

# Catch Me If You Love Me Chapter 154

Zoey Gu trembled all over and his eyes flushed suddenly.

She stared at Liam Lu, who was indifferent and estranged in front of her, and the emotion she had been tolerating, finally burst out in an instant!

“I do not go!”

She suddenly said, staring at him stubbornly.

“Why do you let me go, I have to go?!”

Xiaolan, who didn't understand, was shocked when he heard this, “June, do you know what you are doing?!”

June?

Liam Lu narrowed his eyes to look at Zoey Gu with a deep expression, and said coldly again.

“Get out!”

Xiaolan was about to be amnesty in an instant, grabbing Zoey Gu's hand and turning around and leaving.

“Go, hurry...ah!”

Without lifting his footsteps, Liam Lu behind him suddenly reached out and grabbed Xiaolan's back collar, and instantly threw her out the door!

Zoey by his side was quick-eyed, and flew towards the door...

Bang!

The bedroom door closed instantly.

Before she turned around, she suddenly felt a chill in her back, and a cold wind hit herself behind her, and she was pressed hard against the wall beside her.

As soon as he looked up, he met Liam Lu's furious scarlet eyes.

He glared at her, gritted his teeth and spoke harshly.

“Who asked you to come?”

The anger is obvious.

Zoey Gu's eyes were blushing, only feeling aggrieved and sad, biting his lip without speaking, reaching out and pushing him hard.

"Don't worry about it! I...um!"

The rest of the words disappeared into the kiss that the man lowered his head.

Liam Lu hugged her hard and kissed her fiercely, his arms tightened and tightened, wishing to embed her in his body.

It seems that this is the only way to release the endless thoughts and worries in the body.

After a long while, he pressed her lips and sighed helplessly.

"Stupid, you shouldn't come..."

Zoey Gu's heart trembled, tears came to his eyes instantly, and he subconsciously reached out and hugged him, gently rubbing in front of him.

"Liam Lu, what I said, I don't deserve you to pay so much for me. Why do you bother?"

Liam Lu hugged her tightly, lowered his head and sniffed the smell of her almost greedily. After a while, he gritted his teeth and pushed her away.

"Zoey."

He possessed, raised his hands to clasp her face, and stared at her scorchingly, his eyes were cold and solemn like never before.

"You are obedient, you can't stay in this place for long. After tonight, I will let Shiyue arrange you to leave. You..."

Zoey Gu gritted his teeth, clasped his arms with both hands, and kissed him on tiptoes.

"..."

Liam Lu shook suddenly, feeling the soft fragrance suddenly covering his lips, and his brow bone suddenly jumped.

Until she left his lips, he still stared at her closely, his eyes filled with crazy emotions, and he asked in a hoarse voice.

"Zoey, what are you?"

Zoey Gu bit his lip, his hands still clinging to his hands, it seemed that he raised his head with a lot of courage, and slowly made a sound.

“This is what I gave you...”

The word “answer” has not yet been spoken, Liam Lu, who has been holding her, suddenly let go, his body backward, and the whole person fell backward without warning.

Bang...

He fell heavily to the floor!

Zoey Gu’s eyes widened suddenly, and when he reacted, he rushed over.

“Liam Lu, what’s the matter with you? Don’t scare me!”
