

I' m Sorry My Love Novel Chapter 1500 - 1501

Chapter 1500

Kraig said calmly: "Your one million."

Dalia flinched back in fright: "I...I didn't ask you for money, I...I won't covet half of your property, don't worry."

Kraig: "Didn't you say it yourself? I have been a domestic helper for seven or eight years. A domestic helper should have been paid every month. For seven years, one million is not too much."

Dalia: "..."

"Take it, you deserve it."

Dalia still did not answer.

"I, Kraig, won't let people think that my huge family property has lost money from a domestic helper's salary. Take it."

Dalia only hesitated to the bank card.

Immediately afterwards, he gave her another bank card.

Don't say Dalia doesn't understand now, even Collin doesn't understand.

Dalia raised his head to look at Kraig: "Why... why are you...returning it to me?"

"Seed fee." The man said.

Dalia: "..."

"You said, you have always taken measures, and I have never done it once. I blamed me for making you pregnant. It was my fault for ruining your body like this. My child is in your belly and will be born in the future. I am also legally liable, am I not?"

“I... I said, I will never bring a child to threaten you, and I will never use a child as a bargaining chip.”

“But I have an obligation to raise him.” Kraig said.

After he looked at Dalia’s scared face, he said: “Even if you thank you for not bringing him to me in the future, don’t you come to disturb my living expenses, here is ten million, enough for you to raise him from birth to eighteenth. Years old. After the age of eighteen, I no longer need to give her support.”

Du Huanshan was stunned at the moment.

“Take it! If you don’t take it, I’m really worried that you will come to me in the future. I don’t want to experience these annoying things in the future. It will affect my reputation in the future, do you understand?” Kraig said again.

Dalia’s face is interesting and lonely, since he laughed at himself: “Yes, it is. Okay, I’ll take it.”

A total of two cards, 11 million.

This is enough for her to live a lifetime with Dashan, her mother, and future children.

Suddenly, Dalia figured it through.

She looked up at Kraig: “Um...sorry Mr. Jun. Please forgive me for being suspicious. I am pregnant. The doctor said that pregnant women are more suspicious.”

Kraig didn’t speak, but nodded.

“I... I was crying and making noise in front of you just now, it was really disgraceful.”

“What I just said to you did not mean to complain to you. In fact, we...we are all grown-ups. Everything I did to you in the past seven years was my voluntary. I never asked for it. How are you treating me, really Mr. Jun, I just...I was wrong. I shouldn’t complain about you like that.”

The woman who was just picking up leftovers on the ground returned to the way she used to be beside him, gentle, decent, generous, and decent.

Although she is in ragged clothes at this moment.

Kraig's heart was filled with infinite emotion, maybe this is his mother.

She is pregnant with a child in her belly, and she will become strong involuntarily.

Even though it seems pitiful on the surface and living at the bottom, her vitality, desire to survive, and power to climb in the mud are getting stronger and stronger.

For example, she picks up leftovers on the ground, in fact, all in order to survive.

I don't know why, there is a smell of fishy sweetness in the throat.

Kraig's eye sockets also became moist.

It suddenly occurred to him that just over an hour ago, he was still on the phone saying that Arron's heart was getting softer now.

Arron said to him: "Kraig, Suzi is pregnant again. I am now the father of three children."

Yes, being a father makes even a cruel man like Arron soft-hearted.

Isn't he?

Chapter 1501

"It's okay." Kraig looked at Dalia peacefully and said.

"Actually..." Dalia's eyes flashed a lonely look: "Actually...you and that Miss Qiu, you are really right each other, since childhood, you have waited for her for ten years, you From the same family background, that Miss Qiu travels around the world and has a very broad knowledge."

“I think... I think that when Miss Qiu rushed to kill me at the time, it shouldn't be you who instigated it, was it?”

“I can understand Miss Qiu now, she...she hates me so much because she loves you, I know. I...will never hate her in the future.”

“I wish you...wish you grow old together.”

“Well...in the future, there will be a lot of children and grandchildren, I guess...you are so tall and handsome, Miss Qiu is so international, your children...must be very beautiful, right?”

“That...I don't see you anymore, I won't show up in front of you in the future, never.”

“I'm leaving...”

To be sure, Dalia took the leftovers in the bag and turned to look at Collin: “Brother Dashan, let's go. We can live a good life in the future, and we will have money...”

They talked and walked.

Crying and laughing.

That is exactly the scene of the aftermath.

Behind him, Kraig stood in the harsh wind and watched for a long time.

“Master...” Elden shouted.

Kraig responded hoarsely: “Huh?”

Elden: “Shall we... go back?”

However, Kraig asked his subordinates to answer the question: “Xiao Zhu, are your children cute?”

Elden: “.....”

“You said, can I see my woman and my child again in the future?”

“Master, shall we... chase Madam back?”

Kraig shook his head, what was his voice, and his voice became a little duller: “She’s not happy, haven’t you seen it?”

Elden: “.....”

“She is with that man, even if it is a beg, even if two people are lying on the ground together to pick up leftovers leftovers from other people’s food, but she is happy, she is full and feels safe.”

“From the moment I rescued her on the street, she has no sense of security, no sense of belonging. She has been with me for so many years, and she has always been thinking of me. I really just like what she said. I didn’t think about it for her.”

“She is right, she has no dignity with me.”

“Think about it, I... really always treat her as a pet... a pet that doesn’t care about her feelings.”

“Master... Madam is the best woman I have ever seen.” Elden said.

Kraig smirked.

He looked up at the sky and suddenly shouted: “I! Kraig will not marry any woman in this life! I love Dalia! I love Dalia!”

After a pause, he burst into tears.

The whole person smiled lightly, and said in an extremely self-deprecating tone: “Woman! You hollowed out my heart.”

“Dalia! You D*mn woman, you won, you hollowed out my heart, and then abandoned me, and you can still hold my life firmly.”

“I really don’t know, did I nurture you or you nurture me?”

“But in the end you won!”

As necessary, Kraig gave an order to the subordinates behind him: “Receive the team!”

“Yes, Lord!” The subordinate’s voice was loud.

At this time, Elma, who was still hiding in the hotel, hated herself for biting her lips and bleeding.

She has forgotten what her original intention was.

She only gritted her teeth and cursed every word: “D*mn woman, I won’t let you be happy!”
