

## The One and The Only Chapter 151 - 160

Soon, Xu Jingming prepared 30 million in cash and packed a full nine boxes.

Broken eyebrow took nine elite men and nine boxes of cash. They distributed at night, and went to the Wandering Cloud Restaurant on the top floor of the China Ocean Axis Building to meet Yash Nics and Dong Tianbao.

Sanyun Yunyun has recently been renovated and currently does not accept any guests.

Broken eyebrow led nine of his men into the restaurant.

At a table in the restaurant by the window, Yash Nics was eating a steak with his head down.

Dong Tianbao stood aside with his hands down respectfully.

On the floor of the dining room, a large group of guys lay dying on the ground, with Shi Qing

and a group of people guarding them next to them.

Broken eyebrows and his party, before they approached, they were stopped by Shi Qing.

Shi Qing held a detector, and only after the broken eyebrows and the group of people were

not carrying weapons, did they let them go over.

Broken eyebrows came to Yash Nics, squinted his eyes and said, "Yash Nics, I have brought the ransom you asked for."

Yash Nics smiled lightly: "Congratulations on making the right choice.

You can take that

with you now. To help the disabled leave, I forgive you not to die."

"However, I mean to leave

Mannity City." Tell Xu Jingming that he must not step into Mannity again. "

Browsed eyebrows and squinted: "What if our boss refuses?" "

Yash Nics said lightly: "This is your only chance to survive. If I give you a chance and you

don't leave, then you will stay here forever." "

Browed eyebrows flashed murderously: "Then I will kill you first, everyone do it!" "

As the broken eyebrows fell, the nine men behind him suddenly threw up the box in their hands. The

box was opened when it was thrown up, and there were no hundreds of yuan bills flying in

the air in an instant, like colorful fallen leaves.

Inside each box, there is a dagger hidden, and the dagger falls with the flying banknotes.

The nine subordinates moved quickly to grab the dagger in the air and rushed towards Yash

Nics.

Dong Tianbao roared: "Protect Young Master!"

Dong Tianbao stopped three opponents, but still six people pounced on Yash Nics, and six

sharp daggers cut down with Yash Nics.

Yash Nics, who was eating a steak, coldly snorted, "Presumptuous!" As he said, the knife in his hand made a sudden stroke.

Huh!

The knife turned into a stream of light and flashed, and the six severed hands holding the daggers fell all at once.

The six assassins who pounced on Yash Nics screamed and retreated at the same time.

Yash Nics had just abolished six opponents with one move, but Broken Eyebrow had already taken the opportunity to move.

I saw the broken eyebrow strode forward and punched Yash Nics.

At the moment when he exerted his force, the bones on his body made a frightening sound

like firecrackers crackling.

Yash Nics squinted his eyes and looked at the broken eyebrows that thundered at him in the crackling sound of joints.

He was surprised: "With a string of whip, after the body exerts its strength, the bones of the

whole body will make a burst of firecrackers. It is said that every time it sounds, the strength will increase by one point. With a punch, the stamina will continue... this The trick is really fancy!" As soon as Yash Nics's comment fell, she already raised her hand and met the fist with broken eyebrows.

boom!

With a loud noise, Yash Nics sat still.

Broken eyebrows snorted, and the bones of his right arm were broken into pieces. After kicking, he withdrew seven or eight steps, squatted down on the ground, his face full of pain.

Broken eyebrows looked at Yash Nics in shock, he had never encountered such a terrifying opponent Yash Nics.

Yash Nics looked at the broken eyebrows, his gaze fell on a flying eagle tattoo on the back of the broken eyebrow's right hand, and said indifferently: "Your origin allows you to be here with me today and get a chance to survive." The broken eyebrow opened his eyes wide, and he flew by himself. The king of the Eagle Special Forces, but was forced to retire due to a serious violation of discipline. After that, in order to make a living, he gave his life to Xu Jingming. Unexpectedly, Yash Nics could see his origin from the mark on the back of his hand.

He looked at Yash Nics in shock and realized that Yash Nics was probably the most powerful man in the army.

He looked at Yash Nics, and suddenly, in his memory, a heroic figure appeared in his mind.

The figure became clearer and clearer, and finally completely overlapped with Yash Nics in front of him.

His pupils suddenly enlarged, and he trembled: "You, you are..."

## The One and The Only Chapter 152

Yash Nics knew that the broken eyebrow should have recognized his identity, and he interrupted: "You know who I am, so you can do it for yourself. The tiger guard of the country, how can you be someone else's running dog? "The broken eyebrow was full of shame: "I know I was wrong, and I have parted ways with Xu Jingming from then on. Be an honest man and do things down to earth." Broken eyebrow struggled to leave, but when he was about to leave, he couldn't help being curious. Asked: "There is one thing I want to figure out. I just competed with Mr. Yash. How much strength did you use?" Yash Nics glanced at him and said faintly: "Yicheng!" Broken eyebrows again. Shocked, murmured something worthy of the God of War, and then left with convincing conviction.

...

At this time, the Bandung Clubhouse. Nan Batian Xu Jingming's face was pale, and all of the men around him were sincere and fearful.

A strong murderous intent burst into his eyes, and slowly said: "Broken eyebrows failed to kill Yash Nics, so he left without saying goodbye?" One of his men replied in a low voice: "Yes, Yash Nics is still talking. We are limited to three days. Leave Mannity. You must never step into Mannity for half a step, or you will be at your own risk."

Xu Jingming smiled angrily: "Crazy enough!"

"Then I will kill Yash Nics and Dong Tianbao within three days!"

...

Today is On the first day of summer vacation, Yash Nics and Song Pingting took Song Qingqing to the Children's Palace to play.

The summer vacation has just begun, and many interest training courses in the Children's

Palace are enrolling students.

In various places in the Children's Palace, people come and go, and parents are wandering around with their children.

Yash Nics asked her daughter with a smile, what hobbies do she have and what kind of talent do she want to learn?

Yash Nics and Song Pingting thought that their daughter would like to sing, dance, or play the piano like other little girls.

Unexpectedly, Song Qingqing said crisply: "Mom and Dad, I want to learn Go."

It turned out that Song Zhongbin used to take Song Qingqing to the park to play chess with the old man when he was free.

Under the influence of ears and eyes, Song Qingqing also became interested in playing chess.

Yash Nics said with a smile: "Playing chess can cultivate thinking. Since Qingqing is interested in Go, let's go to the Go training class."

Just when I came to the door of the Go training class, suddenly one was wearing

fashionable clothes. The woman wearing big sunglasses came over under the protection of eight bodyguards.

"Get out!"

"Get out of here!"

"Leave everything aside!"

Wherever the woman with sunglasses goes, her eight bodyguards will brutally push away the people in front of her.

Song Pingting, who was holding Song Qingqing, was caught off guard and was pushed by one of the security guards.

She hit the wall directly, her pretty face showing pain.

Yash Nics supported Song Pingting and asked with concern: "Is it okay?"  
Song Pingting shook her head: "It doesn't matter!"  
Yash Nics turned to look at the woman in sunglasses, about to get angry.  
However, he saw the bodyguard of the woman with sunglasses and  
pushed a lame man in  
camouflage to the ground.  
The bodyguard of the woman with sunglasses yelled: "Deadly lame,  
don't you have eyes? A  
good dog doesn't stand in the way, believe it or not to interrupt your  
other leg?"  
The man who was pushed to the ground was named Liu Hong. A veteran  
disabled soldier.  
When he entered the Children's Palace just now, he took out a military  
disability certificate  
and asked to buy a ticket at half price and was ridiculed by the  
conductor.  
Now he is queuing to enter the Go training class, and he is bullied again.

His face was full of humiliation, and his heart was indescribable.  
At this moment, a tall figure appeared in front of him, it was Yash Nics.  
The One and The Only Chapter 153  
Yash Nics stretched out his hand to pull Liu Hong up from the ground,  
and asked in a deep  
voice, "Comrade, are you okay?"  
Liu Hong looked at Yash Nics's firm and faithful eyes, and instantly  
realized that the man in  
front of him, Must also be a soldier!  
Some of his gratitude and said: "Thank you care about, I'm fine."  
Ning also look lame effort to stand up straight spine because of this  
ex-soldier, a little sour,  
solemnly said: "Comrade, you wronged."  
Ning It is a soldier, and even a little commander in the North, naturally  
has a unique feeling  
for these veterans and disabled soldiers.  
But the group of women with sunglasses behind him was unhappy to see  
him blocking the  
way with the cripple.  
The woman with sunglasses looked unhappy, and among the  
bodyguards beside her, a guy

with a shaved head came over.

He put a hand heavily on Yash Nics's shoulder, and said viciously: "Boy, you and this lame

man are blocking the way of our Miss Zhong!"

Yash Nics's eyes flashed coldly, which was just like a textbook trick. Fell over the shoulder.

Bang!

The flat-headed bodyguard weighing more than 170 kilograms was unexpectedly thrown to

the ground by Yash Nics, curled up into a ball in pain.

The woman in sunglasses is a small well-known female star named Zhong Jinyan.

When she saw her bodyguard being beaten, she was shocked and angry:

"I dared to do it all together and killed him." In

an instant, the other bodyguards all rushed towards Yash Nics.

Yash Nics raised his hand with a palm and slammed it on the face of the guy in front of the charge.

This slap is like a bolt of thunder, even if you are as strong as a towering tree, you can't resist it.

Yash Nics slapped a bodyguard directly.

The bodyguard spouted a mouthful of blood, flew out at an angle, hit the wall heavily, and then slid along the wall to the ground.

Everyone at the scene opened their eyes wide.

What kind of terrifying force is this that can slap people away?

Yash Nics walked through the flock like a tiger, making moves as fast as lightning and fierce as thunder.

And the shot was extremely ruthless, specifically greeted the weak parts of the opponent,

and the opponent screamed and fell one by one.

In the blink of an eye, Zhong Jinyan's bodyguards all lay down.

Zhong Jinyan looked at Yash Nics in horror, and screamed: "You, you, what do you want to do?"

“I warn you, I am a contracted artist of China Overseas Television. You follow me with a hair, and I will report you to you. The court will make you lose your fortune at that time.”

“Also, my boyfriend is Park Sehun, the eldest of the Korean Go family. If you dare to move me, he can’t spare you.”

Pop!

Yash Nics raised her hand and gave her a resounding slap, and said coldly: “Noisy!

Zhong Jinyan was slapped by Yash Nics, so that her sunglasses flew away. The

well-made hairstyle on her head also became The messy chicken coop.

The people around were stunned, but subconsciously couldn’t help but cheer: Good fight!

Zhong Jinyan clutched her cheek, looking at Yash Nics incredulously: “Do you dare to hit me? ”

Yash Nics said coldly: “It’s light to beat you. A bullshit is not an actor, and he dares to

humiliate retired disabled soldiers!” ”

He is lame, but his leg is lame to protect you!” ”

Without them walking forward with heavy burdens on the frontier, defending them with

blood and life, how can your current singing and dancing rise to peace?” ”

Huaxia Tiger, how can you allow you pheasant to be humiliated?” roll! ”

Yash Nics’s words are Zhuji, and they are ringing in the ring.

With the last word rolling, these three-line little stars, like pheasants under thunder, flee in panic.

Everyone at the scene couldn’t help but cheer for Yash Nics’s remarks: “Well said!”

Yash Nics turned to look at Liu Hong, raised his hand, saluted a military salute, and said in a

deep voice: “Comrade, you You

’ve worked hard!” Song Qingqing and the other children on the scene raised their hands one

by one and gave the Young Pioneers' salute. They said, "Uncle, you've worked hard."

Song Pingting and the other citizens on the scene were deeply moved. They saluted and said in unison: "Comrade soldier, you have worked hard." The retired disabled soldier, his eyes were full of excitement and tears filled his eyes.

He straightened his waist, raised his hand to Yash Nics and others in return, choked up and said: "Thank you, thank you all!"

The One and The Only Chapter 154

After a few twists and turns, Yash Nics and Song Pingting took their daughters into the Go training class.

Today, the Go training facility in Children's Palace is particularly lively. It turned out that there was a Korean Go genius named Park Sehun, who was said to be sweeping across China's cities, proving that Korean players are the most powerful ones.

At this time, under the crowd of thousands of spectators, a Korean man cleanly defeated

Zhu Lifeng, the number one Go player in Mannity City.

Zhu Lifeng has been immersed in Go for several decades. When he was young, he was a professional Go player and won the third place in the world.

He heard that there is a foreign arrogant chess player named Park Shixun who claims to

sweep the Chinese chess world and defeat all the Chinese Go masters city by city.

Known as the number one master of the Chinese game of Go, he did his part in the

Children's Palace and accepted the challenge of Park Se-hoon.

What Zhu Lifeng didn't think about was that although Park Shixun was young, his chess skills were unpredictable.

Zhu Lifeng was suppressed by Park Shixun from the beginning, struggled for a long time, and finally was unable to recover and was defeated by Park Shixun.

Stage, Pushi Xun won the game, haha laughed:. “You are the first players on the sea also

beat me, I have three consecutive sweep of the Chinese city invincible hand”

“Haha, you really regrettable that China boast so many years, It’s ridiculous to say that Go was invented by you!”

Park Shixun’s words immediately aroused public outrage.

Everyone was angry and filled with righteous indignation.

“What is bragging, Go was originally invented by our Huaxia.”

“Damn, shouldn’t this guy want to say that Go was invented by them, so shameless?”

“Get out of China!”

Thousands of spectators on the scene were all angry. Scolded.

Hong Wenjie, the curator of the Children’s Palace, immediately

persuaded: “Mr. Park Shixun, please be careful. Your game with Mr. Zhu is over. Let’s talk to another place.”

Park Shixun shook his head and said, “No, I’m here this time. Huaxia has two purposes. One

is to sweep your Huaxia chess world, and the other is to promote that Go is invented by our country.”

“You can also let me get off the stage. You personally admit that Go is our country.”

Invented!”

Hong Wenjie was also very angry, but he couldn’t attack because of his identity.

Thousands of spectators on the scene, the scolding became more intense, and some even

wanted to break through the defense line of Park Shixun’s bodyguards and went up to beat

Park Shixun.

Park Shixun looked at the angry people, and said proudly: “I am incompetent and furious. If

you invented Go, why would you not be able to play me?”

“If anyone has the ability, come on stage and play against me!”

“But if you lose. the case, to admit publicly that Go is our big RADIOLOGICAL of! ” ”

Who dares to come? ”

Pushi Xun seem arrogant, but actually sinister.

If someone at the scene is irritated by him, comes on stage to play a game with him, and

finally loses to him, then he must fulfill the betting agreement and admit that Go was

invented by Daehan.

At that time, I am afraid that news newspapers all over the world will rush to report.

At that time, Daehan would be even more crazy clamoring that they invented Go.

“Jumping beam clown, I’ll follow you in the next game!”

A loud and powerful voice sounded in the crowd.

Everyone at the scene couldn’t help but look in the direction of the sound.

I saw a man with a tall stature and a star-like eye.

Who is it if it isn’t Yash Nics?

The One and The Only Chapter 155

Seeing that Yash Nics was in the early stages, everyone looked at Yash Nics in surprise.

Suspiciously, he said, “Boy, you want to play with this stick, can you do it?”

Indeed, even Mannity City’s No. 1 Go master Zhu Lifeng lost to Park Shixun.

Everyone is inevitably worried about Yash Nics’s lack of strength.

It was a trivial matter for Yash Nics to lose, but it was a big deal to be forced to say that Go

was invented by Daehan and caused a bad influence.

Even Song Pingting looked at Yash Nics in surprise, and asked in a low voice: “Yash Nics, you can play Go?”

Yash Nics smiled slightly: “Understand a little, but you have to win the clown, and you have to do it.”

Song Pingting returned. What the audience didn't know was that Yash Nics had learned Go from an early age and was talented.

In the Northern Army, Yash Nics often played against some of the top professional players and the folk Go masters.

Moreover, there has never been a defeat.

Known as the national player delayed by the military.

When Park Shixun saw that someone had hit his aggressive strategy, he wanted to play against him.

A successful smile appeared at the corner of his mouth.

At this time, his girlfriend Zhong Jinyan appeared next to him and whispered in his ear: "Oba,

it's this bastard. He just injured my bodyguard at the door and slapped me!"

Park Shixun Squinting his eyes: "Let me avenge you."

Yash Nics walked onto the stage unhurriedly, and Park Shixun said with a smile but not a

smile: "You want to play against me?"

Yash Nics said indifferently : "Yes!"

Park Shixun: "I am. If it's not pleasing to the eye, we can play the game.

Those who lose not

only have to admit that Go was invented by the other country, but also get out of here. Do you dare?"

Yash Nics brushed his sleeves: "Come to fight!"

Soon, the chessboard was re-arranged at the scene, and Yash Nics and Park Shixun sat down.

Park Shixun asked Yash Nics, "Are you black or white?"

Everyone looked at Yash Nics. Anyone who knows Go knows that there is an advantage to having blacks first.

Two people with equal chess skills often win with black.

But Yash Nics seemed to disdain to take advantage, and said faintly: "I am the master, you are a foreigner, let you go first."

Park Shixun was a little surprised. He didn't expect Yash Nics to take advantage of it. .  
He was also not polite, and picked up a sunspot as his part.  
Snap, play on the chessboard.  
Yash Nicsyun calmly picked up a white child and placed it casually.  
Both Park Shixun and Yash Nics played chess very fast. Basically, you just played, and I immediately followed.  
After a while, the two had already made dozens of moves.  
However, Park Shixun is getting more and more frightened.  
In front of Yash Nics, he didn't get the slightest bargain, on the contrary, he got more and more dangerous.  
If he can't change the situation as soon as possible, he will soon be defeated!  
Song Pingting doesn't know how to play chess, but she knows what she says.

When she saw Yash Nics calmly and calmly, she came to her easily.  
But Park Shixun was sweaty, burnt and embarrassed.  
Song Pingting knew that Yash Nics must have the upper hand.  
Sweaty Park Shixun suddenly asked for a timeout: "Fengqi, I'll go to the bathroom first."  
Yash Nics glanced at Park Shixun and said faintly: "Okay!"  
Park Shixun hurried away with a few of his men. After ten minutes, go and come back again.  
Park Shixun returned with a pair of black-rimmed glasses on the bridge of his nose, his expression disappeared, and he became confident again.  
Yash Nics was a little surprised. He went to the toilet and found his confidence back?  
He took a closer look and found a clue.  
I saw a small pinhole on Park Shixun's glasses.  
The One and The Only Chapter 156  
If Yash Nics did not guess wrong, this pair of glasses has a miniature camera.  
Yash Nics rose slightly, thinking: It turned out to be using high-tech means to find a helper to follow me, no wonder he was full of confidence.

Yash Nics guessed right. Park Shixun's glasses have a miniature camera and a mung bean-sized wireless earphone is stuffed into his ear. At this time, in Seoul, Korea, thousands of miles away. The Korean chess god Cao Bong Hyuk is using high-tech equipment to direct his apprentice Park Sehun to play chess.

Cho Bong Hyuk is the chess god of Korea. After he became famous, he won consecutive victories and won the world Go champion in one fell swoop, and then announced that he would withdraw from the regular game forever. Cao Bong Hyuk has won the highest honor of Go, but he feels that such a good Go game should have been invented by Daehan, not by China. So he tried his best to advertise that Go was invented by Daehan. This time Park Se-hoon came to sweep the Chinese chess arena, and it was also arranged by Cao Bong-hyuk. Yash Nics and Park Sehun continued to play. Every time Park Shixun makes a move, his master Cao Bong Hyuk is in charge behind him. He swept away his decay and fought back frantically. I thought Yash Nics would soon be defeated under the offensive of his master. But unexpectedly, Yash Nics was still calm and calm. Despite your ever-changing changes, I am still at home. This time, not only Pu Shixun became more surprised as he went down. Even Cao Fenghe, who is in charge of giving advice behind him, is getting more and more frightened. This Yash Nics's chess skill turned out to be like a lofty mountain. They are like monkeys in the palm of the Buddha. Snapped! Yash Nics put down a white piece on the chessboard and said coldly: "The victory has been divided, you have lost!"

Lost!

Park Shixun's face was pale, and he looked at the chessboard in disbelief.

He was commanded by the Korean chess god behind the scenes, but he still lost!

Yash Nics had guessed from the playing style of Park Shixun in the second half of the game

that the person behind Park Shixun was Cao Bong Hyuk.

He looked at Park Sehun with a sneer and said, "By the way, give me a greeting to Cao Bong

Hyuk and ask him if he remembers the game on Jeju Island."

Thousands of miles away, Cao Bong Hyuk heard Yash Nics through the miniature

microphone on Park Sehun. These words were like being struck by lightning in an instant,

and the whole person was stupid.

It turned out that three years ago, Cao Bong Hyuk met a Chinese man in Jeju Island and

played a game with the Chinese man.

As a result, the middle game was killed by a Chinese man!

Cao Fenghe was frightened and stupid at the time. He thought that if this matter spread, his

reputation as a god of chess would fall to the bottom.

But what he didn't expect was that the Chinese man won him without publicity everywhere,

and his reputation as a chess god was preserved.

I thought that this matter would just pass, and no one would know about it again.

But Cao Fenghe didn't expect that he would be mentioned again today.

At the same time he was horrified, and finally realized that he had met the Chinese Go

master who easily killed him back then.

He used the microphone to tell Park Shixun with difficulty: "This player Go is unparalleled in

the world. With him, you don't want to sweep the Chinese chess world, come back."

Park Shixun stood up desperately and said with a pale face: "I... lost! "

The audience at the scene saw that Park Shixun, who had just been invincible just now, was defeated by Yash Nics, and he gave up in public, and everyone cheered. Song Pingting hugged her daughter and said with a smile, "Dad won!" Liu Hong, a disabled veteran soldier not far away, also said to Song Qingqing: "Your father is awesome!"

Song Qingqing looked at Yash Nics on the stage with a small cheek, and proudly said, "Of course, my father is the best."

After Park Shixun gave up, he wanted to take his star girlfriend and his bodyguard to leave.

But Yash Nics coldly shouted to him: "Wait, what do you seem to have forgotten?"

The One and The Only Chapter 157

Park Shixun has nothing to do, so he can only reluctantly pick up the microphone and

suffocate one sentence: "I admit that Go was invented by your Huaxia."

After speaking, he was ready to leave angrily.

But Yash Nics shouted to him again: "There is one more thing you seem to have forgotten."

Thousands of spectators at the scene all echoed: "Yes, those who say that you lose, get out

of here. You can't go out, get out. !"

Pu Shixun became angry and scolded at Yash Nics: "Don't be too much, believe it or not, I

will ask the embassy to complain to you?"

At this time, Yash Nics noticed that Dong Tianbao had come down with a group of hands.

Yash Nics faintly ordered: "Tianbao, since this guy is willing to gamble not to lose, then you

can help him and teach him how to roll!"

Dong Tianbao smiled and said: "Yes, master!"

Dong Tianbao waved his hand. The men next to him immediately moved toward Park Sehun aggressively.

Park Shixun quickly screamed and was knocked down, and was kicked off the stage... The

beaming clown Park Shixun, and his eighteenth-line star girlfriend, were kicked out of the

Children's Palace amidst the ridicule of everyone.

Hong Wenjie, the curator of Children's Palace, and Zhu Lifeng, the No. 1 Go player in China

Overseas, all came to Yash Nics and praised Yash Nics's chess skills and conduct, saying

that Yash Nics defended the dignity of China and taught Piao Shixun, the clown!

Song Pingting hugged her daughter and looked at Yash Nics, who was highly praised by

everyone, with pride in her heart.

On weekdays, people look down on her husband, or say that his husband is a jobless man,

or that her husband is a soft-food.

Now, when she sees Yash Nics, who is surrounded by all the stars, she can't wait to say to

those relatives and friends who laughed at Yash Nics before: Look, my husband is so

amazing!

Daughter Song Qingqing has a small face full of excitement and excitement. She looked at

Yash Nics with admiration, and almost wrote on her forehead: My father is the best!

Zhu Lifeng, wearing a tunic suit, smiled and said to Yash Nics: "Mr. Yash is unparalleled in

chess and killed the Korean clown in embarrassment. It's really admirable."

Yash Nics smiled and said, "I was indignant for a while and played against him. Fortunately,

we did not lose face to our country."

Zhu Lifeng smiled: "Mr. Yash, you are humble, I just saw it clearly."

"You play chess like a mountain, like a general leading a million army, pushing everything,

whatever. To resist in front of you is a praying mantis blocking the cart."

"This chess skill can be called the realm of a master. This can be said to be a fluke, Mr.

Yash, you are humble."

Yash Nics smiled lightly: "I do have a mediocre chess skill. The Children's Palace just

wanted to find a teacher for her to teach her to play chess."

Zhu Lifeng looked at Yash Nics with a weird expression, wondering if everyone is so

low-key now?

The appearance of Koo Tianle is mediocre, and the chess skill is mediocre Mr. Yash?

However, Zhu Lifeng knew that the chess skills that Yash Nics had just shown were of the

highest level in the world.

Zhu Lifeng's level is already a rare opponent. If there is no good chess player to learn from

each other, it will be difficult for him to make progress.

So he wanted to make friends with Yash Nics. He heard that Yash Nics was going to find a

Go teacher for his daughter. He immediately took the opportunity to speak: "Haha, Mr. Yash

is very good at chess, but Mr. Yash must be busy at work and he has no time to teach his

daughter to play chess. "

I am old and not talented, I would like to accept Ling Qianjin as a disciple and teach her to

play chess. I wonder if Mr. Yash will allow it?" Yash Nics readily agreed: "Okay!"

Zhu Lifeng accepted Song Qingqing as a disciple in public. The name is Fang Cun Jian.

From now on, Song Qingqing can come to his chess house to learn chess every holiday.

...

Zhu Lifeng is a famous teacher, he accepts his disciples, and the apprenticeship feast is

naturally indispensable.

Yash Nics, Song Pingting, Song Qingqing, Dong Tianbao, Zhu Lifeng, Hong Wenjie and

others went to a nearby restaurant called Zhiweiju for dinner.

A group of people opened a large private room, and Zhu Lifeng personally ordered a table of

hearty meals and ordered the hotel manager to bring two bottles of 30-year-old Maotai.

Zhu Lifeng Father good mood, happy for them, saying: “! This is not a coach feast, which is the more experienced feast my turn today, who are not allowed to grab me, or I fell out,”

People see Zhu Lifeng Father said this time, With a serious expression, you know that he is here for real.

Yash Nics smiled slightly. He knew that the food and drinks ordered by Zhu Lifeng were not cheap.

Zhu Lifeng was afraid of imposing a financial burden on Yash Nics’s family, so he explained that he would pay for the bill at the beginning, lest everyone think he is taking advantage.

This small detail greatly increased Yash Nics’s affection for Zhu Lifeng. Soon, the food was served, and two bottles of 30-year-old Moutai were also opened.

“I wish Mr. Zhu happy to accept his lovers, toast everyone!”

“Cheers!”

Everyone stood up and raised their wine glasses to toast. Even Song Pingting also picked up

the small wine glasses and drank a small glass of wine with them.

However, Yash Nics frowned while holding the wine glass.

After Zhu Lifeng and the others toasted, they were stunned to see Yash Nics’s appearance.

Zhu Lifeng asked in confusion: “Mr. Yash, what’s the matter?”

Yash Nics shook his head slightly, and said faintly: “It’s nothing, but there seems to be a

problem with the wine in this restaurant.”

The One and The Only Chapter 158

Fake wine?

Everyone was surprised when they heard Yash Nics’s words.

Zhu Lifeng was surprised to pour a glass of wine again and tasted carefully.

Although he is not considered a master drinker, if you carefully identify the real Maotai and

the fake Maotai, he can still be slightly divided.  
Soon, his face changed and became ugly.  
He calmly looked at the waiter next to the hotel, and said coldly: "Let your manager or boss come to see me and I will entertain the distinguished guests. You dare to sell me fake wine to embarrass me. This matter does not give me a satisfactory result. Explain, I want your restaurant to close." The waiter was so frightened that he went out and called for someone. Soon, there was a young man with a gloomy face and a group of men came in. There are gangsters holding iron pipes, security guards holding swing sticks, and cooks holding kitchen knives. As soon as the shady man came in, he asked coldly: "Who is the one who ate the bear heart and leopard guts, slandering our restaurant for selling fake wine, believe it or not I interrupted your dog legs?" Hong Wenjie, curator of the Children's Palace, saw this shady man. , Exclaimed: "Ah, it's the son of He Wenfeng, the director of industry and commerce, He Xuan!" He Xuan sneered after hearing this, " Heh , it seems that someone has eyes and recognizes who I am." Hong Wenjie greeted me. Going up, he said while passing a cigarette : "It's really flooded into the Dragon King Temple, and the family can't recognize the family." He Xuan raised his hand and swept away the cigarette that Hong Wenjie handed over, and said coldly: "Fuck me with me. This set, who is with your grandchildren's family?"

"Who just said that I sell fake wine here, stand up!"  
Zhu Lifeng stood up and said in a deep voice, "It's the old man I said, you This is fake wine, I don't believe you are the son of He Ju, you can be lawless!"

He Xuan said with a sneer: "Hehe, I don't own this Zhiweiju Hotel."  
"There are many other shareholders, such as Wang Qiang, the son of Captain Wang of Criminal Investigation Brigade, and Li Ziming, son of Traffic Control Lisuo, etc. Zhou Zhou, the prince of the City Lord, also has shares."

"Dare you say we sell fake wine?"

Zhu Lifeng's expression changed drastically. Unexpectedly, this Zhiweiju restaurant was

opened by a group of government officials.

No wonder the fake wine is sold here, but there are still customers.

If it's just a situation, Zhu Lifeng might not be afraid of He Xuan, but it turns out that the

taste is a group of government officials, and there are many big figures in Mannity involved,

so Zhu Lifeng really dare not make a fuss here.

Otherwise, he won't be able to finish eating!

He squeezed out a far-fetched smile with difficulty, laughed, and compromised with He

Xuan, bowing his head and said, "You are not selling fake wine. I should have made a

mistake. It's okay."

He Xuan saw Zhu Lifeng admit it, he said. The sneer became stronger,

hehe said: "You're all

right, I have something. You fucking said that I sell fake wine here, and you want my

restaurant to close?"

Zhu Lifeng's face was embarrassed and he didn't dare to speak.

He Xuan picked up two bottles of fake wine on the table, banged them in front of Zhu Lifeng,

squinted, and said arrogantly: "If you have a mistake, you must admit it.

If you are beaten,

you must stand firm. If you drink these two bottles of wine, I will take it

Nothing happened."

Zhu Lifeng was so old that He Xuan was so angry that he could not speak, but he dared not speak.

Hong Wenjie also pleaded: "He Shao, Mr. Zhu is too old, how can he drink two bottles of

wine? You adults don't remember the villain, let him go!"

He Xuan scolded: "Go away, here. Do you have the right to talk?"

"He's drunk the two bottles of wine, and I don't have the face to give you the king, otherwise

you don't even want to go out of this door."

The One and The Only Chapter 159

Many people in the box changed their faces and were panicked.

But an indifferent voice sounded: "Hehe, I don't know what is called."

Everyone looked in the direction of the voice and found that it was Yash Nics who was

speaking with a calm face.

He Xuan was furious and stared at Yash Nics: "What did you say?"

Yash Nics smiled slightly: "I have seen many fake wine sellers, but this is the first time I have

seen someone as arrogant as you."

"Since you said Heavenly King Lao Tzu has no face to give, so I will call you all the

second-generation Lao Tzu of your gang today to see how you are doing."

He Xuan and his men couldn't help but gasp when they heard this.

Not because they were scared, but because they felt that this kid was bragging too hard,

right?

He Xuan laughed wildly: "I am a group of shareholders, but there are directors, directors,

captains, and even the city lord. You said you want to call them all? Haha, then you call it.

Haha, what is it? You dare to blow the bull!"

Zhu Lifeng, Hong Wenjie and others also looked at Yash Nics with a wry smile, thinking that

even if Yash Nics wanted to scare He Xuan, he couldn't be so ostentatious. Who do you

think you are, and call all the Laozi in the gang?

Yash Nics smiled slightly, picked up his mobile phone and made a call:

"Dian Chu, within ten

minutes, I want to know that all shareholders of Weiju, and all the shareholders' Laozi are in front of me!"

He Xuan and they saw Yash Nics call and say , Let all the shareholders of Zhiweiju Hotel, as well as the bosses of all shareholders, appear within ten minutes. They couldn't help laughing again!

Even Zhu Lifeng, Hong Wenjie and others thought Yash Nics was too ostentatious.

A phone call made the city lord and other leaders all appear within ten minutes. Isn't that nonsense!

He Xuan and his men couldn't laugh from ear to ear : "Haha, this guy is really bragging and not blushing, who does he think he is?"

Song Pingting 's pretty face was also full of worry, she heard everyone say This restaurant was opened by a group of officials, and it was impossible for Yash Nics to call all these officials and a group of Mannity leaders.

These are the leaders, even the city elders of Mannity.

It's not like those punks that Yash Nics usually teaches!

Holding her daughter, she pulled Yash Nics's sleeve, and said in a low voice, "Yash Nics, they are bullying customers here. We can eat at a different restaurant. Let's go."

He Xuan saw Song Pingting When he said he was going to leave, he immediately sank his face and said coldly: "You dare not leave until we know that we are making trouble, and this matter is not resolved."

He looked up and down at Song Pingting. , Eyes brightened involuntarily, and thought: This girl is so beautiful!

Song Pingting today wore a long bohemian dress, shawl and hair, and a pair of exquisite rhinestone high heels on her feet. She looked slim and beautiful.

He smiled ambiguously, and said to Song Pingting frivolously: "You think I can spare you

once. You can drink a leather cup with me. If it is an apology, I will forgive you, hahaha."

Pi Cup, It is a woman mouth-to-mouth feeding a man to drink.

Song Pingting said with frost on her face, annoyed: "Shameless!"

Yash Nics's eyes also flashed a cold light: "You are looking for death!"

"It is you who is looking for death!" He Xuan said, lifting his wrist. His Rolex watch checked

the time, then squinted and said with a sneer: "Nine minutes have passed, and it will be ten

minutes as you said, how about people?" As

soon as his words fell, there was a rush of footsteps outside. sound.

At the same time, a voice sounded: "Keep out of the way. Why are they all enclosed in the

corridor? Where is Mr. Yash?"

The people at the door of the box were so scared that they gave way, and then they saw a

middle-aged man in a gray jacket coming in with a group of entourage.

He Xuan and the people in the box saw the middle-aged man wearing a gray jacket, their

eyes widened in shock, and they wanted to stare out their eyes.

Because this elegant and majestic middle-aged man is no one else, but Zhou Ruoshu,

Mannity Shizun.

The One and The Only Chapter 160

Zhou Ruoshu was followed by several leaders with uncomplicated identities, including the

king team of the criminal investigation brigade, and the traffic control team Li Suo. Among

them, He Xuan's father He Wenbin was also among them.

He Xuan used to accompany his father to visit Zhou Ruoshu, so he knows Zhou Ruoshu.

At this time, seeing Zhou Ruoshu's group of leaders really appeared, he was like a bolt from

the blue, and his whole person was stupid. He said, "Zhou, Uncle Zhou, why are you here?"

Zhou Ruoshu didn't even look at He Xuan. , Walked straight past He Xuan, quickly came to Yash Nics, apologized in panic: "Mr. Yash, I know everything here, and you are wronged."

God!

Zhou Ruoshu, the respected city, was so respectful to Yash Nics! Many people at the scene found it incredible. Not only Zhu Lifeng, Hong Wenjie and others were dumbfounded, even Song Pingting looked at Yash Nics in disbelief. Yash Nics didn't seem to give Zhou Ruoshu face at all, and said indifferently: "Since you know something, then we will see how you handle this matter and how to make the citizens fair!"

Zhou Ruoshu nodded and said, "Yes, yes. I'll deal with it."

He Xuan and the others were completely dumbfounded. He looked at his father with

difficulty and asked bitterly, "Dad, what's going on?"

He Wenbin raised his hand and slapped his son in the face, angrily He cursed: "You little

beast who specializes in making troubles, you said that you can run a restaurant in partnership, and we allow it."

"But you are not good at doing business, so you dare to sell fake wine, and you sold it to Mr. Yash."

He Wenbin said more and more. Getting more angry, he picked up a wooden chair next to

him, smashed it down at his son, and cursed, "I'll kill you this scourge beast!"

He Xuan was beaten to squat down with his head, shouting pain again and again. beg for mercy.

He Wenbin didn't stop. Not only did he beat his son with a chair, he kept cursing, "I killed you little beast, and it's better than you being beaten to death by causing trouble outside." He Wenbin cursed fiercely. The chair was lifted high and lightly.

It seems that the beating and scolding are very strong, but He Xuan has not suffered much.

Zhou

Ruoshu frowned slightly and said in a deep voice : “Old Ho!” He Wenbin stopped, put his chair down, and said while panting, ” My Lord Mayor, don’t persuade me, this kid has caused

a terrible disaster today. I must kill him. Give Mr. Yash an explanation.”

Yash Nics originally watched He Wenbin acting with cold eyes, but when he heard He

Wenbin’s words, he couldn’t help laughing.

In the box, everyone’s eyes were focused on Yash Nics. Everyone

laughed when they didn’t

understand why Yash Nics?

Yash Nics looked at the puzzled gazes of He Wenbin and the others, and the corners of his

mouth rose slightly: “Heh, the beating is not done like this!”

What? !

Everyone looked at Yash Nics in shock.

I saw Yash Nics strolling over, picked up the chair next to He Wenbin, and smiled and said,

“Actually, if you hit someone, one click is enough!”

Yash Nics finished speaking, raised the chair and moved towards He Xuan’s left foot. Knock

down.

boom!

The wooden chair shattered, and He Xuan’s left foot was directly broken.  
”

Ah— ” He Xuan’s screaming cry like a pig slaughtered, resounding through the entire box.

It was much louder than when he was beaten by He Wenbin just now.

Yash Nics looked at He Xuan who was wailing on the ground, clapped his hands and said,

“This is a lesson for you to tease my wife just now. As for your restaurant buying drinks and

insulting customers, leave it to Lord Mayor to solve it.”

Zhou Ruoshu quickly took the opportunity to say: “Zhiweiiju Hotel sells fake wine and

violates regulations and immediately closes the door for rectification indefinitely.” The closing of the door for rectification indefinitely is basically a good time for closing.

Everyone was surprised and felt that Mr. Shizun’s punishment was still quite severe.

After Zhou Ruoshu finished speaking, he felt that it was not enough, and added: “Secondly, I

found that the parents of the shareholders of Zhiweiju are all department leaders in the city, including myself.”

“This kind of thing happened and caused bad things. Therefore, I asked all the sons of the

leaders to withdraw and not to participate in the operation of this restaurant. And in the

weekly team meetings, to conduct a thorough review!” After

Zhou Ruoshu finished talking, he looked forward to a group of subordinates. He turned to

Yash Nics and asked: “Mr. Yash, are you satisfied with this kind of treatment?”

Yash Nics nodded: “Just do it!”

After finishing speaking, Yash Nics, his wife and daughter, and Zhu Lifeng and others, go

ahead. go away.

Coming out of the hotel entrance, Song Pingting finally couldn’t bear to ask: “Yash Nics, how

did you do it?”

“Why can you call the city lord and them all with one phone call, they are actually very kind

to you,” Seriously deal with the matter on the spot.”

Zhu Lifeng, Hong Wenjie and others looked at Yash Nics curiously.
