

If she gambled again...

The consequences were unimaginable.

Shen Fanxing felt... helpless about this.

She had indeed gone overboard yesterday.

She should have been more reserved, but Les' words back then had really provoked her.

"I'm not playing today..."

Yes, she was here with Ah Chuan today.

The manager chuckled. Who could stop them from entering now?

"So she's the woman who gambled last night?"

Before they could say anything, someone suddenly shouted from the crowd outside. In the next second, they were surrounded by a group of people.

Seeing this, the manager hurriedly left. Before he left, he specially instructed the bodyguards, "Don't let them in. Otherwise, you'll bear the consequences!"

This was a rejection.

However, Shen Fanxing had no time to bother with them.

Bo Jinchuan pulled Shen Fanxing into his embrace and surveyed the crowd.

Judging from their posture, they should be reporters.

"Hello, are you the one who gambled with the casino shareholders last night?"

"Are you Alan Bell?"

"I heard that you won an astronomical sum last night. Is that true?"

The reporters had seen Shen Fanxing's familiar face too many times. When they saw her, they couldn't help but feel excited.

Faced with so many reporters, Shen Fanxing didn't reject them.

She leaned into Bo Jinchuan's embrace obediently, but the expression on her face was the same as when she was facing the camera. She smiled indifferently, with a coldness and dominance that made people not dare to approach her.

Her fluent English sounded pleasant to the ears.

"I don't think I would be stuck here if you didn't get the exact news, right?"

The reporters were stunned. "...Does that mean you admit that you won a huge sum of money?"

Shen Fanxing nodded and said, "Yes, do you believe me?"

A reporter asked, "You have so much money at once. Do you have any plans? Do you want to travel around the world, eat and drink, or something else?"

Shen Fanxing smiled and looked up at the man beside her. She broke free from his embrace and took the initiative to hold his arm.

"Give it all to him."

The reporters shifted their attention to Bo Jinchuan.

Seeing the tall and slender man, they were slightly stunned.

"This isn't..."

Some reporters recognized Bo Jinchuan and didn't dare to act rashly.

"Isn't he the CEO of the Bo Consortium?"

"It's the former CEO..."

The Bo Consortium's business status was naturally among the top internationally. It was only natural that they would be recognized.

Coupled with his well-known relationship with the woman beside him, it was natural for the two of them to appear.

"From what I know, the other party promised to give you 20 billion yuan yesterday. Have you received the 20 billion yuan?"

Shen Fanxing nodded and replied, "Yes, I just received it."

Everyone gasped. "So you really want to give this 20 billion to... Mr Bo?"

"Sure, why not?"

Shen Fanxing didn't hesitate at all.

Bo Jinghang and Yin Ruijue looked at Bo Jinchuan enviously. If they were given a handkerchief, it would probably be twisted into pieces.

Bo Jinghang said, "Brother, I feel so jealous now!"

Yin Ruijue gritted his teeth. "I'm more jealous than you, okay? Brother Bo can give you his shares, but I have nothing."

Bo Jinhang paused and the expression on his face improved slightly. "I'm in a better mood after hearing that."

Yin Ruijue was speechless.

Why would a man make things difficult for a man?

Shen Fanxing's reasonable answer puzzled some reporters.

A woman with some money in her hands was also her future confidence.

Immediately, a reporter asked, "Why should we?"

Shen Fanxing smiled and said, "Just treat it as me providing for him."

"Pfft..." Bo Jinghang and Yin Ruijue couldn't help but laugh.

Bo Jinchuan raised an eyebrow. Was he being kept?

The reporters were speechless.

"I'll support this man for 20 billion yuan. If other women have ill intentions towards this man, I'll take out a wallet worth more than 20 billion yuan to support him. If I can't reach him, then I'll ask you to... stay as far away from him as possible."

She faced the camera with a gentle smile on her face, but everyone felt a chill.

Previously, she had warned everyone not to have any designs on her man.

Back then, many women online were unhappy with her and said that she was no different from a shrew.

It was their ability to make men fall in love with them...

But now...

It was a direct hit to those women's faces.

Since they were competing on ability, they would compete on ability.

[20 billion. If you can beat her, then come.]

Twenty billion yuan was a number that would only appear in dreams.

It was easy for Shen Fanxing to come, but to most people in this world, it was a fantasy.

Even the richest man in Asia might not be able to play like her.

If other women wanted to get close to Bo Jinchuan, the threshold was 20 billion yuan. Such a thing would never happen in this world.

With this move, no matter how the remaining women fantasized, they probably wouldn't have the guts and ability.

Thinking about it now, this woman was really amazing.

Not many men could suppress her.

Fortunately, he was the young master of the Bo Consortium.

However, based on their current net worth, Shen Fanxing seemed to be better.

After all, Bo Jinchuan was no longer the CEO of the Bo Consortium...

However, what made them suspicious was that after leaving the Bo Consortium, where did this man get the confidence to say that he would do his best to annihilate the Bo Consortium?

Someone asked Bo Jinchuan boldly.

Bo Jinchuan was silent for a few seconds before saying calmly,

“Because I have a powerful wife.”

Look at how smug she was.

Yes, she was indeed impressive.

Previously, she was despised for her family background, but in a few days, she had become a princess.

It was as though she had a cheat in her life. How could she not be impressive?

Chapter 1468: Confrontation

In the two days that Bo Yuelin had taken over the Bo Consortium, he had been in meetings non-stop.

After all, they needed to understand and overthrow the previous operating model. Such a large company could not be completed in a short period of time.

However, the higher-ups of the Bo Consortium were all distracted.

Bo Yuelin’s face had darkened for a few days. The atmosphere in the meeting was getting more and more tense.

In the end, Bo Yuelin threw the document in his hand aside and sat at the head of the table. He looked at the others in the conference room with a dark expression.

“What do you have to say about the meeting these two days?”

The higher-ups looked at each other for a long time before someone said slowly,

“Chairman Bo, the hearts of the people in the company are unstable now. The CEO’s previous operations have been explored step by step. It was only consolidated after a few failures.”

The employees are also used to seeing the CEO as their priority. We have no objections to you taking over the company, but to overthrow the previous operating model the moment you took over is really... unpopular.”

Bo Yuelin snorted coldly. “CEO?”

The higher-ups were stunned and their expressions turned ugly.

“Former CEO...”

The atmosphere in the conference room was a little awkward, but since someone had started it, there were also people who had objections.

“Yes, and... the words that the former CEO said to the media on the day of his inauguration... I have to take note of it...”

The meeting room fell silent.

Bo Jinchuan had only said one thing to the media on the day of his resignation.

They were going all out to annihilate the Bo Consortium!

After a long while, Bo Yuelin laughed coldly.

“Surround the Bo Consortium?”

“...”

“...”

The smile on Bo Yuelin’s face gradually turned cold. “Tell me, what made him famous now that you trust him so much?”

After leaving the Bo Consortium, how could he fulfill his so-called ‘all-out encirclement and suppression of the Bo Consortium’?”

Then, he snorted and said, “Young people, it’s understandable for you to be conceited and arrogant. However, it’s fine for him to say such unrealistic words, but you guys believed him and were affected. Isn’t that too outrageous?”

“...”

The conference room fell silent again.

They were not fools who knew nothing.

It sounded unrealistic for the huge Bo Consortium to want to encircle and annihilate them.

Not to mention that he was alone and had no one to rely on. Even if his current girlfriend had become the princess of Country Y, the deep-rooted foundation of the Bo Consortium was not something that could be easily shaken.

They naturally recognized the Bo Consortium’s current strength.

However, when they saw Bo Jinchuan saying this calmly in front of the media, their hearts tightened and they subconsciously believed his arrogant words.

It wasn’t just them. Everyone who had heard him had never questioned him.

It was probably because Bo Jinchuan was the one who said that.

“With CEO’s personality, I don’t believe that he’s just saying that!”

Everyone nodded in agreement.

That was the crux of the matter.

How could their CEO say something he wasn’t confident of?

After working under him for so many years, they knew about his strong and decisive habits.

Bo Yuelin didn't comment. "That's why I want to overturn some of the operating policies he has set in the past. I don't deny that he knows the Bo Consortium the best in this world!

If we don't make changes soon, if he wants to make a move, he will directly hit some fatal problems in the Bo Consortium. This is also the only possibility I can guess why he said that.

If we don't come up with a corresponding plan, are we going to sit back and do nothing?"

"His ability is the best stabilizing agent for the entire Bo Consortium. Since we're family, why must our relationship be so strained?"

No matter what Bo Jinchuan said, they didn't want to see this situation.

The only thing that could reassure them was to invite Bo Jinchuan back!

Bo Yuelin said expressionlessly, "As you said, with Jinchuan's personality, do you think there's any way to salvage the situation?"

"..."

Things fell into a deadlock again.

Therefore, it was useless for them to say anything now.

Even if Bo Jinchuan couldn't be invited back, she had to do whatever she could.

"Let me say, the biggest problem now is the internal and external problems of the Bo Consortium! The Bo Consortium is in a mess now. That's the biggest joke."

One of the higher-ups stood up and left with an ugly expression.

There was no change in Bo Yuelin's expression as he continued,

"The Yuan Corporation's project has already received the full support of the Ye Corporation. I've discussed it with President Yuan before. He has left 10% of the investment space for the Bo Corporation. Before the project starts, I plan to invest this 10% of the capital."

His words caused everyone to object.

"Everyone knows that the reason why the CEO resigned was because of the Yuan family!

Moreover, after so many years, the company had cut off several ties with the Yuan family.

On the surface, the Yuan family was glorious, but Yuan Zhengchong was still the one in charge. Every year, he had to use his seniority to gain more benefits from the Bo Consortium. If an accident happened, not only would he not bear the responsibility, but the Bo Consortium would also have to bear the losses.

The few projects that the Bo Consortium and the Yuan Consortium had collaborated on did not reap any benefits!

"It's not just because of the CEO's personal reasons. From the long-term development of the Bo Consortium, we all think that we should establish a relationship with the Yuan Consortium!"

Even if the Yuan Consortium's situation had improved, they would definitely stick to her like glue in the future!

No matter what, Yuan Zhengchong had some brains, but Miss Yuan would be in charge in the future.

Everyone knew what kind of person she was. The Yuan family would only be a burden to the Bo Consortium in the future!

Bo Yuelin's usually calm face finally showed signs of anger.

"The Yuan family and the Bo family have always been on good terms. It's reasonable for them to support each other. Because Yuan Sichun will be the head of the Yuan family in the future, the Bo family has to help her and not ignore her. Otherwise, what will become of the Bo family?"

As he spoke, Bo Yuelin slammed the table and stood up. "We must invest 10% of the Yuan family's investment in the Bo Consortium. I can't let go of such a good opportunity! This matter is settled! The finance department will prepare the money! When the Ye Corporation's funds are in place, we will transfer the money immediately!"

Without giving anyone a chance to refute, he pushed his chair away and walked out of the conference room.

Chapter 1469: How Embarrassing

Without giving anyone a chance to refute, he pushed his chair away and walked out of the conference room.

The higher-ups looked at each other and shook their heads.

"How is this a meeting? He's simply giving orders!"

"It wasn't easy for her to shake off the Yuan Corporation, but now she's rushing to stick to them! What a disgrace!"

"Whoever gets involved with the Yuan family is really unlucky! If the Bo Consortium can really get involved with the Yuan Consortium again, hmph, he won't be able to last long either! Old Master is getting more muddle-headed as he gets older!"

After the senior executive finished speaking, he picked up the document and left the conference room with a cold expression.

The others got up and left.

"The Bo Consortium is in chaos now!"

"What's going on?"

"This Yuan Sichun is really a jinx! Not only did she harm the Yuan family, but she also harmed the Bo Consortium."

—

When Yuan Zhengchong brought Yuan Sichun and Yuan Muchun back to the country, he was in high spirits.

Regardless of whether CEO Shen was the real granddaughter of the Queen of Country Y, it was human nature. Ye Jingyun and her daughters had been by the Queen's side for so many years.

There was no reason for him to chase away his adopted daughter who had accompanied him for more than thirty years after finding his real daughter and granddaughter.

As long as Princess Ava was still a princess and her family's Ye Corporation was still around, she could help the Yuan Corporation at critical moments.

The news from two days ago explained everything.

With the full support of the Ye Corporation, there were no changes to the Yuan Corporation's project.

This was great news for the Yuan family.

As long as they clinched this project, the Yuan family could still take a huge step forward.

The reason why most people were enjoying the show was because the Yuan Corporation used to be proud of itself. It thought that it could suppress Shen Fanxing's family and the power behind her. Now, it had become a huge joke.

On the other hand, the Bo Consortium had always been wary of the Old Master or had taken a fancy to the Yuan family and Princess Ava. They disliked Shen Fanxing and reality had slapped them hard.

Not only that, but his favorite grandson had also left the Bo Consortium and expressed his stand with the Bo Consortium by saying that he would do his best to annihilate them.

After that, he...

There had been no news for two days.

—

"CEO Yuan, can you reveal how much the Ye Corporation has invested in this project?"

"When will the funds arrive? Can the project really start as scheduled?"

These two questions made Yuan Zhengchong smile in front of the media.

"I really have to thank the Ye Corporation for their generosity for this project. You have to know that 20 billion yuan is not a small sum. If there are no accidents, 20 billion yuan will be transferred to our account in two days. Thank you for your attention on our Yuan Corporation. I hope that we will have deeper cooperation in the near future."

If a company needed publicity, it naturally had to do with the media.

This was a mutually beneficial matter, so the media was naturally delighted.

But now... 20 billion yuan had arrived within a few days. The Ye Corporation was really rich.

Twenty billion...

Compared to the high-spirited smile on Yuan Zhengchong's face, he should indeed be happy.

Turning to look at Yuan Sichun, the reporters pursed their lips. But no matter what, the whole world probably knew that this woman had gone crazy at the international banquet.

It was a disgrace to the people in the country. It was extremely smelly. They really had nothing to say to her.

The attitude and expressions of the media made the extremely sensitive Yuan Sichun burn with anger. Her face was so ferocious that she couldn't bear to look at them.

Ye Zhiqing pushed aside the reporters and walked to Yuan Zhengchong's side. She held his arm.

"You're finally back!"

Yuan Zhengchong glanced at her and asked in a low voice, "What's wrong?"

Ye Zhiqing had a polite smile on her face as she glanced at Yuan Muchun behind her. She smiled and whispered to Yuan Zhengchong,

"I just received a call from Old Madam Qin. Coincidentally, you're all back. Coincidentally, it's his precious grandson's birthday today. She invited us over now!"

Yuan Zhengchong turned to look at his second daughter, who was standing behind him. He didn't say anything.

At that moment, Yuan Muchun felt a little relieved.

However, this relief did not last long. When they walked out of the airport and avoided the reporters, Yuan Zhengchong said to her,

"Did you gain anything from Country Y this time?"

Yuan Muchun's heart turned cold.

"What gains?"

Yuan Sichun laughed softly at the side and said, "What do you mean by gain? Muqing, why are you pretending to be a fool? Of course I'm talking about a man. He's giving you a chance. If you have a suitable husband in Country Y, we naturally don't have to attend Young Master Qin's birthday party today."

Yuan Muchun looked at Yuan Zhengchong and asked calmly, "Is that what you mean?"

Yuan Zhengchong was very dissatisfied with her cold attitude. He frowned and said, "I specially reminded you in Country Y..."

"Ha..." Yuan Muchun sneered. She closed her eyes and took a deep breath. "With an embarrassing sister, which man would be willing to build a relationship with the Yuan family?"

"You..."

"So the daughter of the Yuan family can only marry a fool!"

Yuan Muchun sneered and interrupted Yuan Zhengchong's anger that was about to erupt. She also ignored Ye Zhiqing and Yuan Sichun's sharp gazes.

She walked towards the parking lot.

"Stop! Where are you going?!"

Yuan Zhengchong's angry roar sounded behind him, and Yuan Muchun responded with a sneer!

"Of course I want to attend Young Master Qin's birthday party."

The muscles on Yuan Zhengchong's face twitched. He didn't know if he should be happy or angry.

Ye Zhiqing saw that Yuan Zhengchong was obviously affected by Yuan Muchun's words and immediately said,

"Alright, Old Lady Qin is still waiting for us. Why are you angry with her now? Let's go..."

—

Ever since the news came out, the Yuan Corporation's shares were slowly rising.

Compared to the daily drop, this trend was very good.

The Yuan Corporation's situation gradually improved, so at Young Master Qin's birthday banquet, Yuan Zhengchong naturally became the focus of attention.

Old Lady Qin specially received them and introduced her precious grandson, Qin Zhixuan.

Ye Zhiqing pushed Yuan Muchun in front and smiled.

"This is my second daughter, Yuan Muchun. Muchun, greet Old Lady Qin and Young Master Qin."

Yuan Muchun pursed her lips and pulled her arm back.

She looked up at Qin Zhixuan, who chuckled at her, his eyes full of silliness.

Chapter 1470: Don't Be a Good Person

She looked up at Qin Zhixuan, who chuckled at her, his eyes full of silliness.

"Honey..."

Yuan Muchun retracted her gaze abruptly, unable to ignore the disgust in her heart.

"Wifey..." Qin Zhixuan saw that Yuan Muchun didn't respond and took two steps forward. He opened his arms to hug her!

"Don't touch me!"

Yuan Muchun took two steps back and growled, attracting the attention of the guests.

Qin Zhixuan didn't know how to read between the lines and continued to lean closer. Yuan Muchun narrowed her eyes as Shen Fanxing's words rang in her mind.

“When people are alone and helpless, they need to remain calm at all times. The more helpless they are, the more they have to tell themselves not to panic.

Usually, the only solution was not to be a good person.

I’ve never thought that it was unreasonable to bully, humiliate, slander, and harm you.

If one did not look out for themselves, they would be doomed.

You only have the right to be kind if you successfully protect yourself, understand?”

Yes, kindness was not tolerance.

That was not kindness but cowardice.

As she watched Qin Zhixuan approach, her gaze landed on the wine glass in his hand. She paused and suddenly slapped the glass away.

The wine glass flew into Qin Zhixuan’s arms and splashed all over his gray suit.

There were gasps of surprise.

Old Lady Qin’s face darkened and Ye Zhiqing panicked.

“Chairman Qin, don’t be angry. Xiaochun’s temper is just a little unpleasant, but she’s still quite kind. I believe she’s not familiar with Young Master Qin. Just give them a chance to interact more.”

Old Lady Qin had lived for so many years, so she could naturally tell if Ye Zhiqing was telling the truth. However, she had investigated the Yuan family’s second daughter before.

She wasn’t someone who didn’t recognize reality. She knew very well what her grandson was like. If he could marry this woman, he would be considered lucky for the rest of his life.

Since she was planning to have his daughter, she couldn’t show her displeasure.

Hence, she agreed to Ye Zhiqing’s request.

“You’re right. They should get along well.”

Yuan Muchun couldn’t face this fool anymore. She turned around and ran to a corner of the banquet hall.

Ye Zhiqing hurriedly apologized to Old Lady Qin. Old Lady Qin didn’t say anything and left with Qin Zhixuan. After a few steps, a servant came.

“Bring Young Master to change his clothes. There’s no need to go upstairs. It’s not embarrassing enough to roll down in front of so many people.”

“Yes, Old Madam!”

The servant dragged Qin Zhixuan away.

Ye Zhiqing gritted her teeth in anger. Looking at Yuan Muchun, who was hiding in a corner, she wished she could tear her into pieces.

Yuan Sichun said calmly,

“No one would be willing to marry a fool! It’s normal for her to have a temper, but even if she has a temper, she still has to marry. Do you think we can get someone to escort her to the stage on the day of the wedding?”

Ye Zhiqing was so angry that her liver hurt. “That damned b*tch. I feel annoyed just by looking at her. I’ve raised her for so many years and I’ve let her down! This marriage isn’t up to her to decide!”

A cold smile flashed across Yuan Sichun’s eyes.

Although Yuan Muchun was her sister, she had never thought of keeping her.

In the past, her existence was to support her and marry someone who had helped the Yuan Corporation.

Marrying well was her fate!

If she didn’t marry well, it would be her fate!

But in the end, he would definitely not marry someone better than her!

Even now, her existence was to support her. But more importantly, the shares in her hands were the real threat to her.

The shares in her hands had already been transferred to her aunt at her father’s request. If Yuan Muchun didn’t leave early and let her father get the shares back from her, her position in the Yuan family might be replaced by Yuan Muchun in the future.

If it was in the past, it would be fine if she was obedient. But now, she was obviously covered in thorns and went against them.

She couldn’t guarantee that she wouldn’t snatch the Yuan Corporation away from her in the future.

Now that the Yuan Corporation had survived the most difficult period, all the glory and glory in the future could only belong to her.

How could she give her the chance to compete with her?

She had given her a chance, but she hadn’t found a suitable husband in Country Y. Now, she couldn’t blame anyone else!

After bringing Ye Zhiqing to an empty corner, Yuan Sichun took out a bag from under the blanket and handed it to Ye Zhiqing.

“Since she’s unwilling, we can only use this method.”

Ye Zhiqing took it and after some thought, she knew what it was.

“Why do you have this?”

Yuan Sichun frowned deeply.

Why did she have this?

That was because she had too many things she wanted to do. For example, she wanted Bo Jinchuan to drink it to fulfill her selfish desires.

For example, letting Shen Fanxing devour her and completely destroy her, making her unable to raise her head again!

But she had no chance.

Brother Bo didn't give her a chance to get close.

Shen Fanxing was guarded against her.

That was why he had kept it until now!

However, it was worth it to use it on Yuan Muchun.

Seeing Yuan Sichun's ugly expression, Ye Zhiqing had more or less guessed it. She didn't insist on waiting for an answer and said,

"How can she eat and drink like that..."

"Go put it in the wine. I'll think of a way."

—

Yuan Muchun hid in a corner and hugged her body. She felt an unprecedented chill.

Her heart had become cold and hard. From the inside out, it couldn't warm up anymore.

How silly of her.

Yuan Zhengchong had never been a fool.

Her mother's death back then happened when he was away from home.

After she returned, she didn't even investigate before helping Ye Zhiqing up.

In the past, she had naively thought that it was an unfortunate accident.

From his current attitude, perhaps he knew from the start that his mother's death was related to Ye Zhiqing.

It was because Ye Zhiqing was from the Ye family and she had a cousin who was a noble princess in Country Y.

All these years, she had lived a lie. She had lived in this heartless kinship and in a pathetic sorrow.

She didn't care about the ridiculous kinship she had now.

But she felt indignant on behalf of her mother.

She had lost her life because of her identity as Mrs Yuan.

Therefore, the Yuan family deserved to die!

She wanted the entire Yuan family to die with her innocent and pitiful mother.

Sister-in-law was right. She didn't need to be kind now.

Kindness couldn't save her mother's life, and kindness couldn't stop the mother and daughter's ambition and persecution.
