

Chapter 1531

In the top ward of Gu's Hospital.

Yanzheng, the second child of the Gu family, and Yangang, the third, received the first stage of treatment after taking CT of the affected area.

CT showed that Yanzheng's wrist was broken and Yangang's bladder was damaged. Although neither of it is life-threatening, they need to be treated for a while.

And these are all thanks to Charlie.

This Gu's hospital is a private high-level hospital invested and run by the Gu family.

Although the overall strength is not comparable to a top-tier tertiary hospital such as Union Medical College Hospital, it is definitely a leader among private hospitals.

The top families of Eastcliff actually each have their own private hospitals.

Although these hospitals are external in name, in most cases, they do not receive patients from outside at all.

Basically, they are exclusively for internal family use.

Now, except for the two brothers Yanzheng and Yangang, all the other people who were driven away from Philip's house by Charlie have also come here, discussing countermeasures with black faces.

What happened today was a huge accident that they never dreamed of.

They didn't expect that there would be a strange man in the house of Philip;

Second, they didn't expect the strength of this strange man to be terribly strong.

A God of War and a realm master that Yanzheng has hired heavily, have been diagnosed with severe symptoms of muscle weakness by the hospital.

This disease is very mysterious, and the medical community has not figured out what this ghost disease is.

Once sick, the muscles of the whole body will gradually lose their strength, and the skeletal muscles are very easy to fatigue, that is, the body is weak and tired.

If the condition continues to worsen, a young male laborer may not even be able to hold a bottle of water.

In more serious cases, you can't even control your eyelids.

The doctor in the hospital conducted a very systematic examination on the God of War and the realm master, and found that there was a big obstacle in the neuromuscular transmission of the two, which was a typical symptom of muscle weakness.

In fact, this was mainly because Charlie used Reiki to seal the meridians of the two of them, but the doctor could not explore the existence of Reiki, and could only determine that they had muscle weakness from the clinical manifestations.

This makes Gu's second and third sons unable to understand.

what happened?

Obviously he is a master of masters. When he arrived at Gu's house, he was lifted up by the kid like a chicken, and then he became weak?

This is too d*mn mysterious, right?

Is that kid a hidden master?

Chapter 1532

But Master of the hidden world pretends to obey the Basic Law as well. Why do they cause muscle weakness by pinching their necks?

It's like touching other people's faces and turning them into impotence. It's unreasonable!

The two families are very sad and want to find a chance to teach the kid from the eldest brother's family, but they don't know what is his last name, let alone where he comes from.

In fact, the most important thing is that the God of War and the realm master did not have a trick under the hands of others. Who else could they find to help kill them?

Yanzheng was even more depressed. Not only did he lose a God of War and a realm master, he was also broken by Charlie, which can be said to be a heavy loss.

When has he been so wronged?

At this moment, he even wanted to kill Charlie's family.

It's a pity that he couldn't think of how to avenge the blood and hatred at this moment.

Yangang was clutching his aching bladder. Seeing that his second brother was frantically licking his teeth, he hurriedly offered a plan: "Second brother, I say this, in fact, you don't need to retaliate in a hurry. Let's take the shares in the hands of the older brother first!"

"Yes, dad!" Yangang's son Weiliang also said, "My third uncle is right. We should get the shares and family property now. This is the top priority!"

Yanzheng said coldly: "That's right, I think your uncle will not be alive within a few days, at most two or three months. Let's get the money first, and then find that kid to settle the account!"

Yangang hurriedly asked, "Second brother, what good idea do you have for the board of directors tomorrow?"

Yanzheng sneered: "I have already told several other shareholders that half of them are willing to cooperate with us to seize power. Although the remaining half are still thinking about the good of elder brother, it is not to be afraid, because we are now united. The share of rising has exceeded 51%!"

Yangang asked: "Then we will force the eldest brother to hand over the position of chairman tomorrow?"

"Yes." Yanzheng gritted his teeth and said: "At that time, I will come directly to the board of directors to force the palace. With the equity of the two of us and those who support us, we will directly vote to abolish his chairmanship and recommend me to do it. The new chairman! This will be able to reasonably and legally take over the Gu Group!"

As he said, Yanzheng couldn't help but smile and said, "When I get the chairman's seat, I will begin to transfer the assets of the Gu Group."

Yangang smiled and echoed: "After the assets are transferred to other company shells, the big brother's shares will be empty and have no value at all."

Weiliang hurriedly asked: "Dad, what about uncle's personal assets? He has so many deposits, mansions, luxury cars, private islands, private jets, private yachts, and a large number of antiques. It is said that he has collected celebrity calligraphy and paintings over the years. That adds up to billions?"

"Billions?" Yanzheng curled his lips: "You too underestimate your uncle! The calligraphy and paintings in the hands of President Wanda are almost over 10 billion. The calligraphy and paintings in your uncle's hands are less than two or three hundred. Hundreds of millions! These are all held in the bank vault."

Weiliang's eyes flashed greedily, and he said excitedly: "Dad! We must get this batch of calligraphy and paintings! Real estate can't rise now, and future income is limited, but the appreciation of antique calligraphy and paintings is really too much. Look at the famous paintings of the world's famous artists, which one can't start with a hundred millions?"

Yanzheng nodded and said coldly: "Don't worry, I already have a complete plan. I will first take the position of chairman, then transfer all the assets of the group, and then force your uncle to make a will and The property is given to us, otherwise, I will never make him feel better! Even if he dies, I will not make his wife and daughter feel better!"

Yangang rubbed his hands in excitement: "Then wait for the board meeting tomorrow, and give my dear eldest brother a good show!"

Yanzheng smiled and said: "At that time, Zhao Kuangyin and Issac Qiao mutiny and Huang Pao was added to force Gong Chai Xunzong to meditate and establish the Song Dynasty. Tomorrow, Yanzheng will launch a cultural change on the board of directors to force Philip to give way and rebuild a more prosperous Gu Group!"

Yangang licked his face and said, "Second brother, don't forget your brother when that happens. You will be the only one looking forward to everything in the future for your brother!"

"That's natural!" Yangzheng patted Yangang's shoulder with his left hand, and smiled: "You and I have been living in the shadow of the boss for so many years, and it's time for the two of us to get started!"

Chapter 1533

When Yanzheng and Yangang are planning a bright future, Weiliang and Weiguang on the side also have their own thoughts.

The three Gu family brothers gave birth to eight children in total.

Philip has only one daughter, Sara.

And Yanzheng has three children, two daughters and one son, Weiliang.

Yangang has four children, three daughters, and one son, Weiguang.

Because other males are not very promising, Weiliang and Weiguang, respectively, will undoubtedly be the only heirs to their father's property in the future.

Weiguang saw the cordial enthusiasm between his father and his second uncle, and couldn't help but look at himself and his cousin Weiliang next to him, and wondered in his heart: "When I inherit my father's family property and shares in the future, will I have to be like my father cheating on the second uncle? , Go to cheat my cousin? If I need to stick to him in the future, shouldn't I just start to suck him up now?"

And his cousin Weiliang thought, the cousin Weiguang next to him is actually not very clever, and he is not a compatriot with him. To be honest, the relationship is not deep.

My father, my third uncle, and even the eldest brother who is a naughty compatriot can cheat, so in the future, can I also learn how to cheat Weiguang?

Thinking of this, he felt that the nature of this matter was actually very interesting.

First, the family property was divided into three, and the second family and the third family joined forces to annex the old family.

Then the second family looked for a chance to annex the third family. Then, wouldn't the entire Gu family fall into his own hands?

At this point, Weiliang couldn't help getting excited!

Don't look at Gu's family in the entire Eastcliff, it can only be ranked third.

However, if you can sit on the entire Gu family alone, you can become the richest person in Eastcliff, not one of them.

Even if it was the top two big families of the Wade family and the Su family, it was impossible for anyone to be richer than the Gu family.

At that time, I said that I could not be a real Chinese richest man!

Weiguang didn't know that his cousin who wanted to hurry up was actually starting to plan how to cheat him.

He deliberately had nothing to say, and said to Weiliang with a smile on his face: "Hey, Brother, is that man at uncle's house, is he the boyfriend of the daughter?"

Weiliang shook his head: "Don't know. The girl is also a public figure. If she falls in love, the paparazzi will definitely dig it out, right? But I haven't heard anything."

Weiguang chuckled and said, "Do you remember that this dog ran the train with his mother's mouth full, and said that we will be infertile in the future. f*ck, when I get the chance, he must get rid of his stuff. Let him know what is true infertility!"

Weiliang snorted coldly: "*dmn, Master is very capable in that aspect. He is well-known in the upper circle of Eastcliff. Dare to say that it makes me infertile? fck*, the woman I played with is better than him. Have seen so many!"

"Yes!" Weiguang complimented: "Brother, how does that female celebrity you got started two days ago feel?"

"It's okay." Weiliang said casually: "It's not bad, it's a bit poor, and too thin."

Weiguang hurriedly said flatteringly: "Brother Abner, I have a brother who runs a brokerage company that specializes in cultivating high-end models. There are several great European g!rls. Are you interested in getting started and changing tastes?"

Weiliang frowned, a trace of lust flashed in his eyes, and asked, "When?"

Weiguang hurriedly said, "It's better to hit the sun if you choose another day, just chant today! Later you will take my car and I will take you directly, how about it?"

Chapter 1534

"Yes!" Weiliang nodded without hesitation.

Today, he was humiliated by Charlie. He was in a depressed mood. Unexpectedly, Weiguang immediately arranged an opportunity for him to vent the fire, and naturally he immediately agreed.

.....

In the evening.

Brothers Weiliang and Weiguang came out of the hospital. They drove a car and went to an extremely high-end club in Eastcliff.

The name of this club is very popular, it is called No.1 Mansion.

If you want to set up a VIP in Mansion One, you have to shoot at least 10 million.

Because here, VIP has its own luxurious suites, which not only include restaurants, KTV, bathing hot springs and spa services, but also bedrooms, meeting rooms, chess and card rooms.

In addition, VIP also has its own personal butler and personal attendant. Once you come here, you can enjoy the dedicated imperial service, which is more chic than the ancient emperor.

In other words, the members who have organized here can not only eat, drink and have fun, but also hold business meetings and banquets, which have a wide range of uses.

Moreover, the privacy here is excellent, so you don't have to worry about leaking your privacy.

Because of the many benefits of No.1 Mansion, it is deeply loved by the rich people of Eastcliff.

Both Weiliang and Weiguang are members here, but they rarely play together, they all play their own games.

Today, in order to please Weiliang, Weiguang asked his friend who started a brokerage company to bring four young European models over, and he was ready to let Weiliang have a good time. It was also considered as laying the foundation for his future.

Weiliang was holding his stomach and couldn't vent, just planning to have a good time here tonight.

Soon, four young blond models were brought over, and each one was beautiful and moving, which made Weiliang excited.

He immediately and unceremoniously chose the two most beautiful and best figures, and went to the luxurious bedroom in the suite.

And Weiguang also took him to pick the remaining two and went to another room.

Five minutes later, the brothers ran out of their rooms in a panic.

The two looked at each other at the door, or Weiliang spoke first: "Weiguang, can you do that?"

Weiguang was crying and shook his head. He spoke with tremors and crying voices. He choked up and said, "Brother, I'm not working anymore... I have no feeling or reaction at all. I'm so f*cking infertile... "

After speaking, he looked at Weiliang and asked him: "You brother, do you still have it?"

Weiliang sat down on the ground and muttered: "*dmn, I am gone...what the hll* is going on, this is...I'm only in my twenties. How can I say that I can't do it?"

Weiguang asked, "Brother, do you feel like that part has been completely disconnected from the body?"

Weiguang nodded brightly and said with red eyes: "d*mn, that's how it feels..."

Weiguang was crumbling, pressed against the wall, and slowly slipped to the ground, desperately saying, "Brother, what do you say about this..."

Weiliang said in a flustered manner: "Could it be that the kid today was right? No way! We have to go to the hospital and check it out. What's going on!"

Chapter 1535

The two brothers had just slipped away from the hospital more than half an hour ago, and hurried back soon afterward.

To find out this kind of hidden disease, they only trust their own hospital, because if they are in other hospitals, it is likely to leak the wind.

If Eastcliff's dudes knew that the two young masters of the Gu family had suddenly lost their ability in that respect, it would not only be shame for them, but the entire Gu family would be embarrassed because of them.

Become the object of ridicule for the entire Eastcliff talk after dinner.

The two returned to the hospital, ignoring their father, who was still training in the ward, and rushed directly into the office of the hospital director.

The dean was preparing to get off work at this time, and suddenly saw the two young masters of the Gu family coming, and immediately asked compliments: "Mr. Weiliang, Mr. Weiguang, what can you do with me?"

Weiliang blurted out: "Dean, quickly arrange for someone to check it up for us. We are both sick!"

The dean asked in surprise: "What is wrong? What is the problem? You two will probably introduce me, and then I will arrange related experts to check on you two immediately!"

Weiliang looked around. There was no one else in the office, and the doors and windows of the room were closed. So he gritted his teeth and resisted embarrassment and said, "I don't seem to feel anymore!"

"There? Where?"

Weiliang pointed to his cr0tch: "*dmn, here, where the hll* could it be, do you know it?"

The dean hurriedly waved his hands in fright: "No, no, Mr. Weiliang, how come there is no feeling there? Is it because you have encountered a functional obstacle?"

"It's a hindrance to your mother!" Weiliang cursed, "I don't feel it at all, understand? It's just like a f*cking disconnect! I can't feel it anymore!"

"No?!" The dean exclaimed: "I have never encountered this kind of thing. It stands to reason that this is unlikely. If the ability is damaged, there may be some obstacles, but it is impossible. I can't feel it at all!"

Weiliang slapped him and scolded, "I f*cking need you to repeat what I have said with interrogative sentences? Hurry up and arrange an examination for me. If the best treatment period is delayed, I will kill you!"

When Weiguang saw his cousin start his hand, he immediately stepped forward and kicked the dean, gritted his teeth and said, "f*ck you not in a hurry? Believe it or not to fire you tonight?"

The dean was extremely aggrieved, but dared not to speak, so he respectfully said: "Two young masters, wait a minute, I will arrange for an andrology expert to come over!"

Soon after, the andrology specialist from the hospital came to the dean's office.

After understanding the relevant situation, he immediately took the two young masters of the Gu family to the examination room for examination.

Ten minutes later, the andrology expert group of the entire hospital gathered in the examination room.

Some have already driven a few kilometers away after getting off work, and some are simply taking a break today, but because of the important matter, they are still called over.

The expert team of seven or eight people was at a loss for the situation of the two young masters of the Gu family.

They used various means to check and found nothing abnormal, but the two always insisted that they didn't feel anything at all.

This incident disturbed Yanzheng and Yangang who were resting in the intensive care unit.

The two heard that their sons had some problems, so they hurried over.

After inquiring about the situation, the two were shocked!

Chapter 1536

Yanzheng trembled all over, and blurted out and asked the director of the andrology department: "What the h*ll is going on? Has the cause been investigated?"

The director of the andrology department wiped a cold sweat, and said: "Second master, this thing is really weird. We have used various methods to check, but there is no clue. I have been in andrology for decades, and I have never seen it. Have such cases..."

Philip was looking at the two crying children, frowning and asked, "Is there no way to cure it?"

The director of the andrology department said embarrassingly: "Second Lord, whether it can be cured is the second stage of the problem. The first stage of the problem is to figure out what is going on first, and we are completely confused now... ."

Yanzheng felt dizzy in his brain, and thought to himself:

"What the h*ll is this?"

"The two children are both in their twenties, and the youngest Weiguang is just in his early twenties. Isn't that clear?!"

"Gu family has nothing more important, but these two males!"

"If neither of them can work, then who will succeed the Gu family in the future?"

"I haven't had a grandson yet!"

Thinking of this, Yanzheng hurriedly looked at his son Weiliang, and blurted out: "Weiliang, tell your dad, what is going on? How do you feel?"

Weiliang was dragged to do so many tests. The doctor hadn't found out what was going on, so he became more and more desperate at this time, crying and saying, "Dad! don't know what's going on! It's inexplicable. No, the key is that I don't feel anything. I pinch with my nails, but I don't feel anything at all. Even if it hurts, it's a good thing..."

Weiguang also cried and said: "I also pinched secretly just now. I didn't have much energy, but I still felt nothing..."

Yangang almost couldn't stand firmly, and hurriedly comforted: "Son, don't worry, son, hold on first, don't panic, let's slowly figure out a solution!"

Weiliang said at this time: "Dad, do you think it has anything to do with the kid we met at the uncle's house today? That kid said today that if I wanted to lose my fertility. I thought this kid was just a bad mouth. But looking at it now, this thing is too d*mn fable, could it be he did it?"

"That's right!" Weiguang also resentfully said: "That kid has a cheap mouth. If he says he is better, he can ligate us both..."

"Cloud ligation?!" Several male doctors were stunned.

Having studied medicine for many years, who the h*ll has heard of such a thing as cloud Ligation?

It's totally impossible!

Yanzheng suddenly thought of what Charlie said at the time, his expression became more and more solemn.

At this time, he looked at Yangang next to him, and said puzzledly: "Third brother, do you remember? That kid seemed to have asked both of us, saying that we are not too old and that we still have fertility..."

"Remember!" Yangang nodded again and again: "That kid was too d*mn bad to talk, I was still scolding him in my heart!"

Yanzheng smacked his lips and said solemnly: "Why do I think the more and more the f*ck I feel, what's wrong with this..."

Having said that, he frowned for a while and was silent for a while, then suddenly reached out and grabbed a hand into his crotch...

After catching this one, he looked horrified and shouted in a panic: "Quick! Doctor, I can't feel it anymore. Check it out for me as soon as possible!!!"

Chapter 1537

Yanzheng's words not only shocked everyone present, but also made the third Yangang around him involuntarily clamp his legs.

In terms of probability and logic, the son, nephew, and second elder brother all have problems in that area, and the chances that he will be spared accidentally are very slim.

Therefore, he also hurriedly inserted his hand into his trouser pocket, through the lining of the trouser pocket, went there and pinched it. After this pinch, he was shocked immediately!

Because he, he can't feel it at all...

He immediately cried and wailed, "Are you still there! Check it out for me too, and I suddenly didn't feel it..."

The whole treatment room is full of shock...

This.....

This is too incredible, right?

Two generations of the Gu family and four males have all lost that ability? !

How is this possible?

If it is caused by illness, most of the diseases similar to the deterioration of body function are not contagious, like paralysis, stroke, Parkinson's, frostbite, and muscle weakness. Similar diseases have never been contagious.

Therefore, if one of these four people had such a problem, it would still be understandable.

However, four people appear at the same time, which is too weird?

Moreover, even if it is a genetic problem, there has never been a case of a family of four at the same time.

For example, all men in this family have inherited the gene for hair loss. There is also a period of time. For example, they all begin to lose a lot of hair around the age of 40, and they are completely bald around the age of 50.

However, I have never heard of anyone with hereditary fertility loss. Then one day, four men, forty-eight, forty-six, twenty-four, and twenty-one, all became useless at the same time. What a thing!

The director of the andrology department became more and more confused as he thought about it, and his already nervous palms were full of sweat.

Because he has no idea where to start the treatment.

After a systematic test, he was basically able to determine that all the four people in the Gu family had exactly the same symptoms, but he just didn't understand what caused them to get sick.

So he hurriedly asked: "Second Mr. and Third Master you two will help me carefully recall what unusual places you have been to together recently, what unusual foods have been eating together, and what unusual things have been encountered together. Things? Especially things with radioactive contamination!"

"No!" Yanzheng blurted out: "We have been in Eastcliff for this period of time, and we haven't been anywhere! We haven't touched anything strange!"

Yangang nodded again and again: "Our respective homes have comprehensive monitoring equipment. The quality of water supply and air quality are constantly monitored. There are no sources of pollution in the house, and a comprehensive radiological investigation has been done. There is absolutely no possibility of any radioactive materials."

"That's too weird..." The director of the andrology department bit the bullet and said, "The current situation is that the cause of the disease cannot be found at all. If the cause of the disease cannot be found, there is no way to start the treatment!"

Yanzheng yelled: "Mom's waste! You can't even find the cause of the disease. What the h*ll do you want you to do?!"

The director of the andrology department said humbly: "Second Lord, you can certainly realize this is very strange for me. It may even be beyond the scope of medicine, so even if you beat me and scold me, it will not help! Where we are now we must work together to find a way to find out the cause of the disease, and then follow the path to find a cure..."

Chapter 1538

Philip just gritted his teeth and cursed: "Why do you have so many excuses? If you can't do it, you can't do it. What the h*ll is it? If you can't, just get out of here, and come over with something that works!"

On the contrary, Yanzheng stopped Yangang, frowning and thinking for a long time.

He also realized that this matter is really strange, I am afraid it is really not a medical matter.

At this moment, his son Weiliang suddenly yelled: "Oh! Dad! Could it be the b@stard at the uncle's house today?!"

Yanzheng blurted out, "You said it was the kid who did it with me?!"

"That's right!" Weiliang said: "He kept talking about cloud ligation at the time. He also said that he made me infertile. He even said that if we ask him for something, we will kneel at the door of the uncle's villa. Could this be done by him? Ghost?"

Yanzheng felt a little bit in his heart: "f*ck! It's really possible that the kid did this thing! After all, that kid hooked up and made God of War and a realm master weak. Maybe the current situation of our family is inseparable from him!"

Thinking of this, Yanzheng gritted his teeth and cursed: "d*mn, if it's that b@stard, I must kill him!"

Yangang hurriedly said: "Brother, how would we kill him? Did you forget how abnormal his strength is? Even if you send five war gods and five realm masters, I'm afraid you can't beat him!"

Weiliang also said to the side: "Yes, Dad, today we went to the uncle's house and caught the uncle by surprise. Now the uncle must have sent someone to protect him tightly. With that kid at that home, we're afraid we won't be able to get anything cheap."

When Yanzheng heard this, he suddenly became decadent again.

This is so f*cking uncomfortable.

Knowing that it was the ghost of that kid, but he couldn't provoke him.

How to mess with it?

Bring dozens of masters over, maybe there are more than a hundred masters around the villa secretly protecting it.

Coupled with the incredible strength of that kid, he certainly has no chance of winning!

Thinking of this, he gritted his teeth and said coldly: "It seems that we still have to take a long-term view. Let's bear with him first. On the board of directors tomorrow, we will take down the position of chairman."

The other three nodded.

Right now, it's not the time to go head-to-head with Philip and Charlie, but to find a way to take the position of Chairman first.

Once he seizes his power in the group, the situation will undergo a huge change. By then, Philip can only be eroded!

After making up his mind, Yanzheng said to the director of the andrology department: "You can arrange to get a part of the sperm for the four of us to freeze!"

"Frozen sperm?!" The others were also a little surprised. Yangang asked, "Big brother, which one are you doing?"

Yanzheng said with a cold face: "I'm afraid that if we really can't recover, the blood of the two families and the blood of the entire Gu family will be severed. First, freeze the sperm. In case we can't recover, we can still use artificial insemination. Way to continue the blood!"

Yangang suddenly understood that the second brother was planning for the worst, leaving seeds for the two families first.

He couldn't help sighing from the bottom of his heart: "I have to say that the second brother's idea is very far-sighted. At first glance, he is a person who has a great view of the overall situation! If you want to be yourself, you will definitely not think of this. When the time comes, the worst situation will come. Didn't that Gu family cut off their children?"

Chapter 1539

Weiliang and Weiguang, two young people, also realized the importance of this matter, so they both nodded in agreement.

If you freeze the sperm first, you will leave the seeds. It is very easy to get a child later.

After all, as the old saying goes, be prepared!

Therefore, the director of the andrology department immediately arranged painless manual sampling for the four people and prepared a series of tests at the same time.

As long as it is taken out, it will be sampled for testing immediately, and the rest will be frozen at ultra-low temperature with liquid nitrogen. Once the testing is completed and there is no problem, it can be safely stored for a long time.

However, when the samples were taken out and tested under the testing equipment, the doctors discovered a fact that they could not believe.

When they reported the results to the director of the andrology department, the director was swaying with fright.

Yanzheng and others saw that his face was very ugly, and immediately asked, "What's the matter? Is there anything unusual?"

The director of the andrology department swallowed his saliva, forced himself to calm down, and said: "Second...Second Master.... Third Master....There are also two Young Masters... The results have come out. The survival rate of your four seeds is... the survival rate..."

Seeing him grimacing, Weiliang yelled anxiously: "What the hll are you doing here? What the hll is the survival rate, what the h*ll are you!"

The director of the andrology department had no choice but to bite the bullet and said tremblingly: "The survival rate of your four seeds is zero..."

"What?!" The four of them exclaimed. Yangang injured his bladder, and his body was a little weak. One of them couldn't stand firmly and sat on the ground with a thud.

This news is like a bolt from the blue to the Gu family!

The survival rate of seeds is zero. Doesn't this mean that they no longer have the ability to reproduce offspring? !

Yanzheng's frightened hands were shaking, and even his right hand wrapped in plaster was shaken by him.

He trembled and asked, "What the h*ll is going on? How could the seed not survive? I have always been normal!"

"Yeah!" Weiliang also cried and said, "A few months ago, I just enlarged the belly of a tender m0del. In order to prevent her from haunting me, it took a million to get her ab0rtion... Why is there no survival rate now?"

When Yanzheng heard this, he slapped him with his left hand angrily, and cursed: "You b@stard! You've made other people's stomachs bigger, so you won't let her give birth?! What if she give birth to a son? Does our family have a future?"

Weiliang was full of grievances and choked up: "Dad! You reminded me repeatedly that when you asked me to mess around outside, don't make a woman's belly bigger, let alone have an illeg!timate child. You said that this would affect me in other colleges. The image in the eyes of the family will reduce my worth a lot, and I will not be able to marry the eldest daughter of the top family in the future, so I spent money to have her abortion! Isn't this all according to your intentions?"

Yanzheng yelled, raised his hand and slapped him several times, and while slapped, he cursed resentfully: "Make your mouth cheap! Make your mouth cheap! Make your mouth cheap!!!"

In fact, he knew very well that what his son Weiliang said was the truth.

Among the wealthy families in China, marriage is based on a good match.

This good match depends not only on the strength of the family, but also on the qualities of both men and women.

If it is also a hundred-billion-class family, the male looks wretched, and the female has a delicate appearance, then there is no doubt that the eldest lady of this hundred-billion-class family cannot be regarded the young master of this hundred-billion-class family.

If it is the same hundred billion-class family, men are just like talents, and women are in a mess, the elders and young masters will not compromise.

In addition to looks, if one of them is inferior, it will also greatly reduce their own value.

Chapter 1540

Among them, the most detrimental point for men is having illegitimate children outside.

Big family marriages, regardless of whether they are men or women, are spoiled by their parents. Which eldest lady is willing to marry a man with an illegitimate child and become a stepmother? Impossible.

Even when Sara met Charlie again, she paid great attention to this matter. How could she be willing to be a stepmother at a young age and a young lady?

Yanzheng also wants his son to maintain his own competitiveness, so he has repeatedly warned him that it is okay to play outside, but he must not have children.

At that time, he never thought that his son would lose his fertility one day!

It's better now, the seed survival rate is zero, and an illegitimate child has been killed. Isn't it true that it will cut off the children and grandchildren in the future?

Weiliang was also very angry.

It's useless by itself, and the seed has no survival rate. Not only will he have no chance to get close to beauty in the future, but also have no chance to be a father. Isn't this just being a eunuch?!

Thinking of this, he looked at Yanzheng with trepidation, and blurted out: "Dad! This must be the bastard at the uncle's house. He has done something to us, or let's beg him! Nothing can be said. I'm still young, I don't want to be a living eunuch in the future..."

Weiguang on the side was also scared to death, crying and said, "Second Uncle, Dad, I don't want to be a living eunuch either..."

Yanzheng said with a black face: "Now go and beg him, what will the board of directors do tomorrow? When I was at your uncle's house today, I had already let go of the conversation. I will see him at the board of directors tomorrow. If today we run to beg that kid. They are bound to threaten the board of directors!"

"Moreover, maybe your uncle will use this to force me and your third uncle to sell all the voting rights. In that case, we will never be able to defeat your uncle!"

In the Gu Group, shares and voting rights correspond.

In other words, if you own 51% of the shares, you have 51% of the voting rights.

As long as the voting power accounts for 51%, all company affairs can be determined.

But there are exceptions.

For example, if Yanzheng voluntarily, or is forced to surrender the voting rights corresponding to the part of the shares he owns, to Philip completely, then Philip will have his part of the right to speak.

As for Yanzheng, although the shares are still there, the voting rights are gone and the voice is gone.

This is also the fundamental reason why Ali's Jack Ma has a very low shareholding ratio, but has a high right to speak.

Other shareholders trust him, or can't beat him, and transfer all the voting rights to him, then he will naturally be able to say and do things.

This is what Yanzheng is worried about right now.

He was extremely depressed at this time, and couldn't help but secretly said: "It's all the d*mn blame me for being mean. I first mentioned the board of directors and gave my eldest brother a bit of prestige. If I go to my eldest brother now, I will definitely be countered by this!"

"So, in any case, I have to endure it until I succeed in seizing power tomorrow!"

"It really doesn't work, you can use the money to buy the young man in Brother's house after the matter is done!"

"One hundred million is not enough, and one billion is not enough. After all, there are no people in this world who can't move money!"
