

I' m Sorry My Love Novel Chapter 1492 - 1493

Chapter 1492

The tears on Dalia's face blurred her vision, but she did not see much fear for Kraig in her expression.

She shook her head, still crying: "Master, I...I didn't say you are ugly."

"I... just beg you, please let me go. He has nothing to do with this thing, it has nothing to do with it, he still has his mother to support, if you let him go, I will go with you , I'm really thinking about it, I'll go with you...I'm going to play you..." The despair in her tone, the despair.

And Kraig, who was holding her chin, had a heart that was crushed by her!

At this moment, he wished he could suddenly use force to pinch the woman to death with one hand.

"I ask you, who am I!" He gritted his teeth and asked every word.

"Master. The famous master of Kyoto." Dalia cried and replied.

Kraig: "What is the relationship between me and you? What is the relationship!!!"

Dalia's tears flowed into his hands: "Home, domestic helper...I am your domestic helper..."

"There's more!"

"I...I'm yours...your...warm! Bed! Tools! Tools!" Dalia said humiliatingly.

"I ask you, what do you usually call me! When you are in love, what do you call me, you'd better give me a clear answer at one time! Otherwise, your Dashan brother will be splashed with blood in your face!"

“Say! You and me, what do you call me when you are in love! Speak loudly!”

“Let everyone hear it!” Kraig roared unreasonably.

Dalia: “...”

The tears on her face were like the Yellow River bursting its banks.

At this moment, her heart was also torn apart.

Behind her, the man who had loved her for four months called out: “Xiaoshan, you are dignified, you are a kind woman, you will be a mother soon, you are just you, you are dignified, Xiao Shan, we can die, Xiao Shan, don’t talk.”

Dalia shook his head desperately.

She knows!

Of course she knew she was dignified.

She already knew that when she met Suzi, she knew the importance of dignity.

In this world, no one wants dignity more than Dalia.

But at this moment, when the life and death of his most beloved man is hanging by a thread, dignity is a fart?

Dignity is worthless!

She just wants Brother Collin and her elderly mother to live.

If they can live, she can be without dignity.

She looked back at Collin and shook her head desperately.

“Say!”

Dalia cried and said, “I call your husband.”

Husband...

How many days and nights, when she was tossing around the bed with him, she held him by the shoulders and called him gently, "Husband, are you comfortable?"

At that time, she loved him wholeheartedly.

Think of him as more important than her life.

She also shouted 'husband' only when it was thick. Usually she knew how much she was, so she never called it.

"Loud!" Kraig roared again!

At this moment, he completely lost his mind.

Dalia said loudly and obediently: "I call your husband!"

This voice resounded far away.

I heard clearly in the hotel not far away.

At this time, behind the curtain of a guest room in the hotel, a woman with a telescope in her hand gritted her teeth with hatred: "*Dmn! Dalia, you are so Dmn!* This world can make Kraig so jealous, not a woman I, it turned out to be you, a bad woman!"

"I curse you to die immediately!"

Chapter 1493

"Now, I'll be beaten to death by Kraig's mess!"

"And your wild man! Let's go to death together!" Elma cursed viciously.

Outside, one street and two alleys had been temporarily sealed off except for those brought by Kraig. Even if someone is watching, you have to close the door and hide in your own door to watch secretly.

Only Kraig and Dalia are left on the street in the cold wind, and Han Zhanshan who fell to the ground not far away

And, Kraig, who was surrounding them, brought over his subordinates.

They all heard clearly, Dalia was calling Kraig 'husband'.

Only they know their own master best.

Lord is really angry today, and what's more, Lord is very jealous today!

At this moment, Elden is the one who is most worried about Dalia, but what is the use of worrying?

The master's decisive killing is no less than that of Nancheng's Fu Siye.

The master was also killed out of thousands of troops, and it was easier for him to kill a person than to slaughter a chicken.

At this moment, Elden could only worry about Dalia in his heart.

He watched Kraig's eyes turn red and looked at Dalia: "Woman! Do you still know you call me husband?"

"In this world, there is no woman more cruel than you!"

"Follow me for seven years!"

"Seven full years!"

"The Lord takes care of you, takes care of you, wears, and lives, and takes you wherever you go. Even the seed of the Lord is only left to you, only to you! It's only been four months, but you can I've forgotten everything! For four months, you were kind to that man. You don't hesitate to give up your life, and you have to protect him if you give up the life of the child in your stomach!"

"Dalia, do you know that you are killing my heart?"

"Is there anyone in this world that hurts more than you?"

"You keep saying that I want to kill you, but which eye do you see that I want to kill you!"

“On the contrary, it is you, every word is poking into my heart!”

“Do you know how vicious you are?”

“There is no more vicious woman in this world than you!”

Dalia forgot to cry. She looked at Kraig sadly, and suddenly smiled, “Am I vicious?”

“I stabbed a knife in your heart?”

“Isn’t it?!” Kraig asked, “What reason do you have to refute?”

Dalia looked up at the sky and sighed. Her tears gathered in the palm of Kraig’s palm, and they all became a small river.

“Kraig!” She suddenly called out his name, giving it a go.

“When I saw you for the first time, you saved me and punished my uncle, I fell in love with you!”

“I was bullied and imprisoned by my dearest relatives. I never felt safe. It was you! Let me be free! You never know how much I love you!”

“I know that you are aloft, and that it is your noble in Kyoto! I knew from the beginning that if I was by your side and loved you well, I could only lower my body and get rid of my dignity!”

“In order to love you and to see you more every day, I remind me every day that I must abide by my duty.”

“I will do my best to be your maid, wash and cook for you, wash your hair and wash your feet, I have done all the things a maid should do!”

“I will warm your bed at night, help you manage your entire family, help you think about your parents’ birthdays, help you think about all your relatives and friends, help you comfort your subordinates, and all the things your wife should do. I did it all too!”

“It’s not just the maid and wife! Kraig! I didn’t go with you when you attended the restoration. Have I ever embarrassed you?”

“You should have spent money to get your female companion’s money, but I did it all for you!”

“I originally thought that I would be a little different in your heart. As long as there is a little difference, I am very happy. Even if I still have no place in your heart, I will not blame you.”

“But your ex-girlfriend, whom you haven’t seen in ten years, suddenly visited the house. You drove me away without even giving me any mental preparation.”

“When I left, I was swept out by you before I could even get my luggage. Have I ever blamed you? Have I complained about you?”

“When you drove me out of the house without even saying hello, did you ever think about calling your husband when I was in love?” Dalia asked with a tearful smile.

Kraig: “...”
